**WHEREAS**, a person without access to nonfood essentials cannot equitably participate in work, the search for employment or many other activities due to the risk of embarrassment such as from odors or bleeding through clothing; and

**WHEREAS**, a person who lives in an abusive situation has an increased likelihood of having difficulty accessing menstrual products and other nonfood essentials; and

**WHEREAS**, it is a matter of human justice and dignity for recipients of SNAP benefits to be granted the authority to determine what essentials they most need; and
