§ 1305-C. Mandatory budget validation and cost center summary budget form

Notwithstanding any other law, school administrative district budgets developed after January 1, 2008 must conform to the format and referendum procedures for regional school units as set forth in sections 1305-A and 1305-B1485 and 1486. A school administrative district is deemed to be a regional school unit solely for the purpose of developing a budget pursuant to sections 1485 and 1486.

Sec. A-2. 20-A MRSA §1452, as enacted by PL 2007, c. 240, Pt. XXXX, §13, is amended to read:

§ 1452. Application of general law; core functions of a regional school unit

Notwithstanding any provision of law to the contrary, schools operated by the regional school units established in accordance with this chapter are the official schools of the participating municipalities. The provisions of general law relating to public education apply to these schools. State funds for public schools must be paid directly to the treasurer of a regional school unit. The core functions for which a regional school unit is responsible include without limitation:

1. Employment of superintendent. Employment and discharge of a superintendent pursuant to section 1001, subsection 3 and chapter 101, subchapter 2;

2. Performance of business functions. Administration of accounting, payroll, financial management, purchasing insurance and auditing;

3. Special education administration. Administration of special education duties of school administrative units under chapter 303;

4. Transportation. Administration of transportation;

5. Core curriculum. Adoption of a core curriculum, standardized testing and assessments aligned with the system of learning results established in section 6209;

6. Budget. Adoption of the regional school unit budget;

7. Reporting. Reporting required by state or federal law or regulation;

8. Employment. Functioning as the employer of all employees working within the regional school unit for collective bargaining purposes and for all other purposes, including but not limited to those contained in section 1464, in Title 26, chapter 9-A and in all state and federal laws regulating the rights and duties of employers and employees;

9. School calendar. Establishment of a common school calendar, subject to local variations permitted by the regional school unit board; and

10. Adoption of policies. Adoption of policies for all schools in the regional school unit pursuant to section 1001, subsection 1-A, except that the local school committee may adopt policies not in conflict with the regional school unit policies.

Sec. A-3. 20-A MRSA §1461, sub-§3, ¶B, as enacted by PL 2007, c. 240, Pt. XXXX, §13, is amended to read:

B. In order for the plan to be approved by the commissioner, the governing bodies of school administrative units shall work within the following parameters.

(1) The proposed regional school unit must serve not fewer than 2,500 students, except where circumstances relating to the following factors justify an exception:

(a) Geography, including physical proximity and the size of the current school administrative unit;

(b) Demographics, including student enrollment trends and the composition and nature of communities in the regional school unit;

(c) Economics, including existing collaborations to be preserved or enhanced and opportunities to deliver commodities and services to be maximized;

(d) Transportation;

(e) Population density; or

(f) Other unique circumstances including the need to preserve existing or developing relationships, meet the needs of students, maximize educational opportunities for students and ensure equitable access to rigorous programs for all students.

When circumstances justify an exception to the size requirement of 2,500 students, the unit must serve as close to 2,500 students as possible and in no case, except for coastal islands and schools operated by tribal school committees, may it serve fewer than 1,200 students.

In addition to the exceptions provided in this subparagraph to the requirement that a unit serve at least 1,200 students, the commissioner must lower the 1,200-student requirement in previous education units in which the commissioner finds that a population density of less than 50 residents per square mile makes a 1,200-student unit impractical.

(2) The plan must provide comprehensive programming for all students from kindergarten to grade 12 and must include at least one publicly supported secondary school.

(3) The plan must be consistent with the policies set forth in section 1451.

(4) The plan may not displace teachers or students or close any schools existing and operating during the school year immediately preceding reorganization, except as permitted under section 1512.

Sec. A-4. 20-A MRSA §1461-A is enacted to read:

§ 1461-A. Transitional powers and duties of initial regional school unit board

As used in this section, unless the context indicates otherwise, "regional school unit board" means the initial regional school unit board elected pursuant to section 1472-A. for consideration by the legislative body responsible for final budget approval and the residents of the regional school unit. The budget format, approval procedures and assessments for the regional school unit's first operational year budget must be in accordance with this chapter.

3. Authorization. The regional school unit board is authorized to take all other actions provided under state law to prepare the regional school unit to become operational on July 1st for the first operational year, including the authority to open and maintain accounts, to incur expenses to be allocated among the regional school unit's member school administrative units in accordance with the reorganization plan for the regional school unit and to file applications for school construction projects and revolving renovation fund loans and other available funding.

4. Fiscal agent. The regional school unit board is authorized to expend start-up funds for the regional school unit. A school administrative unit within the regional school unit may serve as a fiscal agent and may expend any start-up funds on behalf of the new regional school unit prior to the regional school unit's operational date without calling for a special meeting of the local legislative body.

On receipt of the names and addresses of all of the directors, the state board shall set a time, place and date for the first meeting of the directors and give notice to the directors in writing, sent by registered or certified mail, return receipt requested, to the addresses provided by the municipalities.

It is the intent of this chapter to neither decrease nor increase the rights and benefits of transferred employees or the employers. The municipal school units shall also maintain and honor any agreements, contracts or policies regarding the rights and benefits of retirees and former employees of the regional school unit that is dissolved.

(a) Teachers or other employees whose employment terminates by application of law or contract or by action of the regional school unit before the effective date of the dissolution may not be transferred.

(11) The agreement must provide for the transition of administration and governance of the schools to properly elected governing bodies of the newly created administrative units and must provide that the governing bodies may not be elected simultaneously with the vote on the article to dissolve unless the commissioner finds there are extenuating circumstances that necessitate simultaneous elections.

B. Within 60 days of the receipt of the agreement, the commissioner shall either give it conditional approval or recommend changes. The changes must be based upon the standards set forth in paragraph A and the commissioner's findings of whether the contents of the plan will provide for appropriate educational and related services to the students of the regional school unit and for the orderly transition of assets, governance and other matters related to the regional school unit.

C. If the commissioner gives conditional approval of the agreement, the commissioner shall notify the board of directors and the municipal officers by registered mail of the time and place of a public hearing at least 20 days prior to the date set for the hearing to discuss the merits of the proposed agreement of dissolution. The chair of the board of directors shall conduct the hearing.

