An Act Regarding the Use of Designated State-approved ATV Trails

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 12 MRSA §13157-A, sub-§1-A, as enacted by PL 2005, c. 397, Pt. E, §21, is amended to read:

1-A. Permission required. A person may not operate an ATV on the land of another without the permission of the landowner or lessee. Permission is presumed on designated state-approved ATV trails that are conspicuously posted or in areas open to ATVs by landowner policy. A landowner may limit the use of a designated state-approved ATV trail on that landowner's property through agreements with the State or an ATV club to address environmental, public safety or management concerns. Written permission of the landowner or lessee is required on cropland or pastureland or in an orchard. As used in this subsection, "cropland" means acreage in tillage rotation, land being cropped and land in bush fruits and "pastureland" means acreage devoted to the production of forage plants used for animal production. Nothing in this subsection may be construed to limit or expand a landowner's property rights.

- A. A person who violates this subsection commits a civil violation for which a fine of not less than \$100 or more than \$500 may be adjudged.
- B. A person who violates this subsection after having been adjudicated of having committed 3 or more civil violations under this Part within the previous 5-year period commits a Class E crime.
