SECTION HISTORY

§221. Examination of insurers

1. For the purpose of determining its financial condition, fulfillment of its contractual obligations and compliance with the law, the superintendent shall examine the affairs, transactions, accounts, records and assets of each authorized insurer, and of any person as to any matter relevant to the financial affairs of the insurer or to the examination, as often as the superintendent determines advisable. In determining the nature, scope and timing of an examination, the superintendent shall consider criteria, including, but not limited to, the results of financial statement analyses and ratios, changes in management or ownership, actuarial opinions, reports of independent certified public accountants and other criteria adopted by the National Association of Insurance Commissioners and published in its Financial Condition Examiners Handbook or Market Regulation Handbook, as applicable, or their successor publications. Except as otherwise expressly provided, domestic insurers must be examined at least once every 3 years, unless the superintendent defers making an examination for a longer period; but in no event may an authorized insurer be examined less frequently than once every 5 years. Examination of an alien insurer is limited to its insurance transactions, assets, trust deposits and affairs in the United States, except as otherwise required by the superintendent.

[PL 2017, c. 169, Pt. B, §1 (AMD).]

2. The superintendent shall in like manner examine each insurer applying for an initial certificate of authority to transact insurance in this State.

[PL 1973, c. 585, §12 (AMD).]

3. In lieu of the superintendent making an examination, the superintendent may accept a full report of the last recent examination of a foreign or alien insurer, certified to by the insurance supervisory official of another state.

[PL 1991, c. 828, §2 (AMD).]

3-A. On or after January 1, 1994 the superintendent may accept a full examination report by the insurance regulatory authority of the insurance company's state of domicile or port-of-entry state for any foreign or alien insurer licensed in this State in lieu of an examination by the superintendent if, at the time of the examination, that regulatory authority was accredited under the National Association of Insurance Commissioners' Financial Regulation Standards and Accreditation Program or if the examination was performed under the supervision of an accredited insurance regulatory authority or with the participation of one or more examiners who are employed by an accredited insurance regulatory authority and who, after a review of the examination workpapers and report, state under oath that the examination was performed in a manner consistent with the standards and procedures required by the regulatory authority.

[PL 1993, c. 313, §3 (NEW).]

4. As far as practical, the examination of a foreign or alien insurer must be made in cooperation with the insurance supervisory officials of other states in which the insurer transacts business. Duties may be divided among the participating states in any manner consistent with the standards established by the laws of this State that are applicable to foreign and alien insurers.

[PL 1993, c. 313, §4 (AMD).]

5. Examination of health carriers. The superintendent shall examine the market conduct of each domestic health carrier, as defined in section 4301-A, subsection 3, and each foreign health carrier with at least 1,000 covered lives in this State, offering a health plan as defined in section 4301-A, subsection
7, no less frequently than once every 5 years. An examination under this subsection may be comprehensive or may target specific issues of concern observed in the State's health insurance market or in the company under examination. In lieu of an examination conducted by the superintendent, the superintendent may participate in a multistate examination, or, in the case of a foreign company, approve an examination by the company's domiciliary regulator upon a finding that the examination and report adequately address relevant aspects of the company's market conduct within this State. [PL 2009, c. 439, Pt. E, §1 (NEW).]

SECTION HISTORY

§221-A. Financial audit requirements

1. Purpose. The purpose of this section is to provide the superintendent with a means of improved financial monitoring of insurers doing business in this State. This mechanism of increased financial surveillance of insurers shall not be a substitute for financial examinations required or authorized by this Title generally. [PL 1985, c. 330, §1 (NEW).]

2. Definitions. As used in the section, unless the context indicates otherwise, the following terms have the following meanings.

Each domestic insurer shall file an audited financial report with the superintendent on or before June 1st for the year ending December 31st preceding. An extension of the filing deadline may be granted by the superintendent upon a showing by the insurer or its accountant that there exists valid justification for such an extension. A foreign or alien insurer shall file an audited financial report upon the superintendent's request. A firm of independent certified public accountants engaged to perform an audit of an insurer shall substitute the appointed audit partner in charge with another audit partner in charge at least once every 5 years. An accountant substituted for pursuant to this subsection may not serve as a partner in charge of that audit until 5 years after the date of substitution, unless the superintendent waives this requirement on the basis of unusual circumstances upon application by the insurer. [PL 2009, c. 511, Pt. A, §1 (AMD).]

4. Content of annual audited financial reporting. Annual audited financial reporting must consist of the following.
A. Financial statements furnished under this section must be examined by independent certified public accountants in accordance with generally accepted auditing standards as prescribed by the American Institute of Certified Public Accountants. The opinion of the accountant must cover all years for which a financial presentation is made.

The opinion expressed concerning the financial statements filed under this section must conform with the accounting practices prescribed or permitted by the superintendent or the insurance supervisory official of the insurer's state of domicile. An insurer, with the approval of the superintendent, may file audited consolidated or combined financial statements in lieu of separate annual audited financial statements if the insurer is part of a group of insurance companies that uses a pooling agreement and such an insurer cedes all of its direct and assumed business to the pool or if the insurer has executed a 100% reinsurance agreement with one or more of the insurers in the group and the pooling or reinsurance agreement affects the solvency of the insurer or the integrity of the insurer's reserves. D. The statement must include an independent certified public accountant's letter, in conformance with standards established by the National Association of Insurance Commissioners, attesting to that certified public accountant's qualifications, possession of license and subscription to the code of professional ethics and pronouncements issued by the American Institute of Certified Public Accountants. [PL 1999, c. 113, §6 (AMD).]

Similar recurring reports are due each June 1st thereafter. [PL 1999, c. 113, §7 (AMD).]

7. Exemptions. Upon written application of any insurer subject to this section, the superintendent may grant an exemption of the filing requirements under this section if the superintendent finds upon review of the application that compliance would constitute a financial hardship upon the insurer.

An insurer is exempt from the filing requirements of this section for any year in which the insurer’s annual statement reflects:
A. Nationwide business in an amount less than $1,000,000 in written premium plus reinsurance assumed; and [PL 2009, c. 511, Pt. A, §2 (NEW).]

B. Outstanding loss reserves in an amount less than $1,000,000. [PL 2009, c. 511, Pt. A, §2 (NEW).]

[PL 2009, c. 511, Pt. A, §2 (RPR).]

8. Required notice concerning adverse financial condition. Each insurer retaining an independent certified public accountant to represent it with respect to the report which the insurer is required to file pursuant to this section shall, as a condition of its written terms of engagement of the accountant, require that:

A. The accountant immediately notify in writing each member of the board of directors of the insurer and the superintendent upon any determination by the independent certified public accountant that the insurer has materially misstated its financial condition as reported in the annual statement required under section 423 for the year ending December 31st preceding; and [PL 1989, c. 846, Pt. C, §2 (AMD); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. If the accountant, subsequent to the date of the audited financial report required by this section, becomes aware of material subsequent facts which would have affected his report, the accountant shall provide the pertinent information upon his determination to the parties identified in this subsection. [PL 1985, c. 636 (NEW).]

SECTION HISTORY

§222. Registration, regulation, supervision and examination of holding company systems, agents, promoters and others

1. Examination.

[PL 2013, c. 238, Pt. A, §2 (RP); PL 2013, c. 238, Pt. A, §34 (AFF).]

1-A. Examination. For purposes of ascertaining compliance with law, or relationships and transactions between any person as defined hereafter and any insurer or proposed insurer subject to this section, the superintendent may as often as the superintendent determines to be advisable examine the accounts, records, documents and transactions pertaining to or affecting the insurance affairs or proposed insurance affairs, or transactions of the insurer or proposed insurer as may be in the possession of any holding company, its subsidiaries or affiliates as is necessary to ascertain the financial condition, including the enterprise risk to the insurer by the ultimate controlling party, or legality of conduct of the insurer or proposed insurer or the insurance holding company system as a whole or any combination of entities within the insurance holding company system and to verify the accuracy of any information provided or required to be provided to the superintendent pursuant to this section.

A. The superintendent's investigatory and examination authority under this subsection extends to the examination of:

1. Any business entity structured to hold the stock of an insurance company, or person holding the shares of voting stock or policyholder proxies of an insurer as voting trustee or otherwise, for the purpose of controlling the management thereof;

2. Any insurance producer, adjuster or consultant or other insurance or reinsurance representative or intermediary or any person acting as or purporting to be any of the foregoing;
(3) Any person having a contract giving that person by its terms or in fact the exclusive or
dominant right to manage or control the insurer; and

(4) Any person in this State engaged in or proposing to be engaged in or acting as or purporting
to be so engaged or proposing to be engaged in the business of insurance or in this State
assisting in the promotion, formation or financing of an insurer or insurance holding
corporation or corporation or other group financing an insurer or the production of its business.
[PL 2013, c. 238, Pt. A, §3 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

B. Subject to the limitations contained in this subsection and in addition to the powers that the
superintendent has under section 221 and sections 223 to 228 relating to the examination of
insurers, the superintendent may order an insurer registered under subsection 8 to produce records,
books or papers in the possession of the insurer or affiliates as may be necessary to verify the
accuracy of the information required to be provided to the superintendent under this section and
any additional information pertinent to transactions between the insurer and affiliates. The books,
records, papers and information are subject to examination in the same manner as prescribed in this
chapter for an examination conducted under section 221, except that expenses incurred by the
superintendent in examining an affiliate that is not an insurer must be borne by the registered insurer
subject to the limitations of section 228, subsection 1. The superintendent may issue subpoenas,
administer oaths and examine any person under oath for purposes of determining compliance with
this subsection. [PL 2013, c. 238, Pt. A, §3 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. A member of an insurer's insurance holding company system shall comply fully and accurately
with a request by the insurer to provide it with information necessary to respond to an examination
request by the superintendent pursuant to this section. [PL 2013, c. 238, Pt. A, §3 (NEW); PL
2013, c. 238, Pt. A, §34 (AFF).]

D. The superintendent may order an insurer registered under subsection 8 to produce information
not in the possession of the insurer if the insurer can obtain access to the information pursuant to
contractual relationships, statutory obligations or any other lawful method. If the insurer cannot
obtain the information requested by the superintendent, the insurer shall provide the superintendent
a written objection with a detailed explanation of the reason that the insurer cannot obtain the
information and the identity of the holder of the information. It is a violation of this section to
submit an objection to production of information without a reasonable basis or to fail to produce
information on the basis of an objection that the superintendent has denied after notice and
opportunity for hearing. [PL 2013, c. 238, Pt. A, §3 (NEW); PL 2013, c. 238, Pt. A, §34
(AFF).]
[PL 2013, c. 238, Pt. A, §3 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

2. Definitions. As used in this section, unless the context otherwise requires, the following words
shall have the following meanings.

A. Affiliate. "Affiliate" of, or a person "affiliated" with, a specific person means a person who
directly or indirectly controls, or is controlled by, or is under common control with the person
specified. [PL 1975, c. 356, §1 (RPR).]

A-1. Beneficial owner. "Beneficial owner" of a voting security, voting insurance policy or
guaranty capital share means any person or group of persons acting in concert who, directly or
indirectly, through any contract, arrangement, proxy appointment, understanding, relationship or
otherwise, has or shares:

(1) Voting power over the security, policy or guaranty capital share, including the power to
vote or to direct the voting of the security, policy or share; or

(2) Investment power over the security, policy or share, including the power to dispose or to
direct the disposition of the security, policy or share.
The superintendent may determine that persons are acting in concert, either on the superintendent's own initiative or upon application of an interested person, based upon evidence that actions taken by those persons, if consummated, may permit the exercise of common control, directly or indirectly, over the domestic insurer. The absence of a determination by the superintendent that persons are acting in concert shall not be construed to exempt those persons from compliance with the requirements of this section. [PL 1989, c. 385, §1 (NEW).]

A-2. "Continuing director" means:

(1) Any member of a domestic insurer's board of directors, while that person is a member of the board of directors, who was a member of that board of directors prior to the time that any person acquires control of the domestic insurer or any person controlling the insurer; and

(2) Any successor of a continuing director, while the successor is a member of the board of directors, who is recommended or elected to succeed a continuing director by a number of continuing directors equal to a majority of continuing directors in office immediately preceding the acquisition of control. [PL 1991, c. 37, §1 (NEW).]

B. Control.

(1) "Control," including "controlling," "controlled by" and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is solely the result of an official position with or a corporate office held by the person. Control is presumed to exist if any person is the beneficial owner of 10% or more of the voting securities or guaranty capital shares, if applicable, or has the right to cast 10% or more of the votes in the election of directors or other governing body of any other person. A beneficial owner may rely in determining the amount of voting securities of any person outstanding upon information set forth in that person's most recent quarterly or annual report filed with the Securities and Exchange Commission pursuant to the Exchange Act unless the beneficial owner knows or has reason to believe that the information contained in the quarterly or annual report is inaccurate. Two or more domestic mutual insurance companies that have restricted their licensed territories to the State are not considered subject to this section merely because those insurance companies commonly share facilities, incurred expenses or personnel services or otherwise utilize cost allocations based on generally accepted accounting principles including pro rata sharing of assumed risks. A person may have more than one controlling person, even if those controlling persons are not acting in concert.

(2) Notwithstanding the presumption of control contained in subparagraph (1), the superintendent, upon application of the insurance company, may determine that the insurer is not controlled by the person presumed to control it. In addition, the superintendent, after notice and an opportunity to be heard, may determine, notwithstanding the absence of the presumption in subparagraph (1), that a person does control an insurance company or companies.

(3) The presumption of control contained in subparagraph (1) does not apply to a securities broker-dealer holding, in the usual and customary broker's function, less than 20% of the voting securities of another person. [PL 2013, c. 238, Pt. A, §4 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

B-2. Enterprise risk. "Enterprise risk" means an activity, circumstance, event or series of events involving one or more affiliates of an insurer that, if not remedied promptly, is likely to have a
material adverse effect upon the financial condition or liquidity of the insurer, or of its insurance holding company system as a whole, including, but not limited to, anything that would cause or exacerbate a risk-based capital event as described in sections 6453 to 6456 or would cause the insurer to be in unsound or hazardous financial condition as determined by the superintendent. [PL 2013, c. 238, Pt. A, §6 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

B-3. "Groupwide supervisor" means the regulatory official who is determined or acknowledged by the superintendent under subsection 7-C to have the authority to engage in conducting and coordinating groupwide supervision activities over an internationally active insurance group or other insurance group that has requested groupwide supervision. [PL 2017, c. 169, Pt. B, §2 (NEW).]

C. Insurance holding company system. "Insurance holding company system" shall consist of 2 or more affiliated persons, one or more of whom is an insurer. [PL 1975, c. 356, §1 (RPR).]

D. Insurer. "Insurer" has the same meaning as in section 4 and includes a fraternal benefit society required to be licensed under section 4124 or 4125. [PL 2013, c. 238, Pt. A, §7 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

D-1. [PL 1993, c. 313, §7 (RP).]

D-2. "Net gain from operations" means:

(1) For life insurers, the net income or loss after dividends to policyholders and federal income taxes but before the inclusion of net realized capital gains or losses; and

(2) For nonlife insurers, the net income or loss after dividends to policyholders and federal income taxes and net realized capital gains or losses. [PL 2017, c. 169, Pt. B, §3 (AMD).]

D-3. Own risk and solvency assessment or ORSA. "Own risk and solvency assessment" or "ORSA" means a confidential internal assessment that is conducted by an insurer or insurance holding company system of the material and relevant risks associated with its current business plan and the sufficiency of its capital resources to support those risks and that is appropriate to the nature, scale and complexity of the operations of the insurer or insurance holding company system. [PL 2013, c. 238, Pt. A, §8 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

D-4. ORSA guidance manual. "ORSA guidance manual" means the NAIC Own Risk and Solvency Assessment (ORSA) Guidance Manual, as amended from time to time. A change in the ORSA guidance manual is effective with regard to this State on January 1st following the calendar year in which the change has been adopted by the National Association of Insurance Commissioners. [PL 2013, c. 238, Pt. A, §8 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

D-5. ORSA summary report. "ORSA summary report" means a confidential high-level summary of an insurer's or insurance holding company system's own risk and solvency assessment and includes a combination of separate reports that collectively meet the requirements of the ORSA guidance manual. [PL 2013, c. 238, Pt. A, §8 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

D-6. "Internationally active insurance group" means an insurance holding company system that meets the following criteria:

(1) The group has premiums written in at least 3 countries;

(2) The percentage of gross premiums written outside the United States is at least 10% of the insurance holding company system's total gross written premiums; and

(3) Based on a 3-year rolling average, the total assets of the insurance holding company system are at least $50,000,000,000 or the total gross written premiums of the insurance holding company system are at least $10,000,000,000. [PL 2017, c. 169, Pt. B, §4 (NEW).]
E. Person. "Person" shall mean an individual, a corporation, a corporation which, pursuant to Title 24, chapter 19, maintains and operates nonprofit hospital service plans, nonprofit medical service plans or nonprofit health care plans or any combination thereof, a partnership, an association, a joint stock company, a business trust, an unincorporated organization or any similar entity, or any combination of the foregoing acting in concert. [PL 1975, c. 356, §1 (RPR).]

F. "Subsidiary" of a specified person means an affiliate controlled by that person directly or through one or more intermediaries. [PL 2001, c. 72, §4 (AMD).]

G. "Surplus regarding policyholders" means admitted assets less all liabilities. [PL 1993, c. 313, §9 (NEW).]

H. "Unassigned funds" means the undistributed and unappropriated amount of surplus remaining on the balance sheet date as the result of all operations of an insurance company from its commencement of business. [PL 1993, c. 313, §9 (NEW).]

A. Any domestic insurer may invest in or otherwise acquire one or more subsidiaries as authorized in section 1115 or section 1157. [PL 1987, c. 399, §1 (AMD).]

A-1. A domestic insurer shall notify the superintendent in writing within 30 days after any investment by the insurer or any of its affiliates in any one corporation if the insurer has invested in that corporation and the total investment in that corporation by the insurance holding company system exceeds 10% of the corporation's voting securities. [PL 1991, c. 828, §4 (AMD).]

B. If an insurer ceases to control a subsidiary, it shall dispose of any investment therein made pursuant to this section within 3 years from the time of the cessation of control or within such further time as the superintendent may prescribe, unless at any time after the investment was made, the investment met the requirements for investment under any other section of this Title and the insurer has notified the superintendent thereof. [PL 1991, c. 828, §4 (AMD).]

4. Tender offers.
[PL 1989, c. 385, §4 (RP).]

4-A. Tender offers.
[PL 2013, c. 238, Pt. A, §9 (RP); PL 2013, c. 238, Pt. A, §34 (AFF).]

4-B. Application for approval.
[PL 2013, c. 238, Pt. A, §10 (RP); PL 2013, c. 238, Pt. A, §34 (AFF).]

4-C. Acquisitions; tender offers; divestitures. The following provisions apply to a transaction or proposed transaction that results or might result in the change of direct or indirect control of a domestic insurer.

A. Except as provided in paragraph B, a person other than the issuer may not make a tender offer for, or a request or invitation for tenders of, or an agreement to exchange securities for, or otherwise acquire any voting security, or any security convertible into a voting security, of a domestic insurer or of any person controlling a domestic insurer if, as a result of the consummation thereof, the person making the tender offer, request or agreement would, directly or indirectly, acquire actual or presumptive control of the insurer or controlling person, and a person may not enter into an
agreement to merge with or otherwise acquire actual or presumptive control of a domestic insurer or its controlling person, unless:

1. The person has filed with the superintendent and has sent the domestic insurer an application containing the information required by paragraph C;

2. The offer, request, invitation, agreement or acquisition has been approved by the superintendent in the manner prescribed in subsection 7; and

3. Ten days has elapsed from the date of approval by the superintendent and no injunction or other court order precludes consummation of the offer, request, invitation, agreement or acquisition. [PL 2013, c. 238, Pt. A, §11 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

B. A controlling person of a domestic insurer seeking to divest its controlling interest in the domestic insurer in any manner, including any partial divestiture that would cause that person to cease to be a controlling person, shall file with the superintendent, with a copy to the insurer, confidential notice of its proposed divestiture at least 30 days before the cessation of control, unless the divestiture transaction consists of the transfer of the divesting person's interest to one or more acquiring persons, all of whom have reported their respective acquisitions pursuant to paragraph A. Unless the superintendent grants an exemption under paragraph D, the divesting person shall file an application substantially similar to the application required under paragraph C, with such modifications as the superintendent determines to be appropriate based on the nature of the transaction. The superintendent shall decide whether to approve the application using the criteria in subsection 7, paragraph A and may hold a public hearing if the superintendent determines that a hearing is in the interests of policyholders or the public. If 20 days has elapsed after the superintendent's receipt of a notice filed under this paragraph and the superintendent has not disapproved the proposed divestiture or postponed its effective date pending further review, the superintendent is deemed to have granted an exemption under paragraph D, subparagraph (2). [PL 2013, c. 238, Pt. A, §11 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. An application required by paragraph A must contain the following information as applicable, made under oath or affirmation, except that if the proposed transaction is subject to regulation under the Exchange Act or Title 32, chapter 135, the superintendent may accept the relevant documents filed with the United States Securities and Exchange Commission or the Department of Professional and Financial Regulation, Office of Securities in lieu of some or all of the documents required by this paragraph:

1. The name and address of each person by whom or on whose behalf the merger or other acquisition of control is to be effected and:

   a. If the person acquiring control is an individual, the person's principal occupation and all offices and positions held during the past 5 years and any convictions for crimes other than minor traffic violations; and

   b. If the person acquiring control is not an individual, a report of the nature of its business operations during the past 5 years or for a lesser period the person and any predecessors have been in existence; an informative description of the business intended to be done by the person and the person's subsidiaries; and a list of all individuals who are or who have been selected to become directors or executive officers of the person or who perform or will perform functions appropriate to such positions. The list must include the information required by division (a) for each individual listed;

2. The source, nature and amount of the consideration used or to be used in effecting the merger or other acquisition of control, a description of any transaction through which funds were or are to be obtained for any such purpose, including any pledge of the insurer's stock or the stock of any of its subsidiaries or controlling affiliates, and the identity of persons furnishing
consideration. If a source of consideration is a loan made in the lender's ordinary course of business, the identity of the lender is confidential if the person filing the application so requests;

(3) Fully audited financial information as to the earnings and financial condition of each acquiring person for the preceding 5 fiscal years, or for a lesser period if the acquiring person and any predecessors have been in existence for less than 5 years, and similar unaudited information as of a date not earlier than 90 days before the filing of the application;

(4) Any plans or proposals that each acquiring person may have to liquidate the insurer, to sell its assets or merge or consolidate it with any person or to make any other material change in its business or corporate structure or management;

(5) The number of shares of any security referred to in paragraph A that each acquiring person proposes to acquire, the terms of the offer, request, invitation, agreement or acquisition referred to in paragraph A and a statement as to the method by which the fairness of the proposal was arrived at;

(6) The amount of each class of any security referred to in paragraph A that is beneficially owned or concerning which there is a right to acquire beneficial ownership by each acquiring person;

(7) A full description of any contracts, arrangements or understandings with respect to any security referred to in paragraph A in which any acquiring person is involved, including but not limited to transfer of any of the securities, joint ventures, loan or option arrangements, puts or calls, guarantees of loans, guarantees against loss or guarantees of profits, division of losses or profits or the giving or withholding of proxies. The description must identify the persons with whom the contracts, arrangements or understandings have been entered into;

(8) A description of the purchase by any acquiring person of any security referred to in paragraph A during the 12 calendar months preceding the filing of the application, including the dates of purchase, names of the purchasers and consideration paid or agreed to be paid;

(9) A description of any recommendations to purchase any security referred to in paragraph A made during the 12 calendar months preceding the filing of the application by any acquiring person or by anyone based upon interviews with or at the suggestion of the acquiring person;

(10) Copies of all tender offers for, requests or invitations for tenders of, exchange offers for and agreements to acquire or exchange any securities referred to in paragraph A and copies of any additional related soliciting material that has been distributed;

(11) The terms of any agreement, contract or understanding made or proposed to be made with any broker-dealer as to solicitation of securities referred to in paragraph A for tender and the amount of any fees, commissions or other compensation to be paid to broker-dealers with regard to the solicitation of securities referred to in paragraph A;

(12) An agreement by the person required to file the application to provide the annual enterprise risk report required by subsection 8, paragraph B-1 for as long as control by the person exists;

(13) An acknowledgement by the person required to file the application that the person and all subsidiaries within its control in the insurance holding company system will provide information to the superintendent upon request as necessary to evaluate enterprise risk to the insurer;

(14) A statement as to whether or not the proposed transaction will result in an increase in market share in this State in any line of insurance as specified in the annual statement required to be filed under section 423 for one or more insurers with combined market share greater than
5% and, if so, such further information on the competitive impact of the proposed transaction as the superintendent requires by rule or order; and

(15) Such additional information as the superintendent may prescribe by rule or order. [PL 2017, c. 169, Pt. B, §5 (AMD).]

D. The superintendent may exempt a person otherwise subject to the requirements of this subsection and subsection 7 from some or all of those requirements if the person demonstrates to the satisfaction of the superintendent that an exemption will not be detrimental to the interests of policyholders in the State or the public and that the transaction satisfies at least one of the following criteria:

(1) The interests of the State in regulating the transaction are minimal relative to the interests of other jurisdictions or are minimal relative to the impact of the transaction as a whole;

(2) The person proposes a divestiture of control under paragraph B and the superintendent determines that the prior approval process is not necessary in the circumstances of the transaction;

(3) A party proposing to acquire presumed control submits a disclaimer fully disclosing all material relationships and bases for affiliation with the insurer and demonstrating to the satisfaction of the superintendent that the person will not be acquiring actual control. As a condition of granting an exemption under this subparagraph, the superintendent may require the person to agree to reasonable restrictions on the exercise of rights or powers that might otherwise tend to result in control;

(4) The superintendent elects to participate in a consolidated approval proceeding conducted under the laws of one or more other states pursuant to subsection 7-A, paragraph E; and

(5) The transaction involves the control of a person that is not primarily engaged in the business of insurance, directly or through its affiliates, and there will be no material impact on the management or operations of a domestic insurer.

A person requesting an exemption under this paragraph must agree to provide additional information if needed by the superintendent and to postpone the effective date of the transaction if ordered by the superintendent while the request for exemption is pending. [PL 2013, c. 238, Pt. A, §11 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

E. A broker-dealer that is exempt from the requirements of this section pursuant to subsection 2, paragraph B, subparagraph (3) shall disclose to the superintendent the identity of any person, or group of persons the broker-dealer knows or reasonably believes to be acting in concert, on whose behalf the broker-dealer knows or reasonably believes that the broker-dealer holds 5% or more of the voting securities of a domestic insurer or of any entity the broker-dealer knows or reasonably believes to be a controlling person of a domestic insurer. A broker-dealer shall disclose to the superintendent on request the beneficial owners of any securities held by the broker-dealer of any entity that is, or that the superintendent believes might be or might become, a member of the insurance holding company system of an insurer subject to registration under subsection 8. [PL 2013, c. 238, Pt. A, §11 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

5. Tender offer material. All requests or invitations for tenders or advertisements making a tender offer or requesting or inviting tenders of such voting securities for control of a domestic insurer or its controlling person made by or on behalf of any such person must contain any information specified in subsection 4-C as the superintendent may prescribe and must be filed with the superintendent at the time that material is first published or sent or given to security holders. Copies of any additional material soliciting or requesting such tender offers subsequent to the initial solicitation or request must contain the information that the superintendent may prescribe as necessary or appropriate in the public interest.
or for the protection of policyholders and must be filed with the superintendent at the time copies of that material are first published or sent or given to security holders.

[PL 2013, c. 238, Pt. A, §12 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

6. Information as to applicant. If a person required to file an application under subsection 4-C is a partnership, limited partnership, syndicate or other group, the superintendent may require that the information called for by subsection 4-C must be given with respect to each partner of the partnership or limited partnership, each member of the syndicate or group and each person who controls any such partner or member. If a person required to file an application under subsection 4-C is a corporation, the superintendent may require that the information called for by subsection 4-C must be given with respect to the corporation and each officer and director thereof and each person who is directly or indirectly the beneficial owner of more than 10% of the outstanding securities of the corporation.

[PL 2013, c. 238, Pt. A, §13 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

7. Approval, disapproval of proposed change of control.

A. The superintendent shall hold a hearing in accordance with the procedures set forth in the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter 4, within 30 days after the application required by subsection 4-C has been filed with the superintendent. The superintendent shall make a determination within 30 days after the conclusion of that hearing. The superintendent shall approve any purchase, exchange, merger or other change of control referred to in subsection 4-C unless the superintendent finds that:

(1) After the change of control, the domestic insurer could not satisfy the requirements for the issuance of a certificate of authority according to requirements in force at the time of the issuance or last renewal or continuation of its certificate of authority to do the insurance business that it intends to transact in this State;

(2) The effect of the purchases, exchanges, merger of a controlling person of the insurer or other changes of control may be substantially to lessen competition in insurance in this State or tend to create a monopoly in this State or would violate the laws of this State or of the United States relating to monopolies or restraints of trade;

(3) The financial condition of an acquiring person would jeopardize the financial stability of the insurer or prejudice the interest of its policyholders;

(4) The plans or proposals that the acquiring or divesting person has to liquidate the insurer, to sell its assets or to merge it with any person, or to make any other major change in its business or corporate structure or management, are unfair or prejudicial to policyholders;

(5) The competence, experience and integrity of those persons who would control the operation of the insurer indicate that it would not be in the interest of policyholders or the public to permit them to do so;

(6) Any merger of a domestic insurer does not comply with section 3474; or

(7) The change of control would tend to affect adversely the contractual obligations of the domestic insurer or its ability and tendency to render service in the future to its policyholders and the public. [PL 2013, c. 238, Pt. A, §14 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

B. Paragraph A, subparagraphs (3) to (7) do not apply to any change of control if and to the extent that the superintendent, by rule or by order, exempts the change of control from the provisions of those subparagraphs as not included within the purpose of this subsection. [PL 2013, c. 238, Pt. A, §14 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. Merger, consolidation or bulk reinsurance as to a domestic insurer may be effectuated only pursuant to the applicable provisions of chapter 47, subchapter 4 and sections 3875, 4108 and 4109,
as related to organization and powers of insurers. [PL 2013, c. 238, Pt. A, §14 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

D. Violation.

(1) Failure to file the application required under subsection 4-C constitutes a violation of this section.

(2) Effectuation of or any attempt to effectuate an acquisition of control of, divestiture of control of or merger with a domestic insurer earlier than 30 days after the filing of the application required by subsection 4-C, before the superintendent's decision if a hearing is held or after disapproval by the superintendent of the acquisition, divestiture or merger, constitutes a violation of this section. [PL 2013, c. 238, Pt. A, §14 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

7-A. Consolidated proceedings. If a proposed change of control requires, or is part of a series of related transactions that require, the approval of the insurance regulators of more than one state, a person filing an application under subsection 4-C with respect to the change of control may file a request for a consolidated approval proceeding with the National Association of Insurance Commissioners.

A. The applicant shall file a copy of the application made under subsection 4-C with the National Association of Insurance Commissioners within 5 days after making the request for a consolidated approval proceeding. [PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

B. Within 10 days after receiving notice from the National Association of Insurance Commissioners of a request for a consolidated approval proceeding, the superintendent shall issue an order, with notice to the applicant and to the National Association of Insurance Commissioners, specifying whether the superintendent elects to participate in the consolidated proceeding or to opt out of the consolidated proceeding. [PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. If the superintendent opts out of the consolidated approval proceeding pursuant to paragraph B, the superintendent shall hold a public hearing under subsection 7 unless the superintendent grants an exemption under subsection 4-C, paragraph D. Opting out of the consolidated proceeding does not preclude or limit the superintendent’s authority to coordinate a proceeding conducted under subsection 7 with the consolidated proceeding or with other parallel proceedings in other states. [PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

D. With the agreement of the other participating insurance regulators, the superintendent may initiate a consolidated approval proceeding under this paragraph to render decisions on all applications within the scope of the order of consolidation issued by the superintendent. A consolidated approval proceeding convened under this paragraph is a public adjudicatory proceeding. Except as provided in this paragraph, the proceeding must be conducted in the same manner as a proceeding under subsection 7.

(1) A person who would have the right to participate in a proceeding on any of the consolidated applications held under subsection 7 or substantially similar laws of other states has the right to participate in the proceeding.

(2) The chief insurance regulator of a participating state has the right to participate in making the decision or in designating a decision-making panel.

(3) The proceeding is public, except that deliberations of a decision-making panel are not public proceedings and communications in the course of those deliberations among panel members and their advisers, other than the decision itself, are not public records.
(4) The proceeding may be held in any state with a significant connection to the subject transactions or in a nearby location in an adjacent state. Sessions may be held in different states. Provision must be made for parties, witnesses, insurance regulators and members of the public to attend and participate in the proceeding by telecommunication.

(5) The superintendent, decision-making panel or presiding officer may vary the applicable procedural requirements under this Title and Title 5 to the extent the superintendent, panel or presiding officer determines to be reasonably necessary for the fair and effective administration of a consolidated multistate proceeding.

(6) The decision is subject to judicial review in the same manner as a final agency action of the superintendent. [PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

E. The superintendent may participate, including serving as a decision maker or member of a decision-making panel, in a consolidated approval proceeding conducted under the laws of one or more other states if the consolidated proceeding provides for a public hearing with substantially similar rights of participation and judicial review as a proceeding conducted pursuant to paragraph D. If the superintendent elects under this paragraph to participate in a consolidated proceeding that is conducted under the laws of one or more other states, the application is exempt from further review under this section pursuant to subsection 4-C, paragraph D, subparagraph (4) and the consolidated proceeding, notwithstanding the superintendent's participation, is not subject to any provisions of the law of this State governing adjudicatory proceedings, judicial review, public records or public meetings. [PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

[PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

7-B. Supervisory colleges. In order to assess the business strategy, financial position, legal and regulatory position, risk exposure including enterprise risk, risk management and governance processes of a domestic insurer that is part of an insurance holding company system with international operations, the superintendent may participate in a supervisory college with other regulators charged with supervision of the insurer or its affiliates, including other state, federal and international regulatory agencies. A supervisory college may be convened as either a temporary or permanent forum for communication and cooperation among the regulators charged with the supervision of the insurer or its affiliates.

A. The superintendent's powers with respect to supervisory colleges include, but are not limited to:

(1) Initiating the establishment of a supervisory college or participating in a supervisory college initiated by one or more other regulators;

(2) Entering into agreements providing the basis for cooperation between the superintendent and the other participating regulators and for the activities of the supervisory college, including but not limited to agreements for sharing confidential information under section 216, subsection 5;

(3) Obtaining and providing assistance in examinations conducted under subsection 1-A or under the examination authority of other participating jurisdictions;

(4) Clarifying the membership and participation of other regulators in the supervisory college;

(5) Clarifying the functions of the supervisory college and the role of other regulators, including the designation of the superintendent or another member of the supervisory college as a group-wide supervisor;
(6) Coordinating the ongoing activities of the supervisory college, including planning meetings, supervisory activities and processes for information sharing; and

B. A domestic insurer whose activities are subject to this subsection is liable for and shall pay the reasonable expenses of the superintendent's participation in a supervisory college, including reasonable travel expenses. The superintendent may establish a regular assessment to the insurer for the payment of these expenses. [PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. This section may not be construed to delegate to a supervisory college the authority of the superintendent to regulate or supervise an insurer or its affiliates within this State. [PL 2013, c. 238, Pt. A, §15 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

7-C. **Groupwide supervision.** This subsection governs groupwide supervision.

A. The superintendent is authorized to act as the groupwide supervisor in accordance with the provisions of this subsection for any internationally active insurance group, or any other insurance holding company system that has requested the identification of a groupwide supervisor pursuant to this subsection, or to acknowledge another regulatory official as the groupwide supervisor if the insurance group:

1. Does not have substantial insurance operations in the United States;

2. Has substantial insurance operations in the United States, but not in this State; or

3. Has substantial insurance operations in the United States and this State, but the superintendent has determined pursuant to the factors set forth in paragraphs B and G that the other regulatory official is the appropriate groupwide supervisor. [PL 2017, c. 169, Pt. B, §6 (NEW).]

B. In cooperation with other state, federal and international regulatory agencies, and in consultation with the insurance group, the superintendent shall identify a single groupwide supervisor for each internationally active insurance group that includes an insurer registered under subsection 8 and has the discretion to identify a single groupwide supervisor for any other insurance holding company system that has requested that the superintendent identify a groupwide supervisor. The superintendent may determine that the superintendent is the appropriate groupwide supervisor for an insurance group that conducts substantial insurance operations concentrated in this State or may acknowledge that a regulatory official from another jurisdiction is the appropriate groupwide supervisor for the insurance group. The superintendent shall consider the following factors when making a determination or acknowledgment under this paragraph and shall reconsider that determination or acknowledgment if the superintendent finds that there has been a material change in the following factors:

1. The place of domicile of the insurers within the insurance group that hold the largest share of the group's written premiums, assets or liabilities;

2. The place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the insurance group;

3. The location of the executive offices or largest operational offices of the insurance group;

4. The recommendation made by a regulatory official who is a candidate for designation under the criteria in this paragraph but has notified the superintendent that a different regulatory official would be a more appropriate groupwide supervisor;
(5) Whether another regulatory official is acting or is seeking to act as the groupwide supervisor under a regulatory system that the superintendent determines to be:

(a) Substantially similar to the system of regulation provided under the laws of this State; or

(b) Otherwise sufficient in terms of providing for groupwide supervision, enterprise risk analysis and cooperation with other regulatory officials; and

(6) Whether another regulatory official acting or seeking to act as the groupwide supervisor provides the superintendent with reasonably reciprocal recognition and cooperation. [PL 2017, c. 169, Pt. B, §6 (NEW).]

C. If another regulatory official is acting as the groupwide supervisor of an insurance group subject to groupwide supervision under this subsection, the superintendent shall acknowledge that regulatory official as the groupwide supervisor and may not consider designating the superintendent as the groupwide supervisor under paragraph B unless there is a material change in the insurance group that results in:

(1) The insurance group's insurers domiciled in this State holding the largest share of the group's premiums, assets or liabilities; or

(2) This State being the place of domicile of the top-tiered insurer or insurers in the insurance holding company system of the insurance group. [PL 2017, c. 169, Pt. B, §6 (NEW).]

D. If more than one regulatory official is acting as the groupwide supervisor of an insurance group, the superintendent is authorized to cooperate with any of them under paragraph G. [PL 2017, c. 169, Pt. B, §6 (NEW).]

E. Pursuant to subsection 1-A, the superintendent is authorized to collect from any insurer registered pursuant to subsection 8 all information necessary to determine whether the superintendent should act as the groupwide supervisor of an insurance group or whether the superintendent should acknowledge another regulatory official to act as the groupwide supervisor. Before issuing a determination that an insurance group is subject to groupwide supervision by the superintendent, the superintendent shall notify the insurer registered pursuant to subsection 8 and the ultimate controlling person within the insurance group. The insurance group has no less than 30 days to provide the superintendent with additional information pertinent to the pending determination. The superintendent shall publish on the bureau's publicly accessible website the identity of all insurance groups that the superintendent has determined are subject to groupwide supervision by the superintendent. [PL 2017, c. 169, Pt. B, §6 (NEW).]

F. If the superintendent is the groupwide supervisor for an insurance group, the superintendent is authorized to engage in any of the following groupwide supervision activities:

(1) Assess the enterprise risks within the insurance group to ensure that:

(a) The material financial condition and liquidity risks to the members of the insurance group that are engaged in the business of insurance are identified by management; and

(b) Reasonable and effective mitigation measures are in place;

(2) Request, from any member of the insurance group, information necessary and appropriate to assess enterprise risk, including, but not limited to, information about the members of the insurance group regarding:

(a) Governance, risk assessment and management;

(b) Capital adequacy; and

(c) Material intercompany transactions;
(3) Coordinate and, through the authority of the regulatory officials of the jurisdictions where members of the insurance group are domiciled, compel development and implementation of reasonable measures designed to ensure that the insurance group is able to promptly recognize and mitigate enterprise risks to members of the insurance group that are engaged in the business of insurance;

(4) Communicate with other state, federal and international agencies that regulate members of the insurance group and share relevant information subject to the confidentiality provisions of subsection 13-A, through supervisory colleges as set forth in subsection 7-B or otherwise;

(5) Enter into agreements with or obtain documentation from any insurer registered under subsection 8, any member of the insurance group and any other state, federal and international regulatory agencies for members of the insurance group, providing the basis for or otherwise clarifying the superintendent's role as groupwide supervisor, including provisions for resolving disputes with other regulatory officials. Such agreements or documentation may not serve as evidence in any proceeding that any insurer or person within an insurance holding company system not domiciled or incorporated in this State is doing business in this State or is otherwise subject to jurisdiction in this State; and

(6) Other groupwide supervision activities, consistent with the authorities and purposes set out in subparagraphs (1) to (5), as considered necessary by the superintendent. [PL 2017, c. 169, Pt. B, §6 (NEW).]

G. If the superintendent acknowledges that another regulatory official from a jurisdiction that is not accredited by the National Association of Insurance Commissioners is the groupwide supervisor, the superintendent is authorized to cooperate reasonably, through supervisory colleges or otherwise, with groupwide supervision undertaken by the groupwide supervisor, as long as:

(1) The superintendent's cooperation is in compliance with the laws of this State; and

(2) The regulatory official acknowledged as the groupwide supervisor also recognizes and cooperates with the superintendent's activities as a groupwide supervisor for other insurance groups as applicable. When such recognition and cooperation is not reasonably reciprocal, the superintendent is authorized to refuse recognition and cooperation. [PL 2017, c. 169, Pt. B, §6 (NEW).]

H. The superintendent is authorized to enter into agreements with or obtain documentation from any insurer registered under subsection 8, any affiliate of the insurer and other state, federal and international regulatory agencies for members of the insurance group in order to provide the basis for or otherwise clarify a regulatory official's role as groupwide supervisor. [PL 2017, c. 169, Pt. B, §6 (NEW).]

I. The superintendent may adopt rules necessary for the administration of this subsection. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2017, c. 169, Pt. B, §6 (NEW).]

J. A registered insurer subject to this subsection is liable for and shall pay the reasonable expenses of the superintendent's participation in the administration of this subsection, including the engagement of attorneys, actuaries and any other professionals and all reasonable travel expenses. [PL 2017, c. 169, Pt. B, §6 (NEW).]

8. Registration of holding company system insurers.

A. An insurer that is authorized to do business in this State and that is a member of an insurance holding company system shall register with the superintendent, except that these requirements do not apply to a foreign insurer domiciled in a jurisdiction that in the opinion of the superintendent
has adopted by statute or regulation disclosure statements and standards substantially similar to those contained in this section. An insurer domiciled in a jurisdiction that has not adopted by statute or regulation disclosure requirements and standards substantially similar to those contained in this section may be treated as a domestic insurer for purposes of this section. Each insurer that is subject to registration under this subsection shall register within 15 days after it becomes subject to registration, and annually thereafter by May 1st, unless the superintendent, for good cause shown, extends the time for registration and then an insurer shall register within that extended time. This section does not prohibit the superintendent from requesting any authorized insurer that is a member of an insurance holding company system and not subject to registration under this section to provide a copy of the registration statement or other information filed by such insurer with the insurance regulatory authority of its state of domicile. Upon request of the insurer or of the insurance regulatory authority of another jurisdiction in which the insurer is authorized to transact insurance, the superintendent at the insurer's expense shall furnish a copy of the registration statement or other information filed by a domestic insurer with the superintendent pursuant to this section; [PL 2013, c. 238, Pt. A, §16 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

B. An insurer subject to registration shall file a registration statement with the superintendent on a form and in a format prescribed by the National Association of Insurance Commissioners. The registration statement must contain current information about:

(1) The capital structure, general financial condition, ownership and management of the insurer and of any person controlling the insurer;

(1-A) The identity and relationship of every member of the insurance holding company system;

(2) The following transactions currently outstanding between the insurer and its affiliates:

(a) Loans and other investments, and purchases, sales or exchanges of securities of the affiliate by the insurer or of the insurer by its affiliates;

(b) Purchases, sales or exchanges of assets;

(c) Transactions not in the ordinary course of business;

(d) Guarantees or undertakings for the benefit of an affiliate that result in an actual contingent exposure of the insurer's assets to liability, other than insurance contracts entered into in the ordinary course of the insurer's business;

(e) All management and service contracts and all cost-sharing arrangements, other than cost allocation arrangements based upon generally accepted accounting principles;

(f) Reinsurance agreements;

(g) Dividends and other distributions to shareholders; and

(h) Consolidated tax allocation agreements;

(2-A) Any pledge of the insurer's stock, including stock of any subsidiary or controlling affiliate, for a loan made to any member of the insurance holding company system;

(2-B) If requested by the superintendent, financial statements of or within the insurance holding company system, including all affiliates. The required financial statements may include but are not limited to annual audited financial statements filed with the United States Securities and Exchange Commission pursuant to the Exchange Act. An insurer required to file financial statements pursuant to this subparagraph may satisfy the request by providing the superintendent with the most recently filed parent corporation financial statements that have been filed with the United States Securities and Exchange Commission;

(3) Other matters concerning transactions between the insurer and any affiliate as may be required by the superintendent; and
(4) Any other information required by the superintendent by rule; [PL 2013, c. 238, Pt. A, §17 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

B-1. The controlling person with ultimate control of an insurer subject to registration shall also file an annual enterprise risk report. The report must be appropriate to the nature, scale and complexity of the operations of the insurance holding company system and must, to the best of the controlling person's knowledge and belief, identify the material risks within the insurance holding company system, if any, that could pose enterprise risk to the insurer. The report must be filed with the lead state regulator of the insurance holding company system as determined by the procedures within the financial analysis handbook adopted by the National Association of Insurance Commissioners; [PL 2013, c. 238, Pt. A, §18 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

B-2. An insurer subject to registration shall file statements confirming that the insurer's board of directors oversees corporate governance and internal controls and that the insurer's officers or senior management have approved and implemented and continue to maintain and monitor corporate governance and internal control procedures; [PL 2013, c. 238, Pt. A, §18 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

B-3. A domestic insurer that is subject to registration, and has annual premium of $500,000,000 or more or is a member of an insurance holding company system with annual premium of $1,000,000,000 or more, shall conduct an own risk and solvency assessment in accordance with the requirements of this paragraph at least annually, and also at any time when there are significant changes to the risk profile of the insurer or its insurance holding company system, except as otherwise provided in subparagraph (1). For purposes of this paragraph, "premium" means direct written and unaaffiliated assumed premium, including international direct and assumed premium but excluding premiums reinsured with the Federal Crop Insurance Corporation within the United States Department of Agriculture, Risk Management Agency and with the National Flood Insurance Program within the United States Department of Homeland Security, Federal Emergency Management Agency.

(1) This paragraph does not apply if:

(a) The insurer is an agency, authority or instrumentality of the United States, its possessions and territories, the Commonwealth of Puerto Rico, the District of Columbia or a state or political subdivision of a state;

(b) The insurer and its insurance holding company system did not meet either of the minimum premium criteria of this paragraph in the financial statements immediately preceding their most recent financial statements and the superintendent has not required compliance with this paragraph under subparagraph (2); or

(c) The superintendent has granted a waiver from the requirements of this paragraph based upon unique circumstances. In deciding whether to grant a waiver, the superintendent may consider the type and volume of business written by the insurer, the ownership and organizational structure of the insurer and its insurance holding company system and any other factor the superintendent considers relevant to the insurer or the insurer's insurance holding company system. If the insurer's insurance holding company system includes insurers domiciled in more than one state, the superintendent shall coordinate with the lead regulator and with other domiciliary regulators in considering whether to grant the insurer's request for a waiver.

(2) The superintendent may require an insurer that does not meet either of the minimum premium criteria of this paragraph to comply with the requirements of this paragraph if:

(a) The superintendent determines that the insurer should be subject to this paragraph due to unique circumstances, including, but not limited to, the type and volume of business
written by the insurer, the ownership and organizational structure of the insurer and its insurance holding company system, federal agency requests and international supervisor requests;

(b) The insurer is subject to a corrective order or required to adopt a risk-based capital plan under sections 6453 to 6456;

(c) The superintendent has determined in accordance with rules adopted by the superintendent that the insurer is in hazardous financial condition; or

(d) The superintendent has determined that the insurer otherwise exhibits qualities of a troubled insurer.

(3) If an insurer's insurance holding company system has annual premium of $1,000,000,000 or more, the assessment and reporting required by this paragraph must be conducted for each insurer within the insurance holding company system, either on a systemwide basis or separately for insurers or combinations of insurers within the insurance holding company system.

(4) An insurer subject to this paragraph shall maintain a risk management framework to assist the insurer with identifying, assessing, monitoring, managing and reporting on its material and relevant risks. An insurer may satisfy this requirement by participating in an applicable risk management framework maintained by the insurance holding company system of which the insurer is a member.

(5) An insurer subject to this paragraph shall prepare and submit regular ORSA summary reports that satisfy the requirements of this subparagraph and shall provide additional information to the superintendent upon request.

(a) Beginning no later than 2015, the ORSA summary report must be prepared at least annually, on a timetable consistent with the insurer's internal strategic planning processes, and submitted to the lead regulator of the insurer's insurance holding company system, as determined by the procedures within a financial analysis handbook adopted by the National Association of Insurance Commissioners. If the superintendent is not the lead regulator, the insurer shall submit the insurer's or insurance holding company system's most recent ORSA summary report to the superintendent on request.

(b) The ORSA summary report must be prepared consistent with the ORSA guidance manual. Documentation and supporting information must be maintained and made available upon examination by or upon request of the superintendent.

(c) The insurer's or insurance holding company system's chief risk officer, or other executive having responsibility for the oversight of the insurer's enterprise risk management process, shall sign the ORSA summary report attesting to the best of the signer's belief and knowledge that the insurer applies the enterprise risk management process described in the ORSA summary report and that a copy of the report has been provided to the insurer's board of directors or the appropriate committee of the board.

(d) An insurer may comply with this paragraph by providing the most recent ORSA summary report and a report or reports that are substantially similar to the ORSA summary report that are provided by the insurer or another member of its insurance holding company system to the insurance commissioner of another state or to an insurance supervisor or regulator of a foreign jurisdiction if that report provides information that is comparable to the information described in the ORSA guidance manual. Any report in a language other than English must be accompanied by an English translation.
(6) The superintendent's review of the ORSA summary report, and any additional requests for information, must be consistent with accepted regulatory procedures for the analysis and examination of multistate or global insurers and insurance groups. [PL 2013, c. 238, Pt. A, §18 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. An insurer does not need to disclose on the registration statement filed pursuant to this subsection information that is not material to the purposes of this section. Unless the superintendent by rule or order provides otherwise, sales, purchases, exchanges, loans or extensions of credit or investments involving 1/2 of 1% or less of an insurer's admitted assets as of December 31st immediately preceding are not material for purposes of this section; [PL 2013, c. 238, Pt. A, §19 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

D. Each registered insurer shall keep current the information required to be disclosed in its registration statement by reporting on forms provided by the superintendent all material changes or additions on or before the 15th day of the month following that in which it learns of each such change or addition; [PL 1975, c. 356, §1 (NEW).]

E. The superintendent shall terminate the registration of any insurer which demonstrates that it is no longer a member of an insurance holding company system; [PL 1975, c. 356, §1 (NEW).]

F. Two or more affiliated insurers subject to registration hereunder may file a consolidated registration statement or consolidated reports amending their respective consolidated statements or their individual registration statements so long as such consolidated filings correctly reflect the condition of and transactions between such persons; [PL 1975, c. 356, §1 (NEW).]

G. The superintendent may allow or require any insurer, which is authorized to do business in this State and which is part of an insurance holding company system, to register on behalf of any affiliated insurer which is required to register under paragraph A and to file all information and material required to be filed under this section; [PL 1975, c. 356, §1 (NEW).]

H. This section shall not apply to any insurer, information or transaction if and to the extent that the superintendent by rule, regulation or order shall exempt the same from the provisions of this section as not comprehended within the purposes thereof; [PL 1975, c. 356, §1 (NEW).]

I. Any person may file with the superintendent a disclaimer of affiliation with any authorized insurer. A disclaimer of affiliation may be filed by the insurer or any member of an insurance holding company system. The disclaimer must fully disclose all material relationships and bases for affiliation between the disclaiming person and the insurer as well as the bases for disclosing affiliation.

(1) An approved disclaimer relieves the disclaiming person of the duty to register under this section.

(2) A disclaimer is deemed approved unless the superintendent, within 30 days after receipt of a complete disclaimer, including any additional information required by the superintendent, either disallows the disclaimer or notifies the disclaiming person that a hearing will be held on the disclaimer.

(3) The superintendent may condition the approval of a disclaimer on terms and conditions reasonably designed to ensure that the disclaiming person will not exercise actual control or acquire the right to actual control over the insurer without triggering the prior approval process under subsections 4-C and 7.

(4) If the superintendent takes action on a disclaimer without hearing, including the imposition of conditions not agreed to by the disclaiming person, an aggrieved person has the right to a hearing.
(5) The superintendent may rescind the approval of a disclaimer, after notice and opportunity for hearing, on the basis of new information or changed circumstances demonstrating the existence of control over the insurer. [PL 2013, c. 238, Pt. A, §20 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]  
[PL 2013, c. 238, Pt. A, §§16-20 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

9. Transactions with affiliates; standards. Transactions by insurers subject to registration with their affiliates are subject to the following standards.

A. The terms, including any charges or fees for services performed, must be fair and reasonable. [PL 1991, c. 828, §5 (AMD).]

A-1. Agreements for management services and cost sharing must include any provisions required by the superintendent by rule. [PL 2017, c. 169, Pt. B, §7 (AMD).]

B. The books, accounts and records of each party must be so maintained as to disclose clearly and accurately the nature and details of the transaction, including all accounting information necessary to support the reasonableness of any charges or fees. [PL 1991, c. 828, §5 (AMD).]

C. The insurer's surplus to policyholders following any dividends or distributions to stockholder affiliates must be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs. [PL 1991, c. 548, Pt. B, §3 (AMD).]

D. Expenses incurred and payment received must be allocated to the insurer in conformity with customary insurance accounting practices consistently applied. [PL 1991, c. 828, §5 (NEW).]

E. A domestic insurer shall notify the superintendent in writing at least 30 days in advance, unless the superintendent authorizes a shorter period, before entering into or materially amending or modifying any of the following kinds of transactions with any member of its holding company system:

   (1) Sales, purchases, exchanges, loans or extensions of credit, guarantees or investments that are equal to or exceed:

      (a) With respect to nonlife insurers, the lesser of 3% of the insurer's admitted assets as of December 31st of the preceding year and 25% of surplus to policyholders;

      (b) With respect to life insurers, 3% of the insurer's admitted assets as of December 31st of the preceding year; or

      (c) With respect to nonprofit hospital and medical service organizations and their 100% controlled affiliates that operate as monoline health insurers or health maintenance organizations, the lesser of 5% of the entity's admitted assets as of December 31st of the preceding year and 25% of surplus to policyholders;

   (2) Loans or extensions of credit to any person who is not an affiliate, if the insurer makes the loan or extension of credit with the agreement or understanding that the proceeds in whole or in substantial part are to be used to make loans or extensions of credit to, purchase assets of or make investments in any affiliate of the insurer if the loan, extension of credit, purchase or investment is equal to or exceeds:

      (a) With respect to nonlife insurers, the lesser of 3% of the insurer's admitted assets as of December 31st of the preceding year and 25% of surplus to policyholders;

      (b) With respect to life insurers, 3% of the insurer's admitted assets as of December 31st of the preceding year; or

      (c) With respect to nonprofit hospital and medical service organizations and their 100% controlled affiliates that operate as monoline health insurers or health maintenance
organizations, the lesser of 5% of the entity's admitted assets as of December 31st of the preceding year and 25% of surplus to policyholders;

(3) All reinsurance pooling agreements, and all reinsurance agreements in which the reinsurance premium or a change in the insurer's liabilities, or the projected reinsurance premium or a projected change in the insurer's liabilities in any of the next 3 years, equals or exceeds 5% of the insurer's surplus to policyholders, as of December 31st of the preceding year, including those agreements that may require as consideration the transfer of assets from an insurer to a nonaffiliate if an agreement or understanding exists between the insurer and nonaffiliate that any portion of the assets will be transferred to one or more affiliates of the insurer;

(4) All management agreements, cost-sharing arrangements, tax allocation agreements, service contracts and guaranties, with the exception of guaranties that are quantifiable in amount and do not exceed, in the aggregate, the lesser of 0.5% of admitted assets and 10% of surplus as regards policyholders as of December 31st of the preceding year;

(5) Any transactions that are part of a plan or series of like transactions with persons within the holding company system if the transactions when aggregated over any 12-month period exceed the reporting thresholds of this paragraph. If the superintendent determines that those separate transactions were entered into for the purpose of avoiding regulatory review by circumventing statutory reporting requirements, that determination is a sufficient basis for disapproving the transactions under this subsection; and

(6) Any other material transactions specified by rule that the superintendent has determined may adversely affect the interests of the insurer's policyholders.

A notice of amendment or modification of a transaction must include the reasons for the change and the financial impact on the domestic insurer. The insurer shall notify the superintendent within 30 days after terminating an agreement previously reported under this paragraph.

The superintendent shall disapprove a transaction that is subject to this paragraph if the transaction violates the standards of this section or other applicable law or adversely affects the interests of policyholders. The superintendent's failure to make a determination on a proposed transaction within 30 days after it has been submitted for review has the effect of an approval, unless the superintendent has issued a notice of adjudicatory hearing on the proposal in accordance with section 230. [PL 2017, c. 169, Pt. B, §8 (AMD).]

Any violation of this subsection, in addition to the penalties contained in subsection 14, renders the transactions voidable at the initiative of the superintendent or otherwise under applicable law. The superintendent's approval of a transaction in accordance with this section, whether actual or by acquiescence, may not override any applicable law and does not operate to authorize any transaction that would be contrary to law if it involved an insurer not a member of the same holding company system. [PL 2017, c. 169, Pt. B, §§7, 8 (AMD).]

10. Insurer's surplus; adequacy factors. For the purposes of this section, in determining whether an insurer's surplus to policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, the following factors, among others, may be considered:

A. The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force and other appropriate criteria; [PL 1975, c. 356, §1 (NEW).]

B. The extent to which the insurer's business is diversified among the several lines of insurance; [PL 1975, c. 356, §1 (NEW).]
C. The number and size of the risks insured in each line of business; [PL 1975, c. 356, §1 (NEW).]

D. The extent of the geographical dispersion of the insurer's insured risks; [PL 1975, c. 356, §1 (NEW).]

E. The nature and extent of the insurer's reinsurance program; [PL 1975, c. 356, §1 (NEW).]

F. The quality, diversification and liquidity of the insurer's investment portfolio; [PL 1975, c. 356, §1 (NEW).]

G. The recent past and projected future trend in the size of the insurer's surplus as regards policyholders; [PL 1993, c. 313, §10 (AMD).]

H. The quality and liquidity of investments in subsidiaries or affiliates. The department may discount any such investment or treat any investment as a nonadmitted asset for purposes of determining the adequacy of surplus as regards policyholders whenever the investment so warrants; [PL 1993, c. 313, §10 (AMD).]

I. The adequacy of the insurer's reserves; [PL 1993, c. 313, §10 (AMD).]

J. The surplus as regards policyholders maintained by other comparable insurers in respect of the factors set out in this subsection; and [PL 1993, c. 313, §10 (AMD).]

K. The quality of the company's earnings and the extent to which the reported earnings include extraordinary items. [PL 1993, c. 313, §10 (NEW).]

11. Dividends and distributions.
[PL 1993, c. 313, §11 (RP).]

[PL 2009, c. 511, Pt. A, §3 (RP).]

11-B. All other dividends and distributions.

11-C. Dividends and distributions. The superintendent shall review all dividends and distributions declared or paid by any insurer registered under subsection 8 at least annually.

A. An insurer shall notify the superintendent within 5 days after the declaration of any dividend or distribution. If the dividend or distribution is not disapproved pursuant to paragraph B and is not an extraordinary dividend as defined in paragraph C, the insurer may pay the dividend or distribution once the superintendent has approved the payment or 10 days have elapsed after the superintendent’s receipt of notice. [PL 2009, c. 511, Pt. A, §5 (NEW).]

B. The superintendent shall issue an order restricting or disallowing the payment of dividends and distributions if the superintendent determines that the insurer's surplus would not be reasonable in relation to the insurance company's outstanding liabilities, that the insurer's surplus would be inadequate to that company's financial needs, that the insurer's financial condition would constitute a condition hazardous to policyholders, claimants or the public or that a violation of subsection 4-C prevents the superintendent from sufficiently understanding the enterprise risk to the insurer posed by its affiliates or by its insurance holding company system. [PL 2013, c. 238, Pt. A, §23 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. An extraordinary dividend may not be paid until affirmatively approved by the superintendent or until at least 60 days after the superintendent has received a request to pay an extraordinary dividend.
(1) For purposes of this subsection, "extraordinary dividend" means any dividend or distribution, other than a pro rata distribution of a class of the insurer’s own securities, that:

(a) When aggregated with all other dividends and distributions paid or proposed to be paid by the insurer less than a full year before the payment date, exceeds the greater of 10% of the insurer's surplus to policyholders as of December 31st of the preceding year and the net gain from operations for the preceding calendar year;

(b) Is declared within 5 years after any acquisition of control of a domestic insurer or of any person controlling that insurer, unless it has been approved by a number of continuing directors equal to a majority of the directors in office immediately preceding that acquisition of control; or

(c) Is not paid entirely from unassigned funds. For purposes of this division, 50% of the net of unrealized capital gains and unrealized capital losses, reduced, but not to less than zero, by that portion of the asset valuation reserve attributable to equity investments, must be excluded from the calculation of unassigned funds.

(2) An insurer may declare an extraordinary dividend on a conditional basis, subject to the superintendent’s approval. A declaration pursuant to this subparagraph does not confer any rights upon stockholders until the superintendent has approved the payment or the 60-day review period has elapsed. [PL 2017, c. 169, Pt. B, §9 (AMD).]

12. Verification of information.
[PL 2013, c. 238, Pt. A, §24 (RP); PL 2013, c. 238, Pt. A, §34 (AFF).]

13. Confidential communications.
[PL 2013, c. 238, Pt. A, §25 (RP); PL 2013, c. 238, Pt. A, §34 (AFF).]

13-A. Confidential information. This section applies to holding company information that is in the possession or control of the superintendent or that is in the possession or control of the National Association of Insurance Commissioners as a result of a filing under this section or as a result of information sharing by the superintendent as authorized by this section.

A. For purposes of this subsection, "holding company information" means any of the following documents, materials and other information if the document, material or other information has not specifically and expressly been designated as a public record by other applicable law:

(1) Information obtained by the superintendent pursuant to an examination or investigation pursuant to subsection 1-A to the same extent as the information would have been confidential if obtained in an examination or investigation conducted under section 220 or 221;

(2) A registration statement or report filed under subsection 8, including all supporting information;

(3) A report filed under subsection 9, including all supporting information;

(4) A notice of proposed divestiture filed under subsection 4-C, paragraph B, until the divestiture transaction has occurred;

(5) A disclosure of the beneficial owner of securities made by a broker-dealer pursuant to subsection 4-C, paragraph E;

(6) The identity of a lender that is to finance a proposed transaction if declared confidential under subsection 4-C, paragraph C, subparagraph (2);

(7) Information filed in support of any required attestation of risk management or internal controls under subsection 4-C, paragraph C, subparagraph (12) or (13);
(8) A competitive impact statement filed under subsection 4-C, paragraph C, subparagraph (14), including all supporting information;

(8-A) Groupwide supervision information reported or provided to the superintendent under subsection 7-C;

(9) Information obtained under an information-sharing agreement entered into pursuant to this section to the extent that it is protected by the confidentiality provisions of the agreement;

(10) Information obtained pursuant to this section from a jurisdiction other than this State to the extent that it is confidential under the laws of the jurisdiction in which it is normally maintained; and

(11) Information obtained under this section to the extent that it is confidential under other applicable law, including, but not limited to, section 216, section 225 and Title 1, section 402, subsection 3. [PL 2017, c. 169, Pt. B, §10 (AMD).]

B. Except as otherwise provided by paragraphs D and E or specifically and expressly provided by other applicable law, holding company information is confidential, is not a public record, is not subject to a subpoena, is not subject to discovery or admissible as evidence in any private civil action and may not be made public by the superintendent without prior written consent of the relevant insurer. The privilege provided under this paragraph does not supersede any other applicable privilege or confidentiality protection, nor does disclosure of confidential holding company information to the superintendent constitute a waiver of any such privilege or protection. Neither the superintendent nor any person who received holding company information from or under the authority of the superintendent under this section may be permitted or required to testify in any private civil action concerning holding company information that is confidential under this subsection. [PL 2013, c. 238, Pt. A, §26 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

C. The superintendent may share holding company information that is confidential under this subsection only in accordance with the requirements of section 216, subsection 5 and the following additional requirements.

1. The recipient of the information must agree in writing to maintain the same level of confidentiality as is available under Maine law. This requirement may be satisfied through a multilateral confidentiality agreement to which both the superintendent and the recipient are parties.

2. The superintendent may not share confidential holding company information with or through the National Association of Insurance Commissioners except in accordance with an information-sharing agreement entered into in accordance with section 216, subsection 5, paragraph C.

3. If the recipient of the information is in the United States, the recipient's state must have statutes or rules that expressly protect holding company information at a level at least equivalent to the protections provided by this subsection and section 216, subsection 5.

4. ORSA-related information subject to subsection 8, paragraph B-3 may, with the written consent of the insurer, be shared with a 3rd-party consultant under an agreement containing the conditions specified in section 216, subsection 5, paragraph C. In addition, any agreement for sharing ORSA-related information with the National Association of Insurance Commissioners or a 3rd-party consultant must further provide that:

   a. The recipient of the information agrees in writing to maintain the confidentiality and privileged status of the ORSA-related information and has verified in writing the legal authority to maintain confidentiality;
(b) Any preauthorization granted under the agreement for further sharing of information provided by the superintendent must be limited to only the domiciliary regulators of other insurers in the same insurance holding company system; and

(c) The National Association of Insurance Commissioners or a 3rd-party consultant may not store ORSA-related information shared pursuant to this subparagraph in a permanent database after the underlying analysis is completed. [PL 2013, c. 238, Pt. A, §26 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

D. This subsection does not prohibit the superintendent from using holding company information in the furtherance of any regulatory or legal action brought as a part of the superintendent's official duties. [PL 2013, c. 238, Pt. A, §26 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

E. Unless otherwise provided by applicable law, the superintendent may, after giving notice and opportunity for hearing to the insurer and any affiliates, controlling person or other persons that would be affected, order one or more items of holding company information, other than ORSA-related information, to be made a public record in its entirety or in redacted form if the superintendent determines that public disclosure will be in the interest of policyholders, shareholders or the public. [PL 2013, c. 238, Pt. A, §26 (NEW); PL 2013, c. 238, Pt. A, §34 (AFF).]

[PL 2017, c. 169, Pt. B, §10 (AMD).]

A. Any person who willfully violates any of the provisions of this section, or the rules and regulations promulgated by the superintendent under authority thereof, or any person who willfully, in a filing pursuant to subsection 4-C or a registration pursuant to subsection 8, paragraph B, makes any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein not misleading, must upon conviction be fined not more than $1,000 or imprisoned not more than 3 years, or both; [PL 2013, c. 238, Pt. A, §27 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

B. Any person who is found, after notice and opportunity to be heard, to have willfully violated any of the provisions of this section or any rule or regulations promulgated by the superintendent under the authority thereof, shall, in addition to any other penalty provided by law, forfeit to this State the sum of $50 for a first violation and an additional sum of $25 for each day such violation shall continue; [PL 1975, c. 356, §1 (NEW).]

C. In addition to other remedies and penalties provided in this section or otherwise available under the laws of this State, any violation of this section is hereby declared to be an unfair method of competition or an unfair or deceptive act and practice in the business of insurance subject to the provisions of chapter 23 and in addition, the superintendent may, after notice and hearing:

(1) Refuse to issue, refuse to renew or reissue, revoke or suspend for a period not exceeding one year any license or certificate of authority issued or to be issued to any person found to have violated any of the provisions of this section;

(2) After notice and hearing impose by order and administrative forfeiture upon such person, enforceable by such revocation, suspension or refusal to issue, renew or reissue of any such license or licenses or otherwise pursuant to the law of this State, in an amount not to exceed $100 for each such violation and for each day's continuance thereof;

(3) Proceed in a court of competent jurisdiction within or without this State against such person, if an insurer, upon the applicable grounds provided for the rehabilitation, conservatorship or liquidation of an insurer or for an injunction to prevent a violation of this section or to reverse or hold invalid any transaction made in violation of this section;
(4) Issue such administrative orders to require compliance with this section, including the filing of evidence of compliance and periodic reporting as to such compliance, enforceable by such revocation, suspension or refusal to issue, renew or reissue of any such license or licenses or otherwise pursuant to the laws of this State; or

(5) Any or all of the foregoing. [PL 1975, c. 356, §1 (NEW).]
[PL 2007, c. 466, Pt. D, §3 (AMD); PL 2013, c. 238, Pt. A, §27 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

14-A. Recovery.

A. If an order for liquidation or rehabilitation of a domestic insurer has been entered, the receiver appointed under that order has the right to recover on behalf of the insurer:

(1) From any parent corporation or holding company or person or affiliate who otherwise controlled the insurer, the amount of any distributions other than distributions of shares of the same class of stock paid by the insurer on its capital stock; or

(2) Any payment in the form of a bonus, termination settlement or extraordinary lump-sum salary adjustment made by the insurer or by any subsidiary of that insurer to a director, officer or employee when the distribution or payment pursuant to this subparagraph or subparagraph (1) is made at any time during the one year preceding the petition for liquidation, conservation or rehabilitation, subject to the limitations of paragraphs B, C and D. [PL 1993, c. 313, §13 (NEW).]

B. Such a distribution is not recoverable if the parent corporation or affiliate shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution could adversely affect the ability of the insurer to fulfill its contractual obligations. [PL 1993, c. 313, §13 (NEW).]

C. Any person who was a parent corporation or holding company or a person who otherwise controlled the insurer or affiliate at the time distributions were paid is liable up to the amount of distributions or payments under paragraph A that the person received. Any person who otherwise controlled the insurer at the time the distributions were declared is liable up to the amount of the distributions the person would have received if that person had been paid immediately. If 2 or more persons are liable for the same distributions, those persons are jointly and severally liable. [PL 1993, c. 313, §13 (NEW).]

D. The maximum amount recoverable under this subsection is the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer and to reimburse any guaranty funds. [PL 1993, c. 313, §13 (NEW).]

E. To the extent that any person liable under paragraph C is insolvent or fails to pay claims due pursuant to paragraph C, its parent corporation or holding company or person who otherwise controlled it at the time the distribution was paid, is jointly and severally liable for any resulting deficiency in the amount recovered from the parent corporation or holding company or person who otherwise controlled it. [PL 1993, c. 313, §13 (NEW).]

[PL 1993, c. 313, §13 (NEW).]

15. Additional powers. The powers, remedies, procedures and penalties provided in this section shall be in addition to, and not in limitation of, any other powers, remedies, procedures and penalties otherwise provided by law. [PL 1975, c. 356, §1 (NEW).]

16. Separability of provisions. If any provision of this section or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of
this section which can be given effect without the invalid provision or application, and for this purpose the provisions of this section are separable.

[PL 1975, c. 356, §1 (NEW).]

17. Jurisdiction of courts; service of process. Any person obtaining or attempting to obtain control of a domestic insurer is subject to the jurisdiction of the courts of this State and to service of process in the manner provided in this Title. Unless a valid appointment of an agent for service of process is on file with the superintendent pursuant to another provision of this Title, the person is deemed to have appointed the superintendent as agent for service of process, and service may be made in the same manner as provided in section 2105.

[PL 1999, c. 113, §14 (AMD).]

18. Rules. The superintendent may adopt reasonable rules to carry out provisions of this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2013, c. 238, Pt. A, §28 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

19. Supplemental to existing provisions. This section, as to insurance holding company systems, supplements in particular those provisions contained in sections 407, subsection 2; 410, subsection 1, paragraph B; 413; 423-C; 425; 1115; 1136; 3414; 3474; 3475; 3476; 3483; 3875 and 4407; and the provisions of this section are deemed to supersede or modify any such provisions or any other provisions of this Title to the extent inconsistent therewith.

[PL 2013, c. 238, Pt. A, §29 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

SECTION HISTORY

§223. Conduct of examination; access to records; correction
1. Whenever the superintendent determines to examine the affairs of any person, the superintendent shall designate one or more examiners and instruct them as to the scope of the examination. The superintendent may designate a bureau employee or may designate an examiner outside the bureau who has been retained pursuant to section 208. Examiners may be attorneys, appraisers, independent actuaries, independent certified public accountants or other professionals and specialists with skills relevant to the examination. The examiner shall, upon demand, exhibit the examiner's official credentials to the person under examination.

A. An examiner may not be designated by the superintendent if the examiner directly or indirectly has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under sections 221 and 222. This section may not be construed to preclude automatically an examiner from being:

(1) A policyholder or claimant under an insurance policy;

(2) A grantor of a mortgage or similar instrument on the examiner's residence to a regulated entity if done under customary terms and in the ordinary course of business;

(3) An investment owner in shares of regulated diversified investment companies; or

(4) A settlor or beneficiary of a "blind trust" into which any otherwise impermissible holdings have been placed. [PL 1991, c. 828, §7 (NEW).]
2. The superintendent shall conduct each examination in an expeditious, fair and impartial manner, consistent with current guidelines and procedures adopted from time to time by the National Association of Insurance Commissioners and published in its Financial Condition Examiners Handbook or Market Regulation Handbook, as applicable, or their successor publications.

3. Upon any such examination, the superintendent, or the examiner if specifically so authorized in writing by the superintendent, shall have power to administer oaths, and to examine under oath any individual as to any matter relevant to the affairs under examination or relevant to the examination.

4. Every person being examined, its officers, attorneys, employees, agents and representatives shall make freely available to the superintendent or designated examiners the accounts, records, documents, files, information, assets and matters of that person in that person's possession or control relating to the subject of the examination and shall facilitate the examination. The refusal of any insurer to submit to examination is grounds for revocation or refusal of a license or renewal license.

5. If the superintendent or examiner finds any accounts or records to be inadequate, or inadequately kept or posted, the superintendent may employ experts to reconstruct, rewrite, post or balance them at the expense of the person being examined, if such person has failed to maintain, complete or correct such records or accounting after the superintendent or examiner has given him written notice and a reasonable opportunity to do so.

6. Neither the superintendent nor any examiner shall remove any record, account, document, file or other property of the person being examined from the offices or place of such person, except with the written consent of such person in advance of such removal or pursuant to an order of court duly obtained. This provision shall not be deemed to affect the making and removal of copies or abstracts of any such record, account, document, or file.

7. Any individual who refuses without just cause to be examined under oath or who willfully obstructs or interferes with the examiners in the exercise of their authority pursuant to this section shall, upon conviction thereof, be subject to a fine of not more than $2,500 or imprisonment for less than a year, or by both.

8. Appraisal of asset

1. If the superintendent considers it necessary to value any asset involved in such an examination, the superintendent may appoint one or more competent disinterested persons as appraisers with authority to appraise the real property of an insurer or any real property on which it holds security.

2. Any such appraisal shall be expeditiously made, and a copy thereof furnished to the superintendent and to the person being examined.

3. The reasonable expense of the appraisal shall be borne by the person being examined.
§225. Examination report; contents; prima facie evidence in certain proceedings

1. Upon completion of an examination, the examiner in charge shall make a true report thereof which shall comprise only facts appearing upon the books, records or other documents of the person examined, or from an appraisal of assets, or as ascertained from the sworn testimony of its officers or agents or other individuals examined concerning its affairs, and such conclusions and recommendations as may reasonably be warranted from such facts. The report of examination shall be verified by the oath of the examiner in charge thereof.

2. Such a report of examination of an insurer so verified shall be prima facie evidence in any delinquency proceeding against the insurer, its officers, employees or agents upon the facts stated therein, and whether or not the report has then been filed in the bureau as provided in section 226.

3. All working papers, recorded information, documents and copies of any of these media produced by, obtained by or disclosed to the superintendent or any other person in the course of an examination made under this chapter are confidential, are not subject to subpoena and may not be made public by the superintendent or any other person, except to the extent provided in sections 226 and 227. Access may be granted to the National Association of Insurance Commissioners. Any parties granted access must agree in writing prior to receiving the information to provide the information with the same confidential treatment as required by this section unless prior written consent of the insurer to which the information pertains has been obtained.

§226. Examination reports; distribution, hearing; as evidence

1. Within 60 days after completion of the examination, the superintendent shall deliver a copy of the verified examination report to the person examined, together with a notice affording that person 20 days or an additional reasonable period as the superintendent for good cause may allow, within which to review the report and recommend changes to the report.

2. If requested by the person examined, within the period allowed under subsection 1, or if determined advisable by the superintendent without such request, the superintendent shall hold a hearing relative to the report and may not file the report in the bureau until after the hearing and the superintendent's order on the report; except that the superintendent may furnish a copy of the report to the Governor, Attorney General or Treasurer of State pending final decision and, if the copies are so furnished, they are confidential until the other requirements of this section with regard to examination reports have been satisfied. In lieu of convening a hearing, the superintendent may reopen the examination or, if supported by the information obtained, may adopt some or all of the modifications proposed by the person examined.

3. If no such hearing has been requested or held, the examination report, with such modifications, if any, thereof as the superintendent deems proper, shall be accepted by the superintendent and filed in the bureau upon expiration of the review period provided for in subsection 1. The report shall in any event be so accepted and filed within 6 months after final hearing thereon.
4. The superintendent shall forward to the person examined a copy of the examination report as filed, together with any recommendations or statements relating thereto which he deems proper.

5. If the report is as to examination of a domestic insurer, a copy of the report, or a summary thereof approved by the superintendent, when filed in the bureau, together with the recommendations or statements of the superintendent or his examiner, shall be presented by the insurer's chief executive officer to the insurer's board of directors or similar governing body at a meeting thereof which shall be held within 30 days next following receipt of the report in final form by the insurer. A copy of the report shall also be furnished by the secretary of the insurer, if incorporated, or by the attorney-in-fact, if a reciprocal insurer, to each member of the insurer's board of directors or board of governors, if a reciprocal insurer, and the certificate of the secretary or attorney-in-fact that a copy of the examination report has been so furnished shall be deemed to constitute knowledge of the contents of the report by each such member.

6. The report when so filed in the bureau shall be admissible in evidence in any action or proceeding brought by the superintendent against the person examined, or against its officers, employees or agents. In any such action or proceeding, the superintendent or his examiners may at any time testify and offer proper evidence as to information secured or matters discovered during the course of an examination, whether or not a written report of the examination has been either made, furnished or filed in the bureau.

7. The Maine Insurance Code does not prevent and may not be construed to prohibit the superintendent from disclosing the content of an examination report, preliminary examination report or the results, or any matter related to a report or results, to the Bureau of Insurance of this State or the insurance department of any other state or country, or to law enforcement officials of this State, any other state agency or the federal government at any time. Any such disclosure must be subject to a protective order of confidentiality issued by the superintendent.

§227. Examination report

The report of examination of those persons, partnerships, corporations or other business associations that are subject to examination by the superintendent as provided for in sections 221 and 222 must, upon satisfaction of the requirements of section 226 and so long as no court of competent jurisdiction has stayed its publication, be filed in the bureau as a public record, except that any information relating to an individual insured or individual applicant for insurance is confidential.

§228. Examination expense

1. The expense of examination of an insurer or of any person regulated under section 222, shall be borne by the person examined. Such expense shall include only the reasonable and proper hotel and travel expenses of the superintendent and his examiners and assistants, including expert assistance, and
examiners furnished for the purpose by other states in which the insurer is authorized to transact insurance, reasonable compensation as to such examiners and assistants and incidental expenses as necessarily incurred in the examination. As to expense and compensation, involved in any such examination the superintendent may give due consideration to scales and limitations recommended by the National Association of Insurance Commissioners and outlined in the examination manual sponsored by that association. [PL 1975, c. 356, §2 (AMD).]

2. Such person examined shall promptly pay to the superintendent the expenses of the examination upon presentation by the superintendent of a reasonably detailed written statement thereof. Any insurer with total admitted assets as of the end of the preceding calendar year of $50,000,000 or greater must comply with this section in satisfaction of the examination assessment. [PL 1997, c. 660, Pt. B, §1 (AMD).]

3. Except that in lieu of payment of examination expense as above required, a domestic insurer with total admitted assets of less than $50,000,000 has the right, at its option, of making an annual payment to the superintendent of an examination expense allotment in an amount equal to .001 of its total admitted assets as of the end of the preceding calendar year, which must be made on March 1st with the filing of the insurer's annual statement with the superintendent; or, if the insurer's admitted assets exceed $10,000,000, but do not exceed $50,000,000, the insurer has the right, at its further option, to pay to the superintendent with respect to any examination the lesser of:

A. The expense of the examination as determined pursuant to subsections 1 and 2 above; or [PL 1969, c. 132, §1 (NEW).]

B. An annual amount equal to .001 of the first $10,000,000 of the insurer's admitted assets plus .0002 of the remainder of such assets, limited, however, to insurers whose admitted assets do not exceed $25,000,000 as such assets are shown by the insurer's financial statement filed with the superintendent for the year-end next preceding the commencement of the examination, such payment to be made on March 1st with the filing of the insurer's annual statement with the superintendent; or [PL 1997, c. 660, Pt. B, §2 (AMD).]

C. If the admitted assets of the insurer exceed $25,000,000, but do not exceed $50,000,000, an annual payment of an examination expense allotment of an amount equal to .001 of the first $10,000,000 of the insurer's admitted assets, plus .0002 of the next $15,000,000 of such assets, plus .000175 of the remainder of such assets as are shown by the insurer's financial statement filed with the superintendent for the preceding calendar year. The payment must be made on March 1st with the filing of the insurer's annual statement with the superintendent. [PL 1997, c. 660, Pt. B, §2 (AMD).]

SECTION HISTORY

§229. Administrative procedures; hearings in general

1. The superintendent may hold a hearing without request of others for any purpose within the scope of this Title. [PL 1973, c. 585, §12 (AMD).]

2. The superintendent shall hold a hearing:

A. If required by any provision of this Title, or [PL 1969, c. 132, §1 (NEW).]
B. Upon written application for a hearing by a person aggrieved by any act or impending act, or by any report or order of the superintendent, other than an order for the holding of a hearing, or order on a hearing, or pursuant to such order, of which hearing such person had notice. [PL 1987, c. 220, §1 (AMD).]
[PL 1987, c. 220, §1 (AMD).]

3. Any such application must be filed with the superintendent within 30 days after such person knew or reasonably should have known of such act, impending act, failure, report or order, unless a different period is provided for by other applicable law, and in which case such other law shall govern. The application shall briefly state the respects in which the applicant is so aggrieved, together with the ground to be relied upon for the relief to be demanded at the hearing. The superintendent may require that the application be signed and sworn to. [PL 1987, c. 220, §2 (AMD).]

4. If the superintendent finds that the application is timely and made in good faith, that the applicant would be so aggrieved if his grounds are established and that such grounds otherwise justify the hearing, he shall hold the hearing within 30 days after filing of the application, or within 30 days after the application has been sworn to, whichever is the later date, unless in either case the hearing is postponed by mutual consent. The hearing shall be held in conformity with the provisions contained in the Maine Administrative Procedure Act, Title 5, chapter 375. [PL 1977, c. 694, §389 (AMD).]

5. Failure to hold the hearing upon application therefor of a person entitled thereto as provided shall constitute a denial of the relief sought, and shall be the equivalent of a final order of the superintendent on hearing for the purpose of an appeal under section 236. [PL 1973, c. 585, §12 (AMD).]

6. Pending the hearing and decision thereon, the superintendent may suspend or postpone the effective date of his previous action. [PL 1973, c. 585, §12 (AMD).]

Any delegation by the superintendent of power of subpoena shall be in writing. The procedures of Title 5, section 9060, subsection 1, shall also apply to the issuance of subpoenas.

[PL 1989, c. 269, §7 (AMD).]

[PL 1973, c. 585, §12 (AMD).]

2. The superintendent or his designee, as the case may be, may file a complaint in the Superior Court, setting forth under oath the facts constituting the contempt and requesting an order returnable in not less than 2 nor more than 5 days, directing the alleged contemner to show cause before the court why he should not be punished for contempt. Upon the return of such order, the court shall examine the alleged contemner under oath and the alleged contemner shall have an opportunity to be heard. No testimony or other evidence so compelled, or any information directly or indirectly derived from that testimony or other evidence, may be used against the offering individual in any criminal, juvenile or civil violation proceeding, except that the testimony or other evidence may be used in a prosecution for perjury, false swearing, contempt or otherwise failing to comply with the directive to testify or produce evidence, or in a proceeding in which the individual has waived the immunity or privilege. 2. Within 30 days after termination of a hearing, or of any rehearing thereof or reargument thereon, or within such other period as may be specified in this Title as to particular proceedings, or within such further reasonable period as the superintendent for good cause may require, the superintendent shall make his order on hearing covering matters involved in such hearing, and give a copy of the order to each party to the hearing in the same manner as notice of the hearing was given to such party; except that as to hearings held with respect to merger, consolidation, bulk reinsurance, conversion, affiliation or change of control of a domestic insurer as provided in chapter 47 (organization and corporate procedures of domestic stock and mutual insurers), where notice of the hearing was given to all stockholders and/or policyholders of an insurer involved, the superintendent is required to give a copy of the order on hearing to the corporation and insurer parties, to intervening parties, to a reasonable number of such stockholders or policyholders as representative of the class, and to other parties only upon written request of such parties.

[PL 1977, c. 694, §397 (RPR).]

3. Any person who was a party to the hearing may appeal from an order of the superintendent within 30 days after receipt of notice. Any person not a party to the hearing whose interests are
substantially and directly affected and who is aggrieved by an order of the superintendent may appeal within 40 days from the date the decision was rendered. If the appeal is taken from the superintendent's failure or refusal to act, the petition for review shall be filed within 6 months of the expiration of the time within which the action should reasonably have occurred.

SECTION HISTORY

§237. Assessment for expense of maintaining the Bureau of Insurance

The expense of maintaining the Bureau of Insurance must be assessed annually by the Superintendent of Insurance against all insurers and health maintenance organizations licensed to do business in this State in proportion to their respective direct gross premium written on business in this State during the year ending December 31st immediately preceding the fiscal year for which assessment is made. The annual assessment upon all insurers must be applied to the budget of the bureau for the fiscal year commencing July 1st. For any biennial period, total assessment must be in an amount not exceeding .002 of total direct premiums written. When the superintendent calculates the amount of the annual assessment, the superintendent must consider, among other factors, the staffing level required to administer the responsibilities of the bureau. [PL 1997, c. 79, §2 (AMD).]

1. Expense of examination. The expense of examination of an insurer or of any person regulated by section 222 continues to be borne by the person examined. The expense of examination consistent with section 228 may not be considered when determining the assessment for maintaining the Bureau of Insurance. [PL 1997, c. 79, §2 (AMD).]

2. Direct gross premium. Based on the annual statement filed by each insurer pursuant to section 423 or health maintenance organization pursuant to section 4208, the superintendent shall ascertain the amount of direct gross premium it received in that year. For the purpose of this section only, "direct gross premiums" means and includes policy, membership, annuity considerations and other fees, policy dividends applied in payment for insurance and other considerations for insurance received by insurers or health maintenance organizations, on account of policies or contracts covering subjects of insurance, or risks located, resident or to be performed in this State, after deducting return premiums or dividends actually returned or credited to policyholders. [PL 1997, c. 79, §2 (AMD).]
3. **Minimum assessment.** In any year in which an insurer or health maintenance organization has no direct gross premium writings in this State, or in which direct gross premium written is not sufficient to produce at the rate prescribed an amount equal to or in excess of $100, the minimum assessment payable by any insurer or health maintenance organization is $100.  
[PL 1997, c. 79, §2 (AMD).]

4. **Notification of assessment.** On or before July 1st of each year, the superintendent shall forward to each insurer or health maintenance organization an itemized bill of the amount due for the annual assessment, the amount due for filing of the annual statement pursuant to sections 423 and 601 and the amount due for the certificate of authority annual continuation fee pursuant to section 601. When an extension of the time of filing an annual statement is granted for good cause by the superintendent pursuant to section 423, subsection 1, or section 4208, the insurer or health maintenance organization must be assessed a provisional amount of $100. Upon receipt of the insurer's or health maintenance organization's annual statement, the provisional assessment must be adjusted to effect a final assessment for the fiscal year at the same rate utilized by the superintendent and levied upon all insurers by the general assessment of July 1st.  
[PL 1997, c. 79, §2 (AMD).]

5. **Time of payment.** Time of payment for the annual assessment, the annual statement filing fee and the annual continuation fee must be made on or before August 10th.  
[PL 1995, c. 544, §1 (AMD).]

6. **Revocation or suspension.** If the annual assessment, annual statement filing fee or annual continuation fee is not paid to the superintendent on or before the prescribed date, the license or certificate of authority of an insurer or health maintenance organization to transact business in this State may be revoked or suspended by the superintendent after a hearing or upon waiver of hearing by the insurer or health maintenance organization until the annual assessment, annual statement filing fee and annual continuation fee is paid. A reinstatement of certificate of authority may not be made prior to payment of the balance of the annual assessment, annual statement filing fee or continuation fee.  
[PL 1997, c. 79, §2 (AMD).]

7. **Recalculation of assessment.** Immediately following the close of the fiscal year ending June 30, 1987, and at the close of each 2nd succeeding fiscal year, the superintendent shall recalculate the assessment made against each party assessed after giving recognition to actual expenditures of the bureau during the preceding biennial period. On or before October 1st, the superintendent shall render to each party assessed a statement showing the difference between their respective recalculated assessment and the amount they had paid with respect to the preceding biennium. Any overpayment of annual assessment resulting from complying with the requirements of this section must be refunded or, at the option of the assessed party, applied as a credit against the assessment for the succeeding fiscal year. Any overpayment of $100 or less must be applied as a credit against the assessment for the succeeding fiscal year.  
[PL 1997, c. 79, §2 (AMD).]

8. **Deposit with Treasurer of State.** The superintendent shall deposit all payments made pursuant to this section with the Treasurer of State. The money must be used for the sole purpose of paying the expenses of the Bureau of Insurance.  
[PL 1997, c. 79, §2 (AMD).]

9. **Exclusions.** This section does not apply to fraternal benefit societies, as defined in section 4101; assessment mutual insurance companies, as defined in section 3603; and joint underwriting associations, subject to section 2322.  
[PL 1997, c. 79, §2 (AMD).]
10. **Applicability.** This section applies with respect to insurers for fiscal years commencing on or after July 1, 1986 and to health maintenance organizations for fiscal years commencing on or after July 1, 1997. [PL 1997, c. 79, §2 (AMD).]

C. Until January 1, 1989, a domestic mutual insurer formed prior to January 1, 1968, and while possessing surplus of not less than $200,000 may be authorized to transact, in addition to the types of insurance it was transacting prior to July 24, 1984, any other additional kinds of insurance authorized by its charter; subject to those minimum required basic surplus amounts applicable as to foreign mutual insurers as contained in the table in paragraph B, if the insurer is to transact life
insurance together with any one or more of property, casualty, surety or marine and transportation insurances. [PL 1987, c. 78, §1 (AMD).]

D. Domestic mutual insurers holding a certificate of authority upon January 1, 1989, if otherwise qualified, and possessed of basic surplus in minimum required amounts as contained in the table in this paragraph may continue to be so authorized, provided those insurers continue to possess and maintain unimpaired basic surplus funds as determined in this paragraph and applicable to those lines or kinds of insurance permitted by its certificate of authority immediately prior to January 1, 1989. Upon application by any such insurer and written approval by the superintendent, the insurer's certificate of authority may be extended to permit the writing of other kinds or lines of insurance if the insurer is qualified and possessed of basic surplus funds in amounts contained in the table in this paragraph. A domestic mutual insurer holding a certificate of authority prior to January 1, 1989, but which does not possess and maintain basic surplus in the minimum required amounts contained in the table in this paragraph, may continue to be authorized to transact insurance in this State and to write other kinds or lines of insurance, subject to the approval of the superintendent, as long as it maintains 100% reinsurance and has no liabilities.

For the purposes of this paragraph, any assuming reinsurer must be a corporation which possesses the ability to exercise control of the ceding insurer, must be an insurance company possessed of a certificate of authority to transact the same kinds of insurance in this State as those assumed and shall file a consolidated annual statement as required by section 423.

A health, life and health or multiple line (as described in section 409) insurer may qualify for a certificate of authority to transact a legal services insurance business, as described in chapter 38, if it is otherwise qualified therefor and possesses and thereafter maintains, in addition to the amounts described in the following table, an additional amount of unimpaired paid-in capital stock, if a stock insurer, or unimpaired basic surplus, if a foreign mutual or reciprocal insurer, of not less than $500,000.

1. No insurance company other than a domestic real estate title insurance company or a domestic mutual fire insurance company that is transacting only the business of fire, marine or glass on the assessment plan may do so in this State unless it makes and maintains a deposit with the Superintendent of Insurance, as security for all its policyholders, of securities that are determined eligible for deposit under section 1253. The deposit must be maintained in a minimum actual market value that, exclusive of interest, may never be less than $100,000. The deposit must be retained by the superintendent and disposed of as directed by section 1263.

[PL 1999, c. 113, §16 (AMD).]
2. Any admitted foreign insurance company may file with the superintendent a certificate of the insurance supervisory official of such other jurisdiction that he holds in trust and on deposit for benefit of all the policyholders of the company a deposit of not less than $100,000 in such securities as are required or permitted to be deposited with him by the laws of that jurisdiction. These securities are to be of a character consistent with investment authority in such jurisdiction. Such certificate shall contain a statement by said supervisory official that he is satisfied that the actual market value of these securities is of minimum value of $100,000. No deposit shall be required to be maintained in this State while such a deposit, if so certified, is retained by said supervisory official. [PL 1975, c. 77 (RPR).]

3. The superintendent shall receive and hold in trust deposits made under this section by any domestic insurance company in compliance with the laws of this or any other state, to enable it to do business in this or any other state, and in like manner shall hold deposits made by a foreign company under the laws of this State. The company making such deposit shall be entitled to any investment income thereon and with the superintendent's consent, if not inconsistent with the laws under which such deposit was made, may exchange in whole or in part such securities comprising the deposit for other approved securities of equal value. [PL 1975, c. 77 (RPR).]

4. The superintendent shall not authorize an alien insurer to transact insurance in this State unless it makes in this State through the superintendent and thereafter continuously maintains a deposit, representing funds in excess of all the insurer's liabilities under insurance contracts in force in the United States of America, of a fair market value in amount not less than the minimum paid-in capital stock required under this Title of a foreign stock insurer authorized to transact like kinds of insurance in this State. The superintendent may require additional trustee surplus funds in reasonable amount to secure the interest of beneficiaries under policies insured by the alien insurer. In addition to the foregoing trustee surplus account, an alien insurer authorized pursuant to this Title shall establish and maintain in one or more states of the United States a deposit or deposits of trust assets of a kind and quality as generally required by this section. The value of the deposit or deposits shall be at least equal to those obligations resulting from insurance in force in the United States. The deposit or deposits shall, if located outside the State, be subject to administration standards comparable to those contained in this Title. The deposit shall be held in trust for the exclusive benefit of the insurer's policyholders and creditors in the United States of America.

A. In lieu of such a deposit made or maintained in this State, the superintendent shall accept the certificate in proper form of the insurance supervisory official having general supervision of insurers in any other state to the effect that a deposit of like quality and amount, or part thereof, by such insurer is being maintained for like purposes in public custody or control pursuant to the laws of such state. [PL 1975, c. 77 (NEW).] [PL 1985, c. 330, §2 (AMD).]

5. All such deposits in this State are subject to the provisions of chapter 15 (Administration of Deposits). [PL 1975, c. 77 (NEW).]

For purposes of this requirement, a report of examination is deemed "current" only if its date of account is within 36 months of filing of the application, except that the superintendent may, in the superintendent's discretion, accept a report of examination within a period reasonably proximate to 36 months from its date of account that is filed by the applicant promptly upon its receipt when issuance of the report by the domiciliary regulator has been delayed for reasons beyond the control of the applicant and that are unrelated to the applicant's financial condition or its compliance with applicable laws; [PL 1995, c. 570, §1 (AMD).]

10. If an alien insurer, a copy of the appointment and authority of its United States manager, certified by its officer having custody of its records.
§413-A. Alien insurer; port of entry

1. Port of entry. An alien insurer that has been authorized by the superintendent to use the State as its port of entry for the transaction of business in the United States is considered a domestic insurer to the extent provided in this section. An alien insurer that has been approved by another state to use that state as its port of entry is considered to be domiciled in that state in the same manner, if there is a valid reciprocity agreement between that state and this State or if the superintendent has determined that the applicable laws of that state are substantially similar to this section and its implementing rules.

2. Rules. The superintendent shall adopt rules establishing the terms and conditions of port of entry authorization, which include without limitation:

A. The requirements an alien insurer must satisfy to qualify for port of entry authorization. These requirements must include, at a minimum:
   (1) Agreement to adhere to all laws applicable to domestic insurers;
   (2) Maintenance of appropriate trust surplus or other adequate security within the State;
   (3) Maintenance of records of all United States operations within the State; and
   (4) Maintenance of a separate financial reporting system for United States operations;

B. The procedures for obtaining, maintaining and terminating port of entry authorization; and

C. Modifications of the provisions of this Title, and of the rules adopted by the superintendent that apply to domestic insurers, as the superintendent determines necessary for the appropriate regulation of alien insurers with port of entry authorization.

§414. Issuance, refusal of authority, ownership of certificate

1. If upon completion of its application, the superintendent finds that the insurer has met the requirements therefor under this Title, and that the insurer has furnished evidence satisfactory to him that its methods of operation are not such as would render its proposed operation hazardous to the public or its policyholders in this State, the superintendent shall issue to the insurer a proper certificate of authority; otherwise, the superintendent shall issue his order refusing such certificate.

2. The certificate of authority, if issued, shall state the insurer's name, home office address, state or country of organization, and the kinds of insurance the insurer is authorized to transact throughout
this State. At the insurer's request, the superintendent may issue a certificate of authority limited to particular types of insurance or coverages within a kind of insurance as defined in chapter 9. [PL 1973, c. 585, §12 (AMD).]

3. Although issued and delivered to the insurer, the certificate of authority at all times shall be the property of the State of Maine. Upon any expiration, suspension or termination thereof, the insurer shall promptly deliver the certificate to the superintendent. [PL 1973, c. 585, §12 (AMD).]

4. Insurers required to file an annual statement must, as a condition to the issuance or continuance of a certificate of authority, provide the National Association of Insurance Commissioners with all information required for participation in the Insurance Regulatory Information System. This filing must contain the insurer's current annual statement convention blank and, if requested by the superintendent or the National Association of Insurance Commissioners, publicly available financial reports of any affiliated insurers or other entities necessary for analyzing any insurer licensed in this State. Each statement furnished by an insurer must be manually executed by those persons who are required by section 423 to verify an annual statement utilizing the prescribed jurat. Any amendments and addendums to the annual statement subsequently filed with the superintendent must also be filed with the National Association of Insurance Commissioners. Insurers shall provide written certification to the superintendent that they have complied with this subsection when they file their annual statements. This subsection does not apply to any insurer doing business under chapter 51. In the absence of bad faith, fraud or intentional act, an officer or an employee of the National Association of Insurance Commissioners may not be subject to civil liability for libel, slander or any other cause of action in tort as a result of processing data or other information filed by insurers under this subsection or distribution of reports prepared on the basis of that information to insurance regulatory officials of any state that has subscribed to and used the Insurance Regulatory Information System through the National Association of Insurance Commissioners. Information provided to the superintendent that is held confidential by the National Association of Insurance Commissioners must be held confidential by the superintendent unless that information is relevant to any hearing conducted by the superintendent pursuant to section 229 or an order requiring disclosure is issued by the Superior Court. [PL 1991, c. 828, §13 (AMD).]

5. The superintendent may require insurers subject to this section to make available any accountant's work papers created during an audit.

A. The superintendent may review the accountant's work papers upon timely notice to the insurer. The superintendent may photocopy or otherwise record the contents of work papers during the review. [PL 1989, c. 846, Pt. C, §3 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. Any work papers or copies of work papers under the superintendent's custody or control are confidential and are not subject to public inspection. [PL 1989, c. 846, Pt. C, §3 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

C. The work papers of an insurer's subsidiaries, parent or other corporate affiliates are deemed to be the insurer's work papers to the extent that the work papers reference transactions between the insurer and the subsidiary, parent or corporate affiliate and affect the insurer's final equity determination. [PL 1989, c. 846, Pt. C, §3 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

D. The insurer shall, as a condition of the accountant's engagement, require accountants:

1. To retain any work papers prepared in connection with an audit of the insurer for at least 6 years after the close of a reporting period; and

2. To provide the work papers, or a copy, to the insurer at the insurer's request. [PL 1989, c. 846, Pt. C, §3 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]
E. For purposes of this subsection, the term "work papers" includes, but is not limited to, schedules, analyses, reconciliations, abstracts, memoranda, narratives, flow charts, copies of company records or other documents prepared or obtained by the accountant and the accountant's employees in conducting the examination of the insurer. [PL 1989, c. 846, Pt. C, §3 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

   [PL 1995, c. 544, §3 (AMD).]

2. [PL 1995, c. 544, §4 (RP).]

3. The superintendent may, upon the insurer's request made within 3 months after suspension, reinstate a certificate of authority that the superintendent suspended due to the insurer's failure to pay the annual fee upon payment by the insurer of the fee for reinstatement specified in section 601. Otherwise the insurer may be granted another certificate of authority only after filing application therefor and meeting all other requirements as for an original certificate of authority in this State. [PL 1997, c. 592, §11 (AMD).]

4. [PL 1997, c. 592, §11 (RP).]

SECTION HISTORY

§415-A. Termination of certificate of authority
An authorized insurer which elects to terminate its license authority in this State, in whole or in part, shall submit a withdrawal plan designed to protect policyholders and claimants which is subject to approval by the superintendent. The insurer shall submit its plan at least 60 days prior to its proposed date of withdrawal. The plan shall include, but not be limited to, requirements and procedures for meeting the insurer's existing contractual obligations, providing security in the event of a subsequent insolvency and meeting any applicable statutory obligations. The plan shall also comply with any further terms and conditions which are prescribed by rules adopted by the superintendent. In order to protect the interest of the people of this State, the superintendent may require the insurer to make a deposit of securities of a nature and type eligible under section 1253, to be held in trust by the treasurer in the name of the superintendent. [PL 1985, c. 330, §5 (NEW).]
If an insurer's license authority is revoked, suspended or otherwise terminated in a manner other than by its election, the superintendent shall issue an order which prescribes terms and conditions related to the license termination which shall, to the extent practicable, conform to the requirements governing withdrawal plans as prescribed by this section and rules promulgated under this section. In the event that an insurer attempts to terminate its license authority in this State without filing a withdrawal plan acceptable to the superintendent, the superintendent shall issue an order prescribing the terms and conditions of the termination. Any order issued pursuant to this section, including an order directing an insurer to produce relevant information, may be enforced as provided by section 214. [PL 1985, c. 330, §5 (NEW).]

SECTION HISTORY

§416. Petition for suspension or revocation of certificate of authority; mandatory grounds

1. Notwithstanding Title 4, chapter 5, and Title 5, section 10051, the superintendent shall refuse to continue or shall suspend or revoke an insurer's certificate of authority:
   A. If such action is required by any provision of this Title; [PL 1983, c. 419, §1 (AMD).]
   B. If a foreign insurer and it no longer meets the requirements for a certificate of authority, on account of deficiency of capital or surplus or otherwise; [PL 1983, c. 419, §1 (AMD).]
   C. If a domestic insurer and it has failed to cure an impairment of capital or surplus within the time allowed therefor by the superintendent under this Title or is otherwise no longer qualified for the certificate of authority; [PL 1983, c. 419, §1 (AMD).]
   D. If the insurer's certificate of authority to transact insurance therein is suspended or revoked by its state of domicile, or state of entry into the United States, if an alien insurer; or [PL 1969, c. 132, §1 (NEW).]
   E. For failure of the insurer to pay taxes on its premiums as required by law. [PL 1969, c. 132, §1 (NEW).]

2. Except in case of insolvency or impairment of required capital or surplus, or suspension or revocation by another state as referred to in subsection 1, paragraph D, the superintendent shall give the insurer at least 20 days notice in advance of any such refusal, suspension or revocation under this section and of the particulars of the reasons therefor. If the insurer requests a hearing thereon within the 20 days, the request shall automatically stay the superintendent's proposed action until his order is made on that hearing. Hearings held pursuant to this subsection shall be held in conformity with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter IV. [PL 1983, c. 419, §1 (AMD).]

3. If an action initiated by the superintendent to suspend or revoke an insurer's certificate of authority is based on subsection 1, paragraphs B or C, a sworn statement of financial condition of the insurer signed by an officer of the insurer which indicates that the insurer no longer meets the requirements for a certificate of authority shall be prima facie proof that the requirements for a certificate of authority are not met. [PL 1983, c. 419, §1 (NEW).]

SECTION HISTORY

§417. Suspension or revocation of certificate of authority; discretionary and special grounds
1. Notwithstanding Title 4, chapter 5 and Title 5, section 10051, the superintendent may refuse to continue or may suspend or revoke an insurer's certificate of authority if the superintendent finds, after a hearing thereon or upon waiver of hearing by the insurer, that the insurer has violated or failed to comply with any lawful order of the superintendent, or has willfully violated or willfully failed to comply with any lawful rule of the superintendent, or has violated any provision of this Title other than those for violation of which suspension or revocation is mandatory.

2. The superintendent shall suspend or revoke an insurer's certificate of authority on any of the following grounds, if he finds after a hearing held in conformity with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter IV, that the insurer:

A. Is in unsound condition, or is being fraudulently conducted, or is in such condition or using such methods and practices in the conduct of its business as to render its further transaction of insurance in this State currently or prospectively hazardous or injurious to policyholders or to the public; [PL 1983, c. 419, §2 (AMD).]

B. With such frequency as to indicate its general business practice in this State, has without just cause failed to pay, or delayed payment of, claims arising under its policies, whether the claim is in favor of an insured or is in favor of a third person; or, with like frequency, without just cause compels insureds or claimants to accept less than the amount due them or to employ attorneys or to bring suit against the insurer or an insured to secure full payment or settlement of such claims; [PL 1983, c. 419, §2 (AMD).]

C. Refuses to be examined, or if its directors, officers, employees or representatives refuse to submit to examination relative to its affairs, or to produce its accounts, records and files for examination by the superintendent when required, or refuse to perform any legal obligation relative to the examination; or [PL 1973, c. 585, §12 (AMD).]

D. Has failed to pay any final judgment rendered against it in this State upon any policy, bond, recognizance or undertaking as issued or guaranteed by it, within 30 days after the judgment became final or within 30 days after dismissal of an appeal before final determination, whichever date is the later. [PL 1969, c. 132, §1 (NEW).]

[PL 1983, c. 419, §2 (AMD).]

3. Notwithstanding Title 4, chapter 5 and Title 5, section 10051, the superintendent may, without notice or a hearing thereon, immediately suspend the certificate of authority of any insurer as to which proceedings for receivership, conservatorship, rehabilitation or other delinquency proceedings have been commenced against the insurer in any state by the public official charged with supervising the insurance industry in that state. Upon suspending a certificate of authority under this subsection, the superintendent shall promptly schedule a hearing on the matter, to be held within 30 days of the suspension. The superintendent shall make a determination within 30 days after the conclusion of that hearing.

1. The suspension of an insurer's certificate of authority must be for such period as the superintendent specifies in the order of suspension. During the suspension period, the superintendent may rescind or shorten the suspension period by further order. The superintendent may reinstate the insurer's certificate of authority upon written request of the insurer if the superintendent finds that the causes of the suspension are no longer continuing and that the insurer is otherwise in compliance with the requirements of this Title.

2. During the suspension period, the insurer shall not solicit or write any new business in this State, but shall file its annual statement, pay fees, licenses and taxes as required under this Title, and may service its business already in force in this State, as if the certificate of authority had continued in full force.

3. Upon expiration of the suspension period, if within that period the certificate of authority has not terminated, the insurer's certificate of authority shall reinstate unless the superintendent finds that the causes of the suspension are continuing, or that the insurer is otherwise not in compliance with the requirements of this Title.

4. Upon reinstatement of the insurer's certificate of authority, the authority of its agents in this State to represent the insurer shall likewise reinstate. The superintendent shall promptly notify the insurer and its agents in this State of record in the bureau, of that reinstatement.

[PL 1995, c. 375, Pt. A, §1 (NEW).]

   B. "Material reinsurance transaction" means:

   (1) A transaction involving property and casualty business, including accident and health business written by a property and casualty insurer, that involves more than 50% of either the insurer's total ceded written premium or the insurer's total ceded indemnity and loss adjustment reserves;

   (2) A transaction involving life, annuity or accident and health business that causes a change, either positive or negative, in the current total reserve credit taken for all life, annuity and accident and health business of more than 50% from the total reserve credit taken for such business in the insurer's most recent annual statement. "Total reserve credit" includes reserve credit taken for unearned premiums, reserve credit taken other than for unearned premiums and amounts recoverable on paid and unpaid losses for all reinsurance ceded;

   (3) Any transaction in which either:

   (a) An authorized reinsurer representing more than 10% of the insurer's total reserve credit for business ceded is replaced by one or more unauthorized reinsurers; or
(b) Previously established collateral requirements have been reduced or waived for one or more unauthorized reinsurers representing collectively more than 10% of the insurer's total reserve credit for business ceded; or

(4) Transactions otherwise falling within the scope of this paragraph do not need to be reported if:

(a) In the case of a property and casualty insurer, the insurer's total ceded written premium represents, on an annualized basis, less than 10% of its total written premium for direct and assumed business;

(b) In the case of a life, annuity and accident and health insurer, the total reserve credit taken for business ceded represents, on an annualized basis, less than 10% of the statutory reserve requirement before any cession; or

(c) The transaction falls within the scope of a previously reported reinsurance agreement.  
[RR 1995, c. 2, §51 (COR).]

3. Reporting procedures.  Reports for material investment transactions and material reinsurance transactions must follow the following procedures.

A. A report of a material investment transaction must include the following information:

(2) Manner of acquisition or disposition;

(3) Description of the assets involved;

(4) Nature and amount of the consideration given or received;

(5) Purpose of or reason for the transaction;

(6) Manner by which the amount of consideration was determined;

(7) Gain or loss recognized or realized as a result of the transaction; and

(8) Name of the person from whom the assets were acquired or to whom they were disposed.  
[PL 1995, c. 375, Pt. A, §1 (NEW).]

B. A report of a material reinsurance transaction must include the following information:

(1) Effective date of the nonrenewal, cancellation or revision of the reinsurance agreement affected by the transaction;

(2) The description of the transaction with an identification of the initiator of the transaction;

(4) If applicable, the identity of the replacement reinsurers.  
[PL 1995, c. 375, Pt. A, §1 (NEW).]

C. An insurer is considered to have ceded substantially all of its direct and assumed business to a pool if the insurer has less than $1,000,000 total direct and assumed written premiums during a calendar year that are not subject to a pooling arrangement and the net income of the business not subject to the pooling arrangement represents less than 5% of the insurer's capital and surplus.  
[PL 1995, c. 375, Pt. A, §1 (NEW).]  
[PL 1995, c. 375, Pt. A, §1 (NEW).]
4. **Confidentiality.** All reports obtained by or disclosed to the superintendent pursuant to this section are confidential, are not subject to subpoena and may not be made public by the superintendent, the National Association of Insurance Commissioners or any other person, except to insurance departments of other states, without the prior written consent of the insurer to which it pertains. If the superintendent, after giving the insurer that would be affected notice and an opportunity for hearing, determines that publication is in the interest of policyholders, shareholders or the public, the superintendent may publish all or any part of a report in the manner the superintendent determines to be appropriate.

[PL 1995, c. 375, Pt. A, §1 (NEW).]

SECTION HISTORY

1. **Annual report supplement required.** Each health insurer and health maintenance organization shall file an annual report supplement on or before March 1st of each year, or within any reasonable extension of time that the superintendent for good cause may have granted on or before March 1st. The superintendent shall adopt rules regarding specifications for the annual report supplement. The annual report supplements must provide the public with general, understandable and comparable financial information relative to the in-state operations and results of authorized insurers and health maintenance organizations. Such information must include, but is not limited to, medical claims expense, administrative expense and underwriting gain for each line segment of the market in this State in which the insurer participates. The annual report supplements must contain sufficient detail for the public to understand the components of cost incurred by authorized health insurers and health maintenance organizations as well as the annual cost trends of these carriers. The superintendent shall develop standardized definitions of each reported measure. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2003, c. 469, Pt. E, §2 (NEW).]

2. **Exemption.** If an insurer is engaged in the type of health insurance business identified as an exception to the definition of health insurance in section 704, subsection 2 and is not engaged in health insurance in this State as defined in that section, then the insurer is not subject to the requirements of this section for the filing of annual report supplements.

SECTION HISTORY

§423-G. **Corporate governance annual disclosure**

1. **Definitions.** As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

   A. "Corporate governance annual disclosure" or "CGAD" means a confidential report filed by an insurer or insurance group pursuant to this section. [PL 2017, c. 169, Pt. A, §5 (NEW).]

   B. "Domestic insurance carrier" means an insurance company, health maintenance organization, fraternal benefit society, nonprofit hospital or medical service organization or nonprofit health plan domiciled in this State. [PL 2017, c. 169, Pt. A, §5 (NEW).]

   C. "Insurance group" means the insurance carriers and affiliates included within a domestic insurance carrier's insurance holding company system as defined in section 222, subsection 2, paragraph C. [PL 2017, c. 169, Pt. A, §5 (NEW).]

   D. "Lead state," with respect to an insurance group, means the state designated as the lead state for the insurance group as determined by the procedures outlined in the most recent financial analysis handbook adopted by the NAIC, except that if the designated lead state does not have a corporate governance disclosure law substantially similar to this section, the superintendent shall designate this State or another state with a substantially similar law as the lead state for purposes of this section. [PL 2017, c. 169, Pt. A, §5 (NEW).]

   E. "NAIC" means the National Association of Insurance Commissioners or its successor organization of insurance regulators. [PL 2017, c. 169, Pt. A, §5 (NEW).]

2. **Disclosure requirement.** This subsection governs corporate governance annual disclosure filings.

   A. A domestic insurance carrier shall file a corporate governance annual disclosure in accordance with this subsection no later than June 1st of each calendar year. The carrier's insurance group may file the CGAD on behalf of the carrier.

      (1) If the CGAD is completed at the insurance group level, and this State is not the group's lead state, the CGAD must be filed with the chief insurance regulator of the lead state in accordance with the laws of the lead state, and a copy must be filed with the superintendent if requested by the superintendent.

      (2) If the CGAD is completed at the legal entity level or if this State is the group's lead state, the CGAD must be filed with the superintendent. [PL 2017, c. 169, Pt. A, §5 (NEW).]

   B. The CGAD must contain the information described in subsection 3, paragraph B and must include a signature of the domestic insurance carrier or insurance group's chief executive officer or corporate secretary attesting to the best of that individual's belief and knowledge that the domestic insurance carrier has implemented the corporate governance practices and that a copy of the CGAD has been provided to the domestic insurance carrier's board of directors or the appropriate committee thereof. [PL 2017, c. 169, Pt. A, §5 (NEW).]

   C. A CGAD may provide information regarding corporate governance at the level of the group's ultimate controlling parent or intermediate holding company, at the individual legal entity level or
at any combination of these levels depending upon how the domestic insurance carrier or insurance group has structured its system of corporate governance. The domestic insurance carrier or insurance group is encouraged to make the CGAD at the level:

1. At which the domestic insurance carrier's or insurance group's risk appetite is determined;
2. At which the earnings, capital, liquidity, operations and reputation of the domestic insurance carrier are overseen collectively and at which the supervision of those factors is coordinated and exercised; or
3. At which legal liability for failure of general corporate governance duties is placed.

If the domestic insurance carrier or insurance group determines the level of reporting based on the 3 criteria under this paragraph, it shall indicate which of the criteria were used to determine the level or levels of reporting and explain any subsequent changes in the level of reporting. [PL 2017, c. 169, Pt. A, §5 (NEW).]

D. If the CGAD is completed at the insurance group level, the lead state shall conduct the review of the CGAD and any additional requests for information must be made through the lead state. [PL 2017, c. 169, Pt. A, §5 (NEW).]

E. Domestic insurance carriers providing information substantially similar to the information required by this section in other documents provided to the superintendent, including proxy statements filed in conjunction with Form B requirements or other state or federal filings provided to the bureau, may not be required to duplicate that information in the CGAD, but may only be required to cross-reference the document in which the information is included. [PL 2017, c. 169, Pt. A, §5 (NEW).]

3. Contents of corporate governance annual disclosure. This subsection governs the contents of corporate governance annual disclosure filings.

A. The domestic insurance carrier or insurance group shall ensure that the CGAD contains the material information necessary to permit the superintendent to gain an understanding of the domestic insurance carrier's or insurance group's corporate governance structure, policies and practices. The superintendent may require additional information that is determined to be material and necessary to provide a clear understanding of the corporate governance policies, including the reporting or information system or controls implementing those policies. [PL 2017, c. 169, Pt. A, §5 (NEW).]

B. The CGAD must be prepared consistent with rules adopted pursuant to subsection 6. Documentation and supporting information must be maintained and made available upon examination or upon request of the superintendent. [PL 2017, c. 169, Pt. A, §5 (NEW).]

C. The domestic insurance carrier or insurance group has discretion over its responses to the CGAD inquiries, as long as those responses meet the requirements of this section. [PL 2017, c. 169, Pt. A, §5 (NEW).]

4. Confidentiality. This subsection governs confidentiality in corporate governance annual disclosure filings.

A. Documents, materials or other information in the possession or control of the bureau that are obtained by, created by or disclosed to the superintendent or any other person under this section, including the CGAD, are confidential and privileged, are not public records within the meaning of the Freedom of Access Act, are not subject to subpoena, are not subject to discovery or admissible in evidence in any private civil action and may not be made public without the prior written consent of the domestic insurance carrier. Neither the superintendent nor any person who received
information from or under the authority of the superintendent under this section may be permitted or required to testify in any private civil action concerning information that is confidential under this subsection. [PL 2017, c. 169, Pt. A, §5 (NEW).]

B. This subsection does not prohibit the superintendent from using information that is confidential under this subsection in the furtherance of any regulatory or legal action brought as a part of the superintendent's official duties. [PL 2017, c. 169, Pt. A, §5 (NEW).]

C. The superintendent may share information that is confidential under this subsection only in accordance with the requirements of section 216, subsection 5. [PL 2017, c. 169, Pt. A, §5 (NEW).]

D. The privilege provided by this subsection does not supersede any other applicable privilege or confidentiality protection, nor does disclosure of confidential information to the superintendent pursuant to this section constitute a waiver of any such privilege or protection. [PL 2017, c. 169, Pt. A, §5 (NEW).]

5. NAIC and independent consultants. This subsection governs independent consultants retained to review corporate governance annual disclosure and compliance with this section.

A. The superintendent may retain, at the domestic insurance carrier's expense, independent consultants as provided in section 208, including attorneys, actuaries, accountants and other experts as may be reasonably necessary to assist the superintendent in reviewing the CGAD and related information or the domestic insurance carrier's compliance with this section. [PL 2017, c. 169, Pt. A, §5 (NEW).]

B. Any persons retained under paragraph A must be under the direction and control of the superintendent, are subject to the same confidentiality standards and requirements as the superintendent and must act in a purely advisory capacity. [PL 2017, c. 169, Pt. A, §5 (NEW).]

C. The superintendent may not retain an independent consultant that has not verified to the superintendent, with notice to the domestic insurance carrier, that it is free of a conflict of interest and that it has internal procedures in place to monitor ongoing freedom from conflicts and to comply with the confidentiality standards and requirements of this section. [PL 2017, c. 169, Pt. A, §5 (NEW).]

D. The superintendent may share confidential information provided or obtained under this section with the NAIC only in accordance with a written agreement that contains the provisions specified in section 216, subsection 5, paragraph C and the following additional provisions:

1. Procedures and protocols for sharing by the NAIC only with other state regulators from states in which the insurance group has domiciled insurance carriers. The agreement must provide that the recipient agrees to maintain the confidentiality and privileged status of the CGAD-related documents, materials or other information and must document the NAIC's legal authority to maintain confidentiality;

2. A provision that prohibits the NAIC from storing the information shared pursuant to this section in a permanent database after the underlying analysis is completed;

3. A provision requiring the NAIC to provide prompt notice to the superintendent, in addition to the notice to the domestic insurance carrier or insurance group required by section 216, regarding any subpoena, request for disclosure or request for production of the domestic insurance carrier's or insurance group's CGAD-related information; and

4. A provision expressly requiring the written consent of the domestic insurance carrier before any information shared pursuant to this section may be made public. [PL 2017, c. 169, Pt. A, §5 (NEW).]
E. The superintendent may share confidential information provided or obtained under this section with an independent consultant only in accordance with a written agreement that makes compliance with the confidentiality requirements of this section one of the consultant's duties as a state contractor and includes all protections that the NAIC is required to provide in an agreement entered into under paragraph D. [PL 2017, c. 169, Pt. A, §5 (NEW).]

6. Rules. The superintendent may adopt reasonable rules as necessary to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

7. Severability. If any provision of this section other than subsection 4, or the application thereof to any person or circumstance, is determined to be invalid, that determination does not affect the provisions or applications of this section that can be given effect without the invalid provision or application, and to that end the provisions of this section with the exception of subsection 4 are severable.

8. Relationship to other laws. This section may not be construed to prescribe or impose corporate governance standards and internal procedures beyond those required of business corporations under Title 13-C. This section may not be construed to limit the superintendent's examination authority under sections 221 and 222 or the rights or obligations of 3rd parties in connection with examinations conducted under those sections.

Insurance indemnifying the producer of any motion picture, television, radio, theatrical, sport, spectacle, entertainment or similar production, event or exhibition against loss from interruption, postponement or cancellation thereof due to death, accidental injury or sickness of performers, participants, directors or other principals; [PL 1969, c. 132, §1 (NEW).]

N-1. Involuntary unemployment. Insurance against the loss of income due to a permanent or temporary job loss or job change. Involuntary unemployment insurance may include labor dispute coverage. O. Miscellaneous. Insurance against any other kind of loss, damage or liability properly a subject of insurance and not within any other kind of insurance as defined in this subchapter, if such insurance is not disapproved by the superintendent as being contrary to law or public policy. [PL 1973, c. 585, §12 (AMD).]

2. Provision of medical, hospital, surgical and funeral benefits, and of coverage against accidental death or injury, as incidental to and part of other insurance as stated under subsection 1, paragraphs A (vehicle), B (liability), D (burglary), G (boiler and machinery), J (malpractice) and K (elevator) shall for all purposes be deemed to be the same kind of insurance to which it is so incidental, and shall not be subject to provisions of this Title applicable to life and health insurances. [PL 1969, c. 132, §1 (NEW).]

3. An insurer other than a casualty insurer may transact employee benefit excess insurance only if that insurer is authorized to insure the class of risk assumed by the underlying benefit plan. Employee benefit excess insurance, even if written by a life or health insurer, is not subject to chapters 29 and 31 to 37, except to the extent that particular provisions are made expressly applicable by rule or law. No later than July 1, 1997, the superintendent shall by rule set standards distinguishing excess insurance from basic insurance. In developing these standards, the superintendent may consider the analysis supporting the recommendations of the National Association of Insurance Commissioners. [PL 1995, c. 673, Pt. B, §2 (AMD).]

LIMITS OF RISK

§721. Limits of risk

1. No insurer shall retain any risk on any one subject of insurance, whether located or to be performed in this State or elsewhere, in an amount exceeding 10% of its surplus to policyholders.
[PL 1969, c. 132, §1 (NEW).]

2. A "subject of insurance" for the purposes of this section, as to insurance against fire and hazards other than windstorm, earthquake and other catastrophic hazards, includes all properties insured by the same insurer which are customarily considered by underwriters to be subject to loss or damage from the same fire or the same occurrence of any other hazard insured against.
[PL 1969, c. 132, §1 (NEW).]

3. Reinsurance ceded as authorized by section 731 shall be deducted in determining risk retained. As to surety risks, deduction shall be made of the amount assumed by any authorized cosurety and the value of any security deposited, pledged or held subject to the surety's consent and for the surety's protection.
[PL 1969, c. 132, §1 (NEW).]
4. As to alien insurers, this section shall relate only to risks and surplus to policyholders of the insurer's United States branch.
[PL 1969, c. 132, §1 (NEW).]

5. "Surplus to policyholders" for the purposes of this section, in addition to the insurer's capital and surplus, shall be deemed to include any voluntary reserves which are not required pursuant to law, and shall be determined from the last sworn statement of the insurer on file with the superintendent, or by the last report of examination of the insurer, whichever is the more recent at time of assumption of risk.

6. This section shall not apply to life or health insurance, annuities, title insurance, insurance of wet marine and transportation risks, workers' compensation insurance, employers' liability coverages, nor to any policy or type of coverage as to which the maximum possible loss to the insurer is not readily ascertainable on issuance of the policy.