(1) The board of directors shall post a public notice in each municipality of the time and location of the hearing at least 10 days before the hearing.

5. Date of vote; notice; warrant; polling hours. The date and time for voting is as set forth in this subsection.

A. The commissioner must determine the date upon which all municipalities must vote upon the dissolution agreement submitted to them. The election must be held as soon as practicable and the commissioner shall attempt to set the date of the vote to coincide with a statewide election.

B. At least 35 days before the date set in paragraph A, the board of directors shall give written notice by registered or certified mail to the town or city clerk of each municipality having a right to vote on the dissolution agreement.

C. The town or city clerk shall immediately notify the municipal officers upon receipt of the notice, and the municipal officers shall meet and immediately issue a warrant for a special town meeting or city election, as the case may be, to be held on the date designated by the commissioner. No other date may be used.

D. In the respective warrants, the municipal officers shall direct that the polls open at 10 a.m. and remain open until 8 p.m.

6. Public hearing; voting procedures. The following requirements apply to the voting procedures.

Sec. A-26. 20-A MRSA §15688, sub-§3-A, ¶C, as amended by PL 2007, c. 240, Pt. XXXX, §30, is further amended to read:

C. For a school administrative district, community school district or regional school unit composed of more than one municipality, the unit's contribution to the total cost of education is the lesser of:

(1) The total cost as described in subsection 1; and

(2) The sum of the totals calculated for each member municipality pursuant to paragraph B, subparagraph (2), ~~plus the total calculated pursuant to paragraph B-1 if applicable.~~

Sec. A-27. 20-A MRSA §15689, sub-§1-B is enacted to read:

1-B. Adjustments to state contributions to member municipalities in regional school units. The minimum state allocation provisions of subsection 1, paragraph B are applicable for each case in which the school administrative units in existence prior to the operational date of the new regional school unit received an adjustment under subsection 1, paragraph B for fiscal year 2007-08 or fiscal year 2008-09. For each regional school unit eligible under this subsection, the minimum state allocation provisions of subsection 1, paragraph B are applicable for each member municipality that was a member of the eligible school administrative units in existence prior to the operational date of the new regional school unit.

Sec. A-28. PL 2007, c. 240, Pt. XXXX, §36, sub-§6, ¶A is amended to read:

A. The proposed regional school unit must serve not fewer than 2,500 students, except where circumstances relating to the following factors justify an exception:

- (1) Geography, including physical proximity and the size of the current school administrative unit;
- (2) Demographics, including student enrollment trends and the composition and nature of communities in the regional school unit;
- (3) Economics, including existing collaborations to be preserved or enhanced and opportunities to deliver commodities and services to be maximized;
- (4) Transportation;
- (5) Population density, including the rural nature of our communities;
- (6) Other unique circumstances including the need to preserve existing or developing relationships, meet the needs of students, maximize educational opportunities for students and ensure equitable access to rigorous programs for all students; or
- (7) If, after performing due diligence to develop a regional plan that meets the 2,500 students enrollment requirement, a school administrative unit is unable to achieve the enrollment goal due to the decision of geographically proximate school administrative units to participate in a different regional unit.

When circumstances justify an exception to the requirement of 2,500 students, the unit must serve at least 1,200 students, except for offshore islands and schools operated by tribal school committees, which may serve fewer than 1,200 students.

In addition to the exceptions provided in this paragraph to the requirement that a unit serve at least 1,200 students, the commissioner must lower the 1,200-student requirement for previous education units as defined in the Maine Revised Statutes, Title 20-A, section 1, subsection 20-A in which the commissioner finds that a population density of less than 50 residents per square mile makes a 1,200-student unit impractical.

Sec. A-29. PL 2007, c. 240, Pt. XXXX, §36, sub-§6, ¶A-1 is enacted to read:

A-1. Notwithstanding the requirements of paragraph A, the Commissioner of Education may authorize a unit to serve 1,200 or fewer students but not less than 1,000 students in an isolated rural community if the proposed regional school unit meets at least one of the following criteria:

(1) The proposed regional school unit comprises 3 or more school administrative units in existence prior to July 1, 2008;

(2) The member municipalities of the proposed regional school unit are surrounded by approved regional school units and there are no other school administrative units available to join the proposed regional school unit; or

(3) The member municipalities of the proposed regional school unit include 2 or more isolated small schools that are eligible for an isolated small school adjustment pursuant to the Maine Revised Statutes, Title 20-A, section 15683, subsection 1, paragraph F.

In cases where the Commissioner of Education denies the creation of a regional school unit that serves 1,200 or fewer students but not less than 1,000 students, the school administrative units may appeal to the State Board of Education.

Sec. A-30. Withdrawal of municipality from proposed regional school unit.

Notwithstanding the Maine Revised Statutes, Title 20-A, section 1517, the residents of a municipality that is part of a school administrative unit may use the procedures set forth in Title 20-A, section 1517 to withdraw from a proposed regional school unit prior to the formation of the regional school unit.

Sec. A-31. Retroactivity. Those sections of this Part that amend the Maine Revised Statutes, Title 20-A, sections 1305-C, 1701-C and 2307 apply retroactively to January 1, 2008.

PART B

Sec. B-1. PL 2007, c. 240, Pt. XXXX, §36, sub-§11 is amended to read:

11. Result of disapproval at January 2008 referendum. A school administrative unit that rejects a proposed reorganization plan at the January 15, 2008 referendum or at a subsequent referendum on or before ~~November 4, 2008~~ January 15, 2009 may restart the process to form a regional school unit with the same or other school administrative units and may seek assistance from the Department of Education to prepare another reorganization plan.

A. Subsequent reorganization plans must meet the same requirements as for reorganization plans filed prior to the January 2008 referendum, except that the timelines are adjusted to reflect a July 1, 2009 reorganization date.

B. The penalties set forth in Title 20-A, section 15696 apply to any school administrative unit that fails to approve a reorganization plan on or before ~~November 4, 2008~~January 15, 2009 and to implement that plan by July 1, 2009.

