Public Law
123rd Legislature
First Regular Session

Chapter 207
S.P. 367 - L.D. 1115

**An Act Concerning Licensure as a Master
Well Driller or a Master Pump Installer**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this legislation needs to take effect before the expiration of the 90-day period in order to mitigate the hardship that would occur to certain businesses and persons if the waiver of the requirements concerning licensure as a master well driller or a master pump installer in exigent circumstances contained in this legislation did not take effect as soon as possible; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 32 MRSA §4700-I, sub-§5 is enacted to read:

5. Waiver. Notwithstanding this section, in cases in which the commission finds the presence of exigent circumstances, the commission may grant a waiver of the requirements of this section and may authorize:

A. A person who has 5 years or more of well drilling experience of at least 1,000 hours in each of those 5 years under the supervision of a master well driller to sit for the master well driller examination under subsection 4 and to be licensed as a master well driller; and

B. A person who has 5 years or more of pump installation experience of at least 350 hours in each of those 5 years under the supervision of a master pump installer to sit for the master pump installer examination under subsection 4 and to be licensed as a master pump installer.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective June 4, 2007.
