Bill "An Act Making Certain Supplemental Appropriations and Allocations and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government" (EMERGENCY)

(H.P. 652) (L.D. 924)
(C. "A" H-790)

PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (H-790) in the House on June 19, 2018.

Came from the Senate **PASSED TO BE ENGROSSED AS AMENDED BY COMMITTEE AMENDMENT "A" (H-790) AS AMENDED BY SENATE AMENDMENT "A" (S-529)** thereto in **NON-CONCURRENCE**.

Speaker GIDEON of Freeport moved that the House **RECEDE AND CONCUR**.

The SPEAKER: The Chair recognizes the Representative from Belfast, Representative Herbig.

Representative **HERBIG**: Thank you, Madam Speaker. Madam Speaker, Women and Men of the House, I rise to speak in support of the pending motion. This bill addresses two of the most pressing issues before us: preserving vital services for aging Mainers and adults with intellectual disabilities and autism, as well as our county jails.

Protecting services for Maine's most vulnerable is a priority that's especially personal to me. My own family knows firsthand what it's like to care for a loved one with an intellectual disability. My community has struggled to make up the difference as providers who helped care for our neighbors have closed their doors. It's been devastating. The state should not be in the business of deciding which of our loved ones receive care.

Across our state, families and communities like mine and so many others in this Chamber need us to act.

The SPEAKER: The Representative will defer. The House will be in order. The Representative may proceed.

Representative **HERBIG**: This is our chance to show them that we will not abandon our most vulnerable, their families, and the workers who care for them, and I'm hopeful that today, we will do just that.

LD 924 will provide critical funding for our county jails. I have certainly heard a great deal from sheriffs and county administrators, and I'm sure you all have as well. The bottom line is that, without this funding, jails will be forced to make deep cuts to programs that prevent crime, reduce recidivism, and make our state safer, and our communities will be left to pick up the state's slack. For public safety, for property taxpayers, we can't let this happen.

I hope you will join me in supporting the pending motion just as the Appropriation Committee did unanimously. The decision we make on this bill will impact each of our districts and every corner of the state. Today we can make meaningful action to make Maine safer, healthier and more stable. Thank you, Madam Speaker, and I request a roll call.

The same Representative **REQUESTED** a roll call on the motion to **RECEDE AND CONCUR**.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The SPEAKER: A roll call has been ordered. The pending question before the House is to Recede and Concur. All those in favor will vote yes, those opposed will vote no.

errors bill, the section fixing the error related to the Maine Clean Election Fund.

As I'm sure we're all likely aware, in the final budget bill that we passed last session, we included a \$3 million advance transfer to the Maine Clean Election Fund. It was intended to ensure that the program was sufficiently funded during this election cycle. However, as we learned just a couple of months ago, an error occurred in the drafting, creating a negative allocation during fiscal year '19, preventing the Ethics Commission from disbursing Clean Election funds after July 1st, so the money has already been appropriated, however the Commission simply lacks the authority to spend it. The errors bill seeks to fix that error, granting the authority to spend without appropriating any additional money.

In recognizing the position that we find ourselves in, the amendment before us tries to seek something of a compromise. The \$3 million advance from our budget deal has already been transferred into the Clean Election account. The amendment presented today removes \$1 million of that advanced transfer, sending it back to its original date. I can say we feel that it's important to fix this error. As we've seen, we have already over 200 candidates have enrolled in the Clean Election program, with the understanding that it would be sufficiently funded. They've met their standards of qualification and entered into a contract with the state, giving up their right to raise funds traditionally. And, perhaps most importantly, tens of thousands of Mainers have contributed financially in order to see this program succeed.

So, this amendment before us respects the budget deal that we made last July while giving back \$1 million of the advanced transfer. I thank you all for your consideration of this amendment. Thank you, Madam Speaker.

The SPEAKER: The Chair recognizes the Representative from Newport, Representative Fredette.

Representative **FREDETTE**: Good morning, and thank you, Madam Speaker. I appreciate the efforts of the good Representative from Ellsworth, Representative Luchini. I think we've had many conversations about this in the effort to find a compromise. I don't think that we're quite there yet on this particular amendment. I will be voting against it and ask that you follow my light, and I request a roll call.

The same Representative **REQUESTED** a roll call on the motion to **ADOPT House Amendment "C" (H-796) to Committee Amendment "A" (H-782)**.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The SPEAKER: The Chair recognizes the Representative from Warren, Representative Sutton.

Representative **SUTTON**: Yes, may I have permission to pose a question through the Chair?

The SPEAKER: The Representative may proceed.

Representative **SUTTON**: Does current law allow Clean Election candidates to traditionally fundraise if the fund is dry?

The SPEAKER: The Representative from Warren, Representative Sutton, has posed a question through the Chair if there is anyone who is able to answer. The Chair recognizes the Representative from Ellsworth, Representative Luchini.

Representative **LUCHINI**: Thank you, Madam Speaker. Madam Speaker, Men and Women of the House, to answer the question: if the fund runs dry, candidates can raise traditionally. However, if we don't fix the error with the negative allocation, we've been advised that candidates would not be allowed to traditionally fundraise to meet their cap.

The SPEAKER: The Chair recognizes the Representative from Turner, Representative Timberlake.

Representative **TIMBERLAKE**: Good morning, Ladies and Gentlemen of the House, Madam Speaker, I just ask that the caucus please follow my light and vote this down, please.

The SPEAKER: A roll call has been ordered. The pending question before the House is Adoption of House Amendment "C" (H-796) to Committee Amendment "A" (H-782). All those in favor will vote yes, those opposed will vote no.

ORDERS

On motion of Representative HARLOW of Portland, the following Joint Order: (H.P. 1360)

ORDERED, the Senate concurring, that Bill, "An Act To Establish 2 Comprehensive Licenses for Hunting and for Hunting and Fishing," H.P. 548, L.D. 768, and all its accompanying papers, be recalled from the Governor's desk to the House.

The SPEAKER PRO TEM: The Chair recognizes the Representative from Hudson, Representative Duchesne.

Representative **DUCHESNE**: Thank you, Madam Speaker. Bear with me here, and my thanks to Representative Harlow for bringing this Joint Order forward. This is to enable a technical fix. The Committee agreed to help the Department modernize some language regarding licenses, but there was a drafting error and, basically, it's going to let Canadians get a license to trap anything they want in Maine. We didn't mean that, which means that we need to get it back to the Governor's desk, fix it, and send it back to him. So, thank you.

Subsequently, the Joint Order was **PASSED**.

Sent for concurrence.

By unanimous consent, all matters having been acted upon were **ORDERED SENT FORTHWITH** with the exception of matters being held.

On motion of Representative FREDETTE of Newport, the House adjourned at 6:16 p.m., until the call of the President of the Senate and the Speaker of the House, respectively, when there is a need to conduct business or consider objections of the Governor, pursuant to the Joint Order (S.P. 750).