Sec. B-2. PL 2007, c. 240, Pt. XXXX, §36, sub-§12 is amended to read:

12. Reformulation of SAD as RSU. Not later than ~~December 1, 2008~~February 15, 2009, the Commissioner of Education shall notify any school administrative district that has not voted to form a regional school unit on or before ~~November 4, 2008~~January 15, 2009 that the school administrative district must be recreated as a regional school unit under Title 20-A, chapter 103-A, effective July 1, 2009. Notwithstanding any other provision of law, a school administrative district may be changed to a regional school unit upon notice to the State Board of Education without dissolving the school administrative district.

Sec. B-3. PL 2007, c. 240, Pt. XXXX, §42, first ¶ is amended to read:

Sec. XXXX-42. Transfer of property and assets; regional school units approved after January 15, 2008. This section applies to a regional school unit that is approved after January 15, 2008 and before ~~November 5, 2008~~January 16, 2009.

Sec. B-4. PL 2007, c. 240, Pt. XXXX, §43 is amended to read:

Sec. XXXX-43. Operational date and transfer of authority.

1. Operational date. A regional school unit board of directors becomes operational on the date set by the State Board of Education as provided in the Maine Revised Statutes, Title 20-A, chapter 103-A.

2. Transfer of governing authority; regional school units approved prior to January 16, 2008. This subsection applies to regional school units approved prior to January 16, 2008. The regional school unit board of directors, on the date established in subsection 1, shall assume responsibility for the management and control of the public schools and programs within the school administrative units in existence prior to July 1, 2008 that are within the regional school unit. Those school administrative units in existence prior to July 1, 2008, on the date established in subsection 1, have no further responsibility for the operation or control of the public schools and programs within the school administrative unit except those pursuant to section 1481.

3. Transfer of governing authority; regional school units approved after January 15, 2008. This subsection applies to regional school units approved after January 15, 2008 and before ~~November 5, 2008~~January 16, 2009. The regional school unit board of directors, on the date established in subsection 1, shall assume responsibility for the management and control of the public schools and programs within the school administrative units in existence prior to July 1, 2009 that are within the regional school unit. Those school administrative units in existence prior to July 1, 2009, on the date established in subsection 1, have no further responsibility for the operation or control of the public schools and programs within the school administrative unit except those pursuant to section 1481.

4. Transfer of school accounts. Notwithstanding Title 20-A, section 15004 or any charter of a municipal school unit, school administrative district or community school district, the balance remaining in the school accounts of the former municipal school unit, school administrative district or community school district within the regional school unit must be paid to the treasurer of the regional school unit and

verified through the annual audit process pursuant to Title 20-A, chapter 221, subchapter 2. The balance from each of the former municipal school unit, school administrative district or community school district must be used to reduce that unit's or district's local contribution to the regional school unit. Payment may be made in equal monthly installments during the implementation year.

5. Transfer of teachers and employees. Except as limited by paragraph A, for regional school units approved prior to January 16, 2008, all teachers and school employees who are employed by a participating school administrative unit on June 30, 2008 must be transferred to and employed by the regional school unit as of July 1, 2008. Except as limited by paragraph A, for regional school units approved after January 15, 2008 and before ~~November 5, 2008~~January 16, 2009, all teachers and school employees who are employed by participating school administrative units on June 30, 2009 must be transferred and employed by the regional school unit as of July 1, 2009. Except as limited by paragraph B, the regional school unit shall assume all of the legal obligations and duties that the participating school administrative units owed to their employees, including but not limited to those obligations and duties arising under federal law, state law, collective bargaining agreements and individual employment contracts. It is the intent of this Part to neither decrease nor increase the rights and benefits of transferred employees or the employer. The regional school unit shall also maintain and honor any agreements, contracts or policies regarding the rights and benefits of retirees and former employees created by a participating school administrative unit that is dissolved as a result of its inclusion within a regional school unit.

A. For regional school units approved prior to January 16, 2008, teachers or other employees whose employment terminates by application of law or contract or by action of a participating school administrative unit before July 1, 2008 may not be transferred. For regional school units approved after January 15, 2008 and before ~~November 5, 2008~~January 16, 2009, teachers or other employees whose employment terminates by application of law or contract or by action of a participating school administrative unit before July 1, 2009 may not be transferred.

B. Teachers and other employees who are transferred to the regional school unit prior to the completion of the applicable probationary period for their position have the length of their probationary period calculated from the date of their most recent date of employment by the participating school administrative unit.

6. Collective bargaining. The following provisions apply:

A. On July 1, 2008 for regional school units approved prior to January 16, 2008 and on July 1, 2009 for regional school units approved after January 15, 2008 and before ~~November 5, 2008~~January 16, 2009, the regional school unit board of directors shall assume all of the obligations, duties, liabilities and rights of the participating school administrative units for all purposes under Title 26, chapter 9-A. The regional school unit is considered a single employer. Notwithstanding any other provision of law, the responsibilities of the regional school unit include:

(1) Continued recognition of all bargaining agents that represented any bargaining units of employees who were employed by a participating school administrative unit, pending completion of merger proceedings described in this section;

(2) Assumption and continued observance of all collective bargaining agreements between such bargaining agents and a participating school administrative unit, which agreements continue in effect for the remainder of their unexpired term unless the bargaining agent and regional school unit mutually agree otherwise; and

(3) Collective bargaining for an initial or successor collective bargaining agreement in any bargaining unit in which a collective bargaining agreement is not in effect on the operational date and for any interim agreement that may be required to align expiration dates in a regional school unit-wide bargaining unit, as described in this subsection.

B. As early as possible but no later than August 31, 2011 for regional school units approved prior to January 15, 2008 and no later than August 31, 2012 for regional school units approved after January 15, 2008 and before ~~November 2, 2008~~January 16, 2009, all bargaining units must be structured on a regional school unit-wide basis. Bargaining units that existed in the participating school administrative units shall merge in accordance with the procedures and criteria in this section. Merger into regional school unit-wide bargaining units is not subject to approval or disapproval of employees.

(1) Merger into regional school unit-wide bargaining units must be completed according to the schedule contained in this subsection, and no later than the latest expiration date of any collective bargaining agreement that was in effect on the operational date, which covered any employees in the merged unit.

(2) There must be one unit of teachers and, to the extent they are currently included in bargaining units, other certified professional employees, excluding principals and other administrators.

