LR 2666(02)

An Act To Promote Recruitment and Retention of State Employees

Fiscal Note for Bill as Amended by Committee Amendment " "

Committee: State and Local Government

Fiscal Note Required: Yes

Fiscal Note

Potential current biennium cost increase - All Funds

Future biennium cost increase - All Funds

Fiscal Detail and Notes

Eliminating the prohibition that a position may not be paid a salary that is greater than the maximum rate established in the compensation plan and permitting a one-time recruitment bonus to certain employees will increase Personal Service costs to the affected departments and agencies. The amount and timing of the additional costs will depend on specific position actions and the amount of excess funds available to support these costs within a department or agency. Since these authorized increases will increase the calculation of baseline budget requests, additional future costs are expected. No Estimates can be made at this time.
