Chapter 9: ALLOCATION OF STATE CEILING ON TAX-EXEMPT BONDS

§361. DEFINITIONS

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [1985, c. 594, §1 (NEW).]

1. Bond. "Bond" means a revenue obligation security, bond, note, debenture, certificate or other evidence of indebtedness of the State or any political subdivision of the State.

[1985, c. 594, §1 (NEW) .]

2. Carryforward. "Carryforward" means that portion of the state ceiling for any calendar year which is unallocated to specific bond issues during that calendar year and which is available to be carried forward to be used in later years under the United States Code, Title 26.

[1987, c. 413, §1 (AMD) .]

3. Federal formula. "Federal formula" means the formula or formulas for allocation of the state ceiling now or hereafter established under the United States Code, Title 26.

[1985, c. 594, §1 (NEW) .]

4. Solid waste energy project. "Solid waste energy project" means a project designed to convert solid waste to electricity or steam.

[1985, c. 594, §1 (NEW) .]

5. State ceiling. "State ceiling" means the annual dollar volume cap on the issuance of tax-exempt bonds now or hereafter imposed on the State and its agencies and governmental subdivisions by the United States Code, Title 26.

[1985, c. 594, §1 (NEW) .]

6. Tax-exempt bond. "Tax-exempt bond" means a bond the interest on which is not included in the gross income of the owners for federal income tax purposes pursuant to the United States Code, Title 26, Section 103.

[1987, c. 413, §2 (AMD) .]

SECTION HISTORY

1985, c. 594, §1 (NEW). 1987, c. 413, §§1,2 (AMD).

§362. LEGISLATIVE PURPOSE

The Legislature finds and declares that the availability of financing through use of tax-exempt bonds is an effective and necessary tool for economic development, ensuring an adequate supply of affordable housing, providing for loans for higher education and promoting and improving the health, safety, welfare and

quality of life of the people of the State. Because the availability of the financing is largely determined by the United States Internal Revenue Code and because there is a statewide need to assure that the limited amount of tax-exempt financing available is used in the most efficacious manner by issuers of bonds in the State to provide the greatest benefits to the State, the Legislature determines that the legislative purpose of promoting the best use of a limited resource can be best met by authorizing the Legislature and certain designated issuers of bonds to allocate available amounts of tax-exempt bond authority among issuers. This chapter is intended to apply to the federal formulas in effect on the effective date of this chapter, as well as to any unified volume limitation that may be enacted subsequently by the United States Congress. Any action by the designated issuers pursuant to this chapter is expressly delegated to those issuers by the Legislature for purposes of determining whether such action is authorized by the United States Code, Title 26. [1987, c. 413, §3 (AMD) .]

SECTION HISTORY

1985, c. 594, §1 (NEW). 1987, c. 413, §3 (AMD).

§363. ALLOCATION OF THE STATE CEILING

1. Formula and procedure.

[1987, c. 413, §4 (RP) .]

1-A. Procedure. For each calendar year, the Legislature may establish a procedure for allocation of the entire amount of the state ceiling by allocating an amount of the state ceiling to the specific issuers designated in this section for further allocation by each specific issuer to itself or to other issuers for specific bond issues requiring an allocation of the state ceiling or for carryforward. This procedure supersedes the federal formula to the full extent that the United States Code, Title 26, authorizes the Legislature to vary the federal formula. Allocations may be reviewed by the Legislature periodically and unused allocations may be reallocated to other issuers; however, notwithstanding the existence of legislation allocating or reallocating all or any portion of the state ceiling, at any time during the period from September 1st to and including December 31st of any calendar year, and at any other time that the Legislature is not in session, a group consisting of a representative of each of the issuers specifically identified in subsections 4, 5, 6, 7, 8 and 8-A; and a representative of the Governor designated each year by the Governor may, by written agreement executed by no fewer than 5 of the 6 voting representatives, allocate amounts not previously allocated and reallocate unused allocations from one of the specific issuers designated in this section to another specific issuer for further allocation or carryforward, with respect to the state ceiling for that calendar year only. In no event may any issuer have more than one vote. If an issuer is allocated a portion of the state ceiling in more than one category, the written agreement must be executed by no fewer than 4 of the 6 voting representatives. Except for records containing specific and identifiable personal information acquired from applicants for or recipients of financial assistance, the records of the group of representatives described in this subsection are public records and the meetings of the group of representatives described in this subsection are public proceedings within the meaning of Title 1, chapter 13, subchapter 1.

[2005, c. 425, §22 (AMD) .]

2. Allocations by the Governor and the Legislature.

[1987, c. 413, §4 (RP) .]

2-A. Recommendation of Governor and issuers. At any time action of the Legislature under subsection 1-A is necessary or desirable, the Governor shall recommend to the appropriate committee of the Legislature a proposed allocation or reallocation of all or part of the state ceiling. To assist the Governor in making a recommendation of proposed allocations of the state ceiling on private activity bonds, the group of 7 representatives described in subsection 1-A shall make a recommendation regarding allocation or reallocation of the state ceiling. In order to assist the group in making its recommendation and to assist the

Governor and the Legislature, the Department of Administrative and Financial Services, in consultation with the Governor's Office of Policy and Management, shall prepare an annual analysis of the State's economic outlook, prevailing interest rate forecasts related to tax-exempt financing by the issuers specifically identified in subsections 4 to 8, the availability to those issuers of alternative financing from sources that do not require an allocation of the state ceiling and the relationship of these factors and various public policy considerations to the allocation or reallocation of the state ceiling. In recommending any allocation or reallocation of the state ceiling to the Legislature, the Governor shall consider the requests and recommendations of those issuers of bonds within the State designated in this section, the recommendations of the group of representatives described in subsection 1-A and the annual analysis of the Department of Administrative and Financial Services.

[2011, c. 655, Pt. DD, §8 (AMD); 2011, c. 655, Pt. DD, §24 (AFF) .]

3. Emergency allocation.

[1987, c. 769, Pt. A, §41 (RP) .]

4. Allocation to Maine State Housing Authority. That portion of the state ceiling allocated under this section to the category of bonds for housing or housing-related purposes must be allocated to the Maine State Housing Authority, which may further allocate that portion of the state ceiling to bonds for housing-related projects that require an allocation in order to qualify as tax-exempt bonds. Any further allocation or reallocation of any portion of the state ceiling from the Maine State Housing Authority to another specific issuer designated in this section must be done in accordance with the requirements in subsection 1-A.

[1999, c. 728, §3 (AMD) .]

5. Allocation to the Treasurer of State. That portion of the state ceiling allocated under this section to the category of general obligation bonds of the State must be allocated to the Treasurer of State, who may further allocate that portion of the state ceiling to bonds of the State requiring an allocation in order to qualify as tax-exempt bonds. Any further allocation or reallocation of any portion of the state ceiling from the Treasurer of State to another specific issuer designated in this section must be done in accordance with the requirements in subsection 1-A.

[1999, c. 728, §3 (AMD) .]

6. Allocation to the Finance Authority of Maine. That portion of the state ceiling allocated to the category of bonds that are limited obligations of the issuer payable solely from the revenues of the projects financed with the proceeds of the bonds, other than for housing-related projects or issues included in an issue of the Maine Municipal Bond Bank, as well as that portion of the state ceiling allocated to bonds authorized to be issued by the Finance Authority of Maine pursuant to Title 20-A, chapter 417-B, must be allocated to the Finance Authority of Maine, which may further allocate that portion of the state ceiling to bonds requiring an allocation in order to qualify as tax-exempt bonds. Any further allocation or reallocation of any portion of the state ceiling from the Finance Authority of Maine to another specific issuer designated in this section must be done in accordance with the requirements in subsection 1-A.

[1999, c. 728, §4 (AMD) .]

7. Allocation to the Maine Municipal Bond Bank. That portion of the state ceiling allocated to the category of bonds that are general obligations of issuers within the State, other than the State; that are included in bond issues of the Maine Municipal Bond Bank; that are included in bond issues of the Maine Public Utility Financing Bank; or that are qualified redevelopment bonds as defined in the United States Code, Title 26, must be allocated to the Maine Municipal Bond Bank, which may further allocate that portion

of the state ceiling to bonds requiring an allocation in order to qualify as tax-exempt bonds. Any further allocation or reallocation of any portion of the state ceiling from the Maine Municipal Bond Bank to another specific issuer designated in this section must be done in accordance with the requirements in subsection 1-A.

[1999, c. 728, §5 (AMD) .]

8. Additional allocation to the Finance Authority of Maine pursuant to Title 20-A, chapter 417-A.

That portion of the state ceiling allocated to the issuance of bonds by the Finance Authority of Maine pursuant to Title 20-A, chapter 417-A must be allocated to the Finance Authority of Maine.

A. Prior to issuing loans funded through an allocation of the state ceiling for the issuance of education loans under this section, an issuer or lender must provide to the appropriate agency within the Department of Professional and Financial Regulation examples of the disclosures to be made to loan recipients or obligors. The information must be provided to the Bureau of Financial Institutions if the issuer or lender is a financial institution or credit union established pursuant to state or federal law or to the Bureau of Consumer Credit Protection for all other issuers or lenders. This information must be provided to the appropriate agency within the Department of Professional and Financial Regulation upon request, or in the course of an examination of the issuer or lender by the agency, and must include a description of any interest rate or other discounts offered that clearly identifies all of the terms and conditions of obtaining any discount, a projection of the approximate number or percentage of loan obligors who are likely to benefit from the discounts and any other disclosures pursuant to guidelines established by the Bureau of Financial Institutions and the Bureau of Consumer Credit Protection for the issuance of education loans that would benefit from an allocation of the state ceiling. The Bureau of Financial Institutions and the Bureau of Consumer Credit Protection shall jointly adopt, to the extent allowed by law, rules to carry out the provisions of this paragraph by establishing uniform disclosure requirements and sanctions for noncompliance. Rules adopted pursuant to this paragraph are routine technical rules, as defined in Title 5, chapter 375, subchapter 2-A. All information provided to the appropriate agencies within the Department of Professional and Financial Regulation must include the source of the information and the basis for any projections. [2015, c. 170, §5 (AMD); 2015, c. 170, §30 (AFF).]

B. [1999, c. 443, §2 (NEW); T. 10, §363, sub-§8, ¶ B (RP).]

B-1. All education loans made under the federal Higher Education Act of 1965, 20 United States Code, Chapter 28 that are purchased or originated with proceeds of tax-exempt bonds using a portion of the state ceiling on private activity bonds must be guaranteed by the state agency designated as administrator of federal guaranteed student loan programs pursuant to Title 20-A, chapter 417, subchapter 1, except that this requirement does not apply to serial loans of a borrower that are guaranteed by a different guarantee agency and acquired or financed with tax-exempt bond proceeds prior to the effective date of this paragraph. The state agency designated as administrator of federal guaranteed student loan programs pursuant to Title 20-A, chapter 417, subchapter 1 shall use its best efforts to provide competitive rates for the guarantee function. [2015, c. 170, §5 (AMD); 2015, c. 170, §30 (AFF).]

[2015, c. 170, §5 (AMD); 2015, c. 170, §30 (AFF) .]

8-A. Allocations to issuer of bonds for purchase of education loans. That portion of the state ceiling allocated to the categories of bonds providing funds for the purposes of an entity designated pursuant to Title 20-A, section 11407, must be allocated to the entity designated pursuant to Title 20-A, section 11407.

A. Prior to issuing loans funded through an allocation of the state ceiling for the issuance of education loans, an issuer or lender must provide to the appropriate agency within the Department of Professional and Financial Regulation examples of the disclosures to be made to loan recipients or obligors. The information must be provided to the Bureau of Financial Institutions, Department of Professional and Financial Regulation if the issuer or lender is a financial institution or credit union established pursuant to state or federal law or to the Bureau of Consumer Credit Protection, Department of Professional and Financial Regulation for all other issuers or lenders. This information must be provided to the

appropriate agency within the Department of Professional and Financial Regulation upon request, or in the course of an examination of the issuer or lender by the agency, and must include a description of any interest rate or other discounts offered that clearly identifies all of the terms and conditions of obtaining any discount, a projection of the approximate number or percentage of loan obligors who are likely to benefit from the discounts and any other disclosures pursuant to guidelines established by the Bureau of Financial Institutions and the Bureau of Consumer Credit Protection for the issuance of education loans that would benefit from an allocation of the state ceiling. The Bureau of Financial Institutions and the Bureau of Consumer Credit Protection shall jointly adopt, to the extent allowed by law, rules to carry out the provisions of this paragraph by establishing uniform disclosure requirements and sanctions for noncompliance. Rules adopted pursuant to this paragraph are routine technical rules, as defined in Title 5, chapter 375, subchapter 2-A. All information provided to the appropriate agencies within the Department of Professional and Financial Regulation must include the source of the information and the basis for any projections. [2003, c. 112, §3 (NEW); 2007, c. 273, Pt. B, §5 (REV); 2007, c. 695, Pt. A, §47 (AFF).]

B. [2007, c. 520, §1 (RP).]

[2007, c. 520, §1 (AMD); 2007, c. 695, Pt. A, §47 (AFF) .]

9. Use of carryforward. In the event that any issuer has made a carryforward election under the United States Code, Title 26, Section 146(f), as amended, the issuer shall use, to the extent possible and consistent with the purpose for which the carryforward was elected, the carryforward for issues subject to the state ceiling prior to allocating any portion of the state ceiling for the applicable calendar year to the issue. To the extent permitted by federal law, a group consisting of a representative of each of the issuers specifically identified in subsections 4 to 7; a representative of a corporation created pursuant to former Title 20, section 2237 and Title 20-A, section 11407; and a representative of the Governor designated each year by the Governor may reallocate, by written agreement executed by no fewer than 4 of the 5 voting representatives, carryforward amounts from one of the specific issuers designated in this section to another specific issuer.

[1999, c. 728, §7 (AMD) .]

10. Allocation for benefit of State. All of the allocation of the state ceiling must be used for a purpose that benefits individuals, communities or businesses in this State. For purposes of this subsection, a bond issuance is presumed to benefit individuals, communities or businesses in this State if it benefits business operations located in this State, residents of this State, students attending institutions of higher education in this State, residents of this State attending institutions of higher education outside this State, municipalities in this State or programs predominantly for the provision of benefits for residents of this State. A student eligible to receive the benefit of a portion of the state ceiling remains eligible for student loans notwithstanding any changes in residency or institution attended.

[2007, c. 520, §2 (AMD) .]

11. Annual review. By March 15th of each year, each issuer identified in subsections 4 to 8 shall deliver a report to the Governor, the group of representatives described in subsection 1-A and the joint standing committee of the Legislature having jurisdiction over business and economic development matters. Each report must include, without limitation, a review of what bonds have been issued in the most recent year, how the state ceiling was allocated or carried forward, a demonstration of the benefits to the State of the allocation of the state ceiling to such issuer for the most recent year and a demonstration that allocation of the state ceiling is necessary to fulfill an unmet need for financing by the private sector. In addition, each report

must be accompanied by the most recent annual audited financial statements of the issuer and by a letter from an independent accountant addressing the savings attributable to the use of tax-exempt financing and how that savings was passed on to the entities or individuals benefiting from the bond proceeds.

Chapter 107: MAINE DEVELOPMENT FOUNDATION; MAINE ECONOMIC GROWTH COUNCIL

§915. LEGISLATIVE FINDINGS AND INTENT

The State of Maine has long had serious conditions of unemployment, underemployment, low per capita income and resource underutilization that cause substantial hardships to many individuals and families, impede the economic and physical development of various regions of the State, and adversely affect the general welfare and prosperity of the State. [2013, c. 2, §11 (COR).]

There is a need to establish a new basis for a creative partnership of the private and public sectors for economic development, a partnership which can capitalize on the interests, resources and efforts of each sector, but which does not compromise the public interest or the profit motive. The state's solitary burden to provide for development should lessen through involving the private sector in a leadership role. [1977, c. 548, §1 (NEW).]

The foundation shall exist as a not-for-profit corporation with a public purpose, and the exercise by the foundation of the powers conferred by this chapter shall be deemed and held to be an essential governmental function. [1977, c. 548, §1 (NEW).]

Subchapter 1-A: NATURAL RESOURCES FINANCING AND MARKETING PROGRAMS

§981. LEGISLATIVE FINDINGS

The Legislature has consistently found that agriculture, forestry and fisheries are major industries in the State, contributing substantially to the state's overall economy, essential to the maintenance and strengthening of rural life and values and necessary to the preservation of the health, safety and welfare of all of the people of the State. The Legislature also recognizes that food and fiber production is an appropriate use of the natural resources of the State. The Legislature finds that the survival of the family farm and of fishing and forestry enterprises is of special concern to the people of the State and that the ability of these enterprises to prosper, while producing an abundance of high quality food and fiber, deserves a place of high priority in the determination of public policy. In addition, the Legislature specifically finds: [1983, c. 519, §7 (NEW).]

1. Existing conditions. Compared with the national average, Maine is a capital-short State, with particular lack of long-term debt and equity capital. The existing interest rates and the existing pattern of lending to the agricultural, forestry and fishing industries are constraining the optimal economic use of farm, fisheries and forest resources. The State, in the past, has been overly reliant on the financing programs of the Federal Government, particularly the Farmers Home Administration. The ordinary operations of private enterprise in the State have not corrected this condition, leaving Maine vulnerable to changes in federal policy. Farm debt has risen much faster than gross income, with the cost of borrowing money rising more rapidly than any other production cost. Similar financing difficulties confront other natural resource enterprises, particularly wood-processing and other value-added enterprises;

[1983, c. 519, §7 (NEW) .]

2. New natural resource enterprises. New natural resource enterprises face particular problems in obtaining adequate financing. There are more full-time farmers going out of business than entering farming, a problem which is caused, in part, because loans for new farmers for agricultural land, improvements and operations are either unavailable or unaffordable through the conventional credit markets. There are increasing numbers of new, small and part-time farmers whose needs are not adequately served by any existing financing or technical assistance programs;

[1983, c. 519, §7 (NEW) .]

3. Marketing and technical assistance. Enterprises adding the greatest value by conversion of native raw products and by promotion of raw and processed Maine products are of particular benefit to the State. Producers and processors of natural resource products are not receiving sufficient assistance in marketing and management. There is an overall lack of a statewide marketing strategy for natural resource products and producers of these products do not receive the market information, technical assistance or market service necessary to optimize their marketing and profits. There is a need for technical assistance and training in business management, particularly among new, small and part-time participants in natural resource enterprises;

[1983, c. 519, §7 (NEW) .]

4. Resulting problems. The lack of affordable financing options and marketing and other technical assistance jeopardizes the maintenance of agricultural, forestry and fishery operations at present levels and makes expansion and diversification of these enterprises more difficult. The lack of appropriate financing and technical assistance is contributing to the abandonment of agricultural lands in the State. The inability to continue agricultural, forestry and fishery operations at current or expanded levels jeopardizes the continued existence of family-owned natural resource enterprises and lessens the supply of locally produced food and fiber available to fulfill the needs of the citizens of this State. The constraints on the operation and expansion of natural resource enterprises decrease the available employment, particularly in rural areas and result in the problems attendant on unemployment. The threat to the viability of the family farm and other natural resource enterprises directly threatens the essence of the rural values and way of life, to the detriment of the welfare of all the people of the State;

[1983, c. 519, §7 (NEW) .]

5. Public necessity. The existing situation will not be relieved or improved through the operation of private enterprise alone. It is necessary, desirable and in the best interest of the welfare of all of the citizens of the State that provisions be made to work with existing public and private institutions to promote the development of natural resources by making available to persons engaged in natural resource enterprises or wishing to enter these enterprises, adequate marketing and technical assistance, as well as adequate financing opportunities, at interest rates lower than would be otherwise obtainable; and

[1985, c. 344, §27 (AMD) .]

6. Public purpose and benefit. The authority is established to stimulate the economy, to reduce unemployment, to support community development and to assure an adequate supply of food and fiber, in all respects for the benefit of the people of the State and for the improvement of their health, safety and welfare. The authority will be serving a public purpose and performing an essential governmental function in the exercise of the powers and duties conferred upon it by this subchapter. Any benefits accruing to private individuals or associations, as a result of the activities of the authority, are deemed by the Legislature to be incidental to the public purposes to be achieved by the implementation of this subchapter.

§982. PURPOSE

The purposes of this subchapter include: [1983, c. 519, §7 (NEW) .]

1. General. To relieve those conditions which now exist which represent difficulties in natural resource enterprise financing and development and to assist in planning, coordinating and implementing programs that will encourage further public and private participation and investment to achieve this end;

[1983, c. 519, §7 (NEW) .]

2. Current and increased production. To maintain the land and water base necessary to the production of food and fiber and to encourage the continuation and expansion of successful production of the natural resource products of the State in order to secure adequate food and fiber to the people of the State, to secure markets and to assure the stability of the local economy;

[1983, c. 519, §7 (NEW) .]

3. Value added. To encourage the creation and expansion of processing or manufacturing enterprises adding value to agricultural, forestry and fisheries products, grown or harvested in the State;

[1983, c. 519, §7 (NEW) .]

4. Market improvements. To coordinate, improve and expand the marketing of raw, processed and manufactured products of the fisheries, farms and forests of the State;

[1983, c. 519, §7 (NEW) .]

5. Employment opportunities. To expand opportunities for full and part-time gainful employment and facilitate entry into farming, fishing and forestry in order to maintain adequate food and fiber production capabilities in the State and to improve the unemployment situation in the State and the demands on state services which arise because of unemployment and related problems;

[1983, c. 519, §7 (NEW) .]

6. Expanded participation of lending institutions and improved credit opportunities. To provide for additional capital resources for natural resource enterprises from the sale of bonds and to otherwise make adequate credit available at interest rates that enable persons to enter, maintain and expand natural resource enterprises; to encourage the investment of private capital and the diversification and competition among financing institutions in the natural resource sector; and

[1983, c. 519, §7 (NEW) .]

7. Improved technical assistance. To provide a central source for credit information and other financial management training and services to farmers, fishermen and foresters to better enable them to obtain adequate financial assistance from existing sources and to provide similar technical assistance, research and service in marketing products of natural resource enterprises.

[1983, c. 519, §7 (NEW) .]

4. Procure insurance. The authority may procure insurance from public or private entities against any loss in connection with its operations and property interests, including insurance for any loss in connection with any bonds or obligations held by it and any of its property or assets and for payment of any bonds or obligations issued by it. To the maximum extent possible, the authority shall use the loan insurance program established pursuant to subchapter 2.

[2003, c. 537, §18 (AMD); 2003, c. 537, §53 (AFF) .]

5. Exercise of departmental authority. Upon the concurrence of the applicable commissioner, the authority may exercise such powers of the Department of Marine Resources or the Department of Agriculture, Conservation and Forestry as may be necessary to the purposes of this subchapter.

[1983, c. 519, §7 (NEW); 2011, c. 657, Pt. W, §5 (REV) .]

6. Nondiscrimination. The opportunity to receive assistance from the authority, directly or indirectly, shall be open to all persons regardless of race, creed, color, sex, national origin, age, physical or mental impairment or religion. The authority shall assure the availability of its programs on an equitable basis in all geographic areas of the State, provided that this section does not preclude the authority from identifying areas of the State which may be better suited to certain natural resource enterprises than others and does not preclude the authority from recognizing the value of a critical mass of natural resource economic activity in given areas.

[1985, c. 344, §31 (AMD) .]

7. Maximum amounts. The authority may, by rule, determine the portion of a project or class of projects to be financed by it, but in no case may the authority finance or guarantee more than 90% of the total value of a project.

6. Agricultural land. If the financing assistance is for the acquisition of agricultural land, the person agrees in writing for such period as the authority shall specify to follow such soil conservation and related standards as the authority shall, by rule, adopt; not to convey the land without written permission of the authority and, in the case of farmland within the definition of Title 36, section 1102, to apply and continue to elect to apply during the period of receipt of financing assistance for farm and open space classifications under Title 36, chapter 105, subchapter X. This agreement shall be recorded in the registry of deeds for the county or counties where the land is located.

[1985, c. 344, §32 (AMD) .]

8. Public benefit. The natural resource enterprise will provide for the betterment of the health and welfare of the inhabitants of the State and make a significant contribution to either the economic growth of the community or to the retention of agricultural land in production. For purposes of this section, the authority shall, by rule, adopt criteria defining the acceptable impact on employment, natural resource production, harvesting, marketing, land use and other factors. In reaching its determination in this regard, the authority shall be guided by the provisions of sections 981 and 982.

These terms may include, but are not limited to, requirements as to prepayment, period of repayment, interest rate, rentals, project design and planning, security requirements and evidences of indebtedness. The authority may require a borrower to execute a note, loan agreement or other evidence of indebtedness and furnish additional assurances and guarantees, including insurance, reasonably related to protecting the security of the loan.

[1985, c. 344, §33 (AMD) .]

2. Assured compliance. The authority may, by rule, provide for permitted assumptions of loans or for other transfers of interest in property financed by the authority to persons who are otherwise qualified to receive assistance under this chapter. In all other cases, the person receiving the financing assistance shall agree, in writing, to use the land or property so acquired only for the purposes specified in the application to or subsequent written agreement with the authority. These agreements shall be recorded in the registry of deeds for the county or counties in which the property is located.

§988-B. NATURAL RESOURCES CAPITAL INVESTMENT PROGRAM

1. Purpose. The purpose of this section is to establish a program to provide assistance in the financing and development of natural resource projects designed to increase the State's capacity to produce, harvest, store, process, distribute, market and improve the quality of its natural resource products. The goal is to expand the opportunities for natural resource enterprises and promote the quality of Maine products nationally and internationally.

[1989, c. 552, §12 (NEW) .]

2. Eligible projects. To be eligible for assistance under the program, projects must be located in the State and must consist of the construction, renovation or acquisition of land, buildings, equipment, docks, wharves, piers or vessels used in connection with a commercial natural resource enterprise, as that term is defined in section 963-A, subsection 41. Financing assistance may be provided with respect to the soft costs associated with eligible projects, but not for working capital.

[1989, c. 552, §12 (NEW) .]

3. Eligible borrowers. Eligible borrowers shall include profit and nonprofit businesses, producer groups, cooperatives and governmental entities.

[1989, c. 552, §12 (NEW) .]

4. Assistance provided. The authority is authorized to provide assistance in the form of direct loans or security for commercial loans or equity investments, subject to the following limitations.

A. In the case of direct loans, funds may be provided from the fund established under section 988-A for up to 45% of total project costs. Borrowers must contribute at least 10% of total project costs in equity or the equivalent and the balance of project costs may be financed by a lender. The authority may provide that repayment of loans from the fund and the security therefor may be subordinate to the lender loan. The interest rate, other loan terms and conditions and fees to the authority may be established by the authority by rulemaking pursuant to the Maine Administrative Procedure Act, Title 5, chapter 375,

subchapter II, provided that the interest rate is not less than 5% per year and loan terms do not exceed 10 years for equipment, 20 years for vessels and 25 years for real estate. [1989, c. 552, §12 (NEW) .]

B. In the case of security for commercial loans, funds may be provided from the fund established under section 988-A to the lender as collateral for the loan on terms and conditions established by the authority by rulemaking pursuant to the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II, provided that funds deposited with the lender do not exceed 45% of the total loan. The authority may also provide funds to a lender as a deposit in the name of the authority at a reduced rate of interest provided that the interest savings to the lender is passed on to the borrower in the form of a lower interest rate on the loan. [1989, c. 552, §12 (NEW) .]

C. In the case of security for equity investments, the authority may pledge or deposit money from the fund established under section 988-A as security for up to 30% of a direct equity investment in an eligible borrower on terms and conditions established by the authority by rulemaking pursuant to the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II. [1989, c. 552, §12 (NEW) .]

D. Assistance from the fund pursuant to this section may not exceed in aggregate 45% of total project costs of an eligible project. The authority may establish a mechanism for reserving funds for or giving priority to projects in industries or areas of the State deemed to require special assistance. [1989, c. 552, §12 (NEW) .]

E. Each applicant must demonstrate a reasonable likelihood that it would not be able to obtain financing or investment sufficient for the project's needs on reasonable terms without assistance from the fund, that there is a reasonable likelihood that it will be able to repay the loan or secured investment and that the project will assist in accomplishing the purposes of this subchapter. §997. PROGRAM FOR ENTRANTS TO NATURAL RESOURCE ENTERPRISES

In addition to other programs and financing assistance established under this subchapter which may be available to natural resource enterprises, the authority shall establish a supplemental financing and technical assistance program designed specifically to meet the needs of entrants to natural resource enterprises.

[1985, c. 344, §36 (AMD).]

1. Criteria for participation. In addition to the applicable provisions of sections 987 and 988, persons seeking financing assistance under the entrants to natural resource enterprises programs shall be subject to the following.

A. In the case of an applicant who is an individual, the entrant to natural resource enterprises shall be a resident of the State and shall have, together with his spouse and dependent children, an aggregate net worth, as determined by the authority, of \$100,000 or less when an application is made. In the case of an applicant which is a business organization, the entrant to natural resource enterprises shall be organized under the laws of the State so that at least 51% of the controlling ownership is held by residents of the State each of whom has, together with his or her spouse and dependent children, an aggregate net worth, as determined by the authority, of \$100,000 or less when an application is made. [1985, c. 344, §36 (RPR).]

B. The authority shall provide financing assistance in such amount as it determines is appropriate to reflect the cost of a reasonably-sized beginning enterprise. [1985, c. 344, §36 (AMD).]

C. The entrant has not previously received financing assistance under the program for the acquisition of property similar in nature to the property for which the financing assistance is sought, except that this restriction shall not apply if the amount previously received for an enterprise, plus the amount of the additional assistance sought for that enterprise, does not exceed the total determined by the authority pursuant to paragraph B. [1985, c. 344, §36 (AMD).]

D. The entrant agrees to engage in one or more natural resource enterprises and to participate in such marketing and training programs as the authority may require. [1985, c. 344, §36 (AMD).]

E. The entrant agrees to such other conditions as the authority may impose. [1985, c. 344, §36 (AMD).]

[1985, c. 344, §36 (AMD) .]

2. Financing assistance terms. In addition to the applicable provisions of sections 987 and 988, assistance provided pursuant to this section may involve special financing terms, including, but not limited to:

A. For the acquisition of land and facilities, arrangements where the authority agrees to make payments and binding commitments and to continue these payments, if necessary, over the life of the mortgage on behalf of entrants to natural resource enterprises in order to reduce interest costs on market rate credit to the level the authority by rule determines conducive to achieving the purpose of this section, provided that the rate shall not be lower than 5%. Persons benefiting from these assistance payments may be required to pay a larger interest payment as their ability to pay increases. No commitment made by the authority under this paragraph may be construed to commit the faith and credit of the State; [1985, c. 344, §36 (AMD).]

B. Deferred payment schedules; [1983, c. 519, §7 (NEW).]

C. Loan insurance for loans that satisfy the following requirements:

(1) The lender must be a seller of agricultural land and other eligible collateral:

(a) Who is a natural person; or

(b) That is a family farm corporation;

(2) The borrower must be an entrant to natural resource enterprises;

(3) The loan must be made for the purpose of financing all or part of the purchase price of agricultural land and other eligible collateral; and

(4) The interest rate on the loan must be significantly less than the market interest rate, if required by the authority; and [2003, c. 537, §19 (AMD); 2003, c. 537, §53 (AFF).]

D. Other similar agreements to facilitate participation in the natural resource sector. [1983, c. 519, §7 (NEW).]

[1987, c. 159, §1 (NEW) .]

3. Application of fund. The authority may apply money in the fund to carry out any power of the authority under this subchapter, including, without limitation, to make loans or to pledge or transfer and deposit money in the fund as security for, and to apply money in the fund in payment of principal of, interest and other amounts due on loans made or secured by the authority pursuant to this subchapter. [1987, c. 159, §1 (NEW) .]

4. Accounts within fund. The authority may divide the funds into such separate accounts as it determines necessary or convenient for carrying out this subchapter.

[1987, c. 159, §1 (NEW) .]

5. Revolving fund. The fund shall be a nonlapsing revolving fund. All money in the fund shall be continuously applied by the authority to carry out this subchapter.

[1987, c. 159, §1 (NEW) .]

[1987, c. 159, §1 (NEW) .]

SECTION HISTORY

1987, c. 159, §1 (NEW).

§1012. MAINE NATURAL DISASTER BUSINESS ASSISTANCE PROGRAM

1. Purpose. The authority shall administer the Maine Natural Disaster Business Assistance Program for the purpose of providing assistance to businesses that are victims of natural disasters which have caused the State or portions of the State to be declared disaster areas by the President of the United States or his authorized representative.

[1987, c. 159, §1 (NEW) .]

2. Eligibility. Any eligible enterprise, as defined in section 963-A, subsection 9, shall be eligible for financial assistance under the program provided that:

A. The applicant has suffered serious financial hardship as a direct result of a natural disaster; [1987, c. 159, §1 (NEW).]

B. The applicant has insufficient access to federal or other disaster funds or other financial assistance on a timely basis other than pursuant to this program; and [1987, c. 159, §1 (NEW).]

C. The applicant is a business enterprise operated for profit. [1987, c. 159, §1 (NEW).]

[1987, c. 159, §1 (NEW) .]

3. Operation. Financial assistance under the program shall be used for the purpose of assisting eligible enterprises in recovering from the effects of natural disasters. The program may be administered in conjunction with other programs of the authority. Money in the fund may be used:

A. To provide direct loans to eligible enterprises; [1987, c. 159, §1 (NEW).]

B. As security for loans from financial institutions to eligible enterprises; and [1987, c. 159, §1 (NEW).]

C. To provide direct interim financing to eligible applicants pending receipt of federal disaster funds or financial assistance from other sources, which funds or financial assistance will be used to repay the interim loan from the authority. [1987, c. 159, §1 (NEW).]

[1987, c. 159, §1 (NEW) .]

4. Criteria. No financial assistance may be approved unless the authority determines that there is a reasonable likelihood that the applicant will be able to repay any loan made or secured under the program, that the applicant has demonstrated that it has insufficient access to other sources of funds and that the financial assistance is needed to assure the recovery of the applicant from the effects of the natural disaster. All applications must be received not later than June 30, 1987. The authority, by rules adopted in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375, may establish temporary reservations for geographic areas of the State and may establish such other criteria as may be consistent with the purposes of the program.

[1987, c. 159, §1 (NEW) .]

5. Limitations on financial assistance. Financial assistance under this subchapter shall be subject to the following limitations.

A. The initial term of financial assistance to applicants who are eligible to apply for federal funds as a result of a natural disaster shall not exceed 6 months. If federal funds are not available within the initial 6-month term to repay loans made or secured under this subchapter, the authority may extend the financial assistance or convert a loan from a financial institution secured under this subchapter to a direct loan for such term and on such conditions as may be appropriate and consistent with the purposes of this subchapter. [1987, c. 159, §1 (NEW).]

B. Loans pursuant to this subchapter shall ordinarily be made at interest rates not exceeding the prime rate of interest as reported in national financial publications and for terms not exceeding 20 years, provided that the authority may in its discretion vary those limitations if necessary to ensure the viability of the enterprise and repayment of the loan, and provided further that the authority may charge a higher rate of interest after default. [1987, c. 159, §1 (NEW).]

C. Loans made or secured under this subchapter shall be secured by such collateral, including personal guarantees, as may be reasonably available. The authority may provide financial assistance with less than adequate collateral when the applicant is credit worthy and demonstrates the ability to repay the loan. [1987, c. 159, §1 (NEW).]

D. The amount of financial assistance to an applicant from the fund shall not exceed \$50,000, provided that the initial amount of each loan shall not exceed the minimum amount necessary for operation of the applicant's business during the initial 6-month term, as determined by the authority. [1987, c. 159, §1 (NEW).]

E. The request for reconsideration must be accompanied by a filing fee to the Department of Environmental Protection in the amount of \$500. The decision of the Department of Environmental Protection constitutes final agency action. [2007 , c. 464 , §6 (NEW) .]

§1020-C. MOTOR VEHICLE OIL PREMIUM REIMBURSEMENT

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Eligible dealer" means a motor vehicle oil dealer that has sold or distributed motor vehicle oil outside the State on which the motor vehicle oil premium was imposed by section 1020, subsection 6-A. [2011, c. 548, §1 (AMD); 2011, c. 548, §36 (AFF).]

B. "Eligible premium" means a premium that has been reported and paid by a motor vehicle oil dealer to the State Tax Assessor on motor vehicle oil that was subsequently sold or distributed by an eligible dealer outside the State during the relevant reimbursement period. [2011, c. 548, §1 (AMD); 2011, c. 548, §36 (AFF).]

C. "Reimbursement claim" means the value of all eligible premiums reported by an eligible dealer during a reimbursement year. [2011, c. 211, §14 (NEW).]

D. "Unreimbursed eligible premium" means a properly filed eligible premium that has not been reimbursed to the eligible dealer for current or prior year obligations. [2011, c. 211, §14 (NEW).]

[2011, c. 548, §1 (AMD); 2011, c. 548, §36 (AFF) .]

2. Annual application for reimbursement. An eligible dealer shall submit a claim for reimbursement of eligible premiums on motor vehicle oil sold by that dealer outside the State on a form prescribed by the State Tax Assessor no later than March 31st annually. An application filed in 2011 or 2012 may include a reimbursement request for eligible premiums paid from October 1, 2009 to December 31, 2011. Reimbursement claims submitted beginning in 2013 may be made only for eligible premiums paid in the

immediately preceding calendar year. All applications for reimbursement must be made under penalties of perjury. For purposes of this subsection, an application for reimbursement is considered a return, as defined in Title 36, section 111, subsection 4.

[2011, c. 548, §2 (AMD); 2011, c. 548, §36 (AFF) .]

3. Calculation of reimbursement. Reimbursement of funds available in the fund is calculated according to this subsection.

A. Annually, no later than April 30th immediately following notification by the authority pursuant to section 1020, subsection 3-A, paragraphs A and E, the State Tax Assessor shall calculate the value of reimbursement claims. The State Tax Assessor shall provide reimbursement, as determined pursuant to paragraph B, to eligible dealers no later than the immediately following May 31st. [2011, c. 211, §14 (NEW) .]

B. For any reimbursement year, the total amount reimbursed to an eligible dealer may not exceed that eligible dealer's unreimbursed eligible premiums. Priority is given to the oldest unreimbursed eligible premiums in succession until all eligible premiums have been reimbursed. [2011, c. 211, §14 (NEW) .]

The amount of reimbursement for each eligible dealer is calculated as follows: The State Tax Assessor shall reimburse each eligible dealer for any reimbursement year an amount equal to a fraction, the numerator of which is the total amount of each eligible dealer's eligible premium and the denominator of which is the total amount of reimbursement claims for the same reimbursement year, multiplied by the amount determined as available by the authority pursuant to section 1020, subsection 3-A, paragraphs A and E. Interest is not due on any reimbursement made to an eligible dealer pursuant to this subsection.

[2011, c. 211, §14 (NEW) .]

4. Payment. A reimbursement made in accordance with this section must be paid from the amount the authority reports to the State Tax Assessor pursuant to section 1020, subsection 3-A, paragraphs A and E.

The fund must be deposited with and maintained by the authority to be used solely for investment in the Maine potato industry. The fund must be administered by the Maine Potato Board, established in Title 36, section 4603 and referred to in this section as "the board," and the Potato Marketing Improvement Fund Committee, established in Title 5, section 12004-H, subsection 10-A. All money received by the authority from any source for the development and implementation of improved storage, packing and marketing and programs and activities that improve the economic viability of the potato industry must be credited to the fund. Any money credited to the fund from the issuance of bonds on behalf of the State for agricultural development may be used only for the purposes of state loans as prescribed by Title 7, section 974-A to provide assistance to potato farmers for the design, construction, improvement, support and operation of storage, packing and marketing facilities; for programs and activities that improve the economic viability of the potato industry; and to pay the administrative costs of processing loan applications and servicing and administering the fund and loans and grants made therein, to the extent that the costs exceed the fee for administrative costs established by Title 7, section 974-A, subsection 2. During any period that the commissioner has authorized direct payments from the authority to the board, the authority shall make written annual reports to the commissioner and the joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters detailing the amounts of payments to the board and the dates payments were made and detailing the expenditure of those payments. Repayment of the loans and interest on the loans must be credited to the fund to be available for making additional state loans for the same purposes, except that any interest earned on the cash balance of the fund may be used for the grants authorized by Title 7, section 975-A. In order to provide additional amounts for loans, the commissioner, upon consultation with the board, may take such actions and enter into such agreements as may be necessary to sell or assign up to \$2,000,000 in the aggregate principal amount of loans and undivided interests in a pool of loans and assign or pledge any mortgage or other security to the authority, under the terms and conditions the commissioner considers advisable upon consultation with the board. The assignment and related transactions may not result in indebtedness of the State. The proceeds of the sale or assignment must be credited to the fund and used for the purposes authorized in this section. [2013, c. 403, §11 (AMD).]

A purchaser of a modern storage facility that was previously financed with a state loan from the fund may receive a loan under the conditions of this section. Mortgages obtained from the fund may be assumed by subsequent purchasers of the property. The board shall adopt rules concerning the purchase of existing buildings. [2013, c. 403, §12 (AMD).]

Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. These rules must include provisions that ensure that such purchases are in keeping with the purposes and intent of this subchapter and of Private and Special Law 1981, chapters 65 and 75. §1026-J. ECONOMIC RECOVERY PROGRAM

(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)

The Economic Recovery Program, referred to in this section as the "program," is established to provide loans to businesses that do not have sufficient access to credit but demonstrate the ability to survive, preserve and create jobs, and repay the obligations. [1999, c. 731, Pt. VVV, §4 (AMD).]

1. Eligibility for loans. Businesses may apply to the authority for loans under the program.

A. The projects to be financed must pertain to manufacturing, industrial, recreational or natural resource enterprises, be located in the State and provide significant public benefit in relation to the amount of the loan, as determined by the authority. Public benefits include, but are not limited to, preservation of jobs, increased opportunities for employment, increased capital flows, particularly capital flowing in from outside the State, and increased state and municipal tax revenues. Loan proceeds may be used for any appropriate commercial purpose, as determined by the authority, including working capital and bridge loans pending other financing. [1997, c. 563, Pt. A, §1 (AMD).]

B. The authority must determine that the borrower is a for-profit or nonprofit commercial entity and, except as provided in subsection 4, that it is creditworthy and reasonably likely to repay the loan. [1997, c. 563, Pt. A, §1 (AMD).]

C. The authority must determine that the borrower has insufficient access to other funds and that the loan is necessary in order for the public benefits of the application to be realized. [1991, c. 849, §1 (NEW); 1991, c. 849, §7 (AFF).]

D. [1999, c. 731, Pt. VVV, §5 (RP).]

[1999, c. 731, Pt. VVV, §5 (AMD) .]

2. (TEXT EFFECTIVE UNTIL CONTINGENCY: See PL 2015, c. 224, §2) Loan terms and conditions. Loans may not exceed \$1,000,000 per project. The authority may establish prudent terms and conditions for loans, including limits on the amount of loans for any one project and requiring adequate collateral for the loans. Loan terms may not exceed 20 years in the case of loans primarily secured by real estate, 10 years in the case of loans secured primarily by machinery and equipment and 7 years for other loans. The interest rate charged on each loan may not exceed the prime rate for interest plus 4%, as determined by the authority. The authority may establish conditions, such as balloon payments, to encourage borrowers to make the transition to conventional financing as soon as they are reasonably able to do so. The authority may further assist the borrower by allowing for the deferral of interest or principal payments for a period of time. Loans may be subject to conditions that allow the authority to make a reasonable return based on the risk of the investment, which may include royalties or additional payments based on sales, net cash flow or other financial measures and rights to equity in the company.

[1999, c. 731, Pt. VVV, §6 (AMD) .]

2. (TEXT EFFECTIVE ON CONTINGENCY: See PL 2015, c. 224, §2) Loan terms and conditions. Loans may not exceed \$2,000,000 per project. The authority may establish prudent terms and conditions for loans, including limits on the amount of loans for any one project and requiring adequate collateral for the loans. Loan terms may not exceed 20 years in the case of loans primarily secured by real estate, 10 years in the case of loans secured primarily by machinery and equipment and 7 years for other loans. The interest rate charged on each loan may not exceed the prime rate for interest plus 4%, as determined by the authority. The authority may establish conditions, such as balloon payments, to encourage borrowers to make the transition to conventional financing as soon as they are reasonably able to do so. The authority may further assist the borrower by allowing for the deferral of interest or principal payments for a period of time. Loans may be subject to conditions that allow the authority to make a reasonable return based on the risk of the investment, which may include royalties or additional payments based on sales, net cash flow or other financial measures and rights to equity in the company.

[2015, c. 224, §1 (AMD); 2015, c. 494, Pt. C, §8 (AFF) .]

3. Rulemaking. The authority shall establish rules for the implementation of the program established by this section, including, but not limited to, the establishment of fees that may be charged for the administration of the program, and may do so notwithstanding:

A. The omission of any such rules from the authority's current regulatory agenda prepared pursuant to Title 5, section 8060 or provided pursuant to Title 5, section 8053-A, subsection 2; or [1991, c. 849, §1 (NEW); 1991, c. 849, §7 (AFF) .]

B. Any limitation imposed by Title 5, section 8064. [1991, c. 849, §1 (NEW); 1991, c. 849, §7 (AFF) .]

4. Business injured in 1998 ice storms. In order to provide timely and effective assistance to businesses injured by the 1998 ice storms, related power outages and other impacts, the authority is authorized to provide loans of up to \$10,000 in addition to and not to the exclusion of larger loans under the program. For purposes of this subsection, the authority may establish a streamlined application, loan approval and disbursement process for borrowers that demonstrate that:

A. They have been damaged by the storm; [1997, c. 563, Pt. A, §2 (NEW) .]

B. They have insufficient access to conventional sources of capital or to federal disaster assistance in a timely manner; and [1997, c. 563, Pt. A, §2 (NEW) .]

C. Their credit history demonstrates a reasonable willingness and ability to pay past debts and other obligations or that any past credit problems can be explained to the satisfaction of the authority. [1997, c. 563, Pt. A, §2 (NEW) .]

The authority may require less than adequate collateral for loans under this subsection, may provide for deferral of payments of principal or both principal and interest, and may waive accrual of interest for a period of up to 12 months. In order to process loan requests as promptly as possible, the chief executive officer is authorized to act on behalf of the authority and may approve loans under this section on such terms and conditions as the chief executive officer determines necessary or prudent, without the need for rulemaking and without being limited by the provisions of existing rules adopted in accordance with subsection 3. Assistance under this subsection is limited to an aggregate of no more than \$2,000,000, and all applications under this subsection must be received no later than April 30, 1998.

[1993, c. 722, Pt. B, §2 (NEW); 1993, c. 722, Pt. B, §3 (AFF) .]

4. Minimum requirements. At a minimum, CAP loans must meet the following requirements.

A. The borrower must be either a start-up business or may not have had annual sales in its most recently completed fiscal year greater than \$5,000,000. [1993, c. 722, Pt. B, §2 (NEW); 1993, c. 722, Pt. B, §3 (AFF).]

§1026-M. REGIONAL ECONOMIC DEVELOPMENT REVOLVING LOAN PROGRAM

1. Established. The Regional Economic Development Revolving Loan Program, referred to in this section as the "program," is established to provide financial assistance to businesses that need assistance in order to create or retain jobs. The authority shall administer the program on behalf of participating eligible economic development corporations or entities. The Regional Economic Development Revolving Loan Program Fund, referred to in this section as the "fund," is established as a revolving fund, into which must be deposited all amounts appropriated to the program, interest earnings on the fund and any amounts repaid to the program by participating corporations. Amounts in the fund must be used by the authority for purposes authorized in this section. The authority shall reserve an amount not less than \$300,000 for loans for quality child care projects and may make loans directly to those projects.

[1999, c. 401, Pt. 000, §1 (AMD) .]

2. Eligible corporations. The fund is open to local, regional and statewide nonprofit or governmental economic development corporations or entities that are capable of providing financial assistance to businesses in order to create and protect jobs, as well as revitalize downtowns and build strong communities and a sustainable economy, referred to in this section as "corporations." In the case of loans to quality child care projects, the authority may also provide loans directly to eligible borrowers. To be eligible for assistance from the fund:

A. A corporation must apply to the authority to participate in the fund. The application must describe the corporation and its funding sources, the region or regions it serves, its methods and criteria for qualifying borrowers, including any targeted lending and economic development strategies, its expertise in management assistance and financing of small and emerging businesses, the method by which it will leverage funds from other sources in an amount at least equal to 2 times the amount requested from the fund and other information the authority determines necessary; [2013, c. 605, §1 (AMD); 2013, c. 605, §9 (AFF).]

B. A corporation must have a strategy for the creation and retention of jobs, an effective small business marketing and technical assistance plan and enough expert assistance available to it to underwrite, document and service loans and assist its clients or it must have a strategy for real estate development including commercial and mixed-use real estate and community facilities; [2013, c. 605, §1 (AMD); 2013, c. 605, §9 (AFF).]

D. The corporation must propose performance measurements and goals and a process for monitoring compliance with proposed measurements and goals. The authority shall assist corporations in developing loan or equity-like debt underwriting and administrative capacity and in portfolio monitoring and servicing and may establish one or more advisory boards or committees to assist corporations; and [2013, c. 605, §1 (AMD); 2013, c. 605, §9 (AFF).]

E. A child care project must apply to the authority or to a corporation and meet the eligibility criteria for a borrower. [1999, c. 401, Pt. 000, §1 (NEW).]

[2013, c. 605, §1 (AMD); 2013, c. 605, §9 (AFF) .]

3. Disbursements from fund. If an application is approved, the authority shall determine the amount to be disbursed to the corporation, taking into account:

A. The size of the region or regions served by the corporation and the expected demand for loan funds in that region or those regions; [2013, c. 605, §2 (AMD); 2013, c. 605, §9 (AFF).]

B. The demand for funds from other eligible corporations in relation to the total amount available in the fund; and [1993, c. 722, Pt. C, §1 (NEW); 1993, c. 722, Pt. C, §2 (AFF).]

C. Whether an eligible corporation will serve statewide or will serve a geographic area or segment of potential business borrowers not served by other applicants. [2013, c. 605, §2 (AMD); 2013, c. 605, §9 (AFF).]

A corporation may not receive more than \$3,500,000 from the fund. Funds must be disbursed directly to and retained by the eligible corporation in accordance with the contract between the corporation and the authority. Funds must be disbursed to the corporation in the form of a loan or a grant. The authority may, in its discretion, disburse fund amounts in one lump sum or periodic disbursements.

[2013, c. 605, §2 (AMD); 2013, c. 605, §9 (AFF) .]

4. Contract. A corporation that has been approved for participation in the program may enter into a contract with the authority. The contract governs the administration of the program and the use of funds. The contract must provide that a corporation shall, at a minimum, conform to the following terms and conditions:

A. The corporation shall certify that it will use funds only for eligible purposes; [1993, c. 722, Pt. C, §1 (NEW); 1993, c. 722, Pt. C, §2 (AFF).]

C. An officer or employee of the corporation or a member of its credit committee may not participate in any way in, or have any influence over, a decision on a project in which that officer, employee or member has a direct or indirect personal financial interest; [1993, c. 722, Pt. C, §1 (NEW); 1993, c. 722, Pt. C, §2 (AFF).]

D. If the corporation breaches its contract with the authority or ceases to operate a loan program in substantial conformance with its proposal to the authority, the authority may withhold further funding and may require repayment of any undisbursed loan funds and loan repayments to the authority; and [1993, c. 722, Pt. C, §1 (NEW); 1993, c. 722, Pt. C, §2 (AFF).]

E. Other terms and conditions as the authority determines appropriate. [1993, c. 722, Pt. C, §1 (NEW); 1993, c. 722, Pt. C, §2 (AFF).]

[2009, c. 131, §3 (AMD) .]

5. Administrative costs. A corporation may not use any money disbursed from the fund by the authority for administrative expenses, but may charge a commitment fee of up to 2% and may use interest earnings not to exceed 7% of each loan annually on loans to cover reasonable operating costs, including loan fund management, technical assistance and education. The authority shall review and approve a corporation's administrative expenses on an annual basis. The authority may establish by rule reasonable administrative fees for its administration of the fund.

[2013, c. 605, §3 (AMD); 2013, c. 605, §9 (AFF) .]

6. Financing terms and conditions. Loans may be made from program funds under the following terms and conditions.

Loans or portions of loans to a quality child care project to be used solely for lead abatement may not exceed \$15,000. [2013, c. 605, §4 (AMD); 2013, c. 605, §9 (AFF).]

B. Loans of \$50,000 or more for borrowers other than quality child care projects may not exceed 1/2 of the net new funds being provided to a borrower. Loans of less than \$50,000 and loans for quality child care projects may be for the total amount of new funds being provided to the borrower. [2013, c. 605, §5 (AMD); 2013, c. 605, §9 (AFF).]

§1026-T. INNOVATION FINANCE PROGRAM

1. Established. The authority may create and oversee a state innovation finance program, referred to in this section as "the program," to increase the supply of venture capital to the economy of the State by improving access by innovative businesses in this State to venture capital funds. Investment performance of the program may be partially guaranteed by refundable tax credits issued by the authority to the retirement system. This section does not mandate or require any investment by the retirement system or give the retirement system any economic development responsibilities, its sole responsibility being to safeguard, invest and increase retirement system assets consistent with its fiduciary duty to its members.

[2009, c. 633, §4 (NEW) .]

2. Investment goal; guidelines. The goal of the program is to attract more venture capital to innovative businesses in this State by providing the retirement system with an incentive to invest in high-quality venture capital funds that evidence both a commitment to seeking investments in the State and the ability to produce favorable returns to minimize the risk of tax credit redemption. Consistent with this investment goal, the retirement system may, in the exercise of its discretion and consistent with its fiduciary duties to the beneficiaries of the retirement system, apply to the authority for approval under the program for proposed investments in venture capital funds. The authority may approve such a proposed venture capital fund investment under the program if it determines that the venture capital fund will give strong consideration to investing in businesses in this State that fall within the targeted technologies. In making this decision, the authority shall consider whether the venture capital fund:

- A. Will maintain at least a periodic presence in the State; [2009, c. 633, §4 (NEW) .]
- B. Will build linkages to, and accept referrals from, at least some of the organizations promoting the State's innovation economy, including the authority, the Maine Technology Institute under Title 5, section 15302, the Small Enterprise Growth Fund under section 383, the Department of Economic and Community Development, the Maine Patent Program under section 1921, the University of Maine System and other venture capital investors within the State; [2009, c. 633, §4 (NEW) .]
- C. Will actively prospect for investments in the State; [2009, c. 633, §4 (NEW) .]
- D. Expresses a commitment to seek investments in businesses in this State that meet its investment criteria; and [2009, c. 633, §4 (NEW) .]
- E. Demonstrates the ability to make successful venture capital investments. [2009, c. 633, §4 (NEW) .]

[2009, c. 633, §4 (NEW) .]

3. Investment restrictions. Investments under the program are governed by this subsection.

- A. The retirement system may not invest directly in individual businesses under this program but may invest only in venture capital funds that are managed to best achieve the purpose set out under subsection 2. [2009, c. 633, §4 (NEW) .]
- B. No more than \$4,000,000 of tax credits may be placed at risk with respect to any single commitment to a venture capital fund. [2009, c. 633, §4 (NEW) .]
- C. The retirement system may cooperate with the authority and other organizations promoting the State's innovation economy by encouraging participating venture capital funds to consider investments in this State consistent with their investment strategies. The retirement system may at any time be relieved of this obligation by releasing the State from its obligations under all outstanding tax credit certificates issued under the program. [2009, c. 633, §4 (NEW) .]

[2009, c. 633, §4 (NEW) .]

4. Refundable tax credits. The authority may issue to the retirement system certificates of up to \$20,000,000 in refundable tax credits as provided by Title 36, section 5219-EE to serve as partial security against a loss of capital under the program. Certificates must be issued to expire no later than July 1, 2028.

A. Refundable tax credits as authorized by this subsection may be redeemed only as necessary to offset 80% of any realized loss of capital in the program. [2009, c. 633, §4 (NEW) .]

B. A certificate of tax credits issued by the authority under this section is binding on the State and constitutes a solemn contractual commitment of the State protected under the contract clauses of the Constitution of Maine, Article I, Section 11 and the United States Constitution, Article I, Section 10. Once issued, as long as the retirement system is not in default under its agreement with the authority with respect to any certificate of tax credits, the certificate may not be modified, terminated or rescinded until the certificate expires, is redeemed or is released by the retirement system. [2009, c. 633, §4 (NEW) .]

C. The authority shall register each refundable tax credit under this section with the Department of Administrative and Financial Services, Bureau of Revenue Services. The retirement system shall report annually to the authority on the status and valuation of investments secured by the certificate of tax credits and such other information as may be required pursuant to an agreement between the retirement system and the authority. The report must include details of capital calls and distributions. [2009, c. 633, §4 (NEW) .]

D. A refundable tax credit allowed pursuant to this section is not a security under Title 32, chapter 135. [2009, c. 633, §4 (NEW) .]

E. On the final liquidation of a venture capital fund for which a certificate of tax credits has been issued, the retirement system shall notify the authority of termination of the investment and certify the amount of any loss. §1032. CAPITAL RESERVE FUNDS; OBLIGATION OF STATE

1. Capital reserve fund. The authority may create and establish one or more capital reserve funds and may pay into any such capital reserve fund any money appropriated and made available by the State for the purposes of any such fund and any other money available to the authority. For purposes of this section, the amount of any letter of credit, insurance contract, surety bond, indemnification agreement or similar financial undertaking available to be drawn on and applied to obligations to which money in any such fund may be applied shall be deemed to be and counted as money in the capital reserve fund.

[1987, c. 697, §9 (NEW) .]

2. Application. Money in any capital reserve fund created pursuant to subsection 1, except as provided in this section, must be used solely with respect to mortgage loans, repayment of which is secured by any such fund, for the payment of principal, accrued interest and costs and expenses chargeable to the mortgage loan, with respect to interest rate swap agreements benefiting eligible enterprises, and with respect to amounts borrowed by the authority to be used for direct loans from the authority to eligible businesses or students pursuing higher education when direct loans have been authorized by law. Money in any capital reserve fund may be used to pay all amounts due and payable, whether by acceleration or otherwise, under the contractual agreements pertaining to such mortgage loans, interest rate swap agreements and loans to the authority, including fees, commissions, indemnities, expenses and other amounts due. Money in excess of the reserve requirement established pursuant to subsection 4 may be transferred to other funds and accounts of the authority.

[1993, c. 410, Pt. EEEE, §2 (AMD) .]

3. Security for loans. With respect to any loans that may be insured under this subchapter, interest rate swap agreements benefiting eligible enterprises and loans to the authority to be used for direct loans to eligible enterprises or students pursuing higher education, the authority may provide that such loans, interest rate swap agreements or loans to the authority must be secured by one or more capital reserve funds established pursuant to subsection 1 instead of or in addition to insurance provided under other sections of this subchapter. Limitations and requirements applicable to insurance under sections 1026-A to 1028 are applicable to loans, but not interest rate swap agreements or loans to the authority, to which one or more capital reserve funds apply as if the loans were backed by insurance. Capital reserve funds may secure interest rate swap agreements pertaining to eligible enterprises that demonstrate the ability to honor the swap agreement as determined by the authority and that do not have as a principal element space for retail sales or professional office space, as defined by the authority. Any commitment with respect to a loan executed and delivered pursuant to this section is conclusive evidence of the eligibility of the loan for insurance and the validity of any such commitment or contract is incontestable in the hands of a lender, swap counterparty or lender to the authority except for fraud or misrepresentation on the part of the lender, swap counterparty or lender to the authority. Loans secured by capital reserve funds under this section are made legal investments

for all insurance companies, trust companies, banks, investment companies, savings banks, savings and loan associations, executors, trustees and other fiduciaries, public and private pension or retirement funds and other persons.