SUBCHAPTER 3

REINSURANCE

§731. Reinsurance
(REPEALED)

SECTION HISTORY

§731-A. Acceptance of reinsurance

An insurer may accept reinsurance only of such kinds of risks, and retain risk thereon within such limits, as the insurer is otherwise authorized to insure. [PL 1989, c. 846, Pt. E, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

SECTION HISTORY

§731-B. Credit for reinsurance

1. Credit for reinsurance is allowed a domestic ceding insurer as either an asset or a deduction from liability on account of reinsurance ceded only when the reinsurance is ceded to a solvent assuming insurer that:

   A. Is licensed to transact insurance or reinsurance in this State, provided the assuming insurer maintains surplus as regards policyholders in an amount not less than the sum of paid-in capital stock, if any, and surplus as otherwise required for a certificate of authority for the kinds and amount of insurance and assumed reinsurance the insurer has in force net of any applicable ceded reinsurance. If the assuming insurer is licensed as a special purpose reinsurance vehicle pursuant to section 782 and maintains capital and surplus in accordance with the requirements of section
787, credit for reinsurance under a special purpose reinsurance vehicle contract, as defined in section 781, subsection 15, is allowed only to the extent that:

1. The fair value of the assets held by or for the benefit of the ceding insurer equals or exceeds the obligations due and payable to the ceding insurer by the special purpose reinsurance vehicle under the special purpose reinsurance vehicle contract;
2. The assets are held in accordance with the requirements in subchapter 6;
3. The assets are administered in the manner and pursuant to arrangements under subchapter 6;
4. The assets are held or invested in one or more of the forms allowed in section 795; and
5. The contract complies with all other relevant requirements of subchapter 6; [PL 2007, c. 386, §1 (AMD).]

B. Is domiciled and licensed in a state that employs standards regarding credit for reinsurance substantially similar to those applicable under this section, if the insurer:

1. Submits to the authority of this State to examine its books and records; and
2. Except where reinsurance is ceded and assumed pursuant to pooling arrangements among insurers in the same holding company system, maintains a surplus regarding policyholders in an amount not less than $20,000,000; [PL 1991, c. 828, §16 (AMD).]

B-1. Is accredited as a reinsurer in this State, in accordance with the following standards.

1. To apply for accreditation, a reinsurer shall file with the superintendent a written application on a form prescribed by the superintendent, accompanied by the fee prescribed in section 601, subsection 26 and an agreement to submit to the jurisdiction of the courts of this State and to the authority of the superintendent to examine the reinsurer's books and records.
2. An accredited reinsurer must be licensed to transact insurance or reinsurance in at least one state, or in the case of a United States branch of an alien reinsurer, that reinsurer must be entered through and licensed to transact insurance or reinsurance in at least one state.
3. An accredited reinsurer shall file with the superintendent, as part of its application and annually thereafter, a copy of its annual statement filed with the insurance department of its state of domicile or United States port of entry and a copy of its most recent audited financial statement.
4. A reinsurer applying for accreditation that maintains a surplus as regards to policyholders in an amount not less than $20,000,000 is deemed to be accredited if the reinsurer's application is not denied by the superintendent within 90 days after submission of the application. The superintendent has the discretion to grant accreditation to an applicant with a surplus less than $20,000,000 subject to such terms and conditions as the superintendent determines to be necessary and appropriate for the protection of domestic ceding insurers and their policyholders.

B-2. Is certified as a reinsurer in this State and secures its obligations in accordance with this paragraph.

1. To be eligible for certification, the assuming insurer must meet the following requirements:
   a. The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a jurisdiction determined by the superintendent to be a qualified jurisdiction pursuant to subparagraph (3);
(b) The assuming insurer must maintain minimum capital and surplus, or its equivalent, in an amount to be determined by the superintendent pursuant to rules adopted under subsection 7;
(c) The assuming insurer must maintain financial strength ratings from 2 or more rating agencies determined by the superintendent to be acceptable pursuant to rules adopted under subsection 7;
(d) The assuming insurer must agree to submit to the jurisdiction of this State and to appoint an agent for service of process in the same manner as provided for authorized insurers under section 421 and agree to provide security for 100% of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers if the assuming insurer resists enforcement of a final United States judgment;
(e) The assuming insurer must agree to meet applicable information filing requirements as determined by the superintendent, both with respect to an initial application for certification and on an ongoing basis;
(f) The assuming insurer must pay the application fee prescribed in section 601, subsection 26-A and, to the extent provided in rules adopted under subsection 7, must agree to pay reasonable costs of review; and
(g) The assuming insurer must satisfy any other requirements for certification established by the superintendent.

(2) An association including incorporated and individual unincorporated underwriters may be a certified reinsurer. In order to be eligible for certification, in addition to satisfying the requirements of subparagraph (1):
(a) The association may satisfy its minimum capital and surplus requirements through the capital and surplus equivalents, net of liabilities, of the association and its members, which must include a joint central fund that may be applied to any unsatisfied obligation of the association or any of its members, in an amount determined by the superintendent to provide adequate protection;
(b) The incorporated members of the association may not be engaged in any business other than underwriting as a member of the association and must be subject to the same level of regulation and solvency control by the association's domiciliary regulator as are the unincorporated members; and
(c) Within 90 days after its financial statements are due to be filed with the association's domiciliary regulator, the association shall provide to the superintendent an annual certification by the association's domiciliary regulator of the solvency of each underwriter member of the association or, if a certification is unavailable, financial statements, prepared by independent public accountants, of each underwriter member of the association.

(3) The superintendent shall create and publish a list of jurisdictions that are qualified to serve as the domiciliary regulators of certified reinsurers.
(a) In order to determine whether the domiciliary jurisdiction of an alien assuming insurer is eligible to be recognized as a qualified jurisdiction, the superintendent shall evaluate the appropriateness and effectiveness of the reinsurance supervisory system of the jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the jurisdiction to reinsurers licensed and domiciled in the United States. To be recognized as qualified, a jurisdiction must agree to share information and cooperate with the superintendent with respect to all certified reinsurers domiciled within that jurisdiction. A jurisdiction may not be recognized as a qualified
jurisdiction if the superintendent has determined that the jurisdiction does not adequately and promptly enforce final United States judgments and arbitration awards. The superintendent may consider additional factors.

(b) If the National Association of Insurance Commissioners has published a list of recommended qualified jurisdictions, the superintendent shall consider that list in determining qualified jurisdictions. If the superintendent recognizes a jurisdiction as qualified that does not appear on the list published by the National Association of Insurance Commissioners, the superintendent shall make detailed findings of fact supporting the recognition in accordance with criteria to be developed in rules adopted under subsection 7.

(c) United States jurisdictions that are accredited by the National Association of Insurance Commissioners must be recognized as qualified jurisdictions.

(d) If a certified reinsurer's domiciliary jurisdiction ceases to be a qualified jurisdiction, the superintendent may suspend the reinsurer's certification indefinitely, in lieu of revocation.

(4) The superintendent shall assign a rating to each certified reinsurer, giving due consideration to the financial strength ratings that have been assigned by rating agencies determined to be acceptable pursuant to rules adopted under subsection 7. The superintendent shall publish a list of all certified reinsurers and their ratings.

(5) A certified reinsurer shall secure all obligations assumed from United States ceding insurers under this subsection, and under comparable laws of other states, at a level consistent with its rating and in a form acceptable to the superintendent, in compliance with rules adopted under subsection 7.

(a) If the security is insufficient, the superintendent shall reduce the allowable credit by an amount proportionate to the deficiency and may impose further reductions in allowable credit upon finding that there is a material risk that the certified reinsurer's obligations will not be paid in full when due.

(b) The reinsurer may secure its obligations as a certified reinsurer through a multibeneficiary trust that meets the requirements of paragraph C and subsection 2-A, with the following modifications.

(i) The maximum credit allowable may exceed the value of the qualifying security to the extent provided in this subparagraph.

(ii) The minimum trusteed surplus is $10,000,000, rather than the amount specified in paragraph C.

(iii) If the certified reinsurer also maintains a multibeneficiary trust for obligations required to be fully secured under paragraph C or comparable laws of other states, the certified reinsurer shall maintain separate trust accounts for its obligations incurred under reinsurance agreements issued or renewed with reduced security as permitted by this paragraph or comparable laws of other United States jurisdictions and for its obligations that are required to be fully secured. The trust accounts may not be approved as qualifying security unless the reinsurer has bound itself, by the language of the trust and by agreement with the insurance regulator with principal oversight of each such trust account, to apply, upon termination of any such trust account, the remaining surplus of that trust to the extent necessary to fund any deficiency of any other such trust account.
(c) If a certified reinsurer does not secure its obligations through a qualifying multibeneficiary trust, it must secure its obligations to the ceding insurer consistent with the requirements of subsection 3, except that the maximum credit allowable may exceed the value of the qualifying security to the extent provided in this subparagraph.

(d) For purposes of this subparagraph, a certified reinsurer whose certification has been terminated for any reason must be treated as a certified reinsurer required to secure 100% of its obligations, unless the superintendent has continued to assign a higher rating, as permitted by other provisions of this section, to a certified reinsurer in inactive status or to a reinsurer whose certification has been suspended.

(6) If an applicant for certification has been certified as a reinsurer in a jurisdiction accredited by the National Association of Insurance Commissioners, the superintendent may defer to that jurisdiction's certification to grant certification in this State and may defer to the rating assigned by that jurisdiction.

(7) A certified reinsurer that ceases to assume new business in this State may request to maintain its certification in inactive status in order to continue to qualify for a reduction in security for its in-force business. An inactive certified reinsurer shall continue to comply with all applicable requirements of this subsection, and the superintendent shall assign a rating that takes into account, if relevant, the reasons why the reinsurer is not assuming new business. [PL 2013, c. 238, Pt. B, §4 (NEW).]

C. Maintains a trust fund in a qualified United States financial institution for the payment of the valid claims of its United States ceding insurers, their assigns and successors in interest.

(1) The assuming insurer shall report annually to the superintendent information substantially the same as that required to be reported on the National Association of Insurance Commissioners Annual Statement form by licensed insurers to enable the superintendent to determine the sufficiency of the trust fund.

(2) In the case of a single assuming insurer, the trust must consist of a trusteed account representing the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers and, in addition, unless the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least 3 full years, must include a trusteed surplus of at least $20,000,000. The trust must provide that after the assuming insurer has permanently discontinued underwriting new business secured by the trust for at least 3 full years, the insurance regulator with principal oversight of the trust may authorize a reduction in the required trusteed surplus, but only after a finding, based on an assessment of the risk, that the new required surplus level is adequate for the protection of United States ceding insurers, policyholders and claimants in light of reasonably foreseeable adverse loss development. The risk assessment may involve an actuarial review, including an independent analysis of reserves and cash flows, and must consider all material risk factors, including when applicable the lines of business involved, the stability of the incurred loss estimates and the effect of the surplus requirements on the assuming insurer's liquidity or solvency. The minimum required trusteed surplus may not be reduced to an amount less than 30% of the assuming insurer's liabilities attributable to reinsurance ceded by United States ceding insurers covered by the trust.

(3-A) A group including incorporated and individual unincorporated underwriters may secure its obligations with funds held in trust in compliance with the following standards.

(a) For reinsurance ceded under reinsurance agreements with an inception, amendment or renewal date on or after January 1, 1993, the trust must consist of a trusteed account in an amount at least equal to the respective underwriters' several liabilities attributable to reinsurance ceded by United States domiciled ceding insurers to any underwriter that is a member of the group.
(b) Notwithstanding the other provisions of this section, for reinsurance ceded under reinsurance agreements with an inception date on or before December 31, 1992 and not amended or renewed after that date, the trust must consist of a trusteed account in an amount not less than the respective underwriters' several insurance and reinsurance liabilities attributable to business written in the United States.

(c) In addition, the group shall maintain a trusteed surplus of at least $100,000,000 held jointly for the benefit of the United States domiciled ceding insurers of any member of the group for all years of account.

An incorporated member of the group may not be engaged in any business other than underwriting as a member of the group and is subject to the same level of solvency regulation and control by the group's domiciliary regulator as are the unincorporated members. Within 90 days after its financial statements are due to be filed with the group's domiciliary regulator, the group shall provide to the superintendent an annual certification by the group's domiciliary regulator of the solvency of each underwriter member of the group or, if a certification is unavailable, financial statements prepared by independent public accountants.

(4-A) The superintendent in rules adopted pursuant to subsection 7 may establish alternative criteria for approval of a reinsurance trust if the superintendent determines that the criteria provide adequate protection to policyholders of United States ceding insurers and are in substantial conformance with standards approved by the National Association of Insurance Commissioners.

(5) The trust must be established in a form approved by the superintendent and consistent with any rules adopted by the superintendent pursuant to this section. The form of the trust and any amendments to the trust must also have been approved by the insurance regulatory official of the state where the trust is domiciled or of another state that, pursuant to the terms of the trust instrument, has accepted principal regulatory oversight of the trust. The trust instrument must provide that contested claims are valid and enforceable upon the final order of any court of competent jurisdiction in the United States. The trust must vest legal title to its assets in the trustees of the trust for the benefit of the assuming insurer's United States ceding insurers, their assigns and successors in interest. The trust and the assuming insurer are subject to examination, as determined by the superintendent, at the assuming insurer's expense. The trust must remain in effect for as long as the assuming insurer has outstanding obligations due under the reinsurance agreements subject to the trust.

(6) The trustees of the trust shall report to the superintendent in writing by February 28th of each year, setting forth the balance of the trust and listing the trust's investments at the end of the preceding year and certifying the date of termination of the trust, if so planned, or certifying that the trust does not expire before December 31st of the current year.

(7) The corpus of the trust is to be valued as any other admitted asset or assets; [PL 2013, c. 238, Pt. B, §5 (AMD).]

D. Does not meet the requirements of paragraph A, B, B-1, B-2 or C, but only with respect to risks located in a jurisdiction where that reinsurance is required by law. The superintendent may waive the requirements of subsections 2 and 5 to the extent that compliance with those requirements is not feasible for compulsory reinsurance subject to this paragraph. The superintendent for good cause after notice and opportunity for hearing may disallow or reduce the credit otherwise permitted under this paragraph. [PL 2017, c. 169, Pt. C, §1 (AMD).]

[PL 2007, c. 169, Pt. C, §1 (AMD).]

1-A. The superintendent may suspend or revoke a reinsurer's accreditation or certification under subsection 1, after notice and opportunity for hearing, for failure to meet the applicable requirements
of subsection 1 or on any ground that would warrant similar action against the certificate of authority of an authorized insurer.

A. A suspension or revocation under this subsection may not take effect until after the superintendent's order following a hearing, unless:

(1) The reinsurer waives its right to a hearing;

(2) The superintendent's order is based on regulatory action by the reinsurer's domiciliary jurisdiction or the voluntary surrender or termination of the reinsurer's eligibility to transact insurance or reinsurance business in its domiciliary jurisdiction or in the primary certifying state of the reinsurer under subsection 1, paragraph B-2, subparagraph (6); or

(3) The superintendent finds that an emergency requires immediate action and a court of competent jurisdiction has not stayed the superintendent's action. [PL 2013, c. 238, Pt. B, §7 (NEW).]

B. While a reinsurer's accreditation or certification is suspended pursuant to this subsection, no reinsurance contract issued or renewed after the effective date of the suspension qualifies for credit under subsection 1 except to the extent that the reinsurer's obligations under the contract are secured in accordance with subsection 3. If a reinsurer's accreditation or certification is revoked pursuant to this subsection, no credit for reinsurance may be granted after the effective date of the revocation except to the extent that the reinsurer's obligations under the contract are secured in accordance with subsection 1, paragraph B-2, subparagraph (5) or subsection 3. [PL 2013, c. 238, Pt. B, §7 (NEW).]

C. The superintendent may deny an application for accreditation or certification under subsection 1, or may impose conditions or restrictions on a reinsurer's accreditation or certification, on any ground for which accreditation or certification may be suspended or revoked. [PL 2013, c. 238, Pt. B, §7 (NEW).] [PL 2013, c. 238, Pt. B, §7 (NEW).]

2. The credit permitted by subsection 1 is not to be allowed unless the assuming insurer agrees in the reinsurance agreements:

A. That, if the assuming insurer fails to perform its obligations under the terms of the reinsurance agreement, the assuming insurer, at the request of the ceding insurer:

(1) Will submit to the jurisdiction of any court of competent jurisdiction in any state of the United States;

(2) Will comply with all requirements necessary to give the court jurisdiction; and

(3) Will abide by the final decision of the court or of any Appellate Court in the event of an appeal; and [PL 1989, c. 846, Pt. E, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. To designate the superintendent or an attorney as its attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the ceding company, as required in section 421. [PL 1989, c. 846, Pt. E, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

This provision is not intended to conflict with or override the obligation of the parties to a reinsurance agreement to arbitrate their disputes, if such an obligation is created in the agreement. [PL 1989, c. 846, Pt. E, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

2-A. Credit for reinsurance may not be allowed on the basis of a trust maintained pursuant to subsection 1, paragraph C unless the assuming insurer agrees in the trust agreements to the following conditions.
A. Notwithstanding any other provisions in the trust instrument, if the trust fund contains an amount less than the amount required by this section, or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of its state or country of domicile, the trustee shall comply with an order of the commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the commissioner with regulatory oversight all of the assets of the trust fund. [PL 2001, c. 47, §5 (NEW).]

B. The assets must be distributed by and claims must be filed with and valued by the commissioner with regulatory oversight in accordance with the laws of the state in which the trust is domiciled that are applicable to the liquidation of domestic insurance companies. [PL 2001, c. 47, §5 (NEW).]

C. If the commissioner with regulatory oversight determines that the assets of the trust fund or any part of the assets of the trust fund are not necessary to satisfy the claims of the United States ceding insurers of the grantor of the trust, the assets or part of the assets of the trust fund must be returned by the commissioner with regulatory oversight to the trustee for distribution in accordance with the trust agreement. [PL 2001, c. 47, §5 (NEW).]

D. The grantor shall waive any right otherwise available to it under United States law that is inconsistent with this subsection. [PL 2001, c. 47, §5 (NEW).]

2-B. Through rules adopted under subsection 7, the superintendent may establish additional requirements that reinsurance agreements that are subject to this subsection must satisfy to qualify for credit.

A. This subsection applies only to reinsurance of:

(1) Life insurance policies with guaranteed nonlevel gross premiums or guaranteed nonlevel benefits;

(2) Universal life insurance policies with provisions resulting in the ability of a policyholder to keep a policy in force over a secondary guarantee period;

(3) Variable annuities with guaranteed death or living benefits;

(4) Long-term care insurance policies; or

(5) Other life and health insurance and annuity products for which the National Association of Insurance Commissioners adopts model regulatory requirements with respect to credit for reinsurance. [PL 2017, c. 169, Pt. C, §2 (NEW).]

B. Requirements established under this subsection may address:

(1) The valuation of assets or reserve credits;

(2) The amount and forms of acceptable security, in accordance with rules that may supplement or modify the requirements of subsection 3; and

(3) The circumstances pursuant to which credit will be reduced or eliminated. [PL 2017, c. 169, Pt. C, §2 (NEW).]

C. Requirements established under this subsection may take into consideration the results of applying the valuation manual adopted under section 959 to ceded policies whose statutory reserves are calculated according to a prior methodology. [PL 2017, c. 169, Pt. C, §2 (NEW).]

D. Requirements established with respect to reinsurance described in paragraph A, subparagraphs (1) and (2) may apply to any treaty for which the risk ceded includes:

(1) Policies issued on or after January 1, 2015; or
(2) Risk on policies issued before January 1, 2015 and ceded in connection with the treaty, in whole or in part, on or after January 1, 2015. [PL 2017, c. 169, Pt. C, §2 (NEW).]

E. This subsection does not apply to cessions to an assuming insurer that:

3. An asset or a reduction from liability for the reinsurance ceded to an assuming insurer not meeting the requirements of subsection 1 is allowed in an amount not exceeding the liabilities carried by the ceding insurer. The reduction must equal the value of funds held by or on behalf of the ceding insurer, including funds held in trust for the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of obligations under the contract, if such security is held in the United States subject to withdrawal solely by, and under the exclusive control of, the ceding insurer or, in the case of a trust, held in a qualified United States financial institution. This security may be in the form of:

B. Securities listed by the Securities Valuation Office of the National Association of Insurance Commissioners, including those designated as exempt from filing in the purposes and procedures manual of the Securities Valuation Office, and qualifying as admitted assets; or [PL 2013, c. 238, Pt. B, §8 (AMD).]

C. Clean, irrevocable, unconditional letters of credit, issued or confirmed by a qualified United States financial institution no later than December 31st of the year for which filing is being made and in the possession of the ceding company on or before the filing date of its annual statement.

(1) A letter of credit from an issuer determined to be acceptable as of the date of issuance or the date of confirmation of the letter, notwithstanding the issuing or confirming institution's subsequent failure to meet applicable standards of issuer acceptability, continues to be acceptable as security until its expiration, extension, renewal, modification or amendment, whichever first occurs. The ceding insurer shall replace a nonqualifying letter of credit at its earliest opportunity.

(2) The letter of credit must indicate that it is not subject to any condition or qualification outside the letter of credit, and that the beneficiary need only draw a sight draft under the letter and present the letter to obtain funds and that no other document need be presented. [PL 1993, c. 313, §18 (AMD).]

4. For purposes of this section, a "qualified United States financial institution" means an institution that:

A. Is organized or, in the case of a United States branch or agency office of a foreign banking organization, is licensed under the laws of the United States or any state of the United States; [PL 1991, c. 828, §17 (AMD).]

B. Is regulated, supervised and examined by federal or state authorities having regulatory authority over banks and trust companies; and [PL 1991, c. 828, §17 (AMD).]
C. Has been determined by the superintendent or the Securities Valuation Office of the National Association of Insurance Commissioners to meet standards of financial condition and standing that are considered necessary and appropriate to regulate the quality of financial institutions whose letters of credit will be acceptable to the superintendent. [PL 1991, c. 828, §17 (NEW).]

[PL 1991, c. 828, §17 (AMD).]

4-A. "Qualified United States financial institution" means for purposes of those provisions of this section specifying those institutions that are eligible to act as a fiduciary of a trust an institution that:

A. Is organized or in the case of a United States branch or agency office of a foreign banking organization licensed under the laws of the United States or any state of the United States and has been granted authority to operate with fiduciary powers; and [PL 1991, c. 828, §18 (NEW).]

B. Is regulated, supervised and examined by federal or state authorities having regulatory authority over banks and trust companies. [RR 1993, c. 1, §56 (COR).]

[RR 1993, c. 1, §56 (COR).]

5. Credit is allowed as an asset or deduction from liability to any ceding insurer only for reinsurance ceded to an assuming insurer qualified under this section, except that no credit is allowed, unless the reinsurance contract provides, in substance, that in the event of the insolvency of the ceding insurer, the reinsurance is payable under a contract or contracts reinsured by the assuming insurer on the basis of reported claims allowed by the court, without diminution because of the insolvency of the ceding insurer. The payments must be made directly to the ceding insurer or to the ceding insurer's domiciliary receiver unless the contract or other written agreement specifically provides another payee in the event of the insolvency of the ceding insurer or unless the assuming insurer, with the consent of the direct insured or insureds, has assumed the policy obligations of the ceding insurer as direct obligations of the assuming insurer to the payees under the reinsured policies and in substitution for the obligations of the ceding insurer to those payees.

The reinsurance agreement may condition the payments upon written notice by the ceding insurer's domiciliary receiver to the assuming insurer of the pendency of a claim on the contract reinsured within a reasonable time after the claim is filed in the proceeding where the claim is to be adjudicated. During the pendency of such a claim, any assuming insurer may investigate the claim and interpose, at the assuming insurer's own expense, any defenses in the proceeding that the assuming insurer determines available to the ceding insurer or to the ceding insurer's receiver. The expenses may be filed as a claim against the insolvent ceding insurer to the extent of its proportionate share of the benefit that may accrue to the ceding insurer solely as a result of the defense undertaken by the assuming insurer. When 2 or more assuming insurers are involved in the same claim and a majority in interest elect to interpose a defense to the claim, the expense must be apportioned in accordance with the terms of the reinsurance agreement as though the expense had been incurred by the ceding insurer.

[PL 2001, c. 47, §7 (AMD).]

6. [PL 1999, c. 113, §21 (RP).]

7. The superintendent may adopt rules, subject to Title 5, chapter 375, to implement this section. Rules adopted under this section are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A.

D. The notice of transfer must include a preaddressed, postage-paid response card that a policyholder may return as the written statement of acceptance or rejection of the transfer and novation. [PL 1993, c. 603 (NEW).]

E. The notice of transfer must be filed as part of the prior approval requirement set forth in subsection 2, paragraph A. [PL 1993, c. 603 (NEW).]
2. Notification and prior approval. The requirements for notification and prior approval are as follows:

A. Prior approval by the superintendent is required for a transaction when an insurer domiciled in this State assumes or transfers obligations or risks on contracts of insurance under an assumption reinsurance agreement. An insurer licensed in this State may not transfer obligations or risks on contracts of insurance issued to or owned by residents of this State to an insurer that is not licensed in this State. An insurer domiciled in this State may not assume obligations or risks on contracts of insurance issued to or owned by policyholders residing in another state unless it is licensed in the other state or the insurance regulatory official of that state has approved the assumption. [PL 1993, c. 603 (NEW).]

B. A licensed foreign insurer that enters into an assumption reinsurance agreement that transfers the obligations or risks on contracts of insurance issued to or owned by residents of this State shall file or cause to be filed the assumption certificate with the superintendent a copy of the notice of transfer and an affidavit that the transaction is subject to substantially similar requirements in the state of domicile of both the transferring and assuming insurer. [PL 1993, c. 603 (NEW).]

C. A licensed foreign insurer that enters into an assumption reinsurance agreement that transfers the obligations or risks on contracts of insurance issued to or owned by residents of this State shall obtain prior approval of the superintendent and be subject to all other requirements of this subchapter unless the transferring and assuming insurers are subject to assumption reinsurance requirements adopted by law or rule in the jurisdiction of their domicile, which are substantially similar to those contained in this subchapter. [PL 1993, c. 603 (NEW).]

D. The following factors, along with such factors as the superintendent determines appropriate under the circumstances, must be considered by the superintendent in reviewing a request for approval:

1. The financial condition of the transferring and assuming insurers and the effect the transaction has on the financial condition of each company;
2. The competence, experience and integrity of those persons who control the operation of the assuming insurer;
3. The plans or proposals the assuming party has with respect to the administration of the policies subject to the proposed transfer;
4. Whether the transfer is fair and reasonable to the policyholders of both companies; and
5. Whether the notice of transfer to be provided by the insurer is fair, adequate and not misleading. [PL 1993, c. 603 (NEW).]

[PL 1993, c. 603 (NEW).]

SECTION HISTORY

PL 1993, c. 603 (NEW).

§764. Rights of policyholder

1. Right to reject. Every policyholder has the right to reject the transfer and novation of the contracts of insurance. A policyholder electing to reject the assumption transaction shall return to the transferring insurer the preaddressed, postage-paid response card or other written notice and indicate on the response card that the assumption is rejected. [PL 1993, c. 603 (NEW).]

2. Payment of premium. Payment of the next premium to the assuming company after notice is received is determined to indicate the policyholder's acceptance of the transfer to the assuming insurer and a novation is determined to have been effected if the premium notice clearly states that payment of
the premium to the assuming insurer constitutes acceptance of the transfer. The premium notice must also provide a method for the policyholder to pay the premium while reserving the right to reject the transfer. With respect to a home service business or any other business not using premium notices, the disclosures and procedural requirements of this subsection are to be set forth in the notice of transfer required by section 763, subsection 1, paragraph A and in the assumption certificate.

[PL 1995, c. 329, §6 (AMD).]

3. **Additional notice.** No fewer than 24 months after the mailing of the initial notice of transfer required under section 763, if positive consent to the transfer and assumption has not been received or consent has not been determined to have occurred under subsection 1, the transferring company shall send to the policyholder a 2nd and final notice of transfer as specified in section 763, subsection 1. If the policyholder does not reject the transfer during the one-month period immediately following the date on which the transferring insurer mailed the 2nd and final notice of transfer, the policyholder's consent is determined to have occurred and novation of the contract is effected. With respect to the home service business, the 24 and one-month periods must be measured from the date of delivery of the notice of transfer pursuant to section 763, subsection 1, paragraph A.

[PL 1993, c. 603 (NEW).]

4. **Response cards.** The transferring insurer is deemed to have received the response card on the date it is postmarked. A policyholder may also send a response card by facsimile or other electronic transmission or by registered mail, express delivery or courier service, in which case the response card is determined to have been received by the assuming insurer on the date of actual receipt by the transferring insurer.

[PL 1993, c. 603 (NEW).]

**SECTION HISTORY**

§765. **Effect of consent by the policyholder**

If a policyholder consents to the transfer pursuant to section 764 or if the transfer is effected under section 766, there is a novation of the contract of insurance subject to the assumption reinsurance agreement with the result that the transferring insurer is relieved of all insurance obligations or risks transferred under the assumption reinsurance agreement and the assuming insurer is directly and solely liable to the policyholder for those insurance obligations or risks. [PL 1993, c. 603 (NEW).]

**SECTION HISTORY**

PL 1993, c. 603 (NEW).

§766. **Authority of the insurance regulatory official**

1. **Transfer in the best interest of the policyholders.** If an insurer domiciled in this State or in a jurisdiction having a substantially similar law is determined by the domiciliary insurance regulatory official to be in hazardous financial condition or an administrative proceeding has been instituted against it for the purpose of reorganizing or conserving the insurer, and the transfer of the contracts of insurance is in the best interest of the policyholders, as determined by the domiciliary insurance regulatory official, a transfer and novation may be effected notwithstanding the provisions of this subchapter. This may include a form of implied consent and adequate notification to the policyholder of the circumstances requiring the transfer as approved by the insurance regulatory official.

[PL 1993, c. 603 (NEW).]

2. **Protection.** Notwithstanding any other provision of law, in the event that a transfer and novation is effected by a decision of a domiciliary insurance regulatory official under this section, the residents of this State whose policies are transferred to an unlicensed insurer are entitled to full protection under chapter 57, subchapter III and chapter 62.
§781. Definitions

As used in this subchapter, unless the context otherwise indicates, the following terms have the following meanings. [PL 2003, c. 249, §2 (NEW).]

1. Aggregate limit. "Aggregate limit" means the maximum sum payable to the ceding insurer under a special purpose reinsurance vehicle contract. [PL 2003, c. 249, §2 (NEW).]

2. Catastrophe excess of loss property reinsurance. "Catastrophe excess of loss property reinsurance" means excess of loss reinsurance for a catastrophe layer of a reinsurance program, written on either a per occurrence or aggregate basis. [PL 2003, c. 249, §2 (NEW).]

3. Catastrophe life or health reinsurance. "Catastrophe life or health reinsurance" means reinsurance of life, health or annuity products that transfers mortality, morbidity, survival or other related risks in excess of existing proportional or nonproportional automatic and facultative treaties newly placed or in force on the same risks. [PL 2003, c. 249, §2 (NEW).]

4. Ceding insurer. "Ceding insurer" means an insurer that enters into a special purpose reinsurance vehicle contract with a special purpose reinsurance vehicle and includes a reinsurer retroceding assumed reinsurance to a special purpose reinsurance vehicle. A group of affiliated insurers under common control entering into a special purpose reinsurance vehicle contract on a coordinated basis is considered a single ceding insurer. [PL 2003, c. 249, §2 (NEW).]

5. Control. "Control," including the terms "controlling," "controlled by" and "under common control," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote or holds proxies representing 10% or more of the voting securities of any other person. This presumption may be rebutted by a showing that control does not exist. Notwithstanding this subsection, for the purposes of this subchapter, the fact that a special purpose reinsurance vehicle exclusively provides reinsurance to a ceding insurer under a special purpose reinsurance vehicle contract is not by itself sufficient grounds for a finding that the reinsurance vehicle or the special purpose reinsurance vehicle organizer or owner is controlled by or under common control with the ceding insurer. [PL 2003, c. 249, §2 (NEW).]

6. Fair value. "Fair value" means:

   A. As to cash, the amount of cash; and [PL 2003, c. 249, §2 (NEW).]

   B. As to an asset other than cash:
(1) The amount at which that asset could be bought or sold in a current transaction between arms-length, willing parties;

(2) The quoted market price for the asset in active markets must be used if available; and

(2) The terms of the contract and related transactions comply with this subchapter and any applicable rules adopted by the superintendent;

(3) The proposed plan of operation is not hazardous to any ceding insurer or to policyholders; and

(4) The insurance regulator of the state of domicile of each ceding insurer has notified the superintendent in writing that it has not disapproved the transaction. [PL 2003, c. 249, §2 (NEW).]

B. In evaluating the expectation of a successful operation, the superintendent shall consider, among other factors, whether the proposed organizer, directors and officers of the proposed special purpose reinsurance vehicle are of good character and not reasonably believed to be affiliated, directly or indirectly, through ownership, control, management, reinsurance transactions or other insurance or business relations, with any person known to have been involved in the improper manipulation of assets, accounts or reinsurance. [PL 2003, c. 249, §2 (NEW).]

C. If the superintendent denies the application or if the superintendent withholds consent to a proposed transaction involving a domestic ceding insurer under a similar law of another jurisdiction the proposed organizer or ceding insurer has the right to a hearing upon a timely request filed pursuant to section 229. [PL 2003, c. 249, §2 (NEW).]

[PL 2003, c. 249, §2 (NEW).]

5. Reinsurance activities. The limited certificate of authority must state that the special purpose reinsurance vehicle's authorization to be involved in the business of insurance is limited only to the reinsurance activities that the special purpose reinsurance vehicle is allowed to conduct pursuant to this subchapter.
6. **Documentation of insurance securitization.** The special purpose reinsurance vehicle organizer shall provide a complete set of the documentation of the insurance securitization to the superintendent upon closing of any transactions, including an opinion of legal counsel with respect to compliance with this subchapter and any other applicable laws as of the effective date of any transaction.  
[PL 2007, c. 386, §8 (AMD).]

7. **Changes in plan of operation.** Any material change to the special purpose reinsurance vehicle's plan of operation filed pursuant to subsection 2, including, but not limited to, the initiation of a new insurance securitization to continue the activities of the special purpose reinsurance vehicle pursuant to this subchapter after expiration and full satisfaction of the initial securitization transactions, requires prior approval of the superintendent. A change in the counterparty to swap transactions for an existing insurance securitization as allowed under this subchapter is not considered a material change unless the special purpose reinsurance vehicle's managers know or should know that the new counterparty presents a substantial risk of default.  
[PL 2007, c. 386, §9 (NEW).]

### §783. Limited purpose of special purpose reinsurance vehicle

Special purpose reinsurance vehicles authorized under this subchapter are created for the limited purpose of entering into insurance securitization transactions with investors and related agreements to pay one or more ceding insurers agreed-upon amounts under a special purpose reinsurance vehicle contract upon the occurrence of triggering events related to the insurance business of the ceding insurer. A special purpose reinsurance vehicle may not issue a contract for assumption of risk or indemnification of loss other than a special purpose reinsurance vehicle contract.  
[PL 2003, c. 249, §2 (NEW).]

### §784. Approved transactions and operation of special purpose reinsurance vehicles

1. **Contracts.** Special purpose reinsurance vehicles authorized under this subchapter may enter into and effectuate special purpose reinsurance vehicle contracts with one or more ceding insurers as long as the contracts:

   A. Obligate the reinsurance vehicle to indemnify the ceding insurer for losses;  
   [PL 2003, c. 249, §2 (NEW).]

   B. Are securitized in full through a single special purpose reinsurance vehicle insurance securitization or, if protected cells are used, through a single special purpose reinsurance vehicle insurance securitization for each protected cell; and  
   [PL 2007, c. 386, §10 (AMD).]

   C. Are fully funded and secured with assets held in trust in accordance with the requirements of this section pursuant to agreements proposed under this subchapter, and invested in a manner that meets the criteria set forth in section 795.  
   [PL 2003, c. 249, §2 (NEW).]  
   [PL 2007, c. 386, §10 (AMD).]

2. **Eligible lines of business.** A special purpose reinsurance vehicle contract may only provide catastrophe excess of loss property reinsurance coverage or catastrophe life or health reinsurance coverage, unless the superintendent adopts rules pursuant to section 797 specifying additional lines of business that may be reinsured by a special purpose reinsurance vehicle or approves a waiver of the requirement of this subsection for good cause shown with respect to a particular application.
3. **Multiple ceding insurers.** A special purpose reinsurance vehicle may enter into contracts with multiple ceding insurers only if each contract is attributable to a different protected cell or if:

A. The special purpose reinsurance vehicle reinsures no more than 10 ceding insurers; and

B. Each ceding insurer has no more than $50,000,000 in surplus as reported in its most recent financial statement filed with its domiciliary regulator, as of the date the special purpose reinsurance vehicle is licensed. A group of ceding insurers under common control may elect to be treated as separate insurers for purposes of this subsection, but only if each insurer in the group that is reinsured by the same special purpose reinsurance vehicle is counted separately for purposes of the 10-cedent limit.

4. **Terms of operation.** A special purpose reinsurance vehicle may enter into agreements with 3rd parties and conduct business necessary to fulfill its obligations and administrative duties incident to the insurance securitization and the special purpose reinsurance vehicle contract. The agreements may include entering into swap agreements or other transactions that have the objective of leveling timing differences in funding upfront or ongoing transaction expenses or managing credit or interest rate risk of the investments in trust to ensure that the assets held in trust are sufficient to satisfy payment or repayment of the securities issued pursuant to an insurance securitization transaction and any other obligations of the special purpose reinsurance vehicle. In fulfilling its function, the special purpose reinsurance vehicle shall adhere to the following requirements and shall, to the extent of its powers, ensure that contracts obligating other parties to perform certain functions incident to its operations are substantively and materially consistent with the following requirements and guidelines.

A. A special purpose reinsurance vehicle must have a distinct name, which must include the designation "SPRV" or "Special Purpose Reinsurance Vehicle." The name of the reinsurance vehicle may not be deceptively similar to, or likely to be confused with or mistaken for, any other existing business name registered in this State.

B. Unless otherwise provided in the plan of operation, the principal place of business and office of any reinsurance vehicle organized under this subchapter must be located in this State.

C. The assets of a reinsurance vehicle must be preserved and administered by or on behalf of the reinsurance vehicle to satisfy the liabilities and obligations of the reinsurance vehicle incident to the insurance securitization and other related agreements including the contract.

D. Except as provided in paragraph D-1, assets of the reinsurance vehicle that are pledged to secure obligations of the reinsurance vehicle to a ceding insurer under a contract must be held in trust and administered by a qualified United States financial institution serving as trustee. The qualified United States financial institution may not control, be controlled by or be under common control with the reinsurance vehicle or any ceding insurer.

D-1. If approved by the superintendent, the reinsurance vehicle and the ceding insurer may enter into a written agreement, in compliance with the ceding insurer's applicable domiciliary credit for reinsurance laws, under which the assets pledged as security, in lieu of being held in trust, are held in the United States subject to withdrawal solely by the ceding insurer and under its exclusive control. The security agreement may not be approved unless the superintendent determines that the agreement is consistent with the purposes of this subsection, that the ceding insurer has unconditional access to the funds necessary to fulfill the reinsurance vehicle's obligations to the ceding insurer and that the assets withheld under the control of the ceding insurer are never less
than the amount that would otherwise be required to be held in trust. [PL 2007, c. 386, §13 (NEW).]

E. The trust described in paragraph D must be governed by a written agreement between the reinsurance vehicle and the ceding insurer that creates one or more trust accounts into which all pledged assets must be deposited and held until distributed in accordance with the trust agreement. The pledged assets must be held by the trustee at the trustee's office in the United States and may be held in certificated or electronic form. [PL 2007, c. 386, §13 (AMD).]

F. The provisions for withdrawal by the ceding insurer of funds from the trust must comply with the ceding insurer's applicable domiciliary credit for reinsurance laws and be clean and unconditional, subject only to the following requirements:

(1) The ceding insurer has the right to withdraw assets from the trust account at any time without notice to the reinsurance vehicle subject only to written notice to the trustee from the ceding insurer that funds in the amount requested are due and payable by the reinsurance vehicle;

(2) No other statement or document need be presented in order to withdraw assets, except that the ceding insurer may be required to acknowledge receipt of withdrawn assets;

(3) The trust agreement described in paragraph E must indicate that it is not subject to any conditions or qualifications outside of the trust agreement;

(4) The trust agreement described in paragraph E may not contain references to any other agreements or documents; and

(5) Reference may not be made to the fact that these funds may represent reinsurance premiums or that the funds have been deposited for any specific purpose. [PL 2007, c. 386, §13 (AMD).]

G. The trust agreement described in paragraph E must be established for the sole use and benefit of the ceding insurer at least to the full extent of the reinsurance vehicle's obligations to the ceding insurer under the contract. In the case of more than one ceding insurer or more than one reinsurance contract with the same ceding insurer, a separate trust agreement must be entered into with each ceding insurer and a separate trust account must be maintained for each ceding insurer. [PL 2007, c. 386, §13 (AMD).]

H. The trust agreement described in paragraph E must provide for the trustee to:

(1) Receive assets and hold all assets in a safe place;

(2) Determine that all assets are in a form that the ceding insurer or the trustee, upon direction by the ceding insurer, may whenever necessary negotiate the assets, without consent or signature from the reinsurance vehicle or any other person or entity;

(3) Furnish to the reinsurance vehicle, the superintendent and the ceding insurer a statement of all assets in the trust account referred to in paragraph E reported at fair value upon its inception and at intervals no less frequent than the end of each calendar quarter;

(4) Notify the reinsurance vehicle and the ceding insurer within 10 days of any deposits to or withdrawals from the trust account referred to in paragraph E;

(5) Upon written demand of the ceding insurer, immediately take steps necessary to transfer absolutely all right, title and interest in the assets held in the trust account referred to in paragraph E to the ceding insurer and deliver physical custody of the assets to the ceding insurer; and
(6) Allow no substitutions or withdrawals of assets from the trust account referred to in paragraph E except on written instructions from the ceding insurer. [PL 2003, c. 249, §2 (NEW).]

I. The trust agreement described in paragraph E must provide that at least 30 days but not more than 45 days before termination of the trust account written notification of termination must be delivered by the trustee to the ceding insurer. [PL 2007, c. 386, §13 (AMD).]

J. The trust agreement described in paragraph E may be made subject to and governed by the laws of any state in addition to the requirements for the trust as provided in this subchapter as long as the state is disclosed in the plan of operation filed with and approved by the superintendent. [PL 2003, c. 249, §2 (NEW).]

K. The trust agreement described in paragraph E must prohibit invasion of the trust account referred to in paragraph E for the purpose of paying compensation to or reimbursing the expenses of the trustee. [PL 2003, c. 249, §2 (NEW).]

L. The trust agreement described in paragraph E must provide that the trustee be liable for the trustee's own negligence, willful misconduct or lack of good faith.

(1) Notwithstanding the provisions of paragraph F, subparagraphs (3) to (5) and paragraph M, subparagraph (5), when a trust agreement described in paragraph E is established in conjunction with a contract, then the trust agreement may provide that the ceding insurer shall undertake to use and apply any amounts drawn upon the trust account without diminution because of the insolvency of the ceding insurer or the reinsurance vehicle for the following purposes:

(a) To pay or reimburse the ceding insurer amounts due to the ceding insurer under the contract, including, but not limited to, unearned premiums due to the ceding insurer if not otherwise paid by the reinsurance vehicle in accordance with the terms of that trust agreement; or

(b) When the ceding insurer has received notification of termination of the trust account referred to in paragraph E and when some or all of the reinsurance vehicle's obligations under the specific contract remain unliquidated and undischarged 10 days before the termination date, to withdraw amounts equal to the undischarged obligations and deposit the amounts in a separate account in the name of the ceding insurer in any qualified United States financial institution apart from its general assets in trust for the sole purpose of discharging any contractual obligations of the reinsurance vehicle that may remain executory after the withdrawal and for any period after the termination date. Assets so held must revert to the reinsurance vehicle when they are no longer necessary to secure the obligations of the reinsurance vehicle and may not exceed the sum of the following amounts as determined in good faith by the ceding insurer:

(i) Losses and loss expenses paid by the ceding insurer but not recovered from the reinsurance vehicle;

(ii) Reserves for losses reported and outstanding;

(iii) Reserves for losses incurred but not reported;

(iv) Reserves for loss expenses;

(v) Reserves for unearned premiums; and

(vi) Any additional amount necessary to maintain full funding of the aggregate limit remaining under the contract if the period of coverage or the agreed-upon period of loss development has yet to expire.
(2) The provisions to be included in the trust agreement described in paragraph E pursuant to this paragraph may instead be included in the underlying contract. [PL 2003, c. 249, §2 (NEW).]

M. A special purpose reinsurance vehicle contract must contain provisions that:

(1) Require the reinsurance vehicle to:
   (a) Enter into a trust agreement described in paragraph E and establish a trust account referred to in paragraph E for the benefit of the ceding insurer; or
   (b) Enter into a security agreement described in paragraph D-1.

   The trust agreement or security agreement must specify what recoverables or reserves or both the agreement is to cover;

(2) Stipulate that assets pledged as security be valued according to their current fair value for purposes of the contract and may consist only of permitted investments;

(3) If applicable, require the reinsurance vehicle, before depositing assets with the trustee, to execute assignments or endorsements in blank or to transfer legal title to the trustee of all shares, obligations or any other assets requiring assignments in order that the ceding insurer or the trustee upon the direction of the ceding insurer may whenever necessary negotiate any such assets without consent or signature from the reinsurance vehicle or any other entity;

(4) Require that all settlements of account between the ceding insurer and the reinsurance vehicle be made in cash or its equivalent; and

(5) Stipulate that the reinsurance vehicle and the ceding insurer agree that the assets in any trust account referred to in paragraph E and established pursuant to the provisions of the contract may be withdrawn by the ceding insurer at any time notwithstanding any other provisions in the contract and must be used and applied by the ceding insurer or any successor by operation of law of the ceding insurer, including, but not limited to, and subject to the provisions of section 793, any liquidator, rehabilitator, receiver or conservator of the ceding insurer, without diminution because of insolvency on the part of the ceding insurer or the reinsurance vehicle, only for the following purposes:
   (a) To transfer all such assets into one or more trust accounts pursuant to paragraph L for the benefit of the ceding insurer pursuant to the terms of the contract and in compliance with this subchapter; and
   (b) To pay any other amounts that the ceding insurer claims are due under the contract. [PL 2007, c. 386, §13 (AMD).]

N. The contract entered into by the reinsurance vehicle may contain provisions that give the reinsurance vehicle the right to seek approval from the ceding insurer to withdraw from the trust account referred to in paragraph E all or part of the assets contained in the trust account and to transfer the assets to the reinsurance vehicle as long as:

(1) The reinsurance vehicle shall at the time of the withdrawal replace the withdrawn assets with other qualified assets having a fair value equal to the fair value of the assets withdrawn and that meet the requirements of section 795; and

(2) After the withdrawals and transfer, the fair value of the assets in the trust account referred to in paragraph E securing the obligations of the reinsurance vehicle under the contract is no less than an amount needed to satisfy the full funding requirement of the contract. The ceding insurer has the sole discretion to determine whether these provisions have been satisfied but may not unreasonably nor arbitrarily withhold its approval. [PL 2003, c. 249, §2 (NEW).]
O. The contract must provide that investors in the reinsurance vehicle agree that any obligation to repay principal, interest or dividends on the securities issued by the reinsurance vehicle must be reduced upon the occurrence of a triggering event, to the extent that the assets of the reinsurance vehicle held in trust for the benefit of the ceding insurer are remitted to the ceding insurer in fulfillment of the obligations of the reinsurance vehicle under the contract. [PL 2003, c. 249, §2 (NEW).]

P. Assets held by a reinsurance vehicle in trust must be valued at their fair value. [PL 2003, c. 249, §2 (NEW).]

Q. The proceeds from the sale of securities by the reinsurance vehicle to investors must be deposited with the trustee or under the control of the ceding insurer as described in this subchapter and must be held or invested in accordance with the requirements of section 795. [PL 2007, c. 386, §13 (AMD).]

R. A reinsurance vehicle organized under this subchapter may engage only in fully funded contracts to support in full the ceding insurer's exposures assumed by the reinsurance vehicle. A contract must be indemnity-triggered unless the superintendent adopts rules pursuant to section 797 authorizing nonindemnity-triggered contracts and addressing the treatment of the portion of the risk that is nonindemnity-based, including accounting, disclosure, risk-based capital treatment and the manner in which risks associated with a nonindemnity-based contract may be evaluated and managed. Assets of the reinsurance vehicle may be used to pay interest or other consideration on any outstanding debt or other obligation of the reinsurance vehicle and nothing in this paragraph may be construed or interpreted to prevent a reinsurance vehicle from entering into a swap agreement or other transaction that has the effect of guaranteeing interest or other consideration. [PL 2003, c. 249, §2 (NEW).]

S. In the special purpose reinsurance vehicle insurance securitization, the contracts or other relating documentation must contain provisions identifying the reinsurance vehicle that enters into the reinsurance securitization and the contracts or other documentation must clearly disclose that the assets of the reinsurance vehicle and only those assets are available to pay the obligations of that reinsurance vehicle. Notwithstanding this paragraph, and subject to the provisions of this subchapter and any other applicable law, the failure to include such language in the contracts or other documentation may not be used as the sole basis by creditors, reinsurers or other claimants to circumvent the provisions of this subchapter. [PL 2003, c. 249, §2 (NEW).]

T. A reinsurance vehicle is not authorized to:

1. Issue or otherwise administer primary insurance policies;
2. Have any obligation to the policyholders or reinsureds of the ceding insurer;
3. Enter into a contract with a person that is not licensed or otherwise authorized to conduct the business of insurance or reinsurance in at least its state or country of domicile; or
4. Assume or retain exposure to insurance or reinsurance losses for its own account that is not initially fully funded by proceeds from an insurance securitization that meets the requirements of this subchapter. [PL 2003, c. 249, §2 (NEW).]

U. At the cessation of business of a reinsurance vehicle, the limited certificate of authority granted by the superintendent under section 782 expires and the reinsurance vehicle may no longer be authorized to conduct activities pursuant to this subchapter until a new certificate of authority is issued pursuant to a new filing in accordance with section 782. The completion of a reinsurance vehicle's securitization activities does not constitute the cessation of business for purposes of this paragraph if the reinsurance vehicle's approved business plan contemplates additional securitizations. [PL 2007, c. 386, §13 (AMD).]
V. It is unlawful for a reinsurance vehicle to lend or otherwise invest or place in custody, trust or under management any of its assets with or to borrow money or receive a loan or advance from, other than by issuance of the securities pursuant to an insurance securitization, from anyone convicted of a felony, anyone who is untrustworthy or of known bad character or anyone convicted of a criminal offense involving the conversion or misappropriation of fiduciary funds or insurance accounts, theft, deceit, fraud, misrepresentation or corruption. [PL 2003, c. 249, §2 (NEW).]

W. A special purpose reinsurance vehicle may purchase reinsurance with the approval of the superintendent to retrocede risks assumed through a special purpose reinsurance vehicle contract. Reinsurance purchased by the reinsurance vehicle does not reduce the aggregate limit of the reinsurance vehicle or the covered protected cell and may only be credited toward the funding requirements of the reinsurance vehicle or the covered protected cell to the extent that the ceding insurer has a direct right of recovery against the retrocessionaire that is secured by assets deposited with the trustee or under the control of the ceding insurer in accordance with this section and held or invested in accordance with the requirements of section 795. [PL 2007, c. 386, §13 (NEW).]

§784-A. Protected cells

1. Establishment of protected cells. A special purpose reinsurance vehicle may establish and maintain one or more protected cells with the prior written approval of the superintendent, subject to compliance with the provisions of this section.

A. A protected cell may be established only for the purpose of insuring or reinsuring risks of one or more special purpose reinsurance vehicle contracts with the intent of facilitating an insurance securitization. The establishment of a protected cell in compliance with this section in connection with a lawful insurance securitization does not constitute a fraudulent conveyance, a scheme to defraud creditors or a transaction of business for a fraudulent purpose. [PL 2007, c. 386, §14 (NEW).]

B. Each protected cell must be accounted for separately on the books and records of the special purpose reinsurance vehicle to reflect the financial condition and results of operations of the protected cell, net income or loss, dividends or other distributions for the special purpose reinsurance vehicle contract with each cell and other factors as may be provided in the special purpose reinsurance vehicle contract, insurance securitization transaction documents, plan of operation or business plan, or as required by the superintendent. The special purpose reinsurance vehicle must establish administrative and accounting procedures necessary for the proper attribution of protected cell assets and protected cell liabilities to each protected cell. The directors of a special purpose reinsurance vehicle shall keep the protected cell assets and liabilities attributable to each protected cell separate and separately identifiable from the assets and liabilities of the special purpose reinsurance vehicle's general account and from the protected cell assets and liabilities attributable to any other protected cell. [PL 2007, c. 386, §14 (NEW).]

C. Amounts attributed to a protected cell under this section, including assets transferred to a protected cell account, are owned by the special purpose reinsurance vehicle, and the special purpose reinsurance vehicle is not and may not hold itself out to be a trustee with respect to those protected cell assets of that protected cell account. [PL 2007, c. 386, §14 (NEW).]

D. All attributions of assets and liabilities between a protected cell and the general account must be in accordance with the plan of operation approved by the superintendent. No other attribution of assets or liabilities may be made by a special purpose reinsurance vehicle between the special purpose reinsurance vehicle's general account and its protected cell or cells. The special purpose
reinsurance vehicle must attribute all insurance obligations, assets and liabilities relating to a
special purpose reinsurance vehicle contract and the related insurance securitization transaction,
including any securities issued by the special purpose reinsurance vehicle as part of the insurance
securitization and any taxes or other obligations arising by operation of law, to the associated
protected cell. [PL 2007, c. 386, §14 (NEW).]

E. The assets of a protected cell are not chargeable with liabilities arising out of a special purpose
reinsurance vehicle contract related to or associated with another protected cell. More than one
special purpose reinsurance vehicle contract may not be attributed to the same protected cell unless
those special purpose reinsurance vehicle contracts are intended to be, and ultimately are, part of a
single securitization transaction. [PL 2007, c. 386, §14 (NEW).]

F. A sale, exchange or other transfer of assets may not be made by the special purpose reinsurance
vehicle between or among any of its protected cells without the consent of the superintendent, the
ceding insurer or insurers and the holders of the securities issued by each protected cell. [PL 2007,
c. 386, §14 (NEW).]

G. A sale, exchange, transfer of assets, dividend or distribution may not be made from a protected
cell without the superintendent's approval except as authorized in advance under the special purpose
reinsurance vehicle contract or related insurance securitization transaction documents and may not
be approved if the sale, exchange, transfer, dividend or distribution would result in insolvency or
impairment with respect to a protected cell. [PL 2007, c. 386, §14 (NEW).]

H. A special purpose reinsurance vehicle may pay interest or repay principal, or both, and make
distributions or repayments in respect of any securities attributed to a particular protected cell from
assets or cash flows relating to or emerging from the special purpose reinsurance vehicle contract
and the insurance securitization transactions that are attributable to that particular protected cell in
accordance with the provisions of this subchapter or as otherwise approved by the superintendent.
[PL 2007, c. 386, §14 (NEW).]

2. Approval of protected cells. A special purpose reinsurance vehicle contract with or attributable
to a protected cell does not take effect without the superintendent's prior written approval, and the
addition of each new protected cell constitutes a change in the business plan requiring the
superintendent's prior written approval and the amendment of the special purpose reinsurance vehicle's
limited certificate of authority. The superintendent may retain legal, financial and examination services
from outside the bureau to examine and investigate the application for a protected cell, the reasonable
cost of which may be charged against the applicant, or the superintendent may use internal resources
to examine and investigate the application, the reasonable cost of which may be charged against the
applicant up to a maximum of $12,000, or both. The application for approval of a protected cell must
include a plan of operation for the protected cell consistent with the requirements of section 782,
subsection 2, paragraph H.
[PL 2007, c. 386, §14 (NEW).]

3. Minimum capital requirements. A special purpose reinsurance vehicle with protected cells
shall possess and maintain capitalization in each protected cell in the amount and manner required for
a special purpose reinsurance vehicle in section 787 and, in addition, shall possess and maintain
minimum capitalization separate and apart from the capitalization of its protected cell or cells in an
amount determined by the superintendent after giving due consideration of the special purpose
reinsurance vehicle's business plan, feasibility study and proforma financial statements, including the
nature of the risks to be insured or reinsured.
[PL 2007, c. 386, §14 (NEW).]

4. Status of protected cells. A protected cell is not a legal person separate from the special purpose
reinsurance vehicle. However, a protected cell must have its own distinct name or designation that
includes the words "protected cell" and all protected cells must be identified by name in the special purpose reinsurance vehicle's limited certificate of authority. The special purpose reinsurance vehicle shall hold all assets attributable to the protected cell in one or more separately established and identified protected cell accounts bearing the name or designation of that protected cell.

A. The assets of a protected cell are available only to the ceding insurer and other creditors of that protected cell and may not be used to pay expenses or claims other than those attributable to the protected cell. Creditors with respect to a protected cell are not entitled to any recourse against the protected cell assets of other protected cells or the assets of the special purpose reinsurance vehicle's general account. If an obligation of a special purpose reinsurance vehicle relates only to the general account, the creditor is entitled to have recourse with respect to that obligation only to the assets of the general account. [PL 2007, c. 386, §14 (NEW).]

B. Protected cell assets may not be pledged or otherwise encumbered except for the benefit of creditors of that protected cell in furtherance of the securitization in accordance with the approved plan of operation. [PL 2007, c. 386, §14 (NEW).]

C. All contracts or other documentation reflecting protected cell liabilities must clearly indicate that only the protected cell assets are available for the satisfaction of those protected cell liabilities. In all special purpose reinsurance vehicle insurance securitizations involving a protected cell, the contracts or other documentation effecting the transaction must contain provisions identifying the protected cell to which the transaction is attributed. In addition, the contracts or other documentation must clearly disclose that the assets of that protected cell, and only those assets, are available to pay the obligations of that protected cell. However, failure to include express language attributing obligations under a contract to a protected cell does not give a party the right to void or reform the contract if the party had notice that the contract related to a protected cell. [PL 2007, c. 386, §14 (NEW).]

D. If the special purpose reinsurance vehicle enters into a contract involving more than one protected cell, the rights and obligations relating to each protected cell must be several rather than joint and the contract must make clear provisions for their apportionment between protected cells. [PL 2007, c. 386, §14 (NEW).]

E. In any action or proceeding involving the potential for monetary recovery by or against a special purpose reinsurance vehicle with protected cells, or for nonmonetary relief relating to a particular protected cell or cells, any process, pleading or order must name the specific cell or cells affected, including if applicable the general account. [PL 2007, c. 386, §14 (NEW).]

5. **Separate administrative services.** A special purpose reinsurance vehicle may contract with or arrange for an investment advisor, commodity trading advisor or other 3rd party to manage the assets or administer the obligations of a protected cell, if all remuneration, expenses and other compensation arising out of services performed with respect to that protected cell are payable only from the assets of that protected cell or, with the approval of the superintendent, from the assets of the special purpose reinsurance vehicle's general account. [PL 2007, c. 386, §14 (NEW).]

6. **Notice of impairment or insolvency.** A special purpose reinsurance vehicle with protected cells shall notify the superintendent in writing within 10 business days after the special purpose reinsurance vehicle or any protected cell becomes impaired or insolvent. [PL 2007, c. 386, §14 (NEW).]

7. **Conversion to protected cell framework.** A special purpose reinsurance vehicle without protected cells may apply to the superintendent in accordance with subsection 2 to revise its plan of operation to establish one or more protected cells. If there is an existing insurance securitization in force at the time of the application, the revised plan of operation must provide for the establishment of
a protected cell for that securitization and the transfer to the protected cell of all assets and liabilities relating to the securitization.
[PL 2007, c. 386, §14 (NEW).]

8. Termination of protected cell. At the cessation of business of a protected cell in accordance with the plan approved by the superintendent, the special purpose reinsurance vehicle shall close out the protected cell account and the superintendent shall modify the limited certificate of authority to reflect the termination.
[PL 2007, c. 386, §14 (NEW).]

SECTION HISTORY

§785. Powers

1. Powers. A special purpose reinsurance vehicle authorized under this subchapter has the powers to enter into contracts and to conduct other commercial activities necessary to fulfill the purposes of this subchapter. These activities may include, but are not limited to, entering into contracts, issuing securities of the special purpose reinsurance vehicle and complying with the terms of the contracts, entering into trust agreements, swap agreements and any other agreements necessary to effectuate an insurance securitization in compliance with the limitations and pursuant to the authorities granted to the reinsurance vehicle under this subchapter or the plan of operation approved by the superintendent.
[PL 2003, c. 249, §2 (NEW).]

2. Bylaws. A special purpose reinsurance vehicle organized or doing business under this subchapter is capable of suing or being sued and may make or enforce contracts in relation to the business of the reinsurance vehicle; may have and use a common seal and in the name of the reinsurance vehicle or by a trustee chosen by the board of directors is capable of taking, purchasing, holding and disposing of real and personal property for carrying into effect the purposes of its organization; and may by its board of directors, trustees, officers or managers make bylaws and amendments to the bylaws not inconsistent with the laws or the constitution of this State or of the United States. The bylaws must define the manner of electing directors, trustees or managers and officers of the reinsurance vehicle, together with their qualifications, duties and term of office.
[PL 2003, c. 249, §2 (NEW).]

SECTION HISTORY
PL 2003, c. 249, §2 (NEW).

§786. Affiliation

Notwithstanding the provisions of section 222, the special purpose reinsurance vehicle, the special purpose reinsurance vehicle organizer or subsequent debt or equity investors in special purpose reinsurance vehicle securities are not deemed affiliates of the ceding insurer by virtue of the special purpose reinsurance vehicle contract between the ceding insurer and the reinsurance vehicle, the securities of the reinsurance vehicle or related agreements necessary to implement the special purpose reinsurance vehicle insurance securitization. [PL 2007, c. 386, §15 (AMD).]

SECTION HISTORY

§787. Capitalization

A special purpose reinsurance vehicle must have minimum initial capital of not less than $5,000. All of the initial capital must be received by the reinsurance vehicle in cash. The minimum initial capital required and all other funds of the reinsurance vehicle in excess of its minimum initial capital, including funds held in trust to secure the obligations of the reinsurance vehicle pursuant to its special
purpose reinsurance vehicle contracts, must be invested as provided in section 795. [PL 2003, c. 249, §2 (NEW).]

SECTION HISTORY
PL 2003, c. 249, §2 (NEW).

§788. Dividends

The special purpose reinsurance vehicle may not declare or pay dividends in any form to its owners unless the dividends do not cause the reinsurance vehicle or any of its protected cells to become impaired and, after giving effect to the dividends, the assets of the reinsurance vehicle, including assets held in trust pursuant to the terms of the insurance securitization, must be sufficient to meet its obligations. Except for dividends specifically provided for in the approved plan of operation under section 782, subsection 2, paragraph H, the prior approval of the superintendent is required for any dividend paid during the term of coverage or while the reinsurance vehicle has undischarged obligations to the ceding insurer. The dividends may be declared by the board of directors of the reinsurance vehicle if the dividends would not violate the provisions of this subchapter or the approved plan of operation and would not jeopardize the fulfillment of the obligations of the reinsurance vehicle or the trustee pursuant to the special purpose reinsurance vehicle insurance securitization, the special purpose reinsurance vehicle contract or any related transaction. The provisions of section 222, subsection 11-C do not apply to such dividends. [PL 2009, c. 511, Pt. A, §6 (AMD).]

SECTION HISTORY

§789. Records and financial reports

1. Records. The records of the special purpose reinsurance vehicle must be maintained in this State and must be available for examination by the superintendent at any time. No later than 5 months after the end of the fiscal year of the reinsurance vehicle, the reinsurance vehicle shall file with the superintendent an audit by a certified public accounting firm of the financial statements of the reinsurance vehicle and the trust accounts referred to in section 784, subsection 2, paragraph E. [PL 2003, c. 249, §2 (NEW).]

2. Statement of operation. Each special purpose reinsurance vehicle organized under this subchapter shall file with the superintendent no later than March 1st of each year a statement of operations, including a statement of income, a balance sheet and a detailed listing of invested assets, including identification of assets held in trust to secure the reinsurance vehicle's obligations under the special purpose reinsurance vehicle contract, for the year ending the prior December 31st. The statements must be prepared in accordance with statutory accounting principles consistent with section 901-A on forms required by the superintendent. If one or more protected cells have been established, the statement must detail the financial experience of the general account and each protected cell separately, in addition to providing the combined financial experience of the special purpose reinsurance vehicle and all protected cells. [PL 2007, c. 386, §17 (AMD).]

3. Financial statement. The special purpose reinsurance vehicle shall keep its books and records in such manner that its financial condition, affairs and operations can be ascertained and so that its financial statements filed with the superintendent can be readily verified and its compliance with the provisions of this subchapter determined. The books and records may be photographed, reproduced on film or stored and reproduced electronically. [PL 2003, c. 249, §2 (NEW).]

4. Preservation. All books, records, documents, accounts and vouchers must be preserved and kept available in this State for the purpose of examination and until authority to destroy or otherwise
dispose of the records is secured from the superintendent. The original records may, however, be kept and maintained outside this State if, according to a plan adopted by the special purpose reinsurance vehicle's board of directors and approved by the superintendent, it maintains suitable records in lieu of the original records. [PL 2003, c. 249, §2 (NEW).]

2. Removal of officer; director. When the superintendent determines that an officer or director does not meet the standards set forth in this section, the superintendent shall, after notice and opportunity for hearing afforded to the officer or director, and after a finding that the officer or director is incompetent or untrustworthy or of known bad character, order the removal of the person. If the reinsurance vehicle does not comply with a removal order within 30 days, the superintendent may suspend that reinsurance vehicle's limited certificate of authority until such time as the order is complied with. [PL 2003, c. 249, §2 (NEW).]

3. Loans with affiliate. The reinsurance vehicle may make no loans to any special purpose reinsurance vehicle organizer, owner, director, officer, manager or affiliate of the reinsurance vehicle. [PL 2003, c. 249, §2 (NEW).]

A reinsurance vehicle is also responsible for expenses and costs incurred by the bureau in accordance with section 228. The reinsurance vehicle is not subject to state premium or other taxes incidental to the operation of its business as long as the business remains within the limitations of this subchapter. [PL 2003, c. 249, §2 (NEW).]

SECTION HISTORY
PL 2003, c. 249, §2 (NEW).

§792. Dissolution

A special purpose reinsurance vehicle operating under this subchapter may be dissolved at any time by a vote of its directors under section 790 and after the action has been approved by the superintendent. Voluntary dissolution may not be effected or allowed until and unless all of the obligations of the reinsurance vehicle pursuant to the insurance securitization or securitizations have been fully and finally satisfied pursuant to their terms. In the case of voluntary dissolution, the disposition of the affairs of the reinsurance vehicle, including the settlement of all outstanding obligations, must be made by the officers or directors of the reinsurance vehicle and when the liquidation has been completed and
a final statement in acceptable form has been filed with and approved by the superintendent the provisions for voluntary dissolution under section 3484 must be followed to dissolve the reinsurance vehicle. [PL 2007, c. 386, §18 (AMD).]

SECTION HISTORY

§793. Conservation, rehabilitation or liquidation

1. Authorized insurer. A special purpose reinsurance vehicle is considered an authorized insurer for purposes of section 4351, subsection 1, and the provisions of chapter 57 apply to a reinsurance vehicle or to any of a reinsurance vehicle's protected cells, except to the extent modified by this section. [PL 2007, c. 386, §19 (AMD).]

2. Grounds for action. Notwithstanding the provisions of sections 4356 and 4357, the Superior Court may issue an order authorizing the superintendent to conserve, rehabilitate or liquidate a special purpose reinsurance vehicle domiciled in this State, or one or more of its protected cells, only if the superintendent proves by clear and convincing evidence or the reinsurance vehicle stipulates after notice and opportunity for hearing that:

   A. There has been embezzlement, wrongful sequestration, dissipation or diversion of the assets of the reinsurance vehicle or protected cell intended to be used to pay amounts owed to the ceding insurer or the holders of special purpose reinsurance vehicle securities; or [PL 2007, c. 386, §19 (AMD).]

   B. The reinsurance vehicle or protected cell is insolvent and the holders of a majority in outstanding principal amount of each class of special purpose reinsurance vehicle securities request or consent to conservation, rehabilitation or liquidation under this subchapter. [PL 2007, c. 386, §19 (AMD).]

3. Receiver. Notwithstanding any contrary provision of this Title, rules adopted under this Title or any other applicable law, upon any order of conservation, rehabilitation or liquidation of the special purpose reinsurance vehicle or one or more of its protected cells, a receiver is bound to deal with the reinsurance vehicle's assets and liabilities in accordance with the requirements under this subchapter. [PL 2007, c. 386, §19 (AMD).]

3-A. Protected cells. The following provisions apply to the insolvency of a special purpose reinsurance vehicle with protected cells or to the insolvency of a protected cell.

   A. The insolvency of one protected cell does not constitute the insolvency of any other protected cell or of the special purpose reinsurance vehicle itself. The insolvency of a special purpose reinsurance vehicle does not constitute the insolvency of any of its solvent protected cells and is not a basis for the receivership of any solvent protected cell capable of independent operation. [PL 2007, c. 386, §19 (NEW).]

   B. Notwithstanding the insolvency of the special purpose reinsurance vehicle or of any other protected cell, the obligations attributed to any solvent protected cell must continue to be paid as they come due. [PL 2007, c. 386, §19 (NEW).]

   C. The assets attributed to a protected cell may not be applied to the liabilities attributed to another protected cell or to the reinsurance vehicle generally, except that:

      (1) If the insolvency of the special purpose reinsurance vehicle renders a protected cell incapable of being managed independently, a receiver may, after consultation with the creditors of the protected cell, contract for the management of the protected cell and charge to the protected cell a reasonable amount for those services;
(2) A general liability of an insolvent special purpose reinsurance vehicle may be apportioned equitably in whole or in part to one or more of its protected cells if the Superior Court determines that the liability arises out of the operations of the protected cell or cells and that the interests of innocent creditors of the protected cell or cells are not unreasonably impaired; and

(3) If assets or liabilities have been commingled, or have been wrongfully transferred between protected cells or between a protected cell and the general account, the Superior Court shall trace the assets and attribute them to the proper accounts, giving due consideration to the terms of any relevant governing instrument or contract. [PL 2007, c. 386, §19 (NEW).]

D. The plan of rehabilitation or liquidation of any special purpose reinsurance vehicle with protected cells must make reasonable provision for the continued operation of all solvent protected cells, which may involve the formation of one or more new special purpose reinsurance vehicles or the transfer of one or more protected cells. [PL 2007, c. 386, §19 (NEW).]

4. Recoverable amounts. With respect to amounts recoverable under a special purpose reinsurance vehicle contract, the amount recoverable by the receiver may not be reduced or diminished as a result of the entry of an order of conservation, rehabilitation or liquidation with respect to the ceding insurer, notwithstanding any provisions to the contrary in the contracts or other documentation governing the special purpose reinsurance vehicle insurance securitization.

   A. Notwithstanding the provisions of chapter 57, an application or petition in any delinquency proceeding relating to a ceding insurer or any temporary restraining order or injunction issued in any such proceeding may not prohibit the transaction of any business by a reinsurance vehicle, including any payment by a reinsurance vehicle made pursuant to a special purpose reinsurance vehicle security or any action or proceeding against a reinsurance vehicle or its assets. [PL 2003, c. 249, §2 (NEW).]

   B. Notwithstanding the provisions of chapter 57, subchapter 2, the commencement of a summary proceeding or other interim proceeding commenced prior to a formal delinquency proceeding with respect to a reinsurance vehicle and any order issued by the court in such proceeding may not prohibit a reinsurance vehicle from making a payment pursuant to a special purpose reinsurance vehicle security or contract or from taking any action required to make the payment. [PL 2003, c. 249, §2 (NEW).]

5. Nonfraudulent transfer. Notwithstanding any other provision of chapter 57 or other state law:

   A. A receiver of a ceding insurer may not void a nonfraudulent transfer by a ceding insurer to a special purpose reinsurance vehicle of money or other property made pursuant to a special purpose reinsurance vehicle contract; and [PL 2007, c. 386, §19 (AMD).]

   B. A receiver of a special purpose reinsurance vehicle may not void a nonfraudulent transfer by the reinsurance vehicle of money or other property made to a ceding insurer pursuant to a special purpose reinsurance vehicle contract or made to or for the benefit of any holder of a special purpose reinsurance vehicle security on account of the special purpose reinsurance vehicle security. [PL 2003, c. 249, §2 (NEW).]

6. Fulfillment of obligations. With the exception of the fulfillment of the obligations under a special purpose reinsurance vehicle contract and notwithstanding any other provisions of this subchapter or other law of this State to the contrary, the assets of a special purpose reinsurance vehicle including assets held in trust may not be consolidated with or included in the estate of a ceding insurer
in any delinquency proceeding against the ceding insurer under this subchapter for any purpose, including, without limitation, distribution to creditors of the ceding insurer. [PL 2003, c. 249, §2 (NEW).]

7. Domiciliary receiver. Notwithstanding any other provision of this subchapter:
   A. The domiciliary receiver of a special purpose reinsurance vehicle domiciled in another state is vested by operation of law with the title to all of the assets, property, contracts and rights of action and all of the books, accounts and other records of the reinsurance vehicle located in this State. The domiciliary receiver has the immediate right to recover all such vested property, assets and causes of action of the reinsurance vehicle located in this State; and [PL 2007, c. 386, §19 (AMD).]
   B. An ancillary proceeding may not be commenced or prosecuted in this State against a special purpose reinsurance vehicle domiciled in another state. [PL 2003, c. 249, §2 (NEW).]

SECTION HISTORY

§794. Not subject to guaranty funds; residual market or similar arrangements

1. Guaranty funds. The special purpose reinsurance vehicle or the activities, assets and obligations relating to the reinsurance vehicle are not subject to the provisions of chapter 57, subchapter 3 or chapter 62 and a reinsurance vehicle may not be assessed by or otherwise be required to contribute to any guaranty fund or guaranty association in this State with respect to the activities, assets or obligations of a reinsurance vehicle or the ceding insurer. [PL 2003, c. 249, §2 (NEW).]

2. Residual market. The special purpose reinsurance vehicle may not be required to participate in any residual market, so-called "FAIR" plan or other similar plan to provide insurance coverage, take out policies, assume risks, make capital contributions, pay or be otherwise obligated for assessments, surcharges or fees or otherwise support or participate in such plans or arrangements. [PL 2003, c. 249, §2 (NEW).]

SECTION HISTORY
PL 2003, c. 249, §2 (NEW).

§795. Asset and investment limitations

1. Assets. Assets of the special purpose reinsurance vehicle held in trust to secure obligations under the special purpose reinsurance vehicle contract must at all times be held in:
   A. Cash and cash equivalents; [PL 2003, c. 249, §2 (NEW).]
   B. Securities listed by the Securities Valuation Office of the National Association of Commissioners or its successor organization and qualifying as admitted assets under statutory accounting principles pursuant to section 901-A; or [PL 2003, c. 249, §2 (NEW).]
   C. Any other form of security acceptable to the superintendent. [PL 2003, c. 249, §2 (NEW).]

2. Investment practices. In addition, the special purpose reinsurance vehicle may enter into swap agreements or other transactions that have the objective of leveling timing differences in funding of upfront or ongoing transaction expenses or managing credit or interest rate risk of the investments in the trust to ensure that the investments are sufficient to ensure payment or repayment of the securities and related interest or principal payments issued pursuant to a special purpose reinsurance vehicle
insurance securitization transaction or the reinsurance vehicle's obligations under the special purpose reinsurance vehicle contract. [PL 2003, c. 249, §2 (NEW).]

SECTION HISTORY
PL 2003, c. 249, §2 (NEW).

§796. No transaction of insurance business by investors in securities

The securities issued by the special purpose reinsurance vehicle pursuant to a special purpose reinsurance vehicle insurance securitization are not deemed to be insurance or reinsurance contracts. An investor in such securities issued pursuant to insurance securitization or any holder of such securities may not by sole means of this investment or holding be deemed to be transacting an insurance business in this State. The underwriters or selling agents and their partners, directors, officers, members, managers, employees, agents, representatives and advisors involved in an insurance securitization are not deemed to be acting as insurance or reinsurance producers, intermediaries or consultants by virtue of their activities in connection with the special purpose reinsurance vehicle or with the insurance securitization. [PL 2007, c. 386, §20 (AMD).]

SECTION HISTORY

§796-A. Confidentiality of proprietary information

Any requirement established by this subchapter to file proprietary business information with the superintendent does not in and of itself make that information a public record. Information filed with the superintendent pursuant to this subchapter is entitled to any privileges and confidentiality protections that would apply if the special purpose reinsurance vehicle were a captive insurance company licensed by the superintendent pursuant to section 6702. [PL 2007, c. 386, §21 (NEW).]

SECTION HISTORY
PL 2007, c. 386, §21 (NEW).

§797. Authority to adopt rules

The superintendent may adopt rules necessary to effectuate the purposes of this subchapter. Any rules so adopted do not affect a special purpose reinsurance vehicle insurance securitization in effect at the time of adoption. Rules adopted pursuant to this subchapter are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2003, c. 249, §2 (NEW).]

SECTION HISTORY
PL 2003, c. 249, §2 (NEW).

§798. Exemption from insurance laws within limitations

1. Titles consistent. A special purpose reinsurance vehicle is subject to chapters 1, 3 and 5 to the extent consistent with this subchapter. [PL 2003, c. 249, §2 (NEW).]

2. Provisions not applicable. No other provisions of this Title are applicable to a special purpose reinsurance vehicle organized under this subchapter, except as expressly provided in this subchapter or in rules adopted by the superintendent pursuant to section 797. [PL 2003, c. 249, §2 (NEW).]

3. Variance. The superintendent may issue an order exempting a special purpose reinsurance vehicle or a protected cell from provisions of this subchapter upon a finding that the variance is necessary for conformance to the laws or regulatory requirements of a ceding insurer's state of domicile
and that the variance is consistent with the purposes of this subchapter given the nature of the risks to be insured.

[PL 2007, c. 386, §22 (NEW).]

ASSETS AND LIABILITIES

SUBCHAPTER 1

ASSETS

§901. "Assets" defined

(REPEALED)

SECTION HISTORY

§901-A. Statutory accounting principles; reserves

1. Principles; admitted assets. In evaluating the financial condition of an insurer, the superintendent shall determine which assets may be recognized as admitted assets and shall value the insurer's admitted assets and the insurer's liabilities:

   A. In accordance with recognized statutory accounting principles as codified by the National Association of Insurance Commissioners or its successor organization and reflected in the association's accounting practices and procedures manual and valuation of securities manual and their successor publications; and [PL 2001, c. 524, §1 (NEW).]

   B. In accordance with any additional accounting practices permitted by the superintendent upon the request of the insurer. [PL 2001, c. 524, §1 (NEW).]

[PL 2001, c. 524, §1 (RPR).]

2. Reserve required. If the superintendent finds, in view of the character of investments held by a domestic insurer, that it would be prudent for the insurer to establish a special reserve for possible losses or fluctuations in the value of its investments, including realty holdings acquired by mortgage loan default, the superintendent may permit or require the insurer to establish such a reserve, reasonable in amount, and may require that the reserve be maintained and reported in any statement or report of the financial condition of the insurer.

[PL 2001, c. 72, §7 (NEW).]

3. Rules. The superintendent may adopt rules to implement the purposes of this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.

5. Principle-based valuation. "Principle-based valuation" means a reserve valuation that uses one or more methods or one or more assumptions determined by the insurer and is subject to section 960. [PL 2013, c. 238, Pt. C, §2 (NEW).]

SECTION HISTORY

§952. **Calculation of reserve liabilities**

1. The superintendent shall annually value, or cause to be valued, the reserve liabilities, hereinafter called reserves, for all outstanding life insurance policies and annuity and pure endowment contracts of every life insurer transacting business in this State in accordance with this subchapter, except that in the case of an alien insurer, such valuation must be limited to its United States business; and may certify the amount of any such reserves, specifying the mortality table or tables, rate or rates of interest and methods, net level premium method or other, used in the calculation of such reserves. In calculating such reserves, the superintendent may use group methods and approximate averages for fractions of a year or otherwise. In lieu of the valuation of the reserves required of any foreign or alien insurer, the superintendent may accept any valuation made, or caused to be made, by the insurance supervisory official of any state or other jurisdiction when such valuation complies with the minimum standard herein provided. For policies and contracts issued before the operative date of the valuation manual or not addressed by the valuation manual, reserves must be determined according to sections 953 to 958-A. For policies and contracts issued after the operative date of the valuation manual, reserves must be determined according to sections 959 and 960 and as specified by the valuation manual. [PL 2013, c. 238, Pt. C, §3 (AMD).]

2. Any such insurer which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the superintendent, adopt any lower standard of valuation, but not lower than the minimum herein provided. [PL 1973, c. 585, §12 (AMD).]

3. Beginning on the operative date of the valuation manual, a life or health insurer and a casualty or multiple lines insurer transacting health insurance shall comply with the applicable requirements of this subchapter if the insurer is required to hold a certificate of authority to write one or more subject lines of insurance in this State or if the insurer has written, issued or reinsured contracts of one or more subject lines of insurance in this State and has at least one such policy in force or on claim. [PL 2013, c. 238, Pt. C, §4 (NEW).]

SECTION HISTORY

§952-A. **Actuarial opinion of reserves**

1. **General.** An insurer doing business in this State subject to this subchapter shall appoint a qualified actuary, in accordance with any applicable requirements of the valuation manual or rules adopted by the superintendent, and annually submit the opinion of the appointed actuary as to whether the reserves and related actuarial items of that insurer held in support of the policies and contracts specified by the superintendent by rule are computed appropriately, are based on assumptions that
satisfy contractual provisions, are consistent with prior reported amounts and comply with applicable laws of this State. Before the operative date of the valuation manual, the superintendent by rule shall define the specifics of the opinion. On and after the operative date of the valuation manual, if the valuation manual has prescribed specific requirements applicable to the opinion, the opinion must comply with those requirements. The superintendent by rule may add any other items considered necessary to the scope of the opinion.

[PL 2013, c. 238, Pt. C, §5 (AMD).]

2. Actuarial analysis of reserves and assets supporting those reserves. Except as otherwise authorized or required in accordance with rules adopted by the superintendent or applicable provisions of the valuation manual, an insurer subject to this subchapter shall include in the opinion required by subsection 1 an opinion of the appointed actuary as to whether the reserves and related actuarial items held in support of the policies and contracts specified by the superintendent by rule, when considered in light of the assets held by the insurer with respect to the reserves and related actuarial items, including, but not limited to, the investment earnings on the assets and the considerations anticipated to be received and retained under the policies and contracts, adequately provide for the insurer's obligations under the policies and contracts, including, but not limited to, the benefits under and expenses associated with the policies and contracts.

The superintendent may provide by rule for a transition period for establishing any higher reserves that the appointed actuary may consider necessary in the opinion required by this subsection.

[PL 2013, c. 238, Pt. C, §5 (AMD).]

3. Requirement for opinion under subsection 2. An opinion required by subsection 2 is governed by the following provisions.

A. A memorandum, in form and substance acceptable to the superintendent as specified in the valuation manual or by rule, must be prepared to support the actuarial opinion. [PL 2013, c. 238, Pt. C, §5 (AMD).]

B. If the insurer fails to provide a supporting memorandum at the request of the superintendent within a period specified in the valuation manual or by rule or the superintendent determines that the supporting memorandum provided by the insurer fails to meet the prescribed standards or is otherwise unacceptable to the superintendent, the superintendent may engage a qualified actuary at the expense of the insurer to review the opinion and the basis for the opinion and prepare a supporting memorandum as required by the superintendent. [PL 2013, c. 238, Pt. C, §5 (AMD).]

[PL 2013, c. 238, Pt. C, §5 (AMD).]

B-1. The opinion must comply with the requirements of any applicable rules and, on and after the operative date of the valuation manual, must comply with all applicable requirements of the valuation manual. [PL 2013, c. 238, Pt. C, §5 (NEW).]

C. The opinion must be based on standards adopted by the Actuarial Standards Board or its successor and, to the extent applicable, on any additional standards prescribed by the valuation manual or prescribed by the superintendent by rule. [PL 2013, c. 238, Pt. C, §5 (AMD).]
D. In the case of an opinion required to be submitted by a foreign or alien insurer, the superintendent may accept the opinion filed by that insurer with the insurance supervisory official of another state if the superintendent determines that the opinion reasonably meets the requirements applicable to an insurer domiciled in this State. [PL 1993, c. 634, Pt. B, §1 (NEW); PL 1993, c. 634, Pt. B, §4 (AFF).]

E. [PL 2013, c. 238, Pt. C, §5 (RP).]

F. Except in cases of fraud or willful misconduct, the appointed actuary is not liable for damages to any person, other than the insurer and the superintendent, for any act, error, omission, decision or conduct with respect to the appointed actuary's opinion. [PL 2013, c. 238, Pt. C, §5 (AMD).]

G. The superintendent may take disciplinary action against the insurer or the appointed actuary pursuant to section 12-A for knowing violations of this section and may establish additional grounds for disciplinary action by rule. [PL 2013, c. 238, Pt. C, §5 (AMD).]

For those policies issued on or after the operative date of the Standard Nonforfeiture Law for Life Insurance, section 2532-A, the Commissioners 1980 Standard Ordinary Mortality Table, or at the election of the company for any one or more specified plans of life insurance, the Commissioners 1980 Standard Ordinary Mortality Table with Ten-Year Select Mortality Factors or any ordinary mortality table, adopted after 1980 by the National Association of Insurance Commissioners, that is approved by regulation promulgated by the superintendent for use in determining the minimum standard of valuation for the policies. This subsection shall not apply to any insurer before January 1, 1979, unless the insurer shall have filed with the superintendent an election to comply with the provisions of this subsection after a specified date before January 1, 1979, provided that an insurer may elect different dates on which this subsection shall apply to individual and pure endowment contracts and to group annuity and pure endowment contracts. If an insurer makes no such election, this subsection shall apply to that insurer on January 1, 1979. [PL 1983, c. 346, §2 (AMD).]

SECTION HISTORY

§953-A. Applicable interest rates

1. The interest rates used in determining the minimum standard for the valuation of the following shall be the calendar year statutory valuation interest rates, as defined in this section:

   A. All life insurance policies issued in a particular calendar year, on or after the operative date of the Standard Nonforfeiture Law for Life Insurance, section 2532-A; [PL 1983, c. 346, §3 (NEW).]

   B. All individual annuity and pure endowment contracts issued in a particular calendar year on or after January 1, 1984, or January 1, 1983, at the election of the insurer; [PL 1983, c. 346, §3 (NEW).]

   C. All annuities and pure endowments purchased in a particular calendar year on or after January 1, 1984, or January 1, 1983, at the election of the insurer, under group annuity and pure endowment contracts; and [PL 1983, c. 346, §3 (NEW).]

   D. The net increase, if any, in a particular calendar year after January 1, 1984, or January 1, 1983, at the election of the insurer, in amounts held under guaranteed interest contracts. [PL 1983, c. 346, §3 (NEW).]

An insurer electing January 1, 1983, in lieu of January 1, 1984, in paragraph B, C or D, shall notify the superintendent of its election by written notice no later than December 31, 1983. [PL 1983, c. 346, §3 (NEW).]

2. The calendar year statutory valuation interest rates, I, shall be determined as follows and the results rounded to the nearest 1/4 of 1%:

   A. For life insurance:

      \[ I = .03 + W (R_1 - .03) + W (R_2 - .09) \]
2 [PL 1983, c. 346, §3 (NEW).]

B. For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and from guaranteed interest contracts with cash settlement options:

\[ I = 0.03 + W (R - 0.03) \] [PL 1983, c. 346, §3 (NEW).]

where \( R_1 \) is the lesser of \( R \) and 0.09,

\( R_2 \) is the greater of \( R \) and 0.09,

\( R \) is the reference interest rate defined in this section, and \( W \) is the weighting factor defined in this section; [PL 1983, c. 346, §3 (NEW).]

C. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on an issue year basis, except as stated in paragraph B, the formula for life insurance stated in paragraph A shall apply to annuities and guaranteed interest contracts with guarantee durations in excess of 10 years, and the formula for single premium immediate annuities stated in paragraph B shall apply to annuities and guaranteed interest contracts with guarantee duration of 10 years or less; [PL 1983, c. 346, §3 (NEW).]

D. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the formula for single premium annuities stated in paragraph B shall apply; and [PL 1983, c. 346, §3 (NEW).]

E. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, the formula for single premium immediate annuities stated in paragraph B shall apply. [PL 1983, c. 346, §3 (NEW).]

If the calendar year statutory valuation interest rate for any life insurance policies issued in any calendar year, determined without reference to this sentence, differs from the corresponding actual rate for similar policies issued in the immediately preceding calendar year by less than 1/2 of 1%, the calendar year statutory valuation interest rate for those life insurance policies shall be equal to the corresponding actual rate for the immediately preceding calendar year. For purposes of applying the immediately preceding sentence, the calendar year statutory valuation interest rate for life insurance policies issued in a calendar year shall be determined for 1980, by using the reference interest rate defined for 1979, and shall be determined for each subsequent calendar year, regardless of when the Standard Nonforfeiture Law for Life Insurance, section 2532-A, becomes operative. [PL 1983, c. 346, §3 (NEW).]

3. The weighting factors in the formulas in subsection 2 are given in the following tables:

A. Weighting Factors for Life Insurance:

<table>
<thead>
<tr>
<th>Guarantee Duration (Years)</th>
<th>Weighting Factors</th>
</tr>
</thead>
<tbody>
<tr>
<td>10 or less</td>
<td>.50</td>
</tr>
<tr>
<td>More than 10, but not more than 20</td>
<td>.45</td>
</tr>
<tr>
<td>More than 20</td>
<td>.35</td>
</tr>
</tbody>
</table>

For life insurance, the guarantee duration is the maximum number of years the life insurance can remain in force on a basis guaranteed in policy or under options to convert to plans of life insurance with premium rates or nonforfeiture values or both which are guaranteed in the original policy; [PL 1983, c. 346, §3 (NEW).]
B. Weighting factor for single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options:.80; [PL 1983, c. 346, §3 (NEW).]

C. Weighting factors for other annuities and for guaranteed interest contracts, except as stated in paragraph B, shall be as specified in subparagraphs (1), (2) and (3), according to the rules and definitions in subparagraphs (4), (5) and (6):

1. For annuities and guaranteed interest contracts valued on an issue year basis:

<table>
<thead>
<tr>
<th>Guarantee Duration (Years)</th>
<th>A</th>
<th>B</th>
<th>C</th>
</tr>
</thead>
<tbody>
<tr>
<td>5 or less:</td>
<td>.80</td>
<td>.60</td>
<td>.50</td>
</tr>
<tr>
<td>More than 5, but not more than 10:</td>

3. For annuities and guaranteed interest contracts valued on an issue year basis, other than those with no cash settlement options, which do not guarantee interest on considerations received more than one year after issue or purchase and for annuities and guaranteed interest contracts valued on a change in fund basis which do not guarantee interest rates on considerations received more than 12 months beyond the valuation date, the factors shown in subparagraph (1) or derived in subparagraph (2) increased by:

4. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the guarantee duration is the number of years for which the contract guarantees interest rates in excess of the calendar year statutory valuation interest rate for life insurance policies with guarantee duration in excess of 20 years. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the guarantee duration is the number of years from the date of issue or date of purchase to the date annuity benefits are scheduled to commence;

5. Plan type as used in the subparagraphs (1), (2) and (3) tables is defined as follows.

   a. Plan Type A. At any time policyholder may withdraw funds, only: With an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; without that adjustment, but in installments over 5 years or more; as an immediate life annuity; or no withdrawal permitted.

   b. Plan Type B. Before expiration of the interest rate guarantee, policyholder may withdraw funds, only: With an adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; without that adjustment, but in installments over 5 years or more; or no withdrawal permitted. At the end of interest rate
guarantee, funds may be withdrawn without that adjustment in a single sum or installments over less than 5 years.

(c) Plan Type C. Policyholder may withdraw funds before expiration of interest rate guarantee in a single sum or installments over less than 5 years, either: Without adjustment to reflect changes in interest rates or asset values since receipt of the funds by the insurance company; or subject only to a fixed surrender charge stipulated in the contract as a percentage of the fund; and

(6) A company may elect to value guaranteed interest contracts with cash settlement options and annuities with cash settlement options on either an issue year basis or on a change in fund basis. Guaranteed interest contracts with no cash settlement options and other annuities with no cash settlement options must be valued on an issue year basis. As used in this section, an issue year basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard for the entire duration of the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of issue or year of purchase of the annuity or guaranteed interest contract, and the change in fund basis of valuation refers to a valuation basis under which the interest rate used to determine the minimum valuation standard applicable to each change in the fund held under the annuity or guaranteed interest contract is the calendar year valuation interest rate for the year of the change in the fund. [PL 1983, c. 346, §3 (NEW).]

[PL 1983, c. 346, §3 (NEW).]

4. The reference interest rate referred to in subsection 2 is defined as follows:

A. For all life insurance, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30th of the calendar year next preceding the year of issue, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.; [PL 1983, c. 346, §3 (NEW).]

B. For single premium immediate annuities and for annuity benefits involving life contingencies arising from other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, the average over a period of 12 months, ending on June 30th of the calendar year of issue or year of purchase, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.; [PL 1983, c. 346, §3 (NEW).]

C. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph B, with guarantee duration in excess of 10 years, the lesser of the average over a period of 36 months and the average over a period of 12 months, ending on June 30th of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.; [PL 1983, c. 346, §3 (NEW).]

D. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a year of issue basis, except as stated in paragraph B, with guarantee duration of 10 years or less, the average over a period of 12 months, ending on June 30th of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.; [PL 1983, c. 346, §3 (NEW).]

E. For other annuities with no cash settlement options and for guaranteed interest contracts with no cash settlement options, the average over a period of 12 months, ending on June 30th of the calendar year of issue or purchase, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc.; and [PL 1983, c. 346, §3 (NEW).]

F. For other annuities with cash settlement options and guaranteed interest contracts with cash settlement options, valued on a change in fund basis, except as stated in paragraph B, the average
over a period of 12 months, ending on June 30th of the calendar year of the change in the fund, of Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc. [PL 1983, c. 346, §3 (NEW).]

[PL 1983, c. 346, §3 (NEW).]

5. In the event that Moody's Corporate Bond Yield Average-Monthly Average Corporates is no longer published by Moody's Investors Service, Inc., or in the event that the National Association of Insurance Commissioners determines that Moody's Corporate Bond Yield Average-Monthly Average Corporates, as published by Moody's Investors Service, Inc. is no longer appropriate for the determination of the reference interest rate, then an alternative method for determination of the reference interest rate, which is adopted by the National Association of Insurance Commissioners and approved by regulation promulgated by the superintendent, may be substituted. [PL 1983, c. 346, §3 (NEW).]

SECTION HISTORY

PL 1983, c. 346, §3 (NEW).

§954. Commissioners reserve valuation method defined

1. Policies providing for uniform insurance and uniform premiums. Except as otherwise provided in subsection 2 and section 957, reserves according to the commissioners reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums, shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such policies, over the then present value of any future modified net premiums therefor. The modified net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the policy and the excess of paragraph A over paragraph B as follows:

A. A net level annual premium equal to the present value, at the date of issue, of such benefits provided for after the first policy year, divided by the present value, at the date of issue, of an annuity of one per year payable on the first and each subsequent anniversary of such policy on which a premium falls due. Such net level annual premium shall not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age one year higher than the age at issue of such policy; [PL 1979, c. 453, §5 (NEW).]

B. A net one-year term premium for those benefits provided in the first policy year. [PL 1983, c. 346, §4 (AMD).]

[PL 1983, c. 346, §4 (AMD).]

1-A. Reserve. For any life insurance policy issued on or after January 1, 1987, for which the contract premium in the first policy year exceeds that of the 2nd year and for which no comparable additional benefit is provided in the first year for that excess and which provides an endowment benefit or a cash surrender value, or a combination thereof, in an amount greater than that excess premium, the reserve according to the commissioners reserve valuation method as of any policy anniversary occurring on or before the assumed ending date, defined in this subsection as the first policy anniversary on which the sum of any endowment benefit and any cash surrender value then available is greater than that excess premium, shall, except as otherwise provided in section 957, be the greater of the reserve as of that policy anniversary calculated as described in subsection 1 and the reserve as of that policy anniversary calculated as described in subsection 1, but with the value defined in subsection 1, paragraph A, being reduced by 15% of the amount of that excess first year premium, all present values of benefits and premiums being determined without reference to premiums or benefits provided for by the policy after the assumed ending date, the policy being assumed to mature on that date as an endowment, and the cash surrender value provided on that date being considered as an endowment.
benefit. In making this comparison, the mortality and interest bases stated in sections 953 and 953-A shall be used.

Reserves according to the commissioners reserve valuation method for:

A. Life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums; [PL 1983, c. 346, §5 (NEW).]

B. Group annuity and pure endowment contracts, purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under the United States Internal Revenue Code, Section 408, as now or hereafter amended; [PL 1983, c. 346, §5 (NEW).]

C. Disability and accidental death benefits in all policies and contracts; and [PL 1983, c. 346, §5 (NEW).]

D. All other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, [PL 1983, c. 346, §5 (NEW).]

shall be calculated by a method consistent with the principles of the preceding provisions of this section, except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums. [PL 1983, c. 346, §5 (NEW).]

2. Annuity and pure endowment contracts. This subsection shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under the United States Internal Revenue Code, Section 408, as now or hereafter amended.

Reserves according to the commissioners annuity reserve method for benefits under annuity or pure endowment contracts, excluding any disability or accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits, provided for by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate, or rates, specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine nonforfeiture values. [PL 1979, c. 453, §5 (RPR).]

SECTION HISTORY

§955. Minimum reserves

1. Minimum aggregate reserves for life insurance policies. An insurer's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, that are subject to section 953, subsection 2 may not be less than the aggregate reserves calculated in accordance with the method set forth in sections 954 and 957-A and the mortality table or tables and rate or rates of interest used in calculating nonforfeiture benefits for these policies. [PL 1993, c. 634, Pt. B, §2 (NEW).]
2. Minimum aggregate reserves for all policies. The aggregate reserves for all policies, contracts and benefits may not be less than the aggregate reserves determined necessary by the appointed actuary in the opinion required by section 952-A. [PL 2013, c. 238, Pt. C, §7 (AMD).]

SECTION HISTORY

§956. Optional reserve calculation

1. Reserve calculation. Reserves for any category of policies, contracts or benefits as established by the superintendent that are subject to section 953, subsection 2, may be calculated at the option of the insurer according to any standards that produce greater aggregate reserves for that category than those calculated according to the minimum standard provided in section 955, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, may not be higher than the corresponding rate or rates of interest used in calculating any nonforfeiture benefits provided. [PL 1993, c. 634, Pt. B, §3 (NEW).]

2. Lower standard of valuation. Any insurer that adopts any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard provided in section 955 may adopt, with the approval of the superintendent, any lower standards of valuation, but not lower than the minimum required, except that for the purposes of this section the holding of additional reserves previously determined necessary by the appointed actuary in the opinion required by section 952-A may not be determined to be the adoption of a higher standard of valuation. [PL 2013, c. 238, Pt. C, §8 (AMD).]

SECTION HISTORY

§957. Deficiency reserve

If the gross premium charged by any life insurer on any policy or contract which is subject to section 953, subsection 2, is less than the valuation net premium for the policy or contract calculated by the method used in calculating the reserve thereon, but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for that policy or contract shall be the greater of either the reserve calculated according to the mortality table, rate of interest and method actually used for that policy or contract, or the reserve calculated by the method actually used for that policy or contract, but using the minimum valuation standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium. The minimum valuation standards of mortality and rate of interest referred to in this section are those standards stated in sections 953 and 953-A. [PL 1983, c. 346, §7 (AMD).]

For any life insurance policy issued on or after January 1, 1987, for which the gross premium in the first policy year exceeds that of the 2nd year and for which no comparable additional benefit is provided in the first year for that excess and that provides an endowment benefit or a cash surrender value or a combination thereof in an amount greater than that excess premium, the foregoing provisions of this section must be applied as if the method actually used in calculating the reserve for that policy were the method described in section 954, ignoring the 2nd paragraph of section 954. The minimum reserve at each policy anniversary of such a policy is the greater of the minimum reserve calculated in accordance with section 954, including the 2nd paragraph of that section, and the minimum reserve calculated in accordance with this section. [PL 2011, c. 420, Pt. A, §22 (AMD).]
SECTION HISTORY

§957-A. Superintendent's authority to approve certain plans

1. In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurance company based on then estimates of future experience, or in the case of any plan of life insurance or annuity which is of such a nature that the minimum reserves cannot be determined by the methods described in sections 954 and 957, the reserves which are held under any plan of that type must:

A. Be appropriate in relation to the benefits and the pattern of premiums for that plan; and [PL 1983, c. 346, §8 (NEW).]

B. Be computed by a method which is consistent with the principles of this Standard Valuation law, [PL 1983, c. 346, §8 (NEW).]
as determined by regulations promulgated by the superintendent. [PL 1983, c. 346, §8 (NEW).]

SECTION HISTORY

§958. Interest rates

All changes in the interest rates specified in this subchapter and in sections 2528 to 2534, which were made by the Amendatory Acts of 1979, shall become ineffective as to contracts or policies issued on or after November 1, 1987, unless expressly extended by law. [PL 1979, c. 453, §8 (NEW).]

SECTION HISTORY
PL 1979, c. 453, §8 (NEW).

§958-A. Interest rates extended

Notwithstanding section 958, the changes in the interest rates for life insurance specified in this subchapter and in sections 2528 to 2534, which were made by the Amendatory Acts of 1979, shall continue to apply to life insurance policies issued on or after January 1, 1980 and prior to the operative date of the Standard Nonforfeiture Law for Life Insurance, section 2532-A. [PL 1983, c. 346, §9 (NEW).]

SECTION HISTORY

§959. Reserves subject to valuation manual

1. General requirement. On and after the operative date of the valuation manual, reserves on policies and contracts of subject lines of insurance must be valued as follows, except as otherwise specifically provided in this section or in rules adopted by the superintendent:

A. For policies and contracts issued on and after the operative date of the valuation manual, in accordance with the valuation manual; [PL 2013, c. 238, Pt. C, §9 (NEW).]

B. For policies and contracts described in sections 953 to 958-A and issued before the operative date of the valuation manual, in accordance with those sections; and [PL 2013, c. 238, Pt. C, §9 (NEW).]
C. For health insurance policies and contracts issued before the operative date of the valuation manual, and any other policies and contracts outside the scope of paragraphs A and B, in accordance with rules adopted by the superintendent. [PL 2013, c. 238, Pt. C, §9 (NEW).]

2. Necessary provisions. The valuation manual must specify all of the following:

A. Definitions of the policies and contracts subject to this section; [PL 2013, c. 238, Pt. C, §9 (NEW).]

B. The following minimum valuation standards for all policies and contracts subject to this section:

   1. The commissioners reserve valuation method for life insurance contracts, other than annuity contracts;
   2. The commissioners annuity reserve valuation method for annuity contracts; and
   3. Minimum reserves for all other policies or contracts; [PL 2013, c. 238, Pt. C, §9 (NEW).]

C. Provisions specifying which policies and contracts or types of policies and contracts are subject to section 960 and specifying the minimum valuation standards consistent with those provisions; [PL 2013, c. 238, Pt. C, §9 (NEW).]

D. For policies and contracts subject to section 960:

   1. Requirements for the format of reports to the superintendent under section 960, subsection 3, paragraph C, which must include information necessary to determine whether the valuation is appropriate and in compliance with this subchapter;
   2. Assumptions to be prescribed for risks over which the insurer does not have significant control or influence; and
   3. Procedures for corporate governance and oversight of the actuarial function and a process for appropriate waiver or modification of such procedures; [PL 2013, c. 238, Pt. C, §9 (NEW).]

E. For policies and contracts not subject to section 960, a minimum valuation standard that either:

   1. Is consistent with the minimum standard of valuation for policies and contracts issued before the operative date of the valuation manual; or
   2. Develops reserves that quantify the benefits and guarantees, and the funding, associated with the policies and contracts and their risks at a level of conservatism that reflects conditions that include unfavorable events that have a reasonable probability of occurring; [PL 2013, c. 238, Pt. C, §9 (NEW).]

F. Other requirements, including, but not limited to, those relating to reserve methods, models for measuring risk, generation of economic scenarios, assumptions, margins, use of insurer experience, risk measurement, disclosure, certifications, reports, actuarial opinions and memoranda, transition rules and internal controls; and [PL 2013, c. 238, Pt. C, §9 (NEW).]

G. The data and form of the data required under section 961. The requirements must specify to whom the data must be submitted and may specify other requirements, including requirements with respect to data analyses and reporting of analyses. [PL 2013, c. 238, Pt. C, §9 (NEW).]

3. Supplementation and resolution of conflicts. In the absence of a specific valuation requirement or if the superintendent determines that a specific valuation requirement in the valuation manual is not consistent with the requirements or purposes of this subchapter, an insurer shall comply with minimum valuation standards prescribed by the superintendent by rule or order. [PL 2013, c. 238, Pt. C, §9 (NEW).]
4. Examination. For an insurer subject to this section, the superintendent may hire, contract with
or otherwise engage a qualified actuary, at the insurer's expense, to perform an actuarial examination
of the insurer and provide an opinion on the appropriateness of any reserve assumption or method used
by the insurer or to review and provide an opinion on the insurer's compliance with any requirement of
this subchapter. The superintendent may rely on any actuarial opinion issued on behalf of another
insurance regulator in the United States that is relevant to an insurer's compliance with this subchapter.
[PL 2013, c. 238, Pt. C, §9 (NEW).]

5. Corrections. The superintendent may require an insurer to change any assumption or method
as determined necessary by the superintendent to comply with the requirements of the valuation manual
or this subchapter, and the insurer shall adjust the reserves as required by the superintendent.
[PL 2013, c. 238, Pt. C, §9 (NEW).]

6. Violations. Violations of this subchapter are subject to all remedies specified in section 12-A
or otherwise available by law.
[PL 2013, c. 238, Pt. C, §9 (NEW).]

7. Changes to valuation manual. Unless a later effective date is specified or the superintendent
has disapproved the change by rule, a change to the valuation manual is effective on January 1st
following the adoption of the change by an affirmative vote of the NAIC representing:

A. At least 3/4 of the NAIC members voting; [PL 2013, c. 238, Pt. C, §9 (NEW).]
B. At least a majority of the total NAIC membership; and [PL 2013, c. 238, Pt. C, §9 (NEW).]
C. Jurisdictions totaling greater than 75% of the aggregate written direct premiums reported in the
most recently available life, accident and health annual statements; health annual statements; and
fraternal annual statements. [PL 2013, c. 238, Pt. C, §9 (NEW).]
[PL 2013, c. 238, Pt. C, §9 (NEW).]

SECTION HISTORY

§960. Requirements for principle-based reserves

1. Scope. This section applies to all policies and contracts for which principle-based reserving is
required by the valuation manual, unless exempted by the superintendent in accordance with the
following standards:

A. An exemption under this subsection may not be granted unless the insurer is licensed and doing
business exclusively in this State; [PL 2013, c. 238, Pt. C, §9 (NEW).]
B. The exemption must be in writing; [PL 2013, c. 238, Pt. C, §9 (NEW).]
C. The superintendent may rescind or modify the exemption in writing at any time, with reasonable
notice to the insurer. [PL 2013, c. 238, Pt. C, §9 (NEW).]
D. The exemption may apply to all business written by the insurer or to specific policy or contract
forms or product lines; and [PL 2013, c. 238, Pt. C, §9 (NEW).]
E. An insurer granted an exemption under this subsection shall value its reserves using the
assumptions and methods used before the operative date of the valuation manual, in addition to any
requirements established by the superintendent by rule or by the terms of the order granting the
exemption. [PL 2013, c. 238, Pt. C, §9 (NEW).]
[PL 2013, c. 238, Pt. C, §9 (NEW).]

2. Standards. An insurer shall establish reserves for policies and contracts subject to this section
using a valuation methodology that meets all applicable requirements of the valuation manual and that:
A. Quantifies the benefits and guarantees, and the funding, associated with the policies and contracts and their risks at a level of conservatism that reflects conditions that include unfavorable events that have a reasonable probability of occurring during the lifetime of the policies and contracts. For policies and contracts with significant tail risk, the methodology must reflect conditions appropriately adverse to quantify the tail risk; [PL 2013, c. 238, Pt. C, §9 (NEW).]

B. Incorporates assumptions, risk analysis methods and financial models and management techniques that are consistent with, but not necessarily identical to, those used within the insurer's overall risk assessment process, while recognizing potential differences in financial reporting structures and any prescribed assumptions or methods; [PL 2013, c. 238, Pt. C, §9 (NEW).]

C. Incorporates assumptions that are derived in one of the following manners:

(1) The assumption is prescribed in the valuation manual; or

(2) For assumptions that are not prescribed in the valuation manual, the assumptions are:

(a) Established using the insurer's available experience, to the extent that it is relevant and statistically credible; or

(b) To the extent that insurer-specific data is not available, relevant or statistically credible, established using other relevant, statistically credible experience; and [PL 2013, c. 238, Pt. C, §9 (NEW).]

D. Provides margins for uncertainty including adverse deviation and estimation error, such that the greater the uncertainty the larger the margin and resulting reserve. [PL 2013, c. 238, Pt. C, §9 (NEW).]

3. Oversight and controls. An insurer using a principle-based valuation for one or more policies or contracts subject to this section as specified in the valuation manual shall:

A. Establish procedures for corporate governance and oversight of the actuarial valuation function consistent with those described in the valuation manual; [PL 2013, c. 238, Pt. C, §9 (NEW).]

B. Provide to the superintendent and the insurer's board of directors an annual certification of the effectiveness of the internal controls with respect to the principle-based valuation. Such controls must be designed to ensure that all material risks inherent in the liabilities and associated assets subject to principle-based valuation are included in the valuation and that valuations are made in accordance with the valuation manual. The certification must be based on the controls in place as of the end of the preceding calendar year; and [PL 2013, c. 238, Pt. C, §9 (NEW).]

C. Develop, and file with the superintendent upon request, a principle-based valuation report that complies with standards prescribed in the valuation manual. [PL 2013, c. 238, Pt. C, §9 (NEW).]

4. Formulaic components. A principle-based valuation may include a formulaic reserve component and must do so when prescribed by the valuation manual or required by the superintendent. [PL 2013, c. 238, Pt. C, §9 (NEW).]

5. Applicability of rules. Rules adopted by the superintendent pursuant to this subchapter before January 1, 2014 do not apply to policies, contracts or actuarial opinions issued on or after the operative date of the valuation manual unless expressly made applicable by rule or order of the superintendent. [PL 2013, c. 238, Pt. C, §9 (NEW).]

SECTION HISTORY

§961. Experience reporting
For all policies and contracts in force on or after the operative date of the valuation manual, an insurer shall submit mortality, morbidity, policyholder behavior and expense experience data, as applicable, and other data as prescribed in the valuation manual. [PL 2013, c. 238, Pt. C, §9 (NEW).]

SECTION HISTORY

§962. Confidentiality

1. Information subject to this section. For purposes of this section, "protected valuation information" means:

A. A memorandum in support of an opinion submitted under section 952-A and any other documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the superintendent or any other person in connection with the memorandum; [PL 2013, c. 238, Pt. C, §9 (NEW).]

B. All documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the superintendent or any other person in the course of an examination made under section 959, subsection 4 that would be confidential under section 225, subsection 3 if they had been prepared or obtained under section 221; [PL 2013, c. 238, Pt. C, §9 (NEW).]

C. Any reports, documents, materials and other information developed by an insurer in support of, or in connection with, an annual certification of internal controls under section 960, subsection 3, paragraph B and any other documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the superintendent or any other person in connection with such reports, documents, materials and other information; [PL 2013, c. 238, Pt. C, §9 (NEW).]

D. Any principle-based valuation report developed under section 960, subsection 3, paragraph C and any other documents, materials and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the superintendent or any other person in connection with such a report; [PL 2013, c. 238, Pt. C, §9 (NEW).]

E. Any documents, materials, data and other information submitted by an insurer under section 961, referred to in this paragraph as "experience data," and any other documents, materials, data and other information, including, but not limited to, all working papers, and copies thereof, created or produced in connection with such experience data that include any potentially insurer-identifying or personally identifiable information and that are provided to or obtained by the superintendent or any other person and any other documents, materials, data, and other information, including, but not limited to, all working papers, and copies thereof, created, produced or obtained by or disclosed to the superintendent or any other person in connection with such experience data and materials; and [PL 2013, c. 238, Pt. C, §9 (NEW).]

F. Any information received by the superintendent from the Actuarial Board for Counseling and Discipline or its successor related to a memorandum or report described in paragraph A or D, if the information has been provided with notice or the understanding that it is confidential or privileged under applicable law. [PL 2013, c. 238, Pt. C, §9 (NEW).]

SECTION HISTORY

§1152. **Eligibility of investments**

1. **Eligible investments.** Insurers shall invest in or lend their funds on the security of and shall hold as eligible investments only those as prescribed or permitted in this chapter. [PL 1987, c. 399, §14 (NEW).]

2. **Prior investments.** Any particular investment held by an insurer on the effective date of this chapter, which was a legal investment at the time it was made, and which the insurer was legally entitled to possess immediately before the effective date of this chapter, shall be considered an eligible investment. [PL 1987, c. 399, §14 (NEW).]

3. **Eligibility date.** Eligibility of an investment shall be determined as of the date of its making or acquisition, except as stated in subsection 2, or in section 1153, subsection 3, or in section 1156, subsection 2, paragraph H, subparagraph (4). [PL 1987, c. 399, §14 (NEW).]

4. **Basis for limitation or diversification.** Any investment limitation or diversification requirement based upon the amount of the insurer's assets or particular funds must relate to such assets or funds as shown by the insurer's annual or quarterly statement as of the statement date immediately preceding the date of acquisition of the investment by the insurer, or as shown by a current applicable financial statement, prepared on the same basis as that annual or quarterly statement, resulting from merger with another insurer, bulk reinsurance or change in capitalization. [PL 2017, c. 169, Pt. A, §7 (AMD).]

5. **Capital loans.** Nothing in this chapter prohibits an insurer from advancing funds to another insurer upon the type of agreement provided for in section 3415, borrowed capital funds, and subject to the terms of that section. [PL 1987, c. 399, §14 (NEW).]

SECTION HISTORY

§1153. General qualifications

1. Eligible investments. No investment, other than real property acquired under section 1156, subsection 2, paragraph D, and personal property incident to that real property or acquired under section 1156, subsection 2, paragraph E, and other than investments acquired under section 1156, subsection 2, paragraph H, subparagraph (2), may be eligible for acquisition unless it is interest bearing, interest accruing, entitled to dividends, if declared, or is otherwise income entitled and is not then in default in any respect and the insurer is entitled to receive for its exclusive account and benefit that interest or those dividends or that income. [PL 1987, c. 399, §14 (NEW).]

2. Bona fide hedging transactions. [PL 1999, c. 715, §9 (RP).]

3. Permitted acquisitions. Nothing in this chapter prohibits the acquisition by an insurer of:

A. Securities or property received as a dividend or pursuant to a lawful judicial or nonjudicial plan of reorganization or dissolution or pursuant to a lawful and bona fide agreement of bulk reinsurance, merger or consolidation or through the exercise of rights of conversion, stock warrants or stock options received by it in accordance with this subsection or section 1156; [PL 1987, c. 399, §14 (NEW).]

B. An investment permitted under section 1156 because that investment is convertible into other securities or stock in which the insurer is not permitted to invest under this chapter or because the insurer receives in connection with that investment stock warrants, whether detachable or nondetachable, stock options, shares of stock, property interests or other assets of any kind; or [PL 1987, c. 399, §14 (NEW).]

C. Real or personal property or any interest in that property received in satisfaction of a debt previously owing to that insurer. If any securities received by any insurer in accordance with paragraph A consist in whole or in part of stock or shares of any institution, as defined in section 1156, or of bonds or other obligations which do not meet the requirements specified in section 1156, then any of that stock or shares and any bond or obligation of that type so received shall be disposed of within 5 years from the time of its acquisition or before the expiration of any further period or periods of time as may be prescribed in writing by the superintendent or treated as a nonadmitted asset thereafter unless, at any time after acquisition, those securities have met the relevant requirements and the insurer has notified the superintendent of that fact. [PL 1987, c. 399, §14 (NEW).]

[PL 1987, c. 399, §14 (NEW).]

4. Derivative transactions. This chapter does not prohibit an insurer from engaging in hedging transactions, income generation transactions and replication or synthetic asset transactions under the following conditions.

A. Before entering into any derivative transaction, the board of directors of the insurer shall determine that the insurer, directly or through an investment management subsidiary or affiliate, has adequate professional personnel, technical expertise and systems to implement investment practices involving derivative transactions and approve a derivative instruments use plan that:

   (1) Describes investment objectives and risk constraints, such as counter-party exposure amounts;

   (2) Defines permissible transactions including identification of the risks that may be hedged, the assets or liabilities that may be replicated and permissible types of income generation transactions; and

   (3) Requires compliance with internal control procedures. [PL 1999, c. 715, §10 (NEW).]
B. The insurer shall establish written internal control procedures that provide for:

(1) A quarterly report to the board of directors that reviews:
   (a) All derivative transactions entered into, outstanding or closed out;
   (b) The results and effectiveness of the insurer's implementation of its derivative instruments use plan; and
   (c) The credit risk exposure to each counter-party for over-the-counter derivative transactions based upon the counter-party exposure amount;

(2) A system for determining whether hedging, income generation or replication strategies used by the insurer have been effective;

(3) A system of regular reports on at least a monthly basis to management that include:
   (a) A description of all derivative transactions entered into, outstanding or closed out during the period since the last report;
   (b) The purpose of each outstanding derivative transaction;
   (c) A performance review of the derivative instruments program; and
   (d) The counter-party exposure amounts for over-the-counter derivative transactions;

(4) Written authorizations that identify the responsibilities and limitations of authority of persons authorized to effect and maintain derivative transactions; and

(5) Documentation appropriate for each transaction including:
   (a) The purpose of the transaction;
   (b) The assets or liabilities to which the transaction relates;
   (c) The specific derivative instrument used in the transaction;
   (d) For over-the-counter derivative instrument transactions, the name of the counter-party and the counter-party exposure amount; and
   (e) For exchange-traded derivative instruments, the name of the exchange and the name of the firm that handled the transaction. [PL 1999, c. 715, §10 (NEW).]

C. Whenever the derivative transactions entered into under this subsection are not in compliance with this subsection or, if continued, may now or subsequently create a hazardous financial condition of the insurer that affects its policyholders, creditors or the general public, the superintendent may, after notice and an opportunity for a hearing, order the insurer to take such action as may be reasonably necessary to rectify the noncompliance or hazardous financial condition or prevent an impending hazardous financial condition from occurring. [PL 1999, c. 715, §10 (NEW).]

D. An insurer may enter into hedging transactions under this subsection if as a result of and after giving effect to each such transaction:

(1) The aggregate statutory financial statement value of all outstanding caps, floors, warrants not attached to another financial instrument and options other than collars purchased by the insurer pursuant to this subsection does not exceed 7.5% of its admitted assets;

(2) The aggregate statutory financial statement value of all outstanding warrants, caps, floors and options other than collars written by the insurer pursuant to this subsection does not exceed 3% of its admitted assets; and
(3) The aggregate potential exposure of all outstanding collars, swaps, forwards and futures entered into or acquired by the insurer pursuant to this subsection does not exceed 6.5% of its admitted assets.

With respect to hedging transactions, an insurer shall demonstrate to the superintendent upon request the intended hedging characteristics and effectiveness of the hedging transaction or combination of hedging transactions through cash-flow testing, duration analysis or other appropriate analysis. [PL 1999, c. 715, §10 (NEW).]

E. An insurer may enter into an income generation transaction if:

(1) As a result of and after giving effect to the transaction, the aggregate statutory financial statement value of admitted assets that are then subject to call or that generate the cash flows for payments required to be made by the insurer under caps and floors sold by the insurer and then outstanding under this paragraph, plus the statutory financial statement value of admitted assets underlying derivative instruments then subject to calls sold by the insurer and outstanding under this paragraph, plus the purchase price of assets subject to puts then outstanding under this paragraph does not exceed 10% of its admitted assets; and

(2) The transaction is one of the following types and meets the other requirements specified in this subparagraph that are applicable to that type of transaction:

(a) Sales of call options on assets, if the insurer holds or has a currently exercisable right to acquire the underlying assets during the entire period that the option is outstanding;

(b) Sales of put options on assets, if the insurer holds sufficient cash, cash equivalents or interests in a short-term investment pool to purchase the underlying assets upon exercise during the entire period that the option is outstanding, and has the ability to hold the underlying assets in its portfolio. If the total market value of all put options sold by the insurer exceeds 2% of the insurer's admitted assets, the insurer shall set aside pursuant to a custodial or escrow agreement cash or cash equivalents having a market value equal to the amount of its put option obligations in excess of 2% of the insurer's admitted assets during the entire period the option is outstanding;

(c) Sales of call options on derivative instruments if the insurer holds or has a currently exercisable right to acquire assets generating the cash flow to make any payments for which the insurer is liable pursuant to the underlying derivative instruments during the entire period that the call options are outstanding and has the ability to enter into the underlying derivative transactions for its portfolio; or

(d) Sales of caps and floors, if the insurer holds or has a currently exercisable right to acquire assets generating the cash flow to make any payments for which the insurer is liable pursuant to the caps and floors during the entire period that the caps and floors are outstanding. [PL 1999, c. 715, §10 (NEW).]

F. An insurer may enter into replication or synthetic asset transactions in accordance with the requirements of the purposes and procedures manual of the National Association of Insurance Commissioners or its successor publication concerning replication or synthetic asset transactions on or after the date on which the National Association of Insurance Commissioners adopts such requirements. [PL 1999, c. 715, §10 (NEW).]

G. An insurer may purchase or sell one or more derivative instruments to offset, in whole or in part, any derivative instrument previously purchased or sold, without regard to the quantitative limitations of this subsection as long as the transaction may be recognized as an offsetting transaction in accordance with generally accepted accounting principles. [PL 1999, c. 715, §10 (NEW).]
H. Each derivative instrument must be:
   (1) Traded on a qualified exchange;
   (2) Entered into with, or guaranteed by, a qualified bank or a qualified business entity;
   (3) Issued or written by or entered into with the issuer of the underlying interest on which the
derivative instrument is based; or
   (4) In the case of futures, traded through a broker that is registered as a futures commission
merchant under the federal Commodity Exchange Act or that has received exemptive relief
from such registration under rule 30.10 promulgated under the federal Commodity Exchange
Act. [PL 1999, c. 715, §10 (NEW).]

§1154. Authorization; record of investments
1. Authorization required. An insurer shall not make any investment or loan, other than policy
loans or annuity contract loans, unless it is authorized or approved by the insurer's board of directors or
by a committee of the board of directors charged with supervision of investments and loans.
[PL 1987, c. 399, §14 (NEW).]
2. Records. The insurer shall maintain a full record of each investment, showing, among other
things, the name of any officer, director or principal stockholder of the insurer having any direct,
indirect or contingent interest in the securities, loan or property constituting the investment, or in the
person in whose behalf the investment is made, and the nature of that interest.
[PL 1987, c. 399, §14 (NEW).]

§1155. Diversification
Investments of an insurer shall be subject to the following diversification requirements and
limitations. [PL 1987, c. 399, §14 (NEW).]
1. Real estate; personal property; equity interests; subsidiaries. Not more than 40% of the
insurer's assets in aggregate amount may consist of investments described in the following subdivisions:
   A. Real estate, section 1156, subsection 2, paragraph D, subparagraph (1); [PL 1987, c. 399, §14
   (NEW).]
   B. Personal property, section 1156, subsection 2, paragraph E; [PL 1987, c. 399, §14 (NEW).]
   C. Equity interests, section 1156, subsection 2, paragraph F; and [PL 1987, c. 399, §14 (NEW).]
   D. Subsidiaries, section 1157, except as provided in that section. [PL 1987, c. 399, §14 (NEW).]
If, on or after the effective date of this subsection, the insurer makes investments of those types in
institutions or property located within the State aggregating 1% or more of its assets, the 40% limitation
in this subsection shall be increased by an equal amount up to 45%, exclusive of those investments in
institutions or property located within the State, thus providing for a maximum limit on the investments
described in those subdivisions of 50% of the insurer's assets.
[PL 1987, c. 399, §14 (NEW).]
2. Government obligations; policy loans; other limitations. Except as otherwise expressly
provided, an insurer may not invest in or may not incur counter-party exposure to any one person if,
after giving effect to those investments and that counter-party exposure, the aggregate of those
investments in and that counter-party exposure to that person would exceed 10% of the insurer's admitted assets, with the following exceptions:

A. Government obligations pursuant to section 1156, subsection 2, paragraph A; [PL 2001, c. 524, §3 (AMD).]
B. Policy loans pursuant to section 1158; and [PL 2001, c. 524, §3 (AMD).]
C. Index mutual funds, but as to this exception, only with the prior approval of the superintendent and limited to 20% of the insurer's admitted assets. [PL 2001, c. 524, §3 (NEW).]

3. Other investment limitations shall be as provided in particular sections of this chapter. [PL 1987, c. 399, §14 (NEW).]

SECTION HISTORY

§1156. Reserve and other investments

1. Standard of care. When investing the assets of an insurer, the directors and officers of the insurer shall perform their duties in good faith and with that degree of care that an ordinarily prudent person in a like position would use under similar circumstances. [PL 1987, c. 399, §14 (NEW).]

2. Investment classes. Subject to section 1155, the assets of an insurer may be invested in the following classes, subject to the percentage limitations contained in this subsection:

A. Obligations issued, assumed, guaranteed or insured by the United States or by any state or by the District of Columbia, or any other governmental unit in the United States, its territories or possessions, or by any agency or instrumentality of any of those, provided that those obligations are by law payable, as to both principal and interest, from taxes upon all property or income within the jurisdiction of that governmental unit, or from adequate special revenues pledged or appropriated or otherwise by law required to be provided for the purpose of that payment, but not including special assessments on properties benefitted by local improvements unless adequate security is evidenced by the ratio of assessment to the value of those properties, or unless the obligation is additionally secured by an adequate guaranty fund required by law; [PL 1987, c. 399, §14 (NEW).]

