ORDERS

On motion of Representative MOONEN of Portland, the following Joint Resolution: (H.P. 715) (Cosponsored by Senator KEIM of Oxford and Representatives: BABBIDGE of Kennebunk, BAILEY of Saco, BRADSTREET of Vassalboro, CARDONE of Bangor, GUERIN of Glenburn, JOHANSEN of Monticello, McCREIGHT of Harpswell, RECKITT of South Portland, SHERMAN of Hodgdon, Senators: HILL of York, WHITTEMORE of Somerset)

JOINT RESOLUTION RECOGNIZING SUNSHINE WEEK, MARCH 12-18, 2017

WHEREAS, James Madison, generally regarded as the father of our federal Constitution, wrote that "a people who mean to be their own Governors, must arm themselves with the power which knowledge gives"; and

WHEREAS, every citizen in our participatory democracy has an inherent right of access to government meetings and public records; and

WHEREAS, an open and accessible government is vital to establishing and maintaining the people's trust and confidence in their government and in the government's ability to effectively serve its citizens; and

WHEREAS, we celebrate open government and recognize its importance in developing how people who believe in democracy think about transparency and its role in government, leading to the adoption of our own Freedom of Access Act; and

WHEREAS, the protection of every person's right of access to public records and government meetings is a high priority for the State of Maine; and

WHEREAS, Sunshine Week was established to spark a discussion about the importance of open government and public access to government documents and meetings; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Twenty-eighth Legislature now assembled in the First Regular Session, on behalf of the people we represent, take this opportunity to recognize Sunshine Week during the week of March 12-18, 2017 and confirm the basic principles of an open and accessible government in a free society and urge all citizens to join in this observance.

READ.

The SPEAKER: The Chair recognizes the Representative from Glenburn, Representative Guerin.

Representative **GUERIN**: During Sunshine Week, I ask you to think about your personal role in government and transparency. We must all be vigilant in holding ourselves and our committees accountable. As a leader on the Judiciary Committee, that is the committee of oversight for freedom of access, I take this responsibility very seriously. I read in the *Bangor Daily News* that the Joint Committee on Marijuana Legalization Implementation had gone on an informal, informational tour of several marijuana facilities and that the media, and thus the public, were not allowed to go along. I intend to ask Attorney General Mills to look into this and I'd ask you when you see problems with freedom of access to do the same thing, to speak out and be a voice for transparency and sunshine for the citizens of Maine.

The SPEAKER: The Chair recognizes the Representative from Amherst, Representative Lockman.

Representative **LOCKMAN**: Thank you, Madam Speaker. Ladies and Gentlemen of the House, just want everyone to know I really like this House Order. I especially like the part where it says we have an inherent right of access to government meetings and public records. And I really like the part where it says, we're celebrating the adoption of the state's Freedom of Access Act. I really like that, Madam Speaker, how about you? Thanks.

The SPEAKER: The Chair recognizes the Representative from the Houlton Band of Maliseet Indians, Representative Bear.

Representative **BEAR**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. In the spirit of this Joint Resolution, Sunshine Week, which is most appropriate, one that reminds us of how to keep ourselves safe from, well, things that governments may do wrong because they conceal or aren't as transparent as we expect them to be, as we need them to be. I remind the body that I will soon be proposing to you a bill that will revisit an amendment to the Maine Constitution that will do and ask you to vote exactly that, in making public hidden portions of Maine's Constitution as regards to Maine's Treaty obligations. Article X, Section 5, subsection 5 is currently not published. It's illegal to publish it.

It deals with Maine's founding document in separating from the State of Massachusetts Bay at the time. And so with this Resolution in mind, I do rise and I speak to more transparency in this state. Thank you.

Subsequently, the Joint Resolution was **ADOPTED**.
Sent for concurrence.

In Memory of:

Camilla Ashe Sewall, of Bath, a direct descendent of shipbuilder, railroad industrialist and vice presidential candidate Arthur Sewall. Ms. Sewall will be long remembered and sadly missed by her family and friends;

On **OBJECTION** of Representative PIERCE of Dresden, was **REMOVED** from the Special Sentiment Calendar.

READ.

The SPEAKER: The Chair recognizes the Representative from Dresden, Representative Pierce.