(3) Any additional bargaining units in a regional school unit must be structured as follows:

(a) In the initial establishment of such units, units must be structured primarily on the basis of the existing pattern of organization, maintaining the grouping of employee classifications into bargaining units that existed prior to the creation of the regional school unit and avoiding conflicts among different bargaining agents to the extent possible.

(b) In the event of a dispute regarding the classifications to be included within a regional school unit-wide bargaining unit, the current bargaining agent or agents or the regional school unit may petition the Maine Labor Relations Board to determine the appropriate unit in accordance with this section and Title 26, section 966, subsections 1 and 2.

(4) When there is the same bargaining agent in all bargaining units that will be merged into a regional school unit-wide bargaining unit, the units must be merged as of the operational date, and the regional school unit shall recognize the bargaining agent as the representative of the merged unit.

(5) When all bargaining units that will be merged into a regional school unit-wide bargaining unit are represented by separate local affiliates of the same state labor organization, the units must be merged as of the operational date. The identity of the single affiliate that will be designated the bargaining agent for the merged unit must be selected by the existing bargaining agents and the state labor organization. Upon completion of the merger and designation of the bargaining agent and notification by the state organization to the regional school unit, the regional school unit shall

recognize the designated bargaining agent as the representative of employees in the merged unit. If necessary, the parties will then execute a written amendment to any collective bargaining agreement then in effect to change the name of the bargaining agent to reflect the merger.

(6) Where there are bargaining units that will be merged into a regional school unit-wide bargaining unit in which there are employees who are not represented by any bargaining agent and other employees who are represented either by the same bargaining agent or separate local affiliates of the same state labor organization, the units must be merged as of the operational date as long as a majority of employees who compose the merged unit were represented by the bargaining agent prior to the merger. The procedures for merger of separate local affiliates of the same state labor organization described in subparagraph (5) must be followed if applicable. If prior to the merger a bargaining agent did not represent a majority of employees who compose the merged unit, a bargaining agent election must be conducted by the Maine Labor Relations Board pursuant to subparagraph (8).

(7) When there are unexpired collective bargaining agreements with different expiration dates in the merged bargaining units described in subparagraphs (4), (5) and (6), all contracts must be honored to their expiration dates unless mutually agreed to otherwise by the public employer and the bargaining agent. Collective bargaining agreements must be bargained on an interim basis in any merged bargaining unit so that all collective bargaining agreements expire on the same date.

(8) When bargaining units with different bargaining agents must be merged into a single regional school unit-wide bargaining unit pursuant to this subsection, the bargaining agent of the merged bargaining unit must be selected in accordance with Title 26, section 967, except as modified in this subparagraph.

(a) A petition for an election to determine the bargaining agent must be filed with the Maine Labor Relations Board by any of the current bargaining agents or the regional school unit.

(b) The petition must be filed not more than 90 days prior to the expiration date of the agreement having the latest expiration date among the bargaining units that will be merged into the regional school unit-wide bargaining unit.

(c) The election ballot may contain only the names of the bargaining agents of bargaining units that will be merged into the regional school unit-wide bargaining unit and the choice of "no representative," but no other choices. No showing of interest is required from any such bargaining agent other than its current status as representative.

(d) The obligation to bargain with existing bargaining agents continues from the operational date until the determination of the bargaining agent of the regional school unit-wide bargaining unit under this subsection; but in no event may any collective bargaining agreement that is executed after the operational date extend beyond the expiration date of the agreement having the latest expiration date among the bargaining units that will be merged into the regional school unit-wide bargaining unit that was in effect on the operational date.

(e) The Maine Labor Relations Board shall expedite to the extent practicable all petitions for determination of the bargaining agent in the regional school unit-wide bargaining unit filed pursuant to this subsection.

(f) The bargaining units must be merged into a regional school unit-wide bargaining unit as of the date of certification of the results of the election by the Maine Labor Relations Board, or the expiration of the collective bargaining agreements in the unit, whichever occurs later.

C. After the merger of bargaining units into a regional school unit-wide bargaining unit, the bargaining agent of a regional school unit-wide bargaining unit and the regional school unit shall engage in collective bargaining for a collective bargaining agreement for the regional school unit-wide bargaining unit. In the collective bargaining agreement for each regional school unit-wide bargaining unit, the employment relations, policies, practices, salary schedules, hours and working conditions throughout the regional school unit must be made uniform and consistent as soon as practicable.

(1) In the event that the parties are unable to agree upon an initial regional school unit-wide collective bargaining agreement, they must use the dispute resolution procedures pursuant to Title 26, section 965 to resolve their differences.

7. Superintendent contracts. The contracts between the superintendents and school administrative units within the regional school unit are transferred to the regional school unit board of directors. The regional school unit board of directors shall determine the superintendents' duties within the regional school unit.

6. Title to property. A reorganization plan may provide that title to real and personal property in local education units may be either transferred to the regional school union or retained by the local education unit, as long as the plan clearly allocates the responsibilities for the management of school property under section 1001, subsection 2 between the regional school union committee and the school board of the local education unit.

§ 2002. Regional school union committee

1. Formation. In accordance with an approved reorganization plan, the school boards of the local education units composing a regional school union shall form a regional school union committee. The school board of a local education unit in a regional school union shall designate one or more of its members to serve on the regional school union committee as provided in the reorganization plan.

2. Term of office. The term of office of regional school union committee members must be determined by the approved reorganization plan.

B. To ensure the use of whole numbers, the 1,000 votes apportioned among the committee members may not be increased or decreased by more than 5 votes.

C. A plan may not permit the voting power of any member to exceed by more than 5% the percentage of voting power the member would have if all 1,000 votes were apportioned equally among the members.

D. For a local education unit represented by 2 or more members, the votes cast by them must be divided equally among them.

2. Method D: other. Under the method of representation referred to as "Method D," members are selected by any method other than that set forth in subsection 1 that meets the requirements of the one-person, one-vote principle.

- (9) A transition plan that addresses the development of a budget for the first school year of the regional school union and interim personnel policies;
- (10) Documentation of the public meeting or public meetings held to prepare or review the reorganization plan;
- (11) An explanation of how units that approve the reorganization plan will proceed if one or more of the proposed members of the regional school union fail to approve the plan;
- (12) An estimate of the cost savings to be achieved by the formation of a regional school union and how these savings will be achieved;
- (13) A method of sharing regional school union costs among its member local education units and a process of amending the cost-sharing formula; and
- (14) Such other matters as the governing bodies of the school administrative units in existence on the effective date of this chapter may determine to be necessary.