[2003, c. 537, §46 (AMD); 2003, c. 537, §53 (AFF) .]

The authority may provide that money in any such capital reserve fund shall not be withdrawn at any time in an amount that would reduce the amount of any such fund below an amount established by the authority with respect to the fund, except for the purpose of paying the amount due pursuant to the terms of any mortgage loan or interest rate swap agreement or loan to the authority, repayment of which is secured by any such fund.

[1989, c. 552, §15 (AMD) .]

5. Appropriation. On or before December 1st, annually, the authority shall certify to the Governor the amount, if any, necessary to restore the amount in any capital reserve fund to which this section is stated in any written agreement of the authority to apply, to the reserve requirement established by the authority. The Governor shall pay directly from the State Contingent Account to any such fund as much of the amount as is available in that account and shall transmit directly to the Legislature certification and a statement of the amount, if any, remaining to be paid. The certified amount shall be appropriated and paid to the authority during the current state fiscal year.

[1987, c. 697, §9 (NEW) .]

6. Obligations outstanding. The authority may not have at any one time outstanding obligations to which this section is stated in any agreement of the authority to apply in principal amount exceeding \$150,000,000, less the amount of revenue obligation securities to which section 1053 is stated in the trust agreement or other document to apply. Amounts of revenue obligation securities that are not taken into account pursuant to section 1053, subsection 6, may not be taken into account for purposes of determining the amount that may be outstanding under this section. Notwithstanding the foregoing, the authority may additionally have outstanding at any one time up to \$3,500,000 of obligations relating to direct loans to students pursuing higher education.

§1042. ASSISTANCE TO APPLICANTS

SECTION HISTORY

1981, c. 476, §2 (NEW).

§1043. CERTIFICATES OF APPROVAL

(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)

1. Issue. The authority is authorized and empowered to approve or disapprove projects following submission to it of applications for approval thereof, in such form and with such supporting data as it may require and, upon approval of a project, to issue a certificate of approval. The authority shall publish once in the state newspaper and in a newspaper of general circulation in the area of the State in which the project is to be located, notice of the date on which the authority will consider issuance of a certificate of approval for the project. The notice shall be published at least 7 days prior to the date scheduled for such consideration, shall set forth the name of the applicant, describe generally the project and set forth the time and place at which the application will be considered. In addition to the notice required to be published by the authority, the applicant shall make all reasonable efforts to give timely notice to any and all known competitors of the time and place at which the application will be considered. Where individual written notice is not practical, as determined by the authority, the authority may specify other or additional forms of notice, including display newspaper advertisements and written notice to any trade, industry, professional or interest group. The certificate of approval shall identify and describe each project as to location, purpose and the amount of revenue obligation securities to be issued. If a single issue of revenue obligation securities is to provide for the costs of more than one project, the certificate of approval shall identify the aggregate amount of revenue obligation securities to be issued.

[1985, c. 344, §63 (AMD) .]

2. Criteria. Before issuing a certificate of approval for any project, the authority shall determine that:

A. The project will make a contribution to the economic growth of, the control of pollution in or the betterment of the health, welfare or safety of the inhabitants of the State; [1985, c. 344, §63 (AMD) .]

B. The project will not result in a substantial detriment to existing business in the State. In order to make this determination, the authority shall consider, pursuant to rules adopted in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II, such factors as it deems necessary to measure and evaluate the effect of the project on existing business, including considering:

(1) Whether a project should be approved if, as a result of the project, there will not be sufficient demand within the market area of the State to be served by the project to employ the efficient capacity of existing business; and

(2) Whether any adverse economic effect of the project on existing business is outweighed by the contribution which the project will make to the economic growth of, the control of pollution in or the betterment of the health, welfare or safety of the inhabitants of the State.

The applicant shall have the burden of demonstrating that the project will not result in a substantial detriment to existing business in accordance with the requirements of this paragraph, including rules adopted in accordance therewith, except in cases where no interested parties object to the project, in which event the requirements of this paragraph shall be deemed satisfied. Interested parties shall be given an opportunity, with or without a hearing at the discretion of the authority, to present their objections to the project on grounds that the project will result in a substantial detriment to existing

business. If any such party presents such objections with reasonable specificity and persuasiveness, the authority may divulge whatever information concerning the project which it deems necessary for a fair presentation by the objecting party and evaluation of such objections. If the authority finds that the applicant has failed to meet its burden as specified in this paragraph, the application shall be denied. [1985, c. 714, §29 (AMD).]

C. Adequate provision is being made to meet any increased demand upon public facilities that might result from the project; [1981, c. 476, §2 (NEW).]

D. In cases where it is proposed to relocate an industrial-commercial or recreational facility existing in the State, there is a clear economic justification for such relocation; [1981, c. 476, §2 (NEW).]

E. [1985, c. 344, §63 (RP).]

E-1. In the case of recycling and waste reduction projects, the proposed facility must be consistent with the state waste management and recycling plan under Title 38, chapter 24, and will reduce the amount of solid or hazardous waste requiring disposal. [1989, c. 585, Pt. C, §12 (NEW).]

F. In the case of projects that are primarily pollution-control facilities:

- (1) The proposed users of the facilities make a contribution to the economy of the State;
- (2) A public benefit will result from including the facilities in the project; and
- (3) It is unlikely that public facilities meeting the needs of the users and securing comparable public benefit will become available in the reasonably foreseeable future; [1995, c. 4, §5 (AMD).]

G. [1985, c. 344, §63 (RP).]

H. [1985, c. 344, §63 (RP).]

I. The project will, to the extent possible, cooperate with representatives of the Department of Labor and the Department of Health and Human Services regarding employment opportunities for recipients of the services of those departments; [1999, c. 484, §5 (AMD); 2003, c. 689, Pt. B, §6 (REV).]

J. In the case of major business expansion projects, the applicant is creditworthy and there is a strong likelihood that the revenue obligation securities will be repaid through the revenues of the project and any other sources of revenues and collateral pledged to the repayment of those securities. In order to make this determination, the authority shall consider such factors as it considers necessary to measure and evaluate the sufficiency of the pledged revenues to repay the obligations, including:

- (1) Whether individuals or entities obligated to repay the obligations have demonstrated sufficient revenues from the project or from other sources to repay the obligations, and a strong probability that those revenues will continue to be available for the term of the revenue obligation securities;
- (2) Whether the applicant demonstrates a strong probability that the project will continue to operate and provide the public benefits projected to be created for the term of the revenue obligation securities;
- (3) Whether the applicant demonstrates that the benefits projected to be created by the project are enhanced through the use of financing assistance from the authority;
- (4) Whether the applicant's creditworthiness is demonstrated by such factors as historical financial performance, management ability, its plan for marketing its product or service and its ability to access conventional financing;
- (5) Whether the applicant meets or exceeds industry average financial performance ratios commonly accepted in determining creditworthiness in that industry;

(6) Whether the applicant demonstrates that the need for authority assistance is due to the reduced cost and increased flexibility of the financing for the project that result from authority assistance and not from an inability to obtain necessary financing without the capital reserve fund security provided by the authority; and

(7) Whether collateral securing the repayment obligation is reasonably sufficient under the circumstances.

Financing assistance for any one major business expansion project may not exceed \$25,000,000 in loan amount. The authority may establish, pursuant to rules adopted in accordance with Title 5, chapter 375, subchapter 2, application procedures, approval criteria and reasonable fees for major business expansion projects; [2003, c. 506, §2 (AMD).]

K. In the case of a paper industry job retention project, the applicant is creditworthy and there is a strong likelihood that the revenue obligation securities will be repaid through the revenues of the project and any other sources of revenues and collateral pledged to the repayment of those securities. To assist in making its determination the authority may engage, at the borrower's expense, independent consultants to assist in the evaluation of the project. In making this determination, the authority shall consider factors it considers necessary to measure and evaluate the sufficiency of the pledged revenues to repay the securities, including:

- (1) Whether individuals or entities obligated to repay the securities have demonstrated sufficient revenues from the project or from other sources to repay the securities and a strong probability that those revenues will continue to be available for the term of the securities;
- (2) Whether the applicant demonstrates a strong probability that the project will continue to operate and to provide the public benefits projected to be created for the term of the securities;
- (3) Whether the applicant demonstrates that the benefits projected to be created by the project are enhanced through the use of financial assistance from the authority;
- (4) Whether the applicant's creditworthiness is demonstrated by such factors as historical financial performance, management ability and the applicant's plan for marketing products or service and its ability to access conventional financing;
- (5) Whether the applicant meets or exceeds industry average financial performance ratios commonly accepted in determining creditworthiness in that industry. In assessing projected financial performance, the authority must consider the value and effect of any contractual labor cost reductions that will be in effect at the time the financial assistance is provided;
- (6) Whether collateral securing the repayment obligation, valued in place and in use, is reasonably sufficient under the circumstances;
- (7) Whether the owner will make an important equity contribution to the project. If the applicant requests financing assistance from the authority in an amount greater than \$25,000,000, the amount financed by the authority may not exceed \$25,000,000 plus 50% of the total project costs in excess of \$25,000,000. If other financing is subordinate to the financing provided by the authority, the amount financed by the authority may not exceed \$25,000,000 plus 70% of the total project costs in excess of \$25,000,000; and
- (8) Whether the applicant demonstrates that the need for authority assistance is due to the reduced cost and increased flexibility of the financing for the project that result from the authority assistance and not from an inability to obtain necessary financing without the capital reserve fund security provided by the authority; [2009, c. 372, Pt. D, §5 (AMD).]

L. In the case of transmission facilities projects, the applicant is creditworthy and there is a strong likelihood that the revenue obligation securities will be repaid through the revenues of the project and any other source of revenues and collateral pledged to the repayment of those securities. In order to make this determination, the authority shall consider such factors as it considers necessary and appropriate in light of the special purpose or other nature of the business entity owning the project to measure and evaluate the project and the sufficiency of the pledged revenues to repay the obligations, including:

- (1) Whether the individuals or entities obligated to repay the obligations have demonstrated sufficient revenues from the project or from other sources to repay the obligations and a strong probability that those revenues will continue to be available for the term of the revenue obligation securities;
- (2) Whether the applicant demonstrates a strong probability that the project will continue to operate and provide the public benefits projected to be created for the term of the revenue obligation securities;
- (3) Whether the applicant demonstrates that the benefits projected to be created by the project are enhanced through the use of financing assistance from the authority;
- (4) Whether the applicant's creditworthiness is demonstrated by factors such as its historical financial performance, management ability, plan for marketing its product or service and ability to access conventional financing;
- (5) Whether the applicant meets or exceeds industry average financial performance ratios commonly accepted in determining creditworthiness in that industry;
- (6) Whether the applicant demonstrates that the need for authority assistance is due to the reduced cost and increased flexibility of the financing for the project that result from authority assistance and not from an inability to obtain necessary financing without the capital reserve fund security provided by the authority;
- (7) Whether collateral securing the repayment obligation is reasonably sufficient under the circumstances;
- (8) Whether the proposed project enhances the opportunities for economic development;
- (9) The effect that the proposed project financing has on the authority's financial resources; and
- (10) Whether the Northern Maine Transmission Corporation, as established in section 9202, has recommended the project.

Upon request by the authority, state agencies, including but not limited to the Public Utilities Commission, shall provide necessary assistance to the authority in evaluating the feasibility of the project and its importance for northern Maine. In providing assistance, the Public Utilities Commission shall consider whether the proposed project enhances the competitiveness of the wholesale and retail energy market; how the proposed project is likely to affect energy prices for Maine residents; whether the proposed project will augment or enhance the reliability and stability of the grid; and whether there is likely to be a long-term need for the product as produced by the proposed project.

The authority may establish, pursuant to rules adopted in accordance with Title 5, chapter 375, subchapter 2, application procedures, approval criteria and reasonable fees for transmission facilities projects. Rules adopted by the authority under this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A. In addition, the authority may require the applicant to pay the reasonable costs of an evaluation of the project risks by an independent consultant. If the authority directs the applicant to pay for such an independent evaluation of the project, the authority shall make every reasonable effort, in its discretion, to minimize the cost of the evaluation and any delay such an evaluation may cause in authority action.

The authority may not finance any project involving an electric transmission line capable of operating at 69 kilovolts or more unless the Public Utilities Commission has issued a certificate of public convenience for the construction of the line pursuant to Title 35-A, section 3132; [2009 , c . 517 , § 7 (AMD) .]

M. In the case of an Efficiency Maine project, as defined in section 963-A, subsection 10-A, there is a reasonable likelihood that the income, proceeds, revenues and funds of Efficiency Maine Trust derived from or held for activities under Title 35-A, chapter 97 or otherwise pledged to payment of the bonds will be sufficient to pay the principal, the interest and all other amounts that may at any time become due and payable under the bonds. In making this determination, the authority shall consider Efficiency

Maine Trust's analysis of the proposed bond issue and the revenues to make payments on the bonds and may require such information, projections, studies and independent analyses as it considers necessary or desirable and may charge Efficiency Maine Trust reasonable fees and expenses. The authority may require that it be indemnified, defended and held harmless by Efficiency Maine Trust for any liability or cause of action arising out of or with respect to the bonds. The principal and interest of bonds must be made payable solely from the income, proceeds, revenues and funds of Efficiency Maine Trust derived from or held for activities under Title 35-A, chapter 97 or other provision of law. Payment of the principal and interest of bonds may be further secured by a pledge of a loan, grant or contribution from the Federal Government or other source in aid of activities of Efficiency Maine Trust under Title 35-A, chapter 97; [2011, c. 261, §2 (AMD).]

N. In the case of recovery zone facility bonds, the project will benefit the county or counties in which it is located; and [2011, c. 261, §3 (AMD).]

(1) The energy distribution system project or the energy generating system project has received all authorizations or certifications from the Public Utilities Commission necessary for construction and operation of the project. The authority may issue a certificate of approval for a project that has received conditional approvals or certifications from the commission, except that the authority's certificate becomes legally effective only upon fulfillment of the conditional provisions of the commission's certificates or approvals. (2) The authority has reviewed and considered any comments provided by the Director of the Governor's Energy Office and the Public Advocate.

(3) The authority has determined that the applicant is creditworthy and that there is a reasonable likelihood that the revenue obligation securities will be repaid through the revenues of the project and any other sources of revenues and collateral pledged to the repayment of those securities. In order to make these determinations, the authority shall consider such factors as it considers necessary and appropriate in light of the special purpose or other nature of the business entity owning the project and the specific purposes of the project to measure and evaluate the project and the sufficiency of the pledged revenues to repay the obligations, including, but not limited to:

(a) Whether the individuals or entities obligated to repay the obligations have demonstrated sufficient revenues from the project or from other sources to repay the obligations and a reasonable probability that those revenues will continue to be available for the term of the revenue obligation securities;

(b) Whether the applicant demonstrates a reasonable probability that the project will continue to operate and provide the public benefits projected to be created for the term of the revenue obligation securities;

(c) Whether the applicant's creditworthiness is demonstrated by factors such as its historical financial performance, management ability, plan for marketing its product or service and ability to access conventional financing;

(d) Whether the applicant meets or exceeds industry average financial performance ratios commonly accepted in determining creditworthiness in that industry;

- (e) Whether the applicant demonstrates that the need for authority assistance is due to the reduced cost and increased flexibility of the financing for the project that result from authority assistance and not from an inability to obtain necessary financing without the capital reserve fund security provided by the authority;
- (f) Whether collateral securing the repayment obligation is reasonably sufficient under the circumstances;
- (g) Whether the proposed project enhances the opportunities for economic development;
- (h) The effect that the proposed project financing has on the authority's financial resources;
- (i) The financial performance of similar projects;
- (j) The need for the project, as determined by the Public Utilities Commission and as indicated by any comments provided by the Director of the Governor's Energy Office, other public officials and members of the public;
- (k) The nature and extent of customer commitment to use the project or the fuel or energy the project distributes, transmits or generates;
- (l) The cost advantages to end users of the fuel or energy to be distributed, transmitted or generated by the project, to the extent those advantages may affect market penetration by the project; and
- (m) The nature and extent of the applicant's equity contribution to payment of the costs of the project; such a contribution may not be less than 25% of the expected cost of the project.

This paragraph is repealed January 1, 2020. [2015, c. 504, §3 (AMD) .]

[2015, c. 504, §3 (AMD) .]

3. Effect of certificate. A certificate of approval issued under this subchapter shall be conclusive proof that the authority has made the determinations required by this section.

[1981, c. 476, §2 (NEW) .]

4. Exception. This section and section 1044, subsection 2, shall not apply in the case of issue by the authority of revenue obligation securities for the purpose of acquiring one or more issues of outstanding revenue obligation securities issued by municipalities or one or more issues of any other bond not eligible for purchase pursuant to Title 30-A, chapter 225.

[1987, c. 737, Pt. C, §§15, 106 (AMD); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

5. Assistance. In considering any request for financial assistance from an applicant for a project regulated by the Public Utilities Commission with respect to rates or terms of service or that requires for construction or operation authorization or certification from the commission, the commission, upon request of the authority, shall provide assistance in analyzing financial, economic or technical issues on which the commission has expertise. At the request of the commission, the authority shall assess the applicant a fee to be paid to the commission to reimburse the commission for any costs incurred by the commission that cannot be absorbed within its existing resources.

§1044. ISSUANCE OF REVENUE OBLIGATION SECURITIES

1. Notice of intent to issue bonds; actions to contest validity. The authority may provide, at one time or from time to time, for the issuance of revenue obligation securities of the authority for the purposes authorized in this chapter. No revenue obligation securities of the authority may be issued until:

A. A certificate of approval, as provided in section 1043, has been issued; and [1985, c. 344, §64 (AMD).]

B. [1985, c. 344, §64 (RP).]

C. A notice of the intent of the authority to issue the securities is published at least once in the state newspaper and in a newspaper of general circulation in the municipality in which the project is to be located:

- (1) No later than 14 full days after the date on which the certificate is issued;
- (2) Describing the general purpose or purposes for which the securities are to be issued;
- (3) Stating the maximum principal amount of the proposed securities;
- (4) Setting forth or summarizing the text of the certificate of approval; and
- (5) Including a statement as to the time within which any petition to contest the issuance of the securities or to set aside or otherwise obtain relief on the grounds of invalidity of the certificate of approval must be commenced. [1985, c. 344, §64 (AMD).]

Any action or proceeding in any court to contest the issuance of the securities, to set aside a certificate of approval or to obtain relief upon the grounds that the certificate of approval was improperly issued, was issued for unauthorized purposes, or is otherwise invalid for any reason, must be started within 30 days after the date of the publication required by paragraph C and otherwise shall be governed by Title 5, chapter 375, subchapter VII. Notwithstanding the provisions of section 969-A, subsection 11 and Title 5, chapter 375, subchapter VII, including, but not limited to, Title 5, sections 11002 and 11003, any such action or proceeding must be commenced only by first serving the petition for review upon the authority, in hand, within that 30-day period. For the purposes of this subchapter and the Maine Administrative Procedure Act, Title 5, chapter 375, the later date of newspaper publication required by paragraph C shall constitute the final agency action with respect to the certificate of approval and the issuance of the securities. After the expiration of the 30-day period of limitation, no right of action or defense founded upon the invalidity of the approval or contesting any provision or the issuance of the certificate of approval or the issuance of the securities may be started or asserted nor may the certificate of approval or the issuance of the securities be open to question in any court upon any grounds.

The Treasurer of State shall assist the authority in the preparation, issuance, negotiation and sale of the securities and notes and provide reasonable advice and management assistance. The authority may employ further counsel or assistants or act in its own behalf, provided that the sale and delivery of revenue obligation securities and anticipatory notes shall be carried out at the authority's direction with and through the Treasurer of State.

[1981, c. 476, §2 (NEW) .]

3. Resolution.

[1985, c. 344, §65 (RP) .]

4. Conclusive authorization. All revenue obligation securities of the authority shall be conclusively presumed to be fully authorized and issued under the laws of the State, and any person or governmental unit shall be estopped from questioning their authorization, sale, issuance, execution or delivery by the authority.

[1985, c. 344, §66 (AMD) .]

5. Maturity; interest. The securities of each issue of revenue obligation securities shall be dated, shall mature at a time or times not exceeding 30 years from their date and shall bear interest at a rate or rates determined by the authority. At the option of the authority, the securities may be made redeemable before maturity at a price or prices and under terms and conditions fixed prior to their issuance.

Revenue obligation securities shall be executed in the name of the authority by the manual or facsimile signature of the authorized official or officials. Any attached coupons shall be executed with the manual or facsimile signature of the authorized official or officials. Signatures and facsimiles of signatures on securities and coupons will be valid for all purposes even if the authorized official ceases to hold office before delivery of the securities. The securities may be issued in coupon or registered form or both as the authority may determine. Provision may be made for the registration of any coupon securities as to principal alone and as to both principal and interest, and for the reconversion into coupon securities of any securities registered as to both principal and interest. In addition to this subsection, the authority may provide for transfer of registration of its registered revenue obligation securities by book entry on the records of the entity designated for that purpose and may enter into such contractual arrangements as may be necessary to accomplish these purposes. In the event a book entry method of transfer is used, principal of and interest on those registered securities shall be payable to the registered owner shown in the book entry, his legal representatives, successors or transferees.

[1985, c. 344, §67 (AMD) .]

7. Sale. The authority may sell the securities at a public or private sale, in a manner and at a price it determines is in the best interest of the authority. The authority shall not sell the securities to any firm, partnership, corporation or association, including an affiliate or subsidiary, which is a party to any contract pertaining to the financed project or which is to rent, purchase, lease or otherwise occupy premises constituting part of the project. The authority may sell its securities to a seller of the project if the project is to be used and operated by a 3rd party.

[1981, c. 476, §2 (NEW) .]

8. Proceeds. The proceeds of each issue shall be used solely for the authorized purposes and shall be disbursed as provided in the securing trust agreement or other document. Administration costs incurred by the authority under this program may be drawn from those proceeds. If the proceeds are less than the cost of the project, by error in the estimate or otherwise, additional securities may be issued in a like manner to provide the amount of the deficit and, unless otherwise provided in the securing trust agreement or such other document and without again carrying out the procedures set forth in section 1043, the additional securities are deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the securities first issued for the same purpose. The authority may place limits or restrictions on the issuance of additional revenue obligation securities through the securing trust agreement or other document. The authority may provide for the replacement of mutilated, destroyed or lost securities. Revenue obligation

securities may be issued under this subchapter without obtaining the consent of any department, division, commission, board, bureau or agency of the State and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this subchapter. Notwithstanding any of the other provisions of this subchapter, or of any recitals in any securities issued under this subchapter, all such securities are deemed to be negotiable instruments issued under the laws of this State.

[1985, c. 344, §68 (AMD) .]

9. Credit not pledged. Except as provided in this subsection, securities issued under this subchapter do not constitute any debt or liability of the State or of any municipality therein or any political subdivision thereof, or of the authority or a pledge of the faith and credit of the State or of any such municipality or political subdivision, but are payable solely from the revenues of the project or projects for which they are issued or from other eligible collateral or the revenues or proceeds of other eligible collateral pledged to the payment of the revenue obligation securities and all such securities must contain on their face a statement to that effect. The issuance of securities under this subchapter does not directly or indirectly or contingently obligate the State or any municipality or political subdivision to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. Under subchapter 2, the authority may insure loans made with the proceeds of revenue obligation securities. To these ends, the faith and credit of the State may be pledged, under and consistent with the terms and limitations of the Constitution of Maine, Article IX, Section 14-A or 14-D, and such further limitations, if any, as may be provided by statute.

[2003, c. 537, §49 (AMD); 2003, c. 537, §53 (AFF) .]

10. Anticipatory borrowing. In anticipation of the sale of securities under this subchapter, the authority may issue temporary notes and renewal notes, the total face amount of which does not exceed at any one time outstanding the authorized amount of the securities. The period of such anticipatory borrowing shall not exceed 3 years and the time within which the securities are to become due shall not be extended by the anticipatory borrowing beyond the term permitted by law.

[1985, c. 344, §70 (AMD) .]

11. Environmental protection. For all revenue obligation securities in excess of \$1,000,000 and in other instances when the authority determines it is appropriate, the authority shall obtain a written assessment from the Department of Environmental Protection of the environmental conditions known by the department to exist at a project location so that the authority fully considers environmental risks when making its decisions. Environmental conditions posing risks that must be considered include, but are not limited to, licensing obligations, existing or historic regulatory noncompliance and site clean-up responsibilities.

[2003, c. 537, §53 (AFF); 2003, c. 537, §50 (RPR) .]

12. Energy facilities. In the case of an energy generating system, an energy distribution system or an industrial-commercial project, any of which includes hydroelectric facilities:

A. Revenue obligation securities of the authority shall not be issued until the Public Utilities Commission has certified that all licenses required by that commission with respect to the project have been issued or that none are required; and [1985, c. 344, §71 (NEW) .]

B. Revenue obligation securities of the authority shall not be issued until the Director of Energy Resources has reviewed and commented upon the project proposal. The director shall make his comments within 30 days after receipt of a notification and copy of the project proposal from the authority. The authority shall take the comments into consideration in its processing of the project. [1985, c. 344, §71 (NEW) .]

[1985, c. 714, §32 (AMD) .]

13. Limitation. The authority may not issue revenue obligation securities for energy distribution system projects or energy generating system projects unless the authority issued a certificate of approval for the energy distribution system project or energy generating system project before January 1, 2020. Notwithstanding this subsection, revenue refunding securities may be issued to refund any outstanding revenue obligation securities.

In the event of a default with respect to the revenue obligation securities, the trustee, mortgagee or other person may be authorized by the trust agreement or other document containing a mortgage or assignment of a mortgage to take possession of, hold, manage and operate all or any

part of the mortgaged property and, with or without taking possession, to sell or, from time to time, to lease the property in accordance with law. [1985, c. 344, §73 (NEW) .]

4. Expenses; pledges. All expenses incurred in carrying out a trust agreement or financial document may be treated as a part of the cost of the operation of the project. SECTION HISTORY

§1053. CAPITAL RESERVE FUNDS; OBLIGATION OF STATE

1. Capital reserve fund. The authority may create and establish one or more capital reserve funds and may pay into any such capital reserve fund any money appropriated and made available by the State for the purposes of any such fund, any proceeds of sale by the authority of revenue obligation securities to the extent determined by the authority and any other money available to the authority. For purposes of this section, the amount of any letter of credit, insurance contract, surety bond or similar financial undertaking available to be drawn on and applied to obligations to which money in any such fund may be applied shall be deemed to be and counted as money in the capital reserve fund.

[1987, c. 697, §11 (AMD) .]

2. Application. Money held in any capital reserve fund, except as provided in this section, shall be used solely with respect to revenue obligation securities, repayment of which is secured by any such fund and solely for the payment of principal of the securities, the purchase or redemption of the securities, including any fees or premiums or the payment of interest on the securities. In addition, if the authority obtains a

letter of credit, insurance contract, surety bond or similar financial undertaking to establish and fund a capital reserve fund under subsection 1, money in the fund may be used to pay, as and when due, whether by acceleration or otherwise, all reimbursement obligations of the authority established in connection with that letter of credit, insurance contract, surety bond or similar financial undertaking, including, but not limited to, all fees, expenses, indemnities and commissions. Money in excess of the reserve requirement established as provided in subsection 3 may be transferred to other funds and accounts of the authority.

[1989, c. 594, §1 (AMD); 1989, c. 594, §3 (AFF) .]

3. Reserve requirement. The authority may provide that money in any such fund shall not be withdrawn at any time in such amount as would reduce the amount of any such fund below an amount established by the authority with respect to the fund, the amount established by the authority being referred to as the "capital reserve requirement," except for the purpose of paying the amount due and payable with respect to revenue obligation securities, repayment of which is secured by any such fund, or reimbursement obligations of the authority with respect to any letter of credit, insurance contract, surety bond or similar financial undertaking pertaining to any such fund.

[1989, c. 594, §2 (AMD); 1989, c. 594, §3 (AFF) .]

4. Issuance limit. The authority may provide that it shall not issue revenue obligation securities if the capital reserve requirement established by the authority with respect to securities outstanding and then to be issued and secured by any such fund will exceed the amount of any such fund, including the amount available under any letter of credit, insurance contract, surety bond or other similar financial undertaking given to secure the capital reserve requirement, at the time of issuance, unless the authority, at the time of issuance of the securities, shall deposit in any such fund from proceeds of the securities so to be issued, or from other sources, an amount, which, together with the amounts then in any such fund and amounts available under any letter of credit, insurance contract, surety bond or other similar financial undertaking, will not be less than the capital reserve requirement.

[1989, c. 594, §2 (AMD); 1989, c. 594, §3 (AFF) .]

5. Appropriation. On or before December 1st, annually, the authority shall certify to the Governor the amount, if any, necessary to restore the amount in any capital reserve fund, to which this subsection is stated in the trust agreement or other document to apply, to the capital reserve requirement. The Governor shall forthwith pay from the Contingent Account to any such fund so much of the amount as is available in the Contingent Account and shall forthwith transmit to the Legislature such certification and a statement of the amount, if any, remaining to be paid and the amount so certified shall be appropriated and paid to the authority during the then current state fiscal year.

[1985, c. 344, §78 (NEW) .]

6. Securities outstanding. The principal amount of revenue obligation securities the authority may have outstanding at any one time, to which subsection 5 is stated to apply in the trust agreement or other document, may not exceed an aggregate principal amount equal to \$912,000,000 as follows:

- A. The sum of \$180,000,000 consisting of not more than \$150,000,000 for loans and up to \$30,000,000 for use of bond proceeds to fund capital reserve funds for revenue obligation securities issued pursuant to this subchapter relating to loans for electric rate stabilization projects, loans for energy generating system projects or loans for energy distribution system projects; [2015, c. 504, §5 (AMD) .]
- B. The sum of \$120,000,000 consisting of not more than \$100,000,000 for loans and up to \$20,000,000 for use of bond proceeds to fund capital reserve funds for revenue obligation securities issued pursuant to this subchapter relating to loans for major business expansion projects; [1999, c. 531, Pt. G, §1 (RPR) .]

C. The sum of \$57,000,000 consisting of not more than \$45,000,000 for loans and up to \$12,000,000 for use of bond proceeds to fund capital reserve funds for revenue obligation securities issued pursuant to this subchapter relating to workers' compensation residual market mechanism projects; [1999, c. 531, Pt. G, §1 (RPR).]

D. The sum of \$150,000,000 less the aggregate outstanding balance of mortgage loans secured by capital reserve funds pursuant to section 1032 for all other revenue obligation securities issued pursuant to this subchapter; [2003, c. 506, §5 (AMD).]

E. The sum of \$120,000,000 consisting of not more than \$100,000,000 for loans and up to \$20,000,000 for use of bond proceeds to fund capital reserve funds for revenue obligation securities issued pursuant to this subchapter relating to loans for paper industry job retention projects; [2007, c. 464, §9 (AMD).]

F. The sum of \$100,000,000 consisting of not more than \$85,000,000 for loans and up to \$15,000,000 for use of bond proceeds to fund capital reserve funds for revenue obligation securities issued pursuant to this subchapter relating to loans for transmission facilities projects as defined in section 963-A, subsection 49-H; and [2007, c. 464, §9 (AMD).]

G. The sum of \$35,000,000 consisting of not more than \$30,000,000 for the purposes stated in section 1020-A, subsection 1, paragraphs A and C and up to \$5,000,000 for use of bond proceeds to fund capital reserve funds for revenue obligation securities issued pursuant to section 1020-A, subsection 1, paragraph A. [2007, c. 464, §9 (NEW).]

The amount of revenue obligation securities issued to refund securities previously issued may not be taken into account in determining the principal amount of securities outstanding, as long as proceeds of the refunding securities are applied as promptly as possible to the refunding of the previously issued securities. In computing the total amount of revenue obligation securities of the authority that may at any time be outstanding for any purpose, the amounts of the outstanding revenue obligation securities that have been issued as capital appreciation bonds or as similar instruments are valued as of any date of calculation at their then current accreted value rather than their face value.

§1054. TAXABLE BOND OPTION

With respect to all or any portion of any issue of any bonds or any series of bonds that the authority may issue in accordance with the limitations and restrictions of this subchapter, the authority may covenant and consent that the interest on the bonds is includable, under the United States Internal Revenue Code of 1986 or any subsequent corresponding internal revenue law of the United States, in the gross income of the holders of the bonds to the same extent and in the same manner that the interest on bills, bonds, notes or other obligations of the United States is includable in the gross income of the holders under the United States Internal Revenue Code or any subsequent law. Bonds issued pursuant to this section are not subject to any limitations or restrictions of any law that may limit the authority's power to issue those bonds or to the procedures set forth in section 1043 or in section 1044, subsections 1, 11 and 12; except that the procedures set forth in section 1043 do apply with respect to major business expansion projects. The foregoing grant

of power may not be construed as limiting the inherent power of the State or its agencies under any other provision of law to issue debt, the interest on which is includable in the gross income of the holders of the interest under the United States Internal Revenue Code or any subsequent law. Any action or proceeding in any court to contest the issuance of the securities, the approval by the authority of a project to benefit from issuance of the securities or the approval by the authority of mortgage insurance or the provision of a capital reserve fund for the securities for any reason must be started within 30 days after the date on which the members of the authority adopt a formal resolution approving issuance of the securities and otherwise must be governed by Title 5, chapter 375, subchapter VII. Once the authority has adopted a resolution to approve the issuance of securities pursuant to this section, any action by the authority to amend, alter or revise the resolution may not commence a new period of time within which any such action or proceeding may be commenced. Notwithstanding the provisions of section 969-A, subsection 11 and Title 5, chapter 375, subchapter VII, including, but not limited to, Title 5, sections 11002 and 11003, any such action or proceeding may be commenced only by first serving the petition for review upon the authority, in hand, within that 30-day period. After the expiration of the 30-day period of limitation, no right of action or defense founded upon the invalidity of the resolution or contesting any provision of the resolution, any amendment to the resolution or the issuance of the securities may be started or asserted nor may the resolution or the issuance of the securities be open to question in any court upon any grounds. §1063. CERTIFICATES OF APPROVAL

1. Issue. The authority may approve or disapprove projects and issue certificates of approval upon application by municipalities proposing to issue revenue obligation securities under this subchapter. The authority shall publish, once in the state newspaper and in a newspaper of general circulation in the municipality in which the project is to be located, notice of the date on which the authority will consider the application. The notice shall be published at least 7 days prior to the date scheduled for such consideration, shall set forth the name of the municipality and the proposed user of the project, describe generally the project and set forth the time and place at which the application will be considered. In addition to the notice required to be published by the authority, the applicant shall make all reasonable efforts to give timely notice to any and all known competitors of the time and place at which the application will be considered. Where individual written notice is not practical, as determined by the authority, the authority may specify other or additional forms of notice, including display newspaper advertisements and written notice to any trade, industry, professional or interest group. The certificate of approval shall identify and describe each project as to location, purpose and amount of revenue obligation securities to be issued.

[1985, c. 344, §81 (AMD) .]

2. Criteria. Before issuing a certificate of approval for any project, the authority shall determine that:

A. The project will make a contribution to the economic growth of, the control of pollution in or the betterment of the health, welfare or safety of the inhabitants of the State; [1985, c. 344, §82 (AMD) .]

B. The project will not result in a substantial detriment to existing business in the State. In order to make this determination, the authority shall consider, pursuant to rules adopted in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II, such factors as it deems necessary to measure and evaluate the effect of the project on existing business, including considering:

(1) Whether a project should be approved if, as a result of the project, there will not be sufficient demand within the market area of the State to be served by the project to employ the efficient capacity of existing business; and

(2) Whether any adverse economic effect of the project on existing business is outweighed by the contribution which the project will make to the economic growth of, the control of pollution in or the betterment of the health, welfare or safety of the inhabitants of the State.

The applicant shall have the burden of demonstrating that the project will not result in a substantial detriment to existing business in accordance with the requirements of this paragraph, including rules adopted in accordance therewith, except in cases where no interested parties object to the project, in which event the requirements of this paragraph shall be deemed satisfied. Interested parties shall be given an opportunity, with or without a hearing at the discretion of the authority, to present their objections to the project on grounds that the project will result in a substantial detriment to existing business. If any such party presents such objections with reasonable specificity and persuasiveness, the authority may divulge whatever information concerning the project which it deems necessary for a fair presentation by the objecting party and evaluation of such objections. If the authority finds that the applicant has failed to meet its burden as specified in this paragraph, the application shall be denied; [1985, c. 714, §34 (AMD).]

- C. Adequate provision is being made to meet any increased demand upon public facilities that might result from the project; [1981, c. 476, §2 (NEW).]
- D. In cases where it is proposed to relocate an energy generating system, energy distribution system, industrial-commercial project, water supply system or recreational facility existing in the State, there is a clear economic justification for the relocation; [1981, c. 476, §2 (NEW).]
- E. For all revenue obligation securities in excess of \$1,000,000 and in other instances when the authority determines it is appropriate, the Department of Environmental Protection has provided a written assessment to the authority of the environmental conditions known by the department to exist at a project location so that the authority fully considers environmental risks when making its decisions. Environmental conditions posing risks that must be considered include, but are not limited to, licensing obligations, existing or historic regulatory noncompliance and site clean-up responsibilities. [2003, c. 537, §53 (AFF); 2003, c. 537, §52 (RPR).]
- F. In the case of projects including pollution-control facilities:
- (1) The proposed users of the facilities make a significant contribution to the economy of the State;
 - (2) A substantial public benefit will result from including the facilities in the project; and
 - (3) It is unlikely that public facilities meeting the needs of the users and securing comparable public benefit will become available in the reasonable foreseeable future; [1981, c. 476, §2 (NEW).]
- G. [1985, c. 344, §84 (RP).]
- H. In the case of water supply system projects:
- (1) That the project will result in substantial public benefits;
 - (2) That the issuance of securities for the project has been reviewed and approved by the Public Utilities Commission in accordance with Title 35-A, chapter 9, sections 901 to 910 and 6508; and
 - (3) The Public Utilities Commission and the Department of Health and Human Services have certified that all permits, licenses and approvals required from those departments have been issued or granted or that none are required, and until a location permit from the applicable licensing authority has been issued or it is determined that none is required. Any subsequent enlargement of or addition to the project, for which approval is sought from the authority, shall also require certification by the Public Utilities Commission and the Department of Health and Human Services; [1987, c. 141, Pt. B, §8 (AMD); 2003, c. 689, Pt. B, §6 (REV).]
- I. In the case of an energy generating system project or energy distribution project which is intended to produce or distribute energy for sale to any person, municipality, firm, corporation or the State that the issuance of securities for the project has been reviewed and approved by the Public Utilities Commission in accordance with Title 35-A, chapter 9, sections 901 to 910 and 6508; [1987, c. 141, Pt. B, §8 (AMD).]
- I-1. In the case of recycling and waste reduction projects, the proposed facility is consistent with and will contribute to the management goals and objectives outlined in the state waste management and recycling plan under Title 38, chapter 24 and will reduce the amount of solid or hazardous waste requiring disposal. The Department of Environmental Protection shall provide assistance to the authority in determining consistency, technical eligibility and merit of applications for assistance under this subchapter. [2011, c. 655, Pt. GG, §6 (AMD); 2011, c. 655, Pt. GG, §70 (AFF).]
- J. In the case of an energy generating system, an energy distribution system or an industrial-commercial project, any of which includes hydroelectric facilities deemed necessary for the production of electricity:
- (1) The Public Utilities Commission has certified that all required licenses have been issued or that none are required; and

(2) The Director of the Governor's Office of Policy and Management has reviewed and commented upon the project proposal. The Director of the Governor's Office of Policy and Management shall make comments within 30 days after receipt of a notification and copy of the project proposal from the authority. The authority shall take the comments into consideration in its consideration of the project; and [2011, c. 655, Pt. EE, §15 (AMD); 2011, c. 655, Pt. EE, §30 (AFF).]

K. If the authority is satisfied that the determinations of this section can be made and that a certificate of approval can be issued, upon receipt of the certificate or certificates required by paragraphs E, H, I and J, the authority may advise the departments concerned which may treat such advice as the completion of arrangements for financing for the purposes of Title 38, section 451, subsection 1, paragraph B. [1985, c. 714, §35 (AMD).]

[2011, c. 655, Pt. EE, §15 (AMD); 2011, c. 655, Pt. GG, §6 (AMD); 2011, c. 655, Pt. GG, §70 (AFF) .]

3. Effect of certificate. A certificate of approval issued under this subchapter shall be conclusive proof that the authority has made the determinations required by this section.

§1064. ISSUANCE OF REVENUE OBLIGATION SECURITIES

1. Notice of intent to issue bonds; actions to contest validity. The municipal officers of any municipality are authorized to provide by resolution, at one time or from time to time, for the issuance of revenue obligation securities of the municipality for the purposes authorized in this subchapter. No revenue obligation securities of the municipality may be authorized and issued until:

A. A certificate of approval, as provided in section 1063, is received; [1981, c. 476, §2 (NEW) .]

B. A resolution is adopted by vote of the municipal officers; and [1981, c. 476, §2 (NEW) .]

C. A notice of the intent of the municipality to issue the securities is published at least once in the state newspaper and in a newspaper of general circulation in the municipality:

- (1) No later than 14 full days after the date on which the resolution is adopted;
- (2) Describing the general purpose or purposes for which the securities are to be issued;
- (3) Stating the maximum principal amount of the proposed securities;
- (4) Setting forth or summarizing the text of the certificate of approval; and
- (5) Including a statement as to the time within which any action or proceeding to set aside the resolution or otherwise obtain relief on the grounds of its invalidity or that of the certificate of approval must be commenced. [1981, c. 476, §2 (NEW) .]

Any action or proceeding in any court to set aside a resolution or certificate of approval or to obtain relief upon the grounds that the resolution or certificate of approval was improperly adopted, was adopted for unauthorized purposes or is otherwise invalid for any reason, must be started within 30 days after the date of

the publication. After the expiration of the period of limitation, no right of action or defense founded upon the invalidity of the resolution or approval or any provision shall be started or asserted nor shall the validity of the resolution or approval or provision be open to question in any court upon any grounds.

[1981, c. 476, §2 (NEW) .]

2. Maturity; interest. The securities of each issue of revenue obligation securities shall be dated, shall mature at a time or times not exceeding 25 years from their date or dates and shall bear interest at a rate or rates determined by the option of the municipal officers. The securities may be made redeemable before maturity at a price or prices and under terms and conditions fixed prior to their issue. In determining an interest rate, the municipal officers shall specify a rate which shall be the maximum rate for the particular revenue obligation security issue related to a single project, which rate may be a variable rate measured as a percentage of or otherwise in relation to a prime rate or other measuring standard.

A. [1985, c. 714, §36 (RP) .]

B. [1985, c. 714, §36 (RP) .]

C. [1985, c. 344, §85 (RP) .]

D. [1985, c. 714, §36 (RP) .]

[1985, c. 714, §36 (RPR) .]

3. Form. The municipal officers shall determine the form of the securities, including any attached interest coupons, the manner of execution of the securities, the denomination or denominations of the securities. Revenue obligation securities shall be executed in the name of the municipality by the manual or facsimile signature of the municipal officer or officers authorized in the resolution, but at least one signature on each security shall be a manual signature. Any attached coupons shall be executed with the facsimile signature of the designated official. Signatures and facsimiles of signatures on securities and coupons will be valid for all purposes, even if the designated official ceases to hold office before delivery of the securities. The securities may be issued in coupon or registered form, or both. Provision may be made for the registration of any coupon securities as to principal alone and as to both principal and interest, and for the reconversion into coupon securities of any securities registered as to both principal and interest.

[1981, c. 476, §2 (NEW) .]

4. Sale. The municipal officers may sell the securities at a private or public sale, in a manner and at a price they determine, but no sale may be made at a price so low as to require the payment of interest on the money received at more than the interest approved by the authority.

The municipal officers shall not sell the securities to any firm, partnership, corporation, water company or association, including an affiliate or subsidiary, which is a party to any contract pertaining to the financial project or which is to rent, purchase, lease or otherwise occupy premises constituting part of the project. The municipal officers may sell the securities to a seller of the project if the project is to be used and operated by a 3rd party.

[1981, c. 476, §2 (NEW) .]

5. Use of proceeds; disbursements; deficits. Proceeds of each issue shall be used solely for the authorized purposes and shall be disbursed as provided in the authorizing resolution or in the securing trust agreement. If the proceeds shall be less than the cost of the project, by error in the estimate or otherwise, additional securities may be issued in a like manner to provide the amount of the deficit and, unless otherwise provided in the authorizing resolution or the securing trust agreement, the additional securities are deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the securities first issued for the same purpose, provided the aggregate principal amount of revenue obligation securities of a municipality may not exceed the amount approved by the resolution of the municipal officers.

The municipality may place limits or restrictions on the issuance of additional revenue obligation securities through the authorizing resolution or any securing trust agreement. The municipality may provide for the replacement of mutilated, destroyed or lost securities. Revenue obligation securities may be issued under this chapter without obtaining the consent of any department, division, commission, board, bureau or agency of the State and without any other proceedings, or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this chapter. Notwithstanding any of the other provisions of this subchapter or any recitals in any securities issued under this subchapter, all such securities are deemed to be negotiable instruments issued under the laws of this State.

[1985, c. 344, §86 (AMD) .]

6. Credit not pledged. Securities issued under this subchapter shall not constitute any debt or liability of the State, its political subdivisions or any municipality; shall not constitute a pledge of the faith and credit of the State, its political subdivisions or any municipality; shall be payable solely from the revenues of the project or projects for which they are issued; and shall contain on their face a statement to that effect. The securities issued under this subchapter shall not directly or indirectly or contingently obligate the State, its political subdivisions or any municipality to levy or to pledge any form of taxation whatever or to make any appropriation for their payment. The prohibitions or limitations of this subsection shall not be construed to restrict any rights or obligations of a municipality arising under Title 38, section 1304-B.

[1985, c. 593, §5 (AMD) .]

7. Anticipatory borrowing. In anticipation of the sale of securities under this subchapter, the municipal officers may issue temporary notes and renewal notes, the total face amount of which does not exceed at any one time outstanding the authorized amount of the securities. The period of such anticipatory borrowing shall not exceed one year, and the time within which the securities are to become due shall not be extended by the anticipatory borrowing beyond the time fixed in the authorizing resolution or, if no term is specified, beyond the term permitted by law.

[1981, c. 476, §2 (NEW) .]

8. Conclusive authorization. All revenue obligation securities of the municipality shall be conclusively presumed to be fully authorized and issued under the laws of the State, and any person or governmental unit shall be estopped from questioning their authorization, sale, issuance, execution or delivery by the municipality.

[1985, c. 344, §87 (NEW) .]

§1065. TRUST AGREEMENTS; RESOLUTIONS

1. Trust agreements. At the discretion of the municipal officers, any revenue obligation securities issued under this subchapter may be secured by a trust agreement between the municipality and any corporate trustee or by a mortgage or other financial document. The trust agreement, mortgage, security agreement or other financial document may:

A. Pledge or assign the revenues of the project or projects; [1981, c. 476, §2 (NEW) .]

B. Set forth the rights and remedies of the security holders and the trustees and contain any reasonable and legal provisions for protecting the rights and remedies of the security holder; [1981, c. 476, §2 (NEW) .]

- (3) Rents to be charged or other payments to be made for use;
- (4) Payment of the project; and
- (5) Custody, safeguarding and application of all moneys. [1981, c. 476, §2 (NEW) .]

It shall be lawful for any bank or trust company incorporated under the laws of the State, which may act as depository of the proceeds of securities or of revenues, to furnish indemnifying bonds or to pledge the securities as may be required by the municipal officers.

[1981, c. 476, §2 (NEW) .]

2. Mortgages. To further secure the payment of the revenue obligation securities, the trust agreement or other financial document may mortgage the project or any part and create a lien upon any or all of the real or personal property of the project. In the event of a default with respect to the revenue obligation securities, the trustee or mortgagee may be authorized by the trust agreement or financial document containing a mortgage or assignment of a mortgage to take possession of, hold, manage and operate all or any part of the mortgaged property and, with or without taking possession, to sell or, from time to time, to lease the property in accordance with law. Any security interest granted by a municipality under this chapter may be created and perfected in accordance with the provisions of the Uniform Commercial Code, Article 9-A.

Subchapter 7: MAINE JOB-START PROGRAM**§1100-M. AUTHORIZATION**

The Finance Authority of Maine may administer a statewide program to make low interest loans to stimulate the development and expansion of small business in this State pursuant to contracts between the authority and local community action agencies designated under Title 22, chapter 1477. This program is known as the Maine Job-start Program or the Maine Job-start Micro Enterprise Loan Program. [1993, c. 214, §1 (AMD).]

SECTION HISTORY

1983, c. 856, §4 (NEW). 1993, c. 214, §1 (AMD).

§1100-N. ADMINISTRATION AND PROCEDURES

1. Contracts. The authority may contract with any community action agency that seeks to organize a job-start program. The authority shall first contract with community action agencies that have current contracts with the authority to administer the Maine Job-start Program. The authority may then contract with any community action agency that seeks to organize a job-start program. A participating agency shall accept applications from eligible participants, regardless of whether an applicant resides in the region normally served by that agency, unless the applicant resides in a region served by another participating agency. The contract must provide as a minimum the following.

A. Each community action agency shall designate a coordinator who shall be responsible for the job-start program in that region. [1989, c. 857, §49 (AMD).]

B. The board of directors of a community action agency shall appoint a job-start advisory board, which may consist of a subcommittee of the board of directors, to review and make recommendations concerning loan applications and offer other advice to small businesses. The advisory board must consist of 5 members who represent low-income people and representatives knowledgeable of business and financial matters. Members of the job-start advisory board serve for a 2-year term and may be reappointed to successive terms. [1989, c. 857, §49 (AMD).]

C. The community action agency is responsible for up to 30% of the administrative costs of implementing the job-start program, which costs may be derived from direct financial support or in-kind services, or both. [1989, c. 857, §49 (AMD).]

D. The community action agency shall involve existing small business technical assistance and counseling programs in their implementation of the job-start program and shall, to the maximum extent feasible, contract or arrange for the in-kind donation of technical and counseling services to assist job-start loan applicants. [1989, c. 857, §49 (AMD).]

E. A majority vote of the local job-start advisory board is necessary to recommend approval of a loan. Upon approval, the loan is then transmitted to the authority for final disposition in accordance with the policies adopted by the authority. [1993, c. 214, §3 (NEW).]

F. Loan applications must be reviewed by both the local job-start advisory board and the authority to determine the feasibility and reasonableness of the business proposal, whether the applicant has sufficient capital, whether an adequate market analysis or other counseling requirement has been completed, whether the applicant is creditworthy within the scope of this program and whether adequate collateral is offered to secure the loan. [1993, c. 214, §3 (NEW).]

G. Loan applications must be on forms and accompanied by additional information required by the authority. Loan applicants may be required to submit personal or business-related financial information considered necessary to determine eligibility for the job-start program. [1993, c. 214, §3 (NEW).]

[1993, c. 214, §3 (AMD) .]

1-A. Contracts for local agency control of funds. The authority may contract with a community action agency to administer the Maine Job-start Program and may provide for agency control of a portion of the Job-start Revolving Loan Fund for a specified period of time. A contract entered into with an agency pursuant to this section may provide that the agency is responsible for the administration of all existing loans made by the authority upon the recommendation of the agency's advisory committee. A contract may be renewed upon a showing of continued compliance with all requirements. The authority may enter into a contract with a community action agency upon a showing by the local agency that it complies with each of the following requirements.

A. The agency must have a job-start loan board to review and make recommendations concerning loan applications. The loan board must consist of 5 members and include representatives of persons of low income and members experienced in business, lending and financial matters. [1993, c. 214, §4 (NEW).]

B. The agency must prove its capacity to originate prudent loans and to service those loans through:

- (1) The ability to solicit and screen potential applicants and provide necessary technical assistance to help applicants prepare a business plan and determine the viability of the business, repayment ability and the amount of loan funds needed;
- (2) The ability to properly document each loan transaction, including the perfection of the interest of the agency in all collateral;
- (3) The ability to access appropriate legal guidance to ensure adherence to all applicable laws concerning lending, loan administration and collection;
- (4) The ability to accurately account for all loan repayments;
- (5) The ability to pursue collection actions;
- (6) The ability to invest and administer the Job-start Revolving Loan Fund; and
- (7) Such other criteria as the authority determines necessary to ensure the efficient administration of the program. [1993, c. 214, §4 (NEW).]

C. The community action agency must agree to follow each of the following mechanisms for loan review and approval.

- (1) Loan applications must be reviewed by the job-start loan board to determine the feasibility and general reasonableness of the business proposal, whether the applicant has sufficient capital for the intended purpose, whether an adequate market analysis or other counseling requirement has been completed, whether the applicant is creditworthy within the scope of this program and whether adequate collateral is offered to secure the loan.
- (2) A majority vote of the full job-start loan board is necessary to approve a loan in accordance with the policies adopted by the agency and approved by the authority. The decision of the loan board is final.
- (3) Loan applications must be on forms and accompanied by additional information required by the agency. Loan applicants may be required to submit personal or business-related financial information considered necessary to determine eligibility for the job-start program. [1993, c. 214, §4 (NEW).]

D. The community action agency must provide the authority with an annual report detailing the loan fund activity in the form and containing the information required by the contract between the agency and the authority. [1993, c. 214, §4 (NEW).]

E. The community action agency must allow the authority or an agent of the authority to perform an audit of the loan fund and the administration of the program at the times and in the manner provided in the contract between the agency and the authority. [1993, c. 214, §4 (NEW).]

[1993, c. 214, §4 (NEW) .]

2. Loan criteria and procedures. The authority may adopt rules to implement the Maine Job-start Program, which must include, but are not limited to, the following loan criteria:

A. The purpose of the loan shall be to establish, strengthen or expand a business of any person or business organization, except any nonprofit corporation, which in the case of:

- (1) An existing business, at the time application is made for financing assistance, employs 20 persons or less or has gross sales not exceeding \$2,500,000 per year; or

(2) A new business, at the time application is made for financing assistance, projects that, during the first 12 months of operation, it will employ 20 persons or less or will have gross sales not exceeding \$2,500,000; [1985, c. 344, §96 (AMD).]

B. Loans may be made to applicants with insufficient access to conventional sources of credit and whose gross annual household income is at or below income limits established by the authority by rulemaking pursuant to Title 5, chapter 375, subchapter II; [1985, c. 344, §96 (AMD).]

C. No loan may be made in an amount in excess of \$10,000 to any single applicant, nor at an interest rate in excess of rate limits established by the authority by rulemaking pursuant to Title 5, chapter 375, subchapter II; [1985, c. 344, §96 (AMD).]

D. [1993, c. 214, §5 (RP).]

E. [1993, c. 214, §5 (RP).]

F. Loans may not be insured or guaranteed by the State, but the authority shall require collateral in the form of security for the loan, if available, and may, in appropriate cases, take a mortgage on real estate; and [1993, c. 214, §6 (AMD).]

G. Loan funds must be made available by the authority for loan recommendations by community action agencies on the basis of a formula that takes into consideration both the population served by the agency and the economic conditions of the region, as evidenced by unemployment statistics and per capita income. [1993, c. 214, §6 (AMD).]

H. [1993, c. 214, §7 (RP).]

[1993, c. 214, §§5-7 (AMD) .]

3. Business support group initiative. Notwithstanding anything in this section to the contrary, the authority and any contracting community action agency may delegate application review, loan approval and servicing decisions to one or more designated business support groups in the area served by the contracting community action agencies, subject to the following requirements.

A. Each group shall be composed of not less than 5 individuals, corporations or partnerships which meet the eligibility criteria for job-start program applicants, are hopeful of starting or expanding separate businesses eligible for job-start financing and have community or other ties demonstrating a common mission or purpose. [1987, c. 697, §14 (NEW).]

B. Each group must agree to undergo a business management training program established by the authority and each group member must agree to provide business support to other members of the group. [1987, c. 697, §14 (NEW).]

C. The authority, in consultation with contracting community action agencies, may set aside by rule not more than \$75,000 in the aggregate for purposes of this initiative, which will be available for loans to business support group members. [1987, c. 697, §14 (NEW).]

D. The authority shall establish by rule limitations on the amount of loans which may be approved by each business support group and shall establish incentives which condition release of loan funds to each group on successful compliance with loan conditions and payment obligations on prior loans made to group members. [1987, c. 697, §14 (NEW).]

§1100-O. REVOLVING LOAN FUND

1. Creation of fund. A Job-start Revolving Loan Fund is established by the authority for the job-start program. The fund contains appropriations provided for that purpose and all repayments of principal and interest of loans under this subchapter and interest earned by the fund prior to its allocation for individual loans. The fund may be divided into separate revolving loan funds to be administered by community action agencies upon approval by the authority. Each separate fund must contain all repayments of principal and interest for loans made from that fund and interest earned by the fund. Interest and principal payments required by loan defaults are charged to the fund to which repayments are applied. The authority has sole responsibility for the allocation and distribution of the original fund and for appropriations and repayments applied to the original fund. Each community action agency has responsibility for the allocation and distribution of the portion of the fund allocated to its separate revolving loan fund. Any funds appropriated for this purpose may not lapse, but must remain available for the purposes set forth in this subchapter.

[1993, c. 214, §8 (AMD) .]

2. Administrative expenses. All interest earned by the fund, either by means of investment or loan payments, is available to the authority or the community action agency administering that separate revolving loan fund to which the interest is attributable. The authority or the community action agency shall allocate these funds primarily for administrative and counseling services. Beginning in fiscal year 1990-91, the authority may allocate up to \$10,000 of administrative program funds for each agency with which it contracts under section 1100-N for expenses incurred by the authority under this program.

[1993, c. 214, §8 (AMD) .]

3. Deposited with authority or invested. Moneys in the fund, not needed currently to meet the obligations of the authority, as provided for in this subchapter, shall be deposited with the authority to the credit of the fund or may be invested in such manner as is provided for by statute.

SECTION HISTORY

Subchapter 9: MAINE SEED CAPITAL TAX CREDIT PROGRAM

§1100-T. TAX CREDIT CERTIFICATES

1. Legislative findings; authorization. The Legislature finds that the growth of new and existing small businesses in the State results in increased job opportunities for Maine residents, produces more spending in the State and increases municipal tax bases. Businesses that export their products or services out of the State bring capital into the State and help to develop export markets for Maine products. Small new and existing businesses can provide significant economic benefits to the State if they can obtain sufficient seed equity financing to carry them from start-up through the initial development phases of a business. The jobs created by such businesses tend to pay higher wages and offer more benefits than other businesses; however, the per capita level of private venture capital investment in businesses located in the State is substantially below the national average and the average of the other New England states. In order to encourage the increased availability of risk equity capital to enterprises that have the potential for rapid growth and that bring capital into the State, the authority is authorized to issue certificates of eligibility for the seed capital investment tax credit permitted by Title 36, section 5216-B, subject to the requirements of this section. This program is known as the Maine Seed Capital Tax Credit Program.

[2011, c. 454, §1 (AMD) .]

1-A. Private venture capital fund. As used in this section, "private venture capital fund" means a professionally managed pool of capital organized to make equity or equity-like investments in unrelated private companies using capital derived from multiple limited partners or members at least half of which, measured in dollar commitments, are unaffiliated and unrelated, and includes any venture capital fund licensed by the United States Small Business Administration. The authority may require such information as may be necessary or desirable for determining whether an entity qualifies as a private venture capital fund. An entity that otherwise qualifies as a private venture capital fund may elect not to be treated as a private venture capital fund for purposes of this section with respect to any investment.

