Aged 65 and older, including

The origin is RWANDA.

My name is Pierre Kayiranga, born 19/04/1942 in Rwanda.

I arrived here on 31/03/2010 and I am so far without Asylum (7 years) !!

I have been to the Judge twice, once alone without an Advocate, and I have been sent to seek an Advocate, the second time I had answered the Judge's invitation this time with an Advocate.

The Judge refused to open the proceedings on the ground that the documents of the Doctors she held did not entitle her to be able to ask me Several questions related to my immigration file, because my memory was declared low.

The Judge ordered the Advocate to have a reassessment of the memorandum made by different physicians, which was subsequently done.

On 29/08/2014, the doctors declared that my memory is weak, which does not give me a chance to work.

If so, I cannot work to sustain My personal needs, and that, on the other hand,

You will understand, honorable ladies and gentlemen, that this decision is by no means inapplicable to human beings, it is of a bad and inappropriate nature.

Think of an old, sick man who does not know how to work with his degraded health, who has no material support and health care, the answer is to say that he goes straight to the Cemetery (Graveyard)!

Honorable Members, Ladies and Messieurs, I ask you to use your honor and to continue to help the men who have chosen America as their refuge, it is not a Chance that I am here before you. God helping I am convinced that I will be understood and rescued.

May the hand of the Eternal God be Omnipresent on your heavy responsibilities.