B. In order for the plan to be approved by the commissioner, the governing bodies of school administrative units must work within the parameters set out in this paragraph.

(1) The proposed regional school union must serve not fewer than 2,500 students, except when circumstances relating to the following factors justify an exception:

(a) Geography, including physical proximity and the size of the current school administrative units;

(b) Demographics, including student enrollment trends and the composition and nature of communities in the regional school union;

(c) Economics, including existing collaborations to be preserved or enhanced and opportunities to deliver commodities and services to be maximized;

(d) Transportation;

(e) Population density; or

(f) Other unique circumstances including the need to preserve existing or developing relationships, meet the needs of students, maximize educational opportunities for students and ensure equitable access to rigorous programs for all students.

(2) When circumstances justify an exception to the size requirement of 2,500 students set forth in subparagraph (1), the regional school union must serve as close to 2,500 students as possible and, except for coastal islands and schools operated by tribal school committees, it may not serve fewer than 1,200 students, except that, the commissioner may authorize a regional school union to serve fewer than 1,200 students but not less than 1,000 students in isolated rural communities if the proposed regional school union meets one of the following criteria:

(a) The proposed regional school union comprises 3 or more school administrative units in existence prior to July 1, 2008;

(b) The member local education units of the proposed regional school union are surrounded by approved regional school units and there are no other school administrative units available to join the proposed regional school union; or

(c) The member local education units of the proposed regional school union include 2 or more isolated small schools that are eligible for an isolated small school adjustment pursuant to section 15683, subsection 1, paragraph F.

In cases in which the commissioner denies the creation of a regional school union that has fewer than 1,200 but more than 1,000 students, the school administrative units may appeal to the state board.

(3) The plan must provide for a core curriculum for all students from kindergarten to grade 12 and must include at least one publicly supported secondary school.

(4) The plan must include provisions for implementing section 2002.

(5) The plan may not displace teachers or students or close any schools existing and operating during the school year immediately preceding reorganization.

4. Review and approval of plans. If the commissioner finds that a plan for reorganization meets the requirements of this chapter, the commissioner shall notify the municipalities and school administrative units, and they shall proceed with referendum as set out in subsections 5 and 6.

5. Referendum on reorganization plan. The municipal officers of each municipality in a proposed reorganized school administrative unit shall place a warrant article substantially as follows on the ballot of a municipal referendum in accordance with the referendum procedures applicable to the school administrative unit of which the municipality is a member.

"Article: Do you favor approving the school reorganization plan prepared by the (insert name) Reorganization Planning Committee to reorganize (insert names of affected school administrative units) into a regional school union, with an effective date of (insert date)?

Yes No"

The following statement must accompany the article:

"Explanation:

A "YES" vote means that you approve of the (municipality or school administrative unit) joining the proposed regional school union, which will be provided with the following incentives:

More favorable consideration in approval and funding of school construction projects; and

Eligibility for additional financial support for reorganization costs.

A "NO" vote means that you do not approve of the (municipality or school administrative unit) joining a regional school union, which will result in the existing (municipality or school administrative unit) receiving the following penalties:

Less favorable consideration in approval and funding of school construction projects; and

A reduction in state funding of education costs in an amount estimated to be \$..... for school year 20.... and \$..... for school year 20...., with ongoing penalties for continued failure to join an approved regional school union. Reductions in state education funding will result in an increased mill rate expectation to meet the local share of education costs."

6. Results of referendum. Each school administrative unit shall report the results of the referendum to the department following the referendum election.

A. A reorganization plan is approved by a kindergarten to grade 12 school administrative district or kindergarten to grade 12 community school district if the majority of votes cast in the district is in favor of approval of the plan.

B. A reorganization plan is approved by the member municipalities of a community school district that does not provide public education for the entire span of kindergarten to grade 12 if the majority of votes cast in the member municipalities is in favor of approval of the plan. Approval results in all member municipalities joining the regional school union.

C. A municipal school unit, including a municipal school unit that is a member of a school union, approves a reorganization plan if the majority of the votes cast in that municipality is in favor of approval of the plan.

If a reorganization plan is approved by all of the affected school administrative units, or by the school administrative units considered sufficient under the proposed reorganization plan, the commissioner shall file notice of approval of the regional school union with the state board.

7. Certificate of organization. If a plan or revised plan for reorganization has been approved by the commissioner and approved by voters at the referendum, the state board shall issue a certificate of organization to the school administrative units that are reorganized into a regional school union.

§ 2012. Transitional powers and duties of the regional school union committee

Within 30 days of the issuance of a certificate of organization for the regional school union by the state board, the school boards of the local education units shall appoint members of the regional school union committee in accordance with the approved reorganization plan. As used in this section, unless the context otherwise indicates, "regional school union committee" means the initial regional school union committee appointed pursuant to section 2002. From the time of appointment of the regional school union committee to July 1st of the regional school union's first operational year, the regional school union committee shall establish interim rules of procedure and shall elect officers who shall serve until officers are elected at a meeting following the operational date of the regional school union. The regional school union committee's powers and duties during this period are governed by this section.

1. Selection of superintendent. The regional school union committee shall select a superintendent for the regional school union in accordance with section 1051 to carry out the duties specified in section 1055. During the interim period, the salary, office and other expenses of the superintendent, as well as the costs of the regional school union committee, including insurance, must be allocated to the local education units by the cost-sharing formula included in the reorganization plan for the regional school union.

2. Budget preparation and approval. The regional school union committee shall prepare the annual budget for the first operational year of the regional school union in accordance with section 2001. Specific duties may be assigned to existing personnel with the approval of the employing school administrative unit. The regional school union committee shall complete the budget development process and approve a regional school union budget. The budget format and assessments for the regional school union's first operational year budget must be in accordance with this chapter.

3. Authorization. The regional school union committee is authorized to take all other actions provided under state law to prepare the regional school union to become operational on July 1st for the first operational year, including the authority to open and maintain accounts, to incur expenses to be allocated among the regional school union's member local education units in accordance with the reorganization plan for the regional school union and to file applications for school construction projects and revolving renovation fund loans and other available funding.

