

129th MAINE LEGISLATURE

LD 1777

LR 2387(03)

An Act To Add Rivers, Streams and Brooks to the Department of Environmental Protection's Compensation Fee Program

Fiscal Note for Bill as Engrossed with:

C "A" (S-385)

Committee: Environment and Natural Resources

Fiscal Note

Potential future biennium revenue increase - Other Special Revenue Funds

Fiscal Detail and Notes

The addition of streams, rivers, and brooks to the list of protected natural resources for which the Department of Environmental Protection may develop a compensation fee program may result in additional Other Special Revenue Funds revenue. The amount of additional revenue cannot be determined at this time, but is not anticipated to be significant.
