Fiscal Detail and Notes

This bill increases the processing fee for a Board of Environmental Protection permit-by-rule application from \$50 to \$250. Based on the average number of annual permits in previous years, beginning in fiscal year 2019-20 this increase will generate an estimated \$296,820 in additional Other Special Revenue Funds revenue for the Department of Environmental Protection. The bill will require a corresponding allocation to allow for the expenditure of the additional revenue.