B. Obligations issued, assumed, guaranteed or accepted by domestic institutions or by trustees or receivers of those institutions, and preferred shares of any of those institutions, provided that without the prior approval of the superintendent, no domestic insurer may acquire any high-yield or medium grade obligations of any institution if:

(1) The aggregate amount of all medium grade obligations and all high-yield obligations then held by the insurer exceeds 20% of its admitted assets;

(2) The aggregate amount of all high-yield obligations then held by the insurer exceeds 10% of its admitted assets;

(3) The aggregate amount of all high-yield obligations rated 5 or 6 by the Securities Valuation Office of the National Association of Insurance Commissioners or, if not valued by the National Association of Insurance Commissioners, the equivalent of 5 or 6 by Moody's Investors Service, Inc., Standard and Poor's Corporation, Fitch Investors Service, Inc. or Duff and Phelps, Inc., exceeds 3% of admitted assets;

(4) The aggregate amount of all high-yield obligations rated 6 by the Securities Valuation Office of the National Association of Insurance Commissioners or, if not valued by the National Association of Insurance Commissioners, the equivalent of 6 by Moody's...
Investors Service, Inc., or rated D by Standard and Poor's Corporation, Fitch Investors Service, Inc., or Duff and Phelps, Inc., exceeds 1% of admitted assets;

(5) The aggregate amount of medium grade obligations issued, guaranteed or insured by any one institution then held by the insurer exceeds 1/2 of 1% of its admitted assets; or

(6) The aggregate amount of high-yield obligations issued, guaranteed or insured by any one institution then held by the insurer exceeds 1/2 of 1% of its admitted assets. [PL 1993, c. 313, §26 (RPR).]

C. Obligations secured by liens on real property or interests in real property located within the United States and not eligible under paragraph A or B acquired directly or indirectly through limited partnership interests, general partnership interests, joint ventures, stock of an investment subsidiary or membership interests in a limited liability company, trust certificates or other similar instruments if, at the time of the acquisition, the obligation does not exceed:

(1) Ninety percent of the fair market value of the real estate, if the mortgage loan is secured by a purchase money mortgage or like security received by the insurer upon disposition of the real estate;

(2) Eighty percent of the fair market value of the real estate, if the mortgage loan requires immediate scheduled payment in periodic installments of principal and interest, has an amortization period of 30 years or less and requires periodic payments made no less frequently than annually. Each periodic payment must be sufficient to ensure that at all times the outstanding principal balance of the mortgage loan may not be greater than the outstanding principal balance that would be outstanding under a mortgage loan with the same original principal balance, with the same interest rate and requiring equal payments of principal and interest with the same frequency over the same amortization period. Mortgage loans that are otherwise permitted under this subparagraph may provide for a payment of the principal balance before the end of the period of amortization of the loan. For residential mortgage loans, the 80% limitation may be increased to 97% if acceptable private mortgage insurance has been obtained; or

(3) Seventy-five percent of the fair market value of the real estate for mortgage loans that do not meet the requirements of subparagraph (1) or (2).

A mortgage loan that is secured by other than a first lien may not be acquired under this paragraph unless the insurer is the holder of the first lien. For purposes of this paragraph, the amount of an obligation required to be included in the calculation of the loan-to-value ratio may be reduced to the extent the obligation is insured by the Federal Housing Administration or guaranteed by the Administrator of Veterans’ Affairs, or their successors. A mortgage loan that is acquired under this paragraph and is restructured in a manner that meets the requirements of a restructured mortgage loan in accordance with the National Association of Insurance Commissioners accounting practices and procedures manual or successor publication continues to qualify as a mortgage loan under this paragraph. [PL 1999, c. 715, §12 (AMD).]

D. Investments in real property or interests therein located in the United States, held directly or evidenced by partnership interests, stock of corporations, trust certificates or other instruments and acquired:

(1) As an investment for the production of income or to be improved or developed for that investment purpose; or

(2) For the convenient accommodation of the insurer's business.

After giving effect to any of those types of investments, the aggregate amount of investments made under subparagraph (1) may not exceed 20% of the insurer's total admitted assets; the aggregate
amount of investments made under subparagraph (2) may not exceed 10% of the insurer's total admitted assets; and the aggregate amount of investments made under this paragraph may not exceed 25% of the insurer's total admitted assets. Investments under subparagraph (1) in any single property, including improvements on that property, may not in the aggregate exceed 2% of the insurer's total admitted assets; [PL 1993, c. 313, §27 (AMD).]

E. Investments in personal property or interests in that property located or used wholly or in part within the United States, held directly or evidenced by partnership interests, stock of corporations, trust certificates or other instruments, provided that, after giving effect to any investment of that type, the aggregate amount of those investments will not exceed 10% of the insurer's total admitted assets and provided that investments under this paragraph in any single item of personal property will not in the aggregate exceed 1% of the insurer's total admitted assets; [PL 1987, c. 399, §14 (NEW).]

F. Investments, other than investments described in paragraph D or E and in addition to investments authorized by section 1157, in common stock, partnership interests, trust certificates or other equity interests, other than preferred shares, of domestic institutions, provided that, after giving effect to any investment of that type under this paragraph, the aggregate amount of those investments will not exceed 20% of the insurer's total admitted assets; [PL 1987, c. 399, §14 (NEW).]

F-1. Investment practices entered into under section 1153, subsection 4 or section 1160, subsection 6; [PL 2001, c. 471, Pt. D, §24 (NEW).]

G. The following foreign investments in and investment practices with persons domiciled in foreign jurisdictions:

(1) Canadian securities and investments substantially of the same classes as those eligible for investment under paragraphs A to F, but the aggregate amount of those investments that are held at any time by any insurer may not exceed 10% of total admitted assets, except when a greater amount is permitted pursuant to subparagraph (2), in which case this subparagraph is not applicable;

(2) In the case of any insurer that is authorized to do business in a foreign country or possession of the United States or that has outstanding insurance, annuity or reinsurance contracts on lives or risks resident or located in a foreign country or possession of the United States, securities and investments in that foreign country or possession that are substantially of the same classes as those eligible for investment under paragraphs A to F, but the aggregate amount of such investments in a foreign country or a possession of the United States and of cash in the currency of that country or possession that is at any time held by that insurer may not, except as provided in paragraph H, exceed 1 1/2 times the amount of its reserves and other obligations under those contracts or the amount that that insurer is required by law to invest in that country or possession, whichever is greater;

(3) Foreign investments in and foreign investment practices with persons domiciled in foreign jurisdictions that are substantially of the same classes as those eligible for investment under this chapter, if after giving effect to the investment or transaction:

(a) The aggregate amount of foreign investments then held by the insurer and foreign investment practices then engaged in by the insurer under this subparagraph does not exceed 20% of its admitted assets; and

(b) The aggregate amount of foreign investments then held by the insurer and foreign investment practices then engaged in by the insurer under this subparagraph in a single foreign jurisdiction does not exceed 10% of its admitted assets if the foreign jurisdiction has a sovereign debt rating of "1" from the Securities Valuation Office of the National Association of Insurance Commissioners or 3% of its admitted assets if the foreign
jurisdiction has a sovereign debt rating other than "1" from the Securities Valuation Office of the National Association of Insurance Commissioners; and

(4) Investments and investment practices denominated in foreign currencies whether or not they are foreign investments acquired or foreign investment practices engaged in pursuant to subparagraphs (1) or (3), or additional foreign currency exposure as a result of the termination or expiration of a hedging transaction with respect to investments or investment practices denominated in a foreign currency if:

(a) The aggregate amount of investments then held by the insurer and investment practices then engaged in by the insurer under this subparagraph denominated in foreign currencies does not exceed 10% of its admitted assets; and

(b) The aggregate amount of investments then held by the insurer and investment practices then engaged in by the insurer under this subparagraph denominated in the currency of a single foreign jurisdiction does not exceed 10% of its admitted assets if the foreign jurisdiction has a sovereign debt rating of "1" from the Securities Valuation Office of the National Association of Insurance Commissioners or 3% of its admitted assets if the foreign jurisdiction has a sovereign debt rating other than "1" from the Securities Valuation Office of the National Association of Insurance Commissioners.

An investment or an investment practice is not considered denominated in a foreign currency if the insurer enters into one or more hedging transactions permitted under section 1153, subsection 4 to hedge the foreign currency exchange rate risk associated with such investment or investment practice; and [PL 1999, c. 715, §13 (AMD).]

H. Investments that do not qualify or are not permitted under any other paragraph of this subsection; as long as:

(1) After giving effect to any investment made under this paragraph, the aggregate amount of those investments does not exceed 14% of total admitted assets, except that investments made under this paragraph in institutions or property not located within the State may not exceed 10% of total admitted assets; and, if the insurer makes investments described in paragraphs A to G and elects to charge those investments against the quantitative limits in this paragraph instead of the quantitative limits in paragraphs A to G, then the aggregate amount invested under this paragraph in those types of investments may not exceed 5% of total admitted assets for any one of those types of investments;

(2) Investments that are neither interest bearing nor income entitled are subject to all of the provisions of this paragraph; and the aggregate amount of those investments held at any one time may not exceed 3% of total admitted assets;

(3) The investment limitations contained in this chapter, qualitative or otherwise, do not apply to loans or investments made or acquired under this paragraph, provided that no loan or investment made or acquired under this paragraph may be represented by any asset determined to be nonadmitted pursuant to section 901-A or rules adopted under that section; any loan or investment expressly prohibited under section 1160; or agents' balances, or amounts advanced to or owing by agents, except as to policy loans, mortgage loans and collateral loans to those agents otherwise authorized under this chapter; or

(4) The insurer shall keep a separate record of all loans and investments made or acquired under this paragraph. Any such loan or investment that, subsequent to the date of making or acquisition, has attained the standard of eligibility and qualifies under any other provision of this chapter may be considered to have been made or acquired under and in compliance with that provision and may no longer be considered to have been made or acquired under this paragraph. [PL 2001, c. 471, Pt. A, §27 (AMD).]
3. **Determination of eligibility.** The eligibility of any investment under any paragraph of subsection 2 must be determined at the time of acquisition, except that investments qualified under subsection 2, paragraph H, may be requalified at a later date under another provision of this chapter, if the relevant conditions are satisfied at the time of such requalification.

[PL 1993, c. 313, §28 (AMD).]

**SECTION HISTORY**

§1157. Investment in subsidiaries

1. **Investment or acquisition.** Subject to the limitations contained in subsection 5, an insurer may invest in, or otherwise acquire, subsidiaries engaged or organized to engage in any businesses lawful under the laws of the jurisdictions in which those subsidiaries are organized.

[PL 1987, c. 399, §14 (NEW).]

2. **Authorization.** Except as provided in section 1153, subsection 3, investments in subsidiaries authorized by this section may not be authorized under any other section of this chapter.

[PL 1987, c. 399, §14 (NEW).]

3. **Superintendent; order of disposition.** At any time after the acquisition by the insurer of any subsidiary, other than a holding company engaged solely in the ownership or control of other subsidiaries, or a subsidiary referred to in subsection 5, paragraph B, subparagraphs (1) or (2), the superintendent may order its disposition if he finds, after notice and an opportunity to be heard, that its continued retention is materially adverse to the interests of the insurer's policyholders. The insurer shall have at least 36 months to effect the disposition. If that disposition is not so effected, the subsidiary may not thereafter be allowed as an asset of the insurer.

[PL 1987, c. 399, §14 (NEW).]

4. **Name.** The name of any subsidiary may not be such as to mislead or deceive the public.

[PL 1987, c. 399, §14 (NEW).]

5. **Limitations.** Subject to the exceptions in paragraph B, investments in subsidiaries of an insurer are limited as follows.

A. Except with the approval of the superintendent, that insurer may not make, directly or indirectly, an investment in any subsidiary if that investment would bring the aggregate net cost of investments in all subsidiaries to an amount in excess of the lesser of 10% of the insurer's total admitted assets or 50% of the insurer's surplus as regards policyholders or if that investment would bring the aggregate net investment in that subsidiary to an amount in excess of 2% of those total admitted assets. [PL 1993, c. 313, §29 (AMD).]

B. Investments made directly or indirectly in the following subsidiaries are not subject to the limitations contained in paragraph A or in section 1155 or 1156, nor are these investments to be counted in determining compliance with those limitations:

   (1) Subsidiaries, all of whose stock is owned by one or more insurers, engaged or organized to engage exclusively in the ownership or management of assets authorized under this chapter as investments for the insurer;

   (2) Subsidiaries engaged or organized to engage in the kinds of business in which the insurer may engage, provided that the aggregate net cost of the insurer's investments in all such subsidiaries may not exceed 50% of its surplus as to policyholders; and
A subsidiary that is a depository institution, or any company that controls such an institution, that is subject to the federal Gramm-Leach-Bliley Act, Sections 104(c) and 306(2), 113 Stat. 1338, as long as the insurer's total investment in all such subsidiaries does not exceed 5% of the insurer's admitted assets.

An investment described in section 3415 is not considered as an investment in a subsidiary in determining compliance with the limitations of this subsection. [PL 1999, c. 715, §14 (AMD).]

C. Subject to paragraph B, the "net cost of investment" is defined to be the sum of: The total money or other consideration expended and obligations assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of that subsidiary; and all amounts expended in acquiring additional common stock, preferred stock, debt obligations and other securities, and all contributions to the capital or surplus, of a subsidiary subsequent to its acquisition or formation; less returns of capital, repayments of principal and any other payments reducing the investment in the subsidiary. [PL 1987, c. 399, §14 (NEW).]

D. Investments made or acquired by subsidiaries referred to in paragraph B, subparagraph (1) are considered to be made or acquired directly by the insurer, pro rata, in the case of a subsidiary not wholly owned and, to such extent, are subject to all the provisions and limitations on the making of investments specified in this chapter with respect to investments by the insurer; must be valued in accordance with the provisions of section 901-A and any other applicable provisions of this Title and any applicable rules adopted by the superintendent; and must be located pursuant to section 3408. Those subsidiaries are subject to examination by the superintendent under section 221, subsection 1 and section 222, subsection 1-A. [PL 2013, c. 238, Pt. A, §31 (AMD); PL 2013, c. 238, Pt. A, §34 (AFF).]

E. There shall be excluded from all computations under paragraph A any investment by an insurer in any subsidiary, or by one subsidiary in another subsidiary, to the extent that such investment is reinvested in another subsidiary, but amounts so reinvested shall thereafter be included in such computations unless further excluded or exempted by this chapter. [PL 1987, c. 399, §14 (NEW).]

6. Valuation of subsidiary stock. In determining the financial condition of an insurer, all investments made directly or indirectly in the stock of its subsidiaries must be valued in accordance with section 901-A and any rules adopted under that section. [PL 2001, c. 72, §16 (AMD).]

7. Application of law. Except as provided in section 1155, investments in subsidiaries made pursuant to this section are not subject to any other restrictions or prohibitions contained in this chapter. [PL 1987, c. 399, §14 (NEW).]

§1158. Policy loans

A life insurer may lend to its policyholder, upon pledge of the policy as collateral security, any sum not exceeding the cash surrender value of the policy; or may lend against pledge or assignment of any of its supplementary contracts or other contracts or obligations, as long as the loan is adequately secured by that pledge or assignment. Loans so made are eligible investments of the insurer. [PL 1987, c. 399, §14 (NEW).]

SECTION HISTORY
§1159. Special investments; separate accounts

1. Special investments. Except as may be provided with respect to reserves for guaranteed benefits and funds referred to in subsection 2:

A. Amounts allocated to any separate account established by the insurer pursuant to section 2537, separate accounts and accumulations on those accounts may be invested and reinvested without regard to any requirements or limitations prescribed by this chapter except for the provisions of section 1156, subsection 1; and [PL 1987, c. 399, §14 (NEW).]

B. Except as provided in subsection 2, paragraph B, the investments in that separate account or accounts may not be taken into account in applying the investment limitations otherwise applicable to the investments of the insurer. [PL 1987, c. 399, §14 (NEW).]

[PL 1987, c. 399, §14 (NEW).]

2. Separate accounts. Except with the approval of the superintendent and under such conditions as to investments and other matters as he may prescribe, which shall recognize the guaranteed nature of the benefits provided, no insurer may guarantee the value of the assets allocated to a separate account, or any interest in that account, or the investment results of that account, or the income from that account, to a contract holder, without limitation of liability under all those guarantees to the extent of the interest of the contract holder in assets allocated to that separate account, unless:

A. To the extent that the applicable agreements provide that the assets in that separate account shall not be chargeable with liabilities arising out of any other business of the insurer, the assets allocated to that separate account are invested subject to the requirements and limitations on investments imposed by section 1156, subsection 2, as though the aggregate assets allocated to that separate account were the insurer's total admitted assets; or [PL 1987, c. 399, §14 (NEW).]

B. The assets allocated to that separate account are invested subject to the requirements and limitations on investments imposed by section 1156, subsection 2, as though they were part of the general assets of the insurer. [PL 1987, c. 399, §14 (NEW).]

[PL 1987, c. 769, Pt. A, §90 (AMD).]

2. Underwriting. No insurer may underwrite or participate in the underwriting of an offering of securities or property of any person. This provision may not be considered to prohibit:

A. The acquisition and ownership by the insurer of its subsidiary corporation acting as an investment adviser or principal underwriter of a management company or investment company registered with the United States Securities and Exchange Commission under the Investment Company Act of 1940, United States Code, Title 11, Section 72 and 102, and Title 15, Sections 80a-1 to 80a-52, as amended; [PL 1987, c. 399, §14 (NEW).]

C. The underwriting by an insurer individually or on its account jointly with one or more of its subsidiaries of the securities of any company that is engaged primarily in the business of investing in or holding securities or real property and to which the insurer or any of its subsidiaries renders management, investment advisory or sales services nor from participating in sales or purchases of those securities jointly with any person in the insurer's holding company system, as defined in section 222. [PL 1987, c. 399, §14 (NEW).]

3. Investments in affiliates. No insurer may purchase the stock of or otherwise invest in or lend its funds upon the security of any note or other evidence of indebtedness of any affiliate in the insurer's holding company system, except as authorized by section 222 or 1157, or lend its funds to any director or officer of the insurer or the spouse or child of any director or officer. 4. Encumbrance of securities.
[PL 1999, c. 715, §16 (RP).]

6. Encumbrance of securities. A. The insurer's board of directors shall adopt a written plan regarding such transactions that specifies guidelines and objectives to be followed, such as:

(1) A description of how cash received will be invested or used for general corporate purposes of the insurer;

(2) Operational procedures to manage interest rate risk, counter-party default risk, the conditions under which proceeds from reverse repurchase transactions may be used in the ordinary course of business and the use of acceptable collateral in a manner that reflects the liquidity needs of the transaction; and

(3) The extent to which the insurer may engage in these transactions. [PL 1999, c. 715, §17 (NEW).]

B. The insurer shall enter into a written agreement for all transactions authorized in this subsection other than dollar roll transactions. The written agreement must require each transaction to terminate no more than one year from its inception. The agreement must be made with the counter-party, except that, for securities lending transactions, the agreement may be through a custodian bank that is a qualified bank or the agreement may be with an agent acting on behalf of the insurer if the agent or the guarantor of the agent's obligations under the agreement is a qualified bank or a qualified business entity and if the agreement with the agent requires the agent to enter into separate
agreements with each counter-party that are consistent with the requirements of this subsection and prohibits securities lending transactions under the agreement with the agent or its affiliates. [PL 1999, c. 715, §17 (NEW).]

C. Cash received in a transaction under this subsection, if not used by the insurer for its general corporate purposes in accordance with the plan adopted by the board of directors pursuant to paragraph A, must be invested in accordance with this chapter and in a manner that recognizes the liquidity needs of the transaction. For so long as any transaction under this subsection remains outstanding, the insurer, its agent or custodian shall maintain either physically or through the book entry systems of the Federal Reserve, Depository Trust Company, Participants Trust Company or other securities depositories approved by the superintendent:

1. Possession of acceptable collateral for the transaction;
2. A perfected security interest in acceptable collateral for the transaction; or
3. In the case of a foreign jurisdiction, title to, or rights of a secured creditor to, acceptable collateral for the transaction.

The amount of acceptable collateral required for the purposes of subparagraphs (1), (2) and (3) is the amount required pursuant to the provisions of the purposes and procedures manual of the Securities Valuation Office of the National Association of Insurance Commissioners or its successor publication. [PL 1999, c. 715, §17 (NEW).]

D. An insurer may not enter into a transaction under this subsection if, as a result of and after giving effect to the transaction:

1. The aggregate amount of securities then loaned to, sold to or purchased from any one counter-party under this subsection would exceed 5% of its admitted assets. In calculating the amount sold to or purchased from a counter-party under repurchase or reverse repurchase transactions, effect may be given to netting provisions under a written master agreement; or
2. The aggregate amount of all securities then loaned to, sold to or purchased from all counter-parties under this subsection would exceed 40% of its admitted assets. [PL 1999, c. 715, §17 (NEW).]

SECTION HISTORY

§1413. License requirement for business entities

1. License required. A business entity, whether it has a location in this State or not, must be licensed as an insurance producer, adjuster or consultant business entity in order to authorize individual licensees to act on the entity's behalf by engaging in insurance producer, adjuster or consultant activities or in order to use the name of the business entity in insurance-related advertising in the State. A business entity has no authority to act on its own without an individual license. A license authority held by an individual licensee employed by a business entity does not transfer to other employees within that business entity. Licensure of a nonresident business entity does not depend upon the entity's maintaining a business entity license in another state. Business entity licensees are subject to the standards of section 407, subsection 2, when applicable, and section 408, subsections 1 and 4. [PL 2001, c. 259, §14 (AMD).]

2. Officers; directors; members; partners. A business entity shall notify the superintendent of its members, directors, officers or partners, and of all executive officers and directors of entities owning and individuals owning, directly or indirectly, 51% or more of the outstanding voting securities of the applicant, within 14 days of a request for such information by the superintendent. [PL 2011, c. 554, §3 (AMD).]

3. Responsible person. Each officer or director of a corporation, each officer and member of a limited liability company and each partner of a partnership who is acting as an insurance producer, adjuster or consultant shall obtain an insurance producer, adjuster, or consultant license. Officers, members and partners do not have to be individually licensed if they are not engaging in producer activities, are not acting as consultants or adjusters and are not being compensated based upon the volume of insurance business transacted. At least one individual licensee must be designated responsible for the business entity's compliance with the insurance laws and rules of this State. The responsible person shall ensure that every individual acting in the name of the entity does not act beyond
the scope of that individual's license. The designated responsible person for each business entity shall maintain a list of all current home addresses and home telephone numbers for each individual designated to act in the name of the entity. The business entity shall notify the superintendent, within 14 days of every change of the designated licensed person responsible for the entity's compliance with laws and rules of this State. The designated responsible person is responsible for all correspondence with the business entity from the superintendent. If the responsible person in a business entity loses that person's license, the business entity license terminates if a new person is not designated as responsible for the business entity within 14 days.

[PL 2001, c. 259, §14 (AMD).]

4. Authority. Whenever a business entity changes the individuals designated to act in the name of the entity, the entity shall notify the superintendent within 30 days of those changes.

[PL 2001, c. 259, §14 (AMD).]

5. Resident branch offices. A resident business entity establishing more than one place of business in this State must procure a business entity branch registration for each location within the State. A resident branch office is any office location other than the location of the licensed business entity that regularly conducts insurance business or that is advertised as a location where the public may contact the business entity or its employees concerning insurance services. An office location that meets this definition that is itself a separate legal entity from the licensed business entity must obtain a separate business entity license and cannot be registered as a branch office. The licensed person designated as responsible for the business entity is responsible for all branch locations.

[PL 2001, c. 259, §14 (AMD).]

6. Nonresident branch locations. A nonresident business entity doing business in this State shall procure a business entity license for its principal location and a branch office registration for each location doing business in the State. 8. Motor vehicle rental company. A rental company that primarily provides rental of motor vehicles to the public under a rental agreement that includes travel, baggage, liability or other related insurance coverage purchased by an individual in connection with and incidental to the rental of a motor vehicle, whether at the rental office or by preselection of coverage by the individual, shall obtain a limited insurance producer license under this chapter, and at least one employee at each office of the rental company located in the State shall obtain a limited insurance producer license.

[PL 1999, c. 270, §3 (NEW).]

An insurer or authorized representative of the insurer that terminates the appointment, employment or contract with a producer for any reason not set forth in section 1420-K shall notify the superintendent within 30 days following the effective date of the termination, using a format prescribed by the superintendent. Upon written request of the superintendent, the insurer shall provide additional information, documents, records or other data pertaining to the termination.

[PL 2001, c. 259, §24 (NEW).]

3. Ongoing notification requirement. The insurer or the authorized representative of the insurer shall promptly notify the superintendent in a format acceptable to the superintendent if, upon further review or investigation, the insurer discovers additional information that would have been reportable to the superintendent in accordance with subsection 1 had the insurer then known of its existence.

[PL 2001, c. 259, §24 (NEW).]

4. Copy of notification to be provided to producer. Notification to the producer and comments by the producer must be as follows.

A. Within 15 days after making the notification required by subsections 1, 2 and 3, the insurer shall mail a copy of the notification to the producer at the producer's last known address. If the producer is terminated for cause for any of the reasons listed in section 1420-K, the insurer shall provide a copy of the notification to the producer at the producer's last known address by certified
mail, return receipt requested, postage prepaid or by overnight delivery using a nationally recognized carrier. [PL 2001, c. 259, §24 (NEW).]

B. Within 30 days after the producer has received the original or additional notification, the producer may file written comments concerning the substance of the notification with the superintendent. The producer shall, by the same means, simultaneously send a copy of the comments to the reporting insurer and the comments become a part of the superintendent's file and accompany every copy of a report distributed or disclosed for any reason about the producer as permitted under subsection 6. [PL 2001, c. 259, §24 (NEW).]

5. Immunities. This subsection governs immunities.

A. In the absence of actual malice, an insurer, the authorized representative of the insurer, a producer, the superintendent or an organization of which the superintendent is a member that compiles the information concerning the termination and makes it available to other insurance commissioners or regulatory or law enforcement agencies is not subject to civil liability for making this information available, and a civil cause of action may not arise against these entities or their respective agents or employees as a result of reporting or providing information under this section. [PL 2001, c. 259, §24 (NEW).]

B. In any action brought against a person that may have immunity under paragraph A for making any statement required by this section or providing any information relating to any statement that may be requested by the superintendent, the party bringing the action shall plead specifically in any allegation that paragraph A does not apply because the person making the statement or providing the information did so with actual malice. [PL 2001, c. 259, §24 (NEW).]

C. Paragraph A or B does not abrogate or modify any existing statutory or common law privileges or immunities. [PL 2001, c. 259, §24 (NEW).]

6. Confidentiality. Subject to limitations set out in this subsection, any documents, materials or other information in the control or possession of the bureau that is furnished by an insurer or producer or an employee or agent acting on behalf of the insurer or producer or that is obtained by the superintendent in an investigation pursuant to this section is confidential, is not subject to subpoena and is not subject to discovery or admissible in evidence in any private civil action except by a court order for good cause.

A. The superintendent is, however, authorized to use the documents, materials or other information in the furtherance of any regulatory or legal action brought as a part of the superintendent's duties. [PL 2001, c. 259, §24 (NEW).]

B. Neither the superintendent nor any person who received documents, materials or other information while acting under the authority of the superintendent may be permitted or required to testify in any private civil action concerning any confidential documents, materials or information except as ordered by a court for good cause. [PL 2001, c. 259, §24 (NEW).]

C. In order to assist in the performance of the superintendent's duties under this subchapter, the superintendent:

(1) May share documents, materials or other information, including the confidential and privileged documents, materials or information subject to paragraph A, with other state, federal and international regulatory agencies, with the National Association of Insurance Commissioners, its affiliates or subsidiaries or any successor organization, and with state, federal and international law enforcement authorities, provided that the recipient agrees to maintain the confidentiality of the documents, materials or other information;
(2) May receive documents, materials or information, including otherwise confidential and privileged documents, materials or information, from the National Association of Insurance Commissioners, its affiliates or subsidiaries or any successor organization, and from regulatory and law enforcement officials of other foreign or domestic jurisdictions and shall maintain as confidential or privileged any documents, materials or information received with notice or the understanding that it is confidential or privileged under the laws of the jurisdiction that is the source of the documents, materials or information; and

(3) May enter into agreements governing sharing and use of information consistent with this subsection. [PL 2001, c. 259, §24 (NEW).]

D. No waiver of any applicable privilege or claim of confidentiality in the documents, materials or information occurs as a result of disclosure to the superintendent under this section or as a result of sharing as authorized in paragraph C. [PL 2001, c. 259, §24 (NEW).]

E. Nothing in this subchapter prohibits the superintendent from releasing final, adjudicated actions including for cause terminations that are open to public inspection pursuant to Title 1, chapter 13, subchapter I to a database or other clearinghouse service maintained by the National Association of Insurance Commissioners, its affiliates or subsidiaries or any successor organization. [PL 2001, c. 259, §24 (NEW).]

7. Penalties for failing to report. An insurer, producer or an employee or agent acting on behalf of the insurer or producer that fails to report as required under the provisions of this section or that is found to have reported with actual malice by a court of competent jurisdiction may, after notice and hearing, have its license suspended or revoked and may be fined in accordance with section 12-A. [PL 2001, c. 259, §24 (NEW).]

The superintendent shall waive any requirements for a nonresident license applicant with a valid license from that person's home state, except the requirements imposed by section 1420-G, if the applicant's home state awards nonresident licenses to residents of this State on the same basis. [PL 2001, c. 259, §24 (NEW).]

2. Continuing education. Satisfaction of a nonresident producer's home state's continuing education requirements for licensed insurance producers constitutes satisfaction of this State's continuing education requirements if the nonresident producer's home state recognizes the satisfaction of its continuing education requirements imposed upon producers from this State on the same basis. 1. Commissions. Except as provided in section 1420-L, an insurer, health maintenance organization, fraternal benefit society or nonprofit hospital or medical service organization may not pay to any unlicensed person, either directly or indirectly, any commission on a sale of a contract of insurance issued on a risk located or to be performed within this State unless at the time of the taking of the application for the insurance the person was duly licensed by this State as an insurance producer as to the kind or kinds of insurance involved. An unlicensed person or business entity may not receive or accept any commission or compensation for insurance unless licensed pursuant to this chapter. [PL 2001, c. 259, §43 (AMD).]

2. Shared commissions. If an insurance producer does not have an appointment with an insurer, the insurance producer may place with that insurer, through a duly licensed and appointed producer of such insurer, an insurance coverage necessary for the adequate protection of a subject of insurance and share in the commission on that insurance, if each producer is licensed as to the kinds of insurance involved.
   [PL 2011, c. 238, Pt. H, §5 (AMD).]

3. Rules. With respect to the sale of property and casualty insurance sold to large commercial insurance risks, producers may be compensated by fees paid by or on behalf of the insured, by commissions paid by an insurer or by a combination of both. The superintendent may adopt rules to establish standards for determining large commercial insurance risks. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. [PL 1997, c. 457, §23 (NEW); PL 1997, c. 457, §55 (AFF).]

[PL 1997, c. 457, §23 (NEW); PL 1997, c. 457, §55 (AFF).]

A consultant may not use knowledge gained as a result of the consultant's insurance relationship with the client for the consultant's own personal gain, other than the receipt of fees or commissions allowed under section 1450, or use knowledge gained as a result of the relationship for the purpose of investing the client's money in property or assets in which the consultant, or any person in which the consultant has a pecuniary interest or a familial relationship, has or will have a personal ownership interest unless such activity is otherwise specifically authorized under insurance, banking, or securities laws. C. All claim files must be the joint property of the insurer and MGA; except that, upon an order of liquidation of the insurer, the files become the sole property of the insurer or its estate. The MGA must have reasonable access to and may copy the files on a timely basis; and [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

D. Any settlement authority granted to the MGA may be terminated for cause upon written notice by the insurer to the MGA or upon the termination of the contract. The insurer may suspend the settlement authority during the pendency of any dispute regarding the cause for termination. Upon termination of the MGA's authority to settle claims, the MGA shall desist from any draw on funds of the insurer and shall immediately forward to the insurer all claims files with the MGA's immediate possession and any claims received thereafter. The MGA shall promptly transfer to the insurer any funds owed to the insurer or to any policyholder and shall transfer to the insurer any property of the insurer that is within the MGA's actual or constructive possession. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

[PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

8. Transmission. When electronic claims files are in existence, the contract must address the timely transmission of the data. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
9. **Interim profits.** If the contract provides for a sharing of interim profits by the MGA and the MGA has the authority to determine the amount of the interim profits by establishing loss reserves or controlling claim payments or in any other manner, interim profits may not be paid to the MGA until one year after they are earned for property insurance business and 5 years after they are earned on casualty business and not until the profits have been verified pursuant to section 1495. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

10. **Prohibitions.** The MGA may not:
   A. Bind reinsurance or retrocessions on behalf of the insurer, except that the MGA may bind facultative reinsurance contracts pursuant to obligatory facultative agreements if the contract with the insurer contains reinsurance underwriting guidelines including, for reinsurance both assumed and ceded, a list of reinsurers with which such automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured and commission schedules; [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
   B. Commit the insurer to participate in insurance or reinsurance syndicates; [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
   C. Make use of any producer without ensuring that the producer is lawfully licensed in this State to transact the kind of insurance for which the producer is used; [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
   D. Without prior approval of the insurer, pay or commit the insurer to pay a claim over an amount specified by the insurer, net of reinsurance, which may not exceed 1% of the insurer's policyholder surplus as of December 31st of the preceding year; [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
   E. Collect any payment from a reinsurer or commit the insurer to any claim settlement with a reinsurer without prior approval of the insurer. If prior approval is given, a report must be promptly forwarded to the insurer; [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
   F. Make use of any producer who serves on the insurer's board of directors; [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
   G. Jointly employ an individual who is employed with the insurer; or [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
   H. Assign specific duties under a contract with an insurer to other parties. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

[PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

2. **Actuarial review.** If an MGA establishes loss reserves, the insurer shall annually obtain the opinion of an actuary or actuaries who specialize in the type of insurance under consideration, attesting to the adequacy of loss reserves established for losses incurred and outstanding on business produced by the MGA. This requirement is in addition to any other required loss reserve certification. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]
3. **On-site review.** The insurer shall periodically and at least semiannually conduct an on-site review of the underwriting and claims processing operations of the MGA.
[PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

4. **Binding authority.** Binding authority for all reinsurance contracts or participation in insurance or reinsurance syndicates rests with an officer of the insurer, who may not be affiliated with the MGA.
[PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

5. **Notice of termination.** Within 30 days of termination of a contract with an MGA, the insurer shall provide written notification of that termination to the superintendent.
[PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

6. **Quarterly review.** An insurer shall review its books and records each quarter to determine if any producer has become, by operation of section 1492, subsection 3, an MGA as defined in that section. If the insurer determines that its producer has become an MGA, the insurer shall promptly notify the producer and the superintendent of that determination and the insurer and producer must fully comply with the provisions of this subchapter within 30 days.
[PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

7. **Board member qualifications.** An insurer may not appoint to its board of directors an officer, director, employee, producer or controlling shareholder of its managing general agents. This subsection does not apply to relationships governed by section 222 or chapter 77 to the extent that control of an insurer is permissible under section 222 or chapter 77.
[PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

**SECTION HISTORY**

§1496. **Acts of MGA considered acts of insurer; examination authority**

The acts of the MGA are deemed to be the acts of the insurer on whose behalf it is acting. An MGA may be examined as if it were the insurer. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

**SECTION HISTORY**

§1497. **Penalties and liabilities**

1. **Penalties.** If the superintendent finds after a hearing conducted in accordance with section 229 that any person has violated any provision of this subchapter, the superintendent may order:

   A. For each separate violation, any penalty provided for by section 12-A; [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

   B. Revocation or suspension of the producer's license or the insurer's certificate of authority; and [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

   C. The MGA to reimburse the insurer, the rehabilitator or liquidator of the insurer for any losses incurred by the insurer caused by a violation of this subchapter committed by the MGA. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

2. **Effect of order.** The decision, determination or order of the superintendent pursuant to subsection 1 is subject to judicial review as provided by section 236. [PL 1997, c. 573, §1 (NEW); PL 1997, c. 573, §2 (AFF).]

3. **Penalties.** Nothing contained in this section affects the right of the superintendent to impose any other penalties provided for in this Title.

Section 1904. Bond requirements for administrators

1. Every applicant for an administrator's license shall file with the application, and shall maintain in force while licensed, a fidelity bond, and at the superintendent's discretion, a surety bond, in favor of the Treasurer of State, for the benefit of covered persons or plan sponsors as their interest may appear, executed by a surety company authorized to do business in this State and payable to any party injured under the terms of the bond. The bond must be continuous in form and in one of the following amounts:

   A. For an administrator that maintains an ATF but does not maintain a CASA, the greater of $50,000 or 5% of contributions and premiums projected to be received or collected in the ATF for the following plan year from residents of the State, but not to exceed $1,000,000; [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

   B. For an administrator that maintains a CASA but does not maintain an ATF, the greater of $50,000 or 5% of the claims and claim expenses projected to be held in the CASA for the following year to pay claims and claim expenses for residents of the State, but not to exceed $1,000,000; or [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

   C. For an administrator that maintains an ATF and a CASA, the greater of $50,000 or 5% of contributions and premiums projected to be received or collected in the ATF for the following plan year from residents of the State plus 5% of the claims and claim expenses projected to be held in the CASA accounts for the following year to pay claims and claim expenses for residents of the State, but not to exceed $1,000,000. [PL 1993, c. 171, Pt. A, §1 (AMD).]

This subsection applies to an administrator who is required to maintain funds in a fiduciary capacity as set forth in section 1909. [PL 1995, c. 329, §27 (AMD).]

2. The bond must remain in force and effect until the surety is released from liability by the superintendent or until the bond is cancelled by the surety. The surety may cancel the bond and be released from further liability under the bond upon 30 days' written notice in advance to the superintendent. The cancellation does not affect any liability incurred or accrued under the bond before the 30-day period expires. Upon receiving any notice of cancellation, the superintendent shall immediately notify the licensee. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

3. The administrator's license automatically terminates if the bond required by this section is not in force. Within 30 days after the bond ceases to be in force, the administrator shall return the license to the superintendent for cancellation. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

Section 1905. License

1. Upon receipt of a complete application for an administrator license, the superintendent shall investigate, to the extent the superintendent considers advisable, the applicant's experience, background and fitness for the license. The superintendent may obtain a credit and investigative report relative to the applicant from a recognized and established independent investigation and reporting agency. The
superintendent may establish from time to time a reasonable uniform flat amount that the applicant must pay for the report. The report cost must be included with the application. The contents of the report are confidential.

2. If the superintendent finds that the applicant is qualified for an administrator license, the superintendent shall promptly issue the license, which identifies the types of business in which the applicant may engage; otherwise the superintendent shall refuse to issue the license and promptly notify the applicant.

[PL 2003, c. 469, Pt. E, §6 (AMD).]

3. Sections 1417 and 1418 apply to licenses issued under this chapter.

[PL 1997, c. 457, §29 (AMD); PL 1997, c. 457, §55 (AFF).]

4. Unless revoked or suspended under section 1907, an administrator license remains in effect as long as the holder of the license maintains in force and effect the bond required by section 1904 and pays the annual fee required by section 601 before the anniversary date of the license.

5. An administrator shall submit an application to amend its license if the administrator desires to amend the types of business on its then-current license.

[PL 2003, c. 469, Pt. E, §7 (NEW).]

SECTION HISTORY

§1906. Administrator requirements

1. Each administrator shall identify to the superintendent any ownership interest or affiliation of any kind with any plan sponsor, health care service plan, health maintenance organization or insurer responsible directly or through reinsurance for providing benefits to any plan for which the administrator provides services as an administrator.

2. An administrator shall provide services as an administrator only pursuant to a written agreement between the administrator and the plan sponsor, health care service plan, health maintenance organization or insurer. The administrator shall retain the written agreement as part of its records for the duration of the agreement and for 7 years after the agreement expires.

3. An administrator shall maintain, in its principal office for the duration of the written agreement with any plan sponsor or insurer and for 7 years after the agreement expires, adequate books and records of all transactions involving a plan sponsor, health care service plan, health maintenance organization or insurer and covered individuals and beneficiaries. These books and records must be maintained in accordance with generally accepted standards of business recordkeeping. An administrator is not required to maintain copies of books and records if the originals are returned to the plan sponsor, health care service plan, health maintenance organization or insurer before the end of the 7-year period. The administrator shall maintain evidence of the return of the originals for the balance of the 7-year period.

4. The administrator shall file with the superintendent the names and addresses of the insurers, health care service plans, health maintenance organizations and plan sponsors with whom the administrator has entered into written agreements. If an insurer, health care service plan, health maintenance organization or plan sponsor does not assume or bear the risk, the administrator must disclose the name and address of the ultimate risk bearer. In addition, at the time of a license renewal,
the administrator shall also file with the superintendent for the most recent complete calendar year for all covered individuals in the State the total number of claims paid by the administrator by each plan sponsor and the total dollar amount of claims paid by each plan sponsor. This subsection applies to the initial application for an administrator's license and any renewal of a license.

[PL 2001, c. 457, §20 (AMD).]

5. An administrator may use advertising pertaining to the plan only if that advertising has been approved in advance by the plan sponsor, health care service plan, health maintenance organization or insurer.

6. Upon receiving instructions from the plan sponsor, health care service plan, health maintenance organization or insurer, an administrator shall deliver promptly to covered individuals or beneficiaries all policies, certificate booklets, termination notices or other written communications.

7. An administrator may not receive compensation from a plan sponsor, health care service plan, health maintenance organization or insurer that is contingent upon the loss ratio of the plan. This subsection does not, however, prevent the administrator from engaging in cost containment activities with a plan sponsor, health care service plan, health maintenance organization or insurer.

8. An administrator may not receive from any plan sponsor, health care service plan, health maintenance organization, insurer, covered individual or beneficiary under a plan any compensation or other payments except as expressly set forth in the written agreement between the administrator and the plan sponsor, health care service plan, health maintenance organization or insurer.

9. Upon request of the superintendent, an administrator shall make available for examination, either at the Bureau of Insurance or at the licensee's principal place of business, all basic organizational documents, including, but not limited to, articles of incorporation, articles of association, partnership agreements, trade name certificates, trust agreements, shareholder agreements and other applicable documents and all amendments to those documents, bylaws, rules and regulations or similar documents regulating the conduct of the administrator's internal affairs.

10. When acting as an administrator, the acts of an insurance administrator are deemed to be the acts of the plan sponsor, health care service plan, health maintenance organization, fraternal benefit society, nonprofit hospital or medical service organization or insurer.

[PL 1997, c. 457, §30 (NEW).]

11. In addition to any other applicable provisions of law, the plan sponsor, health care service plan, health maintenance organization, fraternal benefit society, nonprofit hospital or medical service organization or insurer is accountable and may be penalized by the superintendent, as provided for in this Title, for the actions of its administrators.

[PL 1997, c. 457, §30 (NEW).]

SECTION HISTORY

§1907. License suspension, revocation or denial

Any license issued under this chapter may be suspended or revoked after notice to the licensee and an opportunity for hearing and any application for license may be denied after notice and opportunity for hearing:

1. For any of the grounds for suspension or revocation of a license set forth in section 1417; or
[PL 1997, c. 457, §31 (AMD); PL 1997, c. 457, §55 (AFF).]

2. If the licensee or applicant:

A. Is using any method or practice in conducting business that renders further transaction of business in this State hazardous or injurious to covered individuals or the public; [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. Is affiliated with and is under the same general management as another administrator that transacts business in this State without being licensed under this chapter; or [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

SECTION HISTORY

§1908. Criminal convictions

Any administrator and any individual listed on the application, as required by section 1903, who is convicted of a crime punishable by imprisonment for more than one year shall report that conviction to the superintendent within 30 days after judgment is entered. Within that 30-day period, the administrator shall also provide the superintendent with a copy of the judgment and any commitment order and any other relevant documents relating to disposition of the criminal action. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

SECTION HISTORY

§1909. Fiduciary accounts and duties

1. Administrators shall hold in a fiduciary capacity all contributions and premiums received or collected on behalf of a plan sponsor or insurer, except service fees owed to the administrator pursuant to the written agreement between the plan sponsor, insurer, health care service plan or health maintenance organization and the administrator. These funds may not be used as general operating funds of the administrator. All contributions and premiums received or collected by the administrator from residents of this State that the administrator holds more than 30 days or deposits into an account that is not under the control of the plan sponsor, health care service plan, health maintenance organization or insurer, must be placed in a special fiduciary account, designated as an ATF. All resident and quasi-resident licensees required to maintain an ATF under this section shall maintain the ATF with one or more financial institutions located within the State and subject to jurisdiction of the courts of this State. Funds belonging to 2 or more plans may be held in the same ATF, provided the administrator's records clearly indicate the funds belonging to each plan. Checks drawn on the ATF must indicate on the face of the checks that the checks are drawn on the administrator's ATF. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

2. The administrator may make the following disbursements from the ATF:

A. Contributions and premiums due insurers or other persons providing life, accident and health, or workers' compensation coverage for a plan; [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. Return contributions and premiums to a plan or covered individual; [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]
C. Commissions or administrative fees due to the administrator when earned under a written agreement; and [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

3. For each plan for which an ATF is required, the balance in the ATF must at all times be the amount deposited plus accrued interest, if any, less authorized disbursements. If the balance at the financial institution, with respect to the ATF, is less than the amount deposited plus accrued interest, if any, less authorized disbursements, the administrator is presumed, for purposes of license revocation or suspension, to have misappropriated funds and to have acted in a financially irresponsible manner. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

4. Before establishing an ATF that is interest bearing or income producing, the administrator shall disclose the nature of the account to the plan sponsor, health care service plan, health maintenance organization or insurer on whose behalf the funds are to be held. The administrator shall secure written consent and authorization from the plan sponsor, health care service plan, health maintenance organization or insurer for the investment of the money and disposition of the interest or earnings. An administrator may not make any investment that assumes a risk other than the risk that the obligor might not pay the principal when due. The administrator may not use specialized techniques or strategies that incur additional risks to generate higher returns or to extend maturities. Such techniques include, but are not limited to, the use of financial futures or options, buying on margins and pledging of ATF balances. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

5. Administrators may place ATF funds in interest bearing or income producing investments and retain the interest or income on the funds, provided the administrator obtains the prior written authorization of the plan sponsors, health care service plans, health maintenance organizations or insurers on whose behalf the funds are to be held. In addition to savings and checking accounts, an administrator may invest in the following:

A. Direct obligations of the United States or government agency securities with maturities of not more than one year; [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. Certificates of deposit, with a maturity of not more than one year, issued by financial institutions insured by the Federal Deposit Insurance Corporation (FDIC) or Federal Savings and Loan Insurance Corporation (FSLIC), provided any such deposit does not exceed the maximum level of insurance protection provided to certificates of deposit held by those institutions; [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

C. Repurchase agreements with financial institutions or government securities dealers recognized as primary dealers by the Federal Reserve System provided:

(1) The value of the repurchase agreement is collateralized with assets that are allowable investments for ATF funds;

(2) The collateral has a market value, at the time the repurchase agreement is entered into, at least equal to the value of the repurchase agreement; and

D. Commercial paper, provided the commercial paper is rated at least P-1 by Moody's Investors Service, Inc. or at least A-1 by Standard & Poor's Corporation; or [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]
E. Money market funds, provided the money market fund invests exclusively in assets that are allowable investments pursuant to paragraphs A to D for ATF funds. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

Each investment transaction must be made in the name of the administrator's ATF. The administrator shall maintain evidence of any such investments. Each investment transaction must flow through the administrator's ATF.

6. The administrator shall hold in a fiduciary capacity all money that the administrator receives to pay claims and claim adjustment expenses. All resident and quasi-resident licensees shall place all such money for claims and claim adjustment expenses for residents of this State, whether received from a plan sponsor, health care service plan, health maintenance organization or insurer or from the administrator's ATF, in a special fiduciary account in a financial institution located in this State. The account must be designated a CASA. Funds belonging to 2 or more plans may be held in the same CASA, provided the administrator's records clearly indicate the funds belonging to each plan. Checks drawn on the CASA must indicate on the face of the checks that the checks are drawn on the administrator's CASA.

7. No deposit may be made into a CASA and no disbursement may be made from a CASA except for claims and claim adjustment expenses. For each plan for which a CASA is required, the balance in the CASA must at all times be the amount deposited less claims and claims adjustment expenses paid. If the CASA balance is less than that amount, the administrator shall be presumed, for purposes of license revocation or suspension, to have misappropriated funds and to have acted in a financially irresponsible manner.

8. Administrators shall maintain detailed books and records that reflect all transactions involving the receipt and disbursement of:

A. Contributions and premiums received on behalf of a plan sponsor, health care service plan, health maintenance organization or insurer; and [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. Claims and claim adjustment expenses received and paid on behalf of a plan sponsor, health care service plan, health maintenance organization or insurer. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

9. The detailed preparation, journalizing and posting of books and records required by subsection 8 must be maintained on a timely basis and all journal entries for receipts and disbursements must be supported by evidential matter that must be referenced in the journal entry so that receipts and disbursements may be traced for verification. Administrators shall prepare and maintain monthly financial institution account reconciliations of any ATF and CASA established by the administrator. Reconciliation of accounts is timely if accomplished not more than 45 days after the end of the month in which the transaction occurred. The reconciliation must include, at a minimum, the following:

A. The source and amount of any money received and deposited by the administrator, and the date of receipt and deposit; [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

B. The date each disbursement was made, the person to whom the disbursement was made and a written explanation of any difference between the amount disbursed and the amount billed or authorized; and [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

10. Failure to accurately maintain the required books and records in a timely manner is deemed to be untrustworthy, hazardous or injurious to participants in the plan or the public and financially irresponsible.

SECTION HISTORY

§1910. Unauthorized activities

Nothing in this chapter may be construed to permit any person or entity to receive or collect charges, contributions or premiums for, or adjust or settle claims in connection with, any type of life or accident or health benefit, unless the person or entity is authorized through the insurance laws of a state or the Employee Retirement Income Security Act of 1974, 29 United States Code, Section 1001, et seq. as amended, to provide those benefits. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

SECTION HISTORY

The superintendent may designate examiners or consultants, as appropriate, to perform an audit of an administrator when the superintendent considers an audit necessary. Administrators shall make all records and books of account available to the examiners or consultants, and shall otherwise facilitate the performance of the audit. All claims information respecting individual claimants must be kept confidential. [PL 1989, c. 846, Pt. D, §2 (NEW); PL 1989, c. 846, Pt. E, §4 (AFF).]

SECTION HISTORY

§1912. Standardized claim forms

All administrators who administer claims and who provide payment or reimbursement for diagnosis or treatment of a condition or a complaint by a licensed health care practitioner must accept the current standardized claim form for professional services approved by the Federal Government and submitted electronically. All administrators who administer claims and who provide payment or reimbursement for diagnosis or treatment of a condition or a complaint by a licensed hospital must accept the current standardized claim form for professional or facility services, as applicable, approved by the Federal Government and submitted electronically. An administrator may not be required to accept a claim submitted on a form other than the applicable form specified in this section and may not be required to accept a claim that is not submitted electronically, except from a health care practitioner who is exempt pursuant to Title 24, section 2985. All services provided by a health care practitioner in an office setting must be submitted on the standardized federal form used by noninstitutional providers and suppliers. Services in a nonoffice setting may be billed as negotiated between the administrator and health care practitioner. For purposes of this section, "office setting" means a location where the health care practitioner routinely provides health examinations, diagnosis and treatment of illness or injury on an ambulatory basis whether or not the office is physically located within a facility. 1. Carrier. "Carrier" means any insurance company, nonprofit hospital and medical service organization or health maintenance organization authorized to issue health plans in this State. For the purposes of this chapter, carriers that are affiliated companies or that are eligible to file consolidated tax returns are treated as one carrier and any restrictions or limitations imposed by this chapter apply as if all health plans delivered or issued for delivery in this State by affiliated carriers were issued by one carrier. For purposes of this chapter, health maintenance organizations are treated as separate organizations from affiliated insurance companies and nonprofit hospital and medical service organizations.

[PL 1995, c. 673, Pt. A, §3 (NEW).]

2. Private purchasing alliance. "Private purchasing alliance" or "alliance" means a corporation established under former Title 13-A, Title 13-B or Title 13-C to provide health insurance to its members through one or more participating carriers.

[PL 2003, c. 428, Pt. H, §1 (AMD).]

SECTION HISTORY

§1952. Licensure

A private purchasing alliance may not market, sell, offer or arrange for a package of one or more health benefit plans underwritten by one or more carriers without first being licensed by the superintendent. The superintendent shall specify by rule standards and procedures for the issuance and renewal of licenses for private purchasing alliances. A rule may require an application fee of not more than $400 and an annual license fee of not more than $100. A license may not be issued until the rulemaking required by this chapter has been undertaken and all required rules are in effect. Dirigo Health, as established in chapter 87, is exempt from the licensure requirements of this section as an independent executive agency of the State. [PL 2003, c. 469, Pt. E, §8 (AMD).]

A, §3 (NEW).]

A person may not be
a board member or officer of an alliance if a member of that person's household is a member of the board of directors of, is an officer of or has a material direct or indirect ownership interest in a carrier or health care provider. An employee of an alliance who is licensed as an agent, broker or consultant may act under that license only on behalf of the alliance and only within the scope of that person's duties as an employee.

[PL 1995, c. 673, Pt. A, §3 (NEW).]

5. **Rulemaking.** The superintendent may specify further restrictions by rule.

SECTION HISTORY

§2006. Open lines for export

1. The superintendent may by order declare eligible for export generally and without compliance with section 2004, subsections 2, 3 and 4, any class or classes of insurance coverage or risk for which the superintendent finds, after a hearing of which notice was given to each insurer authorized to transact such class or classes in this State, that there is not a reasonable or adequate market among authorized insurers either as to acceptance of the risk, contract terms, or premium or premium rate. Any such order shall continue in effect during the existence of the conditions upon which predicated, but subject to earlier termination by the superintendent. [PL 1997, c. 592, §52 (AMD).]

2. The producer shall file with or as directed by the superintendent a memorandum as to each such coverage placed by the producer in an unauthorized insurer, in such form and context as the superintendent may reasonably require for the identification of the coverage and determination of the tax payable to the State relative thereto. [PL 1997, c. 592, §52 (AMD).]
3. A producer may also place with authorized insurers any insurance coverage made eligible for export generally under subsection 1, and without regard to rate or form filings that may otherwise be applicable as to the authorized insurer. As to coverages so placed in an authorized insurer the premium tax thereon must be reported and paid by the insurer as required generally under the law of this State. [PL 1997, c. 592, §53 (AMD).]

SECTION HISTORY

§2007. Eligible surplus lines insurers

1. A producer may not knowingly place surplus lines insurance with an insurer that is unsound financially or that is ineligible under this section. [PL 1997, c. 592, §54 (AMD).]

2. The superintendent shall from time to time publish a list of all surplus lines insurers determined by the superintendent to be eligible currently, and shall mail a copy of such list to each producer at the producer's office last of record with the superintendent. This subsection may not be construed to cast upon the superintendent the duty of determining the actual financial condition or claims practices of any unauthorized insurer; and the status of eligibility, if granted by the superintendent, may indicate only that the insurer appears to be sound financially and to have satisfactory claims practices, and that the superintendent has no credible evidence to the contrary. While any such list is in effect, the producer shall restrict to the insurers so listed all surplus lines business placed by the producer. [PL 1997, c. 592, §54 (AMD).]

3. The superintendent shall approve a United States insurer's request for eligibility if the insurer:
   A. Is authorized to write such insurance in its domiciliary jurisdiction; [PL 2011, c. 331, §4 (NEW); PL 2011, c. 331, §§16, 17 (AFF).]
   B. Has established satisfactory evidence of good repute and financial integrity; and [PL 2011, c. 331, §4 (NEW); PL 2011, c. 331, §§16, 17 (AFF).]
   C. Maintains capital and surplus, or its equivalent under the laws of its state of domicile, in an amount at least equal to the greater of:
      (1) The minimum capital and surplus that would be required if the insurer were licensed in this State; and
      (2) $15,000,000. [PL 2011, c. 331, §4 (NEW); PL 2011, c. 331, §§16, 17 (AFF).] [PL 2011, c. 331, §4 (NEW); PL 2011, c. 331, §§16, 17 (AFF).]

4. The superintendent may list an insurer as eligible if it does not meet the minimum capital and surplus requirements of subsection 3 upon an affirmative finding of acceptability by the superintendent. The finding must be based upon such factors as quality of management, capital and surplus of any parent company, company underwriting profit and investment income trends, market availability and company record and reputation within the industry. The superintendent may not make an affirmative finding of acceptability if the nonadmitted insurer's capital and surplus is less than $4,500,000. [PL 2011, c. 331, §4 (NEW); PL 2011, c. 331, §§16, 17 (AFF).]

5. A non-United States insurer is considered eligible to write insurance on an unauthorized basis in this State if it is listed on the quarterly listing of alien insurers maintained by the National Association of Insurance Commissioners. [PL 2011, c. 331, §4 (NEW); PL 2011, c. 331, §§16, 17 (AFF).]

SECTION HISTORY
§2008. Evidence of the insurance; changes; penalty

1. Upon placing a surplus lines coverage, the producer shall promptly issue and deliver to the insured evidence of the insurance consisting either of the policy as issued by the insurer, or, if such policy is not then available, the surplus lines producer's certificate. Such a certificate must be executed by the producer and show the description and location of the subject of the insurance, coverage, conditions and term of the insurance, the premium and rate charged and taxes collected from the insured, and the name and address of the insured and insurer. If the direct risk is assumed by more than one insurer, the certificate must state the name and address and proportion of the entire direct risk assumed by each such insurer.

[PL 1997, c. 592, §55 (AMD).]

2. A producer may not issue any such certificate or any cover note, or purport to insure or represent that insurance will be or has been granted by any unauthorized insurer, unless the producer has prior written authority from the insurer for the insurance, or has received information from the insurer in the regular course of business that such insurance has been granted, or an insurance policy providing the insurance actually has been issued by the insurer and delivered to the insured.

[PL 1997, c. 592, §55 (AMD).]

3. If, after the issuance and delivery of any such certificate, there is any change as to the identity of the insurers, or the proportion of the direct risk assumed by an insurer as stated in the producer's original certificate, or in any other material respect as to the insurance evidenced by the certificate, the producer shall promptly issue and deliver to the insured a substitute certificate accurately showing the current status of the coverage and the insurers responsible under the certificate.

[PL 1997, c. 592, §55 (AMD).]

4. If a policy issued by the insurer is not available upon placement of the insurance and the producer has issued and delivered the certificate as provided in this section, upon request of the insured the producer shall as soon as reasonably possible procure from the insurer its policy evidencing the insurance and deliver the policy to the insured in replacement of the producer's certificate.

[PL 1997, c. 592, §55 (AMD).]

5. Any producer with surplus lines authority who knowingly or negligently issues a false certificate of insurance or who fails promptly to notify the insured of any material change with respect to such insurance by delivery to the insured of a substitute certificate as provided in subsection 3, upon conviction, is subject to the penalty provided by section 12-A or to any greater applicable penalty otherwise provided by law.

SECTION HISTORY

§2102. Purposes as related to Unauthorized Insurers

The purpose of section 12-A and sections 2102 to 2108 (Unauthorized Insurers Process Act) is to subject certain insurers to the jurisdiction of the superintendent and the courts of this State in suits and disciplinary proceedings as provided therein, by or on behalf of insureds or beneficiaries under insurance contracts or the superintendent. The Legislature declares its concern that many Maine residents hold insurance policies delivered in this State by unauthorized insurers, other than as to surplus lines coverages written pursuant to chapter 19, thus presenting to such residents the often insuperable obstacle of resort to distant courts for the assertion of legal rights under their policies; and that such insurers may induce residents to purchase insurance through false advertising sent into this State. In furtherance of such state interest, the Legislature herein provides a method of substituted service of process upon such insurers, declares that in so doing it exercises its power to protect Maine residents, to define, for the purposes of this chapter, what constitutes doing business in this State, and also exercises powers and privileges available to the State under Public Law 15, 79th Congress of the United States, chapter 20, 1st Session, S. 340, as amended, which declares that the business of insurance and every person engaged therein are subject to the laws of the several states. [PL 1991, c. 298, §7 (AMD).]

SECTION HISTORY

§2103. Unauthorized Insurers Process Act; title; interpretation

1. Sections 2102 to 2108 constitute and may be cited as the Unauthorized Insurers Process Act. [PL 1969, c. 177, §31 (AMD).]

last known principal place of business of the defendant, and the defendant's receipt, or the receipt
issued by the post office with which the letter is registered or certified, showing the name of the

affidavit of the plaintiff's attorney showing a compliance herewith are filed with the clerk of the

within such further time as the court may allow. [PL 1969, c. 132, §1 (NEW).]

§2107. Defense of action by unauthorized insurer

1. Before an unauthorized insurer files or causes to be filed any pleading in any action or proceeding instituted against it under sections 2104 and 2105, such insurer shall:

   B. Deposit with the clerk of the court in which such action or proceeding is pending cash or securities, or file with such clerk a bond with good and sufficient sureties, to be approved by the court, in an amount to be fixed by the court sufficient to secure the payment of any final judgment which may be rendered in such action. The court may in its discretion make an order dispensing with such deposit or bond where the insurer makes a showing satisfactory to the court that it maintains in a state of the United States funds or securities, in trust or otherwise, sufficient and available to satisfy any final judgment which may be entered in such action or proceeding, and that the insurer will pay final judgment entered therein without requiring suit to be brought on such judgment in the state where such funds or securities are located. [PL 1969, c. 132, §1 (NEW).]
   [PL 1969, c. 132, §1 (NEW).]

2. The court in any action or proceeding in which service is made in the manner provided in section 2105 may, in its discretion, order such postponement as may be necessary to afford the defendant reasonable opportunity to comply with the provisions of subsection 1, and to defend such action. [PL 1969, c. 132, §1 (NEW).]

3. Nothing in subsection 1 is to be construed to prevent an unauthorized insurer from filing a motion to quash or to set aside the service of any process made in the manner provided in section 2105 on the ground either:
   A. That such unauthorized insurer has not done any of the acts enumerated in section 2104; or [PL 1969, c. 132, §1 (NEW).]
   B. That the person on whom service was made pursuant to subsection 2 of section 2105 was not doing any of the acts therein enumerated. [PL 1969, c. 132, §1 (NEW).]
§2108. Attorney fees

In any such action against an unauthorized insurer, if the insurer has failed for 30 days after demand prior to the commencement of the action to make payment in accordance with the terms of the contract, and it appears to the court that such refusal was vexatious and without reasonable cause, the court shall allow to the plaintiff a reasonable attorney fee and include such fee in any judgment that may be rendered in such action, and in no event shall such fee be less than $100. Failure of an insurer to defend any such action shall be deemed prima facie evidence that its failure to make payment was vexatious and without reasonable cause. [PL 1969, c. 132, §1 (NEW).]

[PL 1969, c. 132, §1 (NEW).]

B. "Foreign decree" means any decree or order in equity of a court located in a "reciprocal state," including a court of the United States located therein, against a "domestic insurer" obtained by a "qualified party." [PL 1969, c. 132, §1 (NEW).]

3. Filing and status of foreign decrees. A copy of any foreign decree authenticated in accordance with the Act of Congress or the statutes of this State may be filed in the office of the clerk of any Superior Court of this State. The clerk, upon verifying with the superintendent that the decree or order qualifies as a foreign decree shall treat the foreign decree in the same manner as a decree of a Superior Court of this State. A foreign decree so filed has the same effect and shall be deemed as a decree of a Superior Court of this State, and is subject to the same procedures, defenses and proceedings for reopening, vacating, or staying as a decree of a Superior Court of this State and may be enforced or satisfied in like manner.

In addition, the Attorney General may mail a notice of the filing of the foreign decree to the defendant and to the superintendent and may file proof of mailing with the clerk. Lack of mailing notice or filing by the clerk shall not affect the enforcement proceedings if proof of mailing by the Attorney General has been filed. [PL 1973, c. 585, §12 (AMD).]

C. No execution or other process for enforcement of a foreign decree filed hereunder shall issue until 30 days after the date the decree is filed. [PL 1969, c. 132, §1 (NEW).]

5. Stay.

A. If the defendant shows the Superior Court that an appeal from the foreign decree is pending or will be taken, or that a stay of execution has been granted, the court shall stay enforcement of the foreign decree until the appeal is concluded, the time for appeal expires, or the stay of execution expires or is vacated, upon proof that the defendant has furnished the security for the satisfaction of the decree rquired by the state in which it was rendered; [PL 1969, c. 132, §1 (NEW).]

B. If the defendant shows the Superior Court any ground upon which enforcement of a decree of any Superior Court of this State would be stayed, the court shall stay enforcement of the foreign decree for an appropriate period, upon requiring the same security for satisfaction of the decree which is required in this State. [PL 1969, c. 132, §1 (NEW).]

6. Fees. Any person filing a foreign decree shall pay to the clerk of court the applicable fee. Fees for docketing, transcription or other enforcement proceedings shall be as provided for decrees of the Superior Court.

Nothing in this provision prohibits an insurer from providing incentives for insureds to use the services of a particular provider.

[PL 1985, c. 704, §3 (AMD).]

3. It shall be an unfair trade practice in the business of insurance for any insurer to discriminate unfairly against any person who has tested positive for the presence of the human immunodeficiency antigen or the presence of an antibody to the human immunodeficiency virus or who has Acquired Immune Deficiency Syndrome or AIDS, AIDS Related Complex (ARC) or HIV related diseases provided that nothing in this subsection prohibits an insurer from treating individuals of different

4. It shall not be unfair discrimination for group life insurance policies or contracts subject to chapter 31 to contain an exclusion or restriction for death caused by Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC) or HIV related diseases which existed 6 months prior to the individual's effective date of insurance if an actuarial justification is filed and approved by the superintendent. The exclusion or restriction may run for no longer than the incontestable period of the policy within the meaning of section 2615.

B. Consider the fact that an individual has been issued a prescription for preexposure prophylaxis medication to prevent HIV infection in determining the premium rate for coverage of that individual under a life, disability income or long-term care insurance policy; or [PL 2019, c. 596, §1 (NEW).]

C. Otherwise discriminate in the offering, issuance, cancellation, amount of coverage, price or any other condition of a life, disability income or long-term care insurance policy based solely and without any additional actuarial justification upon the fact that an individual has been issued a prescription for preexposure prophylaxis medication to prevent HIV infection. [PL 2019, c. 596, §1 (NEW).]

[PL 1985, c. 445 (RPR).]

No insurer authorized to transact business in this State may refuse to insure or continue to insure, limit the amount, extent or kind of coverage available to an individual or charge an individual a rate different from that normally charged for the same coverage solely because the insured or the applicant for insurance has a physical or mental handicap, as defined in Title 5, section 4553, subsection 7-A,
other than blindness or partial blindness, unless the basis for that action is clearly demonstrated through sound actuarial evidence. [PL 1985, c. 445 (RPR).]

SECTION HISTORY

§2159-B. Discrimination against victims of domestic abuse prohibited

1. Discrimination prohibited. An insurer, nonprofit hospital and medical service organization or health maintenance organization that issues life, health or disability coverage may not deny, cancel, refuse to renew or restrict coverage of any person or require the payment of additional charges based on the fact or perception that the person is, or may become, the victim of domestic abuse, under Title 19-A, section 4002. This subsection does not prohibit applying an underwriting or rating criterion to a victim of domestic abuse based on physical or mental history or other factors of general applicability regardless of the underlying cause and in accordance with the requirements of section 2159, subsections 1 and 2. An insurer, nonprofit hospital and medical service organization or health maintenance organization may not be held criminally or civilly liable for any cause of action that may result from compliance with this subsection. This subsection does not prohibit an insurer, nonprofit hospital and medical service organization or health maintenance organization from declining to issue coverage to an applicant known to be, or to have been, an abuser of the proposed insured. [PL 2001, c. 16, §1 (NEW).]

2. Justification of adverse insurance decisions. An insurer, nonprofit hospital and medical service organization or health maintenance organization that issues life, health or disability coverage that takes an action that adversely affects an applicant or insured on the basis of a medical condition that the insurer, nonprofit hospital and medical service organization or health maintenance organization knows or has reason to know is related to domestic abuse shall explain the reasons for its action to the applicant or insured in writing and shall demonstrate that its action, and any applicable policy provision:

A. Does not have the purpose or effect of treating abuse status as a medical condition or underwriting or rating criterion; [PL 2001, c. 16, §1 (NEW).]

B. Is not based upon any actual or perceived correlation between a medical condition and domestic abuse; [PL 2001, c. 16, §1 (NEW).]

C. Is otherwise permissible by law and applies in the same manner and to the same extent to all applicants and insureds with a similar medical condition or disability without regard to whether the medical condition or disability is related to domestic abuse; and [PL 2001, c. 16, §1 (NEW).]

D. Except for claims actions, is based on a determination made in conformance with sound actuarial principles and otherwise supported by actual or reasonably anticipated experience that there is a correlation between the medical condition or disability and a material increase in insurance risk. [PL 2001, c. 16, §1 (NEW).]

[PL 2001, c. 16, §1 (NEW).]

[PL 1997, c. 677, §2 (NEW).]

   B. "Genetic information" means the information concerning genes, gene products or inherited characteristics that may be obtained from an individual or family member. [PL 1997, c. 677, §2 (NEW).]

[PL 1997, c. 677, §2 (NEW).]

   D. "Carrier" means an insurer, nonprofit hospital and medical service organization or health maintenance organization. [PL 2009, c. 244, Pt. D, §1 (NEW).]

2. ** Discrimination in health, hospital and dental insurance.** A carrier that issues individual or group hospital, health or dental insurance is subject to the requirements of this subsection. This subsection does not apply to accidental injury, specified disease, hospital indemnity, disability, long-term care and other limited benefit health insurance policies and contracts.

   A. A carrier may not discriminate against an individual or eligible dependent on the basis of genetic information or the refusal to submit to a genetic test or make available the results of a genetic test or on the basis that the individual or eligible dependent received a genetic test or genetic counseling in the issuance, withholding, extension or renewal of any hospital confinement or other health insurance, as defined by the superintendent, by rule, or in the fixing of the rates, terms or conditions for insurance, or in the issuance or acceptance of any application for insurance. [PL 2009, c. 244, Pt. D, §2 (NEW).]

   B. Except as provided in this paragraph, a carrier may not request or require an individual to undergo a genetic test.

      (2) A carrier may request, but not require, that an individual undergo a genetic test if the conditions described in this subparagraph are met:

         (a) The request is made pursuant to research that complies with 45 Code of Federal Regulations, Part 46 or equivalent federal regulations and any applicable state or local laws, rules or regulations for the protection of human subjects in research;

         (b) The carrier clearly indicates to the individual to whom the request is made, or in the case of a minor child to the legal guardian of the individual, that compliance with the request is voluntary and noncompliance will have no effect on enrollment status or premium or contribution amounts;

         (c) Genetic information collected or acquired under this subparagraph is not used for purposes of determining eligibility for benefits, computing premium or contribution amounts, applying any preexisting condition exclusion or any other activities related to the creation, renewal or replacement of a health insurance contract; and

         (d) The carrier complies with all applicable federal laws and regulations. [PL 2009, c. 244, Pt. D, §2 (NEW).]
C. A carrier may not request, require or purchase genetic information for purposes of determining eligibility for benefits, computing premium or contribution amounts, applying any preexisting condition exclusion or any other activities related to the creation, renewal or replacement of a health insurance contract. [PL 2009, c. 244, Pt. D, §2 (NEW).]

D. A carrier may not request, require or purchase genetic information with respect to an individual prior to the individual's enrollment under the plan or coverage in connection with the enrollment. [PL 2009, c. 244, Pt. D, §2 (NEW).]

E. If a carrier obtains genetic information incidental to the requesting, requiring or purchasing of other information concerning an individual, the request, requirement or purchase is not considered a violation of paragraph D if the request, requirement or purchase is not in violation of paragraph C. [PL 2009, c. 244, Pt. D, §2 (NEW).]

For the purposes of this subsection, "unfair discrimination" includes, but is not limited to, the application of the results of a genetic test in a manner that is not reasonably related to anticipated claims experience.

   A. If the superintendent has reason to believe that unfair discrimination has occurred and that a proceeding by the superintendent is in the interest of the public, the superintendent, in accordance with chapter 3, shall serve upon the insurer a statement of the charges. Upon a determination that the practice or act of the insurer is in conflict with this subsection, the superintendent shall issue an order requiring the insurer to cease and desist from engaging in the practice or act and may order payment of a penalty consistent with the provisions of section 12-A. [PL 1997, c. 677, §2 (NEW).]

   B. If, in the issuance, withholding, extension or renewal of an insurance policy covered by this subsection, an insurer uses the results of a genetic test in compliance with this subsection, the insurer shall notify the individual who is the subject of the genetic test that such a test is required and shall obtain the individual's authorization in accordance with the requirements of chapter 24. If a genetic test is required, the insurer shall ensure that the individual states in writing whether the individual wishes to be informed of the test results and, if authorized by the individual, shall provide a copy of the test results, along with a written interpretation of the results by a qualified professional, to the individual or to a physician or other health care practitioner designated by the individual. [PL 1997, c. 677, §2 (NEW).]

   [PL 1997, c. 677, §2 (NEW).]

4. Use of information obtained through direct-to-consumer genetic testing. In connection with the issuance, withholding, extension or renewal of an insurance policy for life, credit life, disability, long-term care, accidental injury, specified disease, hospital indemnity or credit accident insurance or an annuity, an insurer may not request, require, purchase or use information obtained from an entity
providing direct-to-consumer genetic testing without the informed written consent of the individual who has been tested.

[PL 1997, c. 634, Pt. A, §1 (RPR).]

2. Prohibited activities. It is an unfair claims practice for any domestic, foreign or alien insurer transacting business in this State to commit any act under subsection 3 if:

A. It is committed in conscious disregard of this section and any rules adopted under this section; or
[PL 1997, c. 634, Pt. A, §1 (NEW).]

SECTION HISTORY

§2168. Coercion in requiring insurance

1. Prohibition against certain requirements. A person engaged in the business of financing the purchase of real or personal property or of lending money on the security of real or personal property may not require, as a condition to the financing or lending, or as a condition to the renewal or extension of any such loan or to the performance of any other act in connection with the financing or lending, that the purchaser or borrower, or the successors of the purchaser or borrower negotiate through a particular insurer or insurers, insurance agent or agents, broker or brokers, type of insurer or types of insurers, any policy of insurance or renewal thereof issued in connection with the extension of credit. For
purposes of this section, the term "policy" includes, but is not limited to, any temporary contract or binder, by whatever name known, under the terms of which insurance coverage commences at a specified time, and continues until a finished policy is issued or the risk is declined and coverage is terminated.
[PL 1997, c. 315, §21 (AMD).]

1-A. Prohibition against unreasonable burdens. A creditor or lender may not, in connection with the extension of credit, interfere with the free choice of a borrower or purchaser under subsection 1 by imposing any unreasonable time or burden on an insurance agent or broker not affiliated with the lender or creditor that is not also imposed on an insurance agent or broker who is affiliated with the lender or creditor. "Affiliate" has the same meaning as set forth in section 1443-A, subsection 1, paragraph A with respect to financial institutions and credit unions and in Title 9-A, section 4-403, with respect to supervised lenders.

2. Approval of insurer; written criteria. This section does not prevent the exercise by any lender or creditor of its right to approve the insurer selected by the borrower on a reasonable nondiscriminatory basis related to the solvency and assessment policies of the insurer and its ability to service the policy. A lender or creditor who exercises its rights under this subsection shall establish written criteria for approving the insurer selected by the borrower and in the event the creditor or lender actually denies an insurer under that criteria the lender or creditor must provide verbal notice to the customer within 3 business days and written notice within 10 business days. Upon request by a licensed insurer, agent, broker or consultant, a customer, a lender or creditor must within 10 business days of receiving the request provide a copy of its written criteria for approving an insurer.
[PL 1997, c. 315, §23 (AMD).]

2-B. Change of insurance carrier. A purchaser or borrower may change insurance carriers in connection with the extension of credit by a lender or creditor if the change does not violate a condition of the extension of credit regarding adequacy of coverage or other proper basis under subsection 2 or is otherwise prohibited by law.
[PL 1997, c. 315, §24 (NEW).]

3. Violation. A person who violates this section commits a civil violation and is subject to civil penalties and other remedies as provided in section 12-A. The Superior Court, on complaint by any person that this section is being violated, may issue an injunction against the violation and may hold in contempt and punish therefor in case of disregard of the injunction.

SECTION HISTORY

§2168-A. Tie-in sales of insurance

1. Definition. As used in this section, "tie-in sales" means the practice of tying the sale of one product to another.
[PL 1991, c. 49 (NEW).]

2. Prohibited tie-in sales. In the purchase of insurance, tie-in sales are an unfair trade practice when:

A. The consumer is required to place additional coverage with an insurer not of the consumer's choice in order to obtain a desired coverage; and [PL 1991, c. 49 (NEW).]
B. The consumer's alternative opportunities to purchase the desired coverage are severely limited or nonexistent. [PL 1991, c. 49 (NEW).]

3. Penalties. An insurance contract sold in violation of the provisions of this section is voidable at the option of the consumer. Violations of this section are enforceable through section 12-A.

SECTION HISTORY
PL 1991, c. 49 (NEW).

§2168-B. Solicitation or negotiation involving purchasers or borrowers

A licensed agent or broker affiliated with a lender or creditor may not solicit an application for an insurance contract in connection with the extension of credit or negotiate such a contract from a purchaser or borrower whom the agent or broker knows, or should have known, has applied to receive an extension of credit from that lender or creditor until such time as the creditor or lender has provided by hand or sent written notice to the purchaser or borrower of its action on the application or has documented in writing in the lender's or creditor's records its action on the application. This section does not limit the ability of a lender or creditor to do any of the following: [PL 1997, c. 315, §25 (NEW).]

1. Marketing activities. To engage at any time in marketing activities and solicitations for the sale of insurance, including through the mail or by telephone, that are not specifically directed toward purchasers or borrowers who have applied to receive an extension of credit.

This section does not apply to group health and group life insurance to the extent authorized by chapters 31 and 35 when the insured is enrolled in the insurance policy, credit life and credit health insurance to the extent authorized by chapter 37, credit property insurance, credit involuntary unemployment insurance, forced placed property insurance, a vendor's single interest policy or any other insurance product as determined by the superintendent. [PL 1997, c. 315, §25 (NEW).]

"Affiliate" has the same meaning as set forth in section 1443-A, subsection 1, paragraph A with respect to financial institutions and credit unions and in Title 9-A, section 4-403 with respect to supervised lenders. [PL 1999, c. 127, Pt. A, §40 (AMD).]

SECTION HISTORY

§2169. Notice of free choice of agent or insurer

The creditor or lender at the time of application for the loan or at the outset of negotiations regarding the loan or sale shall inform the purchaser or borrower of that person's right of free choice in the selection of the agent and insurer through or by which the insurance in connection with the loan is to be placed, including the right to choose an agent or broker whether or not that agent or broker is affiliated with a creditor or lender. For purposes of this section, "affiliated" has the same meaning as set forth in section 1443-A, subsection 1, paragraph A, with respect to financial institutions and credit unions or in Title 9-A, section 4-403 with respect to supervised lenders. In conjunction with this notice, a creditor or lender shall inform its purchasers or borrowers that obtaining insurance products from a particular agent or broker does not affect credit decisions by the creditor or lender regarding the purchaser or borrower, unless the insurance product selected violates the terms of the extension of credit regarding adequacy of coverage or is otherwise not approved under section 2168, subsection 2. Another person may not interfere either directly or indirectly with the borrower's, debtor's or purchaser's free choice of an agent and of an insurer that complies with the requirements set out in section 2168 and the creditor or lender may not refuse an adequate policy so tendered by the borrower, debtor or purchaser.
A creditor or lender may not reject an insurance product selected by a purchaser or borrower because the product was not obtained from or through an insurance agent or broker affiliated with the institution. For purposes of this section, the term "policy" includes, but is not limited to, any temporary contract or binder, by whatever name known, under the terms of which insurance coverage commences at a specified time, and continues until a finished policy is issued or the risk is declined and coverage is terminated. Upon notice of any refusal of this tendered policy, the superintendent shall order the creditor or lender to accept the tendered policy, if the superintendent determines that the refusal is not in accordance with the requirements set out in section 2168. Failure to comply with such an order of the superintendent is a violation of this section. [PL 1999, c. 127, Pt. A, §41 (AMD).]

This section does not apply to group health and group life insurance to the extent authorized by chapters 31 and 35 when the insured is enrolled in the insurance policy, credit life and credit health insurance to the extent authorized by chapter 37, credit property insurance, credit involuntary unemployment insurance, forced placed property insurance, a vendor's single interest policy or any other insurance product as determined by the superintendent. [PL 1997, c. 315, §26 (NEW).]

SECTION HISTORY

§2169-A. Confidentiality of insurance information obtained by lenders

1. Prohibited use of information. If a lender or creditor requires a purchaser or borrower to provide insurance information in connection with the extension of credit, an insurance agent or broker affiliated with that lender or creditor may not later use the information obtained to solicit or offer insurance directly to the purchaser or borrower. "Insurance information" means copies of insurance policies, binders, rates and expiration dates not otherwise in the possession of the agent or broker. "Affiliate" has the same meaning as set forth in section 1443-A, subsection 1, paragraph A with respect to financial institutions and credit unions or in Title 9-A, section 4-403 with respect to supervised lenders. [PL 1999, c. 127, Pt. A, §42 (AMD).]

2. Use of information with consent. Notwithstanding subsection 1, an insurance agent or broker affiliated with a lender or creditor may use the insurance information obtained from the purchaser or borrower to solicit or offer insurance to the customer if the customer consents in writing to the use of the information. This consent may not be a condition of the extension of credit to the customer. [PL 1997, c. 315, §27 (NEW).]

3. Information permitted under Fair Credit Reporting Act. Notwithstanding subsection 1, a lender or creditor may exchange insurance information with its affiliates as permitted under the Fair Credit Reporting Act pursuant to Title 10, chapter 209-B or 15 United States Code, Chapter 41. [PL 2013, c. 588, Pt. C, §6 (AMD).]

SECTION HISTORY

§2169-B. Use of consumer reports in insurance underwriting

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Adverse action" means a denial or cancellation of, an increase in any charge for or a reduction or other adverse or unfavorable change in the terms of coverage or amount of any insurance, existing or applied for, in connection with the underwriting of personal insurance. [PL 2003, c. 223, §1 (NEW).]
B. "Applicant" means an individual who has applied to be covered by a personal insurance policy with an insurer. [PL 2003, c. 223, §1 (NEW).]

C. "Consumer" means an individual insured whose credit information is used or whose insurance score is calculated in the underwriting or rating of a personal insurance policy or an applicant for a personal insurance policy. [PL 2003, c. 223, §1 (NEW).]

D. "Consumer report" has the same meaning as in 15 United States Code, Section 1681a(d). [PL 2013, c. 588, Pt. C, §7 (AMD).]

E. "Consumer reporting agency" has the same meaning as in Title 10, section 1308, subsection 3. [PL 2013, c. 588, Pt. C, §7 (AMD).]

F. "Credit information" means any credit-related information derived from a consumer report, found on a consumer report itself or provided on an application for personal insurance. "Credit information" does not include information that is not credit-related regardless of whether it is contained in a credit report or application or used to calculate an insurance score. [PL 2003, c. 223, §1 (NEW).]

G. "Insurance score" means a number or rating that is derived from an algorithm, computer application, model or other process that is based in whole or in part on credit information for the purposes of predicting the future loss exposure of an individual applicant or insured. [PL 2003, c. 223, §1 (NEW).]

H. "Personal insurance" means private passenger automobile, homeowners, motorcycle, mobile home owners and noncommercial dwelling fire insurance policies and boat, personal watercraft, snowmobile and recreational vehicle policies that are individually underwritten for personal, family or household use. [PL 2003, c. 223, §1 (NEW).]

2. Use of consumer reports. Notwithstanding this subsection, an insurer may use a consumer report as permitted under the Fair Credit Reporting Act pursuant to Title 10, chapter 209-B and 15 United States Code, Chapter 41. An insurer may use information obtained from a consumer reporting agency to calculate an insurance score for underwriting and rating purposes, except that an insurer may not:

A. Use an insurance score that is calculated using income, gender, address, zip code, ethnic group, religion, marital status or nationality of a consumer as a factor; [PL 2003, c. 223, §1 (NEW).]

B. Deny, cancel or refuse to renew a policy of personal insurance solely on the basis of credit information without consideration of any other applicable underwriting factor independent of credit information and not expressly prohibited by paragraph A; [PL 2003, c. 223, §1 (NEW).]

C. Base an insured's renewal rates for personal insurance solely upon credit information, without consideration of any other applicable factor independent of credit information; [PL 2003, c. 223, §1 (NEW).]

D. Take an adverse action against a consumer solely because that consumer does not have a credit card account, without consideration of any other applicable factor independent of credit information; [PL 2003, c. 223, §1 (NEW).]

E. Consider an absence of credit information, the number of inquiries or an inability to calculate an insurance score in underwriting or rating personal insurance unless the insurer has demonstrated to the superintendent that an absence of credit information, the number of inquiries or an inability to calculate an insurance score is a relevant factor to the risk underwritten or rated by the insurer and the insurer applies this factor in a manner approved by the superintendent; or [PL 2003, c. 223, §1 (NEW).]
F. Take an adverse action against a consumer based on credit information unless an insurer obtains and uses a credit report issued or an insurance score calculated within 90 days before the date the policy is first written or renewal is issued. [PL 2003, c. 223, §1 (NEW).] [PL 2013, c. 588, Pt. C, §8 (AMD).]

3. Notice of use of credit information. If credit information is used by an insurer, an insurer shall disclose, either on the insurance application or at the time the insurance application is taken, that credit information may be obtained by the insurer in connection with the application. The disclosure must be written or provided to an applicant in the same medium as the application for insurance. The insurer is not required to provide the disclosure statement required under this subsection to any insured on a renewal policy if such consumer has previously been provided a disclosure statement. An insurer may demonstrate compliance with this subsection by using the following example disclosure statement: "In connection with this application for insurance, we may review your credit report or obtain or use a credit-based insurance score based on the information contained in that credit report. We may use a 3rd party in connection with the development of your insurance score."

[PL 2003, c. 223, §1 (NEW).]

4. Notice of adverse action. If an insurer makes an adverse action based on credit information, the insurer shall provide the consumer with notice as required by this subsection. The insurer shall provide:

A. Notice to the consumer that an adverse action has been taken in accordance with the requirements of the Fair Credit Reporting Act pursuant to Title 10, chapter 209-B and 15 United States Code, Chapter 41; and [PL 2013, c. 588, Pt. C, §9 (AMD).]

B. Notice to the consumer explaining the reason for the adverse action. The reason or reasons must be provided in sufficiently clear and specific language so that an individual can identify the basis for the insurer's decision to take an adverse action. The notice must include a description of up to 4 factors that were the primary influences of the adverse action. The use of a generalized term such as "poor credit history," "poor credit rating" or "poor insurance score" does not meet the explanation requirements of this paragraph. Standardized credit explanations provided by consumer reporting agencies or other 3rd-party vendors are deemed to comply with this paragraph. [PL 2003, c. 223, §1 (NEW).] [PL 2013, c. 588, Pt. C, §9 (AMD).]

5. Dispute resolution and error correction. If it is determined through the dispute resolution process set forth in 15 United States Code, Section 1681i(a)(5) that the credit information of a current insured was incorrect or incomplete and if the insurer receives notice of such determination from either the consumer reporting agency or from the insured, the insurer shall reunderwrite and rerate the consumer within 30 days of receiving the notice. After reunderwriting or rerating the insured, the insurer shall make any adjustments necessary, consistent with its underwriting and rating guidelines. If an insurer determines that the insured has overpaid premium, the insurer shall refund to the insured the amount of overpayment calculated back to the shorter of either the last 12 months of coverage or the actual policy period. [PL 2013, c. 588, Pt. C, §10 (AMD).]

5-A. Rescoring. An insurer that uses insurance scores to underwrite or rate risks, upon request of the insured but no more often than once every 12 months, shall obtain an updated credit report and recalculate the insurance score and shall reunderwrite and rerate the consumer within 30 days of receiving the request. After reunderwriting or rerating the insured, the insurer shall make any adjustments necessary, consistent with its underwriting and rating guidelines, on the anniversary date or the effective date of the renewal of the policy. [PL 2007, c. 74, §1 (NEW).]
6. Filing of insurance scoring models. An insurer that uses insurance scores to underwrite and rate risks shall file the scoring model or other scoring processes used by the insurer with the superintendent. A 3rd party may file scoring models on behalf of insurers. A filing that includes insurance scoring must include loss experience justifying the use of credit information if required by the superintendent. The insurance scoring model contained in a filing required under this subsection is confidential and not a public record within the meaning of Title 1, section 402, subsection 3.

[PL 2003, c. 223, §1 (NEW).]

7. Indemnification. An insurer shall indemnify, defend and hold agents harmless from and against all liability, fees and costs arising out of or relating to the actions, errors or omissions of a producer who obtains or uses credit information or insurance scores for an insurer, provided the producer, in the exercise of reasonable care, follows the instructions of or procedures established by the insurer and complies with any applicable law or regulation. This subsection may not be construed to provide a consumer or other insured with a cause of action that does not otherwise exist in the absence of this subsection. This subsection may not be construed to indemnify a producer for the producer's omission when a producer elects not to obtain a credit-related insurance score in connection with an application for personal insurance coverage from an insurer that the producer represents if that insurer uses credit information as permitted under this section to underwrite that coverage.

[PL 2003, c. 223, §1 (NEW).]

8. Applicability. This section applies only to personal insurance. This section does not apply to commercial insurance.

[PL 2003, c. 223, §1 (NEW).]

SECTION HISTORY

§2170. Certain fees for handling insurance transactions in connection with loans prohibited

1. No person who makes a loan on real or personal property shall in connection with such a transaction make any separate charge to or require any fee from or require the payment of any money for handling insurance papers for an insurer, insurance agency, borrower, mortgagor or purchaser, other than the insurance premium on insurance written as additional security for the loan. This prohibition includes any separate charge or fee or payment of any money for the substitution by a borrower or a mortgagor or a purchaser of one insurance policy on the property for an existing policy on the property when the existing or substituted policy is provided through an insurer or insurance agent or broker licensed to do business in the State.

[PL 1969, c. 132, §1 (NEW).]

2. This section does not prohibit fees paid to a lender for handling or processing credit accident and health or credit life insurance not exceeding 10% of prima facie premiums as set forth by rules adopted by the superintendent.

[PL 1993, c. 208, §2 (AMD).]

3. Nothing in this section prevents the payment of the interest which may be charged on premium loans or premium advances in accordance with the security agreement, or the payment of dividends to group policyholders provided that the payment of dividends to group credit life and group credit health policyholders shall be subject to such rules and regulations as shall be promulgated by the superintendent.

[PL 1973, c. 585, §12 (AMD).]

[PL 1989, c. 449 (AMD).]

SECTION HISTORY

§2172. Fictitious groups prohibited

1. No insurer or person on behalf of any insurer shall offer, make or permit any preference or distinction for purposes of any property, casualty or, surety insurance coverage, as to form of policy, certificate, premium, rates, benefits or conditions of insurance, whether by master policy, individual policies, certificates of insurance or by any other means, based upon membership, nonmembership, or employment of any person or persons in or by, any group, association, corporation, organization or other combination of persons, based upon marketing through groups, associations, corporations, organizations or other combination of persons, or based upon a group or mass merchandising program of any kind; and shall not make any such preference or distinction available in any event based upon any fictitious grouping of persons. For the purposes of this section a fictitious grouping is defined as any grouping by other than a common insurable interest as to the subject of the insurance and the risk to be insured.

[PL 1969, c. 402, §4 (AMD).]

2. This section shall not apply as to any grouping placed in effect prior to January 1, 1968.

1. Any insurer may retain, invest in or acquire the whole or any part of the capital stock of any other insurer or insurers, or have a common management with any other insurer or insurers, unless such retention, investment, acquisition or common management is inconsistent with any other provision of this Title, or unless by reason thereof the business of such insurers with the public is conducted in a manner which substantially lessens competition generally in the insurance business or tends to create any monopoly therein.

[PL 1969, c. 132, §1 (NEW).]

[PL 1969, c. 132, §1 (NEW).]
2. No person shall willfully collect as premium or charge for insurance any sum in excess of the premium or charge applicable to such insurance, and as specified in the policy, in accordance with the applicable classifications and rates as filed with and approved by the superintendent; or, in cases where classifications, premiums, or rates are not required by this Title to be so filed and approved, such premiums and charges shall not be in excess of those specified in the policy and as fixed by the insurer. This provision shall not be deemed to prohibit the charging and collection, by surplus lines brokers licensed under chapter 19, of the amount of applicable state and federal taxes and nominal service charge to cover communication expenses, in addition to the premium required by the insurer. This provision shall not be deemed to prohibit the charging and collection, by a life insurer, of amounts actually to be expended for medical examination of an applicant for life insurance or for reinstatement of a life insurance policy.

An insurer may not retain, utilize or employ any director or establishment as a producer or agency of the insurer and a director or establishment may not act as or purport to be an insurance producer or engage in insurance producer activities. §2185. Calculation of health benefits based on actual cost

All health insurance policies, health maintenance organization plans and subscriber contracts or
certificates of nonprofit hospital or medical service organizations with respect to which the insurer or
organization has negotiated discounts with providers must provide for the calculation of all covered
health benefits, including without limitation all coinsurance, deductibles and lifetime maximum

[PL 2011, c. 631, §1 (NEW).]
2. Prohibited activities. Certification as a navigator under this section does not authorize a person who is not licensed as an insurance producer or consultant in this State in accordance with chapter 16 to act as an insurance producer or consultant. Regardless of whether a navigator certified under this section is also licensed as an insurance producer or consultant in this State in accordance with chapter 16, a navigator may not, while acting as a navigator for an individual, enrollee, potential enrollee or employer:

A. Sell, solicit or negotiate insurance; [PL 2013, c. 388, Pt. A, §1 (AMD).]

B. Have completed and submitted a disclosure form, which must be developed by the superintendent and which may include such information as the superintendent determines necessary, and have declared under penalty of refusal, suspension or revocation of the navigator certification that the statements made in the form are true, correct and complete to the best of the individual’s knowledge and belief; [PL 2013, c. 388, Pt. 5-A. Privacy. A navigator may not collect, use, disclose or retain personal information, as defined in section 2204, subsection 20, except for the purposes of performing the duties of a navigator or as permitted by an exchange under privacy standards adopted in accordance with the federal Affordable Care Act. A navigator is a regulated insurance entity for purposes of chapter 24 only if the navigator collects, uses, discloses or retains personal information for purposes other than performing the duties of a navigator.

6. Denial, suspension or revocation. The superintendent may deny certification and may suspend or revoke the authority of a navigator certified pursuant to this section for any ground specified in section 1420-K, subsection 1. The superintendent may assess civil penalties in accordance with section 12-A for violations of laws regulating the activities of navigators.

7. Rules. The superintendent may adopt rules as necessary to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

A commission paid to a licensed insurance producer appointed by or contracted with the insurer for enrollment in a health plan during any special enrollment period must be equal to the commission paid for enrollment during the insurer's annual enrollment period.

3. Commission on health plan enrollment initially completed during special enrollment period. An insurer may not eliminate, restrict or limit the payment of a commission to a licensed insurance producer appointed by or contracted with the insurer for the enrollment of an individual or employee in a health plan during any annual enrollment period on the basis that the producer was not paid a commission for the enrollment of the same individual or employee by the producer in a prior plan year during a special enrollment period.

PL 1989, c. 797, §§2,37,38 (NEW).

§2303. Making of rates

1. Rates shall be made in accordance with the following provisions.
   A. Manual, minimum, class rates, rating schedules or rating plans shall be made and adopted, except in the case of specific inland marine rates on risks specially rated. [PL 1969, c. 132, §1 (NEW).]
   B. Rates shall not be excessive, inadequate or unfairly discriminatory. [PL 1969, c. 132, §1 (NEW).]
   C. Due consideration must be given:
      (1) To past and prospective loss experience within and outside this State;
      (2) To the conflagration and catastrophe hazards;
      (3) To a reasonable margin for underwriting profit and contingencies;
      (4) To dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers;
      (5) To past and prospective expenses both countrywide and those specially applicable to this State;}
(6) To all other relevant factors within and outside this State;

(7) In the case of fire insurance rates, to the experience of the fire insurance business during a period of not less than the most recent 5-year period for which such experience is available; and

(8) In the case of title insurance rates, to the reasonableness of commission levels and other acquisition costs both countrywide and those specifically applicable to this State. [PL 1991, c. 885, Pt. B, §2 (AMD); PL 1991, c. 885, Pt. B, §13 (AFF).]

E. [PL 1989, c. 797, §3 (RP); PL 1989, c. 797, §§37, 38 (AFF).]

G. Risks may be grouped by classifications for the establishment of rates and minimum premiums. Classification rates may be modified to produce rates for individual risks in accordance with rating plans that establish standards for measuring variations in hazards or expense provisions, or both. These standards may measure any differences among risks that may have a probable effect upon losses or expenses. No risk classification may be based upon race, creed, national origin or the religion of the insured. [PL 1989, c. 797, §4 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

H. The expense provisions included in the rates to be used by an insurer must reflect the operating methods of the insurer and its anticipated expenses. [PL 1989, c. 797, §4 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

I. Rates may contain a provision for contingencies and an allowance permitting a reasonable profit. In determining the reasonableness of the profit allowance, consideration must be given to investment income. [PL 1989, c. 797, §4 (NEW); PL 1989, c. 797, §§37, 38 (AFF).] [PL 1991, c. 885, Pt. B, §2 (AMD); PL 1991, c. 885, Pt. B, §13 (AFF).]

2. Nothing in this section shall be taken to prohibit as unreasonable or unfairly discriminatory the establishment of classifications or modifications of classifications or risks based upon size, expense, management, individual experience, purpose of insurance, location or dispersion of hazard, or any other reasonable considerations, provided such classifications and modifications apply to all risks under the same or substantially similar circumstances or conditions. [PL 1969, c. 132, §1 (NEW).]

3. [PL 1989, c. 797, §5 (RP); PL 1989, c. 797, §§37, 38 (AFF).]

4. Rates made in accordance with this section may be used subject to this chapter. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§2303-A. Surcharge

An insurer may not surcharge a motor vehicle insurance policy based on a motor vehicle operator's license suspension when that suspension is pursuant to Title 29-A, section 2472, subsection 3, paragraph B, except in accordance with this section. If the person had an alcohol level of at least 0.05
grams or more of alcohol but less than 0.08 grams of alcohol per 100 milliliters of blood or 210 liters of breath, the surcharge is limited to 20%. If the person had an alcohol level of at least 0.02 grams of alcohol but less than 0.05 grams of alcohol per 100 milliliters of blood or 210 liters of breath, the surcharge is limited to 10%. If the policy covers multiple vehicles, the surcharge may be applied only to that portion of the rate attributable to a single vehicle. [PL 2009, c. 447, §22 (AMD).]

SECTION HISTORY

§2303-B. Clean fuel vehicle incentive

An insurer may credit or refund any portion of the premium charges for an insurance policy for a clean fuel vehicle in order to encourage its policyholders to use clean fuel vehicles if insurance premiums on other vehicles are not increased to fund these credits or refunds. [PL 1997, c. 500, §7 (NEW).]

For purposes of this section, "clean fuel vehicle" means a vehicle that may be propelled by a clean fuel or a fuel-cell electric vehicle that uses any fuel. For purposes of this paragraph, "clean fuel" means all products or energy sources used to propel motor vehicles, as defined in Title 29-A, section 101, other than conventional gasoline, diesel or reformulated gasoline, that, when compared to conventional gasoline, diesel or reformulated gasoline, result in lower emissions of oxides of nitrogen, volatile organic compounds, carbon monoxide or particulates or any combination of these. "Clean fuel" includes, but is not limited to, compressed natural gas; liquefied natural gas; liquefied petroleum gas; hydrogen; hythane, which is a combination of compressed natural gas and hydrogen; dynamic flywheels; solar energy; alcohol fuels containing not less than 85% alcohol by volume; and electricity. [PL 2019, c. 160, §9 (AMD).]

SECTION HISTORY

§2304. Rate filings

(REPEALED)

SECTION HISTORY

§2304-A. Rate filings

1. Every insurer shall file with the superintendent, except as to inland marine risks, which by general custom of the business are not written according to manual rates or rating plans, every manual rate, minimum premium, class rate, rating schedule or rating plan and every other rating rule, and every modification of any of the foregoing that it proposes to use. The filing must state the effective date of the filing and indicate the character and extent of the coverage contemplated. The filing must be made not less than 30 days in advance of the stated effective date unless that 30-day requirement is waived by the superintendent. The superintendent shall act on a filing no later than 30 days from receipt unless an extension is requested by the filer. A filing required under this section must be made electronically in a format required by the superintendent unless exempted by rule adopted by the superintendent. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

A. [PL 1991, c. 377, §10 (RP).]

B. [PL 1991, c. 377, §10 (RP).]
C.  [PL 1991, c. 377, §10 (RP.).]
D.  [PL 1991, c. 377, §10 (RP.).]
E.  [PL 1991, c. 377, §10 (RP.).]
F.  [PL 1991, c. 377, §10 (RP.).]
G.  [PL 1991, c. 377, §10 (RP.).]
H.  [PL 1991, c. 377, §10 (RP.).]

2.  Every insurer must file or incorporate by reference material that has been approved by the superintendent at the time rates are filed, including all supplementary rating, and supporting information to be used in support of or in conjunction with a rate. The information furnished in support of a filing may include or reference:

A.  The experience or judgment of the insurer or information filed by an advisory organization on behalf of the insurer as permitted by sections 2321-D and 2321-E; [PL 1991, c. 377, §10 (RPR.).]
B.  The insurer's interpretation of any statistical data upon which it relies; [PL 1991, c. 377, §10 (RPR.).]
C.  The experience of other insurers or advisory organizations; or [PL 1991, c. 377, §10 (RPR.).]
D.  Any other relevant factors. [PL 1991, c. 377, §10 (RPR.).]

3.  An advisory organization filing of prospective loss costs and supplementary rating information must be filed for approval at least 60 days before it becomes effective. This period may be extended by the superintendent for an additional period not to exceed 60 days if written notice is given to the advisory organization that additional time is needed for the consideration of the filing. Upon written application by the advisory organization, the superintendent may authorize a filing that has been reviewed to become effective before the expiration of the waiting period or any extension of the waiting period. A filing is deemed to meet the requirements of this chapter unless disapproved by the superintendent within the waiting period or any extension of the waiting period.

If the superintendent has requested the advisory organization to furnish the information upon which it supports that filing, the waiting period commences as of the date that information is furnished. [PL 1991, c. 377, §10 (RPR.).]

4.  When a filing is not accompanied by the information upon which the insurer supports that filing, the superintendent may require the insurer to furnish the information upon which it supports the filing. Any filing may be supported by the experience, or judgment if experience is not available, of the insurer or advisory organization making the filing, the experience of other insurers or advisory organizations or any other factors that the insurer or advisory organization determines relevant. A filing and any other supporting information are open to public inspection after the filing becomes effective. [PL 1991, c. 377, §10 (RPR.).]

5.  Specific inland marine rates on risks specially rated, made by an advisory organization, must be filed with the superintendent, become effective when filed, and are deemed approved and in compliance with the requirements of this chapter until the superintendent rejects the filing. [PL 1991, c. 377, §10 (RPR.).]

6.  Filings of rates to be utilized in connection with one or more mass marketing plans as defined in section 2932 must clearly identify their applicability to those plans. [PL 1991, c. 377, §10 (RPR.).]
7. Except as provided in section 2304-C, a rate filing and its supporting data are confidential until the filing is approved. 
[PL 2005, c. 121, Pt. C, §1 (AMD).]

8. Nothing in this chapter requires an advisory organization or its members or subscribers immediately to refile final rates or premium charges previously approved or lawfully in effect. Members or subscribers of an advisory organization are authorized to continue to use rates or premium charges approved or lawfully in effect before the effective date of this chapter. 
[PL 1991, c. 377, §10 (RPR).]

SECTION HISTORY

§2304-B. Reference filings

1. An insurer may satisfy its obligations to make rate filings by becoming a participating insurer of a licensed advisory organization that makes reference filings of advisory prospective loss costs and by authorizing the superintendent to accept reference filings on its behalf. The insurer's rates are the prospective loss costs filed by the advisory organization that have been approved in accordance with section 2321-E combined with the modifications and expense and profit factors filed by the insurer. 
[PL 1989, c. 797, §8 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

2. An insurer may request that its expense and profit factors and its loss cost modifications remain on file with the superintendent. Upon approval of an advisory organization loss cost reference filing, the insurer's rates are the combination of the approved prospective loss costs and the insurer's expense and profit factors and its loss cost modification filed with the superintendent. 
[PL 1989, c. 797, §8 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

3. If an insurer has authorized an advisory organization to file prospective loss cost information on its behalf, the insurer must make a filing with the superintendent pursuant to section 2304-A if it intends to delay, modify or in any way not adopt an approved loss cost filing. 
[PL 1989, c. 797, §8 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

4. An insurer's expense and profit factors and loss cost modifications must remain in effect until the insurer withdraws or refiles new factors pursuant to section 2304-A. The superintendent may request that an insurer provide supporting information for the filed expense and profit factors and loss cost modifications at any time. 
[PL 1989, c. 797, §8 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

SECTION HISTORY
PL 1989, c. 797, §§8, 37, 38 (NEW).

§2304-C. Physicians and surgeons liability insurance rates

Physicians and surgeons liability insurance rate filings are first subject to this section, but any other provisions of this chapter not inconsistent with this section also apply. Notwithstanding this section, filings made by advisory organizations are subject to this section only to the extent permitted by law, and laws prohibiting activities or the filing of certain information by advisory organizations supersede the provisions of this section. [PL 1991, c. 377, §11 (NEW).]

1. Contents of filing. Every filing subject to this section must include the data, statistics, schedules or information necessary for the superintendent to determine whether the filing complies with this chapter. The superintendent may waive any noncompliance with this subsection if the superintendent determines that the noncompliance is immaterial. The required information includes, but is not limited to:
A. Rates:
   (1) Current rates by rating class at basic limits and larger optional limits of coverage; and

   (3) Trend factor calculations and application, including the following:
      (a) An explanation of the trending procedure and assumptions;
      (b) Trend based on experience in this State as well as other actuarially sound sources of trend information; and
      (c) Frequency and severity trend factor calculations, shown separately; and

D. Classification exposure, premium and loss experience in the State for not less than the 5 most recent years available, and other experience determined to be credible in selecting the proposed classification relativities. Classification experience must be provided in any filing in which the filer has proposed changes to the classification relativities, but not less frequently than every 3 years; [PL 1991, c. 377, §11 (NEW).]

E. Expense provisions used in developing the proposed rates, an explanation of the procedure used to develop these provisions, and the actual historical expenses for each of the 3 most recent years available in the following categories: commissions; other acquisition expenses; general expenses; taxes, licenses and fees; unallocated loss adjustment expenses; and other expenses; [PL 1991, c. 377, §11 (NEW).]

F. An evaluation of any law changes that will become effective during the period in which rates will be in effect or any law changes in effect but not evaluated in a prior filing and not reflected in the reported experience; [PL 1991, c. 377, §11 (NEW).]

G. An estimate of the investment income that will be earned on loss and loss adjustment expense reserves and unearned premium reserves during the period the rates are to be in effect and claims remain unpaid, and evidence that the filing gives full consideration to that estimated income. The
filing must include the expected expense and claim payout pattern and an explanation of the derivation of the payout pattern; and [PL 1991, c. 377, §11 (NEW).]

H. Information regarding cost or expense control programs, procedures or practices implemented by the filer to improve efficiency of the company or to control or limit premium charges to insureds. [PL 1991, c. 377, §11 (NEW).]

2. Additional information. The superintendent may require, at any time, any additional information the superintendent determines necessary. [PL 1991, c. 377, §11 (NEW).]

3. Assertion of confidential status. Any insurer, rating organization or advisory organization that asserts that any portion of a filing is entitled to confidential status for purposes of subsection 5, shall identify that portion of the filing at the time of filing and shall state the basis for the assertion. [PL 1991, c. 377, §11 (NEW).]

4. Notice of filing. The superintendent shall maintain a list of all persons who request notice of physicians and surgeons liability insurance rate filings. Within 10 days of receipt of such a rate filing, the superintendent shall notify each person on that list. [PL 1991, c. 377, §11 (NEW).]

5. Interested persons. Immediately after receiving a filing under this section, the superintendent shall grant access to the entire filing, including confidential information, to any interested person who pays premiums for physicians and surgeons liability coverage to the company that made the filing, and to any person or organization representing a group of such persons. Any person who has access to confidential information under this section shall maintain the confidentiality of that information by means of a confidentiality agreement or pursuant to a protective order of the superintendent. [PL 1991, c. 377, §11 (NEW).]

6. Public hearing. The superintendent may hold a public hearing on any filing, as provided in sections 229 to 235. At the request of any person described in subsection 5, the superintendent shall, as required by section 229, hold a public hearing on the filing. [PL 1991, c. 377, §11 (NEW).]

7. Procedures; rules. The superintendent may adopt rules under Title 5, chapter 375, establishing procedures for the administration of this section. [PL 1991, c. 377, §11 (NEW).]

SECTION HISTORY

§2305. Exemption from filing

Under such rules and regulations as may be adopted, the superintendent may, by written order, suspend or modify the requirement of filing as to any kind of insurance, subdivision or combination thereof, or as to classes of risks, the rates for which cannot practicably be filed before they are used. Such orders, rules and regulations shall be made known to insurers and advisory organizations affected thereby. The superintendent may make such examination as determined advisable to ascertain whether any rates affected by such order meet the standards set forth in section 2303, subsection 1, paragraph B. [PL 1989, c. 797, §9 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

SECTION HISTORY

§2306. Disapproval of filing
1. If at any time the superintendent has reason to believe that a filing does not meet the requirements of this chapter, or violates any of the provisions of chapter 23, the superintendent shall, after a hearing held upon not less than 10 days' written notice, specifying the matters to be considered at such hearing, to every insurer and advisory organization which made such filing, issue an order specifying in what respects the superintendent finds that such filing fails to meet the requirements of this chapter, and stating when, within a reasonable period thereafter, such filing shall be deemed no longer effective. Copies of the order shall be sent to every such insurer and advisory organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

[PL 1989, c. 797, §10 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

2. No such order shall be issued by the superintendent with respect to the rate of an insurer, if such rate is one used by any other insurer, unless such order applies equally to all insurers using such rate. Such order may be issued to an insurer without being applicable to all other insurers using the same rate, if the basis for such order is that the insurer affected thereby could not otherwise, with safety to the public and to its policyholders, be permitted to continue to transact business.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§2307. Limitation of disapproval power

No manual of classifications, rules, rating plans, or any modification of any of the foregoing which establishes standards for measuring variations in hazards or expense provisions, or both, and which has been filed pursuant to section 2304, shall be disapproved if the rates produced meet the requirements of this chapter and chapter 23. [PL 1977, c. 78, §158 (RPR).]

SECTION HISTORY

§2308. Excess rates

1. A rate in excess of that provided by a filing otherwise applicable may be used on any specific risk, providing that the following requirements are satisfied.

   A. The insurer files a written application with the superintendent signed by the insured or applicant stating the reasons for the request. [PL 1989, c. 797, §11 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

   B. The superintendent assents to the use of an excess rate for the specific risk. [PL 1987, c. 337 (NEW).]

   [PL 1989, c. 797, §11 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

2. To promote the availability of coverage in lines of insurance when coverage is difficult to obtain or unavailable, a form more restrictive than that provided by filings otherwise applicable may be used on any specific risk, provided that the following requirements are satisfied.

   A. The restrictive form and applicable rates are filed with the bureau. [PL 1987, c. 337 (NEW).]

   B. A disclosure statement detailing the nature of the restriction or restrictions contained in the form and the manner in which the provisions of the restrictive form differ from an otherwise applicable filing is provided to and acknowledged by the applicant for insurance. [PL 1987, c. 337 (NEW).]

   C. A copy of the disclosure statement and the written application for insurance submitted by the applicant are submitted to the bureau. [PL 1987, c. 337 (NEW).]
D. The superintendent does not disapprove the use of the restrictive form in the specific case. [PL 1987, c. 337 (NEW).]
[PL 1995, c. 329, §32 (AMD).]

3. At any subsequent policy renewal in which additional or different restrictive policy forms or excess rates are employed, the provisions of this section must again be satisfied. [PL 1995, c. 329, §33 (NEW).]

4. Notification to the superintendent of cancellation or nonrenewal of a policy containing restrictive forms or employing excess rates is required within 30 days following cancellation or nonrenewal of the policy. [PL 1995, c. 329, §33 (NEW).]

(REPEALED)

SECTION HISTORY

§2318. Appeal from rating organization
(REPEALED)

SECTION HISTORY

§2319. Appeal by insureds as to filings

1. Application to the superintendent. Any insured aggrieved with respect to any filing, rate, expense or premium level that is in effect may make a written application to the superintendent for a hearing. The application must specify the grounds to be relied upon by the applicant in asserting that the filing, rate, expense or premium level is unjust or unreasonable.

2. Responsive filing and hearing. If the superintendent finds that the application is made in good faith, that the applicant would be so aggrieved if the applicant's grounds were established and that such grounds otherwise justify holding a hearing, the superintendent shall, by written order, require that the insurer, advisory organization or rating organization prepare within 30 days a responsive filing containing information necessary, in the judgment of the superintendent, to review the application. A public hearing may be conducted and, if conducted, must be at least 30 days from the date the responsive filing is determined complete by the superintendent.

3. If, after such a hearing, the superintendent finds that the filing, rate, expense or premium level does not meet the requirements of this chapter, the superintendent shall issue a final order specifying in what respects the superintendent finds that the filing fails to meet the requirements of this chapter, or is unjust and unreasonable, and stating when, within a reasonable period thereafter, the filing, rate, expense or premium level shall be changed, replaced or determined no longer effective. Copies of the order shall be sent to the applicant and to every insurer and rating or advisory organization. The order shall not affect any contract or policy made or issued prior to the expiration of the period set forth in the order.

[PL 1989, c. 467, §1 (AMD); PL 1989, c. 797, §20 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

SECTION HISTORY

§2320. Information furnished insureds; hearings and appeals of insureds

1. Every rating organization, advisory organization and insurer shall, within a reasonable time after receiving written request therefor and upon payment of such reasonable charge as it may make, furnish to any insured affected by a rate, a prospective loss cost or supplementary rating information made by it, or to the authorized representative of such insured, all pertinent information as to such rate.

[PL 1989, c. 797, §21 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

2. Every rating organization, advisory organization and insurer shall provide within this State reasonable means whereby any person aggrieved by the application of its rating system may be heard, in person or through an authorized representative, on written request to review the manner in which such rating system has been applied in connection with the insurance afforded that person. If the rating organization, advisory organization or insurer fails to grant or reject such request within 30 days after it is made, the applicant may proceed in the same manner as if that application had been rejected. Any party affected by the action of such rating organization, advisory organization or such insurer on such request may, within 30 days after written notice of such action, appeal to the superintendent, who, after a hearing held upon not less than 10 days' written notice to the appellant and to such rating organization, advisory organization or insurer, may affirm or reverse such action.

[PL 1989, c. 797, §21 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

3. Upon a request by a person aggrieved by the application of the rating system or an insurer, or either of their authorized representatives, the person aggrieved has the right to a hearing held by the superintendent without the matter first being heard by the rating organization or insurer pursuant to subsection 2. Such hearing must be held within 60 days following receipt by the superintendent of a written request for a hearing. At least 30 days' written notice of the date, time and place of the hearing, together with a reasonably accurate description of the subject matter of the hearing, must be provided by the superintendent to the person aggrieved, the insurer and the rating organization. Upon request by any party, the hearing may be continued to allow a reasonable period for conducting investigation of the matter, discovery and preparation of factual and legal materials for the hearing. Each party to a hearing is entitled to only one continuance. Prior to continuation of a hearing, the superintendent shall, upon not less than 5 days' notice to all parties, conduct an informal prehearing conference at which the parties shall identify the issues to be addressed at the hearing, establish a schedule for all investigation, discovery and hearing preparation reasonably necessary based upon the nature and scope of the hearing and establish a date certain for the hearing.

SECTION HISTORY

§2321. Advisory organizations
(REPEALED)

SECTION HISTORY

§2321-A. Licensing advisory organizations

1. No advisory organization may provide any service relating to the rates of any insurance subject to this chapter, and no insurer may utilize the services of that organization for those purposes unless the organization has obtained a license under subsection 3, paragraph C.  
   [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

2. No advisory organization may refuse to supply any services for which it is licensed in this State to any insurer authorized to do business in this State and offering to pay the fair and usual compensation for the services.  
   [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

3. The licensing of advisory organizations is governed by the following.
   A. An advisory organization's application for a license must include:
      (1) A copy of its constitution, charter, articles of organization, agreement, association or incorporation, and a copy of its bylaws, plan of operation and any other rules or regulations governing the conduct of its business;
      (2) A list of its members and subscribers;
      (3) The name and address of one or more residents of this State upon whom notices, process affecting it, or orders of the superintendent may be served;
      (4) A statement showing its technical qualifications for acting in the capacity for which it seeks a license;
      (5) A biography of the ownership and management of the organization; and
      (6) Any other relevant information and documents that the superintendent may require.  [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]
   B. Every organization which has applied for a license must notify the superintendent of every material change in the facts or in the documents on which its application was based. Any amendment to a document filed under this section must be filed at least 30 days before it becomes effective.  [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]
   C. If the superintendent finds that the applicant and the natural persons through whom it acts are competent, trustworthy and technically qualified to provide the services proposed, and that all
requirements of the law are met, the superintendent shall issue a license specifying the authorized activity of the applicant. The superintendent may not issue a license if the proposed activity would tend to create a monopoly or to lessen substantially the competition in any market. [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

D. The superintendent may at any time, after hearing, revoke or suspend the license of an advisory organization that does not comply with the requirements and standards of this section. [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

   A. The fact that 2 or more insurers, whether or not members or subscribers of an advisory organization, use consistently or intermittently the same rates, rating plans, rating schedules, rating rules, policy or bond forms, rate classifications, rate territories, underwriting rules, surveys or inspections or similar materials is not sufficient in itself to support a finding that an agreement exists. [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]
   B. Two or more insurers having a common ownership or operating in this State under common management or control may act in concert between or among themselves with respect to any matters pertaining to those activities authorized in this chapter as if they constituted a single insurer. [PL 1989, c. 797, §23 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

SECTION HISTORY

§2322. Joint underwriters; joint reinsurers
(REPEALED)
SECTION HISTORY

§2322-A. Joint underwriting, joint reinsurance pool and residual market activities
1. Notwithstanding section 2321-B, subsection 2 and consistent with sections 2325, 2325-A, 2325-B and 2366, insurers, rating organizations and advisory organizations participating in joint underwriting, joint reinsurance pools or residual market mechanisms may, in connection with such activity, act in cooperation with each other in the making of rates, rating systems, policy forms, underwriting rules, surveys, inspections and investigations, the furnishing of loss and expense statistics or other information, or conducting research. Joint underwriting, joint reinsurance pools and residual market mechanisms are not considered to be advisory organizations. [PL 2003, c. 671, Pt. B, §1 (AMD).]

2. Insurers, joint underwriters, joint reinsurance pools and residual market activities are regulated as follows.
   A. Except to the extent modified by this section, insurers, joint underwriting, joint insurance pool and residual market mechanism activities are subject to the other provisions of chapters 23 and 25. [PL 1989, c. 797, §25 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]
   B. If, after hearing, the superintendent finds that any activity or practice of an insurer participating in joint underwriting or a pool is unfair, is unreasonable, will tend to lessen competition in any market or is otherwise inconsistent with the provisions or purposes of this chapter, the superintendent may issue a written order and require the discontinuance of such activity or practice. [PL 1989, c. 797, §25 (NEW); PL 1989, c. 797, §§37, 38 (AFF).]

SECTION HISTORY

§2323. Recording and reporting of loss and expense experience
1. The superintendent, acting pursuant to the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II, may promulgate reasonable rules and statistical plans, reasonably adopted to each of the rating systems on file, which may be modified from time to time and which shall be used thereafter by each insurer in the recording and reporting of its loss and countrywide expense experience, in order that the experience of all insurers be made available at least annually in such form and detail as may be necessary to aid the superintendent in determining whether rating systems comply with the standards set forth in section 2303. Such rules and plans may also provide for the recording and reporting of expense experience items which are specially applicable to this State and are not susceptible of determination by a prorating of countrywide expense experience. The superintendent may also adopt reasonable rules for companies to use in recording and reporting to the superintendent
their rates and other information determined to be necessary or appropriate for the administration of this chapter and the effectuation of its purposes.

[PL 1989, c. 797, §26 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

2. In promulgating such rules and plans, the superintendent shall give due consideration to the rating systems on file with him, and in order that such rules and plans may be as uniform as is practicable among the several states, to the rules and to the form of the plans used for such rating systems in other states. No insurer shall be required to record or report its loss experience on a classification basis that is inconsistent with the rating system filed by it.

[PL 1973, c. 585, §12 (AMD).]

3. The superintendent may designate one or more rating organizations, advisory organizations or other agencies to assist in gathering such experience and making compilations thereof, and such compilations shall be a public document.

[PL 1989, c. 797, §27 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

4. Each insurer shall report its loss or expense experience to the lawful rating organization, advisory organization or agency of which it is a member or subscriber, but is not required to report its loss or expense experience to any rating organization, advisory organization or agency of which it is not a member or subscriber. Any insurer not reporting such experience to a rating organization, advisory organization or other agency may be required to report such experience to the superintendent. Any report of such experience of any insurer filed with the superintendent is confidential and may not be revealed by the superintendent to any other insurer or other person, but the superintendent may make compilations including such experience.

[PL 2011, c. 320, Pt. A, §8 (AMD).]

5. Group self-insurer. As used in this section, "insurer" shall include:

A. Insurer as defined in section 4; and

[PL 1979, c. 658, §2 (NEW).]

B. Group self-insurer as defined in Title 39-A, section 403.

SECTION HISTORY

§2324. Interchange of rating plan data; consultation; cooperative action in rate-making

1. Acting in accordance with the procedures set forth in the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II, the superintendent may promulgate reasonable rules and plans for the interchange of data necessary for the application of rating plans.

[PL 1977, c. 694, §419 (RPR).]

2. In order to further uniform administration of rate regulatory laws, the superintendent and every insurer, advisory organization and rating organization may to the extent consistent with this chapter exchange information and experience data with insurance supervisory officials, insurers and rating organizations in other states and may consult with them with respect to rate making and the application of rating systems.

[PL 1989, c. 797, §28 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

3. Cooperation among rating organizations, advisory organizations and insurers in activities related to rate making or in other matters within the scope of this chapter is authorized, but the filings resulting from such cooperation are subject to all provisions of this chapter which are applicable to filings generally. The superintendent may review such cooperative activities and practices and if, after
a hearing, the superintendent finds that any such activity or practice is unfair or unreasonable or otherwise inconsistent with this chapter, the superintendent may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with this chapter, and requiring the discontinuance of such activity or practice.

[PL 1989, c. 797, §28 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

SECTION HISTORY

§2325. Assigned risks

1. Agreements may be made among casualty insurers with respect to the equitable apportionment among them of insurance which may be afforded applicants who are in good faith entitled to but who are unable to procure such insurance through ordinary methods and such insurers may agree among themselves on the use of reasonable rate modifications for such insurance, such agreements and rate modifications to be subject to the approval of the superintendent.

[PL 1973, c. 585, §12 (AMD).]

2. Every insurer undertaking to transact in this State the business of automobile and motor vehicle bodily injury, property damage liability, physical damage and medical payments insurance and every advisory organization that files rates for that insurance shall cooperate in the preparation and submission of a plan for the equitable apportionment among insurers of applicants for insurance who are in good faith entitled to, but who are unable to procure through ordinary methods, such insurance. Administration of the plan is the responsibility of the plan member insurers subject to regulatory oversight by the bureau. The plan must provide:

   A. Reasonable rules governing the equitable distribution of risks by direct insurance, reinsurance or otherwise and their assignment to insurers; [PL 1989, c. 797, §29 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

   B. Rates and rate modifications applicable to such risks, which may not be excessive, inadequate or unfairly discriminatory; [PL 1991, c. 667, §1 (AMD).]

   C. The limits of liability that the insurer is required to assume, except that the maximum amount of physical damage coverage for commercial type vehicles must be determined by the superintendent based on the current cost of new vehicles but not to exceed a maximum amount of $100,000; and [PL 1991, c. 667, §1 (AMD).]

   D. A method whereby applicants for insurance, insureds and insurers may have a hearing on grievances and the right of appeal to the superintendent. [PL 1989, c. 797, §29 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

[PL 1991, c. 667, §1 (AMD).]

3. The plan referred to in subsection 2 must be filed in writing with the superintendent. The superintendent shall review the plan as soon as reasonably possible after filing in order to determine whether it meets the requirements set forth in subsection 2, paragraphs A, B, C and D. The plan, unless sooner approved in writing, must be on file for a waiting period of 30 days before it becomes effective. The plan is deemed approved unless disapproved by the superintendent within the waiting period.

Subsequent to the waiting period, the superintendent may disapprove the plan on the grounds that it does not meet the requirements set forth in subsection 2, paragraphs A, B, C and D, but only after a hearing held upon not less than 10 days' written notice to every insurer and advisory organization affected, specifying the matters to be considered at the hearing, and only by an order specifying in what respect the superintendent finds that the plan fails to meet the requirements, and stating when within a reasonable period thereafter the plan is deemed no longer effective. That order does not affect any
assignment made or policy issued or made prior to the expiration of the period set forth in the order. Amendments to the plan must be prepared, filed and reviewed in the same manner as provided in this subsection with respect to the original plan.