4. Fiscal agent. The regional school union committee is authorized to expend start-up funds for the regional school union. A local education unit within the regional school union may serve as a fiscal agent and may expend any start-up funds on behalf of the new regional school union prior to the regional school union's operational date without calling for a special meeting of the local legislative body.

§ 2013. Transfer of property and assets

Upon the formation of a regional school union pursuant to this subchapter, the transfer of school property and assets is governed by this section.

1. Regional school union committee. Except as otherwise provided in a reorganization plan, a regional school union committee established in this chapter shall determine what school property of the municipal school units in existence prior to the operational date of the new regional school union and of the school administrative units in existence prior to the operational date of the new regional school union is necessary to carry out the functions of the regional school union and shall request in writing that the school board of each such school administrative unit or the municipal officers transfer title of their school property and buildings to the regional school union committee.

2. Transfer. The municipal officers and school boards contacted pursuant to subsection 1 shall make the transfer of property and assets notwithstanding any other provision in the charter of the school administrative unit or municipality.

§ 2014. Operational date and transfer of authority

1. Operational date. A regional school union committee becomes operational on the date set by the state board as provided in this chapter.

2. Transfer of governing authority. The regional school union committee, on the date established pursuant to subsection 1, shall assume responsibility for the governance of the regional school union.

3. Transfer employees. Except as limited by paragraph A, all school employees who are employed by a school union whose members become local education units within the regional school union and employees of a school administrative unit performing the core functions and any delegated functions of a regional school union as identified in the reorganization plan on the day prior to the date established pursuant to subsection 1 must be transferred to and employed by the regional school union as of the date established pursuant to subsection 1. Those employees not transferred to the regional school union continue to be employed by the local education units under the same terms and conditions under which they were employed prior to the operational date. The regional school union shall assume all of the legal obligations and duties that the participating school administrative units owed to the transferred employees, including but not limited to those obligations and duties arising under federal law, state law, collective bargaining agreements and individual employment contracts. It is the intent of this chapter to neither decrease nor increase the rights and benefits of transferred employees, the employees employed by the local education units or the employer.

A. Employees whose employment terminates by application of law or contract or by action of a participating school administrative unit before the date in subsection 1 may not be transferred.

B. Teachers and other employees who are transferred to the regional school union prior to the completion of the applicable probationary period for their position have the length of their probationary period calculated from the date of their most recent date of employment by the participating school administrative unit.

4. Superintendent contracts. The contracts between the superintendents and any school union whose members become local education units within the regional school union and school administrative units that become local education units within the regional school union are transferred on the date established pursuant to subsection 1 to the regional school union committee. The regional school union committee shall determine the superintendents' duties within the regional school unit.

§ 2015. Addition of a school administrative unit to an existing regional school union

A school administrative unit not originally a member of a regional school union may be included in the regional school union in accordance with this section.

1. Notice of intent. A school administrative unit shall file with the commissioner a notice of intent to engage in planning and negotiations to join with a regional school union under this chapter. The commissioner shall respond to each notice of intent and provide information regarding the process and whether the intended action complies with the requirements of this chapter.

2. Process to join a regional school union. A school administrative unit may join an existing regional school union in the same manner required for the formation of a regional school union under section 2011, except that section 2011, subsections 5, 6 and 7 do not apply.

3. Referendum for a school administrative unit to join an existing regional school union. The municipal officers of each municipality in a school administrative unit proposing to join a regional school union shall place a warrant article substantially as follows on the ballot of a municipal referendum in accordance with the referendum procedures applicable to the school administrative unit of which the municipality is a member.

"Article: Do you favor approving the school reorganization plan prepared by the (insert name) Reorganization Planning Committee for school administrative unit (insert name of affected school administrative unit) to join the regional school union (insert name of regional school union), with an effective date of (insert date)?"

Yes No"

The following statement must accompany the article:

"Explanation:

A "YES" vote means that you approve of the (insert name of municipality or school administrative unit) joining the proposed regional school union. The financial penalties under the Maine Revised Statutes, Title 20-A, section 15696 to the existing school administrative unit will no longer apply."

4. Referendum on the admission of an additional school administrative unit to an existing regional school union. If the vote to join a regional school union under subsection 3 was in the affirmative, the existing regional school union shall call a regional school union referendum to vote on the following article.

"Article: Do you favor approving the school reorganization plan prepared by the (insert name) Reorganization Planning Committee for school administrative unit (insert name of affected school administrative unit) to join the regional school union (insert name of regional school union), with an effective date of (insert date)?"

Yes No"

The following statement must accompany the article:

"Explanation:

A "YES" vote means that you approve of the (insert name of municipality or school administrative unit) joining the proposed regional school union. The financial penalties under the Maine Revised Statutes, Title 20-A, section 15696 will no longer apply to the existing school administrative unit."

The referendum must be conducted in accordance with the referendum procedures applicable to regional school units, except that the duties of the regional school unit board must be performed by the regional school union committee.

5. Results of referendum. A school administrative unit shall report the results of the referendum to the department following the referendum election.

A. For a referendum conducted pursuant to subsection 3:

(1) A reorganization plan is approved by a kindergarten to grade 12 school administrative district or kindergarten to grade 12 community school district if the majority of votes cast in the district is in favor of approval of the plan;

(2) A reorganization plan is approved by a regional school union if the majority of votes cast in the regional school union is in favor of approval of the plan;

(3) A reorganization plan is approved by the member municipalities of a community school district that does not provide public education for the entire span of kindergarten to grade 12 if the majority of votes cast in the member municipalities is in favor of approval of the plan. Approval results in all member municipalities joining the regional school union; and

(4) A municipal school unit, including a municipal school unit that is a member of a school union, approves a reorganization plan if the majority of the votes cast in that municipality is in favor of approval of the plan.

B. For a referendum conducted pursuant to subsection 4, a reorganization plan is approved by a regional school union if the majority of votes cast in the regional school union is in favor of approval of the plan.

If a reorganization plan is approved by the affected school administrative unit, the commissioner shall file notice of approval with the state board.