[2013, c. 438, §2 (AMD) .]

2. Eligibility for tax credit certificate for individuals and entities other than venture capital funds.

The authority shall adopt rules in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375, to implement the program. Without limitation, the requirements for eligibility for a tax credit certificate include the following.

A. For investments made in tax years beginning before January 1, 2012, a tax credit certificate may be issued in an amount not more than 40% of the amount of cash actually invested in an eligible Maine business in any calendar year or in an amount not more than 60% of the amount of cash actually invested in any one calendar year in an eligible Maine business located in a high-unemployment area, as determined by rule by the authority. For investments made in tax years beginning on or after January 1, 2012, a tax credit certificate may be issued to an investor other than a private venture capital fund in an amount not more than 60% of the amount of cash actually invested in an eligible Maine business in any calendar year. For investments made in tax years beginning on or after January 1, 2014, a tax credit certificate may be issued to an investor other than a private venture capital fund in an amount not more than 50% of the amount of cash actually invested in an eligible Maine business in any calendar year. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [2013, c. 438, §3 (AMD) .]

B. The Maine business must be determined by the authority to be a manufacturer or a value-added natural resource enterprise; must provide a product or service that is sold or rendered, or is projected to be sold or rendered, predominantly outside of the State; must be engaged in the development or application of advanced technologies; or must be certified as a visual media production company under Title 5, section 13090-L. The business must certify that the amount of the investment is necessary to allow the business to create or retain jobs in the State. [2013 , c. 438 , §3 (AMD) .]

C. Aggregate investment eligible for tax credits may not be more than \$5,000,000 for any one business as of the date of issuance of a tax credit certificate. [2003 , c. 451 , Pt. E , §2 (AMD) .]

D. The investment with respect to which any individual is applying for a tax credit certificate may not be more than an aggregate of \$500,000 in any one business in any 3 consecutive calendar years, except that this paragraph does not limit other investment by any applicant for which that applicant is not applying for a tax credit certificate and except that, if the entity applying for a tax credit certificate is a partnership, limited liability company, S corporation, nontaxable trust or any other entity that is treated as a flow-through entity for tax purposes under the federal Internal Revenue Code but not as a private venture capital fund, the aggregate limit of \$500,000 applies to each individual partner, member, stockholder, beneficiary or equity owner of the entity and not to the entity itself. [2013 , c. 438 , §3 (AMD) .]

E. For investments made in tax years beginning before January 1, 2014, the business receiving the investment must have annual gross sales of \$3,000,000 or less . For investments made in tax years beginning on or after January 1, 2014, the business receiving the investment must have annual gross sales of \$5,000,000 or less. The operation of the business must be a substantial professional activity of at least one of the principal owners, as determined by the authority. The principal owner and the principal owner's spouse are not eligible for a credit for investment in that business. A tax credit certificate may not be issued to a parent, brother, sister or child of a principal owner if the parent, brother, sister or child has any existing ownership interest in the business. [2013 , c. 438 , §3 (AMD) .]

F. The investment must be expended on plant, equipment, research and development, or working capital for the business or such other business activity as may be approved by the authority. [1987 , c. 854 , §§2 , 5 (NEW) .]

G. The authority shall establish limits on repayment of the investment. The investment must be at risk in the business. [1991 , c. 854 , Pt. A , §10 (AMD) .]

H. The investors qualifying for the credit must each own less than 1/2 of the business. [2011 , c. 454 , §4 (AMD) .]

I. The business receiving the investment may not be in violation of the requirements of subsection 6. [2001 , c. 642 , §7 (NEW) ; 2001 , c. 642 , §12 (AFF) .]

[2013 , c. 438 , §3 (AMD) .]

2-A. Eligibility of private venture capital funds for tax credit certificate. The authority shall adopt rules in accordance with the Maine Administrative Procedure Act to implement application of the program to investment in a private venture capital fund. This subsection does not apply to credits claimed for tax years beginning on or after January 1, 2012. The requirements for eligibility for a tax credit certificate for investment in a private venture capital fund include the following.

A. For investments made in tax years beginning before January 1, 2012, a tax credit certificate may be issued to an individual who invests in a private venture capital fund in an amount that:

- (1) Is not more than 40% of the amount of cash actually invested in or unconditionally committed to a private venture capital fund in any calendar year by the individual or entity, except that with respect to fund investments that are made in eligible businesses that are located in a high unemployment area, as determined by rule of the authority under subsection 2, the tax credit certificate may not be more than 60% of the cash actually invested in or unconditionally committed to a private venture capital fund in any calendar year by the individual or entity; and

(2) Does not exceed 40% of the amount of cash invested by the fund in eligible businesses, except that with respect to fund investments that are made in eligible businesses that are located in a high unemployment area, as determined by rule of the authority under subsection 2, a tax credit certificate may not be more than 60% of the cash invested by the fund in any calendar year in such businesses; provided that the authority may issue tax credit certificates in an amount not to exceed 20% of the amount of cash actually invested in or unconditionally committed to a private venture capital fund in any calendar year if the authority determines that the private venture capital fund is located in this State, is owned and controlled primarily by residents of this State and has designated investing in eligible businesses of this State as a major investment objective. The credit may be revoked to the extent that the private venture capital fund does not make investments eligible for the tax credit in an amount sufficient to qualify for the credits within 3 years after the date of the tax credit certificates. Notwithstanding any revocation pursuant to this subparagraph, each investor remains eligible for tax credit certificates for eligible investments as and when made by the private venture capital fund.

The aggregate amount of credits issued to investors in a fund may not exceed 40% of the amount of cash invested by the fund in eligible businesses, except that with respect to fund investments in eligible businesses that are located in a high unemployment area, the aggregate amount of tax credits issued to investors in a fund may not exceed 60% of the cash invested by the fund in eligible businesses. [2011, c. 454, §5 (AMD).]

B. As used in this subsection, unless the context otherwise indicates, an "eligible business" means a business located in the State that:

- (1) Is a manufacturer;
- (2) Is engaged in the development or application of advanced technologies;
- (3) Provides a service that is sold or rendered, or is projected to be sold or rendered, predominantly outside of the State;
- (4) Brings capital into the State, as determined by the authority; or
- (5) Is certified as a visual media production company under Title 5, section 13090-L. [2009, c. 470, §3 (AMD).]

C. Aggregate investment eligible for tax credits may not be more than \$5,000,000 for any one business for any one private venture capital fund as of the date of issuance of a tax credit certificate. [2003, c. 451, Pt. E, §4 (AMD).]

D. The investment with respect to which any individual or entity is applying for a tax credit certificate may not be more than an aggregate of \$500,000 in any one eligible business invested in by a private venture capital fund in any 3 consecutive calendar years, except that this paragraph does not limit other investment by any applicant for which that applicant is not applying for a tax credit certificate and except that, if the entity applying for a tax credit certificate is a partnership, limited liability company, S corporation, nontaxable trust or any other entity that is treated as a flow-through entity for tax purposes under the federal Internal Revenue Code, the aggregate limit of \$500,000 or \$200,000, as applicable, applies to each individual partner, member, stockholder, beneficiary or equity owner of the entity and not to the entity itself. This paragraph does not limit other investment by any applicant for which that applicant is not applying for a tax credit certificate. [2003, c. 451, Pt. E, §4 (AMD).]

E. Each business receiving an investment from a private venture capital fund, which investment is used as the basis for the issuance of a tax credit certificate, must have annual gross sales of \$3,000,000 or less and the operation of the business must be the full-time professional activity of the principal owner, as determined by the authority. The principal owner and principal owner's spouse, if any, are not eligible for a credit for investment in that business or for an investment by the private venture capital fund in that business. A tax credit certificate may not be issued to a parent, brother, sister or child of a principal owner if the parent, brother, sister or child has any existing ownership interest in that business or for an investment by the private venture capital fund in that business. [2001, c. 446, §2 (AMD); 2001, c. 446, §6 (AFF).]

F. Each investment received by a business from a private venture capital fund, which investment is used as the basis for the issuance of a tax credit certificate, must be expended on plant maintenance and construction, equipment, research and development or working capital for the business or on such other business activity as may be approved by the authority. [1997, c. 774, §1 (AMD).]

G. The authority shall establish limits on repayment of the investment by an individual in and the investments made by a private venture capital fund, which investment is used as the basis for the issuance of a tax credit certificate. The investments must be at risk in the private venture capital fund and the business, respectively. [1997, c. 774, §1 (AMD).]

H. The investors in a private venture capital fund are not entitled to the credit for collective ownership in excess of 50% of any business. An investor in a private venture capital fund determined by the authority to be a principal owner of a business and the principal owner's spouse, if any, are not entitled to a credit with respect to investment in that business, nor are the principal owner's parents, siblings or children entitled to a credit if they have any existing ownership interest in the business. [2001, c. 446, §2 (AMD); 2001, c. 446, §6 (AFF).]

[2011, c. 454, §5 (AMD) .]

2-B. Eligibility of private venture capital funds for tax credit certificate until July 1, 2001.

[1999, c. 752, §2 (NEW); 1999, c. 752, §6 (AFF); T. 10, §1100-T, sub-§2-B (RP) .]

2-C. Eligibility of private venture capital funds for refundable tax credit certificate. This subsection applies to investments by private venture capital funds in eligible businesses made in tax years beginning on or after January 1, 2012. The authority shall adopt routine technical rules as defined in Title 5, chapter 375, subchapter 2-A to implement application of the program to investments in eligible businesses by private venture capital funds. The requirements for eligibility for a tax credit certificate for an investment by a private venture capital fund include the following.

A. For investments made in tax years beginning on or after January 1, 2012, a tax credit certificate may be issued to a private venture capital fund in an amount that is not more than 50% of the amount of cash actually invested in an eligible business. The tax credit certificate may be revoked and the credit recaptured pursuant to Title 36, section 5216-B, subsection 5 to the extent that the authority determines that the eligible business for which the tax credit certificate was issued moves substantially all of its operations and assets outside of the State during the period ending 4 years after an investment, except in the case of an arm's length, fair value acquisition approved by the authority. A private venture capital fund that received the 20% credit certificate under subsection 2-A, paragraph A, subparagraph (2) for an investment is not eligible for a tax credit certificate under this subsection for that investment. [2011, c. 454, §6 (NEW).]

B. As used in this subsection, unless the context otherwise indicates, "eligible business" means a business located in the State that has certified that the amount of the investment is necessary to allow the business to create or retain jobs in the State and that, as determined by the authority:

- (1) Is a manufacturer or a value-added natural resource enterprise;
- (2) Is engaged in the development or application of advanced technologies;
- (3) Provides a service that is sold or rendered, or is projected to be sold or rendered, predominantly outside of the State; or
- (5) Is certified as a visual media production company under Title 5, section 13090-L. [2013, c. 438, §4 (AMD).]

C. Aggregate investment eligible for tax credit certificates, including investments under this subsection and under subsection 2, may not be more than \$5,000,000 for any one eligible business. [2011, c. 454, §6 (NEW).]

D. The investment with respect to which any private venture capital fund is applying for a tax credit certificate may not be more than the lesser of an amount equal to \$500,000 times the number of investors in the private venture capital fund and an aggregate of \$4,000,000 in any one eligible business invested in by a private venture capital fund in any 3 consecutive calendar years, except that this paragraph does not limit other investment by an applicant for which that applicant is not applying for a tax credit certificate. A private venture capital fund must certify to the authority that it will be in compliance with these limitations. The tax credit certificate issued to a private venture capital fund may be revoked and any credit taken recaptured pursuant to Title 36, section 5216-B, subsection 5 if the fund is not in compliance with this paragraph. [2013 , c. 438 , §4 (AMD) .]

E. For investments made in tax years beginning before January 1, 2014, an eligible business receiving an investment from a private venture capital fund, which investment is used as the basis for the issuance of a tax credit certificate, may not have annual gross sales of more than \$3,000,000 . For investments made in tax years beginning on or after January 1, 2014, an eligible business receiving an investment from a private venture capital fund, which investment is used as the basis for the issuance of a tax credit certificate, may not have annual gross sales of more than \$5,000,000. The operation of the business must be a substantial professional activity of one or more individuals who are not managers of the private venture capital fund, as determined by the authority. A tax credit certificate may not be issued to a private venture capital fund if a manager of the fund is a principal owner of the eligible business or a spouse, parent, sibling or child of a principal owner and if the spouse, parent, sibling or child has any existing ownership interest in the business. A private venture capital fund must certify to the authority that it will be in compliance with these limitations. The tax credit certificate issued to a private venture capital fund may be revoked and any credit taken recaptured pursuant to Title 36, section 5216-B, subsection 5 if the fund is not in compliance with this paragraph. [2013 , c. 438 , §4 (AMD) .]

F. An investment received by an eligible business from a private venture capital fund for which the investment is used as the basis for the issuance of a tax credit certificate must be expended on plant maintenance and construction, equipment, research and development or working capital for the business or on such other business activity as may be approved by the authority. [2011 , c. 454 , §6 (NEW) .]

G. The authority shall establish limits on repayment of the investments made by a private venture capital fund for which the investments are used as the basis for the issuance of tax credit certificates. The investments must be at risk in the private venture capital fund and the eligible business, respectively. [2011 , c. 454 , §6 (NEW) .]

H. A private venture capital fund is not entitled to the credit if it owns in excess of 50% of the eligible business, except that, if the private venture capital fund is issued a tax credit certificate and later makes an additional investment that increases its ownership to more than 50%, the existing tax credit certificate remains valid and is not subject to revocation due to the ownership percentage as long as there was no intent to take controlling ownership at the time of the initial qualified investment. [2011 , c. 454 , §6 (NEW) .]

[2013 , c. 438 , §4 (AMD) .]

3. Priority. The authority may reserve \$500,000 in tax credit authorization for "natural resource enterprises," as defined in section 963-A, subsection 41.

[1995 , c. 462 , Pt. A , §19 (AMD) .]

4. Total of credits authorized. The authority may issue tax credit certificates to investors eligible pursuant to subsections 2, 2-A and 2-C in an aggregate amount not to exceed \$2,000,000 up to and including calendar year 1996, \$3,000,000 up to and including calendar year 1997, \$5,500,000 up to and including calendar year 1998, \$8,000,000 up to and including calendar year 2001, \$11,000,000 up to and including calendar year 2002, \$14,000,000 up to and including calendar year 2003, \$17,000,000 up to and including calendar year 2004, \$20,000,000 up to and including calendar year 2005, \$23,000,000 up to and including

calendar year 2006, \$26,000,000 up to and including calendar year 2007 and \$30,000,000 up to and including calendar year 2013, in addition to which, the authority may issue tax credit certificates to investors eligible pursuant to subsections 2, 2-A and 2-C in an annual amount not to exceed \$675,000 for investments made between January 1, 2014 and December 31, 2014, \$4,000,000 for investments made in calendar year 2015 and \$5,000,000 each year for investments made in calendar years beginning with 2016. The authority may provide that investors eligible for a tax credit under this section in a year when there is insufficient credit available are entitled to take the credit when it becomes available subject to limitations established by the authority by rule. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[2013, c. 438, §5 (AMD) .]

5. Revocation of tax credit certificate. The authority may revoke a tax credit certificate if any representation to the authority in connection with the application for the certificate proves to have been false when made or if the applicant violates any conditions established by the authority and stated in the tax credit certificate. The revocation may be in full or in part as the authority may determine. The authority shall specify the amount of credit being revoked and shall send notice of the revocation to the investor and to the State Tax Assessor.

[1987, c. 854, §§2, 5 (NEW) .]

6. Reports. Any business eligible to have investors receive a tax credit under this section must report to the authority, in a manner to be determined by the authority, the following information regarding its activities in the State over the calendar year in which the investment occurred and for such additional years as may be required by the authority:

A. The total amount of private investment received; [2001, c. 642, §10 (NEW); 2001, c. 642, §12 (AFF).]

B. The total number of persons employed as of December 31st; [2001, c. 642, §10 (NEW); 2001, c. 642, §12 (AFF).]

C. The total numbers of jobs created and retained; [2001, c. 642, §10 (NEW); 2001, c. 642, §12 (AFF).]

D. Total annual payroll; and [2001, c. 642, §10 (NEW); 2001, c. 642, §12 (AFF).]

E. Total sales revenue. [2001, c. 642, §10 (NEW); 2001, c. 642, §12 (AFF).]

Subchapter 12: MAINE NEW MARKETS CAPITAL INVESTMENT PROGRAM**§1100-Z. MAINE NEW MARKETS CAPITAL INVESTMENT PROGRAM**

1. Findings and intent. The Legislature finds that encouragement of investment in qualified businesses and developments located in economically distressed areas of the State and the creation and preservation of jobs are in the public interest and promote the general welfare of the State. The Legislature further finds that the enactment of incentives as set forth in this subchapter to promote investments is necessary in order to ensure the long-term economic vitality of this State, to preserve numerous opportunities for jobs for the people of the State and to make this State more competitive in the attraction of investment capital and thus to ensure the preservation and betterment of the economy of the State for the benefit of its people. The Legislature further finds that the foregoing benefits to the State and its people far exceed the costs to the State of providing the incentives set forth in this subchapter. The Legislature further finds that the provisions of this subchapter are necessary to accomplish these objectives.

The Legislature finds that the incentives offered by the State pursuant to this subchapter are intended to induce major investments in qualified businesses and developments located in economically distressed areas of the State and that any party who accepts and reasonably relies upon these inducements in making qualified investments is entitled to the full realization of these incentives without impairment by subsequent changes in law. The Legislature finds that when determining whether a project is financially feasible an investing party must rely in good faith upon the Legislature to ensure that the promised incentives of this subchapter will be available for a period of 7 years following the date of each qualified investment and that a party's confidence in the full realization of these benefits is a critical factor in inducing the party to make the desired investment. It is the intent of this Legislature that all successor Legislatures honor the commitments held out by this subchapter.

[2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF) .]

2. Program. The Maine New Markets Capital Investment Program, referred to in this section as "the program," is established to encourage new investment in economically distressed areas of the State. For the purposes of this section, unless otherwise defined in this section, all terms have the same meaning as under Title 36, section 5219-HH and Section 45D of the United States Internal Revenue Code of 1986, as amended.

[2011, c. 548, §3 (AMD) .]

3. Application for tax credits; allocation of tax credit authority. Tax credit authority is allocated under the program as described in this subsection.

A. The authority shall provide an application form, which must be available to applicants no later than the date when the final rule implementing this section is adopted. [2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF).]

B. A qualified community development entity that seeks an allocation of tax credit authority shall apply to the authority. The qualified community development entity shall submit an application on a form that the authority provides. The application must include:

- (1) The name, address and tax identification number of the entity and evidence of the certification of the entity as a qualified community development entity;
- (2) A copy of an allocation agreement executed by the qualified community development entity, its controlling entity or other entity controlled by the same controlling entity and the Community Development Financial Institutions Fund of the United States Department of the Treasury, which includes the State in its service area;
- (3) A certificate executed by an executive officer of the qualified community development entity attesting that the allocation agreement remains in effect and has not been revoked or canceled by the Community Development Financial Institutions Fund;
- (4) Information regarding the amount of tax credit authority requested and the proposed use of proceeds from the issuance of the qualified equity investment or long-term debt security; and
- (5) Responses to the following 5 questions, which must be answered affirmatively or negatively without explanation or elaboration, to determine qualification for participating in the program:
 - (a) Whether the Community Development Financial Institutions Fund has awarded multiple rounds of federal New Markets Tax Credit allocation to the qualified community development entity, its controlling entity or other entity controlled by the same controlling entity;
 - (b) Whether the qualified community development entity, its controlling entity or other entity controlled by the same controlling entity has participated as a qualified community development entity in a state New Markets Tax Credit program or has made an investment in this State that qualifies for federal New Markets Tax Credits;

(c) Whether the qualified community development entity, its controlling entity or other entity controlled by the same controlling entity has made an investment qualified for tax credits in a business located in a nonmetropolitan census tract;

(d) Whether the qualified community development entity, its controlling entity or other entity controlled by the same controlling entity has made an investment qualified for tax credits in a state where it did not previously have substantial operations; and

Applicants answering affirmatively to 4 or more of the 5 questions must be determined to be qualified. [2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF).]

C. In the rule implementing this subchapter, the authority shall set a nonrefundable application fee, which must be paid to the authority at the time each application is submitted. The authority shall also set an annual report fee and establish a payment schedule along with requirements for the report pursuant to subsection 5. [2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF).]

D. Within 60 days of receipt of an application for tax credit authority, the authority shall either approve the application and, as part of that approval, indicate the amount of tax credit authority issued to the qualified community development entity or determine that the authority intends to deny the application. If the authority intends to deny the application, it shall inform the qualified community development entity by written notice of the grounds for the intended denial. Upon receipt of the notice of intended denial by the qualified community development entity:

(1) If the qualified community development entity provides any additional information required by the authority or otherwise completes its application within 15 days, the application must be considered complete as of the original date of submission and the authority has an additional 30 days to either approve or deny the application; or

(2) If the qualified community development entity fails to provide the information or complete its application within the 15-day period, the application is deemed denied and may be resubmitted in full with a new submission date. [2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF).]

E. The authority shall approve applications for tax credit authority in the order applications are received by the authority. Applications received on the same day are deemed to have been received simultaneously. For applications received on the same day and determined to be complete, the authority shall certify, consistent with remaining tax credit capacity, tax credit authority in proportionate percentages based upon the ratio of the amount of tax credit authority requested in an application to the total amount of tax credit authority requested in all applications received on the same day. If a pending request cannot be fully certified because of the limitations contained in this subchapter, the authority shall certify the portion that may be certified unless the qualified community development entity elects to withdraw its request rather than receive partial credit. The authority shall provide written notification to each qualified community development entity of the approval of tax allocation authority and the amount of tax credit authority it was allocated. [2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF).]

F. Within 24 months after receipt of the notice of the allocation of tax credit authority, the qualified community development entity shall issue the qualified equity investments or long-term debt securities and receive cash in the amount of the total amount of tax credit authority that the qualified community development entity was allocated. The qualified community development entity shall provide the authority with evidence of the entity's receipt of the cash investment within 10 business days after receipt. If the qualified community development entity does not issue the qualified equity investment or long-term debt security and receive the cash purchase price within 24 months following receipt of the

tax credit authority notice for any portion of its allocation, such unused allocation of tax credit authority lapses and the qualified community development entity may not issue the qualified equity investments or long-term debt securities without reapplying to the authority for additional tax credit authority. Any tax credit authority that lapses reverts back to the authority and may be reissued only in accordance with the application process outlined in this section. [2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF).]

G. Upon receipt of notice that a qualified community development entity has issued its qualified equity investments or long-term debt securities, the authority shall certify the entity's qualified equity investments or long-term debt securities as qualified equity investments and eligible for tax credits under Title 36, section 5219-HH. The authority shall provide written notice, sent by certified mail or any other means considered feasible by the authority, of the certification to the qualified community development entity, the Department of Administrative and Financial Services, Bureau of Revenue Services and the Commissioner of Administrative and Financial Services. The notice must include the names of persons eligible to claim the tax credits and their respective tax credit amounts. If the names of the persons that are eligible to claim the tax credits change due to a transfer of a qualified equity investment or a change in an allocation pursuant to this subchapter, the qualified community development entity shall notify the authority and the Department of Administrative and Financial Services, Bureau of Revenue Services of that transfer or change. [2015, c. 300, Pt. A, §1 (AMD).]

H. On the date designated by the authority, the authority shall begin accepting applications for the full \$250,000,000 of qualified equity investments under subsection 4. An applicant may not be awarded more than 25% of the total tax credit authority available. [2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF).]

[2015, c. 300, Pt. A, §1 (AMD) .]

4. Limit on amount of tax credits authorized. The maximum aggregate amount of qualified equity investments for which the authority may issue tax credit authority under this section is \$250,000,000; a tax credit claim may not exceed \$20,000,000 in any one state fiscal year over the 7 years of the tax credit allowance dates as described in Title 36, section 5219-HH, subsection 1, paragraph A.

[2011, c. 548, §5 (AMD) .]

5. Reporting and disclosure of information. The authority shall require annual reports of a qualified community development entity granted tax credit allocation authority pursuant to subsection 3. Reports must be shared with the Department of Administrative and Financial Services, Bureau of Revenue Services and the Commissioner of Administrative and Financial Services. Notwithstanding section 975-A, the authority may disclose any information to the Department of Administrative and Financial Services, Bureau of Revenue Services and the Commissioner of Administrative and Financial Services that it considers necessary for the administration of the program pursuant to this section, Title 36, section 2533 or Title 36, section 5219-HH.

[2015, c. 300, Pt. A, §2 (AMD) .]

6. Report. The authority shall report no later than January 1, 2015 to the joint standing committee of the Legislature having jurisdiction over appropriations and financial affairs and the joint standing committee of the Legislature having jurisdiction over taxation matters on the activities of the program, including, but not limited to, the amount of private investment received and the total number of jobs created or retained.

[2011, c. 380, Pt. Q, §1 (NEW); 2011, c. 380, Pt. Q, §7 (AFF) .]

7. Rules. By December 30, 2011, the authority shall adopt rules necessary to implement this section. Rules adopted pursuant to this subsection are routine technical rules under Title 5, chapter 375, subchapter 2-A.

§1105. PROFITEERING IN NECESSITIES

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Abnormal market disruption" means a significant disruption to the production, distribution, supply, sale or availability of a commodity or commodities that:

- (1) Is caused by an event such as a natural or man-made emergency or disaster, whether local or remote; and
- (2) Causes ordinary competitive market forces to cease to function normally. [2005, c. 580, §1 (NEW) .]

B. "Cost" means the expense associated with the acquisition, production, distribution or sale of necessities and may include, among other things, replacement costs, taxes and transportation costs. [2005, c. 580, §1 (NEW) .]

C. "Necessities" includes food for human or animal consumption; pharmaceutical products, including prescription medications; wearing apparel; shoes; building materials; gas and electricity for light, heat and power; ice; fuel of all kinds; and fertilizer and fertilizer ingredients; together with tools, utensils, implements, machinery and equipment required for the actual production or manufacture of the same. "Necessities" includes any other vital or necessary good or service except those:

- (1) Subject to continuous maximum price regulation under the provisions of any state or federal law;
- (2) As to which the State's authority is preempted; or
- (3) Furnished or provided by:
 - (a) Insurers; or
 - (b) Nonprofit hospitals, medical service organizations or health maintenance organizations authorized to transact business within the State pursuant to Title 24 and Title 24-A. [2005, c. 580, §1 (NEW) .]

D. "Unconscionable price" means a price that is actionable under this section. There is a rebuttable presumption that a price is unconscionable when it exceeds by more than 15% the sum of:

- (1) The price at which similar goods or services were offered for sale or sold by that person immediately prior to the beginning date of the abnormal market disruption. If that person did not offer such goods or services immediately prior to the abnormal market disruption, then the price is the price at which similar goods or services were offered for sale or sold by another person similarly situated prior to the abnormal market disruption; and
- (2) The increased cost calculated according to the method used by that person prior to the abnormal market disruption. [2005, c. 580, §1 (NEW) .]

[2005, c. 580, §1 (NEW) .]

2. Declaration. Whenever it appears upon due inquiry and consultation with the Attorney General that an abnormal market disruption exists or that there is a substantial likelihood that an abnormal market disruption is imminent, the Governor may, in the Governor's sole discretion and after considering whether the declaration of an abnormal market disruption itself will disrupt supplies for affected necessities, declare an abnormal market disruption.

A. A declaration made under this subsection must specify:

- (1) The beginning date of the abnormal market disruption;
- (2) The particular necessity, necessities or categories of necessities that are affected by the abnormal market disruption and made subject to the provisions of subsections 3 and 4; and
- (3) The levels of trade or commerce that are affected by the abnormal market disruption and made subject to the provisions of subsections 3 and 4. [2005, c. 580, §1 (NEW).]

B. A declaration of abnormal market disruption under this subsection expires when the Governor declares it expired or 60 days from the date of its issuance, whichever is sooner. The declaration of abnormal market disruption may be modified by the Governor at any time. [2005, c. 580, §1 (NEW).]

C. The Governor shall publish decisions under this subsection in a manner reasonably calculated to give affected persons adequate notice. [2005, c. 580, §1 (NEW).]

D. Any person may petition the Governor regarding the Governor's decisions under this subsection. [2005, c. 580, §1 (NEW).]

[2005, c. 580, §1 (NEW) .]

3. Profiteering prohibited. After the Governor has declared an abnormal market disruption and before the declaration of the abnormal market disruption expires, a person may not sell or offer for sale necessities at an unconscionable price.

[2005, c. 580, §1 (NEW) .]

4. Civil violation. A violation of subsection 3 is a civil violation that constitutes and may be prosecuted as an unfair act or practice in the conduct of trade or commerce pursuant to Title 5, section 207, except that the provisions of Title 5, section 213 do not apply. The declaration of an abnormal market disruption creates a rebuttable presumption that the disruption occurred and existed from the beginning date in the declaration to the date of its expiration.

The expense of such investigation must be paid from the appropriation provided by Title 5, section 203. [1991, c. 137, §4 (AMD).]

Nothing contained in this section may be construed to impose any limitation on the application of collateral estoppel. [1983, c. 340, §3 (NEW).]

Chapter 203-A: MANUFACTURER WARRANTIES ON MOTOR VEHICLES**§1161. DEFINITIONS**

As used in this chapter, unless the context indicates otherwise, the following terms have the following meanings. [1983, c. 145, (NEW).]

1. Consumer. "Consumer" means the purchaser, other than for purposes of resale, or the lessee, of a motor vehicle, any person to whom the motor vehicle is transferred during the duration of an express warranty applicable to the motor vehicle and any other person entitled by the terms of the warranty to enforce the obligations of the warranty, except that the term "consumer" shall not include any governmental entity, or any business or commercial enterprise which registers 3 or more motor vehicles.

[1987, c. 359, §1 (AMD) .]

2. Manufacturer. "Manufacturer" means manufacturer, importer, distributor or anyone who is named as the warrantor on an express written warranty on a motor vehicle.

[1983, c. 145, (NEW) .]

3. Motor vehicle. "Motor vehicle" means any motor driven vehicle, designed for the conveyance of passengers or property on the public highways that is sold or leased in this State, except that the term "motor vehicle" does not include any vehicle used primarily for commercial purposes with a gross vehicle weight of 8,500 pounds or more.

[2003, c. 337, §2 (AMD) .]

4. Reasonable allowance for use. "Reasonable allowance for use" means an amount that can not exceed the lesser of 1/3 of that amount allowed per mile by the United States Internal Revenue Service as provided by regulation, revenue procedure or revenue ruling promulgated under the United States Internal Revenue Code, Title 26, Section 162 for the use of a personal vehicle for business purposes based upon the

mileage reported for that motor vehicle on the application for state-certified arbitration accepted by the State plus all mileage directly attributable to use by a consumer beyond 20,000 miles or 10% of the purchase price of the vehicle.

[2003, c. 337, §3 (AMD) .]

5. State-certified arbitration. "State-certified arbitration" means the informal dispute settlement procedure administered by the Department of the Attorney General which arbitrates consumer complaints dealing with new motor vehicles that may be so defective as to qualify for equitable relief under the Maine lemon laws.

§1163. RIGHTS AND DUTIES

1. Repair of nonconformities. If a motor vehicle does not conform to all express warranties, the manufacturer, its agent or authorized dealer shall make those repairs necessary to conform the vehicle to the express warranties if the consumer reports the nonconformity to the manufacturer, its agent or authorized dealer during the term of the express warranties, within a period of 3 years following the date of original delivery of the motor vehicle to a consumer or during the first 18,000 miles of operation of that motor vehicle, whichever occurs earliest. This obligation exists notwithstanding the fact that the repairs are made after the expiration of the appropriate time period.

A. [1989, c. 570, §2 (RP).]

B. [1989, c. 570, §2 (RP).]

[2003, c. 337, §5 (AMD) .]

2. Failure to make effective repair. If the manufacturer or its agents or authorized dealers are unable to conform the motor vehicle to any applicable express warranty by repairing or correcting any defect or condition, or combination of defects or conditions that substantially impairs the use, safety or value of the motor vehicle after a reasonable number of attempts, the manufacturer shall either replace the motor vehicle with a comparable motor vehicle or accept return of the vehicle from the consumer and make a refund to the consumer and lienholder, if any, as their interests may appear. The consumer may reject any offered replacement and receive instead a refund. The refund must consist of the following items, less a reasonable allowance for use of the vehicle:

A. The full purchase price or, if a leased vehicle, the lease payments made to date, including any paid finance charges on the purchased or leased vehicle; [1991, c. 64, (AMD).]

B. All collateral charges, including, but not limited to, sales tax, registration fees and similar government charges; and [2003, c. 337, §5 (AMD).]

C. Reasonable costs incurred by the consumer for towing and storage of the vehicle and for procuring alternative transportation while the vehicle could not be driven because it did not conform to any applicable express warranty. [1999, c. 212, §2 (AMD).]

The provisions of this section do not affect the obligations of a consumer under a loan or sales contract or the secured interest of any secured party. The secured party shall consent to the replacement of the security interest with a corresponding security interest on a replacement motor vehicle that is accepted by the consumer in exchange for the motor vehicle, if the replacement motor vehicle is comparable in value to the original motor vehicle. If, for any reason, the security interest in the motor vehicle having a defect or condition is not able to be replaced with a corresponding security interest on a motor vehicle accepted by the consumer, the consumer is entitled to a refund. Refunds required under this section must be made to the consumer and the secured party, if any, as their interests exist at the time the refund is to be made. Similarly, refunds to a lessor and lessee must be made as their interests exist at the time the refund is to be made.

[2003, c. 337, §5 (AMD) .]

3. Reasonable number of attempts; presumption. There is a presumption that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties if:

A. The same nonconformity has been subject to a repair attempt 3 or more times by the manufacturer or its agents or authorized dealers within the express warranty term, during the period of 3 years following the date of original delivery of the motor vehicle to a consumer or during the first 18,000 miles of operation of that motor vehicle, whichever occurs earliest, and the nonconformity continues to exist; [2003, c. 337, §5 (AMD).]

A-1. [1989, c. 570, §3 (RP).]

A-2. The same nonconformity has resulted in a serious failure of either the braking or steering systems in the vehicle and has been subject to a repair attempt one or more times by the manufacturer or its agents or authorized dealers during the warranty term or the appropriate time period, whichever occurs earlier; or [2003, c. 337, §5 (NEW).]

B. The vehicle is out of service by reason of a repair attempt by the manufacturer, its agents or authorized dealer, of any defect or condition or combination of defects for a cumulative total of 15 or more business days during that warranty term or the appropriate time period, whichever occurs earlier. [2003, c. 337, §5 (AMD).]

[2003, c. 337, §5 (AMD) .]

3-A. Final opportunity to repair. If the manufacturer or its agents have been unable to make the repairs necessary to conform the vehicle to the express warranties, the consumer shall notify, in writing, the manufacturer or the authorized dealer of the consumer's desire for a refund or replacement. This notice can be given after one repair attempt if the nonconformity has resulted in a serious failure of either the braking or steering systems in the vehicle. For the 7 business days following receipt by the dealer or the manufacturer of this notice, the manufacturer has a final opportunity to correct or repair any nonconformities. This final repair effort must be at a repair facility that is reasonably accessible to the consumer. This repair effort does not stay the time period within which the manufacturer must provide an arbitration hearing pursuant to section 1165.

[2003, c. 337, §5 (AMD) .]

4. Time limit; extension. The term of an express warranty, the 18,000 mileage term, the 3-year period following delivery and the 15-day period provided in subsection 3, paragraph B, must be extended by any period of time during which repair services are not available to the consumer because of a war, invasion or strike or fire, flood or other natural disaster.

[2003, c. 337, §5 (AMD) .]

5. Dealer liability. Nothing in this chapter may be construed as imposing any liability on a dealer or creating a cause of action by a consumer against a dealer under this section, except regarding any written express warranties made by the dealer apart from the manufacturer's own warranties.

[1983, c. 145, (NEW) .]

6. Disclosure of notice requirement. No consumer may be required to notify the manufacturer of a claim under this section, unless the manufacturer has clearly and conspicuously disclosed to the consumer, in the warranty or owner's manual, that written notification of the nonconformity is required before the consumer may be eligible for a refund or replacement of the vehicle. The manufacturer shall include with the warranty or owner's manual the name and address to which the consumer shall send the written notification.

[1987, c. 395, §6 (AMD) .]

6-A. Notification of dealer. Consumers may also satisfy a manufacturer's notice requirement by notifying in writing the authorized dealer of a claim under this section. The dealer shall act as the manufacturer's agent and immediately communicate to the manufacturer the consumer's claim.

[1987, c. 359, §7 (NEW) .]

7. Disclosure at time of resale for failure to make effective repair. A motor vehicle that is returned to the manufacturer under subsection 2 may not be resold without clear and conspicuous written disclosure to any subsequent purchaser, whether that purchaser is a consumer or a dealer, of the following information:

A. That the motor vehicle was returned to the manufacturer under this chapter; [1985, c. 220, §3 (NEW) .]

B. That the motor vehicle did not conform to the manufacturer's express warranties; and [1985, c. 220, §3 (NEW) .]

C. The ways in which the motor vehicle did not conform to the manufacturer's express warranties. [1985, c. 220, §3 (NEW) .]

The certificate of title of a vehicle subject to the disclosure requirements of this subsection is subject to the branding requirements of Title 29-A, section 670.

[2007, c. 383, §1 (AMD) .]

8. Disclosure at time of retail sale under settlement agreement. A motor vehicle that is surrendered to a manufacturer as a result of a settlement of a state-certified arbitration must, at the time that motor vehicle is first offered for retail sale to the public, be affixed with a clear and conspicuous written disclosure stating that the vehicle was the subject of a Maine Lemon Law settlement agreement.

§1164. AFFIRMATIVE DEFENSE

It is an affirmative defense to any claim under this chapter that: [1983, c. 145, (NEW) .]

1. Lack of impairment. An alleged nonconformity does not substantially impair the use, safety or value of the motor vehicle; or

[1985, c. 220, §4 (AMD) .]

2. Abuse. A nonconformity is the result of abuse, neglect or unauthorized modifications or alterations of a motor vehicle by anyone other than the manufacturer, its agents or authorized dealers since delivery to the consumer.

If a manufacturer has established an informal dispute settlement procedure which complies in all respects with the provisions of 16 Code of Federal Regulations, Part 703, as from time to time amended, the provisions of section 1163, subsection 2, concerning refunds or replacement shall not apply to any consumer who has not first resorted to that procedure or to state-certified arbitration. This requirement shall be satisfied 40 days after notification to the informal dispute settlement procedure of the dispute or when the procedure's duties under 16 Code of Federal Regulations, Part 703.5 (d), are completed, whichever occurs sooner. §1168. NEW CAR LEASES

For the purposes of this chapter only, the following apply to leases of new motor vehicles. [1987, c. 359, §8 (NEW) .]

1. Warranties. If express warranties are regularly furnished to purchasers of substantially the same kind of motor vehicles:

A. Those warranties are deemed to apply to the leased motor vehicles; and [2003, c. 337, §6 (AMD) .]

B. The consumer lessee is deemed to be the first purchaser of the motor vehicle for the purpose of any warranty provisions limiting warranty benefits to the original purchaser. [2003, c. 337, §6 (AMD) .]

[2003, c. 337, §6 (AMD) .]

2. Lessee's rights. The lessee of a motor vehicle has the same rights under this chapter against the manufacturer and any person making express warranties that the lessee would have under this chapter if the vehicle had been purchased by the lessee. The manufacturer and any person making express warranties have the same duties and obligations under this chapter with respect to the vehicle that the manufacturer and other person would have under this chapter if the goods had been sold to the lessee.

[1987, c. 359, §8 (NEW) .]

3. Termination of lease and obligations. The lessee's lease agreement with the motor vehicle lessor and all contractual obligations terminate upon a decision that the vehicle does not conform to the vehicle's express warranty and the return of the vehicle to the lessor. The lessee may not be liable to the manufacturer or motor vehicle lessor for any further costs or charges under the lease agreement. The motor vehicle lessor shall release the motor vehicle title to the manufacturer upon payment by the manufacturer under this chapter.

§1169. STATE MOTOR VEHICLE DISPUTE ARBITRATION AND MEDIATION

1. Neutral motor vehicle arbitration. All manufacturers shall submit to state-certified motor vehicle arbitration if arbitration is requested by the consumer within 3 years from the date of original delivery to the consumer of a motor vehicle or within the term of the express warranties, whichever comes first, and the State has accepted the application as making proper Maine Lemon Law claims. State-certified arbitration must be performed by one or more neutral arbitrators selected by the Department of the Attorney General operating

in accordance with the rules adopted pursuant to this chapter. The Attorney General may contract with an independent entity to provide arbitration or the Attorney General's office may appoint neutral arbitrators. Each party to an arbitration is entitled to one rejection of a proposed arbitrator.

[2003, c. 337, §7 (AMD) .]

2. Written findings. Each arbitration results in a written finding of whether the motor vehicle in dispute meets the standards set forth by this chapter for vehicles that are required to be replaced or refunded. This finding must be issued within 45 days of receipt by the Department of the Attorney General of a properly completed written request by a consumer for state-certified arbitration under this section. All findings of fact issuing from a state-certified arbitration must be taken as admissible evidence of whether the standards set forth in this chapter for vehicles required to be refunded or replaced have been met in any subsequent action brought by either party ensuing from the matter considered in the arbitration. The finding reporting date may be extended by 5 days if the arbitrator seeks an independent evaluation of the motor vehicle. In addition to the other remedies provided by this chapter, the arbitrator may award a consumer whose motor vehicle is required to be replaced or refunded reasonable witness fees for a professional motor vehicle mechanic or engineer who prepared a notarized report on the condition of the vehicle or who testified at the arbitration hearing on behalf of the consumer.

[1999, c. 212, §4 (AMD) .]

3. Administered by Attorney General. The Department of the Attorney General shall promulgate rules governing the proceedings of state-certified arbitration which shall promote fairness and efficiency. These rules shall include, but are not limited to, a requirement of the personal objectivity of each arbitrator in the results of the dispute that that arbitrator will hear, and the protection of the right of each party to present its case and to be in attendance during any presentation made by the other party.

[1989, c. 570, §5 (NEW) .]

4. Consumer arbitration relief. If a motor vehicle is found by state-certified arbitration to have met the standards set forth in section 1163, subsection 2, for vehicles required to be replaced or refunded, and if the manufacturer of the motor vehicle is found to have failed to provide the refund or replacement as required, the manufacturer shall, within 21 days from the receipt of a finding, deliver the refund or replacement, including the costs and collateral charges set forth in section 1163, subsection 2, or appeal the finding in Superior Court. For good cause, a manufacturer may seek from the Department of the Attorney General an extension of the time within which it must deliver to the consumer a replacement vehicle.

[1989, c. 570, §5 (NEW) .]

5. Appeal of arbitration decision. An appeal by a manufacturer or the consumer of the arbitrator's findings may not be heard unless the petition for appeal is filed with the Superior Court of the county in which the sale occurred, within 21 days of issuance of the finding of the state-certified arbitration. The appeal must be a trial de novo. The arbitrator and the Department of the Attorney General may not be parties in any such appeal and may not be called as witnesses. The Department of the Attorney General may submit an amicus curiae brief.

In the event that any state-certified arbitration resulting in an award of a refund or replacement is upheld by the court, recovery by the consumer may include continuing damages up to the amount of \$25 per day for each day subsequent to the day the motor vehicle was returned to the manufacturer, pursuant to section 1163, that the vehicle was out of use as a direct result of any nonconformity not issuing from owner negligence, accident, vandalism or any attempt to repair or substantially modify the vehicle by a person other than the manufacturer, its agent or authorized dealer, provided that the manufacturer did not make a comparable vehicle available to the consumer free of charge.

In addition to any other recovery, any prevailing consumer must be awarded reasonable attorney's fees and costs. If the court finds that the manufacturer did not have any reasonable basis for its appeal or that the appeal was frivolous, the court shall double the amount of the total award to the consumer.

[1999, c. 212, §4 (AMD) .]

6. Consumer's rights if arbitrator denies relief. The provisions of this chapter shall not be construed to limit or restrict in any way the rights or remedies provided to consumers under this chapter or any other state law. In addition, if any consumer is dissatisfied with any finding of state-certified arbitration, the consumer shall have the right to apply to the manufacturer's informal dispute settlement procedure, if the consumer has not already done so, or may appeal that finding to the Superior Court of the county in which the sale occurred, within 21 days of the decision.

[1989, c. 570, §5 (NEW) .]

7. Disclosure of consumer lemon law rights. A clear and conspicuous disclosure of the rights of the consumer under this chapter shall be provided by the manufacturer to the consumer along with ownership manual materials. The form and manner of these notices shall be prescribed by rule of the Department of the Attorney General. The notice disclosures shall not include window stickers.

[1989, c. 570, §5 (NEW) .]

8. Manufacturer's failure to abide by arbitrator's decision. The failure of a manufacturer either to abide by the decision of state-certified arbitration or to file a timely appeal shall entitle any prevailing consumer who has brought an action to enforce this chapter to an award of no less than 2 times the actual award, unless the manufacturer can prove that the failure was beyond the manufacturer's control or can show it was the result of a written agreement with the consumer.

[1989, c. 570, §5 (NEW) .]

9. Consumer request for information. Upon request from the consumer, the manufacturer or dealer shall provide a copy of all repair records for the consumer's motor vehicle and all reports relating to that motor vehicle, including reports by the dealer or manufacturer concerning inspection, diagnosis or test-drives of that vehicle and any technical reports, bulletins or notices issued by the manufacturer regarding the specific make and model of the consumer's new motor vehicle as it pertains to any material, feature, component or the performance of the motor vehicle.

[1989, c. 570, §5 (NEW) .]

10. Penalties. It shall be prima facie evidence of an unfair trade practice under Title 5, chapter 10, for a manufacturer, within 21 days of receipt of any finding in favor of the consumer in state-certified arbitration, to fail to appeal the finding and not deliver a refund or replacement vehicle or not receive from the Department of the Attorney General an extension of time for delivery of the replacement vehicle.

[1989, c. 570, §5 (NEW) .]

11. Arbitration and mediation account. To defray the costs incurred by the Department of the Attorney General in resolving consumer new and used motor vehicle disputes through the lemon law arbitration program and, for vehicles that do not qualify for arbitration, the consumer mediation service, the following fees are imposed.

A. A \$1 lemon law arbitration program fee must be collected by the authorized new car dealer from the purchaser as part of each new motor vehicle sale agreement. [1993, c. 415, Pt. K, §2 (NEW) .]

B. A \$1 consumer mediation service fee must be collected by the used car dealer from the purchaser as part of each used motor vehicle sale agreement. [1993, c. 415, Pt. K, §2 (NEW).]

The Secretary of State shall adopt rules to implement this subsection. The rules must provide that the fees imposed by this subsection must be forwarded annually by the dealer or its successor to the Secretary of State and deposited in the General Fund. At the end of each fiscal year, the Department of the Attorney General shall prepare a report listing the money generated by these fees during the fiscal year and the expenses incurred in administering its consumer dispute resolution programs.

- A. A change in ownership, operation or control of the predecessor manufacturer by sale or transfer of assets, corporate stock or other equity interest, assignment, merger, consolidation, combination, joint venture, redemption, court-approved sale, operation of law or otherwise; [2009, c. 432, §1 (NEW) .]
- B. The termination, suspension or cessation of a part or all of the business operations of the predecessor manufacturer; [2009, c. 432, §1 (NEW) .]

The applicant shall file a separate application for each separate line make. The application must contain the manufacturer or distributor's address of its principal place of business, the

address where notices should be sent and the address of its registered agent in this State and must be accompanied by its annual report and a list of its franchised new motor vehicle dealers in this State. [2003, c. 434, §1 (AMD); 2003, c. 434, §37 (AFF).]

C. All licensees may apply for issuance of a license for each succeeding year by complying with the application process specified by this section and rules of the Secretary of State. 2. Sanctions, denial, revocation or suspension of license. The Secretary of State shall sanction, deny, revoke or suspend a license under the following conditions.

A. The Secretary of State may deny an application for a license, revoke or suspend an outstanding license, place on probation a person whose license has been suspended or reprimand a licensee for any of the following reasons:

(1) Material misrepresentation in any application or other information filed under this section or rules of the Secretary of State; or

(2) Failure to maintain the qualifications for a license. [1997, c. 521, §5 (NEW).]

B. A license may not be denied, revoked or suspended and disciplinary action may not be taken under this section except after a hearing conducted by the Secretary of State in accordance with the Maine Administrative Procedure Act. [1997, c. 521, §5 (NEW).]

If the violation involves multiple transactions within a 60-day period, these multiple transactions are deemed a single violation.

In determining the amount of a civil penalty levied under this chapter, the board shall consider:

A. The seriousness of the violation, including but not limited to the nature, circumstances, extent and gravity of the prohibited acts and the harm or potential harm created to the safety of the public; [1997, c. 521, §5 (NEW).]

B. The economic damage to the public caused by the violation; [1997, c. 521, §5 (NEW).]

§1173. ATTORNEY GENERAL AND CIVIL REMEDIES

1. Civil remedies. Any franchisee or motor vehicle dealer who suffers financial loss of money or property, real or personal, or who has been otherwise adversely affected as a result of the use or employment by a franchisor of an unfair method of competition or an unfair or deceptive act or any practice declared unlawful by this chapter may bring an action for damages and equitable relief, including injunctive relief. When the franchisee or dealer prevails, the court shall award attorney's fees to the franchisee or dealer, regardless of the amount in controversy, and assess costs against the opposing party. For the purpose of the award of attorney's fees and costs, whenever the franchisee or dealer is seeking injunctive or other relief, the franchisee or dealer may be considered to have prevailed when a judgment or other final order providing equitable relief is entered in its favor. A final judgment, order or decree rendered against a person in any civil, criminal or administrative proceeding under the United States antitrust laws, under the Federal Trade Commission Act, under the Maine Revised Statutes or under this chapter is regarded as prima facie evidence against the person subject to the conditions set forth in the United States antitrust laws, 15 United States Code, Section 16.

(REPEALED)

SECTION HISTORY

1997, c. 521, §7 (NEW). 2003, c. 356, §5 (RP).

§1174. PROHIBITED CONDUCT

The following acts shall be deemed unfair methods of competition and unfair and deceptive practices. It shall be unlawful for any: [1975, c. 573, (NEW).]

1. Damage to public. Manufacturer, factory branch, factory representative, distributor or wholesaler, distributor branch, distributor representative or motor vehicle dealer to engage in any action which is arbitrary, in bad faith or unconscionable and which causes damage to any of said parties or to the public;

[2013, c. 1, §13 (COR) .]

2. Coercion involving deliveries and orders. Manufacturer, a distributor, a wholesaler, a distributor branch or division, a factory branch or division, or a wholesale branch or division, or officer, agent or other representative thereof, to coerce or attempt to coerce, any motor vehicle dealer:

A. To order or accept delivery of any motor vehicle or vehicles, appliances, equipment, parts or accessories therefor, or any other commodity or commodities which such motor vehicle dealer has not voluntarily ordered, or to order or accept delivery of any motor vehicle with special features, appliances, accessories or equipment not included in the list price of said motor vehicles as publicly advertised by the manufacturer thereof; or [2013, c. 1, §14 (COR).]

B. To order for any person any parts, accessories, equipment, machinery, tools, appliances or any commodity whatsoever; [2013, c. 1, §14 (COR).]

[2013, c. 1, §14 (COR) .]

3. Certain interference in dealer's business. Manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, or wholesale branch or division, or officer, agent or other representative thereof:

A. To refuse to deliver in reasonable quantities and within a reasonable time after receipt of a dealer's order to any motor vehicle dealer having a franchise or contractual arrangement for the retail sale of new motor vehicles sold or distributed by that manufacturer, distributor, distributor branch or division, factory branch or division any motor vehicles or parts or accessories to motor vehicles covered by that franchise or contract specifically publicly advertised by that manufacturer, distributor, distributor branch or division, factory branch or division or wholesale branch or division to be available for delivery. The allocation of new motor vehicles in this State must be made on a fair and equitable basis and must consider the needs of those dealerships with a relevant market area radius of more than 5 miles as defined in section 1174-A, subsection 1. The manufacturer has the burden of establishing the fairness of its allocation system. A failure by a manufacturer to provide to a dealer a fair and adequate supply and mix of vehicles, including the allocation of vehicles under any separate dealer designation, including but not limited to "premier," "business class or elite" or any other designation not available to all new motor vehicle dealers for that franchise, that results in an effort to terminate a new motor vehicle dealer for, in whole or in part, poor sales performance or market penetration may be evidence that the termination was not for good cause. The failure to deliver any motor vehicle is not considered a violation of this chapter if the failure is due to an act of God, work stoppage or delay due to a strike or labor difficulty, shortage of materials, freight embargo or other cause over which the manufacturer, distributor or any agent of the manufacturer or distributor has no control. A separate dealer agreement is not required of a new motor vehicle dealer already a party to a dealer agreement or franchise agreement for the retail sale of any particular new motor vehicle model made or distributed by a manufacturer, distributor, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof, except that a manufacturer or distributor may require a dealer to purchase special tools or equipment, stock reasonable quantities of certain parts, purchase reasonable quantities of promotional materials or participate in training programs that are reasonably necessary for the dealer to sell or service such a new motor vehicle model. Any special tools, parts or signs not used within 2 years of receipt by the dealer may be returned by the dealer to the manufacturer or distributor for a full refund of cost of those special tools, parts and signs; [2013, c. 534, §2 (AMD) .]

B. To coerce, or attempt to coerce, a motor vehicle dealer to enter into an agreement with that manufacturer, distributor, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof, or to do any other act prejudicial to the dealer

by threatening to cancel a franchise or a contractual agreement existing between that manufacturer, distributor, distributor branch or division, factory branch or division or wholesale branch or division and that dealer or by threatening or attempting to modify a franchise during the term of the franchise or upon its renewal, if the modification substantially and adversely affects the motor vehicle dealer's rights, obligations, investment or return on investment, without giving 90 days' written notice by certified mail of the proposed modification to the motor vehicle dealer, unless the modification is required by law or board order. Within the 90-day notice period, the motor vehicle dealer may file with the board and serve notice upon the manufacturer a protest requesting a determination of whether there is good cause for permitting the proposed modification. The manufacturer has the burden of proving good cause. The board shall promptly schedule a hearing and decide the matter within 180 days from the date the protest is filed. Multiple protests pertaining to the same proposed modification must be consolidated for hearing. The proposed modification may not take effect pending the determination of the matter. In determining whether there is good cause for permitting a proposed modification, any relevant factors must be considered, including, but not limited to:

- (1) The reasons for the proposed modification;
- (2) Whether the proposed modification is applied to or affects all motor vehicle dealers in a nondiscriminatory manner;
- (3) Whether the proposed modification will have a substantial and adverse effect upon the motor vehicle dealer's investment or return on investment;
- (4) Whether the proposed modification is in the public interest;
- (5) Whether the proposed modification is necessary to the orderly and profitable distribution; and
- (6) Whether the proposed modification is offset by other modifications beneficial to the motor vehicle dealer.

Notice in good faith to a motor vehicle dealer of that dealer's violation of the terms or provisions of the franchise or contractual agreement does not constitute a violation of this chapter; [2003, c. 356, §6 (AMD).]

C. [1981, c. 331, §4 (RP).]

C-1. To discriminate, directly or indirectly, against a dealer or to take any action to terminate a dealer's franchise based solely upon the results of a survey of a dealer's customers conducted on behalf of a manufacturer, distributor, distributor branch or division, factory branch or division, wholesale branch or division or officer or agent thereof that is intended or otherwise purports to measure the performance of a dealer, except a sales contest or other recognition program based on reasonable sales and service criteria; [1997, c. 521, §9 (NEW).]

D. To resort to or use any false or misleading advertisement in connection with the business as a manufacturer, distributor, distributor branch or division, factory branch or division, wholesaler branch or division or officer, agent or other representative thereof or to force any dealer or association of dealers formed to advertise the sale of new motor vehicles to participate in any advertising campaign or contest or to purchase any promotional materials, display devices or display decorations or materials at the expense of the new motor vehicle dealer; [1997, c. 521, §10 (AMD).]

E. To offer to sell or to sell any new motor vehicle at a lower actual price therefor than the actual price offered to any other motor vehicle dealer for the same model vehicle similarly equipped or to utilize any device including, but not limited to, sales promotion plans or programs which result in such lesser actual price; provided, however, this paragraph shall not apply to sales to a motor vehicle dealer for resale to any unit of the United States Government; and provided, further, the provisions of this paragraph shall not apply to sales to a motor vehicle dealer of any motor vehicle ultimately sold, donated or used by said dealer in a driver education program; and provided further, that this paragraph shall not apply so long as a manufacturer, distributor, wholesaler or any agent thereof, offers to sell or sells new motor vehicles

to all motor vehicle dealers at an equal price. This paragraph shall not apply to sales by a manufacturer, distributor or wholesaler to the United States Government or any agency thereof; [2013, c. 1, §15 (COR).]

F. To offer to sell or lease or to sell or lease a new motor vehicle to any person except a distributor at a lower actual price than the actual price offered and charged to a motor vehicle dealer for the same model vehicle similarly equipped or to utilize any device that results in a lesser actual price; [1997, c. 521, §11 (AMD).]

F-1. To vary or change the cost or the markup in any fashion or through any device whatsoever to any dealer for any motor vehicle of that line make based on:

(1) The purchase by any dealer of furniture or other fixtures from any particular source; or

(2) The purchase by any dealer of computers or other technology from any particular source.

A manufacturer that designates any tool as special or essential, or who requires the purchase of hardware or software, whether or not designated as an essential tool, may recover from the dealer only the actual costs of providing any such tool, the actual costs of user fees, the actual costs of maintenance fees and other costs of any nature of software for any such tool, as long as the tool is directly available only from the manufacturer or its wholly owned subsidiary; [2013, c. 534, §3 (AMD).]

G. To offer to sell or to sell parts or accessories to any new motor vehicle dealer for use in that dealer's own business for the purpose of replacing or repairing the same or a comparable part or accessory, at a lower actual price therefor than the actual price charged to any other new motor vehicle dealer for similar parts or accessories for use in that dealer's own business; provided, however, in those cases where motor vehicle dealers operate and serve as wholesalers of parts and accessories to retail outlets, nothing contained in this chapter shall be construed to prevent a manufacturer, distributor, wholesaler or any agent thereof from selling to a motor vehicle dealer who operates and services as a wholesaler of parts and accessories, such parts and accessories as may be ordered by such motor vehicle dealer for resale to retail outlets, at a lower price than the actual price charged a motor vehicle dealer who does not operate or serve as a wholesaler of parts and accessories; [2013, c. 1, §16 (COR).]

H. To prevent or attempt to prevent by contract or otherwise any motor vehicle dealer from changing the capital structure of that dealer's dealership or the means by or through which that dealer finances the operation of the dealership, provided the dealer at all times meets any reasonable capital standards agreed to between the dealership and the manufacturer, distributor or wholesaler, and provided such change by the dealer does not result in a change in the executive management control of the dealership; [2013, c. 1, §16 (COR).]

I. To prevent or attempt to prevent by contract or otherwise a motor vehicle dealer or an officer, partner or stockholder of a motor vehicle dealer from selling or transferring any part of the interest of any of them to any other person or persons or party or parties, except that a dealer, officer, partner or stockholder does not have the right to sell, transfer or assign the franchise or power of management or control under that franchise without the consent of the manufacturer, distributor or wholesaler, which may not be unreasonably withheld.