The superintendent may, as necessary and in accordance with the Maine Administrative Procedure Act, initiate rulemaking with respect to the plan.

[PL 1991, c. 667, §2 (AMD).]

4. When the plan referred to in subsection 2 or amendments thereto have been approved or promulgated, no insurer shall thereafter issue a policy of automobile and motor vehicle bodily injury, property damage liability, physical damage and medical payments insurance or undertake to transact such business in this State, unless such insurer shall participate in such an approved or promulgated plan.

[PL 1969, c. 132, §1 (NEW).]

5. If, after hearing, the superintendent finds that any activity or practice of any insurer or advisory organization in connection with the operation of the plan referred to in subsection 2 is unfair or unreasonable or otherwise inconsistent with this section, the superintendent may issue a written order specifying in what respects such activity or practice is unfair or unreasonable or otherwise inconsistent with this section and requiring the discontinuance of such activity or practice.

[PL 1989, c. 797, §30 (AMD); PL 1989, c. 797, §§37, 38 (AFF).]

6. The maximum limits of liability insurance offered by the Maine Automobile Insurance Plan for a personal automobile policy may not be less than $250,000 per person for bodily injury liability, $500,000 per occurrence for bodily injury liability and $100,000 for property damage liability. A combined single limit of $500,000 may be offered as an alternative to the mandatory split limits for bodily injury liability and property damage liability.

[PL 1991, c. 667, §3 (NEW).]

7. When a notice of cancellation for nonpayment of premium is issued by the Maine Automobile Insurance Plan or by an insurer to which the insured has been assigned by the plan, any premium paid by the insured but unearned within the policy term must be returned to the insured within 10 working days from the effective date of cancellation.

[PL 1991, c. 667, §3 (NEW).]

SECTION HISTORY

§2325-A. Market assistance plans

1. Establishment. Whenever a particular type of insurance is unavailable or unaffordable, the superintendent may establish a market assistance plan.

[PL 1987, c. 627 (NEW).]

2. Definition. For purposes of this section a "market assistance plan" is a voluntary agreement between the Bureau of Insurance and insurers that the insurers will write insurance at an agreed upon rate for those persons or groups that are unable to obtain coverage.

[PL 1987, c. 627 (NEW).]

3. Notification. Whenever the superintendent determines that a market assistance plan is needed, the superintendent shall notify all insurers authorized to write the type of insurance covered by the plan that a market assistance plan is being established and their participation in the plan is requested.

[PL 1987, c. 627 (NEW).]
4. Participation. Each insurer receiving a notice referred to in subsection 3, shall respond within 30 days to the notice. Their response shall indicate the extent to which they are willing to participate and any reasons why they do not wish to participate or only wish to participate on a limited basis. [PL 1987, c. 627 (NEW).]

5. Report. The superintendent shall report to the joint standing committee of the Legislature having jurisdiction over insurance by January 30th of each year whether there is, or may be, within the year a lack of availability in any line of insurance. [PL 1987, c. 627 (NEW).]

SECTION HISTORY

PL 1987, c. 627 (NEW).

§2325-B. Mandatory property and casualty insurance market assistance program

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Basic property and casualty insurance" means policies that insure against loss or damage to real property that is used for residential purposes, is owner-occupied and consists of not more than 4 apartments, and that may also insure against loss or damage to tangible personal property and the legal liability of a natural person or persons for loss of, damage to or injury to persons or property. "Basic property and casualty insurance" may include standard homeowners package property and liability insurance, functional replacement homeowners package insurance, dwelling fire policies and extended coverage policies. "Basic property and casualty insurance" does not include automobile insurance, workers' compensation insurance or insurance primarily covering risks arising from the conduct of a commercial or industrial enterprise. [PL 2003, c. 671, Pt. B, §2 (NEW).]

B. "Governing committee" means the committee established to operate the program pursuant to subsection 5. [PL 2003, c. 671, Pt. B, §2 (NEW).]

C. "Member insurer" means an authorized insurer who is required to be a member of the program in accordance with subsection 3. [PL 2003, c. 671, Pt. B, §2 (NEW).]

D. "Modified policy form" means any new or amended policy form developed by member insurers for risks written through the program. [PL 2003, c. 671, Pt. B, §2 (NEW).]

E. "Modified rate" means any new or amended rate or rating rule developed by member insurers for risks written through the program. [PL 2003, c. 671, Pt. B, §2 (NEW).]

F. "Modified policy form and rate filing" and "modified filing" mean any modified policy form and modified rate filed with the superintendent under subsection 9. [PL 2003, c. 671, Pt. B, §2 (NEW).]

G. "Net direct premiums" means gross direct written premiums on basic property and casualty insurance in this State less return premiums upon cancelled contracts, irrespective of reinsurance assumed or ceded. [PL 2003, c. 671, Pt. B, §2 (NEW).]

2. Authority to establish program. If the superintendent establishes a voluntary market assistance plan in accordance with section 2325-A to increase the availability of basic property and casualty insurance in this State and the superintendent determines after a public hearing that the number of insurers participating in the voluntary market assistance plan is insufficient or that a sufficient number of risks has not been written through the plan, then the superintendent may establish a mandatory property and casualty insurance market assistance program in accordance with this section. The superintendent shall adopt rules regarding the level of insufficient participation in the voluntary market assistance plan that is necessary for the establishment of a program under this section. The provisions in the rules governing a determination of insufficient participation in the voluntary market assistance plan must take into account the length of time the voluntary market assistance plan is operational. [PL 2003, c. 671, Pt. B, §2 (NEW).]

3. Mandatory insurer participation. All insurers, except eligible surplus lines insurers, authorized to write and engaged in writing in this State, on a direct basis, basic property and casualty insurance shall cooperate in organizing a program as required by subsection 4. Every such insurer must be a member of the program and remain a member as long as the insurer has net direct premiums on basic property and casualty insurance in this State. [PL 2003, c. 671, Pt. B, §2 (NEW).]

4. Required action by superintendent. If the superintendent determines that a program under this section should be established in accordance with the requirements of subsection 2, the superintendent shall:
   A. Order member insurers to cooperate in the organization of the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]
   B. Appoint the members of the governing committee in accordance with subsection 5; [PL 2003, c. 671, Pt. B, §2 (NEW).]
   C. Order the governing committee to develop a proposed plan of operation for the program in accordance with subsection 6, including a deadline for the submission of the plan; and [PL 2003, c. 671, Pt. B, §2 (NEW).]
   D. Initiate rulemaking in accordance with subsection 8. [PL 2003, c. 671, Pt. B, §2 (NEW).]
[PL 2003, c. 671, Pt. B, §2 (NEW).]

5. Governing committee. The governing committee of the program consists of 8 members as follows:
   A. Five members appointed by the superintendent who are full-time employees of member insurers; [PL 2003, c. 671, Pt. B, §2 (NEW).]
   B. Two members appointed by the superintendent who are licensed producers with property and casualty authority; and [PL 2003, c. 671, Pt. B, §2 (NEW).]
   C. The superintendent or the superintendent's designee, who serves as an ex-officio, nonvoting member. [PL 2003, c. 671, Pt. B, §2 (NEW).]
The terms of members of the governing committee and process for filling vacancies must be established in the plan of operation pursuant to subsection 6. [PL 2003, c. 671, Pt. B, §2 (NEW).]

6. Plan of operation. The program must be operated by the governing committee established under subsection 5 pursuant to a plan of operation approved by the superintendent. The governing committee shall develop a plan of operation and submit the plan to the superintendent for approval. If the superintendent disapproves the proposed plan of operation, the governing committee must, within 30 days, submit for review an appropriately revised plan of operation and, if the governing committee
fails to submit such a plan or if the revised plan is also disapproved by the superintendent, the superintendent must develop a plan of operation consistent with this section. The governing committee may, on its own initiative or at the request of the superintendent, amend the plan of operation with the approval of the superintendent.

The plan of operation must:

A. Adopt a mechanism for the equitable apportionment of risks under the program, including the equitable distribution among member insurers of applications for basic property and casualty insurance to cover underserved areas or risk types from eligible applicants who are in good faith entitled to but who are unable to procure basic property and casualty insurance through ordinary methods in the voluntary admitted market; [PL 2003, c. 671, Pt. B, §2 (NEW).]

B. Establish a methodology for the calculation and the payment of fees or commissions to producers with respect to eligible risks written through the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

C. Require that member insurers write basic property and casualty insurance for eligible applicants to cover underserved areas or risk types in accordance with each member insurer's underwriting guidelines and rating rules applicable to risks written through the program to the extent not inconsistent with reasonable underwriting and rating rule limitations contained in rules adopted by the superintendent under subsection 8; [PL 2003, c. 671, Pt. B, §2 (NEW).]

D. Permit the use of rate filings and policy forms by member insurers, including:

   (1) The ability for member insurers to use existing forms and rates to write basic property and casualty insurance in the program;

   (2) The authority for member insurers to file modified policy forms and modified rates in accordance with subsection 9, including permissible surcharges on those policies in accordance with limits established by the superintendent by rule; and

   (3) The authority for the program to develop uniform policy forms and rates for use by member insurers subject to approval of the superintendent and the requirements of subsection 9; [PL 2003, c. 671, Pt. B, §2 (NEW).]

E. Establish a procedure for the possible future creation of a risk pooling arrangement or reinsurance program for the distribution of the losses and expenses of basic property and casualty insurance written through the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

F. Provide that a member insurer is entitled to receive credit for voluntarily writing basic property and casualty insurance in underserved areas or on underserved risk types and that the participation in the program of an insurer who does so must be reduced in accordance with the mechanism of apportionment and distribution established under paragraph A; [PL 2003, c. 671, Pt. B, §2 (NEW).]

G. Establish a grievance process for applicants for insurance, insureds and member insurers with the program and a right to appeal those grievances to the superintendent after an initial decision by the governing committee; [PL 2003, c. 671, Pt. B, §2 (NEW).]

H. Establish procedures for the inspection of properties by or on behalf of member insurers; [PL 2003, c. 671, Pt. B, §2 (NEW).]

I. Establish a uniform process to inform owners of property in underserved areas or of underserved risk types of the specific circumstances and property characteristics that affect the insurability of the property including recommendations for improving the insurability of the property; [PL 2003, c. 671, Pt. B, §2 (NEW).]
J. Require that in order for an applicant to purchase basic property and casualty insurance through the program, the applicant must produce proof of 2 declinations from authorized insurers other than eligible surplus lines insurers, to write insurance on the property. The plan of operation must allow one of the declinations to be in the form of a cancellation or nonrenewal notice unless coverage has been ordered to stay in effect pending the outcome of a hearing before the superintendent, in which case the cancellation or nonrenewal notice may only be used as a declination in the person's application to the program if the decision in the hearing is in favor of the insurer; [PL 2003, c. 671, Pt. B, §2 (NEW).]

K. Establish a finite list of reasons a policy issued through the program may be cancelled, which may include nonpayment of premium, fraud or material misrepresentation; [PL 2003, c. 671, Pt. B, §2 (NEW).]

L. Stipulate that cancellation of policies issued through the program may not be effective less than 20 days after receipt by the insured of the notice of cancellation or, if the cancellation is for nonpayment of premium, may not be effective less than 10 days after receipt by the insured of the notice of cancellation and that a postal certificate of mailing to the named insured at the insured's last known address is conclusive proof of receipt on the 5th calendar day after mailing; [PL 2003, c. 671, Pt. B, §2 (NEW).]

M. Establish eligibility criteria for policies issued through the program, except that any eligibility criteria may not be inconsistent with the purposes for establishing the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

N. Establish the limits of liability a member insurer is required to assume, except that for any policy issued through the program, the maximum amount of coverage for a dwelling on a residence premises does not exceed $300,000, the maximum limit for any liability coverage does not exceed $300,000 and any limits of liability for additional coverages, including coverage for loss or damage to other structures or tangible personal property or for loss of use, may not count toward the maximum coverage limits applicable to the dwelling or any liability coverage; [PL 2003, c. 671, Pt. B, §2 (NEW).]

O. Establish procedures for the efficient, economical, fair and nondiscriminatory administration of the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

P. Authorize the governing committee to assess member insurers for reasonable expenses incurred in administering the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

Q. Establish procedures to govern a member insurer's withdrawal from the program; and [PL 2003, c. 671, Pt. B, §2 (NEW).]

R. Include any other procedures or operational matters considered necessary by the governing committee with the approval of the superintendent. [PL 2003, c. 671, Pt. B, §2 (NEW).]

7. Operation of program contingent upon approval. The program may not become operational until rules have been adopted as required by this section and the superintendent has approved the plan of operation in accordance with subsection 6. [PL 2003, c. 671, Pt. B, §2 (NEW).]

8. Rulemaking. In accordance with subsection 4, the superintendent may adopt rules to implement this section. Rules adopted pursuant to this subsection are routine technical rules under Title 5, chapter 375, subchapter 2-A. Rules adopted under this section may include:

A. The designation of underserved areas or risk types; [PL 2003, c. 671, Pt. B, §2 (NEW).]
B. Reasonable limitations on underwriting guidelines applicable to all member insurers for the issuance of basic property and casualty insurance through the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

C. A writing level based on net direct premiums under which an insurer may seek to limit its participation or seek exemption from participation in the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

D. Maximum allowable caps on rating surcharges and limitations on rating rules for risks written through the program; [PL 2003, c. 671, Pt. B, §2 (NEW).]

E. The process by which the superintendent may suspend or terminate the program; and [PL 2003, c. 671, Pt. B, §2 (NEW).]

F. Any other provisions necessary to implement the requirements of this section. [PL 2003, c. 671, Pt. B, §2 (NEW).]

9. Modified policy form and rate filings. A modified policy form and modified rate developed by a member insurer must be filed with the superintendent. A modified rate to be used in connection with an existing policy form that consists solely of a permissible surcharge not in excess of the maximum allowable cap contained in rules adopted under subsection 8 may be used by a member insurer immediately upon filing that modified rate with the superintendent. For any other modified filings, a modified policy form and modified rate must be filed with the superintendent not less than 30 days in advance of the stated effective date. A modified rate filing subject to the 30-day advance filing requirement must include any supplementary rating information to be used in conjunction with a rate, and, to the extent available, sufficient supporting information to support a rate. A modified rate may not be excessive, inadequate or unfairly discriminatory with respect to risks written through the program. A modified policy form may only be disapproved for the grounds specified in section 2413. All modified policy form and rate filings are confidential until approved in accordance with applicable law. [PL 2011, c. 320, Pt. A, §9 (AMD).]

10. Immunity from liability for inspections. There is no liability on the part of, and a cause of action does not arise against, member insurers, the program or the governing committee or agents or employees of any of them or the superintendent or the superintendent's authorized representatives with respect to any inspections to be undertaken by this section or for any acts or omissions in connection with those inspections or for any statements made in a report or communication concerning the insurability of the property. [PL 2003, c. 671, Pt. B, §2 (NEW).]

11. Superintendent's authority to suspend. In the event of impairment or serious financial difficulty of a member insurer, the superintendent may suspend the application of the provisions of this section from applying to the financially distressed member insurer. [PL 2003, c. 671, Pt. B, §2 (NEW).]

12. Expiration of program. A program established by the superintendent pursuant to this section expires 2 years from the date the program becomes operational unless terminated earlier by the superintendent or unless, after a public hearing, the superintendent determines, based on clear and convincing evidence, that continued operation of the program is necessary to address the unavailability of basic property and casualty insurance for underserved areas or risk types. For purposes of this subsection, the program becomes operational on the effective date of the first policy issued through the program. If the superintendent finds that continued operation of the program is necessary, then any person insured under the program must reapply for coverage as new business under the program at the next renewal date occurring after the date of the superintendent's order to continue the program. Any policy written through the program that is in force when the program is terminated continues in force.
until its stated expiration date in accordance with the terms and conditions of the policy and the provisions in the plan of operation.

[PL 2003, c. 671, Pt. B, §2 (NEW).]

13. Powers of superintendent. In addition to any powers conferred upon the superintendent by this or any other law, the superintendent has authority to supervise the program and may:

A. Examine and investigate the operation of the program and member insurers through free access to all the books, records, files, papers and documents relating to their operation and may summon, qualify and examine as witnesses all persons having knowledge of such operations, including the governing committee and its officers, employees and agents; [PL 2003, c. 671, Pt. B, §2 (NEW).]

B. Require reports from the program, the governing committee and member insurers concerning risks insured through the program as the superintendent considers necessary; [PL 2003, c. 671, Pt. B, §2 (NEW).]

C. Approve or disapprove modified policy forms, modified endorsements, modified rates and modified rating and rule manuals for use by member insurers; and [PL 2003, c. 671, Pt. B, §2 (NEW).]

D. Suspend or terminate the program in accordance with subsection 12 and any process established by rule. [PL 2003, c. 671, Pt. B, §2 (NEW).]

[PL 2003, c. 671, Pt. B, §2 (NEW).]

14. Penalties for violations. The superintendent may take any action permitted under section 12-A against a member insurer or any other person required to be licensed under this Title who violates this section or any other applicable law or rule.

[PL 2003, c. 671, Pt. B, §2 (NEW).]

15. Annual report. On or before March 31st of each year, the governing committee shall submit a report detailing the program's operations for the previous calendar year to the superintendent and the joint standing committee of the Legislature having jurisdiction over insurance and financial services matters. The annual report is a public record within the meaning of Title 1, chapter 13, subchapter 1.

[PL 2003, c. 671, Pt. B, §2 (NEW).]

16. Applicability of provisions. Insurance provided through the program is subject to all other laws relating to that type of insurance, except policies issued through the program are not subject to section 3007 or to chapter 41, subchapter 5. In the event there is a conflict between any express provision in this section and any other applicable law, then the provisions of this section control. Notwithstanding sections 2162 and 2303, a member insurer may utilize underwriting guidelines, modified policy forms, modified rates and rating rules that differ from its voluntary business with respect to insurance issued through the program, as long as the program underwriting guidelines, modified policy forms, modified rates and rating rules comply with this section, the plan of operation and the rules adopted by the superintendent.

[PL 2003, c. 671, Pt. B, §2 (NEW).]

WORKERS' COMPENSATION RATING ACT

§2381. Title

This subchapter may be known and cited as the "Workers' Compensation Rating Act." [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
SECTION HISTORY

§2381-A. Purposes

The purposes of this Act are: [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

3. Promotion of price competition. To promote price competition among insurers so as to provide rates that are responsive to competitive market conditions; [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

6. Authorization of action. To authorize essential cooperative action among insurers in the rate-making process and to regulate such activity to prevent practices that tend to substantially lessen competition or create a monopoly; and [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

SECTION HISTORY

§2381-B. Scope of application

SECTION HISTORY

§2381-C. Definitions

As used in this Act, unless the context otherwise indicates, the following terms have the following meanings. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

1. Advisory organization. "Advisory organization" means any entity that either has 2 or more member insurers or is controlled either directly or indirectly by 2 or more insurers and that assists insurers in activities related to workers' compensation rate making. Two or more insurers having a common ownership or operating in this State under common management or control constitute a single insurer for the purpose of this definition. "Advisory organization" does not include a joint underwriting
association, any actuarial or legal consultant, any employee of an insurer or insurers under common
control or management or their employees or manager.

2. **Classification system or classification.** "Classification system" or "classification" means the plan, system or arrangement for recognizing differences in exposure to hazards among industries, occupations or operations of insurance policyholders.

3. **Expenses.** "Expenses" means that portion of any rate attributable to acquisition and field supervision; collection expenses and general expenses; and taxes, licenses and fees.

4. **Experience rating.** "Experience rating" means a rating procedure utilizing past insurance experience of the individual policyholder to forecast future losses by measuring the policyholder's loss experience against the loss experience of policyholders in the same classification to produce a prospective premium credit, debit or unity modification.

5. **Loss trending.** "Loss trending" means any procedure for projecting developed losses to the average date of loss for the period during which the policies are to be effective.

6. **Market.** "Market" means the interaction between buyers and sellers of workers' compensation and employers liability insurance within this State pursuant to this Act.

7. **Pure premium rate.** "Pure premium rate" means that portion of the rate that represents the loss cost per unit of exposure including loss adjustment expense.

8. **Rate.** "Rate" means the cost of insurance per exposure base unit, prior to any application of individual risk variations based on loss or expense considerations, and does not include minimum premiums.

9. **Residual market.** "Residual market" means the instrument to provide coverage to employers not able to obtain coverage in the voluntary market.

10. **Statistical plan.** "Statistical plan" means the plan, system or arrangement used in collecting data.

11. **Superintendent.** "Superintendent" means the Superintendent of Insurance.

12. **Supplementary rate information.** "Supplementary rate information" means any manual or plan of rates, classification system, rating schedule, minimum premium, policy fee, rating rule, rating plan and any other similar information needed to determine the applicable premium for an insured.

13. **Supporting information.** "Supporting information" means the experience and judgment of the filer and the experience or data of other insurers or organizations relied on by the filer, the interpretation of any statistical data relied on by the filer, descriptions of methods used in making the rates, and any other similar information required by the superintendent to be filed.
14. Voluntary market. "Voluntary market" means the workers' compensation insurance market in which insurance companies voluntarily offer coverage to applicants who meet the insurers' underwriting standards or guidelines.

SECTION HISTORY

§2382. Rate standards

1. Rates. Rates may not be excessive, inadequate, or unfairly discriminatory.

2. Excessive rates. Voluntary and residual market rates are subject to the following.

B. Rates in the residual market are excessive if they are likely to produce a long-term profit that is unreasonably high for the insurance provided and for surplus requirements or if expenses are unreasonably high in relation to services rendered. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

3. Inadequate rates. A rate is not inadequate unless insufficient to sustain projected losses and expenses and the use of the rate has had a tendency to create a monopoly or, if continued, will tend to create a monopoly in the market or will cause serious financial harm to the insurer.

4. Unfair discrimination. Unfair discrimination exists if, after allowing for practical limitations, price differentials fail to reflect equitably the differences in expected losses and expenses. A rate is not unfairly discriminatory because different premiums result for policyholders with like loss exposures but different expenses, or like expenses but different loss exposures, so long as the rate reflects the differences with reasonable accuracy.

5. Determination of compliance. Determination of compliance with standards for rate factors, expenses and profits is as follows.

A. In determining whether rates comply with standards under this section, due consideration may be given to:

(1) Past and prospective loss and expense experience within and outside of the State;

(2) Catastrophe hazards and contingencies;

(3) Loadings for leveling premium rates over time;

(4) Dividends or savings to be allowed or returned by insurers to their policyholders, members or subscribers; and

B. The expense provisions included in the rates to be used by an insurer must reflect the operating methods of the insurer, and, so far as credible, its own actual and anticipated expense experience. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
C. Rates may contain provision for contingencies and allowance permitting a reasonable profit. In determining the reasonableness of profit, consideration must be given to all investment income attributable to premiums, the reserves associated with those premiums and the amount of capital and surplus allocable to the coverage of risks in the State. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

SECTION HISTORY

§2382-A. Payment of dividends

Nothing in this Act prohibits or regulates the payment of dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers, but in the payment of such dividends there may be no unfair discrimination between policyholders. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

A plan for the payment of dividends, savings or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members or subscribers is not a rating plan or system. [PL 1991, c. 885, Pt. A, §12 (NEW); PL 1991, c. 885, Pt. A, §13 (AFF).]

SECTION HISTORY

§2382-B. Uniform administration of classifications; reporting of rating and other information; membership in advisory organization

1. Uniform classification system; uniform experience rating plan. Every workers' compensation insurer, including self-insurers, shall adhere to a uniform classification system and uniform experience rating plan filed with the superintendent by an advisory organization designated by the superintendent and subject to the superintendent's disapproval. An insurer may develop subclassifications of the uniform classification system upon which a rate may be made; provided, however, that such subclassifications must be filed with the superintendent 30 days prior to their use. The superintendent shall disapprove a subclassification if:

   A. The insurer fails to demonstrate that the data produced can be reported consistently with the uniform statistical plan and classification system; or [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

   B. The proposed subclassification:

      (1) Is not reasonably related to the exposure to claim;
      (2) Is not adequately defined;
      (3) Has not been shown to distinguish among insureds based on the potential for or hazard of loss; or
      (4) Is or will be unfairly discriminatory. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

2. Designation of advisory organization. The superintendent shall designate an advisory organization to assist the superintendent in gathering, compiling and reporting relevant statistical information. Every workers' compensation insurer shall record and report its workers' compensation experience to the designated advisory organization as set forth in the uniform statistical plan approved by the superintendent.

3. Filing of manual rules. The designated advisory organization shall develop and file manual rules, subject to the approval of the superintendent, reasonably related to the recording and reporting of data pursuant to the uniform statistical plan, uniform experience rating plan, and the uniform classification system. Every workers' compensation insurer shall adhere to the approved manual rules and experience rating plan in writing and reporting its business. An insurer may not agree with any other insurer or with an advisory organization to adhere to manual rules that are not reasonably related to the recording and reporting of data pursuant to the uniform classification system or the uniform statistical plan.

4. Advisory organization membership. Each workers' compensation insurer shall be a member or subscriber of the workers' compensation advisory organization designated by the superintendent.

SECTION HISTORY

§2382-C. Filing of rates and other rating information; filing of forms

1. Prefiling required. Every insurer shall file with the superintendent all rates and supplementary rate information to be used in the State, except as filed by an advisory organization as provided in section 2384-A. Such rates and supplementary rate information must be filed at least 30 days prior to the stated effective date. An insurer may adopt by reference, with or without deviation, the rates and supplementary rate information filed by another insurer. Upon application by the filer, the superintendent may authorize an earlier effective date.

2. Form and manner of filing. Rates filed pursuant to this section must be filed in a form prescribed by the superintendent. If a filing is not accompanied by the information the superintendent has required under this section, the superintendent shall notify the insurer as soon as possible and the filing is deemed as not made until the information is provided. A filing required under this section must be made electronically in a format required by the superintendent unless exempted by rule adopted by the superintendent. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2009, c. 14, §2 (AMD).]

3. Public records. All rates, supplementary rate information and any supporting information for risks filed under this Act are, as soon as filed, public records within the meaning of Title 1, chapter 13.

4. Additional period. The period during which the filing may not become effective may be extended by the superintendent for an additional period not to exceed 60 days if the superintendent gives written notice to the insurer or advisory organization that made the filing that the superintendent needs additional time for consideration of the filing.

5. Advisory organization. Subject to the provisions of this Act, the designated workers' compensation and advisory organization shall file with the superintendent:

B. Workers' compensation policy forms and endorsements to be used by its members; [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

6. Approved forms. Every insurance company issuing workers' compensation insurance policies covering the payment of compensation and benefits shall use only policy forms filed and approved pursuant to section 2412. Filings required by that section may be made on behalf of members and subscribers by an approved advisory organization.

SECTION HISTORY

§2382-D. Uniform experience rating plan; merit rating plan

1. Required contents. The experience rating plan required under section 2382-C must contain:

D. Provisions for reasonable and equitable limitations on the ability of policyholders to avoid the impact of past adverse claims experience through change of ownership, control, management or operation. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

2. Experience rating. The uniform experience rating plan must be the exclusive means for providing premium adjustments based on the past claim experience of an insured employer. The experience rating plan must provide that the claims experience for the 3 most recent years for which data is available be considered on the following bases.

A. The claims and exposure for the most recent year for which data is available must be given 40% weight. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

B. The claims and exposure for the 2nd most recent year for which data is available must be given 35% weight. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

C. The claims and exposure for the 3rd most recent year for which data is available must be given 25% weight. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

If data is available for only 2 years of experience, the weighting must be 60% for the most recent year and 40% for the 2nd most recent year.

3. Merit rating. If an insured is not eligible for the experience rating plan, a merit rating plan must be applied using the following guidelines.

A. A plan must provide for the following credits or debits to be applied to the otherwise applicable manual premium, based on the number of lost-time claims of the insured during the most recent 3-year period for which statistics are available:
(1) No claims or a loss ratio of less than 1.0, an 8% credit;
(2) One claim resulting in a loss ratio greater than 1.0, no credit or debit; and
(3) Two or more claims resulting in a loss ratio greater than 1.0, an 8% debit. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

4. Prior lost-time work-related injury. The experience rating or merit rating plan may not permit, in the calculation of experience modification factors, consideration of those lost-time claims attributable to work-related injuries that are aggravations of, or combine with, any prior lost-time work-related injury to produce incapacity. The superintendent shall adopt rules to protect employers from the impact of these subsequent injury claims and to equitably compensate insurers that provide coverage to these employers. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

5. Retrospective rating. Nothing in this section prevents an insurer or an advisory organization from filing rating plans that provide for retrospective premium adjustments based on the insured's experience during the policy period. Except as provided in section 2386, subsection 8, in the voluntary market and the residual market retrospective rating plans must be voluntary and may not be used without the prior consent of the insured. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

§2382-E. Disapproval of rates

1. Timing of disapproval. A rate that is found not to be in compliance with applicable sections of this Act may be disapproved at any time. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

2. Basis of disapproval. The superintendent may disapprove a rate if the insurer fails to comply with the filing requirements under section 2382-C. The superintendent shall disapprove a rate for the voluntary market if there is a finding that the rate is inadequate or unfairly discriminatory using the standards in section 2382. The superintendent shall disapprove a rate for use in the residual market if there is a finding that the rate is excessive, inadequate or unfairly discriminatory, using the standards in section 2382. The superintendent may disapprove, pursuant to this subsection, without hearing, rates that have not become effective. An insurer whose rates have been disapproved must be notified of the reason for disapproval and must be given a hearing upon a written request made within 30 days after the disapproval order. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

3. Discontinuance of a rate; interim rates. Discontinuance of a rate and interim rates are subject to the following.

A. If the superintendent finds that a rate is not in compliance with the standards of section 2382 or is in violation of section 2382-C, the superintendent shall order that its use be discontinued for any
policy issued or renewed after the date of the order, and the order may prospectively provide for
premium adjustment of any policy then in force. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991,
c. 885, Pt. B, §13 (AFF).]  
B. Whenever an insurer has no legally effective rates as a result of the superintendent's disapproval
of rates or other act, the superintendent shall, on request of the insurer, specify interim rates for the
insurer that are adequate to protect the interests of all parties and may order that a specified portion
of the premiums be placed in a special reserve established by the insurer and approved by the
superintendent. When new rates become legally effective, the superintendent shall order the
specially reserved funds or any overcharge in the interim rates to be distributed appropriately,
except that adjustments that are minimal may not be required. [PL 1991, c. 885, Pt. B, §12
(NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

In order to comply with Title 26, section 61, subsection 1-A, on or before March 1st of each year,
every workers' compensation insurer shall file a report with the superintendent showing the amount of
total actual paid workers' compensation losses and the total actual paid workers' compensation medical
payments for the previous calendar year. [PL 1997, c. 126, §3 (NEW).]

The superintendent shall monitor the degree of competition in the workers'
compensation insurance market. The superintendent shall utilize existing relevant information and
analytical techniques and may cause or participate in the development of new relevant information,
analytical techniques and other sources.

The superintendent shall consider, in addition to any other relevant factors, the following:

3. **Degree of competition.** The superintendent shall consider approved self-insured employers when evaluating the degree of competition in the insurance market. The superintendent shall report by November 1, 1994 and annually thereafter on the status of the market to the Governor and to the joint standing committee of the Legislature having jurisdiction over workers' compensation insurance rate regulation matters.

SECTION HISTORY

§2384. **Workers' compensation advisory organizations**

SECTION HISTORY

§2384-A. **Advisory organization filing requirements**

1. **Filing.** Every advisory organization shall file with the superintendent every pure premium, manual of rating rules, rating schedule and change, amendment or modification of the foregoing proposed for use in the State at least 30 days prior to the proposed effective date.

2. **Effective date.** The superintendent may extend the proposed effective date for an additional period not to exceed 60 days if the superintendent gives written notice to the advisory organization that made the filing that the superintendent needs additional time for consideration of the filing. The superintendent may require any additional information necessary to evaluate the filing.

3. **Disapproval.** The superintendent may disapprove, without hearing, an advisory organization filing that has not become effective if the pure premiums are excessive, inadequate or unfairly discriminatory or if the rating rules or rating procedure would produce premiums that are excessive, inadequate or unfairly discriminatory. If the pure premium rates, rating rules or rating schedule has been disapproved, the advisory organization must be notified of the reason for disapproval and must be given a hearing upon a written request made within 30 days after the disapproval order.

SECTION HISTORY

§2384-B. **Statistical recording and reporting**
1. **Collection and reporting system.** The statistical advisory organization designated pursuant to section 2382-B, subsection 2 shall develop and file with the superintendent a plan that includes a comprehensive data collection and reporting system for insurers. The purpose of the system is to permit the superintendent, in a timely manner, to analyze insurance rates and claims practices of insurers. [PL 2011, c. 83, §1 (AMD).]

2. **Data collected.** The data collection and reporting system must contain, at a minimum, the following:

   A. Basic information on each claim, including:
      (1) Name, address and identification information of the employee, employer and insurer or self-insurer;
      (2) File identification number or numbers, insurance policy number and occupation and classification codes;
      (3) Date of hire, age of employee at injury and employee's prior workers' compensation claim history; and

   B. Claims history information on each claim, including:
      (1) Date of injury or exposure to disease, date of first report, type of injury or exposure disclosure and affected body part;
      (2) Preinjury wage history, date of initial payment and date of notice of controversy, if any, together with the reason for denial;
      (3) Date of maximum medical improvement;
      (4) Identification of cumulative or opened claims; and

   C. Information concerning former Workers' Compensation Commission and Workers' Compensation Board proceedings, including:
      (1) For each informal conference, mediation and arbitration, the date, commissioner, hearing officer, mediator or arbitrator for the proceeding, involvement of attorney or other designated representative and the resolution; and
      (2) For each hearing, the date, commissioner, hearing officer, involvement of attorney or other designated representative and the decision of the commissioner or the hearing officer. If a disputed claim results in multiple hearing dates, the decision must be reported for the last hearing date; and [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

   D. Cost of payment information on each claim, identified as open or closed, including:
      (1) Aggregate payments to date to any physician, hospital or other medical provider. The superintendent may require information on payments to date to any physician, hospital, medical rehabilitation provider or other medical provider, together with a description of the services, the name of the provider, the amount of payment and the date of service;
      (2) Payments made to date for weekly compensation, impairment benefits, death benefits, funeral expenses, employee legal expenses, employer legal expenses, lump sums, witness fees, penalties, employment rehabilitation services with a description of the services and name of
the rehabilitation provider, and any other type of payments under former Title 39 or Title 39-A;
(3) With respect to open claims, an estimate of total outstanding liability and separately stated outstanding liability for medical care, indemnity, employment rehabilitation and any other type of payments; and

For medical only claims, the superintendent may establish a claim threshold under which the detailed claim reporting requirements of this subsection do not apply. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

3. Special data calls. The superintendent may, with prior notice, require the insurer and self-insurer statistical advisory organizations to conduct special data calls to collect information usable to evaluate the costs or operations of the workers' compensation system. Any special data call imposed by the superintendent under this provision must give due consideration to the information collected and maintained by insurers and self-insurers. Requests for information not being collected on the effective date of this subsection must be prospective. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

4. Other data collection systems. The statistical advisory organization may rely on data collected and reported by other data gathering organizations or agencies, such as the Workers' Compensation Board or the Department of Labor. If the statistical advisory organization is to incorporate data from other sources, it must satisfy itself that the data is sufficiently complete and accurate for the purposes for which it is to be used. The Workers' Compensation Board and the Department of Labor shall assist the statistical advisory organization in the development and maintenance of a comprehensive data base by recording and making available information within the custody and control of each, respectively, pursuant to the request of the statistical advisory organization. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

5. Noncompliance penalties. The statistical advisory organization must include as part of its plan a means of monitoring member or subscriber compliance with the reporting requirements and must include a schedule of monetary penalties for failure to comply with reporting requirements. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

6. Reports. The superintendent shall prescribe the frequency of and schedule for reports by the statistical advisory organization. Reports must be required on at least an annual basis. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

7. Rules. The superintendent shall have the authority to adopt reasonable rules with respect to the recording and reporting of claim information, including the recording and reporting of expense or experience items that are not specifically applicable to the State but require an allocation of experience or expenses to the State. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

8. Confidentiality. Any report of information relating to a particular claim is confidential and may not be revealed by the superintendent, except that the superintendent may make compilations including this experience. Any information provided to the superintendent regarding self-insurance is confidential to the extent protected by Title 39-A, section 403. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

9. Accuracy. The statistical advisory organization shall take all reasonable steps to ensure the accuracy of the information provided to it and reported by it. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
10. Claims covered. This section applies to all claims occurring on or after January 1, 1989 and prior to January 1, 1993 and to all death, permanent total and major permanent partial claims occurring between January 1, 1987 and December 31, 1988; and to a reasonable sample, as approved by the superintendent, of all other indemnity claims occurring between January 1, 1987 and December 31, 1988. The superintendent may suspend the reporting requirements of specific items for periods when information that is to be obtained from the Workers' Compensation Board is temporarily unavailable. [PL 1995, c. 462, Pt. B, §5 (AMD).]

SECTION HISTORY

§2384-C. Data collection

1. Collection and reporting system. The superintendent shall adopt rules implementing a data collection system for the purpose of evaluating the costs and operation of the workers' compensation benefit delivery process. The rules must establish reasonable sampling procedures to identify and track a sufficient number of claims to provide reliable information in a cost-effective manner. The superintendent shall, by rule, establish a cost-effective procedure to designate organizations to collect and compile data for insurers, except that an insurer able to demonstrate its ability to collect, compile and report data on its own claims is permitted to act as its own statistical organization for the purposes of this section. In this section, "statistical organization" includes an insurer acting as its own statistical organization. [PL 2011, c. 83, §2 (AMD).]

2. Data collected. The data collection and reporting system must contain, at a minimum, the following:

A. Basic information on each surveyed claim, including:
   (1) The name and identification information of the employee, employer and insurer or self-insurer; and
   (2) The file identification number or numbers, insurance policy number and classification claim history; [PL 1993, c. 610, §2 (NEW).]

B. Claim history information on each claim surveyed, including:
   (1) The date of injury or exposures to disease, type of injury or exposure disclosure and affected body part;
   (2) The preinjury wage history, date of initial payment and whether claim is controverted; and
   (3) Identification of claim status, whether open, closed or reopened; [PL 1993, c. 610, §2 (NEW).]

C. Information concerning Workers' Compensation Board proceedings, including:
   (1) For each mediation and arbitration, the date, hearing officer, mediator or arbitrator for the proceeding and the resolution; and
   (2) For each hearing, the date, hearing officer and the decision of the hearing officer. If a disputed claim results in multiple hearing dates, the decision must be reported for the last hearing date; and [PL 1993, c. 610, §2 (NEW).]

D. Payment information on each claim, identified as open or closed, including:
   (1) Aggregate payments to date to physicians, hospitals or other medical providers;
(2) Payments made to date for weekly compensation, impairment benefits, death benefits and funeral expenses, employee legal expenses, employer legal expenses, lump sums and vocational rehabilitation services;

(3) With respect to all claims, separately stated incurred liability for medical care, indemnity and vocational rehabilitation; and

(4) Identification as to whether there are benefit offsets for social security, unemployment insurance, employer-provided pensions or any other sources. [PL 1993, c. 610, §2 (NEW).]

3. **Special data calls.** The superintendent may, with prior notice, require the insurer and self-insurer statistical organizations to conduct special data calls or studies to collect information to evaluate the costs or operations of the workers' compensation system and to evaluate medical injury or disease outcomes of compensable claims. In any special data call imposed by the superintendent under this subsection, consideration must be given to the information collected and maintained by insurers and self-insurers. Requests for information not being collected on the effective date of this subsection must be prospective. [PL 1993, c. 610, §2 (NEW).]

4. **Other data collection systems.** The statistical organizations may rely on data collected and reported by other data-gathering organizations or agencies, such as the Workers' Compensation Board or the Department of Labor, and shall coordinate with any other statutorily created medical data collection systems. If a statistical organization is to incorporate data from other sources, it must satisfy itself that the data is sufficiently complete and accurate for the purpose for which it is to be used. The Workers' Compensation Board and the Department of Labor shall assist the statistical organizations in the development and maintenance of a comprehensive data base by recording and making available information within the custody and control of each, respectively, pursuant to the request of the statistical organization. The superintendent may suspend the reporting requirements of specific items for periods when information that is to be obtained from the Workers' Compensation Board is temporarily unavailable or information is found to be unreliable and the unreliability is not a result of the reporting practices of the carriers or self-insurers. The superintendent may accept an established data collection mechanism that is substantially in compliance with the data elements specified in this section and otherwise meets the requirements of this section. [PL 1993, c. 610, §2 (NEW).]

5. **Noncompliance penalties.** A statistical organization must include as part of its plan a means of monitoring member or subscriber compliance with the reporting requirements and must include a schedule of monetary penalties for failure to comply with reporting requirements. The statistical agent and companies are responsible for the accuracy of the data maintained and reported to the superintendent in the data base. [PL 1993, c. 610, §2 (NEW).]

6. **Reports.** The superintendent shall prescribe the frequency of and schedule for reports by the statistical organization. Reports must be required on at least an annual basis. [PL 1993, c. 610, §2 (NEW).]

7. **Confidentiality.** Any report of information relating to a particular claim is confidential and may not be revealed by the superintendent, except that the superintendent may make compilations including this information. Any information provided to the superintendent regarding self-insurance is confidential to the extent protected by Title 39-A, section 403. [PL 1993, c. 610, §2 (NEW).]

8. **Accuracy.** The statistical organization shall take all reasonable steps to ensure the accuracy of the information provided to it and reported by it. [PL 1993, c. 610, §2 (NEW).]
9. **Retention of records.** Each insurer or self-insurer shall retain its workers' compensation medical claim records for a period not less than 3 years from the date of injury or reported illness. Records may be retained through original source documents or electronic file storage.

   [PL 1993, c. 610, §2 (NEW).]

10. **Application.** This section applies to all claims occurring on or after January 1, 1993.

   [PL 1993, c. 610, §2 (NEW).]

SECTION HISTORY

§2385. **Optional deductibles**

1. **Optional deductible.** Each insurer transacting or offering to transact workers' compensation insurance in the State shall offer optional deductibles to employers that may be used upon election by the insured.

2. **Indemnity.** Deductibles must be available for indemnity benefits in amounts of $1,000 and $5,000 per claim and in other reasonable amounts as may be approved by the superintendent.

3. **Reimbursement.** The deductible form must provide that the claim must be paid by the applicable insurer, which must then be reimbursed by the employer for any deductible amounts paid by the carrier. The employer is liable for reimbursement up to the limit of the deductible.

4. **Deductible not required.** An insurer is not required to offer a deductible to an employer if, as a result of a credit investigation, the insurer determines that the employee is not sufficiently financially stable to be responsible for the payment of deductible amounts.

SECTION HISTORY

§2385-A. **Medical expense deductibles**

Each insurer transacting or offering to transact workers' compensation insurance in the State shall offer deductibles for medical expenses as follows. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

1. **Optional deductible of $250.** To employers who are not experience-rated, insurers shall offer a deductible of $250 per occurrence.

2. **Optional deductible of $250 or $500.** To employers who are experience-rated, insurers shall offer a deductible of $250 or $500 per occurrence.

   [PL 1995, c. 551, §1 (AMD).]

3. **Mandatory deductible of $500.**

   [PL 1995, c. 551, §2 (RP).]

SECTION HISTORY

§2385-B. **Disclosure of premium information**
All policies issued to employers for workers' compensation insurance must disclose clearly to the employer as separate figures the base rate and the employer's experience modification factor. [PL 2001, c. 176, §1 (AMD).]

Upon request from an employer, when a policy is issued to an employer for workers' compensation insurance, it must be accompanied by a statement disclosing the percentages of premium expended during the previous year by the insurer for claims paid, loss control and other administrative costs, medical provider expenses, insurer and employee attorney's fees and private investigation costs. [PL 2001, c. 176, §1 (AMD).]

SECTION HISTORY

§2385-C. Workplace health and safety consultations

Workplace health and safety consultation services provided by workers' compensation insurance carriers to employers with an experience rating factor of one or more are subject to the following. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Workplace health and safety consultations" means a service provided to an employer to advise and assist the employer in the identification, evaluation and control of existing and potential accident and occupational health problems. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

2. Standards for workplace health and safety consultations. The superintendent, in consultation with the Department of Labor, may adopt rules establishing the standards for approval of workplace health and safety consultations provided to employers by insurance carriers, including provision of adequate facilities, qualifications of persons providing the consultations, specialized techniques and professional services to be used and educational services to be offered to employers. [PL 1997, c. 592, §67 (AMD).]

3. Required coverage and premium. All insurance carriers writing workers' compensation coverage in the State shall offer workplace health and safety consultations to each employer as part of the workers' compensation insurance policy. [PL 1997, c. 592, §67 (AMD).]

4. Optional purchase from another provider. An employer may elect to purchase workplace health and safety consultation services from a provider other than the insurer. [PL 1997, c. 592, §67 (AMD).]

5. Notification to employer; request for consultation services. An insurance carrier writing workers' compensation insurance coverage shall notify each employer of the type of workplace health and safety consultation services available and the address or location where these services may be requested. The insurer shall respond within 30 days of receipt of a request for workplace health and safety consultation services. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

6. Reports to employers. In any workplace health and safety consultation that includes an on-site visit, the insurer shall submit a report to the employer describing the purpose of the visit, a summary of the findings of the on-site visit and evaluation and the recommendations developed as a result of the evaluation. The insurer shall maintain for a period of 3 years a record of all requests for workplace health and safety consultations and a copy of the insurer's report to the employer. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
7. Safe workplace responsibility. Workplace health and safety consultations provided by an insurer do not diminish or replace an employer's responsibility to provide a safe workplace. An insurance carrier or its agents or employees do not incur any liability for illness or injuries that result from any consultation or recommendation. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

SECTION HISTORY

§2385-D. Safety groups
A safety group is an insured plan that provides for an alternative source of insurance for members of an organization or association. An insurer may issue a workers' compensation and employers' liability policy or policies insuring a safety group if the following requirements are met. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

1. Filings. The organization or association shall file with the superintendent:
   A. A copy of its articles of incorporation and bylaws or its agreement of association and rules governing the conduct of its business, all certified by the custodian of the originals; [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
   B. An agreement that only a member of the organization or association is eligible for insurance as a member of the group and that it will notify its insurers within 10 days if any member fails to remain a member in good standing in accordance with the standards and rules of the organization or association; [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
   C. A description of the operation and makeup of a safety committee which, by means of education and otherwise, will seek to reduce the incidence and severity of accidents or claims; and [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
   D. An agreement, if the policy is a group policy, duly executed, guaranteeing that, if the insurer notifies the safety group of the nonpayment of a premium by an insured member within 60 days after the premium was due, the safety group will pay to the insurer the amount of any past due premium that does not exceed the amount of the dividends that are due the safety group or its members from the insurer. The safety group shall promptly notify the insurer of the known insolvency of any member of the group and shall request, upon learning of the insolvency, the removal of the member from the group. A copy of the resolution of the governing superintendent of the group authorizing the execution of the guarantee agreement must be filed with the superintendent and with the insurer issuing the group policy. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

2. Advance premium discounts. Any advance premium discount for any new or existing safety group must be filed with the superintendent not later than 5 days after the effective date. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

3. Management. The safety group shall designate a person to act as the manager or authorized representative of the group. The manager or representative may be remunerated by the members for expenses, including all ordinary operating expenses of the group, but the amount charged to members may not exceed 10% of earned premiums. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

4. Dividends. Dividends or returned premiums paid or credited to a safety group must be paid or credited to the individual members of the group, except that the indebtedness for any unpaid premium must be first deducted from any dividend or premium returned. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]
5. Other requirements. Any safety group formed or operating under this section is subject to the requirements of sections 2931 to 2940, except that the safety group or the insurer may establish reasonable underwriting standards regarding eligibility for acceptance and continued membership of the safety group. These underwriting standards must be filed with the superintendent and may be disapproved by the superintendent if they unreasonably limit membership in the safety group. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF)].

SECTION HISTORY

§2385-E. Workers' compensation insurance; registration of employee leasing companies

A corporation, partnership, sole proprietorship or other business entity that provides staff, personnel or employees to be employed in the State to other businesses pursuant to a lease arrangement or agreement must, before becoming eligible to be issued a policy of workers' compensation insurance, register with the superintendent pursuant to Title 32, chapter 125. Employee leasing companies are subject to rules applicable to workers' compensation insurance as adopted by the superintendent and to penalties as defined in Title 32, section 14058. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF)].

SECTION HISTORY

§2385-F. Coverage denial

Workers' compensation coverage may not be issued to an employer or continued if it has been issued until the employer pays any undisputed premiums or assessments to a previous workers' compensation insurer, including a domestic mutual insurer established pursuant to section 3703, a group self-insurer approved pursuant to Title 39-A, section 403, subsection 4, or the workers' compensation residual market mechanism. If a premium or assessment is subject to a good faith dispute at the time of termination of a policy or if such a dispute becomes known as a result of a post-termination audit review or other reason after replacement coverage has been issued and if the premium or assessment remains unpaid upon resolution of the dispute by the bureau, this replacement coverage must be cancelled. [PL 1999, c. 121, §1 (AMD)].

SECTION HISTORY

§2386. Workers' compensation insurance residual market mechanism

1. Participation. All insurers authorized to write workers' compensation and employers' liability insurance in this State shall participate in the workers' compensation insurance residual market mechanism, which is composed of an Accident Prevention Account and a Safety Pool. The residual market mechanism is not a state fund and the State has no proprietary interest in it or in any contributions made to it. This mechanism is exempt from any budgetary control or supervision by state agencies, except to the extent an insurance company is supervised or controlled by state agencies. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF)].

2. Rules.
[PL 1995, c. 289, §7 (RP).]

3. Accident Prevention Account; eligibility. Eligibility for insurance from the Accident Prevention Account is as follows.

A. The Accident Prevention Account is an insurance plan that provides for the equitable apportionment among insurers of insurance that may be afforded applicants who are entitled to, but unable to, procure that insurance through ordinary methods because of their demonstrated accident
frequency problem, measurably adverse loss ratio over a period of years or demonstrated attitude of noncompliance with safety requirements. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

B. An employer is eligible for insurance from the Accident Prevention Account if:

1. The employer has at least 2 lost-time claims over $10,000 and a loss ratio greater than 1.0 over the last 3 years for which data is available; and

2. The employer has attempted to obtain insurance in the voluntary market and has been refused by at least 2 insurers that write that insurance in the State. For the purpose of this section, an employer is considered to have been refused if offered insurance only under a retrospective rating plan or plans. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

4. Safety Pool; eligibility. Eligibility under the Safety Pool is as follows.

A. The Safety Pool is an insurance plan that provides for an alternative source of insurance for employers with good safety records. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

B. An employer is eligible for the Safety Pool if that employer:

1. Has had no more than one lost-time claim in the last 3 years for which data is available, regardless of the resulting loss ratio;

2. Has a loss ratio that does not exceed 1.0 or has had no more than one lost-time claim over $10,000 over the last 3 years for which data is available; or

3. Has been in business for less than 3 years, provided that the eligibility terminates if the employer's loss ratio exceeds 1.0 and the employer has at least 2 lost-time claims over $10,000 each at the end of any year. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

C. A member of the Safety Pool who fails to meet eligibility requirements under paragraph B must be ordered to leave the Safety Pool after notice under former Title 39, section 23, subsection 1. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

5. Plan of operation. The superintendent shall adopt rules pursuant to Title 5, chapter 375, subchapter II, establishing a plan of operation for the residual market mechanism.

A. The plan must include an experience rating system and merit rating plan providing that the premium of each employer in the account is modified either prospectively or retrospectively. An experience modification may only be applied to the manual rate of the plan. The sensitivity of a rating system may vary by size of the risk involved. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

B. The plan must include a procedure to handle appeals filed pursuant to former Title 39, section 106, subsection 2, paragraph B. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

C. The plan must provide for premium surcharges for employers in the Accident Prevention Account based on their specific loss experience within a specified period or other factors that are reasonably related to their risk of loss.

1. No premium surcharge may be applied to a risk whose threshold loss ratio is less than 1.0. The threshold loss ratio is based on the ratio of "L" to "P" where:
(a) "L" is the actual incurred losses of a risk during the previous 3-year experience period as reported, except that the largest single loss during the 3-year period is limited to the amount of premium charged for the year in which the loss occurred; and

(b) "P" is the premium charged to a risk during that 3-year period.

(2) Premium surcharges apply to a premium that is experience or merit rating modified.

(3) Premium surcharges are based on an insured's adverse deviation from expected incurred losses in the State. The surcharge is based on the ratio of "A" to "B" where:

(a) "A" is the actual incurred losses of a risk during the previous 3-year experience period as reported; and

(b) "B" is the expected incurred losses of a risk during that period as calculated under the uniform experience or merit rating plan multiplied by the risk's current experience or merit rating modification factor.

(4) The premium surcharge is as follows:

<table>
<thead>
<tr>
<th>Ratio of &quot;A&quot; to &quot;B&quot;</th>
<th>Surcharge</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than 1.20</td>
<td>None</td>

<tr>
<td>1.20 or greater, but less than 1.30</td>
<td>5%</td>
</tr>
<tr>
<td>1.30 or greater, but less than 1.40</td>
<td>10%</td>
</tr>
<tr>
<td>1.40 or greater, but less than 1.50</td>
<td>15%</td>

<tr>
<td>1.50 or greater</td>
<td>20%</td>

D. Commissions under a plan must be established at a level that is neither an incentive nor a disincentive to place an employer in the residual market. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

E. In addition to factors in paragraphs A to C, any servicing contract must be approved on the basis of acceptable price and performance. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

F. If after notice and hearing the superintendent determines that insurers are unwilling to provide services that are reasonably necessary for the operation of the plan, the superintendent may award service contracts within various areas of the State on the basis of acceptable price and performance. If the superintendent chooses to award such contracts, the specifications must give special consideration to loss control, safety engineering and any other factor that affects safety. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

G. Beginning July 1, 1993, the plan must provide for a board of governors, which shall control the affairs and business of the residual market mechanism. The board of governors must be composed of 9 members, 5 of whom represent the business community of the State and 4 of whom represent insurers that are members of the residual market mechanism. The superintendent shall adopt rules to carry out the purposes of this paragraph.

(1) The representatives of insurers on the board of governors are elected by the membership at the annual meeting of the residual market mechanism for staggered terms of 3 years, with the first appointments of one member for one year, one member for 2 years and 2 members for 3 years. An insurer or a group of insurers under common ownership, management or control may not be represented by more than one person on the board of governors. [PL 1995, c. 289, §8 (AMD).]

[PL 1995, c. 289, §8 (AMD).]
5-A. Immunity. A member of the board of governors of the workers' compensation residual market pool created by Maine Insurance Rule Chapter 440 is immune from liability except for willful misconduct by the board member in the performance of the duties of a board member. [PL 1993, c. 364, §2 (NEW).]

6. Rates. Rate filings for rates in the Accident Prevention Account and the Safety Pool must be made together and are subject to former section 2363.

A. A rate filing for the residual market must include experience and merit rating plans. The experience rating plan is the uniform experience rating plan. The merit plan must provide the maximum credits possible to Safety Pool members on the basis of individual loss experience, including frequency and severity, consistent with this chapter and sound actuarial principles. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

B. The superintendent shall review the rates, rating plans and rules, including rates for individual classifications and subclassifications, in the Accident Prevention Account and the Safety Pool at least once every 2 years and may review rates more frequently if necessary. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

C. In a residual market rate proceeding, the superintendent may order payment of dividends to insureds in the Safety Pool to the extent that the pool's experience supports them. The superintendent may adopt rules establishing a dividend plan for the Safety Pool to provide an incentive for implementation of safety programs by insureds in the pool. The superintendent may employ outside consultants to assist in the development of these rules, the costs of which must be paid by the Safety Education and Training Fund established under Title 26, section 61 to the extent that funds are available. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

7. Mandatory deductible. A deductible applies to all workers' compensation insurance policies issued to employers in the Accident Prevention Account that meet the following qualifications:

A. A net annual premium of $20,000 or more subject to adjustment pursuant to this section in the State; [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

C. The employer's threshold loss ratio, as determined under subsection 4, paragraph B, subparagraph (1), is 1.0 or greater. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

The deductible is $1,000 per claim but applies only to wage loss benefits paid on injuries occurring during the policy year. The sum of all deductibles in one policy year may not exceed the lesser of 15% of net annual premium or $25,000. Each loss to which a deductible applies must be paid in full by the insurer. After the policy year has expired, the employer shall reimburse the insurer the amount of the deductibles. This reimbursement must be considered as premium for purposes of cancellation or nonrenewal.

For purposes of calculations required under this section, losses must be evaluated 60 days from the close of the policy year.

Annually, on July 1st, the superintendent shall, by rule, adjust the $20,000 premium level established in this subsection to reflect any change in rates for the Accident Prevention Account and any change in wage levels in the preceding calendar year. Changes in wage levels are determined by reference to changes in the state average weekly wage, as computed by the Department of Labor. Any adjustment is rounded off to the nearest $1,000 increment.
This subsection takes effect on the effective date of the first approved rate filing after the effective date of this Act.

8. **Mandatory retrospective rating.** The superintendent may impose retrospective rating plans under the following circumstances:

A. The superintendent shall by rule establish standards governing the application of retrospective rating plans under which the superintendent may order, after hearing, a retrospective rating plan for an employer in the Accident Prevention Account who has sufficient size in terms of premium and number of employees to warrant such rating and:

(1) For the 3 most recent years for which data is available, an experience modification factor and a loss ratio that may indicate a serious problem of workplace safety; or

(2) A demonstrated record of repeated serious violations of workplace health and safety regulations adopted under the Maine Revised Statutes, Title 26, chapter 6, or 29 United States Code, Chapter 15, whichever is applicable. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

B. The maximum premium, including any applicable surcharge under this section, may not exceed 150% of standard premium. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

9. **Credits for qualifying safety programs.** The superintendent shall adopt rules to establish dividend plans and premium credits between 5% and 15% of net annual premiums for policyholders that establish or maintain qualifying safety programs. The rules must identify the classifications by which policyholders are eligible for the credits and establish criteria for qualifying safety programs and procedures to be followed by servicing carriers in approving and auditing compliance with the safety programs. The superintendent may employ outside consultants to assist in the development of rules under this subsection, the costs of which must be paid by the Safety Education and Training Fund established under Title 26, section 61 to the extent that funds are available. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

10. **Contracts; consultants.** [PL 1995, c. 289, §9 (RP).]

13. **Producer fees.** The servicing carrier in the residual market shall pay a fee to the producer designated by the employer on renewed policies upon payment of premium due. The fee must be 4% of the first $5,000 of renewal premium and 2.5% of renewal premium in excess of $5,000. The fee must be based on the state standard premium. [PL 1991, c. 885, Pt. B, §12 (NEW); PL 1991, c. 885, Pt. B, §13 (AFF).]

15. **Loan.** [PL 1995, c. 289, §9 (RP).]

[PL 1995, c. 289, §11 (NEW).]

22. **Self-insured group or groups.** "Self-insured group or groups" means a self-insured group approved by the superintendent pursuant to chapter 250, section 3. [PL 1995, c. 289, §11 (NEW).]

22-A. **Succession transaction.** "Succession transaction" means an asset sale, merger, consolidation, reorganization or restructuring that creates a successor self-insured employer. [PL 1995, c. 619, §1 (NEW); PL 1995, c. 619, §8 (AFF).]

22-B. **Successor self-insured employer.** "Successor self-insured employer" means any self-insured employer that is a successor entity to another employer or employers doing business in this State. A successor self-insured employer includes any entity that purchases all or a portion of the assets of an employer or the surviving entity in any other merger, consolidation, reorganization or restructuring. [PL 1995, c. 619, §1 (NEW); PL 1995, c. 619, §8 (AFF).]

23. **Superintendent.** "Superintendent" means the Superintendent of Insurance. [PL 1995, c. 289, §11 (NEW).]

24. **Surchargeable premium.** "Surchargeable premium" means:

   A. For insured employers, the manual workers' compensation premium applicable to the insured employer, as adjusted by any applicable experience modification factor, premium discount, expense constant and any other debits or credits to a lawfully received premium. In calculating the surchargeable premium for retrospectively rated policies and large deductible policies, "surchargeable premium" means the discounted workers' compensation standard premium, which is the manual premium that would apply to the insured employer absent the retrospectively rated or large deductible nature of the policy, as adjusted by any applicable experience modification factor, premium discount and expense constant. For retrospectively rated and large deductible policies, the insurer shall calculate a discounted standard premium amount utilizing estimated payrolls at policy inception, subject to the final determination upon audit, applying the insurer's manual rates, the insured's experience modification factor, any premium discount, expense constant and other debits or credits to a lawfully received premium. When calculating the discounted standard premium for policies with large deductibles, the maximum credit for the deductible option may not be greater than the amount approved by the superintendent in the most recent advisory loss cost filing for a $5,000 indemnity deductible. [PL 1995, c. 289, §11 (NEW).]

   B. For self-insured employers, the manual workers' compensation premium adjusted by the experience modification factor applicable to the self-insured employer, and any applicable premium discount and expense constant. For purposes of this definition, "manual premium" means the workers' compensation premium that would have been applicable to the individual self-insured employer if calculated using the advisory loss costs in effect at the time the surcharge is due multiplied by 1.2, applying the rating rules, excluding any premium discount, and experience rating procedure approved by the superintendent for the designated workers' compensation advisory organization pursuant to section 2382-B, to the exposure and experience of the individual self-insured employer. For a self-insured employer who is a member of a self-insurance group, "surchargeable premium" means the actual amount of workers' compensation premium that is paid to the self-insurance group including experience modification, premium discount and expense constant in accordance with the requirements of chapter 250, but excluding any surplus distributions credited against or applied to reduce premiums. [PL 1995, c. 289, §11 (NEW).]
25. Timely pay; timely paid; timely payment. "Timely pay," "timely paid" or "timely payment" means payment by the party responsible for the payments on or before the due date specified in this chapter.

26. Voluntary market. "Voluntary market" means the workers' compensation insurance market in which insurance companies voluntarily offer coverage to applicants who meet the insurers' underwriting standards or guidelines.

28. Worker's compensation residual market mechanism. "Worker's compensation residual market mechanism" or "residual market mechanism" means the workers' compensation residual market mechanism described in and governed by Chapter 440.

SECTION HISTORY

§2393. Initial funding of pool

1. Payments by insurers. Insurers shall pay to the pool on or before January 1, 1996 the amount of $65,000,000, as follows.

   A. Major insurers shall pay to the pool 90% of the $65,000,000 payment, which is $58,500,000. Each major insurer shall pay to the pool that major insurer's allocated share of the payment required by this paragraph as determined in accordance with the following:

   (1) If the major insurer's percentage of the total net direct written premium in the voluntary workers' compensation market in the State for the calendar years 1989 and 1990 was less than 3.4% according to data compiled by the National Council on Compensation Insurance, then the major insurer must pay to the pool $4,906,000;

   (2) If the major insurer's percentage of the total net direct written premium in the voluntary workers' compensation market in the State for the calendar years 1989 and 1990 was equal to or greater than 3.4%, according to data compiled by the National Council on Compensation Insurance, then the major insurer must pay $4,906,000 less one of the following credits:

      (a) If the major insurer's percentage of total net direct written premium in the voluntary market exceeded 25% for each of the calendar years 1989 and 1990, then $1,811,000;

      (b) If the major insurer's percentage of total net direct written premium in the voluntary market exceeded 10% for each of the calendar years 1989 and 1990, then $1,772,000;

      (c) If the major insurer's percentage of total net direct written premium in the voluntary market exceeded 10% for either calendar year 1989 or 1990, then $807,000;

      (d) If the major insurer's percentage of total net direct written premium in the voluntary market exceeded 7.5% for each of the calendar years 1989 and 1990, then $596,000; or

      (e) For any other major insurer that qualifies for credit under this subparagraph, $289,000;

   (3) One or more major insurers may agree in writing to pay more or less than the amount of their allocated share under subparagraph (1) or (2); except that:
(a) A major insurer may not pay less than the allocated share under subparagraph (1) or (2), unless the written agreement is executed by all major insurers that have timely paid or agreed in writing to timely pay in full at least their allocated share;
(b) The total amount of timely payments to the pool by major insurers is equal to or greater than $58,500,000;
(c) The pool is made a 3rd-party beneficiary to a written agreement among certain major insurers that provides for:
   (i) Timely payments to the pool by major insurers that are equal to $58,500,000; and
   (ii) An express right of the pool to enforce the payments required by that agreement; and
(d) Timely payment of any share agreed upon in writing pursuant to this subparagraph in an amount less than the allocated share under subparagraph (1) or (2) constitutes timely payment in full of an allocated share for purposes only of subsection 1, paragraph C or section 2396, subsection 1.
(4) If the total amount paid according to the requirements of subparagraphs (1), (2) and (3) exceeds $58,500,000, the pool must disburse within 30 days the excess amount by refunding to each major insurer that has timely paid in full at least its allocated share under subparagraph (1) or (2) in direct proportion to the amount that each major insurer paid to the pool as part of the total major insurers' payment required by this paragraph. [PL 1995, c. 289, §11 (NEW).]

B. Minor insurers shall pay to the pool 10% of the $65,000,000 payment, which is $6,500,000. Each minor insurer shall pay to the pool an allocated share of the payment required by this paragraph as determined in accordance with the following.

(1) Except as provided in subparagraph (2), an allocated share equal to the sum of the amounts described in divisions (a) to (c) must be paid to the pool.
   (a) Minor insurers authorized to provide workers' compensation insurance in the State at any time during 1989 pay 59% of the $6,500,000 payment, with each minor insurer paying a per capita share.
   (b) Minor insurers authorized to provide workers' compensation insurance in the State at any time during 1990 pay 38% of the $6,500,000 payment, with each minor insurer paying a per capita share.
   (c) Minor insurers authorized to provide workers' compensation insurance in the State at any time during 1991 pay 3% of the $6,500,000 payment, with each minor insurer paying a per capita share.
(2) A minor insurer that qualifies for a partial exemption under this subparagraph shall pay to the pool the greater of $10,000 or 2% of the minor insurer's average annual after-tax adjusted earnings for the 3 calendar years immediately prior to enactment of this chapter as reported in the minor insurer's annual statement filed with the superintendent. A minor insurer qualifies for a partial exemption from the per capita share payment required by this paragraph if, for the 3 calendar years immediately prior to enactment of this chapter, as reported in the minor insurer's annual statement filed with the superintendent, the minor insurer's:
   (a) Average annual after-tax adjusted earnings were less than $2,000,000; and
   (b) Surplus as to policyholders did not exceed $12,500,000.
(3) A minor insurer that has not received a partial exemption under subparagraph (2) is entitled to participation credits determined as follows.
(a) For any policy year beginning on or after January 1, 1989, the share for each minor insurer authorized to write workers' compensation insurance in the year to which the calculation in this division pertains is reduced by .05% for each .10% that its participation ratio for the year to which the assessment relates exceeds its participation ratio for the base period as calculated by dividing the minor insurer's net direct written premium for the base period by the total minor insurer's net direct written premium for the base period. For purposes of this division, "base period" means the calendar years 1983 to 1986. The participation ratio for the year to which the assessment relates is calculated by dividing the minor insurer's net direct written premium in that calendar year by the total net direct written premium of minor insurers that were authorized at any time during that year;

(b) Credits earned by a minor insurer may not result in a minor insurer's participation ratio being adjusted to less than 1/2 of its otherwise allocated share;

(c) For a minor insurer not authorized to write workers' compensation insurance in 1986, its adjusted participation ratio is 1/2 of its participation ratio in the year to which the calculation applies;

(d) Any deficiency must be distributed among all minor insurers in proportion to the adjusted participation ratio, after credit adjustments; and

(e) For purposes of this subparagraph, "adjusted participation ratio" means a minor insurer's participation ratio as calculated in accordance with this subparagraph and after application of any credits. For purposes of this subparagraph, net direct written premium does not include premiums for residual market risks reinsured by the pool or retrospective rating plan adjustments on policies effective prior to January 1, 1988.

(4) The total amount of the differences between the following must be paid by those minor insurers that actually paid their allocated share as of January 1, 1996 by allocating the difference to those minor insurers in the same proportion as each such minor insurer's payment bears to the total aggregate amount actually paid by minor insurers as of January 1, 1996:

(a) The otherwise allocated share payments under subparagraph (1); and

(b) The payments made by minor insurers that qualify for a partial exemption as provided in subparagraph (2) and any participation credits under subparagraph (3).

(5) In the event a minor insurer for any reason fails to pay its allocated share, as described in this paragraph, by January 1, 1996, then the pool may charge the deficiency resulting from those uncollected amounts to all minor insurers that actually pay their allocated share as of January 1, 1996 by allocating that deficiency to those minor insurers in the same proportion as each such minor insurer's payment bears to the total aggregate amount actually paid by minor insurers as of January 1, 1996. Those minor insurers are subrogated to the pool's right to collect such amounts from the delinquent minor insurer.

(6) One or more minor insurers may agree in writing to pay more or less than the amount of their allocated share under subparagraphs (1) to (4), except that:

(a) A minor insurer may not pay less than the allocated shares under subparagraphs (1) to (4) unless the written agreement is executed by all minor insurers that have timely paid or agreed in writing to timely pay in full at least their allocated share;

(b) The total amount of timely payments to the pool by minor insurers is equal to or greater than $6,500,000;

(c) The pool is made a 3rd-party beneficiary to a written agreement among certain minor insurers that provides for:

(i) Timely payments to the pool by minor insurers that are equal to $6,500,000; and
(ii) An express right of the pool to enforce the payments required by that agreement; and

(d) Timely payment of any share agreed upon in writing pursuant to this subparagraph in an amount less than the allocated share under subparagraphs (1) to (4) constitutes timely payment in full of an allocated share for purposes only of subsection 1, paragraph C or section 2396, subsection 1.

(7) If the total amount paid according to the requirements of subparagraphs (1) to (6) exceeds $6,500,000, the pool must disburse within 30 days the excess amount by refunding to each minor insurer that has timely paid in full at least its allocated share under subparagraphs (1) to (4) in direct proportion to the amount that each minor insurer paid to the pool as part of the total minor insurers' payment required by this paragraph. [PL 1995, c. 289, §11 (NEW).]

C. The pool shall bill and collect from each insurer the allocated share established by paragraphs A and B. If an insurer has not timely paid its allocated share in full to the pool on or before January 1, 1996, then the insurer is considered delinquent and the following applies.

(1) The pool has all the rights, powers and authority to take all necessary and appropriate action, as determined in the pool's discretion, against the delinquent insurer to collect any amounts not paid as and when due, and any deficiency is assessed interest at the rate of 10% per annum from January 1, 1996 until full payment from the insurer is received by the pool. The pool is entitled to an award of and reimbursement from any delinquent insurer of the costs of enforcement and collection of any amounts not paid as and when due, including all costs and expenses, reasonable attorney's and paralegal's fees and any other professional fees and expenses associated with the pool's enforcement and collection efforts.

(2) If the pool has received $58,500,000 from major insurers or $6,500,000 from minor insurers, valued as of January 1, 1996, the pool shall provide prompt written notice of this fact to insurers in the same category, either major or minor. Within 90 days following a request, the pool shall assign all such rights, powers and authority, including the entitlement to costs and expenses, to any insurers in the same category of the delinquent insurer that have requested an assignment and timely paid in full at least the allocated share established by paragraphs A and B.

(3) The pool has the right to set off any amounts due under this chapter to the pool from a delinquent insurer against any sums credited by or due from the pool to the delinquent insurer and against any other property of the delinquent insurer in the possession or under the control of the pool.

(4) Regardless of whether any action is taken pursuant to subparagraphs (1) to (3), the superintendent is authorized to exercise all authority as may be provided by and in accordance with law to take appropriate action against any delinquent insurer. In addition to any other authority the superintendent may possess under law, the superintendent upon notice and hearing may suspend a delinquent insurer's authority to transact the business of insurance in the State for so long as the insurer remains delinquent. The authority granted to the superintendent under this paragraph and jurisdiction vested in the bureau are concurrent with other actions by other parties authorized in this paragraph.

(5) Any collection by or on behalf of the pool, or amounts obtained by setoff with respect to a delinquent insurer, are retained by the pool, until the insurers in the same category as the delinquent insurer have paid the total amount required for that category, plus interest pursuant to subparagraph (1) and costs and expenses of the pool for collection in an amount not to exceed the delinquent share, valued as of January 1, 1996, to the pool. Any excess must be distributed within 90 days among the insurers in the same category as the delinquent insurer that have timely paid in full at least the allocated share established by paragraphs A and B in direct
proportion to that insurer's payment to the pool as part of the total payments required by paragraph A or B, except that any collection on behalf of the pool as the result of an assignment pursuant to subparagraph (2) must be distributed as agreed among the insurers that receive the assignment from the pool.

(6) No defense or substantive argument that could have been raised or asserted related to an insurer's status as a major insurer or minor insurer or any purported contractual rights under prior or existing law is extinguished or otherwise abridged in any proceeding against a delinquent insurer instituted under subparagraphs (1) to (5). [PL 1995, c. 289, §11 (NEW).]

2. Payments by employers. Employers shall pay to the pool the following amounts.

A. Employers shall pay initial surcharges, in the manner described in this subsection, in an aggregate amount equal to $110,000,000, calculated on a net present value basis using January 1, 1995 as the valuation date, a discount rate of 5% and the midpoint of each calendar quarter as the date of actual receipt of surcharge proceeds remitted to the pool for each calendar quarter. Proceeds included in determining when the $110,000,000 initial surcharge is fully paid consist of:

   (1) All proceeds from surcharges under this chapter on policies with effective dates on or after July 1, 1995 and surcharges under this chapter on self-insured employers with plan years commencing on or after July 1, 1995; and

   (2) All proceeds from surcharges actually received in immediately available funds by the pool after 5:00 p.m., September 30, 1995, whether the proceeds result from a surcharge under this chapter or under laws existing prior to enactment of this chapter. [PL 1995, c. 289, §11 (NEW).]

B. Proceeds from surcharges under existing laws actually received in immediately available funds by the pool on or before 5:00 p.m., September 30, 1995 may not be credited against the initial surcharge requirement. [PL 1995, c. 289, §11 (NEW).]

C. The pool shall maintain records reflecting actual dates of receipt of proceeds from surcharges sufficient to enable the net present value calculation. [PL 1995, c. 289, §11 (NEW).]

D. The initial surcharges must be paid in accordance with the following provisions.

   (1) Beginning July 1, 1995 every insurer writing workers' compensation insurance in the State shall collect from workers' compensation insurance policyholders and pay to the pool a surcharge on all surchargeable premiums received by the insurer for those policies. During the initial surcharge period, the surcharge is at a fixed rate of 6.32% of the surchargeable premium. The surcharge may be applied only to policies with an effective date on or after 12:01 a.m., July 1, 1995. All surcharges received by each insurer during the preceding calendar quarter must be remitted to the pool within 15 days following the end of each calendar quarter, except that servicing carriers shall remit on February 15th, May 15th, August 15th and November 15th of each year. Any surcharge proceeds not remitted on a timely basis accrue interest at the rate of 10% per annum from the due date until paid in full. The pool is entitled to reimbursement from any insurer failing to remit surcharge proceeds on a timely basis for the pool's costs of collection of those amounts, including all collection costs and fees, reasonable attorney's and paralegal's fees and any other professional fees and expenses associated with the pool's collection efforts. The surcharges described in this subparagraph do not apply to reinsurance recognized by the superintendent pursuant to Chapter 250, section 2, paragraph G or section 3, paragraph G, procured by an individual self-insured employer or a self-insured employer group.

   (2) Self-insured employers that secured their obligation to provide workers' compensation benefits under the Workers' Compensation Act through issuance or renewal at any point during
the fresh start period of an insurance policy for any portion of any of the policy years 1988 to 1992 are subject to a surcharge as provided in the following.

(a) During the initial surcharge period the rate of surcharge is 6.32% of the surchargeable premium as adjusted pursuant to this paragraph for the self-insured employer's current plan year utilizing estimated payroll as submitted with the self-insured employer's renewal application for authority to self-insure, in accordance with Chapter 250, section 2, paragraph C, subparagraph 1, division c or Chapter 250, section 3, paragraph C, subparagraph 1, division g as applicable, subject to audit pursuant to division (d), subdivision (iii). If the plan year in which a surcharge is collected or a credit is distributed is shorter than 12 months, due to a change in accounting period or termination of self-insurance authorization, the surcharge or credit for that plan year must be based upon the final audited payroll for the short plan year.

(b) All surcharges must be collected or distributed on a plan year basis. In each plan year, the percentage of the surchargeable premium to be surcharged is the same percentage as is applied to an insured employer whose policy period coincided with the plan year.

(c) Except for a successor self-insured employer, each self-insured employer shall pay surcharges relating to only that portion of the policy years 1988 to 1992 in which the self-insured employer insured its workers' compensation obligations. The surcharge factor, as determined by the board under this chapter, must be adjusted to take into consideration the policy years or portions of policy years 1988 to 1992 in which a self-insured employer was self-insured.

The self-insured employer adjustment is determined as follows. The surcharge factor must be multiplied by the factor attributed to each of the years 1988 to 1992, as set forth in the table below. If a self-insured employer was insured only during a portion of a policy year, then the factor for that year is prorated based on the ratio of the number of days in the policy year during which the self-insured employer was insured to 365 days.

(d) The board shall administer the surcharges on self-insured employers as follows.

(i) The board shall issue surcharge billings to self-insured employers, pursue collection of all invoiced surcharges, initiate legal proceedings as necessary to collect surcharges and maintain records adequate to administer the surcharge process. The records of the board and of the bureau form the basis for identifying self-insured employers who are subject to this paragraph.

(ii) Annual surcharges may be paid in a single lump sum within 30 days of the receipt of the pool's invoice or in quarterly installments at the self-insured employer's option. The board shall issue a yearly invoice as soon as practicable after the self-insured employer's plan approval or renewal date and receipt of all necessary supporting information from the superintendent. Each invoice must contain a schedule of dates when quarterly installments are due and clearly state the policy year or years for which the surcharge is imposed, the surcharge percentage multiplied by the factor applicable to each policy year and the amount of the surchargeable premium.

(iii) Each individual self-insured employer shall report final audited payrolls to the pool not later than 60 days after the end of each plan year and each self-insured
employer that is a member of a self-insured group or the group's administrator, as the
group may select, shall report final audited payrolls to the pool not later than 120 days
after the end of each plan year and shall remit with the audit information any additional
surcharges resulting from the audit.

(iv) Upon the request of a self-insured employer, including a successor self-insured
employer or an administrator of a self-insurance group, the board may determine
whether there was a factual inaccuracy in the information underlying a surcharge
billing issued by the board for the fresh start period or whether the surcharge calculated
by the board is consistent with the provisions of this subparagraph. The request must
be filed within 180 days from the date on which the final payment is due and must be
in writing, including a statement of the reason for the request and the amount, if known,
of the alleged overcharge. If an appeal based upon an alleged overcharge is sustained,
the board shall refund the overcharge, together with any investment earnings on those
amounts. If a self-insured employer is aggrieved by the final action or decision of the
board, or if the board does not act on the written request within 60 days, the self-insured
employer may appeal to the superintendent within 60 days of such action or decision
of the board. Notwithstanding a pending appeal, a self-insured employer must pay any
surcharge billing issued by the board.

(e) Self-insured employers have the following obligations with respect to the surcharge
process.

(i) As a condition of continuing authorization to self-insure, each self-insured
employer and each group self-insurance administrator shall assist the board and the
superintendent in the calculation, billing and collection of any applicable surcharge.
The required assistance includes maintaining and providing, upon request of the board
or the superintendent, actual premium history and all payroll and experience
information necessary to calculate self-insured employer premiums, as specified in this
subparagraph. Information provided by the self-insured employer is subject to audit by
the pool and the superintendent at any time and self-insured employers shall provide
to the pool, or its designee, and to the superintendent full and complete access to all
books and records relating in any way to the audit. Group self-insurance administrators
shall give prompt notice to the superintendent of any changes in group membership.

(ii) Information provided by self-insured employers to the board pursuant to this
paragraph is confidential. The board shall protect the confidentiality of all self-insured
employer information in its possession, whether the information is obtained directly
from the self-insured employer or from the superintendent or a group administrator.
All information relating to a self-insured employer provided pursuant to this paragraph
and in the possession of the board or superintendent continues to be confidential until
that information is destroyed.

(iii) A self-insurance group may act as the collection agent for its members. Any group
so electing shall notify the board. The board shall bill the group on a consolidated basis.
The group shall remit its entire quarterly payment to the board within 30 days after
receiving the invoice, whether or not any members remain in default and notify the
board and the superintendent of any delinquency.

(iv) Each self-insured employer shall make provisions for possible surcharges in the
normal course of operations and pay the full amount of any surcharge installment
within 30 days after receiving an invoice from the board or the self-insured employer's
self-insurance group. Late payments are subject to interest at the rate of 10% per
annum.
(v) The failure of any self-insured employer or self-insurance group to comply with its duties under this paragraph constitutes grounds for suspension, revocation, termination of the option to self-insure, expulsion from a self-insurance group or other appropriate sanctions authorized under section 12-A, in addition to all procedures for the collection of past-due accounts otherwise available by law to the board or the governing body of the self-insurance group.

(f) The superintendent has the following responsibilities with respect to the surcharge process.

(i) The superintendent shall furnish to the board, on a monthly basis, a list of all self-insurance plan approvals, renewals and anniversaries that have occurred since the last report or for any other reason were not included in any previous report, including all approvals, terminations and membership changes for group self-insurers. For each employer listed, the superintendent shall provide all available information necessary for the board's imputed calculations under this paragraph, including: the date the new plan year began; the self-insurance group, if any, to which the self-insured employer belongs; the dates of coverage under each policy issued or renewed in policy years 1988 to 1992; the rating information for the current plan year, including estimated payroll by classification, premium rate for each classification, experience modification and other applicable rating adjustments; information relating to changes of ownership or control, changes of operations, changes of name or organizational structure; and other information necessary to determine successorship.

(ii) The superintendent shall supplement promptly the initial report as necessary, including any revision to the self-insured employer's rating information on audit, any other additions or corrections to incomplete or inaccurate information provided in the initial report and the length of the plan year, if shorter than 12 months.

(g) A successor self-insured employer is subject to surcharge on the same basis as the predecessor employer would be if still actively doing business and self-insured. If a self-insured employer is the successor to more than one employer, then the successor employer's self-insured employer adjustment is the sum of each predecessor employer's self-insured employer adjustment multiplied by the ratio of the employer's surchargeable premium for the 12-month period immediately preceding the succession transaction to the combined surchargeable premium of all predecessor employers for that 12-month period.

(i) If one or more of the predecessor employers was insured at the time of the succession transaction, its self-insured employer adjustment is calculated pursuant to division (c), (h) or (i) as if it had become self-insured at the time of the succession transaction.

(ii) If business operations that were covered under a single workers' compensation policy or certificate of self-insurance authority are subsequently separately owned by virtue of any succession transaction, dissolution, reincorporation or other transaction or series of transactions, for purposes of this subparagraph each business is treated as a distinct employer, subject to surcharge as either an insured employer or a self-insured employer.

(iii) If substantial changes in operations during the 12-month period immediately preceding the succession transaction make the 12-month surchargeable premium an inappropriate measure of a predecessor employer's workers' compensation exposure prior to the transaction, the board may adopt procedures for calculating an annualized premium in a manner consistent with the intent of this subparagraph.
(h) A self-insured employer that secured its obligation to provide workers' compensation benefits under the Workers' Compensation Act through a self-insurance program approved by the superintendent for the entirety of that self-insured employer's policy years 1988 to 1992, in which the self-insured employer actually had an obligation to secure benefits under the Workers' Compensation Act is not subject to the surcharge.

(i) Except for any successor self-insured employer, self-insured employers that commence operations in the State on or after July 1, 1995 are subject to surcharge under this subparagraph on the same basis as self-insured employers that secured compensation under the Workers' Compensation Act by the purchase of an insurance policy throughout the entire fresh start period.

(3) An employer may, as specified in this subparagraph, prepay all of its surcharges for a period of 10 consecutive policy years or plan years. The 10-year period starts with the employer's first renewal date or plan year following July 1, 1995. Within 30 days after the inception of the first plan year or first policy renewal date following July 1, 1995, if the employer intends to exercise this option, the employer must file with the pool written notice electing to make a lump-sum payment of surcharges and shall include with the notice the employer's full lump-sum payment. If the election is not made within 30 days after the first day of the first plan year or policy year following July 1, 1995, the option expires and is no longer available. The pool shall implement such procedures for administering this option as the board determines necessary. An employer that elects this option shall reimburse the pool for its expenses of administering this option for that employer, including the cost of individually allocating those costs to individual employers, in accordance with billing procedures developed and implemented by the board. This subparagraph does not eliminate or limit the employer's liability to pay adjusted surcharges or supplemental surcharges pursuant to paragraph E or section 2394.

For purposes of this subparagraph, "lump-sum payment" is the surcharge for the first year multiplied by 10 and discounted to net present value using:

(a) A 5% discount rate;

(b) The first day of the first plan year or policy year starting on or after July 1, 1995; and

(c) An assumption that the surcharge for each of the 10 plan years or policy years would have been paid on the first day of each subsequent plan year or policy year. [PL 2011, c. 524, §11 (AMD).]

E. The initial surcharge percentage may be adjusted by the pool in accordance with the following provisions.

(1) Each July 1st beginning in 2003, the board shall establish a surcharge percentage to be imposed on all workers' compensation insurance policies issued or renewed on or after that date until the effective date of any subsequent adjustment in the surcharge percentage established by the board; except that, if supplemental surcharges and assessments have commenced under section 2394, no further adjustments may be made under this subparagraph. The surcharge must be at a level determined by the board to be sufficient to produce cash receipts over the ensuing 24 months that, together with all other funds reasonably anticipated by the board to be available on a cash basis over that period, produce an amount not less than the pool's projected cash requirements to meet its obligations over that period. In making that determination, the board shall employ and rely upon the advice of professional and consulting services, including services available through the pool's internal staff, as the board determines necessary.
(2) If the surcharge percentage established under this subparagraph exceeds 6.32%, then a prepaid employer shall pay surcharges for that future assessment period at the same rate as those employers who paid annually, based upon the employer's surchargeable premium for the policy year or plan year to which the increased surcharge percentage applies. A prepaid employer may take a credit for the surcharges prepaid for that assessment period pursuant to section 2393, subsection 2, paragraph D, subparagraph (3) in an amount equal to the net present value calculated on a basis consistent with paragraph D, subparagraph (2), division (d), subdivision (ii). If the surcharge percentage is less than 6.32% for that future assessment period, then the pool shall refund to a prepaid employer an amount equal to the difference between the value of the lump-sum surcharge paid for the future assessment period calculated on a basis consistent with paragraph D, subparagraph (2), division (d), subdivision (ii) and the amount of surcharge due based upon the adjusted surcharge percentage and applicable surchargeable premium. For purposes of this subparagraph, "prepaid employer" means an employer who has elected to pay surcharges on a lump-sum basis pursuant to paragraph D, subparagraph (3).

(3) The board has authority to make interim adjustments in the surcharge percentage on or after July 1, 2003, to be effective on dates other than July 1st as specified by the board, to the extent considered necessary by the board to produce sufficient cash receipts from surcharges over the ensuing 24 months that, together with all other funds reasonably anticipated by the board to be available on a cash basis to the pool over the ensuing 24 months, will be sufficient to meet the pool's anticipated cash requirements over that period.

(4) In projecting the pool's anticipated cash requirements, the board shall maintain a reserve equal to 25% of the cash expenditures of the pool over the immediately preceding 12-month period. [PL 1995, c. 289, §11 (NEW).]

F. The surcharges required by this subsection are considered premium for cancellation and nonrenewal purposes only and are not subject to premium tax, Maine Insurance Guaranty Association assessments, agents' commissions or other payments required on insurance policy premiums. [PL 1995, c. 289, §11 (NEW).]

G. Employer surcharges required by this chapter are suspended if:

1. The board determines that the pool's assets are adequate to satisfy all remaining obligations, including any necessary repayment to insurers that satisfy the requirements of subparagraph (2); and
2. The insurers and employers have been repaid by the pool in amounts necessary to produce a ratio of actual surcharges under this subsection paid by employers calculated on a net present value basis using January 1, 1995 as a valuation date and a discount rate of 5% to actual payments by insurers to the pool under subsection 1, valued as of January 1, 1996, not including employer surcharges remitted to the pool by insurers, that is the same as 11 to 6.5, for employers and insurers respectively. [PL 1995, c. 289, §11 (NEW).]

H. If the board suspends initial surcharges and the pool subsequently requires additional assets to satisfy remaining obligations, the board shall order additional initial surcharges consistent with this subsection. The board shall review the relationship between the pool's assets and liabilities as often as determined necessary by the board, but at least annually. Projections of assets and liabilities contained in any quarterly or annual statements of operation prepared by or at the direction of the board do not constitute a determination under this subsection. [PL 1995, c. 289, §11 (NEW).] [PL 2011, c. 524, §11 (AMD).]

3. Payments by Maine Insurance Guaranty Association. The association shall pay to the pool $1,538,039 on or before February 15th, May 15th, August 15th, and November 15th of each year for 40 consecutive calendar quarters beginning August 15, 1996.
A. Each payment made by the association to the pool under this subsection is treated as a covered claim pursuant to section 4435, subsection 4, except that any provision or authority for the association to seek reimbursement or recoupment from any source other than by assessments to association member insurers does not apply. This section does not limit or impair a member insurer's right to recoupment under section 4447. [PL 1995, c. 289, §11 (NEW).]

B. The quarterly payments by the association to the pool as required by this subsection must be made regardless of the financial condition or actual or projected cash requirements of the pool. [PL 1995, c. 289, §11 (NEW).]

SECTION HISTORY

§2394. Funding subsequent cash deficiencies

If the insurers have made payments to the pool totalling $65,000,000 valued as of January 1, 1996 pursuant to section 2393, subsection 1 and the employers have paid surcharges totalling $110,000,000 calculated on a net present value basis using January 1, 1995 as a valuation date and a discount rate of 5%, pursuant to section 2393, subsection 2, on each July 1st following the full payment date, or more often if the board considers it necessary:[PL 1995, c. 289, §11 (NEW).]

1. Determine cash requirements. The board shall determine the amount of cash receipts that will be required over the ensuing 24 months, in addition to all other funds reasonably anticipated by the board to be available on a cash basis over that period, to produce an amount not less than the pool's projected cash requirements to meet its obligations over that period. In making this determination, the board shall employ and may rely upon professional and consulting services, including such services as may be available through its internal staff, as the board considers necessary. If cash requirements determinations under this subsection commence, any cash requirements determinations and initial surcharge percentage adjustments under section 2393, subsection 2, paragraph E cease. In projecting the pool's anticipated cash requirements, the board shall maintain a reserve equal to 25% of the cash expenditures of the pool over the immediately preceding 12 months; and [PL 1995, c. 289, §11 (NEW).]

2. Establish supplemental surcharges and assessments. The pool shall establish, bill and collect supplemental surcharges from employers and assessments from insurers in an aggregate amount determined by the board to be sufficient to satisfy the pool's cash requirements, determined under subsection 1, in accordance with the following provisions.

A. Liability for funding cash requirements determined under subsection 1 is allocated 70% to employers and 30% to insurers. [PL 1995, c. 289, §11 (NEW).]

B. The pool shall establish a surcharge on employers, reflected as a percentage of surchargeable premium, that the board reasonably expects will be sufficient to generate cash receipts over the ensuing 24-month period equal to 70% of the pool's cash requirements for such period as determined pursuant to subsection 1. The resulting employer surcharges are billed and collected in the same manner as provided in section 2393, subsection 2, paragraph D. [PL 1995, c. 289, §11 (NEW).]

C. The pool shall establish, bill and collect from insurers assessments equal to the remaining 30% of the pool's cash requirements. Major insurers are responsible for 90% and minor insurers are responsible for 10% of these assessments.

(1) Assessments under this paragraph must be determined and billed quarterly by the pool in an amount equal to 42.9% of the cash receipts actually received by the pool from employer
supplemental surcharges during the immediately preceding calendar quarter and must be allocated among existing insurers in the same category in direct proportion to amounts paid by or otherwise collected from those insurers by or on behalf of the pool under section 2393, subsection 1. Assessments billed by the pool must be paid within 30 days of the billing date.

(2) The enforcement provisions established by section 2393, subsection 1, paragraph C apply to assessments on insurers under this paragraph. [PL 1995, c. 289, §11 (NEW).]

D. For purposes of establishing the surcharge upon employers, the pool's cash requirements may not include any amounts necessary to compensate the pool for any failure by insurers to pay the full amount of the assessments charged to insurers under this subsection. [PL 1995, c. 289, §11 (NEW).]

[PL 1995, c. 289, §11 (NEW).]

For the purposes of this section, "full payment date" means the date on which insurers have paid the entire amount required pursuant to section 2393, subsection 1 and on which employers have paid the entire amount required pursuant to section 2393, subsection 2. [PL 1995, c. 289, §11 (NEW).]

SECTION HISTORY

The board has the exclusive right to retain any individual or organization as plan manager and to terminate the plan manager. The board is exclusively responsible for establishing the terms and conditions, including compensation, under which the plan manager serves.

[PL 1995, c. 289, §11 (NEW).]

3. Staff and consultants. The board may employ, or otherwise retain, staff and consultants as the board considers necessary or appropriate to effect the purposes of this chapter and chapter 440 and to otherwise administer pool operations. [PL 1995, c. 289, §11 (NEW).]

5. Authority to borrow money. The pool may, when directed by the board, borrow money and enter into financing transactions in the name of and on behalf of the pool and issue evidences of indebtedness in connection with those transactions. To secure the payment of any indebtedness incurred pursuant to this subsection, the pool may pledge and create a lien upon any or all of its receivables or revenues or grant such other security interests in its property as the board determines reasonable and proper for the security of the holders of indebtedness. The terms and conditions of any borrowing, including, but not limited to, dates, maturities, interest and rates, must be established by the board.
6. **Report required.** Beginning in 1996, the board shall file an annual report on or before June 1st to the Governor, the superintendent, the President of the Senate and the Speaker of the House of Representatives and the joint standing committee of the Legislature having jurisdiction over banking and insurance matters. A. The pool's most recent audited financial statements; [PL 1995, c. 400, §1 (NEW).]

B. The total claims payments made by the pool in the preceding 12 months; [PL 1995, c. 400, §1 (NEW).]

C. The most recent actuarial report, including cash flow and deficit projections for the pool; [PL 1995, c. 400, §1 (NEW).]

D. A report of changes to the operations of the pool; [PL 1995, c. 400, §1 (NEW).]

F. Any information required to be maintained by the pool pursuant to section 2393, subsection 2, paragraph E and section 2394, subsection 1. [PL 1995, c. 400, §1 (NEW).]

[PL 1995, c. 289, §11 (NEW).]

1. **Causes of action extinguished; exception.** Notwithstanding Title 1, section 302, a cause of action or administrative proceeding that could have been asserted or instituted, whether or not pending, prior to or on the effective date of this Act arising out of or relating to sections 2386 and 2386-A and their predecessor statutes, sections 2366 and 2367 or due to an insurer's performance as a servicing carrier or other participation in the residual market mechanism may not exist or be brought against the pool, the board or an insurer that has timely paid to the pool in full at least the allocated share pursuant to section 2393, subsection 1. This subsection does not apply to: claims by servicing carriers for quarterly reimbursement from the pool; claims arising from a written agreement among any of the major insurers and the pool relating to payment of the allocated share of a delinquent insurer pursuant to section 2393, subsection 1; claims by an individual policyholder against its insurer; or claims by employees for benefits under residual market policies. [PL 1995, c. 289, §11 (NEW).]

2. **Repeal of chapter 720.** The Bureau of Insurance Rules, chapter 720, is repealed effective July 1, 1995. The collection procedures set forth in section 2393, subsection 2, paragraph D, subparagraph (2) apply to surcharges assessed under chapter 720 prior to the effective date of this chapter. [PL 1995, c. 289, §11 (NEW).]

3. **Vacation of orders.** All orders of the superintendent relating to surcharges and assessments arising out of section 2386-A are vacated except to the extent that they establish the amount and method of calculation of surcharges paid or to be paid by employers on policies issued or renewed with effective dates on or before June 30, 1995, and self-insurance plan years beginning on or before June 30, 1995. All other decisions, orders and rules issued and adopted by the superintendent relating to workers' compensation insurance are invalid to the extent that they are inconsistent with this chapter. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

$2410. Application; statements; as evidence

1. The insured shall not be bound by any statement made in an application for an individual life or health insurance policy or annuity contract, and the application shall not be admissible in evidence in any action relative to such policy or contract, unless a true copy of the application was attached to or endorsed on the policy or contract when issued as a part thereof. This provision shall not apply to industrial life insurance policies or to group life or group health insurance policies. [PL 1969, c. 132, §1 (NEW).]

2. If any policy of life or health insurance delivered in this State is reinstated or renewed, and the insured or the beneficiary or assignee of the policy makes written request to the insurer for a copy of the application, if any, for such reinstatement or renewal, the insurer shall within 30 days after receipt of such request at its home office, or branch office, deliver or mail to the person making such request a copy of such application reproduced by any legible means. If such copy is not so delivered or mailed after having been so requested, the insurer shall be precluded from introducing the application in evidence in any action or proceeding based upon or involving the policy or its reinstatement or renewal. In the case of such a request from a beneficiary or assignee, the time within which the insurer is required to furnish a copy of such application shall not begin to run until after receipt of evidence satisfactory to the insurer of the beneficiary's or assignee's vested interest in the policy or contract. [PL 1969, c. 132, §1 (NEW).]
3. As to kinds of insurance other than individual life or health insurance, no application for insurance signed by or on behalf of the insured shall be admissible in evidence in any action between the insured and the insurer arising out of the policy so applied for, if the insurer has failed, at the expiration of 30 days after receipt by the insurer of written demand therefor by or on behalf of the insured, to furnish to the insured a copy of such application reproduced by any legible means. §2411. Representations in applications

All statements and descriptions in any application for insurance or for an annuity contract, by or in behalf of the insured or annuitant, are deemed to be representations and not warranties. Misrepresentations, omissions, concealment of facts and incorrect statements may not prevent a recovery under the policy or contract unless either: [PL 1999, c. 223, §1 (AMD).]

1. Fraudulent; or [PL 1969, c. 132, §1 (NEW).]

2. Material either to the acceptance of the risk, or to the hazard assumed by the insurer, such that the insurer in good faith would either not have issued the insurance or contract, or would not have issued it at the same premium rate, or would not have issued insurance in as large an amount, or would not have provided coverage with respect to the hazard resulting in the loss, if the true facts had been made known to the insurer as required either by the application for the policy or contract or otherwise. [PL 1999, c. 223, §1 (AMD).]

3. [PL 1999, c. 223, §1 (RP).]

   To prevent a recovery under this section for any application for life, credit life, disability, long-term care, accidental injury, specified disease, hospital indemnity or credit or accident insurance, an insurer need only prove one of the acts described in this section, not an act under subsections 1 and 2. [PL 1999, c. 223, §1 (NEW).]

SECTION HISTORY

§2411-A. Payment of fees for filings

The superintendent may require insurers to pay filing fees for form and rate approval on a quarterly, biannual or annual basis. [PL 1997, c. 457, §42 (NEW).]

B. This section does not apply to surety bonds or to specially rated inland marine risks, or to policies, riders, endorsements or forms of unique character designed for and used with relation to insurance upon a particular subject or that relate to the manner of distribution of benefits or to the reservation of rights and benefits under life or health insurance policies and are used at the request of the individual policy holder, contract holder or certificate holder. [PL 1997, c. 370, Pt. G, §1 (NEW).]

C. An advisory organization licensed pursuant to section 2321-A may file forms pursuant to this section on behalf of its members and subscribers. The approval of such a filing does not restrict the right of an insurer authorized to use an advisory organization form to develop and file forms on its behalf in addition to or instead of the advisory organization form. [PL 1997, c. 370, Pt. G, §1 (NEW).]

1-A. An insurer may not provide coverage to a resident of this State under a group or blanket policy or contract issued and delivered outside this State unless the following requirements of this subsection are met.

A. For "other group" insurance policies as defined in sections 2612-A and 2808, all forms must be filed with and approved by the superintendent. [PL 1997, c. 370, Pt. G, §2 (NEW).]

B. For trustee group policies as defined in sections 2606-A and 2806 and association group policies as defined in sections 2607-A and 2805-A, certificates of coverage to be delivered or issued for delivery in this State:

(1) Must be filed with the superintendent at least 60 days before any solicitation in this State, with sufficient information concerning the nature of the group, including any trust agreements or association bylaws, to enable the superintendent to determine whether the group satisfies the statutory requirements for a trustee or association group; and

(2) May not have been disapproved. [PL 1997, c. 370, Pt. G, §2 (NEW).]

C. For group or blanket policies other than those specified in paragraphs A and B and in section 2858, the group certificates to be delivered or issued for delivery in this State must be filed with the superintendent at the superintendent's request and may not have been disapproved. [PL 2001, c. 258, Pt. H, §1 (AMD).]

D. The superintendent may disapprove a form filed pursuant to this subsection only if:

(2) The policy or form is not in compliance with the laws of this State that apply when the policy is issued outside this State, such as chapter 36 or section 2843; or

(3) The superintendent determines that the form is deceptive or misleading. [PL 1997, c. 370, Pt. G, §2 (NEW).]

2. Every filing must be made not less than 30 days in advance of any delivery. At the expiration of the 30 days, the form so filed is deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the superintendent. Approval of the form by the superintendent constitutes a waiver of any unexpired portion of the waiting period. The superintendent shall act on a filing no later than 30 days from receipt unless an extension is requested by the filer. A filing required under this section must be made electronically in a format required by the superintendent unless exempted by rule adopted by the superintendent. Rules adopted pursuant to this subsection are routine
technical rules as defined in Title 5, chapter 375, subchapter 2-A. At the expiration of the period so
extended, and in the absence of prior affirmative approval or disapproval, any form is deemed approved.
The superintendent may at any time, after hearing and for cause shown, withdraw any approval.
[PL 2009, c. 14, §3 (AMD).]

3. Any order of the superintendent disapproving any such form or withdrawing a previous approval
shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the
insurer thereof. Any such withdrawal of a previously approved form shall be effective at expiration of
such period, not less than 30 days after the giving of the order of withdrawal, as the superintendent
shall in such order prescribe.
[PL 1973, c. 585, §12 (AMD).]

4. The superintendent may, by order, exempt from the requirements of this section for so long as
he deems proper any insurance document or form or type thereof as specified in such order, to which,
in his opinion, this section may not practicably be applied, or the filing and approval of which are, in
his opinion, not desirable or necessary for the protection of the public.
[PL 1973, c. 585, §12 (AMD).]

5. Appeals from orders of the superintendent disapproving any such form or withdrawing a
previous approval may be taken as provided in sections 229 to 236.

7. **Motor vehicle insurance identification cards.** Pursuant to this section, the superintendent,
with the advice of the Secretary of State, shall adopt rules that prescribe both paper and electronic forms
of a motor vehicle insurance identification card for evidence of liability insurance or financial
responsibility required under Title 29-A. The superintendent shall require all insurance companies
transacting business within this State to provide with each motor vehicle liability insurance policy a
form of insurance identification card for each vehicle, describing the vehicle covered. When an insured
has 5 or more motor vehicles registered in this State, the insurer may use the designation "all owned
vehicles" on each card in lieu of a specific description. Rules adopted pursuant to this subsection are
routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

   (c) A total of more than 25 employees per individual company or more than 50 employees per holding company; and

2. The following criteria:
   (a) The use of an employed or retained risk manager to procure insurance. For purposes of this division, "risk manager" means a chartered property and casualty underwriter, a certified insurance counselor, an associate in risk management, a certified risk manager or a licensed insurance consultant; and

A commercial policyholder that meets the premium criteria listed in subparagraph (2), division (b) but that does not meet 3 of the qualifying criteria listed in either subparagraph (1) or subparagraph (2), division (a) may petition the superintendent for a waiver of the remaining criteria. The superintendent may grant a waiver if the superintendent determines that the applicant for a waiver is sufficiently qualified to act as a large commercial policyholder. [PL 2001, c. 3, §1 (AMD).] [PL 2001, c. 3, §1 (AMD).]

2. Regulation of policy; establishing rates. "The contract provisions, rates and rating plans provided for in this policy are exempt from the filing and approval requirements of the Bureau of Insurance."

[PL 1999, c. 328, §1 (NEW).]

5. **Suspension of program by superintendent.** If the superintendent finds at any time that a sufficient degree of competition does not exist for a particular line, class or type of insurance, then the superintendent may deem the provisions of this section waived for so long as a sufficient degree of competition does not exist. After waiver by the superintendent, upon the request of 5 or more interested parties, the superintendent, within 45 days of the request, shall hold a hearing at which interested parties may present evidence as to whether a sufficient degree of competition exists for the particular line, class or type of insurance.

[PL 1999, c. 328, §1 (NEW).]

6. **Annual report.** An insurer that issues policies pursuant to this section shall report annually to the superintendent beginning on February 1, 2001 and continuing until February 1, 2005. G. As to an individual health insurance policy, contract or rider, if it insures against a specific disease and does not meet the minimum loss ratio standards specified in subparagraph (2).

(1) As used in this paragraph, unless the context otherwise indicates, the following terms have the following meanings.

(a) "Conditionally renewable" means renewal may be declined by the insurer by class, geographic area or for stated reasons other than health.

[PL 1969, c. 132, §1 (NEW).]

C. §2433. Jurisdiction of courts, limitation of actions

No conditions, stipulations or agreements in a contract of insurance shall deprive the courts of this State of jurisdiction of actions against foreign insurers, or limit the time for commencing actions against such insurers to a period of less than 2 years from the time when the cause of action accrues.

§2434. Suits against foreign insurers

Any person having a claim against any foreign insurer may bring a trustee action or any other appropriate action therefor in the courts of this State. Service of process upon such an insurer must be made as provided in section 421.

§2436. Interest on overdue payments

1. A claim for payment of benefits under a policy or certificate of insurance delivered or issued for delivery in this State is payable within 30 days after proof of loss is received by the insurer and ascertainment of the loss is made either by written agreement between the insurer and the insured or beneficiary or by filing with the insured or beneficiary of an award by arbitrators as provided for in the policy. For purposes of this section, "insured or beneficiary" includes a person to whom benefits have been assigned. A claim that is neither disputed nor paid within 30 days is overdue. If, during the 30 days, the insurer, in writing, notifies the insured or beneficiary that reasonable additional information is required, the undisputed claim is not overdue until 30 days following receipt by the insurer of the additional required information; except that:

A. The time period applicable to a standard fire policy and to that portion of a policy providing a combination of coverages, as described in section 3003, insuring against the peril of fire must be 60 days, as provided in section 3002; and
B. The time period applicable to individual life insurance must be 2 months as provided in section 2513. [PL 2009, c. 244, Pt. H, §1 (NEW).]

1-A. A claimant, including a health care provider, may submit simultaneously a claim for payment with all carriers potentially liable for payment of the claim whether primary or secondary. Payment or denial of a claim by each carrier must be made within 30 calendar days after the carrier has received all information needed to pay or deny the claim whether or not another carrier with which it is attempting to coordinate has acted on the claim. Any payment made must be in accordance with rules adopted by the superintendent relative to coordination of benefits. [PL 2005, c. 58, §1 (NEW).]

2. An insurer may dispute a claim by furnishing to the insured or beneficiary, or a representative of the insured or beneficiary, a written statement that the claim is disputed with a statement of the grounds upon which it is disputed. The statement must be based upon a reasonable investigation of the claim and must include sufficient detail to permit the insured or beneficiary to understand and respond to the insurer's position. For purposes of this subsection, a claim for payments under a policy or certificate providing health care coverage is disputed if the insurer has denied the claim or has requested further information that is consistent with Bureau of Insurance Rule Chapter 850. [PL 1999, c. 256, Pt. I, §1 (AMD).]

2-A. For a claim submitted by a health care provider or health care facility with respect to a health plan as defined in section 4301-A, subsection 7, for purposes of this section, "undisputed claim" means a timely claim for payment of covered health care expenses that is submitted to a carrier in conformity with the following requirements.

A. The claim must be submitted on one of the following claims forms:

   (1) For a health care facility claim submitted on paper, the standard claim form, using standards approved by a national uniform billing committee;

   (2) For a health care provider claim submitted on paper, the standard claim form, using standards approved by a national uniform claim committee; and

   (3) For health care facility and health care provider claims submitted electronically, an electronic form using standards approved by an accredited standards committee of the American National Standards Institute. [PL 2009, c. 613, §9 (NEW).]

2-B. If a claim does not conform to the requirements specified in subsection 2-A and payment is denied to a health care provider or health care facility by a carrier, the health care provider or health care facility may not request payment from the insured or beneficiary and shall attempt to rectify the deficiencies with the claim and resubmit the claim to the carrier. [PL 2009, c. 613, §10 (NEW).]

3. If an insurer fails to pay an undisputed claim or any undisputed part of the claim when due, the amount of the overdue claim or part of the claim bears interest at the rate of 1 1/2% per month after the due date. Notwithstanding this subsection, the superintendent shall adopt rules that establish a minimum amount of interest payable on an overdue undisputed claim to a health care provider before a payment must be issued. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2005, c. 50, §1 (AMD).]

4. A reasonable attorney's fee for advising and representing a claimant on an overdue claim or action for an overdue claim must be paid by the insurer if overdue benefits are recovered in an action against the insurer or if overdue benefits are paid after receipt of notice of the attorney's representation. [PL 1999, c. 256, Pt. I, §1 (AMD).]
5. Nothing in this section prohibits or limits any claim or action for a claim that the claimant has against the insurer.
[PL 1999, c. 256, Pt. I, §1 (AMD).]

6. This section does not apply to a claim for payment of benefits under a policy or certificate of long-term care insurance delivered or issued for delivery in this State.
[PL 2013, c. 278, §1 (NEW).]

2. Test score measured. For the purposes of this section, a Flesch reading ease test score shall be measured by the following method:

A. For policy forms containing 10,000 words or less of text, the entire form shall be analyzed. For policy forms containing more than 10,000 words, the readability of two 200-word samples per page may be analyzed instead of the entire form. The samples shall be separated by at least 20 printed lines; [PL 1979, c. 267, §2 (NEW).]

E. For purposes of this subsection, paragraphs B, C and D, the following procedures shall be used:

1. A contraction, hyphenated word or numbers and letters, when separated by space, shall be counted as one word;

[PL 1979, c. 267, §2 (NEW).]

3. Test approval. Any other reading test may be approved by the superintendent for use as an alternative to the Flesch reading ease test if it is comparable in result to the Flesch reading ease test. [PL 1979, c. 267, §2 (NEW).]

4. Filings. Filings subject to this Act shall be accompanied by a certificate signed by an officer of the insurer stating that it meets the minimum reading ease score on the test used or stating that the score is lower than the minimum required but should be approved in accordance with section 2443. 2. Uniform standards. To exercise its rule-making authority and establish reasonable uniform standards for products and advertisements, which have the force of law and are binding in the compacting states, but only for those products filed with the commission. A compacting state has the right to opt out of the uniform standard pursuant to section 2478 to the extent and in the manner provided in the compact. A uniform standard established by the commission for long-term care insurance products may provide either the same or greater protections for consumers as, but may not provide less than, those protections set forth in the National Association of Insurance Commissioners' Long-term Care Insurance Model Act and Long-term Care Insurance Model Regulation, adopted by the National Association of Insurance Commissioners as of 2001. The commission shall consider whether any subsequent amendments to the National Association of Insurance Commissioners' Long-term Care Insurance Model Act or Long-term Care Insurance Model Regulation adopted as of 2001 by the National Association of Insurance Commissioners require the amendment of the uniform standards established by the commission for long-term care insurance products;

Approval by the commission has the force of law and is binding on the compacting states to the extent and in the manner provided in the compact;
[PL 2003, c. 680, §1 (NEW).]

4. Advertisements. To receive and review in an expeditious manner advertisements relating to long-term care insurance products for which uniform standards have been adopted by the commission and give approval to all advertisements that satisfy the applicable uniform standard. For any product covered under the compact, other than long-term care insurance products, the commission has the authority to require an insurer to submit all or any part of its advertisement with respect to that product for review or approval prior to use, if the commission determines that the nature of the product is such that an advertisement of the product could mislead the public. The actions of commission as provided in this section have the force of law and are binding in the compacting states to the extent and in the manner provided in the compact;
[PL 2003, c. 680, §1 (NEW).]

5. Self-certification process. To exercise its rule-making authority and designate products and advertisements that may be subject to a self-certification process without the need for prior approval by the commission;
[PL 2003, c. 680, §1 (NEW).]

[PL 2003, c. 680, §1 (NEW).]

7. Legal proceedings. To bring and prosecute legal proceedings or actions in its name as the commission. The standing of a state insurance department to sue or be sued under applicable law is not affected by this subsection;
[PL 2003, c. 680, §1 (NEW).]

[PL 2003, c. 680, §1 (NEW).]

[PL 2003, c. 680, §1 (NEW).]

To establish the commission's personnel policies and programs relating to, but not limited to conflicts of interest, rates of compensation and qualifications of personnel;
[PL 2003, c. 680, §1 (NEW).]

13. Accept donations. To accept any and all appropriate donations and grants of money, equipment, supplies, materials and services and to receive, utilize and dispose of the same, striving to avoid any appearance of impropriety;
[PL 2003, c. 680, §1 (NEW).]
14. **Hold property.** To lease, purchase, accept appropriate gifts or donations of or otherwise to own, hold, improve or use any property, real, personal or mixed, striving at all times to avoid any appearance of impropriety; [PL 2003, c. 680, §1 (NEW).]

SECTION HISTORY
PL 2003, c. 680, §1 (NEW).

§2476. *Organization of the commission -- Article 5*

1. **Membership.** Each compacting state has one member. Each member must be qualified to serve in that capacity pursuant to applicable law of the compacting state. A member may be removed
or suspended from office as provided by the law of the state from which the member is appointed. A vacancy occurring in the commission must be filled in accordance with the laws of the compacting state where the vacancy exists. This subsection may not be construed to affect the manner in which a compacting state determines the election or appointment and qualification of its own commissioner. [PL 2003, c. 680, §1 (NEW).]

2. One vote. Each member is entitled to one vote and has an opportunity to participate in the governance of the commission in accordance with the bylaws. Notwithstanding any provision of the compact to the contrary, action of the commission with respect to the promulgation of a uniform standard does not take effect unless 2/3 of the members vote in favor of the uniform standard. [PL 2003, c. 680, §1 (NEW).]

3. Bylaws. The commission shall, by a majority of the members, adopt bylaws to govern its conduct as may be necessary or appropriate to carry out the purposes and exercise the powers of the compact, including, but not limited to:

A. Establishing the fiscal year of the commission; [PL 2003, c. 680, §1 (NEW).]

B. Providing reasonable procedures for appointing and electing members, as well as holding meetings, of the management committee established under subsection 5; [PL 2003, c. 680, §1 (NEW).]

D. Providing reasonable procedures for calling and conducting meetings of the commission that consist of a majority of commission members, ensuring reasonable advance notice of each meeting and providing for the right of citizens to attend each meeting with enumerated exceptions designed to protect the public's interest, the privacy of individuals and insurers' proprietary information, including trade secrets. The commission may meet in camera only after a majority of the entire membership votes to close a meeting in whole or in part. As soon as practicable, the commission shall make public a copy of the vote to close the meeting revealing the vote of each member with no proxy votes allowed and votes taken during the meeting; [PL 2003, c. 680, §1 (NEW).]

E. Establishing the titles, duties, authority and reasonable procedures for the election of the officers of the commission; [PL 2003, c. 680, §1 (NEW).]

G. Promulgating a code of ethics to address permissible and prohibited activities of commission members and employees; and [PL 2003, c. 680, §1 (NEW).]

H. Providing a mechanism for winding up the operations of the commission and the equitable disposition of any surplus funds that might exist after the termination of the compact after the payment or reserving of all of its debts and obligations. [PL 2003, c. 680, §1 (NEW).] [RR 2003, c. 2, §86 (COR).]

4. File bylaws with compacting states. The commission shall publish its bylaws in a convenient form and file a copy of the bylaws and a copy of any amendment to the bylaws with the appropriate agency or officer in each of the compacting states. [PL 2003, c. 680, §1 (NEW).]
5. Management committee. The commission shall establish a management committee.

A. The management committee consists of no more than 14 members as follows:

   (1) One member from each of the 6 compacting states with the largest premium volume for individual and group annuities and life, disability income and long-term care insurance products, determined from the records of the National Association of Insurance Commissioners for the prior year;

   (2) Four members from those compacting states with at least 2% of the market based on the premium volume described in subparagraph (1) other than the 6 compacting states with the largest premium volume, selected on a rotating basis as provided in the bylaws; and

   (3) Four members from those compacting states with less than 2% of the market based on the premium volume described in subparagraph (1) with one selected from each of the 4 zone regions of the National Association of Insurance Commissioners as provided in the bylaws. [PL 2003, c. 680, §1 (NEW).]

B. The management committee has such authority and duties as may be set forth in the bylaws, including, but not limited to:

   (1) Managing the affairs of the commission in a manner consistent with the bylaws and purposes of the commission;

   (2) Establishing and overseeing an organizational structure within and appropriate procedures for the commission to provide for the creation of uniform standards and other rules, receipt and review of product filings, administrative and technical support functions, review of decisions regarding the disapproval of a product filing and review of elections made by a compacting state to opt out of a uniform standard. A uniform standard may not be submitted to the compacting states for adoption unless approved by 2/3 of the members of the management committee;

   (3) Overseeing the offices of the commission; and

   (4) Planning, implementing and coordinating communications and activities with other state, federal and local government organizations in order to advance the goals of the commission. [PL 2003, c. 680, §1 (NEW).]

C. The commission shall elect annually its officers from the management committee, with each having such authority and duties, as specified in the bylaws. [PL 2003, c. 680, §1 (NEW).]

D. The management committee may, subject to the approval of the commission, appoint or retain an executive director for such period, upon such terms and conditions and for such compensation as the commission determines appropriate. The executive director shall serve as secretary to the commission, but may not be a member of the commission. The executive director shall hire and supervise such other staff as may be authorized by the commission. [PL 2003, c. 680, §1 (NEW).]

6. Legislative committee. A legislative committee of state legislators or their designees is established to monitor the operations of, and make recommendations to, the commission, including the management committee. The manner of selection and term of any legislative committee member is set by the bylaws. Prior to the adoption by the commission of any uniform standard, revision to the bylaws, annual budget or other significant matter as may be provided in the bylaws, the management committee shall consult with and report to the legislative committee. [PL 2003, c. 680, §1 (NEW).]

7. Advisory committees. The commission shall establish 2 advisory committees, one composed of consumer representatives independent of the insurance industry and the other composed of insurance industry representatives.

[PL 2003, c. 680, §1 (NEW).]

9. Corporate records of the commission. The commission shall maintain its corporate books and records in accordance with the bylaws.

[PL 2003, c. 680, §1 (NEW).]

10. Qualified immunity, defense and indemnification. The members, officers, executive director, employees and representatives of the commission are immune from suit and liability, either personally or in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred, within the scope of commission employment, duties or responsibilities. Nothing in this subsection may be construed to protect any person from suit or liability for any damage, loss, injury or liability caused by the intentional or willful and wanton misconduct of that person.

[PL 2003, c. 680, §1 (NEW).]

11. Defend. The commission shall defend any member, officer, executive director, employee or representative of the commission in any civil action seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, as long as the actual or alleged act, error or omission did not result from that person's intentional or willful and wanton misconduct. Nothing in this subsection may be construed to prohibit that person from retaining counsel.

[PL 2003, c. 680, §1 (NEW).]

12. Indemnification. The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error or omission that occurred within the scope of commission employment, duties or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of commission employment, duties or responsibilities, as long as the actual or alleged act, error or omission did not result from the intentional or willful and wanton misconduct of that person.

[PL 2003, c. 680, §1 (NEW).]
3. **Annual meeting.** The commission shall meet at least once during each calendar year. Additional meetings are held as set forth in the bylaws.

[PL 2003, c. 680, §1 (NEW).]

**SECTION HISTORY**

PL 2003, c. 680, §1 (NEW).

§2478. **Rules and operating procedures, rule-making functions of the commission and opting out of uniform standards -- Article 7**

1. **Rule-making authority.** The commission shall promulgate reasonable rules, including uniform standards and operating procedures, in order to effectively and efficiently achieve the purposes of this compact. Notwithstanding this subsection, in the event the commission exercises its rule-making authority in a manner that is beyond the scope of the purposes of this chapter or the powers granted under this chapter, then such an action by the commission is invalid and has no effect.

[PL 2003, c. 680, §1 (NEW).]

2. **Rule-making procedure.** Rules and operating procedures must be made pursuant to a rule-making process that conforms to the Model State Administrative Procedure Act of 1981 as amended, as may be appropriate to the operations of the commission. Before the commission adopts a uniform standard, the commission shall give written notice to the relevant state legislative committee in each compacting state responsible for insurance issues of its intention to adopt the uniform standard. The commission in adopting a uniform standard shall consider fully all submitted materials and issue a concise explanation of its decision.

[PL 2003, c. 680, §1 (NEW).]

3. **Effective date and opting out of uniform standard.** A uniform standard becomes effective 90 days after its promulgation by the commission or such later date as the commission may determine. A compacting state may opt out of a uniform standard as provided in subsection 4. "Opt out" means any action by a compacting state to decline to adopt or participate in a promulgated uniform standard. All other rules and operating procedures, and amendments thereto, become effective as of the date specified in each rule, operating procedure or amendment.

[PL 2003, c. 680, §1 (NEW).]

4. **Procedure for opting out.** A compacting state may opt out of a uniform standard either by legislation or regulation duly promulgated by the insurance department under the compacting state's administrative procedure act. If a compacting state elects to opt out of a uniform standard by regulation, it must give written notice to the commission no later than 10 business days after the uniform standard is promulgated, or at the time the state becomes a compacting state, and must find that the uniform standard does not provide reasonable protections to the citizens of the state, given the conditions in the state. The commissioner shall make specific findings of fact and conclusions of law, based on a preponderance of the evidence, detailing the conditions in the state that warrant a departure from the uniform standard and determining that the uniform standard would not reasonably protect the citizens of the state. The commissioner must consider and balance the following factors and find that the conditions in the state and needs of the citizens of the state outweigh:

A. The intent of the legislature to participate in, and the benefits of, an interstate agreement to establish national uniform consumer protections for the products subject to this chapter; and

[PL 2003, c. 680, §1 (NEW).]

B. The presumption that a uniform standard adopted by the commission provides reasonable protections to consumers of the relevant product.

[PL 2003, c. 680, §1 (NEW).]

Notwithstanding this subsection, a compacting state may at the time of its enactment of this compact, prospectively opt out of all uniform standards involving long-term care insurance products by expressly providing for such an option in the enacted compact, and opting out may not be treated as a material
variance in the offer or acceptance of any state to participate in this compact. Opting out is effective at the time of enactment of this compact by the compacting state and applies to all existing uniform standards involving long-term care insurance products and those subsequently promulgated.

[PL 2003, c. 680, §1 (NEW).]

5. **Effect of opting out.** If a compacting state elects to opt out of a uniform standard, the uniform standard remains applicable in the compacting state electing to opt out until such time as the legislation opting out is enacted into law or the regulation opting out becomes effective. Once the opting out of a uniform standard by a compacting state becomes effective as provided under the laws of that state, the uniform standard has no further force and effect in that state unless and until the legislation or regulation implementing the opting out is repealed or otherwise becomes ineffective under the laws of the state. If a compacting state opts out of a uniform standard after the uniform standard has been made effective in that state, the opting out has the same prospective effect as provided under section 2485 for withdrawals.

[PL 2003, c. 680, §1 (NEW).]

6. **Stay of uniform standard.** If a compacting state has formally initiated the process of opting out of a uniform standard by regulation, and while the regulatory opting out is pending, the compacting state may petition the commission, at least 15 days before the effective date of the uniform standard, to stay the effectiveness of the uniform standard in that state. The commission may grant a stay if it determines the regulatory opting out is being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the commission, the stay or extension may postpone the effective date by up to 90 days, unless the stay is affirmatively extended by the commission. A stay may not be permitted to remain in effect for more than one year unless the compacting state can show extraordinary circumstances that warrant a continuance of the stay, including, but not limited to, the existence of a legal challenge that prevents the compacting state from opting out. A stay may be terminated by the commission upon notice that the rule-making process has been terminated.

[PL 2003, c. 680, §1 (NEW).]

7. **Petition for judicial review of rule or operating procedure.** Not later than 30 days after a rule or operating procedure is promulgated, any person may file a petition for judicial review of the rule or operating procedure. The filing of such a petition does not stay or otherwise prevent the rule or operating procedure from becoming effective unless the court finds that the petitioner has a substantial likelihood of success. The court shall give deference to the actions of the commission consistent with applicable law and may not find the rule or operating procedure to be unlawful if the rule or operating procedure represents a reasonable exercise of the commission's authority.

[PL 2003, c. 680, §1 (NEW).]

SECTION HISTORY
PL 2003, c. 680, §1 (NEW).

§2479. Commission records and enforcement -- Article 8

1. **Public inspection and copying of information and records.** The commission shall promulgate rules establishing conditions and procedures for public inspection and copying of its information and official records, except information and records involving the privacy of individuals and insurers' trade secrets. The commission may promulgate additional rules under which it may make available to federal and state agencies, including law enforcement agencies, records and information otherwise exempt from disclosure, and may enter into agreements with such agencies to receive or exchange information or records subject to nondisclosure and confidentiality provisions.

[PL 2003, c. 680, §1 (NEW).]

2. **Laws pertaining to confidentiality or nondisclosure.** Except as to privileged records, data and information, the laws of any compacting state pertaining to confidentiality or nondisclosure do not
relieve any compacting state commissioner of the duty to disclose any relevant records, data or information to the commission. Disclosure to the commission may not be considered to waive or otherwise affect any confidentiality requirement. Except as otherwise expressly provided in this chapter, the commission is not subject to the compacting state's laws pertaining to confidentiality and nondisclosure with respect to records, data and information in its possession. Confidential information of the commission remains confidential after such information is provided to any commissioner. [PL 2003, c. 680, §1 (NEW).]

