COMMITTEE ON BUSINESS, RESEARCH AND ECONOMIC DEVELOPMENT

TO: Senator Bill Diamond, Senate Chair
Representative Emily Ann Cain, House Chair
Members, Joint Standing Committee on Appropriations and Financial Affairs

FROM: Elizabeth M. Schneider, Senate Chair
Nancy E. Smith, House Chair
Members, Joint Standing Committee on Business, Research & Economic Development

DATE: January 27, 2010

SUBJ: Committee report on LD 1671 Supplemental Budget for FY 2010 and 2011

The Joint Standing Committee on Business, Research & Economic Development held two work sessions on the Governor's supplemental budget (LD 1671) and voted unanimously 12-0 to support the Part A savings identified in the supplemental budget that are within the jurisdiction of the committee, except the committee recommends striking Part EEE from the budget because the language is no longer necessary to achieve the savings under **Sec. A-17, BRED-4 (Ref #349)**.

The Committee recommends striking all of Part EEE from the budget because the Department of Economic and Community Development (DECD) presented to the Committee on January 26th their preliminary plan to achieve the savings identified in Part A of the budget through a reorganization of DECD that will produce net savings of \$21,925 in FY 10 and \$226,488 in FY 11, and a total savings in FY 2010 and 2011 of \$248,413 (please see the attached documents submitted to the Committee from DECD). The Committee recommends that the savings identified in Part A of the budget, **Sec. A-17, BRED-4 (Ref #349)** be amended to reflect the savings identified by DECD in the attached documents which total \$248,413.

Thank you for your consideration of our recommendations.