A franchisor may not exercise a right of first refusal or other right to acquire a motor vehicle franchise from a franchisee as a means to influence the consideration or other terms offered by a person in connection with the acquisition of the franchise or to influence a person to refrain from entering into, or to withdraw from, negotiations for the acquisition of the franchise.

A franchisor may exercise a right of first refusal or other right to acquire a franchise from a franchisee if all of the following requirements are met:

(1) At the election of the franchisee, the franchisor assumes the lease for or acquires the real property on which the franchise is conducted on the same terms as those on which the real property or lease was to be sold or transferred to the acquiring transferee in connection with the sale of the franchise, unless otherwise agreed to by the franchisee and the franchisor;

- (2) The franchisor assumes all of the obligations of the underlying agreement or proposal that entitles the franchisor to exercise the right of first refusal; and
- (3) The franchisor reimburses the acquiring transferee of the motor vehicle franchise for the reasonable expenses paid or incurred by the transferee in evaluating and investigating the franchise and negotiating and pursuing the acquisition of the franchise prior to the franchisor's exercise of the right of first refusal or other right to acquire the franchise. For purposes of this subsection, expenses to evaluate and investigate the franchise include, in addition to any other expenses associated with the evaluation and investigation of the franchise, legal and accounting expenses and expenses associated with the evaluation and investigation of any real property on which the franchise is conducted, including, but not limited to, expenses associated with title examinations, environmental assessments and other expenses directly related to the acquisition or lease of the real property by the acquiring transferee. Upon reimbursement, any title reports or other reports or studies received by the acquiring transferee as a result of the evaluation or investigation of the franchise or the real property on which the franchise is conducted must be provided to the franchisor. The acquiring transferee shall submit an itemized list of the expenses to be reimbursed along with supporting documents, if any, to the franchisor no later than 30 days after receipt of a written request for an itemized list of the expenses from the franchisor. The franchisor shall make payment within 30 days after the exercise of the right of first refusal.

For purposes of this paragraph, "acquiring transferee" means the person who made the offer that entitles the franchisor to exercise a right of first refusal.

The right of first refusal does not apply in any right of succession established in section 1174-C unless the franchisor and either the franchisee, if the franchisee is not deceased or incapacitated, or, if the franchisee is deceased or incapacitated, the designated family member or other person authorized to succeed the franchisee pursuant to section 1174-C, subsection 1, paragraphs A to C agree to the exercise of a right of first refusal; [1999, c. 766, §2 (AMD).]

J. To obtain money, goods, services, anything of value, or any other benefit from any other person with whom the motor vehicle dealer does business, on account of or in relation to the transactions between the dealer and said other person, unless such benefit is promptly accounted for and transmitted to the motor vehicle dealer; [2013, c. 1, §17 (COR).]

K. To compete with a motor vehicle dealer operating under an agreement or franchise from the manufacturer, distributor or wholesaler in the relevant market area, the area to be determined exclusively by equitable principles, except that a manufacturer or distributor is not considered to be competing when operating a dealership either temporarily for a reasonable period, in any case not to exceed one year, or in a bona fide relationship in which an independent person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions and except that a distributor is not considered to be competing when a wholly owned subsidiary corporation or the distributor sells motor vehicles at retail if, for at least 3 years prior to January 1, 1975, the subsidiary corporation has been a wholly owned subsidiary of the distributor and engaged in the sale of motor vehicles at retail; [1997, c. 521, §13 (AMD).]

L. To require a motor vehicle dealer to assent to a release assignment, novation, waiver or estoppel which would relieve any person from liability imposed by this chapter; [2013, c. 1, §18 (COR).]

M. To require, coerce or attempt to coerce a franchisee to refrain from participation in the management of, investment in or the acquisition of any other line of new motor vehicle or related products as long as the franchisee maintains a reasonable line of credit for each franchise and the franchisee remains in substantial compliance with reasonable facilities requirements of the franchisor. The reasonable facilities requirements may not include any requirement that a franchisee establish or maintain exclusive facilities, personnel or display space; [2003, c. 356, §7 (AMD).]

N. To require any new motor vehicle dealer to change the location of the new motor vehicle dealership or during the course of the agreement or as a condition of renewal of a franchise agreement to make any substantial alterations to the dealership premises when to do so would be unreasonable. A manufacturer may not require any substantial alterations or renovations to the dealership's premises without written assurance of a sufficient supply of new motor vehicles so as to justify an expansion in light of the current market and economic conditions or require any new motor vehicle dealer to use a specific product or service provider in relation to any dealership premises or facilities alterations or renovations unless the manufacturer reimburses the dealer for a substantial portion, which may not be less than 55%, of the cost of the product or service provider. However, a new motor vehicle dealer may elect to use a vendor selected by the dealer if the product or service is substantially similar in quality and design to that required by the manufacturer, subject to the manufacturer's approval, which may not be unreasonably withheld. A manufacturer may not require any substantial renovation or alteration to dealership premises or facilities without providing, upon a dealer's request, a dealer-specific detailed economic analysis of the impact of the alteration or renovation on sales, service and dealer profitability that substantiates the need for the alteration or renovation or require a new motor vehicle dealer to make any substantial alterations or renovations more than once every 10 years. A dealer-specific economic analysis provided by the manufacturer may not be interpreted as a guaranty of a return on investment by the dealer. Nothing in this paragraph creates an exemption from the requirements of state health and safety laws or local zoning laws or restricts the requirement to comply with alterations or renovations that are necessary to adequately sell or service a vehicle due to the technology of the vehicle. Nothing in this paragraph allows a dealer or vendor to infringe upon or impair a manufacturer's intellectual property or trademark and trade dress rights. A manufacturer is not required to reimburse a dealer for the cost of signs or other materials bearing that manufacturer's own trademark; [2013, c. 534, §4 (AMD).]

O. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new motor vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise and notwithstanding the terms or provisions of any waiver, unless a manufacturer has:

- (1) Satisfied the notice requirement of paragraph R;
- (2) Acted in good faith as defined in this chapter; and
- (3) Has good cause for the cancellation, termination, nonrenewal or noncontinuance.

The manufacturer has the burden of proof for showing that it has acted in good faith, that the notice requirements have been complied with and that there was good cause for the franchise termination, cancellation, nonrenewal or noncontinuance; [1997, c. 521, §15 (AMD).]

P. To terminate, fail to renew or refuse to continue any franchise relationship with a licensed new motor vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise or the terms or provisions of any waiver, unless good cause exists. Good cause may not be shown or based solely on the desire of the manufacturer, distributor, distributor branch or division or officer, agent or other representative thereof for market penetration. Good cause exists for the purposes of a termination, cancellation, nonrenewal or noncontinuance when:

- (1) There is a failure by the new motor vehicle dealer to comply with a provision of the franchise, which provision is both reasonable and of material significance to the franchise relationship, as long as compliance on the part of the new motor vehicle dealer is reasonably possible and the manufacturer first acquired actual or constructive knowledge of the failure not more than 180 days prior to the date on which notification is given pursuant to paragraph R.

When the failure by the new motor vehicle dealer relates to the performance of the new motor vehicle dealer in sales or service, the failure of the new motor vehicle dealer to effectively carry out the performance provisions of the franchise is good cause if:

- (a) The new motor vehicle dealer was apprised by the manufacturer in writing of that failure; the notification stated that notice was provided of failure of performance pursuant to this section; and the new motor vehicle dealer was afforded a reasonable opportunity for a period of not less than 180 days to exert good faith efforts to carry out the performance provisions;

(b) The failure thereafter continued within the period that began not more than 180 days before the date notification of termination, cancellation, noncontinuance or nonrenewal was given pursuant to paragraph R; and

(c) The new motor vehicle dealer has not substantially complied with reasonable performance criteria established by the manufacturer and communicated to the dealer; or

(3) The dealer and the manufacturer or distributor agree not to renew the franchise, although the dealer is entitled to the protections set forth in paragraph S in any termination, cancellation, nonrenewal or noncontinuance, whether by the manufacturer or the dealer; however, a termination, cancellation, nonrenewal or noncontinuance resulting from a sale of the assets or stock of the dealer or when a franchisee of motor homes, as defined in Title 29-A, section 101, subsection 40, voluntarily terminates a motor home franchise is exempt from the requirements of paragraph S; [2009, c. 367, §3 (AMD).]

Q. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new motor vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise or notwithstanding the terms or provisions of any waiver, based on any of the following items, which do not constitute good cause:

(1) The change of ownership of the new motor vehicle dealer's dealership. This subparagraph does not authorize any change in ownership that would have the effect of the sale of the franchise without the manufacturer's or distributor's written consent. This consent may not be unreasonably withheld. The burden of establishing the reasonableness is on the manufacturer or distributor;

(2) The fact that the new motor vehicle dealer unreasonably refused to purchase or accept delivery of any new motor vehicle parts, accessories or any other commodity or services not ordered by the new motor vehicle dealer, except that the manufacturer may require that the dealer stock a reasonable supply of parts or accessories as required to perform campaign, recall or warranty work and except that this provision is not intended to modify or supersede any requirement of the franchise that dealers market a representative line of those motor vehicles that the manufacturer is publicly advertising;

(3) The fact that the new motor vehicle dealer owns, has an investment in, participates in the management of or holds a license for the sale of another make or line of new motor vehicle or that the new motor vehicle dealer has established another make or line of new motor vehicle in the same dealership facilities as those of the manufacturer, provided that the new motor vehicle dealer maintains a reasonable line of credit for each make or line of new motor vehicle and that the new motor vehicle dealer remains in substantial compliance with reasonable facilities' requirements of the manufacturer;

(4) The fact that the new motor vehicle dealer sells or transfers ownership of the dealership or sells or transfers capital stock in the dealership to the new motor vehicle dealer's spouse, son or daughter and the manufacturer shall give effect to that change in the ownership in the franchise unless the transfer of the new motor vehicle dealer's license is denied or the new owner is unable to license. This paragraph does not authorize any changes in ownership that have the effect of the sale of the franchise without the manufacturer's or distributor's written consent. This consent may not be unreasonably withheld. The burden of establishing the reasonableness is on the manufacturer or distributor; or

(4-A) The fact that there is a survey or surveys of a dealer's customers conducted by or on behalf of the manufacturer, distributor, distributor branch or distributor representative, factory branch or factory representative that is intended or otherwise purports to measure the performance of a dealer; [1997, c. 521, §17 (AMD).]

R. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new motor vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise or the terms or provisions of any waiver, without first furnishing notification of the termination to the new motor vehicle dealer as follows:

- (1) Notification under this paragraph shall be in writing, shall be by certified mail or personally delivered to the new motor vehicle dealer and shall contain:
 - (a) A statement of intention to terminate the franchise, cancel the franchise or not to renew the franchise;
 - (b) A statement of the reasons for the termination, cancellation or nonrenewal; and
 - (c) The date on which the termination, cancellation or nonrenewal takes effect;
- (2) The notice described in this paragraph shall not be less than 90 days prior to the effective date of the termination, cancellation or nonrenewal; or
- (3) The notice described in this paragraph shall not be less than 15 days prior to the effective date of the termination, cancellation or nonrenewal with respect to any of the following:
 - (a) Insolvency of the new motor vehicle dealer, or filing of any petition by or against the new motor vehicle dealer under any bankruptcy or receivership law; [1995, c. 65, Pt. A, §15 (AMD); 1995, c. 65, Pt. A, §153 (AFF); 1995, c. 65, Pt. C, §15 (AFF).]
 - (b) The business operations of the franchised motor vehicle dealer have been abandoned or closed for 7 consecutive business days unless the closing is due to an act of God, strike or labor difficulty;
 - (c) Conviction of or plea of nolo contendere of a franchised motor vehicle dealer, or one of its principal owners, of any Class A, B or C crime, as defined in the Maine Criminal Code, Title 17-A, in which a sentence of imprisonment of one year or more is imposed under Title 17-A, sections 1251 and 1252; or
 - (d) Revocation of the franchised motor vehicle dealer's license pursuant to Title 29-A, section 903; [1995, c. 65, Pt. A, §15 (AMD); 1995, c. 65, Pt. A, §153 (AFF); 1995, c. 65, Pt. C, §15 (AFF).]

S. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new motor vehicle dealer without providing fair and reasonable compensation to the licensed new motor vehicle dealer for:

- (1) All unsold new model motor vehicle inventory of the current and previous model year purchased from the manufacturer;
- (2) Supplies and parts purchased from the manufacturer or its approved sources that are listed in the current parts catalog or identical to a part in the current parts catalog except for the number assigned to the part, and that can be used for repairs under the terms of a manufacturer's new motor vehicle warranty;
- (3) Equipment and furnishings purchased from the manufacturer or its approved sources less a reasonable allowance for normal wear and tear; and
- (4) Special tools and automotive service equipment owned by the dealer that were designated as special tools or equipment and required by and purchased from the manufacturer or its approved sources, if the tools and equipment are in useable and good condition, normal wear and tear excepted.

Except for a termination related to a conviction and imprisonment for a felony involving moral turpitude that is substantially related to the qualifications, functions or duties of a franchisee, if the new motor vehicle dealer is leasing the dealership facilities from a lessor other than the manufacturer, the manufacturer shall pay the new motor vehicle dealer a sum equivalent to one year's rent or, if the new motor vehicle dealer owns the facilities, the manufacturer shall pay the new motor vehicle dealer a sum equivalent to the reasonable rental value of the facilities for one year, prorated for each line make at the facility based on total sales volume of each line make at the facility for the calendar year prior to the involuntary termination, cancellation, noncontinuance or nonrenewal. The manufacturer shall pay the

new motor vehicle dealer the sum equivalent to the rent or the reasonable rental value of the facilities when possible within 90 days of the effective date of the termination, cancellation, noncontinuance or nonrenewal if the new motor vehicle dealer has notified the manufacturer of the amount of rent or reasonable rental value to which the dealer is entitled.

The fair and reasonable compensation for the items listed in subparagraphs (1) to (4) may in no instance be less than the acquisition price and must be paid by the manufacturer when possible within 90 days of the effective date of the termination, cancellation, noncontinuance or nonrenewal, provided that the new motor vehicle dealer has clear title to the inventory and other items and is in a position to convey that title to the manufacturer. These items must be paid for by the manufacturer when possible within 90 days of the effective date of the termination, cancellation, noncontinuance or nonrenewal.

In order to be entitled to rental assistance from the manufacturer, the dealer is obligated to mitigate rental assistance by listing the dealership facilities for lease or sublease with a licensed real estate agent within 30 days after the effective date of the termination of the franchise and thereafter by reasonably cooperating with the real estate agent in the performance of the agent's duties and responsibilities. In the event that the dealer is able to lease or sublease the dealership facilities on terms that are consistent with local zoning requirements to preserve the right to sell motor vehicles from the dealership facilities and the terms of the dealer's lease, the dealer is required to pay the manufacturer the net revenue received from such mitigation, but only following receipt of rental assistance payments pursuant to this paragraph and only up to the total amount of rental assistance payments that the dealer has received. If the facility is used for the operations of more than one franchise, the dealer does not have a duty to list the dealership facilities, and the reasonable rental assistance must be paid based upon the portion of the facility used by the franchise being terminated, cancelled, noncontinued or nonrenewed for one year unless the space is filled with another product line, in which case no rental payments are required.

In lieu of any injunctive relief or any other damages, if the manufacturer fails to prove there was good cause for the termination, cancellation, noncontinuance or nonrenewal, or if the manufacturer fails to prove that it acted in good faith, then the manufacturer may pay the new motor vehicle dealer fair and reasonable compensation for the value of the dealership as an ongoing business; [2009, c. 367, §4 (AMD).]

T. To act as, offer to act as or purport to be a broker; [2013, c. 534, §5 (AMD).]

U. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new motor vehicle dealer not less than 180 days prior to the effective date of such termination, cancellation, noncontinuance or nonrenewal that occurs in whole or in part as a result of any change in ownership, operation or control of all or any part of the business of the manufacturer, whether by sale or transfer of assets, corporate stock or other equity interest, assignment, merger, consolidation, combination, joint venture, redemption, operation of law or otherwise; or the termination, suspension or cessation of a part or all of the business operations of the manufacturer; or discontinuance of the sale of the product line or a change in distribution system by the manufacturer, whether through a change in distributors or the manufacturer's decision to cease conducting business through a distributor altogether.

In addition to any other payments or requirements in this chapter, if a termination, cancellation, noncontinuance or nonrenewal was premised in whole or in part upon any of the occurrences set forth in this paragraph, the manufacturer is liable to the licensed new motor vehicle dealer in an amount at least equivalent to the fair market value of the franchise arising from the termination, cancellation, noncontinuance or nonrenewal of the franchise.

(1) If liability is based on the fair market value of the franchise, which must include diminution in value of the facilities leased or owned by the dealer as a result of the loss of the franchise to operate in the facilities, the fair market value must be computed on the date in divisions (a) to (c) that yields the highest fair market value:

(a) The date the manufacturer announces the action that results in termination, cancellation, noncontinuance or nonrenewal;

- (b) The date the action that results in termination, cancellation, noncontinuance or nonrenewal first becomes general knowledge; or
- (c) The date 12 months prior to the date on which the notice of termination, cancellation, noncontinuance or nonrenewal is issued.

If the termination, cancellation, noncontinuance or nonrenewal is due to the manufacturer's change in distributors, the manufacturer may avoid paying fair market value to the licensed new motor vehicle dealer if the new distributor or the manufacturer offers the dealer a franchise agreement with terms acceptable to the dealer.

If an entity other than the original manufacturer of a line make becomes the manufacturer for the line make and intends to distribute motor vehicles of that line make in this State, that entity shall honor the franchise agreements of the original manufacturer and its licensed new motor vehicle dealers or offer those dealers of that line make, or of motor vehicles historically of that line make that are substantially similar in their design and specifications and are manufactured in the same facility or facilities, a new franchise agreement with substantially similar terms and conditions; or [2015, c. 329, Pt. C, §1 (AMD); 2015, c. 329, Pt. C, §4 (AFF).]

V. Except as expressly authorized in this paragraph, to require a motor vehicle dealer to provide its customer lists, customer information, consumer contact information, transaction data or service files.

(1) The following definitions apply to this paragraph.

- (a) "Dealer management computer system" means a computer hardware and software system that is owned or leased by the dealer, including a dealer's use of web applications, software or hardware, whether located at the dealership or provided at a remote location, and that provides access to customer records and transactions by a motor vehicle dealer and that allows the motor vehicle dealer timely information in order to sell vehicles, parts or services through that motor vehicle dealership.
- (b) "Dealer management computer system vendor" means a seller or reseller of dealer management computer systems, a person that sells computer software for use on dealer management computer systems or a person that services or maintains dealer management computer systems, but only to the extent the seller, reseller or other person listed is engaged in such activities.
- (c) "Security breach" means an incident of unauthorized access to and acquisition of records or data containing dealership or dealership customer information through which unauthorized use of the dealership or dealership customer information has occurred or is reasonably likely to occur or that creates material risk of harm to a dealership or a dealership's customer. An incident of unauthorized access to and acquisition of records or data containing dealership or dealership customer information, or an incident of disclosure of dealership customer information to one or more 3rd parties that was not specifically authorized by the dealer or customer, constitutes a security breach.

(2) Any requirement by a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof that a new motor vehicle dealer provide its customer lists, customer information, consumer contact information, transaction data or service files as a condition of the dealer's participation in any incentive program or contest, for a customer or dealer to receive any incentive payments otherwise earned under an incentive program or contest, for the dealer to obtain customers or customer leads or for the dealer to receive any other benefits, rights, merchandise or services that the dealer would otherwise be entitled to obtain under the franchise or any other contract or agreement or that are customarily provided to dealers is voidable at the option of the dealer, unless all of the following conditions are satisfied:

- (a) The customer information requested relates solely to the specific program requirements or goals associated with such manufacturers' or distributors' own new vehicle makes or specific vehicles of their own make that are certified preowned vehicles and the dealer is not required to provide general customer information or other information related to the dealer;
- (b) The requirement is lawful and would not require the dealer to allow any customer the right to opt out under the federal Gramm-Leach-Bliley Act, 15 United States Code, Chapter 94, Subchapter I; and
- (c) The dealer is not required to allow the manufacturer, distributor or a 3rd party to have direct access to the dealer's dealer management computer system, but the dealer is instead permitted to provide the same dealer, consumer or customer data or information specified by the manufacturer or distributor by timely obtaining and pushing or otherwise furnishing the required data in a widely accepted file format in accordance with subparagraph (11).
- (3) Nothing contained in this section limits the ability of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof to require that the dealer provide, or use in accordance with law, customer information related solely to that manufacturer's or distributor's own vehicle makes to the extent necessary to:
- (a) Satisfy any safety or recall notice obligations;
- (b) Complete the sale and delivery of a new motor vehicle to a customer;
- (c) Validate and pay customer or dealer incentives; or
- (d) Submit to the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof claims under section 1176.
- (4) At the request of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof, a dealer may be required to provide customer information related solely to that manufacturer's, distributor's, wholesaler's, distributor branch's or division's, factory branch's or division's or wholesale branch's or division's own vehicle makes for reasonable marketing purposes, market research, consumer surveys, market analysis and dealership performance analysis, except that the dealer is required to provide such customer information only if the provision of the information is lawfully permissible, the requested information relates solely to specific program requirements or goals associated with the manufacturer's or distributor's own vehicle makes and does not require the dealer to provide general customer information or other information related to the dealer and the requested information can be provided without requiring that the dealer allow any customer the right to opt out under the federal Gramm-Leach-Bliley Act, 15 United States Code, Chapter 94, Subchapter I.
- (5) A manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent, dealer management computer system vendor or other representative thereof, or a 3rd party acting on behalf of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agency, dealer management computer system vendor or other representative thereof, may not access or obtain dealer or customer data from or write dealer or customer data to a dealer management computer system used by a motor vehicle dealer or require or coerce a motor vehicle dealer to use a particular dealer management computer system, unless the dealer management computer system allows the dealer to reasonably maintain the security, integrity and confidentiality of the data maintained in the system. A manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent, dealer management computer system vendor or other representative thereof, or a 3rd party acting on behalf of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agency, dealer management computer system vendor or

other representative thereof, may not prohibit a dealer from providing a means to regularly and continually monitor the specific data accessed from or written to the dealer's dealer management computer system or from complying with applicable state and federal laws, rules and regulations. Nothing in this subparagraph imposes an obligation on a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent, dealer management computer system vendor or other representative thereof, or a 3rd party acting on behalf of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agency, dealer management computer system vendor or other representative thereof, to provide such capability.

(6) A manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor, or a 3rd party acting on behalf of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor may not access or use customer or prospect information maintained in a dealer management computer system used by a motor vehicle dealer for purposes of soliciting a customer or prospect on behalf of, or directing a customer or prospect to, any other dealer. The limitations in this subsection do not apply to:

(a) A customer that requests a reference to another dealership;

(b) A customer that moves more than 60 miles away from the dealer whose data were accessed;

(c) Customer or prospect information that was provided to the dealer by the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof; or

(d) Customer or prospect information obtained by the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof in which the dealer agrees to allow the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor the right to access and use the customer or prospect information maintained in the dealer's dealer management computer system for purposes of soliciting a customer or prospect of the dealer on behalf of or directing a customer or prospect to any other dealer in a separate, stand-alone written instrument dedicated solely to such an authorization.

(7) A manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor may not provide access to customer or dealership information maintained in a dealer management computer system used by a motor vehicle dealer without first obtaining the dealer's prior express written consent, revocable by the dealer upon 5 days' written notice, to provide such access. Prior to obtaining such consent and prior to entering into an initial contract or renewal of a contract with a dealer, the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of or through a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor shall provide to the dealer a written list of all specific 3rd parties to whom any data obtained

from the dealer have actually been provided within the 12-month period ending November 1st of the prior year. The list must describe the scope and specific fields of the data provided. In addition to the initial list, a dealer management computer system vendor or a 3rd party acting on behalf of or through a dealer management computer system vendor must provide to the dealer an annual list of 3rd parties to whom such data are actually being provided on November 1st of each year and to whom the data have actually been provided in the preceding 12 months and describe the scope and specific fields of the data provided. Lists required pursuant to this subparagraph must be provided to the dealer by January 1st of each year. A dealer management computer system vendor's contract that directly relates to the transfer or accessing of dealer or dealer customer information must conspicuously state: "NOTICE TO DEALER: THIS AGREEMENT RELATES TO THE TRANSFER AND ACCESSING OF CONFIDENTIAL INFORMATION AND CONSUMER-RELATED DATA." Consent in accordance with this subparagraph does not change any such person's obligations to comply with the terms of this section and any additional state or federal laws, rules and regulations. A dealer management computer system vendor may not refuse to provide a dealer management computer system to a motor vehicle dealer if the dealer refuses to provide consent under this subparagraph.

(8) A dealer management computer system vendor or 3rd party acting on behalf of or through a dealer management computer system vendor may not access or obtain data from or write data to a dealer management computer system used by a motor vehicle dealer unless the dealer management computer system allows the dealer to reasonably maintain the security, integrity and confidentiality of customer and dealer information maintained in the system. A dealer management computer system vendor or 3rd party acting on behalf of or through a dealer management computer system vendor may not prohibit a dealer from providing a means to regularly and continually monitor the specific data accessed from or written to the dealer management computer system and from complying with applicable state and federal laws, rules and regulations. This subparagraph does not impose on a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of or through a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor an obligation to provide such capability.

(9) A manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of or through a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor that has electronic access to customer or motor vehicle dealership data in a dealer management computer system used by a motor vehicle dealer shall provide notice to the dealer of any security breach of dealership or customer data obtained through that access, which at the time of the security breach was in the possession or custody of the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party. The disclosure notification must be made without unreasonable delay by the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party following discovery by the person, or notification to the person, of the security breach. The disclosure notification must describe measures reasonably necessary to determine the scope of the security breach and corrective actions that may be taken in an effort to restore the integrity, security and confidentiality of the data; these measures and corrective actions must be implemented as soon as practicable by all persons responsible for the security breach.

(10) Nothing in this section precludes, prohibits or denies the right of the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof to receive customer or dealership information from a motor vehicle dealer for the purposes of complying with federal or state safety requirements or implement any steps related to manufacturer recalls at such times as necessary in order to comply with federal and state requirements or manufacturer recalls as long as receiving this information from the dealer does not impair, alter or reduce the security, integrity and confidentiality of the customer and dealership information collected or generated by the dealer.

(11) Notwithstanding any of the terms or provisions contained in this subparagraph or in any consent, authorization, release, novation, franchise or other contract or agreement, whenever any manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of or through a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor requires that a new motor vehicle dealer provide any dealer, consumer or customer data or information through direct access to a dealer's dealer management computer system, the dealer is not required to provide, and may not be required to consent to provide in a written agreement, that direct access to its dealer management computer system. The dealer may instead provide the same dealer, consumer or customer data or information specified by the requesting party by timely obtaining and furnishing the requested data to the requesting party in a widely accepted file format except that, when a dealer would otherwise be required to provide direct access to its dealer management computer system under the terms of a consent, authorization, release, novation, franchise or other contract or agreement, a dealer that elects to provide data or information through other means may be charged a reasonable initial setup fee and a reasonable processing fee based on actual incremental costs incurred by the party requesting the data for establishing and implementing the process for the dealer. A term or provision contained in a consent, authorization, release, novation, franchise or other contract or agreement that is inconsistent with this subsection is voidable at the option of the dealer.

(12) Notwithstanding the terms or conditions of any consent, authorization, release, novation, franchise or other contract or agreement, a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of or through a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor that has electronic access to consumer or customer data or other information in a dealer management computer system used by a new motor vehicle dealer, or who has otherwise been provided consumer or customer data or other information by the dealer, shall fully indemnify and hold harmless a dealer from whom it has acquired that consumer or customer data or other information from all damages, costs and expenses incurred by that dealer, including, but not limited to, judgments, settlements, fines, penalties, litigation costs, defense costs, court costs and attorney's fees arising out of complaints, claims, civil or administrative actions and, to the fullest extent allowable under the law, governmental investigations and prosecutions to the extent caused by the access, storage, maintenance, use, sharing, disclosure or retention of that dealer's consumer or customer data or other information by the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor or a 3rd party acting on behalf of or through a manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division or officer, agent or other representative thereof or dealer management computer system vendor. [2015, c. 329, Pt. C, §2 (AMD); 2015, c. 329, Pt. C, §4 (AFF).]

[2015, c. 329, Pt. C, §§1-3 (AMD); 2015, c. 329, Pt. C, §4 (AFF) .]

3-A. Successor manufacturer. Successor manufacturer, for a period of 5 years from the date of acquisition of control by that successor manufacturer, to offer a franchise to any person for a line make of a predecessor manufacturer in any franchise market area in which the predecessor manufacturer previously cancelled, terminated, noncontinued, failed to renew or otherwise ended a franchise agreement with a franchisee who had a franchise facility in that franchise market area without first offering the franchise to the former franchisee at no cost, unless:

A. Within 30 days of the former franchisee's cancellation, termination, noncontinuance or nonrenewal, the predecessor manufacturer had consolidated the line make with another of its line makes for which the predecessor manufacturer had a franchisee with a then-existing franchise facility in that franchise market area; [2009, c. 432, §2 (NEW).]

B. The successor manufacturer has paid the former franchisee the fair market value of the former franchisee's motor vehicle dealership in accordance with this subsection; or [2009, c. 432, §2 (NEW) .]

C. The successor manufacturer proves that the former franchisee is not competent to be a franchisee. [2009, c. 432, §2 (NEW).]

For purposes of this subsection, "franchise market area" means the area located within 15 miles of the territorial limits of the municipality in which the former franchisee's franchise facility was located.

For purposes of this subsection, the fair market value of a former franchisee's motor vehicle dealership must be calculated as of the date of the following that yields the highest fair market value: the date the predecessor manufacturer announced the action that resulted in the cancellation, termination, noncontinuance or nonrenewal; the date the action that resulted in cancellation, termination, noncontinuance or nonrenewal became final; or the date 12 months prior to the date that the predecessor manufacturer announced the action that resulted in the cancellation, termination, noncontinuance or nonrenewal; and

[2013, c. 1, §20 (COR) .]

4. Dealer violations. Motor vehicle dealer:

A. To require a purchaser of a new motor vehicle, as a condition of sale and delivery thereof, to also purchase special features, appliances, equipment, parts or accessories not desired or requested by the purchaser; provided, however, that this prohibition does not apply as to special features, appliances, equipment, parts or accessories that are already installed on the car when received by the dealer; provided further, that the motor vehicle dealer prior to the consummation of the purchase reveals to the purchaser the substance of this paragraph; [1995, c. 269, §1 (AMD).]

B. To represent and sell as a new motor vehicle, without disclosure, any motor vehicle that has been used and operated for demonstration purposes or is otherwise a used motor vehicle; [1997, c. 521, §20 (AMD) .]

C. To resort to or use any false or misleading advertisement in connection with business as a motor vehicle dealer; [1997, c. 521, §20 (AMD).]

D. To fail to disclose conspicuously in writing the motor vehicle dealer's policy in relation to the return of deposits received from any person. A dealer shall require that a person making a deposit sign the form on which the disclosure appears; [2009, c. 1, §12 (COR) .]

E. To fail to disclose in writing to a purchaser of a new motor vehicle before entering into a sales contract that the new motor vehicle has been damaged and repaired if the dealer has knowledge of the damage or repair and if the damage calculated at the retail cost of repair to the new motor vehicle exceeds 5% of the manufacturer's suggested retail price, except that a new motor vehicle dealer is not required to disclose to a purchaser that any glass, bumpers, audio system, instrument panel,

communication system or tires were damaged at any time if the glass, bumpers, audio system, instrument panel, communication system or tires have been replaced with original or comparable equipment; or [2009, c. 1, §13 (COR).]

F. To fail to disclose in writing to a potential purchaser or lessee of a motor vehicle that the motor vehicle had previously been returned to the manufacturer pursuant to either a lemon law arbitration decision or a lemon law settlement agreement in a state other than this State if known to the dealer. If that information is known to the dealer, this disclosure must be clear and conspicuous. For the purpose of this section, "lemon law" refers to any state's certified dispute settlement law that establishes a state-certified arbitration procedure to settle consumer complaints that the consumer had been sold a vehicle that did not conform to all manufacturer express warranties and that the manufacturer had not been able to repair or correct the defect or condition that impaired the vehicle. [2009, c. 53, §1 (NEW).]

§1174-A. LIMITATIONS ON ESTABLISHING OR RELOCATING DEALERSHIPS

No new motor vehicle dealership may be established and no existing motor vehicle dealership may be relocated, except as follows. [1981, c. 331, §7 (NEW).]

1. Notification. In the event that a manufacturer seeks to enter into a franchise establishing an additional new motor vehicle dealership or relocating an existing new motor vehicle dealership, within or into a relevant market area where the same line make is then represented, the manufacturer shall, in writing, first notify each new motor vehicle dealer in the line make in the relevant market area of the intention to establish an additional dealership or to relocate an existing dealership within or into that market area. The relevant market area shall be a radius of 5 miles around an existing dealership in the following cities: Augusta; Auburn; Bangor; Biddeford; Brewer; Falmouth; Lewiston; Portland; Saco; South Portland; Waterville; and Westbrook. The relevant market area shall be a radius of 10 miles around all other existing dealerships.

Within 30 days of receiving the notice or within 30 days after the end of any appeal procedure provided by the manufacturer, any such new motor vehicle dealership may file a complaint in the Superior Court of the county in which the dealership is located, protesting the establishing or relocating of the new motor vehicle dealership. When such a complaint is filed, the manufacturer may not establish or relocate the proposed new motor vehicle dealership until a hearing has been held on the merits, nor thereafter, if the court has determined that there is good cause for not permitting the new motor vehicle dealership. For the purposes of this section, the reopening in a relevant market area of a new motor vehicle dealership that has not been in operation for one year or more is deemed the establishment of an additional new motor vehicle dealership.

[1981, c. 331, §7 (NEW).]

2. Good cause. In determining whether good cause has been established for not entering into or relocating an additional franchise for the same line make, the court shall take into consideration the existing circumstances, including, but not limited to:

A. Permanency of the investment of both the existing and proposed new motor vehicle dealers; [1981, c. 331, §7 (NEW).]

B. Effect on the retail new motor vehicle business and the consuming public in the relevant market area; [1981, c. 331, §7 (NEW).]

C. Whether it is injurious or beneficial to the public welfare for an additional new motor vehicle dealer to be established; [1981, c. 331, §7 (NEW).]

D. Whether the new motor vehicle dealers of the same line make in that relevant market area are providing adequate competition and convenient consumer care for the motor vehicles of the line make in the market area which includes the adequacy of motor vehicle sales and service facilities, equipment, supply of motor vehicle parts and qualified service personnel; [1981, c. 331, §7 (NEW).]

E. Whether the establishment of an additional new motor vehicle dealership would increase competition and therefore be in the public interest; and [1981, c. 331, §7 (NEW).]

F. The effect on the relocating dealer as a result of not being permitted to relocate. [1981, c. 331, §7 (NEW).]

§1174-B. TRANSPORTATION DAMAGES

1. Liability of a new dealer after acceptance. Notwithstanding the terms, provisions or conditions of any agreement or franchise, the new motor vehicle dealer is solely liable for damages to new motor vehicles after acceptance from the carrier and before delivery to the ultimate purchaser.

[1981, c. 331, §7 (NEW) .]

2. Liability of manufacturer. Notwithstanding the terms, provisions or conditions of any agreement or franchise, the manufacturer is liable for all damages to motor vehicles before delivery to a carrier or transporter.

[1981, c. 331, §7 (NEW) .]

3. Additional liability of dealer. The new motor vehicle dealer is liable for damages to new motor vehicles after delivery to the carrier only if the dealer selects the method of transportation, mode of transportation and the carrier. In all other instances, the manufacturer is liable for carrier-related new motor vehicle damage, except that the new motor vehicle dealer must annotate the bill of lading or other carrier document indicating damages observed at the time of delivery to the motor vehicle dealer, and that the dealer shall promptly notify the manufacturer of any concealed damage discovered after delivery.

SECTION HISTORY

1981, c. 331, §7 (NEW).

§1174-C. SURVIVORSHIP

1. Right of family member. The right of a designated family member to succeed in dealer ownership is governed by the following provisions.

A. A designated family member of a deceased, incapacitated or retiring new motor vehicle dealer, which family member has been designated under the will of the dealer or in writing to the manufacturer, distributor, factory branch, factory representative or importer, may succeed the dealer in the ownership or operation of the dealership under the existing franchise or distribution agreement if the designated

family member gives the manufacturer, distributor, factory branch, factory representative or importer of new motor vehicles written notice of the intention to succeed to the dealership within 120 days of the dealer's death, incapacity or retirement and unless there exists good cause for refusal to honor the succession on the part of the manufacturer, factory branch, factory representative, distributor or importer. [2003, c. 356, §9 (AMD).]

B. The manufacturer, distributor, factory branch, factory representative or importer may request and the designated family member shall provide, upon the request, on forms provided for that purpose, personal and financial data that is reasonably necessary to determine whether the succession shall be honored. [1981, c. 331, §7 (NEW).]

C. In addition to a designated family member, a person who has been a general manager or other employee with significant and varied managerial experience for a dealer for at least 5 years may be designated by that dealer to succeed in dealer ownership, and the designee has the same rights and status as a designated family member. [1997, c. 521, §24 (NEW).]

[2003, c. 356, §9 (AMD).]

2. Refusal to honor; notice required. The refusal to honor the succession to ownership is governed by the following provisions.

A. If a manufacturer, distributor, factory branch, factory representative or importer believes that good cause exists for refusing to honor the succession to the ownership and operation of a dealership by a family member of a deceased or incapacitated new motor vehicle dealer under the existing franchise agreement, the manufacturer, distributor, factory branch, factory representative or importer may, within 60 days of receipt of the information requested in subsection 1, paragraph B, serve upon the designated family member notice of its refusal to honor the succession or its intent to discontinue the existing franchise agreement with the dealership no sooner than 90 days from the date the notice is served. [1981, c. 331, §7 (NEW).]

B. The notice shall state the specific grounds for the refusal to honor the succession and of its intent to discontinue the existing franchise agreement with the dealership no sooner than 90 days from the date the notice is served. [1981, c. 331, §7 (NEW).]

C. If notice of refusal and discontinuance is not timely served upon the family member, the franchise agreement shall continue in effect subject to termination only as otherwise permitted by this section. [1981, c. 331, §7 (NEW).]

[1981, c. 331, §7 (NEW).]

3. Written designation of succession unaffected. This section does not preclude a new motor vehicle dealer from designating any person as his successor by written instrument filed with the manufacturer, distributor, factory branch, factory representative or importer.

§1175. DELIVERY AND PREPARATION OBLIGATIONS; PRODUCT LIABILITY AND IMPLIED WARRANTY COMPLAINTS

Every manufacturer shall specify to the dealer the delivery and preparation obligations of its motor vehicle dealers prior to delivery of new motor vehicles to retail buyers. The delivery and preparation obligations of its motor vehicle dealers and a schedule of the compensation to be paid to its motor vehicle dealers for the work and services they shall be required to perform in connection with such delivery and

preparation obligations shall constitute any such dealer's only responsibility for product liability as between such dealer and such manufacturer. The compensation as set forth on said schedule shall be reasonable. [1975, c. 573, (NEW).]

In any action or claim brought against the dealer on a product liability complaint in which it is later determined that the manufacturer is liable, the dealer shall be entitled, from the manufacturer, to receive its reasonable costs and attorney's fees incurred in defending the claim or action. [1979, c. 498, §2 (NEW).]

In any action or claim brought against the dealer on a breach of implied warranty complaint in which it is later determined that the manufacturer is liable, the dealer shall be entitled, from the manufacturer, to receive its reasonable costs and attorney's fees incurred in defending the claim or action. In any such implied warranty action, a dealer shall have the rights of a buyer under Title 11, section 2-607, subsection (5). [1985, c. 221, (NEW).]

The court shall consider the dealer's share in the responsibility for the damages in awarding costs and attorney's fees. [1979, c. 498, §2 (NEW).]

§1176. WARRANTY

If a motor vehicle franchisor requires or permits a motor vehicle franchisee to perform labor or provide parts in satisfaction of a warranty created by the franchisor, the franchisor shall properly and promptly fulfill its warranty obligations, in the case of motor vehicles over 10,000 pounds gross vehicle weight rating, shall adequately and fairly compensate the franchisee for any parts so provided and, in the case of all other motor vehicles, shall reimburse the franchisee for any parts so provided at the retail rate customarily charged by that franchisee for the same parts when not provided in satisfaction of a warranty. A franchisor may not otherwise recover its costs for reimbursing a franchisee for parts and labor pursuant to this section. For purposes of this section, the retail rate customarily charged by the franchisee for parts may be established by submitting to the franchisor 100 sequential nonwarranty customer-paid service repair orders or 60 days of nonwarranty customer-paid service repair orders, whichever is less in terms of total cost, covering repairs made no more than 180 days before the submission and declaring the average percentage markup. The average percentage markup so declared is the retail rate, which goes into effect 30 days following the declaration, subject to audit of the submitted repair orders by the franchisor and adjustment of the average percentage markup based on that audit. Only retail sales not involving warranty repairs, not involving state inspection, not involving routine maintenance such as changing the oil and oil filter and not involving accessories may be considered in calculating the average percentage markup. A franchisor may not require a franchisee to establish the average percentage markup by an unduly burdensome or time-consuming method or by requiring information that is unduly burdensome or time-consuming to provide, including, but not limited to, part-by-part or transaction-by-transaction calculations. A franchisee may not change the average percentage markup more than 2 times in one calendar year. Further, the franchisor shall reimburse the franchisee for any labor so performed at the retail rate customarily charged by that franchisee for the same labor when not performed in satisfaction of a warranty; as long as the franchisee's rate for labor not performed in satisfaction of a warranty is routinely posted in a place conspicuous to its service customer. A franchisor is not required to pay the price charged by the dealer to retail customers for parts of systems, appliances, furnishings, accessories and fixtures of a motor home as defined in Title 29-A, section 101, subsection 40 that are designed, used and maintained primarily for nonvehicular residential purposes. Any claim made by a franchisee for compensation for parts provided or for reimbursement for labor performed in satisfaction of a warranty must be paid within 60 days of its approval. All the claims must be either approved or disapproved within 60 days of their receipt. A claim may be submitted within 90 days after the performance of services. When a claim is disapproved, the franchisee that submitted the claim must be notified in writing of the claim's disapproval within that period, together with the specific reasons for its disapproval. A franchisor may not, by agreement, by restriction upon reimbursement, or otherwise, restrict the nature or extent of labor performed or parts provided so that such

restriction impairs the franchisee's ability to satisfy a warranty created by the franchisor by performing labor in a professional manner or by providing parts required in accordance with generally accepted standards. [2003, c. 356, §10 (AMD).]

In any claim that is disapproved by the manufacturer, and the dealer brings legal action to collect the disapproved claim and is successful in the action, the court shall award the dealer the cost of the action together with reasonable attorney fees. Reasonable attorney fees shall be determined by the value of the time reasonably expended by the attorney and not by the amount of the recovery on behalf of the dealer. [1979, c. 498, §3 (NEW).]

It is unlawful for a franchisor, manufacturer, factory branch, distributor branch or subsidiary to own, operate or control, either directly or indirectly, a motor vehicle warranty or service facility located in the State except on an emergency or interim basis or if no qualified applicant has applied for appointment as a dealer in a market previously served by a new motor vehicle dealer of that manufacturer, factory branch, distributor branch or subsidiary's line make. [1997, c. 521, §25 (NEW).]

A franchisor may not deny those elements of a warranty claim that are based on a dealer's incidental failure to comply with a claim requirement or a clerical error or other technicality, regardless of whether the franchisor contests any other element of that warranty claim, as long as the dealer corrects any such clerical error or other technicality according to licensee guidelines. [2003, c. 356, §11 (AMD) .]

2. Copy of agreement or amendments. Before any new selling agreement or any amendment thereto between said parties shall become effective, the manufacturer, distributor, wholesaler, distributor branch or division, factory branch or division, wholesale branch or division, or officer, agent or other representative thereof shall, 90 days prior to the effective date thereof, forward a copy of such agreement or amendment to the dealer.

§1181. DISCOUNTS AND OTHER INDUCEMENTS

In connection with a sale of a motor vehicle or vehicles to the State or to any political subdivision of the State, a manufacturer, distributor, wholesaler or corporate affiliate may not offer any discounts, refunds or any other similar type of inducement to any dealer without making the same offer or offers to all other of its dealers within the relevant market area, and if such inducements are made, the manufacturer, distributor or wholesaler shall give simultaneous notice of the inducements to all of its dealers within the relevant market area. §1182. PUBLIC POLICY

Any contract or part thereof or practice thereunder in violation of any provision of this chapter shall be deemed against public policy and shall be void and unenforceable. [1975, c. 573, (NEW) .]

The Legislature finds that the manufacture, distribution and sale of motor vehicles in the State vitally affects the general economy of the State and the public interest and public welfare; that the manufacturers of motor vehicles whose physical manufacturing facilities are not located within the State and distributors

are doing business in the State through their control over and relationship and transactions with their dealers in the State; that the geographical location of the State makes it necessary to ensure the availability of motor vehicles and parts and dependable service for motor vehicles throughout the State to protect and preserve the transportation system, the public safety and welfare and the investments of its residents. The Legislature declares, on the basis of these findings, that it is necessary to regulate and to license motor vehicle manufacturers and distributors and their branches and representatives, motor vehicle dealers and any other person engaged in the business of selling or purchasing vehicles in the State in order to prevent frauds, impositions and other abuses against residents and to protect and preserve the economy, the investments of residents, the public safety and the transportation system of the State. §1243. PROHIBITED ACTS

The following acts are unfair methods of competition and unfair and deceptive practices. It is unlawful for any: [1997, c. 473, §3 (NEW).]

1. Damage to public. Manufacturer or personal sports mobile dealer to engage in any action that is arbitrary, in bad faith or unconscionable and that causes damage to any of the parties or to the public;

[1997, c. 473, §3 (NEW) .]

2. Coercion involving deliveries and orders. Manufacturer or an officer, agent or other representative of a manufacturer to coerce or attempt to coerce any personal sports mobile dealer:

A. To order or accept delivery of any personal sports mobile or appliances, equipment, parts or accessories for a personal sports mobile or any other commodity or commodities that the personal sports mobile dealer has not voluntarily ordered, or to order or accept delivery of any personal sports mobile with special features, appliances, accessories or equipment not included in the list price of the personal sports mobile as publicly advertised by the manufacturer; or [1997, c. 473, §3 (NEW).]

B. To order for any person any parts, accessories, equipment, machinery, tools, appliances or any commodity whatsoever; [1997, c. 473, §3 (NEW).]

[1997, c. 473, §3 (NEW) .]

3. Certain interference in dealer's business. Manufacturer or an officer, agent or other representative of a manufacturer:

A. To refuse to deliver in reasonable quantities and within a reasonable time after receipt of a dealer's order to any personal sports mobile dealer having a franchise or contractual arrangement for the retail sale of new personal sports mobiles sold or distributed by a manufacturer any personal sports mobiles that are covered by that franchise or contract and specifically publicly advertised by that manufacturer to be available for immediate delivery; however, the failure to deliver any personal sports mobile is not a violation of this chapter if that failure is due to an act of God, or work stoppage or delay due to a strike or labor difficulty, shortage of materials, freight embargo or other cause over which the manufacturer or any of its agents has no control; [1997, c. 473, §3 (NEW).]

B. To coerce or attempt to coerce any personal sports mobile dealer to enter into any agreement with a manufacturer or an officer, agent or other representative of a manufacturer, or to do any other act prejudicial to that dealer by threatening to cancel any franchise or any contractual agreement existing between the manufacturer and that dealer; however, notice in good faith to any personal sports mobile dealer of that dealer's violation of any terms or provisions of the franchise or contractual agreement, or any good faith attempt by the manufacturer to enforce the terms or provisions of the franchise or contractual agreement, does not constitute a violation of this chapter; [1997, c. 717, §1 (AMD) .]

C. To resort to or use any false or misleading advertisement in connection with the manufacturer's business as a manufacturer or an officer, agent or other representative of the manufacturer; or to force any dealer to participate in any advertising campaign or contest, or to purchase any promotional materials, display devices or display decorations or materials at the expense of the new personal sports mobile dealer; [1997, c. 473, §3 (NEW).]

D. To offer to sell or to sell any new personal sports mobile at a lower price than the price offered to any other personal sports mobile dealer for the same model vehicle similarly equipped, or to utilize any device, including, but not limited to, sales promotion plans or programs that result in that lower price. This paragraph does not apply to the following:

- (1) Sales to a personal sports mobile dealer for resale to any unit of the Federal Government;
- (2) Any manufacturer or any of its agents offering to sell or selling new personal sports mobiles to all personal sports mobile dealers at an equal price; and
- (3) Sales by a manufacturer or any of its agents to any unit of the Federal Government; [1997, c. 473, §3 (NEW).]

E. To offer to sell or lease or to sell or lease any new personal sports mobile to any person, except a manufacturer, at a lower price than the price offered and charged to a personal sports mobile dealer for the same model vehicle similarly equipped or to utilize any device that results in that lower price; [1997, c. 473, §3 (NEW).]

F. To offer to sell or to sell parts or accessories to any new personal sports mobile dealer for use in that dealer's own business for the purpose of replacing or repairing the same or a comparable part or accessory at a lower price than the price charged for that part or accessory to any other new personal sports mobile dealer for similar parts or accessories for use in the dealer's own business; [1997, c. 473, §3 (NEW).]

G. To prevent or attempt to prevent by contract or otherwise any personal sports mobile dealer from changing the capital structure of that dealer's dealership or the means by or through which the dealer finances the operation of that dealership, if the dealer at all times meets any reasonable capital standards agreed to between the dealership and the manufacturer and if that change by the dealer does not result in a change in the executive management control of the dealership; [1997, c. 473, §3 (NEW).]

H. To prevent or attempt to prevent by contract or otherwise any personal sports mobile dealer or any officer, partner or stockholder of any personal sports mobile dealer from selling or transferring any part of the interest of any of them to any other person or party. However, a dealer, officer, partner or stockholder may not sell, transfer or assign the franchise or power of management or control under the franchise without the consent of the manufacturer. That consent may not be unreasonably withheld; [1997, c. 473, §3 (NEW).]

I. To obtain money, goods, services, anything of value or any other benefit from any other person with whom the personal sports mobile dealer does business, on account of or in relation to the transactions between the dealer and the other person, unless that benefit is promptly accounted for and transmitted to the personal sports mobile dealer; [1997, c. 473, §3 (NEW).]

J. To compete with a personal sports mobile dealer operating under an agreement or franchise from a manufacturer in a relevant market area that has been determined exclusively by equitable principles. A manufacturer is not considered to be competing when operating a dealership either temporarily for a reasonable period not to exceed one year or in a bona fide relationship in which an independent person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions; [1997, c. 473, §3 (NEW).]

K. To require a personal sports mobile dealer to assent to a release assignment, novation, waiver or estoppel that would relieve any person from liability imposed by this chapter; [1997, c. 473, §3 (NEW).]

L. To require any new personal sports mobile dealer to refrain from participation in the management or acquisition of or investment in any other line of new personal sports mobiles or related products; [1997, c. 473, §3 (NEW).]

M. To require any new personal sports mobile dealer to change the location of the new personal sports mobile dealership or during the course of the agreement or franchise to make any substantial alterations to the dealership premises when to do so would be unreasonable; [1997, c. 473, §3 (NEW).]

N. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new personal sports mobile dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise or the terms or provisions of any waiver, unless a manufacturer has:

- (1) Satisfied the notice requirement of paragraph Q;
- (2) Acted in good faith as defined in section 1242, subsection 11; and
- (3) Good cause for the cancellation, termination, nonrenewal or noncontinuance; [1997, c. 473, §3 (NEW).]

O. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new personal sports mobile dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise or the terms or provisions of any waiver, unless good cause exists. Good cause exists for the purposes of a termination, cancellation, nonrenewal or noncontinuance:

- (1) When there is a failure by the new personal sports mobile dealer to comply with a provision of the franchise that is both reasonable and of material significance to the franchise relationship so long as compliance on the part of the new personal sports mobile dealer is reasonably possible and the manufacturer first acquired actual or constructive knowledge of the failure not more than 180 days prior to the date on which notification is given pursuant to paragraph Q;
- (2) If the failure by the new personal sports mobile dealer, as described in subparagraph (1), relates to the performance of the new personal sports mobile dealer in sales or service. In this case, good cause is the failure of the new personal sports mobile dealer to effectively carry out the performance provisions of the franchise if:
 - (a) The new personal sports mobile dealer was apprised by the manufacturer in writing of that failure; the notification stated that notice was provided of failure of performance pursuant to this subsection; and the new personal sports mobile dealer was afforded a reasonable opportunity for a period of not less than 4 months to exert good faith efforts to carry out the performance provisions;
 - (b) The failure continued within the period that began not more than 120 days before the date notification of termination, cancellation or nonrenewal was given pursuant to paragraph Q; and
 - (c) The new personal sports mobile dealer has not substantially complied with reasonable performance criteria established by the manufacturer and communicated to that dealer;
- (3) When the dealer and the manufacturer agree not to renew the franchise; or
- (4) When the manufacturer discontinues production or distribution of any parts, accessories, equipment, machinery, tools, appliances or any commodity whatsoever; [1997, c. 717, §2 (AMD).]

P. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new personal sports mobile dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise or the terms or provisions of any waiver, based on any of the following items, which do not constitute good cause:

- (1) The change of ownership of the new personal sports mobile dealer's dealership. This subparagraph does not authorize any change in ownership that would have the effect of the sale of the dealership without the manufacturer's written consent. This consent may not be unreasonably withheld. The burden of establishing the reasonableness is on the manufacturer;

(2) The fact that the new personal sports mobile dealer unreasonably refused to purchase or accept delivery of any new personal sports mobile, parts, accessories or any other commodity or services not ordered by the new personal sports mobile dealer, except that the manufacturer may require that the dealer stock a reasonable supply of parts or accessories required to perform campaign, recall or warranty work, and except that this provision is not intended to modify or supersede any requirement of the franchise that dealers market a representative line of those personal sports mobiles that the manufacturer is publicly advertising;

(3) The fact that the new personal sports mobile dealer owns, has an investment in, participates in the management of or holds a license for the sale of another make or line of new personal sports mobiles or that the new personal sports mobile dealer has another make or line of new personal sports mobiles in the same dealership facilities as those of the manufacturer, as long as the new personal sports mobile dealer maintains a reasonable line of credit for each make or line of new personal sports mobiles and that the new personal sports mobile dealer remains in substantial compliance with reasonable facilities' requirements of the manufacturer; or

(4) The fact that the new personal sports mobile dealer sells or transfers ownership of the dealership or sells or transfers capital stock in the dealership to the new personal sports mobile dealer's designated family member. The manufacturer shall give effect to such change in the ownership in the franchise. This subparagraph does not authorize any changes in ownership that would have the effect of the sale of the dealership without the manufacturer's written consent. This consent may not be unreasonably withheld. The burden of establishing the reasonableness is on the manufacturer.

The manufacturer has the burden of proof under paragraph N for showing that it has acted in good faith, that the notice requirements have been complied with and that there was good cause for the franchise termination, cancellation, nonrenewal or noncontinuance; [1997, c. 473, §3 (NEW).]

Q. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new personal sports mobile dealer, notwithstanding the terms, provisions or conditions of any agreement or franchise or the terms or provisions of any waiver, without first providing notification of the termination, cancellation, nonrenewal or noncontinuance to the new personal sports mobile dealer as follows:

(1) Notification under this paragraph must be in writing and must be delivered personally or by certified mail to the new personal sports mobile dealer and must contain:

- (a) A statement of intention to terminate, cancel, not continue or not renew the franchise;
- (b) A statement of the reasons for the termination, cancellation, noncontinuance or nonrenewal; and
- (c) The date on which the termination, cancellation, noncontinuance or nonrenewal takes effect;

(2) The notice required in this paragraph may not be given less than 90 days prior to the effective date of the termination, cancellation, noncontinuance or nonrenewal, except as provided in subparagraph (3); or

(3) The notice required in this paragraph may not be given less than 15 days prior to the effective date of the termination, cancellation, noncontinuance or nonrenewal with respect to any of the following:

- (a) Insolvency of the new personal sports mobile dealer or filing of any petition by or against the new personal sports mobile dealer under any bankruptcy or receivership law;
- (b) The business operations of the personal sports mobile dealer have been abandoned or closed for 14 consecutive business days unless the closing is due to an act of God, strike or labor difficulty; or

(c) Conviction of or plea of nolo contendere of a personal sports mobile dealer or one of its principal owners of any Class A, Class B or Class C crime, as defined in Title 17-A, in which a sentence of imprisonment of one year or more is imposed under Title 17-A, sections 1251 and 1252; or [1997, c. 473, §3 (NEW).]

R. To cancel, terminate, fail to renew or refuse to continue any franchise relationship with a licensed new personal sports mobile dealer without providing fair and reasonable compensation to the licensed new personal sports mobile dealer for:

- (1) All unsold new model personal sports mobile inventory of the current and previous 2 model years purchased from the manufacturer;
- (2) Unused supplies and parts purchased from the manufacturer or its approved sources; however, if the termination, cancellation, nonrenewal or noncontinuance was for good cause, the following conditions apply:
 - (a) The rate of reimbursement is the dealer net price at the time of reimbursement, less a 15% restocking fee;
 - (b) Each part to be repurchased must be new, undamaged, in its original packaging, if applicable, currently listed in the distributor's parts list and directly purchased by the dealer seeking repurchase from the distributor;
 - (c) The dealer must comply with reasonable procedures established by the distributor for parts repurchased, as long as these procedures do not reduce the price and are necessary for the orderly return of parts; and
 - (d) The dealer must possess, and transfer to the distributor, right title to the parts;
- (3) Equipment and furnishings purchased from the manufacturer or its approved sources;
- (4) Special tools purchased from the manufacturer or its approved sources; and
- (5) Facilities, if the involuntary termination, cancellation, noncontinuance or nonrenewal is due to a failure of performance of the new personal sports mobile dealer in sales or service. The amount of compensation due to the dealer from the manufacturer must be determined as follows:
 - (a) If the new personal sports mobile dealer is leasing the facilities from a lessor other than the manufacturer, the manufacturer shall pay the new personal sports mobile dealer a sum equivalent to the pro rata portion of the rent for the unexpired term or one year's rent, whichever is less, that represents the aggregate percentage of the sales dollar volume and service dollar volume derived from the sale and service of that manufacturer's products for the 12 months immediately preceding termination, cancellation, noncontinuance or nonrenewal; or
 - (b) If the new personal sports mobile dealer owns the facilities, the manufacturer shall pay the new personal sports mobile dealer a sum equivalent to the pro rata portion of the reasonable rental value of the facilities for one year that represents the aggregate percentage of the sales dollar volume and service dollar volume derived from the sale and service of that manufacturer's products for the 12 months immediately preceding the termination, cancellation, noncontinuance or nonrenewal.

Such fair and reasonable compensation for the items listed in subparagraphs (1), (3) and (4) may not be less than the acquisition price. Compensation for the items listed in subparagraphs (1), (3), (4) and (5) must be paid by the manufacturer, when possible, within 90 days of the effective date of the termination, cancellation, noncontinuance or nonrenewal. Compensation for the items listed in subparagraph (2) must be paid by the manufacturer, when possible, within 90 days of the date on which the parts are received by the manufacturer from the dealer.