3. **Compliance.** The commission shall monitor compacting states for compliance with duly adopted bylaws, rules, including uniform standards, and operating procedures. The commission shall notify any noncomplying compacting state in writing of its noncompliance with commission bylaws, rules or operating procedures. If a noncomplying compacting state fails to remedy its noncompliance within the time specified in the notice of noncompliance, the compacting state is in default as set forth in section 2485. [PL 2003, c. 680, §1 (NEW).]

4. **Commissioner's authority to oversee market regulation.** The commissioner of any state in which an insurer is authorized to do business or is conducting the business of insurance shall continue to exercise the commissioner's authority to oversee the market regulation of the activities of the insurer in accordance with the provisions of the state's law. The commissioner's enforcement of compliance with the compact is governed by the following provisions.

   A. With respect to the commissioner's market regulation of a product or advertisement that is approved by or certified to the commission, the content of the product or advertisement does not constitute a violation of the provisions, standards or requirements of the compact except upon a final order of the commission issued at the request of a commissioner after prior notice to the insurer and an opportunity for hearing before the commission. [PL 2003, c. 680, §1 (NEW).]

   B. Before a commissioner may bring an action for violation of any provision, standard or requirement of the compact relating to the content of an advertisement not approved by or certified to the commission, the commission, or an authorized commission officer or employee, must authorize the action. However, authorization pursuant to this paragraph does not require notice to the insurer, opportunity for hearing or disclosure of requests for authorization or records of the commission's action on such requests. [PL 2003, c. 680, §1 (NEW).]

§2480. Dispute resolution -- Article 9

The commission shall attempt, upon the request of a member, to resolve any disputes or other issues that are subject to this compact and that may arise between 2 or more compacting states, or between compacting states and noncompacting states, and the commission shall promulgate an operating procedure providing for resolution of such disputes. [PL 2003, c. 680, §1 (NEW).]

§2481. Product filing and approval -- Article 10

1. **Filing of product with commission.** Insurers and 3rd-party filers seeking to have a product approved by the commission shall file the product with, and pay applicable filing fees to, the commission. Nothing in this chapter may be construed to restrict or otherwise prevent an insurer from filing its product with the insurance department in any state where the insurer is licensed to conduct the business of insurance, and such filing is subject to the laws of the states where filed.
2. **Commission to establish filing and review processes.** The commission shall establish appropriate filing and review processes and procedures pursuant to commission rules and operating procedures. Notwithstanding any other provision of this chapter, the commission shall promulgate rules to establish conditions and procedures for providing public access to product filing information. In establishing such rules, the commission shall consider the interests of the public in having access to such information, as well as protection of personal medical and financial information and trade secrets that may be contained in a product filing or supporting information.

3. **Product approved by commission may be sold in certain compacting states.** Any product approved by the commission may be sold or otherwise issued in those compacting states in which the insurer is legally authorized to do business.

### SECTION HISTORY

1. **Appeal to review panel appointed by commission.** Not later than 30 days after the commission has given notice of a disapproved product or advertisement filed with the commission, the insurer or 3rd-party filer whose filing was disapproved may appeal the determination to a review panel appointed by the commission. The commission shall promulgate rules to establish procedures for appointing a review panel and provide for notice and hearing. An allegation that the commission, in disapproving a product or advertisement filed with the commission, acted arbitrarily, capriciously or in a manner that is an abuse of discretion or otherwise not in accordance with the law is subject to judicial review in accordance with section 2474, subsection 5.

2. **Commission may monitor, review and reconsider.** The commission has authority to monitor, review and reconsider products and advertisements subsequent to their filing or approval upon a finding that the product does not meet the relevant uniform standard. Where appropriate, the commission may withdraw or modify its approval after proper notice and hearing, subject to the appeal process in subsection 1.

### SECTION HISTORY

**§2483. Finance -- Article 12**

1. **Commission shall fund its establishment and organization.** The commission shall pay or provide for the payment of the reasonable expenses of its establishment and organization. To fund the cost of its initial operations, the commission may accept contributions and other forms of funding from the National Association of Insurance Commissioners, compacting states and other sources. Contributions and other forms of funding from other sources must be of such a nature that the independence of the commission concerning the performance of its duties is not compromised.

2. **Commission shall collect filing fee.** The commission shall collect a filing fee from each insurer and 3rd-party filer filing a product with the commission to cover the cost of the operations and activities of the commission and its staff in a total amount sufficient to cover the commission's annual budget.
3. **Notice and comment for budget approval.** The commission's budget for a fiscal year may not be approved until it has been subject to notice and comment as set forth in section 2478.

[PL 2003, c. 680, §1 (NEW).]

4. **Commission exempt from taxation.** The commission is exempt from all taxation in and by the compacting states.

[PL 2003, c. 680, §1 (NEW).]

The internal financial accounts of the commission are subject to the accounting procedures established under its bylaws. The financial accounts and reports, including the system of internal controls and procedures of the commission, must be audited annually by an independent certified public accountant. Upon the determination of the commission, but no less frequently than every 3 years, the review of the independent auditor must include a management and performance audit of the commission. The commission shall make an annual report to the governor and legislature of each compacting state, which must include a report of the independent audit. The commission's internal accounts are not confidential and such materials may be shared with the commissioner of any compacting state upon request, except that any work papers related to any internal or independent audit and any information regarding the privacy of individuals and insurers' proprietary information, including trade secrets, must remain confidential.

[PL 2003, c. 680, §1 (NEW).]

7. **Compacting states do not have ownership of commission property.** A compacting state does not have any claim to or ownership of any property held by or vested in the commission or to any commission funds held pursuant to the provisions of this compact.

[PL 2003, c. 680, §1 (NEW).]
§2485. Withdrawal, default and termination -- Article 14

1. Withdrawal. The following provisions govern withdrawal from the compact.

A. Once effective, the compact continues in force and remains binding upon each compacting state. A compacting state may withdraw from the compact by enacting a statute specifically repealing the statute that enacted the compact. [PL 2003, c. 680, §1 (NEW).]

B. The effective date of withdrawal is the effective date of the repealing law. However, the withdrawal does not apply to any product filings approved or self-certified, or any advertisement of such products, on the date the repealing statute becomes effective, except by mutual agreement of the commission and the withdrawing state unless the approval is rescinded by the withdrawing state as provided in paragraph E. [PL 2003, c. 680, §1 (NEW).]

C. The commissioner of the withdrawing state shall immediately notify the management committee in writing upon the introduction of legislation repealing this compact in the withdrawing state. [PL 2003, c. 680, §1 (NEW).]

D. The commission shall notify the other compacting states of the introduction of such legislation within 10 days after it receives notice under paragraph C. [PL 2003, c. 680, §1 (NEW).]

E. The withdrawing state is responsible for all obligations, duties and liabilities incurred through the effective date of withdrawal, including any obligations the performance of which extend beyond the effective date of withdrawal, except to the extent those obligations may have been released or relinquished by mutual agreement of the commission and the withdrawing state. The commission's approval of products and advertisements prior to the effective date of withdrawal continues to be effective and must be given full force and effect in the withdrawing state unless formally rescinded by the withdrawing state in the same manner as provided by the laws of the withdrawing state for the prospective disapproval of products or advertisements previously approved under state law. [PL 2003, c. 680, §1 (NEW).]

F. Reinstatement following withdrawal of any compacting state occurs upon the effective date of the withdrawing state's reenacting the compact. [PL 2003, c. 680, §1 (NEW).]

[PL 2003, c. 680, §1 (NEW).]

2. Default. The following provisions govern default.

A. If the commission determines that a compacting state has defaulted in the performance of any of its obligations or responsibilities under this compact, the bylaws or duly promulgated rules or operating procedures, then, after notice and hearing as set forth in the bylaws, all rights, privileges and benefits conferred by this compact on the defaulting state are suspended from the effective date of default as fixed by the commission. The grounds for default include, but are not limited to, failure of a compacting state to perform its obligations or responsibilities, and any other grounds designated in commission rules. The commission shall immediately notify the defaulting state in writing of the defaulting state's suspension pending a cure of the default. The commission shall stipulate the conditions and the time period within which the defaulting state must cure its default. If the defaulting state fails to cure the default within the time period specified by the commission, the defaulting state must be terminated from the compact and all rights, privileges and benefits conferred by this compact are terminated from the effective date of termination. [PL 2003, c. 680, §1 (NEW).]

B. Product approvals by the commission or product self-certifications, or any advertisement in connection with such a product, that are in force on the effective date of termination remain in force
in the defaulting state in the same manner as if the defaulting state had withdrawn voluntarily pursuant to subsection 1. [PL 2003, c. 680, §1 (NEW).]

C. Reinstatement following termination of a compacting state requires a reenactment of the compact. [PL 2003, c. 680, §1 (NEW).]

3. Dissolution of compact. The following provisions govern the dissolution of the compact.

A. The compact dissolves upon the date of the withdrawal or default of the compacting state that reduces membership in the compact to one compacting state. [PL 2003, c. 680, §1 (NEW).]

B. Upon the dissolution of this compact, the compact becomes void and is of no further effect, and the business and affairs of the commission must be wound up and any surplus funds must be distributed in accordance with the bylaws. [PL 2003, c. 680, §1 (NEW).]

SECTIO...
B. All agreements between the commission and the compacting states are binding in accordance with their terms. [PL 2003, c. 680, §1 (NEW).]

C. Upon the request of a party to a conflict over the meaning or interpretation of commission actions, and upon a majority vote of the compacting states, the commission may issue advisory opinions regarding the meaning or interpretation in dispute. [PL 2003, c. 680, §1 (NEW).]

D. In the event any provision of this compact exceeds the constitutional limits imposed on the legislature of a compacting state, the obligation, duty, power or jurisdiction sought to be conferred by that provision upon the commission is ineffective as to that compacting state, and that obligation, duty, power or jurisdiction remains in the compacting state and must be exercised by the agency thereof to which that obligation, duty, power or jurisdiction is delegated by law in effect at the time this compact becomes effective. [PL 2003, c. 680, §1 (NEW).]

current policy year. The policy may also provide that if interest on any indebtedness is not paid when due, it shall then be added to the existing indebtedness and shall bear interest at the same rate, and that if and when the total indebtedness on the policy, including interest due or accrued, equals or exceeds the amount of the loan value thereof, then the policy shall terminate and become void, but not until at least 30 days' notice has been mailed by the insurer to the last address, of record with the insurer, of the insured or other policy owner and of any assignee of record at the insurer's home office. The policy shall reserve to the insurer the right to defer the granting of a loan, other than for the payment of any premium to the insurer, for 6 months after application therefor. §2526-A. Acquired Immune Deficiency Syndrome

No individual policy of life insurance delivered or issued for delivery in this State may provide more restrictive coverage for death resulting from Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC) or HIV related diseases than for death resulting from any other disease or sickness or exclude coverage for death resulting from AIDS, ARC or HIV related diseases. This section shall not apply to death by accident or accidental means. [PL 1989, c. 176, §3 (NEW).]

§2528. Short title

Sections 2528 to 2534 shall be known as the "Standard Nonforfeiture Law for Life Insurance." [PL 1979, c. 442, §1 (AMD).]

SECTION HISTORY

§2529. Nonforfeiture provisions

1. In the case of policies issued on or after January 1, 1970, no policy of life insurance, except as stated in section 2534, may be delivered or issued for delivery in this State, unless it shall contain in substance the following provisions, or corresponding provisions which in the opinion of the superintendent are at least as favorable to the defaulting or surrendering policyholder as are the minimum requirements hereinafter specified and which are essentially in compliance with section 2533-A:

A. Paid-up nonforfeiture benefit. That, in the event of default in any premium payment, the insurer will grant, upon proper request not later than 60 days after the due date of the premium in default, a paid-up nonforfeiture benefit on a plan stipulated in the policy, effective as of that due date, of such amount as may be hereinafter specified. In lieu of the stipulated paid-up nonforfeiture benefit, the insurer may substitute, upon proper request not later than 60 days after the due date of the premium in default, an actuarially equivalent alternative paid-up nonforfeiture benefit which
provides a greater amount or longer period of death benefits or, if applicable, a greater amount or earlier payment of endowment benefits; [PL 1983, c. 346, §10 (AMD).]

B. Cash surrender value. That, upon surrender of the policy within 60 days after the due date of any premium payment in default after premiums have been paid for at least 3 full years in the case of ordinary insurance or 5 full years in the case of industrial insurance, the insurer will pay, in lieu of any paid-up nonforfeiture benefit, a cash surrender value of such amount as may be hereinafter specified; [PL 1983, c. 346, §10 (AMD).]

C. Effective date of benefit. That a specified paid-up nonforfeiture benefit shall become effective as specified in the policy unless the person entitled to make such election elects another available option not later than 60 days after the due date of the premium in default; [PL 1983, c. 346, §10 (AMD).]

D. Cash surrender value if policy paid up. That, if the policy shall have become paid up by completion of all premium payments or if it is continued under any paid-up nonforfeiture benefit which became effective on or after the 3rd policy anniversary in the case of ordinary insurance or the 5th policy anniversary in the case of industrial insurance, the insurer will pay, upon surrender of the policy within 30 days after any policy anniversary, a cash surrender value of such amount as may be hereinafter specified; [PL 1983, c. 346, §10 (AMD).]

E. Mortality table and interest rate used. In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, a statement of the mortality table, interest rate, and method used in calculating cash surrender values and the paid-up nonforfeiture benefits available under the policy. In the case of all other policies, a statement of the mortality table and interest rate used in calculating the cash surrender values and the paid-up nonforfeiture benefits available under the policy, together with a table showing the cash surrender value, if any, and paid-up nonforfeiture benefit, if any, available under the policy on each policy anniversary either during the first 20 policy years or during the term of the policy, whichever is shorter, those values and benefits to be calculated upon the assumption that there are no dividends or paid-up additions credited to the policy and that there is no indebtedness to the insurer on the policy; and [PL 1983, c. 346, §10 (AMD).]

F. Method used in computing value and benefit. A statement that the cash surrender values and the paid-up nonforfeiture benefits available under the policy are not less than the minimum values and benefits required by or pursuant to the insurance law of the state in which the policy is delivered; an explanation of the manner in which the cash surrender values and the paid-up nonforfeiture benefits are altered by the existence of any paid-up additions credited to the policy or any indebtedness to the insurer on the policy; if a detailed statement of the method of computation of the values and benefits shown in the policy is not stated therein, a statement that such method of computation has been filed with the insurance supervisory official of the state in which the policy is delivered; and a statement of the method to be used in calculating the cash surrender value and paid-up nonforfeiture benefit available under the policy on any policy anniversary beyond the last anniversary for which such values and benefits are consecutively shown in the policy. [PL 1983, c. 346, §10 (AMD).]

2. Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance may, to the extent inapplicable, be omitted from the policy. [PL 1969, c. 132, §1 (NEW).]

3. The insurer shall reserve the right to defer the payment of any cash surrender value for a period of 6 months after demand therefor with surrender of the policy. [PL 1969, c. 132, §1 (NEW).]
SECTION HISTORY

§2530. Cash surrender value

1. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary, whether or not required by section 2529, shall be an amount not less than the excess, if any, of the present value, on that anniversary, of the future guaranteed benefits which would have been provided for by the policy, including any existing paid-up additions, if there had been no default, over the sum of:

A. Present value of adjusted premiums. The then present value of the adjusted premiums as defined in sections 2532 and 2532-A, corresponding to premiums which would have fallen due on and after that anniversary; and [PL 1983, c. 346, §11 (NEW).]

B. Amount of indebtedness. The amount of any indebtedness to the insurer on the policy. [PL 1983, c. 346, §11 (NEW).]

2. For any policy issued on or after the operative date of section 2532-A as defined therein, which provides supplemental life insurance or annuity benefits at the option of the insured and for an identifiable additional premium by rider or supplemental policy provision, the cash surrender value referred to in subsection 1 shall be an amount not less than the sum of the cash surrender value as defined in that subsection for an otherwise similar policy issued at the same age without that rider or supplemental policy provision and the cash surrender value as defined in that subsection for a policy which provides only the benefits otherwise provided by that rider or supplemental policy provision.

3. For any family policy issued on or after the operative date of section 2532-A as defined therein, which defines a primary insured and provides term insurance on the life of the spouse of the primary insured expiring before the spouse's age 71, the cash surrender value referred to in subsection 1 shall be an amount not less than the sum of the cash surrender value as defined in that subsection for an otherwise similar policy issued at the same age without that term insurance on the life of the spouse and the cash surrender value as defined in that subsection for a policy which provides only the benefits otherwise provided by that term insurance on the life of the spouse.

4. Any cash surrender value available within 30 days after any policy anniversary under any policy paid-up by completion of all premium payments or any policy continued under any paid-up nonforfeiture benefit, whether or not required by section 2529, shall be an amount not less than the present value, on that anniversary, of the future guaranteed benefits provided for by the policy, including any existing paid-up additions, decreased by any indebtedness to the insurer on the policy.

SECTION HISTORY

§2531. Paid-up nonforfeiture benefits

Any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment due on any policy anniversary shall be such that its present value as of such anniversary shall be at least equal to the cash surrender value then provided for by the policy or, if none is provided for, that cash surrender value which would have been required by sections 2529 to 2534 in the absence of the condition that premiums shall have been paid for at least a specified period. [PL 1969, c. 132, §1 (NEW).]
SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§2532. Adjusted premiums for policies issued before the operative date of section 2532-A

1. This section shall not apply to policies issued on or after the operative date of section 2532-A as defined therein.
[PL 1983, c. 346, §12 (RPR).]

2. Except as provided in subsection 4, the adjusted premiums for any policy shall be calculated on an annual basis and shall be the uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of cover impairments or special hazards, that the present value, at the date of issue of the policy, of all those adjusted premiums shall be equal to the sum of:

A. The then present value of the future guaranteed benefits provided for by the policy; [PL 1983, c. 346, §12 (NEW).]

B. Two percent of the amount of insurance, if the insurance be uniform in amounts, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; [PL 1983, c. 346, §12 (NEW).]

C. Forty percent of the adjusted premium for the first policy year; and [PL 1983, c. 346, §12 (NEW).]

D. Twenty-five percent of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less. [PL 1983, c. 346, §12 (NEW).]

In applying the percentages specified in paragraphs C and D, no adjusted premium may be deemed to exceed 4% of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined.
[PL 1983, c. 346, §12 (RPR).]

3. In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this section shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy, provided that in the case of a policy providing a varying amount of insurance issued on the life of a child under age 10, the equivalent uniform amount may be computed as though the amount of insurance provided by the policy prior to the attainment of age 10 were the amount provided by that policy at age 10.
[PL 1983, c. 346, §12 (RPR).]

4. The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to:

A. The adjusted premiums for an otherwise similar policy issued at the same age without those term insurance benefits, increased, during the period for which premiums for those term insurance benefits are payable, by [PL 1983, c. 346, §12 (NEW).]

B. The adjusted premiums for that term insurance. [PL 1983, c. 346, §12 (NEW).]

Paragraphs A and B shall be calculated separately and as specified in subsections 2 and 3, except that, for purposes of subsection 2, paragraphs B, C and D, the amount of insurance or equivalent uniform
amount of insurance used in the calculation of the adjusted premiums referred to in paragraph B of this subsection shall be equal to the excess of the corresponding amount determined for the entire policy over the amount used in the calculation of the adjusted premiums in paragraph A.

[PL 1983, c. 346, §12 (RPR).]

5. Except as provided in subsection 6 and in section 2532-A, all adjusted premiums and present values referred to in sections 2529 to 2534 shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table, provided that, for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than 3 years younger than the actual age of the insured, and those calculations for all policies of industrial insurance shall be made on the basis of the Commissioners 1961 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest specified in the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided that that rate of interest shall not exceed 3 1/2% each year, except that a rate of interest not exceeding 4% each year may be used for policies issued on or after December 31, 1975. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit for ordinary insurance, the rates of mortality assumed may not be more than those shown in the Commissioners 1958 Extended Term Insurance Table and for industrial insurance rates of mortality may not be more than those shown in the Commissioners 1961 Industrial Extended Term Insurance Table. For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the insurer and approved by the superintendent.

[PL 1983, c. 346, §12 (RPR).]

6. In the case of policies issued on or after January 1, 1980, adjusted premiums and present values for any category of ordinary insurance issued on female risks may be calculated according to an age not more than 6 years younger than the actual age of the insured. All calculations for all policies of ordinary and industrial insurance shall be made on the basis of the rate of interest specified on the policy for calculating cash surrender values and paid-up nonforfeiture benefits, provided that the rate of interest shall not exceed 5 1/2% each year.

[PL 1983, c. 346, §12 (NEW).]

SECTION HISTORY

§2532-A. Adjusted premiums for policies issued on or after January 1, 1989, or elected operative date of this section

1. This section shall apply to all policies issued on or after the operative date of this section as defined herein. Except as provided in subsection 7, the adjusted premiums for any policy shall be calculated on an annual basis and shall be that uniform percentage of the respective premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments or special hazards and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the date of issue of the policy, of all adjusted premiums shall be equal to the sum of:

A. The then present value of the future guaranteed benefits provided for by the policy; [PL 1983, c. 346, §13 (NEW).]

B. One percent of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years; and [PL 1983, c. 346, §13 (NEW).]
C. One hundred twenty-five percent of the nonforfeiture net level premium as hereinafter defined. [PL 1983, c. 346, §13 (NEW).]

In applying the percentage specified in paragraph C, no nonforfeiture net level premium may be deemed to exceed 4% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years. The date of issue of a policy for the purpose of this section shall be the date as of which the rated age of the insured is determined. [PL 1983, c. 346, §13 (NEW).]

2. The nonforfeiture net level premium shall be equal to the present value, at the date of issue of the policy, of the guaranteed benefits provided for by the policy divided by the present value, at the date of issue of the policy, of an annuity of one per annum payable on the date of issue of the policy and on each anniversary of the policy on which a premium falls due. [PL 1983, c. 346, §13 (NEW).]

3. In the case of policies which cause, on a basis guaranteed in the policy, unscheduled changes in benefits or premiums, or which provide an option for changes in benefits or premiums other than a change to a new policy, the adjusted premiums and present values shall initially be calculated on the assumption that future benefits and premiums do not change from those stipulated at the date of issue of the policy. At the time of any change of that type in the benefits or premiums the future adjusted premiums, nonforfeiture net level premiums and present values shall be recalculated on the assumption that future benefits and premiums do not change from those stipulated by the policy immediately after the change. [PL 1983, c. 346, §13 (NEW).]

4. Except as otherwise provided in subsection 7, the recalculated future adjusted premiums for any policy of that type shall be that uniform percentage of the respective future premiums specified in the policy for each policy year, excluding amounts payable as extra premiums to cover impairments and special hazards, and also excluding any uniform annual contract charge or policy fee specified in the policy in a statement of the method to be used in calculating the cash surrender values and paid-up nonforfeiture benefits, that the present value, at the time of change to the newly defined benefits or premiums of all those future adjusted premiums shall be equal to the excess of:

   A. The sum of the then present value of the then future guaranteed benefits provided for by the policy and the additional expense allowance, if any; over [PL 1983, c. 346, §13 (NEW).]

   B. The then cash surrender value, if any, or present value of any paid-up nonforfeiture benefit under the policy. [PL 1983, c. 346, §13 (NEW).]

   [PL 1983, c. 346, §13 (NEW).]

5. The additional expense allowance, at the time of the change to the newly defined benefits or premiums, shall be the sum of:

   A. One percent of the excess, if positive, of the average amount of insurance at the beginning of each of the first 10 policy years subsequent to the change over the average amount of insurance prior to the change at the beginning of each of the first 10 policy years subsequent to the time of the most recent previous change, or, if there has been no previous change, the date of issue of the policy; and [PL 1983, c. 346, §13 (NEW).]

   B. One hundred twenty-five percent of the increase, if positive, in the nonforfeiture net level premium. [PL 1983, c. 346, §13 (NEW).]

    [PL 1983, c. 346, §13 (NEW).]

6. The recalculated nonforfeiture net level premium shall be equal to the result obtained by dividing paragraph A by paragraph B where:

   A. Paragraph A equals the sum of:
(1) The nonforfeiture net level premium applicable prior to the change times the present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of the change on which a premium would have fallen due had the change not occurred; and

(2) The present value of the increase in future guaranteed benefits provided for by the policy; and [PL 1983, c. 346, §13 (NEW).]

B. Paragraph B equals the present value of an annuity of one per annum payable on each anniversary of the policy on or subsequent to the date of change on which a premium falls due. [PL 1983, c. 346, §13 (NEW).]

7. Notwithstanding any other provisions of this section to the contrary, in the case of a policy issued on a substandard basis which provides reduced graded amounts of insurance so that, in each policy year, that policy has the same tabular mortality cost as an otherwise similar policy issued on the standard basis which provides higher uniform amounts of insurance, adjusted premiums and present values for that substandard policy may be calculated as if it were issued to provide those higher uniform amounts of insurance on the standard basis.

8. All adjusted premiums and present values referred to in this Standard Nonforfeiture Law for Life Insurance shall, for all policies of ordinary insurance issued after the operative date of this section, be calculated on the basis of the Commissioners 1980 Standard Ordinary Mortality Table or, at the election of the insurer for any one or more specified plans of life insurance, the Commissioners 1980 Standard Ordinary Mortality Table with 10-year select mortality factors; shall, for all policies of industrial insurance, be calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table; and shall, for all policies issued in a particular calendar year, be calculated on the basis of a rate of interest not exceeding the nonforfeiture interest rate as defined in this section for policies issued in that calendar year, provided that:

A. At the option of the insurer, calculations for all policies issued in a particular calendar year may be made on the basis of a rate of interest not exceeding the nonforfeiture interest rate, as defined in this section, for policies issued in the immediately preceding calendar year; [PL 1983, c. 346, §13 (NEW).]

B. Under any paid-up nonforfeiture benefit, including any paid-up dividend additions, any cash surrender value available, whether or not required by section 2529, shall be calculated on the basis of the mortality table and rate of interest used in determining the amount of that paid-up nonforfeiture benefit and paid-up dividend additions, if any; [PL 1983, c. 346, §13 (NEW).]

C. An insurer may calculate the amount of any guaranteed paid-up nonforfeiture benefit, including any paid-up additions under the policy on the basis of an interest rate no lower than that specified in the policy for calculating cash surrender values; [PL 1983, c. 346, §13 (NEW).]

D. In calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a nonforfeiture benefit, the rates of mortality assumed may be no more than those shown in the Commissioners 1980 Extended Term Insurance Table for policies of ordinary insurance and no more than the Commissioners 1961 Industrial Extended Term Insurance Table for policies of industrial insurance; [PL 1983, c. 346, §13 (NEW).]

E. For insurance issued on a substandard basis, the calculation of any such adjusted premiums and present values may be based on appropriate modifications of the tables mentioned in this section; [PL 1983, c. 346, §13 (NEW).]

F. Any approved commissioners standard ordinary mortality tables, adopted in accordance with paragraph H, may be substituted for the Commissioners 1980 Standard Ordinary Mortality Table
with or without 10-year select mortality factors or for the Commissioners 1980 Extended Term Insurance Table; [PL 2013, c. 238, Pt. C, §11 (AMD).]

G. Any approved commissioners standard industrial mortality tables, adopted in accordance with paragraph H, may be substituted for the Commissioners 1961 Standard Industrial Mortality Table or the Commissioners 1961 Industrial Extended Term Insurance Table; and [PL 2013, c. 238, Pt. C, §11 (AMD).]

H. For policies issued before the operative date of the valuation manual, as defined in section 951-A, subsection 3, the superintendent may adopt rules approving commissioners standard mortality tables for use in determining the minimum nonforfeiture standard. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. For policies issued on or after the operative date of the valuation manual, the applicable commissioners standard mortality tables specified in the valuation manual are approved for use in determining the minimum nonforfeiture standard unless superseded by rule adopted by the superintendent. [PL 2013, c. 238, Pt. C, §12 (NEW).]

[PL 2013, c. 238, Pt. C, §§11, 12 (AMD).]

9. The nonforfeiture interest rate per annum for any policy issued in a particular calendar year must be equal to 125% of the calendar year statutory valuation interest rate for that policy as defined in the Standard Valuation Law, rounded to the nearer 1/4 of 1%, except as otherwise provided in the valuation manual for policies issued on and after the operative date of the valuation manual, as defined in section 951-A, subsection 3. [PL 2013, c. 238, Pt. C, §13 (AMD).]

10. Notwithstanding any other provision in this code to the contrary, any refiling of nonforfeiture values or their methods of computation for any previously approved policy form which involves only a change in the interest rate or mortality table used to compute nonforfeiture values shall not require refiling of any other provisions of that policy form. [PL 1983, c. 346, §13 (NEW).]

11. After the effective date of this section, any insurer may file with the superintendent a written notice of its election to comply with the provisions of this section after a specified date before January 1, 1989, which shall be the operative date of this section for that insurer. If an insurer makes no such election, the operative date of this section for that company shall be January 1, 1989. [PL 1983, c. 346, §13 (NEW).]

SECTION HISTORY

§2532-B. Superintendent's authority to approve certain new plans

1. In the case of any plan of life insurance which provides for future premium determination, the amounts of which are to be determined by the insurer based on then estimates of future experience, or in the case of any plan of life insurance which is of such a nature that minimum values cannot be determined by the methods described in sections 2529 to 2532-A herein, then:

A. The superintendent must be satisfied that the benefits provided under the plan are substantially as favorable to policyholders and insureds as the minimum benefits otherwise required by sections 2529 to 2532-A herein; [PL 1983, c. 346, §14 (NEW).]

B. The superintendent must be satisfied that the benefits and the pattern of premiums of that plan are not such as to mislead prospective policyholders or insureds; and [PL 1983, c. 346, §14 (NEW).]

C. The cash surrender values and paid-up nonforfeiture benefits provided by that plan must not be less than the minimum values and benefits required for the plan computed by a method consistent
with the principles of this Standard Nonforfeiture Law for Life Insurance, as determined by regulations promulgated by the superintendent. [PL 1983, c. 346, §14 (NEW).]

[PL 1983, c. 346, §14 (NEW).]

SECTION HISTORY

§2533. Calculation of cash surrender value of certain policies on default

Any cash surrender value and any paid-up nonforfeiture benefit, available under the policy in the event of default in a premium payment due at any time other than on the policy anniversary, shall be calculated with allowance for the lapse of time and the payment of fractional premiums beyond the last preceding policy anniversary. All values referred to in sections 2530 to 2532-A may be calculated upon the assumption that any death benefit is payable at the end of the policy year of death. The net value of any paid-up additions, other than paid-up term additions, shall be not less than the amounts used to provide those additions. Notwithstanding section 2530, additional benefits payable: [PL 1983, c. 346, §15 (AMD).]

1. Death or accident. In the event of death or dismemberment by accident or accidental means;
[PL 1969, c. 132, §1 (NEW).]

2. Total disability. In the event of total and permanent disability;
[PL 1969, c. 132, §1 (NEW).]

3. Reversionary annuity. As reversionary annuity or deferred reversionary annuity benefits;
[PL 1969, c. 132, §1 (NEW).]

4. Term insurance benefits. As term insurance benefits provided by a rider or supplemental policy provisions to which, if issued as a separate policy, section 2529 to 2534 would not apply;
[PL 1969, c. 132, §1 (NEW).]

5. Child term insurance benefits. As term insurance on the life of a child or on the lives of children provided in a policy on the life of a parent of the child, if such term insurance expires before the child's age is 26, is uniform in amount after the child's age is one, and has not become paid up by reason of the death of a parent of the child; and
[PL 1969, c. 132, §1 (NEW).]

6. Other policy benefits. As other policy benefits additional to life insurance and endowment benefits; and premiums for all such additional benefits, shall be disregarded in ascertaining cash surrender values and nonforfeiture benefits required by sections 2529 to 2534, and no such additional benefits shall be required to be included in any paid-up nonforfeiture benefits.
[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§2533-A. Additional provisions for policies issued after January 1, 1987

1. This section, in addition to all other applicable sections of the Standard Nonforfeiture Law for Life Insurance, applies to all policies issued on or after January 1, 1987. Any cash surrender value available under the policy in the event of default in a premium payment due on any policy anniversary must be in an amount that does not differ by more than 2/10ths of 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years, from the sum of:

A. The greater of zero and the basic cash value specified in subsection 2; and [RR 1993, c. 1, §60 (COR).]
B. The present value of any existing paid-up additions less the amount of any indebtedness to the company under the policy. [PL 1983, c. 346, §16 (NEW).]

2. The basic cash value is equal to the present value, on that anniversary, of the future guaranteed benefits that would have been provided for by the policy, excluding any existing paid-up additions and before deduction of any indebtedness to the insurer, if there had been no default, less the then present value of the nonforfeiture factors, as defined in subsection 3, corresponding to premiums that would have fallen due on and after that anniversary, except that the effects on the basic cash value of supplemental life insurance or annuity benefits or of family coverage, as described in section 2530 or 2532, whichever is applicable, must be the same as are the effects specified in section 2530 or 2532, whichever is applicable on the cash surrender values defined in that section.

3. The nonforfeiture factor for each policy year must be an amount equal to a percentage of the adjusted premium for the policy year, as defined in section 2532 or 2532-A, whichever is applicable. Except as is required by subsection 4, that percentage:
   A. Must be the same percentage for each policy year between the 2nd policy anniversary and the later of the 5th policy anniversary and the first policy anniversary at which there is available under the policy a cash surrender value in an amount, before including any paid-up additions and before deducting any indebtedness, of at least 2/10ths of 1% of either the amount of insurance, if the insurance be uniform in amount, or the average amount of insurance at the beginning of each of the first 10 policy years; and [PL 1983, c. 346, §16 (NEW).]

   B. Must be such that no percentage after the later of the 2 policy anniversaries, specified in paragraph A, may apply to fewer than 5 consecutive policy years. [PL 1983, c. 346, §16 (NEW).]

4. No basic cash value may be less than the value that would be obtained if the adjusted premiums for the policy, as defined in section 2532 or 2532-A, whichever is applicable, were substituted for the nonforfeiture factors in the calculation of the basic cash value.

5. All adjusted premiums and present values referred to in this section are for a particular policy calculated on the same mortality and interest bases as are used in demonstrating the policy's compliance with the other sections of the Standard Nonforfeiture Law for Life Insurance. The cash surrender values referred to in this section must include any endowment benefits provided for by the policy.

6. Any cash surrender value available other than in the event of default in a premium payment due on a policy anniversary, and the amount of any paid-up nonforfeiture benefit available under the policy in the event of default in a premium payment must be determined in manners consistent with the manners specified for determining the analogous minimum amounts in sections 2529 to 2532-A and section 2533. The amounts of any cash surrender values and of any paid-up nonforfeiture benefits granted in connection with additional benefits such as those listed in section 2533, subsections 1 to 6, must conform with the principles of this section.

SECTION HISTORY

§2534. Exceptions

Sections 2529 to 2534 do not apply to any of the following: [RR 1993, c. 1, §61 (COR).]

1. Reinsurance;
2. Group insurance;
3. Pure endowment;
4. Annuity or reversionary annuity contract;
5. Any term policy of uniform amount, which provides no guaranteed nonforfeiture or endowment benefits, or renewal thereof, of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy;
6. Any term policy of decreasing amount, which provides no guaranteed nonforfeiture or endowment benefits, on which each adjusted premium, calculated as specified in sections 2532 and 2532-A, is less than the adjusted premium so calculated, on a term policy of uniform amount, or renewal thereof, which provides no guaranteed nonforfeiture or endowment benefits, issued at the same age and for the same initial amount of insurance and for a term of 20 years or less expiring before age 71, for which uniform premiums are payable during the entire term of the policy;
7. Any policy, which provides no guaranteed nonforfeiture or endowment benefits, for which no cash surrender value, if any, or present value of any paid-up nonforfeiture benefit, at the beginning of any policy year, calculated as specified in sections 2530 to 2532-A, exceeds 2 1/2% of the amount of insurance at the beginning of the same policy year; or
8. Any policy that is delivered outside this State through an agent or other representative of the insurer issuing the policy.

For purposes of the Standard Nonforfeiture Law for Life Insurance, the age at expiry for a joint term life insurance policy is the age at expiry of the oldest life.

§2536. Participating, nonparticipating policies -- right to issue
A life insurer may issue policies on either the participating basis or the nonparticipating basis, or on both bases, if the right or absence of right of participation is reasonably related to the premium charged and the insurer is otherwise not in violation of sections 2159 (unfair discrimination -- life insurance, annuities, and health insurance) or 2160 (rebates -- life, health and annuity contracts). [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§2537. Separate accounts

1. Any domestic insurer may establish one or more separate accounts, including that type known as a unit investment trust, as defined by the Investment Company Act of 1940, Stat. 789, 15 U.S.C. § 80a, et seq., as amended, and may allocate to such separate accounts, in accordance with the terms of a written contract or agreement or annuity or pension, profitsharing or retirement plan, whether or not qualified under the applicable provisions of the Internal Revenue Code, 68A Stat. 1, 26 U.S.C. § 1, et seq., as amended, with any individual or any group, any amounts, including without limitation proceeds applied under optional modes of settlement or under dividend options, paid or remitted to or held by the insurer which are to be applied to provide for life insurance or annuities and benefits incidental thereto, payable in fixed and guaranteed or variable dollar amounts, or both. [PL 1973, c. 560, §3 (AMD).]

2. The amounts allocated to each account of that type and accumulations thereon may be invested and reinvested as provided in section 1159 (special investments: separate accounts). Amounts allocated to a separate account in the exercise of the power granted by this section shall be owned by the insurer, and the insurer shall not be, nor hold itself out to be, a trustee with respect to those amounts. [PL 1987, c. 399, §15 (AMD).]

3. The income, gains and losses, realized or unrealized, from assets allocated to a separate account shall be credited to or charged against the separate account, without regard to other income, gains or losses of the insurer. If and to the extent so provided under the applicable contracts, that portion of the assets of any such separate account equal to the reserves and other contract liabilities with respect to such account shall not be chargeable with liabilities arising out of any other business the insurer may conduct. [PL 1973, c. 560, §5 (AMD).]

4. Unless otherwise approved by the superintendent, assets allocated to a separate account shall be valued at their market value on the date of that valuation, or if there is no readily available market, then in accordance with the terms of the contract or the rules or other written agreement applicable to that separate account; except that, unless otherwise approved by the superintendent, the portion of the assets of that separate account at least equal to the insurer's reserve liability with regard to the guaranteed benefits and funds referred to in section 1159, if any, shall be valued in accordance with rules otherwise applicable to the insurer's assets. [PL 1987, c. 399, §16 (AMD).]

5. If the contract or agreement provides for payment of benefits in variable amounts, it shall contain a statement of the essential features of the procedure to be followed by the insurer in determining the dollar amount of such variable benefits. Any such contract or agreement, under which the benefits vary to reflect investment experience, including a group agreement and any certificate in evidence of variable benefits issued thereunder, shall state that such dollar amount will so vary and shall contain on its first page a statement that the benefits thereunder are on a variable basis. [PL 1973, c. 560, §7 (AMD).]

6. No insurer shall deliver or issue for delivery within this State any contract or agreement providing benefits in variable amounts under this section unless it is duly authorized to conduct a life
insurance or annuity business within this State and has satisfied the superintendent that its condition or methods of operation in connection with the issuance of such contracts or agreements will not render its operation hazardous to the public or its policyholders in this State. In determining the qualification of an insurer requesting such authority, the superintendent shall consider, among other things:

A. The history and financial condition of the insurer; [PL 1969, c. 132, §1 (NEW).]

B. The character, responsibility and general fitness of the officers and directors of the insurer; and [PL 1969, c. 132, §1 (NEW).]

C. The law and regulation under which the insurer is authorized in the state of domicile to issue variable contracts. [PL 1973, c. 560, §8 (RPR).]

An insurer which issues variable contracts and which is a subsidiary of, or affiliated through common management or ownership with, another life insurer authorized to transact business in this State may be deemed by the superintendent to have met the provisions of this subsection, if either it or the parent or affiliated insurer meets the requirements hereof. [PL 1973, c. 585, §12 (AMD).]

7. Any insurer which establishes one or more separate accounts pursuant to subsection 1, to the extent it deems necessary to comply with the Investment Company Act of 1940, 54 Stat. 789, 15 U.S.C. § 80a, et seq., as amended, may amend its charter to provide, with respect to any separate account or any portion thereof, for the benefit of persons having beneficial interests therein, special voting and other rights and special procedures for the conduct of the business and affairs of such separate account or portion thereof, including without limitation special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and selection of a committee, the members of which need not be otherwise affiliated with the insurer, to manage the business and affairs of such separate account or portion thereof. In addition, the insurer may make such other provisions in respect to the separate account, as the insurer may deem appropriate to facilitate compliance with any requirements of, or pursuant to, any federal or state law, now or hereafter in effect. However, this subsection shall not in any manner affect existing laws pertaining to the voting rights of the policyholders of the insurer. [PL 1969, c. 132, §1 (NEW).]

8. No sale, exchange or other transfer of assets may be made by an insurer between any of its separate accounts or between any other investment account and one or more of its separate accounts unless, in case of a transfer into a separate account, such transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless such transfer, whether into or from a separate account is made,

A. By a transfer of cash, or [PL 1969, c. 132, §1 (NEW).]

B. By a transfer of securities having a readily determinable market value, provided that such transfer of securities is approved by the superintendent. The superintendent may approve other transfers among such accounts if, in his opinion, such transfers would not be inequitable. [PL 1973, c. 585, §12 (AMD).]

9. The insurer shall not, in connection with the allocation of investments or expenses, or in any other respect, discriminate unfairly between separate accounts or between separate and other accounts, but this subsection shall not require the insurer to follow uniform investment policies for its accounts. [PL 1969, c. 132, §1 (NEW).]

10. A variable annuity contract delivered or issued for delivery in this State may include as an incidental benefit a provision for payment on death during the deferred period of an amount equal to either the value of the contract at the time of death or the sum of the premiums less adjusted withdrawals from the policy, whichever is greater. The beneficiary under the contract may not be paid any other
amount. A variable annuity contract that includes such incidental benefit may not be deemed to be life insurance and therefore is not subject to the provisions of this Title governing life insurance contracts. A variable annuity contract with a provision for any other benefit on death during the deferred period is subject to the provisions of this Title governing life insurance contracts. A payment on death pursuant to a variable annuity contract under this subsection must be made in accordance with section 2436. This subsection applies to variable annuity contracts delivered or issued for delivery in this State on or after January 1, 2009.

[PL 2011, c. 163, §1 (AMD).]

11. Notwithstanding any other provision of law, the superintendent shall have sole authority to regulate the issuance and sale of variable contracts and to promulgate such rules and regulations as may be necessary for the effectuation of this section.

[PL 1973, c. 585, §12 (AMD).]

12. Except for sections 2505, 2510, 2511, 2512, 2528 to 2534 and 2614, in the case of a variable life insurance policy and except as otherwise provided in this section, all pertinent provisions of this Title shall apply to separate accounts and contracts relating thereto. Any individual variable life insurance contract, delivered or issued for delivery in this State, shall contain grace, reinstatement and nonforfeiture provisions appropriate to such a contract. Any individual variable annuity contract, delivered or issued for delivery in this State, shall contain grace and reinstatement provisions appropriate to such a contract. Any group variable life insurance contract, delivered or issued for delivery in this State, shall contain grace provisions appropriate to such a contract. The reserve liability for variable contracts shall be established in accordance with actuarial procedures that recognize the variable nature of the benefits provided and any mortality guarantees.

[PL 1973, c. 560, §11 (RPR).]

SECTION HISTORY

§2538. Prohibited policy plans

1. No life insurer shall hereafter deliver or issue for delivery in this State:

A. As part of or in combination with any life insurance, endowment or annuity contract, any agreement or plan, additional to the rights, dividends, and benefits arising out of any such contract, which provides for the accumulation of profits over a period of years and for payment of all or any part of such accumulated profits only to members or policyholders of a designated group or class who continue as members or policyholders until the end of a specified or ascertainable period of years. [PL 1969, c. 132, §1 (NEW).]

B. Any "registered" policy; that is, any policy (other than one "registered" as a security under applicable State law) purporting to be "registered" or otherwise specially recorded, with any agency of the State of Maine, or of any other state, or with any bank, trust company, escrow company, or other institution other than the insurer; or purporting that any reserves, assets or deposits are held, or will be so held, for the special benefit or protection of the holder of such policy, by or through any such agency or institution. [PL 1969, c. 132, §1 (NEW).]

C. Any policy or contract under which any part of the premium or of funds or values arising from the policy or contract or from investment of reserves, or from mortality savings, lapses or surrenders, in excess of the normal reserves or amounts required to pay death, endowment, and nonforfeiture benefits in respective amounts as specified in or pursuant to the policy or contract, are on a basis not involving insurance or life contingency features,

(1) To be placed in special funds or segregated accounts or specially designated places or
(2) To be invested in specially designated investments or types thereof, and the funds or earnings thereon to be divided among the holders of such policies or contracts, or their beneficiaries or assignees. This provision does not apply as to any contract authorized under section 2537. [PL 1969, c. 132, §1 (NEW).]

D. Any policy which provides that on the death of anyone not specifically named therein the owner or beneficiary shall receive the payment or granting of anything of value. This provision shall not prohibit family policies insuring unspecified members of a family, nor prohibit payment to unspecified beneficiaries of a class designated by the insured or policy owner. [PL 1969, c. 132, §1 (NEW).]

E. Any policy providing benefits or values for surviving or continuing policyholders contingent upon the lapse or termination of the policies of other policyholders, whether by death or otherwise. [PL 1969, c. 132, §1 (NEW).]

F. Any policy, other than as authorized under section 2537 (separate accounts), containing or referring to one or more of the following provisions or statements:

   (1) Investment returns or profit-sharing, other than as a participation in the divisible surplus of the insurer under a regular participation provision as provided for in section 2509.

   (2) Special treatment in the determination of any dividend that may be paid as to such policy.

   (3) Reference to premiums as "deposits".

   (4) Relating policyholder interest or returns from such policy or contract to those of stockholders.

   (5) That the policyholder as a member of a select group will be entitled to extra benefits or extra dividends not available to policyholders generally. [PL 1969, c. 132, §1 (NEW).]

2. This section shall not be deemed to prohibit the provision, payment, allowance or apportionment of regular dividends or "savings" under regular participating forms of policies or contracts. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§2539. Holding proceeds of policies in trust

1. Any domestic life insurer shall have power to hold the proceeds of any policy issued by it under a trust or other agreement upon such terms and restrictions as to revocation by the policyholder and control by the beneficiaries and with such exemptions from the claims of creditors of beneficiaries other than the policyholder as shall have been agreed to in writing by the insurer and the policyholder. [PL 1969, c. 132, §1 (NEW).]

2. The insurer shall not be required to segregate funds so held but may hold them as a part of its general corporate assets. [PL 1969, c. 132, §1 (NEW).]

3. A foreign or alien insurer, when authorized by its charter or the laws of its domicile, may exercise any such powers with respect to policies issued to or held by residents of this State. [PL 1969, c. 132, §1 (NEW).]

4. Nothing in this section shall be construed to subject any such insurer to any other laws or requirements of this State which would not be deemed applicable in the absence of this section. [PL 1969, c. 132, §1 (NEW).]
§2540. "Wholesale life insurance" defined

"Wholesale life insurance" is that plan of life insurance, other than salary savings life insurance or pension trust insurance and annuities, under which individual policies are issued to the employees of any employer and where such policies are issued on the lives of not less than 3 employees at date of issue. Premiums for such policies shall be paid either wholly from the employer's funds, or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. In addition to the wholesale plans referred to in this section, wholesale life insurance may also be issued to any group of persons eligible for franchise health insurance under section 2740, subject to the terms and conditions of that section. [PL 1979, c. 141 (AMD).]

SECTION HISTORY

§2541. Short title

Sections 2541 to 2551 shall be known as the "Standard Nonforfeiture Law for Individual Deferred Annuities." [PL 1979, c. 442, §4 (NEW).]

SECTION HISTORY
PL 1979, c. 442, §4 (NEW).

§2542. Applicability

Sections 2541 to 2551 shall not apply to any reinsurance, group annuity purchased under a retirement plan or plan of deferred compensation established or maintained by an employer, including a partnership or sole proprietorship, or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under the United States Internal Revenue Code, Section 408, as now or hereafter amended, premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this State through an agent or other representative of the company issuing the contract. [PL 1979, c. 442, §4 (NEW).]

SECTION HISTORY
PL 1979, c. 442, §4 (NEW).

§2543. Nonforfeiture provisions

1. In the case of contracts issued on or after January 1, 1980, no contract of annuity, except as stated in section 2542, shall be delivered in this State unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the superintendent are at least as favorable to the contract holder, upon cessation of payment of considerations under the contract:

A. Upon cessation of payment of considerations under a contract, the insurer will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in sections 2545 to 2548 and section 2550; [PL 1979, c. 442, §4 (NEW).]

B. If a contract provides for a lump sum settlement at maturity, or at any other time, upon surrender of the contract at or prior to the commencement of any annuity payments, the insurer will pay in lieu of any paid-up annuity benefit a cash surrender benefit of such amount as is specified in sections 2545 to 2548 and section 2550. The insurer shall reserve the right to defer the payment of the cash surrender benefit for a period of 6 months after demand therefor with surrender of the contract; [PL 1979, c. 442, §4 (NEW).]
C. A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of the benefits; and [PL 1979, c. 442, §4 (NEW).]

D. A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which the benefits are altered by the existence of any additional amounts credited by the insurer to the contract, any indebtedness to the insurer on the contract or any prior withdrawals from or partial surrenders of the contract. [PL 1979, c. 442, §4 (NEW).]

2. Notwithstanding the requirements of sections 2541 to 2551, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of 2 full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to that period would be less than $20 monthly, the insurer may at its option terminate the contract by payment in cash of the then present value of that portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by that payment shall be relieved of any further obligation under that contract. [PL 1979, c. 442, §4 (NEW).]

SECTION HISTORY

PL 1979, c. 442, §4 (NEW).

§2544. Minimum values

The minimum values as specified in sections 2545 to 2548 and section 2550 of any paid-up annuity, cash surrender or death benefits available under an annuity contract must be based upon minimum nonforfeiture amounts as defined in this section. [PL 2003, c. 307, §1 (AMD).]

1. The minimum nonforfeiture amount at any time at or prior to the commencement of any annuity payments must be equal to an accumulation up to that time at a rate of interest as permitted under subsection 1-A of the net considerations, as hereinafter defined, paid prior to that time, decreased by the sum of:

A. Any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest as permitted under subsection 1-A; [PL 2003, c. 307, §1 (AMD).]

B. The amount of any indebtedness to the insurer on the contract, including interest due and accrued; [PL 2003, c. 307, §1 (AMD).]

C. An annual contract charge of $50, accumulated at a rate of interest as permitted under subsection 1-A; and [PL 2003, c. 307, §1 (NEW).]

D. Any premium tax paid by the insurer for the contract, accumulated at a rate of interest as permitted under subsection 1-A. [PL 2003, c. 307, §1 (NEW).]

The net considerations for a given contract year used to define the minimum nonforfeiture amount must be an amount equal to 87 1/2% of the gross considerations credited to the contract during that contract year. [PL 2003, c. 307, §1 (AMD).]

1-A. The rate of interest used in determining minimum nonforfeiture amounts must be determined in accordance with the following requirements and specified in any contract providing for recalculation of the rate of interest permitted under this subsection.

A. The rate of interest must be an annual rate of interest determined as the lesser of 3% per annum and the 5-year Constant Maturity Treasury Rate reported by the Federal Reserve rounded to the nearest 1/20th of 1% as of a date, or average over a period, specified in the contract that is no later than 15 months prior to the contract issue date or the redetermination date decreased by 125 basis points as long as the resulting rate of interest is not less than 1%. [PL 2003, c. 307, §1 (NEW).]

B. The rate of interest applies for an initial period and may be redetermined for additional periods. The redetermination date, basis and period, if any, must be stated in the contract. The basis is the date or average over a specified period that produces the value of the 5-year Constant Maturity Treasury Rate to be used at each redetermination date. [PL 2003, c. 307, §1 (NEW).]

C. During the period or term that a contract provides substantive participation in an equity indexed benefit, the contract may increase the reduction described in paragraph A by up to an additional 100 basis points to reflect the value of the equity indexed benefit. The present value at the contract issue date, and at each redetermination date thereafter, of the additional reduction may not exceed the market value of the benefit. The superintendent may require a demonstration that the present value of the additional reduction does not exceed the market value of the benefit and may disallow or limit the reduction if such a demonstration is not accepted. [PL 2003, c. 307, §1 (NEW).]

D. The superintendent may adopt rules to implement this subsection and to provide for further adjustments to the minimum nonforfeiture amounts for contracts providing for substantive participation in an equity indexed benefit and for contracts for which the superintendent determines adjustments are appropriate. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2003, c. 307, §1 (NEW).]

§2545. Computation of present value

Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at least equal to the minimum nonforfeiture amount on that date. The present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract. [PL 1979, c. 442, §4 (NEW).]

SECTION HISTORY

§2546. Calculation of cash surrender values

For contracts that provide cash surrender benefits, the cash surrender benefits available prior to maturity may not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit that would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, the present value being calculated on the basis of an interest rate not more than 1% higher than the interest rate specified in the contract for
accumulating the net considerations to determine the maturity value, decreased by the amount of any indebtedness to the insurer on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the insurer to the contract. In no event may any cash surrender benefit be less than the minimum nonforfeiture amount at that time. The death benefit under the contracts must be at least equal to the cash surrender benefit. [PL 2017, c. 475, Pt. A, §40 (AMD).]

SECTION HISTORY

§2547. Calculation of paid-up annuity benefits

For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a nonforfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, the present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine the maturity value, and increased by existing additional amounts credited by the insurer to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, the present values shall be calculated on the basis of the interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. In no event shall the present value of a paid-up annuity benefit be less than the minimum nonforfeiture amount at that time. [PL 1979, c. 442, §4 (NEW).]

SECTION HISTORY
PL 1979, c. 442, §4 (NEW).

§2548. Maturity date

For the purpose of determining the benefits calculated under section 2546 and 2547, in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's 70th birthday or the 10th anniversary of the contract, whichever is later. [PL 1979, c. 442, §4 (NEW).]

SECTION HISTORY
PL 1979, c. 442, §4 (NEW).

§2549. Disclosure of limited death benefits

Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum nonforfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that those benefits are not provided. [PL 1979, c. 442, §4 (NEW).]

SECTION HISTORY
PL 1979, c. 442, §4 (NEW).

§2550. Inclusion of lapse of time considerations

Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of considerations under the contract occurs. [PL 1979, c. 442, §4 (NEW).]
SECTION HISTORY
PL 1979, c. 442, §4 (NEW).

§2551. Proration of values; additional benefits

For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum nonforfeiture benefits shall be equal to the sum of the minimum nonforfeiture benefits for the annuity portion and the minimum nonforfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of sections 2545 to 2548 and section 2550, additional benefits payable, in the event of total and permanent disability, as reversionary annuity or deferred reversionary annuity benefits, or as other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all these additional benefits, shall be disregarded in ascertaining the minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by sections 2541 to 2551. The inclusion of the additional benefits shall not be required in any paid-up benefits, unless the additional benefits separately would require minimum nonforfeiture amounts, paid-up annuity, cash surrender and death benefits. [PL 1979, c. 442, §4 (NEW).]

B. A provision permitting an adjustable maximum interest rate established from time to time by the life insurer as permitted by law. [PL 1981, c. 188, §4 (NEW).]

[PL 1981, c. 188, §4 (NEW).]

2. The rate of interest charged on a policy loan made under subsection 1, paragraph B, shall not exceed the higher of the following:

A. The published monthly average for the calendar month ending 2 months before the date on which the rate is determined; or [PL 1981, c. 188, §4 (NEW).]
B. The rate used to compute the cash surrender values under the policy during the applicable period plus 1% each year. [PL 1981, c. 188, §4 (NEW).]

3. If the maximum rate of interest is determined pursuant to subsection 1, paragraph B, the policy shall contain a provision setting forth the frequency at which the rate is to be determined for that policy. [PL 1981, c. 188, §4 (NEW).]

4. The maximum rate for each policy shall be determined at regular intervals at least once every 12 months, but not more frequently than once in any 3-month period. At the intervals specified in the policy:

A. The rate being charged may be increased whenever such increase, as determined under subsection 2, would increase that rate by 1/2% or more each year; and [PL 1981, c. 188, §4 (NEW).]

B. The rate being charged shall be reduced whenever such reduction, as determined under subsection 2, would decrease that rate by 1/2% or more each year. [PL 1981, c. 188, §4 (NEW).]

5. The life insurer shall:

A. Notify the policyholder at the time a cash loan is made of the initial rate of interest on the loan; [PL 1981, c. 188, §4 (NEW).]

B. Notify the policyholder, with respect to premium loans, of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan. Notice need not be given to the policyholder when a further premium loan is added, except as provided in paragraph C; [PL 1981, c. 188, §4 (NEW).]

C. Send to policyholders with loans, reasonable advance notice of any increase in the rate; and [PL 1981, c. 188, §4 (NEW).]

D. Include in the notices required under this subsection the substance of the pertinent provisions of subsections 1 and 3. [PL 1981, c. 188, §4 (NEW).]

6. The loan value of the policy shall be determined in accordance with section 2510, but no policy may terminate in a policy year as the sole result of a change in the interest rate during that policy year, and the life insurer shall maintain coverage during that policy year until the time at which it would otherwise have terminated and if there had been no change during that policy year. [PL 1981, c. 188, §4 (NEW).]

7. The substance of the pertinent provisions of subsections 1 and 3 shall be set forth in the policies to which they apply. [PL 1981, c. 188, §4 (NEW).]

8. For purposes of this section:

A. The rate of interest on policy loans permitted under this section includes the interest rate charged on reinstatement of policy loans for the period during and after any lapse of a policy; [PL 1981, c. 188, §4 (NEW).]

B. The term "policy loan" includes any premium loan made under a policy to pay one or more premiums that were not paid to the life insurer as they fell due; [PL 1981, c. 188, §4 (NEW).]

D. The term "policy" includes certificates issued by a fraternal benefit society and annuity contracts which provide for policy loans. [PL 1981, c. 188, §4 (NEW).]

9. No other provision of law may apply to policy loan interest rates unless made specifically applicable to such rates. [PL 1981, c. 188, §4 (NEW).]

§2554. Applicability to existing policies

The provisions of sections 2552 and 2553 shall not impair any insurance contract issued before the effective date of this Act. [PL 1981, c. 188, §4 (NEW).]

§2555. Inclusion of nursing home benefits in life insurance policies

1. In order to offer a life insurance policy providing for acceleration of life insurance or annuity benefits in advance of the time the benefits would otherwise be payable because of confinement to a nursing home or long-term care facility, receipt of home health care or hospice care benefits, diagnosis of terminal illness or for substantially similar reasons, the insurer must have a certificate of authority to transact life or life and health insurance in this State. [PL 1989, c. 26 (NEW).]

2. The superintendent shall promulgate reasonable rules, in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375, to provide for the full and fair disclosure of information in connection with the sale of the policies referred to in subsection 1, and may include, but are not limited to, definitions, acceptable restrictions on benefit payments, coverage periods and nonforfeiture requirements. [PL 1989, c. 26 (NEW).]

§2556. Notification prior to lapse or termination

1. Notice to 3rd party. An individual life insurance policy that has been in force for at least one year may not be terminated for nonpayment of premium unless, at least 21 days prior to the expiration of the grace period, the insurer has mailed a notice of cancellation to the policyholder and any 3rd party designated by the policyholder by name and address in writing. The bureau shall adopt rules to implement the notice requirements under this subsection. [PL 2007, c. 40, §1 (NEW).]

2. Restrictions on lapse or termination; cognitive impairment or functional incapacity. Notwithstanding any other provision of this chapter, an insurer shall provide restrictions on cancellation, termination or lapse of individual life insurance policies in accordance with this subsection to reduce the danger that a life insurance policyholder will lose life insurance coverage when the policyholder suffers from cognitive impairment or functional incapacity and the loss of coverage is due to that cognitive impairment or functional incapacity. Within 90 days after cancellation, termination or lapse of coverage due to nonpayment of premium, a policyholder, a person authorized to act on behalf of the policyholder or a dependent of the policyholder covered under a life insurance policy may request reinstatement on the basis that the loss of coverage was a result of the policyholder's cognitive impairment or functional incapacity. An insurer may request a medical demonstration that the
policyholder suffered from cognitive impairment or functional incapacity at the time of cancellation, termination or lapse. The medical demonstration may be at the expense of the policyholder. A policy reinstated pursuant to this subsection must cover any loss or claim occurring from the date of the termination, cancellation or lapse and must be issued without any evidence of insurability. Within 15 days after request from an insurer, a policyholder of a policy reinstated pursuant to this subsection shall pay any unpaid premium from the date of the last premium payment at the rate that would have been in effect had the policy remained in force. If the premium is not paid as required, the policy may not be reinstated and the insurer is not responsible for claims incurred after the initial date of cancellation, termination or lapse of coverage. If an insurer denies a request for reinstatement, the insurer shall notify the policyholder that the policyholder may request a hearing before the superintendent.

[PL 2011, c. 123, §1 (AMD); PL 2011, c. 123, §5 (AFF).]

3. Rulemaking. The bureau may adopt rules to implement the requirements of this section. The rules adopted pursuant to this subsection apply to all life insurance policies and riders delivered or issued for delivery, continued or renewed in this State. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2011, c. 123, §1 (AMD); PL 2011, c. 123, §5 (AFF).]

[PL 1981, c. 150, §3 (RPR).]

1. The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof. The policy may provide that the term "employees" includes the employees of one or more subsidiary corporations, and the employees, individual proprietors and partners of one or more affiliated corporations, proprietorships or partnerships if the business of the employer and of the affiliated corporations, proprietorships or partnerships is under common control. The policy may provide that the term "employees" includes the individual proprietor or partners if the employer is an individual proprietorship or partnership. The policy may provide that the term "employees" includes retired employees and directors of a corporate employer. 2. The premium for the policy shall be paid either from the employer's funds or from funds contributed by the insured employees, or from both. Except as provided in subsection 3, a policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, except those who reject that coverage in writing. 4. [PL 1981, c. 150, §3 (RP).]

SECTION HISTORY

§2604. Debtor groups

(REPEALED)

SECTION HISTORY

§2604-A. Debtor groups

The lives of a group of individuals may be insured under a policy issued to a creditor or its parent holding company or to a trustee or trustees or agent designated by 2 or more creditors, which creditor, holding company, affiliate, trustee, trustees or agent is considered the policyholder, to insure debtors of the creditor or creditors, subject to the following requirements. [PL 2015, c. 329, Pt. A, §13 (NEW).]
1. The debtors eligible for insurance under the policy are all of the debtors of the creditor or creditors, or all of any class or classes thereof. The policy may provide that the term "debtors" includes:
   
   A. Borrowers of money or purchasers or lessees of goods, services or property for which payment is arranged through a credit transaction; [PL 1981, c. 150, §5 (NEW); PL 1981, c. 175, §2 (NEW).]
   
   B. The debtors of one or more subsidiary corporations; and [PL 1981, c. 150, §5 (NEW); PL 1981, c. 175, §2 (NEW).]
   
   C. The debtors of one or more affiliated corporations, proprietorships or partnerships if the business of the policyholder and of the affiliated corporations, proprietorships or partnerships is under common control. [PL 1981, c. 150, §5 (NEW); PL 1981, c. 175, §2 (NEW).]

2. The premium for the policy shall be paid either from the creditor's funds, or from charges collected from the insured debtors, or from both. Except as provided in subsection 3, a policy on which no part of the premium is to be derived from funds contributed by insured debtors specifically for their insurance must insure all eligible debtors.

3. An insurer may exclude any debtors as to whom evidence of individual insurability is not satisfactory to the insurer.

4. The amount of credit life insurance shall at no time exceed the unpaid amount financed plus earned interest and an allowance for delinquencies as determined by the superintendent or, in the case of open-end credit, the balance upon which a finance charge may be imposed plus earned interest and an allowance for delinquencies as determined by the superintendent. Where the indebtedness is repayable in one sum to the creditor, the insurance on the life of any debtor shall in no instance be in effect for a period in excess of 18 months, except that such insurance may be continued for an additional period not exceeding 6 months in the case of default, extension or recasting of the loan.

5. The insurance may be payable to the creditor or any successor to the right, title and interest of the creditor. The payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of the payment.

6. Notwithstanding the provisions of this section, insurance on agricultural credit transaction commitments may be written up to the amount of the loan commitment on a nondecreasing or level term plan. Insurance on educational credit transaction commitments may be written up to the amount of the loan commitment less the amount of any repayments made on the loan.

7. Notwithstanding subsection 1, in the case of a group policy issued pursuant to this section which provides life insurance on the term plan upon the lives of persons indebted to a creditor, where the indebtedness is secured to the creditor by a mortgage on real estate, where the insurance is afforded on an optional basis and where a separate charge is made to the debtor by the creditor for the insurance, both the debtor and not more than one comaker of the indebtedness are eligible to apply for insurance jointly under the group policy, provided that both of them are individually and jointly liable to repay the indebtedness. This subsection may not be held to restrict the right of an insurer to require satisfactory evidence of insurability of any person requesting the insurance, nor to preclude those exclusions from eligibility for insurance under such a group policy as may be contained therein. Nothing in this subsection may prohibit insurance on the life of one debtor only, if desired by the debtor.

[PL 1991, c. 200, Pt. D, §2 (NEW).]  

2. Refund amounts less than $25 per employee, member or debtor. If the refunds required by subsection 1 would average less than $25 per employee, member or debtor, then the group policyholder may request approval from the superintendent to apply those amounts in a different manner. CHAPTER 32
PREFERRED PROVIDER ARRANGEMENT ACT

§2670. Short title

This chapter may be cited as the "Preferred Provider Arrangement Act." [PL 1999, c. 609, §4 (AMD).]

SECTION HISTORY

§2671. Definitions

As used in this chapter, unless the context indicates otherwise, the following terms have the following meanings. [PL 1985, c. 704, §4 (NEW).]

1. "Administrator" means any person, other than a carrier, that administers a preferred provider arrangement. An administrator does not include a health maintenance organization licensed pursuant to chapter 56 or a nonprofit health care plan regulated by the superintendent pursuant to Title 24. An employer exempt from the applicability of this chapter under the federal Employee Retirement Income Security Act of 1974, 29 United States Code, Sections 1001 to 1461 (1988) is not considered an administrator. [PL 1999, c. 609, §5 (AMD).]

1-A. "Capitation" has the same meaning as defined in section 4331, subsection 2. [PL 1999, c. 609, §5 (NEW).]

2. [PL 1999, c. 609, §5 (RP).]
2-A. "Carrier" means an insurance company licensed in accordance with this Title, a fraternal benefit society authorized pursuant to chapter 55 or a nonprofit hospital or medical service organization licensed pursuant to Title 24. An employer exempted from the applicability of this chapter under the federal Employee Retirement Income Security Act of 1974, 29 United States Code, Sections 1001 to 1461 (1988) is not considered a carrier.

[PL 1999, c. 609, §5 (NEW).]

2-B. "Enrollee" means an individual entitled to reimbursement for expenses of health care services under a health plan.

[PL 1999, c. 609, §5 (NEW).]

3. "Health care services" means health care services or products rendered or sold by a provider within the scope of the provider's legal authorization.

[PL 1985, c. 704, §4 (NEW).]

3-A. "Health plan" means a plan offered or administered by a carrier that provides for the financing or delivery of health care services to persons enrolled in the plan.

[PL 1999, c. 609, §5 (NEW).]

4.

[PL 1999, c. 609, §5 (RP).]

5.

[PL 1999, c. 609, §5 (RP).]

6. "Preferred provider" means a provider who enters into a preferred provider arrangement with an administrator or carrier.

[PL 1999, c. 609, §5 (AMD).]

7. "Preferred provider arrangement" means a contract, agreement or arrangement between a carrier or administrator and a provider in which the provider agrees to provide services to a health plan enrollee whose plan benefits include incentives for the enrollee to use the services of that provider.

[PL 1999, c. 609, §5 (AMD).]

8. "Provider" means an individual or entity duly licensed or otherwise legally authorized to provide health care services, including, but not limited to, the treatment of physical health and mental health and provision for medical supplies and pharmaceutical supplies.

[PL 1999, c. 609, §5 (AMD).]

[PL 1999, c. 609, §5 (AMD).]

SECTION HISTORY

§2672. Selective contracting authorized

Carriers or administrators may enter into preferred provider arrangements with providers of their choice. In selecting preferred providers, carriers or administrators may consider, among other factors, price differences between or among providers, geographic accessibility, specialization and projected utilization by enrollees. Selective contracting does not constitute unreasonable discrimination against or among providers. [PL 1999, c. 609, §6 (AMD).]

SECTION HISTORY

§2673. Policies, agreements or arrangements with incentives or limits on reimbursement authorized
§2673-A. Preferred provider arrangements

1. Filing with superintendent; disapproval. A carrier or administrator who proposes to offer a preferred provider arrangement shall file with the superintendent proposed agreements, rates, geographic service areas, provider networks and other materials relevant to the proposed arrangement. The superintendent shall disapprove any preferred provider arrangement if the arrangement contains any unjust, unfair or inequitable provisions; unreasonably restricts access and availability of health care services; or fails to comply with other requirements of this chapter, chapter 56-A or rules adopted by the superintendent. [PL 1999, c. 609, §8 (NEW).]

2. Considered separate preferred provider arrangements. If health plans offered by the same carrier have different geographic service areas, or if there are preferred providers in one health plan who are nonpreferred providers in another health plan offered by the same carrier or administered by the same administrator or who are in a different preference tier if the plan is a mult-tier plan, then the plans represent different preferred provider arrangements and must be separately filed and approved. [PL 1999, c. 609, §8 (NEW).]

3. Rules. Preferred provider arrangements offered by carriers that are subject to chapter 56-A must be in compliance with applicable provisions of that chapter and any rules adopted under that chapter. Employer-sponsored plans that are exempt from this chapter pursuant to federal law and administrators offering preferred provider arrangements to employer-sponsored plans are not subject to the provisions of chapter 56-A or rules adopted under that chapter, provided either the administrator or any other participating entity, other than the self-insured employer, does not undertake insurance risk. The superintendent may adopt rules establishing procedures for filing and approval of preferred provider arrangements, including the time period within which the superintendent must act on a completed application; specific criteria for determining when a term or condition is unjust, unfair or inequitable or has the effect of unreasonably restricting access and availability to health care services; and standards consistent with this chapter and chapter 56-A for the ongoing operation and oversight of approved provider arrangements. The rules may prohibit the carrier from applying a benefit level differential to enrollees who must travel an unreasonable distance to obtain the service. Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A. [PL 1999, c. 609, §8 (NEW).]

§2674. Requirements applicable to administrators

(REPEALED)

§2674-A. Requirements for administrators and carriers

1. Registration fee. All administrators of a preferred provider arrangement shall register with the superintendent and pay an annual registration fee pursuant to section 601, subsection 20. The superintendent shall by rule establish criteria for the registration, including minimum solvency requirements. Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A.

(REPEALED)
2. **Compilation of current listing.** The bureau shall compile and maintain a current listing of administrators and carriers offering preferred provider arrangements authorized under this chapter. [PL 1999, c. 609, §10 (NEW).]

3. **Prohibition against insurance risk.** Except as specifically authorized in section 2676, an administrator may provide administrative services only and may not accept insurance risk. [PL 1999, c. 609, §10 (NEW).]

4. **Approval required before marketing or making available.** A carrier may not issue a health plan incorporating a preferred provider arrangement and an administrator may not market or otherwise make available a preferred provider arrangement until the superintendent pursuant to section 2673-A has approved the arrangement. [PL 1999, c. 609, §10 (NEW).]

5. **Registration as insurance administrator.** In addition to meeting the requirements of the preferred provider arrangement, each preferred provider administrator who directly or indirectly transfers funds, manages funds, adjusts claims or asserts control over the transfer of funds for the purpose of payment of provider services shall register with the superintendent as an insurance administrator pursuant to chapter 18. [PL 1999, c. 609, §10 (NEW).]

6. **Provision of document to beneficiary.** Each preferred provider administrator shall inform all carriers that the carriers must provide to each enrollee of any health plan subject to this chapter a plan description that complies with the requirements of and rules adopted under chapter 56-A, subchapter I. [PL 1999, c. 609, §10 (NEW).]

### §2675. Requirements applicable to insurers

(REPEALED)

### §2676. Risk transfer

Preferred provider arrangements may include capitated payments that are limited to the health services provided by the provider. [PL 1999, c. 609, §12 (AMD).]

Preferred provider arrangements may embody risk transfer between carriers and providers in accordance with the provisions of chapter 56-A, subchapter III. Any other acceptance of insurance risk by a person that does not hold a valid certificate of authority or license and is not exempt by law from licensure constitutes the unauthorized transaction of insurance within the meaning of section 404 and chapter 21. [PL 1999, c. 609, §12 (NEW).]

### §2677. Alternative health care benefits

(REPEALED)
§2677-A. Payment for nonpreferred providers

1. Nonpreferred providers. A carrier incorporating a preferred provider arrangement into a health plan shall provide for payment of covered health care services rendered by providers that are not preferred providers. [PL 1999, c. 609, §14 (NEW).]

2. Benefit level. The benefit level differential between services rendered by preferred providers and nonpreferred providers may not exceed 20% of the allowable charge for the service rendered, except that the superintendent may waive this requirement for a given benefit plan. Compliance with this requirement for a given benefit plan may be demonstrated on an aggregate basis. This demonstration of compliance must be based on a reasonably anticipated mix of claims certified by a qualified actuary who is a member of the American Academy of Actuaries or a successor organization. As used in this subsection, "allowable charge" means the amount that would be payable for services under the preferred provider arrangement including deductible and coinsurance amounts. [PL 2001, c. 369, §3 (AMD).]

§2678. Annual experience report

On or before April 1st of each year, an administrator or carrier who issues or administers a program, policy or contract in this State that includes incentives for the enrollee to use the services of a provider who has entered into an agreement with the carrier or administrator shall file a report of its activities for the preceding year with the superintendent. The report must be in the form prescribed by the superintendent and at a minimum must contain the following: [PL 1999, c. 609, §15 (AMD).]

1. A provider directory that includes the name, address and scope of license of each preferred provider; and [PL 1999, c. 609, §15 (AMD).]

2. [PL 1999, c. 609, §15 (RP).]

3. Annual information specified in chapter 56-A or rules adopted under that chapter. Annual information reported to the superintendent pursuant to chapter 56-A under another license must be referenced in the report and not reported in a duplicate manner. [PL 1999, c. 609, §15 (NEW).]

§2696. Preexisting conditions

1. **Exclusion based on preexisting condition limited after 12 months.** Notwithstanding the provisions of section 2706, subsection 2, division (b), if an insurer elects to use a simplified application or enrollment form, with or without a question as to the prospective insured's health at the time of application or enrollment but without any questions concerning the prospective insured's health history or medical treatment history, the policy must cover any loss occurring after the policy has been in force for 12 months from any preexisting condition not specifically excluded from coverage by terms of the policy, and, except for such specific exclusions, the policy or certificate may not include wording that would permit a defense based upon preexisting conditions, other than rescission for affirmative misrepresentations, after it has been in force for 12 months. [PL 2001, c. 410, Pt. C, §1 (NEW).]

2. **Exclusion based on preexisting condition limited after 6 months.** Notwithstanding the provisions of subsection 1 and section 2706, subsection 2, division (b), an insurer that issues a specified disease policy or certificate may not deny a claim for any covered loss that begins after the policy or certificate has been in force for at least 6 months, unless that loss results from a preexisting condition that was diagnosed by a physician before the date of application for coverage or that first manifested itself within the 6 months immediately preceding the application date. Other defenses based upon preexisting conditions are not permitted except for rescission for misrepresentation. This subsection applies regardless of whether the policy or certificate is issued on the basis of a detailed application form, a simplified application form or an enrollment form.

SECTION HISTORY

§2703. Scope, format of policy

No policy of health insurance shall be delivered or issued for delivery to any person in this State unless it otherwise complies with this Title, and complies with the following: [PL 1969, c. 132, §1 (NEW).]

1. The entire money and other considerations therefore shall be expressed therein;

2. The time when the insurance takes effect and terminates shall be expressed therein;

3. It shall purport to insure only one person, except that a policy may insure, originally or by subsequent amendment, upon the application of an adult member of a family, who shall be deemed the policyholder, any 2 or more eligible members of that family, including husband, wife, dependent children or any children under a specified age which shall not exceed 23 years and any other person dependent upon the policyholder;

4. The style, arrangement and overall appearance of the policy shall give no undue prominence to any portion of the text, and every printed portion of the text of the policy and of any endorsements or attached papers shall be plainly printed in light-faced type of a style in general use, the size of which shall be uniform and not less than ten-point with a lower case unspaced alphabet length not less than one hundred and twenty-point; the "text" shall include all printed matter except the name and address of the insurer, name or title of the policy, the brief description, if any, and captions and subcaptions;

5. The exceptions and reductions of indemnity shall be set forth in the policy and, other than those contained in sections 2705 to 2729, shall be printed, at the insurer's option, either included with the benefit provision to which they apply, or under an appropriate caption such as "Exceptions", or "Exceptions and Reductions", except that if an exception or reduction specifically applies only to a particular benefit of the policy, a statement of such exception or reduction shall be included with the benefit provision to which it applies;
6. Each such form, including riders and endorsements, shall be identified by a form number in the lower left-hand corner of the first page thereof; and

7. The policy shall contain no provision purporting to make any portion of the charter, rules, constitution or bylaws of the insurer a part of the policy unless such portion is set forth in full in the policy, except in the case of the incorporation of, or reference to, a statement of rates or classification of risks, or short-rate table filed with the superintendent.

SECTION HISTORY

§2704. Required provisions; captions -- omissions -- substitutions

1. Except as provided in subsection 2, each such policy delivered or issued for delivery to any person in this State shall contain the provisions specified in sections 2705 to 2716, in the words in which the same appear; except that the insurer may, at its option, substitute for one or more of such provisions corresponding provisions of different wording approved by the superintendent which are in each instance not less favorable in any respect to the insured or the beneficiary. Each such provision shall be preceded individually by the applicable caption shown, or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the superintendent may approve.

2. If any such provision is in whole or in part inapplicable to or inconsistent with the coverage provided by a particular form of policy, the insurer, with the approval of the superintendent, shall omit from such policy any inapplicable provision or part of a provision, and shall modify any inconsistent provision or part of a provision in such manner as to make the provision as contained in the policy consistent with the coverage provided by the policy.

SECTION HISTORY

No agent has authority to change this policy or to waive any of its provisions.

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§2706. Time limit on certain defenses

There shall be a provision as follows:

Time limit on certain defenses: (a) After 3 years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability, as defined in the policy, commencing after the expiration of such 3-year period.
1. The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial 3-year period, nor to limit the application of sections 2717 through 2723 in the event of misstatement with respect to age or occupation or other insurance.  
[PL 1969, c. 132, §1 (NEW).]

2. A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium 1 until at least age 50 or, 2 in the case of a policy issued after age 44, for at least 5 years from its date of issue, may contain in lieu of the foregoing the following provision, from which the clause in parentheses may be omitted at the insurer's option, under the caption "Incontestable:"  
[PL 1969, c. 132, §1 (NEW).]

After this policy has been in force for a period of 3 years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestable as to the statements contained in the application.  
[PL 1969, c. 132, §1 (NEW).]

(b) No claim for loss incurred or disability, as defined in the policy, commencing after 3 years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.  
[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

[PL 1969, c. 132, §1 (NEW).]

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision:  
[PL 1969, c. 132, §1 (NEW).]

Unless not less than 30 days prior to the premium due date the insurer has delivered to the insured or has mailed to his last address as shown by the records of the company written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.  
[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§2707-A. Notification prior to cancellation; restrictions on lapse or termination due to cognitive impairment or functional incapacity

An insurer shall provide for notification of the insured person and another person, if designated by the insured, prior to cancellation of a health insurance policy for nonpayment of premium.  
[PL 2011, c. 123, §2 (AMD); PL 2011, c. 123, §5 (AFF).]

Within 90 days after cancellation due to nonpayment of premium, a policyholder, a person authorized to act on behalf of the policyholder or a dependent of the policyholder covered under a health insurance policy or certificate may request reinstatement on the basis that the loss of coverage was the result of the policyholder's cognitive impairment or functional incapacity. An insurer may require a medical demonstration that the policyholder suffered from cognitive impairment or functional incapacity at the time of cancellation. If the medical demonstration is waived or substantiates the existence of a cognitive impairment or functional incapacity at the time of policy cancellation to the
satisfaction of the insurer, the policy must be reinstated. The medical demonstration may be at the expense of the policyholder. [PL 2011, c. 123, §2 (NEW); PL 2011, c. 123, §5 (AFF).]

A policy reinstated pursuant to this section must cover any loss or claim occurring from the date of the cancellation. Within 15 days after request from an insurer, a policyholder of a policy reinstated pursuant to this section shall pay any unpaid premium from the date of the last premium payment at the rate that would have been in effect had the policy remained in force. If the premium is not paid as required, the policy may not be reinstated and the insurer is not responsible for claims incurred after the initial date of cancellation. If an insurer denies a request for reinstatement, the insurer shall notify the policyholder that the policyholder may request a hearing before the superintendent. [PL 2011, c. 123, §2 (NEW); PL 2011, c. 123, §5 (AFF).]

The superintendent may adopt rules to implement the requirements of this section. The rules may include, but are not limited to, definitions, minimum disclosure requirements, notice provisions and the right of reinstatement. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2011, c. 123, §2 (AMD); PL 2011, c. 123, §5 (AFF).]

SECTION HISTORY

1. There shall be a provision as follows:

Reinstatement: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; provided, however, that if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the 45th day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed herein or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than 60 days prior to the date of reinstatement. [PL 1969, c. 132, §1 (NEW).]

2. The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums

Notice given by or on behalf of the insured or the beneficiary to the insurer at (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

[PL 1969, c. 132, §1 (NEW).]

2. In a policy providing a loss-of-time benefit which may be payable for at least 2 years, an insurer may at its option insert the following between the first and 2nd sentence of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least 2 years, he shall, at least once in every 6 months after having given notice of the claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of 6 months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of six months preceding the date on which such notice is actually given.

Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required. [PL 1969, c. 132, §1 (NEW).]

at the option of the company, be paid either to such beneficiary or to such estate. All other indemnities
will be payable to the insured.

[PL 1969, c. 132, §1 (NEW).]

2. The following provisions, or either of them, may be included with the foregoing provision at
the option of the insurer:

beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay
such indemnity, up to an amount not exceeding $ (insert an amount which shall not exceed

2. Change in terms and conditions. An explanation of any proposed change in the terms and

For claims filed after January 1, 2006, an insurer that is entitled to reduce disability income benefit payments when the insured receives income from other sources and that is entitled to recover overpayments through offsets against current payments to the insured may not recover such overpayments at a rate greater than 20% of the net benefit per benefit payment period unless:

SECTION HISTORY

§2719. Change of occupation

There may be a provision as follows:

Change of occupation: If the insured be injured or contract sickness after having changed his
occupation to one classified by the company as more hazardous than that stated in this policy or while
doing for compensation anything pertaining to an occupation so classified, the insurer will pay only
such portion of the indemnities provided in this policy as the premium paid would have purchased at
the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured
changes his occupation to one classified by the insurer as less hazardous than that stated in this policy,
the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate
accordingly, and will return the excess pro rata unearned premium from the date of change of
occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever
is the more recent. In applying this provision, the classification of occupational risk and the premium
rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the
insurer is liable or prior to date of proof of change in occupation with the state official having
supervision of insurance in the state where the insured resided at the time this policy was issued; but if
such filing was not required, then the classification of occupational risk and the premium rates shall be
those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the
date of proof of change in occupation. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§2722. Insurance with other insurers, provision of service or expense incurred basis

1. There may be a provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on a provision of service basis or on an expense incurred basis and of which this insurer has not been given written notice prior to the occurrence or commencement of loss, the only liability under any expense incurred coverage of this policy shall be for such proportion of the loss as the amount which would otherwise have been payable hereunder plus the total of the like amounts under all such other valid coverages for the same loss of which this insurer had notice bears to the total like amounts under all valid coverages for such loss, and for the return of such portion of the premiums paid as shall exceed the pro rata portion for the amount so determined. For the purpose of applying this provision when other coverage is on a provision of service basis, the "like amount" of such other coverage shall be taken as the amount which the services rendered would have cost in the absence of such coverage.

[PL 1969, c. 132, §1 (NEW).]

2. If the foregoing policy provision is included in a policy which also contains the policy provision set out in section 2723 there shall be added to the caption of the foregoing provision the phrase "-- expense incurred benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the superintendent, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and by hospital or medical service organizations, and to any other coverage the inclusion of which may be approved by the superintendent. In the absence of such definition such term shall not include group insurance, automobile medical payments insurance, or coverage provided by hospital or medical service organization or by union welfare plans or employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute, including any workers' compensation or employer's liability statute, whether provided by a governmental agency or otherwise shall be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage."

[PL 1989, c. 502, Pt. A, §95 (AMD).]

SECTION HISTORY

§2723. Insurance with other insurers -- other benefits

1. There may be a provision as follows:

Insurance with other insurers: If there be other valid coverage, not with this insurer, providing benefits for the same loss on other than an expense incurred basis and of which this insurer has not been given
written notice prior to the occurrence or commencement of loss, the only liability for such benefits under this policy shall be for such proportion of the indemnities otherwise provided hereunder for such loss as the like indemnities of which the insurer had notice, including the indemnities under this policy, bear to the total amount of all like indemnities for such loss, and for the return of such portion of the premium paid as shall exceed the pro rata portion for the indemnities thus determined.

[PL 1969, c. 132, §1 (NEW).]

2. If the foregoing policy provision is included in a policy which also contains the policy provision set out in section 2722, there shall be added to the caption of the foregoing provision the phrase "other benefits." The insurer may, at its option, include in this provision a definition of "other valid coverage," approved as to form by the superintendent, which definition shall be limited in subject matter to coverage provided by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, and to any other coverage the inclusion of which may be approved by the superintendent. In the absence of such definition such term shall not include group insurance, or benefits provided by union welfare plans or by employer or employee benefit organizations. For the purpose of applying the foregoing policy provision with respect to any insured, any amount of benefit provided for such insured pursuant to any compulsory benefit statute, including any workers' compensation or employer's liability statute, whether provided by a governmental agency or otherwise shall in all cases be deemed to be "other valid coverage" of which the insurer has had notice. In applying the foregoing policy provision no third party liability coverage shall be included as "other valid coverage."

[PL 1989, c. 502, Pt. A, §96 (AMD).]

SECTION HISTORY

§2723-A. Coordination of benefits

1. Authorization. There may be a provision for coordination of benefits payable under the policy and under other plans of insurance or health care coverage, in conformance with rules adopted by the superintendent to establish uniformity in the permissive use of coordination of benefits provisions in order to avoid claim delays and misunderstandings that otherwise result from the use of inconsistent or incompatible provisions among the several insurers and nonprofit hospital or medical service organization plans and nonprofit health care organization plans. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.

[PL 1999, c. 256, Pt. N, §1 (NEW).]

2. Coordination with Medicare. Coordination of benefits with Medicare is governed by the following provisions.

A. The policy may not coordinate benefits with Medicare Part A unless:

(1) The insured is enrolled in Medicare Part A;

(2) The insured was previously enrolled in Medicare Part A and voluntarily disenrolled;

(3) The insured stated on an application or other document that the insured was enrolled in Medicare Part A; or

(4) The insured is eligible for Medicare Part A without paying a premium and the policy states that it will not pay benefits that would be payable under Medicare even if the insured fails to exercise the insured's right to premium-free Medicare Part A coverage. [PL 1999, c. 256, Pt. N, §1 (NEW).]

B. The policy may not coordinate benefits with Medicare Part B unless:

(1) The insured is enrolled in Medicare Part B;
(2) The insured was previously enrolled in Medicare Part B and voluntarily disenrolled;
(3) The insured stated on an application or other document that the insured was enrolled in Medicare Part B; or
(4) The insured is eligible for Medicare Part A without paying a premium and the insurer provided prominent notification to the insured both when the policy was issued and, if applicable, when the insured becomes eligible for Medicare due to age. The notification must state that the policy will not pay benefits that would be payable under Medicare even if the insured fails to enroll in Medicare Part B. [PL 1999, c. 790, Pt. D, §7 (AMD).]

C. Coordination is not permitted with Medicare coverage for which the insured is eligible but not enrolled except as provided in paragraphs A and B. [PL 1999, c. 256, Pt. N, §1 (NEW).]

[PL 1999, c. 790, Pt. D, §7 (AMD).]

3. Credit toward deductible. When an insured is covered under more than one expense-incurred health plan, payments made by the primary plan, payments made by the insured and payments made from a health savings account or similar fund for benefits covered under the secondary plan must be credited toward the deductible of the secondary plan. This subsection does not apply if the secondary plan is designed to supplement the primary plan. [PL 2005, c. 121, Pt. D, §2 (NEW).]

SECTION HISTORY

§2724. Relation of earnings to insurance

There may be a provision as follows:

If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the insured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or the average monthly earnings for the period of 2 years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such 2 years as shall exceed the pro rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of $200 or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time. The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (A.) until at least age 50 or, (B.) in the case of a policy issued after age 44, for at least 5 years from its date of issue. The insurer may, at its option, include in this provision a definition of "valid loss of time coverage", approved as to form by the superintendent, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the superintendent or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute, including any workers' compensation or employer's liability statute, or benefits provided by union welfare plans or by employer or employee benefit organizations. [PL 1989, c. 502, Pt. A, §97 (AMD).]

[PL 1975, c. 471, §1 (NEW).]

A policy may contain a provision that allows such payments, if that provision is approved by the superintendent, and if that provision requires the prior written approval of the insured and allows such payments only on a just and equitable basis and not on the basis of a priority lien. A just and equitable basis shall mean that any factors that diminish the potential value of the insured's claim shall likewise reduce the share in the claim for those claiming payment for services or reimbursement. Such factors shall include, but are not limited to: [PL 1975, c. 471, §1 (NEW).]

Except as otherwise provided in section 2736-C, subsection 2-B, the superintendent may not take final action on a rate filing until 40 days after the date notice is mailed by an insurer. SECTION HISTORY

§2736. Rate filings on individual health insurance policies

1. Filing of rate information. Every insurer shall file for approval by the superintendent every rate, rating formula, classification of risks and every modification of any formula or classification that it proposes to use in connection with individual health insurance policies and certain group policies specified in section 2701. If the filing applies to individual health plans as defined in section 2736-C, the insurer shall simultaneously file a copy with the Attorney General. Every such filing must state the effective date of the filing. Every such filing must be made not less than 60 days in advance of the stated effective date, unless the 60-day requirement is waived by the superintendent, and the effective date may be suspended by the superintendent for a period of time not to exceed 30 days. A filing
required under this section must be made electronically in a format required by the superintendent unless exempted by rule adopted by the superintendent. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2009, c. 439, Pt. C, §1 (RPR).]

2. **Filing; information.** When a filing is not accompanied by the information upon which the insurer supports such filing, or the superintendent does not have sufficient information to determine whether such filing meets the requirements that rates not be excessive, inadequate or unfairly discriminatory, the superintendent shall require the insurer to furnish the information upon which it supports the filing. A filing and all supporting information, except for protected health information required to be kept confidential by state or federal statute and descriptions of the amount and terms or conditions or reimbursement in a contract between an insurer and a 3rd party, are public records notwithstanding Title 1, section 402, subsection 3, paragraph B and become part of the official record of any hearing held pursuant to section 2736-A.

If at any time the superintendent has reason to believe that a filing does not meet the requirements that rates not be excessive, inadequate or unfairly discriminatory or that the filing violates any of the provisions of chapter 23, the superintendent shall cause a hearing to be held. If a filing proposes an increase in rates in an individual health plan as defined in section 2736-C, the superintendent shall cause a hearing to be held at the request of the Attorney General. In any hearing conducted under this section, the insurer has the burden of proving rates are not excessive, inadequate or unfairly discriminatory. [PL 2011, c. 364, §2 (AMD).]

Hearings held under this section must conform to the procedural requirements set forth in the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter 4. [PL 2003, c. 469, Pt. E, §11 (AMD).]

In the order or decision, the superintendent shall either approve or disapprove the rate filing. If the superintendent disapproves the rate filing, the superintendent shall establish the date on which the filing is no longer effective, specify the filing the
superintendent would approve and authorize the insurer to submit a new filing in accordance with the terms of the order or decision. [PL 1989, c. 269, §14 (AMD).]

SECTION HISTORY

§2736-C. Individual health plans

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Carrier" means any insurance company, nonprofit hospital and medical service organization or health maintenance organization authorized to issue individual health plans in this State. For the purposes of this section, carriers that are affiliated companies or that are eligible to file consolidated tax returns are treated as one carrier and any restrictions or limitations imposed by this section apply as if all individual health plans delivered or issued for delivery in this State by affiliated carriers were issued by one carrier. For purposes of this section, health maintenance organizations are treated as separate organizations from affiliated insurance companies and nonprofit hospital and medical service organizations. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

B. "Community rate" means the rate charged to all eligible individuals for individual health plans prior to any adjustments pursuant to subsection 2, paragraphs C and D. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

C. "Individual health plan" means any hospital and medical expense-incurred policy or health, hospital or medical service corporation plan contract. It includes both individual contracts and certificates issued under group contracts specified in section 2701, subsection 2, paragraph C. "Individual health plan" does not include the following types of insurance:

1. Accident;
2. Credit;
3. Disability;
4. Long-term care or nursing home care;
5. Medicare supplement;
6. Specified disease;
7. Dental or vision;
8. Coverage issued as a supplement to liability insurance;
9. Workers' compensation;
10. Automobile medical payment;
11. Insurance under which benefits are payable with or without regard to fault and that is required statutorily to be contained in any liability insurance policy or equivalent self-insurance; or
12. Short-term, limited-duration policies, as described in section 2849-B, subsection 1. [PL 2019, c. 330, §1 (AMD).]

C-1. "Legally domiciled" means a person who lives in this State and who satisfies the criteria contained in 2 of the following subparagraphs.

1. The person has a motor vehicle operator's license or nondriver identification card from this State.
(2) The person has a valid passport or visa and is lawfully admitted to the United States.
(3) The person is registered to vote in this State.
(4) The person has a permanent dwelling place in this State.
(5) The person submits a written sworn affidavit declaring that person's intent to reside in this State.
(6) The person files an income tax return for this State that declares the person is a Maine resident.

A person may establish that that person is legally domiciled in this State by providing evidence of other relevant criteria associated with residency. A child is legally domiciled in this State if at least one of the child’s parents or the child's legal guardian is legally domiciled in this State. A person with a developmental or other disability that prevents that person from obtaining a motor vehicle operator's license, registering to vote or filing an income tax return is legally domiciled in this State by living in this State. [PL 2005, c. 493, §1 (RPR).]

C-2. "Resident" means a person who is legally domiciled in this State and has been for at least the last 60 days. [PL 1997, c. 445, §8 (NEW); PL 1997, c. 445, §32 (AFF).]

D. "Premium rate" means the rate charged to an individual for an individual health plan. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

2. Rating practices. The following requirements apply to the rating practices of carriers providing individual health plans.

A. A carrier issuing an individual health plan after December 1, 1993 must file the carrier’s community rate and any formulas and factors used to adjust that rate with the superintendent prior to issuance of any individual health plan. [PL 1993, c. 547, §3 (AMD).]

B. A carrier may not vary the premium rate due to the gender, health status, occupation or industry, claims experience or policy duration of the individual or any other rating factor not specified in this subsection. [PL 2019, c. 5, Pt. A, §1 (AMD).]

C. A carrier may vary the premium rate due to family membership. The premium rate for a family must equal the sum of the premiums for each individual in the family, except that it may not be based on more than 3 dependent children who are less than 21 years of age. [PL 2019, c. 5, Pt. A, §2 (AMD).]

C-1. A carrier may vary the premium rate due to geographic area in accordance with the limitation set out in this paragraph. For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after July 1, 2012, the rating factor used by a carrier for geographic area may not exceed 1.5. [PL 2011, c. 90, Pt. A, §2 (NEW).]

D. A carrier may vary the premium rate due to age and tobacco use in accordance with the limitations set out in this paragraph. A carrier that varies the premium rate due to age must vary the premium rate according to a uniform age curve. The superintendent shall adopt rules establishing a uniform age curve that is substantially similar to the age curve in effect on January 1, 2019 under the federal Affordable Care Act. Rules adopted under this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

(1) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between December 1, 1993 and July 14, 1994, the premium rate may not deviate above or below the community rate filed by the carrier by more than 50%.
(2) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1994 and July 14, 1995, the premium rate may not deviate above or below the community rate filed by the carrier by more than 33%.

(3) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1995 and June 30, 2012, the premium rate may not deviate above or below the community rate filed by the carrier by more than 20%.

(5) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 1, 2012 and December 31, 2013, the maximum rate differential due to age filed by the carrier as determined by ratio is 3 to 1. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.

(6) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between January 1, 2014 and December 31, 2014, the maximum rate differential due to age filed by the carrier as determined by ratio is 4 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.

(7) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2015, except as provided in subparagraph (9), the maximum rate differential due to age filed by the carrier as determined by ratio is 5 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.

(8) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after July 1, 2012, the maximum rate differential due to tobacco use filed by the carrier as determined by ratio is 1.5 to 1, except that the carrier may not apply a rate differential pursuant to this subparagraph when the covered individual is participating in an evidence-based tobacco cessation strategy approved by the United States Department of Health and Human Services, Food and Drug Administration.

(9) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after the effective date of this subparagraph, the maximum rate differential due to age filed by the carrier as determined by ratio is 3 to 1 for individuals 21 years of age and older on the first day of coverage under the policy, contract or certificate. The variation in rate due to age must be actuarially justified for individuals under 21 years of age consistent with the uniform age rating curve adopted under this paragraph. [PL 2019, c. 5, Pt. A, §3 (AMD).]

E. A separate community rate may be established for individuals eligible for Medicare Part A without paying a premium; however, this rate may not be applied if both the Medicare eligibility date and the issue date are prior to July 1, 2000. [PL 1999, c. 44, §1 (AMD); PL 1999, c. 44, §2 (AFF).]

I. [PL 2019, c. 5, Pt. A, §5 (RP).]

J. Except for enrollees in grandfathered health plans under the federal Affordable Care Act, beginning January 1, 2014, a carrier shall consider all enrollees in all individual health plans offered
by the carrier to be members of a single risk pool to the extent required by the federal Affordable
Care Act. [PL 2011, c. 364, §6 (NEW).]
[PL 2019, c. 5, Pt. A, §§1-5 (AMD).]

2-A. Reinsurance requirement.
[PL 2011, c. 90, Pt. B, §5 (RP); PL 2011, c. 90, Pt. B, §10 (AFF).]

2-B. Optional guaranteed loss ratio. Notwithstanding section 2736, subsection 1 and section 2736-A, at the carrier's option, rate filings for a carrier's credible block of individual health plans may be filed in accordance with this subsection. Rates filed in accordance with this subsection are filed for informational purposes unless rate review is required pursuant to the federal Affordable Care Act.

A. A carrier's individual health plans are considered credible if the anticipated average number of members during the period for which the rates will be in effect meets standards for full or partial credibility pursuant to the federal Affordable Care Act. The rate filing must state the anticipated average number of members during the period for which the rates will be in effect and the basis for the estimate. If the superintendent determines that the number of members is likely to be less than needed to meet the credibility standard, the filing is subject to section 2736, subsection 1 and section 2736-A. [PL 2011, c. 364, §7 (AMD).]

B. On an annual schedule as determined by the superintendent, the carrier shall file a report with the superintendent showing the calculation of rebates as required pursuant to the federal Affordable Care Act, except that the calculation must be based on a minimum medical loss ratio of 80% if the applicable federal minimum for the individual market in this State is lower. If the calculation indicates that rebates must be paid, the carrier must pay the rebates in the same manner as is required for rebates pursuant to the federal Affordable Care Act. [PL 2011, c. 364, §7 (AMD).]
[PL 2011, c. 364, §7 (AMD).]

3. Guaranteed issuance and guaranteed renewal. Carriers providing individual health plans must meet the following requirements on issuance and renewal.

A. Coverage must be guaranteed to all residents of this State other than those eligible without paying a premium for Medicare Part A. Coverage must be guaranteed to all legally domiciled federally eligible individuals, as defined in section 2848, regardless of the length of time they have been legally domiciled in this State. Except for federally eligible individuals, coverage need not be issued to an individual whose coverage was terminated for nonpayment of premiums during the previous 91 days or for fraud or intentional misrepresentation of material fact during the previous 12 months. When a managed care plan, as defined by section 4301-A, provides coverage a carrier may:

(1) Deny coverage to individuals who neither live nor reside within the approved service area of the plan for at least 6 months of each year; and

(2) Deny coverage to individuals if the carrier has demonstrated to the superintendent's satisfaction that:

(a) The carrier does not have the capacity to deliver services adequately to additional enrollees within all or a designated part of its service area because of its obligations to existing enrollees; and

(b) The carrier is applying this provision uniformly to individuals and groups without regard to any health-related factor.

A carrier that denies coverage in accordance with this subparagraph may not enroll individuals residing within the area subject to denial of coverage or groups or subgroups within that area for a period of 180 days after the date of the first denial of coverage. [PL 2011, c. 621, §1 (AMD).]
B. Renewal is guaranteed, pursuant to section 2850-B. [PL 1997, c. 445, §10 (RPR); PL 1997, c. 445, §32 (AFF).]

C. A carrier is exempt from the guaranteed issuance requirements of paragraph A provided that the following requirements are met.

   (1) The carrier does not issue or deliver any new individual health plans on or after the effective date of this section;

   (2) If any individual health plans that were not issued on a guaranteed renewable basis are renewed on or after December 1, 1993, all such policies must be renewed by the carrier and renewal must be guaranteed after the first such renewal date; and

   (3) The carrier complies with the rating practices requirements of subsection 2. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

D. Notwithstanding paragraph A, carriers offering supplemental coverage for the Civilian Health and Medical Program for the Uniformed Services, CHAMPUS, are not required to issue this coverage if the applicant for insurance does not have CHAMPUS coverage. [PL 1999, c. 256, Pt. D, §1 (NEW).]

E. As part of the application process for individual health coverage, a carrier shall require an individual to complete the health statement developed by the Board of Directors of the Maine Guaranteed Access Reinsurance Association pursuant to section 3955, subsection 1, paragraph E. A carrier may not deny coverage or refuse to renew or cancel an individual health plan on the basis of an individual's complete or incomplete health statement, claims history or risk scores or on the basis of any omission of material information from a health statement or misrepresentation of an individual's health status. The rejection of an application for individual health coverage by a carrier because an individual has not submitted a completed health statement is not a denial of coverage for the purposes of this paragraph. [PL 2011, c. 621, §1 (AMD).]

[PL 2011, c. 621, §1 (AMD).]

4. Cessation of business. Carriers that provide individual health plans after the effective date of this section that plan to cease doing business in the individual health plan market must comply with the following requirements.

   A. Notice of the decision to cease doing business in the individual health plan market must be provided to the bureau 3 months prior to the cessation unless a shorter notice period is approved by the superintendent. If existing contracts are nonrenewed, notice must be provided to the policyholder or contract holder 6 months prior to nonrenewal. [PL 2001, c. 258, Pt. B, §1 (AMD).]

   B. Carriers that cease to write new business in the individual health plan market continue to be governed by this section. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

   C. Carriers that cease to write new business in the individual health plan market are prohibited from writing new business in that market for a period of 5 years from the date of notice to the superintendent unless the superintendent waives this requirement for good cause shown. [PL 2001, c. 258, Pt. B, §2 (AMD).]

   [PL 2001, c. 258, Pt. B, §§1, 2 (AMD).]

5. Loss ratios. Except as provided in subsection 2-B, for all policies and certificates issued on or after the effective date of this section, the superintendent shall disapprove any premium rates filed by any carrier, whether initial or revised, for an individual health policy unless it is anticipated that the medical loss ratio calculated under section 4319 will be at least 80%.

[PL 2019, c. 5, Pt. A, §6 (AMD).]
6. **Fair marketing standards.** Carriers providing individual health plans must meet the following standards of fair marketing.

A. Each carrier must actively market individual health plan coverage, including any standardized plans defined pursuant to subsection 8, to individuals in this State. [PL 1995, c. 332, Pt. K, §1 (AMD).]

B. A carrier or representative of the carrier may not directly or indirectly engage in the following activities:

   1. Encouraging or directing individuals to refrain from filing an application for coverage with the carrier because of any of the rating factors listed in subsection 2; or
   2. Encouraging or directing individuals to seek coverage from another carrier because of any of the rating factors listed in subsection 2. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

C. A carrier may not directly or indirectly enter into any contract, agreement or arrangement with a representative of the carrier that provides for or results in the compensation paid to the representative for the sale of an individual health plan to be varied because of the rating factors listed in subsection 2. A carrier may enter into a compensation arrangement that provides compensation to a representative of the carrier on the basis of percentage of premium, provided that the percentage does not vary because of the rating factors listed in subsection 2. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

D. A carrier may not terminate, fail to renew or limit its contract or agreement of representation with a representative for any reason related to the rating factors listed in subsection 2. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

E. Denial by a carrier of an application for coverage from an individual must be in writing and must state the reason or reasons for the denial. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

F. The superintendent may establish rules setting forth additional standards to provide for the fair marketing and broad availability of individual health plans in this State. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

G. A violation of this section by a carrier or a representative of the carrier is an unfair trade practice under chapter 23. If a carrier enters into a contract, agreement or other arrangement with a 3rd-party administrator to provide administrative, marketing or other services related to the offering of individual health plans in this State, the 3rd-party administrator is subject to this section as if it were a carrier. [PL 1993, c. 477, Pt. C, §1 (NEW); PL 1993, c. 477, Pt. F, §1 (AFF).]

[PL 1995, c. 332, Pt. K, §1 (AMD).]

7. **Applicability.** This section applies to all policies, plans, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State on or after December 1, 1993 with the exception of short-term contracts, as defined in section 2849-B. For purposes of this section, all contracts are deemed renewed no later than the next yearly anniversary of the contract date. [PL 1997, c. 445, §11 (AMD); PL 1997, c. 445, §32 (AFF).]

8. **Authority of the superintendent.** [PL 2011, c. 90, Pt. F, §1 (RP).]

9. **Exemption for certain associations.** The superintendent may exempt a group health insurance policy or group nonprofit hospital or medical service corporation contract issued to an association group, organized pursuant to section 2805-A, from the requirements of subsection 3, paragraph A; subsection 6, paragraph A; and subsection 8 if:
A. Issuance and renewal of coverage under the policy or contract is guaranteed to all members of the association who are residents of this State and to their dependents; [PL 1995, c. 570, §7 (NEW).]

B. Rates for the association comply with the premium rate requirements of subsection 2 or are established on a nationwide basis and substantially comply with the purposes of this section, except that exempted associations may be rated separately from the carrier's other individual health plans, if any; [PL 1995, c. 570, §7 (NEW).]

C. The group's anticipated loss ratio, as defined in subsection 5, is at least 75%; [PL 1995, c. 570, §7 (NEW).]

D. The association's membership criteria do not include age, health status, medical utilization history or any other factor with a similar purpose or effect; [PL 1995, c. 570, §7 (NEW).]

E. The association's group health plan is not marketed to the general public; [PL 1995, c. 570, §7 (NEW).]

F. The association does not allow insurance agents or brokers to market association memberships, accept applications for memberships or enroll members, except when the association is an association of insurance agents or brokers organized under section 2805-A; [PL 1995, c. 570, §7 (NEW).]

G. Insurance is provided as an incidental benefit of association membership and the primary purposes of the association do not include group buying or mass marketing of insurance or other goods and services; and [PL 1995, c. 570, §7 (NEW).]

H. Granting an exemption to the association does not conflict with the purposes of this section. [PL 1995, c. 570, §7 (NEW).]

Except for individuals with grandfathered health plans under the federal Affordable Care Act, this subsection does not apply to policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2014. [PL 2011, c. 364, §8 (AMD).]

10. Pilot projects; persons under 30 years of age. The superintendent shall authorize pilot projects in accordance with this subsection that allow a health insurance carrier that offers individual insurance, is marketing an individual insurance policy in this State and has a medical-loss ratio of at least 70% in the individual market to offer individual medical insurance products to persons under 30 years of age beginning July 1, 2009.

A. The superintendent shall review pilot project proposals submitted in accordance with rules adopted pursuant to paragraph E. The superintendent shall approve a pilot project proposal if it meets the minimum benefit requirements set forth in rules adopted pursuant to paragraph E and may not approve a proposal that does not provide such minimum benefit requirements. [PL 2007, c. 629, Pt. I, §1 (NEW).]

B. Notwithstanding any requirements in this Title for specific health services, specific diseases and certain providers of health care services, the superintendent may adopt minimum benefit requirements that exclude certain benefits if determined by the superintendent to provide affordable and attractive individual health plans for persons under 30 years of age. [PL 2007, c. 629, Pt. I, §1 (NEW).]

C. A pilot project approved by the superintendent pursuant to this subsection qualifies as creditable coverage under this Title. Notwithstanding section 2849-B, subsection 4, a policy that replaces coverage issued under a pilot project approved under this subsection is not subject to any preexisting conditions exclusion provisions. Each carrier that offers an individual product pursuant to a pilot project approved under this subsection must combine the experience for that product with
other individual products offered by that carrier as filed with the bureau when determining premium rates. The experience of a carrier's closed pool may not be taken into account in determining pilot project premium rates. [PL 2007, c. 629, Pt. I, §1 (NEW).]

D. Beginning in 2010, the superintendent shall report by March 1st annually to the joint standing committee of the Legislature having jurisdiction over insurance matters on the status of any pilot project approved by the superintendent pursuant to this subsection. The report must include an analysis of the effectiveness of the pilot project in encouraging persons under 30 years of age to purchase insurance and an analysis of the impact of the pilot project on the broader insurance market, including any impact on premiums and availability of coverage. [PL 2007, c. 629, Pt. I, §1 (NEW).]

E. The superintendent shall establish by rule procedures and policies that facilitate the implementation of a pilot project pursuant to this subsection, including, but not limited to, a process for submitting a pilot project proposal, minimum requirements for approval of a pilot project and any requirements for minimum benefits. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A and must be adopted no later than 90 days after the effective date of this subsection. [PL 2007, c. 629, Pt. I, §1 (NEW).]

11. Open enrollment; rules. Notwithstanding subsection 3, on or after January 1, 2014, a carrier may restrict enrollment in individual health plans to open enrollment periods and special enrollment periods to the extent not inconsistent with applicable federal law. The superintendent may adopt rules establishing minimum open enrollment dates and minimum criteria for special enrollment periods for all individual health plans offered in this State. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 5, Pt. A, §7 (AMD).]

SECTION HISTORY

§2737. Noncancelable disability insurance defined

"Noncancelable disability insurance" means insurance against disability resulting from sickness, ailment or bodily injury, but not including insurance solely against accidental injury, under any contract which does not give the insurer the option to cancel or otherwise terminate the contract at or after one year from its effective date or renewal date. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§2738. Notice as to renewability
The superintendent shall have the right to make the following requirements: [PL 1973, c. 585, §12 (AMD).]

1. When a policy has neither a brief description nor a separate statement printed on the first page and on the filing back, referring to the renewal conditions of the policy, a separately captioned provision, setting forth the conditions under which the policy may be renewed, must appear on the first page of the policy. The caption shall be clear and definite and shall be approved by the superintendent; but any one of the following captions is acceptable:

"RENEWAL SUBJECT TO CONSENT OF COMPANY.

RENEWAL SUBJECT TO COMPANY CONSENT.

RENEWABLE AT OPTION OF COMPANY."

[PL 1973, c. 585, §12 (AMD).]

2. If the policy is not renewable, a separate, appropriately captioned provision on the first page of the policy shall so state.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§2739. Lapse of policy, advance notice; limitation of action

No individual policy of health insurance issued or delivered in this State, except a policy which by its terms is renewable or continuable with the insurer's consent, or except a policy the premiums for which are payable monthly or at shorter intervals, shall terminate or lapse for nonpayment of any premium until the expiration of 3 months from the due date of such premium, unless the insurer, within not less than 10 nor more than 45 days prior to said due date, shall have mailed, postage prepaid, duly addressed to the insured at his last address shown by the insurer's records, a notice showing the amount of such premium and its due date. If such a notice is not so sent, the insured may pay the premium in default at any time within such period of 3 months. The affidavit of any officer, clerk or agent of the insurer, or of any other person authorized to mail such notice, that the notice required by this section has been duly mailed by the insurer in the manner required shall be prima facie evidence that such notice was duly given. No action shall be maintained on any policy to which this section applies and which has lapsed for nonpayment of any premium unless such action is commenced within 2 years from the due date of such premium. (REPEALED)

SECTION HISTORY

§2741. Maternity benefits for unmarried women policyholders and the minor dependents of policyholders with dependent or family coverage required

All health insurance policies and plans shall provide, at appropriate rates, the same maternity benefits for unmarried women policyholders and the minor dependents of policyholders with dependent or family coverage under the same terms and conditions as such maternity coverage is provided to married policyholders or the wives of policyholders with maternity coverage. This requirement shall apply to all insurance policies and plans issued or renewed after the effective date of this Act. [PL 1975, c. 276, §2 (NEW).]
§2741-A. Mandated offer of domestic partner benefits

1. Definition. As used in this section, unless the context otherwise indicates, "domestic partner" means the partner of a policyholder who:
   A. Is a mentally competent adult as is the policyholder; [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]
   B. Has been legally domiciled with the policyholder for at least 12 months; [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]
   C. Is not legally married to or legally separated from another individual; [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]
   D. Is the sole partner of the policyholder and expects to remain so; and [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]
   E. Is jointly responsible with the policyholder for each other's common welfare as evidenced by joint living arrangements, joint financial arrangements or joint ownership of real or personal property. [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]

2. Mandated offer of domestic partner benefits. All individual health insurance policies or contracts issued by any insurer operating pursuant to this chapter must make available to policyholders the option for additional benefits for the domestic partner of a policyholder, at appropriate rates and under the same terms and conditions as those benefits or options for benefits are provided to spouses of married policyholders. [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]

4. Evidence of domestic partnership. As a condition of eligibility for coverage, an insurer may require a policyholder and the policyholder's domestic partner to sign an affidavit attesting that the policyholder and the policyholder's domestic partner meet the definition in subsection 1 and to show documentation of joint ownership or occupancy of real property, such as a joint deed, joint mortgage or a joint lease, or the existence of a joint credit card, joint bank account or powers of attorney in which each domestic partner is authorized to act for the other. [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]

5. Preexisting conditions. A domestic partner is subject to the same provisions on coverage of preexisting conditions as any spouse or dependent of a policyholder. [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]

6. Termination of domestic partner benefits. An insurer may terminate coverage in accordance with other applicable provisions of this Title for the domestic partner of a policyholder upon notification by the policyholder that the domestic partner relationship has terminated. A policyholder may not enroll another individual as a domestic partner under an individual contract until 12 months after the termination of coverage for a prior domestic partner. [PL 2001, c. 347, §2 (NEW); PL 2001, c. 347, §5 (AFF).]

7. Construction. This section does not prohibit an insurer from negotiating a policy providing domestic partner benefits to a policyholder that does not comply with the requirements of this section.
8. Exemption. This section does not apply to accidental injury, specified disease, hospital indemnity, Medicare supplement, disability income, long-term care and other limited benefit health insurance policies.

SECTION HISTORY

§2742. Child coverage

1. Definitions. For the purposes of this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Dependent children" means children who are under 19 years of age and are children, stepchildren or adopted children of, or children placed for adoption with the policyholder, member or spouse of the policyholder or member. [PL 1993, c. 666, Pt. A, §3 (NEW).]

B. "Placed for adoption" means the assumption and retention of a legal obligation by a person for the total or partial support of a child in anticipation of adoption of the child. If the legal obligation ceases to exist, the child is no longer considered placed for adoption. [PL 1993, c. 666, Pt. A, §3 (NEW).]

2. Coverage. All insurance policies or plans issued in accordance with the requirements of section 2741 must provide unmarried women policyholders with the coverage or option of coverage for dependent children, under the same terms and conditions and at appropriate rates as are extended to married policyholders with dependents.

3. Financial dependency. Financial dependency of dependent children on the policyholder or the spouse of the policyholder may not be required as a condition for eligibility coverage.

4. Adopted children. All individual policies issued in accordance with the requirements of this section must provide the same benefits to dependent children placed for adoption with the policyholder or spouse of the policyholder under the same terms and conditions as apply to natural dependent children or stepchildren of the policyholder or spouse of the policyholder, irrespective of whether the adoption has become final.

5. Compliance. An insurer issuing policies under this chapter must comply with 42 United States Code, Section 1396g-1. If a parent is required by a court or administrative order to provide health coverage for a child and the parent is eligible for family health coverage through an insurer, the insurer shall permit either of the child's parents or the Department of Health and Human Services to enroll the child under the family coverage without regard to any enrollment season restrictions if the child is otherwise eligible for the coverage. An insurer must provide policy information to the custodial parent of any dependent child so that the custodial parent can obtain benefits for the child directly from the insurer. An insurer must permit the custodial parent of any dependent child to submit claims for covered services without the approval of the noncustodial parent. If the custodial parent approves, an insurer must permit the provider to submit claims for covered services without the approval of the noncustodial parent. An insurer shall make payment on claims submitted under this section directly to the custodial parent or, if the custodial parent approves, to the provider.

[PL 1997, c. 795, §8 (AMD); PL 2003, c. 689, Pt. B, §6 (REV).]
6. **Nondiscrimination.** An insurer may not impose requirements on a state agency that has been assigned the rights of an individual eligible for medical assistance and who is covered for health benefits from the insurer that are different from requirements applicable to an agent or assignee of any other individual so covered. If a child is otherwise eligible for health coverage, an insurer may not refuse to provide the coverage for the child because the child is eligible for medical assistance under Title 22. [PL 1997, c. 795, §9 (NEW).]

**SECTION HISTORY**

§2742-A. **Extension of coverage for dependent children**

Notwithstanding section 2703, subsection 3, an individual health insurance policy that provides coverage for a dependent child at certain ages only if the child is a student must continue that coverage if the child is unable to remain enrolled in school on a full-time basis due to a mental or physical illness or an accidental injury. This coverage may be terminated at the age at which coverage for students terminates under the terms of the policy. An insurer may require, as a condition of eligibility for continued coverage in accordance with this section, that the student provide written documentation from a health care provider and the student's school that the student is no longer enrolled in school on a full-time basis due to a mental or physical illness or accidental injury. [PL 2005, c. 532, §1 (NEW).]

**SECTION HISTORY**
PL 2005, c. 532, §1 (NEW).

§2742-B. **Mandatory offer to extend coverage for dependent children up to 26 years of age**

1. **Dependent child; definition.** As used in this section, "dependent child" means the child of a person covered under an individual health insurance policy.

On or before April 1st of each year, any insurer which issues a program or contract in this State providing coverage for hospital care that contains a provision whereby in nonemergency cases the insured is required to be prospectively evaluated through a prehospital admission certification, prepatient service eligibility program or any similar preutilization review or screening procedure prior to the delivery of contemplated hospitalization, inpatient or outpatient health care or medical services which are prescribed or ordered by a duly licensed physician shall file a report on the results of that evaluation for the preceding year with the superintendent which shall contain the following:

A. The number and type of evaluations performed.
   (1) For the purposes of this section, the term "type of evaluations" means the following preutilization review categories: Presurgical inpatient days; setting of medical service, such as inpatient or outpatient services; and the number of days of service; [PL 1987, c. 168, §4 (NEW).]

B. The result of the evaluation, such as whether the medical necessity of the level of service contemplated by the patient's physician was agreed to or whether benefits paid for the service were reduced by the insurer; [PL 1987, c. 168, §4 (NEW).]

C. The number and result of any appeals by patients or their physicians as a result of initial review decisions to reduce benefits for services as determined through prospective evaluations; and [PL 1987, c. 168, §4 (NEW).]

D. Any complaints filed in a court of competent jurisdiction and served upon an insurer filing under this section stating a cause of action against that insurer on the basis of damages to patients alleged to have been proximately caused by a delay, reduction or denial of medical benefits by the insurer, as determined through prospective evaluations, and the determination of liability or other disposition of the complaint. [PL 1987, c. 168, §4 (NEW).]

2. Maine residents. This section is applicable to evaluations, appeals and complaints relating to Maine residents only. [PL 1987, c. 168, §4 (NEW).]

SECTION HISTORY

§2749-A. Penalty for failure to notify of hospitalization

An insurance policy may not include a provision permitting the insurer to impose a penalty for the failure of any person to notify the insurer of an insured person's hospitalization for emergency
treatment. For purposes of this section, "emergency treatment" has the same meaning as defined in Title 22, section 1829. [PL 1989, c. 767, §3 (NEW).]

This section applies to policies and certificates executed, delivered, issued for delivery, continued or renewed in this State after the effective date of this section. For purposes of this section, all policies are deemed to be renewed no later than the next yearly anniversary of the contract date. [PL 1989, c. 767, §3 (NEW).]

§2749-B. Penalty for noncompliance with utilization review programs

A health insurance policy issued or renewed in this State after April 8, 1994 may not contain a provision that permits, upon retroactive review and confirmation of medical necessity, the imposition of a penalty of more than $500 for failure to provide notification under a utilization review program. This section does not limit the right of insurers to deny a claim when appropriate prospective or retroactive review concludes that services or treatment rendered were not medically necessary. [PL 1995, c. 332, Pt. M, §4 (AMD).]

SECTION HISTORY

§2749-C. Mandated offer of coverage for certain mental illnesses

1. Coverage for treatment for certain mental illnesses. Coverage for medical treatment for mental illnesses listed in paragraph A-1 by all individual policies is subject to this section.

A. [PL 2019, c. 5, Pt. D, §1 (RP).]

A-1. All individual contracts must provide, at a minimum, benefits according to paragraph B, subparagraph (1) for a person receiving medical treatment for any of the following categories of mental illness as defined in the Diagnostic and Statistical Manual as defined in section 2843, subsection 3, paragraph A-1, except for those that are designated as "V" codes by the Diagnostic and Statistical Manual:

(1) Psychotic disorders, including schizophrenia;
(2) Dissociative disorders;
(3) Mood disorders;
(4) Anxiety disorders;
(5) Personality disorders;
(6) Paraphilias;
(7) Attention deficit and disruptive behavior disorders;
(8) Pervasive developmental disorders;
(9) Tic disorders;
(10) Eating disorders, including bulimia and anorexia; and
(11) Substance use disorders.

For the purposes of this paragraph, the mental illness must be diagnosed by a licensed allopathic or osteopathic physician or a licensed psychologist who is trained and has received a doctorate in psychology specializing in the evaluation and treatment of mental illness. [PL 2019, c. 5, Pt. D, §1 (NEW).]
B. All individual policies and contracts executed, delivered, issued for delivery, continued or renewed in this State must provide coverage providing benefits that meet the requirements of this paragraph.

   (1) The coverage must provide benefits for the treatment and diagnosis of mental illnesses under terms and conditions that are no less extensive than the benefits provided for medical treatment for physical illnesses.

   (2) At the request of a reimbursing insurer, a provider of medical treatment for mental illness shall furnish data substantiating that initial or continued treatment is medically necessary health care. When making the determination of whether treatment is medically necessary health care, the provider shall use the same criteria for medical treatment for mental illness as for medical treatment for physical illness under the individual policy. [PL 2019, c. 5, Pt. D, §1 (AMD).]

   [PL 2019, c. 5, Pt. D, §1 (AMD).]

2. Contracts; providers. An insurer incorporated under this chapter shall offer contracts to providers authorizing the provision of mental health services within the scope of the provider’s licensure.

   [PL 2003, c. 20, Pt. VV, §9 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

3. Limits; coinsurance; deductibles. A policy or contract that provides coverage for the services required by this section may contain provisions for maximum benefits and coinsurance and reasonable limitations, deductibles and exclusions to the extent that these provisions are not inconsistent with the requirements of this section.

   [PL 1995, c. 407, §5 (NEW).]

4. Reports to the superintendent. Every insurer subject to this section shall report its experience for each calendar year to the superintendent no later than April 30th of the following year. The report must be in a form prescribed by the superintendent and include the amount of claims paid in this State for the services required by this section and the total amount of claims paid in this State for individual health care policies, both separated according to those paid for inpatient, day treatment and outpatient services. The superintendent shall compile this data for all insurers in an annual report.

   [PL 1995, c. 407, §5 (NEW).]

5. Application. Except as otherwise provided, the requirements of this section apply to all policies and contracts executed, delivered, issued for delivery, continued or renewed in this State on or after July 1, 1996. For purposes of this section, all policies are deemed renewed no later than the next yearly anniversary of the contract date. Nothing in this section applies to accidental injury, specified disease, hospital indemnity, Medicare supplement, long-term care or other limited benefit health insurance policies.

   [PL 1995, c. 407, §5 (NEW).]

SECTION HISTORY

§2750. Acquired Immune Deficiency Syndrome

No individual or family health insurance policy delivered or issued for delivery in this State may provide more restrictive benefits for sickness or disablement or the related expenses resulting from Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC) or HIV related diseases than for any other sickness or disabling condition or exclude benefits for AIDS, ARC or HIV related diseases except through an exclusion under which all sickness and diseases are treated the same. This section shall not apply to a policy providing benefits for specific diseases or accidental injury only. [PL 1989, c. 176, §5 (NEW).]
§2751. Assessment of mandated benefits proposals; studies of mandated benefits issues
(REPEALED)

SECTION HISTORY

§2752. Mandated health legislation procedures

1. Mandated health benefits proposals. For purposes of this section, a mandated health benefit proposal is one that mandates health insurance coverage for specific health services, specific diseases or certain providers of health care services as part of individual or group health insurance policies. A mandated option is not a mandated benefit for purposes of this section. [PL 1991, c. 701, §8 (NEW).]

