36 **SUMMARY**

37 This bill amends the laws regarding dealers in secondhand precious metals by:

38 1. Including palladium and platinum as precious metals subject to regulation;

- 1           2. Allowing a dealer to take one digital photograph of all the items in a transaction,  
2           instead of one digital photograph for each item;
- 3           3. Eliminating certain types of information that must be recorded by a dealer about  
4           each item;
- 5           4. Reducing from 15 days to 5 business days the amount of time a dealer must wait  
6           before selling or altering an item of precious metals received by the dealer;
- 7           5. Removing a reference to an electronic database designed to catalog stolen  
8           property; and
- 9           6. Requiring a dealer to register as a precious metals dealer with the municipality in  
10          which the dealer will conduct business, instead of requiring the dealer to obtain a permit  
11          issued by the municipality.
