Subject: Oppose LD 337

Dear Senator Dill, Representative Nadeau and members of the Committee on Inland Fisheries & Wildlife:

Please vote against LD 337 -- creating a spring bear hunting season. Spring bear hunts run the risk of killing mother bears and creating orphaned cubs.

Also physically bears are not in good shape and therefore it is not a fair chase.

I also do not feel Maine has too many bears. People need to adopt habits that discourage nuisance behaviors.

Thank you!
