#### Fiscal Detail and Notes

The bill would result in a General Fund deappropriation of \$191,837 in fiscal year 2018-19 to recognize savings from no longer requiring legal notices to be published in a newspaper. The deappropriations will be distributed across all departments and agencies of the executive branch based on amounts calculated by the State Budget Officer and the transfers will be considered adjustments to appropriations in fiscal year 2018-19.