In lieu of any injunctive relief or any other damages, if the manufacturer fails to prove there was good cause for the termination, cancellation, noncontinuance or nonrenewal, or if the manufacturer fails to prove that it acted in good faith, then the manufacturer may pay the new personal sports mobile dealer fair and reasonable compensation for the value of the dealership as an ongoing business; and [1997, c. 717, §3 (AMD).]

[1997, c. 717, §§1-3 (AMD) .]

4. Dealer violations. Personal sports mobile dealer:

A. To require a purchaser of a new personal sports mobile, as a condition of sale and delivery of the new personal sports mobile, to also purchase special features, appliances, equipment, parts or accessories not desired or requested by the purchaser. The substance of this paragraph must be conveyed by the personal sports mobile dealer to the purchaser prior to the consummation of the purchase; [1997, c. 473, §3 (NEW) .]

B. To represent and sell as a new personal sports mobile any personal sports mobile that has been used and operated for demonstration purposes or is otherwise a used personal sports mobile; [1997, c. 473, §3 (NEW) .]

§1243-A. UNLAWFUL SALE OF NEW PERSONAL SPORTS MOBILE

A person is guilty of unlawful sale of a new personal sports mobile if that person sells a new personal sports mobile and does not possess a current and valid franchise with the personal sports mobile manufacturer of the brand of new personal sports mobile being sold. If, upon demand by a law enforcement officer, a person fails to produce evidence of a franchise required by this section, this failure is prima facie evidence that the person does not possess that franchise. [2001, c. 616, §4 (NEW) .]

A person who violates this section commits a Class E crime and additionally is liable in any action brought for unfair methods of competition or unfair and deceptive trade practices for treble damages, which include, but are not limited to, damages related to warranty coverage. [2001, c. 616, §4 (NEW) .]

This section may be enforced by any law enforcement officer. [2001, c. 616, §4 (NEW) .]

§1244. LIMITATIONS ON ESTABLISHING OR RELOCATING DEALERSHIPS

A new personal sports mobile dealership may not be established nor may a personal sports mobile dealership be relocated, except as follows. [1997, c. 473, §3 (NEW) .]

1. Notification. If a manufacturer seeks to enter into a franchise establishing an additional new personal sports mobile dealership or relocating an existing new personal sports mobile dealership, within or into a relevant market area where the same line make is already represented, the manufacturer shall, in writing, first notify each new personal sports mobile dealer in the line make in the relevant market area of the intention to establish an additional dealership or to relocate an existing dealership within or into that market area. The relevant market area is a radius of 15 miles around an existing dealership in the following cities: Augusta, Auburn, Bangor, Biddeford, Brewer, Falmouth, Lewiston, Portland, Saco, South Portland, Waterville and Westbrook. The relevant market area is a radius of 30 miles around all other existing dealerships.

Within 30 days of receiving the notice or within 30 days after the end of any appeal procedure provided by the manufacturer, any such new personal sports mobile dealership may file a complaint in the Superior Court of the county in which the dealership is located, protesting the establishment or relocation of the proposed new personal sports mobile dealership. When such a complaint is filed, the manufacturer may not establish or relocate the proposed new personal sports mobile dealership until a hearing has been held on the merits, nor thereafter if the court determines that there is good cause for not permitting the proposed new personal sports mobile dealership.

[1997, c. 473, §3 (NEW) .]

2. Good cause. In determining whether good cause has been established for not entering into or relocating an additional dealership for the same line make, the court shall take into consideration the existing circumstances, including, but not limited to:

- A. The permanency of the investment of both the existing and proposed new personal sports mobile dealers; [1997, c. 473, §3 (NEW).]
- B. The effect on the retail new personal sports mobile business and the consuming public in the relevant market area; [1997, c. 473, §3 (NEW).]
- C. Whether it is injurious or beneficial to the public welfare for an additional new personal sports mobile dealership to be established; [1997, c. 473, §3 (NEW).]
- D. Whether the new personal sports mobile dealers of the same line make in that relevant market area are providing adequate competition and convenient consumer care for the personal sports mobiles of the line make in the market area, including the adequacy of personal sports mobile sales and service facilities, equipment, supply of personal sports mobile parts and qualified service personnel; [1997, c. 473, §3 (NEW).]
- E. Whether the establishment of an additional new personal sports mobile dealership would increase competition and therefore be in the public interest; and [1997, c. 473, §3 (NEW).]
- F. The effect on the establishing or relocating dealer as a result of not being permitted to establish or relocate. [1997, c. 473, §3 (NEW).]

[1997, c. 473, §3 (NEW) .]

3. Mediation. A franchisee may not bring an action for recovery of damages or for equitable relief under this section until a franchisee has served upon the franchisor a written demand for nonbinding mediation and either the parties have engaged in such mediation in this State with an independent mediator or 60 days have passed from the franchisor's receipt of notice of mediation, whichever occurs sooner. The service of the written notice of mediation tolls the running of any applicable statute of limitations for the subsequent 60-day period. A franchisor may not establish a new personal sports mobile dealership or relocate an existing sports mobile dealership within or into the relevant market area during this 60-day period. Notwithstanding any agreement or requirement to engage in nonbinding mediation, at the conclusion of the proceedings, the franchisee is entitled to file an action in any court in this State in accordance with section 1250-I. The results of nonbinding mediation are not admissible in the action.

[2001, c. 246, §1 (NEW) .]

For the purposes of this section, the reopening in a relevant market area of a new personal sports mobile dealership that has not been in operation for one year or more is deemed the establishment of an additional new personal sports mobile dealership. [1997, c. 473, §3 (NEW).]

§1245. TRANSPORTATION DAMAGES

1. Liability of new dealer after acceptance. Notwithstanding the terms, provisions or conditions of any agreement or franchise, the new personal sports mobile dealer is solely liable for damages to new personal sports mobiles after acceptance from the carrier and before delivery to the ultimate purchaser.

[1997, c. 473, §3 (NEW) .]

2. Liability of manufacturer. Notwithstanding the terms, provisions or conditions of any agreement or franchise, the manufacturer is liable for all damages to personal sports mobiles before delivery to a carrier or transporter.

[1997, c. 473, §3 (NEW) .]

3. Additional liability of dealer. Notwithstanding the provisions of subsections 1 and 2, the new personal sports mobile dealer is liable for damages to new personal sports mobiles after delivery to the carrier if the dealer selects the mode of transportation and the carrier. In all other instances, the manufacturer is liable for carrier-related new personal sports mobile damage as long as the new personal sports mobile dealer annotates the bill of lading or other carrier document indicating damages observed at the time of delivery to the new personal sports mobile dealer and promptly notifies the manufacturer of any concealed damage discovered after delivery.

§1246. SURVIVORSHIP

1. Right of family member. The right of a designated family member to succeed in dealer ownership is governed by the following provisions.

A. Any designated family member of a deceased or incapacitated new personal sports mobile dealer who has been designated as successor to that dealer in writing to the manufacturer may succeed the dealer in the ownership or operation of the dealership under the existing franchise or distribution agreement, if the designated family member gives the manufacturer of new personal sports mobiles a written notice of the intention to succeed to the dealership within 120 days of the dealer's death or incapacity. The designated family member may not succeed the dealer if there exists good cause for refusal to honor the succession on the part of the manufacturer. [1997, c. 473, §3 (NEW).]

B. The manufacturer may request and the designated family member shall provide, upon the request, on forms provided for that purpose, personal and financial data that is reasonably necessary to determine whether the succession may be honored. [1997, c. 473, §3 (NEW).]

[1997, c. 473, §3 (NEW) .]

2. Refusal to honor; notice required. The refusal to honor the right of a designated family member to succeed in dealer ownership is governed by the following provisions.

A. If a manufacturer believes that good cause exists for refusing to honor the succession to the ownership and operation of a dealership by a designated family member of a deceased or incapacitated new personal sports mobile dealer under the existing franchise agreement, the manufacturer may, within 60 days of receipt of the information requested in subsection 1, paragraph B, serve upon the designated family member notice of its refusal to honor the succession or its intent to discontinue the existing franchise agreement with the dealership. Such discontinuance may not take place sooner than 90 days from the date the notice is served. [1997, c. 473, §3 (NEW).]

B. The notice must state the specific grounds for the refusal to honor the succession and the intent to discontinue the existing franchise agreement with the dealership no sooner than 90 days from the date the notice is served. [1997, c. 473, §3 (NEW).]

C. If notice of refusal and discontinuance is not timely served upon the designated family member, the franchise agreement continues in effect subject to termination only as otherwise permitted by this section. [1997, c. 473, §3 (NEW).]

[1997, c. 473, §3 (NEW) .]

3. Written designation of succession unaffected. This section does not preclude a new personal sports mobile dealer from designating any person as that new personal sports mobile dealer's successor by written instrument filed with the manufacturer.

SECTION HISTORY

1997, c. 473, §3 (NEW).

§1247. DELIVERY AND PREPARATION OBLIGATIONS; PRODUCT LIABILITY AND IMPLIED WARRANTY COMPLAINTS

Every manufacturer shall specify to the dealer the delivery and preparation obligations of its personal sports mobile dealers prior to delivery of new personal sports mobiles to retail buyers. The delivery and preparation obligations of its personal sports mobile dealers and a schedule of the compensation to be paid to its personal sports mobile dealers for the work and services they are required to perform in connection with the delivery and preparation are the dealer's only responsibility for product liability between that dealer and that manufacturer. The compensation set forth on the schedule must be reasonable. [1997, c. 473, §3 (NEW) .]

In any action or claim brought against the personal sports mobile dealer on a product liability complaint in which it is later determined that the manufacturer is liable, the dealer is entitled to receive from the manufacturer that dealer's reasonable costs and attorney's fees incurred in defending the claim or action. [1997, c. 473, §3 (NEW) .]

In any action or claim brought against the personal sports mobile dealer on a breach of implied warranty complaint in which it is later determined that the manufacturer is liable, the dealer is entitled to receive from the manufacturer the dealer's reasonable costs and attorney's fees incurred in defending the claim or action. In any such implied warranty action, a dealer has the rights of a buyer under Title 11, section 2607, subsection 5. [1997, c. 473, §3 (NEW) .]

The court shall consider the personal sports mobile dealer's share in the responsibility for the damages in awarding costs and attorney's fees. [1997, c. 473, §3 (NEW) .]

SECTION HISTORY

1997, c. 473, §3 (NEW).

§1248. WARRANTY

1. Parts or labor; satisfaction of warranty. If a personal sports mobile franchisor requires or permits a personal sports mobile franchisee to perform labor or provide parts in satisfaction of a warranty created by the franchisor, the franchisor shall properly and promptly fulfill its warranty obligations and shall:

A. Reimburse the franchisee for any parts provided at the published manufacturer's suggested retail price at the time of retail sale; and [1997, c. 717, §4 (AMD).]

B. Reimburse the franchisee for any labor performed at the retail rate customarily charged by that franchisee for the same labor when not performed in satisfaction of a warranty. The franchisee's rate for labor not performed in satisfaction of a warranty must be posted in a place conspicuous to its service customers. [1997, c. 473, §3 (NEW).]

[1997, c. 717, §4 (AMD) .]

2. Claim. Any claim made by a franchisee for compensation for parts provided or for reimbursement for labor performed in satisfaction of a warranty must be paid within 30 days of its approval from the franchisor. All the claims must be either approved or disapproved within 30 days of their receipt. When any such claim is disapproved, the franchisee that submitted it must be notified in writing from the franchisor of its disapproval within that period, together with the specific reasons for its disapproval.

[1997, c. 473, §3 (NEW) .]

3. Restrictions prohibited. A franchisor may not restrict by agreement, restriction upon reimbursement or otherwise the nature or extent of labor performed or parts provided so that the restriction impairs the franchisee's ability to satisfy a warranty created by the franchisor by performing labor in a professional manner or by providing parts required in accordance with generally accepted standards.

[1997, c. 473, §3 (NEW) .]

4. Costs; fees. In any claim that is disapproved by the manufacturer and in which the dealer brings legal action to collect the disapproved claim and is successful in the action, the court shall award the dealer the cost of the action together with reasonable attorney's fees. Reasonable attorney's fees must be determined by the value of the time reasonably expended by the attorney and not by the amount of the recovery on behalf of the dealer.

- A. A consumer may place a security freeze on the consumer's consumer report as follows.

(2) Prior to October 1, 2015, a consumer who has not been the victim of identity theft may place a security freeze on the consumer's consumer report by making a request in writing by certified mail to a consumer reporting agency. A consumer reporting agency may charge a fee of no more than \$10 to a consumer for each security freeze, removal of a security freeze or temporary suspension of a security freeze for a period of time or for reissuing the same or a new personal identification number if the consumer fails to retain the original personal identification number provided by the agency under paragraph D. [2015, c. 139, §3 (NEW) .]

For the purposes of this subsection, "record" means a compilation of information that identifies a protected consumer and is created by a consumer reporting agency solely for the purpose of complying with this subsection.

[2015, c. 1, §4 (COR) .]

2. Duties of consumer reporting agency if security freeze is in place. If a security freeze is in place, a consumer reporting agency may not change any of the following official information in a consumer report without sending written confirmation of the change to the consumer within 30 days after the change is posted to the consumer's file: name, date of birth, social security number and address. Written confirmation is not required for technical modifications of a consumer's official information, including name and street abbreviations, complete spellings and transposition of numbers or letters. In the case of an address change, the written confirmation must be sent to the new address and the former address.

[2013, c. 228, §1 (NEW) .]

3. Persons not required to place security freeze. The following persons are not required to place a security freeze pursuant to subsection 1 or 1-A, except that any person that is not required to place a security freeze under the provisions of subsection 1 or 1-A is subject to a security freeze placed by another consumer reporting agency from which it obtains information:

A. A check services or fraud prevention services company that reports on incidents of fraud or issues authorizations for the purpose of approving or processing negotiable instruments, electronic fund transfers or similar methods of payment; [2013, c. 228, §1 (NEW) .]

B. A deposit account information services company that issues reports regarding account closures due to fraud, overdrafts, automated teller machine abuse or similar negative information regarding a consumer to inquiring financial institutions for use only in reviewing that consumer's request for a deposit account at the inquiring financial institution; and [2013, c. 228, §1 (NEW) .]

C. A consumer reporting agency that:

(1) Acts only to resell credit information by assembling and merging information contained in a database of one or more consumer reporting agencies; and

(2) Does not maintain a permanent database of credit information from which new consumer reports are produced. [2013, c. 228, §1 (NEW) .]

[2015, c. 139, §4 (AMD) .]

4. Reporting of child support debts. Information regarding child support debt must be provided as required under this subsection.

A. The Department of Health and Human Services, upon request of a consumer reporting agency, shall make available information regarding the amount of overdue child support owed by any parent. [2013, c. 228, §1 (NEW) .]

B. Prior to making the information available to a requesting agency, the department shall provide the obligor parent with notice of the proposed action. The parent must be given 20 days in which to contest the accuracy of the information before the information may be made available. [2013, c. 228, §1 (NEW) .]

C. The department may impose a fee upon the requesting agency in an amount not exceeding the actual cost of providing the information. [2013, c. 228, §1 (NEW) .]

Nothing in this section prevents the department from voluntarily providing information to a consumer reporting agency regarding any individual who is indebted to the department for failure to pay child support.

[2013, c. 228, §1 (NEW) .]

5. Solicitation of loans using prescreened trigger lead information from consumer report.

Solicitation of loans using prescreened trigger lead information from consumer reports is subject to the requirements of this subsection. For the purposes of this subsection, "prescreened trigger lead information" means information in a consumer report provided to a nonaffiliated 3rd party by a consumer reporting agency that the agency has reason to believe will be used to solicit a loan or extension of credit.

A. When using prescreened trigger lead information derived from a consumer report to solicit a consumer who has applied for a loan with another lender or loan broker, a lender or loan broker may not use unfair or deceptive practices described in paragraph B. [2013, c. 228, §1 (NEW) .]

B. Without limitation, it is an unfair or deceptive practice to:

- (1) Fail to state in the initial phase of the solicitation from a lender or loan broker that the solicitor is not affiliated with the lender or loan broker with which the consumer initially applied;
- (2) Fail in the initial solicitation to conform to state and federal law relating to prescreened solicitations using consumer reports, including the requirement to make a firm offer of credit to the consumer;
- (3) Knowingly or negligently use information regarding consumers who have opted out of prescreened offers of credit or who have placed their contact information on the most current federal do-not-call registry; or
- (4) Solicit a consumer with offers of certain rates, terms and costs with intent to subsequently raise the rates or change the terms to the consumer's detriment. [2013, c. 228, §1 (NEW) .]

[2013, c. 228, §1 (NEW) .]

6. Consumer mortgage reports. In any consumer credit transaction involving a consumer report relating to a loan to be secured by a first mortgage on an owner-occupied dwelling, whenever a user has requested such a report and because or partly because of information contained in the report adverse action is taken, the user shall provide a copy of the report to the consumer. This requirement does not apply if the consumer reporting agency provides a copy of the report to the consumer.

[2013, c. 228, §1 (NEW) .]

7. Dissemination of consumer report information prohibited. Every user of a consumer report or an investigative consumer report is prohibited from disseminating to any other person, other than the consumer who is the subject of the report, any such report other than information contained in its own files as a result of its direct experience with the consumer. Except for information or records obtained directly or indirectly and with the consent of the individual to whom it relates, from a licensed physician, medical practitioner, hospital, clinic or other medical or medically related facility, a consumer reporting agency may not by contract or otherwise prohibit a user of any consumer report or investigative consumer report from disclosing the contents of the report to the consumer to whom it relates. A contractual provision in violation of this section is unenforceable.

[2013, c. 228, §1 (NEW) .]

8. Medical expenses debts; court or administrative orders. A debt collector may report overdue medical expenses for a minor child to a consumer reporting agency, but only in the name of the responsible party identified in a court order or administrative order and only if the debt collector is notified orally or in writing of the existence of the order. In addition, a report may not be made until after the debt collector has notified, or made a good faith effort to notify, the responsible party of that party's obligation to pay the

overdue medical expenses. Existing information regarding overdue medical expenses for a minor child in the name of a person other than the responsible party identified in a court order or administrative order is considered inaccurate information and is subject to correction. A debt collector or consumer reporting agency may request reasonable verification of the order, including a certified copy of the order.

[2013, c. 228, §1 (NEW) .]

9. Nonliability. A person may not be held liable for any violation of this section if the person shows by a preponderance of the evidence that at the time of the alleged violation the person maintained reasonable procedures to ensure compliance with the provisions of this section.

1. Authority. The administrator, within the limits provided by law, may:

A. Receive and act on complaints, take action designed to obtain voluntary compliance with this chapter, refer complaints to the Department of Professional and Financial Regulation, Bureau of Financial Institutions pursuant to subsection 9 or refer cases to the Attorney General, who shall appear for and represent the administrator in court; [2013, c. 228, §1 (NEW).]

B. Counsel groups and persons on their rights and duties under this chapter; [2013, c. 228, §1 (NEW) .]

C. Establish programs for the education of consumers with respect to the provisions of this chapter; [2013, c. 228, §1 (NEW) .]

D. Make studies appropriate to effectuate the purposes and policies of this chapter and make the results available to the public; [2013, c. 228, §1 (NEW) .]

E. Issue advisory rulings designed to clarify the applicability of any statutory provision of this chapter necessary or proper to effectuate its purposes; [2013, c. 228, §1 (NEW) .]

F. Maintain a public file of all enforcement proceedings instituted and of their disposition, including all assurances of voluntary compliance accepted and their terms and the pleadings and briefs in all actions in which the administrator is a party; and [2013, c. 228, §1 (NEW) .]

G. Request registration and annual reregistration of consumer reporting agencies located in this State or serving users within this State and set an annual registration fee not to exceed \$100, the aggregate of which must be used by the administrator to enforce this chapter. [2013, c. 228, §1 (NEW) .]

[2013, c. 228, §1 (NEW) .]

2. Investigatory powers. The administrator has the following investigatory powers except in cases in which the Department of Professional and Financial Regulation, Bureau of Financial Institutions or the Attorney General has exclusive authority pursuant to subsection 9.

A. The administrator may annually investigate any person whom the administrator believes has engaged in conduct governed by this chapter, except that the administrator may, at any time, investigate any person the administrator believes to be a consumer reporting agency. If the administrator has reasonable cause to believe that any person has violated this chapter, the administrator may investigate that person at any time. During any investigation, the administrator may administer oaths or affirmations and, upon the administrator's own motion or upon request of any party, may subpoena witnesses, compel their attendance, adduce evidence and require the production of any matter that is relevant to the investigation,

including the existence, description, nature, custody, condition and location of any books, documents or other tangible things and the identity and location of persons having knowledge of relevant facts, or any other matter reasonably calculated to lead to the discovery of admissible evidence. If the administrator finds a violation of this chapter, the administrator shall so notify all parties to the transactions involved. [2013, c. 228, §1 (NEW) .]

B. If the records of a person under investigation are located outside this State, the person, at the administrator's option, may either make the original records or facsimiles of the record available to the administrator at a convenient location within this State or pay the reasonable and necessary expenses for the administrator or the administrator's representative to examine them at the place where the records are maintained. The administrator may designate representatives, including comparable officials of the state in which the records are located or federal officials, to inspect the records on the administrator's behalf. [2013, c. 228, §1 (NEW) .]

C. The expenses of the administrator necessarily incurred in the examination of persons subject to this chapter must be chargeable to that person in the same manner and for the same expenses set forth in Title 9-A, section 6-106, subsection 6, except that users of consumer reports may not be charged examination expenses unless the administrator finds a violation of this chapter. [2013, c. 228, §1 (NEW) .]

[2013, c. 228, §1 (NEW) .]

3. Administrative enforcement orders. After notice and hearing, the administrator may order a person to cease and desist from engaging in violations of this chapter. The administrator may also order affirmative action designed to correct past or future violations of this chapter. Any hearing held under this subsection must be conducted in accordance with the procedures of Title 5, chapter 375, subchapter 4. A respondent aggrieved by an order of the administrator may obtain judicial review of the order and the administrator may, through the Attorney General, obtain an order of the court for enforcement of its order in the Superior Court. The proceedings for review or enforcement must be initiated and conducted in accordance with Title 5, chapter 375, subchapter 7.

[2013, c. 228, §1 (NEW) .]

4. Assurance of discontinuance. If it is claimed that a person has engaged in conduct that could be subject to any order by the administrator, the administrator shall first attempt to negotiate an assurance in writing that the person will not engage in the same or similar conduct in the future, prior to initiating an enforcement order under subsection 3. The assurance may include, but is not limited to, admissions of past specific acts by the person or that such acts violated this chapter or other statutes. A violation of an assurance of discontinuance is a violation of this chapter.

[2013, c. 228, §1 (NEW) .]

5. Civil action. The administrator, through the Attorney General, may bring a civil action against a person to recover a civil penalty for knowingly violating this chapter or violating an assurance of discontinuance, and if the court finds that the defendant has engaged in a knowing violation of this chapter or a violation of an assurance of discontinuance, it may assess a civil penalty of not more than \$5,000.

If the defendant establishes by a preponderance of evidence that repeated violations were the result of a bona fide error notwithstanding the maintenance of procedures reasonably adapted to avoid any such violation or error, a penalty may not be imposed under this subsection.

[2013, c. 228, §1 (NEW) .]

6. Remedies not affected. The grant of powers to the administrator in this section does not affect remedies available to the Attorney General or to consumers under this chapter or under other principles of law or equity.

[2013, c. 228, §1 (NEW) .]

7. Venue. The administrator, through the Attorney General, may bring actions or proceedings in a court in a county or division in which an act on which the action or proceeding is based occurred or in a county or division in which a respondent resides or transacts business.

[2013, c. 228, §1 (NEW) .]

8. Bureau of Insurance. With respect to those examinations authorized by subsection 2, paragraph A, the administrator shall, where applicable, coordinate examinations for compliance with this chapter with examinations conducted by the Department of Professional and Financial Regulation, Bureau of Insurance for compliance with Title 24-A.

[2013, c. 228, §1 (NEW) .]

9. Bureau of Financial Institutions. When a supervised financial organization as defined in Title 9-A, section 1-301, subsection 38-A is a person subject to this chapter and the Department of Professional and Financial Regulation, Bureau of Financial Institutions charters or regulates the supervised financial organization, the Bureau of Financial Institutions has exclusive authority pursuant to this chapter over the supervised financial organization. This authority is in addition to the authority of the Bureau of Financial Institutions in Title 9-B. The Attorney General has authority to enforce the provisions of this chapter for any other supervised financial organization that is a person subject to this chapter.

[1993, c. 195, §1 (NEW).]

SECTION HISTORY

1993, c. 195, §1 (NEW).

§1363. PROHIBITED CONDUCT

The following are unfair methods of competition and unfair and deceptive practices. [1993, c. 195, §1 (NEW).]

1. Damage to public. It is unlawful for a manufacturer, distributor or dealer to engage in an action that is arbitrary, in bad faith or unconscionable and that causes damage to another manufacturer, distributor or dealer or to the public.

[1993, c. 195, §1 (NEW) .]

2. Coercion involving deliveries and orders. It is unlawful for a manufacturer or an officer, agent or other representative of a manufacturer to coerce or attempt to coerce a dealer or distributor:

A. To order or accept delivery of goods or parts or accessories for goods or other commodities that the distributor or dealer has not voluntarily ordered; or [1993, c. 195, §1 (NEW).]

B. To order goods or a commodity for a person. [1993, c. 195, §1 (NEW).]

[1993, c. 195, §1 (NEW) .]

3. Certain interference in business. It is unlawful for a manufacturer or an officer, agent or other representative of a manufacturer:

A. To coerce or attempt to coerce a distributor or dealer to enter into an agreement with that manufacturer or officer, agent or other representative or to act in a manner that is prejudicial to a distributor or dealer by threatening to cancel a franchise or a contractual agreement between the manufacturer and the distributor or dealer. However, notice in good faith to a distributor or dealer of violation of any terms or provisions of a franchise or contractual agreement does not constitute a violation of this chapter; [1993, c. 195, §1 (NEW).]

B. To cancel, terminate, fail to renew or refuse to continue a franchise relationship with a distributor or dealer, notwithstanding the terms, provisions or conditions of an agreement or franchise or the terms or provisions of a waiver, unless a manufacturer:

(1) Has satisfied the notice requirement of section 1366;

(2) Has acted in good faith as defined in this chapter; and

(3) Has good cause for the cancellation, termination, nonrenewal or noncontinuance; or [1993, c. 195, §1 (NEW).]

C. To terminate, fail to renew or refuse to continue any franchise relationship with a distributor or dealer, notwithstanding the terms, provisions or conditions of an agreement or franchise or the terms or provisions of a waiver, without good cause. The manufacturer has good cause for a termination, cancellation, nonrenewal or noncontinuance as follows.

- (1) Failure by the distributor or dealer to comply with a provision of the franchise agreement that is reasonable and of material significance to the franchise relationship when the manufacturer first acquired actual or constructive knowledge of the failure not more than 180 days before the date on which written notification is given pursuant to section 1366 is good cause.
- (2) If the failure by the distributor or dealer, as set forth in subparagraph (1), relates to the performance by the distributor or dealer in sales or service, then good cause is the failure of the distributor or dealer to carry out effectively the performance provisions of the franchise when:
 - (a) The distributor or dealer was notified by the manufacturer in writing of that failure, the notification stated that notice was provided of failure of performance pursuant to this section and the distributor or dealer was given a reasonable opportunity for a period of not less than 6 months to make good-faith efforts to carry out the performance provisions;
 - (b) The failure continued within the period that began not more than 180 days before the date on which notification of termination, cancellation or nonrenewal was given pursuant to section 1366; and
 - (c) The distributor or dealer has not substantially complied with reasonable performance criteria established by the manufacturer and communicated to the distributor or dealer.

§1375. ENFORCEMENT OF LIEN

1. Sale; use of proceeds. Except as provided in subsection 1-A, if the occupant is in default for a period of more than 45 days, the operator may enforce a lien by selling the property stored in the leased space at a public or private sale for cash. [2011, c. 376, §6 (AMD) .]

1-A. Leased space containing personal information. When the operator has a reasonable belief that the leased space contains personal information relating to clients, customers or others with whom the occupant does business, the operator may not hold a lien sale of the personal information and may destroy the personal information without liability to any person.

[2009, c. 525, §4 (NEW) .]

1-B. Operator may inspect contents of leased space. After an occupant is in default pursuant to subsection 1, an operator may inspect the contents of a leased space to investigate the presence of personal information without liability to any person.

[2009, c. 525, §5 (NEW) .]

1-C. Personal property with value less than \$750. If the occupant is in default for a period of more than 45 days, the operator may remove the occupant's lock to verify that the personal property in the leased space has a value greater than or equal to \$750. If the personal property has a value greater than or equal to \$750, the operator may enforce a lien pursuant to subsection 1. If the personal property has a value less than \$750, the personal property and leased space may be considered an abandoned leased space and the personal property may be disposed of pursuant to section 1378.

[2011, c. 376, §7 (NEW) .]

2. Notice. As soon as the occupant is in default and before conducting a sale under subsection 1, the operator shall:

A. Send a notice of default by verified mail and by either first-class mail or electronic mail to the occupant at the occupant's last known address or other address set forth by the occupant in the rental agreement that includes:

- (1) A statement that the contents of the occupant's leased space are subject to the operator's lien. The sale must take place at least 15 days after the provision of notice under subsection 2;
- (2) A statement of the operator's claim, indicating the charges due on the date of the notice, the amount of any additional charges that become due before the date of sale and the date those additional charges become due;
- (3) A demand for payment of the charges due within a specified time, not less than 14 days after the date of the notice;
- (4) A statement that unless the claim is paid within the time stated, the contents of the occupant's space will be sold, specifying the time and place; and

[2009, c. 525, §6 (AMD).]

4. Location of sale. A sale under this section shall be held at the self-service storage facility or at the nearest suitable place to where the personal property is stored.

[1989, c. 62, (NEW).]

[2011, c. 376, §9 (AMD).]

7. Purchasers. Except as provided in subsection 7-A, a purchaser in good faith of any personal property sold under this Act takes the property free and clear of any rights of:

Before taking possession of any personal property sold under this Act, a purchaser must sign a contract provided by the operator that contains provisions including, but not limited to, an agreement by the purchaser to return to the operator any personal information relating to clients, customers or others with whom the occupant does business.

[2009, c. 525, §8 (NEW).]

8. Operator liability. If the operator complies with the provisions of this Act, the operator's liability:

A. To the occupant shall be limited to the net proceeds received from the sale of the personal property; and [1989, c. 62, (NEW).]

B. To other lienholders shall be limited to the net proceeds received from the sale of any personal property covered by that other lien. [1989, c. 62, (NEW).]

[1989, c. 62, (NEW) .]

9. Denying occupant access to leased space. If an occupant is in default, the operator, by making provision in the written rental agreement, may deny the occupant access to the leased space, provided that the occupant may arrange to have access solely to view and verify the contents of the leased space. Such access must be arranged with the facility office during normal business hours.

[1989, c. 62, (NEW) .]

10. Notices; mail. Unless otherwise specifically provided, all notices required by this Act must be sent as described in subsection 2, paragraph A.

A. Notices sent to the operator must be sent to the self-service storage facility where the occupant's property is stored. Notices to the occupant must be sent to the occupant at the occupant's last known address. Notices are deemed delivered when deposited with the United States Postal Service, properly addressed as provided in subsection 2, with postage paid. [2011, c. 376, §10 (AMD).]

[2011, c. 376, §10 (AMD) .]

11. Control of property in leased space. Unless the rental agreement of this Act specifically provides otherwise, until a lien sale under this Act, the exclusive care, custody and control of all personal property stored in the leased self-service storage space remains vested in the occupant.

[1989, c. 62, (NEW) .]

12. Savings clause. All rental agreements, entered into before the effective date of this Act which have not been extended or renewed after that date, shall remain valid and may be enforced or terminated in accordance with their terms or as permitted by any other law of this State.

[1989, c. 62, (NEW) .]

13. Value of stored property. If a rental agreement contains a limit on the value of personal property that may be stored in the occupant's leased space, the limit is deemed to be the maximum value of the stored personal property and the maximum liability of the operator for any claim.

§1376. LATE FEES

1. Imposition of late fee. An operator may impose a reasonable late fee in accordance with this section for each service period that an occupant does not pay rent when due, as long as the due date for the rental payment is not earlier than the day before the first day of the service period to which the rental payment applies. A late fee may not be imposed if the occupant makes a rental payment in full by the 3rd day after the due date.

[2003, c. 274, §2 (NEW) .]

2. Conditions in writing. An operator may not impose a late fee unless the amount of that fee and the conditions for imposing that fee are stated in 12-point type in a written rental agreement or an addendum to that agreement.

[2003, c. 274, §2 (NEW) .]

§1433. APPLICATION

Any person who engages directly or indirectly in purposeful contacts within this State in connection with the offering or advertising for sale or has business dealings with respect to a new recreational vehicle within the State is subject to this chapter. [1997, c. 427, §2 (NEW).]

SECTION HISTORY

1997, c. 427, §2 (NEW).

§1434. PROHIBITED CONDUCT

The following acts are unfair methods of competition and unfair and deceptive practices. It is unlawful for any: [1997, c. 427, §2 (NEW).]

1. Damage to public. Manufacturer or recreational vehicle dealer to engage in any action that is arbitrary, in bad faith or unconscionable and causes damage to any manufacturer or dealer parties or to the public;

[1997, c. 427, §2 (NEW) .]

B. To order for any person any parts, accessories, equipment, machinery, tools, appliances or any other commodity; [1997, c. 427, §2 (NEW).]

3. Certain interference in dealer's business. Manufacturer or officer, agent or other representative of that manufacturer:

A. To refuse to deliver in reasonable quantities and within a reasonable time after receipt of a dealer's order to any recreational vehicle dealer having a dealer agreement or contractual arrangement for the retail sale of new recreational vehicles sold or distributed by that manufacturer any recreational vehicles that are covered by that dealer agreement or contract and specifically publicly advertised by that manufacturer to be available for delivery in a reasonable time, except that the failure to deliver

any recreational vehicle is not a violation of this chapter if that failure is due to an act of God or work stoppage or delay due to a strike or labor difficulty, shortage of materials, freight embargo or other cause over which the manufacturer or any of its agents has no control; [1997, c. 427, §2 (NEW).]

B. To coerce or attempt to coerce any recreational vehicle dealer to enter into any agreement with a manufacturer or an officer, agent or other representative of that manufacturer or to do any other act prejudicial to that dealer by threatening to cancel any dealer agreement or any contractual agreement existing between the manufacturer and that dealer. Notice in good faith to any recreational vehicle dealer of that dealer's violation of any terms or provisions of that dealer agreement or contractual agreement or insisting in good faith on the dealer's compliance with the terms or provisions of the dealer agreement or any other contractual agreement does not constitute a violation of this chapter; [1997, c. 427, §2 (NEW).]

C. To resort to or use any false or misleading advertisement in connection with the manufacturer's business as a manufacturer or an officer, agent or other representative of that manufacturer or to force any dealer to participate in any advertising campaign or contest, or to purchase any unnecessary or unreasonable quantities of promotional materials, display devices or display decorations or materials at the expense of the new recreational vehicle dealer; [2009, c. 2, §18 (COR).]

D. To offer to sell or to sell any new recreational vehicle at a lower price than the price offered to any other recreational vehicle dealer for the same model vehicle similarly equipped or to utilize any device, including but not limited to sales promotion plans or programs, that results in that lower price. This paragraph does not apply to the following:

- (2) Any manufacturer or any of its agents offering to sell or selling new recreational vehicles to all recreational vehicle dealers at an equal price;
- (3) Sales by a manufacturer to any unit of the Federal Government; and
- (4) Sales to a recreational vehicle dealer who buys a specified number of new recreational vehicles if the same offer is available to all recreational vehicle dealers; [1997, c. 640, §1 (AMD).]

E. To offer to sell or lease or to sell or lease any new recreational vehicle to any person, except a wholesaler or distributor, at a lower price than the price offered and charged to a recreational vehicle dealer for the same model vehicle similarly equipped or to utilize any device that results in that lower price. This paragraph does not apply to the sale or lease by a manufacturer to the Federal Government or any agency of the Federal Government; [1997, c. 427, §2 (NEW).]

F. To offer to sell or to sell parts or accessories to any new recreational vehicle dealer for use in that dealer's own business for the purpose of replacing or repairing the same or a comparable part or accessory at a lower price than the price charged for that part or accessory to any other new recreational vehicle dealer for similar parts or accessories for use in the dealer's own business. This paragraph does not prohibit a manufacturer from offering incentives providing unit discounts based on the number of recreational vehicle parts and accessories sold as long as the incentive is offered to all dealers meeting the same terms and conditions of that incentive; [1997, c. 640, §2 (AMD).]

G. To prevent or attempt to prevent by contract or otherwise any recreational vehicle dealer from changing the capital structure of that person's dealership or the means by or through which the dealer finances the operation of the person's dealership if the dealer at all times meets any reasonable capital standards agreed to between the dealer and the manufacturer and if that change by the dealer does not result in a change in the executive management control of the dealership; [1997, c. 427, §2 (NEW).]

H. To prevent or attempt to prevent by contract or otherwise any recreational vehicle dealer or any officer, partner or stockholder of any recreational vehicle dealer from selling or transferring any part of the interest of those persons to any other person or party. A dealer, officer, partner or stockholder may

not sell, transfer or assign the rights under the dealer agreement or power of management or control without the consent of the manufacturer. The manufacturer may not unreasonably withhold that consent; [1997, c. 427, §2 (NEW).]

I. To obtain money, goods, services, anything of value or any other benefit from any other person with whom the recreational vehicle dealer does business, on account of or in relation to a transaction between the recreational vehicle dealer and the other person, unless that benefit is promptly accounted for and transmitted to the recreational vehicle dealer; [1997, c. 427, §2 (NEW).]

J. To compete with a recreational vehicle dealer operating under an agreement or dealer agreement from the manufacturer in a relevant market area that has been determined exclusively by equitable principles. A manufacturer is not considered to be competing when operating a dealership either temporarily for a reasonable period not to exceed 2 years or in a bona fide relationship in which an independent person has made a significant investment subject to loss in the dealership and can reasonably expect to acquire full ownership of the dealership on reasonable terms and conditions; [2009, c. 562, §17 (AMD).]

K. To require a recreational vehicle dealer to assent to a release assignment, novation, waiver or estoppel that relieves any person from liability imposed by this chapter; [1997, c. 427, §2 (NEW).]

L. To require any new recreational vehicle dealer to refrain from participation in the management of, investment in or the acquisition of any other line of new recreational vehicle or related product; [1997, c. 427, §2 (NEW).]

M. To require any new recreational vehicle dealer to change the location of the new recreational vehicle dealership or during the course of the agreement to make any substantial alterations to the dealership premises if the change or alteration is unreasonable; [1997, c. 427, §2 (NEW).]

N. To cancel, terminate, fail to renew or refuse to continue any dealer agreement with a licensed new recreational vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or the terms or provisions of any waiver, unless a manufacturer has:

- (1) Satisfied the notice requirement of paragraph Q;
- (2) Acted in good faith as defined in section 1432, subsection 12; and
- (3) Good cause for the cancellation, termination, nonrenewal or noncontinuance; [1997, c. 427, §2 (NEW).]

O. To cancel, terminate, fail to renew or refuse to continue any dealer agreement with a licensed new recreational vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or the terms or provisions of any waiver unless good cause exists. Good cause exists for the purposes of a termination, cancellation, nonrenewal or noncontinuance when:

- (1) There is a failure by the new recreational vehicle dealer to comply with a provision of the dealer agreement that is both reasonable and of material significance to the contractual relationship as long as compliance on the part of the new recreational vehicle dealer is reasonably possible and the manufacturer first acquired actual or constructive knowledge of the failure not more than 180 days prior to the date on which notification is given pursuant to paragraph Q;
- (2) The failure by the new recreational vehicle dealer, described in subparagraph (1), relates to the performance of the new recreational vehicle dealer in sales or service, then good cause is defined as the failure of the new recreational vehicle dealer to effectively carry out the performance provisions of the dealer agreement if:
 - (a) The new recreational vehicle dealer was apprised by the manufacturer in writing of that failure, the notification stated that notice was provided of failure of performance pursuant to this section and the new recreational vehicle dealer was afforded a reasonable opportunity for a period of not less than 6 months to exert good faith efforts to carry out the performance provisions;

(b) The failure continued within the period that began not more than 180 days before the date of notification of termination, cancellation or nonrenewal was given pursuant to paragraph Q; and

(c) The new recreational vehicle dealer has not substantially complied with reasonable performance criteria established by the manufacturer and communicated to that dealer;

(3) The dealer and the manufacturer or distributor agree not to renew the dealer agreement; or

(4) The manufacturer discontinues production or distribution of the recreational vehicle product in this State and, in the case of termination or cancellation, discontinues advertising that product within this State; [1997, c. 427, §2 (NEW) .]

P. To cancel, terminate, fail to renew or refuse to continue any contractual relationship with a licensed new recreational vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or dealer agreement or the terms or provisions of any waiver, based on any of the following conditions, which do not constitute good cause:

(1) The change of ownership of the new recreational vehicle dealer's dealership. This subparagraph does not authorize any change in ownership that has the effect of the sale of rights under the dealer agreement without the manufacturer's or distributor's written consent. This consent may not be unreasonably withheld. The burden of establishing the reasonableness is on the manufacturer or distributor;

(2) The fact that the new recreational vehicle dealer unreasonably refused to purchase or accept delivery of any new recreational vehicle, parts, accessories or any other commodity or services not ordered by the new recreational vehicle dealer, except that the manufacturer may require that the dealer stock a reasonable supply of parts or accessories required to perform campaign, recall or warranty work and that this provision is not intended to modify or supersede any requirement of the dealer agreement that dealers market a representative line of those recreational vehicles that the manufacturer is publicly advertising;

(3) The fact that the new recreational vehicle dealer owns, has an investment in, participates in the management of, or holds a license for, the sale of another make or line of new recreational vehicle or that the new recreational vehicle dealer has established another make or line of new recreational vehicle in the same dealership facilities as those of the manufacturer as long as the new recreational vehicle dealer maintains a reasonable line of credit for each make or line of new recreational vehicle and that the new recreational vehicle dealer remains in substantial compliance with reasonable facilities requirements of the manufacturer;

(4) The fact that the new recreational vehicle dealer sells or transfers ownership of the dealership or sells or transfers capital stock in the dealership to the new recreational vehicle dealer's designated family member. The manufacturer shall give effect to that change in the ownership in the dealership. This subparagraph does not authorize any changes in ownership that have the effect of the sale of the dealership without the manufacturer's written consent. This consent may not be unreasonably withheld. The burden of establishing the reasonableness is on the manufacturer; or

(5) The manufacturer has the burden of proof under paragraph N for showing that it has acted in good faith, that the notice requirements have been complied with and that there was good cause for the dealer agreements termination, cancellation, nonrenewal or noncontinuance; [1997, c. 427, §2 (NEW) .]

Q. To cancel, terminate, fail to renew or refuse to continue any dealership relationship with a licensed new recreational vehicle dealer, notwithstanding the terms, provisions or conditions of any agreement or dealer agreement or the terms or provisions of any waiver, without first providing notification of the termination, cancellation, nonrenewal or noncontinuance to the new recreational vehicle dealer as follows:

(1) Notification must be in writing and delivered personally or by certified mail to the new recreational vehicle dealer and contain:

- (a) A statement of intent to terminate the dealer agreement, cancel the dealer agreement, not continue the dealer agreement or not to renew the dealer agreement;
 - (b) A statement of the reasons for the termination, cancellation, noncontinuance or nonrenewal; and
 - (c) The date on which the termination, cancellation, noncontinuance or nonrenewal takes effect;
- (2) Notification may not be less than 90 days prior to the effective date of the termination, cancellation, noncontinuance or nonrenewal; or
- (3) Notification may not be less than 15 days prior to the effective date of the termination, cancellation, noncontinuance or nonrenewal with respect to any of the following:
- (a) Insolvency of the new recreational vehicle dealer or filing of any petition by or against the new recreational vehicle dealer under any bankruptcy or receivership law;
 - (b) The business operations outlined by the dealer agreement have been abandoned or closed for 14 consecutive business days unless the closing is due to an act of God, a strike or labor difficulty;
 - (c) Conviction of or plea of nolo contendere of a recreational vehicle dealer or one of its principal owners of any Class A, Class B or Class C crime, as defined in Title 17-A, in which a sentence of imprisonment of 60 days or more is imposed under Title 17-A, sections 1251 and 1252;
 - (d) Revocation of the recreational vehicle dealer's license pursuant to Title 29-A, section 903; or
 - (e) A determination that there was a material fraudulent misrepresentation by the dealer to the manufacturer, distributor or wholesaler; or [1997, c. 427, §2 (NEW).]

R. To cancel, terminate, fail to renew or refuse to continue any dealer agreement with a licensed new recreational vehicle dealer without providing fair and reasonable compensation to the licensed new recreational vehicle dealer for:

- (1) All unsold and unaltered new model recreational vehicle inventory of the current model year and the previous model year purchased from the manufacturer;
- (2) Unused supplies and parts purchased from the manufacturer or its approved sources;
- (3) Equipment and furnishings purchased from the manufacturer or its approved sources;
- (4) Special tools purchased from the manufacturer or its approved sources; and
- (5) Facilities, if the involuntary termination, cancellation, noncontinuance or nonrenewal is due to a failure of performance of the new recreational vehicle dealer in sales or service and:
 - (a) The new recreational vehicle dealer is leasing the dealership facilities from a lessor other than the manufacturer, the manufacturer shall pay the new recreational vehicle dealer a sum equivalent to the prorated portion of rent attributable to the manufacturer's terminated line for the unexpired term of the lease or one year's rent, whichever is less; or
 - (b) The new recreational vehicle dealer owns the facilities, the manufacturer shall pay the new recreational vehicle dealer a sum equivalent to the prorated portion of the reasonable rental value of the facilities attributable to the manufacturer's terminated line for one year.

The fair and reasonable compensation for the items listed in subparagraphs (1) to (5) may not be less than the acquisition price and must be paid by the manufacturer within 90 days of the effective date of the termination, cancellation, noncontinuance or nonrenewal.

In lieu of any injunctive relief or any other damages, if the manufacturer fails to prove there was good cause for the termination, cancellation, noncontinuance or nonrenewal or if the manufacturer fails to prove that it acted in good faith, the manufacturer shall pay the new recreational vehicle dealer fair and reasonable compensation for the attributable value of the dealership as an ongoing business to the manufacturer's terminated line; and [1997, c. 640, §3 (AMD).]

§1434-A. TERMINATION, CANCELLATION AND NONRENEWAL OF A DEALER AGREEMENT

1. Termination; cancellation; nonrenewal. A manufacturer or distributor, directly or through an authorized officer, agent or employee, may terminate, cancel or fail to renew a dealer agreement with or without good cause. If the manufacturer or distributor terminates, cancels or fails to renew the dealer agreement without good cause, the manufacturer or distributor must comply with subsection 4. The manufacturer or distributor has the burden of showing good cause for terminating, canceling or failing to renew a dealer agreement. For purposes of determining whether there is good cause for the proposed action, any of the following factors may be considered in a proceeding:

A. The extent of the affected dealer's penetration in the area of sales responsibility; [2009, c. 562, §18 (NEW).]

B. The nature and extent of the dealer's investment in the dealer's business; [2009, c. 562, §18 (NEW).]

C. The adequacy of the dealer's service facilities, equipment, parts, supplies and personnel; [2009, c. 562, §18 (NEW).]

D. The effect of the proposed action on the community; [2009, c. 562, §18 (NEW).]

E. The extent and quality of the dealer's service under recreational vehicle warranties; [2009, c. 562, §18 (NEW).]

F. The failure to follow agreed-upon procedures or standards related to the overall operation of the dealership; and [2009, c. 562, §18 (NEW).]

G. The dealer's performance under the terms of its dealer agreement. [2009, c. 562, §18 (NEW).]

[2009, c. 562, §18 (NEW).]

2. Notice to dealer; requirements. Except as otherwise provided in this section, a manufacturer or distributor shall provide a dealer with at least 90 days' prior written notice of termination, cancellation or nonrenewal of a dealer agreement if the dealer agreement is being terminated for good cause.

A. A notice under this subsection must state all reasons for the proposed termination, cancellation or nonrenewal and must further state that if, within 30 days following receipt of the notice, the dealer provides to the manufacturer or distributor a written notice of intent to cure all claimed deficiencies, the dealer will then have 90 days following the manufacturer's or distributor's receipt of the notice to cure the deficiencies. If the deficiencies are cured within 90 days, the manufacturer's or distributor's notice is voided. If the dealer fails to provide the notice of intent to cure the deficiencies in the prescribed time period, the termination, cancellation or nonrenewal takes effect 30 days after the dealer's receipt of the notice unless the dealer has new and untitled inventory on hand that may be disposed of pursuant to subsection 4. [2009, c. 562, §18 (NEW).]

B. The notice period under this subsection may be reduced to not less than 30 days' prior written notice of termination, cancellation or nonrenewal if good cause exists. Good cause exists for purposes of this paragraph when:

- (1) A dealer or one of its owners is convicted of or enters a plea of nolo contendere to murder or a Class A, Class B or Class C crime for which a sentence of imprisonment of one year or more is imposed under Title 17-A, section 1251 or 1252;
- (2) A dealer abandons or closes the dealer's business operations for 10 consecutive business days unless the closing is due to an act of God, strike, labor difficulty or other cause over which the dealer has no control;
- (3) There is a significant misrepresentation by the dealer materially affecting the business relationship between the dealer and the manufacturer or distributor;
- (4) The dealer's license has been suspended or revoked or has not been renewed;
- (5) There is a declaration by the dealer of bankruptcy or insolvency or the occurrence of an assignment for the benefit of creditors or bankruptcy; or
- (6) A dealer fails to notify in writing the manufacturer or distributor at least 30 days prior to entering into a dealer agreement with a manufacturer or distributor of a competing, similar line make.

The notice requirements of this paragraph do not apply if the reason for termination, cancellation or nonrenewal is the dealer's insolvency, the occurrence of an assignment for the benefit of creditors or the dealer's bankruptcy. [2009, c. 562, §18 (NEW).]

[2009, c. 562, §18 (NEW).]

3. Notice to manufacturer or distributor; requirement. A dealer may terminate, cancel or refuse to renew a dealer agreement with or without good cause by giving 30 days' written notice to the manufacturer or distributor.

A. If the termination, cancellation or refusal to renew is for good cause, the notice must state all reasons for the proposed termination, cancellation or nonrenewal and must further state that if, within 30 days following receipt of the notice, the manufacturer or distributor provides to the dealer a written notice of intent to cure all claimed deficiencies, the manufacturer or distributor will then have 90 days following

receipt of the original notice to cure the deficiencies. If the deficiencies are cured within 90 days, the dealer's notice is voided. If the manufacturer or distributor fails to provide the notice of intent to cure the deficiencies in the time period prescribed in the original notice of termination, cancellation or nonrenewal, the pending termination, cancellation or nonrenewal takes effect 30 days after the manufacturer's or distributor's receipt of the original notice. [2009 , c. 562 , §18 (NEW) .]

B. If the dealer terminates, cancels or fails to renew the dealer agreement without good cause, subsection 4 does not apply. If the dealer terminates, cancels or fails to renew the dealer agreement with good cause, subsection 4 applies. The dealer has the burden of showing good cause. [2009 , c. 562 , §18 (NEW) .]

C. For purposes of this subsection, good cause for termination, cancellation or nonrenewal exists when:

- (1) A manufacturer or distributor is convicted of, or enters a plea of nolo contendere to, murder or a Class A, Class B or Class C crime for which a sentence of imprisonment of one year or more is imposed under Title 17-A, section 1251 or 1252;
- (2) The business operations of the manufacturer or distributor have been abandoned or closed for 10 consecutive business days, unless the closing is due to an act of God, strike, labor difficulty or other cause over which the manufacturer or distributor has no control;
- (3) There is a significant misrepresentation by the manufacturer or distributor materially affecting the business relationship between the dealer and the manufacturer or distributor; or
- (4) There is a declaration by the manufacturer or distributor of bankruptcy or insolvency or the occurrence of an assignment for the benefit of creditors or bankruptcy. [2009 , c. 562 , §18 (NEW) .]

[2009 , c. 562 , §18 (NEW) .]

4. Repurchase of inventory. If the dealer agreement is terminated, canceled or not renewed by the manufacturer or distributor without good cause, or if the dealer terminates or cancels the dealer agreement for good cause and the manufacturer or distributor fails to cure the claimed deficiencies, the manufacturer or distributor shall, at the election of the dealer and within 45 days after termination, cancellation or nonrenewal, repurchase:

A. All new, untitled recreational vehicles that were acquired from the manufacturer or distributor within 12 months before the effective date of the termination, cancellation or nonrenewal that have not been used, except for demonstration purposes, and that have not been damaged, at 100% of the net invoice cost, including transportation, less applicable rebates and discounts to the dealer. If any of the vehicles repurchased pursuant to this subsection are damaged, but do not trigger a consumer disclosure requirement, the amount due the dealer is reduced by the cost to repair the vehicle. Damage prior to delivery to the dealer that is disclosed at the time of delivery does not disqualify repurchase under this paragraph; [2009 , c. 562 , §18 (NEW) .]

B. All undamaged accessories and proprietary parts sold to the dealer for resale within the 12 months prior to termination, cancellation or nonrenewal, if contained in the original packaging, at 105% of the original net price paid to the manufacturer or distributor to compensate the dealer for handling, packing and shipping the accessories or parts; and [2009 , c. 562 , §18 (NEW) .]

C. All properly functioning diagnostic equipment, special tools, current signs and other equipment and machinery at 100% of the dealer's net cost plus freight, destination, delivery and distribution charges and sales taxes, if any, if purchased by the dealer within 5 years before termination, cancellation or nonrenewal upon the manufacturer's or distributor's request and the dealer establishes that the items can

no longer be used in the normal course of the dealer's ongoing business. The manufacturer or distributor shall pay the dealer within 30 days after receipt of the returned items. [2009, c. 562, §18 (NEW).]

§1435. LIMITATIONS ON ESTABLISHING OR RELOCATING DEALERSHIPS

A new recreational vehicle dealership may not be established and an existing recreational vehicle dealership may not be relocated, except as follows. [1997, c. 427, §2 (NEW).]

1. Notification. If a manufacturer seeks to enter into a dealer agreement establishing an additional new recreational vehicle dealership or relocating an existing new recreational vehicle dealership, within or into a relevant market area where the same line make is already represented, the manufacturer shall notify, in writing, each new recreational vehicle dealer in the line make in the relevant market area of the intention to establish an additional dealership or to relocate an existing dealership within or into that market area. The relevant market area is a radius of 15 miles around an existing dealership in the following cities: Augusta, Auburn, Bangor, Biddeford, Brewer, Falmouth, Lewiston, Portland, Saco, South Portland, Waterville and Westbrook. The relevant market area is a radius of 30 miles around all other existing dealerships.

Within 30 days of receiving the notice or within 30 days after the end of any appeal procedure provided by the manufacturer, a new recreational vehicle dealership may file a complaint in the Superior Court of the county in which the dealership is located, protesting the establishment or relocation of the new recreational vehicle dealership. When a complaint is filed, the manufacturer may not establish or relocate the proposed new recreational vehicle dealership until a hearing has been held on the merits of establishing or relocating that recreational vehicle dealership, and that dealership may not be established or relocated if the court has determined that there is good cause for not permitting the new recreational vehicle dealership. For the purposes of this section, the reopening in a relevant market area of a new recreational vehicle dealership that has not been in operation for one year or more is considered the establishment of an additional new recreational vehicle dealership.

[1997, c. 427, §2 (NEW).]

2. Good cause. In determining whether good cause has been established for not entering into a new dealer agreement or relocating an additional dealer for the same line make, the court shall take into consideration the existing circumstances, including, but not limited to:

A. The permanency of the investment of both the existing and proposed new recreational vehicle dealers; [1997, c. 427, §2 (NEW).]

B. The effect on the retail new recreational vehicle business and the public in the relevant market area; [1997, c. 427, §2 (NEW).]

C. Whether it is injurious or beneficial to the public for an additional new recreational vehicle dealer to be established; [1997, c. 427, §2 (NEW).]

D. Whether the new recreational vehicle dealers of the same line make in that relevant market area are providing adequate competition and convenient consumer care for the recreational vehicles of the line make in that market area that includes the adequacy of recreational vehicle sales and service facilities, equipment, supply of recreational vehicle parts and qualified service personnel; [1997, c. 427, §2 (NEW).]

E. Whether the establishment of an additional new recreational vehicle dealership would increase competition and be in the public interest; and [1997, c. 427, §2 (NEW).]

F. The effect on the establishing or relocating dealer as a result of not being permitted to establish or relocate. [1997, c. 427, §2 (NEW).]

[1997, c. 427, §2 (NEW) .]

SECTION HISTORY
1997, c. 427, §2 (NEW).

§1436. TRANSPORTATION DAMAGES

1. Liability of new dealer after acceptance. Notwithstanding the terms, provisions or conditions of any agreement or dealer agreement, the new recreational vehicle dealer is solely liable for damages to new recreational vehicles after acceptance from the carrier and before delivery to the ultimate purchaser.

[1997, c. 427, §2 (NEW) .]

2. Liability of manufacturer. Notwithstanding the terms, provisions or conditions of any agreement or dealer agreement, the manufacturer is liable for all damages to recreational vehicles before delivery to a carrier or transporter.

[1997, c. 427, §2 (NEW) .]

3. Additional liability of dealer. The new recreational vehicle dealer is liable for damages to new recreational vehicles after delivery to the carrier only if the dealer selects the method of transportation, mode of transportation and the carrier. In all other instances, the manufacturer is liable for carrier-related new recreational vehicle damage, as long as the new recreational vehicle dealer annotates the bill of lading or other carrier document indicating damages observed at the time of delivery to the new recreational vehicle dealer and promptly notifies the manufacturer of any concealed damage discovered after delivery.

[1997, c. 427, §2 (NEW) .]

SECTION HISTORY
1997, c. 427, §2 (NEW).

§1437. SURVIVORSHIP

1. Right of family member. The right of a designated family member to succeed in dealer ownership is governed by the following provisions.

A. Any designated family member of a deceased or incapacitated new recreational vehicle dealer who has been designated as successor to that dealer in writing to the manufacturer may succeed the dealer in the ownership or operation of the dealership under the existing dealer agreement or distribution agreement if the designated family member gives the manufacturer of new recreational vehicles a written notice of the intention to succeed to the dealership within 90 days of the dealer's death or incapacity. The designated family member may not succeed the dealer if there exists good cause for refusal to honor the succession on the part of the manufacturer. [2009, c. 562, §19 (AMD).]

B. The manufacturer may request and the designated family member shall provide, upon the request, on forms provided for that purpose by the manufacturer, personal and financial data that is reasonably necessary to determine whether the succession may be honored. [1997, c. 427, §2 (NEW).]

[2009, c. 562, §19 (AMD) .]

2. Refusal to honor; notice required. The refusal to honor the right of the designated family member to succeed in dealer ownership is governed by the following provisions.

A. If a manufacturer, distributor, factory branch, factory representative or importer believes that good cause exists for refusing to honor the succession to the ownership and operation of a dealership by a designated family member of a deceased or incapacitated new recreational vehicle dealer under the existing dealer agreement, the manufacturer, within 60 days of receipt of the information requested in subsection 1, paragraph B, may serve upon the designated family member notice of its refusal to honor the succession or its intent to discontinue the existing dealer agreement with the dealership. A discontinuance may not take place sooner than 90 days from the date the notice is served. [1997, c. 427, §2 (NEW).]

