The required local activities in this bill may represent a state mandate pursuant to the Constitution of Maine. If the bill does require a local unit of government to expand or modify its activities so as to necessitate additional expenditures from local revenue, the state mandate provisions of the Constitution of Maine require either: (1) General Fund appropriations be provided to fund at least 90% of any additional necessitated local costs of the mandate; or (2) a Mandate Preamble be added to the bill and two-thirds of the members of each House vote to exempt the mandate from the funding requirement. If the bill does represent a state mandate and neither one of these actions occurs, the local units of government will not be required to implement the mandated activities.

Fiscal Detail and Notes

This bill provides a property tax exemption to veterans at least 62 years of age who have served on active duty or have qualifying disabilities. The Department of Administration and Financial Services will need a General Fund appropriation of \$15,000 in fiscal year 2018-19 to reimburse municipalities for administrative costs associated with implementing this property tax exemption. General Fund appropriations would also need to be provided beginning in fiscal year 2019-20 to reimburse municipalities for 50% of the exemption as required by the Maine Constitution, Article IV, Part 3, Section 23.