2. Procedures before legislative committees. Whenever a legislative measure containing a mandated health benefit is proposed, the joint standing committee of the Legislature having jurisdiction over the proposal shall hold a public hearing and determine the level of support for the proposal among the members of the committee. If there is support for the proposed mandate among a majority of the members of the committee, the committee may refer the proposal to the Bureau of Insurance for review and evaluation pursuant to subsection 3. Once a review and evaluation has been completed, the committee shall review the findings of the bureau. A proposed mandate may not be enacted into law unless review and evaluation pursuant to subsection 3 has been completed. [PL 1997, c. 616, §4 (AMD).]

3. Review and evaluation. Upon referral of a mandated health benefit proposal from the joint standing committee of the Legislature having jurisdiction over the proposal, the Bureau of Insurance shall conduct a review and evaluation of the mandated health benefit proposal and shall report to the committee in a timely manner. The report must include, at the minimum and to the extent that information is available, the following:

A. The social impact of mandating the benefit, including:
   (1) The extent to which the treatment or service is utilized by a significant portion of the population;
   (2) The extent to which the treatment or service is available to the population;
   (3) The extent to which insurance coverage for this treatment or service is already available;
   (4) If coverage is not generally available, the extent to which the lack of coverage results in persons being unable to obtain necessary health care treatment;
   (5) If the coverage is not generally available, the extent to which the lack of coverage results in unreasonable financial hardship on those persons needing treatment;
   (6) The level of public demand and the level of demand from providers for the treatment or service;
   (7) The level of public demand and the level of demand from the providers for individual or group insurance coverage of the treatment or service;
   (8) The level of interest in and the extent to which collective bargaining organizations are negotiating privately for inclusion of this coverage in group contracts;
(9) The likelihood of achieving the objectives of meeting a consumer need as evidenced by the experience of other states;

(10) The relevant findings of the appropriate health system agency relating to the social impact of the mandated benefit;

(11) The alternatives to meeting the identified need;

(12) Whether the benefit is a medical or a broader social need and whether it is consistent with the role of health insurance and the concept of managed care;

(13) The impact of any social stigma attached to the benefit upon the market;

(14) The impact of this benefit on the availability of other benefits currently being offered;

(15) The impact of the benefit as it relates to employers shifting to self-insured plans and the extent to which the benefit is currently being offered by employers with self-insured plans; and

(16) The impact of making the benefit applicable to the state employee health insurance program; [PL 2011, c. 90, Pt. J, §21 (AMD)].

B. The financial impact of mandating the benefit, including:

(1) The extent to which the proposed insurance coverage would increase or decrease the cost of the treatment or service over the next 5 years;

(2) The extent to which the proposed coverage might increase the appropriate or inappropriate use of the treatment or service over the next 5 years;

(3) The extent to which the mandated treatment or service might serve as an alternative for more expensive or less expensive treatment or service;

(4) The methods that will be instituted to manage the utilization and costs of the proposed mandate;

(5) The extent to which the insurance coverage may affect the number and types of providers of the mandated treatment or service over the next 5 years;

(6) The extent to which insurance coverage of the health care service or provider may be reasonably expected to increase or decrease the insurance premium and administrative expenses of policyholders;

(7) The impact of indirect costs, which are costs other than premiums and administrative costs, on the question of the costs and benefits of coverage;

(8) The impact of this coverage on the total cost of health care, including potential benefits and savings to insurers and employers because the proposed mandated treatment or service prevents disease or illness or leads to the early detection and treatment of disease or illness that is less costly than treatment or service for later stages of a disease or illness;

(9) The effects of mandating the benefit on the cost of health care, particularly the premium and administrative expenses and indirect costs, to employers and employees, including the financial impact on small employers, medium-sized employers and large employers; and

(10) The effect of the proposed mandate on cost-shifting between private and public payors of health care coverage and on the overall cost of the health care delivery system in this State.

In order to enable the committee to assess the financial impact of the benefit, the report must include a comparison of the rate of increase in the Consumer Price Index for medical care services to the rate of increase in the Consumer Price Index for the previous year and the current year as reported by the United States Department of Labor, Bureau of Labor Statistics; [PL 2005, c. 125, §1 (AMD)].
C. The medical efficacy of mandating the benefit, including:
   (1) The contribution of the benefit to the quality of patient care and the health status of the population, including the results of any research demonstrating the medical efficacy of the treatment or service compared to alternatives or not providing the treatment or service; and
   (2) If the legislation seeks to mandate coverage of an additional class of practitioners:
      (a) The results of any professionally acceptable research demonstrating the medical results achieved by the additional class of practitioners relative to those already covered; and
      (b) The methods of the appropriate professional organization that assure clinical proficiency; and [PL 1991, c. 701, §8 (NEW).]

D. The effects of balancing the social, economic and medical efficacy considerations, including:
   (1) The extent to which the need for coverage outweighs the costs of mandating the benefit for all policyholders;
   (2) The extent to which the problem of coverage may be solved by mandating the availability of the coverage as an option for policyholders; and
   (3) The cumulative impact of mandating this benefit in combination with existing mandates on the costs and availability of coverage. [PL 1997, c. 616, §5 (AMD).]

[PL 2011, c. 90, Pt. J, §21 (AMD).]

SECTION HISTORY

§2753. Standardized claim forms

All insurers providing individual medical expense insurance on an expense-incurred basis providing payment or reimbursement for diagnosis or treatment of a condition or a complaint by a health care practitioner must accept the current standardized claim form for professional services approved by the Federal Government and submitted electronically. All insurers providing individual medical expense insurance on an expense-incurred basis providing payment or reimbursement for diagnosis or treatment of a condition or a complaint by a licensed hospital must accept the current standardized claim form for professional or facility services, as applicable, approved by the Federal Government and submitted electronically. An insurer may not be required to accept a claim submitted on a form other than the applicable form specified in this section and may not be required to accept a claim that is not submitted electronically, except from a health care practitioner who is exempt pursuant to Title 24, section 2985. All services provided by a health care practitioner in an office setting must be submitted on the standardized federal form used by noninstitutional providers and suppliers. Services in a nonoffice setting may be billed as negotiated between the insurer and health care practitioner. For purposes of this section, "office setting" means a location where the health care practitioner routinely provides health examinations, diagnosis and treatment of illness or injury on an ambulatory basis whether or not the office is physically located within a facility. [PL 2005, c. 97, §2 (AMD).]

SECTION HISTORY

§2754. Coverage for diabetes supplies

All individual health policies and contracts, except accidental injury, specified disease, hospital indemnity, Medicare supplement, long-term care and other limited benefit health insurance policies and
contracts, must provide coverage for the medically appropriate and necessary equipment, limited to insulin, oral hypoglycemic agents, monitors, test strips, syringes and lancets, and the out-patient self-management training and educational services used to treat diabetes, if: [PL 1995, c. 592, §2 (NEW).]

1. Certification of medical necessity. The insured's treating physician or a physician who specializes in the treatment of diabetes certifies that the equipment and services are necessary; and [PL 1995, c. 592, §2 (NEW).]

2. Provision of medical services. The diabetes out-patient self-management training and educational services are provided through ambulatory diabetes education facilities authorized by the State's Diabetes Control Project within the Bureau of Health. [PL 1995, c. 592, §2 (NEW).]

SECTION HISTORY

PL 1995, c. 592, §2 (NEW).

§2755. Assignment of benefits

All policies providing benefits for medical or dental care on an expense-incurred basis must contain a provision permitting the insured to assign benefits for such care to the provider of the care. An assignment of benefits under this section does not affect or limit the payment of benefits otherwise payable under the policy. [PL 1999, c. 21, §2 (AMD).]

SECTION HISTORY

§2756. Coverage for contraceptives

1. Coverage requirements. All individual health policies and contracts, except accidental injury, specified disease, hospital indemnity, Medicare supplement, disability income, long-term care and other limited benefit health insurance policies and contracts, that provide coverage for prescription drugs or outpatient medical services must provide coverage for all prescription contraceptives approved by the federal Food and Drug Administration or for outpatient contraceptive services, respectively, to the same extent that coverage is provided for other prescription drugs or outpatient medical services. For purposes of this section, the term "outpatient contraceptive services" means consultations, examinations, procedures and medical services provided on an outpatient basis and related to the use of contraceptive methods to prevent an unintended pregnancy. This section may not be construed to apply to prescription drugs or devices that are designed to terminate a pregnancy. [PL 1999, c. 341, §2 (NEW); PL 1999, c. 341, §5 (AFF).]

2. Exclusion for religious employer. A religious employer may request and an insurer shall grant an exclusion under the policy or contract for the coverage required by this section if the required coverage conflicts with the religious employer's bona fide religious beliefs and practices. A religious employer that obtains an exclusion under this subsection shall provide prospective insureds and those individuals insured under its policy written notice of the exclusion. This section may not be construed as authorizing an insurer to exclude coverage for prescription drugs prescribed for reasons other than contraceptive purposes or for prescription contraception that is necessary to preserve the life or health of a covered person. For the purposes of this section, "religious employer" means an employer that is a church, convention or association of churches or an elementary or secondary school that is controlled, operated or principally supported by a church or by a convention or association of churches as defined in 26 United States Code, Section 3121 (w) (3) (A) and that qualifies as a tax-exempt organization under 26 United States Code, Section 501(c) (3). [PL 1999, c. 341, §2 (NEW); PL 1999, c. 341, §5 (AFF).]

3. Coverage of contraceptive supplies. Coverage required under this section must include coverage for contraceptive supplies in accordance with the following requirements. For purposes of
this section, "contraceptive supplies" means all contraceptive drugs, devices and products approved by the federal Food and Drug Administration to prevent an unwanted pregnancy.

A. Coverage must be provided without any deductible, coinsurance, copayment or other cost-sharing requirement for at least one contraceptive supply within each method of contraception that is identified by the federal Food and Drug Administration to prevent an unwanted pregnancy and prescribed by a health care provider. [PL 2017, c. 190, §1 (NEW).]

B. If there is a therapeutic equivalent of a contraceptive supply within a contraceptive method approved by the federal Food and Drug Administration, an insurer may provide coverage for more than one contraceptive supply and may impose cost-sharing requirements as long as at least one contraceptive supply within that method is available without cost sharing. [PL 2017, c. 190, §1 (NEW).]

C. If an individual's health care provider recommends a particular contraceptive supply approved by the federal Food and Drug Administration for the individual based on a determination of medical necessity, the insurer shall defer to the provider's determination and judgment and shall provide coverage without cost sharing for the prescribed contraceptive supply. [PL 2017, c. 190, §1 (NEW).]

D. Coverage must be provided for the furnishing or dispensing of prescribed contraceptive supplies intended to last for a 12-month period, which may be furnished or dispensed all at once or over the course of the 12 months at the discretion of the health care provider. [PL 2017, c. 190, §1 (NEW).]

[PL 2017, c. 190, §1 (NEW).]

Revisor's Note: §2759. Coverage for general anesthesia for dentistry (As enacted by PL 2001, c. 423, §2 and affected by § 5 is REALLOCATED TO TITLE 24-A, SECTION 2760)

Section History

§2760. Coverage for general anesthesia for dentistry
(REALLOCATED FROM TITLE 24-A, SECTION 2759)

1. Enrollee defined. For the purposes of this section, unless the context otherwise indicates, "enrollee" means a person who is covered under an individual health insurance contract provided by an insurer. [RR 2001, c. 1, §31 (RAL).]

2. General anesthesia and associated facility charges. An insurer that issues individual health insurance contracts shall provide coverage for general anesthesia and associated facility charges for dental procedures rendered in a hospital when the clinical status or underlying medical condition of an enrollee requires dental procedures that ordinarily would not require general anesthesia to be rendered in a hospital. The insurer may require prior authorization of general anesthesia and associated charges required for dental care procedures in the same manner that prior authorization is required for other covered diseases or conditions. [RR 2001, c. 1, §31 (RAL).]

3. Limitations on coverage. This section applies only to general anesthesia and associated facility charges for only the following enrollees if the enrollees meet the criteria in subsection 2:

A. Enrollees, including infants, exhibiting physical, intellectual or medically compromising conditions for which dental treatment under local anesthesia, with or without additional adjunctive techniques and modalities, can not be expected to provide a successful result and for which dental treatment under general anesthesia can be expected to produce a superior result; [RR 2001, c. 1, §31 (RAL).]

B. Enrollees demonstrating dental treatment needs for which local anesthesia is ineffective because of acute infection, anatomic variation or allergy; [RR 2001, c. 1, §31 (RAL).]
C. Extremely uncooperative, fearful, anxious or uncommunicative children or adolescents with
dental needs of such magnitude that treatment should not be postponed or deferred and for whom
lack of treatment can be expected to result in dental or oral pain or infection, loss of teeth or other
increased oral or dental morbidity; and [RR 2001, c. 1, §31 (RAL).]

D. Enrollees who have sustained extensive oral-facial or dental trauma for which treatment under
local anesthesia would be ineffective or compromised. [RR 2001, c. 1, §31 (RAL).]

4. Dental procedures and dentist's fee not covered. This section does not require an insurer that
issues individual contracts to cover any charges for the dental procedure itself, including, but not limited
to, the professional fee of the dentist. Coverage for anesthesia and associated facility charges pursuant
to this section is subject to all other terms and conditions of the individual contract that apply generally
to other benefits.
[RR 2001, c. 1, §31 (RAL).]

5. Coordination of benefits with dental insurance. If an enrollee eligible for coverage under
this section is also eligible for coverage for general anesthesia and associated facility charges under a
dental insurance policy or contract, the nonprofit health care service organization or insurer providing
dental insurance is the primary payer responsible for those charges and the insurer providing individual
health insurance is the secondary payer.

[PL 2019, c. 653, Pt. B, §2 (NEW).]

2. Premium rates. Premium rates for a health plan offered in the pooled market described in subsection 1 may not vary based on whether the plan is issued to an individual or to a small employer. Rate filings and review for the pooled market are subject to the provisions of sections 2736 to 2736-C. For health plans that are issued on other than a calendar year basis, rates applicable on and after January 1st of any plan year must be the approved rates for the most similar plan offered during the new calendar year, adjusted by a factor, approved by the superintendent as part of the rating plan, that appropriately accounts for any differences in plan design. [PL 2019, c. 653, Pt. B, §2 (NEW).]

3. Harmonization of mandated benefit laws. In addition to the requirements of chapter 56-A, a health plan subject to this section must comply with the applicable mandated benefit provisions in chapter 33 or the corresponding provisions of chapter 35. A health maintenance organization or a nonprofit hospital and medical service organization may offer any health plan approved by the
superintendent for sale in the pooled market established pursuant to this section, notwithstanding any provision of chapter 56 or Title 24 to the contrary.
[PL 2019, c. 653, Pt. B, §2 (NEW).]

4. **Conforming references.** All references in this Title to the individual health insurance market, the small group health insurance market or any equivalent terminology refer to the pooled market established pursuant to this section.
[PL 2019, c. 653, Pt. B, §2 (NEW).]

5. **Preconditions for pooled market.** This section may not be implemented unless routine technical rules as defined in Title 5, chapter 375, subchapter 2-A are adopted to implement this section and the Federal Government approves a state innovation waiver amendment that extends reinsurance under section 3953 to the pooled market established pursuant to this section based on projections by the superintendent that both average individual premium rates and average small group premium rates would be the same or lower than they would have been absent the provisions of this section. If this section is not implemented, the superintendent shall conduct an analysis of alternative proposals to improve the stability and affordability of the small group market.
[PL 2019, c. 653, Pt. B, §2 (NEW).]

**SECTION HISTORY**

§2793. **Clear choice designs**

The superintendent shall develop clear choice designs for the individual and small group health insurance markets in order to reduce consumer confusion and provide meaningful choices for consumers by promoting a level playing field on which carriers compete on the basis of price and quality.

1. **Clear choice design.** For the purposes of this section, "clear choice design" means a set of annual copayments, coinsurance and deductibles for all or a designated subset of the essential health benefits. An individual or small group health plan subject to section 2792 must conform to one of the clear choice designs developed pursuant to this section unless an opt-out request is granted under subsection 4.
[PL 2019, c. 653, Pt. B, §2 (NEW).]

2. **Development of clear choice designs.** The superintendent shall develop clear choice designs in consultation with working groups consisting of consumers, carriers, health policy experts and other interested persons. The superintendent shall adopt rules for clear choice designs, taking into consideration the ability of plans to conform to actuarial value ranges, consumer needs and promotion of benefits with high value and return on investment. The superintendent shall develop at least one clear choice design for each tier of health insurance plan designated as bronze, silver, gold and platinum in accordance with the federal Affordable Care Act. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. Clear choice designs apply to all individual and small group health plans offered in this State with effective dates of coverage on or after January 1, 2022.
[PL 2019, c. 653, Pt. B, §2 (NEW).]

3. **Annual review.** The superintendent shall consider annually whether to revise, discontinue or add any clear choice designs for use by carriers in the following calendar year, including but not limited to considering whether deductible and copayment levels should be changed to reflect medical inflation and conform with actuarial value and annual maximum out-of-pocket limits.
[PL 2019, c. 653, Pt. B, §2 (NEW).]

4. **Alternative plan designs.** In addition to one or more health plans that include cost-sharing parameters consistent with a clear choice design developed pursuant to this section, a carrier may offer
up to 3 health plans that modify one or more specific cost-sharing parameters in a clear choice design if the carrier submits an actuarial certification to the satisfaction of the superintendent that the alternative plan design offers significant consumer benefits and does not result in adverse selection. An alternative plan design may be offered only in a service area where the carrier offers at least one clear choice design plan at the same tier.

[PL 2019, c. 653, Pt. B, §2 (NEW).]

SECTION HISTORY

§2808-B. Small group health plans

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Carrier" means any insurance company, nonprofit hospital and medical service organization or health maintenance organization authorized to issue small group health plans in this State. For the purposes of this section, carriers that are affiliated companies or that are eligible to file consolidated tax returns are treated as one carrier and any restrictions or limitations imposed by this section apply as if all small group health plans delivered or issued for delivery in this State by affiliated carriers were issued by one carrier. For purposes of this section, health maintenance organizations are treated as separate organizations from affiliated insurance companies and nonprofit hospital and medical service organizations. [PL 1991, c. 861, §2 (NEW).]

B. "Community rate" means the rate to be charged to all eligible groups for small group health plans prior to any adjustments pursuant to subsection 2, paragraphs C and D. [PL 1991, c. 861, §2 (NEW).]

C. "Eligible employee" means an employee who works on a full-time basis, with a normal work week of 30 hours or more. "Eligible employee" includes a sole proprietor, a partner of a partnership or an independent contractor, but does not include employees who work on a temporary or substitute basis. An employer may elect to treat as eligible employees part-time employees who...
work a normal work week of 10 hours or more as long as at least one employee works a normal work week of 30 hours or more. An employer may elect to treat as eligible employees employees who retire from the employer's employment. [PL 1999, c. 256, Pt. P, §1 (AMD).]

D. "Eligible group" means any person, firm, corporation, partnership, association or subgroup engaged actively in a business that employed an average of 50 or fewer eligible employees during the preceding calendar year.

1. If an employer was not in existence throughout the preceding calendar year, the determination must be based on the average number of employees that the employer is reasonably expected to employ on business days in the current calendar year.

2. In determining the number of eligible employees, companies that are affiliated companies or that are eligible to file a combined tax return for purposes of state taxation are considered one employer.

3. A group is not an eligible group if there is any one other state where there are more eligible employees than are employed within this State and the group had coverage in that state or is eligible for guaranteed issuance of coverage in that state.

4. An employer qualifies as an eligible group for 2-person coverage if the employer provides a carrier with the following information demonstrating that the employer's business and employees meet the minimum qualifications for group coverage in paragraph C:

   a. A copy of the most recent quarterly combined filing for income tax withholding and unemployment contributions, Form 941/C1-ME;

   b. For an employee claimed to be an employee eligible for group coverage whose name is not listed on Form 941/C1-ME, a copy of the employer's payroll records for the most recent 3 months showing tax withholding or a wage report from a payroll company showing wages paid to that employee for the most recent quarter with tax withholding;

   c. If an employer is exempt from filing Form 941/C1-ME for group coverage, documentation of that exemption and a copy of the employer's payroll records for the most recent 3 months showing tax withholding or a wage report from a payroll company showing wages paid to that employee for the most recent quarter with tax withholding; or

   d. If the name of the business owner or employee does not appear on Form 941/C1-ME, a copy of one of the following:

      i. Federal income tax Form Schedule C or Schedule F;

      ii. Federal income tax Form 1120S, Schedule K-1;

      iii. Federal income tax Form 1065, Schedule K-1;

      iv. A workers' compensation insurance audit or evidence of a waiver of benefits under Title 39-A;

      v. A description of operations in a commercial general liability insurance policy or equivalent insurance policy providing coverage for the business; or

      vi. A signature card from a financial institution or credit union authorizing the employee to sign checks on a business checking or share draft account that is at least 6 months old; a notarized affidavit from the employer describing the duties of the employee and the average number of hours worked by the employee and attesting that the employer is not defrauding the carrier and is aware of the consequences of committing fraud or making a material misrepresentation to the carrier, including a loss of coverage and benefits; and, if the group coverage is purchased through a
producer, a notarized affidavit from the producer affirming the producer's belief that the employer qualifies as an eligible group for coverage.

In determining if a new business or a business that adds an owner or a new employee to payroll during the course of a year qualifies as an eligible group for 2-person coverage under this subparagraph, the employer must submit an affidavit stating that all employees meet the criteria in this subparagraph and that the documentation and forms required under this subparagraph will be provided to the carrier when payroll records become available, when ownership distribution forms become available or the first renewal date of the coverage, whichever date is earlier. A false affidavit or misrepresentation on an affidavit submitted by an employer may result in the loss of group coverage and repayment of claims paid. This subparagraph may not be construed to prohibit a carrier from recognizing an employer as an eligible group if the employer has not produced the documentation required in this subparagraph.

This subparagraph applies only to an employer applying for group health insurance coverage as a 2-person group from October 1, 2001 to December 31, 2013. [PL 2011, c. 364, §9 (AMD).]

E. "Late enrollee" means an eligible employee or dependent who requests enrollment in a small group health plan following the initial minimum 30-day enrollment period provided under the terms of the plan, except that, an eligible employee or dependent is not considered a late enrollee if the eligible employee or dependent meets the requirements of section 2849-B, subsection 3, paragraph A, B, C-1 or D. [PL 1997, c. 777, Pt. B, §2 (AMD).]

F. "Premium rate" means the rate charged to an eligible group or eligible individual for a small group health plan. [PL 1991, c. 861, §2 (NEW).]

G. "Small group health plan" means any hospital and medical expense-incurred policy; health, hospital or medical service corporation plan contract; or health maintenance organization subscriber contract covering an eligible group. "Small group health plan" does not include the following types of insurance:

(1) Accident;
(2) Credit;
(3) Disability;
(4) Long-term care or nursing home care;
(5) Medicare supplement;
(6) Specified disease;
(7) Dental or vision;
(8) Coverage issued as a supplement to liability insurance;
(9) Workers' compensation;
(10) Automobile medical payment; or
(11) Insurance under which benefits are payable with or without regard to fault and that is required statutorily to be contained in any liability insurance policy or equivalent self-insurance. [PL 1991, c. 861, §2 (NEW).]

H. "Subgroup" means an employer with 50 or fewer employees within an association, a multiple employer trust, a private purchasing alliance or any similar subdivision of a larger group covered by a single group health policy or contract. For group policies issued to an employee leasing company as defined in Title 32, chapter 125, each client having 50 or fewer employees is considered a separate subgroup. [PL 2009, c. 244, Pt. F, §2 (AMD).]
2. Rating practices. The following requirements apply to the rating practices of carriers providing small group health plans. This subsection does not apply to policies issued before January 1, 1998 to eligible groups that employed, on average, 25 to 50 eligible employees until their first renewal date on or after January 1, 1998.

A. [PL 2003, c. 469, Pt. E, §14 (RP).]

B. A carrier may not vary the premium rate due to the gender, health status, claims experience or policy duration of the eligible group or members of the group or any other rating factor not specified in this section. [PL 2019, c. 5, Pt. A, §9 (AMD).]

C. A carrier may vary the premium rate due to family membership and participation in wellness programs. The premium rate for a family must equal the sum of the premiums for each individual in the family, except that it may not be based on more than 3 dependent children who are less than 21 years of age. The superintendent may adopt rules setting forth appropriate methodologies regarding rate discounts for participation in wellness programs. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 5, Pt. A, §10 (AMD).]

C-1. A carrier may vary the premium rate due to geographic area in accordance with the limitation set out in this paragraph. For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after October 1, 2011, the rating factor used by a carrier for geographic area may not exceed 1.5. [PL 2011, c. 90, Pt. A, §7 (NEW).]

D. A carrier may vary the premium rate due to age and tobacco use in accordance with the limitations set out in this paragraph. A carrier that varies the premium rate due to age must vary the premium rate according to a uniform age curve. The superintendent shall adopt rules establishing a uniform age curve that is substantially similar to the age curve in effect on January 1, 2019 under the federal Affordable Care Act. Rules adopted under this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

   (1) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1993 and July 14, 1994, the premium rate may not deviate above or below the community rate filed by the carrier by more than 50%.

   (2) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1994 and July 14, 1995, the premium rate may not deviate above or below the community rate filed by the carrier by more than 33%.

   (3) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1995 and September 30, 2011, the premium rate may not deviate above or below the community rate filed by the carrier by more than 20%.

   (4) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between October 1, 2011 and September 30, 2012, the maximum rate differential due to age filed by the carrier as determined by ratio is 2 to 1. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.

   (5) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between October 1, 2012 and December 31, 2013, the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 2.5 to 1. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.
(6) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between January 1, 2014 and December 31, 2014, the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 3 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.

(7) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between January 1, 2015 and December 31, 2015, the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 4 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.

(8) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2016, except as provided in subparagraph (10), the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 5 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.

(9) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after October 1, 2011, the maximum rate differential due to tobacco use filed by the carrier as determined by ratio is 1.5 to 1, except that the carrier may not apply a rate differential pursuant to this subparagraph when the covered individual is participating in an evidence-based tobacco cessation strategy approved by the United States Department of Health and Human Services, Food and Drug Administration.

(10) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after the effective date of this Act, the maximum rate differential due to age filed by the carrier as determined by ratio is 3 to 1 for individuals 21 years of age and older on the first day of coverage under the policy, contract or certificate. The variation in rate due to age must be actuarially justified for individuals under 21 years of age consistent with the uniform age rating curve adopted under this paragraph. [PL 2019, c. 5, Pt. A, §11 (AMD).]

D-1. [PL 2011, c. 90, Pt. A, §9 (RP).]

D-2. Notwithstanding the requirements of paragraph D, rates with respect to employees whose work site is not in this State may be based on area adjustment factors appropriate to that location. [RR 1997, c. 1, §22 (RAL).]

E. The superintendent may authorize a carrier to establish a separate community rate for an association group organized pursuant to section 2805-A or a trustee group organized pursuant to section 2806 consistent with the provisions of this paragraph and applicable federal law.

(1) Association group membership or eligibility for participation in the trustee group may not be conditioned on health status, claims experience or other risk selection criteria.

(2) All health plans offered by the carrier through that association or trustee group must be made available on a guaranteed issue basis to all eligible employers that are members of the association or are eligible to participate in the trustee group except that a professional association may require that a minimum percentage of the eligible professionals employed by a subgroup be members of the association in order for the subgroup to be eligible for issuance or renewal of coverage through the association. The minimum percentage must not exceed 90%. For purposes of this subparagraph, "professional association" means an association that:
(a) Serves a single profession that requires a significant amount of education, training or experience or a license or certificate from a state authority to practice that profession;
(b) Has been actively in existence for 5 years;
(c) Has a constitution and bylaws or other analogous governing documents;
(d) Has been formed and maintained in good faith for purposes other than obtaining insurance;
(e) Is not owned or controlled by a carrier or affiliated with a carrier;
(f) Has at least 1,000 members if it is a national association; 200 members if it is a state or local association;
(g) All members and dependents of members are eligible for coverage regardless of health status or claims experience; and
(h) Is governed by a board of directors and sponsors annual meetings of its members.

(3) The aggregate rate charged by the carrier to the association or trustee group is considered a large group rate, and the terms of coverage are considered a large group health plan. Rates for participating employers within the group may vary only as permitted by paragraphs B to D-2.

(4) Producers may only market association memberships, accept applications for membership or sign up members in a professional association in which the individuals are actively engaged in or directly related to the profession represented by the professional association.

(5) Carriers may not be reinsured under section 3958 for coverage issued under this paragraph.

(6) Except for employers with plans that have grandfathered status under the federal Affordable Care Act, this paragraph does not apply to policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2014 until December 31, 2019. To the extent permitted under the federal Affordable Care Act, this paragraph applies to policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2020. [PL 2019, c. 653, Pt. B, §3 (RPR).]

F. Premium rates charged to a private purchasing alliance, as defined by chapter 18-A, may be reduced in accordance with rules adopted pursuant to that chapter. [PL 1995, c. 673, Pt. A, §6 (NEW).]

H. [PL 2019, c. 5, Pt. A, §12 (RP).]

I. Except for plans that have grandfathered status under the federal Affordable Care Act, beginning January 1, 2014, a carrier shall consider all enrollees in all small group health plans offered by the carrier to be members of a single risk pool to the extent required by the federal Affordable Care Act. [PL 2011, c. 364, §14 (NEW).]

2-A. Rate filings. A carrier offering small group health plans shall file with the superintendent the community rates for each plan and every rate, rating formula and classification of risks and every modification of any formula or classification that it proposes to use.

A. Every filing must state the effective date of the filing. Every filing must be made not less than 60 days in advance of the stated effective date, unless the 60-day requirement is waived by the superintendent. The effective date may be suspended by the superintendent for a period of time not to exceed 30 days. [PL 2009, c. 244, Pt. C, §7 (AMD).]
B. A filing and all supporting information, except for protected health information required to be kept confidential by state or federal statute and except for descriptions of the amount and terms or conditions or reimbursement in a contract between an insurer and a 3rd party, are public records notwithstanding Title 1, section 402, subsection 3, paragraph B and become part of the official record of any hearing held pursuant to subsection 2-B, paragraph B or section 2792, subsection 2. [PL 2019, c. 653, Pt. B, §4 (AMD).]

C. Rates for small group health plans must be filed in accordance with this section and subsections 2-B and 2-C or section 2792, as applicable, for premium rates effective on or after July 1, 2004, except that the rates for small group health plans are not required to account for any payment or any recovery of that payment pursuant to subsection 2-B, paragraph D and former section 6913 for rates effective before July 1, 2005. [PL 2019, c. 653, Pt. B, §5 (AMD).]

[PL 2019, c. 653, Pt. B, §§4, 5 (AMD).]

2-B. Rate review and hearings. Except as provided in subsection 2-C and section 2792, rate filings are subject to this subsection.

A. Rates subject to this subsection must be filed for approval by the superintendent. The superintendent shall disapprove any premium rates filed by any carrier, whether initial or revised, for a small group health plan unless it is anticipated that the aggregate benefits estimated to be paid under all the small group health plans maintained in force by the carrier for the period for which coverage is to be provided will return to policyholders at least 75% of the aggregate premiums collected for those policies, as determined in accordance with accepted actuarial principles and practices and on the basis of incurred claims experience and earned premiums. For the purposes of this calculation, any payments paid pursuant to former section 6913 must be treated as incurred claims. [PL 2009, c. 244, Pt. G, §2 (AMD).]

B. If at any time the superintendent has reason to believe that a filing does not meet the requirements that rates not be excessive, inadequate or unfairly discriminatory or that the filing violates any of the provisions of chapter 23, the superintendent shall cause a hearing to be held. Hearings held under this subsection must conform to the procedural requirements set forth in Title 5, chapter 375, subchapter 4. The superintendent shall issue an order or decision within 30 days after the close of the hearing or of any rehearing or reargument or within such other period as the superintendent for good cause may require, but not to exceed an additional 30 days. In the order or decision, the superintendent shall either approve or disapprove the rate filing. If the superintendent disapproves the rate filing, the superintendent shall establish the date on which the filing is no longer effective, specify the filing the superintendent would approve and authorize the insurer to submit a new filing in accordance with the terms of the order or decision. [PL 2003, c. 469, Pt. E, §16 (NEW).]

C. When a filing is not accompanied by the information upon which the carrier supports the filing or the superintendent does not have sufficient information to determine whether the filing meets the requirements that rates not be excessive, inadequate or unfairly discriminatory, the superintendent shall require the carrier to furnish the information upon which it supports the filing. [PL 2011, c. 364, §15 (AMD).]

D. A carrier that adjusts its rate shall account for the savings offset payment or any recovery of that savings offset payment in its experience consistent with this section and former section 6913. [PL 2007, c. 629, Pt. M, §8 (AMD).]

E. [PL 2009, c. 244, Pt. C, §8 (RP).]

F. [PL 2009, c. 244, Pt. C, §9 (RP).]

[PL 2019, c. 653, Pt. B, §6 (AMD).]
2-C. Guaranteed loss ratio. Notwithstanding subsection 2-B, rate filings for a credible block of small group health plans may be filed in accordance with this subsection instead of subsection 2-B, except as otherwise provided in section 2792. Rates filed in accordance with this subsection are filed for informational purposes.

A. A block of small group health plans is considered credible if the anticipated average number of members during the period for which the rates will be in effect meets standards for full or partial credibility pursuant to the federal Affordable Care Act. The rate filing must state the anticipated average number of members during the period for which the rates will be in effect and the basis for the estimate. If the superintendent determines that the number of members is likely to be less than needed to meet the credibility standard, the filing is subject to subsection 2-B. [PL 2011, c. 364, §16 (AMD).]

A-1. [PL 2011, c. 364, §16 (RP).]
B. [PL 2011, c. 364, §16 (RP).]
C. [PL 2011, c. 364, §16 (RP).]
D. [PL 2011, c. 364, §16 (RP).]
E. [PL 2011, c. 364, §16 (RP).]
[PL 2019, c. 653, Pt. B, §7 (AMD).]

3. Coverage for late enrollees. In providing coverage to late enrollees, small group health plan carriers are allowed to exclude or limit coverage for a late enrollee subject to the limitations set forth in section 2849-B, subsection 3. [PL 1999, c. 256, Pt. L, §1 (AMD).]

4. Guaranteed issuance and guaranteed renewal. Carriers providing small group health plans must meet the following requirements on issuance and renewal.

A. Any small group health plan offered to any eligible group or subgroup must be offered to all eligible groups that meet the carrier's minimum participation requirements, which may not exceed 75%, to all eligible employees and their dependents in those groups. In determining compliance with minimum participation requirements, eligible employees and their dependents who have existing health care coverage may not be considered in the calculation. If an employee declines coverage because the employee has other coverage, any dependents of that employee who are not eligible under the employee's other coverage are eligible for coverage under the small group health plan. A carrier may deny coverage under a managed care plan, as defined by section 4301-A:

(1) To employers who have no employees who live, reside or work within the approved service area of the plan; and

(2) To employers if the carrier has demonstrated to the superintendent's satisfaction that:

(a) The carrier does not have the capacity to deliver services adequately to additional enrollees within all or a designated part of its service area because of its obligations to existing enrollees; and

(b) The carrier is applying this provision uniformly to individuals and groups without regard to any health-related factor.

A carrier that denies coverage in accordance with this subparagraph may not enroll individuals residing within the area subject to denial of coverage, or groups or subgroups within that area for a period of 180 days after the date of the first denial of coverage. [RR 2001, c. 1, §32 (COR).]

B. Renewal is guaranteed under section 2850-B. [PL 1997, c. 445, §17 (RPR); PL 1997, c. 445, §32 (AFF).]
5. Cessation of business.  

6. Fair marketing standards. Carriers providing small group health plans must meet the following standards of fair marketing.

A. Each carrier must actively market small group health plan coverage, including any standardized plans required to be offered pursuant to subsection 8-A, to eligible groups in this State.  [PL 2009, c. 439, Pt. D, §2 (AMD).]

B. A carrier or representative of the carrier may not directly or indirectly engage in the following activities:

   (1) Encouraging or directing eligible groups to refrain from filing an application for coverage with the carrier because of any of the rating factors listed in subsection 2; and
   (2) Encouraging or directing eligible groups to seek coverage from another carrier because of any of the rating factors listed in subsection 2.  [PL 1991, c. 861, §2 (NEW).]

C. A carrier may not directly or indirectly enter into any contract, agreement or arrangement with a representative of the carrier that provides for or results in the compensation paid to the representative for the sale of a small group health plan to be varied because of the rating factors listed in subsection 2.  A carrier may enter into a compensation arrangement that provides compensation to a representative of the carrier on the basis of percentage of premium, provided that the percentage does not vary because of the rating factors listed in subsection 2.  [PL 1991, c. 861, §2 (NEW).]

D. A carrier may not terminate, fail to renew or limit its contract or agreement of representation with a representative for any reason related to the rating factors listed in subsection 2.  [PL 1991, c. 861, §2 (NEW).]

E. A carrier or representative of the carrier may not induce or otherwise encourage an eligible group to separate or otherwise exclude an employee from small group health plan coverage or benefits.  [PL 1991, c. 861, §2 (NEW).]

F. Denial by a carrier of an application for coverage from an eligible group must be in writing and must state the reason or reasons for the denial.  [PL 1991, c. 861, §2 (NEW).]

G. The superintendent may establish rules setting forth additional standards to provide for the fair marketing and broad availability of small group health plans in this State.  [PL 1991, c. 861, §2 (NEW).]

H. A violation of this section by a carrier or a representative of the carrier is an unfair trade practice under chapter 23.  If a carrier enters into a contract, agreement or other arrangement with a 3rd-party administrator to provide administrative, marketing or other services related to the offering of small group health plans in this State, the 3rd-party administrator is subject to this section as if it were a carrier.  [PL 1991, c. 861, §2 (NEW).]

I. Notwithstanding any other provision of this section, prior to January 1, 2014, a carrier may choose whether it will offer to groups having only one member coverage under the carrier's individual health policies offered to other individuals in this State in accordance with section 2736-C or coverage under a small group health plan in accordance with this section, or both, but the carrier need not offer to groups of one both small group and individual health coverage.  [PL 2011, c. 364, §17 (AMD).]
7. Applicability. This section applies to all policies, plans, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State on or after July 15, 1993. For purposes of this section, all contracts are deemed renewed no later than the next yearly anniversary date of the policy, plan, contract or certificate.

8. Standardized plans.
[PL 2001, c. 410, Pt. A, §7 (RP).]

8-A. Authority of the superintendent. The superintendent may by rule define one or more standardized small group health plans that must be offered by all carriers offering small group health plans in the State. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
[PL 2009, c. 439, Pt. D, §3 (NEW).]

9. Reinsurance mechanism. Small group carriers, except nonprofit hospital and medical service organizations, may form a reinsurance pool for the purpose of reinsuring small group risks. This pool may not become operative until the superintendent has approved a plan of operation. The superintendent may approve a plan only after the superintendent determines that the plan is in the public interest and is consistent with this section. The participants in the plan of operation of the pool shall guarantee, without limitation, the solvency of the pool. That guarantee constitutes a permanent financial obligation of each participant on a pro rata basis.
[PL 1993, c. 325, §1 (NEW).]

SECTION HISTORY

§2809. Coverage of family, dependents; continuation of coverage

1. Any policy of group health insurance issued pursuant to sections 2804 (employee groups), 2805 (labor union groups), 2805-A (association groups), 2806 (trustee groups), 2807-A (credit union groups) or 2808 (other groups) may include coverage for members of the family or dependents of individuals otherwise insured in such groups.
[PL 1981, c. 147, §9 (AMD).]

1-A. Any such policy of group health insurance that provides coverage for family members or dependents of individuals in the insured group may not define the terms "family" or "dependent" to exclude from coverage those minor children of any covered individual who do not reside with that individual. Insurers must comply with 42 United States Code, Section 1396g-1.
[PL 1995, c. 418, Pt. C, §3 (AMD).]
2. Any group health insurance policy which contains provisions for the payment by the insurer of benefits for expenses incurred on account of hospital, nursing, medical or surgical services for members of the family or dependents of an individual in the insured group may provide for the continuation of such benefit provisions, or any part or parts thereof, after the death of such individual.  

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§2809-A. Conversion on termination of policy or eligibility

1. A group policy issued prior to January 1, 1996, that provides hospital, surgical or major medical expense insurance or any combination thereof, other than a policy that provides benefits for specific diseases or accidental injuries only, must contain a provision that if the insurance on an employee or member ceases because of termination of employment or termination of the policy or any portion of a policy, and the person has been continuously insured for a period of at least 3 months under the group policy or under the group policy and any prior group policy or contract providing similar benefits that it replaces, that person is entitled to have issued to that person by the insurer, without evidence of insurability, an individual policy or, at the insurer's option, a group certificate of health insurance, provided that application is made and the first premium paid to the insurer within 90 days after that termination. At the option of the employee or member, the converted policy may cover the employee or member, the employee or member and the employee or member's dependents or the dependents of the employee or member if, in the latter 2 cases, the dependents have been covered for a period of at least 3 months under the group policy, unless the dependent persons were not eligible for coverage until after the beginning of the 3-month period. The insurer has the option to provide the required coverage upon conversion through either a group or individual policy, and may issue a separate converted policy to cover any dependent. An insurer is not required to provide a conversion privilege if termination of insurance under the group policy occurred because the employee or member failed to pay any required contribution or if any discontinued group coverage is replaced by continuous and substantially similar group coverage within 31 days.  

[PL 1995, c. 332, Pt. A, §8 (AMD).]

1-A. Notification of cancellation. An insurer may not cancel or refuse to renew any policy for hospital, surgical, dental or major medical expense insurance until the insurer has provided by first class mail at least 10 days' prior notification according to this section. The notice must include the date of cancellation of coverage and, if applicable, the time period for exercising policy conversion rights. The notice also must include an explanation of any applicable grace period. Notification is not required when the insurer has received written notice from the group policyholder that replacement coverage has been obtained.

A. Notice must be mailed to the group policyholder or subgroup sponsor.  [PL 1995, c. 625, Pt. A, §25 (RPR).]

B.  [PL 2003, c. 156, §2 (RP).]

B-1. At the time of notification under paragraph A, notice must be mailed to the certificate holder at the last address provided to the insurer by the subgroup sponsor, the group policyholder or the certificate holder. If the insurer does not have an address on file for the certificate holder, the notice must be mailed to the office of the subgroup sponsor, if any, or the group policy holder. The notice must also include information to the certificate holder about the availability of individual coverage as described in subsection 1-B.  [PL 2003, c. 428, Pt. B, §2 (AMD).]

B-2. All notices of cancellation sent to certificate holders pursuant to paragraph B-1 must include a toll-free telephone number that certificate holders can call to determine if the policy has been
cancelled for nonpayment of premium or if the policy has been reinstated because the premium has been paid. [PL 2009, c. 439, Pt. A, §1 (NEW).]

1-B. Notification of availability of individual coverage. An insurer shall provide forms to group policyholders, and certificate holders when required by subsection 1-A, for the purpose of informing terminating group members of their right to purchase any individual health plan available in this State. An adequate supply of forms must be provided to each group policyholder when the policy is issued and at least annually after the policy is issued. The superintendent may prescribe the content of the form by routine technical rule pursuant to Title 5, chapter 375, subchapter 2-A. The form must include at least the following:

A. A statement that all state residents not eligible for Medicare have a right to purchase any individual health plan available in this State; [PL 1997, c. 604, Pt. B, §3 (NEW).]

B. A statement that in order to avoid a gap in coverage, the individual should apply for individual coverage prior to termination of group coverage; [PL 1997, c. 604, Pt. B, §3 (NEW).]

C. A statement that if more than 90 days pass between the time the group coverage ends and the time individual coverage begins, the individual coverage may exclude preexisting conditions for one year; and [PL 1997, c. 604, Pt. B, §3 (NEW).]

D. A statement that information concerning individual coverage is available from the Bureau of Insurance. The bureau's toll-free telephone number must also be provided. [PL 1997, c. 604, Pt. B, §3 (NEW).]

[PL 2007, c. 199, Pt. F, §1 (AMD).]

2. If a conversion privilege is applicable pursuant to subsection 1, it must also be available:

A. Upon the death of an employee or member, to the surviving spouse with respect to the spouse and the children whose coverage terminates by reason of that death, or if there is no surviving spouse to each surviving child whose coverage so terminates. If the group policy provides for continuation of dependents' coverage upon the death of the employee or member, the conversion privilege must be made available at the end of that continuation; [PL 1995, c. 332, Pt. A, §10 (AMD).]

B. To the spouse of a member or employee upon termination of coverage by reason of ceasing to be a qualified family member under the group policy whether by divorce or otherwise, whether or not the employee or member remains insured, with respect to the spouse and the children whose coverage terminates at the same time; [PL 1981, c. 606, §2 (NEW).]

C. To a child upon termination of coverage by reason of ceasing to be a qualified family member under the group policy if a conversion privilege is not otherwise provided with respect to that child in this subsection; or [PL 1995, c. 332, Pt. A, §10 (AMD).]

D. To an employee or member whose coverage would otherwise continue under the group policy upon retirement prior to eligibility for coverage under Medicare,"United States Insurance for the Aged Act," Title XVIII of the Social Security Amendments of 1965, Public Law 89-97, as amended, at the option of that employee or member in lieu of continued coverage under the group policy. [PL 1981, c. 606, §2 (NEW).]

[PL 1995, c. 332, Pt. A, §10 (AMD).]

3. The insurer shall not be required to issue a converted policy covering an otherwise eligible person:

A. If:
MRS Title 24-A. MAINE INSURANCE CODE

(1) That person is eligible for Medicare; or

(2) That person:

(a) Is covered for similar benefits by any other plan or program;

(b) Is eligible for similar benefits under any group coverage arrangement whether on an insured or uninsured basis; or

(c) Has similar benefits provided for or available to him pursuant to requirements of any state or federal law; and [PL 1981, c. 606, §2 (NEW).]

B. The benefits as described in paragraph A, subparagraph 2, division (a) (b) or (c) provided for or available to the person together with the benefits provided by the converted policy would result in overinsurance according to standards which have been filed by the insurer prior to denial of coverage and approved by the superintendent. [PL 1981, c. 606, §2 (NEW).]

3-A. Policies issued or renewed on or after January 1, 1996. An insurer that offers individual health plans pursuant to section 2736-C is permitted, but not required, to include a conversion privilege in group policies issued or renewed on or after January 1, 1996. If the insurer does include a conversion privilege in those policies, individuals exercising these rights must be offered a choice of any individual health plan offered by the insurer. An insurer that does not offer individual health plans pursuant to section 2736-C may not include a conversion privilege in group policies issued or renewed on or after January 1, 1996.

[PL 1995, c. 332, Pt. A, §11 (NEW).]

4. The premium on the converted policy must be determined in accordance with premium rates applicable to individually underwritten standard risks for the age and class of risk of each person to be covered and the type and amount of insurance provided. Experience under converted policies is not an acceptable basis for establishing rates for converted policies, except to the extent permitted by rules adopted by the superintendent.

The superintendent may establish maximum rates by rule for standard benefit options.

Maximum rates do not apply if all of the following conditions are met:

A. Conversion is provided through a form that is also issued to members of the general public applying for an individual health plan pursuant to section 2736-C; [PL 1995, c. 332, Pt. A, §12 (AMD).]

B. The rates for that form comply with section 2736-C; and [PL 1995, c. 332, Pt. A, §12 (AMD).]

C. The rates have been filed pursuant to section 2736. [PL 1991, c. 668, §2 (NEW).]

[PL 1995, c. 332, Pt. A, §12 (AMD).]

5. The effective date of the converted policy shall be the date of termination of the individual's insurance under the group policy.

[PL 1981, c. 606, §2 (NEW).]

6. A converted policy issued under this section must conform to rules adopted by the superintendent. These rules must ensure that continuity of coverage with similar benefits as determined by the superintendent is offered. The rules must also specify plans with more limited benefits that must be offered, but may not require an insurer to provide benefits in excess of those provided under the group policy from which conversion is made.

[PL 1991, c. 668, §2 (AMD).]

9. Refusal to renew. A policy issued pursuant to the conversion privilege provided by this section may provide that the insurer may refuse to renew the policy or coverage of any person insured only as permitted by section 2736-C.
   [PL 1995, c. 332, Pt. A, §13 (AMD).]

11. Continued group coverage; certain circumstances. Notwithstanding this section, if the termination of an individual's group insurance coverage is for one of the reasons listed in paragraph A-1, the insurer shall allow the member or employee to elect, within the time period prescribed by paragraph B, to continue coverage under the group policy at no higher level than the level of benefits or coverage received by the employee immediately before termination and at the member's or employee's expense or, at the member's or employee's option, to convert to a policy of individual coverage without evidence of insurability in accordance with this section.

   A. For the purposes of this subsection, the term "member or employee" includes only those persons who have been a member or employee for at least 6 months. [PL 1985, c. 684, §2 (NEW).]

   A-1. A member or employee is eligible for continued coverage under this section only if the member or employee's group insurance coverage terminated for one of the following reasons:

      (1) The member or employee was temporarily laid off;

      (2) The member or employee was permanently laid off on or after the effective date of this paragraph and is eligible for premium assistance pursuant to federal law providing premium assistance for laid-off employees who continue coverage under their former employer's group health plan as determined by the superintendent; or

      (3) The member or employee lost employment because of an injury or disease that the employee claims to be compensable under former Title 39 or Title 39-A. [PL 2009, c. 574, §1 (NEW).]

   B. [PL 1989, c. 447, §2 (RP).]

   B-1. The member or employee has 31 days from the termination of coverage in which to elect and make the initial payment under this subsection. [PL 1991, c. 885, Pt. E, §30 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

   D. The payment amount for continued group coverage under this subsection may not exceed 102% of the group rate in effect for a group member, including an employer's contribution, if any. [PL 1987, c. 25, §3 (AMD).]

   E. At the option of the member or employee, the continued group coverage may cover the member or employee, the member or employee and any dependents or only the dependents of the member or employee; provided that, in the latter 2 cases, the dependents have been covered for a period of at least 3 months under the group policy, unless the dependents were not eligible for coverage until after the beginning of the 3-month period. [PL 1989, c. 447, §2 (AMD).]

SECTION HISTORY

§2842. Equitable health care for substance use disorder treatment

1. Purpose. The Legislature recognizes that substance use disorder constitutes a major health problem in the State and in the Nation. The Legislature further recognizes that substance use disorder is a disease that can be effectively treated. As such, substance use disorder warrants the same attention from the health care industry as other serious diseases and illnesses. The Legislature further recognizes that health insurance contracts, at times, fail to provide adequate benefits for the treatment of substance use disorder, which results in more costly health care for treatment of complications caused by the lack of early intervention and other treatment services for persons suffering from substance use disorder. This situation causes a higher health care, social, law enforcement and economic cost to the citizens of this State than is necessary, including the need for the State to provide treatment to some insureds at public expense. To assist the many citizens of this State who suffer from this illness in a more cost-effective way, the Legislature declares that certain health insurance coverage providing benefits for the treatment of the illness of substance use disorder must be included in all group health insurance contracts. [PL 2017, c. 407, Pt. A, §95 (AMD).]

2. Definitions. As used in this section, unless the context indicates otherwise, the following terms have the following meanings.

A. "Outpatient care" means care rendered by a state-licensed, approved or certified detoxification, residential treatment or outpatient program, or partial hospitalization program on a periodic basis, including, but not limited to, patient diagnosis, assessment and treatment, individual, family and group counseling and educational and support services. [PL 1983, c. 527, §2 (NEW).]

B. "Residential treatment" means services at a facility that provides care 24 hours daily to one or more patients, including, but not limited to, the following services: room and board; medical, nursing and dietary services; patient diagnosis, assessment and treatment; individual, family and group counseling; and educational and support services, including a designated unit of a licensed health care facility providing any and all other services specified in this paragraph to patients with substance use disorder. [PL 2017, c. 407, Pt. A, §95 (AMD).]

C. "Treatment plan" means a written plan initiated at the time of admission, approved by a Doctor of Medicine, a Doctor of Osteopathy or a Registered Substance Abuse Counselor employed by a certified or licensed substance use disorder program, including, but not limited to, the patient's medical and substance use disorder history; record of physical examination; diagnosis; assessment of physical capabilities; mental capacity; orders for medication, diet and special needs for the patient's health or safety and treatment, including medical, psychiatric, psychological, social services, individual, family and group counseling; and educational, support and referral services. [RR 2017, c. 2, §9 (COR).]

3. Requirement. Every insurer that issues group health care contracts providing coverage for hospital care to residents of this State shall provide benefits as required in this section to any subscriber or other person covered under those contracts for the treatment of substance use disorder pursuant to a treatment plan. [PL 2017, c. 407, Pt. A, §95 (AMD).]

4. Services; providers. Each group contract must provide, at a minimum, for the following coverage, pursuant to a treatment plan:

A. Residential treatment at a hospital or free-standing residential treatment center that is licensed, certified or approved by the State; and [PL 2017, c. 407, Pt. A, §95 (AMD).]

B. Outpatient care rendered by state licensed, certified or approved providers. [PL 1983, c. 527, §2 (NEW).]
Treatment or confinement at any facility may not preclude further or additional treatment at any other eligible facility, provided that the benefit days used do not exceed the total number of benefit days provided for under the contract.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

5. Exceptions. This section does not apply to employee group insurance policies issued to employers with 20 or fewer employees insured under the group policy or to group policies designed primarily to supplement the Civilian Health and Medical Program of the Uniformed Services, as described in the United States Code, Title 10, Section 1072, subsection 4.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

6. Limits; coinsurance; deductibles. Any policy or contract that provides coverage for the services required by this section may contain provisions for maximum benefits and coinsurance, and reasonable limitations, deductibles and exclusions to the extent that these provisions are not inconsistent with the requirements of this section.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

7. Notice. At the time of delivery or renewal, the group health insurer shall provide written notification to all individuals eligible for benefits under group policies or contracts of substance use disorder benefits.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

8. Confidentiality. Substance use disorder treatment patient records are confidential.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

9. Reports to the Superintendent of Insurance. The superintendent shall compile this data for all insurers in an annual report.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

10. Application; expiration. The requirements of this section apply to all policies and any certificates or contracts executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 1984. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

SECTION HISTORY

§2843. Mental health services coverage

1. Findings. The Legislature finds that:

A. Mental illness affects nearly 170,000 Maine people each year, resulting in anguish, grief, desperation, fear, isolation and a sense of hopelessness of significant levels among victims and families; [PL 1983, c. 515, §6 (NEW).]

B. Consequences of mental illness include the expenditure of millions of dollars of public funds for treatment and losses of millions of dollars by Maine businesses in accidents, absenteeism, nonproductivity and turnover. Excessive stress and anxiety and other forms of mental illness clearly contribute to general health problems and costs; [PL 1983, c. 515, §6 (NEW).]
C. Typical health coverage in this State discriminates against mental illness, the victims and affected families with nonexistent or limited benefits compared to provisions for other illnesses; and [PL 1983, c. 515, §6 (NEW).]

D. Experience in this State and several other states demonstrates that the risk of mental illness can be insured at reasonable cost and with adequate controls on quality and utilization of treatment. [PL 1983, c. 515, §6 (NEW).]

2. Policy and purpose. The Legislature declares that it is the policy of this State to:

A. Promote equitable and nondiscriminatory health coverage benefits for all forms of illness, including mental and emotional disorders, which are of significant consequence to the health of Maine people and which can be treated in a cost effective manner; [PL 1983, c. 515, §6 (NEW).]

B. Assure that victims of mental and other illnesses have access to and choice of appropriate treatment at the earliest point of illness in least restrictive settings; [PL 1983, c. 515, §6 (NEW).]

C. Assure that costs of treatment of mental illness are supported through an equitable combination of public and private responsibilities; and [PL 1983, c. 515, §6 (NEW).]

D. Assure that the Legislature reasonably exercises its legal responsibility for insurance policy in this State by prescribing types of illnesses and treatment for which benefits shall be provided. [PL 1983, c. 515, §6 (NEW).]

3. Definitions. For purposes of this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Day treatment services" includes psychoeducational, physiological, psychological and psychosocial concepts, techniques and processes to maintain or develop functional skills of clients, provided to individuals and groups for periods of more than 2 hours but less than 24 hours per day. [PL 1983, c. 515, §6 (NEW).]

A-2. "Home health care services" means those services rendered by a licensed provider of mental health services to provide medically necessary health care to a person suffering from a mental illness in the person's place of residence if:

1. Hospitalization or confinement in a residential treatment facility would otherwise have been required if home health care services were not provided;

2. Hospitalization or confinement in a residential treatment facility is not required as an antecedent to the provision of home health care services; and

3. The services are prescribed in writing by a licensed allopathic or osteopathic physician or a licensed psychologist who is trained and has received a doctorate in psychology specializing in the evaluation and treatment of mental illness. [PL 2003, c. 20, Pt. VV, §10 (NEW); PL 2003, c. 20, Pt. VV, §25 (AFF).]

B. "Inpatient services" includes a range of physiological, psychological and other intervention concepts, techniques and processes in a community mental health psychiatric inpatient unit, general hospital psychiatric unit or psychiatric hospital licensed by the Department of Health and Human Services or accredited public hospital to restore psychosocial functioning sufficient to allow maintenance and support of the client in a less restrictive setting. [PL 1983, c. 515, §6 (NEW); PL 2003, c. 689, Pt. B, §6 (REV).]
B-1. "Medically necessary health care" has the same meaning as in section 4301-A, subsection 10-A. [PL 2003, c. 20, Pt. VV, §11 (NEW); PL 2003, c. 20, Pt. VV, §25 (AFF).]

C. "Outpatient services" includes screening, evaluation, consultations, diagnosis and treatment involving use of psychoeducational, physiological, psychological and psychosocial evaluative and interventive concepts, techniques and processes provided to individuals and groups. [PL 1983, c. 515, §6 (NEW).]

D. "Person suffering from a mental illness" means a person whose psychobiological processes are impaired severely enough to manifest problems in the areas of social, psychological or biological functioning. Such a person has a disorder of thought, mood, perception, orientation or memory that impairs judgment, behavior, capacity to recognize or ability to cope with the ordinary demands of life. The person manifests an impaired capacity to maintain acceptable levels of functioning in the areas of intellect, emotion or physical well-being. [PL 2003, c. 20, Pt. VV, §12 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

E. "Provider" means individuals included in section 2835, and a licensed physician with 3 years approved residency in psychiatry, an accredited public hospital or psychiatric hospital or a community agency licensed at the comprehensive service level by the Department of Health and Human Services. 4. Requirement. Every insurer that issues group health care contracts providing coverage to residents of this State shall provide benefits as required in this section to any subscriber or other person covered under those contracts for conditions arising from mental illness. [PL 2003, c. 20, Pt. VV, §13 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

5. Services. Each group contract must provide for medically necessary health care for a person suffering from mental illness. Medically necessary health care includes, but is not limited to, the following services for a person suffering from a mental illness:

A. Inpatient care; [PL 1983, c. 515, §6 (NEW).]

B. Day treatment services; [PL 2003, c. 20, Pt. VV, §13 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

A. [PL 2003, c. 20, Pt. VV, §14 (RP); PL 2003, c. 20, Pt. VV, §25 (AFF).]
A-1. All group contracts must provide, at a minimum, benefits according to paragraph B, subparagraph (1) for a person receiving medical treatment for any of the following categories of mental illness as defined in the Diagnostic and Statistical Manual, except for those that are designated as "V" codes by the Diagnostic and Statistical Manual:

[PL 2017, c. 407, Pt. A, §96 (AMD).]

B. All policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State must provide benefits that meet the requirements of this paragraph.

1. The contracts must provide benefits for the treatment and diagnosis of mental illnesses under terms and conditions that are no less extensive than the benefits provided for medical treatment for physical illnesses.
2. At the request of a reimbursing insurer, a provider of medical treatment for mental illness shall furnish data substantiating that initial or continued treatment is medically necessary health care. When making the determination of whether treatment is medically necessary health care, the provider shall use the same criteria for medical treatment for mental illness as for medical treatment for physical illness under the group contract.
3. If benefits and coverage provided for treatment of physical illness are provided on an expense-incurred basis, the benefits and coverage required under this subsection may be delivered separately under a managed care system.
4. A policy or contract may not have separate maximums for physical illness and mental illness, separate deductibles and coinsurance amounts for physical illness and mental illness, separate out-of-pocket limits in a benefit period of not more than 12 months for physical illness and mental illness or separate office visit limits for physical illness and mental illness.
5. A health benefit plan may not impose a limitation on coverage or benefits for mental illness unless that same limitation is also imposed on the coverage and benefits for physical illness covered under the policy or contract.
6. Copayments required under a policy or contract for benefits and coverage for mental illness must be actuarially equivalent to any coinsurance requirements or, if there are no coinsurance requirements, may not be greater than any copayment or coinsurance required under the policy or contract for a benefit or coverage for a physical illness.
(7) For the purposes of this section, a medication management visit associated with a mental illness must be covered in the same manner as a medication management visit for the treatment of a physical illness and may not be counted in the calculation of any maximum outpatient treatment visit limits. This subsection does not apply to policies, contracts and certificates covering employees of employers with 20 or fewer employees, whether the group policy is issued to the employer, to an association, to a multiple-employer trust or to another entity. [PL 2017, c. 407, Pt. A, §96 (AMD).]

(6) Obsessive-compulsive disorder; or
(7) Major depressive disorder. [PL 2003, c. 20, Pt. VV, §15 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

B. All group policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State must make available coverage providing benefits that meet the requirements of this paragraph.

(1) The offer of coverage must provide benefits for the treatment and diagnosis of mental illnesses under terms and conditions that are no less extensive than the benefits provided for medical treatment for physical illnesses.

(2) At the request of a reimbursing insurer, a provider of medical treatment for mental illness shall furnish data substantiating that initial or continued treatment is medically necessary health care. When making the determination of whether treatment is medically necessary health care, the provider shall use the same criteria for medical treatment for mental illness as for medical treatment for physical illness under the group contract. [PL 2003, c. 20, Pt. VV, §15 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).] [PL 2003, c. 20, Pt. VV, §15 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

6. Limits; coinsurance; deductibles. Any policy or contract which provides coverage for the services required by this section may contain provisions for maximum benefits and coinsurance and reasonable limitations, deductibles and exclusions to the extent that these provisions are not inconsistent with the requirements of this section. [PL 1983, c. 515, §6 (NEW).]

7. Reports to the Superintendent of Insurance. Every insurer subject to this section shall report its experience for each calendar year to the superintendent not later than April 30th of the following
year. The report must be in a form prescribed by the superintendent and include the amount of claims paid in this State for the services required by this section and the total amount of claims paid in this State for group health care contracts, both separated between those paid for inpatient, day treatment and outpatient services. The superintendent shall compile this data for all insurers in an annual report. [PL 1995, c. 407, §6 (AMD).]

8. Application. This section does not apply to accidental injury, specified disease, hospital indemnity, Medicare supplement, long-term care or other limited benefit health insurance policies. Except as otherwise provided in this section, the requirements of this section apply to all policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date. [PL 2003, c. 517, Pt. B, §16 (AMD).]

SECTION HISTORY

§2844. Coordination of benefits

1. Authorization. Provisions contained in group and blanket health insurance contracts relating to coordination of benefits payable under the contract and under other plans of insurance or of health care coverage under which a certificate holder or the certificate holder's dependents may be covered must conform to rules adopted by the superintendent. These rules may establish uniformity in the permissive use of coordination of benefits provisions in order to avoid claim delays and misunderstandings that otherwise result from the use of inconsistent or incompatible provisions among the several insurers and nonprofit hospital, medical service and health care plans. [PL 1995, c. 332, Pt. H, §1 (AMD).]

1-A. Coordination with Medicare. Coordination of benefits is governed by the following provisions.

A. The contract may not coordinate benefits with Medicare Part A unless:

(1) The insured is enrolled in Medicare Part A;

(2) The insured was previously enrolled in Medicare Part A and voluntarily disenrolled;

(3) The insured stated on an application or other document that the insured was enrolled in Medicare Part A; or

(4) The insured is eligible for Medicare Part A without paying a premium and the certificate states that it will not pay benefits that would be payable under Medicare even if the insured fails to exercise the insured's right to premium-free Medicare Part A coverage. [PL 1997, c. 604, Pt. G, §2 (NEW).]

B. The contract may not coordinate benefits with Medicare Part B unless:

(1) The insured is enrolled in Medicare Part B;

(2) The insured was previously enrolled in Medicare Part B and voluntarily disenrolled;
(3) The insured stated on an application or other document that the insured was enrolled in Medicare Part B; or

(4) The insured is eligible for Medicare Part A without paying a premium and the insurer provided prominent notification to the insured both when the certificate was issued and, if applicable, when the insured becomes eligible for Medicare due to age. The notification must state that the contract will not pay benefits that would be payable under Medicare even if the insured fails to enroll in Medicare Part B. [PL 1997, c. 604, Pt. G, §2 (NEW).]

C. Coordination is not permitted with Medicare coverage for which the insured is eligible but not enrolled except as provided in paragraphs A and B. [PL 1997, c. 604, Pt. G, §2 (NEW).]

2. Medicaid and Cub Care programs. Insurers may not consider the availability or eligibility for medical assistance under 42 United States Code, Section 13969, referred to as "Medicaid," or Title 22, section 3174-T, referred to as the "Cub Care program," when considering coverage eligibility or benefit calculations for insureds and covered family members.

A. To the extent that payment for coverage expenses has been made under the Medicaid program or the Cub Care program for health care items or services furnished to an individual, the State is considered to have acquired the rights of the insured or family member to payment by the insurer for those health care items or services. Upon presentation of proof that the Medicaid program or the Cub Care program has paid for covered items or services, the insurer shall make payment to the Medicaid program or the Cub Care program according to the coverage provided in the contract or certificate. [PL 1997, c. 777, Pt. B, §3 (AMD).]

B. An insurer may not impose requirements on a state agency that has been assigned the rights of an individual eligible for Medicaid or Cub Care coverage and covered by a subscriber contract that are different from requirements applicable to an agent or assignee of any other covered individual. [PL 1997, c. 777, Pt. B, §3 (AMD).]

3. Credit toward deductible. When an insured is covered under more than one expense-incurred health plan, payments made by the primary plan, payments made by the insured and payments made from a health savings account or similar fund for benefits covered under the secondary plan must be credited toward the deductible of the secondary plan. This subsection does not apply if the secondary plan is designed to supplement the primary plan.

[PL 2005, c. 121, Pt. D, §3 (NEW).]

SECTION HISTORY

§2845. Cardiac rehabilitation coverage

1. Requirement. Every insurer which issues group health care contracts providing coverage for hospital care to residents of this State shall make available to groups of 20 or more persons, at the option of the policyholder, benefits as required by this section to any certificate holder or other person covered under those contracts for the expense of cardiac rehabilitation.

[PL 1987, c. 293, §2 (NEW).]

2. Cardiac rehabilitation. "Cardiac rehabilitation" means multidisciplinary, medically necessary treatment of persons with documented cardiovascular disease, which shall be provided in either a hospital or other setting. That treatment shall include outpatient treatment which is initiated within 26 weeks after the diagnosis of that disease and physician-recommended continuance of Phase II
rehabilitation services for up to 36 sessions in a hospital or community-based setting and up to 36 Phase III sessions in a community-based setting.
[PL 1987, c. 293, §2 (NEW).]

3. Limitations. Benefits required to be made available pursuant to this section may be made subject to any reasonable limitation, maximum benefit, coinsurance, deductible or exclusion provisions applicable to overall benefits under the policy or certificate.
[PL 1987, c. 293, §2 (NEW).]

4. Application. The requirements of this section shall apply to all policies and certificates executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 1988. For purposes of this section only, all group policies shall be deemed to be renewed no later than the next yearly anniversary of the contract date.

§2846. Acquired Immune Deficiency Syndrome

A group health insurance policy or certificate delivered or issued for delivery in this State may not provide more restrictive benefits for sickness or disablement or the related expenses resulting from Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC) or HIV related diseases than for any other sickness or disabling condition or exclude benefits for AIDS, ARC or HIV related diseases except through an exclusion under which all sicknesses and diseases are treated the same. This section does not apply to a policy providing benefits for specific diseases or accidental injury only. [PL 2003, c. 517, Pt. B, §17 (AMD).]

SECTION HISTORY

§2847. Utilization review data

1. Report required. On or before April 1st of each year, any insurer or 3rd-party administrator which issues or administers a program or contract in this State providing coverage for hospital care that contains a provision whereby in nonemergency cases the insured is required to be prospectively evaluated through a prehospital admission certification, preinpatient service eligibility program or any similar preutilization review or screening eligibility program or any similar preutilization review or screening procedure prior to the delivery of contemplated hospitalization, inpatient or outpatient health care or medical services which are prescribed or ordered by a duly licensed physician shall file a report on the results of that evaluation for the preceding year with the superintendent which shall contain the following:

A. The number and type of evaluations performed. For the purposes of this section, the term "type of evaluations" means the following preutilization review categories: presurgical inpatient days; setting of medical service, such as inpatient or outpatient services; and the number of days of service; [PL 1989, c. 556, Pt. C, §3 (NEW).]

B. The result of the evaluation, such as whether the medical necessity of the level of service contemplated by the patient's physician was agreed to or whether benefits paid for the service were reduced by the insurer; [PL 1989, c. 556, Pt. C, §3 (NEW).]

C. The number and result of any appeals by the patients or their physicians as a result of initial review decisions to reduce benefits for services as determined through prospective evaluations; and [PL 1989, c. 556, Pt. C, §3 (NEW).]
D. Any complaints filed in a court of competent jurisdiction and served upon an insurer filing under this section stating a cause of action against that insurer on the basis of damages to patients alleged to have been approximately caused by a delay, reduction or denial of medical benefits by the insurer, as determined through prospective evaluations, and the determination of liability or other disposition of the complaint. [PL 1989, c. 556, Pt. C, §3 (NEW).]

2. Residents. This section is applicable to evaluations, appeals and complaints relating to residents of this State only.

3. Confidentiality. Any information provided pursuant to this section shall not identify the patients.

SECTION HISTORY
PL 1989, c. 556, §3 (NEW).

§2847-A. Penalty for failure to notify of hospitalization

An insurance policy may not include a provision permitting the insurer to impose a penalty for the failure of any person to notify the insurer of an insured person's hospitalization for emergency treatment. For purposes of this section, "emergency treatment" has the same meaning as defined in Title 22, section 1829. [PL 1991, c. 695, §5 (NEW); PL 1991, c. 824, Pt. A, §51 (NEW).]

This section applies to policies and certificates executed, delivered, issued for delivery, continued or renewed in this State after the effective date of this section. For purposes of this section, all policies are deemed to be renewed no later than the next yearly anniversary of the contract date. [PL 1991, c. 695, §5 (NEW); PL 1991, c. 824, Pt. A, §51 (NEW).]

SECTION HISTORY

§2847-B. Jury service

1. Prohibition. An insurer that issues group or blanket health care contracts providing coverage for medical care to residents of this State may not terminate coverage for any person covered under those contracts because the person has been summoned for or is engaged in jury service under Title 14, chapter 305, subchapter I-A.

2. Application. This section applies to all policies and any certificate executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 1991. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.

SECTION HISTORY

§2847-C. Notification prior to cancellation; restrictions on cancellation, termination or lapse due to cognitive impairment or functional incapacity

An insurer shall provide for notification of the insured person and another person, if designated by the insured, prior to cancellation of a health insurance certificate for nonpayment of premium. [PL 2011, c. 123, §3 (AMD); PL 2011, c. 123, §5 (AFF).]

Within 90 days after cancellation due to nonpayment of premium, a policyholder, a person authorized to act on behalf of the policyholder or a dependent of the policyholder covered under a
health insurance policy or certificate may request reinstatement on the basis that the loss of coverage was a result of the policyholder's cognitive impairment or functional incapacity. An insurer may require a medical demonstration that the policyholder suffered from cognitive impairment or functional incapacity at the time of cancellation. If the medical demonstration is waived or substantiates the existence of a cognitive impairment or functional incapacity at the time of policy cancellation to the satisfaction of the insurer, the policy must be reinstated. The medical demonstration may be at the expense of the policyholder. [PL 2011, c. 123, §3 (NEW); PL 2011, c. 123, §5 (AFF).]

A policy reinstated pursuant to this section must cover any loss or claim occurring from the date of the cancellation. Within 15 days after request from an insurer, a policyholder of a policy reinstated pursuant to this section shall pay any unpaid premium from the date of the last premium payment at the rate that would have been in effect had the policy remained in force. If the premium is not paid as required, the policy may not be reinstated and the insurer is not responsible for claims incurred after the initial date of cancellation. If an insurer denies a request for reinstatement, the insurer shall notify the policyholder that the policyholder may request a hearing before the superintendent. [PL 2011, c. 123, §5 (AFF).]

The superintendent may adopt rules to implement the requirements of this section. The rules may include, but are not limited to, definitions, minimum disclosure requirements, notice provisions and the right of reinstatement. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2011, c. 123, §3 (AMD); PL 2011, c. 123, §5 (AFF).]

The requirements of this section apply to all policies and certificates executed, delivered, issued for delivery, continued or renewed in this State. [PL 1991, c. 695, §5 (NEW); PL 1991, c. 824, Pt. A, §51 (NEW).]

SECTION HISTORY

§2847-D. Penalty for noncompliance with utilization review programs

A policy or certificate issued or renewed after April 8, 1994 may not contain a provision that permits, upon retroactive review and confirmation of medical necessity, the imposition of a penalty of more than $500 for failure to provide notification under a utilization review program. This section does not limit the right of insurers to deny a claim when appropriate prospective or retroactive review concludes that services or treatment rendered were not medically necessary. [PL 1995, c. 332, Pt. M, §9 (AMD).]

SECTION HISTORY

§2847-E. Coverage for diabetes supplies

All group insurance policies, contracts and certificates must provide coverage for the medically appropriate and necessary equipment, limited to insulin, oral hypoglycemic agents, monitors, test strips, syringes and lancets, and the out-patient self-management training and educational services used to treat diabetes, if: [PL 2003, c. 517, Pt. A, §8 (AMD); PL 2003, c. 517, Pt. A, §13 (AFF).]

1. Certification of medical necessity. The insured's treating physician or a physician who specializes in the treatment of diabetes certifies that the equipment and services are necessary; and [PL 1995, c. 592, §3 (NEW).]

2. Provision of medical services. The diabetes out-patient self-management training and educational services are provided through ambulatory diabetes education facilities authorized by the State's Diabetes Control Project within the Bureau of Health. [PL 1995, c. 592, §3 (NEW).]
The requirements of this section apply to all group policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date. [PL 2003, c. 517, Pt. A, §8 (NEW); PL 2003, c. 517, Pt. A, §13 (AFF).]

SECTION HISTORY

§2847-F. Gynecological and obstetrical services

(REALLOCATED FROM TITLE 24-A, SECTION 2850-A)

1. Coverage in managed care plans. With respect to managed care plans that require group members to select primary care physicians, an insurer that issues group health insurance policies, contracts and certificates must meet the following requirements.

A. The insurer must permit a physician who specializes in obstetrics and gynecology to serve as a primary care physician if the physician qualifies under the insurer's credentialling policy. [PL 1997, c. 370, Pt. H, §1 (RAL).]

B. All group plan contracts must provide coverage for an annual gynecological examination, including routine pelvic and clinical breast examinations, performed by a physician, certified nurse practitioner or certified nurse midwife participating in the plan, without requiring the prior approval of the primary care physician. [PL 1997, c. 370, Pt. H, §1 (RAL).]

C. If the examination specified in paragraph B reveals a gynecological condition for which another visit to the physician participating in the plan is medically required and appropriate, or for any gynecological care beyond the annual examination, the carrier may require the patient or the examining physician, certified nurse practitioner or certified nurse midwife to secure from the patient's primary care physician a referral to the participating physician, certified nurse practitioner or certified nurse midwife from whom such care may be obtained. [PL 1997, c. 370, Pt. H, §1 (RAL).]

2. Application. This section applies to all policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date. [PL 2003, c. 517, Pt. A, §9 (AMD); PL 2003, c. 517, Pt. A, §13 (AFF).]

This section does not prohibit a carrier from requiring a physician, certified nurse practitioner or certified nurse midwife participating in the plan to inform a woman's primary care physician prior to each treatment pursuant to this section. [PL 1997, c. 370, Pt. H, §1 (RAL).]

SECTION HISTORY

§2847-G. Coverage for contraceptives

1. Coverage requirements. All group insurance policies and contracts, except accidental injury, specified disease, hospital indemnity, Medicare supplement, disability income, long-term care and other limited benefit health insurance policies and contracts that provide coverage for prescription drugs or outpatient medical services must provide coverage for all prescription contraceptives approved by the federal Food and Drug Administration or for outpatient contraceptive services, respectively, to the same extent that coverage is provided for other prescription drugs or outpatient medical services. For purposes of this section, the term "outpatient contraceptive services" means consultations, examinations, procedures and medical services provided on an outpatient basis and related to the use
of contraceptive methods to prevent an unintended pregnancy. This section may not be construed to apply to prescription drugs or devices that are designed to terminate a pregnancy.
[PL 1999, c. 341, §3 (NEW); PL 1999, c. 341, §5 (AFF).]

2. Exclusion for religious employer. A religious employer may request and an insurer shall grant an exclusion under the policy or contract for the coverage required by this section if the required coverage conflicts with the religious employer's bona fide religious beliefs and practices. A religious employer that obtains an exclusion under this subsection shall provide prospective insureds and those individuals insured under its policy written notice of the exclusion. This section may not be construed as authorizing an insurer to exclude coverage for prescription drugs prescribed for reasons other than contraceptive purposes or for prescription contraception that is necessary to preserve the life or health of a covered person. For the purposes of this section, "religious employer" means an employer that is a church, convention or association of churches or an elementary or secondary school that is controlled, operated or principally supported by a church or by a convention or association of churches as defined in 26 United States Code, Section 3121 (w) (3) (A) and that qualifies as a tax-exempt organization under 26 United States Code, Section 501(c) (3).
[PL 1999, c. 341, §3 (NEW); PL 1999, c. 341, §5 (AFF).]

3. Application. The requirements of this section apply to all policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.
[PL 2003, c. 517, Pt. B, §18 (NEW).]

4. Coverage of contraceptive supplies. Coverage required under this section must include coverage for contraceptive supplies in accordance with the following requirements. For purposes of this section, "contraceptive supplies" means all contraceptive drugs, devices and products approved by the federal Food and Drug Administration to prevent an unwanted pregnancy.

A. Coverage must be provided without any deductible, coinsurance, copayment or other cost-sharing requirement for at least one contraceptive supply within each method of contraception that is identified by the federal Food and Drug Administration to prevent an unwanted pregnancy and prescribed by a health care provider. [PL 2017, c. 190, §2 (NEW).]

B. If there is a therapeutic equivalent of a contraceptive supply within a contraceptive method approved by the federal Food and Drug Administration, an insurer may provide coverage for more than one contraceptive supply and may impose cost-sharing requirements as long as at least one contraceptive supply within that method is available without cost sharing. [PL 2017, c. 190, §2 (NEW).]

C. If an individual's health care provider recommends a particular contraceptive supply approved by the federal Food and Drug Administration for the individual based on a determination of medical necessity, the insurer shall defer to the provider's determination and judgment and shall provide coverage without cost sharing for the prescribed contraceptive supply. [PL 2017, c. 190, §2 (NEW).]

D. Coverage must be provided for the furnishing or dispensing of prescribed contraceptive supplies intended to last for a 12-month period, which may be furnished or dispensed all at once or over the course of the 12 months at the discretion of the health care provider. [PL 2017, c. 190, §2 (NEW).]

[RR 2001, c. 1, §33 (RAL).]

2. **General anesthesia and associated facility charges.** An insurer that issues group health insurance contracts shall provide coverage for general anesthesia and associated facility charges for dental procedures rendered in a hospital when the clinical status or underlying medical condition of an enrollee requires dental procedures that ordinarily would not require general anesthesia to be rendered in a hospital. [RR 2001, c. 1, §33 (RAL).]

3. **Limitations on coverage.** This section applies only to general anesthesia and associated facility charges for only the following enrollees if the enrollees meet the criteria in subsection 2:

[PL 1993, c. 349, §53 (RPR).]

3. Prohibition against discontinuity. In a replacement policy subject to this section, an insurer or health maintenance organization may not, for any person described in subsection 2:

A. Request that the person provide or otherwise seek to obtain evidence of individual insurability. This in no way limits the insurer's right to require information concerning the health of the individuals in the group to determine whether the group as a whole is insurable or to determine rates for the group as a whole; [PL 1993, c. 349, §53 (RPR).]

B. Decline to enroll the person on the basis of evidence of insurability if the person is otherwise eligible for coverage; [PL 1997, c. 370, Pt. B, §2 (AMD).]

C. Impose a preexisting condition exclusion period or waiting period on that person, except as provided in this section; or [PL 2009, c. 244, Pt. E, §2 (AMD).]

D. Direct or propose to the employer or the person that the person purchase an individual plan in lieu of providing coverage under the replacement policy. The superintendent shall initiate enforcement proceedings when investigation of the circumstances surrounding procurement of an individual policy at the time of replacement of the group policy produces evidence that such procurement was undertaken in violation of this section and section 2155-A. [PL 1997, c. 370, Pt. B, §3 (NEW).]

[PL 2009, c. 244, Pt. E, §2 (AMD).]

3-A. Persons subject to a preexisting condition exclusion. [PL 2019, c. 5, Pt. A, §14 (RP).]

4. Persons covered for fewer than 90 continuous days. [PL 2001, c. 258, Pt. E, §6 (RP).]

5. Liability after discontinuance. The nonprofit hospital or medical service organization, insurer or health maintenance organization that issued the replaced contract or policy is liable after discontinuance of that contract or policy only to the extent of its accrued liabilities and extensions of benefits. [PL 1993, c. 349, §53 (RPR).]
6. Rules. The superintendent may adopt rules that substitute for the requirement of subsection 3, paragraph C a requirement that prohibits application of a preexisting condition exclusion or waiting period with respect to classes or categories of benefits that are covered under the replaced contract or policy. The rules must define those classes or categories consistent with any federal regulations adopted pursuant to the federal Public Health Service Act, Title XXVII, Section 2701(c)(3)(B).

SECTION HISTORY

§2849-A. Extension of benefits for disabled persons

1. Policies subject to this section. This section applies to group and blanket policies that provide hospital or medical expense coverage or specific indemnity during hospital confinement. This section does not apply to group policies providing coverage only for dental expense or to group long-term care policies as defined in section 5051 or group short-term and long-term disability policies.

[PL 1999, c. 256, Pt. L, §5 (AMD).]

2. Requirement. Every group or blanket policy subject to this section must provide a reasonable extension of benefits for a person who is totally disabled on the date the group or blanket policy is discontinued, or on the date coverage for a subgroup in the policy is discontinued. A premium may not be charged during the period of extension. For a policy providing hospital or medical expense coverage, an extension of benefits provision is reasonable if it provides benefits for covered expenses directly relating to the condition causing total disability for at least 6 months following the effective date of discontinuance. For a policy providing specific indemnity during hospital confinement, "extension of benefits" means that discontinuance of the policy during a disability has no effect on benefits payable for that confinement.

[PL 2007, c. 199, Pt. D, §2 (AMD).]

3. Description of benefit extension. The extension of benefits provision must be described in all policies and group certificates. The benefits payable during any period of extension are subject to the regular benefit limits under the policy.

[PL 1989, c. 867, §8 (NEW); PL 1989, c. 867, §10 (AFF).]

4. Liability after discontinuance. After discontinuance of a policy, the insurer or health maintenance organization remains liable only to the extent of its accrued liabilities and extensions of benefits.

[PL 1997, c. 604, Pt. H, §1 (AMD).]

4-A. Coordination of benefits. If replacement coverage is secured by the group or blanket policyholder from an insurer, nonprofit hospital or medical service organization or health maintenance organization and a totally disabled person is covered under the replacement coverage, the replacement coverage must pay as primary coverage and the replaced coverage must pay as secondary coverage for the covered expenses directly relating to the condition causing total disability during the extension of benefits required under this section.

[PL 2007, c. 199, Pt. D, §3 (AMD).]

5. Rules. The superintendent shall adopt rules to define the term "total disability" for purposes of this section. The definition must identify persons who are unable, as a result of disability, to obtain comparable alternative coverage through comparable employment or otherwise.

[PL 1989, c. 867, §8 (NEW); PL 1989, c. 867, §10 (AFF).]
§2849-B. Continuity for individual who changes groups

1. Policies subject to this section. This section applies to all individual, group and blanket medical insurance policies except hospital indemnity, specified accident, specified disease, long-term care and short-term, limited-duration policies issued by insurers or health maintenance organizations. For purposes of this section, a short-term, limited-duration policy is an individual, nonrenewable policy issued for a term that does not extend beyond December 31st of the calendar year in which the policy is issued. This section does not apply to Medicare supplement policies as defined in section 5001, subsection 4. [PL 2019, c. 330, §2 (AMD).]

2. Persons provided continuity of coverage. Except as provided in subsection 3, this section provides continuity of coverage for a person who seeks coverage under an individual, group or blanket insurance policy or health maintenance organization policy if:

A. That person was covered under an individual, group or blanket contract or policy issued by a nonprofit hospital or medical service organization, insurer or health maintenance organization or was covered under an uninsured employee benefit plan that provides payment for health services received by employees and their dependents or a governmental program, including, but not limited to, those listed in section 2848, subsection 1-B, paragraph A, subparagraphs (3) to (10). For purposes of this section, the individual, group or blanket policy under which the person is seeking coverage is the "succeeding policy." The group, blanket or individual contract or policy, uninsured employee benefit plan or governmental program that previously covered the person is the "prior contract or policy"; and [PL 2019, c. 330, §3 (AMD).]

B. Coverage under the prior contract or policy terminated:

   (1) Within 180 days before the date the person enrolls or is eligible to enroll in the succeeding contract if:

      (a) Coverage was terminated due to unemployment, as defined in Title 26, section 1043;

      (b) The person was eligible for and received unemployment compensation benefits for the period of unemployment, as provided under Title 26, chapter 13; and

      (c) The person is employed at the time replacement coverage is sought under this provision; or

   (2) Within 90 days before the date the person enrolls or is eligible to enroll in the succeeding contract.

   A period of ineligibility for a health plan imposed by terms of employment may not be considered in determining whether the coverage ended within a time period specified under this section. [PL 2007, c. 199, Pt. D, §4 (AMD).]

D. [PL 1999, c. 36, §3 (RP).]

This section does not apply to replacements of group or blanket coverage within the scope of section 2849 or if the succeeding policy is an individual policy and the prior contract or policy was a short-term, limited-duration policy. [PL 2019, c. 330, §3 (AMD).]
3. **Exception for late enrollees.** Notwithstanding subsection 2, this section does not provide continuity of coverage for a late enrollee except as provided in this subsection. A late enrollee may be excluded from coverage for a waiting period of not more than 12 months based on medical underwriting or preexisting conditions. If a shorter waiting period or no waiting period is imposed, coverage for the late enrollee may exclude preexisting conditions for the lesser of 18 months, reduced by any federally creditable coverage, or 12 months. The exclusion is subject to the limitations set forth in section 2850. For purposes of this section, a "late enrollee" is a person who requests enrollment in a group plan following the initial enrollment period provided under the terms of the plan, except that a person is not a late enrollee if:

A. The request for enrollment is made within 30 days after termination of coverage under a prior contract or policy and the individual did not request coverage initially under the succeeding contract or policy or terminated coverage under the succeeding contract because that individual was covered under a prior contract or policy and:

   1. Coverage under that contract or policy ceased because the individual became ineligible for reasons other than fraud or material misrepresentation, including, but not limited to, termination of employment, termination of the group policy or group contract under which the individual was covered, death of a spouse or divorce; or
   
   2. Employer contributions toward that coverage were terminated. [PL 1997, c. 445, §26 (RPR); PL 1997, c. 445, §32 (AFF).]

A-1. That person incurs a claim under a prior contract or policy that would meet or exceed that contract or policy’s lifetime limit on all benefits, and a request for enrollment is made not later than 30 days after a claim is denied in whole or in part due to the operation of a lifetime limit on all benefits. [PL 2007, c. 199, Pt. A, §4 (NEW).]

B. A court has ordered that coverage be provided for a spouse or minor child under a covered employee’s plan and the request for coverage is made within 30 days after issuance of the court order; [PL 1995, c. 332, Pt. F, §5 (AMD).]

C-1. That person was covered by the Cub Care program under Title 22, section 3174-T, and the request for replacement coverage is made while coverage is in effect or within 30 days from the termination of coverage; or [PL 2005, c. 683, Pt. A, §42 (AMD).]

D. That person was previously ineligible for coverage and the request for enrollment is made within 30 days of the date the person becomes eligible. [PL 1995, c. 332, Pt. F, §5 (NEW).]

3-A. **Prohibition against discontinuity in group policies.** Except as provided in this section, in a group policy subject to this section, the insurer or health maintenance organization shall, for any person described in subsection 2, waive any medical underwriting or preexisting conditions exclusion. The succeeding policy is not required to duplicate any benefits covered by the prior contract or policy. [PL 2009, c. 244, Pt. E, §4 (NEW).]

3-B. **Persons subject to a preexisting condition exclusion.**

[PL 2019, c. 5, Pt. A, §15 (RP).]

4. **Prohibition against discontinuity in individual and blanket policies.** Except as provided in this section, in an individual or blanket policy subject to this section, the insurer or health maintenance organization must, for any person described in subsection 2, waive any medical underwriting or preexisting conditions exclusion to the extent that benefits would have been payable under a prior contract or policy if the prior contract or policy were still in effect or to the extent that benefits would have been payable under the prior contract or policy if not for the operation of a lifetime limit on all
benefits. The succeeding policy is not required to duplicate any benefits covered by the prior contract or policy.
[PL 2009, c. 244, Pt. E, §6 (AMD).]

4-A. Alternative method. The superintendent may adopt rules that substitute for the requirement of subsection 3-A a requirement that prohibits application of a medical underwriting or preexisting condition exclusion with respect to classes or categories of benefits that are covered under the replaced contract or policy. The rules must define those classes or categories consistent with any federal regulations adopted pursuant to the federal Public Health Service Act, Title XXVII, Section 2701(c)(3)(B).
[PL 2009, c. 511, Pt. D, §1 (AMD).]

5. Determination of benefits. When a determination of benefit under the prior contract or policy is required, the issuer of the prior contract or policy shall, at the request of the issuer of the succeeding policy, furnish a statement of benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by the issuer of the succeeding policy. For purposes of this section, benefits of the prior contract or policy are determined in accordance with the definitions, conditions and covered expense provisions of that contract or policy rather than those of the succeeding policy. The benefit determination must be made as if coverage had not been replaced.
[PL 1989, c. 867, §8 (NEW); PL 1989, c. 867, §10 (AFF).]

6. Limit on premium increase. For rating purposes, an insurer or health maintenance organization may not charge claims for preexisting conditions of any person subject to this section, during the first 12 months of employment of that person, directly to a group of fewer than 100 insured employees except to the extent that the resulting increase in the premium would be 10% or less. The insurer or health maintenance organization may pool any additional claims among all such groups and subgroups covered by that insurer or health maintenance organization. This requirement also applies to subgroups of fewer than 100 insured employees if the subgroup is treated as a separate unit for rating purposes.
[PL 1989, c. 867, §8 (NEW); PL 1989, c. 867, §10 (AFF).]

7. Reinsurance, excess insurance or administrative services. An insurer may only offer, issue or renew reinsurance or excess insurance coverage or offer administrative services to an uninsured employee benefit plan that provides payment for health services received by employees and their dependents when that plan for the payment of health services and reinsurance and excess insurance coverage meets the requirements of continuity of coverage in this chapter.

8. Short-term, limited-duration insurance. A person eligible for continuity of coverage under subsection 2 may be allowed to purchase coverage under an individual, nonrenewable, short-term, limited-duration policy. The issuance of a short-term, limited-duration policy is subject to the following conditions.

A. Upon offering an individual short-term, limited-duration policy for purchase, an insurer or the insurer's agent or broker shall provide written disclosure as required in this paragraph in at least 14-point type. An insurer or the insurer's agent or broker shall specifically disclose:

(1) A summary of plan benefits, limits and exclusions in a standardized format similar to the format required for a qualified health plan under the federal Affordable Care Act that is specific to the exact policy being offered for purchase in this State, including, but not limited to, information about the circumstances in which covered benefits may be subject to balance billing and examples of how charges may be applied toward any cost sharing under the policy and billed to the individual policyholder; and

(2) A comparison of the short-term, limited-duration policy to a qualified health plan in the terms, benefits and conditions of the policy, any exclusions, medical loss ratio requirements or
the provisions of guaranteed renewal and continuity of coverage. [PL 2019, c. 330, §4 (AMD).]

B. An insurer or the insurer's agent or broker may issue a short-term, limited-duration policy that replaces a prior short-term, limited-duration policy as long as the combined term of the new policy and all prior policies does not exceed 24 months and the individual has not been covered under any prior short-term, limited-duration policy for at least 12 months. All individuals making an application for coverage under a short-term, limited-duration policy must disclose any prior coverage under a short-term, limited-duration policy and the policy duration. [PL 2019, c. 330, §4 (AMD).]

C. An insurer or the insurer's agent or broker may not issue a short-term, limited-duration policy unless it has been sold through an in-person encounter. [PL 2019, c. 330, §4 (NEW).]

D. An insurer or the insurer's agent or broker may not actively market or sell any short-term, limited-duration policy during any open enrollment period, except for a short-term, limited-duration policy that terminates coverage on December 31st of the calendar year in which it is sold. [PL 2019, c. 330, §4 (NEW).]

E. Upon offering an individual short-term, limited-duration policy for purchase, an insurer or the insurer's agent or broker shall assess an individual making an application for eligibility for an advanced premium tax credit or cost-sharing reduction for coverage under a qualified health plan purchased on the exchange pursuant to the federal Affordable Care Act, as defined in section 2188, subsection 1, paragraph A, and shall provide an estimate of the cost for coverage under a qualified health plan after applying any advanced premium tax credit or cost-sharing reduction. [PL 2019, c. 330, §4 (NEW).]

F. An insurer or the insurer's agent or broker shall make the documents and information required to be disclosed under paragraph A upon offering an individual short-term, limited-duration policy for purchase available through the insurer's publicly accessible website. [PL 2019, c. 330, §4 (NEW).]

G. An insurer or the insurer's agent or broker shall provide, upon the purchase of a short-term, limited-duration policy; upon the expiration of the policy; and, if the policy is in effect during an open enrollment period, on November 1st of the calendar year in which the policy was sold, written notice of the following:

1. Disclosure that a short-term, limited-duration policy is not considered minimum essential coverage under the federal Affordable Care Act and that termination of a policy is not a qualifying event for a special enrollment period; and

2. The dates for the next open enrollment period, the website address for the publicly accessible website of the exchange, as defined in section 2188, subsection 1, paragraph A, and the toll-free telephone number for the exchange. [PL 2019, c. 330, §4 (NEW).]

[PL 2019, c. 330, §4 (AMD).]

SECTION HISTORY

§2849-C. Certifications of coverage

1. Application. This section applies to:
   A. Individual health plans subject to section 2736-C; and [PL 2001, c. 258, Pt. C, §1 (NEW).]  
   B. Group and blanket health insurance contracts subject to chapter 35, except:
      (1) Medicare supplement policies subject to chapter 67; and  
      (2) Contracts designed to cover specific diseases, hospital indemnity or accidental injury only. [PL 2001, c. 258, Pt. C, §1 (NEW).]  

2. Requirement for certification of period of creditable coverage. The requirement for a certification of the period of creditable coverage is as follows.
   A. A carrier, as defined in section 4301-A, subsection 3, must provide the certification described in paragraph B with respect to health plans subject to this section:
      (1) At the time an individual ceases to be covered under the plan or otherwise becomes covered under a COBRA continuation provision;
      (2) In the case of an individual becoming covered under a COBRA continuation provision, at the time the individual ceases to be covered under that provision; and
      (3) On the request on behalf of an individual made not later than 24 months after the date of cessation of the coverage described in subparagraph (1) or (2), whichever is later. The certification under subparagraph (1) may be provided, to the extent practicable, at a time consistent with notices required under any applicable COBRA continuation provision. [PL 2001, c. 258, Pt. C, §1 (NEW).]
   B. The certification described in this paragraph is a written certification of:
      (1) The period of federally creditable coverage of the individual under the plan and the coverage, if any, under the COBRA continuation provision;
      (2) The waiting period, if any, imposed with respect to the individual for any coverage under the plan; and

3. Alternative evidence of prior coverage. A carrier may not deny continuity rights as required by section 2849-B solely because the individual does not provide a certification described in subsection 2. The carrier must accept alternative evidence of prior coverage provided by the individual. If the individual asserts the existence of prior coverage but is unable to provide evidence, the carrier must make reasonable efforts to verify the existence of the prior coverage. The carrier may deny continuity rights if the individual refuses to cooperate in the carrier's efforts to verify prior coverage, such as if the individual refuses to provide needed authorization for the release of information to the carrier when requested by the carrier. [PL 2001, c. 258, Pt. C, §1 (NEW).]

4. Notice. A carrier may not impose a preexisting condition exclusion before providing the individual with notice consistent with federal law of the individual's continuity rights and giving the individual an opportunity to provide a certification as described in subsection 2 or alternative evidence of prior coverage as described in subsection 3. [PL 2007, c. 199, Pt. A, §7 (AMD).]
5. Rules. The superintendent may issue rules specifying the contents of certifications or other requirements consistent with this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.

[PL 2001, c. 258, Pt. C, §1 (NEW).]

SECTION HISTORY

§2850. Limitations on exclusion and waiting periods

1. Application. This section applies to individual, group and blanket medical insurance contracts subject to chapters 33 and 35, except Medicare supplement contracts, converted contracts issued under section 2809-A and contracts designed to cover specific diseases, hospital indemnity or accidental injury only.

[PL 1999, c. 256, Pt. L, §8 (AMD).]

1-A. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Date of enrollment" means the effective date of coverage or, if earlier, the first day of the waiting period for such coverage. [PL 2001, c. 258, Pt. E, §9 (NEW).]

B. "Preexisting condition exclusion," with respect to coverage, means a limitation or exclusion of benefits relating to a condition based on the fact or perception that the condition was present, or that the person was at particularized risk of developing the condition, before the date of enrollment for coverage, whether or not any medical advice, diagnosis, care or treatment was recommended or received before that date. [PL 2001, c. 258, Pt. E, §9 (NEW).]

[PL 2001, c. 258, Pt. E, §9 (RPR).]

2. Limitation. An individual, group or blanket contract issued by an insurer may not impose a preexisting condition exclusion. This subsection does not limit a carrier's ability to restrict enrollment in an individual contract to open enrollment and special enrollment periods in accordance with section 2736-C, subsection 11.

A. [PL 2019, c. 5, Pt. A, §16 (RP).]
B. [PL 2019, c. 5, Pt. A, §16 (RP).]
C. [PL 2019, c. 5, Pt. A, §16 (RP).]
D. [PL 2019, c. 5, Pt. A, §16 (RP).]
E. [PL 2019, c. 5, Pt. A, §16 (RP).]
F. [PL 2019, c. 5, Pt. A, §16 (RP).]

[PL 2019, c. 5, Pt. A, §16 (AMD).]

SECTION HISTORY

§2850-A. Gynecological and obstetrical services

(REALLOCATED TO TITLE 24-A, SECTION 2847-F)

SECTION HISTORY
§2850-B. Guaranteed renewal; cessation of business

1. Application. This section applies to:
   A. Individual health plans subject to section 2736-C; and [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]
   B. Group and blanket medical insurance contracts subject to chapter 35 except:
      (1) Medicare supplement policies subject to chapter 67; and
      (2) Contracts designed to cover specific diseases, hospital indemnity or accidental injury only. [PL 1999, c. 256, Pt. L, §10 (AMD).]

2. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

   A. "Carrier" means an insurance company, nonprofit hospital and medical service organization or health maintenance organization authorized to issue group health plans in this State. [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

   B. "Individual market" means individual or group policies or contracts subject to section 2736-C. [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

   D. "Small group market" means groups subject to section 2808-B. [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

3. Cancellation of coverage; renewal. Coverage may not be rescinded for an individual, a group or eligible members and their dependents in those groups once an individual, a group or eligible members and their dependents in those groups are covered under an individual or group health plan, except that this subsection does not prohibit rescission with respect to a covered individual, a group or eligible members and their dependents in those groups who have performed an act or practice that constitutes fraud or made an intentional misrepresentation of material fact as prohibited by the terms of the individual or group health plan to the extent consistent with section 2411. Such coverage may not be cancelled, and renewal must be guaranteed to all individuals, to all groups and to all eligible members and their dependents in those groups except:

   A. When the policyholder or contract holder fails to pay premiums or contributions in accordance with the terms of the contract or the carrier has not received timely premium payments; [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

   B. For fraud or intentional misrepresentation of material fact by the policyholder or contract holder; [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

   E. With respect to a managed care plan, as defined in section 4301-A, if there is no longer an insured who lives, resides or works in the service area; [RR 2001, c. 1, §34 (COR).]
F. When the carrier ceases offering large or small group health plans in compliance with subsection 4 and does not renew any existing policies in that market; [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

F-1. When the carrier ceases offering individual health plans in compliance with section 2736-C, subsection 4 and does not renew any existing policies in that market; [PL 2007, c. 199, Pt. C, §2 (NEW).]

G. When the carrier ceases offering a product and meets the following requirements:

1. In the large group market:
   a. The carrier provides notice to the policyholder and to the certificate holders at least 90 days before termination;
   b. The carrier offers to each policyholder the option to purchase any other product currently being offered in the large group market; and
   c. In exercising the option to discontinue the product and in offering the option of coverage under division (b), the carrier acts uniformly without regard to the claims experience of the policyholders or the health status of the certificate holders or their dependents or prospective certificate holders or their dependents;

2. In the small group market:
   a. The carrier replaces the product with a product that complies with the requirements of this section, including renewability, and with section 2808-B;
   b. The superintendent finds that the replacement is in the best interests of the policyholders; and
   c. The carrier provides notice of the replacement to the policyholder and to the certificate holders at least 90 days before replacement, including notice of the policyholder's right to purchase any other product currently being offered by that carrier in the small group market pursuant to section 2808-B, subsection 4; or

3. In the individual market:
   a. The carrier replaces the product with a product that complies with the requirements of this section, including renewability, and with section 2736-C;
   b. The superintendent finds that the replacement is in the best interests of the policyholders; and
   c. The carrier provides notice of the replacement to the policyholder and, if a group policy subject to section 2736-C, to a certificate holder at least 90 days before replacement, including notice of the policyholder's or certificate holder's right to purchase any other product currently being offered by that carrier in the individual market pursuant to section 2736-C, subsection 3; [PL 2011, c. 238, Pt. F, §1 (AMD).]

H. In renewing a large group policy in accordance with this section, a carrier may modify the coverage, terms and conditions of the policy consistent with other applicable provisions of state and federal laws as long as the modifications are applied uniformly to all policyholders of the same product; or [PL 2003, c. 428, Pt. A, §1 (AMD).]

I. In renewing an individual or small group policy in accordance with this section, a carrier may make minor modifications to the coverage, terms and conditions of the policy consistent with other applicable provisions of state and federal laws as long as the modifications meet the conditions specified in this paragraph and are applied uniformly to all policyholders of the same product.
Modifications not meeting the requirements in this paragraph are considered a discontinuance of the product pursuant to paragraph G.

(1) A modification pursuant to this paragraph must be approved by the superintendent. The superintendent shall approve the modification if it meets the requirements of this section.

(2) A change in a requirement for eligibility is not a minor modification pursuant to this paragraph if the change results in the exclusion of a class or category of enrollees currently covered.

(3) Benefit modifications required by law are deemed minor modifications for purposes of this paragraph.

(4) Benefit modifications other than modifications required by law are minor modifications only if they meet the requirements of this subparagraph. For purposes of this subparagraph, changes in administrative conditions or requirements specified in the policy, such as preauthorization requirements, are not considered benefit modifications.

(a) The total of any increases in benefits may not increase the actuarial value of the total benefit package by more than 5%.

(b) The total of any decreases in benefits may not decrease the actuarial value of the total benefit package by more than 5%.

(c) For purposes of the calculations in divisions (a) and (b), increases and decreases must be considered separately and may not offset one another.

(5) A carrier must give 60 days' notice of any modification pursuant to this paragraph to all affected policyholders and certificate holders. [PL 2011, c. 90, Pt. F, §3 (AMD)].

4. Cessation of business. Carriers that provide health plans in the large group or small group markets after the effective date of this section that plan to cease offering coverage in one or both of those markets must comply with the following requirements.

A. Notice of the decision to cease business in that market must be provided to the bureau 3 months before the cessation unless a shorter notice period is approved by the superintendent. If existing contracts are nonrenewed, notice must be provided to the bureau and to the policyholder or contract holder 6 months before nonrenewal. [PL 2001, c. 258, Pt. B, §3 (AMD)].

B. Carriers that cease to write new small group business continue to be governed by section 2808-B with respect to small group contracts in force and their renewal or replacement contracts. [PL 2001, c. 258, Pt. E, §11 (AMD)].

C. Carriers that cease to write new business in that market are prohibited from writing new business in that market for a period of 5 years after the date of termination of the last policy unless the superintendent waives this requirement for good cause shown. [PL 2001, c. 258, Pt. B, §3 (AMD)].

5. Association plans. The requirements of this subsection apply to group contracts that are subject to this section and that are issued to association groups pursuant to section 2805-A. Carriers shall renew coverage for association members if coverage through an association is terminated because the association ceases to exist, changes its membership eligibility criteria, fails to pay premiums, commits fraud or misrepresentation or voluntarily terminates the group policy.

A. If coverage to an employer through an association is terminated, the carrier shall renew the coverage with the employer becoming the policyholder. [PL 2005, c. 121, Pt. G, §1 (NEW)].
B. If coverage to an individual member of an association is terminated, the carrier shall renew the coverage with the individual becoming the policyholder. A carrier that has been granted an exemption pursuant to section 2736-C, subsection 9 does not lose that exemption simply by virtue of renewing coverage to individuals under this paragraph. [PL 2005, c. 121, Pt. G, §1 (NEW).]

The requirements of this subsection do not apply if the employer or individual fails to pay premiums, commits fraud or misrepresentation, voluntarily terminates membership in the association or ceases to qualify for membership for reasons other than a change in the association's membership eligibility criteria. [PL 2005, c. 121, Pt. G, §1 (NEW).]

SECTION HISTORY

§2850-C. Nondiscrimination

1. Application. This section applies to group medical insurance contracts subject to chapter 35 other than contracts designed to cover specific diseases, hospital indemnity or accidental injury only. [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

2. Eligibility and premium contributions. A carrier may not establish rules for eligibility of an individual to enroll, or require an individual to pay a premium or contribution that is greater than that for a similarly situated individual, based on health status, medical condition, claims experience, receipt of health care, medical history, genetic information, evidence of insurability or disability in relation to the individual or a dependent of the individual. Nothing in this section requires a group health plan to provide particular benefits other than those provided under the terms of the plan or restricts the amount an employer may be charged for coverage. Nothing in this section prohibits establishing limitations or restrictions on the amount, level, extent or nature of the benefits for similarly situated individuals enrolled in the plan. Nothing in this section prohibits a carrier from establishing premium discounts or refunds or modifying applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention. [PL 1997, c. 445, §30 (NEW); PL 1997, c. 445, §32 (AFF).]

3. Applicability of section 4320-L. In addition to the requirements of this section, a carrier is subject to section 4320-L. [PL 2019, c. 5, Pt. C, §1 (NEW).]

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§2856. Term of insurance

1. The term of credit life insurance or credit health insurance shall, subject to acceptance by the insurer, commence on the date when the debtor becomes obligated to the creditor; except that where a
group policy provides coverage with respect to existing obligations, the insurance on a debtor with respect to such indebtedness shall commence on the effective date of the policy. [PL 1969, c. 132, §1 (NEW).]

2. Where evidence of insurability is required and such evidence is furnished more than 30 days after the date when the debtor becomes obligated to the creditor, the term of the insurance may commence on the date on which the insurer determines the evidence to be satisfactory, and in such event there shall be an appropriate refund or adjustment of any charge to the debtor for insurance. [PL 1969, c. 132, §1 (NEW).]

3. The term of such insurance shall not extend more than 15 days beyond the original or revised scheduled maturity date of the indebtedness, except when extended without additional cost to the debtor. [PL 1969, c. 132, §1 (NEW).]

4. If the indebtedness is discharged due to renewal or refinancing prior to the scheduled maturity date, the insurance in force shall be terminated before any new insurance may be issued in connection with the renewed or refinanced indebtedness. In all cases of termination prior to scheduled maturity, a refund shall be paid or credited as provided in section 2859. [PL 1969, c. 132, §1 (NEW).]

5. For credit involuntary unemployment insurance, benefits must start after a waiting period of not longer than 30 days but need not be retroactive to the first day of unemployment and must have a maximum benefit period of at least 6 months. [PL 2001, c. 138, §9 (NEW).]

SECTION HISTORY

§2857. Policy provisions; delivery or disclosure to debtors

1. **Policy or certificate delivered.** All consumer credit insurance must be evidenced by an individual policy, or in the case of group insurance by a certificate of insurance, which individual policy or group certificate of insurance must be delivered to the debtor. [PL 2001, c. 138, §10 (AMD).]

2. **Content of policy or certificate.** Each individual policy or group certificate of consumer credit insurance must, in addition to other requirements of law, set forth the name and home office address of the insurer, the name or names of the debtor, or, in the case of a certificate under a group policy, the identity by name or otherwise of the debtor; the premium or amount of payment, if a separate identifiable charge is paid by the debtor separately for consumer credit insurance; a description of the coverage, including the amount and term of the coverage, and any exceptions, limitations and restrictions, including conditions under which the policy may be terminated, which must be highlighted in bold print; and must state that the benefit is paid to the creditor to reduce or extinguish the unpaid indebtedness and, wherever the amount of insurance may exceed the unpaid indebtedness, that any excess is payable to a beneficiary, other than the creditor, named by the debtor or to the debtor's estate. During the 30 days immediately following the commencement date, the debtor may cancel the insurance and request in writing a full refund of premium for any reason. [PL 2001, c. 138, §10 (AMD).]

3. **When delivered.** The individual policy or group certificate of insurance must be delivered to the insured debtor at the time the indebtedness is incurred, except as otherwise provided. [PL 2001, c. 138, §10 (AMD).]

4. **Notice of proposed insurance.** If the individual policy or group certificate of insurance is not delivered to the debtor at the time indebtedness is incurred, a copy of the application for such policy or
a notice of proposed insurance, signed by the debtor and setting forth the name and home office address
of the insurer, the name or names of the debtor, the premium or amount of payment by the debtor, if a
separate identifiable charge is made separately for consumer credit insurance, the amount, term and a
brief description of the coverage provided, must be delivered to the debtor at the time such indebtedness
is incurred. Failure to comply with the foregoing requirement precludes the use of such application as
evidence in any action brought against the insured. The copy of the application for, or notice of
proposed insurance, must refer exclusively to insurance coverage, and must be separate and apart from
the loan, sale or other credit statement of account, instrument or agreement, unless the information
required by this subsection is prominently set forth therein. Upon acceptance of the insurance by the
insurer and within 30 days of the date upon which the indebtedness is incurred, the insurer shall cause
the individual policy or group certificate of insurance to be delivered to the debtor. The application or
notice of proposed insurance must state that upon acceptance by the insurer the insurance becomes
effective as provided in section 2856.

§2858. Filing, approval and withdrawal of forms, rates; appeals

1. Forms filed. All policies, certificates of insurance, notices of proposed insurance, applications
for insurance, endorsements and riders delivered or issued for delivery in this State and the schedules
of premium rates pertaining thereto shall be filed with the superintendent.

2. Approval of forms and rates. The superintendent shall, within 30 days after the filing of any
such policies, certificates of insurance, notices of proposed insurance, applications for insurance,
endorsements and riders, disapprove any such form, if the benefits provided therein are not reasonable
in relation to the premium charge or if it contains provisions which are unjust, unfair, inequitable,
misleading, deceptive or encourage misrepresentation of the coverage, or are contrary to any provision
of the insurance laws or of any regulation promulgated thereunder. In determining whether to
disapprove any such form or premium rates, the superintendent shall give due consideration to past and
prospective loss experience and mortality or morbidity rates, based on an appropriate mortality or
morbidity table, and claim adjustment expenses, general administrative expenses, including handling
cost for return premiums, commissions to agents, cost and compensation to the creditor, branch and
field expenses and other acquisition costs, federal, state and local taxes, profit to the insurer, reasonable
underwriting judgment, and any and all other factors and trends demonstrated to be relevant. The
insurer may support these factors by statistical information, experience, actuarial computations and
estimates certified by an executive officer of the insurer, and the superintendent shall give due
consideration to such supporting data.

3. Notice of disapproval; waiting period. If the superintendent notifies the insurer that the form
or rates are disapproved, it is unlawful thereafter for such insurer to issue or use such form or rates. In
such notice, the superintendent shall specify the reason for his disapproval and state that a hearing will
be granted within 20 days after request in writing by the insurer. No such policy, certificate of insurance,
notice of proposed insurance, or any application, endorsement or rider or rate shall be issued or used
until the expiration of 30 days after it has been so filed, unless the superintendent shall give his prior written approval thereto.

[PL 1973, c. 585, §12 (AMD).]

4. Approval withdrawn. The superintendent may, at any time after a hearing held not less than 20 days after written notice to the insurer, withdraw his approval of any such form or rate on any ground set forth in subsection 2. The written notice of such hearing shall state the reason for the proposed withdrawal. The insurer shall not use a form or rate after withdrawal of approval thereof.

[PL 1973, c. 585, §12 (AMD).]

5. Group certificate filing. If a group policy of consumer credit insurance has been delivered in this State before September 16, 1961, or has been or is delivered in another state before or after such date, the insurer shall file only the group certificate and notice of proposed insurance delivered or issued for delivery in this State as specified in section 2857, subsections 2 and 4, and such forms must be approved by the superintendent, if they conform with the requirements specified in such subsections and if the schedules of premium rates applicable to the insurance evidenced by such certificate or notice are not in excess of the insurer's schedules of premium rates filed with the superintendent.

[PL 2001, c. 138, §11 (AMD).]

All hearings held under this section shall be conducted in accordance with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter IV. [PL 1977, c. 694, §423 (NEW).]

SECTION HISTORY

§2859. Premium rates; refunds; accounts credited when insurance not issued

1. Rates filed; life and health. Any insurer may revise its schedules of premium rates from time to time, and shall file such revised schedules with the superintendent; however, no upward revision in insurance charges to debtors may be made in connection with closed-end credit that would apply to debtors whose credit insurance is already in force. In the case of open-end credit, the debtor must be given a 31-day notice prior to an upward revision unless a waiver of that notice is obtained from the superintendent, in which case the notice of the upward revision must be given at the next regular billing cycle. An insurer may not issue any credit life insurance policy or credit health insurance policy for which the premium rate exceeds that determined by the schedules of such insurer as then on file with the superintendent.

[PL 2001, c. 138, §12 (AMD).]

1-A. Rates filed; property and casualty. All rates charged in connection with credit property insurance or credit involuntary unemployment insurance must be filed in accordance with section 2304-A. An insurer may not issue any credit property insurance or credit involuntary unemployment insurance policy for which the premium rate exceeds those rates then on file with the superintendent.

[PL 2001, c. 138, §12 (NEW).]

1-B. Rating standards. The superintendent may by rules adopted pursuant to section 2865 or chapter 40-A establish specific rating standards for particular types of consumer credit insurance.

[PL 2001, c. 138, §12 (NEW).]

2. Refund. Each individual policy or group certificate shall provide that in the event of termination of the insurance prior to the scheduled maturity date of the indebtedness, any refund of an amount paid by the debtor for insurance must be paid or credited promptly to the debtor. The superintendent shall prescribe a minimum refund and no refund that would be less than such minimum need be made. The formula to be used in computing such refund must be filed with and approved by the superintendent.

[PL 2001, c. 138, §12 (AMD).]
3. **Accounts credited where insurance not issued.** If a creditor requires a debtor to make any payment for consumer credit insurance and an individual policy or group certificate of insurance is not issued, the creditor shall immediately give written notice to such debtor and shall promptly make an appropriate credit to the account.  
[PL 2001, c. 138, §12 (AMD).]

4. **Termination.** Any policy for consumer credit insurance issued subsequent to the enactment of this section must contain a provision that the insurance provided for may be terminated under only the following conditions:

   A. The date the indebtedness is discharged, renewed or refinanced; [PL 1977, c. 672, §4 (NEW).]
   B. Upon written request of a debtor; [PL 1977, c. 672, §4 (NEW).]
   C. When a debtor is insured under an individual or group policy, nonpayment by such a debtor of any required premium over 31 days past due, provided that at least 10 days prior to termination the debtor has been given a notice of the right to cure in substantially the same form required by Title 9-A, section 5-110, subsection 3; [PL 1993, c. 149, §1 (AMD).]
   D. In the case where debtors are insured under group policies, the group policy may be terminated after 31 days prior notice to the debtor from the creditor:
      (1) In a noncontributory policy, at the option of the creditor;
      (2) At the time the insurance risk is transferred to a succeeding insurance carrier; or
      (3) If the group policyholder fails to pay the premium; [PL 2001, c. 138, §12 (AMD).]
   E. In the case where credit is extended on open-ended basis:
      (1) At attainment by the debtor of an age determined in advance by the contract of insurance; or
      (2) If the creditor elects to terminate all insurance on credit extended on an open-ended basis;  
       [PL 2001, c. 138, §12 (AMD).]
   F. If credit is extended on a closed-end basis, coverage for an individual insured under the policy may be terminated upon expiration of the term of the loan or term for which a charge was paid; or  
   [PL 1993, c. 149, §2 (AMD).]
   G. When consumer credit insurance is paid for by the debtor in a single premium at the inception of the debt, if the debt is placed in charged-off status by the creditor because the debt is uncollectible, the insurance coverage may be terminated by the creditor and any refund of premium must be applied against any outstanding indebtedness. The creditor shall give notice of the termination of insurance coverage to the debtor at the debtor's last known address. [PL 2001, c. 138, §12 (AMD).]
[PL 2001, c. 138, §12 (AMD).]

**SECTION HISTORY**

§2860. **Authorized insurer, agent required**

All policies of consumer credit insurance may be delivered or issued for delivery in this State only by an insurer authorized to transact such insurance therein, and may be issued only through holders of licenses or authorizations issued by the superintendent. [PL 2001, c. 138, §13 (AMD).]

**SECTION HISTORY**
§2860-A. Commissions

A commission not exceeding 5% of credit life and health insurance premiums, as set forth by rules adopted by the superintendent, may be paid to any creditor who is a licensed credit insurance agent. This section does not prohibit fees paid to a lender for handling or processing credit life or health insurance not exceeding 10% of prima facie premiums as set forth by rules adopted by the superintendent. [PL 1993, c. 645, Pt. B, §6 (AMD).]

SECTION HISTORY

§2861. Premium not deemed interest; amount, collection

1. Except as provided in Title 9-A, section 4-104, the premium of cost of such insurance when issued through any creditor shall not be deemed interest, or charges, or consideration, or an amount in excess of permitted charges in connection with the loan or other credit transaction, and any benefit or return or other gain or advantage to the creditor arising out of the sale or provision of such insurance shall not be deemed a violation of any other law, general or special, of the State of Maine. [PL 1973, c. 762, §11 (AMD).]

2. The amount charged to a debtor for any consumer credit insurance may not exceed the premiums charged by the insurer, as computed at the time the charge to the debtor is determined. [PL 2001, c. 138, §14 (AMD).]

3. The insurance premium or other identifiable charge for such insurance may be collected from the insured or included in the finance charge or principal of any loan or other credit transaction at the time such transaction is completed. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§2862. Claims

1. Claims reported. All claims shall be promptly reported to the insurer or its designated claim representative, and the insurer shall maintain adequate claim files. All claims shall be settled as soon as possible and in accordance with the terms of the insurance contract. [PL 1969, c. 132, §1 (NEW).]

2. Claims paid. All claims shall be paid either by draft drawn upon the insurer or by check of the insurer to the order of the claimant to whom payment of the claim is due pursuant to the policy provisions, or upon direction of such claimant to one specified. [PL 1969, c. 132, §1 (NEW).]

3. Creditor may not adjust claims. No plan or arrangement shall be used whereby any person other than the insurer or its designated claim representative shall be authorized to settle or adjust claims. The creditor shall not be designated as claim representative for the insurer in adjusting claims; except that a group policyholder may, by arrangement with the group insurer, draw drafts or checks in payment of claims due to the group policyholder subject to audit and review by the insurer. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§2863. Existing insurance; choice of insurer
When credit life insurance or credit health insurance is required as additional security for any indebtedness, the debtor shall, upon request to the creditor, have the option of furnishing the required amount of insurance through existing policies of insurance owned or controlled by him or of procuring and furnishing the required coverage through any insurer authorized to transact such insurance within this State. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

Legal services insurance, as defined in this chapter, does not include the payment by a voluntary association, other than a voluntary association which is an insurer, on behalf of one of its members of fees, costs or expenses related to or arising out of legal services performed for the member by an attorney who either is an employee of the paying association or who provides the legal services to the association's member, pursuant to an agreement with that association. [PL 1983, c. 801, §11 (NEW).]

SECTION HISTORY

§2882. Insurers authorized to sell legal services insurance

Upon application to an approval by the superintendent, an insurer incorporated by or under the laws of this State or any foreign or alien insurance company duly licensed to transact insurance in its state of domicile may make application for a certificate of authority to transact the business of legal services

SECTION HISTORY

§2883. Legal services insurance defined

"Legal services insurance" is insurance which involves the assumption of a contractual obligation to reimburse the beneficiary against or pay on behalf of the beneficiary all or a portion of the beneficiary's fees, costs or expenses related to or arising out of services performed by or under the supervision of an attorney who is not an employee of or under the control of the insurer directly or indirectly and who is licensed to practice in the jurisdiction in which the services are performed. Legal services insurance may also include provisions for basic legal advice only rendered to the beneficiary, by telephone or mail, by one or more attorneys licensed to practice in the jurisdiction in which the advice is given; none of whom are employees of or under the control of the insurer, directly or indirectly. Legal services insurance does not include the provision of or reimbursement for legal services incidental to other insurance coverages. [RR 2009, c. 2, §68 (COR).]

SECTION HISTORY

§2884. Legal services insurance authorized to be sold on a group basis

An insurance company authorized to write legal services insurance in this State, which for the purposes of this chapter only is considered a form of health insurance, has the power to issue group legal services insurance policies or may, by providing for the mental and emotional welfare of individuals and members of an individual's family by defraying the costs of legal services, include legal services insurance in and as a part of a group health insurance policy. Group legal services insurance is that form of voluntary legal services insurance covering employees or members, with or without their eligible dependents, written under a master policy issued to any governmental corporation, unit, agency or department or to any employer, association of employers or employee leasing company registered pursuant to Title 32, chapter 125, including the trustee or trustees of a fund established by that employer, association of employers or registered employee leasing company, a labor union or other employee organization, including the trustees of a fund established by that labor union or employee organization. The terms "employee" and "employees" have the same meaning as are given to those terms for the purposes of writing group life insurance in this State. Legal services insurance may only be issued in this State on a group policy basis. [PL 1995, c. 618, §4 (AMD).]

CHAPTER 39

CASUALTY INSURANCE CONTRACTS

SUBCHAPTER 1

GENERAL PROVISIONS

§2901. Contracts subject to general provisions

All contracts of casualty insurance delivered or issued for delivery in this State and covering subjects resident, located, or to be performed in this State are also subject to the applicable provisions of chapter 27 (the insurance contract) and to other applicable provisions of this Title. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§2902. Uninsured vehicle coverage; insolvency of insurer

1. A policy insuring against liability arising out of the ownership, maintenance or use of any motor vehicle may not be delivered or issued for delivery in this State with respect to any such vehicle registered or principally garaged in this State, unless coverage is provided in the policy or supplemental to the policy for the protection of persons insured under the policy who are legally entitled to recover damages from owners or operators of uninsured, underinsured or hit-and-run motor vehicles, for bodily injury, sickness or disease, including death, sustained by an insured person resulting from the ownership, maintenance or use of such uninsured, underinsured or hit-and-run motor vehicle. The coverage required by this section may be referred to as "uninsured vehicle coverage." For the purposes...
of this section, "underinsured motor vehicle" means a motor vehicle for which coverage is provided, but in amounts less than the minimum limits for bodily injury liability insurance provided for under the motorist's financial responsibility laws of this State or less than the limits of the injured party's uninsured vehicle coverage.

[PL 2005, c. 591, §1 (AMD).]

2. With respect to motor vehicle insurance policies subject to the Maine Automobile Insurance Cancellation Control Act and policies in the assigned risk plan established pursuant to section 2325 securing private passenger auto insurance coverage, the amount of coverage to be so provided may not be less than the amount of coverage for liability for bodily injury or death in the policy offered or sold to a purchaser unless the purchaser expressly rejects such an amount, but in any event may not be less than the minimum limits for bodily injury liability insurance provided for under Title 29-A, section 1605, subsection 1.

A rejection of equal coverage by the purchaser under this subsection must be in writing on a form provided by the insurer. The rejection must be signed by the purchaser, dated and include the following language: "I understand that Maine law requires uninsured motor vehicle coverage limits to equal the limits I have selected for liability coverage for bodily injury or death in this policy unless I expressly reject such an amount of coverage. Pursuant to the Maine Revised Statutes, Title 24-A, section 2902, subsection 2, I have elected to purchase uninsured motor vehicle coverage with lesser limits."

For coverage purchased on or after October 1, 2000, the form must be provided to the purchaser prior to the effective date of coverage. For renewal policies in force as of September 30, 2000, the form must be provided upon the first offer of renewal to each purchaser who has current coverage limits less than those required under this subsection. To be effective, a form must be signed by any one named insured under the policy. If a signed form rejecting higher coverage is not received by the insurer prior to the effective date of the policy to which it applies, then the higher coverage must be provided consistent with this subsection from the policy issuance date for coverage purchased on or after October 1, 2000 and from the effective date of the first renewal on or after October 1, 2000 for policies in force as of September 30, 2000.

