Subject: LD 275 - LD 323 - LD 337 - IFW Hearing 2.11.19

Senators and Representatives of the IFW:

Please support LD 275, LD 323, and LD 337 today as they seek to open up opportunity and participation for Mainers, honor the heritage and character of this state, increases license sales, and assist in wildlife management efforts.

Any cost increases to the state should be applied to out-of-state licensing, not Maine taxpayers.

Thank you,

Dan Davis - voter/resident/citizen/taxpayer
