No state fiscal impact

### Fiscal Detail and Notes

This legislation will not impact the total cost of K-12 public education or the state's share of that cost. This legislation will result in a redistribution of approximately \$2.9 million in state subsidy beginning in fiscal year 2012-13 with those school administrative units who complied with the laws governing school administrative unit reorganization receiving less subsidy than they would have had this provision not been in place and non-conforming school administrative units receiving more. The impact to individual school administrative units can not be determined at this time.
