Resolve, To Promote Energy Conservation in Schools

Sec. 1 Plan for energy efficiency and conservation in schools. Resolved: That the Public Utilities Commission shall develop a plan to increase energy efficiency and conservation in school facilities in the State, to promote opportunities for school administrative units to participate in the Public Utilities Commission's Efficiency Maine programs and to encourage data collection on school energy consumption and costs. The commission shall report on the plan as part of the annual report required under the Maine Revised Statutes, Title 35-A, section 3211-A, subsection 11.