B. The notice must state the specific grounds for the refusal to honor the succession and of the intent to discontinue the existing dealer agreement with the dealership no sooner than 90 days from the date the notice is served. [1997, c. 427, §2 (NEW).]

C. If notice of refusal and discontinuance is not served upon the designated family member in a timely manner, the dealer agreement continues in effect and is subject to termination only as otherwise permitted by this section. [1997, c. 427, §2 (NEW).]

[1997, c. 427, §2 (NEW) .]

3. Written designation of succession unaffected. This section does not preclude a new recreational vehicle dealer from designating any person, by written instrument filed with the manufacturer, as that dealer's successor.

1997, c. 427, §2 (NEW). 2009, c. 562, §19 (AMD).

§1438. DELIVERY AND PREPARATION OBLIGATIONS; PRODUCT LIABILITY AND IMPLIED WARRANTY COMPLAINTS

A manufacturer shall specify to the dealer the delivery and preparation obligations of its recreational vehicle dealers prior to delivery of new recreational vehicles to retail buyers. The delivery and preparation obligations of its recreational vehicle dealers and a schedule of the compensation to be paid to its recreational vehicle dealers for the work and services the dealers are required to perform in connection with the delivery and preparation are the dealer's only responsibility for product liability between that dealer and that manufacturer. The compensation stated in the schedule must be reasonable. [1997, c. 427, §2 (NEW) .]

In any action or claim brought against the recreational vehicle dealer on a product liability complaint in which it is later determined that the manufacturer is liable, the dealer is entitled to receive from the manufacturer its reasonable costs and attorney's fees incurred in defending the claim or action. [1997, c. 427, §2 (NEW) .]

In any action or claim brought against the recreational vehicle dealer on a breach of implied warranty complaint in which it is later determined that the manufacturer is liable, the dealer is entitled to receive from the manufacturer the dealer's reasonable costs and attorney's fees incurred in defending the claim or action. In any implied warranty action, a dealer has the rights of a buyer under Title 11, section 2-607, subsection (5). [1997, c. 427, §2 (NEW) .]

The court shall consider the recreational vehicle dealer's share in the responsibility for the damages in awarding costs and attorney's fees. [1997, c. 427, §2 (NEW) .]

§1439. WARRANTY

(REPEALED)

SECTION HISTORY

1997, c. 427, §2 (NEW). 2009, c. 562, §20 (RP).

§1439-A. WARRANTY

1. Warranty obligations. A warrantor shall:

A. Specify in writing to a dealer the dealer's obligations, if any, for preparation, delivery and warranty service on products covered by the warrantor; [2009, c. 562, §21 (NEW).]

B. Compensate the dealer for warranty service required of a dealer by the warrantor; and [2009, c. 562, §21 (NEW).]

C. Provide a dealer the schedule of compensation to be paid and the time allowances for the performance of any work and service. The schedule of compensation must include reasonable compensation for diagnostic work as well as warranty labor. [2009, c. 562, §21 (NEW).]

[2009, c. 562, §21 (NEW) .]

2. Time allowances; reasonable compensation. Time allowances set by the manufacturer for the diagnosis and performance of warranty labor must be reasonable for the work to be performed. In the determination of what constitutes reasonable compensation under this section, the principal factor to be given consideration is the actual retail labor rate being charged by the dealers in the community in which the dealer is doing business. The compensation of a dealer for warranty labor may not be less than the average retail labor rates actually charged by the dealer for like nonwarranty labor as long as those rates are reasonable.

[2009, c. 562, §21 (NEW) .]

3. Reimbursement for warranty parts. A warrantor shall reimburse a dealer for warranty parts at actual wholesale cost plus a minimum 30% handling charge and the cost, if any, of freight to return warranty parts to the warrantor.

[2009, c. 562, §21 (NEW) .]

4. Audits. A warrantor may conduct warranty audits of dealer records on a reasonable basis, and dealer claims for warranty compensation may not be denied except for cause, such as performance of nonwarranty repairs, material noncompliance with the warrantor's published policies and procedures, lack of material documentation, fraud or misrepresentation.

[2009, c. 562, §21 (NEW) .]

5. Claims. A dealer shall submit warranty claims within 45 days after completing warranty service and repairs.

[2009, c. 562, §21 (NEW) .]

6. Notice for inability to perform warranty repairs. A dealer shall immediately notify the warrantor orally or in writing if the dealer is unable to perform any warranty repairs within 10 days of receipt of an oral or written complaint from a customer.

[2009, c. 562, §21 (NEW) .]

7. Claims not approved. A warrantor shall approve or disapprove a warranty claim in writing within 45 days after the date of submission by a dealer in the manner and form prescribed by the warrantor. Claims not specifically disapproved in writing within 45 days are deemed to be approved and must be paid within 60 days of submission.

[2009, c. 562, §21 (NEW) .]

8. Duties of warrantor. A warrantor:

A. Shall perform its warranty obligations under this subsection with respect to its warranted products; [2009, c. 562, §21 (NEW).]

B. Shall include in written notices of factory campaigns to recreational vehicle owners and dealers the expected date by which necessary parts and equipment, including tires and chassis or chassis parts, will be available to dealers to perform the campaign work. The warrantor may ship parts to the dealer to effect the campaign work, and, if such parts are in excess of the dealer's requirements, the dealer may return unused parts to the warrantor for credit after completion of the campaign; [2009, c. 562, §21 (NEW).]

C. Shall compensate dealers for authorized repairs performed by the dealer on merchandise damaged in manufacture or transit to the dealer, if the carrier is designated by the warrantor, factory branch, distributor or distributor branch; [2009, c. 562, §21 (NEW).]

D. Shall compensate dealers in accordance with the schedule of compensation provided to the dealer pursuant to subsection 1, paragraph C if the work or service is performed in a timely and competent manner; [2009, c. 562, §21 (NEW).]

E. May not intentionally misrepresent in any way to a purchaser of a recreational vehicle that warranties with respect to the manufacture, performance or design of the vehicle are made by the dealer as warrantor or cowarrantor; and [2009, c. 562, §21 (NEW).]

F. May not require a dealer to make warranties to customers in any manner related to the manufacture of the recreational vehicle. [2009, c. 562, §21 (NEW).]

[2009, c. 562, §21 (NEW) .]

9. Duties of dealer. A dealer:

A. Shall perform predelivery inspection functions, as specified by the warrantor, in a competent and timely manner; [2009, c. 562, §21 (NEW).]

B. Shall perform warranty service or work authorized by the warrantor in a competent and timely manner on any transient customer's vehicle of the same line make or as otherwise authorized by the warrantor; [2009, c. 562, §21 (NEW).]

C. Shall accurately document the time spent completing each repair, the total number of repair attempts conducted on a single vehicle and the number of repair attempts for the same repair conducted on a single vehicle; [2009, c. 562, §21 (NEW).]

D. Shall notify the warrantor within 10 days of a 2nd repair attempt that impairs the use, value or safety of a vehicle; [2009, c. 562, §21 (NEW).]

E. Shall maintain written records, including a customer's signature, regarding the amount of time a vehicle is stored for the customer's convenience during a repair; and [2009, c. 562, §21 (NEW).]

F. May not make fraudulent warranty claims or misrepresent the terms of a warranty. [2009, c. 562, §21 (NEW).]

[2009, c. 562, §21 (NEW) .]

10. Manufacturer audit of claims. A manufacturer is permitted to audit claims within an 18-month period from the date the claim was paid or credit issued by the manufacturer and to charge back any false or unsubstantiated claims. If there is evidence of fraud, this subsection does not limit the right of the manufacturer to audit for longer periods and charge back for any fraudulent claim.

B. The demand for mediation under this section must contain a brief statement of the dispute and the relief sought by the party filing the demand. [2009, c. 562, §23 (NEW) .]

C. 2. Designation of area of sales responsibility. A manufacturer shall designate the area of sales responsibility assigned to a dealer in the dealer agreement and may not change the area or contract with another dealer for sale of the same line make in the area during the duration of the agreement. If, subsequent to entering into a dealer agreement, a dealer enters into an agreement to sell any competing recreational vehicles, or enters into an agreement to increase a preexisting commitment to sell any competing recreational vehicles, a manufacturer may revise the area of sales responsibility designated in the dealer agreement if the market penetration of the manufacturer's products is compromised by the dealer's subsequent agreements.

Chapter 215: MOTOR FUEL DISTRIBUTION AND SALES

§1451. SHORT TITLE

This chapter shall be known as the Motor Fuel Distribution and Sales Act. [1975, c. 549, (NEW).]

SECTION HISTORY

1975, c. 549, (NEW).

§1452. LEGISLATIVE FINDINGS AND PURPOSE

The Legislature finds and declares that the distribution and retail sale of motor fuels at reasonable prices and in adequate supply throughout the State vitally affects the public health, welfare and safety, and that increased competition at all levels of the motor fuel market and maintenance within that market of a significant proportion of businesses independent of major marketers and refiners will promote reasonable prices and better assure supplies to all areas of the State. It is therefore necessary to define and regulate the relationship between parties to franchise agreements involving the sale or distribution of motor fuels in the State and to prescribe other trade practices. [1975, c. 549, (NEW).]

§1454. FRANCHISED DEALERS AND DISTRIBUTORS

1. Franchise agreements. When a franchise agreement between a refiner and a retail dealer or a distributor or between a distributor and a retail dealer covers the sale of petroleum products and those sales constitute more than 35% of the retail dealer's gross sales and those gross sales are more than \$30,000 annually, the franchise agreement is subject to the nonwaivable provisions set forth in this subsection, whether or not they are expressly set forth in the agreement.

A. A retail dealer or distributor as franchisee has the right to cancel a franchise agreement until midnight of the 7th business day after the day on which the agreement was signed, by giving the franchisor written notice of the cancellation. Upon the franchisee's giving the franchisor such a notice, all money, equipment and merchandise loaned, sold or delivered to the franchisee under the agreement must be returned to the franchisor for full credit, or the cash equivalent. If the franchisor is the owner of the real estate upon which the franchisee conducted business, the franchisee shall deliver full possession of the real estate to the franchisor immediately upon such cancellation. [2013, c. 219, §4 (AMD) .]

B. An agreement may not contain a provision that in any way limits the right of either party to trial by jury, the interposition of counterclaims or crossclaims. [2013, c. 219, §4 (AMD) .]

C. The price at which a franchisee sells products may not be fixed or maintained by a franchisor, nor may any person seek to do so, nor may the price of products be subject to enforcement or coercion by any person in any manner, but this paragraph may not be construed to prohibit a franchisor from suggesting prices to franchisees or counseling franchisees concerning prices. Each agreement must have, in 10-point type, the legend: "PRICE FIXING OR MANDATORY PRICES FOR ANY PRODUCTS COVERED IN THIS AGREEMENT IS PROHIBITED. A SERVICE STATION DEALER OR WHOLESALE DISTRIBUTOR MAY SELL ANY PRODUCTS LISTED IN THIS AGREEMENT FOR A PRICE THAT THE SERVICE STATION DEALER OR WHOLESALE DISTRIBUTOR ALONE MAY DECIDE." The provisions of this paragraph do not apply to any petroleum products included in a franchisor's consignment agreement with a franchisee or to any franchise agreement that provides for petroleum products to be sold on consignment by a franchisee on behalf of a franchisor. [2013, c. 219, §4 (AMD) .]

D. A franchisor may not withhold consent to any assignment, transfer or sale of the franchise agreement as long as the assignee, transferee or purchaser of the franchise agreement meets the qualifications required in the franchise agreement. [2013, c. 219, §4 (AMD) .]

E. If the franchise agreement requires the franchisee to provide a cash deposit in advance for the use of the service station or delivery of fuel, except as advance payment in whole or in part for product ordered, the cash deposit must be held by the franchisor and may be used by the franchisor in the franchisor's business. Interest at a rate of at least the one-year United States Treasury bill rate, or the rate of a comparable instrument if the one-year United States Treasury bill rate is not offered, as of the first business day of the year in which the interest is paid must be paid to the franchisee at least annually on the use of the cash deposit to the extent not otherwise applied by the franchisor to obligations of the franchisee as provided in the franchise agreement. Within 90 days after the termination of the agreement, any portion of the cash deposit that has not otherwise been applied by the franchisor to obligations of the franchisee as provided in the franchise agreement must be returned, together with any unpaid interest on any unused cash deposit at the rate of at least the one-year United States Treasury bill rate, or the rate of a comparable instrument if the one-year United States Treasury bill is not offered, as of the first business day of the year in which the interest is paid.

For purposes of this paragraph, "one-year United States Treasury bill rate" means the weekly average one-year constant maturity Treasury yield, as published by the Board of Governors of the Federal Reserve System, for the last full week of the calendar year immediately prior to the year in which interest is paid. [2013, c. 219, §4 (AMD) .]

F. An agreement may not provide for the use of any promotion, premium, coupon, give-away or rebate in the operation of the business, except that a dealer may participate in a promotion, premium, coupon, give-away or rebate sponsored by the franchisor, if the dealer so desires. [2013, c. 219, §4 (AMD) .]

[2013, c. 219, §4 (AMD) .]

2. Termination of franchise agreements. A franchisor may not, directly or through any officer, agent or employee, terminate, cancel or fail to renew a franchise agreement, except for good cause. For purposes of this section, "good cause " includes, but is not limited to:

A. With respect to franchise agreements in which the franchisor leases real property and improvements to the franchisee:

- (1) The sale or lease of the real property and improvements by the franchisor to other than a subsidiary or affiliate of the franchisor for any use;
- (2) The sale or lease of the real property and improvements to a subsidiary or affiliate of the franchisor for a purpose other than the wholesale distribution or the retail sale of motor fuels;
- (3) The conversion of the real property and improvements to a use other than the wholesale distribution or the retail sale of motor fuels; or

(4) The lawful termination of lease, license or other nonownership under which the franchisor is entitled to possession or control of the real property and improvements; [2013, c. 219, §5 (AMD).]

B. Mutual agreement of the franchisor and franchisee to terminate, cancel or not renew the franchise agreement; [2013, c. 219, §5 (AMD).]

C. Criminal misconduct or a violation of law relating to the business or premises of the franchisee; [2013, c. 219, §5 (AMD).]

D. Fraud, which includes but is not limited to the following:

(1) Adulteration of the franchisor's products;

(2) Commingling of funds;

(3) Misleading consumers or misbranding gasoline;

(4) Trademark violations;

(5) Intentionally overcharging or deceiving customers as to repairs that are not needed; and

(6) Intentionally deceiving the franchisor regarding a term of the term of the lease; [2013, c. 219, §5 (AMD).]

E. Failure of the franchisee to open for business for 5 consecutive days, exclusive of holidays and reasonable vacation and sick days; [2013, c. 219, §5 (AMD).]

F. Bankruptcy or insolvency of the franchisee; [2013, c. 219, §5 (AMD).]

G. Nonpayment of rent or loss by the franchisor of its legal right to grant possession of leased premises to the franchisee; [2013, c. 219, §5 (AMD).]

H. Public condemnation or other public taking; and [2013, c. 219, §5 (AMD).]

I. Substantial noncompliance with the obligations of the franchise agreement. [1975, c. 623, §6-D (NEW).]

[2013, c. 219, §5 (AMD).]

3. Notice of termination. Except when a franchise agreement is terminated, cancelled or not renewed by mutual agreement of the franchisor and the franchisee, the franchisor shall give the franchisee advance written notice of termination, cancellation or intent not to renew. Notwithstanding any statute to the contrary, advance notice required by this subsection must precede the effective date of such termination, cancellation or nonrenewal by at least:

A. Forty-five days when the asserted cause is specified in subsection 2, paragraph H or I; [2013, c. 219, §6 (AMD).]

B. One hundred twenty days when the asserted cause is specified in subsection 2, paragraph A; or [2013, c. 219, §6 (AMD).]

C. Seven days when the asserted cause is specified in subsection 2, paragraph C, D, E, F or G. [2013, c. 219, §6 (AMD).]

[2013, c. 219, §6 (AMD).]

4. Compensation on termination of franchise. Upon the termination of any franchise, the franchisee is entitled to fair and reasonable compensation by the franchisor for the franchisee's remaining inventory, supplies, equipment and furnishings purchased by the franchisee from the franchisor or its approved sources except that compensation is not allowed for personalized items that have no value to the franchisor.

[1983, c. 852, §1 (NEW) .]

3. Reasonable conditions. A motor fuel distributor, franchisor or refiner which does not make available sufficient supplies of ethanol or other synthetic motor fuels of equivalent usability may:

§1475. DISCLOSURE OF INFORMATION

1. Written disclosure statement. No dealer may sell, negotiate the sale of, offer for sale or transfer any used motor vehicle, including any used motor vehicle transferred to another dealer, unless the dealer affixes to the vehicle a conspicuous written statement containing the information required by subsection 2-A.

[1991, c. 824, Pt. A, §16 (AMD).]

2. Required contents of disclosure statement.

[1989, c. 878, Pt. F, §2 (RP).]

2-A. Required contents of disclosure statement. The statement required by subsection 1 must contain a complete description of the motor vehicle to be sold, including, but not limited to:

F. A statement, if applicable, disclosing that the vehicle was returned to the manufacturer, its agent or authorized dealer, for its nonconformity with express warranties. The statement must identify the nature of the nonconformities; [1995, c. 269, §2 (AMD).]

H. The dealer's duty to disclose conspicuously in writing the dealer's policy in relation to the return of deposits received from any person. A dealer shall require that a person making a deposit sign the form on which the disclosure appears ; and [2015 , c. 167 , §4 (AMD) .]

I. A dealer that provides to a consumer a vehicle history report prepared by a person other than the dealer has no liability for inaccuracies in the vehicle history report if the dealer makes the following disclosure: "[Name of dealer] is pleased to provide you a courtesy copy of a service history report for the vehicle you are considering purchasing. [Name of dealer] makes no representation as to the accuracy of this service history report." [2015 , c. 167 , §5 (NEW) .]

The Bureau of Motor Vehicles may adopt rules related to this section, including, but not limited to, rules establishing uniform disclosure forms and stickers. The Bureau of Motor Vehicles may include in any rule establishing uniform disclosure forms and stickers any information that the Federal Trade Commission requires to be disclosed on a sticker pursuant to the Motor Vehicle Trade Regulation Rule, 16 Code of Federal Regulations, Part 455, except that the Bureau of Motor Vehicles may not include in any uniform disclosure form or sticker information from the Federal Trade Commission rule that conflicts in any manner with the information required by this section.

Any dealer who offers for sale to the consuming public a repossessed vehicle that has been obtained by the dealer through any transaction other than a retail sale and who meets the warranty and disclosure requirements of section 1474 and subsection 1 and this subsection has no other liability under this chapter, except for any additional warranties negotiated between the dealer and the consumer.

The dealer must require the buyer to sign and date the disclosure statement, provide the buyer with a copy of the signed and dated statement and maintain a copy of the signed and dated statement for 3 years following the sale of the vehicle.

[2015 , c. 167 , §§2-5 (AMD) .]

3. Written statement. A dealer shall obtain from the seller of a used motor vehicle a written statement containing the following information:

Any dealer who offers for sale to consumers a repossessed vehicle that has been obtained by the dealer through any transaction other than a retail sale is not subject to the provisions of this subsection.

A dealer is not subject to the provisions of this subsection if that dealer offers for sale to consumers a used motor vehicle that has been obtained by the dealer through an auction located outside the State at which buyers are limited to licensed dealers and the seller of the used motor vehicle is neither a resident of this State nor a dealer licensed in this State, if the dealer clearly discloses on the written disclosure statement required by subsections 1 and 2-A that the vehicle was acquired at an out-of-state auction and that historical information regarding mechanical defects and substantial damage is not available.

The seller of the used motor vehicle shall sign and date this written statement and the dealer who buys the vehicle shall maintain a record of it for 2 years following the sale of the motor vehicle.

As used in subsection 2-A and this subsection, "substantial collision damage" means any damage to a motor vehicle from a collision when the costs of repair of that damage, at the time of repair, including replacement of mechanical and body parts, exceed \$3,000.

[2015, c. 167, §6 (AMD) .]

4. Lemon law buybacks. If a vehicle has been the subject of a complaint pursuant to chapter 203-A or any state's new motor vehicle lemon law that protects consumers from motor vehicles that do not conform to all manufacturer express warranties and that complaint was either filed in court or accepted for state-certified arbitration and the manufacturer subsequently purchased back the vehicle, either as the result of a court or arbitration order or voluntary settlement:

A. The dealer must disclose this fact, if known, when disclosing any defects pursuant to subsection 2-A; and [1993, c. 112, §3 (NEW).]

§1476. PERFORMANCE UNDER WARRANTY

1. Failure to perform warranty obligations prohibited. No dealer shall fail to perform his obligation under a warranty made in accordance with this chapter. It shall not constitute a failure to perform such obligations if a dealer refuses to act in accordance with the provisions of that warranty with respect to any mechanical defect that resulted from unreasonable use or maltreatment of that motor vehicle by the purchaser.

[1975, c. 770, §57 (NEW) .]

2. Conditions deemed failure to perform warranty. A dealer shall be considered to have failed to perform his obligations under warranty made in accordance with this chapter if:

A. He fails to perform repair or replacement of parts required under the warranty within:

(1) Five calendar days, excluding Saturday, Sunday and legal holidays, after the date on which the purchaser delivers the motor vehicle to him for such repair or replacement; or

(2) Thirty-five calendar days after the date on which the purchaser delivers the motor vehicle to him if necessary parts are not available to the dealer during the period set forth in subparagraph (1); or

(3) A reasonable period after the period set forth in subparagraph (2) if necessary parts are not available to the dealer because of a strike, natural disaster or other disaster affecting the manufacture, distribution or shipment of parts; or [1975, c. 770, §57 (NEW).]

B. He fails to provide the purchaser with the use of an operating motor vehicle at no cost, except gasoline and oil, beginning at the conclusion of the time stated in paragraph A, subparagraphs (1) and (2), and continuing until repairs have been completed; or [1975, c. 770, §57 (NEW).]

C. He transfers ownership of a used motor vehicle which does not conform to the warranty imposed by section 1474, subsection 1; or [1977, c. 78, §34 (AMD).]

D. He fails in any other material respect to perform an obligation arising out of the warranty within a reasonable time. [1975, c. 770, §57 (NEW).]

[1977, c. 78, §34 (AMD) .]

3. Purchaser's rights upon failure of dealer to perform warranty obligations. If the dealer fails to perform his obligations under the warranty, the purchaser, in addition to any other rights he or she may have, shall have the right to:

A. Rescind the contract of sale and recover the full consideration paid for the motor vehicle, including the fair market value of any property forming part of that consideration, reduced only by:

(1) The amount of damage caused to the motor vehicle by the purchaser, other than damage resulting primarily from a mechanical defect repairable under the warranty; and

(2) With respect to vehicles that have been in possession of the purchaser for more than 30 days, diminution, if any in the retail fair market value of the motor vehicle attributable to the period during which the consumer has had possession of said motor vehicle in useable condition. Fair market value for the purposes of this subparagraph shall be measured by the average retail price listed in an authorized used car guide, such as the National Automobile Dealer's Association Official Used Car Guide New England Edition, issued next before the sale and next before the rescission. [1975, c. 770, §57 (NEW).]

B. Recover damages in an amount equal to the differences between the fair market value of the motor vehicle in its actual condition at the time the dealer fails to perform his obligations under the warranty and the fair market value of the motor vehicle had it been as warranted. Such damages may be deducted from any balance due on the contract or recovered by the purchaser in a civil action.

Before initiating a civil action pursuant to this paragraph, the purchaser must give the dealer written notice that the dealer has failed to perform his obligations under the warranty. The written notice shall be given to the dealer by registered or certified mail addressed to his usual place of business or to his last known business address. [1975, c. 770, §57 (NEW).]

[1975, c. 770, §57 (NEW) .]

4. Attorney's fees. If the court finds, in any action commenced under this section, that the dealer failed to perform his obligations under the warranty, the petitioner shall, in addition to other relief provided for by this section and irrespective of the amount in controversy, be awarded reasonable attorney's fees and costs incurred in connection with said action.

SECTION HISTORY

1975, c. 770, §57 (NEW). 1977, c. 78, §34 (AMD).

§1477. VIOLATIONS

1. Violations of this chapter to be violations of the Unfair Trade Practices Act. Any violation of this chapter shall constitute a violation of Title 5, chapter 10, Unfair Trade Practices Act.

[1975, c. 770, §57 (NEW) .]

2. Civil penalty. Each violation of this chapter constitutes a civil violation and shall be punished by a forfeiture of not less than \$100 nor more than \$1,000. No action may be brought for a civil violation under this subsection more than 2 years after the date of the occurrence of the violation. No dealer may be held liable for a civil violation under this subsection if that dealer shows by a preponderance of the evidence that the violation was unintentional and a bona fide error, notwithstanding the maintenance of procedures reasonably adopted to avoid any such error. The failure of a dealer or a seller of a used motor vehicle to disclose all information concerning a vehicle which is sold to another dealer as required by section 1475, when the information is known to the dealer or seller at the time of the sale or transfer of the vehicle, shall also be considered a violation of this chapter and shall constitute a civil violation that is subject to the civil penalties provided for in this subsection.

[1989, c. 198, §3 (AMD) .]

3. Private remedies. In addition to any other remedy, if a dealer violates this chapter, that dealer is liable to the purchaser in an amount determined by the court of not less than \$100 nor more than \$1,000 as liquidated damages, and for costs and reasonable attorney's fees. No action may be brought under this subsection more than 2 years after the date of the occurrence of the violation. No dealer may be held liable under this subsection if that dealer shows by a preponderance of the evidence that the violation was unintentional and a bona fide error, notwithstanding the maintenance of procedures reasonably adopted to avoid any such error.

In addition to any other remedy, if a seller of a used motor vehicle who sells the vehicle to a dealer fails to disclose facts concerning that vehicle which are required to be disclosed by the provisions of section 1475, which facts were known by the seller at the time the disclosure was made, the seller is liable to the purchasing dealer in an amount determined by the court of not less than \$100 nor more than \$1,000 as liquidated damages, and for costs and reasonable attorney's fees. No action may be brought under this subsection more than 30 months after the date of the occurrence of the violation.

Each state agency shall use the disclosure forms as provided by the Bureau of Motor Vehicles pursuant to section 1475, subsection 2, paragraph G.

A. In the event that a uniform disclosure form prepared by the Bureau of Motor Vehicles is not available for state agency use, each agency shall devise a form until a uniform form becomes available. [1991, c. 837, Pt. A, §26 (AMD).]

5. Temporary certification. Any motor vehicle for which there is no current and valid certificate of motor vehicle inspection at the time of sale at a state auction and which does not pose a serious threat to the general public, as determined by the Bureau of Purchases from the form required in subsection 2 and from an inspection of the vehicle, may be provided a temporary certificate authorizing the operation of the motor vehicle from the auction site to a point designated by the purchaser.

2. Modification of bond requirement. The administrator, within the administrator's discretion, may modify terms and conditions specified in subsection 1 or may permit submission of an irrevocable letter of credit or other alternative form of security so as to ensure the maximum practicable or appropriate protection for employers.

[2005, c. 500, §3 (AMD) .]

2-A. Alternative security; Payroll Processor Recovery Fund. The Superintendent of Consumer Credit Protection within the Department of Professional and Financial Regulation, referred to in this subsection as "the fund administrator," shall administer the Payroll Processor Recovery Fund, established in section 980-D and referred to in this section as "the fund." Participation in the fund must be made available to any payroll processor that is not a supervised financial organization as defined in Title 9-A, section 1-301, subsection 38-A or a wholly owned subsidiary of such a supervised financial organization. The fund administrator may increase the fund, replenish the fund and seek reimbursement for the fund administrator's initial deposit into the fund through annual or special assessments against payroll processors using the fund. Before being eligible to participate in the fund, a payroll processor must provide a \$10,000 surety bond or irrevocable letter of credit in a form acceptable to the fund administrator. Assessments into the fund must be in amounts equal to 1% of the balance of bond coverage required pursuant to this section. An initial deposit into the fund must be made by the fund administrator in an amount not less than 1/2 of the maximum amount of a surety bond or other security required pursuant to subsection 1. All amounts assessed by the fund administrator must be paid into the fund until the fund reaches the maximum amount of a surety bond or other security required pursuant to subsection 1, after which time assessments must be equally divided between payments into the fund and payments to the fund administrator until the fund administrator is reimbursed for the fund administrator's initial deposit into the fund. If an employer's loss due to a participating payroll processor's failure to pay taxes or unemployment insurance premiums is demonstrated to the satisfaction of the fund administrator, the fund administrator shall require release of funds to the fund administrator for the benefit of the employer. If employer losses exceed the maximum amount recoverable pursuant to this subsection, funds are distributed to employers on a pro rata basis, based on the magnitude of the demonstrated loss. In the event an initial claim is made against the fund, any other claims arising within 45 days of the initial claim must be treated as having arisen on the same day as the initial claim for purposes of allocating recoveries to affected employers. Total funds released as a result of the failure of any one payroll processor to pay taxes or unemployment insurance premiums may not exceed 50% of the current fund balance. Fund proceeds must be used only for recovery of unpaid taxes and unemployment insurance premiums and may not be used for any other purpose.

3. Cancellation notification. A surety company issuing a bond pursuant to this section shall immediately notify the administrator when that bond is cancelled or terminated or lapses. The notice must include the name and address of the payroll processor and the amount of the bond. The cancellation, termination or lapse is not effective until at least 30 days after the administrator receives notice.

[2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF) .]

4. Exceptions. A payroll processor that does not have the authority to access, control, direct, transfer or disburse a client's funds is not subject to this section. A payroll processor that arranges for the transfer of funds from an employer's account directly to taxing authorities for payment of the employer's taxes is not

subject to this section, as long as the payroll processor is not authorized to arrange for the transfer of funds for any other uses or to any other accounts. The administrator may construe this subsection through issuance of an advisory ruling or through rules adopted pursuant to section 1495-F.

§1495-F. POWERS OF ADMINISTRATOR

1. Examinations. The administrator shall establish a program of regular examinations of payroll processors subject to the provisions of this chapter. The regular examinations must be conducted not less frequently than every 18 months. The administrator may, in the administrator's discretion, use an audit report of a payroll processor performed by the processor or another party to supplement or substitute for the administrator's own regular examination. In addition, the administrator may, at any time, conduct a special examination or investigation of any payroll processor the administrator believes has engaged in conduct that is a violation of any provision in this chapter. For purposes of both routine and special examinations and investigations, the payroll processor shall give the administrator free and reasonable access to the offices, places of business and records of the payroll processor, and the administrator may make and procure copies of those records, books, documents or other materials without employing the subpoena powers provided by subsection 2. For purposes of both routine and special examinations and investigations, and in addition to reviewing for compliance with other provisions of this chapter, the administrator may review the safety and soundness of the payroll processor, including but not limited to an examination of its assets and liabilities and its investments of employer funds to ensure that the payroll processor is utilizing prudent investment practices with respect to those funds.

[2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF) .]

2. Subpoenas. For the purposes of this section, the administrator may administer oaths or affirmations and, upon the administrator's own motion or upon request of any party, may subpoena witnesses, compel their attendance, adduce evidence and require the production of any matter that is relevant to an examination or investigation, including the existence, description, nature, custody, condition and location of any books, documents or other material and the identity and location of persons having knowledge of relevant facts or any other matter reasonably calculated to lead to the discovery of admissible evidence.

[2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF) .]

3. Inspection of records. If the payroll processor's records are located outside this State, that payroll processor, at the administrator's option, shall either make the records available to the administrator at a convenient location within the State or allow the administrator or the administrator's representatives to inspect them at the place where the records are maintained. The administrator may designate representatives, including comparable officials of the state in which the records are located, to inspect them on the administrator's behalf.

A payroll processor may not commingle funds held on behalf of its clients with the payroll processor's operating funds.

[2011, c. 308, §6 (NEW) .]

4. Maintenance of records. A payroll processor shall maintain records of its payroll processing service activity in conformity with generally accepted accounting principles and practices and in a manner that will enable the administrator to determine whether the payroll processor is complying with the provisions of this chapter. The records need not be kept in the place of business where the activity took place if the administrator is given free access to the records, wherever located. All records relating to payroll processing services must be maintained for at least 6 years from the end of the fiscal year in which the activity took place.

The administrator, through the Attorney General, may file a complaint in the Superior Court of the county in which an act on which the complaint is based was performed or in which the individual resides or transacts business setting forth the facts constituting the contempt and requesting an order returnable in not less than 2 days nor more than 5 days directing the individual to show cause before the court why the individual should not be punished for contempt. If the court determines that the individual has committed any alleged contempt, the court shall punish the offender for contempt.

[2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF) .]

6. Expenses. At the discretion of the administrator, the expenses of the administrator necessarily incurred in the examination or investigation of any payroll processor engaged in conduct governed by this chapter may be charged to that payroll processor. That payroll processor may be assessed for the actual expenses incurred by the administrator, including, but not limited to, travel expenses and the proportionate part of the salaries and expenses of examiners engaged in the examination or investigation. Notice of any assessment of those costs must be given to the payroll processor by the administrator as soon as feasible after the close of the examination or investigation and the payroll processor must have the time specified by the administrator to pay the assessment, which may not be less than 30 days.

- (5) Return its license to the administrator for cancellation. [2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF).]

B. When terminating a business, a payroll processor whose contract with an employer does not authorize the processor to assign the account to another processor may not transfer the account to another processor without first securing the written permission of the employer. [2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF).]

2. Involuntary liquidation. A payroll processor who is no longer eligible to do business in this State is subject to the following provisions.

A. If, upon examination of a payroll processor, the administrator is of the opinion that the payroll processor is insolvent or can no longer obtain a surety bond or when the license of a payroll processor has expired or terminated for any reason, the administrator may appoint a receiver who shall proceed to close the payroll processor. The person appointed by the administrator as a receiver may be the administrator, a deputy or such other person as the administrator may choose, and a certified copy of the order making such appointment is evidence of the appointment. A receiver has the power and authority provided in this chapter and such other powers and authority as may be expressed in the order of the administrator. If the administrator or a deputy is appointed receiver, no additional compensation need be paid, but any reasonable and necessary expenses as a receiver must be paid by the processor. If another person is appointed, then the compensation of the receiver must be paid from the assets of that processor. [2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF).]

B. Upon taking possession of the property and business of a payroll processor under this section, the receiver:

- (2) Shall collect all debts due and claims belonging to the payroll processor and may sell or compound all bad or doubtful debts;
- (3) May sell, for cash or other consideration or as provided by law, all or any part of the real and personal property of the payroll processor;
- (4) May take, in the name of the administrator, a mortgage on the real property from a bona fide purchaser to secure the whole or part of the purchase price; and
- (5) May borrow money and issue evidence of indebtedness therefor. To secure the repayment of this money, the receiver may mortgage, pledge, transfer in trust or hypothecate any of the property of the payroll processor, whether real, personal or mixed, superior to any charge for expenses of liquidation. [2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF).]

C. The assets of the payroll processor in liquidation, exclusive of any bond proceeds, must be disbursed in the following order:

[2003, c. 668, §6 (NEW); 2003, c. 668, §12 (AFF) .]

3. Judicial review. A payroll processor closed by action of the administrator pursuant to this chapter may bring an action challenging the administrator's appointment of receiver in Superior Court of Kennebec County or of the county in which the processor transacts business within 10 days after the administrator appoints a receiver. The court shall uphold the administrator's finding that a payroll processor is insolvent or that its condition is such as to render its further proceedings hazardous to the public or to those having funds in its custody and shall uphold the appointment of a receiver unless the court finds that the administrator's action was arbitrary and capricious.

1. Definitions. As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

A. "Automated telephone calling device" means any system or equipment, including a facsimile machine, that selects, dials or calls telephone numbers and plays recorded messages or attempts to send facsimiles. [2005, c. 197, §1 (AMD).]

B. "Solicitation calls" means calls, including facsimile transmissions, the purpose of which is any of the following:

- (2) To convey information on real property, goods or services to solicit sales or purchases;
- (3) To promote or solicit charitable contributions; or
- (4) To gather data or statistics or solicit information. [2005, c. 197, §1 (AMD).]

[2005, c. 197, §1 (AMD) .]

2. Prohibition. A person may not use an automated telephone calling device to make solicitation calls to:

A. Any emergency telephone numbers in this State including, but not limited to, the emergency telephone numbers of any hospital, physician, health care facility, ambulance service, or fire or law enforcement officer or facility; [1989, c. 775, (NEW).]

[1989, c. 775, (NEW) .]

3. Restriction. A person may not use an automated telephone calling device to make solicitation calls to any telephone number in the State except weekdays between 9 a.m. and 5 p.m., according to the time in this State, and may not complete more than one solicitation call to any telephone number during each 8-hour period. In addition, the person using the device to place the call shall ensure that the device disconnects no more than 5 seconds following the disconnection of the telephone number called.

[1991, c. 524, §2 (AMD) .]

4. Caller identification. Persons making calls restricted under the provision of subsection 3 shall, within the first minute of the call, identify the name, address and telephone number of the organization for whom the call is being made.

[1989, c. 775, (NEW) .]

5. Prima facie violation. Use of any automated calling device that calls telephone numbers sequentially and cannot distinguish the telephone numbers of those authorized to be contacted from those it is unlawful to contact is prima facie evidence of intent to violate this section.

[1989, c. 775, (NEW) .]

6. Exceptions. This section does not prohibit the use of an automated telephone calling device to:

A. Inform purchasers of the receipt, availability or delivery of goods or services or any other pertinent information on the status of any purchased goods or services; [1989, c. 775, (NEW) .]

B. Respond to a telephone inquiry initiated by the person to whom the automated call is directed; or [1989, c. 775, (NEW) .]

C. Carry out the duties of any state or local governmental unit. [1989, c. 775, (NEW) .]

A copy of the transcript must be made available to the Attorney General upon request. Failure to provide a copy of a requested transcript is a violation of this section.

[1999, c. 694, §2 (NEW) .]

8. Penalty. Violation of this section is an unfair trade practice as prohibited by Title 5, section 207.

§1499-A. TELEMARKETING; PROHIBITION ON NUMBER BLOCKING

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Caller identification service" means a service that allows a telephone subscriber to have the telephone number and, where available, name of the calling party transmitted contemporaneously with the telephone call and displayed on a device in or connected to the subscriber's telephone. [2003, c. 70, §1 (NEW); 2003, c. 70, §2 (AFF) .]

B. "Seller" means any person who, in connection with a telemarketing transaction, provides, offers to provide or arranges for others to provide goods or services to the customer in exchange for consideration. [2003, c. 70, §1 (NEW); 2003, c. 70, §2 (AFF).]

D. "Telemarketing" means a plan, program or campaign that is conducted by use of one or more telephones to induce the purchase of goods or services or a charitable contribution and that involves more than one intrastate telephone call. "Telemarketing" does not include the solicitation of sales through the mailing of a catalog that contains a written description or illustration of the goods or services offered for sale, the business address of the seller and multiple pages of written material or illustrations, and that is issued not less frequently than once a year, if the person making the solicitation does not solicit customers by telephone but only receives calls initiated by customers in response to the catalog and during those calls takes orders without further solicitation. For purposes of this paragraph, the term "further solicitation" does not include providing the customer with information about, or attempting to sell, any other item included in the same catalog that prompted the customer's call or in a substantially similar catalog. [2003, c. 70, §1 (NEW); 2003, c. 70, §2 (AFF).]

[2003, c. 70, §1 (NEW); 2003, c. 70, §2 (AFF) .]

2. Prohibition. Except as provided in subsection 3, it is an unfair trade practice, as prohibited by Title 5, section 207, for a seller or telemarketer to fail to transmit or cause to be transmitted the telephone number and, when made available by the telemarketer's carrier, the name of the telemarketer to any caller identification service in use by a recipient of a telemarketing call.

[2003, c. 70, §1 (NEW); 2003, c. 70, §2 (AFF) .]

3. Exception. It is not a violation of subsection 2 for a seller or telemarketer to substitute for the name and telephone number used in or billed for making the call:

A. The name of the seller or charitable organization on whose behalf the telemarketing call is placed; and [2003, c. 70, §1 (NEW); 2003, c. 70, §2 (AFF).]

B. The seller's or charitable organization's customer or donor service telephone number that is answered during regular business hours. [2003, c. 70, §1 (NEW); 2003, c. 70, §2 (AFF).]

(1) A consumer's request to a particular telephone solicitor not to receive telephone sales calls from that telephone solicitor terminates an established business relationship for purposes of a telephone sales call even if the consumer continues to do business with the telephone solicitor.

(2) The consumer's established business relationship with a particular telephone solicitor does not extend to affiliates of the telephone solicitor unless the consumer would reasonably expect them to be included given the nature and type of goods or services offered by the affiliate and the identity of the affiliate. [2007, c. 227, §2 (NEW) .]

5. Adoption of rules. The division may adopt rules consistent with Title 5, section 207, subsection 2 to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[2007, c. 227, §2 (NEW) .]

E. As part of the telephone solicitor's routine business practice, the telephone solicitor or another person acting on behalf of the telephone solicitor monitors and enforces compliance with the procedures established pursuant to paragraph A; and [2007, c. 489, §3 (NEW).]

§1500-A. TRIAL PERIOD

All assistive devices as defined in this chapter must be sold subject to a 30-day trial. A consumer may return an assistive device to the dealer from which it was purchased within the 30-day trial period if the device is not specifically fit for the consumer's particular needs and receive a full refund, after satisfaction of any perfected security interests, if the assistive device has not been damaged, abused or altered by the consumer. If the assistive device was purchased with insurance or public funds, the refund must be returned to the funding source. 1. Warranty. A manufacturer who sells or leases an assistive device to a consumer, either directly or through an assistive device dealer, shall warranty that the assistive device is in conformity with the terms of this subsection and shall furnish the consumer with a written express warranty for the assistive device. In the case of a sale, the duration of the express warranty must be at least one year from the date of the initial setup of the assistive device for the consumer. In the case of a lease, the duration of the express warranty must be for the duration of the lease. In both cases, the warranty must provide that the assistive device is free from any condition or defect that substantially impairs its value to the consumer during the warranty period. In the absence of an express warranty, the manufacturer is deemed to have made this warranty.

[1997, c. 235, §1 (NEW) .]

2. Repair. If a new assistive device does not conform to an applicable express warranty and the consumer reports the nonconformity to the manufacturer, the assistive device lessor or any of the manufacturer's authorized assistive device dealers and makes the assistive device available for repair during the warranty period, the nonconformity must be repaired at no charge to the consumer or the funding source. If a repair is required, a replacement or loan of a comparable assistive device must be provided to the consumer as soon as feasible at no charge. In the case of a lease, lease payments must be suspended during any part of the repair period that a comparable assistive device has not been provided.

1. Reasonable attempt to repair. A reasonable attempt to repair an assistive device to conform it to the express warranty is deemed to have been undertaken if:

A. The same conformity has been subject to repair 3 or more times by the manufacturer or its agents or authorized dealers within the express warranty term and the nonconformity continues; or [1997, c. 235, §1 (NEW).]

B. The assistive device is out of service for a cumulative total of 30 days or more because of warranty nonconformity. [1997, c. 235, §1 (NEW).]

[1997, c. 235, §1 (NEW) .]

2. Refund and replacement. If, after a reasonable attempt to repair the nonconformity, the nonconformity is not repaired, the manufacturer must accept return of the assistive device and, at the option of the consumer, refund the full purchase price to the consumer after satisfaction of any applicable perfected security interests or replace the assistive device with a comparable new assistive device. If the assistive device was purchased with public funds or insurance coverage on behalf of the consumer, the manufacturer shall notify the funder and, at the option of the consumer, replace the assistive device with a comparable new assistive device or refund to the funder the total reimbursement amount so that another suitable device may be purchased.

Chapter 302: UNIFORM TRADE SECRETS ACT

§1541. SHORT TITLE

This Act shall be known and may be cited as the "Uniform Trade Secrets Act." [1987, c. 143, (NEW).]

SECTION HISTORY

1. Improper means. "Improper means" means theft, bribery, misrepresentation, breach or inducement of a breach of duty to maintain secrecy or espionage through electronic or other means.

[1987, c. 143, (NEW) .]

2. Misappropriation. "Misappropriation" means:

A. Acquisition of a trade secret of another by a person who knows or has reason to know that the trade secret was acquired by improper means; or [1987, c. 143, (NEW).]

B. Disclosure or use of a trade secret of another without express or implied consent by a person who:

(1) Used improper means to acquire knowledge of the trade secret;

(2) At the time of disclosure or use, knew or had reason to know that his knowledge of the trade secret was:

(i) Derived from or through a person who had utilized improper means to acquire it;

(ii) Acquired under circumstances giving rise to a duty to maintain its secrecy or limit its use; or

(iii) Derived from or through a person who owed a duty to the person seeking relief to maintain its secrecy or limit its use; or

(3) Before a material change of his position, knew or had reason to know that it was a trade secret and that knowledge of it had been acquired by accident or mistake. [1987, c. 143, (NEW).]

§1543. INJUNCTIVE RELIEF

1. Misappropriation restrained or enjoined. Actual or threatened misappropriation may be restrained or enjoined. Upon application to the court, an injunction shall be terminated when the trade secret has ceased to exist, but the injunction may be continued for an additional reasonable period of time in order to eliminate commercial advantage that otherwise would be derived from the misappropriation.

[1987, c. 143, (NEW) .]

2. Exceptional circumstances. In exceptional circumstances, an injunction may condition future use upon payment of a reasonable royalty for no longer than the period of time for which use could have been prohibited.

A. Exceptional circumstances include, but are not limited to, a material and prejudicial change of position prior to acquiring knowledge or reason to know of misappropriation that renders a prohibitive injunction inequitable. [1987, c. 143, (NEW).]

SECTION HISTORY

1987, c. 143, (NEW).

§1544. DAMAGES

Except to the extent that a material and prejudicial change of position prior to acquiring knowledge or reason to know of misappropriation renders a monetary recovery inequitable, a complainant is entitled to recover damages for misappropriation. [1987, c. 143, (NEW).]

1. Measurement of damages. Damages may include both the actual loss caused by misappropriation and the unjust enrichment caused by misappropriation that is not taken into account in computing actual loss. In lieu of damages measured by any other methods, the damages caused by misappropriation may be measured by imposition of liability for a reasonable royalty for a misappropriator's unauthorized disclosure or use of a trade secret.

[1987, c. 143, (NEW) .]

2. Willful, malicious misappropriation. If willful and malicious misappropriation exists, the court may award exemplary damages in an amount not to exceed twice any award made under subsection 1.

SECTION HISTORY

1987, c. 143, (NEW).

§1548. EFFECT ON OTHER LAWS

5. Green wood. "Green wood" means trees or parts of trees that have been freshly felled.

[1983, c. 804, §2 (NEW) .]

5-A. Hauler. "Hauler" means the person, company or other entity that owns the truck or trailer on which a load of wood is transported.

[1997, c. 648, §1 (NEW) .]

6. Oven-dried wood. "Oven-dried wood" means wood that has been oven-dried to remove its moisture content according to standards as adopted by the American Society of Testing and Materials.

[1983, c. 804, §2 (NEW) .]

7. Payment for services. "Payment for services" means payment made for services in or incidental to harvesting, hauling or chipping wood, and does not involve transfer of title to the wood.

[1983, c. 804, §2 (NEW) .]

8. Properly prepared wood. "Properly prepared wood" means wood that was required to be harvested and yarded, and was prepared as directed, according to written cutting specifications.

10. Standard cord. A "standard cord" means the cubic foot measurement of 4 foot long wood, ranked and well stowed, and stacked 4 feet wide, 4 feet high and 8 feet long, or its equivalent, which stack measure contains 128 cubic feet of wood, bark and air space. A "standard cord" when used in connection with sawdust chips, bark or shavings means the volume contained in 128 cubic feet at the time of sale.

§2363-A. MEASUREMENT OF WOOD

1. Cubic measure and standard cord. In all wood transactions the volume of wood may be measured in cubic feet or by the standard cord as provided for by the state sealer.

[1983, c. 804, §6 (NEW) .]

2. Weight scale. When agreed upon by the parties, weight measurement may be used in all wood transactions, under the following conditions:

A. The weight measurement may not be converted to volume; [2013, c. 154, §1 (AMD).]

B. When payment is made for services harvesting wood, all weight measurements must be expressed on a green wood basis. Except as otherwise provided by the state sealer, when the wood is not, or will not be, weighed within 15 days of felling, the person performing the services may, prior to hauling, require that the wood instead be measured by butt measure, or other authorized method of measurement; [2013, c. 154, §1 (AMD).]

C. Sales of wood chips may be based on oven-dried weight, except when payment is made for harvesting wood; [2013, c. 154, §1 (AMD).]

D. When a service contract for harvesting wood requires payment on a per tonnage basis, the contracting party must notify the contractor of the price per ton to be paid under the contract prior to the contractor's providing the harvesting service; and [2013, c. 154, §1 (NEW).]

E. For service contracts for hauling wood, the contracting party must notify the contractor of the price per ton to be paid under the contract prior to the contractor's providing the hauling service. [2013, c. 154, §1 (NEW).]

A. Butt scale measurements may be used as follows.

(1) Where payment is made for services, the use of butt scale measurements is prohibited as of April 1, 1986. Until that date, the use of butt scale measurements is permitted for tree length wood under the following conditions.

(a) Prior to its usage, the parties or their authorized representatives, shall sign and date the volume table which shall designate the applicable harvesting area or areas.

(b) The parties, or their authorized representatives, shall receive a copy of the signed butt scale table prior to performance of the services, if a request is made in writing by the employee, an authorized employee representative or by the state sealer.

(c) The volume table to which the measurements are applied shall reasonably represent the volume of trees being cut on the operation.

§2364. STANDARDS FOR BUTT SCALE

(REPEALED)

SECTION HISTORY

1975, c. 598, §1 (NEW). 1977, c. 537, §4 (RP).

§2364-A. ACCURATE AND VERIFIABLE MEASUREMENTS

1. Standards. It is the intent of this subchapter that any method of wood scaling or measurement used in wood transactions shall provide an accurate and verifiable count of the volume, quantity, dimension or weight measured, according to the standards established by the state sealer, provided that those standards may be efficiently and conveniently applied in wood transactions, as defined in this subchapter.

[1983, c. 804, §7 (NEW) .]

2. Measurements. In all wood transactions, no person who scales or measures wood and no person who makes payment to another shall represent a weight, volume, quantity or dimension of wood which is less than the weight, volume, quantity or dimension of wood to be measured.

A. When payment is made for services harvesting wood, all wood that is properly prepared shall be measured in full, without regard to its future merchantability or use. Nothing in this subsection prevents making reasonable deductions based on quantity factors, such as for loose piling, short or undersized wood or for wood that was not designated to be harvested, hauled or chipped. [1983, c. 804, §7 (NEW) .]

B. The written cutting specifications for properly prepared tree stems shall be provided to the person providing the service and shall be signed by the person requiring the service. [1983, c. 804, §7 (NEW) .]

C. When payment is made for services in hauling or trucking wood, all wood that was designated to be hauled and which was hauled, shall be measured in full. [1983, c. 804, §7 (NEW) .]

D. In the sale of wood, all wood that meets the specifications of the parties shall be measured by the terms of the sales contract according to the measurement procedures set forth in section 2363-A that are applicable to a sale of wood, as defined in this subchapter. [1983, c. 804, §7 (NEW) .]

E. When payment is made for services, payment shall be expressed in the same system of measure that was used in making the measurement. Nothing in this subsection may be interpreted to prohibit the use of the standard cord or butt measure. [1983, c. 804, §7 (NEW) .]

F. In the sale of wood, the measurement tally sheet recording the first measurement shall include the name of the landowner from whom the stumpage was purchased. The tally sheet also shall include the name or names of other parties involved in this original transaction. [1989, c. 102, (NEW) .]

G. A person buying stumpage from a landowner shall provide a stumpage sheet or a copy of the measurement tally sheet to the landowner for every truckload sold. The sheet must include:

- (1) The name of the landowner;
- (2) The name of the contractor;
- (3) The name of the hauler;
- (4) A description of the product;
- (5) The date; and
- (6) The destination of the truckload.

This sheet must be provided to the landowner when the person buying the stumpage pays the landowner. [1989, c. 760, (NEW).]

[1989, c. 102, (AMD); 1989, c. 760, (AMD) .]

3. Measurement tally sheet. When payment is made for services, the person providing the service shall promptly receive a copy of the tally sheet setting forth the total measure of the wood, identifying the person or persons providing the service, the location from which the wood was hauled and the date the measurements were made. If, based upon a complaint involving wood that is taken outside the State, the state sealer, after investigation, has reason to believe that there has been inaccurate measurement of the wood, that the measurement of the wood was inaccurately or incompletely represented on the measurement tally sheet or that a measurement tally sheet for the wood was not promptly provided to the person providing the service, then, except in a case of inadvertent error, the state sealer shall require, for a period of not less than one year, that the person requiring the service measure and provide the person providing the service a completed measurement tally sheet for wood that is taken outside the State.

[1983, c. 804, §7 (NEW) .]

4. Specification for properly prepared wood. Companies or individuals buying wood for processing shall give contractors or landowners written specifications for properly prepared wood. No deductions for quality or future merchantability may be made for properly prepared wood, meeting the written specifications which have been provided by the companies and individuals buying the wood.

The state sealer shall investigate complaints made to him concerning violations of this chapter, and shall, upon his own initiative, conduct such investigations as he deems appropriate and advisable to develop information on prevailing procedures in commercial quantity determination and on possible violations of this chapter and to promote the general objective of accuracy in the determination and representation of quantity in commercial transactions.

§2406. INSPECTION OF PACKAGES

The state sealer shall, from time to time, weigh or measure and inspect packages or amounts of commodities kept, offered or exposed for sale, sold or in the process of delivery, to determine whether the same contain the amounts represented and whether they be kept, offered or exposed for sale, or sold, in accordance with law. When such packages or amounts of commodities are found not to contain the amounts represented or are found to be kept, offered or exposed for sale in violation of law, the state sealer may order them off sale and may mark or stamp them as "illegal." These orders shall not be considered to be licensing or any adjudicatory proceeding, as those terms are defined by the Maine Administrative Procedure Act. No person shall sell, or keep, offer or expose for sale any package or amount of commodity that has been ordered off sale as provided in this section, unless and until such package or amount of commodity has been brought into full compliance with legal requirements, or dispose of any package or amount of commodity that has been ordered off sale and that has not been brought into compliance with legal requirements, in any manner, except with the specific approval of the state sealer. When the state sealer receives an application and is satisfied that the business, company or corporation has the ability to train its employees to weigh accurately and to make correct weight certificates and that at least one employee of that business, company or corporation holds a valid individual license under subsection 1, the state sealer shall grant the business, company or corporation a license as a corporate public weighmaster. A license expires on December 31st annually or in a manner consistent with the Maine Administrative Procedure Act, whichever is later, unless sooner revoked or suspended under section 2506.

The holder of a corporate license must notify the state sealer when a licensed public weighmaster begins or leaves employment with that business, company or corporation. When the gross or tare weight of any vehicle or combination of vehicles is to be determined, the weighing shall be performed upon a scale having a platform of sufficient size to accommodate such vehicle or combination of vehicles fully, completely and as one entire unit. If a combination of vehicles must be broken up into separate units in order to be weighed as prescribed, each such separate unit shall be entirely disconnected before weighing and a separate weight certificate shall be issued for each such separate unit.

Such weight certificate, when so made and properly signed and sealed, shall be prima facie evidence of the accuracy of the weights shown.

§2552. EXECUTION; REQUIREMENTS

A licensed public weighmaster shall not enter on a weight certificate issued by him any weight values but such as he has personally determined, and he shall make no entries on a weight certificate issued by some other person. If the certificate form provides for the entry of gross, tare and net weights, in any case in which only the gross, the tare or the net weight is determined by the weighmaster he shall strike through or otherwise cancel the printed entries for the weights not determined or computed. If gross and tare weights are shown on a weight certificate and both of these were not determined on the same scale and on the day for which the certificate is dated, the weighmaster shall identify on the certificate the scale used for determining each such weight and the date of each such determination.

§2553. COPIES PRESERVED AND AVAILABLE

A licensed public weighmaster shall keep and preserve for at least one year, or for such longer period as may be specified in the regulations authorized to be issued for the enforcement of this chapter, a legible carbon copy of each weight certificate issued by him, which copies shall be open at all reasonable times for inspection by the state sealer or a sealer.

The state sealer shall note his determination of that qualification on the repairman's registration certificate and shall make a new determination of qualification each time the certificate is renewed. [1985, c. 33, §1 (NEW).]

Such a metering device which has been tested and, if necessary, calibrated by a repairman in accordance with this section shall not be tested or calibrated by the state sealer within the 12-month period following the date of the testing and calibration unless testing or calibration by the state sealer is requested by the owner or operator of the device, except that the state sealer may test and, if necessary, calibrate any such device for the purpose of evaluating the competency of any repairman or for the purpose of investigation of a complaint. When the state sealer tests or calibrates such a device for those purposes, he shall not charge any fee if the device has been tested and, if necessary, calibrated within the previous 12 months and he finds the device to be correct. Part 7: LIENS

Chapter 601: BRICK

§3201. LABOR AND MATERIALS

Whoever performs labor or furnishes labor or wood for manufacturing and burning bricks has a lien on such bricks for such labor and wood for 30 days after the same are burned, suitable for use, provided said bricks remain in the yard where burnt. Such lien shall take precedence over all other claims and of all attachments and encumbrances not made to secure a similar lien and may be enforced by attachment within the time aforesaid.

Chapter 603: BUILDINGS, LOTS, WHARVES AND PIERS; LABOR AND MATERIALS

§3251. LIEN ESTABLISHED

Whoever performs labor or furnishes labor or materials, including repair parts of machines used, or performs services as a surveyor, an architect, a forester licensed under Title 32, chapter 76 or an engineer, or as a real estate licensee, or as an owner-renter, owner-lessor, or owner-supplier of equipment used in erecting, altering, moving or repairing a house, building or appurtenances, including any public building erected or owned by any city, town, county, school district or other municipal corporation, or in constructing, altering or repairing a wharf or pier, or any building thereon, including the surveying, clearing, grading, draining, excavating or landscaping of the ground adjacent to and upon which any such objects are constructed, or in selling any interest in land, improvements or structures, by virtue of a contract with or by consent of the owner, has a lien thereon and on the land on which it stands and on any interest such owner has in the same, to secure payment thereof, with costs. If the owner of the building has no legal interest in the land on which the building is erected or to which it is moved, the lien attaches to the building, and if the owner of the wharf or pier has no legal interest in the land on which the wharf or pier is erected, the lien attaches to the wharf or pier, and in either case may be enforced as provided. If the owner of such land, building, wharf or pier, so contracting, is a minor or married woman, such lien exists and such minority or coverture does not bar a recovery in any proceeding brought to enforce it. [2015, c. 56, §1 (AMD).]

SECTION HISTORY

1971, c. 421, (AMD). 1991, c. 280, (AMD). 1993, c. 137, §1 (AMD).
1997, c. 264, §1 (AMD). 2015, c. 56, §1 (AMD).

§3252. PREVENTION OF LIEN

If the labor, materials or services were not furnished by a contract with the owner of the property affected, the owner may prevent such lien for labor, materials or services not then performed or furnished, by giving written notice to the person performing or furnishing the same that he will not be responsible therefor.

