

Maine Revised Statutes
Title 32: PROFESSIONS AND OCCUPATIONS
Chapter 36: OSTEOPATHIC PHYSICIANS

§2591-A. DISCIPLINARY ACTIONS

1. Disciplinary proceedings and sanctions. The board shall investigate a complaint, on its own motion or upon receipt of a written complaint filed with the board, regarding noncompliance with or violation of this chapter or of rules adopted by the board.

The board shall notify the licensee of the content of a complaint filed against the licensee as soon as possible, but, absent unusual circumstances justifying delay, not later than 60 days from receipt of this information. The licensee shall respond within 30 days. The board shall share the licensee's response with the complainant, unless the board determines that it would be detrimental to the health of the complainant to obtain the response. If the licensee's response to the complaint satisfies the board that the complaint does not merit further investigation or action, the matter may be dismissed, with notice of the dismissal to the complainant, if any.

If, in the opinion of the board, the factual basis of the complaint is or may be true, and the complaint is of sufficient gravity to warrant further action, the board may request an informal conference with the licensee. The board shall provide the licensee with adequate notice of the conference and of the issues to be discussed. The complainant may attend and may be accompanied by up to 2 individuals, including legal counsel. The conference must be conducted in executive session of the board, pursuant to Title 1, section 405, unless otherwise requested by the licensee. Before the board decides what action to take at the conference or as a result of the conference, the board shall give the complainant a reasonable opportunity to speak. Statements made at the conference may not be introduced at a subsequent formal hearing unless all parties consent.

When a complaint has been filed against a licensee and the licensee moves or has moved to another state, the board may report to the appropriate licensing board in that state the complaint that has been filed, other complaints in the licensee's record on which action was taken and disciplinary actions of the board with respect to that licensee.

When an individual applies for a license under this chapter, the board may investigate the professional record of that individual, including professional records that the individual may have as a licensee in other states. The board may deny a license or authorize a restricted license based on the record of the applicant in other states.

If the board finds that the factual basis of the complaint is true and is of sufficient gravity to warrant further action, it may take any of the following actions it considers appropriate:

- A. With the consent of the licensee, enter into a consent agreement that fixes the period and terms of probation best adapted to protect the public health and safety and to rehabilitate or educate the licensee. A consent agreement may be used to terminate a complaint investigation, if entered into by the board, the licensee and the Attorney General's office; [1993, c. 600, Pt. A, §181 (AMD).]
- B. In consideration for acceptance of a voluntary surrender of the license, negotiate stipulations, including terms and conditions for reinstatement, that ensure protection of the public health and safety and that serve to rehabilitate or educate the licensee. These stipulations may be set forth only in a consent agreement signed by the board, the licensee and the Attorney General's office; [1993, c. 600, Pt. A, §181 (AMD).]
- C. If the board concludes that modification or nonrenewal of the license is in order, the board shall hold an adjudicatory hearing in accordance with the provisions of Title 5, chapter 375, subchapter IV; or [1997, c. 680, Pt. B, §2 (AMD).]

D. If the board concludes that suspension or revocation of the license is in order, the board shall file a complaint in the District Court in accordance with Title 4, chapter 5. [1999, c. 547, Pt. B, §64 (AMD); 1999, c. 547, Pt. B, §80 (AFF).]