This subsection may not be construed to prohibit an insured from prospectively changing coverage to alternative limits of uninsured motor vehicle coverage so long as a signed form, if necessary, is submitted to the insurer prior to the effective date of the change. If an insured has maintained the same uninsured vehicle coverage limits for 2 consecutive years with the same insurer, then the insured will be conclusively presumed to have accepted that amount of uninsured coverage in all future policies, until such time as the insured notifies the insurer in writing of an election to change the amount of uninsured coverage.

Reinstatement or renewal of coverage by the insured with the same insurer within 30 days of expiration of a policy must be considered, for purposes of this section, as continuous coverage and does not require a new rejection to be executed by the insured.

With respect to motor vehicle insurance policies not subject to the Maine Automobile Insurance Cancellation Control Act, the amount of coverage so provided may not be less than the minimum limits for bodily injury liability insurance provided for under Title 29-A, section 1605, subsection 1.

[PL 1999, c. 663, §1 (AMD); PL 1999, c. 663, §4 (AFF).]

3. For the purposes of this section, the term "uninsured motor vehicle" shall be deemed also to include, subject to the terms and conditions of such coverage, an insured other motor vehicle where:

A. The liability insurer of such other motor vehicle is unable because of its insolvency to make payment with respect to the legal liability of its insured within the limits specified in its policy;

[PL 1969, c. 132, §1 (NEW).]
B. The occurrence out of which such legal liability arose took place while the uninsured vehicle coverage required under subsection 1, was in effect; and [PL 1969, c. 132, §1 (NEW).]

C. Written notice of such occurrence shall have been given to the insurer within 2 years thereof. [PL 1969, c. 132, §1 (NEW).]

Nothing contained in this subsection shall be deemed to prevent any insurer from providing insolvency protection to its insureds under more favorable terms. [PL 1969, c. 132, §1 (NEW).]

4. In the event of payment to any person under uninsured vehicle coverage, and subject to the terms of such coverage, to the extent of such payment the insurer shall be entitled to the proceeds of any settlement or recovery from any person legally responsible for the bodily injury as to which such payment was made, and to amounts recoverable from the assets of the insolvent insurer of the other motor vehicle. [PL 1969, c. 132, §1 (NEW).]

5. An insurer or licensed producer holding an appointment from the insurer shall disclose to the purchaser of a motor vehicle liability insurance policy the requirements for uninsured motor vehicle coverage under subsection 2. [PL 1999, c. 271, §2 (NEW).]

6. When 2 or more persons are legally entitled to recover damages from a particular owner or operator of an underinsured motor vehicle, the amount of underinsured vehicle coverage applicable to each injured person is determined as provided in this subsection.

A. If the underinsured motor vehicle policy applicable to 2 or more persons who are legally entitled to recover damages contains both a per person and a per accident limit, the amount of underinsured vehicle coverage applicable to each injured person is determined by subtracting any payments actually made to that person from any bodily injury liability insurance coverage applicable to the particular owner or operator of the underinsured motor vehicle from that person's, operator's or owner's underinsured vehicle coverage policy limits if applicable to that person. [PL 2013, c. 284, §1 (NEW).]

B. If the underinsured motor vehicle policy applicable to 2 or more persons who are legally entitled to recover damages contains only a single per accident limit, the amount of underinsured vehicle coverage available to each injured person is determined by subtracting any payment received by that person from the owner or operator of the underinsured motor vehicle from that single per accident limit. In no event may the maximum amount payable by the insurer to all injured persons exceed the single per accident limit. [PL 2013, c. 284, §1 (NEW).]

C. The amount of underinsured vehicle coverage determined under paragraph A or B must be further reduced by the amount by which the bodily injury liability insurance coverage applicable to the particular owner or operator of the underinsured motor vehicle exceeds all payments from that coverage to all persons legally entitled to recover damages from that particular owner or operator of the underinsured motor vehicle. [PL 2013, c. 284, §1 (NEW).]

D. This subsection does not prohibit an insurer from providing greater amounts of underinsured vehicle coverage than are required under this section. [PL 2013, c. 284, §1 (NEW).]

[PL 2013, c. 284, §1 (RPR).]

7. Notwithstanding the requirements of subsection 2 relating to the amount of uninsured motor vehicle coverage required to be maintained under motor vehicle insurance policies subject to the Maine Automobile Insurance Cancellation Control Act and policies in the assigned risk plan established pursuant to section 2325 securing private passenger auto insurance coverage, a policy providing uninsured motor vehicle coverage underwritten on a commercial policy form approved for use in this State must provide coverage in an amount not less than the minimum limits for bodily injury liability
insurance provided for under Title 29-A, section 1605, subsection 1. Coverage provided to an insured pursuant to this subsection does not obligate the insured to affirmatively reject an offer of higher limits of uninsured motor vehicle coverage. This subsection may not be construed to limit or compel an insured's election of higher limits of uninsured motor vehicle coverage. [PL 2001, c. 109, §1 (NEW).]

SECTION HISTORY

§2902-A. Household exclusion
(REPEALED)

SECTION HISTORY

§2902-B. Motorcycle passenger exclusion

No insurer may sell or renew, on or after January 1, 1986, a liability insurance policy covering a motorcycle, as defined in Title 29-A, section 101, subsection 38, that excludes coverage for injuries sustained by passengers on the insured's motorcycle unless the insurer notifies the bureau in writing of its utilization of the exclusion, the insurer notifies each of its licensed agents within the State of its utilization of the exclusion and the exclusion is provided by a separate endorsement to the insured's policy. An exclusion that does not meet the requirements of this section is invalid and of no effect. [PL 1995, c. 65, Pt. A, §69 (AMD); PL 1995, c. 65, Pt. A, §153 (AFF); PL 1995, c. 65, Pt. C, §15 (AFF).]

SECTION HISTORY

§2902-C. Refusal to issue insurance prohibited

No insurer may refuse to issue motor vehicle liability insurance to an applicant solely because the applicant is 65 years of age or older. [PL 1991, c. 106 (NEW).]

SECTION HISTORY

§2902-D. Family exclusions prohibited

An insurer may not sell or renew a motor vehicle liability insurance policy on or after January 1, 1994 with a provision that excludes coverage for injury to the insured or any family member of the insured. [PL 1993, c. 69, §2 (NEW).]

SECTION HISTORY

§2902-E. Limitation on surcharge

An insurer may not impose a surcharge or otherwise increase the rate for a motor vehicle insurance policy solely on the basis that the named insured, a member of the insured's household or a person who customarily operates the insured's vehicle has had an operator's license suspended pursuant to Title 28-A, sections 2052 and 2053. [PL 1993, c. 93, §1 (NEW).]
§2902-F. Volunteer drivers

An insurer may not refuse to issue motor vehicle liability insurance to an applicant solely because the applicant is a volunteer driver. An insurer may not impose a surcharge or otherwise increase the rate for a motor vehicle policy solely on the basis that the named insured, a member of the insured's household or a person who customarily operates the insured's vehicle is a volunteer driver. For purposes of this section, "volunteer driver" means a person who provides services, including transporting individuals or goods, without compensation above expenses to a nonprofit agency or charitable organization as defined in Title 14, section 158-A. This section does not prohibit an insurer from refusing to renew, imposing a surcharge or otherwise raising the rate for a motor vehicle liability insurance policy based upon factors other than the volunteer status of the insured driver. [PL 1995, c. 132, §1 (NEW).]

§2902-G. Discounted premiums for older drivers

1. Discount; accident prevention course required. Any rates, rating schedules or rating manuals for the liability, personal injury protection and collision coverages of a motor vehicle insurance policy submitted to or filed with the bureau must provide for an appropriate discount in premium charges for such coverages for a 3-year period when the principal operator of the covered vehicle is an insured 55 years of age or older who successfully completes a motor vehicle accident prevention course approved by the Department of Public Safety, Bureau of Highway Safety.

2. Condition. The premium reduction required by subsection 1 is effective for a 3-year period after an insured 55 years of age or older successfully completes an approved motor vehicle accident prevention course, except that the insurer may require, as a condition of providing and maintaining the discount, that for a 3-year period after the course is completed:

A. The insured or a member of the insured's household insured under the policy not be involved in an accident for which the insured is at fault; [PL 2001, c. 130, §1 (NEW).]

B. The insured or a member of the insured's household insured under the policy not have committed a moving violation as defined in Title 29-A, section 101, subsection 44; or [PL 2001, c. 130, §1 (NEW).]

C. The insured or a member of the insured's household insured under the policy not be subject to a driver's license suspension. [PL 2001, c. 130, §1 (NEW).]

3. Qualification; certificate. An organization offering an approved motor vehicle accident prevention course used to qualify for the premium discount required by subsection 1 shall issue a certificate to a person who successfully completes the course. [PL 2001, c. 130, §1 (NEW).]

4. Application. An insured is not eligible for the premium discount under subsection 1 when the insured is required by a court or other government entity to complete the approved motor vehicle accident prevention course because the insured has committed a moving violation as defined in Title 29-A, section 101, subsection 44. [PL 2001, c. 130, §1 (NEW).]
5. **Eligibility.** An insured must pass an approved motor vehicle accident prevention course every 3 years to continue to be eligible for the premium discount.

[PL 2001, c. 130, §1 (NEW).]

**SECTION HISTORY**

PL 2001, c. 130, §1 (NEW).

§2903. **Liability absolute when loss occurs**

The liability of every insurer which insures any person against accidental loss or damage on account of personal injury or death or on account of accidental damage to property shall become absolute whenever such loss or damage, for which the insured is responsible, occurs. The rendition of a final judgment against the insured for such loss or damage shall not be a condition precedent to the right or obligation of the insurer to make payment on account of such loss or damage. [PL 1969, c. 132, §1 (NEW).]

**SECTION HISTORY**

PL 1969, c. 132, §1 (NEW).

§2904. **Judgment creditor may have insurance; exceptions**

Whenever any person, administrator, executor, guardian, recovers a final judgment against any other person for any loss or damage specified in section 2903, the judgment creditor shall be entitled to have the insurance money applied to the satisfaction of the judgment by bringing a civil action, in his own name, against the insurer to reach and apply the insurance money, if when the right of action accrued, the judgment debtor was insured against such liability and if before the recovery of the judgment the insurer had had notice of such accident, injury or damage. The insurer shall have the right to invoke the defenses described in this section in the proceedings. None of the provisions of this paragraph and section 2903 shall apply: [PL 1969, c. 132, §1 (NEW).]

1. **Motor vehicle operated illegally or by one under age.** When the insured automobile, motor vehicle or truck is being operated by any person contrary to law as to age or by any person under the age of 16 years where no statute restricts the age; or

[PL 1969, c. 132, §1 (NEW).]

2. **Motor vehicle used in race contest.** When such automobile, motor vehicle or truck is being used in any race or speed contest; or

[PL 1969, c. 132, §1 (NEW).]

3. **Motor vehicle used for towing a trailer.** When such automobile, motor vehicle or truck is being used for towing or propelling a trailer unless such privilege is indorsed on the policy or such trailer is also insured by the insurer; or

[PL 1969, c. 132, §1 (NEW).]

4. **Liability assumed.** In the case of any liability assumed by the insured for others; or

[PL 1969, c. 132, §1 (NEW).]

[PL 1989, c. 502, Pt. A, §98 (AMD).]

6. **Fraud or collusion.** When there is fraud or collusion between the judgment creditor and the insured.

[PL 1969, c. 132, §1 (NEW).]

No civil action shall be brought against an insurer to reach and apply such insurance money until 20 days shall have elapsed from the time of the rendition of the final judgment against the judgment debtors. [PL 1969, c. 132, §1 (NEW).]

§2907. Coverage for sales tax credit

All contracts of motor vehicle casualty insurance delivered or issued for delivery in this State covering motor vehicles registered in this State shall provide coverage for the value of the sales tax credit that would have been available upon trade thereof at the highest book value at the time of loss or destruction of the insured vehicle. [PL 1973, c. 219 (NEW).]

SECTION HISTORY
PL 1973, c. 219 (NEW).

§2908. Cancellation and nonrenewal

1. As used in this section, unless the context indicates otherwise, the following terms have the following meanings.

A. "Cancellation" means termination of a policy at a date other than its expiration date. [PL 1985, c. 671, §1 (NEW).]

B. "Expiration date" means the date upon which coverage under a policy ends. It also means, for a policy written for a term longer than one year or with no fixed expiration date, each annual anniversary date of the policy. [PL 1985, c. 671, §1 (NEW).]

C. "Nonpayment of premium" means the failure or inability of the named insured to discharge any obligation in connection with the payment of premium on a policy of insurance subject to this section, whether the payments are payable directly to the insurer or its agent or indirectly payable under a premium finance plan or extension of credit. [PL 1985, c. 671, §1 (NEW).]

D. "Nonrenewal" means termination of a policy at its expiration date. [PL 1985, c. 671, §1 (NEW).]

E. "Renewal" or "to renew" means the issuance of, or the offer to issue by an insurer, a policy succeeding a policy previously issued and delivered by the same insurer or an affiliate of the insurer or the issuance of a certificate or notice extending the terms of an existing policy for a specified period beyond its expiration date. For the purposes of this section, the transfer of a policy from an insurer to an affiliate is considered a policy renewal. [PL 2007, c. 188, Pt. C, §1 (AMD).] [PL 2007, c. 188, Pt. C, §1 (AMD).]

2. Except as provided in subsection 8, no contract of casualty insurance may be cancelled by an insurer prior to the expiration of the policy, except for one or more of the following grounds:

A. Nonpayment of premium; [PL 1985, c. 671, §1 (NEW).]
B. Fraud or material misrepresentation made by or with the knowledge of the named insured in obtaining the policy, continuing the policy or in presenting a claim under the policy; [PL 1985, c. 671, §1 (NEW).]

C. Substantial change in the risk which increases the risk of loss after insurance coverage has been issued or renewed, including, but not limited to, an increase in exposure due to rules, legislation or court decision; [PL 1985, c. 671, §1 (NEW).]

D. Failure to comply with reasonable loss control recommendations; [PL 1985, c. 671, §1 (NEW).]

E. Substantial breach of contractual duties, conditions or warranties; or [PL 1985, c. 671, §1 (NEW).]

F. Determination by the superintendent that the continuation of a class or block of business to which the policy belongs will jeopardize a company's solvency or will place the insurer in violation of the insurance laws of this State or any other state. [PL 1985, c. 671, §1 (NEW).]

The grounds listed in paragraphs A to E shall be contained in all policies issued, issued for delivery or renewed on or after the effective date of this section. Insurers shall have 30 days from the effective date of this section to notify insureds of these grounds for cancellation on policies issued or issued for delivery before the effective date of this section. [PL 1985, c. 671, §1 (NEW).]

3. If a policy has been issued for a term longer than one year and, for additional premium consideration, a premium has been guaranteed, the insurer may not refuse to renew the policy or increase the policy premium for the term of that policy. [PL 1985, c. 671, §1 (NEW).]

4. If an insurer offers or purports to renew a contract, but on less favorable terms to the insured or at higher rates or a higher rating plan, the new terms or rates and rating plan may take effect on the renewal date, if the insurer has provided the insured 30 days notice. If the insurer has not so notified the contract holder, the contract holder may elect to cancel the renewal policy within the 30-day period after receipt of the notice or delivery. Earned premium for the period of coverage for such time as the renewal contract may have been in force, shall be calculated pro rata at the lower of the current or previous year's rate. If the insured accepts the renewal, the premium increase, if any, and other changes shall be effective immediately following the prior policy's expiration or anniversary date. This section does not apply if the change is a rate, form or plan filed with the superintendent and applicable to the entire class of business to which the policy belongs or to a premium increase based on the altered nature or extent of the risk insured against. [PL 1985, c. 671, §1 (NEW).]

5. Cancellation or nonrenewal is not effective until notice is received by the insured as follows.

A. Except for workers' compensation insurance, cancellation may not be effective prior to 10 days after receipt by the insured of a notice of cancellation. Notice of cancellation of workers' compensation insurance is subject to Title 39-A, section 403, subsection 1. The notice must state the effective date of and the reason or reasons for cancellation. [PL 1991, c. 885, Pt. E, §31 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

B. Nonrenewal subject to this section shall not be effective prior to 30 days after receipt of written notice by the insured. If an insurer provides a notice of nonrenewal as described in this subsection and thereafter extends the policy 90 days or less, an additional notice of nonrenewal is not required with respect to this extension. [PL 1985, c. 671, §1 (NEW).]

C. A post-office certificate of mailing to the named insured at his last known address is conclusive proof of receipt of notice on the 3rd calendar day after mailing. [PL 1985, c. 671, §1 (NEW).]
D. For policies providing automobile physical damage coverage, like notice of cancellation or nonrenewal must also be given to any party named in a loss payable clause. [PL 2007, c. 188, Pt. C, §2 (NEW).]

[PL 2007, c. 188, Pt. C, §2 (AMD).]

6. Any insured who has received a notice of an insurer's intent to cancel a policy may, within 45 days of the receipt of the notice, request a hearing before the superintendent. The purpose of this hearing shall be limited to establishing the existence of the proof or evidence given by the insurer in its notice of cancellation. The burden of proof of the reason for cancellation shall be upon the insurer. The superintendent shall have the authority to order that a policy remain in effect both pending and, if the superintendent finds in favor of the insured, subsequent to a hearing. If the superintendent finds in favor of the insurer at a hearing, the superintendent may order the policy to remain in force for 14 days to allow the insured to obtain other coverage.

[PL 1989, c. 172, §3 (AMD).]

7. Except as provided in Title 10, chapter 209-B, no insurer or licensed agent or employee of the insurer may be held liable in any civil action for statements made in a notice of cancellation or nonrenewal or at a hearing held under this section if the statements were made in good faith and, in the case of cancellation, are reasonably related to the grounds for cancellation.

[PL 2013, c. 588, Pt. C, §12 (AMD).]

8. Except for the definitions in subsection 1 and cancellation notice requirements set forth in subsection 5, this section does not apply to any insurance policy that has not been previously renewed if the policy has been in effect less than 60 days at the time notice of cancellation is mailed or otherwise delivered. This section does not apply to any policy subject to the Maine Automobile Insurance Cancellation Control Act, subchapter II. This section does not apply to any assigned risk program. The superintendent may suspend, in whole or in part, the applicability of this section to any insurer if, in the superintendent's discretion, its application will endanger the ability of the insurer to fulfill its contractual obligations.

[PL 1997, c. 126, §5 (AMD).]

9. This section applies to all contracts of casualty insurance, except surplus lines contracts, delivered or issued for delivery in this State, both before and after the effective date of this section. Provisions in this section relating to nonrenewal of policies shall take effect 30 days after the effective date of this section.

[PL 1989, c. 172, §3 (AMD).]

SECTION HISTORY

§2909. Insurance for dealers and transporters

1. As used in this section, "owner" means the owner of a motor vehicle, the owner's agent, employee or independent contractor.

[PL 1989, c. 261, §1 (NEW).]

2. The superintendent may not approve any policy required pursuant to Title 29-A, section 1612, unless coverage is provided for both the owner and operator of the motor vehicle.

3. The owner's policy must provide primary coverage up to the limits specified in Title 29-A, section 1612. Any other valid and collectible insurance policy available to an operator who is not the owner must provide excess coverage.
§2910. Loss information to be supplied

1. Request for information. Every insurer shall provide loss information concerning an insurance policy to its insured within 30 calendar days of the receipt of a written request from the insured or an insurance agent or other authorized representative of the insured. An insurer may not cancel or refuse to renew an insurance policy for the nonpayment of premium during any period within which the insurer fails to provide the loss information requested under this section, unless the insured requests that information fewer than 45 calendar days prior to the expiration date of the insurance policy.

2. Transmittal of request. If an insured requests loss information from an insurance agent or an authorized representative of the insured, the representative or agent shall transmit the request for loss information to the insurer within 4 working days.

3. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Insurance policy" means the insurance policy relating to the loss information requested pursuant to this section.

B. "Loss information," except with respect to workers' compensation insurance, means the following items: the name of the insured, the date of the loss, the date that the claim was received by the insurer, a description of the loss, any amount paid by the insurer on account of the loss, any amount reserved for the loss and whether the claim is open or closed.

C. "Loss information," with respect to workers' compensation insurance, means the following items: the name of the claimant, the date of the injury, a description of the injury, any amount paid for medical expense, any amount paid for indemnity expense, any medical reserve, the total incurred losses and whether the claim is open or closed.

§2910-A. Subrogation; medical payments coverage

1. Policy requirements. A casualty insurance policy subject to this chapter may not provide for subrogation or priority over the insured of payment for any hospital, nursing, medical or surgical services or of any expenses paid or reimbursed under the medical payments coverage in the policy in the event the insured is entitled to receive payment or reimbursement from any other person as a result of legal action or claim, except as provided in this section.

The coverage may contain a provision that allows the payments if:

A. [PL 2011, c. 509, §1 (RP).]

B. The provision requires the written approval of the insured; [PL 2009, c. 222, §1 (NEW).]

C. The provision provides that the insurer's subrogation right is subject to subtraction to account for the pro rata share of the insured's attorney's fees incurred in obtaining the recovery from another source; and [PL 2009, c. 222, §1 (NEW).]
D. The provision is approved by the superintendent. [PL 2009, c. 222, §1 (NEW).] [PL 2011, c. 509, §1 (AMD).]

2. Dispute resolution. In the event of a dispute as to the application of any such provision or the amount available for payment to those claiming payment for services or reimbursement, that dispute must be determined, if the action is pending, before the court in which it is pending; or if no action is pending, by filing an action in any court for determination of the dispute. [PL 1997, c. 369, §2 (NEW).]

3. Exception. Nothing in this section prevents an insurer from exercising its subrogation rights directly against any person legally responsible for the insured's injury. In the event that the insurer pursues its subrogation rights directly against such a person, the insurer's subrogation right is not subject to any subtraction to account for attorney's fees and the insurer is entitled to full recovery. [PL 1997, c. 369, §2 (NEW).]

4. Coordination of benefits and assignment of medical payments coverage. The following provisions apply to coordination of benefits and assignment of medical payments coverage in a casualty insurance policy.

A. A carrier, as defined in section 4301-A, subsection 3, may not coordinate benefits against medical payments coverage in a casualty insurance policy and may not require medical payments coverage to be primary coverage over any health insurance policy. [PL 2019, c. 182, §1 (NEW).]

B. Medical payments coverage in a casualty insurance policy is assignable only by agreement between the insured and the casualty insurer. Benefits under medical payments coverage must be applied as directed by the insured. [PL 2019, c. 182, §1 (NEW).]

C. The insured has the right to submit a claim for medical expenses under medical payments coverage in a casualty insurance policy. The insured may also submit a claim for medical expenses under a health insurance policy, except that an insured is not entitled to duplicate payment from medical payments coverage and a health insurance policy for the same medical expense. [PL 2019, c. 182, §1 (NEW).]

SUBCHAPTER 2

AUTOMOBILE INSURANCE CANCELLATION CONTROL ACT

§2911. Title

This subchapter shall be known as the "Maine Automobile Insurance Cancellation Control Act." Unless otherwise specified, all hearings held under this subchapter shall conform to the procedures set forth in the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter IV. [PL 1977, c. 694, §425 (AMD).]

SECTION HISTORY

As used in this subchapter, unless otherwise required by the context, the following words shall have the following meanings. [PL 1973, c. 339, §1 (NEW).]

1. **Policy.** "Policy" means an automobile insurance policy providing bodily injury liability, property damage liability, medical payments, uninsured motorist coverage, physical damage coverage, or any combination thereof, delivered or issued for delivery in this State, insuring a single individual or one or more related individuals resident in the same household, as named insured and insuring vehicles of the following types only:
   A. Motor vehicles of the private passenger or station wagon type that are not used as public conveyances nor rented to others; and [PL 2007, c. 188, Pt. C, §3 (AMD).]

2. **Renewal or renew.** "Renewal" or "to renew" means the issuance and delivery by an insurer of a policy replacing at the end of the previous policy term a policy previously issued and delivered by the same insurer, or the issuance and delivery of a certificate or notice extending the coverage of the policy beyond its original term. For purposes of this subchapter, the transfer of a policy from an insurer to an affiliate is considered a policy renewal.

Any policy written for a term longer than one year or with no fixed expiration date is considered written for successive policy terms of one year for the purposes of this subchapter. [PL 2007, c. 188, Pt. C, §4 (AMD).]

3. **Nonpayment of premium.** "Nonpayment of premium" means failure of the named insured to discharge when due any of the named insured's obligations in connection with the payment of premium on the policy, or any installment of a premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit. [RR 2015, c. 1, §28 (COR).]

**SECTION HISTORY**

§2913. **When not applicable**

This subchapter shall not apply to any policy: [PL 1973, c. 339, §1 (NEW).]

1. Insured under an automobile assigned risk plan;
   [PL 1973, c. 339, §1 (NEW).]

3. Insuring more than 4 automobiles;
   [PL 1973, c. 339, §1 (NEW).]

   [PL 1973, c. 339, §1 (NEW).]

**SECTION HISTORY**
§2914. Notice of cancellation -- reasons

No policy may be cancelled except by notice to the insured and any other person mentioned in the loss payable clause of an automobile physical damage policy, as provided in this subchapter. [PL 1973, c. 339, §1 (NEW).]

No notice of cancellation of a policy shall be effective unless it is based on one or more of the following reasons: [PL 1973, c. 339, §1 (NEW).]

1. Nonpayment of premium. No notice of cancellation for nonpayment of premium shall be effective unless deemed received under section 2915 after the premium due date; [PL 1979, c. 347, §1 (AMD).]

2. Fraud or material misrepresentation affecting the policy or the presentation of a claim; [PL 1973, c. 339, §1 (NEW).]

[PL 1995, c. 65, Pt. A, §71 (AMD); PL 1995, c. 65, Pt. A, §153 (AFF); PL 1995, c. 65, Pt. C, §15 (AFF).]

During the policy period, an automobile insurance policy may not be modified except by agreement between the insured and the insurer. Modification agreed upon between the insured and the insurer shall not be deemed a cancellation of the coverage or of the policy. [PL 1977, c. 403, §2 (RPR).]

This section shall not apply to any policy or coverage which has been in effect less than 60 days at the time notice of cancellation is received by the named insured nor shall section 2920 apply to any policy or coverage that has been in effect less than 60 days. [PL 1979, c. 347, §2 (AMD).]

This section shall not apply to nonrenewal of an automobile insurance policy. [PL 1977, c. 403, §2 (NEW).]

SECTION HISTORY

§2915. Delivery of notice

A notice of cancellation of a policy is not effective unless received by the named insured at least 20 days prior to the effective date of cancellation, or, when the cancellation is for nonpayment of premium, at least 10 days prior to the effective date of cancellation. In the event the policy provides automobile physical damage coverage, like notice of cancellation must also be given to any party mentioned in the loss payable clause. A postal service certificate of mailing to the named insured at the insured's last known address is conclusive proof of receipt on the 5th calendar day after mailing. [PL 2007, c. 188, Pt. C, §5 (AMD).]

Except for a policy that has been in effect for less than 60 days at the time notice of cancellation is received by the named insured, the reason for cancellation must accompany the notice, together with a notice of the right to apply for a hearing before the superintendent within 30 days, as provided in section 2920. [PL 2007, c. 188, Pt. C, §5 (AMD).]
§2916. Automobile insurance, cancellation, nonrenewal and certain changes because of age, prohibited

An insurance company authorized to transact business in this State may not refuse to issue, cancel or refuse to renew, reduce liability limits for or charge a higher premium for a policy for the sole reason that an applicant for coverage, a person to whom such policy has been issued or another insured driver has reached a certain age. [PL 2017, c. 11, §1 (AMD).]

SECTION HISTORY

§2916-A. Nonrenewal -- reasons

A notice of nonrenewal may not be issued unless it is based upon a reason for which the policy could have been cancelled or unless it is based upon one or more of the following grounds that occurred during the 36-month period preceding the yearly anniversary date of the policy. A nonrenewal is effective only on the policy's yearly anniversary date. [PL 2007, c. 188, Pt. C, §6 (AMD).]

1. Convictions. When a named insured or any operator who either resides in the same household or customarily operates an automobile insured under the policy is convicted of any of the following:

   A. Operating a motor vehicle while intoxicated or impaired by the consumption of alcohol or drugs; [PL 1979, c. 336, §1 (NEW).]
   B. Homicide or assault arising out of the use of the operation of a motor vehicle, criminal negligence in the use or operation of a motor vehicle resulting in the injury or death of another person or use or operation of a motor vehicle directly or indirectly in the commission of a felony; [PL 1979, c. 336, §1 (NEW).]
   C. Operating a motor vehicle in excess of the speed limit or in a reckless manner where injury or death results therefrom; [PL 1979, c. 336, §1 (NEW).]
   D. Operating a motor vehicle in excess of the speed limit or reckless driving or any combination thereof on 3 or more occasions; [PL 1979, c. 336, §1 (NEW).]
   E. Operating a motor vehicle insured under the policy without a valid license or registration in effect, except when the person convicted had possessed a valid license or registration which had expired and was subsequently renewed, or during a period of revocation or suspension thereof or in violation of the limitations set forth on the operator's license; [PL 1979, c. 336, §1 (NEW).]
   F. Operating a motor vehicle while attempting to avoid apprehension or arrest by a law enforcement officer; [PL 1979, c. 336, §1 (NEW).]
   G. Filing or attempting to file a false or fraudulent automobile insurance claim or knowingly aiding or abetting in the filing or attempted filing of any such claim; [PL 1979, c. 336, §1 (NEW).]
   H. Leaving the scene of an accident without reporting; [PL 1979, c. 336, §1 (NEW).]
   I. Filing a false document with the Secretary of State or the Bureau of Motor Vehicles or using a license or registration obtained by filing a false document with the Secretary of State or the Bureau of Motor Vehicles; [PL 1991, c. 837, Pt. A, §50 (AMD).]
   J. Operating a motor vehicle in a race or speed test; or [PL 1979, c. 336, §1 (NEW).]
K. Knowingly permitting or authorizing an unlicensed driver to operate a motor vehicle insured under the policy. [PL 1979, c. 336, §1 (NEW).]

2. Accidents. When a named insured or any other person who operates a motor vehicle insured under the policy is individually or are aggregately involved in 2 or more vehicle accidents while operating a motor vehicle insured under the policy or under another policy issued by the same insurer for a motor vehicle in the same household, resulting in either personal injury or property damage in excess of the amount defined as a reportable accident under Title 29-A, section 2251, subsection 1. For the purpose of this subsection any of the following occurrences involving a motor vehicle operated by a named insured or such other person is not considered an accident when:

A. The motor vehicle was struck from the rear; [PL 1979, c. 336, §1 (NEW).]

B. The motor vehicle was struck while parked; [PL 1979, c. 336, §1 (NEW).]

C. Only the operator of another motor vehicle involved in the accident was convicted of a crime, offense or violation contributing to the accident; or [PL 1979, c. 336, §1 (NEW).]

D. The named insured or other operator of the motor vehicle insured under the policy or the insurer of the policy, was reimbursed by or on behalf of, a person responsible for the accident or has a judgment against that person. [PL 1999, c. 617, §2 (AMD).]

When more than one motor vehicle in a household is insured by the same insurer, the aggregate number of accidents that would permit nonrenewal of the policy or policies insuring those vehicles must be increased by one for each additional motor vehicle insured. [PL 2003, c. 26, §1 (AMD).]

3. Insurability. When there is a material change in the type of motor vehicle insured which so substantially increases the hazard insured against as to render the motor vehicle uninsurable in accordance with the insurer's underwriting standards in effect at the time the policy was issued or last renewed; provided that if the insured motor vehicle is uninsurable for physical damage coverages only, the insurer shall offer to renew the policy without the physical damage coverages. [PL 1979, c. 336, §1 (NEW).]

SECTION HISTORY

§2916-B. Exclusion of covered persons under personal automobile policy

In order to avoid cancellation or nonrenewal of an automobile insurance policy, and to allow an insurer to provide or to continue to provide coverage without an unreasonable risk, an insurer and the named insured may agree, by an endorsement to the policy signed by the interested parties, to exclude from coverage as operators of the insured vehicle or vehicles any covered person or persons who commit an act or acts for which the policy could be cancelled under section 2914, subsection 4, or for which the insurer could refuse to renew under section 2916-A subsections 1 and 2. Every endorsement under this section shall contain the following notice in conspicuous print:

"NOTICE TO POLICYHOLDER IF THE PERSON EXCLUDED FROM COVERAGE BY THIS ENDORSEMENT IS UNDER THE AGE OF 18 YEARS, YOU CAN BE HELD LIABLE UNDER STATE LAW FOR HIS OR HER NEGLIGENCE WHEN HE OR SHE OPERATES YOUR VEHICLE WITH YOUR PERMISSION. YOUR POLICY DOES NOT INSURE YOU AGAINST THIS LIABILITY." [PL 1981, c. 69 (NEW).]

SECTION HISTORY
§2916-C. Discontinuance of a line of business

If an insurer files a plan with the superintendent to discontinue business in a line of insurance subject to this subchapter, the superintendent may authorize the nonrenewal of policies in that line of business if the plan filed by the insurer demonstrates the availability of substantially similar coverage in the admitted market. The nonrenewal of a policyholder pursuant to this section may not be considered by an insurer in future coverage determinations. An insurer may resume transacting business in a line of insurance discontinued pursuant to this section upon written notification to the superintendent. [PL 2005, c. 49, §1 (AMD).]

SECTION HISTORY

§2917. Notice of intent

An insurer may not fail to renew a policy except by notice to the insured as provided in this subchapter. A notice of intention not to renew is not effective unless received by the named insured at least 30 days prior to the expiration date of the policy. In the event the policy provides automobile physical damage coverage, like notice of intention not to renew must be given to any party named in the loss payable clause. A post office department certificate of mailing to the named insured at the insured's last known address is conclusive proof of receipt on the 3rd calendar day after mailing. [PL 2007, c. 188, Pt. C, §7 (AMD).]

The reason or reasons for the intended nonrenewal action must accompany the notice of intent not to renew and the reason or reasons must be explicit. Explanations such as "underwriting reasons," "underwriting experience," "loss record," "driving experience," "credit report" and similar insurance terms are not by themselves acceptable explanations of an insurer's intended nonrenewal of an automobile insurance policy. A notice of a right to apply for a hearing before the superintendent within 30 days as provided in this section must accompany the notice of intent not to renew. [PL 2007, c. 188, Pt. C, §7 (AMD).]

This section does not apply: [PL 2007, c. 188, Pt. C, §7 (AMD).]

1. If the insurer has manifested its willingness to renew; [PL 1973, c. 339, §1 (NEW).]

2. If the insured fails to pay any premium due or any advance premium required by the insurer for renewal; or [PL 2007, c. 188, Pt. C, §7 (AMD).]

3. If the insurer has transferred a policy to an affiliate. Prior to the date of renewal of a policy that has been transferred by an insurer to an affiliate, the insured must receive notice of any changes to the terms of the policy that are less favorable to the insured. [PL 2007, c. 188, Pt. C, §7 (NEW).]

SECTION HISTORY

§2918. Duplicate coverage

If an insured obtains a 2nd policy which provides equal or more extensive coverage for any vehicle designated in both policies, the first policy's coverage of such vehicle may be terminated by failure to renew as of the effective time and date of the 2nd policy, whether or not the first policy insurer complies with all provisions of section 2917. [PL 1973, c. 339, §1 (NEW).]
§2919. Renewal not a waiver or estoppel

Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of renewal. [PL 1973, c. 339, §1 (NEW).]

§2920. Hearing before superintendent

Any named insured who has received a statement of reason for cancellation, or of reason for an insurer's intent not to renew a policy, may, within 30 days of the receipt of a statement of reason, request a hearing before the Superintendent of Insurance. The purpose of this hearing shall be limited to establishing the existence of the proof or evidence given by the insurer in its reason for cancellation or intent not to renew. The burden of proof of the reason for cancellation or intent not to renew shall be upon the insurer. The superintendent shall have the authority to order that a policy continue in effect both pending and, if the superintendent finds in favor of the insured, subsequent to a hearing. If the superintendent finds in favor of the insurer at a hearing, the superintendent may order the policy to remain in force for 14 days to allow the insured to obtain other coverage. Acting in conformity with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II, the superintendent may adopt rules for carrying out this section. [PL 1989, c. 172, §5 (AMD).]

§2921. Insured told of alternate coverage

When automobile bodily injury and property damage liability coverage is cancelled or not renewed, other than for nonpayment of premium, the insurer shall notify the named insured of his possible eligibility for automobile liability insurance through the Maine Automobile Insurance Plan. Such notice shall accompany the notice of cancellation or intent not to renew. [PL 1973, c. 339, §1 (NEW).]

§2922. Superintendent's authority to suspend

In the event of impairment or serious financial difficulty of an insurer, the superintendent shall have the authority to suspend the provisions of this Act from applying to the policies of the financially distressed insurer. [PL 1977, c. 403, §6 (NEW).]

§2923. Nonliability for certain statements

1. Notices. Except as provided in Title 10, chapter 209-B, no insurer or licensed agent or employee of the insurer may be held liable in any civil action for statements made in a notice of cancellation or intent not to renew under this chapter if:

   A. The statements were made in good faith; [PL 1979, c. 112, §1 (NEW).]
B. The statements are reasonably related to the reason for cancellation or intent not to renew; and [PL 1979, c. 112, §1 (NEW).]
C. In the case of a notice of cancellation, the reason for cancellation is a reason permitted under section 2914. [PL 1979, c. 112, §1 (NEW).]

[PL 2013, c. 588, Pt. C, §13 (AMD).]

2. Hearings. Except as provided in Title 10, chapter 209-B, no person may be held liable in any civil action for statements made or information given at a hearing held under this chapter if:

A. The statements were made or the information was given in good faith; [PL 1979, c. 112, §1 (NEW).]

B. The statements or the information are reasonably related to the reason for cancellation or intent not to renew; and [PL 1979, c. 112, §1 (NEW).]

C. In the case of a hearing held on a notice of cancellation, the reason for cancellation is a reason permitted under section 2914. [PL 1979, c. 112, §1 (NEW).]

[PL 2013, c. 588, Pt. C, §13 (AMD).]

SECTION HISTORY

§2924. Assigned risk insurance plan

If no payment for renewal of a policy has been received by the insurer 15 days prior to the expiration date of the policy, the insurer shall notify the insured in accordance with this section. Written notice shall be mailed or delivered to the named insured no less than 10 days prior to the expiration date. The notice shall state that the policy will terminate on the expiration date if the insurer does not receive payment by that date. A post-office department certificate of mailing is proof of mailing. [PL 1989, c. 354 (NEW).]

The deductible applicable to the covered rental vehicle may not exceed the highest of the deductibles for the collision coverage in the event of a collision loss or for the comprehensive coverage in the event of a comprehensive loss, applicable to the insured vehicle. §2933. Premium rates

Premium rates under a mass marketing plan shall comply with all standards set forth in the Maine Insurance Code, including without limitation the requirement that rates shall not be excessive, inadequate or unfairly discriminatory. Rates shall not be deemed to be unfairly discriminatory because different premiums result for policyholders with like loss exposures but different expense factors, or like expense factors but different loss exposures, so long as the rates reflect the difference with reasonable accuracy. Rates shall not be deemed to be unfairly discriminatory if they are averaged broadly among persons insured under a mass marketing plan. [PL 1973, c. 625, §146 (NEW).]

§2938. Availability

(REPEALED)

SECTION HISTORY

§2938-A. Availability

The insurer shall file with the superintendent its underwriting rules pertaining to eligibility for the mass marketing plan. No insurer may use underwriting standards for individual risk selection in a mass marketing plan that are, on the whole, more restrictive than the standards used by that insurer for individual risk selection in the sale of the same kind of insurance in this State other than pursuant to mass marketing plans. If an insurer does not sell that kind of insurance in this State other than pursuant to mass marketing plans, its underwriting standards for individual risk selection in those plans, on the whole, may be no more restrictive than the standards used by its principal affiliate, if any, for individual risk selection in the sale of that kind of insurance in this State other than pursuant to mass marketing plans. With respect to motor vehicle insurance, all policies issued under the mass marketing plans must provide at least the financial responsibility limits of coverage stated in Title 29-A, section 1605,
If an insurer rejects an applicant for coverage pursuant to a mass marketing plan, the insurer shall provide a notice of rejection to the applicant. Explanations such as "underwriting reasons," "loss record," "location of risk" and similar insurance terms are not by themselves acceptable explanations of an insurer's rejection. [PL 1989, c. 192, §4 (NEW).]

The insurance shall be offered without discrimination against any eligible member of the plan as to rates, forms or coverages. Nothing in this section shall preclude the establishment of different classes of risk. [PL 1989, c. 192, §4 (NEW).]

Insurers may not cancel, fail to renew or change the rating classification of insureds who have coverage in force under existing plans as of the effective date of this section for the sole reason that the insured fails to meet underwriting standards which are applicable to persons enrolling in the plans after the effective date of this section. [PL 1989, c. 192, §4 (NEW).]

SECTION HISTORY

§2939. Cancellation and nonrenewal

1. Cancellation and nonrenewal shall be subject to the applicable provisions set forth elsewhere in this Title. [PL 1973, c. 625, §146 (NEW).]

2. The failure of an employer, association, organization or other group to remit premiums when due for any reason, including, but not limited to, interruption or termination of employment or membership, shall not be regarded as nonpayment of premium by any insured under any such plan providing for remittance of premium by such employer, association, organization or other group, unless such insured shall have been given written notice of such failure to remit and shall not himself have paid such premium by the later of 20 days after such notice, or the due date of such premium remittance under the mass marketing plan or pursuant to regulations set forth by the superintendent. [PL 1973, c. 625, §146 (NEW).]

3. Upon the termination of employment or membership or upon the discontinuance of the mass marketing plan, such insured member or employee may maintain his policy in force, in the same amount, upon payment of the premium applicable to the class of risk to which he belongs, on an individual basis. [PL 1973, c. 625, §146 (NEW).]

4. Any notice of cancellation or nonrenewal of any policy of any employee or member insured under a mass marketing plan shall be accompanied by a notice to the employee or member that, at his request, the insurer will afford the employer, association, organization or other group a reasonable opportunity to consult with the insured and to present facts in opposition to cancellation or nonrenewal. [PL 1973, c. 625, §146 (NEW).]

SECTION HISTORY

§2940. Applicability

This chapter shall be applicable only to insurance policies issued or renewed in this State after November 1, 1973 and is in addition to, and not in substitution for, other applicable requirements of the Maine Insurance Code and bureau regulations. SECTION HISTORY
GROUP PROPERTY AND CASUALTY INSURANCE

§2951. Group property and casualty insurance

1. Group coverage permitted. The following lines of property and casualty insurance may be written on a group basis, subject to the requirements of this section and other applicable law:

   A. Liability insurance issued to a risk purchasing group in compliance with chapter 72-A; [PL 2001, c. 138, §16 (NEW).]
   B. Credit involuntary unemployment insurance issued to a debtor group in compliance with chapter 37; and [PL 2001, c. 138, §16 (NEW).]
   C. Other lines of insurance designated by the superintendent in compliance with rules adopted pursuant to section 2953. [PL 2001, c. 138, §16 (NEW).]

2. Terms of coverage. A policy must provide insured group members with terms of coverage that are no less favorable to the insured than would be required for comparable nongroup policies, at rates consistent with the requirements of this Title. [PL 2001, c. 138, §16 (NEW).]

3. Certificate of coverage. An insured group member must be issued a certificate of coverage adequately describing that insured's rights and responsibilities under the group policy in a manner satisfactory to the superintendent, delivered in the same time and manner as is required for the delivery of comparable nongroup policies. [PL 2001, c. 138, §16 (NEW).]

SECTION HISTORY

§2952. Termination of coverage

Cancellation and nonrenewal of group policies and of coverage of group members under group policies are governed by this section. [PL 2001, c. 138, §16 (NEW).]

1. Involuntary termination. Involuntary termination of the group policy is governed by section 2908. Individual insureds do not have standing to contest cancellation or nonrenewal of the group policy unless they have the right to represent the group policyholder. [PL 2001, c. 138, §16 (NEW).]

2. Prior notice of involuntary termination of coverage. Except as otherwise provided in this section, individual insureds have the same rights to prior notice before involuntary termination of coverage and opportunity for hearing before the superintendent to contest the termination as would be available under the cancellation control laws applicable to comparable nongroup policies. [PL 2001, c. 138, §16 (NEW).]

3. Termination of group policy. Termination of the group policy, whether voluntary or involuntary, is a valid ground for termination of coverage for all group members, if adequate notice to group members has been given in accordance with subsection 2. [PL 2001, c. 138, §16 (NEW).]

4. Termination of group membership. Termination of group membership is a valid ground for termination of the member's coverage under a group policy, if the certificate of coverage so provides.
If the certificate of coverage gives adequate notice that coverage ceases immediately upon voluntary withdrawal from the group, no further advance notice is required as a condition precedent to the termination of coverage. [PL 2001, c. 138, §16 (NEW).]

5. **Continued coverage.** An insurer's obligation to issue or offer continued coverage to a group member under this chapter may be satisfied by the issuance or offer of a comparable nongroup policy. [PL 2001, c. 138, §16 (NEW).]

**SECTION HISTORY**

### §2953. Rulemaking

The superintendent may adopt rules, which are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A, establishing specific requirements and procedures for group property and casualty policies, certificates of coverage and rates, consistent with the purposes of this chapter. These rules may specify additional types of insurance that may be issued on a group basis and the types of groups that may be policyholders, if the superintendent determines that the issuance of multiple individual policies to group members in accordance with chapter 40 does not adequately address the needs of the market. [PL 2001, c. 138, §16 (NEW).]

hereinafter stated, which are hereby made a part of this policy, together with such other provisions,
stipulations and agreements as may be added hereto, as provided in this policy.

General Conditions and Stipulations

Concealment, fraud. This entire policy shall be void if, whether before or after a loss, the insured has
willfully concealed or misrepresented any material fact or circumstance concerning this insurance or
the subject thereof, or the interest of the insured therein, or in case of any fraud or false swearing by
the insured relating thereto.

this policy shall be by endorsement in writing hereon or added hereto.

Added provisions. The extent of the application of insurance under this policy and of the contribution
to be made by this Company in case of loss, and any other provision or agreement not inconsistent with
the provisions of this policy, may be provided for in writing added hereto, but no provision may be
waived except such as by the terms of this policy is subject to change.
Waiver provisions. No permission affecting this insurance shall exist, or waiver of any provision be valid, unless granted herein or expressed in writing added hereto. No provision, stipulation or forfeiture shall be held to be waived by any requirement or proceeding on the part of this Company relating to appraisal or to any examination provided for herein.

Cancellation of policy. This policy shall be cancelled at any time at the request of the insured, in which case this Company shall, upon demand and surrender of this policy, refund the excess of paid premium above the customary short rates for the expired time. This policy may be cancelled at any time by this Company by giving to the insured a ten days' written notice of cancellation with or without tender of the excess of paid premium above the pro rata premium for the expired time, which excess, if not tendered, shall be refunded on demand. Notice of cancellation shall state that said excess premium (if not tendered) will be refunded on demand.

Mortgagee interests and obligations. If loss hereunder is made payable, in whole or in part, to a designated mortgagee not named herein as the insured, such interest in this policy may be cancelled by giving to such mortgagee a ten days' written notice of cancellation.

If the insured fails to render proof of loss such mortgagee, upon notice, shall render proof of loss in the form herein specified within sixty (60) days thereafter and shall be subject to the provisions hereof relating to appraisal and time of payment and of bringing suit. If this Company shall claim that no liability existed as to the mortgagor or owner, it shall, to the extent of payment of loss to the mortgagee, be subrogated to all the mortgagee's rights of recovery, but without impairing mortgagee's right to sue; or it may pay off the mortgage debt and require an assignment thereof and of the mortgage. Other provisions relating to the interests and obligations of such mortgagee may be added hereto by agreement in writing.

Pro rata liability. This Company shall not be liable for a greater proportion of any loss than the amount hereby insured shall bear to the whole insurance covering the property against the peril involved, whether collectible or not.

Requirements in case loss occurs. The insured shall give immediate written notice to this Company of any loss, protect the property from further damage, forthwith separate the damaged and undamaged personal property, put it in the best possible order, furnish a complete inventory of the destroyed, damaged and undamaged property, showing in detail quantities, costs, actual cash value and amount of loss claimed; and within sixty days after the loss, unless such time is extended in writing by this Company, the insured shall render to this Company a proof of loss, signed and sworn to by the insured, stating the knowledge and belief of the insured as to the following: The time and origin of the loss, the interest of the insured and of all others in the property, the actual cash value of each item thereof and the amount of loss thereto, all encumbrances thereon, all other contracts of insurance, whether valid or not, covering any of said property, any changes in the title, use, occupation, location, possession or exposures of said property since the issuing of this policy, by whom and for what purpose any building herein described and the several parts thereof were occupied at the time of loss and whether or not it then stood on leased ground, and shall furnish a copy of all the descriptions and schedules in all policies and, if required, verified plans and specifications of any building, fixtures or machinery destroyed or damaged. The insured, as often as may be reasonably required, shall exhibit to any person designated by this Company all that remains of any property herein described, and submit to examinations under oath by any person named by this Company, and subscribe the same; and, as often as may be reasonably required, shall produce for examination all books of account, bills, invoices and other vouchers, or certified copies thereof if originals be lost, at such reasonable time and place as may be designated by this Company or its representative, and shall permit extracts and copies thereof to be made.

Appraisal. In case the insured and this Company shall fail to agree as to the actual cash value or the amount of loss, then, on the written demand of either, each shall select a competent and disinterested appraiser and notify the other of the appraiser selected within twenty days of such demand. The
appraisers shall first select a competent and disinterested umpire; and failing for fifteen days to agree upon such umpire, then, on request of the insured or this Company, such umpire shall be selected by a judge of a court of record in the state in which the property covered is located. The appraisers shall then appraise the loss, stating separately actual cash value and loss to each item; and, failing to agree, shall submit their differences, only, to the umpire. An award in writing, so itemized, of any two when filed with this Company shall determine the amount of actual cash value and loss. Each appraiser shall be paid by the party selecting that appraiser and the expenses of appraisal and umpire shall be paid by the parties equally.

Company's options. It shall be optional with this Company to take all, or any part, of the property at the agreed or appraised value, and also to repair, rebuild or replace the property destroyed or damaged with other of like kind and quality within a reasonable time, on giving notice of its intention so to do within thirty days after the receipt of the proof of loss herein required.

Abandonment. There can be no abandonment to this Company of any property.

When loss payable. The amount of loss for which this Company may be liable shall be payable sixty days after proof of loss, as herein provided, is received by this Company and ascertainment of the loss is made either by agreement between the insured and this Company expressed in writing or by the filing with this Company of an award as herein provided.

Suit. No suit or action on this policy for the recovery of any claim shall be sustainable in any court of law or equity unless all the requirements of this policy shall have been complied with, and unless commenced within two years next after inception of the loss.

Subrogation. This Company may require from the insured an assignment of all right of recovery against any party for loss to the extent that payment therefor is made by this Company.

[PL 1989, c. 316, §1 (AMD).]

2. The insurer may use an endorsement or rider attached to its printed policy forms used in other states in order, where necessary, to bring the terms of such form into compliance with the above provisions.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§3007. Cancellation and nonrenewal

1. As used in this section, unless the context indicates otherwise, the following terms have the following meanings.

A. "Cancellation" means termination of a policy at a date other than its expiration date. [PL 1985, c. 671, §2 (NEW).]

B. "Expiration date" means the date upon which coverage under a policy ends. It also means, for a policy written for a term longer than one year or with no fixed expiration date, each annual anniversary date of the policy. [PL 1985, c. 671, §2 (NEW).]
C. "Nonpayment of premium" means the failure or inability of the named insured to discharge any obligation in connection with the payment of premium on a policy of insurance subject to this section, whether the payments are payable directly to the insurer or its agent or indirectly payable under a premium finance plan or extension of credit. [PL 1985, c. 671, §2 (NEW).]

D. "Nonrenewal" means termination of a policy at its expiration date. [PL 1985, c. 671, §2 (NEW).]

E. "Renewal" or "to renew" means the issuance of, or the offer to issue by an insurer or an affiliate of an insurer, a policy succeeding a policy previously issued and delivered by the same insurer or an affiliated insurer or the issuance of a certificate or notice extending the terms of an existing policy for a specified period beyond its expiration date. For purposes of this section, the transfer of a policy from an insurer to an affiliate is considered a policy renewal. [PL 2005, c. 114, §3 (AMD).]

2. Except as provided by subsection 8, no contract of property insurance may be cancelled by an insurer prior to the expiration of the policy, except for one or more of the following grounds:

A. Nonpayment of premium; [PL 1985, c. 671, §2 (NEW).]

B. Fraud or material misrepresentation made by or with the knowledge of the named insured in obtaining the policy, continuing the policy or in presenting a claim under the policy; [PL 1985, c. 671, §2 (NEW).]

C. Substantial change in the risk which increases the risk of loss after insurance coverage has been issued or renewed, including, but not limited to, an increase in exposure due to regulation, legislation or court decision; [PL 1985, c. 671, §2 (NEW).]

D. Failure to comply with reasonable loss control recommendations; [PL 1985, c. 671, §2 (NEW).]

E. Substantial breach of contractual duties, conditions or warranties; or [PL 1985, c. 671, §2 (NEW).]

F. Determination by the superintendent that the continuation of a class or block of business to which the policy belongs will jeopardize a company's solvency or will place the insurer in violation of the insurance laws of this State or any other state. [PL 1985, c. 671, §2 (NEW).]

The grounds listed in paragraphs A to E shall be contained in all policies issued, issued for delivery or renewed on or after the effective date of this section. Insurers shall have 30 days from the effective date of this section to notify insureds of these grounds for cancellation on policies issued or issued for delivery before the effective date of this section. [PL 1985, c. 671, §2 (NEW).]

3. If a policy has been issued for a term longer than one year and, for additional premium consideration, a premium has been guaranteed, the insurer may not refuse to renew or increase the policy premium for the term of that policy. [PL 1985, c. 671, §2 (NEW).]

4. If an insurer offers or purports to renew a contract, but on less favorable terms to the insured or at higher rates, and a higher rating plan, the new terms or rates and rating plan may take effect on the renewal date if the insurer has provided the insured notice as required by this section. If the insurer has not so notified the contract holder, the contract holder may elect to cancel the renewal policy within the 30-day period after receipt of the notice or delivery. Earned premium for the period of coverage for such time as the renewal contract may have been in force shall be calculated pro rata at the lower of the current or previous year's rate. If the insured accepts the renewal, the premium increase, if any, and other changes shall be effective immediately following the prior policy's expiration or anniversary date.
This section does not apply if the change is a rate, form or plan filed with the superintendent and applicable to the entire class of business to which the policy belongs or to a premium increase based on the altered nature or extent of the risk insured against.

[PL 1985, c. 671, §2 (NEW).]

5. Cancellation or nonrenewal is not effective until notice is received by the insured as follows.

A. To the extent that section 3002 is applicable, the notice of cancellation shall be given as provided for in that section. If section 3002, is not applicable, cancellation shall not be effective prior to 10 days after receipt by the insured of a notice of cancellation. The notice shall state the effective date of and the reason or reasons for cancellation. [PL 1985, c. 671, §2 (NEW).]

B. Nonrenewal subject to this section is not effective prior to 30 days after receipt of written notice by the insured. Prior to the date of renewal of a policy that has been transferred by an insurer to an affiliate, the insured must receive notice of any changes to the terms of the policy that are less favorable to the insured. [PL 2009, c. 415, Pt. A, §13 (AMD).]

C. A post-office certificate of mailing to the named insured at his last known address shall be conclusive proof of receipt of notice on the 3rd calendar day after mailing. [PL 1985, c. 671, §2 (NEW).]

[PL 2009, c. 415, Pt. A, §13 (AMD).]

6. Any insured who has received a notice of an insurer's intent to cancel a policy may, within 45 days of the receipt of the notice, request a hearing before the superintendent. The purpose of this hearing shall be limited to establishing the existence of the proof or evidence given by the insurer in its notice of cancellation. The burden of proof of the reason for cancellation shall be upon the insurer. The superintendent shall have the authority to order that a policy remain in force both pending and, if the superintendent finds in favor of the insured, subsequent to a hearing. If the superintendent finds in favor of the insurer at a hearing, the superintendent may order the policy to remain in force for 14 days to allow the insured to obtain other coverage.

[PL 1989, c. 172, §6 (AMD).]

7. Except as provided in Title 10, chapter 209-B, no insurer or licensed agent or employee of the insurer may be held liable in any civil action for statements made in a notice of cancellation or nonrenewal or at a hearing held under this section if the statements were made in good faith and, in the case of cancellation, are reasonably related to the grounds for cancellation.

[PL 2013, c. 588, Pt. C, §14 (AMD).]

8. This section does not apply to any insurance policy that has not been previously renewed if the policy has been in effect less than 60 days at the time notice of cancellation is mailed or otherwise delivered, except as provided in subsection 1, paragraph A and subsection 5, paragraphs A and C. This section does not apply to any policy subject to subchapter 5. This section does not apply to any policy issued pursuant to any assigned risk plan. The superintendent may suspend, in whole or in part, the applicability of this section to any insurer if, in the superintendent's discretion, its application will endanger the ability of the insurer to fulfill its contractual obligation.

[PL 2007, c. 188, Pt. C, §8 (AMD).]

9. This section applies to all contracts of property insurance, except surplus lines contracts, delivered or issued for delivery in this State, both before and after the effective date of this section. Provisions in this section relating to nonrenewal of policies shall take effect 30 days after the effective date of this section.

During the pendency of such lien, an attachment of such property, in a civil action on the note in favor of the insurer, has priority of all other attachments or claims. Execution, when recovered, may be levied on it accordingly. [PL 1969, c. 132, §1 (NEW).]

If the mortgagor, by a writing by him signed and filed with the secretary, consents that the whole of the sum secured by the policy, or so much as is required to discharge the amount due on the mortgage at the time when a loss occurs, shall be applied to the payment of the mortgage, it shall be so paid by the insurer and the mortgagee's receipt therefor shall be a sufficient discharge of the insurer. No policy may be cancelled except by notice to the insured as provided in this subchapter. No notice of cancellation of a policy shall be effective unless it is based on one or more of the following reasons: [PL 1973, c. 239 (NEW).]

1. Nonpayment of premium, including nonpayment of any additional premiums, calculated in accordance with the current rating manual of the insurer, justified by a physical change in the insured property or a change in its occupancy or use. A notice of cancellation for nonpayment of premium is not effective unless deemed received under section 3050 after the premium due date; [PL 2007, c. 188, Pt. C, §9 (AMD).]

2. Conviction of the named insured of a crime having as one of its necessary elements an act increasing any hazard insured against; [PL 1973, c. 239 (NEW).]

3. Discovery of fraud or material misrepresentation by any one of the following:
   A. The insured or the insured's representative in obtaining the insurance; or [PL 2003, c. 671, Pt. A, §3 (AMD).]
   B. The named insured in pursuing a claim under the policy; [PL 1973, c. 239 (NEW).]

4. Discovery of either:
   A. Negligent acts or omissions by the insured substantially increasing any of the hazards insured against; or [PL 2003, c. 671, Pt. A, §4 (NEW).]
   B. A failure to disclose a material fact in relation to the application for insurance that would, if coverage is effectuated without knowledge by the insurer, substantially alter the terms of the policy; [PL 2003, c. 671, Pt. A, §4 (NEW).]
   4-A. Violation of terms or conditions of the policy; [PL 2015, c. 69, §1 (NEW).]

5. Physical changes in the insured property that result in the property becoming uninsurable; [PL 2003, c. 671, Pt. A, §5 (AMD).]

6. The insured property is vacant and custodial care is not maintained on the property; [PL 2003, c. 671, Pt. A, §6 (NEW).]

7. The presence of a trampoline on the premises if the insured is notified that the policy will be cancelled if the trampoline is not removed and the trampoline, after notice, remains on the property 30 or more days after the date of notice; [PL 2003, c. 671, Pt. A, §6 (NEW).]

8. The presence of a swimming pool upon the insured property that is not fenced in, in accordance with the standards established in Title 22, section 1631, if the pool remains in noncompliance with those standards for 30 days after notice by the insurer of the defective condition and intent to cancel the policy; [PL 2003, c. 671, Pt. A, §6 (NEW).]
9. A loss occasioned by a dog bite, unless, after notice of cancellation or nonrenewal is received, the insured removes the dog; or
[PL 2003, c. 671, Pt. A, §6 (NEW).]

10. Failure to comply with reasonable loss control recommendations within 90 days after notice from the insurer.
[PL 2003, c. 671, Pt. A, §6 (NEW).]

This section does not apply to any policy or coverage that has been in effect less than 90 days at the time notice of cancellation is received by the named insured, or 120 days in the case of residential property that is expected to be continuously unoccupied for 3 months in any 12-month period and that is other than the insured's primary residence, unless it is a renewal policy. An insured does not have the right to a hearing before the Superintendent of Insurance for the purpose of contesting cancellation of a new policy that has been in force less than 90 days or 120 days in the case of residential property other than the insured's primary residence that is expected to be continuously unoccupied for 3 months in any 12-month period. [PL 2003, c. 671, Pt. A, §7 (AMD).]

This section shall not apply to the nonrenewal of a policy. [PL 1977, c. 414, §1 (NEW).]

"Nonpayment of premium" means failure of the named insured to discharge when due any of his obligations in connection with the payment of premium on the policy, or any installment of a premium, whether the premium is payable directly to the insurer or its agent or indirectly under any premium finance plan or extension of credit. [PL 1979, c. 35 (NEW).]

SECTION HISTORY

§3050. Delivery of notice

A notice of cancellation of a policy is not effective unless received by the named insured at least 20 days prior to the effective date of cancellation, or, when the cancellation is for nonpayment of premium, at least 10 days prior to the effective date of cancellation. Like notice must also be given to any party named as mortgagee on the policy. A postal service certificate of mailing to the named insured at the insured's last known address is conclusive proof of receipt on the 5th calendar day after mailing. [PL 2007, c. 188, Pt. C, §10 (AMD).]

Except for a policy that has been in effect for less than 90 days at the time notice of cancellation is received by the named insured, the reason for cancellation must accompany the notice, together with a notice of the right to apply for a hearing before the superintendent within 30 days, as provided in section 3054. [PL 2007, c. 188, Pt. C, §10 (AMD).]

SECTION HISTORY

§3051. Notice of intent

An insurer may not fail to renew a policy except by notice to the insured as provided in this subchapter. A notice of intention not to renew is not effective unless received by the named insured at least 30 days prior to the expiration date of the policy. Like notice must also be given to any party named as mortgagee on the policy. A postal service certificate of mailing to the named insured at the insured's last known address is conclusive proof of receipt on the 3rd calendar day after mailing. The reason must accompany the notice of intent not to renew, together with notification of the right to apply
for a hearing before the superintendent within 30 days as provided. [PL 2007, c. 188, Pt. C, §11 (AMD).]

The reason or reasons for the intended nonrenewal action must accompany the notice of intent not to renew and the reason or reasons must be explicit. Explanations such as "underwriting reasons," "underwriting experience," "loss record," "location of risk," "credit report" and similar insurance terms are not by themselves acceptable explanations of an insurer's intended nonrenewal of a policy insuring property of the kind defined in section 3048. The reason for nonrenewal must be a good faith reason and related to the insurability of the property or a ground for cancellation pursuant to section 3049. [PL 2003, c. 671, Pt. A, §8 (AMD).]

This section does not apply: [PL 2003, c. 671, Pt. A, §8 (AMD).]

1. If the insurer has manifested its willingness to renew; [PL 2005, c. 114, §6 (AMD).]
2. If the insured fails to pay any premium due or any advance premium required by the insurer for renewal; or [PL 2005, c. 114, §7 (AMD).]
3. If the insurer has transferred a policy to an affiliate. [PL 2007, c. 188, Pt. C, §11 (AMD).]

Prior to the date of renewal of a policy that has been transferred by an insurer to an affiliate, the insured must receive notice of any changes to the terms of the policy that are less favorable to the insured. [PL 2007, c. 188, Pt. C, §11 (NEW).]

SECTION HISTORY

§3052. Duplicate coverage

If an insured obtains a replacement policy which provides equal or more extensive coverage for any property designated in both policies, the first insurer's coverage of such property may be terminated by failure to renew as of the effective time and date of the replacement policy, whether or not the first insurer complies with all provisions of section 3051. [PL 1973, c. 239 (NEW).]

SECTION HISTORY
PL 1973, c. 239 (NEW).

§3053. Renewal not a waiver or estoppel

Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of renewal. [PL 1973, c. 239 (NEW).]

SECTION HISTORY
PL 1973, c. 239 (NEW).

§3054. Hearing before Superintendent of Insurance

A named insured who has received a statement of reason for cancellation, or of reason for an insurer's intent not to renew a policy, may, within 30 days of the receipt of a statement of reason, request a hearing before the Superintendent of Insurance. The purpose of this hearing is limited to establishing the existence of the proof or evidence used by the insurer in its reason for cancellation or intent not to renew. The burden of proof of the reason for cancellation or intent not to renew is on the insurer. If an insurer's reason for nonrenewal is not based on a ground for cancellation permitted under section 3049, the insurer must provide proof or evidence that the reason for nonrenewal is a good faith reason and
related to the insurability of the property. A statement from the insurer that the risk does not meet the insurer's underwriting guidelines alone is not considered sufficient proof or evidence. The superintendent shall adopt rules for carrying out this section. The superintendent may order the policy to continue in effect both pending and, if the superintendent finds in favor of the insured, subsequent to a hearing. If the superintendent finds in favor of the insurer at a hearing, the superintendent may order the policy to remain in force for 14 days to allow the insured to obtain other coverage. [PL 2003, c. 671, Pt. A, §9 (AMD).]

SECTION HISTORY

§3055. Superintendent's authority to suspend

In the event of impairment or serious financial difficulty of an insurer or insurers, the superintendent shall have the authority to suspend the provisions of the Maine Property Insurance Cancellation Control Act from applying to the policies of the financially distressed insurer or insurers. [PL 1977, c. 414, §6 (NEW).]

SECTION HISTORY
PL 1977, c. 414, §6 (NEW).

§3055-A. Discontinuance of a line of business

If an insurer files a plan with the superintendent to discontinue business in a line of insurance subject to this subchapter, the superintendent may authorize the nonrenewal of policies in that line of business if the plan filed by the insurer demonstrates the availability of substantially similar coverage in the admitted market. The nonrenewal of a policyholder pursuant to this section may not be considered by an insurer in future coverage determinations. An insurer may resume transacting business in a line of insurance discontinued pursuant to this section upon written notification to the superintendent. [PL 2005, c. 49, §2 (AMD).]

SECTION HISTORY

§3056. Nonliability for certain statements

1. Notices. Except as provided in Title 10, chapter 209-B, no insurer or licensed agent or employee of the insurer may be held liable in any civil action for statements made in a notice of cancellation or intent not to renew under this chapter if:

   A. The statements were made in good faith; [PL 1979, c. 112, §2 (NEW).]
   B. The statements are reasonably related to the reason for cancellation or intent not to renew; and [PL 1979, c. 112, §2 (NEW).]
   C. In the case of a notice of cancellation, the reason for cancellation is a reason permitted under section 3049. [PL 1979, c. 112, §2 (NEW).]

   [PL 2013, c. 588, Pt. C, §15 (AMD).]

2. Hearings. Except as provided in Title 10, chapter 209-B, no person may be held liable in any civil action for statements made or information given at a hearing held under this chapter if:

   A. The statements were made or the information was given in good faith; [PL 1979, c. 112, §2 (NEW).]
   B. The statements or the information are reasonably related to the reason for cancellation or intent not to renew; and [PL 1979, c. 112, §2 (NEW).]
C. In the case of a hearing held on a notice of cancellation, the reason for cancellation is a reason permitted under section 3049. [PL 1979, c. 112, §2 (NEW).]

[PL 2013, c. 588, Pt. C, §15 (AMD).]

SECTION HISTORY

§3057. Actions related to age of dwelling prohibited

An insurance company authorized to transact business in this State may not cancel or refuse to issue or renew a property insurance policy subject to this subchapter solely on the basis of the age of the dwelling and without consideration of the current condition of the property. [PL 2003, c. 671, Pt. A, §10 (NEW).]

SECTION HISTORY
PL 2003, c. 671, §A10 (NEW).

§3058. Refusal based on previous owner's losses

An insurance company authorized to transact business in this State may not refuse to issue a property insurance policy subject to this subchapter for the sole reason that a previous owner of the property submitted claims for losses to the property. [PL 2003, c. 671, Pt. A, §10 (NEW).]

SECTION HISTORY
PL 2003, c. 671, §A10 (NEW).

§3059. Insurer valuation of property; increase in premium; notice

1. Increase in valuation. If an insurer determines that the stated insured value of a property covered by a policy subject to this subchapter should be increased to depict more accurately its current value and the increase in valuation will result in an increase in premium for the policy, then the increase in the stated insured value and the corresponding increase in premium may be implemented only at the time of renewal. [PL 2003, c. 671, Pt. A, §10 (NEW).]

2. Notice. If an insurer increases the stated insured value in accordance with subsection 1, then the insurer must provide notice to the named insured on the policy at least 30 days prior to the effective date of the renewal policy stating the reason for the increase in premium and the amount of premium increase associated with the increase in valuation. The notice also must state that upon written request by the named insured the insurer will disclose the specific reasons and specific property characteristics that contributed to the resulting increase in stated value. [PL 2003, c. 671, Pt. A, §10 (NEW).]

3. Exemptions. This section does not apply to routinely scheduled increases in valuation under the policy based on inflation or to increases in the stated insured value of a property agreed to by the insured. [PL 2003, c. 671, Pt. A, §10 (NEW).]

SECTION HISTORY
PL 2003, c. 671, §A10 (NEW).

§3060. Insurance coverage for family child care providers

1. Evidence of business liability insurance. An insurer may not refuse to issue or renew a policy covering the primary residence of a family child care provider certified under Title 22, section 8301-A, subsection 3 or cancel such policy within the first 90 days of coverage unless the denial of coverage or cancellation is based solely on underwriting factors other than the presence of a family child care business on the premises if the family child care provider has demonstrated satisfactory evidence that
the child care business is covered by separate insurance coverage for business liability, including medical payments coverage equivalent to coverage in the policy. For purposes of cancellation or nonrenewal under section 3049 or 3051, an insurer may not treat the presence of the family child care business activity as a factor related to the insurability of the primary residence of a family child care provider certified under Title 22, section 8301-A, subsection 3 if the family child care provider has demonstrated satisfactory evidence that the child care business is covered by separate insurance coverage for business liability in accordance with this subsection.

[PL 2009, c. 185, §1 (NEW).]

2. No liability under property insurance policy. An insurer has no duty to defend or indemnify a family child care provider certified under Title 22, section 8301-A, subsection 3 under a policy covering the primary residence of a family child care provider issued by the insurer if:

A. The loss or damage for which the family child care provider is liable or alleged to be liable arises in whole or in part from the family child care business activity; [PL 2009, c. 185, §1 (NEW).]

B. The policy issued by the insurer expressly excludes that loss or damage arising from the family child care business activity; [PL 2009, c. 185, §1 (NEW).]

C. The family child care provider has demonstrated satisfactory evidence of separate insurance coverage for child care business liability in accordance with subsection 1; and [PL 2009, c. 185, §1 (NEW).]

D. The insurer issuing the policy covering the primary residence has disclosed to the family child care provider that failure to maintain separate insurance coverage for child care business liability might result in cancellation or nonrenewal of the policy covering the primary residence and that the child care business activity is excluded under the policy. [PL 2009, c. 185, §1 (NEW).]

[PL 2009, c. 185, §1 (NEW).]

3. Effect of cancellation or nonrenewal of business liability policy. If a family child care provider has demonstrated satisfactory evidence of separate insurance coverage for child care business liability to the insurer as provided in subsection 2, paragraph C, the insurer issuing the policy covering the primary residence continues to have no duty to defend if the insurance policy for child care business liability is cancelled or nonrenewed during the term of the policy covering the primary residence. [PL 2009, c. 185, §1 (NEW).]

An insurer must attach a power of attorney to every bond it executes through an attorney-in-fact in this State; except that bonds executed by an officer of this insurer are exempt from this requirement. The power of attorney must identify the name and address of its attorney-in-fact who is authorized to
act for the insurer within this State together with the scope of authority of the attorney-in-fact. Any insurer which shall execute any bond as surety under section 3102 shall be estopped in any proceedings to enforce the liability which it shall have assumed to incur, to deny its corporate power or the authority of its attorney in fact within the scope of the power of attorney filed in accordance with this section, to execute such instrument or assume such liability or the authority of any licensed agent to countersign such instrument. §3202. Closing protection letters

1. Title insurer may issue closing or settlement protection. A title insurer may issue closing or settlement protection on a form of closing protection letter approved by the superintendent pursuant to section 2412. Only a buyer, borrower or lender that is a party to a transaction in which a title insurance policy will be issued by or on behalf of the title insurer issuing the closing or settlement protection is eligible to receive the benefit of closing or settlement protection. The closing or settlement protection issued pursuant to subsection 1 may indemnify a buyer, borrower or lender against loss because of one of the following acts of a policy-issuing title insurance agent or other settlement service provider under the terms and conditions of the closing protection letter as issued by the title insurer:

   A. Theft or misappropriation of settlement funds in connection with a transaction, but only to the extent that the theft relates to the status of the title to an insured interest in land or to the validity, enforceability and priority of the lien of the mortgage on an insured interest in land; and [PL 2013, c. 233, §1 (NEW).]

   B. Failure to comply with the written closing instructions when agreed to by the settlement agent or title agent, but only to the extent that the failure to comply with the instructions relates to the status of the title to an insured interest in land or the validity, enforceability and priority of the lien of the mortgage on an insured interest in land. 6. The approval of the Attorney General or superintendent, as provided for in this section, is considered to relate only to the form and contents of the articles, and does not constitute approval or commitment as to any other aspect or operation of the proposed insurer or relative to its entitlement, if any, to a certificate of authority. [PL 2013, c. 299, §3 (AMD).]

7. The superintendent and Attorney General shall perform all duties required of them under this section within a reasonable time after the articles of incorporation have been submitted to the superintendent as provided in subsection 1. [PL 2013, c. 299, §3 (AMD).]

The following provisions are respectively applicable to the foregoing schedule and provisions as indicated by like numerals appearing in such schedule.

1. No group insurance or term policies for terms of less than 10 years may be included.

2. No group, blanket or family plans of insurance may be included. In lieu of weekly indemnity, a like premium value in medical, surgical and hospital benefits may be provided. Any accidental death or dismemberment benefit provided shall not exceed $15,000.

3. Only insurance of the owner's interest in real property may be included.
(4) Such insurance must include coverage of legal liability for bodily injury and property
damage, to which the maximum and minimum insured amounts apply.

(5) The maximums provided for in column (F) are net of applicable reinsurance.

(6) The deposit of surplus in the amount specified in columns (G) and (H) must thereafter be
maintained unimpaired. The deposit is subject to chapter 15 (administration of deposits).

(7) Deposit surplus, when utilized, in lieu of the alternative procedure of accepting deposit
application funds shall be in those amounts enumerated for each identified kind of insurance.

Expendable surplus: In addition to surplus deposited and thereafter to be maintained as shown in
columns (G) or (H), the insurer when first authorized must have on hand surplus funds, which it can
thereafter expend in the conduct of its business, in amount not less than 50% of the applicable deposited
and maintained surplus required of it under the schedule set up in this subsection.

Notwithstanding the requirements for expendable surplus otherwise required by this section for newly
organized insurance companies seeking a certificate of authority in this State, any such insurer may
transact legal services insurance, to the extent provided for in chapter 38, without additional expendable
funds, if the corporation is otherwise qualified for a certificate of authority to transact the business of
health, life and health or multiple lines insurance, and possesses and thereafter maintains, in addition
to the amounts enumerated in the table in this subsection, an additional amount of unimpaired basic
surplus of not less than $500,000.

§3353. Qualifying applications for insurance; bond or deposit

1. Before soliciting any applications for insurance required under section 3352 as qualification for
the original certificate of authority, the incorporators of the proposed insurer shall file with the
superintendent a corporate surety bond in the penalty of $15,000, in favor of the State and for the use
and benefit of the State and of applicant members and creditors of the corporation. The bond must be
conditioned in the event the corporation fails to complete its organization and secure a certificate of
authority within one year after the date of its articles of incorporation:

A. For the prompt return to applicant members of all premiums collected in advance; [PL 1969,
c. 132, §1 (NEW).]

B. For payment of all indebtedness of the corporation; and [PL 1969, c. 132, §1 (NEW).]

C. For payment of costs incurred by the State in the event of any legal proceedings for liquidation
or dissolution of the corporation. [PL 2013, c. 299, §6 (AMD).]

[PL 2013, c. 299, §6 (AMD).]
2. In lieu of such bond, the incorporators may deposit with the commissioner $15,000 in cash or United States government bonds, negotiable and payable to the bearer, with a market value at all times of not less than $15,000 and to be held in trust upon the same conditions as required for the bond.
[PL 1969, c. 132, §1 (NEW).]

3. The superintendent shall release and discharge any such bond filed or deposit or remaining portion thereof held under this section upon settlement and termination of all liabilities against it.
[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3354. Qualifying applications for insurance; solicitation

1. Upon receipt of the superintendent's approval of the bond or deposit as provided in section 3353, the directors and officers of the proposed domestic mutual insurer may commence solicitation of such requisite applications for insurance policies as they may accept, and may receive deposits of premiums thereon.
[PL 1973, c. 585, §12 (AMD).]

2. All such applications shall be in writing signed by the applicant, covering subjects of insurance resident, located or to be performed in this State.
[PL 1969, c. 132, §1 (NEW).]

3. All applications must provide that:
   A. Issuance of the policy is contingent upon the insurer qualifying for and receiving a certificate of authority; [PL 1969, c. 132, §1 (NEW).]
   B. Insurance is not in effect until the certificate of authority has been issued; and [PL 2013, c. 299, §7 (AMD).]
   C. The prepaid premium or deposit, and membership or policy fee, if any, must be refunded in full to the applicant if organization is not completed and the certificate of authority is not issued and received by the insurer before a specified reasonable date, which date may not be later than one year after the date of the articles of incorporation. [PL 2013, c. 299, §7 (AMD).]
[PL 2013, c. 299, §7 (AMD).]

4. All qualifying premiums collected shall be in cash.
[PL 1969, c. 132, §1 (NEW).]

5. Solicitation for such qualifying applications for insurance must be by licensed producers of the corporation, and the superintendent shall, upon the corporation's application therefor, issue temporary producer's licenses expiring on the date specified pursuant to subsection 3, paragraph C to individuals qualified as for a resident producer's license except as to the taking or passing of an examination. The superintendent may suspend or revoke any such license for any of the causes and pursuant to the same procedures as are applicable to suspension or revocation of licenses of producers in general under chapter 16.
[PL 1997, c. 457, §44 (AMD); PL 1997, c. 457, §55 (AFF).]

SECTION HISTORY

§3355. Deposit of qualifying premiums; effective date of insurance

1. All sums collected by a domestic mutual corporation as premiums or fees on qualifying applications for insurance therein shall be deposited in trust in a bank or trust company in this State
under a written trust agreement consistent with this section and with section 3354, subsection 3, paragraph C. The corporation shall file an executed copy of such trust agreement with the superintendent.

[PL 1973, c. 585, §12 (AMD).]

2. Upon issuance to the corporation of a certificate of authority as an insurer for the kind or kinds of insurance for which such applications were solicited, all funds so held in trust shall become the funds of the insurer, and the insurer shall thereafter in due course issue and deliver its policies for which premiums had been paid and accepted. The insurance provided by such policies shall be effective as of the date of the certificate of authority or thereafter as provided by the respective policies.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3356. Failure to complete and qualify

If the proposed domestic mutual insurer fails to complete its organization and to secure its original certificate of authority within one year after the date its articles of incorporation were filed with the Secretary of State, its corporate powers cease, and the superintendent shall return or cause to be returned to the persons entitled to them all advance deposits or payments of premium held in trust under section 3355. [PL 2013, c. 299, §8 (AMD).]

SECTION HISTORY

§3357. Authority to transact additional kinds of insurance

After being authorized to transact one kind or combination of kinds of insurance as provided in section 3352, a mutual insurer may be authorized by the superintendent to transact such additional kinds of insurance as are permitted under section 409 (combinations of insuring powers), while otherwise in compliance with this Title and while maintaining unimpaired surplus and guaranty capital funds in an amount not less than the amount of paid-in capital stock required to be maintained by a like domestic stock insurer transacting the same kinds of insurance. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3358. Guaranty capital shares

1. A mutual insurer formed to transact or transacting any kind of insurance has the right to provide for guaranty capital shares in its articles of incorporation. Outstanding guaranty capital shares at the par value take the place of a like amount of basic surplus otherwise required for authority to transact insurance.

[PL 2013, c. 299, §9 (AMD).]

2. Shares of guaranty capital stock shall have a par value of $100 each, and shall be paid for in cash. Nothing in this Title shall be deemed to prohibit the sale of such shares at a price above such par value in order to provide the insurer with capital surplus.

[PL 1969, c. 132, §1 (NEW).]

3. Only one class of such guaranty capital shares shall be provided for, and each such share outstanding shall have equal voting, dividend, retirement and other rights with every other such share. Each such share shall have one vote on matters coming to a vote at meetings of the insurer's shareholders and members. Policyholders of the insurer shall have the same voting rights as would exist in the absence of such guaranty capital.

[PL 1969, c. 132, §1 (NEW).]
4. Noncumulative dividends, not exceeding in any one year 12% or lesser reasonable amount as determined by prevailing rates for loans of similar risk characteristics at the time the shares are issued, may be declared and paid by the insurer on outstanding guaranty capital shares out of that portion of the insurer's expendable surplus representing net realized earnings from its operations; and may be so paid even though the amount of the insurer's expendable surplus is then less in amount than any prior total of expendable contributed, borrowed or paid-in surplus. Such a dividend may be paid in cash or in guaranty capital shares, or part in each. An amount equal to the par value of shares so distributed as dividend shall be transferred from the insurer's earned surplus account to its guaranty capital shares account.

[PL 1981, c. 501, §44 (AMD).]

5. If the guaranty capital becomes impaired, the impairment shall be cured as provided in section 3423 (impairment of capital funds).

[PL 1969, c. 132, §1 (NEW).]

6. The insurer shall retire and cancel the guaranty capital shares, in part and in whole as soon as is reasonably possible, out of expendable surplus resulting from net realized earnings from its operations, or out of surplus created through issuance of agreements authorized by section 3415. The insurer shall retire and cancel the guaranty capital shares in their entirety when such retirement would, in the superintendent's opinion, leave the insurer with surplus as to policyholders reasonably adequate to enable it to continue to transact the kinds and volume of insurance business transacted.

[PL 1973, c. 585, §12 (AMD).]

7. In any liquidation of the insurer, outstanding guaranty capital shares shall have the same rights and priority as to the insurer's assets as are possessed by the stockholders of a like stock insurer.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3359. Bylaws

1. A domestic mutual insurer shall have bylaws for the government of its affairs. The insurer's initial board of directors shall adopt original bylaws, subject to the approval of the insurer's members at the next meeting of members.

[PL 1969, c. 132, §1 (NEW).]

2. The bylaws shall contain provisions, consistent with this Title, relating to:
   A. The voting rights of members; [PL 1969, c. 132, §1 (NEW).]
   B. Election of directors, and the number, qualifications, terms of office and powers of directors; [PL 1969, c. 132, §1 (NEW).]
   C. Annual and special meetings of members; [PL 1969, c. 132, §1 (NEW).]
   D. The number, designation, election, terms and powers and duties of the respective corporate officers; [PL 1969, c. 132, §1 (NEW).]
   E. Deposit, custody, disbursement and accounting for corporate funds; [PL 1969, c. 132, §1 (NEW).]
   F. Fidelity bonds covering such officers and employees of the insurer as handle its funds, to be issued by a corporate surety and to be in such amount as may be reasonable; and [PL 1969, c. 132, §1 (NEW).]
   G. Such other matters as may be customary, necessary or convenient for the management or regulation of corporate affairs. [PL 1969, c. 132, §1 (NEW).]
3. The insurer shall promptly file with the superintendent a copy, certified by the insurer's secretary, of its bylaws and of every modification thereof or addition thereto. The superintendent shall disapprove any bylaw provision deemed by him, after a hearing held thereon, to be unlawful, unreasonable, inadequate, unfair or detrimental to the proper interests or protection of the insurer's members or any class thereof. The insurer shall not, after receiving written notice of such disapproval and during the existence thereof, effectuate any bylaw provision so disapproved.

[PL 1973, c. 585, §12 (AMD).]

2. Any person, government or governmental agency, state or political subdivision thereof, public or private corporation, board, association, firm, estate, trustee or fiduciary may be a member of a domestic, foreign or alien mutual insurer. Any officer, stockholder, trustee or legal representative of any such corporation, board, association or estate may be recognized as acting for or on its behalf for the purpose of such membership, and shall not be personally liable upon any contract of insurance for acting in such representative capacity.

[PL 1969, c. 132, §1 (NEW).]

3. Any domestic corporation may participate as a member of a mutual insurer as an incidental purpose for which such corporation is organized, and as much granted as the rights and powers expressly conferred.

2. Each such insurer shall, during the first 6 months of each calendar year, hold the annual meeting of its members to fill vacancies existing or occurring in the board of directors, receive and consider reports of the insurer's officers as to its affairs and transact such other business as may properly be brought before it.

[PL 1969, c. 132, §1 (NEW).]

3. Written notice of the time and place of the annual meeting of members shall be given members not less than 30 days prior to the meeting. Notice may be given by imprinting the notice plainly on the policies issued by the insurer or in any other appropriate manner. Any change of the date or place of the annual meeting shall be made only by an annual meeting of members. Notice of such change, among other appropriate methods, may be given:

A. By imprinting such new date or place on all policies which will be in effect as of the date of such changed meeting; or [PL 1969, c. 132, §1 (NEW).]
B. Unless the superintendent otherwise orders, notice of the new date or place need be given only through policies issued after the date of the annual meeting at which such change was made and in premium notices and renewal certificates issued during the 24 months immediately following such meeting. [PL 1973, c. 585, §12 (AMD).]

4. If more than 6 months are allowed to elapse after an annual meeting of members is due to be held and without such annual meeting being held, the superintendent shall, upon written request of any officer, director or member of the insurer, cause written notice of such meeting to be given to the insurer's members, and the meeting shall be held as soon as reasonably possible thereafter. SECTION HISTORY

§3362. Special meetings of members

1. A special meeting of the members of a mutual insurer may be held for any lawful purpose. The meeting shall be called by the corporate secretary pursuant to request of the insurer's president or of its board of directors, or upon request in writing signed by not less than 1/10 of the insurer's members. The meeting shall be held at such time as the secretary may fix, but not less than 10 nor more than 30 days after receipt of the request. If the secretary fails to issue such call, the president, directors or members making the request may do so. [PL 1969, c. 132, §1 (NEW).]

2. Not less than 10 days' written notice of the meeting shall be given. Notice addressed to the insurer's members at their respective post-office addresses last of record with the insurer and deposited, postage prepaid, in a letter depository of the United States post office, shall be deemed to have been given when so mailed. In lieu of mailed notice, the insurer may publish the notice in such publication or publications as shall afford a majority of its members a reasonable opportunity to have actual advance notice of the meeting. The notice shall state the purposes of the meeting, and no business shall be transacted at the meeting of which notice was not so given. [RR 2015, c. 2, §15 (COR).]

SECTION HISTORY

§3363. Voting rights of members

1. Each member of a mutual insurer is entitled to one vote upon each matter coming to a vote at a meeting of members, or to such other vote as may be provided for on a reasonable basis in the insurer's bylaws with the superintendent's approval. [PL 1973, c. 585, §12 (AMD).]

2. A member shall have the right to vote in person or by his written proxy filed with the corporate secretary not less than 20 days prior to the meeting. No such proxy shall be made irrevocable, nor be valid beyond the earlier of the following dates:

   A. The date of expiration set forth in the proxy; or [PL 1969, c. 132, §1 (NEW).]
   B. The date of termination of membership; or [PL 1969, c. 132, §1 (NEW).]
   C. 5 years from the date of execution of the proxy. [PL 1969, c. 132, §1 (NEW).]

3. No member's vote upon any proposal to divest the insurer of its business or assets, or the major part thereof, shall be registered or taken, except in person or by proxy newly executed and specific as to the matter to be voted upon.
§3364. Contingent liability of members

1. Except as provided otherwise in section 3367 with respect to nonassessable policies, each member of a domestic mutual insurer has a contingent liability, pro rata and not one for another, for the discharge of its obligations, which contingent liability may not be greater than 6 times the annual premium for the member's policy at the annual premium rate, as is specified in the insurer's articles of incorporation or bylaws.

2. Every policy issued by the insurer shall contain a plain and legible statement of the contingent liability upon either the face or back thereof.

3. Termination of the policy of any such member shall not relieve the member of contingent liability for his proportion of the obligations of the insurer which accrued while the policy was in force.

4. Unrealized contingent liability of members does not constitute an asset of the insurer in any determination of its financial condition.

§3365. Levy of contingent liability

1. If at any time the assets of a domestic mutual insurer are less than its liabilities, exclusive of guaranty capital shares, if any, at par value, and the minimum amount of surplus required to be maintained by it under this Title for authority to transact the kinds of insurance being transacted, and the deficiency is not cured from other sources, its directors may, if the same is approved by the superintendent as being reasonable and in the best interests of the insurer and its members, levy an assessment only on its members who held the policies providing for contingent liability at any time within the 12 months next preceding the date the levy was authorized by the board of directors, and such members shall be liable to the insurer for the amount so assessed.

2. The levy of assessment shall be for such an amount as is required to cure such deficiency and to provide a reasonable amount of working funds above such minimum amount of surplus, but such working funds so provided shall not exceed 5% of the sum of the insurer's liabilities and such minimum required surplus as of the date of the levy.

3. As to the respective policies subject to the levy, the assessment shall be computed upon the basis of premium earned during the period covered by the levy.

4. No member shall have an offset or counterclaim against any assessment for which he is liable, on account of any claim for unearned premium or loss payable.

5. As to life insurance, any part of such an assessment upon a member which remains unpaid following notice of assessment, demand for payment, and lapse of a reasonable waiting period as specified in such notice, may, if approved by the superintendent as being in the best interests of the
insurer and its members, be secured by placing a lien upon the cash surrender values and accumulated dividends held or to be held by the insurer to the credit of the member's policy. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3366. Enforcement of contingent liability

1. The insurer shall notify each member of the amount of assessment to be paid, and the date -- not less than 20 days after mailing date -- by which payment is to be made, by written notice mailed to the member at his address last of record with the insurer. Failure of the member to receive the notice so mailed, within the time specified therein for the payment of the assessment or at all, shall be no defense in any action to collect the assessment. [PL 1969, c. 132, §1 (NEW).]

2. If a member fails to pay the assessment within the period specified in the notice, the insurer may institute suit to collect the same. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§3367. Nonassessable policies; limits of assessability; use of funds; combination operation

1. A domestic mutual insurer may extinguish the contingent liability to assessment of its members as to cash premium plan policies in force and may omit provisions imposing contingent liability in such policies currently issued while it has and maintains surplus, as determined by its financial statement filed with the superintendent as of the year end next preceding, of not less than $100,000 as to an insurer formed prior to January 1, 1968, and of not less than $200,000 as to an insurer formed after January 1, 1968. [PL 1973, c. 585, §12 (AMD).]

2. If the insurer after qualifying to issue such a nonassessable policy fails to maintain the applicable above requirement, it shall cease to issue nonassessable policies until it has again met and maintained the requirement for a period of one year. [PL 1969, c. 132, §1 (NEW).]

3. Any assessment levied under the contingent liability provisions of the policy shall be for the exclusive benefit of the holders of policies subject to contingent liability, and such policyholders shall not be liable to assessment in an amount greater in proportion to the total deficiency than the ratio that the deficiency attributable to the contingently liable business bears to the total deficiency. An assessment shall apply only to the holders of the type of policy or plan under which the deficiency occurred, and funds received from the assessment shall be for the exclusive benefit of such holders. [PL 1969, c. 132, §1 (NEW).]

4. Nothing in this chapter shall be deemed to prohibit a domestic mutual insurer formed prior to January 1, 1968 from at any one time transacting, in respective departments or divisions of its operations, insurance business on any two or all of the following bases:

A. Cash premium plan, without contingent liability to assessment, and issuance of nonassessable policies if qualified therefor as above provided in this section; [PL 1969, c. 132, §1 (NEW).]

B. Cash premium plan, with contingent liability to assessment; and [PL 1969, c. 132, §1 (NEW).]

C. Assessment plan. [PL 1969, c. 132, §1 (NEW).]

SUBCHAPTER 3

PROVISIONS APPLYING TO STOCK AND MUTUAL INSURERS

§3408. Home office, records, assets to be in State; exceptions

1. Every domestic insurer shall have and maintain its principal place of business and home office in this State, and shall keep therein accurate and complete accounts and records of its assets, transactions and affairs in accordance with the usual and accepted principles and practices of insurance accounting and record keeping as applicable to the kinds of insurance transacted by the insurer.

2. Every domestic insurer shall have and maintain its assets in this State, except as to:

   A. Real property and personal property appurtenant thereto lawfully owned by the insurer and located outside this State; [RR 2015, c. 1, §29 (COR).]

   B. Such property of the insurer as may be customary, necessary and convenient to enable and facilitate the operation of its branch offices located outside this State as referred to in subsection 4; and [PL 1981, c. 501, §46 (AMD).]

   C. United States public obligations and other corporate securities for which definitive certificates have not been issued, but are issued through the book-entry systems of federal reserve banks or depository trust companies. Insurers investing in securities in book-entry form shall make available at the time of examination the following:

      (1) A copy of the custodial or safekeeping agreement entered into by the insurer and the custodian, a state-chartered bank, a member bank of the federal reserve system or a depository trust company if the deposit was made directly to the entity, which sets forth the provisions for the use of the book-entry securities on behalf of the insurer by the custodian. The agreement shall provide for a standard of responsibility on the part of the custodian which shall be the responsibility of a bailee for hire under the law of the jurisdiction of the custodian's state of domicile. The agreement shall provide that the securities held by the custodian are subject to the instructions of the insurer and may be withdrawn immediately upon demand of the insurer; and

      (2) Affidavits evidencing ownership of the book-entry securities signed by a responsible official of the custodian and stating that the custodian is holding the securities for the insurer pursuant to the terms of the custodial agreement. These book-entry securities shall be treated as "admitted assets" of the insurer on production of the affidavit.

   The required custodial agreement and affidavit shall conform to such standards as may be prescribed from time to time by the Superintendent of Insurance. [PL 1981, c. 501, §47 (NEW).] [RR 2015, c. 1, §29 (COR).]

3. No person shall remove all or a material part of the records or assets of a domestic insurer from this State, except pursuant to a plan of merger, consolidation or bulk reinsurance approved by the superintendent under this Title, or for such reasonable purposes and periods of time as may be approved by the superintendent in writing in advance of such removal, or conceal such records or assets or such material part thereof from the superintendent. Any person who removes or attempts to remove such records of assets or such material part thereof from the home office or other place of business or of safekeeping of the insurer in this State with the intent to remove the same from this State, or who
conceals or attempts to conceal the same from the superintendent, in violation of this section, shall upon conviction thereof be guilty of a felony, punishable by a fine of not more than $10,000 or by imprisonment for not more than 5 years, or by both in the discretion of the court. Upon any removal or attempted removal of such records of assets, or upon retention of such records or assets or material part thereof outside this State, beyond the period therefor specified in the superintendent's consent under which the records were so removed thereat, or upon concealment of or attempt to conceal records or assets in violation of this section, the superintendent may institute delinquency proceedings against the insurer pursuant to chapter 57. [PL 1973, c. 585, §12 (AMD).]

4. This section shall not be deemed to prohibit or prevent an insurer from:

A. Establishing and maintaining regional home offices or branch offices in other states or countries where necessary or convenient to the transaction of its business, and keeping therein the detailed records and assets customary and necessary for the servicing of its insurance in force and affairs in the territory served by such an office, as long as such records and assets are made readily available at such office for examination by the superintendent at his request; [PL 1973, c. 585, §12 (AMD).]

B. Having, depositing or transmitting funds and assets of the insurer in or to jurisdictions outside of this State required by the law of such jurisdiction or as reasonably and customarily required or convenient in the regular course of its business. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3409. Vouchers for expenditures

1. No insurer shall make any disbursement of $50 or more, unless such disbursement is evidenced by a voucher or other document correctly describing the consideration for the payment and supported by a check or receipt endorsed or signed by or on behalf of the person receiving the money, or made through an electronic or wire funds transfer system supported by accurate records identifying the payor, payee, date of electronic or wire transfer payment, and the nature of the disbursement so made. [PL 1981, c. 501, §47-A (AMD).]

2. If the disbursement is for services and reimbursement, the voucher or other document, or some other writing referred to therein, shall describe the services and itemize the expenditures. [PL 1969, c. 132, §1 (NEW).]

3. If in a particular instance a required voucher cannot be obtained, the expenditure must be supported by an affidavit executed by an officer of the insurer stating the reasons for such inability and the particulars of such expenditure as otherwise required in this section. [PL 1981, c. 501, §47-A (AMD).]

SECTION HISTORY

§3410. Destruction of records

1. An insurer may destroy its obsolete records after expiration of such reasonable period after completion of the transactions to which they relate as the insurer may deem proper. The insurer may so destroy its closed files relating to losses and claims arising under its policies after the first to occur of the following events:
A. Completion of a regular examination of the insurer by the superintendent and to which the closed file was subject; or [PL 1973, c. 585, §12 (AMD).]

B. Expiration of 6 years after the file was duly closed. [PL 1969, c. 132, §1 (NEW).]

2. Records preserved on microfilm or other similar process and freely retrievable shall not be deemed to have been destroyed. [PL 1969, c. 132, §1 (NEW).]

3. This section shall not relieve the insurer of any responsibility or liability otherwise arising under law with respect to the existence and availability of any record. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3411. Directors

1. The affairs of every domestic insurer must be managed by a board of directors consisting of not less than 7 directors or more than 21 directors, except that a domestic insurer may be managed by an initial board of not less than 3 directors during its first year of existence if so provided for by its articles of incorporation. [PL 2013, c. 299, §11 (AMD).]

2. Directors, other than initial directors named in the insurer's articles of incorporation, must be elected by the members or stockholders of a domestic insurer at the annual meeting of stockholders or members. Directors may be elected for terms of not more than 3 years each and until their successors are elected and have qualified; and, if the directors are to be elected for terms of more than one year, the insurer's bylaws may provide for a staggered term system under which the terms of a proportionate part of the members of the board of directors expire on the date of each annual meeting of stockholders or members. A directorship becoming vacant before expiration of the term may be filled by the board of directors for the remainder of the term. [PL 2013, c. 299, §11 (AMD).]

SECTION HISTORY

§3412. Officers; notice of change

1. An insurer's board of directors shall elect one of their number as president, and shall elect a corporate secretary and such other officers as may be provided for in the bylaws or otherwise required by law. Any such officer shall serve for such term as may be fixed in the bylaws or by the board of directors, but shall be subject to removal as an officer by the board of directors at any time. [PL 1969, c. 132, §1 (NEW).]

2. Each officer shall have such powers and duties as may be prescribed by or pursuant to the insurer's charter or bylaws. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§3413. Prohibited pecuniary interest of officials and others; use of confidential information prohibited

1. Any officer or director, or any member of any committee or any employee of a domestic insurer, having the duty or power of investing or handling the insurer's funds, shall not deposit or invest such
funds except in the insurer's name; shall not borrow the funds of the insurer; or be pecuniarily interested in any loan, pledge, deposit, security, investment, sale, purchase, exchange, reinsurance or other similar transaction or property of the insurer except as a stockholder, member, employee or director, unless the transaction is authorized or approved by the insurer's board of directors, with knowledge and recording of such pecuniary interest, by affirmative vote of not less than 2/3 of the directors; and shall not take or receive to his own use any fee, brokerage, commission, gift or other similar consideration for or on account of any such transaction made by or on behalf of the insurer.

[PL 1969, c. 132, §1 (NEW).]

2. No director, officer or employee of a domestic insurer shall directly or indirectly use for his own private pecuniary advantage confidential information concerning the insurer or its past, existing or proposed affairs or transactions acquired by him in the course of his services as such director, officer or employee. The amount of any financial gain realized directly or indirectly by any such individual and accompanied by violation of this subsection shall belong to the insurer, and shall be recoverable by the insurer by civil suit. This subsection shall not apply as to transactions in shares of a stock insurer which are subject to section 16 of the Securities Exchange Act of 1934, as amended.

[PL 1969, c. 132, §1 (NEW).]

3. No insurer shall guarantee the financial obligation of any of its officers or directors.

[PL 1969, c. 132, §1 (NEW).]

4. This section shall not prohibit such a director, officer, member of a committee, or employee from becoming a policyholder of the insurer and enjoying the usual rights of a policyholder or from participating as beneficiary in any pension trust, deferred compensation plan, profit sharing plan, stock option plan or similar plan authorized by the insurer and to which he may be eligible; or prohibit any director or member of a committee from receiving a reasonable fee for lawful services actually rendered to the insurer.

[PL 1969, c. 132, §1 (NEW).]

5. The superintendent may, by regulation from time to time, define and permit additional exceptions to the prohibition contained in subsection 1 solely to enable payment of reasonable compensation to a director who is not otherwise an officer or employee of the insurer, or to a corporation or firm in which a director is interested, for necessary services performed or sales or purchases made to or for the insurer in the ordinary course of the insurer's business and in the usual private professional or business capacity of such director, corporation or firm.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3414. Management, commission, exclusive agency contracts

1. No domestic insurer shall hereafter make any contract whereby any person is granted or is to enjoy in fact the management of the insurer to the material exclusion of its board of directors or to have the controlling or preemptive right to produce substantially all insurance business for the insurer, or, if an officer, director or otherwise part of the insurer's management, is to receive any commission, bonus or compensation based upon the volume of the insurer's business or transactions, unless the contract is filed with and not disapproved by the superintendent. The contract shall become effective in accordance with its terms unless disapproved by the superintendent within 20 days after date of filing, subject to such reasonable extension of time as the superintendent may require by notice given within such 20 days. Any disapproval shall be delivered to the insurer in writing stating the grounds therefor.

[PL 1973, c. 585, §12 (AMD).]

2. Any such contract shall provide that any such manager, producer of its business or contract holder shall within 90 days after expiration of each calendar year furnish the insurer's board of directors
a written statement of amounts received under or on account of the contract and amounts expended thereunder during such calendar year, with specification of the emoluments received therefrom by the respective directors, officers and other principal management personnel of the manager or producer, and with such classification of items and further detail as the insurer's board of directors may reasonably require.

[PL 1969, c. 132, §1 (NEW).]

3. The superintendent shall disapprove any such contract if he finds that it:
   A. Subjects the insurer to excessive charges; or [PL 1969, c. 132, §1 (NEW).]
   B. Is to extend for an unreasonable length of time; or [PL 1969, c. 132, §1 (NEW).]
   C. Does not contain fair and adequate standards of performance; or [PL 1969, c. 132, §1 (NEW).]
   D. Contains other inequitable provision or provisions which impair the proper interests of stockholders or members of the insurer. [PL 1969, c. 132, §1 (NEW).]

[PL 1973, c. 585, §12 (AMD).]

4. The superintendent may, after a hearing held thereon, disapprove any such contract theretofore permitted to become effective, if he finds that the contract should be disapproved on any of the grounds referred to in subsection 3.

[PL 1973, c. 585, §12 (AMD).]

5. This section does not apply as to contracts entered into prior to January 1, 1970, or to amendment of such contracts other than extensions thereof.

[PL 1973, c. 625, §149 (AMD).]

6. This section shall not be deemed to prohibit receipt of commissions on insurance written personally by a director or officer who is duly licensed and regularly engaged in business as an insurance agent or broker; or to prohibit receipt of vested commissions by a director or officer based upon insurance business theretofore written by him.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3415. Borrowed capital funds

1. A domestic stock or mutual insurer may borrow money to defray the expenses of its organization, provide it with surplus funds or for any purpose of its business, upon a written agreement that such money is required to be repaid only out of the insurer's surplus in excess of that stipulated in the agreement. The agreement may provide for interest not exceeding, per annum, a rate of 5 percentage points in excess of the then current discount rate of the Federal Reserve Bank, Boston, which interest shall or shall not constitute a liability of the insurer as to its funds other than such excess of surplus as stipulated in the agreement. No commission or promotion expense may be paid in connection with any such loan, except that if sale is made of the loan securities through established securities brokers or by public offering, the insurer may pay the reasonable costs thereof approved by the superintendent.

[PL 1983, c. 709, §4 (RPR).]

2. Money so borrowed, together with the interest thereon if so stipulated in the agreement, shall not form a part of the insurer's legal liabilities except as to its surplus in excess of the amount thereof stipulated in the agreement, or be the basis of any set-off or counterclaim; but until repaid, financial statements filed or published by the insurer shall show as a footnote thereto the amount thereof then unpaid together with any interest thereon accrued but unpaid.

[PL 1969, c. 132, §1 (NEW).]
3. Any such loan shall be subject to the superintendent's approval. The insurer shall, in advance of the loan, file with the superintendent a statement of the purpose of the loan and a copy of the proposed loan agreement. The loan and agreement shall be deemed approved unless within 15 days after date of such filing the insurer is notified of the superintendent's disapproval and the reasons therefor. The superintendent shall disapprove any proposed loan or agreement if he finds the loan is unnecessary or excessive for the purpose intended, or that the terms of the loan agreement are not fair and equitable to the parties and to other similar lenders, if any, to the insurer, or that the information so filed by the insurer is inadequate.

[PL 1973, c. 585, §12 (AMD).]

4. Any such loan to an insurer or substantial portion thereof may be repaid by the insurer when no longer reasonably necessary for the purpose originally intended. No repayment of such a loan, whether heretofore or hereafter outstanding shall be made, other than as provided in the loan agreement, unless approved in advance by the superintendent.

[PL 1973, c. 585, §12 (AMD).]

5. This section shall not apply to other kinds of loans obtained by the insurer in ordinary course of business, or to loans secured by pledge or mortgage of assets.

[PL 1969, c. 132, §1 (NEW).]

6. Loans authorized under this section may be made by domestic insurers as well as by other persons; but such a loan shall not constitute an asset in any determination of the financial condition of the lending insurer.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3416. Dividends to stockholders

1. A domestic stock insurer shall not pay any cash dividend to stockholders except out of that part of its available and accumulated surplus funds which is derived from realized net operating profits on its business and net realized capital gains.

[PL 1969, c. 132, §1 (NEW).]

2. A cash dividend otherwise lawful may be payable out of the insurer’s earned surplus even though its total surplus is then less than the aggregate of its past contributed or paid-in surplus.

[PL 1969, c. 132, §1 (NEW).]

3. A stock dividend may be paid out of any available surplus funds, other than "surplus" resulting from borrowed capital funds such as provided for under section 3415.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§3417. Participating policies

1. If provided for in its articles of incorporation, certificate of organization or charter, a stock insurer or mutual insurer may issue any or all of its policies or contracts with or without participation in profits, savings, unabsorbed portions of premiums or surplus; may classify policies issued and perils insured on a participating and nonparticipating basis; and may determine the right to participate and the extent of participation of any class or classes of policies. Any such classification or determination must be reasonable, and may not unfairly discriminate as between policies so classified.

[PL 2013, c. 299, §12 (AMD).]
2. A life insurer may issue both participating and nonparticipating policies or contracts if the right or absence of right to participate is reasonably related to the premium charged.
[PL 1969, c. 132, §1 (NEW).]

3. After the first policy year, no dividend, otherwise earned under a life or health insurance policy or annuity contract, shall be made contingent upon the payment of renewal premium on any such policy or contract; except that a participating life or health insurance policy providing for participation at the end of the first or second policy year may provide that the dividend or dividends will be paid subject to payment of premium for the next ensuing year.
[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3418. Dividends to policyholders

1. The directors of a domestic mutual insurer may from time to time apportion and pay or credit to its members dividends only out of that part of its accumulated surplus funds which represents net realized savings, net realized earnings and net realized capital gains, all in excess of the surplus required by law to be maintained by the insurer.
[PL 1969, c. 132, §1 (NEW).]

2. A dividend otherwise proper may be payable out of such savings, earnings and gains even though the insurer's total surplus is then less than the aggregate of contributed surplus remaining unpaid by the insurer.
[PL 1969, c. 132, §1 (NEW).]

3. A domestic stock insurer may pay dividends to holders of its participating policies out of any available surplus funds.
[PL 1969, c. 132, §1 (NEW).]

4. No dividend shall be paid which is inequitable, or which unfairly discriminates as between classifications of policies or policies within the same classifications.
[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§3419. Pension and other plans for employees and others

1. Pursuant to the terms of a pension plan or plans or any modification thereof, heretofore or hereafter adopted by the insurer's board of directors and approved by the superintendent, any domestic stock or mutual insurer may pay the whole or any part of the cost of retirement or disability pensions for such of its officers, employees or full-time insurance agents as are specified in such plan or plans or modifications thereof. If so specified in the plan or plans, in lieu of such pensions actuarially equivalent benefits may be paid to such officers, employees or full-time agents or to their designated beneficiaries.
[PL 1973, c. 585, §12 (AMD).]

2. The superintendent shall approve any such plan unless he finds the same not to be within the reasonable financial resources of the insurer or not fair and equitable as between the respective classifications of participants therein.
[PL 1973, c. 585, §12 (AMD).]

3. Nothing contained in this section or in section 3420 shall be deemed to prohibit profit-sharing, stock option or similar plans for an insurer's officers, employees or agents.
[PL 1969, c. 132, §1 (NEW).]
SECTION HISTORY

§3420. Insurance benefits for employees and others

Pursuant to vote of its board of directors heretofore or hereafter made, any domestic stock or mutual insurer may provide for its officers, employees or full-time insurance agents a plan or plans of insurance, to be issued under group or individual policies. The insurer may pay the cost, in whole or in part, of such insurance; or, if duly authorized by its charter and bylaws, may itself provide such benefits directly as the insurer thereof, without requirement of placement through a licensed insurance agent, and in such case may adjust the premium rate for the insurance to reflect such savings in expense as the insurer may deem applicable. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§3421. Solicitation, insuring in other states

1. No domestic insurer shall knowingly solicit insurance business in any reciprocating state in which not then licensed as an authorized insurer. This subsection shall not prohibit advertising through publications and radio, television and other media originating outside such reciprocating state, if the insurer is licensed in the state in which the advertising originates and the advertising is not specifically directed to residents of such reciprocating state. This subsection shall not apply as to surplus lines insurance, or reinsurance, or prohibit insurance covering persons or risks located in a reciprocating state, under contracts solicited and issued in states in which the insurer is then licensed, or insurance otherwise effectuated in accordance with the laws of the reciprocating state. A "reciprocating" state, as used herein, is one under the laws of which a similar prohibition is imposed upon and enforced against insurers domiciled in that state. [PL 1969, c. 132, §1 (NEW).]

2. A domestic insurer duly authorized to transact insurance in another jurisdiction may frame and issue policies for delivery in such jurisdiction pursuant to applications for insurance solicited and obtained therein, in accordance with the laws thereof, subject only to such restrictions, if any, as may be contained in the insurer's articles of incorporation or bylaws; and subject, in the case of health insurers, to the provisions of section 2733 (policies issued for delivery in another state). [PL 2013, c. 299, §13 (AMD).]

SECTION HISTORY

§3422. Purchase of own shares by stock insurer

A domestic stock insurer shall have the right to purchase or acquire shares of its own stock only as follows: [PL 1969, c. 132, §1 (NEW).]

1. For elimination of fractional shares. [PL 1969, c. 132, §1 (NEW).]

2. Incidental to the enforcement of rights of the insurer with respect to lawful transactions previously entered into in good faith for purposes other than the acquisition of such shares. [PL 1969, c. 132, §1 (NEW).]

3. For the purposes of a general savings and investment plan for employees or agents of the insurer. [PL 1969, c. 132, §1 (NEW).]

4. For mutualization of the insurer, as provided in section 3472. [PL 1969, c. 132, §1 (NEW).]
5. For retirement or otherwise of the shares under a plan submitted to and approved in writing by the superintendent. The superintendent shall not approve a plan unless found by him to be reasonable, fair and equitable as to remaining stockholders of the insurer, and not materially adverse to the protection of the insurer's policyholders.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3423. Impairment of capital funds

1. If a domestic stock insurer's paid-in capital stock, as represented by the aggregate par value of its outstanding capital stock, becomes impaired, or the assets of a domestic mutual insurer are less than its liabilities and the minimum amount of basic surplus required to be maintained by it under this Title for authority to transact the kinds of insurance being transacted, the superintendent shall at once determine the amount of deficiency and serve notice upon the insurer to cure the deficiency and file proof thereof with him within the period specified in the notice, which period shall be not less than 30 nor more than 90 days from the date of the notice. Such notice may be so served by delivery to the insurer, or by mailing to the insurer addressed to its registered office in this State.

[PL 1973, c. 585, §12 (AMD).]

2. The deficiency may be made good in cash or in assets eligible under chapter 13 (investments) for the investment of the insurer's funds or by amendment of the insurer's certificate of authority to cover only such kind or kinds of insurance thereafter for which the insurer has sufficient paid-in capital stock, if a stock insurer, or surplus, if a mutual insurer, under this Title; or, if a stock insurer, by reduction of the number of shares of the insurer's authorized capital stock or the par value of the capital stock through amendment of its certificate of organization or articles of incorporation, to an amount of authorized and unimpaired paid-in capital stock not below the minimum required for the kinds of insurance thereafter to be transacted.

[PL 2013, c. 299, §14 (AMD).]

3. If the deficiency is not made good and proof thereof filed with the superintendent within the period required by the notice as specified in subsection 1, the insurer shall be deemed insolvent and the superintendent shall institute delinquency proceedings against it under chapter 57.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3424. Restrictions during impairment; penalty

1. During the existence of impairment of the capital stock or surplus of an insurer, as referred to in section 3423, the superintendent shall require such restriction of, or arrangements as to, operations of the insurer while the impairment exists as he deems advisable for protection of policyholders, the insurer or the public.

[PL 1973, c. 585, §12 (AMD).]

2. Any officer, director, representative or employee of the insurer who knowingly violates or fails to comply with any such restriction or requirement shall upon conviction thereof be subject to fine of not less than $500 or more than $5,000, or imprisonment for less than one year or to both such fine and imprisonment.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

SUBCHAPTER 4

CONVERSION, AMALGAMATION, DISSOLUTION

§3471. Scope of subchapter

This subchapter applies as to domestic stock and mutual insurers whether heretofore or hereafter formed, including insurers chartered under special legislative Acts, notwithstanding any inconsistent provisions in the charters of the insurers. [PL 1985, c. 399, §2 (RPR).]

SECTION HISTORY

§3472. Mutualization of stock insurer

1. A stock insurer other than a title insurer may become a mutual insurer, or a combination stock and mutual insurer, under such plan and procedure as may be approved by the superintendent after a hearing thereon. [PL 1973, c. 585, §12 (AMD).]

2. The superintendent shall not approve any such plan, procedure or mutualization unless:
   A. It is equitable to stockholders and policyholders; [PL 1969, c. 132, §1 (NEW).]
   B. It is subject to approval by the holders of not less than 2/3 of the insurer's outstanding capital stock having voting rights, and by not less than 2/3 of the insurer's policyholders who vote on such plan in person, by proxy or by mail pursuant to such notice and procedure as may be approved by the superintendent; [PL 1973, c. 585, §12 (AMD).]
   C. If a life insurer, the right to vote thereon is limited to holders of policies other than term or group policies, and whose policies have been in force for more than one year; [PL 1969, c. 132, §1 (NEW).]
   D. Mutualization will result in retirement of shares of the insurer's capital stock at a price not in excess of the fair market value thereof as determined by competent disinterested appraisers; [PL 1969, c. 132, §1 (NEW).]
   E. The plan provides for the purchase of the shares of any nonconsenting stockholder in the same manner and subject to the same applicable conditions as provided by the general corporation law of the State as to rights of nonconsenting stockholders, with respect to consolidation or merger of private corporations; [PL 1969, c. 132, §1 (NEW).]
   F. The plan provides for definite conditions to be fulfilled by a designated early date upon which such mutualization will be deemed effective; and [PL 1969, c. 132, §1 (NEW).]
   G. The mutualization leaves the insurer with surplus funds reasonably adequate for the security of its policyholders and to enable it to continue successfully in business in the states in which it is then authorized to transact insurance, and for the kinds of insurance included in its certificates of authority in such states. [PL 1969, c. 132, §1 (NEW).]

3. Any such combination stock and mutual insurer referred to in subsection 1 above must have and maintain separate paid-in capital stock and basic surplus in respective amounts as would be required under this Title of separate domestic stock and mutual insurers transacting the same kind or kinds of insurance. [PL 1969, c. 132, §1 (NEW).]
4. No director, officer, agent or employee of the insurer, or any other person, shall receive any fee, commission or other valuable consideration whatsoever, other than their customary salaries or other regular compensation, for in any manner aiding, promoting or assisting in the mutualization, except as set forth in the plan of mutualization as approved by the superintendent. [PL 1973, c. 585, §12 (AMD).]

5. This section shall not apply to mutualization under order of court pursuant to rehabilitation or reorganization of an insurer under chapter 57. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3473. Conversion of stock insurer to ordinary business corporation

1. A domestic stock insurer may convert to a Maine ordinary business corporation through the following procedures:

A. The insurer must give the superintendent written notice of its intent to convert to an ordinary business corporation; [PL 1973, c. 585, §12 (AMD).]

B. The insurer must bulk reinsure all of its insurance, if any, in force, with another authorized insurer under a bulk reinsurance agreement approved by the superintendent as provided in section 3483. The agreement of bulk reinsurance may be made contingent upon approval of stockholders as provided in paragraph D; [PL 1973, c. 585, §12 (AMD).]

C. The insurer must set aside funds in a special reserve in such amount and subject to such administration as may be found by the superintendent to be reasonable and adequate for the purpose, for payment of all obligations, if any, of the insurer incurred by it and remaining unpaid under its insurance contracts prior to the effective date of such bulk reinsurance, or make other reasonable disposition satisfactory to the superintendent for such payment; [PL 1973, c. 585, §12 (AMD).]

D. The proposed conversion must be approved by affirmative vote of not less than 2/3 of each class of outstanding securities of the insurer having voting rights, at a special meeting of holders of such securities called for the purpose; and at such meeting and by a like vote the certificate of organization or articles of incorporation of the corporation must be amended to remove from the certificate of organization or articles of incorporation the power to transact an insurance business as an insurer, to provide for such new powers and purposes authorized by the general corporation laws of this State as may be consistent with the purposes for which the corporation is thereafter to exist, and to make such further alterations in the certificate of organization or articles of incorporation as may be required under such general corporation laws of an ordinary business corporation; [PL 2013, c. 299, §15 (AMD).]

E. Security holders of the corporation who dissent from such proposed conversion shall have the same applicable rights as exist under such general corporation laws with respect to dissent from a proposed merger of the corporation; and [PL 1969, c. 132, §1 (NEW).]

F. Upon compliance with paragraphs A to D, and upon filing of the amendment of the certificate of organization or articles of incorporation with the superintendent and otherwise as required by laws applicable to ordinary business corporations, the conversion becomes effective. [PL 2013, c. 299, §16 (AMD).]

[PL 2013, c. 299, §§15, 16 (AMD).]

2. An insurer which has once converted to an ordinary business corporation shall not have power thereafter to convert to an insurer; and no ordinary business corporation shall have power to convert to an insurer.
§3474. Merger, consolidation of stock insurers

1. Subject to the provisions of this section, a domestic stock insurer, whether or not authorized to transact insurance in this State, may merge or consolidate with one or more domestic or foreign stock corporations by complying with the applicable provisions of the laws of this State governing the merger or consolidation of stock corporations formed for profit.

A. A corporation merging or consolidating with a domestic stock insurer must be incorporated as an insurer in the manner provided by its state of incorporation, but the corporation need not be authorized or licensed to transact insurance by any state prior to the merger or consolidation. [PL 1989, c. 611, §2 (NEW); PL 1989, c. 611, §4 (AFF).]

B. A foreign or alien insurer may merge or consolidate pursuant to this section with a domestic insurer only if, at the time of the merger or consolidation:

   (1) The domestic insurer is authorized to transact insurance in this State; or

   (2) The foreign or alien insurer meets all requirements applicable to a domestic insurer set forth in this Title for initial authorization to transact in this State the kinds of insurance, as defined in chapter 9, then transacted by that insurer in any jurisdiction. [PL 1989, c. 611, §2 (NEW); PL 1989, c. 611, §4 (AFF).]

C. A domestic insurer may not participate in a merger or consolidation that will result in the surviving or new corporation being domiciled in a jurisdiction other than this State unless the surviving or new insurer in the merger or consolidation obtains a certificate of authority in the jurisdiction in which it will be domiciled and in this State to transact the kinds of insurance for which any participating insurers were authorized at the time of the merger or consolidation and agrees to maintain that certificate of authority in this State until and unless the superintendent approves a plan of withdrawal filed pursuant to section 415-A. [RR 1991, c. 2, §92 (COR).]

D. The following provisions apply to the authority of the surviving or new corporation to transact insurance in this State following the merger or consolidation.

   (1) If the surviving or new corporation is a domestic insurer and no participating corporation in the merger or consolidation was authorized or licensed to transact insurance in this State, the surviving or new domestic insurer shall meet all applicable requirements of this Title for initial authorization to transact all kinds of insurance, as defined in chapter 9, formerly transacted by any participating insurer or insurers in any jurisdiction.

   (2) If the surviving or new corporation is a domestic insurer and seeks authority to transact kinds of insurance other than those for which the domestic insurer or insurers participating in the merger or consolidation were authorized at the time of the merger or consolidation, that corporation must meet the requirements set forth in this Title for initial authorization to transact those kinds of insurance.

   (3) If the surviving or new corporation is a foreign or alien insurer that seeks to transact insurance in this State, that corporation shall meet all applicable requirements of this Title for initial authorization to transact all kinds of insurance, as defined in chapter 9, formerly transacted by any participating insurer or insurers as well as for any additional kinds of insurance for which authority is sought. [PL 1989, c. 611, §2 (NEW); PL 1989, c. 611, §4 (AFF).]

[RR 1991, c. 2, §92 (COR).]
2. No such merger or consolidation shall be effectuated unless in advance thereof the plan and agreement therefor have been filed with the superintendent and approved in writing by the superintendent after a hearing thereon after notice to the stockholders of each insurer involved. The superintendent shall give such approval within a reasonable time after such filing unless the superintendent finds that the plan or agreement:

A. Is contrary to law; [PL 1989, c. 611, §3 (AMD); PL 1989, c. 611, §4 (AFF).]

B. Is unfair or inequitable to the policyholders of any insurer involved; [PL 1989, c. 611, §3 (AMD); PL 1989, c. 611, §4 (AFF).]

C. Would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer in this State or elsewhere; [PL 1989, c. 611, §3 (AMD); PL 1989, c. 611, §4 (AFF).]

D. Would materially tend to lessen competition in the insurance business in this State or elsewhere as to the kinds of insurance involved, or would materially tend to create a monopoly as to such business; or [PL 1969, c. 132, §1 (NEW).]

E. Is subject to other material and reasonable objections. [PL 1969, c. 132, §1 (NEW).]

In making any determination required by paragraph C, the superintendent may consider, among other factors, whether the surplus of the surviving or new corporation satisfies the requirements of section 410. [PL 1989, c. 611, §3 (AMD); PL 1989, c. 611, §4 (AFF).]

3. No director, officer, agent or employee of any insurer party to the merger or consolidation shall receive any fee, commission, compensation or other valuable consideration whatsoever for in any manner aiding, promoting or assisting therein except as set forth in the plan or agreement. [PL 1969, c. 132, §1 (NEW).]

4. If the superintendent does not approve the plan or agreement, he shall so notify the insurer in writing specifying his reasons therefor. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3475. Exchange of securities between insurers

1. Upon application of any domestic insurer, the superintendent is authorized to approve the fairness of the terms and conditions of the issuance by the insurer of any shares of its capital stock or of guaranty capital or bonds or its other securities or obligations in exchange for one or more bona fide outstanding securities, claims or property interest of any other insurer or corporation, domestic or foreign, or partly in such exchange and partly for cash; but only after a hearing has been held by the superintendent upon the fairness of such terms and conditions at which all persons to whom it is proposed to issue securities in such exchange shall have the right to appear and be heard. [PL 1973, c. 585, §12 (AMD).]

2. Notice of such hearing and conduct thereof shall be as provided in chapter 3 (the insurance superintendent). [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3476. Acquisition of controlling stock
1. Any person proposing to acquire the controlling capital stock or guaranty capital shares of any domestic stock insurer and thereby to change the control of the insurer, other than through merger or consolidation or affiliation as provided for in this chapter, shall first apply to the superintendent in writing for approval of such proposed change of control. The application shall state the names and addresses of the proposed new owners of the controlling stock or shares and contain such additional information as the superintendent may reasonably require.  
[PL 1973, c. 585, §12 (AMD).]

2. The superintendent shall not approve the proposed change of control if he finds:
   A. That the proposed new owners are not qualified by character, experience and financial responsibility to control and operate the insurer, or cause the insurer to be operated, in a lawful and proper manner; or  [PL 1969, c. 132, §1 (NEW).]
   B. That as a result of the proposed change of control the insurer may not be qualified for a certificate of authority under section 407 (ownership, management); or  [PL 1969, c. 132, §1 (NEW).]
   C. That the interests of the insurer or other stockholders of the insurer or policyholder would be impaired through the proposed change of control; or  [PL 1969, c. 132, §1 (NEW).]
   D. That the proposed change of control would tend materially to lessen competition, or to create any monopoly, in a business of insurance in this State or elsewhere.  [PL 1969, c. 132, §1 (NEW).]
[PL 1973, c. 585, §12 (AMD).]

