- F. Disbursements from the Agricultural Fair Support Fund under Title 7, section 91, subsection 2, paragraph A.

**2. Eligibility for disbursement.** To be eligible to receive funding under subsection 1, an association must submit to the commission the following:

- A. A copy of the annual budget approved by a majority of the association's members present and voting at the annual business meeting of the association;
- B. A letter signed by the officers of the association stating that a majority of association members present and voting in a separate vote at the annual meeting approved seeking funds under this section; and

C. A letter signed by the officers of the association indicating the date on which the votes referenced in paragraphs A and B were taken and attesting that the votes were taken in accordance with the association's bylaws.

**3. Limitations.** An association receiving payments under this section may not expend any portion of the payments for an item that did not appear in the association's budget approved by its members and submitted under subsection 2.

**4. Payment.** Each year, upon receipt and verification of the information required under subsection 2, the commission shall advise licensees of the maximum amount payable to the association under subsection 1. Total payments made each year to the association under this section may not exceed the association's budget for that year.

**5. Rulemaking.** The commission may adopt rules necessary to establish a process for calculating and disbursing funds under this section. The rules may include a process for recovery of funds received or expended in noncompliance with this section. Rules adopted under this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
