

Maine State House Interior Plaster Repair and Paint

Addendum

Scope of Work Change:

Entrance Door refinishing has been dropped from this year's project.

Correction to Bid Document:

Given the size of the project, no bid security/bid bond is required with the bids for this project.

Clarification of Scope of Work for Base Bids

Base bid should be based on the square footage of plaster and paint work detailed in Attachment A. An amount for work to be performed in excess of those square footages should be submitted and expressed as a cost per square foot of additional painting and a cost per square foot of additional plaster repairs.
