'G. A description of any changes in allowed uses of the public reserved lands, including the acreage affected and the reason for the change.'

SUMMARY

This amendment replaces the language in Committee Amendment "A" that requires the Department of Conservation, Bureau of Parks and Lands to include in its annual report information on changes in acres open to hunting on the public reserved lands with the language from Committee Amendment "B" that requires the bureau to include in its annual report a description of any changes in allowed uses of public reserved lands, including the acreage affected and the reason for the change.
