SUMMARY

This amendment makes the following changes to the bill.

1. It corrects a cross-reference in the Maine Revised Statutes, Title 30-A, section 373, subsection 1 that refers to county sheriffs receiving an annual salary as set out in Title 30-A, section 2. Public Law 2003, chapter 696 repealed the reference to the salaries of county officers in Title 30-A, section 2.
2. It removes the requirement for county sheriffs to be paid on intervals no less than once a month.
3. It removes the language that sets up a procedure for a county sheriff to appeal to the Superior Court if the sheriff is dissatisfied with the salary.
4. It strikes the words "incidental and irregular" from the section relating to a nonstandard work schedule and clarifies that the county sheriff works irregular hours.
