Amend the bill by striking out everything after the enacting clause and before the summary and inserting the following:

**'Sec. 1. 29-A MRSA §2411, sub-§9** is enacted to read:

**9. Recovery of emergency response costs.** In addition to any other charges, fines, penalties, liabilities and financial obligations associated with a conviction of OUI under this section or otherwise arising from operating under the influence of intoxicants, a motor vehicle operator convicted of OUI is strictly liable for and subject to a court-ordered payment plan for the reimbursement of up to \$1,000 for the cost of emergency response services including but not limited to all costs reasonably calculated by the emergency response agency for the mechanical extraction of persons from vehicles; the removal, containment and remediation of hazardous materials; the application of foam or other fire retardants; traffic redirection labor; and the provision of medical services at or near the scene of the accident.'

**SUMMARY**

This amendment is the minority report of the committee and replaces the bill. The amendment makes a person who is convicted of operating a motor vehicle while under the influence of alcohol or drugs strictly liable for the costs of specified emergency response services, up to \$1,000, under a court-ordered payment plan.