Representative **PIERCE**: Thank you, Madam Speaker. Ladies and Gentlemen of the House, Camilla Sewall was my friend. Camilla was a world traveler. She spent a lot of time in England, where she lived most of her adult life. She traveled to many countries, like the Philippines, Cambodia, and other countries in Africa, where she helped people who were less fortunate than her. She returned to her family home in Bath in the late '80s, where I first met her, and we became good friends. I really appreciated and looked forward to our lively conversations as we talked about many different issues that truly cemented our friendship. I was always amazed by her, though. She was somebody who knew ambassadors, prime ministers, princes, and potentates, and other people in high powers, but she never let it affect her in the least of how she treated everybody the same. She was one of a kind. Camilla was the most genuine person I have ever met. She always was asking, "How's your wife? How's your kids doing?" She was really involved with people's family and how they were

doing. For those who knew Camilla, she was always looking for the next adventure. We went on many road trips to explore architectural salvage yards. She particularly cared for the people who ran the salvage yards and we would visit with interest to know their stories. She didn't really care about the salvage, she was more interested in the people around Maine. These are just a few of my fond memories of Camilla. She taught me many life lessons that I will never forget. And most of all, I will never forget her being such a good friend, and I feel I'm a better person for the time I spent with her. Thank you.

The SPEAKER: The Chair recognizes the Representative from Bath, Representative DeChant.

Representative **DeCHANT**: Thank you, Madam Speaker. Ladies and Gentlemen of the House, I'd like to rise and actually echo the sentiments of my good friend from Dresden. Ms. Sewall is certainly a pivotal, and was a pivotal, member of our community. When I first moved to town, everyone said you need to go and visit her, and I did, and she opened her house and was very supportive of many of the endeavors that I took upon. And she was very supportive, opening her house to us and the Sagadahoc County Dems, and was very influential in that manner. And honestly, every day, Madam Speaker, I drive by her house and I think about her.

Subsequently, this Expression of Legislative Sentiment was **ADOPTED** and sent for concurrence.

The SPEAKER: The Chair recognizes the Representative from York, Representative Hymanson, who wishes to address the House on the record.

Representative **HYMANSON**: Thank you, Madam Speaker. Happy 197th Birthday tomorrow to our State of Maine, on March 15th, as it broke away from the Commonwealth of Massachusetts. The Massachusetts General Court had convened a year before, in 1819. In unprecedented numbers, petitions from towns in Maine poured in. The final count was 130, with 125 of them in support of separation. The following is the petition submitted by the Town of York in May of 1819. I want to thank Mary-Anne Szeniawski, the longtime York Town Clerk and James Kences, the York Historian, for gathering these documents from the Town of York archives. "To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts

and General Court assembled on the fourth Wednesday of May, 1819. The inhabitants of the Town of York respectfully represent that they view the separation of Maine from Massachusetts proper as one of the events which, in the course of things, will ere long take place. Massachusetts is an anomaly in the Union—a state whose territory is disjoined and disconnected by the intervening territory of another state. In a state constituted of territory thus situated, the interests of the different sections will often become different, and in some cases, actually at variance with each other. Such we believe has often been the case with Massachusetts and Maine. But Maine is now so far advanced in wealth and population that she is well able to support a separate government for herself. The present quiet state of the public mind on such subjects of a party nature is particularly favorable to the formation and establishment of a constitution and government founded on those principles, which have been sanctioned by the wisdom and experience of our most enlightened statesmen." On and on and on. "The said inhabitants, therefore, respectfully pray that the Legislature should take the subject in their consideration, and give their assent to the separation, of such terms and conditions, as shall be honorable to Massachusetts, and just and equitable to Maine." On March 4, 1820, the Maine Constitution was ratified by Congress with statehood gained on 3/15/1820. Happy 197th Birthday to the State of Maine. Thank you, Madam Speaker.

By unanimous consent, all matters having been acted upon were **ORDERED SENT FORTHWITH**.

On motion of Representative PIERCE of Dresden, the House adjourned at 11:45 a.m., until 10:00 a.m., Thursday, March 16, 2017, in honor and lasting tribute to Camilla Ashe Sewall, of Bath.