6. Amended certificate of organization. If a plan for reorganization has been approved by the commissioner and approved by voters at the referendum under subsections 3 and 4, the state board shall issue an amended certificate of organization to the reorganized regional school union.

1. Definition of vacancy. A vacancy on a regional school union committee occurs:

A. When the term of office of a regional school union committee member expires;

B. When a regional school union committee member changes residency from the local education unit represented. Evidence that an individual is registered to vote in a municipality in a local education unit is prima facie evidence of that individual's residency;

C. On the death of a regional school union committee member; or

D. When a regional school union committee member resigns from the regional school union committee or from the school board of the local education unit the member represents.

In addition to paragraphs A, B, C and D, except in municipalities having a municipal charter, when a committee member is absent without excuse from 3 consecutive regular committee meetings, the regional school union committee may declare that a vacancy exists.

2. Regional school union committee. The regional school union committee shall notify the school board of the local education unit of a vacancy within 14 days after receiving notice of the vacancy.

3. Filling vacancies. A vacancy on a regional school union committee must be filled by the school board whose member vacated the regional school union committee seat within 30 days after receiving notice of the vacancy.

§ 2024. Reapportionment

The commissioner shall determine the necessity for reapportionment.

1. Duties of commissioner. The commissioner shall determine if a regional school union is apportioned in accordance with the one-person, one-vote principle if:

A. The commissioner receives a request by the regional school union committee; or

B. The commissioner receives a petition signed by a number of regional school union voters equal to at least 10% of the voters in the regional school union who voted in the last gubernatorial election.

In addition to a determination initiated by a request pursuant to paragraph A or a petition pursuant to paragraph B, the commissioner may, of the commissioner's own accord, determine that a regional school union is not apportioned according to the one-person, one-vote principle.

The commissioner shall make a determination under paragraph A or B within 30 days of receiving the request or the petition.

2. Awaiting census results. If the commissioner receives a request within 12 months before a Federal Decennial Census or Federal Estimated Census, the commissioner may wait until after the new census figures are available to make a determination under subsection 1.

3. Findings and order. If the commissioner finds the regional school union representation is not apportioned in accordance with the one-person, one-vote principle, the commissioner, within 7 days of that decision, shall notify the superintendent of the regional school union of the finding and order the superintendent to notify the school board in each local education unit in the regional school union and the regional school union committee to create a reapportionment committee. The superintendent's notification must include the commissioner's notification, the information provided pursuant to subsection 6 and the time and place for the first meeting of the committee, which must be held not later than 20 days after the notification.

4. Reapportionment committee membership. The reapportionment committee consists of 2 members from each school board, chosen by the respective school boards.

5. Quorum. A majority of the reapportionment committee constitutes a quorum.

10. Putting the approved plan into effect. On approval of a reapportionment plan, the commissioner shall send a certified copy to the local education units and regional school union committee. The original reapportionment plan must be retained in the department files.

A. The reapportionment plan takes effect immediately upon approval. The reapportionment committee shall determine the terms of the members to be elected at the next annual municipal elections so as to comply with this chapter.

B. If the approved reapportionment plan requires a reduction of the number of members to be elected in a municipality, the reduction must be achieved in accordance with this paragraph.

(1) If possible, the reduction must be achieved by the voluntary resignation of one or more of the members.

(2) If the reduction cannot be achieved in accordance with subparagraph (1), all of the remaining existing members representing the local education unit shall choose by lot which members' terms must terminate.

12. State board review of commissioner's decisions. A regional school union committee or interested parties may request that the state board reconsider decisions made by the commissioner under this section. The state board has the authority to overturn a decision made by the commissioner. In exercising this power, the state board is limited by this section.

SUBCHAPTER 4

Contracts

§ 2031. Bid procedure

1. Written bids. Bids must be in writing, sealed with the outside envelope or wrapper plainly marked "Bid, not to be opened until (appropriate date)" and mailed to or filed with the superintendent.

2. Time of opening. A member of the regional school union committee or an employee of the regional school union may not open a bid until the appointed time.

3. Public opening. At the time and place stated in the public notice, and open to the public, all bids must be opened by the superintendent or, in the superintendent's absence or disability, by any member of the regional school union committee designated for the purpose by the chair of the regional school union committee.

4. Reading. If any citizens who are not members of the regional school union committee or employees of the regional school union are present or if any representatives of the press are present, bids must at the time of opening either be made available for examination by them or must be read aloud in a manner to be heard plainly by those in attendance.

§ 2032. Void contracts

A contract made by the regional school union committee during the term of a member who is pecuniarily interested in that contract, either directly or indirectly, is void, unless the regional school union committee has advertised for sealed bids for that contract and that advertisement for sealed bids has been published at least 5 days prior to the date set for closing of bids in a newspaper having general circulation within the regional school union.

SUBCHAPTER 5

Budget validation referendum

§ 2041. Budget validation referendum

1. Budget validation referendum. The annual budget of a regional school union does not become final until it has been approved by the regional school union committee and validated at a budget validation referendum conducted in accordance with this section.

Every 3 years, the voters in the regional school union shall consider the continued use of the budget validation referendum process as provided in section 1486.

2. Article. The article to be voted on at a budget validation referendum held pursuant to subsection 1 must be in substantially the following form:

"Do you favor approving the (name of the regional school union) budget for the upcoming school year as approved by the regional school union committee and set forth below?"

| <u>Member</u> | <u>Budget Share</u> |
|-----------------------------------------------------|---------------------|
| | \$..... |
| | \$..... |
| | \$..... |
| | \$..... |
| | \$..... |
| <u>Total (name of regional school union) Budget</u> | <u>\$.....</u> |

Yes No"

The following statement must accompany the article:

"Explanation:

If this article is approved, each member will be required to pay from its approved school budget its budget share as shown above to (name of regional school union)."

3. Procedures. The budget validation referendum held pursuant to subsection 1 must be conducted in accordance with the following procedures.

A. If each school administrative unit that is a member of a regional school union is required to conduct a budget validation referendum on its annual budget, and if none of the warrants for those budget validation referenda has been signed at the time that the budget of the regional school union is approved by the regional school union committee, the article required in subsection 2 must be included as an additional article at each member's budget validation referendum. The voting on the budget validation article in each member school administrative unit is not required to be conducted on the same day. The return and counting of votes on the budget validation article must be conducted in the same manner as the procedures of section 1503, subsection 3.

