Subject: Oppose LD 337

Dear Senator Dill, Representative Nadeau, and members of the Committee on Inland Fisheries & Wildlife:

I am distressed to hear about LD 337 and strongly oppose the a spring bear hunt. For those worried about nuisance bear encounters, there are better ways to prevent these, such as through educating the public to use bear-resistant trash cans. I don't believe it is "fair play" as bears are depleted and stressed after a long winter. I do not support a spring bear hunt.

I am a registered Republican who lives in Kennebunkport, Maine.

Thank you,
Jennifer Comeau
