SUBJECT: Legislative Orientation Schedule: 130th Maine Legislature

Congratulations on your election to the Maine Legislature! As a newly-elected or returning Legislator, you will have a challenging and rewarding opportunity to serve your constituents and the people of Maine. To assist you in acclimating to your role as Legislator, the Legislative Council has developed various legislator orientation programs for members of the 130th Legislature that will be held over the next several months.

The legislator orientation programs, sponsored by the Legislative Council, are designed to provide incoming legislators with important information regarding their responsibilities, key issues, legislative procedures and staff services. Some of the programs are designed for those of you who have been elected to the Legislature for the first time, and others are intended for all members of the legislature regardless of length of prior legislative service. Enclosed with this memo is a calendar that shows the orientation dates.

1. NEW MEMBER ORIENTATION

For all newly-elected members and returning members who did not serve in the 129th Legislature.

Tuesday, November 17, 2020 – Virtual Presentations

Wednesday, November 18, 2020 - State House, Augusta

Thursday, November 19, 2020 - State House, Augusta

This orientation program covers general information regarding your duties as a legislator, legislative procedures and staff services. It is also an opportunity for you to meet other newly-elected members and to begin to develop working relationships that are the foundation of an effective legislative process. All of these topics are relevant to your effectiveness as a legislator, and it is essential that you participate in this orientation. A preliminary copy of the New Member Orientation agenda is enclosed. Please contact the Office of the Executive Director at (207) 287-1615 if you are not able to attend.
2. **STATE HOUSE PARKING**

Parking on the State House campus for New Member Orientation is limited, but parking lots A, B and part of C have been reserved exclusively for Legislators. Signs indicate designated legislator parking areas (see the campus map). Enclosed please find a temporary parking permit for your use until your legislative license plates are issued to you. **Please use the legislative parking areas and display the enclosed green, temporary parking permit in the windshield of your car.** You will receive special legislative plates for your vehicle during the week of November 30th.
