1. Physician groups. A carrier that contracts with a downstream entity that places the individual physician members at substantial financial risk for services they do not furnish shall disclose to the superintendent any incentive plan between the downstream entity and the entity's individual physicians that bases compensation to the physician on the use or cost of services furnished to enrollees. The disclosure must include the information required to be disclosed under section 4336, subsection 1.
[PL 1999, c. 609, §20 (NEW).]
