#### Fiscal Detail and Notes

This bill includes a General Fund appropriation of \$3,612,507 in fiscal year 2010-11 to the General Purpose Aid for Local Schools program within the Department of Education for the cost associated with reimbursing nonconforming school administrative units for the amount that their fiscal year 2010-2011 state subsidy was reduced by for failing to comply with the laws governing school administrative unit reorganization. This fiscal note assumes that, although this is an emergency bill, it will not be enacted in time for the Department of Education to recalculate the amount of subsidy to be distributed to local school administrative units (SAU's) in the 2010-2011 school year.

Additionally, this bill includes a General Fund appropriation of \$4,300,000 in fiscal year 2011-12 to the General Purpose Aid for Local Schools program for the cost associated with reimbursing nonconforming school administrative units for the amount that their fiscal year 2011-12 state subsidy was reduced for not complying with the laws governing school administrative unit reorganization. This fiscal note assumes that, since the State's budget for fiscal year 2011-12 and the budgets of local SAU's for the 2011-2012 school year will be set well before this legislation becomes effective, a General Fund appropriation will be provided so those school administrative units who did comply with the school reorganization laws will not be negatively impacted.
