5. Subdivision. A "subdivision" is the division of a parcel of land into 5 or more lots to be offered for sale or lease to the general public during any 5-year period, if the aggregate land area includes more than 20 acres; except that when all lots are for single-family, detached, residential housing, common areas or open space a "subdivision" is the division of a parcel of land into 15 or more lots to be offered for sale or lease to the general public within any 5-year period, if the aggregate land area includes more than 30 acres. The aggregate land area includes lots to be offered together with the roads, common areas, easement areas and all portions of the parcel of land in which rights or interests, whether express or implied, are to be offered. This definition of "subdivision" is subject to the following exceptions:

A. [PL 1989, c. 769, §2 (RP).]

B. [PL 1989, c. 769, §3 (RP).]

C. Lots of 40 or more acres but not more than 500 acres may not be counted as lots except where:

(1) The proposed subdivision is located wholly or partly within the shoreland zone; [PL 1993, c. 680, Pt. A, §35 (RPR).]

C-1. Lots of more than 500 acres in size may not be counted as lots; [PL 1993, c. 680, Pt. A, §35 (RPR).]

D. Five years after a subdivider establishes a single-family residence for that subdivider's own use on a parcel and actually uses all or part of the parcel for that purpose during that period, a lot containing that residence may not be counted as a lot; [PL 1993, c. 680, Pt. A, §35 (RPR).]

E. Unless intended to circumvent this article, the following transactions may not be considered lots offered for sale or lease to the general public:

(1) Sale or lease of lots to an abutting owner or to a spouse, child, parent, grandparent or sibling of the developer if those lots are not further divided or transferred to a person not so related to the developer within a 5-year period, except as provided in this subsection;

(2) Personal, nonprofit transactions, such as the transfer of lots by gift, if those lots are not further divided or transferred within a 5-year period or the transfer of lots by devise or inheritance; or

(3) Grant of a bona fide security interest in the whole lot or subsequent transfer of the whole lot by the original holder of the bona fide security interest or that person's successor in interest; [PL 1995, c. 493, §5 (AMD).]

F. In those subdivisions that would otherwise not require site location approval, unless intended to circumvent this article, the following transactions may not, except as provided, be considered lots offered for sale or lease to the general public:

(1) Sale or lease of common lots created with a conservation easement as defined in Title 33, section 476, provided that the department is made a party; and [PL 1993, c. 680, Pt. A, §35 (RPR).]

G-1. [PL 1987, c. 864, §2 (RP).]

H. The transfer of contiguous land by a permit holder to the owner of a lot within a permitted subdivision is exempt from review under this article, provided that the land was not owned by the permit holder at the time the department approved the subdivision. Further division of the transferred land must be reviewed under this article. [PL 1993, c. 680, Pt. A, §35 (RPR).]

The exception described in paragraph F does not apply, and the subdivision requires site location approval, whenever the use of a lot described in paragraph F changes or the lot is offered for sale or lease to the general public without the limitations set forth in paragraph F. For the purposes of this subsection only, a parcel of land is defined as all contiguous land in the same ownership provided that lands located on opposite sides of a public or private road are considered each a separate parcel of land unless that road was established by the owner of land on both sides of the road subsequent to January 1, 1970. A lot to be offered for sale or lease to the general public is counted, for purposes of determining jurisdiction, from the time a municipal subdivision plan showing that lot is recorded or the lot is sold or leased, whichever occurs first, until 5 years after that recording, sale or lease.

[PL 1997, c. 603, §2 (AMD).]

Stripped or graded areas that are not revegetated within a calendar year are included in calculating the 3-acre threshold. [PL 1993, c. 383, §18 (AMD); PL 1993, c. 383, §42 (AFF).]

[PL 1993, c. 383, §18 (AMD); PL 1993, c. 383, §42 (AFF).]

7. Storage facility.

[PL 1995, c. 704, Pt. A, §6 (RP); PL 1995, c. 704, Pt. C, §2 (AFF).]

8. Offshore wind power project. "Offshore wind power project" means a project that uses a windmill or wind turbine to convert wind energy to electrical energy and is located in whole or in part within coastal wetlands as defined in section 480-B, subsection 2. "Offshore wind power project" includes both generating facilities as defined by Title 35-A, section 3451, subsection 5 and associated facilities as defined by Title 35-A, section 3451, subsection 1, without regard to whether the electrical energy is for sale or use by a person other than the generator.