§3253. DISSOLUTION UNLESS CLAIM FILED

1. Filing of claim. The lien under section 3252 is dissolved unless the claimant, within 90 days after ceasing to labor, furnish materials or perform services:

A. Files in the office of the register of deeds in the county or registry district in which the building, wharf or pier is situated a true statement of the amount due the claimant, with all just credits given, together with a description of the property intended to be covered by the lien sufficiently accurate to identify it and the names of the owners, if known. The statement must be subscribed and sworn to by the person

claiming the lien, or by someone in the claimant's behalf, and recorded in a book kept for that purpose by the register of deeds for the county or registry district, who is entitled to the same fees as for recording mortgages; and [2005, c. 287, §1 (NEW).]

B. Provides a copy of the statement under paragraph A to the owner or owners by ordinary mail. For purposes of this paragraph, a post office certificate of mailing the notice to the owner is conclusive proof of receipt by the owner. [2005, c. 287, §1 (NEW).]

[2005, c. 287, §1 (NEW) .]

2. Exemption for contract with owner. This section does not apply when the labor, materials or services are furnished by a contract with the owner of the property affected.

[2005, c. 287, §1 (NEW) .]

SECTION HISTORY

1975, c. 91, §1 (AMD). 2005, c. 287, §1 (RPR).

§3254. INACCURACY DOES NOT VOID LIEN IF REASONABLY CERTAIN

No inaccuracy in such statement relating to said property, if the same can be reasonably recognized, or in stating the amount due for labor, materials or services invalidates the proceedings, unless it appears that the person making it willfully claims more than his due.

§3255. LIENS PRESERVED AND ENFORCED BY ACTION

1. Enforcement by action. The liens mentioned in sections 3251 to 3254 may be preserved and enforced by action against the debtor and owner of the property affected and all other parties interested therein, filed with the Superior Court or District Court clerk in the county or division where the house, building or appurtenances, wharf, pier or building thereon on which a lien is claimed is situated within 120 days after the last of the labor or services are performed or labor, materials or services are so furnished, except as provided in section 3256. If the labor, materials or services were not performed or furnished by a contract with the owner of the property affected, the claimant may not serve the complaint and summons, as provided in the Maine Rules of Civil Procedure, on the owner until 30 days after the date of filing of the complaint and any deadline for filing a return of service on the owner provided in the Maine Rules of Civil Procedure is tolled for 30 days.

[2005, c. 287, §2 (AMD) .]

2. Bona fide purchaser. Any person who is a bona fide purchaser for value of a house, building or appurtenances, a public building erected or owned by any city, town, county, school district or other municipal corporation, or a wharf or pier or any building thereon, including the ground adjacent to and upon which any such objects are constructed, takes title free of the lien described in this chapter unless, before the bona fide purchaser takes title to the premises on which such lien attaches:

A. The person performing or furnishing that labor, materials or services either has filed the notice required by section 3253 or has filed a notice in the office of the register of deeds in the county or registry district in which these premises are located setting forth a description of the property sufficiently accurate to identify it; the names of the owners; that the claimant is going to perform or furnish, is performing or furnishing or has performed or furnished labor, materials or services; and that the claimant may claim a lien therefor; and [2005, c. 311, §1 (NEW).]

B. If an action to enforce the lien has been commenced in accordance with this section, notice has been provided in accordance with section 3261. [2005, c. 311, §1 (NEW).]

If the claimant is a real estate licensee, the claimant shall also send notice by certified mail, return receipt requested, or provide actual written notice as described in this subsection to the bona fide purchaser before the purchaser takes title to the premises on which the claimant's lien attaches. If notice is not provided, the purchaser takes title free of this lien. If notice provided by this subsection is filed, the lien claimant must also comply with the notice requirements of section 3253 and institute the legal action required by subsection 1 to the extent that this compliance is required in order to preserve the claimant's lien claim. The notice provided by this subsection is only effective relative to a bona fide purchaser for value for the period of 120 days from the date of recording thereof provided that this notice may again be recorded any number of times, but further notices are also only effective relative to a bona fide purchaser for value for the period of 120 days each from the date of their respective recordings.

[2005, c. 311, §1 (RPR) .]

3. Notice to owner. If the labor, materials or services were not performed or furnished by a contract with the owner of the property affected, the lien described in this chapter may only be enforced against the property affected to the extent of the balance due to the person with whom the owner has directly contracted to perform or furnish the labor, materials and services on which that lien claim is based. The defense established by this subsection shall only be available with respect to sums paid by the owner to the person with whom the owner has directly contracted where payment was made prior to commencement of an action to enforce such lien by the person performing or furnishing labor, materials or services without a contract with the owner or a written notice from the person performing or furnishing labor, materials or services without a contract with the owner which sets forth a description of the property sufficiently accurate to identify it; the names of the owners; that the person giving notice is going to perform or furnish, is performing or furnishing or has performed or furnished labor, materials or services; that the person giving notice may claim a lien therefor and which shall contain the following warning at the top of the notice:

Under Maine law, your failure to assure that
(name of the claimant giving notice) is paid before further payment by you
to (name of contractor) may result in your paying
twice.

In no case shall the total amount due from the owner to those performing or furnishing labor, materials or services without a contract with the owner exceed the balance due from the owner to the person with whom he has directly contracted at the time of service of process on the owner in a lien action or receipt of the written notice described above, whichever occurs first.

If the owner does not reside in the place where the property is located, but has a known agent therein, notice may be given to the agent or to the owner at the place where he resides. If the notice provided by this subsection is given, the lien claimant must also comply with the notice requirements of section 3253 and commence the legal action required by subsection 1 to the extent that this compliance is required in order to preserve his lien claim.

This subsection shall not apply where labor, materials or services are performed or furnished to the premises for a business, commercial or industrial purpose unless the owner resides on the premises affected.

§3258. DETERMINATION OF AMOUNT; JURY TRIAL

The court shall determine the amount for which each lienor has a lien upon the property by jury trial, if either party so requests in complaint or answer; otherwise in such manner as the court shall direct. Such determination shall be conclusive as to the fact and amount of the lien, subject to appeal as in other actions. Any lienor may contest another lienor's claim upon issues framed under direction of the court.

§3259. SALE OF PROPERTY; REDEMPTION; PRO RATA SHARES

If it is determined that the parties or any of them, claiming a lien, have a lien upon said building and land or upon said wharf, pier, building and land, the court may decree that said property, or such interest in it as is subject to the liens or any of them, shall be sold, and shall prescribe the place, time, terms, manner and conditions of such sale. The court may order an adjournment of such sale from time to time, or the manner and conditions of any adjournment of such sale may be prescribed in the decree. A deed of the officer of the court, appointed to make such sale, recorded in the registry of deeds where the land lies, within 3 months after the sale, shall convey all the title of the debtor and the owner in the property ordered to be sold. If justice requires, the court may provide in the order of sale that the owner shall have a right to redeem the property from such sale within a time fixed in the order of sale. If the court shall determine that the whole of the land on which the lien exists is not necessary therefor, it shall describe in the order of sale a suitable lot therefor; and only so much shall be sold. The lienors shall share pro rata, provided their complaints or motions therefor

are filed with the clerk of the court in which the order of sale is granted prior to the order of sale and within the time mentioned in sections 3255, 3256 and 3257. The court may make such decree in regard to costs as is equitable. [1981, c. 585, §4 (AMD).]

SECTION HISTORY

1981, c. 585, §4 (AMD).

§3260. DEFICIENCY; JUDGMENT FOR BALANCE

If the proceeds of the sale after payment of costs and expenses of sale are insufficient to pay the lien claims and costs in full, the court may render judgment against the debtor in favor of each individual lienor for the balance of his claim and costs remaining unpaid, and may issue executions therefor. If the proceeds of sale, after the payment of costs and expenses of sale, are more than sufficient to pay the lien claims and all costs in full, the balance remaining shall be paid to the person or persons legally or equitably entitled thereto.

§3261. CERTIFICATE TO BE FILED WITH REGISTER OF DEEDS

1. Certificate of court clerk. When a complaint provided for in chapters 601 to 631 in which a lien is claimed on real estate is filed with the Superior Court or District Court clerk, the clerk shall forthwith, upon written request of the plaintiff's attorney, file a certificate setting forth the names of the parties, the date of the complaint and of the filing of the complaint and a description of the real estate as described in the complaint in the registry of deeds for the county or district in which the land is situated.

[2005, c. 311, §2 (NEW) .]

2. Notice of lien complaint. When a complaint has been filed with the Superior Court or District Court pursuant to this chapter, the claimant shall, within 60 days of the date on which the complaint was filed, cause to be recorded in the registry of deeds for the county or district in which the land is situated either:

A. A certificate of the court clerk in accordance with subsection 1; [2005, c. 311, §2 (NEW) .]

B. An affidavit of the claimant or claimant's attorney setting forth the name of the court in which the complaint was filed, the names of the parties, the date of the complaint and of the filing of the complaint, a description of the real estate as described in the complaint and the name, address and telephone number of the claimant or the claimant's attorney; or [2005, c. 311, §2 (NEW) .]

C. An attested copy of the complaint. [2005, c. 311, §2 (NEW) .]

[2005, c. 311, §2 (NEW) .]

3. Failure to file notice of lien complaint. The failure to file notice of a lien complaint in accordance with subsection 2 does not invalidate a lien, but if notice of the filing of a lien complaint is not recorded in the registry of deeds in accordance with this section before a bona fide purchaser takes title to the premises, the bona fide purchaser for value takes title free of the lien.

§3262. ENFORCEMENT BY ATTACHMENT

In addition to the remedy provided, the liens mentioned in sections 3251 to 3254 may be enforced by attachment in actions commenced in any court having jurisdiction in the county or division where the property on which a lien is claimed is situated, which attachment shall be made within 180 days after the last of the labor or services are performed, or labor, materials or services are furnished, and not afterwards, except as provided in section 3256. §3263. PETITION FOR RELEASE

Any owner of a building, wharf, pier or real estate upon which a lien is claimed may petition in writing the judge or justice of the court in which the lien action is filed setting forth the name of the lienor, the court and county or division in which the action is pending, the fact that a lien is claimed thereon under sections 3251 to 3254, the particular building, wharf, pier or real estate, and his interests therein, its value and his desire to have it released from said lien. The judge or justice shall issue a written notice which shall be served on the lienor or his attorney 10 days at least prior to the time fixed therein for a hearing. At the hearing, the judge or justice may order such owner to give bond to the lienor in such amount and with such sureties as he may approve, conditioned to pay the amount for which such lienor may be entitled to a lien as determined by the court, with his costs in the action, within 30 days after final decree or judgment. The clerk shall give the plaintiff an attested copy of the complaint and proceedings, with a certificate under seal of the court attached thereto, that such bond has been duly filed in his office. The record of such copy and certificate in the registry of deeds, in the county or district where such real estate or interest therein lies, vacates the lien. [1981, c. 585, §7 (AMD).]

§3264. CONSOLIDATION OF ACTIONS

When 2 or more proceedings are pending at the same time, in whatever court or courts, to enforce liens on the same house, building or appurtenances, wharf, pier and building thereon, upon complaint of any lienor who has commenced such proceedings, or of the owner of the building, wharf or pier, a Justice of the Superior Court or Judge of the District Court after notice and hearing may, if justice requires it, order all such actions to be transferred to the Superior Court or District Court and require the parties in all such proceedings, in whatever court commenced, to plead substantially in the manner prescribed in section 3257, and thereafter all the proceedings shall be in accordance with said section and sections 3265, 3451, 3452, 3501 and 3601. If 2 or more such judgments are rendered at the same term of the same court, the court shall direct in writing on which execution the property shall be sold, and in that event, and in the event that the officer holding any execution recovered under chapters 601 to 631 shall be notified in writing by any lienor who has caused said property to be attached or who has filed his action claiming a lien as provided, that he claims a portion of the proceeds of the sale, said officer, unless all owners of such judgments and all lienors

so notifying such officer otherwise direct, shall thereupon sell said property and after deducting the fees and expenses of sale, shall return the balance into the court of highest jurisdiction in which any such lien action is pending or in which such a lien judgment has been rendered, and such court shall distribute such fund pro rata among the lienors who shall satisfactorily prove their right to share in the same. The court issuing execution on which the sale is made may fix the time within which the owner shall have the right to redeem the property from such sale. The court distributing the fund may make such decree in regard to costs as is equitable. Any balance not required to pay such lien claims and costs shall be paid to the person or persons legally or equitably entitled thereto.

Chapter 605: CANNED GOODS

§3301. CANNED CORN, GRAINS AND FRUIT

Whoever furnishes corn or other grain or fruit for canning or preservation otherwise has a lien on such preserved article and all with which it may have been mingled for its value when delivered, including the cans and other vessels containing the same and the cases, for 30 days after the same has been delivered and until it has been shipped on board a vessel or laden in a car, which lien may be enforced by attachment within that time.

Chapter 606: POTATO LIEN LAW

§3321. PURPOSE

The Legislature finds that the potato industry has a substantial and unique effect on the economy of the entire State and Aroostook County in particular. A large number of people in Maine are directly or indirectly dependent upon the potato industry. In the recent past, a number of potato producers have been very adversely affected by the failure of processors of potatoes to compensate producers for the raw product contracted and delivered to the processor. As a result, some producers have been forced out of business as a way of life and as a means of earning a livelihood. [1975, c. 725, (NEW).]

The Legislature intends through this legislation to provide producers of potatoes with a limited guarantee of payment for the raw product contracted by and delivered to a processor. This legislation is designed to afford limited protection for producers and thereby promote the general welfare of the State which is dependent upon the potato industry and the producer. [1975, c. 725, (NEW).]

SECTION HISTORY

1975, c. 725, (NEW).

[1999, c. 699, Pt. D, §6 (AMD); 1999, c. 699, Pt. D, §30 (AFF) .]

5. Processor. "Processor" means any person other than a consumer who purchases or contracts to purchase potatoes for processing or manufacturing which changes the physical form that the raw product possessed when harvested. The effects of the following operations shall be considered as changing the

physical form possessed by such raw products when harvested: Chopping, slicing, cutting, dicing, mashing, removing skin or peel, frying or otherwise cooking, freezing, canning, dehydrating or comparable methods of preparation for marketing in what is generally considered to be a processed form.

§3323. PRODUCER'S LIEN ATTACHED TO PROCESSED AGRICULTURAL GOODS

Every producer of potatoes which the producer grows, harvests and sells to any processor under contract, express or implied, has a lien upon such product and upon all processed or manufactured forms of potatoes for his labor, care and expense in growing and harvesting the raw product. The producer's lien attached to the finished product shall be the full extent of the agreed price, if any, or the unpaid balance of the agreed price of the raw product delivered to the processor. If there is no agreed price or a method for determining it which is agreed upon, the extent of the lien shall be the full value of the raw product as of the date of delivery and shall be determined by the commissioner upon notice and opportunity for a hearing, provided in a manner consistent with the provisions as to adjudicatory proceedings of the Maine Administrative Procedure Act. [1977, c. 694, §190 (AMD).]

SECTION HISTORY

1975, c. 725, (NEW). 1977, c. 694, §190 (AMD).

§3324. ATTACHMENT OF LIEN

Except as herein provided, the producer lien, attached to the finished product manufactured or processed by a processor shall take effect immediately upon notification by a producer within 10 business days from the date specified in the contract, express or implied, for payment of insufficient or no payment to the producer for the raw product delivered to the processor. If the producer fails to notify the commissioner within the time period specified in this section or if the commissioner, following an investigation finds that there is no evidence of insufficient payment or no payment to a producer, the lien established in this chapter shall not be in effect. [1977, c. 1, §1 (AMD).]

1. Notice of lien. All producer liens against the inventories of all potato processors in this State shall be filed with the Department of Agriculture, Conservation and Forestry and shall be deemed public information for the purposes of this chapter.

§3325. PREFERENCE OF LIENS

The producer's lien is a preferred lien attached to the finished product in inventory and to the proceeds thereof to the full extent of the price of the raw product delivered to the processor and shall be preferred to all other liens, claims or encumbrances except for the liens or security interests of financial institutions chartered by the Federal Government or by any state of the United States, including, without limitation, trust companies, commercial banks, savings banks and savings and loan associations, and commercial finance companies and other institutional lenders, granted upon the inventory of a processor and all proceeds and products thereof to secure existing and future loans, advances and all other indebtedness of the processor

to financial institutions, as described when such liens are granted to such financial institutions prior to notification by the producer to the commissioner of insufficient or no payment for the product delivered to the processor. [1977, c. 1, §2 (RPR).]

If any financial institution described in this section shall foreclose upon its lien, the proceeds realized after foreclosure shall be applied first to satisfy all producers' liens having priority over the lien of the financial institution and then to satisfy the lien of the financial institution. The balance of the proceeds, if any, shall be remitted to the Commissioner of Agriculture, Conservation and Forestry or his designee for distribution to producers having liens approved by the commissioner under section 3324 in the order of their priority. Any surplus remaining thereafter shall be remitted to the processor. [1979, c. 731, §19 (AMD); 2011, c. 657, Pt. W, §6 (REV).]

§3326. DURATION OF LIEN

SECTION HISTORY

1975, c. 725, (NEW).

§3327. PERSONAL ACTION TO RECOVER DEBT

This chapter does not impair or affect the right of any claimant that possesses a lien to maintain a personal action to recover such debt against a processor, either in an action to foreclose his lien or in a separate action. He is not required to state in his affidavit to procure an attachment that his demand is not secured by a lien. [1975, c. 725, (NEW).]

1. Collections credited to claims. The judgment, if any, which is obtained by the plaintiff in such personal action, or personal judgment which is obtained in such lien action, does not impair or merge any lien right or claim which is held by such plaintiff. Any money which is collected on the judgment shall be credited on the amount of such lien or claims in any action which is brought to enforce the lien or in any action which is filed pursuant to this chapter by the commissioner.

[1975, c. 725, (NEW) .]

2. Posting of bonds. In an action that is filed by any such lien claimant, the defendant processor may file with the court in which the action is pending a surety bond which is approved by such court in an amount that is sufficient to cover the demand of plaintiff's complaint, including the costs, whereupon the court may order the release of a portion or the whole of any product or processed product upon which the lien of plaintiff has attached.

[1975, c. 725, (NEW) .]

3. Presentation of evidence to court. Such processor may also, on motion duly noticed, introduce evidence to the court before whom any such action is pending to the effect that he has sufficient security or money on deposit with the commissioner to protect the lien or other rights of plaintiff. If he does so, the court

may order the release of a portion or the whole or such product upon which the lien of plaintiff is attached and deny to plaintiff any recovery in such action. Such action by the court does not prejudice any other rights or remedies which are possessed by the plaintiff.

§3328. REQUEST FOR AN INJUNCTION

The plaintiff in an action which is brought to foreclose any of the liens which are provided for in this chapter may, in a proper case, and upon proper allegations, secure an injunction against the processor to restrain the doing of any acts on the part of such processor which are designed to or which would, in effect, remove any processed product in his possession or under his control and upon which valid liens exist, beyond the process of the court, to plaintiff's injury. [1975, c. 725, (NEW) .]

SECTION HISTORY

1975, c. 725, (NEW) .

§3329. INSUFFICIENT SECURITY

If in a court proceeding to foreclose such lien it is found and determined by the court that there is no cash, bond or other deposit as security for the payment of any of the lien claims as set out in the complaint, the judgment of foreclosure shall be against a sufficient quantity in value of such farm product or processed product in the possession or under the control of the defendant processor, as may be necessary to satisfy such claim or render judgment and declare forfeited any bond which is deposited in the court by such processor to secure the lawful claims of the plaintiff as determined by the court. Any judgment which is rendered shall determine the lawfulness of the amount of each claim as represented by the pleadings. [1975, c. 725, (NEW) .]

SECTION HISTORY

1975, c. 725, (NEW) .

§3331. VIOLATIONS AND PENALTY

1. Violation. A processor may not remove any farm product that is delivered to the processor or any processed form of the farm product upon which any of the liens that are provided for in this chapter are attached from this State or beyond the processor's ownership or control, except any farm product or processed form of the product as may be in excess of a quantity that is on hand of a value that is sufficient to satisfy all existing liens, provided, that neither this section and the penalties provided in this section or any other provision of this chapter may affect, impede or restrict the rights and remedies of a lienor or holder of a security interest having priority under section 3325 to enforce its liens or security interests against the

inventory of a processor and the proceeds and products of the processor and the lienor or security interest holder or any person cooperating or acting in accordance with the request of the lienor or security interest holder may not be in violation of this section.

Such lien may not be applied or considered valid against anyone coming under the former Workers' Compensation Act or the Maine Workers' Compensation Act of 1992, and nothing enacted by this chapter may be construed so as to give such lien precedence over the claim or contract of an attorney for legal services rendered with respect to the claim of the injured party nor may this lien be applicable to any accident or health insurance policy, or the proceeds from the same, owned by or running to the benefit of the injured person. §3451. RENT DUE ON LEASED LAND

When a lease of land with a rent payable is made for the purpose of erecting a mill or other buildings thereon, such buildings and all the interest of the lessee are subject to a lien and liable to be attached for the rent due. Such attachment, made within 6 months after the rent becomes due, is effectual against any transfer of the property by the lessee.

§3452. LAND RENT

In all cases where land rent accrues and remains unpaid, whether under a lease or otherwise, all buildings upon the premises while the rent accrues are subject to a lien and to attachment for the rent due, as provided in section 3451, although other persons than the lessee may own the whole or a part thereof, and whether or not the land was leased for the purpose of erecting such buildings. If any person except the lessee is interested in said buildings, the proceedings shall be substantially in the forms directed for enforcing liens against vessels, with such additional notice to supposed or unknown owners as any justice of the court having jurisdiction of the proceedings orders, or the attachment and levy of execution shall not be valid except against the lessee.

Such lien may be preserved and enforced in the same manner and under the same restrictions as liens on buildings and lots are preserved and enforced under chapter 603, and is made subject to all the provisions of said chapter wherever applicable.

The officer making such attachment may pay the boomage thereon, not exceeding the rate per thousand on the quantity actually attached by him, and return the amount paid on the writ of attachment, which shall be included in the damages recovered. The action or lien is not defeated by taking a note, unless it is taken in discharge of the amount due and of the lien. Such notice of the action as the court orders shall be given to the owner of the logs or lumber, and he may be admitted to defend it.

§3603. LOGS DRIVEN BY CONTRACT

Whoever drives logs or lumber by contract with the owner or with any other person has a lien on said logs or lumber for the amount payable under said contract, which takes precedence of all other claims, except liens for labor, for stumpage and for towing, continues for 60 days after the logs or lumber arrive at the place of destination for sale or manufacture and may be enforced by attachment. When the contract is made with any person other than the owner of the logs or lumber, actual notice in writing shall be given to the owner before work is begun, stating therein the terms of the contract. Said complaint, before service thereof and within said 2 years, shall be recorded by the clerk of the town in which such property is situated and a certificate of such record indorsed thereon. The sum alleged to be due shall be deemed to be the damage and after the complaint has been recorded, an action may be commenced upon the complaint in any court of proper venue for a transitory action between the parties. Service shall be made as in other actions. Whoever performs labor by himself or his employees in manufacturing or repairing the ironwork or woodwork of wagons, carts, sleighs and other vehicles, aircraft or component parts thereof, and parachutes, or so performing labor furnishes materials therefor or provides storage therefor by direction or consent of the owner thereof, shall have a lien on such vehicle, aircraft or component parts thereof, and parachutes for his reasonable charges for said labor, and for materials used in performing said labor, and for said storage, which takes precedence of all other claims and incumbrances on said vehicles, aircraft or component parts thereof, and parachutes not made to secure a similar lien, and may be enforced by attachment at any time within 90 days after such labor is performed or such materials or storage furnished and not afterwards, provided a claim for such lien is duly filed as required in section 3802. Said lien shall be dissolved if said property has actually changed ownership prior to such filing.

§3802. FILING IN OFFICE OF SECRETARY OF STATE; INACCURACY DOES NOT INVALIDATE LIEN

1. Filing. A lien described in section 3801 is dissolved unless the claimant files the following documents in the office of the Secretary of State within 90 days after providing the labor, storage or materials:

A. A financing statement in the form approved by the Secretary of State; and [1999, c. 88, §1 (NEW) .]

[1999, c. 699, Pt. D, §7 (AMD); 1999, c. 699, Pt. D, §30 (AFF) .]

3. Inaccuracy. An inaccuracy in the notarized statement does not invalidate the proceedings unless it appears that the claimant willfully overstated the amount due.

Chapter 627: VESSELS

§3851. DOMESTIC VESSELS

All domestic vessels shall be subject to a lien to any part owner or other person to secure the payment of debts contracted and advances made for labor and materials necessary for their repair, provisions, stores and other supplies necessary for their employment, and for the use of a wharf, dry dock or marine railway. Such lien shall in no event continue for a longer period than 2 years from the time when the debt was contracted or advances made.

§3852. LABOR AND MATERIALS; OWNERS OF DRY DOCKS OR MARINE RAILWAYS

Whoever furnishes labor or materials for building a vessel has a lien on it therefor, which may be enforced by attachment thereof within 4 days after it is launched; but if the labor and materials have been so furnished by virtue of a contract not fully completed at the time of the launching of the vessel, the lien may be enforced within 4 days after such contract has been completed. He has a lien on the materials furnished before they become part of the vessel, which may be enforced by attachment. The owners of any dry dock or marine railway used for any vessel have a lien on said vessel for the use of said dock or railway, to be enforced by attachment within 4 days after the last day in which the same is used or occupied by said vessel.

§3853. WRIT FOR ENFORCEMENT

The form of writ for enforcing such lien shall be in substance as follows:

"State of Maine., ss.

To the sheriff of our County of, or either of his deputies:

We command you to attach the vessel" (here give such a description of the vessel as will identify it,) "in an action brought by" (name of plaintiff) "of" (plaintiff's place of residence including town and county) "against" (name of defendant) "of" (defendant's place of residence including town and county) "in the Superior Court for said County

of, in which action the said" (name of plaintiff) "claims a lien on said vessel for" (here describe briefly the nature of the lien) "to the amount of dollars and cents, and make due return of this writ with your doings thereon. Clerk of said Superior Court (Seal of the court) Dated"

The action shall be brought in the county where the vessel is.

§3854. -- PARTICULARS; VERIFICATION

The plaintiff shall annex to the complaint a just, true and particular account of the demand claimed to be due to him with all just credits, the names of the persons personally liable to him and names of the owners of the vessel if known to him. It shall be verified by the oath of one plaintiff, or of some person in his behalf, that the amount claimed in said account is justly due from the person named in the complaint and account as owing it, and that he believes that by the law of the State he has a lien on such vessel for the whole or a part thereof.

§3855. ATTACHMENT OF VESSELS ON STOCKS; SALE

If the vessel at the time is on the stocks, the attachment shall be made by filing in the office of the clerk of the town in which such vessel is, within 48 hours thereafter, a copy of so much of his return on the writ of attachment as relates to the attachment, with the name of the plaintiff, the name of the person liable for the debt, the description of the vessel as given in the writ of attachment, the date of the writ of attachment, the amount claimed and the court to which it is returnable, and by leaving a copy of such certificate with one of the owners of the vessel, if known to him and residing within his precinct, or with the master workman thereon. If the attachment is so made, the officer need not take possession of the vessel before it is launched unless specially directed by the plaintiff or his attorney to do so; but he shall, as soon as may be, afterwards. He may take possession at any time before it is launched; but if he does, he shall not hinder the work thereon or prevent or delay the launching. If at the time of attachment the vessel is launched, it shall be attached like other personal property. Whenever a vessel has been attached and the expense of retaining possession of said vessel is great, or the vessel is liable to depreciate in value by reason thereof, any attaching creditor or an owner of said vessel may bring an action in the Superior Court by complaint praying that said vessel attached may be sold, and said court may order a hearing thereon. Due notice shall be given to all parties in interest of the time and place appointed for said hearing and a hearing on said complaint shall be had before said court. If it appears to said court to be for the benefit of all parties in interest that said vessel should be sold, it shall issue to the officer in possession of the same, or to the sheriff of the county in which said vessel has been attached, an order to sell it at public auction, and shall designate in said order the notice to be given of the time and place of said sale. Said vessel shall be sold pursuant to said order, and the proceeds of such sale, after deducting necessary expenses, shall be held by the first attaching officer or the sheriff, subject to the successive attachments, as if sold on execution. If said parties do not consent to a sale as provided, Title 14, sections 4158 and 4352 to 4355, so far as the same are applicable, shall apply to proceedings under this section.

§3856. SERVICE OF SUMMONS ON DEBTORS AND OWNERS

The summons and complaint shall be served as in other actions on persons named as personally liable for the plaintiff's claim. A copy of the summons and complaint and writ of attachment shall also be posted in some conspicuous place on the vessel attached and mailed to all owners whose identity and whereabouts are known if they have not been named as personally liable.

§3857. SUBSEQUENT WRITS TO BE SERVED BY SAME OFFICER UNLESS DISQUALIFIED

On all writs of attachment made after the first attachment and while any lien attachment is pending, the attachment and services shall be made by the same officer, or, if he is disqualified, by any qualified officer, by his giving notice thereof to the first attaching officer.

§3858. ENTRY OF ACTION; WHO MAY DEFEND; BOND

The actions shall be entered on the docket as follows: The person claiming the lien, as plaintiff, the person alleged to be personally liable, as defendant, and the name or other description of the vessel attached. The owners or mortgagees of the vessel, or any plaintiff in an action wherein it is attached for a lien, may appear and defend any action so far as relates to the validity and amount of the lien claim; but no such plaintiff shall so defend until he gives bond, to the satisfaction of the court, to pay the costs awarded against him.

§3859. OFFER OF DEFAULT; ADMISSION OF SUM DUE

The defendant may offer to be defaulted as in other cases. The owners of the vessel may admit, in writing filed with the clerk, that a certain sum is due the plaintiff as a lien on the vessel. If the plaintiff does not recover a greater sum as lien, he recovers no costs against such owner or the vessel or its proceeds after the admission is filed; but such owner recovers costs thereafter.

§3860. APPORTIONMENT OF COSTS

The court, except as provided in section 3859, may decide all questions of costs and apportion them as they think proper.

§3861. FRAMING OF ISSUES

At the request of either party, the following questions of fact shall be submitted to a jury: "What amount claimed in the complaint is due from the defendant to the plaintiff?" and "For how much of such amount has the plaintiff a lien on the vessel attached?" The verdict shall be in answer to these questions. If the parties waive a jury trial, these questions shall be decided by the court on a hearing or report of a referee appointed by the court.

§3862. JUDGMENT AGAINST DEFENDANT

Upon ascertaining the amount, judgment shall be rendered in his favor against the defendant as in other personal actions, for the amount found not to be a lien on the vessel, with such costs as the court awards. A separate judgment shall be rendered in his favor against said defendant and the vessel attached for the amount decided to be a lien, with such costs as the court awards. Separate executions shall be issued thereon.

§3863. SALE OF VESSEL; PROCEEDS PAID INTO COURT

When judgment is recovered in any action on which a vessel was attached, the court may issue an order to the attaching officer to sell it at auction, and to pay the proceeds thereof into court after deducting the expenses of sale and for taking care of the vessel while under attachment. Such officer shall sell it as other personal property is sold on execution. The purchaser shall hold it free from any prior claim.

§3864. DISTRIBUTION OF PROCEEDS OR SURPLUS

If such proceeds are more than all the judgments recovered against such vessel and the amounts claimed in the undecided actions, the court may order the judgments, as fast as they are recovered against said vessel, to be paid from said fund until all such actions are terminated and all judgments satisfied. The court may, on complaint, order the balance, if any, to be paid to the persons legally entitled thereto.

§3865. PRO RATA DISTRIBUTION; PREVENTION OF DOUBLE LIENS

If such proceeds are not enough to pay in full the judgments recovered and the claims still undecided, the court may order the money to remain until all the actions are terminated, and then divide pro rata; or it may direct a sufficient amount to be retained to pay on the undecided claims their proportion and divide the residue ratably among the judgments recovered, and if, after all the actions are terminated, and the judgments recovered subsequent to the first division have received the same proportion as prior judgments, there is any sum remaining, it shall be divided among the judgments pro rata, and in such division the court shall make such orders as will prevent the enforcement of a double lien and will secure the just rights of all.

§3866. VESSEL UNDER ATTACHMENT ATTACHED ON LIEN CLAIM

If the vessel has been already attached by a sheriff or his deputy when a writ of attachment is issued for such lien claim, such writ of attachment shall be served by such officer. If attached by a constable, he shall give up to the officer having the lien writ of attachment the possession and the precept upon which he attached it with his return of the facts thereon. The attachment shall hold subject to the legal priorities of the lien claim.

§3867. NONLIEN CLAIMS NOT PREVENTED BY LIEN CLAIMS

A vessel attached for a lien claim may be attached by the same officer in the ordinary manner in an action against the owners thereof, and such attachment shall be valid, subject to the legal priorities of the lien attachments.

§3868. SALE OF VESSELS ATTACHED BY LIEN AND NONLIEN CLAIMS

When a vessel attached for liens and also in the ordinary manner is sold by order of the court and the proceeds are more than sufficient to satisfy the lien judgments, the surplus shall be paid to the officer to be held upon the writs of attachment not founded on the lien claims.

§3869. ADMIRALTY POWERS OF COURT

The court, like a court in admiralty, may make all orders necessary for carrying out this chapter according to their true intent and meaning.

SECTION HISTORY

1999, c. 699, §D8 (AMD). 1999, c. 699, §D30 (AFF).

§4002. COMPLAINT FILED; CONTENTS

The person claiming the lien may file, in the Superior Court in the county where he resides a complaint briefly setting forth the nature and amount of his claim, a description of the article possessed and the names and residences of its owners, if known to him, and a prayer for enforcement of his lien.

§4003. ATTACHMENTS HAVE PRECEDENCE; ENFORCEMENT ON DEATH OR INSOLVENCY

Actions to enforce any of the liens before named have precedence over attachments and encumbrances made after the lien attached and not made to enforce a lien, and may be maintained although the employer or debtor is dead and his estate has been represented insolvent. His executor or administrator may be summoned and held to answer to an action brought to enforce the lien. The complaint must show that the action is brought to enforce the lien; but all the other forms and proceedings therein shall be the same as in other actions.

§4004. SERVICE ON OWNERS; KNOWN

If the names of the owners are set forth in the complaint, service shall be made as in other actions.

§4005. -- UNKNOWN

§4006. APPEARANCE BY OWNER

In all lien actions, when the labor or materials were not furnished by a contract with the owner of the property affected, such owner may voluntarily appear and become a party to the action. If he does not so appear, such notice of the action as the court orders shall be given him and he shall then become a party to the action. Any person interested in the article as owner, mortgagee or otherwise may appear and defend. Questions of fact at the instance of either party shall be submitted to a jury on an issue framed under the direction of the court.

§4007. BOND FOR COSTS

If, in the opinion of the court, the article on which the lien is claimed is not of sufficient value to pay the plaintiff's claim with the probable costs of suit, the court may order the defendant to give bond to the plaintiff, with sufficient sureties approved by the court, to pay such costs as are awarded against him, so far as they are not paid out of the proceeds of the articles on which the lien is claimed.

§4008. SALE ON COURT ORDER

After trial and final adjudication in favor of the plaintiff, the court may order any competent officer to sell the article on which the lien is claimed, as personal property is sold on execution, and out of the proceeds, after deducting his fees and the expenses of sale, to pay to the plaintiff the amount and costs awarded him, and the balance to the person entitled to it, if he is known to the court, otherwise into court.

§4009. DISPOSAL OF PROCEEDS

§8003. DEPARTMENTAL ORGANIZATION; DUTIES

1. Division of Administrative Services. There is created a Division of Administrative Services, which is a division within the department under the commissioner's office, to provide assistance to the commissioner and to the agencies within and affiliated with the department in civil service matters, budgeting and financial matters, purchasing, and clerical and support services, and to perform other duties the commissioner designates. The commissioner may employ a Director of Administrative Services and clerical and technical assistants necessary to discharge the duties of the division and shall outline their duties and fix their compensation, subject to the Civil Service Law.

A. Within the Division of Administrative Services, there is a computer services section. It is the responsibility of the computer services section to provide technical assistance to the Office of Professional and Occupational Regulation to process and issue original and renewal licenses for the department and for bureaus, offices, boards and commissions within the department as the commissioner directs. The licenses may be processed and issued only upon authorization of the appropriate bureau, office, board or commission or upon the authorization of the commissioner in the case of licenses granted directly by the department. The computer services section shall maintain a central register containing the name and address of each person or firm licensed by profession, occupation or industry and such other information as the commissioner may direct for administration, information or planning purposes. The commissioner, with the advice of the respective bureaus, offices, boards and commissions, may determine the type and form of licenses issued by all agencies within the department. The computer services section shall perform such other administrative services for the agencies within the department as the commissioner directs. [1995, c. 502, Pt. H, §10 (AMD); 2011, c. 286, Pt. B, §5 (REV).]

[1995, c. 502, Pt. H, §10 (AMD); 2011, c. 286, Pt. B, §5 (REV) .]

2. Office of Licensing and Registration.

[1999, c. 687, Pt. C, §5 (RP) .]

2-A. Office of Professional and Occupational Regulation. There is created an Office of Professional and Occupational Regulation, referred to in this subsection as the "office," composed of the boards, commissions and regulatory functions set forth in section 8001, subsection 38. The commissioner may appoint a Director of the Office of Professional and Occupational Regulation and those clerical and technical assistants who are necessary to discharge the duties of the office and shall outline their duties and fix their compensation, subject to the Civil Service Law. Notwithstanding any other provision of law granting authority to a board or commission, the Director of the Office of Professional and Occupational Regulation has the following superseding powers, duties and functions:

A. To administer the office and maximize and direct the use of personnel and financial resources to regulate professionals in the best interest of the public; [1999, c. 687, Pt. C, §6 (NEW).]

B. To prepare and administer, with the advice of the boards and commissions, budgets necessary to carry out the regulatory purposes of the boards and commissions. The Director of the Office of Professional and Occupational Regulation shall maintain one office budget that includes a separate account for each board or commission. The Director of the Office of Professional and Occupational Regulation has the authority to disapprove expenditures by boards and commissions that are not necessary to protect the public health and welfare or that would seriously jeopardize a board's or commission's fiscal well-being; [1999, c. 687, Pt. C, §6 (NEW); 2011, c. 286, Pt. B, §5 (REV).]

C. To provide all staffing necessary and appropriate to administer the office and carry out the statutory missions of the boards, commissions and regulatory functions. All clerks, technical support staff and supervisors must be assigned to the office and allocated by the director to perform functions on behalf of the various boards, commissions and regulatory functions according to need; [1999, c. 687, Pt. C, §6 (NEW).]

D. To establish by rule and after reasonable notice to the affected board all fees necessary and appropriate for all boards, commissions and regulatory functions within the office, subject to any fee cap established by statute and applicable to that board, commission or regulatory function. The Director of the Office of Professional and Occupational Regulation shall set the criteria for all fees. The criteria must include, but are not limited to, the costs, statutory requirements, enforcement requirements and fees and expenses of each board, commission or regulatory function. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A; [2001, c. 323, §9 (AMD); 2011, c. 286, Pt. B, §5 (REV).]

E. To establish by rule, such processes and procedures necessary to administer the various boards, commissions and regulatory functions of the office, including, but not limited to, a uniform complaint procedure, a uniform procedure regarding protested checks, a uniform policy regarding the treatment of late renewals and a uniform procedure for substantiating continuing education requirements. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A; [1999, c. 687, Pt. C, §6 (NEW).]

F. To keep records of public meetings, proceedings and actions and to make those records available to the public at cost upon request, unless otherwise prohibited by state or federal law; [1999, c. 687, Pt. C, §6 (NEW).]

G. To enter into contracts to ensure the provision of goods and services necessary to perform regulatory functions and to fulfill statutory responsibilities. This authority includes the ability to employ and engage experts, professionals or other personnel of other state or federal regulatory agencies as necessary to assist the office in carrying out its regulatory functions and to contract office staff to other state and federal regulatory agencies to assist those agencies in carrying out their regulatory functions; [1999, c. 687, Pt. C, §6 (NEW).]

H. To perform licensing functions for other state agencies on a fee-for-service basis; [1999, c. 687, Pt. C, §6 (NEW).]

I. To enter into cooperative agreements with other state, federal or foreign regulatory agencies to facilitate the regulatory functions of the office, including, but not limited to, information sharing, coordination of examinations or inspections and joint examinations or inspections. Any information furnished pursuant to this paragraph by or to the office that has been designated confidential by the agency furnishing the information remains confidential and the property of the agency furnishing the information and may not be disclosed by the recipient of the information unless disclosure has been authorized by the agency that furnished the information; [1999, c. 687, Pt. C, §6 (NEW).]

J. To direct staff to review and approve applications for licensure or renewal in accordance with criteria established in statute or in rules adopted by a board or commission. Licensing decisions made by staff may be appealed to the full board or commission; [1999, c. 687, Pt. C, §6 (NEW).]

K. To prepare and submit to the commissioner an annual report of the office's operations, activities and goals; and [1999, c. 687, Pt. C, §6 (NEW).]

L. To study jurisdictional overlap between the department's boards and commissions and other state agencies for purposes of streamlining and consolidating related legal authorities and administrative processes. [1999, c. 687, Pt. C, §6 (NEW).]

[2001, c. 323, §9 (AMD); 2011, c. 286, Pt. B, §5 (REV) .]

3. License defined. For purposes of this section, the term "license" means a license, certification, registration, permit, approval or other similar document evidencing admission to or granting authority to engage in a profession, occupation, business or industry but does not mean a registration, permit, approval or similar document evidencing the granting of authority to engage in the business of banking pursuant to Title 9-B.

[1991, c. 509, §1 (AMD) .]

4. Licensing periods; renewal dates. The commissioner may establish expiration or renewal dates and establish whether licenses are issued annually or biennially for all licenses authorized to be issued by bureaus, offices, boards and commissions within the department, notwithstanding any other provisions of law. If an expiration or renewal date established by the commissioner has the effect of shortening the term of a license currently in effect, the bureau, office, board or commission, or the department in the case of a license that it issues directly, shall credit the fee paid, on a prorated basis, for the unexpired term of the current license toward the renewal fee of the renewal license. If a license is not renewed on the new expiration or renewal date established by the commissioner, the license remains in effect through its original term, unless suspended or revoked sooner under laws or regulations of the respective bureau, office, board or commission. Should a licensee seek to renew the license at the end of the original term, the law or regulations established by the respective bureau, office, board or commission for late renewals or reregistrations apply. For the purpose of implementing and administering biennial licensing, the commissioner may permit bureaus, offices, boards and commissions within the department to issue licenses and establish renewal fees for less than a 2-year term. This section may not change the term or fee for one-time licenses, except as specifically stated.

[1999, c. 386, Pt. B, §3 (AMD) .]

4-A. Disclosure and recording of social security numbers. An individual who applies for a license shall provide that individual's social security number on the application, which must be recorded.

[1997, c. 537, §3 (NEW); 1997, c. 537, §62 (AFF) .]

5. Authority of bureaus, offices, boards or commissions. In addition to authority otherwise conferred, unless expressly precluded by language of denial in its own governing law, each bureau, office, licensing board and commission within or affiliated with the department may take one or more of the following actions, except that this subsection does not apply to the Bureau of Financial Institutions or the Office of Professional and Occupational Regulation, including the licensing boards and commissions and regulatory functions within the Office of Professional and Occupational Regulation.

A. [1989, c. 450, §6 (RP) .]

A-1. For each violation of applicable laws, rules or conditions of licensure or registration, the bureau, office, board or commission may take one or more of the following actions:

- (1) Issue warnings, censures or reprimands to a licensee or registrant. Each warning, censure and reprimand issued must be based upon violations of different applicable laws, rules or conditions of licensure or must be based upon separate instances of actionable conduct or activity;
- (2) Suspend a license or registration for up to 90 days for each violation of applicable laws, rules and conditions of licensure or registration or for instance of actionable conduct or activity. Suspensions may be set to run concurrently or consecutively. Execution of all or any portion of a term of suspension may be stayed pending successful completion of conditions of probation, although the suspension remains part of the licensee's or registrant's record;
- (2-A) Revoke a license or registration;
- (3) Impose civil penalties of up to \$1,500 for each violation of applicable laws, rules and conditions of licensure or registration or for instances of actionable conduct or activity; and
- (4) Impose conditions of probation upon an applicant, licensee or registrant. Probation may run for such time period as the bureau, office, board or commission determines appropriate. Probation may include conditions such as: additional continuing education; medical, psychiatric or mental health consultations or evaluations; mandatory professional or occupational supervision of the applicant, licensee or registrant; and other conditions as the bureau, office, board or commission determines appropriate. Costs incurred in the performance of terms of probation are borne by the applicant, licensee or registrant. Failure to comply with the conditions of probation is a ground for disciplinary action against a licensee or registrant. [2001, c. 167, §1 (AMD) .]

B. The bureau, office, board or commission may execute a consent agreement that resolves a complaint or investigation without further proceedings. Consent agreements may be entered into only with the consent of: the applicant, licensee or registrant; the bureau, office, board or commission; and the Department of the Attorney General. Any remedy, penalty or fine that is otherwise available by law, even if only in the jurisdiction of the Superior Court, may be achieved by consent agreement, including long-term suspension and permanent revocation of a professional or occupational license or registration. A consent agreement is not subject to review or appeal, and may be modified only by a writing executed by all parties to the original consent agreement. A consent agreement is enforceable by an action in Superior Court. [2001, c. 167, §1 (AMD).]

C. The bureau, office, board or commission may:

- (1) Require all applicants for license or registration renewal to have responded under oath to all inquiries set forth on renewal forms;
- (2) Except as provided in Title 37-B, section 390-A, require applicants for license or registration renewal to present proof of satisfactory completion of continuing professional or occupational education in accordance with each bureau's, office's, board's or commission's rules. Failure to comply with the continuing education rules may, in the bureau's, office's, board's or commission's discretion, result in a decision to deny license or registration renewal or may result in a decision to enter into a consent agreement and probation setting forth terms and conditions to correct the licensee's or registrant's failure to complete continuing education. Terms and conditions of a consent agreement may include requiring completion of increased hours of continuing education, civil penalties, suspension and other terms as the bureau, office, board, commission, the licensee or registrant and the Department of the Attorney General determine appropriate. Notwithstanding any contrary provision set forth in a bureau's, office's, board's or commission's governing law, continuing education requirements may coincide with the license or registration renewal period;
- (3) Refuse to renew a license or registration or deny a license when the bureau, office, board or commission finds a licensee or registrant to be in noncompliance with a bureau, office, board or commission order or consent agreement;
- (4) Allow licensees or registrants to hold inactive status licenses or registrations in accordance with each bureau's, office's, board's or commission's rules. The fee for an inactive license or registration may not exceed the statutory fee cap established for the bureau's, office's, board's or commission's license or registration renewal set forth in its governing law; or
- (5) Delegate to staff the authority to review and approve applications for licensure pursuant to procedures and criteria established by rule. Rules developed pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A. [2005, c. 111, §1 (AMD).]

D. The bureau, office, board or commission may require surrender of licenses and registrations. In order for a licensee's or registrant's surrender of a license or registration to be effective, a surrender must first be accepted by vote of the bureau, office, board or commission. Bureaus, offices, boards and commissions may refuse to accept surrender of licenses and registrations if the licensee or registrant is under investigation or is the subject of a pending complaint or proceeding, unless a consent agreement is first entered into pursuant to this chapter. [1995, c. 502, Pt. H, §10 (AMD).]

E. The bureau, office, board or commission may issue letters of guidance or concern to a licensee or registrant. Letters of guidance or concern may be used to educate, reinforce knowledge regarding legal or professional obligations and express concern over action or inaction by the licensee or registrant that does not rise to the level of misconduct sufficient to merit disciplinary action. The issuance of a letter of guidance or concern is not a formal proceeding and does not constitute an adverse disciplinary action of any form. Notwithstanding any other provision of law, letters of guidance or concern are not confidential. The bureau, office, board or commission may place letters of guidance or concern, together with any underlying complaint, report and investigation materials, in a licensee's or registrant's file for a specified amount of time, not to exceed 10 years. Any letters, complaints and materials placed on file

may be accessed and considered by the bureau, office, board or commission in any subsequent action commenced against the licensee or registrant within the specified time frame. Complaints, reports and investigation materials placed on file are only confidential to the extent that confidentiality is required pursuant to Title 24, chapter 21, the Maine Health Security Act. [1999, c. 386, Pt. B, §5 (AMD) .]

F. A bureau, office, board or commission may establish, by rule, procedures for licensees in another state to be licensed in this State by written agreement with another state, by entering into written licensing compacts with other states or by any other method of license recognition considered appropriate that ensures the health, safety and welfare of the public. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A. [2007, c. 402, Pt. C, §2 (AMD) .]

G. Notwithstanding any other provision of law, any bureau, office, board or commission within or affiliated with the department may issue a temporary license for a period of 6 months and waive all licensing requirements, except for fees, to any applicant upon a showing of current, valid licensure in that profession in another state. [2005, c. 474, §1 (NEW) .]

The jurisdiction to suspend and revoke occupational and professional licenses conferred by this subsection is concurrent with that of the District Court. Civil penalties must be paid to the Treasurer of State.

Any nonconsensual disciplinary action taken under authority of this subsection may be imposed only after a hearing conforming to the requirements of Title 5, chapter 375, subchapter 4, and, except for revocation actions, is subject to judicial review exclusively in the Superior Court in accordance with Title 5, chapter 375, subchapter 7.

Any nonconsensual revocation of an occupational or professional license taken under authority of this subsection is subject to, upon appeal within the time frames provided in Title 5, section 11002, subsection 3, de novo judicial review exclusively in District Court. Rules adopted to govern judicial appeals from agency action apply to cases brought under this section.

[2007, c. 402, Pt. C, §2 (AMD); 2011, c. 286, Pt. B, §5 (REV) .]

5-A. Authority of Office of Professional and Occupational Regulation. In addition to authority otherwise conferred, unless expressly precluded by language of denial in its own governing law, the Office of Professional and Occupational Regulation, referred to in this subsection as "the office," including the licensing boards and commissions and regulatory functions within the office, have the following authority.

A. The office, board or commission may deny or refuse to renew a license, may suspend or revoke a license and may impose other discipline as authorized in this subsection for any of the following reasons:

- (1) The practice of fraud, deceit or misrepresentation in obtaining a license from a bureau, office, board or commission, or in connection with services rendered while engaged in the occupation or profession for which the person is licensed;
- (2) Any gross negligence, incompetence, misconduct or violation of an applicable code of ethics or standard of practice while engaged in the occupation or profession for which the person is licensed;
- (3) Conviction of a crime to the extent permitted by Title 5, chapter 341;
- (4) Any violation of the governing law of an office, board or commission;
- (5) Any violation of the rules of an office, board or commission;
- (6) Engaging in any activity requiring a license under the governing law of an office, board or commission that is beyond the scope of acts authorized by the license held;
- (7) Continuing to act in a capacity requiring a license under the governing law of an office, board or commission after expiration, suspension or revocation of that license;
- (8) Aiding or abetting unlicensed practice by a person who is not licensed as required by the governing law of an office, board or commission;

- (9) Noncompliance with an order or consent agreement of an office, board or commission;
- (10) Failure to produce any requested documents in the licensee's possession or under the licensee's control concerning a pending complaint or proceeding or any matter under investigation; or
- (11) Any violation of a requirement imposed pursuant to section 8003-G. [2009, c. 112, Pt. B, §4 (AMD).]

B. The office, board or commission may impose the following forms of discipline upon a licensee or applicant for licensure:

- (1) Denial or refusal to renew a license, or issuance of a license in conjunction with the imposition of other discipline;
- (2) Issuance of warning, censure or reprimand. Each warning, censure or reprimand issued must be based upon violation of a single applicable law, rules or condition of licensure or must be based upon a single instance of actionable conduct or activity;
- (3) Suspension of a license for up to 90 days for each violation of applicable laws, rules or conditions of licensure or for each instance of actionable conduct or activity. Suspensions may be set to run concurrently or consecutively. Execution of all or any portion of a term of suspension may be stayed pending successful completion of conditions of probation, although the suspension remains part of the licensee's record;
- (4) Revocation of a license;
- (5) Imposition of civil penalties of up to \$1,500, or such greater amount as may be authorized by statute, for each violation of applicable laws, rules or conditions of licensure or for each instance of actionable conduct or activity; or
- (6) Imposition of conditions of probation upon an applicant or licensee. Probation may run for such time period as the office, board or commission determines appropriate. Probation may include conditions such as: additional continuing education; medical, psychiatric or mental health consultations or evaluations; mandatory professional or occupational supervision of the applicant or licensee; practice restrictions; and other conditions as the office, board or commission determines appropriate. Costs incurred in the performance of terms of probation are borne by the applicant or licensee. Failure to comply with the conditions of probation is a ground for disciplinary action against a licensee. [2009, c. 112, Pt. B, §4 (AMD).]

C. The office, board or commission may execute a consent agreement that resolves a complaint or investigation without further proceedings. Consent agreements may be entered into only with the consent of the applicant or licensee; the office, board or commission; and the Department of the Attorney General. Any remedy, penalty or fine that is otherwise available by law, even if only in the jurisdiction of the Superior Court, may be achieved by consent agreement, including long-term suspension and permanent revocation of a professional or occupational license. A consent agreement is not subject to review or appeal and may be modified only by a writing executed by all parties to the original consent agreement. A consent agreement is enforceable by an action in Superior Court. [2007, c. 402, Pt. C, §3 (NEW).]

D. The office, board or commission may:

- (3) Except as provided in Title 37-B, section 390-A, adopt rules requiring continuing professional or occupational education and require applicants for license renewal to present proof of satisfactory completion of continuing professional or occupational education in accordance with such rules. Failure to comply with the continuing education rules is punishable by nonrenewal of the license and other discipline authorized by this subsection. Notwithstanding any contrary provision set forth in the governing law of an office, board or commission, continuing education requirements may coincide with the license renewal period. Rules adopted pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A;
- (4) Issue continuing education deferments in cases of undue hardship;

(5) Grant inactive status licenses to licensees in accordance with rules that may be adopted by each office, board or commission. The fee for an inactive status license may not exceed the statutory fee cap for license renewal set forth in the governing law of the office, board or commission. Licensees in inactive status are required to pay license renewal fees for renewal of an inactive status license and may be required to pay a reinstatement fee as set by the Director of the Office of Professional and Occupational Regulation if the license is reactivated on a date other than the ordinary renewal date of the license. Any rules of an office, board or commission regulating inactive status licensure must describe the obligations of an inactive status licensee with respect to any ongoing continuing education requirement in effect for licensees of the office, board or commission and must set forth any requirements for reinstatement to active status, which requirements may include continuing education. Rules adopted pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A; and

(6) Delegate to staff the authority to review and approve applications for licensure pursuant to procedures and criteria established by rule. Rules adopted pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A. [2011, c. 286, Pt. B, §2 (AMD).]

E. The office, board or commission may require surrender of licenses. In order for a licensee's surrender of a license to be effective, a surrender must first be accepted by vote of the office, board or commission. The office, board or commission may refuse to accept surrender of a license if the licensee is under investigation or is the subject of a pending complaint or proceeding, unless a consent agreement is first entered into pursuant to this subsection. The consent agreement may include terms and conditions for reinstatement. [2007, c. 402, Pt. C, §3 (NEW).]

F. The office, board or commission may issue a letter of guidance or concern to a licensee as part of the dismissal of a complaint against the licensee. A letter of guidance or concern may be used to educate, reinforce knowledge regarding legal or professional obligations or express concern over action or inaction by the licensee that does not rise to the level of misconduct sufficient to merit disciplinary action. The issuance of a letter of guidance or concern is not a formal proceeding and does not constitute an adverse disciplinary action of any form. Notwithstanding any other provision of law, letters of guidance or concern are not confidential. The office, board or commission may place letters of guidance or concern, together with any underlying complaint, report and investigation materials, in a licensee's file for a specified period of time, not to exceed 10 years. Any letters, complaints and materials placed on file may be accessed and considered by the office, board or commission in any subsequent action commenced against the licensee within the specified time frame. Complaints, reports and investigation materials placed on file are confidential only to the extent that confidentiality is required pursuant to Title 24, chapter 21. [2013, c. 217, Pt. A, §1 (AMD).]

G. The office, board or commission may establish, by rule, procedures for licensees in another state to be licensed in this State by written agreement with another state, by entering into written licensing compacts with other states or by any other method of license recognition considered appropriate that ensures the health, safety and welfare of the public. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A. [2007, c. 402, Pt. C, §3 (NEW).]

The jurisdiction to impose discipline against occupational and professional licenses conferred by this subsection is concurrent with that of the District Court. Civil penalties must be paid to the Treasurer of State.

Any nonconsensual disciplinary action taken under authority of this subsection other than denial or nonrenewal of a license may be imposed only after a hearing conforming to the requirements of Title 5, chapter 375, subchapter 4 and is subject to judicial review exclusively in the Superior Court in accordance with Title 5, chapter 375, subchapter 7.

§8003-B. CONFIDENTIALITY OF INVESTIGATIVE RECORDS

1. During investigation. Unless otherwise provided by Title 24, chapter 21, all complaints and investigative records of the licensing boards, commissions and regulatory functions within or affiliated with the Department of Professional and Financial Regulation are confidential during the pendency of an investigation. Those records become public records upon the conclusion of an investigation unless confidentiality is required by some other provision of law. For purposes of this section, an investigation is concluded when:

A. A notice of an adjudicatory hearing under Title 5, chapter 375, subchapter 4 has been issued; [2009, c. 465, §1 (AMD).]

B. [1999, c. 687, Pt. C, §10 (RP).]

C. A consent agreement has been executed; or [1989, c. 173, (NEW).]

D. A letter of dismissal has been issued or the investigation has otherwise been closed. [1989, c. 173, (NEW).]

[2009, c. 465, §1 (AMD) .]

2. Exceptions. Notwithstanding subsection 1, during the pendency of an investigation, a complaint or investigative record may be disclosed:

A. To department employees designated by the commissioner; [1989, c. 173, (NEW).]

B. To designated complaint officers of the appropriate board or commission; [1989, c. 173, (NEW).]

C. By a department employee or complaint officer designated by the commissioner when, and to the extent, deemed necessary to facilitate the investigation; [1989, c. 173, (NEW).]

D. To other state or federal agencies when the files contain evidence of possible violations of laws enforced by those agencies; [1989, c. 173, (NEW).]

E. When, and to the extent, deemed necessary by the commissioner to avoid imminent and serious harm. The authority of the commissioner to make such a disclosure shall not be delegated; [1989, c. 173, (NEW).]

F. Pursuant to rules which shall be promulgated by the department, when it is determined that confidentiality is no longer warranted due to general public knowledge of the circumstances surrounding the complaint or investigation and when the investigation would not be prejudiced by the disclosure; and [1989, c. 173, (NEW).]

G. To the person investigated on request. The commissioner may refuse to disclose part or all of any investigative information, including the fact of an investigation, when the commissioner determines that disclosure would prejudice the investigation. The authority of the commissioner to make such a determination shall not be delegated. [1989, c. 173, (NEW).]

[1989, c. 173, (NEW) .]

2-A. Certain client records confidential. Notwithstanding subsections 1 and 2, a treatment record provided to a licensing board or commission or in connection with a regulatory function within or affiliated with the department during investigation of a person licensed by the department in a medical, mental health, substance abuse, psychological or health field that contains information personally identifying a licensee's client or patient is confidential during the pendency of the investigation and remains confidential upon the conclusion of the investigation. A treatment record may be disclosed only if:

A. The client or patient executes a written release that states that:

(1) Unless the release provides for more limited disclosure, execution of the release may result in the record becoming a public record; or

(2) If the client or patient wishes, execution of the release allows disclosure to only the person or persons clearly identified in the release. The release must require the person or persons identified in the release not to make a disclosure to another person; [1993, c. 552, §1 (NEW).]

