Subject: Oppose LD 337

Dear Senator Dill, Representative Nadeau, and members of the Inland fisheries and Wildlife:

The spring bears are waking and searching for food for their cubs. I urge you to oppose LD 337 for its inhumane treatment of bears. I urge you to investigate and support more humane efforts to control the bear population. WE ARE LOSING ENOUGH SPECIES TO CLIMATE CHANGE! Please choose a more humane way for the bears!

Thank you
Deborah Burke (visiting my granddaughter in Kosovo now but returning to Maine on Feb 21)