B. If a budget validation referendum is not conducted in accordance with paragraph A, the article required by subsection 4 must be submitted to a budget validation referendum called by the regional school union committee. The budget validation referendum must be called and conducted in the same manner as the procedures of section 1486, subsections 2 and 3.

4. Failure to validate budget. If a majority of the voters in a regional school union does not vote in favor of validating the budget approved by the regional school union committee at a budget validation referendum, the regional school union committee shall prepare and approve a revised budget at least 10 days after the budget validation referendum. The revised budget approved by the regional school union committee must be submitted to the voters for validation at a budget validation referendum conducted in accordance with this section. The process must be repeated until a budget is approved by the regional school union committee and validated at referendum. If a budget is not approved by the regional school union committee and validated at referendum before July 1st of each year, the latest

budget approved by the regional school union committee is automatically considered the budget for operational expenses for the ensuing year until a final budget is approved by the regional school union committee and validated at a budget validation referendum.

Sec. C-10. Reorganization planning. A regional school union, as established in the Maine Revised Statutes, Title 20-A, chapter 108, is deemed a regional school unit under Public Law 2007, chapter 240, Part XXXX, section 36 for all purposes including the goal for the number of regional units and the requirements with respect to the number of students in each regional unit. The Commissioner of Education shall apply the same criteria and shall allow the same exceptions for regional school unions as are applied to regional school units. A reorganization plan for a regional school union is also subject to the requirements of Public Law 2007, chapter 240, Part XXXX, section 36, subsection 6, paragraph F that the reorganization plan address how administrative functions, duties and noninstructional personnel will be reorganized so that the projected expenditures for system administration, transportation, special education and facilities and maintenance will not have an adverse impact on the instructional program. A reorganization plan for a regional school union is subject to the same approval and referendum requirements as provided in Public Law 2007, chapter 240, Part XXXX, section 36, subsections 8 and 9.

Sec. C-11. Application. Notwithstanding any provision of law to the contrary, this Part applies to school administrative units and reorganization planning committees that, on the effective date of this Part, are engaged in or are required to be engaged in school reorganization planning pursuant to Public Law 2007, chapter 240, Part XXXX.'

SUMMARY

This amendment replaces the bill.

Part A does the following.

1. It clarifies the authorization provided to regional planning committees to negotiate a cost-sharing agreement for those costs of a proposed regional school unit that are in addition to the local contribution required pursuant to the Maine Revised Statutes, Title 20-A, section 15690.
2. It repeals a cross-reference to the unit of law that is repealed in the bill regarding the requirement that each municipality that is a member of a new regional school unit contribute a minimum of 2 mills of the municipality's property fiscal capacity to the total cost of education of the new regional school unit.
3. It includes language inadvertently left out of the bill regarding the requirement that the reorganization plan include a process for amending the cost-sharing formula.
4. It clarifies the roles of the municipal officers and the school committee for municipal school units whose municipal charters give authority to approve the school budget to the municipal officers and establishes the requirements for calling a budget meeting and the procedures for the budget meeting.
5. It clarifies the relationship between a regional school unit board and a local school that seeks to raise additional funds for an elementary school or a secondary school that is owned or managed by the member municipality. The amendment also removes 2 references to "elementary" schools in the school closure provisions to clarify that secondary schools are also subject to these requirements.

6. It permits the Commissioner of Education to authorize so-called "doughnut hole" school units that have 1,200 or fewer students and no other available reorganization partners to form a regional school unit that serves at least 1,000 students if these isolated, rural school units meet certain criteria.

7. It clarifies the assumption of existing debt that is transferred from an original education unit to a new regional school unit that is formed after July 1, 2008.

8. It provides regional school unit boards with the legal authority to receive and spend state and local funds, including funds for the election of regional school unit board members and to hire a superintendent prior to the operational date of the new regional school unit on July 1, 2009.

Part B changes the deadline by which a referendum must be held to January 15, 2009 and changes dates that are linked to the referendum date by the same amount of time.

Part C authorizes regional school unions as an alternative to the regional school unit method of school reorganization. A regional school union must perform certain core functions, which include employment of a superintendent, performance of all business functions, special education administration, transportation administration, adoption of a core curriculum and all state and federal reporting. A regional school union is formed in the same manner as a regional school unit by means of a reorganization plan prepared by a reorganization planning committee, with approval of the Commissioner of Education and approval at a referendum. Regional school unions are subject to the same requirements as regional school units with respect to minimum numbers of students, exceptions to minimum numbers of students, timelines for submission of reorganization plans, operational date and applicable penalties. School administrative units that form a regional school union become "local educational units" with no further responsibility for the administrative functions, which are taken over by the regional school union.

This amendment requires that a budget validation referendum be conducted to approve the budget for a regional school union.

The amendment enacts into law provisions regarding reorganization of regional school units. The new provisions are similar to the Maine Revised Statutes, Title 20-A, former sections 1403, 1405 and 1406 and allow the dissolution of regional school units, the withdrawal from a regional school unit by a municipality and the transfer by a municipality out of one regional school unit into another. The amendment includes provisions that formerly applied in this area of law authorizing the State Board of Education to review decisions of the Commissioner of Education and to make rules concerning the reorganization of the regional school units.

This amendment clarifies that the procedures set forth for withdrawal from a regional school unit are available to a municipality prior to the formation of the regional school unit.

The amendment makes technical corrections to align the employment and collective bargaining provisions of the bill, which apply in the event of dissolution of a regional school unit or withdrawal or transfer of a single municipality from a regional school unit, with the employment and collective bargaining provisions enacted in Public Law 2007, chapter 240, Part XXXX and codified in the Maine Revised Statutes, Title 20-A, sections 1463 and 1464.

This amendment also allows a state-approved unit of school administration that was responsible for operating public schools prior to the reorganization of school administrative units pursuant to the Maine Revised Statutes, Title 20-A, chapter 103-A to serve fewer than 1,200 students if the area it serves has

fewer than 50 residents per square mile. This amendment also refines the population density exception to require the Commissioner of Education to lower the 1,200-student requirement when the commissioner determines that the number is impractical.