B. The disclosure is necessary under Title 22, chapter 857 concerning personnel and licensure actions; [1993, c. 552, §1 (NEW).]

C. The disclosure is necessary under Title 22, section 3474 concerning reports of suspected adult abuse or exploitation; [1993, c. 552, §1 (NEW).]

D. The disclosure is necessary under Title 22, section 4011-A concerning reports of suspected child abuse or neglect; or [2001, c. 345, §1 (AMD).]

E. The disclosure is necessary under Title 22, section 7703 concerning reports of suspected child or adult abuse or neglect. [1993, c. 552, §1 (NEW).]

A release executed by a client or patient does not operate to disclose a record otherwise made confidential by law.

This subsection does not prevent disclosure of records pursuant to an order of a court of competent jurisdiction upon good cause shown.

[2009, c. 465, §2 (AMD) .]

3. Attorney General records. The provision or disclosure of investigative records of the Department of the Attorney General to a departmental employee designated by the commissioner or to a complaint officer of a board or commission does not constitute a waiver of the confidentiality of those records for any other purposes. Further disclosure of those investigative records is subject to Title 16, section 804 and the discretion of the Attorney General.

[2013, c. 267, Pt. B, §4 (AMD) .]

Part 11: HOUSING

Chapter 951: MANUFACTURED HOUSING ACT

Subchapter 1: GENERAL PROVISIONS

§9001. DECLARATION OF PURPOSE

1. Declaration. It is found and declared that:

A. The production and utilization of manufactured housing and the use of new and improving technologies, techniques, methods and materials have and will increase the available supply of housing at prices that residents of this State can afford; [1993, c. 642, §8 (AMD).]

B. It is in the interest of the people of this State that that housing be safe from hazardous defects and that its construction and installation include adequate regulation to establish minimum safety standards that can reduce defects, provide uniformity of standards to reduce costs and provide confidence in that housing; [1993, c. 642, §8 (AMD).]

C. The production and use of manufactured housing utilizing production technologies, techniques, methods and materials require the application and enforcement of uniform building codes and installation standards within this State; [2005, c. 678, §1 (AMD); 2005, c. 678, §13 (AFF).]

D. Manufactured housing may present hazards to the health, life and safety of persons and to the safety of property unless properly manufactured because vital parts such as heating, plumbing and electrical systems are concealed and defects may not be readily ascertainable when inspected by a purchaser. Accordingly, it is the policy and purpose of this State to provide protection to the public against those possible hazards; and [2005, c. 678, §2 (AMD); 2005, c. 678, §13 (AFF).]

E. As a valued and important component of the housing industry in this State, manufactured housing is recognized as residential property, whether it is real property or personal property, notwithstanding the requirements of Title 29-A, and manufactured housing for which no certificate of title has been issued is considered real property when it has been permanently affixed to real property that is owned by the owner of the manufactured housing. [2013, c. 125, §1 (AMD).]

[2013, c. 125, §1 (AMD) .]

2. Intent. It is therefore declared that the State, with the passage of this chapter, intends:

A. To provide protection to the public against hazards from poorly constructed or installed manufactured housing; [1977, c. 550, §1 (NEW).]

B. To provide and enforce, with respect to its licensees and political subdivisions, uniform performance standards for construction and installation of manufactured housing that ensure durability and safety of manufactured housing; [1999, c. 725, §1 (AMD).]

C. To eliminate all costly, duplicative regulations and to adopt rules that provide for the performance necessary to provide decent, safe and sanitary housing at prices that people of this State can afford and to establish regulations that govern those matters within this State; [1993, c. 642, §8 (AMD).]

D. To establish an administrative board for the purpose of administering and enforcing this chapter and applicable warranties; [1993, c. 642, §8 (AMD).]

E. To require this board to assume responsibilities as consistent with this chapter, including the enforcement of the provisions of this chapter, the administration and enforcement of rules, investigations of complaints and any other acts that are consistent with the purposes of this chapter; [1999, c. 725, §1 (AMD).]

F. To have this board, in the administration of this chapter, give consideration to economic factors that may result in additional costs to home buyers and eliminate any unnecessary costs that may occur from the enforcement of this chapter or any other Act; and [1993, c. 642, §8 (AMD).]

G. To grant to this board the investigative and regulatory powers it may reasonably require to accomplish the foregoing purposes and intent and to carry out the provisions of this chapter, including making decisions, in accordance with the Maine Administrative Procedure Act. [1993, c. 642, §8 (AMD).]

2. Investigation of complaints; revocation or suspension of licenses.

[2007, c. 402, Pt. D, §5 (RP) .]

3. Remedies for manufacturing defects. The board staff may investigate all complaints made to the board of noncompliance with or violation of chapter 213 or a warranty applicable to the sale of manufactured housing. If the board finds, after hearing, that a manufacturer, dealer or developer dealer has sold, or is making available for sale, manufactured housing that poses a threat to public health or safety or has failed to comply with chapter 213 or an applicable warranty, express or implied, the board may order the manufacturer, dealer or developer dealer or any combination thereof to take appropriate corrective action. Corrective action may include, but is not limited to, reimbursing consumers for repairs that are covered by warranty and made by the consumer if the consumer notifies the dealer, developer dealer or manufacturer in writing of the defect within a reasonable time prior to undertaking the repairs and the board finds that the repairs are or were necessary to correct or prevent an imminent threat to health or safety or to the structure of the manufactured housing. The board may also revoke or suspend the license of the manufacturer, dealer, developer dealer or any combination thereof to prevent any future threat to public health or safety. Notwithstanding the provisions of Title 10, section 8003, subsection 5-A, revocations ordered by the board are subject to judicial review exclusively in the Superior Court in accordance with Title 5, chapter 375, subchapter 7. This subsection applies to any new manufactured housing that is sold to a consumer after January 1, 1993.

[2007, c. 402, Pt. D, §5 (AMD) .]

4. Remedies for installation defects. The board staff may investigate all complaints made to the board of noncompliance with or violation of chapter 213 or a warranty applicable to the installation of manufactured housing. If the board finds, after hearing, that the installation of manufactured housing poses a threat to public health or safety or does not comply with the board's installation standards, chapter 213 or any applicable warranty, the board may order the installer to take appropriate corrective action. Corrective action may include, but is not limited to, reimbursing consumers for repairs that are covered by warranty and made by the consumer if the consumer notifies the installer or mechanic in writing of the defect within a reasonable time prior to undertaking the repairs and the board finds that the repairs are or were necessary to correct or prevent an imminent threat to health or safety or to the structure of manufactured housing. The board may also revoke or suspend the installer's or mechanic's license to install manufactured housing to prevent any future threat to the public health or safety. Notwithstanding the provisions of Title 10, section 8003, subsection 5-A, revocations ordered by the board are subject to judicial review exclusively in the Superior Court in accordance with Title 5, chapter 375, subchapter 7. This subsection applies to any new manufactured housing that is sold to a consumer after January 1, 1993.

Subchapter 2: LICENSING

§9021. LICENSES

The board shall adopt rules governing qualifications for each category of license under its jurisdiction. [1993, c. 642, §22 (NEW) .]

1. Licenses required. Any person who engages in the business of manufacturing, brokering, distributing, selling, installing or servicing manufactured housing must first obtain a license issued by the board. The board shall, within a reasonable time, issue a license to any person who intends to manufacture, sell, install or service manufactured housing in this State subject to filing and approval of an application. Any person who is licensed to conduct these activities by other state or federal law is exempt from this requirement when the law provides for specific authority to provide a particular service or preempts the

requirement for such a license. Active licensees of the Real Estate Commission are exempt from the licensing requirement for selling or brokering used manufactured housing and new manufactured housing if such housing is sold or offered for sale by a licensee of the board.

[2007, c. 402, Pt. D, §7 (AMD) .]

1-A. Initial training. All licensees and applicants for licensure must obtain initial training, including, but not limited to, the servicing and installation of manufactured housing. Applicants for initial licensure must complete the training before the board approves the application for licensure.

[2007, c. 402, Pt. D, §7 (AMD) .]

2. License fees.

[2007, c. 402, Pt. D, §7 (RP) .]

2-A. Fees. The Director of the Office of Professional and Occupational Regulation within the Department of Professional and Financial Regulation may establish by rule fees for purposes authorized under this chapter in amounts that are reasonable and necessary for their respective purposes. The license fee to operate a mobile home park pursuant to subchapter 6 may not exceed a base fee of \$60 plus an additional amount of up to \$6 per mobile home site. This fee must accompany each license application, including applications for mobile home park expansion and license renewal. The review and evaluation fees authorized by section 9083 may not exceed the actual cost of the review or evaluation. The fee for any inspection authorized by this chapter may not exceed the actual cost of the inspection. The fee for each warranty seal required by section 9006-C, subsections 1 and 2 and each new dwelling unit required by section 9045 may not exceed \$200. The fee for any other purpose authorized by this chapter may not exceed \$200 annually. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[2009, c. 241, Pt. A, §4 (AMD); 2011, c. 286, Pt. B, §5 (REV) .]

3. License term. A license expires on the date set by the Commissioner of Professional and Financial Regulation pursuant to section 8003, subsection 4 for the licensing period for which the license was issued. A license may be renewed upon receipt of an application for renewal and the payment of the renewal fee as set pursuant to subsection 2-A. A license may be renewed up to 90 calendar days after the date of expiration upon payment of a late fee in addition to the renewal fee. An applicant who submits an application for renewal more than 90 calendar days after the expiration date is subject to all requirements governing new applicants under this chapter.

[2009, c. 241, Pt. A, §5 (AMD) .]

4. Renewals. A license may be renewed up to 90 days after the date of its expiration upon payment of a late fee in addition to the renewal fee as set under subsection 2-A. If any licensee fails to renew within 90 days after expiration, that licensee is required to make a new application.

[2007, c. 402, Pt. D, §7 (AMD) .]

5. Renewals.

[1981, c. 152, §13 (RP) .]

6. Financial responsibility. The board may require bonding or other reasonable methods to ensure that manufacturers, dealers, developer dealers and others licensed under this chapter are financially responsible to fully comply with this chapter.

[2005, c. 344, §15 (AMD) .]

7. Service of process.

[2013, c. 217, Pt. B, §3 (RP) .]

8. Licensing penalties.

[2007, c. 402, Pt. D, §7 (RP) .]

8-A. Denial or refusal to renew license; disciplinary action. In addition to the grounds enumerated in Title 10, section 8003, subsection 5-A, paragraph A, the board may deny a license, refuse to renew a license or impose the disciplinary sanctions authorized by Title 10, section 8003, subsection 5-A for any of the following reasons:

A. Accepting manufactured housing, directly or indirectly, from a manufacturer not licensed by the State pursuant to this chapter; [2007, c. 402, Pt. D, §7 (NEW) .]

B. Selling or delivering, directly or indirectly, manufactured housing to a dealer or developer dealer not licensed by the State pursuant to this chapter; or [2007, c. 402, Pt. D, §7 (NEW) .]

C. Violation of any of the provisions of chapter 213. [2007, c. 402, Pt. D, §7 (NEW) .]

[2007, c. 402, Pt. D, §7 (NEW) .]

9. Proof of sales tax registration. The board shall require that an applicant for a manufacturer, dealer or developer dealer license under this subchapter demonstrate that the applicant is registered with the State Tax Assessor for the collection of sales and use tax under Title 36, chapter 211 or that the applicant is not required to register under that chapter.

§9022. SERVICE AND INSTALLATIONS

1. Dealers. Dealers who are licensed according to this chapter may install or service, or may have their employees install or service any manufactured housing in compliance with this chapter and the dealer and his employees shall be exempt from any requirements for trade or mechanic licenses of any other type. Subchapter 3: STATE CERTIFIED MANUFACTURED HOUSING

§9041. GENERAL RULES

The board shall adopt rules and establish standards as provided by section 9005-A to administer and enforce this subchapter. [2007, c. 695, Pt. B, §3 (AMD).]

For purposes of this subchapter, manufactured housing includes only housing defined in section 9002, subsection 7, paragraph B. [1993, c. 642, §26 (AMD).]

SECTION HISTORY

1977, c. 550, §1 (NEW). 1981, c. 152, §14 (RPR). 1991, c. 714, §4 (AMD). 1993, c. 642, §26 (AMD). 2007, c. 695, Pt. B, §3 (AMD).

§9042. STANDARDS

1. Standards. The board shall, by rule, adopt standards in conformance with nationally recognized standards for the construction and the installation of manufactured housing.

[1993, c. 642, §27 (AMD) .]

2. Approval. The board shall approve for sale or installation all manufactured housing that complies with the rules and standards authorized by this chapter or shall delegate the authority to inspect and approve the manufactured housing by inspection agencies authorized by the board.

[1993, c. 642, §27 (AMD) .]

3. Exemption. Notwithstanding the provisions of Title 25, section 2357-A and Title 30-A, section 4358, new manufactured housing that is manufactured, brokered, distributed, sold, installed or serviced in compliance with this chapter is exempt from all state or other political subdivision codes, standards, rules or regulations that regulate the same matters. A building permit or certificate of occupancy may not be delayed, denied or withheld on account of any alleged failure of new manufactured housing to comply with any code, standard, rule or regulation from which the new manufactured housing is exempt under this subsection.

[2011, c. 633, §4 (AMD) .]

4. Certification.

[1981, c. 152, §14 (RP) .]

5. Local enforcement. Except as specifically set forth in this subsection, a certificate of occupancy for any certified manufactured housing may not be denied, delayed or withheld on account of any alleged failure to comply with this chapter or any building code or rule adopted by the board. For the purposes of this section, "certified manufactured housing" means new manufactured housing to which a label, seal or other device has been affixed, in accordance with rules adopted by the board, certifying the compliance of the housing with this chapter and all applicable rules.

A. The State or a political subdivision of the State may deny a certificate of occupancy for any certified manufactured housing when, in the exercise of reasonable judgment, the State or the political subdivision of the State determines that an imminent and direct risk of serious physical injury or death would exist in the normal use of the manufactured housing. [1999, c. 725, §4 (NEW) .]

B. If a certificate of occupancy for certified manufactured housing is denied, the State or a political subdivision of the State shall promptly provide the applicant for the certificate of occupancy with written notice of the denial. The notice must describe each reason for the denial of the certificate of occupancy in sufficient detail to allow the applicant to correct each deficiency noted. The State or a political subdivision of the State shall simultaneously provide a copy of the notice to the board. [1999, c. 725, §4 (NEW) .]

C. If the code enforcement or other inspection officer of the State or a political subdivision of the State identifies a failure of certified manufactured housing to comply with this chapter or any building code or rule adopted by the board, the officer may file a complaint with the board in accordance with section 9051. [1999, c. 725, §4 (NEW) .]

D. This chapter may not be construed to impose a duty on a code enforcement or other inspection officer of the State or a political subdivision of the State to inspect any certified manufactured housing for compliance with this chapter or any building code or rule adopted by the board. Unless a certificate of occupancy has been issued pursuant to the provisions of section 9043, subsection 2, paragraph A, a certificate of occupancy for certified manufactured housing does not constitute a representation by the State or a political subdivision of the State that the manufactured housing meets the standards established under this chapter. [1999, c. 725, §4 (NEW) .]

[1999, c. 725, §4 (NEW) .]

6. Review of denial; issuance of certificate of occupancy. Notwithstanding the provisions of Title 25, chapter 313, if a certificate of occupancy for certified manufactured housing is denied on account of any alleged failure of the manufactured housing to comply with this chapter or any building code or rule adopted by the board or any law, rule, regulation or ordinance from which the manufactured housing is exempt under this chapter, the applicant for the certificate of occupancy may petition the board to review the denial.

The board shall issue a certificate of occupancy for the manufactured housing if, after appropriate notice and administrative hearing in accordance with Title 5, chapter 375, subchapter IV, the board determines that:

A. The manufactured housing has been certified pursuant to the rules adopted by the board; [1999, c. 725, §4 (NEW) .]

B. The certificate of occupancy was not denied pursuant to subsection 5, paragraph A; and [1999, c. 725, §4 (NEW) .]

C. The notice of denial issued under subsection 5, paragraph B does not specify any violation of applicable law, rule, regulation or ordinance from which the manufactured housing is not exempted under this chapter. [1999, c. 725, §4 (NEW) .]

A certificate of occupancy issued under this subsection has the same validity, force and effect as if issued by the State or a political subdivision of the State in which the manufactured housing is located.

[1999, c. 725, §4 (NEW) .]

§9043. APPROVAL ALTERNATIVES

1. Inspection agency. Any manufacturer seeking inspection and approval of manufactured housing subject to the requirements of this subchapter may contract with an inspection agency authorized by the board to perform the necessary services in order to obtain approval of the manufactured housing.

[1981, c. 152, §14 (RPR) .]

2. Local option. The provisions of this subchapter must be waived by the board with respect to manufactured housing that is installed in a municipality that has adopted a building code and has a local building code enforcement agency if:

A. The manufactured housing is found by the local enforcement agency to comply with the applicable local building code; and [1981, c. 152, §14 (NEW) .]

B. The local enforcement agency so reports to the board in such form and detail as the board may reasonably require. [1981, c. 152, §14 (NEW) .]

[2007, c. 402, Pt. D, §8 (AMD) .]

3. Program of approval. The board may provide a special program of approval to manufacturers who can demonstrate an unreasonable economic hardship resulting from the alternatives in subsections 1 and 2, except that in no case shall a program of unsupervised self-certification be authorized.

[1981, c. 152, §14 (NEW) .]

4. Certification. The manufacturer of that housing, regardless of the approval alternative used, shall certify that the manufactured housing conforms to all applicable standards whether adopted by the board or local enforcement agency, as the case may be, and that manufacturer's certification shall be permanently affixed to the manufactured housing in accordance with such requirements as the board may by regulation prescribe. Affixation of a certificate to manufactured housing shall signify the manufacturer's representation and warranty to all purchasers of the housing that the housing was manufactured in accordance with all applicable standards of the board or the local enforcement agency, as the case may be, in effect on the date of manufacture.

[1981, c. 152, §14 (NEW) .]

5. Documentation. The manufacturer shall provide to an agency in accordance with this section for review and approval any required documents necessary to define the design, assembly and installation of the manufactured housing to be produced, including the quality assurance practices to be applied by the manufacturer.

[1981, c. 152, §14 (NEW) .]

6. Inspection and certification. Manufactured housing produced by a manufacturer approved in subsection 5, shall be inspected by an approval agency in accordance with this section, and certified by that agency as having been constructed in accordance with the standards adopted by the board or local enforcement agency, as the case may be, provided the approval agency makes that determination.

§9044. AUTHORIZED INSPECTION AGENCIES

1. Establishment of procedures and standards. The board shall, by regulation, establish procedures and standards for the qualification of private or public agencies to perform evaluation and inspection services required by this subchapter. The current edition of the Criteria for Agencies Engaged in System Analysis and Compliance Assurance for Manufactured Buildings, ASTM-E 541, as adopted by the American Society of Testing and Materials shall be considered by the board in adopting these standards and procedures.

[1981, c. 152, §14 (NEW) .]

2. Inspection agencies. The board shall qualify as inspection agencies only those persons or organizations which it determines to comply with the standards adopted by the board pursuant to subsection 1. Inspection agencies qualified under this subsection may contract with manufactured housing manufacturers to provide inspection services required by this subchapter.

[1981, c. 152, §14 (NEW) .]

3. Suspension of qualification. Qualification of an inspection agency shall be suspended by the board if, after appropriate notice and administrative hearing, it determines the agency is no longer qualified as meeting the standards adopted pursuant to subsection 1. The board may conduct such reviews of the work of a qualified agency as the board determines are necessary to reasonably assure continuing compliance of the qualified agency with the standards adopted pursuant to subsection 1.

The board shall notify the complainant of the complainant's right to relief under section 9011,

subsection 4. If the board determines the defect occurred in other similar manufactured housing, the board shall notify all ascertainable purchasers of the housing, in accordance with the records obtained from the manufacturer and dealer of their possible right of action under this subchapter. Failure of the manufacturer, dealer or developer dealer to retain reasonable business records or to provide access to those records in response to a request by the board pursuant to this subchapter is a violation of this chapter. §9047. NOTIFICATION AND CORRECTION OF DEFECTS

1. Manufacturer. Every manufacturer of manufactured housing in this State and any manufacturer who offers manufactured housing for sale, lease, delivery, introduction or importation into this State shall furnish notification of any defect in manufactured housing produced by the manufacturer that the manufacturer or the board determines relates to a standard of the board that is applicable to the housing or that constitutes a safety hazard to an occupant of the housing. The notification must be accomplished in a manner and within a time the board by rule prescribes, except that the rules must at least provide the following:

A. Notification by mail to the first purchaser of the manufactured housing, other than a dealer or developer dealer of the manufacturer, and to any subsequent purchaser whose identity the manufacturer knows; [2005, c. 344, §22 (AMD) .]

B. Notification by mail or some expeditious means to the dealers and developer dealers of the manufacturer to whom the manufactured housing was delivered; and [2005, c. 344, §23 (AMD) .]

C. Notification by mail to the board. [1981, c. 152, §14 (NEW) .]

[2005, c. 344, §§22, 23 (AMD) .]

2. Dealers. Any person who sells, leases, delivers or transports manufactured housing that has been certified under this chapter shall notify the board and any present or prospective purchaser of the housing in writing of any defect resulting from damage or modification to the housing that the person determines relates to a standard of the board that is applicable to the housing or that constitutes a safety hazard to an occupant of the housing. This requirement does not apply to sales or leases of manufactured housing after the first purchase of the housing by a person for purposes other than resale and does not apply to deliveries or transportations of the manufactured housing that occur after the first installation of the housing on a permanent foundation.

[1993, c. 642, §28 (AMD) .]

3. Corrections. The person responsible for a noncompliance with the standards adopted by the board or for the creation of a safety hazard shall promptly effect such repairs and modifications as may be necessary to correct the nonconformance or eliminate the safety hazard. 1. Standards. If the board finds that the standards for the manufacture and inspection of manufactured housing prescribed by statute or regulation of another state or governmental agency meet the objectives of this chapter and the rules adopted pursuant to this chapter and are enforced satisfactorily by that other state or other governmental agency, or by their agents, the board may accept manufactured housing that has been certified by that other state or governmental agency as being in compliance with this chapter. The standards of another state are not considered to be satisfactorily enforced unless that other state provides for notification to the board of suspensions or revocations of approvals issued by that other state in a manner satisfactory to the board and so notifies the board. Acceptance of this notification does not remove the board's right to pursue remedies outlined in sections 9009 and 9011.

[1993, c. 642, §29 (AMD) .]

2. Suspension or revocation. Notwithstanding Title 5, section 10051, the board may suspend or revoke the board's acceptance or certification, or both, of manufactured housing certified under the reciprocal provisions of this section, for the following causes:

A. If the board determines that the standards for the manufacture and inspection of the manufactured housing of another state or governmental agency do not meet the objectives of this chapter and the rules adopted pursuant to this chapter; [1993, c. 642, §29 (AMD) .]

B. The board determines that the standards for manufacture and inspection are not being enforced to the satisfaction of the board; or [1981, c. 152, §14 (NEW) .]

C. The other state or governmental agency suspends or revokes its approval or certification. [1981, c. 152, §14 (NEW) .]

[1993, c. 642, §29 (AMD) .]

3. Cooperation. In order to encourage reciprocity, the board shall cooperate with similar authorities in other jurisdictions, with national standards organizations and with model code procedures for testing, evaluating, approving and inspecting manufactured housing, and otherwise encouraging their production and acceptance.

[1981, c. 152, §14 (NEW) .]

4. Agreement. The board shall not grant this reciprocity unless the recipient state enters into an agreement with the board whereby manufactured housing manufactured within Maine and regulated under the provisions of this chapter shall be deemed approved for sale in that recipient state.

[1981, c. 152, §14 (NEW) .]

5. Formal agreements. The board, subject to the approval of the Commissioner of Professional and Financial Regulation, may enter into formal agreements with the agencies or authorities of other states, or other governmental agencies, or their agents, to carry out the purpose of this chapter.

§9090. MUNICIPAL FORECLOSURE; UNLICENSED MOBILE HOME PARKS

Notwithstanding any other provision of law, a municipality that, as a result of the nonpayment of property taxes, forecloses and takes possession of real estate on which is located an unlicensed mobile home park may, if the municipality determines the park poses a risk to public health, welfare or safety, close the park and, with at least 30 days' prior written notice, evict the inhabitants of the park. A municipality that takes possession of real estate on which is located an unlicensed mobile home park does not enter a landlord and tenant relationship with any inhabitant of the park and is not subject to the provisions of chapter 953 or any other laws governing relations between a landlord and tenant. This section does not apply to a municipality that is or becomes the licensed operator of the mobile home park. [1999, c. 203, §1 (NEW).]

[1989, c. 104, Pt. B, §3 (NEW); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

No mobile home park owner or operator may require a mobile home to be removed from the park except pursuant to a rule contained in the written copy of park rules given to the tenant under section 9097, subsection 4. The rules shall clearly describe the standards under which the park owner or operator may require a tenant to remove a mobile home from the park.

A. These standards shall specify, but are not limited to, fair and reasonable rules governing the conditions of:

- (1) Protective exterior coating or siding;
- (2) Roof;
- (3) Windows and doors;
- (4) Plumbing, heating and electrical systems;
- (5) Anchoring system;

- (2) A person licensed to repair the home's heating system who inspected the home's heating system; and
- (3) A certified professional engineer who inspected the home for safety and structural soundness.

Signature of the report may not be construed for any purpose as an endorsement that the home meets provisions of the standard other than those for which the inspection was conducted. A park owner who receives a signed report indicating that the home complies may not require removal of a home under this section on the basis of fire safety or the safety of the home. [1993, c. 642, §39 (NEW).]

C. No aesthetic standard may be applied against the mobile home if the standard relates to physical characteristics such as size, except as provided in paragraph A, subparagraph (9), original construction materials or color which cannot be changed without undue financial hardship to the mobile home owner. [1989, c. 104, Pt. B, §3 (NEW); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

D. Neither age of the mobile home nor the standards established under the National Manufactured Housing Construction and Safety Standards Act of 1974, United States Code, Title 42, Chapter 70, shall by themselves be a sufficient standard for a park owner or operator to require removal of a mobile home. [1989, c. 104, Pt. B, §3 (NEW); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

F. The Manufactured Housing Board, in conjunction with the State Fire Marshal, the Department of the Attorney General, representatives of the manufactured housing industry, representatives of mobile home park owners or operators and representatives of mobile home owners and tenants, shall develop recommendations concerning the standards for rules covered by this subsection. The recommendations shall include standards designed to ensure the safety of the mobile home and its occupants, while being objective and measurable to provide for enforcement. The recommendations shall be made to the joint standing committees of the Legislature having jurisdiction over legal affairs and business legislation by January 15, 1990. [1989, c. 104, Pt. B, §3 (NEW); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

F-1. The Manufactured Housing Board shall adopt rules under Title 5, chapter 375, establishing a used manufactured home standard no later than December 1, 1990. The standard must cover all equipment and installations in the construction, the plumbing, heat-producing and electrical systems and fire safety of used manufactured homes that are designed to be used as dwellings. The standard must seek to ensure that used manufactured homes do not present an imminent and unreasonable risk of death or serious personal injury. [1989, c. 678, §2 (NEW).]

F-2. The Manufactured Housing Board shall report to the joint standing committee of the Legislature having jurisdiction over legal affairs on the implementation of paragraph B-1 and any changes to the used manufactured home standard no later than January 1, 1992. [1989, c. 678, §2 (NEW).]

G. [1989, c. 678, §3 (RP).]

[1993, c. 642, §39 (AMD) .]

3. Buyer's right of rescission. The buyer of a mobile home located in a mobile home park may rescind the contract for the purchase of the mobile home within 30 days of execution of the contract if:

A. At the time of entering into the contract, the seller or the seller's agent represented to the buyer or the buyer's agent that the mobile home may remain in that mobile home park; and [1989, c. 104, Pt. B, §3 (NEW); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

B. The buyer is not permitted to keep the mobile home in that mobile home park or the buyer is not accepted as a tenant in that mobile home park. [1989, c. 104, Pt. B, §3 (NEW); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

[1989, c. 104, Pt. B, §3 (NEW); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

4. Interference with sale. A mobile home park owner may not unreasonably interfere with or discourage a tenant's attempt to sell a mobile home situated on a park lot.

1. Notice of offer to purchase the mobile home park. Except as provided in subsection 3, if the owner of a mobile home park receives an offer to purchase the mobile home park and the park owner intends to accept that offer, the owner shall give 45 days' written notice to tenants of the mobile home park. The notice

must indicate that the owner has received an offer to purchase the mobile home park and that the owner intends to accept that offer. During the 45-day notice period, the owner may not execute a contract for the purchase and sale of the mobile home park. The owner must mail by regular mail a separate notice to each park tenant.

[1989, c. 768, (NEW) .]

2. Option contract. Nothing in this subsection prohibits the owner of a mobile home park from obtaining at any time from a buyer an option to sell the mobile home park if:

3. Exception; no change of use for 2 years. The owner of a mobile home park may sell the park without notifying tenants in the manner provided by subsection 1 if the purchase and sale agreement for the mobile home park provides for a deed containing a covenant, enforceable by tenants of the mobile home park, that forbids the purchaser from changing the use of the mobile home park for 2 years after the transfer.

[1989, c. 768, (NEW) .]

4. Enforcement. A mobile homeowner, group of mobile homeowners or a mobile homeowners' association aggrieved by a violation of this section may bring an action in Superior Court against the violator for injunctive relief, damages and attorney's fees.

B. Failure of the tenant or the tenant's cohabitants, guests or invitees to comply with local ordinances or state or federal law, rules or regulations relating to mobile homes or mobile home parks, as long as the tenant first is given written notice of failure to comply with those restrictions and a reasonable opportunity to comply with the restrictions; [1997, c. 27, §1 (AMD).]

E. Failure of the tenant or the tenant's cohabitants, guests or invitees to comply with reasonable written rules of the mobile home park as established by the park owner or operator in the rental agreement at the beginning of the tenancy or as subsequently amended, as long as the tenant first is given written notice of failure to comply and a reasonable opportunity to comply with those rules; [1997, c. 27, §1 (AMD).]

F. Condemnation or change of use of the mobile home park, as long as, in the case of change of use, one year's notice is given in writing to the tenant, unless at the beginning of the tenancy the tenant is given notice of the scheduled change of use; [1997, c. 27, §1 (AMD).]

G. Renovation or reconstruction of any portions of the park, if:

(1) In the case of a temporary eviction, the park owner or operator:

(a) Gives affected tenants 30 days' notice in writing, unless the temporary eviction is necessary to correct conditions posing an immediate threat to one or more tenants' health or safety; and

(b) Pays the removal and relocation costs of tenants, except for those tenants who agree otherwise in a signed writing separate from the lease; or

(2) In the case of a permanent eviction, other than an eviction due to reconstruction or renovation required by a federal, state or local governmental body, of one or more mobile homes currently located in the park, the park owner or operator:

Violation by a tenant or the tenant's cohobitees, guests or invitees of paragraph A, B or E, 3 or more times in a 12-month period, notwithstanding the fact that the tenant in each case corrected the violation after being notified of the violation by the park owner or operator. For purposes of termination under this paragraph, the tenant or the tenant's cohobitees, guests or invitees must have engaged in at least 3 separate instances of misconduct. [1997, c. 27, §1 (AMD).]

[1997, c. 27, §1 (AMD) .]

B. The tenant's assertion of any right under this chapter. [1989, c. 650, (NEW).]

[1989, c. 650, (NEW) .]

The notice must set forth the mobile home park owner's or operator's intent to dispose of the manufactured housing. The notice must advise the tenant and lienholder, if known, that if the tenant or lienholder does not respond to the notice within 14 calendar days the mobile home park owner or operator may dispose of the property as set forth in this subsection. If the tenant or lienholder timely claims the property but is not able to move the property within 21 days due to weather or posted road conditions, the mobile home park

owner or operator shall allow the tenant or lienholder to remove the property after the 21-day period but the mobile home park owner or operator may charge for any additional costs incurred as a result of the delay. [2011, c. 127, §1 (NEW).]

C. If a tenant or lienholder does not claim ownership of the property within 14 calendar days after the notice under paragraph A is sent or fails to take possession of the property after claiming ownership pursuant to paragraph B, the mobile home park owner or operator may take one or more of the following actions:

- (1) Condition the release of the property to the tenant or lienholder upon payment of all rental arrearages, damages, costs of legal fees and costs of storage;
- (2) Sell any property for a reasonable fair market price and apply all proceeds to rental arrearages, damages, costs of storage, marketing expenses, legal fees and outstanding taxes. Any balance must be sent to the tenant's or lienholder's last known mailing address and, if returned to the sender, the balance must be forwarded to the Treasurer of State; and
- (3) Dispose of any property that has no reasonable fair market value. [2011, c. 127, §1 (NEW).]

A. The tenant giving at least 45 days' notice of termination to the park owner; or [1987, c. 737, Pt. B, §1 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

B. The park owner entitled under subsection 1 to the mobile home space giving at least 45 days' notice of termination in writing to the tenant. If the landlord or the landlord's agent has made at least 3 witnessed good faith efforts made on 3 separate days to serve the tenant, service may be accomplished by both mailing the notice by first class mail to the tenant's last known address and by leaving the notice at the tenant's space in the park.

(1) In cases where the reason for eviction is nonpayment of rent, the tenancy may be terminated by 30 days' notice given in the same manner provided that the notice for eviction contains notice of the amount owed and a statement indicating that the tenant can negate the effect of the notice of termination as it applies to rent arrearage if the tenant pays the full amount of rent due before the expiration of the notice.

(2) In cases in which the reason for eviction is one listed in subsection 1, paragraph B, C, D, E, H or I, the 45 days' notice of termination must refer to relevant provisions of the lease or mobile home park rules and must state the reasons for the termination. [1993, c. 211, §1 (AMD).]

[1993, c. 211, §1 (AMD) .]

2-A. Notice to lienholders.

[1999, c. 207, §2 (RP) .]

2-B. Responsibilities of park operator and lienholder. The responsibilities of the mobile home park operator and the holder of a lien on the tenant's mobile home are as follows.

A. In the event the park operator moves to evict a tenant and there is a lien on the tenant's home, if the holder of the lien has provided the park operator with a notice of the lien and the notice includes the lienholder's mailing address, then prior to evicting the tenant who resides in that mobile home, the park operator shall give notice of the eviction in writing by certified mail to the lienholder at the time the park operator serves the tenant with a notice to quit. Following receipt of this notice from the park operator, the lienholder shall:

(1) Declare, in writing and by certified mail, to the park operator that the lienholder intends to take possession of the mobile home and assume tenancy in the park. The lienholder shall pay to the park operator:

(a) Any arrearage for rent and other recurring monthly fees owed the park operator by the tenant at the time of issuance of the notice to quit;

(b) Rent and other charges that become due subsequent to issuance of the notice to quit. Rent and charges imposed pursuant to this division may not exceed 3 months of those rents and charges; and

(c) Rent and other charges that become due subsequent to the issuance of a forcible entry and detainer or, if no forcible entry and detainer is issued, following abandonment by the tenant or possession of the home by the lienholder; or

(2) Declare, in writing and by certified mail, to the park operator that the lienholder intends to take possession of the mobile home but not assume tenancy in the park. The lienholder also shall:

(a) Pay to the park operator any arrearage for rent and other recurring monthly fees owed the park operator by the tenant at the time of issuance of the notice to quit; and

(b) Remove the mobile home from the mobile home park.

The arrearage for which the lienholder is responsible may not exceed 3 months rent and recurring fees. [1999, c. 207, §3 (NEW).]

B. In the event that the holder of a lien on a mobile home in a mobile home park intends to repossess that home, the holder of the lien shall provide the park operator with a notice that it holds a lien, which notice must include the lienholder's mailing address and shall:

(1) Give notice in writing and by certified mail to the park operator of the lienholder's intent to repossess and that the lienholder intends to leave the mobile home in the park and assume tenancy in the park. The lienholder also shall pay to the park operator any arrearage for rent and other recurring monthly fees owed the park operator by the tenant at the time it takes possession of the mobile home and all rent and other charges that become due subsequent to the time it takes possession of the mobile home; or

(2) Give notice in writing and by certified mail to the park operator of the lienholder's intent to repossess and that it does not intend to leave the mobile home nor assume tenancy in the park. The lienholder also shall pay to the park operator any arrearage for rent and other recurring monthly fees owed the park operator by the tenant at the time it takes possession of the mobile home and all rent and other charges that become due subsequent to the time it takes possession of the mobile home until the lienholder physically removes the mobile home from the park.

The arrearage for which the lienholder is responsible may not exceed 3 months rent and other recurring fees. [1999, c. 207, §3 (NEW).]

Notwithstanding this subsection, the lienholder and the park operator may agree to an alternative arrangement if they so choose.

[1999, c. 207, §3 (NEW) .]

3. Fees. The owner of a mobile home park or the owner's agents may not charge any fees to tenants other than charges for rent, utilities, reasonable incidental service charges, entrance fees or security deposits, unless otherwise provided for in the original lease or agreement. The owner of a mobile home park or the owner's agents may not charge any entrance fee, regardless of what that fee is called, to a tenant who is moving into a mobile home currently in the mobile home park that is greater than 2 times the amount of the monthly rent.

[2005, c. 156, §1 (AMD) .]

4. Rules. A mobile home park owner may adopt reasonable rules governing the conduct of tenants, if the rules are reasonably related to preserving the order and peace of other tenants and the mobile home park. A park rule may not be unreasonable, unfair or unconscionable. Any rule or change in rent that does not apply uniformly to all park tenants creates a rebuttable presumption that the rule or change in rent is unfair unless the rule or change in rent is made by majority vote of all the members in a resident-owned cooperative. Any park rule that does not comply with this section is void. For purposes of this subsection, "resident-owned cooperative" means a corporation or other legal entity that owns the mobile home park, the ownership interest in which is held only by residents of the mobile home park.

[1991, c. 738, (AMD) .]

5. Tenant to be given copy of rules and applicable laws. Before any rental agreement is entered into, the owner must provide each tenant who resides in the park and all prospective tenants with:

A. A written copy of the rules of the mobile home park; and [1987, c. 737, Pt. B, §1 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

B. A written copy of this chapter. [1989, c. 104, Pt. B, §5 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

[1989, c. 104, Pt. B, §5 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

6. Enforcement. In addition to any other remedy under this chapter, any mobile home park resident may sue to enforce any provision of this section and the court may award damages or grant injunctive or other appropriate relief.

[1989, c. 104, Pt. B, §6 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

7. Waiver prohibited. No lease or rental agreement, oral or written, may contain any provision by which the tenant waives any rights under this chapter. Any such waiver is contrary to public policy and unenforceable.

[1989, c. 104, Pt. B, §7 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

8. Written or oral rental agreement. Nothing in this section may be construed to permit a park owner or operator to vary the terms of a written or oral rental agreement without the express written consent of the tenant.

[1987, c. 737, Pt. B, §1 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

9. Rental agreements involving children.

[1989, c. 104, Pt. B, §8 (RP); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

10. Discrimination against tenants with children prohibited. Discrimination against any tenant with children is prohibited in accordance with Title 5, chapter 337.

[2005, Pt. B, §7 (AMD) .]

11. Breach of warranty of habitability as an affirmative defense. In an action brought by a mobile home park owner to terminate a rental agreement on the ground that the tenant is in arrears in the payment of rent, the tenant may raise, as a defense, any alleged violation of the implied warranty and covenant of habitability provided that:

A. The tenant gave the mobile home park owner, or the owner's agent has received, actual notice of the alleged violation while the tenant was current in rental payments; [1989, c. 687, (NEW).]

B. The park owner or operator unreasonably failed under the circumstances to take prompt, effective steps to repair or remedy the condition; and [1989, c. 687, (NEW).]

C. The condition was not caused by the tenant or another person acting under the tenant's control. [1989, c. 687, (NEW).]

Upon finding that the leased premises is not fit for human habitation, the court shall permit the tenant either to terminate the rental agreement without prejudice or to reaffirm the rental agreement and the court shall assess against the tenant an amount equal to the reduced fair rental value of the property for the period during which rent is owed. The reduced amount of rent owed is to be paid on a pro rata basis, unless the parties agree otherwise, and payments are due at the same intervals as rent for the current rental period. The mobile home park owner may not charge the tenant for the full rental value of the property until the property is fit for human habitation.

[1989, c. 687, (NEW).]

12. Application; mobile homes owned by park. If a park owner or operator owns a mobile home in the mobile home park and rents that mobile home, termination of the tenancy is governed by the terms of the lease. If there is no lease agreement, the tenancy is a tenancy at will and termination is governed by Title 14, section 6002.

§9097-A. UNFAIR RENTAL CONTRACTS

1. Illegal waiver of rights. It is an unfair and deceptive trade practice in violation of Title 5, section 207 for a park owner or operator to use a rental agreement or rule that has the effect of waiving a tenant right established in chapter 953 and, if applicable to mobile home park tenants, Title 14, chapters 709, 710 and 710-A. This subsection does not apply when the law specifically allows the tenant to waive a statutory right during negotiations with the park owner or operator.

[1991, c. 361, §1 (NEW); 1991, c. 361, §3 (AFF).]

2. Unenforceable provisions. The following rental agreement or rule provisions are specifically declared to be unenforceable and in violation of Title 5, section 207:

A. Any provision that absolves the park owner or operator from liability for the negligence of the park owner or operator or the agent of the park owner or operator; [1991, c. 361, §1 (NEW); 1991, c. 361, §3 (AFF).]

B. Any provision that requires the tenant to pay the legal fees of the park owner or operator in enforcing the rental agreement; [1991, c. 361, §1 (NEW); 1991, c. 361, §3 (AFF).]

C. Any provision that requires the tenant to give a lien upon the tenant's property, including a tenant's mobile home, for the amount of any rent or other sums due the park owner or operator; and [1991, c. 361, §1 (NEW); 1991, c. 361, §3 (AFF).]

D. Any provision that requires the tenant to acknowledge that the provisions of the rental agreement, including tenant rules, are fair and reasonable. [1991, c. 361, §1 (NEW); 1991, c. 361, §3 (AFF).]

§9097-B. ENTRY AND DETAINER

Process of forcible entry and detainer pursuant to Title 14, chapter 709 must be used in mobile home evictions. This process includes mediation under Title 14, chapter 709, subchapter 1. [2007, c. 246, §1 (AMD); 2007, c. 246, §6 (AFF).]

§9097-C. PENALTIES FOR LATE PAYMENT OF RENT

The owner of a mobile home park or the owner's agents may assess a penalty against a tenant for late payment of rent under this section. [2005, c. 156, §2 (NEW).]

1. Late payment. A payment of rent is late if it is not made within 15 days from the time the payment is due.

[2005, c. 156, §2 (NEW) .]

2. Maximum penalty. The owner of a mobile home park or the owner's agents may not assess a penalty for the late payment of rent that exceeds 4% of the amount due for one month.

[2005, c. 156, §2 (NEW) .]

3. Notice in writing. The owner of a mobile home park or the owner's agents may not assess a penalty for the late payment of rent unless the owner of a mobile home park or the owner's agents gives the tenant written notice at the time the owner of a mobile home park or the owner's agents and tenant enter into the rental agreement that a penalty, up to 4% of one month's rent, may be charged for the late payment of rent.

[2005, c. 156, §2 (NEW) .]

SECTION HISTORY

2005, c. 156, §2 (NEW).

§9098. SECURITY DEPOSITS

1. Maximum security deposit. No lessor of a mobile home park lot may require a security deposit greater than 3 months' rent.

[1987, c. 737, Pt. B, §1 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

2. Return of security deposit. The following provisions apply to the retention and return of a security deposit.

A. A security deposit or any portion of a security deposit may not be retained to pay for normal wear and tear. [1987, c. 737, Pt. B, §1 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

B. A mobile home park operator shall return to a tenant the full security deposit deposited with the landlord by the tenant, with interest in accordance with subparagraph (4) or, if there is actual cause for retaining the security deposit or any portion of it, the mobile home park operator shall provide the tenant with a written statement, itemizing the reasons for the retention of the security deposit or any portion of it, within 21 days after the termination of the tenancy or the surrender and acceptance of the premises, whichever occurs first.

(1) The written statement itemizing the reasons for the retention of any portion of the security deposit must be accompanied by a full payment of the difference between the security deposit and the amount retained.

(2) The mobile home park operator is deemed to have complied with this section if the operator mails the statement and any payment required to the tenant's last known address.

(3) Nothing in this section precludes the mobile home park operator from retaining the security deposit for nonpayment of rent or nonpayment of utility charges which the tenant was required to pay directly to the mobile home park operator.

(4) The amount of interest that must be returned to a tenant must be either the amount that the mobile home park operator has earned on the security deposit if deposited in an individual segregated bank savings account or a reasonable amount of annual interest. For purposes of this subsection, "a reasonable amount of annual interest" means interest calculated at the Federal Reserve Bank, secondary market, annual interest rate on a 6-month certificate of deposit for each year in which the deposit has been held calculated as of the first business day of each year. [2009, c. 128, §1 (AMD).]

C. If a mobile home park operator fails to provide a written statement or to return the security deposit within the time specified in paragraph B, the park owner or operator forfeits the right to withhold any portion of the security deposit. [1987, c. 737, Pt. B, §1 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

[2009, c. 128, §1 (AMD) .]

3. Wrongful retention; damages; burden of proof. The following provisions apply to the wrongful retention of a security deposit by a mobile home park operator.

A. If the mobile home park operator fails to return the security deposit and provide the itemized statement within 21 days as specified in subsection 2, paragraph B, the tenant must notify the mobile home park operator of the intention to bring a legal action at least 7 days before commencing the action. If the mobile home park operator fails to return the entire security deposit within the 7-day period, it is presumed that the landlord is willfully and wrongfully retaining the security deposit. [1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD); 1989, c. 502, Pt. A, §32 (AMD).]

B. A mobile home park operator who willfully retains a security deposit in violation of this chapter is liable for double the amount of that portion of the security deposit wrongfully withheld from the tenant, together with reasonable attorney's fees and court costs. [1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. B, §10 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

C. In any court action brought by a tenant under this section, the mobile home park operator has the burden of proving that the operator's withholding of the security deposit, or any portion of it, was not wrongful. [1987, c. 737, Pt. B, §1 (NEW); 1987, c. 737, Pt. C, §106 (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

[1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. B, §10 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD); 1989, c. 502, Pt. A, §32 (AMD) .]

4. Return of security deposit to renter. Notwithstanding the definition of "tenant" in section 9091, subsection 5, this section applies to a person who rents a mobile home and rents the mobile home park lot on which the mobile home is located and from whom a mobile home park operator collects a security deposit.

[1991, c. 661, §1 (NEW) .]

5. Security deposits. During the term of a tenancy, a security deposit given to a mobile home park operator as part of a residential rental agreement may not be treated as an asset to be commingled with the assets of the landlord. All security deposits must be held in an account of a bank or other financial institution under terms that place the security deposit beyond the claim of creditors of the mobile home park operator, including a foreclosing mortgagee or trustee in bankruptcy, and that provide for transfer of the security deposit to a subsequent mobile home park operator. Upon the transfer of the mobile home park, the new operator shall assume all responsibility for maintaining and returning to tenants all security deposits accounted for and transferred. Upon request by a tenant, a landlord shall disclose the name of the financial institution and the account number where the security deposit is being held. A mobile home park operator may use a single escrow account to hold security deposits from all of the tenants of the mobile home park.

§9099. IMPLIED WARRANTY AND COVENANT OF HABITABILITY

1. Implied warranty of fitness for human habitation. In any written or oral agreement for rental of a space in a mobile home park, the park owner or operator is deemed to covenant and warrant that the space and its associated facilities are fit for human habitation.

[1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

2. Complaints. If a condition exists in a space which renders the space unfit for human habitation, a tenant may file a complaint against the park owner or operator in the District Court or Superior Court. The complaint must state that:

A. A condition, which must be described, endangers or materially impairs the health or safety of the tenants; [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

B. The condition was not caused by the tenant or another person acting under the tenant's control; [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

C. Written notice of the condition was given without unreasonable delay to the park owner or operator or to the person who customarily collects rent on behalf of the park owner or operator.

(1) This notice requirement may be satisfied by actual notice to the person who customarily collects rents on behalf of the park owner or operator; [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

D. The park owner or operator unreasonably failed under the circumstances to take prompt, effective steps to repair or remedy the condition; and [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

E. The tenant was current in rental payments owing to the park owner or operator when written notice was given. [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

[1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

3. Remedies. If a complaint is filed under this section, the court shall enter any temporary restraining orders that are necessary to protect the health or well-being of tenants or of the public. If the court finds that the allegations in the complaint are true, the park owner or operator is deemed to have breached the warranty of fitness for human habitation established by this section as of the date when actual notice of the condition was given to the park owner or operator. In addition to any other relief or remedies which may otherwise exist, the court may take one or more of the following actions.

A. The court may issue appropriate injunctions ordering the park owner or operator to repair all conditions which endanger or materially impair the health or safety of the tenant. [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

B. The court may determine the fair value of the tenant's use and occupancy of the space from the date when the park owner or operator received actual notice of the condition until the time that the condition is repaired and further declare what, if any, money the tenant owes the park owner or operator or what, if any, rebate the park owner or operator owes the tenant for rent paid in excess of the value of use and occupancy. In making this determination, there is a rebuttable presumption that the rental amount equals the fair value of the space free from any condition rendering it unfit for human habitation. [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

C. The court may authorize the tenant to temporarily vacate the space if the space must be vacant during necessary repairs. No use and occupation charge may be incurred by a tenant until the tenant resumes occupation of the space. If the park owner or operator offers reasonable alternative housing accommodations, the court may not surcharge the park owner or operator for alternate tenant housing during the period of necessary repairs. [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

D. The court may enter any other orders that it considers necessary to accomplish the purposes of this section. The court may not award consequential damages for breach of the warranty of fitness for human habitation. [1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD).]

[1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

4. Waiver. A written agreement under which the tenant accepts specified conditions which may violate the warranty of fitness for human habitation in return for a stated reduction in rent or other specified fair consideration is binding on the tenant and the park owner or operator.

Any agreement, other than as provided in this subsection, by a tenant to waive any of the rights or benefits provided by this section is void.

[1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

5. Municipal ordinance or rule. Municipalities may adopt or retain, by ordinances or rules, standards more stringent than those provided in this section. Any less restrictive municipal ordinance or rule establishing standards is invalid and suspended by this section.

[1987, c. 737, Pt. C, §1 and Pt (NEW); 1989, c. 6, (AMD); 1989, c. 9, §2 (AMD); 1989, c. 104, Pt. C, §§8, 10 (AMD) .]

§9408. PROVISION OF INFORMATION IN WRITING; PRESENTATION OF RECORDS

1. Writing. If parties have agreed to conduct a transaction by electronic means and a law requires a person to provide, send or deliver information in writing to another person, the requirement is satisfied if the information is provided, sent or delivered, as the case may be, in an electronic record capable of retention by the recipient at the time of receipt. An electronic record is not capable of retention by the recipient if the sender or its information processing system inhibits the ability of the recipient to print or store the electronic record.

[1999, c. 762, §2 (NEW) .]

2. Records. If a law other than this chapter requires a record to be posted or displayed in a certain manner; to be sent, communicated or transmitted by a specified method; or to contain information that is formatted in a certain manner, the following rules apply:

A. The record must be posted or displayed in the manner specified in the other law; [1999, c. 762, §2 (NEW).]

B. Except as otherwise provided in subsection 4, paragraph B, the record must be sent, communicated or transmitted by the method specified in the other law; and [1999, c. 762, §2 (NEW).]

C. The record must contain the information formatted in the manner specified in the other law. [1999, c. 762, §2 (NEW).]

[1999, c. 762, §2 (NEW) .]

4. Variance by agreement. The requirements of this section may not be varied by agreement, but:

A. To the extent a law other than this chapter requires information to be provided, sent or delivered in writing but permits that requirement to be varied by agreement, the requirement under subsection 1 that the information be in the form of an electronic record capable of retention may also be varied by agreement; and [1999, c. 762, §2 (NEW) .]

B. A requirement under a law other than this chapter to send, communicate or transmit a record by certified mail, return receipt requested; first-class mail, postage prepaid; or regular United States mail may be varied by agreement to the extent permitted by the other law. SECTION HISTORY

1999, c. 762, §2 (NEW) .

§9409. ATTRIBUTION AND EFFECT OF ELECTRONIC RECORD AND ELECTRONIC SIGNATURE

1. Attributable to person. An electronic record or electronic signature is attributable to a person if it was the act of the person. The act of the person may be shown in any manner, including a showing of the efficacy of any security procedure applied to determine the person to which the electronic record or electronic signature was attributable.

[1999, c. 762, §2 (NEW) .]

2. Effect of attribution to person. The effect of an electronic record or electronic signature attributed to a person under subsection 1 is determined from the context and surrounding circumstances at the time of its creation, execution or adoption, including the parties' agreement, if any, and otherwise as provided by law.

[1999, c. 762, §2 (NEW) .]

SECTION HISTORY

1999, c. 762, §2 (NEW) .

§9410. EFFECT OF CHANGE OR ERROR

If a change or error in an electronic record occurs in a transmission between parties to a transaction, the following rules apply. [1999, c. 762, §2 (NEW) .]

1. Security procedure used. If the parties have agreed to use a security procedure to detect changes or errors and one party has conformed to the procedure but the other party has not and the nonconforming party would have detected the change or error had that party also conformed, the conforming party may avoid the effect of the changed or erroneous electronic record.

[1999, c. 762, §2 (NEW) .]

2. Electronic agent. In an automated transaction involving an individual, the individual may avoid the effect of an electronic record that resulted from an error made by the individual in dealing with the electronic agent of a person if the electronic agent did not provide an opportunity for the prevention or correction of the error and, at the time the individual learns of the error, the individual:

- A. Promptly notifies the other person of the error and that the individual did not intend to be bound by the electronic record received by the other person; [1999, c. 762, §2 (NEW).]
- B. Takes reasonable steps, including steps that conform to the other person's reasonable instructions, to return to the other person or, if instructed by the other person, to destroy the consideration received, if any, as a result of the erroneous electronic record; and [1999, c. 762, §2 (NEW).]
- C. Has not used or received any benefit or value from the consideration, if any, received from the other person. [1999, c. 762, §2 (NEW).]

[1999, c. 762, §2 (NEW) .]

3. Other law. If neither subsection 1 nor subsection 2 is applicable, the change or error has the effect provided by other law, including the law governing mistake, and the parties' contract, if any.

[1999, c. 762, §2 (NEW) .]

4. Variance by agreement. Subsections 2 and 3 may not be varied by agreement.

[1999, c. 762, §2 (NEW) .]

SECTION HISTORY

1999, c. 762, §2 (NEW).

§9411. NOTARIZATION AND ACKNOWLEDGMENT

If a law requires a signature or record to be notarized, acknowledged, verified or made under oath, the requirement is satisfied if the electronic signature of the person authorized to perform those acts, together with all other information required to be included by other applicable law, is attached to or logically associated with the signature or record. [1999, c. 762, §2 (NEW).]

SECTION HISTORY

1999, c. 762, §2 (NEW).

§9412. RETENTION OF ELECTRONIC RECORDS; ORIGINALS

1. Requirement. If a law requires that a record be retained, the requirement is satisfied by retaining an electronic record of the information in the record that:

- A. Accurately reflects the information set forth in the record after it was first generated in its final form as an electronic record or otherwise; and [1999, c. 762, §2 (NEW).]
- B. Remains accessible for later reference. [1999, c. 762, §2 (NEW).]

[1999, c. 762, §2 (NEW) .]

2. Transmission information. A requirement to retain a record in accordance with subsection 1 does not apply to any information whose sole purpose is to enable the record to be sent, communicated or received.

[1999, c. 762, §2 (NEW) .]

3. Agents. A person may satisfy subsection 1 by using the services of another person if the requirements of that subsection are satisfied.

[1999, c. 762, §2 (NEW) .]

4. Originals. If a law requires a record to be presented or retained in its original form or provides consequences if the record is not presented or retained in its original form, that law is satisfied by an electronic record retained in accordance with subsection 1.

[1999, c. 762, §2 (NEW) .]

5. Checks. If a law requires retention of a check, that requirement is satisfied by retention of an electronic record of the information on the front and back of the check in accordance with subsection 1.

[1999, c. 762, §2 (NEW) .]

6. Evidence; audits. A record retained as an electronic record in accordance with subsection 1 satisfies a law requiring a person to retain a record for evidentiary, audit or like purposes, unless a law enacted after the effective date of this chapter specifically prohibits the use of an electronic record for the specified purpose.

[1999, c. 762, §2 (NEW) .]

7. Governmental agencies. This section does not preclude a governmental agency of the State from specifying additional requirements for the retention of a record subject to the agency's jurisdiction.

B. Is in a form capable of being processed by that information processing system; and [1999, c. 762, §2 (NEW) .]

C. Enters an information processing system outside the control of the sender or of a person that sent the electronic record on behalf of the sender or enters a region of the information processing system designated or used by the recipient that is under the control of the recipient. [1999, c. 762, §2 (NEW) .]

[1999, c. 762, §2 (NEW) .]

2. Receipt. Unless otherwise agreed between a sender and the recipient, an electronic record is received when it:

A. Enters an information processing system that the recipient has designated or uses for the purpose of receiving electronic records or information of the type sent and from which the recipient is able to retrieve the electronic record; and [1999, c. 762, §2 (NEW) .]

B. Is in a form capable of being processed by that information processing system. [1999, c. 762, §2 (NEW) .]

[1999, c. 762, §2 (NEW) .]

[1999, c. 762, §2 (NEW) .]

4. Place of business. Unless otherwise expressly provided in the electronic record or agreed between the sender and the recipient, an electronic record is deemed to be sent from the sender's place of business and to be received at the recipient's place of business. For purposes of this subsection, the following rules apply.

[1999, c. 762, §2 (NEW) .]

7. Legal effect. If a person is aware that an electronic record purportedly sent under subsection 1, or purportedly received under subsection 2, was not actually sent or received, the legal effect of the sending or receipt is determined by other applicable law. Part 15: STATE OF EMERGENCY PROCEDURES

Chapter 1201: WAIVERS FOR OUT-OF-STATE BUSINESSES AND EMPLOYEES

§9901. FINDINGS

The Legislature finds that in times of emergency in this State, such as during or after a storm, flood, fire, earthquake, hurricane or other disaster, businesses from other states provide assistance by bringing in resources and personnel to assist the State with the often enormous and overwhelming task of cleaning up, restoring and repairing damaged buildings, equipment and property. This provision of assistance may require out-of-state businesses, including out-of-state affiliates of businesses based in the State, to bring in resources, property or personnel that previously have had no connection to the State to perform activities in the State, including, but not limited to, repairing, renovating, installing, building, rendering services and engaging in other business activities, some of which may require that personnel from the businesses be located in the State for extended periods of time. [2011, c. 622, §1 (NEW).]

The Legislature further finds that, while these businesses are operating in the State providing assistance on a temporary basis solely for the purpose of helping the State recover from the disaster or emergency, these businesses and their employees should not be burdened by requirements for certain business and employee taxes as a result of such temporary activities. [2011, c. 622, §1 (NEW).]

To ensure that these businesses focus on responding quickly to the needs of the State and its citizens during a declared state disaster or emergency, the Legislature finds that it is appropriate to consider that such activity for a reasonable period of time during and after the disaster or emergency undertaken to repair and restore property and infrastructure in the State does not establish presence or residency in the State or constitute doing business in the State for purposes of subjecting the businesses to certain taxes or licensing and regulatory requirements. [2011, c. 622, §1 (NEW).]