3. If the superintendent does not by affirmative action approve or disapprove the proposed change of control within 30 days after the date such application was so filed with the superintendent, the proposed change may be made without such approval.  Except that if the superintendent gives notice to the parties of a hearing to be held by the superintendent with respect to the proposed change of control, and the hearing is held within such 30 days or on a date mutually acceptable to the superintendent and the parties, the superintendent shall have 30 days after the conclusion of the hearing within which to so approve or disapprove the proposed change; and if not so approved or disapproved, the change may thereafter be made without the superintendent's approval.  
[PL 1989, c. 269, §15 (AMD).]

4. If the superintendent disapproves the proposed change he shall give written notice thereof to the parties, setting forth in detail the reasons for disapproval.  
[PL 1973, c. 585, §12 (AMD).]

5. The superintendent shall file a complaint with the District Court seeking to suspend or revoke the certificate of authority held by any insurer, the control of which has been changed in violation of this section.  

SECTION HISTORY

§3477. Conversion of mutual to stock insurer

1. A mutual insurer may amend its charter pursuant to this section to become a stock insurer, or a combination stock and mutual insurer, under such reasonable plan and procedure as may be approved by the superintendent after a hearing thereon of which notice was given to the insurer, its directors or trustees, its officers, employees and its policyholders, all of whom shall have the right to appear and be heard at the hearing.  
[PL 1985, c. 399, §3 (AMD).]
2. The superintendent shall not approve any such plan or procedure unless:

A. Its terms and conditions are fair and equitable; [PL 1969, c. 132, §1 (NEW).]

B. It is subject to approval by vote of not less than 2/3 of the insurer's policyholders voting thereon in person, by proxy, or by mail at a meeting of policyholders called for the purpose pursuant to such reasonable notice and procedure as may be approved by the superintendent and each such policyholder shall be entitled to one vote, provided that only persons who were policyholders both at least one year prior to the submission of the insurer's plan to the superintendent and on a subsequent date, found reasonable by the superintendent, prior to the vote shall be entitled to vote; provided that as to life insurers chartered by special Act prior to January 1, 1970, the persons entitled to vote shall be further limited to owners of life insurance policies and contracts, and those persons shall be entitled to one vote and to an additional vote for each $1,000 of insurance above 1,000, except that in the case of any policy or contract of group life insurance or any group annuity contract providing life insurance, the employer or other person, firm, corporation or association, to whom or in whose name the master policy or contract shall have been issued or held, shall be deemed to be the owner within the meaning of this paragraph and shall be entitled to one vote for each such policy or contract of group life insurance or each such group annuity contract irrespective of the number of lives insured under that policy or contract; [PL 1985, c. 399, §4 (RPR).]

C. The equity of each member in the insurer is determinable under a fair and reasonable formula approved by the superintendent, which such equity shall be based upon the insurer's entire surplus as shown by the insurer's financial statement filed with the superintendent, including all voluntary reserves but excluding contingently repayable funds and outstanding guaranty capital shares at the redemption value thereof, and without taking into account the value of nonadmitted assets or of insurance business in force; [PL 1973, c. 585, §12 (AMD).]

D. The plan gives to each member of the insurer as specified in paragraph E, a preemptive right to acquire his proportionate part of all of the proposed capital stock of the insurer, or all of the stock of a proposed parent corporation of the insurer, within a designated reasonable period, as such part is determinable under the plan of conversion, and to apply upon the purchase thereof the amount of his equity in the insurer as determined under paragraph C, except that the plan may provide, subject to the approval of the superintendent, that such preemptive right will not apply to members who reside in jurisdictions in which the issuance of stock is impossible, would involve unreasonable delay or would require the insurer to bear unreasonable costs, provided that any such member shall receive 100% of his equity share in the insurer in the form of a cash payment; [PL 1985, c. 399, §5 (AMD).]

E. The members entitled to participate in the purchase of stock or distribution of assets shall include not less than all policyholders of the insurer as of the date the plan was submitted to the superintendent and each existing person who had been a policyholder of the insurer within 3 years prior to such date; [PL 1985, c. 399, §6 (AMD).]

F. Shares are to be offered to members at a price not greater than to be thereafter offered under the plan to others; [PL 1969, c. 132, §1 (NEW).]

G. The plan provides for payment to each member of his entire equity share in the insurer, with that payment to be made in cash or to be applied for or upon the purchase of stock to which the member is preemptively entitled, or both, provided that with respect to each member who is not given the option of receiving his entire equity share in cash, the plan shall provide that member shall have the option to receive a reasonable portion of his equity share, as provided in the plan, but not in excess of 50% of his entire equity, in the form of a cash payment, which payment together with the amount applied to the purchase of stock shall constitute full payment and discharge of the member's equity or property interest in that mutual insurer; provided further that the superintendent may permit an insurer to forego the option of making a cash payment to members if he determines
that it would be reasonable not to provide for the cash election, after taking into account all the facts and circumstances, including whether there is expected to be an active market for the stock to be received in the conversion; [PL 1985, c. 399, §§7 (RPR).]

H. The plan, when completed, would provide for the converted insurer paid-in capital stock in an amount not less than the minimum paid-in capital stock required of a new domestic stock insurer upon initial authorization to transact like kinds of insurance, together with expendable surplus funds in amount not less than 1/2 of such required capital stock; and [PL 1969, c. 132, §1 (NEW).]

I. The superintendent finds that the insurer's management has not, through reduction in volume of new business written, or cancellation or through any other means sought to reduce, limit, or affect the number or identity of the insurer's members to be entitled to participate in such plan, or to secure for the individuals comprising management any unfair advantage through such plan. [PL 1973, c. 585, §12 (AMD).]

3. Any such combination stock and mutual insurer referred to in subsection 1 must have and maintain separate paid-in capital stock and basic surplus in respective amounts as would be required under this Title of separate domestic stock and mutual insurers transacting the same kind or kinds of insurance.

[PL 1969, c. 132, §1 (NEW).]

4. Subsection 2 shall not be deemed to prohibit the inclusion in the conversion plan of provisions under which the individuals comprising the insurer's management and employee group shall be entitled to purchase for cash at the same price as offered to the insurer's members, shares of stock not taken by members on the preemptive offering to members, in accordance with such reasonable classification of such individuals as may be included in the plan and approved by the superintendent.

[PL 1973, c. 585, §12 (AMD).]

5. No director, officer, agent or employee of the insurer, or any other person, shall receive any fee, commission or other valuable consideration whatsoever, other than their usual regular salaries and compensation, for in any manner aiding, promoting or assisting in such conversion except as set forth in the plan approved by the superintendent. This provision shall not be deemed to prohibit the payment of reasonable fees and compensation to attorneys at law, accountants and actuaries for services performed in the independent practice of their professions, even though also directors of the insurer.

[PL 1973, c. 585, §12 (AMD).]

6. Costs. For the purpose of determining whether a conversion plan meets the requirements of this section and any other relevant provisions of this Title, the superintendent may employ staff personnel and outside consultants. All reasonable costs related to the review of a plan of conversion, including those costs attributable to the use of staff personnel, shall be borne by the insurer or insurers making the filing.

[PL 1985, c. 399, §8 (NEW).]

SECTION HISTORY

1. Any one or more mutual insurers existing under any of the laws of this State, may absorb by merger or consolidation, or be merged into or consolidate with, any one or more domestic or foreign mutual insurers either authorized to transact insurance in this State or qualified for such authority. The procedure for effectuation of such merger or consolidation shall be as set forth in sections 3479 to 3482. [PL 1969, c. 132, §1 (NEW).]
2. Nothing in this section shall authorize the merger or consolidation of a mutual insurer with a stock insurer.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§3479. -- plan, agreement of merger, consolidation; approval by corporations

1. The plan and agreement for a merger or consolidation referred to in section 3478 shall be in writing signed by the duly authorized officers and under the corporate seals of the respective insurers; and shall be acknowledged to be the act, deed and agreement of the insurer by one of the executing officers of the respective insurers before an officer authorized by law to take acknowledgments of deeds. The plan and agreement shall be approved and authorized by vote of the majority of the directors of the respective insurers, and approved by vote of at least 2/3 of such policyholders of the respective insurers who are entitled to vote and do vote thereon in person or by proxy at a special meeting of such members call for the purpose.

[PL 1969, c. 132, §1 (NEW).]

2. Notice of such special meeting of members shall be given by publishing the same once weekly for 3 consecutive weeks in a newspaper circulated in each county of this State, the last such publication to be at least 7 days prior to such meeting. Notice to its members by a foreign insurer shall be in accordance with the laws of its domiciliary jurisdiction.

[PL 1969, c. 132, §1 (NEW).]

3. All of the members of the insurer shall be bound by the vote of policyholders as above provided for, and shall not have thereafter any right as to dissent or appraisal.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§3480. -- approval by superintendent

1. The plan and agreement referred to in section 3479 shall not be effectuated until filed with and approved by the superintendent in writing. The insurers shall furnish the superintendent such additional information in relation to the proposed merger or consolidation as the superintendent may reasonably require.

[PL 1973, c. 585, §12 (AMD).]

2. The superintendent shall approve the plan and agreement unless he finds that it:

A. Is contrary to law; or [PL 1969, c. 132, §1 (NEW).]

B. Is inequitable to the policyholders of any domestic insurer involved; or [PL 1969, c. 132, §1 (NEW).]

C. Would substantially reduce the security of and service to be rendered to policyholders of the domestic insurer; or [PL 1969, c. 132, §1 (NEW).]

D. Would materially tend to lessen competition in the insurance business in this State or elsewhere as to the kinds of insurance involved, or would materially tend to create a monopoly as to such business; or [PL 1969, c. 132, §1 (NEW).]

E. Is subject to other material and reasonable objections. [PL 1969, c. 132, §1 (NEW).]

[PL 1973, c. 585, §12 (AMD).]

3. If the superintendent does not approve the plan and agreement he shall so notify the insurers parties thereto in writing, specifying his reasons therefor.
§3481. -- review by Attorney General; filing with Secretary of State

1. Upon approval by the superintendent as provided in section 3480, the plan and agreement of merger or consolidation shall be submitted to the Attorney General and be examined by him. If the Attorney General finds the plan and agreement to be properly drawn and signed and otherwise in conformity with the Constitution and laws of this State, he shall so certify thereon in writing.

2. Within 60 days from date of approval by the superintendent, both an original and a copy of the plan and agreement showing thereon the certificate of the Attorney General, shall be delivered to the office of the Secretary of State. The Secretary of State shall file such copy and enter the date of filing on both the copy and the original, shall record the copy and return the original to the surviving merged or consolidated corporation.

3. From time of filing the copy of the plan and agreement in the office of the Secretary of State, the agreement shall be deemed to be the agreement and act of merger or consolidation of the insurers, and the original of such agreement or a certified copy thereof shall be evidence of the existence of such merged or consolidated corporation and of the performance of all acts and conditions necessary for the effectuation of such merger or consolidation.

§3482. -- effective date of merger, consolidation; effect as to assets, liabilities, rights and power

1. When the plan and agreement for merger or consolidation has been so signed, acknowledged, approved, authorized, certified, filed and recorded as provided in sections 3478 to 3481, then the separate existence of all of the constituent corporations other than the surviving corporation into which the other corporation or corporations parties have merged or consolidated shall cease.

2. The surviving corporation shall be the merged or consolidated corporation by the name provided for in the agreement; and shall thereby possess all the rights, privileges, powers, franchises and immunities as well of a public as of a private nature, and shall thereby be subject to all the liabilities, restrictions and duties, of each of the merged or consolidated corporations, and have all and singular the rights, privileges, powers, franchises and immunities of each of such corporations, together with all property, real, personal and mixed, wheresoever located, and all debts due to any of such constituent corporations on whatever account; and all other things in action of each of such corporations, are by virtue of such merger or consolidation automatically vested in such surviving corporation.

3. All such property, rights, privileges, powers, franchises and immunities and all and every other such interest shall be thereafter as effectually the property of the surviving corporation as they were of the respective constituent corporations; and title to any real estate, whether by deed or otherwise, under the laws of this State, vested in any of such constituent corporations shall not revert or be in any way...
impaired by reason of such merger or consolidation. All rights of creditors and all liens upon the property of any of such constituent corporations shall be preserved unimpaired, limited to the property affected by such liens at the time of the merger or consolidation; and all debts, liabilities and duties of the respective constituent corporations shall thenceforth attach to the surviving corporation and may be enforced against it to the same extent as if such debts, liabilities and duties had been incurred or contracted by it.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§3483. Bulk reinsurance

1. A domestic insurer may reinsure, and thereby transfer its direct liability as the insurer with respect to, all or substantially all of its business in force, or all or substantially all of a major class thereof, with another insurer, stock or mutual, by an agreement of bulk reinsurance after compliance with this section. No such agreement shall become effective unless filed with the superintendent, or if disapproved by him.

[PL 1973, c. 585, §12 (AMD).]

2. The superintendent shall disapprove such agreement within a reasonable time after filing if he finds:

   A. That the plan and agreement are unfair and inequitable to any insurer or to policyholders involved; or [PL 1969, c. 132, §1 (NEW).]

   B. That the reinsurance, if effectuated, would substantially reduce the protection or service to the policyholders of any domestic insurer involved; or [PL 1969, c. 132, §1 (NEW).]

   C. That the agreement does not embody adequate provisions by which the reinsuring insurer becomes liable to the original insureds for any loss or damage occurring under the policies reinsured in accordance with the original terms of such policies; or [PL 1969, c. 132, §1 (NEW).]

   D. That the assuming reinsurer is not authorized to transact such insurance in this State, or is not qualified as for such authorization or will not appoint the superintendent and his successors as its irrevocable attorney for service of process, so long as any policy so reinsured or claim thereunder remains in force or outstanding; or [PL 1973, c. 585, §12 (AMD).]

   E. That such reinsurance would materially tend to lessen competition in the insurance business in this State or elsewhere as to the kinds of insurance involved, or would materially tend to create a monopoly as to such business; or [PL 1969, c. 132, §1 (NEW).]

   F. That the proposed bulk reinsurance is not free of other reasonable objections. [PL 1969, c. 132, §1 (NEW).]

[PL 1973, c. 585, §12 (AMD).]

3. If the superintendent disapproves the agreement, he shall forthwith notify in writing each insurer involved, specifying his reasons therefor.

[PL 1973, c. 585, §12 (AMD).]

4. If for reinsurance of all or substantially all of the business in force of an insurer at a time when the insurer's capital, if a stock insurer, or surplus, if a mutual insurer, is not impaired, the plan and agreement of such reinsurance must be approved by a vote of not less than 2/3 of the insurer's outstanding stock having voting rights, if a stock insurer, or of members, if a mutual insurer, voting thereon, at a meeting of stockholders or members called for the purpose pursuant to such reasonable notice and procedure as is provided for in the agreement. If a mutual life insurer, right to vote may be limited to members otherwise entitled to vote and whose policies are other than term policies for terms of less than 20 years, or group policies, and have been in effect for more than one year.
§3484. Voluntary dissolution

1. A solvent domestic stock or mutual insurer, which then is not the subject of a delinquency proceeding under chapter 57, may voluntarily dissolve under a plan therefor in writing authorized by its board of directors, approved or adopted by stockholders or members as hereinafter provided, and filed with and approved by the superintendent. The plan shall provide for the disposition, by bulk reinsurance or other lawful procedure, of all insurance in force in the insurer, for full discharge of all obligations of the insurer, and designate or provide for trustees to conduct and administer the settlement of the insurer's affairs.

2. The superintendent shall approve the plan unless found by him to be unlawful or unfair or inequitable or prejudicial to the interests of any stockholder, policyholder or creditor.

3. If a mutual insurer, the plan must have been approved by vote of not less than 2/3 of the policyholders voting thereon at a special meeting of such policyholders called and held for the purpose pursuant to such reasonable notice and information as the superintendent may have approved.

4. If a stock insurer, the plan must have been adopted by vote of not less than 2/3 of all outstanding voting securities of the insurer at a special meeting of such security holders called and held for the purpose.

5. Following approval of the dissolution and plan for dissolution by members or adoption by stockholders as provided in this section, and approval by the superintendent, the trustees designated or provided for in the plan shall proceed to execute the plan. When all liabilities of the corporation have been discharged or otherwise adequately provided for, and all assets of the corporation have been liquidated and distributed in accordance with the plan, the trustees shall so certify in triplicate under oath in writing. The trustees shall deliver the original and the 2 copies of such certificate to the superintendent, together with the fee for filing the certificate of the trustees with the Secretary of State. The superintendent shall make such examination of the affairs of the corporation, and of the liquidation and distribution of its assets and discharge of or provision for its liabilities as the superintendent determines advisable. If upon such examination the superintendent finds that the facts set forth in the certificate of the trustees are true, the superintendent shall inscribe the superintendent's approval on the certificate, file the original of the certificate so inscribed in the office of the Secretary of State, file a copy of the certificate in the bureau and return the remaining copy to the trustees for the corporate files.

6. Upon receipt of the filing of the certificate of the trustees as provided in subsection 5, the Secretary of State shall issue to the trustees the Secretary of State's acknowledgment of the date of filing. The effective date of dissolution is the effective date of that filing with the Secretary of State.
The Secretary of State shall charge and collect a fee of $25 for the filing of the trustee's certificate, and shall deposit the same with the Treasurer of State for credit to the General Fund.

[PL 2013, c. 299, §18 (AMD).]

SECTION HISTORY

§3485. Mutual member's share of assets on liquidation

1. Upon any liquidation of a domestic mutual insurer, its assets remaining after discharge of its indebtedness, policy obligations, repayment of contributed or borrowed surplus, if any, retirement of guaranty fund capital shares and payment of expenses of administration and of the dissolution and liquidation procedure, shall be distributed to currently existing persons who had been members of the insurer for at least a year and who were its members at any time within 36 months next preceding the date such liquidation was authorized or ordered, or date of last termination of the insurer's certificate of authority, whichever date is the earlier; except, that if the superintendent has reason to believe that those in charge of the insurer's management have caused or encouraged the reduction of the number of members of the insurer, or changed the identity thereof, in anticipation of liquidation and for the purpose of reducing or controlling thereby the number or identity of persons who may be entitled to share in distribution of the insurer's assets, he may enlarge the qualification period in such manner as he deems to be reasonable.

[PL 1973, c. 585, §12 (AMD).]

2. The insurer shall make a reasonable classification of its policies so held by such members, and a formula based upon such classification for determination of the equitable distributive share of each such member. Such classification and formula shall be subject to the approval of the superintendent, who shall approve the same except for reasonable cause.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3486. Plans for acquisition of minority interests in domestic stock insurance companies and appraisal of stock of dissenting shareholders

1. Any parent corporation directly or indirectly owning at least 95% of the aggregate issued and outstanding shares of all classes of voting stock of a domestic stock insurance company or any such domestic stock insurance company whose voting stock is so owned may, pursuant to a plan for acquisition of minority interests in such subsidiary, acquire all of its remaining issued and outstanding shares of voting stock, by exchange of stock, other securities, cash, other consideration or any combination thereof.

[PL 1977, c. 377 (NEW).]

2. The board of directors, trustees or other governing body of the parent corporation or the domestic stock insurance company may adopt a plan for the acquisition of minority interests in such subsidiary insurer. Every plan shall set forth:

A. The name of the company whose shares are to be acquired; [PL 1977, c. 377 (NEW).]

B. The total number of issued and outstanding shares of each class of voting stock of the company, the number of its shares owned by the parent corporation and, if either of the foregoing is subject to change prior to the effective date of acquisition, the manner in which any change may occur; [PL 1977, c. 377 (NEW).]

C. The terms and conditions of the plan, including the manner and basis of exchanging the shares to be acquired for shares or other securities of the parent corporation, for cash, other consideration, or any combination of the foregoing, the proposed effective date of acquisition and a statement
clearly describing the rights of dissenting shareholders to demand appraisal; [PL 1977, c. 377 (NEW).]

D. If the parent corporation has adopted the plan and is neither a domestic corporation nor an authorized insurer, its agreement to be bound by this section with respect to the plan, its consent to the enforcement against it in this State of the rights of shareholders pursuant to the plan, and a designation of the superintendent as the agent upon whom process may be served against the parent corporation in the manner set forth in section 421 in any action or proceeding to enforce any such rights; and [PL 1977, c. 377 (NEW).]

E. Such other provisions with respect to the plan as the board of directors, trustees or other governing body deems necessary or desirable, or which the superintendent may prescribe. [PL 1977, c. 377 (NEW).]

3. Upon adoption of the plan, it shall be duly executed by the president and attested by the secretary, or the executive officers corresponding thereto, under the corporate seal of the parent corporation or the domestic stock insurance company which has adopted the plan, as the case may be. Thereupon, a certified copy of the plan, together with a certificate of its adoption subscribed by such officers and affirmed by them as true under the penalties of perjury and under the seal of the parent corporation or the domestic stock insurance company, as the case may be, shall be submitted to the superintendent for his approval. The superintendent shall thereupon consider the plan and, if satisfied that it complies with this section, is fair and equitable and not inconsistent with law, he shall approve the plan. If the superintendent disapproves the plan, notification of his disapproval, assigning the reasons therefor, shall be given in writing by him to the parent corporation or domestic stock insurance company that submitted the plan. No plan shall take effect unless the approval of the superintendent has been obtained. [PL 1977, c. 377 (NEW).]

4. If the superintendent approves the plan, the parent corporation or the domestic stock insurance company which has adopted the plan shall deliver to each person who, as of the date of delivery, is a holder of record of stock to be acquired pursuant to the plan, a copy of the plan, or a summary thereof approved by the superintendent, in person or by depositing the same in the post office, postage prepaid, addressed to the stockholder at his address of record. On or before the date of acquisition proposed in the plan, the parent corporation or the domestic stock insurance company which has adopted the plan shall file with the superintendent a certificate, executed by its president and attested by its secretary, or the executive officers corresponding thereto, and subscribed by such officers and affirmed by them as true under the penalties of perjury, and under the seal of the parent corporation or the domestic stock insurance company, as the case may be, attesting to compliance with this subsection. [PL 1977, c. 377 (NEW).]

5. Upon compliance with this section, ownership of the shares to be acquired pursuant to the plan shall vest in the parent corporation or the domestic stock insurance company which has adopted the plan on the date of acquisition proposed in the plan whether or not the certificates for such shares have been surrendered for exchange. If the plan was adopted by the parent corporation it shall be entitled to have new certificates registered in its name. If the plan was adopted by the domestic stock insurance company the shares shall be retired and the capital of the domestic company reduced by the par value of the retired shares. Shareholders whose shares have been so acquired shall thereafter retain only the right either to receive the consideration to be paid in exchange for their shares pursuant to the plan or to dissent to the plan and demand appraisal and receive payment of the fair value of their shares as hereinafter provided. The fair value of shares shall be determined as of the day prior to the date on which the plan was adopted, excluding any appreciation or depreciation of shares in anticipation of such corporate action. A shareholder may not dissent as to less than all of the shares registered in his name.
6. A dissenting shareholder shall file, within 20 days after the delivery to that shareholder of either a copy of the plan or a summary of the plan pursuant to subsection 4, a written notice of the shareholder's election to dissent from the plan and a demand for payment of the fair value of the shareholder's shares. The notice and demand must be filed with the company that adopted the plan by personally delivering it, or by mailing it via certified or registered mail, to the company at its registered office within this State or to its principal place of business as shown on its most recent annual report or, in the case of a foreign corporation that has not yet delivered an annual report, in its application for a certificate of authority pursuant to Title 13-C, section 130.

7. At the time of filing his notice and demand for the payment of the fair value of his shares, or within 20 days thereafter, a dissenting shareholder shall surrender the certificate or certificates representing his shares to the company which adopted the plan.

8. Within 10 days after the expiration of the period provided in subsection 6 for the shareholder to file his notice and demand, the company which adopted the plan shall make a written offer to each dissenting shareholder to pay for such shares at a specified price deemed by such company to be the fair value thereof. Such offer shall be made at the same price per share to all dissenting shareholders of the same class. The notice and offer shall be accompanied by a balance sheet of the corporation, the shares of which the dissenting shareholder holds, as of the latest available date and not more than 12 months prior to the making of such offer and a profit and loss statement of such corporation, for the 12-months' period ended on the date of such balance sheet.

9. If, within 20 days after the date by which the company is required by the terms of subsection 8 to make a written offer to each dissenting shareholder to pay for his shares, the fair value of such shares is agreed upon between any dissenting shareholder and the company, payment therefor shall be made within 90 days after the date of delivery of the plan or a summary thereof as provided in subsection 4. Upon payment of the agreed value, the dissenting shareholder shall cease to have any interest in such shares.

10. If, within the additional 20-day period prescribed by subsection 9, one or more dissenting shareholders and the company have failed to agree as to the fair value of the shares, then Title 13-C, chapter 13, subchapter 3 applies, except that:

A. The term "the corporation" as used in that subchapter is deemed to refer to the company that adopted a plan pursuant to subsection 2; [PL 2003, c. 344, Pt. D, §14 (AMD).]

B. [PL 2003, c. 344, Pt. D, §14 (RP).]

C. The references in Title 13-C, chapter 13, subchapter 3 to a shareholder's "demand for payment under section 1327" is deemed to refer to a shareholder's notice and demand filed pursuant to subsection 6; [PL 2003, c. 344, Pt. D, §14 (AMD).]

D. [PL 2003, c. 344, Pt. D, §14 (RP).]

E. The reference in Title 13-C, section 1331, subsection 2 to the county in the State where the principal office or the registered office of the domestic corporation merged with the foreign corporation is located is deemed, where the parent corporation that has adopted the plan is neither a domestic corporation nor an authorized insurer, to include the county where the registered office of the subsidiary domestic stock insurance company whose stock is being acquired is located; [PL 2003, c. 344, Pt. D, §14 (AMD).]
F. [PL 2003, c. 344, Pt. D, §14 (RP).]

G. [PL 2003, c. 344, Pt. D, §14 (RP).]

H. Title 13-C, section 1331, subsection 5, paragraph B does not apply; and [PL 2003, c. 344, Pt. D, §14 (NEW).]

I. The reference in Title 13-C, section 1332, subsection 2, paragraph A to the corporation's failure to substantially comply with the requirements of section 1321, 1323, 1325 or 1326 is deemed to refer to the corporation's failure to comply with this section, and the reference in Title 13-C, section 1332, subsection 4 to the failure of the corporation to make required payments pursuant to section 1325, 1326 or 1327 is deemed to refer to the failure of the corporation to make required payments under this section. [PL 2003, c. 344, Pt. D, §14 (NEW).]

[PL 2003, c. 344, Pt. D, §14 (AMD).]

12. If the court determines pursuant to Title 13-C, chapter 113, subchapter 3 that a shareholder is not entitled to receive payment of the fair value of the shareholder's shares because of the shareholder's failure to satisfy the requirements of Title 13-C, chapter 113, subchapter 3 and of this section, then the shareholder shall receive the consideration that was specified as payment in exchange for the shareholder's shares pursuant to the plan. Such payment may not include the allowance for interest specified in Title 13-C, section 1331, subsection 5.

[PL 2003, c. 344, Pt. D, §16 (AMD).]

13. Neither the right granted by this section nor the exercise thereof by a parent corporation or domestic stock insurance company shall preclude the exercise by it of any other rights it may have under this section.

[PL 1977, c. 377 (NEW).]

14. The provisions of Title 33, chapter 45 apply to any unclaimed payment to which a shareholder may be entitled under this section.

[PL 2019, c. 498, §13 (AMD).]

15. All laws and parts of laws of this State inconsistent with this section are superseded with respect to matters covered by this section.

[PL 1977, c. 377 (NEW).]

SECTION HISTORY

§3487. Redomestication of insurers

1. Redomestication of foreign insurers to Maine. Any stock or mutual insurer that is organized under the laws of any other state and has a valid certificate of authority to do business in this State may become a domestic insurer with approval of the superintendent by amending its articles of incorporation or equivalent corporate charter and by designating a location in this State as its principal place of business. The redomestication must be approved if the chief insurance regulatory official of the other state certifies to the superintendent that the redomestication is in compliance with all requirements established by the laws of that state, and the superintendent determines that the insurer's operations and corporate organization will comply with the requirements of this chapter and that the redomestication is not contrary to the interests of policyholders or the public. The amendments to the insurer's articles of incorporation may provide that the corporation is a continuation of the corporate identity of the original foreign corporation and that the original date of incorporation in its original domiciliary state is the date of incorporation of the domestic insurer. The insurer's certificate of authority must be
amended as of the effective date of the superintendent's approval to reflect the insurer's status as a
domestic insurer and its new home office, and the insurer is thereafter subject to all provisions of this
Title applicable to domestic insurers.
[PL 2013, c. 299, §19 (AMD).]

2. Redomestication of domestic insurers. Any domestic insurer may, upon the approval of the
superintendent, transfer its domicile to any other state in which it is authorized to transact the business
of insurance in accordance with the procedures established by the laws of that state. The proposed
redomestication must be approved if the superintendent determines that the articles of incorporation
have been amended in conformance with section 3310 and that the redomestication is not contrary to
the interests of policyholders or the public. The insurer ceases to be a domestic insurer as of the date
the redomestication is recognized by its new state of domicile. Unless the superintendent determines
that the insurer no longer qualifies for a certificate of authority, the insurer's certificate of authority
must be amended as of the effective date of the redomestication to reflect the insurer's status as a
domestic insurer and its new home office in its new state of domicile, and the insurer is thereafter
subject to all provisions of this Title applicable to foreign insurers.
[PL 2013, c. 299, §19 (AMD).]

3. Effect of redomestication. The certificate of authority, producers' appointments and licenses,
rate approvals and all other actions and permissions by the superintendent that are in effect at the time
any insurer authorized to transact the business of insurance in this State transfers its corporate domicile
to this State or any other state pursuant to this section or by merger, consolidation or any other lawful
method continue in full force and effect upon the redomestication if the insurer remains duly qualified
to transact the business of insurance in this State. All outstanding policies and other legal or contractual
obligations of any redomesticating insurer remain in full force and need not be endorsed as to the new
name of the company or its new location unless ordered by the superintendent. The insurer shall file
new policy forms with the superintendent on or before the effective date of the redomestication but
may use existing policy forms with appropriate endorsements if allowed by and under such conditions
as approved by the superintendent. Each redomesticating insurer shall notify the superintendent of the
details of the proposed redomestication and shall file promptly any resulting amendments to corporate
documents filed or required to be filed with the superintendent.
[PL 1999, c. 113, §23 (NEW).]

4. Filing with Secretary of State. Each insurer that transfers its domicile to this State shall file
with the Secretary of State a long-form certificate of good standing or its equivalent, duly certified by
the proper official of the previous state of domicile and an application for redomestication to become a
Maine insurer in a form prescribed by the Secretary of State and approved by the superintendent. Each
foreign insurer qualified to do business in this State that transfers its domicile to a state other than Maine
shall file with the Secretary of State a notification by a foreign insurer of redomestication in a form
prescribed by the Secretary of State and approved by the superintendent. Each domestic insurer that
transfers its domicile to another state shall file with the Secretary of State a notification of
redomestication in a form prescribed by the Secretary of State and approved by the superintendent.
[RR 1999, c. 1, §36 (COR).]

SECTION HISTORY

§3488. Reorganization of mutual insurer through formation of mutual holding company

1. Procedure for reorganization as stock insurer. A mutual insurer may be reorganized as a
stock insurer within a mutual holding company as provided in this section. The mutual insurer shall
submit to the superintendent a reasonable reorganization plan, referred to in this section as the "plan,"
and the procedure for putting the plan into effect. A hearing must be held on the plan. Notice of the
hearing must be provided pursuant to section 230 to the insurer, its directors or trustees, its officers,
employees and its policyholders, all of whom have the right to appear and be heard at the hearing. The plan may not take effect unless approved by the superintendent.

[PL 1999, c. 656, §5 (NEW).]

2. Plan requirements. The plan must contain provisions for:

A. The reorganizing insurer to become a stock insurer; [PL 1999, c. 656, §5 (NEW).]

B. The formation of a mutual holding company; [PL 1999, c. 656, §5 (NEW).]

C. The members of the reorganizing insurer to become members of the mutual holding company with membership interests therein and the membership interests in the reorganizing insurer to be extinguished; and [PL 1999, c. 656, §5 (NEW).]

D. At least 51% of the voting stock issued and outstanding by the reorganized insurer to be acquired and held, directly or through one or more stock holding companies, by the mutual holding company. [PL 1999, c. 656, §5 (NEW).]

3. Number of stock holding companies. The plan may provide for the formation of one or more intermediate stock holding companies.

[PL 1999, c. 656, §5 (NEW).]

4. Approval of plan. The superintendent may not approve a plan unless:

A. The terms and conditions of the plan are fair and equitable; [PL 1999, c. 656, §5 (NEW).]

B. The plan is subject to approval by vote of not less than 2/3 of the insurer's policyholders voting on the plan in person, by proxy or by mail at a meeting of policyholders called by the insurer for that purpose pursuant to reasonable notice of the meeting and procedures as approved by the superintendent. The plan must specify that only persons who were policyholders both at least one year before the submission of the plan to the superintendent and on a subsequent date before the vote found reasonable by the superintendent are entitled to vote. Each eligible policyholder is entitled to one vote; [PL 1999, c. 656, §5 (NEW).]

C. The plan, when completed, would provide paid-in capital stock for the reorganized insurer in an amount not less than the minimum paid-in capital stock required of a new domestic stock insurer upon initial authorization to transact like kinds of insurance, together with expendable surplus funds in an amount not less than 1/2 of such required capital stock; and [PL 1999, c. 656, §5 (NEW).]

D. The superintendent finds that the insurer's management has not, through reduction in volume of new business written or cancellation or any other means, sought to reduce, limit or affect the number or identity of the reorganizing insurer's members to be entitled to participate in the plan or to secure for the individuals comprising management any unfair advantage through the plan. [PL 1999, c. 656, §5 (NEW).]

5. Compensation. A director, officer, agent or employee of the reorganizing insurer or any other person may not receive any fee, commission or other valuable consideration whatsoever, other than that person's usual regular salary and compensation, for in any manner aiding, promoting or assisting in the reorganization except as set forth in the plan approved by the superintendent. This provision does not prohibit the payment of reasonable fees and compensation to attorneys, accountants or actuaries for services performed in the independent practice of their professions, even though they also may be directors of the insurer. [PL 1999, c. 656, §5 (NEW).]

6. Effective date of plan. The plan becomes effective, after approval by the superintendent and by the policyholders, upon the filing with the superintendent and the Secretary of State of amended and
restated articles of incorporation of the reorganized insurer pursuant to section 3310 and articles of
incorporation of the mutual holding company and any related stock holding company.
[PL 1999, c. 656, §5 (NEW).]

7. Consequence of effective plan. The following are the consequences of a plan that becomes
effective pursuant to subsection 6.

A. The reorganizing insurer immediately becomes a domestic stock insurer. [PL 1999, c. 656,
§5 (NEW).]
B. The members of the reorganizing insurer on the effective date immediately become members
of the mutual holding company with membership interests in that holding company. All
membership interests in the reorganizing insurer are extinguished. [PL 1999, c. 656, §5 (NEW).]
C. A person becoming a policyholder of the reorganized insurer after the effective date of the plan
becomes a member of the mutual holding company immediately upon issuance of the policy or
contract. [PL 1999, c. 656, §5 (NEW).]
D. One hundred percent of the voting stock issued by the reorganized insurer in the reorganization
is owned, directly or through one or more stock holding companies, by the mutual holding
company. All stock issued by the reorganized insurer in the reorganization is considered duly and
validly issued, fully paid and nonassessable. [PL 1999, c. 656, §5 (NEW).]
E. The reorganized insurer is a continuation of the reorganizing insurer. The reorganization may
not annul, modify or change any of the insurer's existing suits, rights, contracts or liabilities except
as provided in the plan. [PL 1999, c. 656, §5 (NEW).]

8. Assistance in determining approval of plan. For the purpose of determining whether a plan
meets the requirements of this section and any other relevant provisions of this Title, the superintendent
may employ staff personnel and outside consultants. All reasonable costs related to the review of a
plan, including those attributable to the use of staff personnel, must be borne by the insurer or insurers
making the filing.
[PL 1999, c. 656, §5 (NEW).]

9. Injunctive relief and damages. If the reorganizing insurer complies substantially and in good
faith with the requirements of subsection 4, paragraph B with respect to the giving of any required
notice to policyholders, the insurer's failure to give notice to a person entitled to notice does not impair
the validity of the actions and proceedings taken under this section or entitle that person to any
injunctive or other equitable relief with respect to those actions and proceedings. This subsection does
not impair any claim for damages that person would otherwise have due to failure to give notice.
[PL 1999, c. 656, §5 (NEW).]

10. Exclusion of certain insurers. This section does not apply to an insurer authorized to transact
life insurance or annuities or an insurer formed pursuant to chapter 52.
[PL 1999, c. 656, §5 (NEW).]

[PL 2005, c. 65, Pt. C, §11 (AMD).]

2. Mutual holding company formed through reorganization. The following provisions apply to a mutual holding company.

A. The provisions of Title 13-C that are applicable to a mutual insurer apply to a mutual holding company as though it were a mutual insurer. [RR 2001, c. 2, Pt. B, §44 (COR); RR 2001, c. 2, Pt. B, §58 (AFF).]

B. A mutual holding company may not dissolve, liquidate or wind up except through proceedings under this Title for the liquidation or dissolution of the reorganized insurer or as the superintendent may otherwise approve. In the event proceedings are instituted for the complete liquidation of the reorganized insurer:

   (1) The mutual holding company automatically becomes a party to the proceedings;
   (2) All of the mutual holding company's assets, including its holdings of shares in the reorganized insurer or any stock holding company, are deemed assets of the estate of the reorganized domestic stock insurer to the extent necessary to satisfy claims of persons who have class 1, class 2, class 3 or class 4 claims under section 4379; and
   (3) Members of the mutual holding company are deemed to hold class 8 claims with respect to the mutual holding company under section 4379. [PL 1999, c. 656, §5 (NEW).]

C. The name of a mutual holding company must contain the word "mutual" and may not contain the words "insurance," "assurance" or "annuity." The mutual holding company's powers may not include doing insurance business. The articles of incorporation of a mutual holding company must contain provisions stating that:

   (1) It is "a mutual holding company organized under the Maine Revised Statutes, Title 24-A, section 3488";
   (2) A purpose of the mutual holding company is to hold, directly or through one or more stock holding companies, not less than 51% of the voting stock of a reorganized insurer;
   (3) It is not authorized to issue voting stock;
   (4) It is not authorized to conduct any business other than that of a holding company, except for the acquisition, ownership, management and disposition of its assets and all reasonably related actions; and
(5) Its members have the rights specified in, and are subject to, sections 3360, 3361, 3362, 3363, 3488, this section, the mutual holding company's articles of incorporation and its bylaws. [PL 1999, c. 656, §5 (NEW).]

D. At least a majority of the directors of the mutual holding company and any related stock holding company and any committee of the board of directors of the mutual holding company and of any related stock holding company must be outside directors. [PL 1999, c. 656, §5 (NEW).]

E. Each time voting stock of the reorganized insurer or any related stock holding company is offered in a public offering for a price payable in cash, each policyholder of the reorganized insurer must receive, without payment, nontransferable subscription rights to purchase that voting stock at the same price and in accordance with procedures approved by the superintendent as fair and equitable. [PL 1999, c. 656, §5 (NEW).]

F. At least 30 days before the issuance of any voting stock or securities convertible into voting stock of the reorganized insurer or any related stock holding company, other than in an underwritten public offering or a bona fide sale to an unrelated party, the reorganized insurer or related stock holding company shall provide to the superintendent written notice of the proposed price of those securities or the procedure whereby the price will be determined and the terms and conditions of the offering. The superintendent may disapprove the issuance of the stock or securities if the superintendent finds that the price is unfair. The superintendent's failure to make a finding on a transaction subject to this paragraph within 30 days after it has been filed with the superintendent has the effect of an approval unless the superintendent has requested supplemental information or issued a notice of hearing. [PL 1999, c. 656, §5 (NEW).]

G. The stock holding company or the reorganized insurer may not award any stock options or stock grants to officers or directors of the mutual holding company, the stock holding company or the reorganized insurer until 6 months after the completion of either a public offering or private placement of voting stock or securities convertible into voting stock of the reorganized insurer or a related stock holding company to any person other than the mutual holding company or the stock holding company. [PL 1999, c. 656, §5 (NEW).]

H. The aggregate percentage of voting stock of the reorganized insurer or any related stock holding company directly or indirectly owned or controlled by outside directors may not exceed 18%, unless the reorganized insurer or the related stock holding company has provided at least 30 days' prior written notice to the superintendent and the superintendent has not objected to a higher percentage. [PL 1999, c. 656, §5 (NEW).]

I. The aggregate percentage of voting stock of the reorganized insurer or any related stock holding company directly or indirectly owned or controlled by directors and officers of the mutual holding company, a related stock holding company or the reorganized insurer who are also employed by any of the foregoing may not exceed 18% of the voting stock of the reorganized insurer or any related stock holding company, unless the reorganized insurer or the related stock holding company has provided 30 days' prior written notice to the superintendent and the superintendent has not objected to a higher percentage. [PL 1999, c. 656, §5 (NEW).]

J. A trust established in connection with an employee stock ownership plan or other employee benefit plan established for the benefit of employees of the reorganized insurer, a related stock holding company or the mutual holding company may not directly or indirectly own or control, in the aggregate, more than 10% of the voting stock of the stock holding company or the reorganized insurer, unless the reorganized insurer or the related stock holding company has provided 30 days' prior written notice to the superintendent and the superintendent has not objected to a higher percentage. The holdings of any such employee stock ownership plan or other employee benefit plan that are allocated to directors and officers who are employees must be included in determining compliance with paragraph I. [PL 1999, c. 656, §5 (NEW).]
K. A person may not own or control, directly or indirectly, more than 15% of any class of voting stock of the reorganized insurer or any related stock holding company without the prior approval of the superintendent. [PL 1999, c. 656, §5 (NEW).]

L. All voting stock of the reorganized insurer or any related stock holding company acquired by any person in excess of the maximum amount permitted to be acquired by that person pursuant to this subsection is deemed to be nonvoting stock for so long as it is held by any person in excess of those limitations. In addition to any other enforcement powers of the superintendent under this Title, a violation of the limitations of ownership may be enforced or enjoined, as the case may be, by appropriate proceedings commenced by the reorganized insurer or any related stock holding company, the superintendent, the attorney general, any member of the mutual holding company or any stockholder of the reorganized insurer or of any related stock holding company. The action must be commenced in the Kennebec County Superior Court or the superior court in the jurisdiction of which the reorganized insurer has its home office, and the court may issue any order, injunctive or otherwise, that it finds necessary to cure the violation or to prevent the action. [PL 1999, c. 656, §5 (NEW).]

M. A mutual holding company and a related stock holding company are each deemed to be a holding company of the reorganized insurer within the meaning of section 222, and all provisions of that section apply to transactions occurring between the mutual holding company, the stock holding company and the reorganized insurer. Approval of the plan of reorganization by the superintendent pursuant to section 3488 is considered approval of the acquisition of control by a mutual holding company and any related stock holding company under sections 222 and 3476. [PL 1999, c. 656, §5 (NEW).]

N. For purposes of the limitations on ownership or control of voting stock contained in this subsection, any issued and outstanding securities that represent the right to acquire or that are convertible into voting stock, including warrants, options and rights to purchase voting stock, are deemed to represent the number of shares of voting stock issuable upon conversion or exercise of such securities or rights for the purposes of both the number of shares owned or controlled by a person and the total number of shares of voting stock outstanding.

For purposes of determining ownership or control of voting stock, the indirect ownership of stock in the reorganized insurer by virtue of having an ownership interest in the mutual holding company may not be considered. [PL 1999, c. 656, §5 (NEW).]

3. Merger or consolidation by mutual holding company or stock holding company. With the written approval of the superintendent, a mutual holding company or stock holding company may:

A. Merge or consolidate with or acquire the assets of a mutual holding company organized pursuant to this chapter or pursuant to the mutual holding company laws of another state; [PL 1999, c. 656, §5 (NEW).]

B. Either alone or together with one or more of the reorganized insurers or stock holding companies or subsidiaries of any of them, merge or consolidate with or acquire the assets of a mutual insurer; or [PL 1999, c. 656, §5 (NEW).]

C. Merge or consolidate with any other person. [PL 1999, c. 656, §5 (NEW).]

[PL 1999, c. 656, §5 (NEW).]

4. Merger with another mutual holding company. If a mutual holding company merges with a mutual holding company organized under the laws of another state or acquires the membership interests in a foreign mutual insurer, that merger or acquisition must comply with the requirements of Maine law and rules and of any other state's law, rule or regulation that is applicable to the foreign mutual holding company or mutual insurer. In the event of a conflict of state laws, rules or regulations, Maine laws
and rules apply. A foreign mutual insurer that is merged or acquired pursuant to this section may at the same time redomesticate to this State by complying with the applicable requirements of this State and of the foreign mutual insurer's state of domicile. [PL 1999, c. 656, §5 (NEW).]

5. Acquisition of stock or assets of other persons. A mutual holding company may acquire the capital stock or assets of other persons. [PL 1999, c. 656, §5 (NEW).]

6. Membership interest. A membership interest in a mutual holding company does not constitute a security under Title 32, section 16102, subsection 28 or any other law of this State and is not transferable. [PL 2005, c. 65, Pt. C, §12 (AMD)].

7. Election of directors. Directors of the mutual holding company must be elected by plurality vote of all members voting in that election in person or by proxy. If the mutual holding company takes any action, other than election of its directors, that would require a vote of policyholders if the mutual holding company were a mutual insurer, then that action requires a vote of members of the mutual holding company. [PL 1999, c. 656, §5 (NEW).]

SECTION HISTORY

§3490. Conversion of mutual holding company

1. Approval of reorganization plan. A mutual holding company may be reorganized in accordance with a plan of reorganization:

   A. Approved by the superintendent, if the superintendent finds the plan to be fair and equitable, after a hearing of which notice has been given to the company's members pursuant to section 230; and [PL 1999, c. 656, §5 (NEW).]

   B. Approved by vote of not less than 2/3 of the company's members voting on the plan in person, by proxy or by mail at a meeting of members called by the company for that purpose. The mutual holding company shall provide reasonable notice to its members and determine the procedure for the meeting, subject to approval by the superintendent. The plan must specify that only persons who were members both at least one year before the submission of the plan and on a subsequent date before the vote found reasonable by the superintendent are entitled to vote. Each member is entitled to one vote. [PL 1999, c. 656, §5 (NEW).]

2. Membership interests disposition. A plan of reorganization pursuant to subsection 1 must provide for extinguishment of the membership interests in the mutual holding company and may provide for either:

   A. The conversion of the mutual holding company into a stock corporation, in which event the consideration, if any, distributed to members of the mutual holding company must be equal to that required under section 3477; or [PL 1999, c. 656, §5 (NEW).]

   B. The distribution to eligible members of the mutual holding company of consideration consisting of all assets of the mutual holding company, including all stock of the reorganized insurer or any stock holding company owned by the mutual holding company, or other consideration having equivalent aggregate value. The form of the other consideration may be cash, securities, additional insurance or annuity benefits or policy credits, increased dividends or other consideration. All such
consideration must be allocated among eligible members of the mutual holding company in a manner that is fair and equitable to the company's members. [PL 1999, c. 656, §5 (NEW).]

[PL 1999, c. 656, §5 (NEW).]

CHAPTER 49
CONTINUITY OF MANAGEMENT

§3551. Purpose

Enemy attack could seriously disrupt the management functions of an insurance organization. Prompt resumption of insurance operations following attack is in the public interest and requires provisions for the continuity of management. It is essential that advance corporate action be taken to provide for the reconstitution of the board of directors or substitute governing body, for the succession of key personnel and for the designation of alternate headquarters. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§3552. Definitions; interpretation of chapter

When used in this chapter, the following terms mean and include the following. [RR 2009, c. 2, §69 (COR).]

1. Acting director. Acting director means an acting director elected or appointed in accordance with this chapter. [PL 1969, c. 132, §1 (NEW).]

2. Acting officer. Acting officer means an acting officer appointed in accordance with this chapter. [PL 1969, c. 132, §1 (NEW).]

3. Acute emergency. Acute emergency means a period, as formally declared and proclaimed by the Governor of this State, in which, by reason of loss of life, epidemic disease, destruction or damage of property, contamination of property by radiological, chemical or bacteriological means, or disruption of the means of transportation or communication, resulting from an attack, it is impossible or impractical for the business of insurance in this State to be conducted in strict accord with the provision of law or charters applicable thereto. [PL 1969, c. 132, §1 (NEW).]

4. Attack. Attack means any attack, actual or imminent, or series of attacks by an enemy of a foreign nation upon the United States causing, or which may cause, substantial damage or injury to civilian property or persons in the United States in any manner by sabotage or by the use of bombs, shell fire, or atomic, radiological, chemical, bacteriological or biological means or other weapons or processes. [PL 1969, c. 132, §1 (NEW).]

5. Board. Board means the board of directors, board of trustees, committee or similar body having control of the affairs of an insurance organization. [PL 1969, c. 132, §1 (NEW).]

6. Charter. Charter means the certificate of organization or incorporation or special law incorporating a corporation together with its bylaws, or the agreement establishing a fund or association together with its constitution and bylaws.
7. **Superintendent.** Superintendent means the State Insurance Superintendent or person duly designated to exercise the powers of that office during an attack or acute emergency.

8. **Director.** Director means the director, trustee or member of the board.

9. **Domestic organization.** Domestic organization means any insurance organization which is domiciled in this State.

10. **Insurance organization.** Insurance organization means any insurer, rating organization, service or advisory organization, joint underwriting association, welfare or pension fund, which is subject, in whole or in part, to the insurance laws of this State.

11. **Officer.** Officer means an officer of a domestic insurance organization.

12. **Quorum.** Quorum means the minimum number of directors required by charter and bylaw, exclusive of the provisions of this chapter, to be present for valid action to be taken at a meeting of a board with respect to each particular item of business which may come before such meeting.

This chapter does not and shall not be construed to limit the powers of, or permit or require, any insurance organization which is not domiciled in this State or of any branch office, or agents of such insurance organization, or the directors, officers, members, policyholders or stockholders of any such organization to act, or fail to act, in such fashion as would violate the laws of the jurisdiction wherein such organization has its domicile.

---

§3553. Emergency bylaws

1. With the approval of the superintendent, any domestic organization may, at any time, adopt, in the same manner as in the case of ordinary bylaws, emergency bylaws to become operative during a period of acute emergency. Emergency bylaws may contain provisions with respect to the number of directors capable of acting which shall constitute its board, the number of such directors which shall constitute a quorum at a meeting of the board, the number of votes necessary for action by such board, the manner in which vacancies on the board shall be filled, the line of succession of its officers, and the interim management of the affairs of the insurance organization; such provisions, if approved by the superintendent, need not comply with the requirement of the charter of such domestic organization or of the insurance or incorporation laws of this State.

2. Section 3554 and section 3555, subsections 2 to 6 shall not be applicable during a period of acute emergency to any domestic organization operating in accordance with and under emergency bylaws theretofore approved by the superintendent.

---

§3554. Change of location; emergency boards of directors
Notwithstanding any provision of its charter, any domestic insurance organization, without complying with any provision of law requiring approval, or application for approval, of a change of location of its principal office may, from time to time, change the location thereof during an acute emergency to a suitable location within the United States, and may carry on its business at such new location during such acute emergency, and for a reasonable time thereafter. Any insurance organization which changes the location of its principal office during an acute emergency shall notify the superintendent thereof in writing as soon as practical, stating the address of the new location, the address of the former location, and the dates when business is ceasing at the former location and commencing at the latter location. [PL 1973, c. 585, §12 (AMD).]

Notwithstanding any contrary provision of law or with its charter, if at any time during an acute emergency affecting any domestic insurance organization, no person otherwise empowered to call meetings of the board is capable of acting, a meeting thereof may be called by any director or acting director or if no director or acting director is capable of acting, by any officer or acting officer. If it shall be impracticable or impossible to give notice of a meeting of the board in the manner prescribed by charter and law, other than this chapter, the person calling such a meeting may give notice thereof by making such reasonable efforts as circumstances may permit to notify each director and acting director of the time and place of the meeting, but need not specify the purposes thereof. Failure of any director or acting director to receive actual notice of a meeting of directors and acting directors shall not affect the power of the directors and acting directors present at such meeting to exercise the powers of an emergency board of directors as prescribed in this section. Nothing in this chapter shall be construed as requiring a meeting of the board of such an organization to be convened in any manner different from that prescribed by its charter and by the provisions of law other than this chapter. [PL 1969, c. 132, §1 (NEW).]

If 3 or more directors and acting directors of any domestic insurance organization are present at any meeting of its board duly convened during an acute emergency affecting such domestic insurance organization, they shall constitute its emergency board of directors which, notwithstanding any contrary provision of law or of its charter, shall have the power, subject to the limitations prescribed by this chapter, by a majority of those present, to take any and every action which may be necessary to enable such domestic insurance organization to meet the exigencies of the acute emergency and conduct its business during such period, but no other powers. The powers of an emergency board of directors shall include, but shall not be limited to, the following powers: [PL 1969, c. 132, §1 (NEW).]

1. **Fill vacancies and absentees.** At any meeting, to elect such acting directors as it may deem necessary, without regard to the number of directors which would otherwise be required, to serve in any positions on such board which are vacant or in place of any directors or acting directors who are absent from such meeting, but not to elect any director on a permanent basis; [PL 1969, c. 132, §1 (NEW).]

2. **Acting officers and duties.** To elect such acting officers as it may deem necessary, without regard to the number of officers which would otherwise be required, to serve in any offices which are vacant or in place of any officers or acting officers who fail to appear and assume their duties, to fix the compensation and determine the powers and duties of acting officers and to remove acting officers but not to remove any officer or to fill any vacancy on a permanent basis or to cause the insurance organization to enter into any contract of employment for a term in excess of one year; [PL 1969, c. 132, §1 (NEW).]

3. **Change of location.** To cause the insurance organization to change the location of its principal office, pursuant to this section, or any of its places of business, and to authorize such action as it may deem appropriate to acquire space and facilities at new locations, but not to acquire for use as its principal office property in fee or for a term in excess of one year; [PL 1969, c. 132, §1 (NEW).]
4. Postpone meetings. To postpone any meeting of the stockholders, policyholders or members or directors of such organization if, in the judgment of majority of the members of such emergency board of directors, it would be impracticable to hold such meeting at the time it would otherwise have been held or conducted;
[PL 1969, c. 132, §1 (NEW).]

5. Call meetings. If it shall appear to an emergency board of directors that a quorum of the board cannot be assembled within a reasonable time, to call a meeting of the stockholders, policyholders or members of the insurance organization to be held as soon as the circumstances may reasonably permit, at a place to be designated by the emergency board of directors within this State or a contiguous state, for the purpose of electing directors to fill vacancies on the board, but for no other purpose, and to propose nominees for such election. Any such meetings of stockholders, policyholders or members shall be held upon notice given in accordance with the charter of the organization and applicable law other than this section.
[PL 1969, c. 132, §1 (NEW).]

As soon as practicable after each meeting of an emergency board of directors, the person who presided thereat shall notify the superintendent in writing of the time and place of such meeting, of the manner in which notice thereof was given, of the persons present and of all actions taken at such meeting. [PL 1973, c. 585, §12 (AMD).]

No person prohibited by law or by the charter of a domestic insurance organization from serving as a member of its board shall be eligible to serve as an acting director, except that no person shall be disqualified to serve as an acting director by reason of his not being a stockholder, policyholder or member of such insurance organization, by reason of his not being a resident of this State or of a contiguous state, or by reason of the number of directors or acting directors who are officers, acting officers or employees of the insurance organization. Any person may serve as an acting director of a fund who is a director, acting director, officer or acting officer of an organization which is a party to the agreement creating the fund. No oath of acting directors shall be required. [PL 1969, c. 132, §1 (NEW).]

Acting directors elected under this section or appointed under section 3555 shall be entitled to vote at all meetings of emergency board of directors equally with directors. Acting directors shall not be entitled to take part in the deliberations or to vote at any meeting of the board which is duly convened in accordance with the applicable provisions of its charter and of law other than this chapter and at which a quorum is present. Each acting director shall serve until the director or acting director in whose place he was elected or appointed shall attend the meeting of the board or until the director is duly elected to fill the vacancy in which such acting director has been serving, whichever event occurs earlier. An acting director shall be entitled to the compensation, if any, payable to a director. [PL 1969, c. 132, §1 (NEW).]

Acting officers elected pursuant to this section shall have powers and duties and receive such compensation as may from time to time be determined by the emergency board of directors. Each acting officer shall serve until the officer in whose place he was elected shall appear and assume his duties or until his successor officer or acting officer shall be elected, whichever event occurs earlier. [PL 1969, c. 132, §1 (NEW).]

This section shall not be deemed applicable during a period of acute emergency to any domestic organization operating in accordance with and under emergency bylaws theretofore approved by the superintendent. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3555. Powers of the superintendent
1. **Designate additional acting directors.** If at any time during an acute emergency, the number of directors or acting directors of a domestic insurance organization who are capable of acting shall be less than 3, as determined by the superintendent after a reasonable investigation, the superintendent shall have the power to designate additional acting directors in such number as will bring to 3 the number of directors and acting directors who are capable of acting.

[PL 1973, c. 585, §12 (AMD).]

2. **Resolve controversies.** To resolve controversy as to the power of any group of persons purporting to act as an emergency board of directors so to act, the superintendent shall, upon a determination that such action will tend to promote the safe and sound and orderly conduct of the business of any domestic insurance organization, have power to issue orders declaring that any such group shall or shall not have the powers of an emergency board of directors, or confirming, modifying or vacating in whole or in part any action taken or purportedly taken by any such group or by removing any acting director.

[PL 1973, c. 585, §12 (AMD).]

3. **Declare provisions of law operative or inoperative.** At any time after an attack, upon his determination that such action will tend to promote certainty as to the powers of insurance organizations or individuals pursuant to this chapter or that such action is desirable to enable insurance organizations to take preparatory precautions prior to the occurrence of an acute emergency, the superintendent shall have power to declare that any provision of this chapter which he may specify shall be operative with respect to any domestic insurance organization or to the Maine business of any other insurance organization which he may designate. Upon such declaration such organization and its directors, officers, acting directors and acting officers shall have all powers conferred by this chapter. The failure of the superintendent so to declare shall not be deemed to limit the powers of any organization or its directors, officers, acting directors or acting officers where an acute emergency exists in fact.

At any time after the commencement of an acute emergency or after the superintendent shall have declared any provision of this chapter operative under this subsection upon his determination that an insurance organization is able, in whole or in part, to carry on its business in compliance with its charter and the laws, other than this chapter, the superintendent shall have power to declare that any provision of this chapter which he may specify shall be inoperative with respect to any domestic insurance organization or in the Maine business of any other insurance organization which he may designate. Upon such declaration, such organization shall be governed by its charter and the provisions of law other than this chapter, except insofar as they remain inoperative.

[PL 1973, c. 585, §12 (AMD).]

4. **Possession of business and property.** Upon the determination that, as a result of an acute emergency, the business and affairs of an insurance organization cannot otherwise be conducted in a safe and sound manner, the superintendent may forthwith take possession of the business and property of the insurance organization within this State or, if a domestic insurance organization, its business and property wherever situated. This chapter shall be applicable in any case in which the superintendent takes possession of an insurance organization under this subsection as though the insurance organization were an insurer of which the superintendent had taken possession under this chapter, except that no such provision shall be applicable which the superintendent shall have declared inapplicable under this subsection. The superintendent shall have power to declare inapplicable any such provision upon his determination that the same is inappropriate or unnecessary to protect the interest of the public or the stockholders or creditors of the insurance organization, in view of the acute emergency and the nature of the organization.

[PL 1973, c. 585, §12 (AMD).]

5. **When powers exercised.** The powers given the superintendent by subsections 2 and 4 shall be exercised by him only in the event that there is no court of competent jurisdiction available to which an application can be made for an order permitting him to exercise such powers with respect to a particular
insurance organization. The powers conferred by subsection 4 shall not be exercised in a case of an insurance organization which is not insolvent within the meaning of this chapter, unless the superintendent finds that such insurance organization lacks personnel able to manage its business in the interest of the public stockholders and policyholders.

[PL 1973, c. 585, §12 (AMD).]

6. Regulations. The superintendent shall have power to issue general and specific regulations, directives and orders consistent with and in furtherance of the purposes of this chapter.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3556. General provisions

1. Presumption. In any action or proceeding it shall be presumed that an acute emergency existing within any city or county within this State constitutes an acute emergency affecting every insurance organization doing business within such city or county.

[PL 1969, c. 132, §1 (NEW).]

2. Powers of board. During an acute emergency the board of a domestic insurance organization which has adopted emergency bylaws approved by the superintendent shall have all of the powers conferred by such bylaws, and no other or different powers with respect to the subject matter of this chapter, and the board of a domestic insurance organization which has not adopted emergency bylaws approved by the superintendent shall have all of the powers of an emergency board of directors as the same are provided for under this chapter.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3557. Governor's authority; effect of other laws

The Governor of this State, or his successor in office, alone shall have the power to proclaim and declare the fact that a period of "acute emergency" exists at any time or times or has terminated, as such term is defined in this chapter. Nothing in this chapter shall be deemed or construed to affect sections 471 to 479, to the extent that the latter sections may be inconsistent herewith.

DOMESTIC MUTUAL ASSESSMENT INSURERS

§3601. Scope of chapter

1. This chapter applies only as to domestic mutual insurers heretofore or hereafter authorized to transact and transacting property insurances in this State on the assessment plan, as defined in section 3603, and to the assessment department of insurers also transacting insurance on the cash premium plan.

[PL 1969, c. 177, §60 (AMD).]

2. Insurers to the extent to which subject to this chapter may in this chapter be referred to as "mutual assessment insurers."
[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§3602. Chapter exclusive

Nothing in this Title shall either directly or indirectly apply to such mutual assessment insurers except as contained or referred to in this chapter. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§3603. Mutual assessment plans; definitions

1. For the purposes of this Title a mutual assessment insurer is a mutual insurer which is doing business on:
   A. A post-loss assessment plan; or [PL 1969, c. 132, §1 (NEW).]
   B. On an advance assessment or contingent liability plan. [PL 1969, c. 132, §1 (NEW).]
   [PL 1969, c. 132, §1 (NEW).]
   2. A post-loss assessment plan insurer is one which depends in whole or substantial part on regular or special assessments levied upon its members after a loss or series of losses for payment of losses and expenses. A post-loss assessment plan insurer may collect from each member such initial amount as it may deem proper prior to or at the time of the effectuation of the member's insurance. Future regular or special assessments may be secured by use of a premium note signed by the policyholder. [PL 1969, c. 132, §1 (NEW).]
   3. An advance assessment plan insurer shall by its bylaws and policies fix the contingent mutual liability of its members for the payment of losses and expenses not provided for by its cash funds; but such contingent liability of a member shall not be less than one or more than 6 times the advance assessment for the member's policy at the annual advance assessment rate for a term of one year. Such an advance assessment plan insurer may issue both assessable and nonassessable advance cash premium policies. SECTION HISTORY

§3703. Establishment

The Maine Employers' Mutual Insurance Company is established as an assessable domestic mutual insurance company subject to all the requirements and standards of this Title that are applicable to cash plan insurers unless specifically exempted from or which are clearly inconsistent with the provisions contained in this chapter. 1. Workers' compensation. The company shall provide workers' compensation insurance and employers' liability insurance incidental to and written in connection with workers' compensation coverage to employers in this State. Rates for employment practices liability insurance are subject to chapter 25. The company may not write other lines of insurance. The company may reinsure workers' compensation and employers' liability insurance written by other insurers that are covering out-of-state employees of Maine-based employers that are insured by the company. The company may form or acquire subsidiary insurers in other states that are authorized to write only workers' compensation insurance, employers' liability insurance and employment practices liability insurance as long as such coverage is incidental to and written in connection with workers' compensation coverage. The superintendent may authorize a subsidiary insurer formed or acquired by the company to write workers' compensation, employers' liability and employment practices liability insurance in this State as long as such coverage is incidental to and written in connection with coverage in the state in which the insured's principal place of business is located. §3871. Time limit for assessments

Every subscriber of a domestic reciprocal insurer having contingent liability shall be liable for, and shall pay his share of any assessment, as computed and limited in accordance with this chapter, if:  

1. While his policy is in force or within one year after its termination, he is notified by either the attorney or the superintendent of his intentions to levy such assessment, or  

2. If an order to show cause why a receiver, conservator, rehabilitator or liquidator of the insurer should not be appointed is issued while his policy is in force or within one year after its termination.  

SECTION HISTORY

§3872. Aggregate liability

No one policy or subscriber as to such policy shall be assessed or charged with an aggregate of contingent liability as to obligations incurred by a domestic reciprocal insurer in any one calendar year, in excess of the amount provided for in the power of attorney or in the subscribers' agreement, computed solely upon premium earned on such policy during that year.  

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§3873. Nonassessable policies

1. If a reciprocal insurer has a surplus of assets over all liabilities at least equal to the minimum capital stock and surplus required to be maintained by a domestic stock insurer authorized to transact like kinds of insurance, upon application of the attorney and as approved by the subscribers' advisory committee the superintendent shall issue his certificate authorizing the insurer to extinguish the contingent liability of subscribers under its policies then in force in this State, and to omit provisions imposing contingent liability in all policies delivered or issued for delivery in this State for so long as all such surplus remains unimpaired.  

2. Upon impairment of such surplus, the superintendent shall forthwith revoke the certificate. Such revocation shall not render subject to contingent liability any policy then in force and for the remainder of the period for which the premium has theretofore been paid; but after such revocation no policy shall be issued or renewed without providing for contingent assessment liability of the subscriber.  

[PL 1973, c. 585, §12 (AMD).]
3. The superintendent shall not authorize a domestic reciprocal insurer so to extinguish the contingent liability of any of its subscribers or in any of its policies to be issued, unless it qualified to and does extinguish such liability of all its subscribers and in all such policies for all kinds of insurance transacted by it. Except, that if required by the laws of another state in which the insurer is transacting insurance as an authorized insurer, the insurer may issue policies providing for the contingent liability of such of its subscribers as may acquire such policies in such state, and need not extinguish the contingent liability applicable to policies theretofore in force in such state.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3874. Subscribers' share in assets

Upon the liquidation of a domestic reciprocal insurer, its assets remaining after discharge of its indebtedness and policy obligations, the return of any contributions of the attorney or other persons to its surplus, and the return of any unused premium, savings or credits then standing on subscribers' accounts, shall be distributed to its subscribers who were such within the 12 months prior to the last termination of its certificate of authority, according to such reasonable formula as the superintendent may approve.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3875. Merger or conversion

1. A domestic reciprocal insurer upon affirmative vote of not less than 2/3 of its subscribers who vote on such merger pursuant to due notice and the approval of the superintendent of the terms therefor, may merge with another reciprocal insurer or be converted to a stock or mutual insurer.

[PL 1973, c. 585, §12 (AMD).]

2. Such a stock or mutual insurer shall be subject to the same capital or surplus requirements and shall have the same rights as a like domestic insurer transacting like kinds of insurance.

[PL 1969, c. 132, §1 (NEW).]

3. The superintendent shall not approve any plan for such merger or conversion which is inequitable to subscribers, or which, if for conversion to a stock insurer, does not give each subscriber preferential right to acquire stock of the proposed insurer proportionate to his interest in the reciprocal insurer as determined in accordance with section 3874 and a reasonable length of time within which to exercise such right.

[PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§3876. Impaired reciprocals

1. If the assets of a domestic reciprocal insurer are at any time insufficient to discharge its liabilities, other than any liability on account of funds contributed by the attorney or others, and to maintain the required surplus, its attorney shall forthwith make up the deficiency or levy an assessment upon the subscribers for the amount needed to make up the deficiency; but subject to the limitation set forth in the power of attorney or policy.

[PL 1969, c. 132, §1 (NEW).]

2. If the attorney fails to make up such deficiency or to make the assessment within 30 days after the superintendent orders him to do so or if the deficiency is not fully made up within 60 days after the
date the assessment was made, the insurer shall be deemed insolvent and shall be proceeded against as authorized by this Title.
[PL 1973, c. 585, §12 (AMD).]

3. If liquidation of such an insurer is ordered, an assessment shall be levied upon the subscribers for such an amount, subject to limits as provided by this chapter, as the superintendent determines to be necessary to discharge all liabilities of the insurer, exclusive of any funds contributed by the attorney or other persons, but including the reasonable cost of the liquidation.
[PL 1973, c. 585, §12 (AMD).]

**SECTION HISTORY**

§3956. **Selection of administrator**

1. **Selection of administrator.** The board shall select an insurer or 3rd-party administrator through a competitive bidding process to administer the reinsurance provided by the association.

2. **Contract with administrator.** The administrator selected pursuant to subsection 1 serves for a period of 3 years pursuant to a contract with the association. At least one year prior to the expiration of that 3-year period of service, the board shall invite all insurers, including the current administrator, to submit bids to serve as the administrator for the succeeding 3-year period. The board shall select the administrator for the succeeding period at least 6 months prior to the ending of the 3-year period.

3. **Duties of administrator.** The administrator selected pursuant to subsection 1 shall:
   A. Perform all administrative functions relating to the association; [PL 2011, c. 90, Pt. B, §8 (NEW).]
   B. Submit regular reports to the board regarding the operation of the association. The frequency, content and form of the reports must be as determined by the board; [PL 2011, c. 90, Pt. B, §8 (NEW).]
   C. Following the close of each calendar year in which premiums are collected for reinsurance, determine reinsurance premiums less any administrative expense allowance, the expense of administration pertaining to the reinsurance operations of the association and the incurred losses of the year, and report this information to the superintendent; and [PL 2019, c. 653, Pt. B, §16 (AMD).]

As used in this subsection, "direct and indirect expenses" includes that portion of the audited administrative costs, printing expenses, claims administration expenses, management expenses, building overhead expenses and other actual operating and administrative expenses of the administrator that are approved by the board as allocable to the administration of the association and included in the bid specifications pursuant to subsection 1.

[PL 2011, c. 90, Pt. B, §8 (NEW).]

SECTION HISTORY

§3957. Assessments against insurers

1. Assessments. For the purpose of providing the funds necessary to carry out the powers and duties of the association under section 3955, the board shall assess insurers at such a time and for such amounts as the board finds necessary. Assessments are due not less than 30 days after written notice to the insurers and accrue interest at 12% per annum on and after the due date.

[PL 2011, c. 90, Pt. B, §8 (NEW).]

2. Maximum assessment. The board shall assess each insurer an amount not to exceed $4 per month per covered person enrolled in medical insurance insured, reinsured or administered by the insurer. An insurer may not be assessed on policies or contracts insuring federal or state employees except for policies or contracts insuring Legislators and their dependents. For policies or contracts insuring Legislators and their dependents, Legislators shall pay the amount of the assessment to the insurer.

[PL 2011, c. 452, §1 (AMD).]

3. Determination of assessment. The board shall make reasonable efforts to ensure that each covered person is counted only once with respect to an assessment. For that purpose, the board shall require each insurer that obtains excess or stop loss insurance to include in its count of covered persons all persons whose coverage is insured, in whole or in part, through excess or stop loss coverage. The board shall allow a reinsurer to exclude from its number of covered persons those who have been counted by the primary insurer or by the primary reinsurer or primary excess or stop loss insurer for the purpose of determining its assessment under this subsection. The board may verify the amount of each insurer's assessment based on annual statements and other reports determined to be necessary by the board. The board may use any reasonable method of estimating the number of covered persons of an insurer if the specific number is not reported.

[PL 2011, c. 90, Pt. B, §8 (NEW).]

4. Organizational assessments. The board may assess insurers for the purpose of organizing the association. Organizational assessments must be equal in amount for all insurers but may not exceed $500 per insurer for all such assessments.

[PL 2011, c. 90, Pt. B, §8 (NEW).]

5. Assessments to cover net losses. In addition to the assessment described in subsections 1 to 3, the board shall assess insurers at such a time and for such amounts as the board finds necessary to cover any net loss in an amount not to exceed $2 per month per covered person enrolled in medical insurance insured, reinsured or administered by the insurer in accordance with this subsection.

A. Before April 1st of each year, the association shall determine and report to the superintendent the association's net losses for the previous calendar year, including administrative expenses and incurred losses for the year, taking into account investment income and other appropriate gains and losses and an estimate of the assessments needed to cover the losses incurred by the association in the previous calendar year.

[PL 2011, c. 90, Pt. B, §8 (NEW).]
B. [PL 2011, c. 621, §3 (RP).]

C. The association shall impose a penalty of interest on insurers for late payment of assessments. [PL 2011, c. 90, Pt. B, §8 (NEW).]

D. An insurer may not be assessed on policies or contracts insuring federal or state employees, except for policies or contracts insuring Legislators and their dependents. Any assessment required under this subsection on policies or contracts insuring Legislators and their dependents must be paid as provided in subsection 2. [PL 2011, c. 452, §2 (NEW).]

[PL 2011, c. 621, §3 (AMD).]

6. Deferral of assessment. An insurer may apply to the superintendent for a deferral of all or part of an assessment imposed by the association under this section. The superintendent may defer all or part of the assessment if the superintendent determines that the payment of the assessment would place the insurer in a financially impaired condition. If all or part of the assessment is deferred, the amount deferred must be assessed against other insurers in a proportionate manner consistent with this section. The insurer that receives a deferral remains liable to the association for the amount deferred and is prohibited from reinsuring any person through the association until such time as the insurer pays the assessments.

[PL 2011, c. 90, Pt. B, §8 (NEW).]

7. Excess funds. If assessments and other receipts by the association, board or administrator selected pursuant to section 3956 exceed the actual losses and administrative expenses of the association, the board shall hold the excess as interest and shall use those excess funds to offset future losses or to reduce reinsurance premiums. As used in this subsection, "future losses" includes reserves for claims incurred but not reported.

[PL 2011, c. 90, Pt. B, §8 (NEW).]

8. Failure to pay assessment. The superintendent may suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this State of any member insurer that fails to pay an assessment. As an alternative, the superintendent may levy a penalty on any insurer that fails to pay an assessment when due. In addition, the superintendent may use any power granted to the superintendent by this Title to collect any unpaid assessment.

[PL 2011, c. 90, Pt. B, §8 (NEW).]

SECTION HISTORY

§3958. Reinsurance; premium rates

1. Reinsurance amount. A member insurer offering an individual health plan under section 2736-C must be reinsured by the association to the level of coverage provided in this subsection and is liable to the association for any applicable reinsurance premium at the rate established in accordance with subsection 2. For calendar year 2022 and subsequent calendar years, the association shall also reinsure member insurers for small group health plans issued under section 2808-B, unless otherwise provided in rules adopted by the superintendent pursuant to section 2792, subsection 5.

A. Beginning July 1, 2012, except as otherwise provided in paragraph A-1, the association shall reimburse a member insurer for claims incurred with respect to a person designated for reinsurance by the member insurer pursuant to section 3959 after the insurer has incurred an initial level of claims for that person of $7,500 for covered benefits in a calendar year. In addition, the insurer is responsible for 10% of the next $25,000 of claims paid during a calendar year. The amount of
reimbursement is 90% of the amount incurred between $7,500 and $32,500 and 100% of the amount incurred in excess of $32,500 for claims incurred in that calendar year with respect to that person. For calendar year 2012, only claims incurred on or after July 1st are considered in determining the member insurer's reimbursement. With the approval of the superintendent, the association may annually adjust the initial level of claims and the maximum limit to be retained by the insurer to reflect changes in costs, utilization, available funding and any other factors affecting the sustainable operation of the association. [PL 2019, c. 653, Pt. B, §18 (AMD).]

A-1. In any plan year in which a pooled market is operating in accordance with section 2792, the association shall operate a retrospective reinsurance program providing coverage to member insurers for all individual and small group health plans issued in this State in that plan year. For plan years beginning in 2022, if the pooled market has not been implemented pursuant to section 2792, subsection 5, the association may operate a retrospective reinsurance program for individual health plans, subject to the approval of the superintendent.

1. The association shall reimburse member insurers based on the total eligible claims paid during a calendar year for a single individual in excess of the attachment point specified by the board. The board may establish multiple layers of coverage with different attachment points and different percentages of claims payments to be reimbursed by the association.

2. Eligible claims by all individuals enrolled in individual or small group health plans in this State may not be disqualified for reimbursement on the basis of health conditions, predesignation by the member insurer or any other differentiating factor.

3. The board shall annually review the attachment points and coinsurance percentages and make any adjustments that are necessary to ensure that the retrospective reinsurance program operates on an actuarially sound basis.

4. The board shall ensure that any surplus in the retrospective reinsurance program at the conclusion of a plan year is used to lower attachment points, increase coinsurance rates or both for that plan year, consistent with its responsibility to ensure that the program operates on an actuarially sound basis. [PL 2019, c. 653, Pt. B, §18 (NEW).]

B. A member insurer shall apply all managed care, utilization review, case management, preferred provider arrangements, claims processing and other methods of operation without regard to whether claims paid for coverage are reinsured under this subsection. A member insurer shall report for each plan year the name of each high-priced item or service for which its payment exceeded the amount allowed for eligible claims and the name of the provider that received this payment. The association shall annually compile and publish a list of all reported names. [PL 2019, c. 653, Pt. B, §18 (AMD).]

2. Premium rates. The association, as part of the plan of operation under section 3953, subsection 3, shall establish a methodology for determining premium rates to be charged member insurers to reinsure persons eligible for coverage under this chapter. The methodology must include a system for classification of persons eligible for coverage that reflects the types of case characteristics used by insurers for individual health plans pursuant to section 2736-C, together with any additional rating factors the association determines to be appropriate. The methodology must provide for the development of base reinsurance premium rates, subject to approval of the superintendent, set at levels that, together with other funds available to the association, will be sufficient to meet the anticipated costs of the association. The association shall periodically review the methodology established under this subsection and may make changes to the methodology as needed with the approval of the superintendent. The association may consider adjustments to the premium rates charged for reinsurance to reflect the use of effective cost containment and managed care arrangements by an insurer. This subsection does not apply to reinsurance with respect to any calendar year for which the association
operates a retrospective reinsurance program under subsection 1, paragraph A-1. With the approval of the superintendent, the association's plan of operation for a retrospective reinsurance program may include a provision for charging premium on an equitable basis to all member insurers. [PL 2019, c. 653, Pt. B, §18 (AMD).]

§3959. Designation for reinsurance

1. **Designation.** The association shall provide reinsurance to a member insurer for a person designated for reinsurance by a member insurer, if the designation was made:

   B. As a mandatory designation pursuant to subsection 2 on the basis of the existence or history of any medical or health condition on the list developed by the board pursuant to subsection 2; or [PL 2011, c. 621, §6 (NEW).]

   C. On the basis of an omission of material information from the health statement developed by the board pursuant to section 3955, subsection 1, paragraph E or misrepresentation of the person's health status on the health statement. [PL 2011, c. 621, §6 (NEW).]

   [PL 2019, c. 653, Pt. B, §19 (AMD).]

2. **Mandatory designation.** The board shall develop a list of medical or health conditions for which a person must be designated for reinsurance by a member insurer. If a person's health statement, claims history or risk scores demonstrate the existence or history of any medical or health conditions on the list developed by the board at the time the plan is issued or when the person is added to the plan, the member insurer shall designate the person for reinsurance. The board may amend the list from time to time as appropriate. [PL 2011, c. 621, §6 (AMD).]

3. **Enrolling additional persons.** A member insurer may designate a person for reinsurance pursuant to this section when the person is added to an individual health plan. [PL 2011, c. 621, §6 (NEW).]

4. **Designation effective date and premium.** The designation of a person for reinsurance is effective as of the effective date of the primary coverage provided by the member insurer, except that the earliest effective date for any reinsurance is July 1, 2012. A member insurer's premium for reinsurance begins to accrue as of the effective date of the designation. [PL 2011, c. 621, §6 (NEW).]

5. **Inapplicability.** This section does not apply to reinsurance with respect to any calendar year for which the association operates a retrospective reinsurance program under section 3958, subsection 1, paragraph A-1. [PL 2019, c. 653, Pt. B, §20 (NEW).]

§4119. The contract

Every society authorized to do business in this State shall issue to each benefit member a certificate
specifying the amount of benefits provided thereby. The certificate, together with any riders or
endorsements attached thereto, the charter or articles of incorporation, the constitution and laws of the
society, the application for membership, and declaration of insurability, if any, signed by the applicant,
and all amendments to each thereof, shall constitute the agreement, as of the date of issuance, between
the society and the member, and the certificate shall so state. A copy of the application for membership
and of the declaration of insurability, if any, shall be endorsed upon or attached to the certificate. [PL
1969, c. 132, §1 (NEW).]
All statements purporting to be made by the member shall be representations and not warranties. Any waiver of this provision shall be void. [PL 1969, c. 132, §1 (NEW).]

Any changes, additions or amendments to the charter or articles of incorporation, constitution or laws duly made or enacted subsequent to the issuance of the certificate, shall bind the member and the beneficiaries, and shall govern and control the agreement in all respects the same as though such changes, additions or amendments had been made prior to and were in force at the time of the application for membership, except that no change, addition or amendment shall destroy or diminish benefits which the society contracted to give the member as of the date of issuance. [PL 1969, c. 132, §1 (NEW).]

Copies of any of the documents mentioned in this section, certified by the secretary or corresponding officer of the society, shall be received in evidence of the terms and conditions thereof. [PL 1969, c. 132, §1 (NEW).]

A society shall provide in its constitution or laws that if its reserves as to all or any class of certificates become impaired its board of directors or corresponding body may require that there shall be paid by the member to the society the amount of the member's equitable proportion of such deficiency as ascertained by its board, and that if the payment be not made it shall stand as an indebtedness against the certificate and draw interest not to exceed 5% per annum compounded annually. [PL 1969, c. 132, §1 (NEW).]

§4120. Life benefit certificate provisions, standard and prohibited

No life benefit certificate may be delivered or issued for delivery in this State unless a copy of the form shall have been filed with the superintendent and approved by him as conforming to the requirements of this section and not inconsistent with any other provisions of law applicable thereto. For each such form filing, the society shall pay the superintendent a fee which shall be the same as for an insurer, as provided in section 601. A certificate shall be deemed approved unless disapproved by the superintendent within 60 days from the date of that filing. [PL 1983, c. 419, §11 (AMD).]

1. The certificate shall contain in substance the following standard provisions or, in lieu thereof, provisions which are more favorable to the member:

A. Title on the face and filing page of the certificate clearly and correctly describing its form; [PL 1969, c. 132, §1 (NEW).]

B. A provision stating the amount of rates, premiums or other required contributions, by whatever name known, which are payable by the insured under the certificate; [PL 1969, c. 132, §1 (NEW).]

C. A provision that the member is entitled to a grace period of not less than a full month, or 30 days at the option of the society, in which the payment of any premium after the first may be made. During such grace period the certificate shall continue in full force, but in case the certificate becomes a claim during the grace period before the overdue payment is made, the amount of such overdue payment or payments may be deducted in any settlement under the certificate; [PL 1969, c. 132, §1 (NEW).]

D. A provision that the member shall be entitled to have the certificate reinstated at any time within 3 years from the due date of the premium in default, unless the certificate has been completely terminated through the application of a nonforfeiture benefit, cash surrender value or certificate loan, upon the production of evidence of insurability satisfactory to the society and the payment of all overdue premiums with interest at a rate not exceeding 6% per annum compounded annually, and the payment or reinstatement of any other indebtedness to the society upon the certificate with
interest at a rate determined under the terms of the certificate in accordance with sections 2552 to
2554; [PL 1981, c. 188, §5 (AMD).]

E. Except in the case of pure endowment, annuity or reversionary annuity contracts, reducing term
insurance contracts, or contracts of term insurance of uniform amount of 15 years or less expiring
before age 66, a provision that, in the event of default in payment of any premium after 3 full years'
premiums have been paid or after premiums for a lesser period have been paid if the contract so
provides, the society will grant, upon proper request not later than 60 days after the due date of the
premium in default, a paid-up nonforfeiture benefit on the plan stipulated in the certificate, effective
as of such due date, of such value as specified in this chapter. The certificate may provide, if the
society's laws so specify or if the member shall so elect prior to the expiration of the grace period
of any overdue premium, that default shall not occur so long as premiums can be paid under the
provisions of an arrangement for automatic premium loan as may be set forth in the certificate; [PL
1969, c. 132, §1 (NEW).]

F. A provision that one paid-up nonforfeiture benefit as specified in the certificate shall become
effective automatically unless the member elects another available paid-up nonforfeiture benefit,
not later than 60 days after the due date of the premium in default; [PL 1969, c. 132, §1 (NEW).]

G. A statement of the mortality table and rate of interest used in determining all paid-up
nonforfeiture benefits and cash surrender options available under the certificate, and a brief general
statement of the method used in calculating such benefits; [PL 1969, c. 132, §1 (NEW).]

H. A table showing in figures the value of every paid-up nonforfeiture benefit and cash surrender
option available under the certificate for each certificate anniversary either during the first 20
certificate years or during the term of the certificate whichever is shorter; [PL 1969, c. 132, §1
(NEW).]

I. A provision that the certificate shall be incontestable after it has been in force during the lifetime
of the member for a period of 2 years from its date of issue except for nonpayment of premiums,
violation of the provisions of the certificate relating to military, aviation or naval service and
violation of the provisions relating to suspension or expulsion as substantially set forth in the
certificate. At the option of the society, supplemental provisions relating to benefits in the event of
temporary or permanent disability or hospitalization and provisions which grant additional
insurance specifically against death by accident or accidental means may also be excepted. The
certificate shall be incontestable on the ground of suicide after it has been in force during the
lifetime of the member for a period of 2 years from date of issue. The certificate may provide, as
to statements made to procure reinstatement, that the society shall have the right to contest a
reinstated certificate within a period of 2 years from date of reinstatement with the same exceptions
as herein provided; [PL 1969, c. 132, §1 (NEW).]

J. A provision that in case the age or sex of the member or of any other person is considered in
determining the premium and it is found at any time before final settlement under the certificate
that the age or sex has been misstated, and the discrepancy and premium involved have not been
adjusted, the amount payable shall be such as the premium would have purchased at the correct age
and sex; but if the correct age or sex was not an insurable age or sex under the society's charter or
laws, only the premiums paid to the society, less any payments previously made to the member,
shall be returned or, at the option of the society, the amount payable under the certificate shall be
such as the premium would have purchased at the correct age and sex according to the society's
promulgated rates and any extension thereof based on actuarial principles; [PL 1969, c. 132, §1
(NEW).]

K. A provision or provisions which recite fully, or which set forth the substance of, all sections of
the charter, constitution, laws, rules or regulations of the society, in force at the time of issuance of
the certificate, the violation of which will result in the termination of, or in the reduction of, the benefit or benefits payable under the certificate; and [PL 1969, c. 132, §1 (NEW).]

L. If the constitution or laws of the society provide for expulsion or suspension of a member, any member so expelled or suspended, except for nonpayment of a premium or within the contestable period for material misrepresentations in such member's application for membership, must have the privilege of maintaining the member's insurance in force by continuing payment of the required premium. [RR 2015, c. 1, §30 (COR).]

Any of the foregoing provisions or portions thereof not applicable by reason of the plan of insurance or because the certificate is an annuity certificate may to the extent inapplicable be omitted from the certificate. [RR 2015, c. 1, §30 (COR).]

2. No life benefit certificate may be delivered or issued for delivery in this State containing in substance any of the following provisions:

A. Any provision limiting the time within which any action at law or in equity may be commenced to less than 2 years after the cause of action shall accrue; [PL 1969, c. 132, §1 (NEW).]

B. Any provision by which the certificate shall purport to be issued or to take effect more than 6 months before the original application for the certificate was made, except in case of transfer from one form of certificate to another in connection with which the member is to receive credit for any reserve accumulation under the form of certificate from which the transfer is made; [PL 1989, c. 176, §7 (AMD).]

C. Any provision for forfeiture of the certificate for failure to repay any loan thereon or to pay interest on such loan while the total indebtedness, including interest, is less than the loan value of the certificate; or [PL 1989, c. 176, §7 (AMD).]

D. Any provision providing more restrictive coverage or excluding coverage for death resulting from Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC) or HIV related diseases except this provision shall not apply to death by accident or accidental means. [PL 1989, c. 176, §7 (NEW).]

[PL 1989, c. 176, §7 (AMD).]

3. The word "premiums" as used in this chapter means premiums, rates or other required contributions by whatever name known. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§4121. Accident and health insurance and total and permanent disability insurance certificates

No society may issue or deliver in this State any certificate or other evidence of any contract or accident insurance or health insurance or of any total and permanent disability insurance contract unless and until the form thereof, together with the form of application and all riders or endorsements for use in connection therewith, has been filed with the superintendent and approved by him as conforming to reasonable rules from time to time made by him and as not inconsistent with any other provisions of law applicable thereto. For each such form filing, the society shall pay the superintendent a fee which shall be the same as for an insurer, as provided in section 601. The superintendent shall, within a reasonable time after the filing of any such form, notify the society filing the form either of his approval or of his disapproval of that form. The superintendent may approve any such form which in his opinion contains provisions on any one or more of the several requirements made by him which are more favorable to the members than the one or ones so required. The superintendent may make, alter and
supersede reasonable regulations prescribing the required, optional and prohibited provisions in such contracts, and such regulations shall conform, as far as practicable, to chapter 33. Where the superintendent deems inapplicable, either in part or in their entirety, the provisions of the foregoing sections, he may prescribe the portions or summary thereof of the contract to be printed on the certificate issued to the member. Any filing made under this section shall be deemed approved unless disapproved within 60 days from the date of such filing. The procedures governing all rules promulgated under authority of this section shall conform to the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter II. [PL 1983, c. 419, §12 (AMD).]

SECTION HISTORY

§4121-A. Acquired Immune Deficiency Syndrome

No certificate providing health insurance benefits delivered or issued for delivery in this State, other than a certificate providing benefits for specific diseases or accidental injuries only, may provide more restrictive coverage for Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex or HIV related diseases than for any other disease or sickness or exclude coverage for Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC) or HIV related diseases except through an exclusion under which all sicknesses and diseases are treated the same. [PL 1989, c. 176, §8 (NEW).]

SECTION HISTORY
PL 1989, c. 176, §8 (NEW).

§4122. Waiver

It may take credit for the reserves on such ceded risks to the extent reinsured, but no credit shall be allowed as an admitted asset or as a deduction from liability, to a ceding society for reinsurance made, ceded, renewed, or otherwise becoming effective after January 1, 1970, unless the reinsurance is payable by the assuming insurer on the basis of the liability of the ceding society under the contract or contracts reinsured without diminution because of the insolvency of the ceding society. [PL 1973, c. 625, §154 (AMD).]

SECTION HISTORY

§4124. Licenses

A license must be issued to each fraternal benefit society that qualifies under this chapter. The license continues in full force and effect until suspended or revoked by the superintendent. Upon
issuance of the license and annually thereafter the society shall pay the superintendent a fee that is the same as for an insurer as provided in section 601. A duly certified copy or duplicate of such license is prima facie evidence that the licensee is a fraternal benefit society within the meaning of this chapter. On or before July 1st of each year, the superintendent shall forward to each fraternal benefit society an itemized bill of the amount due for the filing of the annual statement and the amount due for the certificate of authority annual fee. [PL 1997, c. 592, §68 (AMD).]

he shall notify the society of such deficiency or deficiencies and state in writing the reasons for his dissatisfaction. He shall at once issue a written notice to the society requiring that the deficiency or deficiencies which exist are corrected. After such notice the society shall have a 30-day period in which to comply with the superintendent's request for correction, and if the society fails to comply, the superintendent shall notify the society of his findings of noncompliance and require the society to show cause on a date named why it should not be enjoined from carrying on any business until the violation complained of shall have been corrected, or why an action in quo warranto should not be commenced against the society.

If on such date the society does not present good and sufficient reasons why it should not be so enjoined or why such action should not be commenced, the superintendent may present the facts relating thereto to the Attorney General who shall, if he deems the circumstances warrant, commence an action to enjoin the society from transacting business or in quo warranto.

The court shall thereupon notify the officers of the society of a hearing. If after a full hearing it appears that the society should be so enjoined or liquidated or a receiver appointed, the court shall enter the necessary order.

[PL 1973, c. 585, §12 (AMD).]

2. No society so enjoined shall have the authority to do business until:

A. The superintendent finds that the violation complained of has been corrected; [PL 1973, c. 585, §12 (AMD).]

B. The cost of such action shall have been paid by the society if the court finds that the society was in default as charged; [PL 1969, c. 132, §1 (NEW).]

C. The court has dissolved its injunction; and [PL 1969, c. 132, §1 (NEW).]

D. The society's certificate of authority has been reinstated. [PL 1977, c. 694, §431 (RPR).] [PL 1977, c. 694, §431 (AMD).]

3. If the court orders the society liquidated, it shall be enjoined from carrying on any further business, whereupon the receiver of the society shall proceed at once to take possession of the books, papers, money and other assets of the society and, under the direction of the court, proceed forthwith to close the affairs of the society and to distribute its funds to those entitled thereto.

[PL 1969, c. 132, §1 (NEW).]

4. No action under this section shall be recognized in any court of this State unless brought by the Attorney General upon request of the superintendent. Whenever a receiver is to be appointed for a domestic society, the court shall appoint the superintendent as such receiver.

[PL 1973, c. 585, §12 (AMD).]

5. The provisions of this section relating to hearing by the superintendent, action by the Attorney General at the request of the superintendent, hearing by the court, injunction and receivership shall be applicable to a society which shall voluntarily determine to discontinue business.

[PL 1973, c. 585, §12 (AMD).]

6. Nothing in this section may be construed as limiting the superintendent's authority to take enforcement action under section 12-A in connection with violations of applicable provisions of this Title.

The superintendent may suspend, revoke or refuse the license of a foreign or alien society transacting or applying to transact business in this State as set out in this section. [PL 2009, c. 13, §5 (NEW).]

1. Investigation. If, upon investigation, the superintendent finds that a foreign or alien society transacting or applying to transact business in this State has exceeded its powers, has failed to comply with any of the provisions of this chapter, is not fulfilling its contracts in good faith or is conducting its business fraudulently or in a manner hazardous to its members or creditors or the public, the superintendent shall notify the society of the deficiency or deficiencies and state in writing the reasons that warrant suspension, revocation or refusal of the society's license. The notice must require that the deficiency or deficiencies be corrected.

After receipt of the notice, the society has 30 days to comply with the superintendent's request for correction, and if the society fails to comply, the superintendent shall notify the society of the findings of noncompliance and require the society to show cause, on a date set by the superintendent, why its license should not be suspended, revoked or refused. If on that date the society does not present good and sufficient reason why its authority to do business in this State should not be suspended, revoked or refused, the superintendent may suspend or refuse the license of the society to do business in this State until satisfactory evidence is furnished to the superintendent that the suspension or refusal should be withdrawn or the superintendent may revoke the authority of the society to do business in this State. [PL 2009, c. 13, §5 (NEW).]

2. Continue contracts. Nothing in this section may be construed as preventing any foreign or alien society from continuing in good faith all contracts made in this State during the time the society was legally authorized to transact business in this State. [PL 2009, c. 13, §5 (NEW).]

3. Enforcement action. Nothing in this section may be construed as limiting the superintendent's authority to take enforcement action under section 12-A in connection with violations of applicable provisions of this Title. [PL 2009, c. 13, §5 (NEW).]

1. Officer devoting substantial time to activities other than solicitation or negotiation of insurance contracts. Any officer, employee or secretary of any such society or of any subordinate lodge or branch thereof who devotes substantially all of his time to activities other than the solicitation or negotiation

SECTION HISTORY

§4129. Service of process

Every society authorized to do business in this State shall appoint in writing an agent located in the State upon whom all lawful process in any action or proceeding against it is served and shall agree in writing that any lawful process against it that is served on the agent is of the same legal force and validity as if served upon the society and that the authority continues in force so long as any liability remains outstanding in this State. Copies of such appointment certified by the appointed agent are deemed sufficient evidence of the appointment and may be admitted in evidence with the same force and effect as the original. [PL 1997, c. 592, §69 (AMD).]

Service may only be made upon the appointed agent or, if absent, upon the person in charge. It must be made in duplicate and constitutes sufficient service upon the society. When legal process against a society is served upon the appointed agent, the appointed agent shall forthwith forward one of the duplicate copies by registered mail, prepaid, directed to the secretary or corresponding officer. Legal process may not be served upon a society except as provided in this section. [PL 1997, c. 592, §69 (AMD).]

[PL 1969, c. 132, §1 (NEW).]

Every society, the admitted assets of which are less than the sum of its accrued liabilities and reserves under all of its certificates when valued according to standards required for certificates issued after one year from the effective date of this chapter, shall, in every provision of the laws of the society for payments by members of such society, in whatever form made, distinctly state the purpose of the same and the proportion thereof which may be used for expenses, and no part of the money collected for mortuary or disability purposes or the net accretions thereto shall be used for expenses. §4134. Reports and valuations

Reports shall be filed and synopses of annual statements shall be published in accordance with the provisions of this section. [PL 1969, c. 132, §1 (NEW).]

1. Every society transacting business in this State shall annually, on or before the first day of March, unless for cause shown such time has been extended by the superintendent, file with the superintendent a true statement of its financial condition, transactions and affairs for the preceding calendar year. The statement must be in general form and context as approved by the National Association of Insurance Commissioners for fraternal benefit societies and as supplemented by additional information required by the superintendent. The society shall also file quarterly statements in accordance with the National Association of Insurance Commissioners quarterly statement instructions for fraternal benefit societies, if applicable, and shall report material investment and reinsurance transactions consistent with section 423-C. If the society provides health care benefits, it shall file a health insurance supplement consistent with section 423-D. The fee for filing the annual statement is the same as for an insurer as provided in section 601. [PL 2017, c. 169, Pt. A, §8 (AMD).]

2. A synopsis of its annual statement providing an explanation of the facts concerning the condition of the society thereby disclosed shall be printed and mailed to each benefit member of the society not later than June 1 of each year, or, in lieu thereof, such synopsis may be published in the society's official publication. [PL 1969, c. 132, §1 (NEW).]
3. As a part of the annual statement herein required, each society shall, on or before the 1st day of March, file with the superintendent a valuation of its certificates in force on December 31 last preceding, provided the superintendent may, in his discretion for cause shown, extend the time for filing such valuation for not more than 2 calendar months. Such report of valuation shall show, as reserve liabilities, the difference between the present midyear value of the promised benefits provided in the certificates of such society in force and the present midyear value of the future net premiums as the same are in practice actually collected, not including therein any value for the right to make extra assessments and not including any amount by which the present midyear value of future net premiums exceeds the present midyear value of promised benefits on individual certificates. At the option of any society, in lieu of the above, the valuation may show the net tabular value. Such net tabular value as to certificates issued prior to one year after January 1, 1970 shall be determined in accordance with the provisions of law applicable prior to January 1, 1970 and as to certificates issued on or after one year from January 1, 1970 shall not be less than the reserves determined according to the superintendent's reserve valuation method as hereinafter defined. If the premium charged is less than the tabular net premium according to the basis of valuation used, an additional reserve equal to the present value of the deficiency in such premiums shall be set up and maintained as a liability. The reserve liabilities shall be properly adjusted in the event that the midyear or tabular values are not appropriate. [PL 1973, c. 625, §156 (AMD).]

4. Reserves according to the superintendent's reserve valuation method for the life insurance and endowment benefits of certificates providing for a uniform amount of insurance and requiring the payment of uniform premiums must be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such certificates, over the then present value of any future modified net premiums therefor. The modified net premiums for any such certificate must be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the certificate, of all such modified net premiums is equal to the sum of the then present value of such benefits provided for by the certificate and the excess of A over B, as follows:

A. A net level premium equal to the present value, at the date of issue, of such benefits provided for after the first certificate year, divided by the present value, at the date of issue, of an annuity of one per annum payable on the first and each subsequent anniversary of such certificate on which a premium falls due; provided however that such net level annual premium may not exceed the net level annual premium on the 19-year premium whole life plan for insurance of the same amount at an age 1 year higher than the age at issue of such certificate; and [PL 2013, c. 588, Pt. A, §28 (AMD).]

B. A net one-year term premium for such benefits provided for in the first certificate year. [PL 2013, c. 588, Pt. A, §28 (AMD).]

Reserves according to the superintendent's reserve valuation method must be calculated by a method consistent with the principles of this subsection for life insurance benefits for varying amounts of benefits or requiring the payment of varying premiums; annuity and pure endowment benefits; disability and accidental death benefits in all certificates and contracts; and all other benefits except life insurance and endowment benefits. [PL 2013, c. 588, Pt. A, §28 (AMD).]

5. The present value of deferred payments due under incurred claims or matured certificates shall be deemed a liability of the society and shall be computed upon mortality and interest standards prescribed in the following subsection. [PL 1969, c. 132, §1 (NEW).]

6. Such valuation and underlying data shall be certified by a competent actuary or, at the expense of the society, verified by the actuary of the department of insurance of the state of domicile of the society.
A. The minimum standards of valuation for certificates issued prior to January 1, 1970 shall be those provided by the law applicable immediately prior to January 1, 1970 but not lower than the standards used in the calculating of rates for such certificates. [PL 1973, c. 625, §157 (AMD).]

B. The minimum standard of valuation for certificates issued after January 1, 1970 shall be such interest assumptions and tables as authorized for use by domestic life insurers or 3 1/2% interest and the following tables:

(1) For certificates of life insurance: American Men Ultimate Table of Mortality, with Bowerman's or Davis' extension thereof or with the consent of the superintendent, the Commissioners 1941 Standard Ordinary Mortality Table, the Commissioners 1941 Standard Industrial Mortality Table or the Commissioners 1958 Standard Ordinary Mortality Table, using actual age of the insured for male risks and an age more than 3 years younger than the actual age of the insured for female risks;

(2) For annuity and pure endowment certificates, excluding any disability and accidental death benefits in such certificates: The 1937 Standard Annuity Mortality Table or the Annuity Mortality Table for 1949, ultimate, or any modification of either of these tables approved by the superintendent;

(3) For total and permanent disability benefits in or supplementary to life insurance certificates: Hunter's Disability Table, or the class III disability table (1926) modified to conform to the contractual waiting period, or the tables of period 2 disablement rates and the 1930 to 1950 termination rates of the 1952 disability study of the Society of Actuaries with due regard to the type of benefit. Any such table shall, for active lives, be combined with a mortality table permitted for calculating the reserves for life insurance certificates;

(4) For accidental death benefits in or supplementary to life insurance certificates: The Intercompany Double Indemnity Mortality Table or the 1959 Accidental Death Benefits Table. Either table shall be combined with a mortality table permitted for calculating the reserves for life insurance certificates; and

(5) For noncancellable accident and health benefits: The class III disability table (1926) with conference modifications or, with the consent of the superintendent, tables based upon the society's own experience. [PL 1987, c. 606, §2 (AMD).]

The superintendent may, in his discretion, accept other standards for valuation if he finds that the reserves produced thereby will not be less in the aggregate than reserves computed in accordance with the minimum valuation standard herein prescribed. The superintendent may, in his discretion, vary the standards of mortality applicable to all certificates of insurance on substandard lives or other extra hazardous lives by any society authorized to do business in this State. Whenever the mortality experience under all certificates valued on the same mortality table is in excess of the expected mortality according to such table for a period of 3 consecutive years, the superintendent may require additional reserves when deemed necessary in his judgment on account of such certificates.

Any society, with the consent of the insurance supervisory officer of the state of domicile of the society and under such conditions, if any, which he may impose, may establish and maintain reserves on its certificates in excess of the reserves required thereunder, but the contractual rights of any insured member shall not be affected thereby. [PL 1987, c. 606, §2 (AMD).]

7. A society neglecting to file the annual or quarterly statement in the form and within the time provided by this section shall forfeit $100 for each day during which such neglect continues, and, upon notice by the superintendent to that effect, its authority to do business in this State ceases while such default continues. [PL 2017, c. 169, Pt. A, §9 (AMD).]
§4135. Examination of domestic societies

The superintendent, or any person he may appoint, shall have the power of visitation and examination into the affairs of any domestic society and he shall make such examination at least once in every 3 years. He may employ assistants for the purpose of such examination, and he, or any person he may appoint, shall have free access to all books, papers and documents that relate to the business of the society. The minutes of the proceedings of the supreme legislative or governing body and of the board of directors or corresponding body of a society shall be in the English language. In making any such examination the superintendent may summon and qualify as witnesses under oath and examine its officers, agents and employees or other persons in relation to the affairs, transactions and condition of the society. A summary of the report of the superintendent and such recommendations or statements of the superintendent as may accompany such report shall be read at the first meeting of the board of directors or corresponding body of the society following the receipt thereof, and if directed so to do by the superintendent, shall also be read at the first meeting of the supreme legislative or governing body of the society following the receipt thereof. A copy of the report, recommendations and statements of the superintendent shall be furnished by the society to each member of such board of directors or other governing body. The expense of each examination and of each valuation, including compensation and actual expense of examiners, shall be paid by the society examined or whose certificates are valued, upon statements furnished by the superintendent. [PL 1973, c. 585, §12 (AMD)].

SECTION HISTORY

§4136. Examination of foreign and alien societies

The superintendent, or any person whom he may appoint, may examine any foreign or alien society transacting or applying for admission to transact business in this State. He may employ assistants and he, or any person he may appoint, shall have free access to all books, papers and documents that relate to the business of the society. He may in his discretion accept, in lieu of such examination, the examination of the insurance department of the state, territory, district, province or country where such society is organized. The compensation and actual expenses of the examiners making any examination or general or special valuation shall be paid by the society examined or by the society whose certificate obligations have been valued, upon statements furnished by the superintendent. [PL 1973, c. 585, §12 (AMD)].

SECTION HISTORY

CHAPTER 56
HEALTH MAINTENANCE ORGANIZATIONS

§4201. Short title
This chapter may be cited as the Health Maintenance Organization Act of 1975. [PL 1975, c. 503 (NEW).]

SECTION HISTORY
PL 1975, c. 503 (NEW).

§4202. Definitions (REPEALED)
SECTION HISTORY

§4202-A. Definitions
As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [PL 1991, c. 709, §2 (NEW).]

1. Basic health care services. "Basic health care services" means health care services that an enrolled population might reasonably require in order to be maintained in good health and includes, at a minimum, emergency care, inpatient hospital care, inpatient physician services, outpatient physician services, ancillary services such as x-ray services and laboratory services and all benefits mandated by statute and mandated by rule applicable to health maintenance organizations. The superintendent may adopt rules defining "basic health care services" to be provided by health maintenance organizations. In adopting such rules, the superintendent shall consider the coverages that have traditionally been provided by health maintenance organizations; the need for flexibility in the marketplace; and the importance of providing multiple options to employers and consumers. The superintendent shall permit reasonable, but not excessive or unfairly discriminatory, variations in the copayment, coinsurance, deductible and other features of coverage, except that these features must meet or exceed those required in benefits mandated by statute. The superintendent shall permit deductible, coinsurance and copayment levels consistent with the deductible levels permitted for policies issued pursuant to chapter 33 or 35. Rules adopted pursuant to this subsection are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2011, c. 90, Pt. F, §4 (AMD).]
2. **Capitated basis.** "Capitated basis" has the following meanings.

A. "Capitated basis" means fixed per-member, per-month payments or percentage-of-premium payments pursuant to which the provider assumes full risk for the cost of contracted services without regard to the type, value or frequency of services provided. For purposes of this definition, capitated basis includes the cost associated with operating staff model facilities. [PL 1991, c. 709, §2 (NEW).]

B. "Capitated basis," in the context of a point-of-service option plan, means prepayment that considers provision of in-plan covered services as described in paragraph A and that considers out-of-plan indemnity benefits reimbursed pursuant to the terms of a point-of-service product approved pursuant to section 4207-A. [PL 1991, c. 709, §2 (NEW).]

3. **Carrier.** "Carrier" means a health maintenance organization, an insurer, a nonprofit hospital, a medical service corporation or any other entity responsible for the payment of benefits or provision of services under a group contract.

4. **Copayment.** "Copayment" means an amount an enrollee must pay in order to receive a specific service that is not fully prepaid.

5. **Deductible.** "Deductible" means the amount an enrollee is responsible to pay out of pocket before a health maintenance organization begins to pay the costs associated with treatment.

6. **Enrollee.** "Enrollee" means an individual who is enrolled in a health maintenance organization.

7. **Evidence of coverage.** "Evidence of coverage" means any certificate, agreement or contract issued to a group contract holder or an enrollee setting out the coverage to which an enrollee is entitled.

8. **Group contract holder.** "Group contract holder" means an entity or person that has purchased coverage from a health maintenance organization that provides, at a minimum, basic health care services to enrollees.

9. **Health care services.** "Health care services" means any services included in the furnishing of medical care, dental care or hospitalization to an individual, or any services incident to the furnishing of that care or hospitalization, as well as the furnishing of any other services to an individual to prevent, alleviate, cure or heal human illness or injury.

10. **Health maintenance organization.** "Health maintenance organization" means a public or private organization that is organized under the laws of the Federal Government, this State, another state or the District of Columbia or a component of such an organization, and that:

A. Provides, arranges or pays for, or reimburses the cost of, health care services, including, at a minimum, basic health care services to enrolled participants, except that health maintenance organizations contracting with the State Government or the Federal Government to service Medicaid or Medicare populations may limit the services they provide under the contracts consistent with the terms of those contracts if such basic health care services are provided to those populations by other means; [PL 1995, c. 673, Pt. D, §1 (AMD).]

B. Is compensated, except for reasonable copayments, for basic health care services to enrolled participants solely on a predetermined periodic rate basis, except that the organization is not
prohibited from having a provision in a group contract allowing an adjustment of premiums based upon the actual health services utilization of the enrollees covered under the contract, and except that such a contract may not be sold to an eligible group subject to the community rating requirements of section 2808-B; [PL 1993, c. 645, Pt. A, §5 (AMD).]

C. Provides physicians' services primarily directly through physicians who are either employees or partners of that organization or through arrangements with individual physicians or one or more groups of physicians organized on a group-practice or individual-practice basis under which those physicians or groups are provided effective incentives to avoid unnecessary or unduly costly utilization, regardless of whether a physician is individually compensated primarily on a fee-for-service basis or otherwise. The organization may discharge its obligation through a point-of-service option product by reimbursing out-of-plan providers pursuant to the terms contained in the group contract holder's group contract. Receipt of out-of-plan covered services by an enrollee does not obligate the organization for an enrollee's responsibilities to meet copayments or deductibles; and [PL 1991, c. 709, §2 (NEW).]

D. Ensures the availability, accessibility and quality, including effective utilization, of the health care services that it provides or makes available through clearly identifiable focal points of legal and administrative responsibility. [PL 1991, c. 709, §2 (NEW).]

Nothing in this subsection prevents a health maintenance organization from providing fee-for-service health care services as well as health maintenance organization services. A health care provider or affiliated entity that does not offer health insurance or health benefit plans may not be or become a health maintenance organization subject to this chapter solely by reason of arrangements with insurers or hospital or medical service organizations for reimbursement in whole or in part on a capitated basis, the financial risk to the provider or affiliated entity associated with reimbursement arrangements with such 3rd-party payors or the furnishing by the provider or affiliated entity of utilization or case management services. [PL 1995, c. 673, Pt. D, §1 (AMD).]

11. In-plan covered services. "In-plan covered services" means covered health care services obtained from providers who are employed by, under contract with, referred by or otherwise affiliated with the health maintenance organization. "In-plan covered services" includes emergency services. [PL 1991, c. 709, §2 (NEW).]

12. Nonprofit hospital or medical service organization. "Nonprofit hospital or medical service organization" means any organization defined in and authorized to act under Title 24, chapter 19. [PL 1991, c. 709, §2 (NEW).]

13. Out-of-plan covered services. "Out-of-plan covered services" means nonemergency, covered health care services obtained without a referral from providers who are not otherwise employed by, under contract with or otherwise affiliated with the health maintenance organization or from affiliated specialists. [PL 1991, c. 709, §2 (NEW).]

14. Participating provider. "Participating provider" means a provider as defined in subsection 18 that, under an express or implied contract with a health maintenance organization, has agreed to provide health care services to enrollees with an expectation of receiving payment, other than copayment, directly or indirectly from the health maintenance organization. [PL 1991, c. 709, §2 (NEW).]
15. **Person.** "Person" means an individual, firm, partnership, corporation, association, syndicate, organization, society, business trust, attorney-in-fact or any legal entity.

[PL 1991, c. 709, §2 (NEW).]

16. **Point-of-service option.** "Point-of-service option" means a health maintenance organization product that allows an enrollee to select either the comprehensive health care benefits of the health maintenance organization or care from a provider of the enrollee's choice outside the health maintenance organization network with traditional indemnity benefits. A point-of-service option in which the risk for out-of-plan covered services of a health maintenance organization is shared with a reinsurer must meet the requirements of this chapter applicable to the indemnity benefits provided by a health maintenance organization.

[PL 1991, c. 709, §2 (NEW).]

17. **Point-of-service product.** "Point-of-service product" means a product that includes both in-plan covered services and out-of-plan covered services.

[PL 1991, c. 709, §2 (NEW).]

18. **Provider.** "Provider" means a physician, hospital or person that is licensed or otherwise authorized in this State to furnish health care services.

[PL 1991, c. 709, §2 (NEW).]

19. **Superintendent.** "Superintendent" means the Superintendent of Insurance.

[PL 1991, c. 709, §2 (NEW).]

20. **Uncovered expenditures.** "Uncovered expenditures" means costs to a health maintenance organization for health care services that are the obligation of the health maintenance organization for which an enrollee may also be liable.

[PL 1991, c. 709, §2 (NEW).]

§4203. Establishment of health maintenance organizations

1. Subject to the Maine Certificate of Need Act of 2002, a person may apply to the superintendent for and obtain a certificate of authority to establish, maintain, own, merge with, organize or operate a health maintenance organization in compliance with this chapter. A person may not establish, maintain, own, merge with, organize or operate a health maintenance organization in this State either directly as a division or a line of business or indirectly through a subsidiary or affiliate, nor sell or offer to sell, or solicit offers to purchase or receive advance or periodic consideration in conjunction with, a health maintenance organization without obtaining a certificate of authority under this chapter.

[PL 2011, c. 90, Pt. F, §5 (AMD).]

A. Concurrently with filing an application for issuance of certificate of authority with the superintendent, the applicant shall also file an application for a certificate of need pursuant to Title 22, chapter 103-A. [PL 2003, c. 510, Pt. A, §20 (AMD).]

B. The superintendent shall take no final action with regard to the application until he has been informed by the Department of Health and Human Services whether or not the application for the certificate of need has been approved, denied or deemed not to be required. Issuance of a certificate of authority shall be granted upon payment of the application fee prescribed in section 4220 if the superintendent is satisfied that the following conditions are met.

A. The Commissioner of Health and Human Services certifies that the health maintenance organization has received a certificate of need or that a certificate of need is not required pursuant to Title 22, chapter 103-A. [PL 2003, c. 510, Pt. A, §21 (AMD); PL 2003, c. 689, Pt. B, §7 (REV).]

(4) The health maintenance organization must establish and maintain procedures to ensure that the health care services provided to enrollees are rendered under reasonable standards of quality of care consistent with prevailing professionally recognized standards of medical practice. These procedures must include mechanisms to ensure availability, accessibility and continuity of care.

(5) The health maintenance organization must have an ongoing internal quality assurance program to monitor and evaluate its health care services including primary and specialist physician services, ancillary and preventive health care services across all institutional and noninstitutional settings. The program must include, at a minimum, the following:

(6) The health maintenance organization shall record proceedings of formal quality assurance program activities and maintain documentation in a confidential manner. Quality assurance program minutes must be available to the Commissioner of Health and Human Services.

(7) The health maintenance organization shall ensure the use and maintenance of an adequate patient record system that facilitates documentation and retrieval of clinical information to permit evaluation by the health maintenance organization of the continuity and coordination of patient care and the assessment of the quality of health and medical care provided to enrollees.

(8) Enrollee clinical records must be available to the Commissioner of Health and Human Services or an authorized designee for examination and review to ascertain compliance with this section, or as considered necessary by the Commissioner of Health and Human Services.

The Commissioner of Health and Human Services shall make the certification required by this paragraph within 60 days of the date of the written decision that a certificate of need was not required. If the commissioner certifies that the health maintenance organization does not meet all of the requirements of this paragraph, the commissioner shall specify in what respects the health maintenance organization is deficient. [PL 2013, c. 588, Pt. A, §29 (AMD).]

C. The health maintenance organization conforms to the definition under section 4202-A, subsection 10. [PL 1991, c. 709, §3 (AMD).]

D. The health maintenance organization is financially responsible, complies with the minimum surplus requirements of section 4204-A and, among other factors, can reasonably be expected to meet its obligations to enrollees and prospective enrollees.

(1) In a determination of minimum surplus requirements, the following terms have the following meanings.

(a) "Admitted assets" means assets recognized by the superintendent pursuant to section 901-A. For purposes of this chapter, the asset value is that contained in the annual statement of the corporation as of December 31st of the year preceding the making of the investment or contained in any audited financial report, as defined in section 221-A, of more current origin.

(b) "Reserves" means those reserves held by corporations subject to this chapter for the protection of subscribers. For purposes of this chapter, the reserve value is that contained in the annual statement of the corporation as of December 31st of the preceding year or any audited financial report, as defined in section 221-A, of more current origin.

(2) In making the determination whether the health maintenance organization is financially responsible, the superintendent may also consider:

(a) The financial soundness of the health maintenance organization's arrangements for health care services and the schedule of charges used;

(b) The adequacy of working capital;
(c) Any agreement with an insurer, a nonprofit hospital or medical service corporation, a

health care services or the provision for automatic applicability of an alternative coverage
in the event of discontinuance of the plan;

(d) Any agreement with providers for the provision of health care services that contains a
covenant consistent with subsection 6; and

(e) Any arrangements for insurance coverage or an adequate plan for self-insurance to
respond to claims for injuries arising out of the furnishing of health care services. [PL

to section 4203 or by independent investigation, is contrary to the public interest. [PL 1981, c.
501, §51 (NEW).]

G. Any director, officer, employee or partner of a health maintenance organization who receives,

(NEW).]

H. The health maintenance organization shall maintain in force a fidelity bond or fidelity insurance
on those employees and officers of the health maintenance organization who have duties as

organization or a maximum of $5,000,000 in aggregate maintained on behalf of health maintenance
organizations owned by a common parent corporation, or such sum as may be prescribed by the
superintendent. [PL 1989, c. 842, §10 (NEW).]

I. If any agreement, as set forth in paragraph D, subparagraph (2), division (c), is made by the
health maintenance organization, the entity executing the agreement with the health maintenance
organization must demonstrate to the superintendent's satisfaction that the entity has sufficient
unencumbered surplus funds to cover the assured payments under the agreement, otherwise the
superintendent shall disallow the agreement. In considering approval of such an agreement, the
superintendent shall consider the entity's record of earnings for the most recent 3 years, the risk
characteristics of its investments and whether its investments and other assets are reasonably liquid
and available to make payments for health services. [PL 1995, c. 332, Pt. O, §2 (AMD).]

[PL 1989, c. 842, §11 (RP).]

3-A. Investments. The health maintenance organization shall invest funds only in accordance with chapter 13-A, except as follows.

A. The health maintenance organization shall maintain asset valuation reserves consistent with industry standards for management of investments by life and health insurers. [PL 1993, c. 702, Pt. A, §12 (NEW).]

B. Notwithstanding any limitation stated in section 1156, subsection 2, paragraph D, a health maintenance organization may invest in real property or interests in real property located in the United States, held directly or evidenced by partnership interests, stock of corporations, trust certificates or other instruments and acquired:

(1) As an investment for the production of income or to be improved or developed for that investment purpose; or

(2) For the convenient accommodation of the organization's business.

After giving effect to any of those investments, the aggregate amount of investments made under subparagraph (1) may not exceed 20% of the health maintenance organization's total admitted assets; the aggregate amount of investments made under subparagraph (2) may not exceed 15% of the organization's total admitted assets; and the aggregate amount of investments made under this paragraph may not exceed 25% of the organization's total admitted assets. Investments under subparagraph (1) in any single property, including improvements on that property, may not in the aggregate exceed 2% of the corporation's total admitted assets. [PL 1993, c. 702, Pt. A, §12 (NEW).]

C. In addition to the investments permitted under paragraph B, a health maintenance organization may invest in real estate, including leasehold estates, for the convenient accommodation of its business, including hospitals, medical clinics, medical professional buildings and any other facility that is to be used in the provision of health care services, or real estate for rental to an affiliated health care provider or any other health care provider under contract with the health maintenance organization to provide health care services, and that facility must be used in the provision of health care services to members of the health maintenance organization by that provider.

(1) A parcel of real estate acquired under this subsection may include excess space for rent to others if it is reasonably anticipated that that excess will be required by the health maintenance organization for expansion or if the excess is reasonably required in order to have one or more buildings that function as an economic unit.

(2) Real estate subject to this subsection may be subject to a mortgage.

(3) The admitted value of the investment may not exceed the greater of the health maintenance organization's equity or 20% of the corporation's admitted assets, and the aggregate investment in real estate held under paragraph B and under this paragraph may not exceed 40% of the corporation's admitted assets, except with the approval of the superintendent if the superintendent finds that those percentages of the corporation's admitted assets are insufficient to provide for the convenient accommodation of the health maintenance organization's business. Investments under this subsection in any single property, including improvements on that property, may not in the aggregate exceed 5% of the corporation's total admitted assets. [PL 1993, c. 702, Pt. A, §12 (NEW).]
D. Notwithstanding any provisions of this section and chapter 13-A allowing other investments, a health maintenance organization shall maintain cash or investment grade obligations, as defined in section 1151-A, that at all times have a fair market value of not less than 100% of the organization's liability for claims payable and incurred, but not reported, claims, unearned premiums, unpaid claims adjustment expenses and, as applicable, any statutory, special or additional reserves provided by the health maintenance organization for the benefit of members as of the most recent calendar quarter prepared on the basis of statutory accounting principles. If the organization's liability for claims payable and incurred, but not reported, claims increased more than 10% prior to the end of the calendar quarter, the organization must, within 10 days of the determination, reallocate its investments to ensure compliance with this paragraph. The investments required by this paragraph constitute admitted assets of the organization. [PL 1999, c. 715, §19 (AMD).]

E. The superintendent may establish risk-based capital standards for health maintenance organizations, their subsidiaries and controlled affiliates that engage in health care related business activities that the parent corporation conducts. [PL 1993, c. 702, Pt. A, §12 (NEW).]

4. Uncovered expenditures involving deposit. A health maintenance organization shall deposit with the superintendent or, at the discretion of the superintendent, with any organization or trustee acceptable to the superintendent through which a custodial or controlled account is maintained, cash or securities that are acceptable to the superintendent and that at all times are maintained in a fair market value of not less than an amount equal to the greater of $100,000 or 120% of the health maintenance organization's liability for uncovered expenditures for enrollees as of the end of the most recent calendar quarter, including but not limited to, liability for incurred but not reported claims. If the health maintenance organization's liability for uncovered expenditures increases more than 10% prior to the end of the calendar quarter, the health maintenance organization must, within 10 days of the determination, deposit an amount sufficient to ensure compliance with this section. In the case of domestic health maintenance organizations, "enrollees" for purposes of this subsection means all enrollees of the organization regardless of residence. In the case of foreign health maintenance organizations, "enrollees" for purposes of this subsection means only those enrollees who are residents of this State.

A. The deposit required by this subsection constitutes an admitted asset of the health maintenance organization for purposes of determination of surplus. [PL 1989, c. 842, §13 (NEW).]

B. A health maintenance organization that has made a deposit may withdraw that deposit or any part thereof after making a substitute deposit of cash or securities of equal amount and value. There may also be withdrawn any part of the deposit in excess of the fair market value of the amount of the required deposit. Deposits, substitutions or withdrawals may be made only with the prior written approval of the superintendent. [PL 1989, c. 842, §13 (NEW).]

C. The deposit required by this subsection must be held in trust and must be used only as provided under this section. The superintendent may use the deposit of an insolvent health maintenance organization for administrative costs associated with administering the deposit and payment of claims of enrollees for uncovered expenditures. [PL 1989, c. 842, §13 (NEW).]

D. The superintendent may by rule or order require a health maintenance organization to file annual, quarterly or more frequent reports of a health maintenance organization's liability for uncovered expenditures. The superintendent may require that the reports include an audit opinion. [PL 1989, c. 842, §13 (NEW).]

E. The superintendent may reduce or eliminate the deposit required by this subsection if the health maintenance organization deposits cash or securities with the Treasurer of State, an insurance supervisory official in the state or jurisdiction of domicile or other official body of that state for the protection of all subscribers and enrollees in a manner substantially similar to that required by this
subsection and delivers to the superintendent a certificate to that effect, authenticated by the appropriate state official holding the deposit. [PL 1989, c. 842, §13 (NEW).]

F. The superintendent may require a health maintenance organization to continue to maintain the deposit required under this subsection after the health maintenance organization has withdrawn from the market in accordance with section 415-A. [PL 2001, c. 88, §1 (NEW).]

[PL 2001, c. 88, §1 (AMD).]

5. Liabilities. Every health maintenance organization shall, when determining liabilities, include an amount estimated in the aggregate to provide for any unearned premium and for the payment of all claims for health care expenditures that have been incurred, whether reported or unreported, that are unpaid, and for which the organization is or may be liable, and to provide for the expense of adjustment or settlement of those claims.

These liabilities must be computed in accordance with rules promulgated by the superintendent upon reasonable consideration of the ascertained experience and character of the health maintenance organization.

[PL 1989, c. 842, §13 (NEW).]

6. Hold harmless. Every contract between a health maintenance organization and a participating provider of health care services must be in writing and must set forth that in the event the health maintenance organization fails to pay for health care services as set forth in the contract, the subscriber or enrollee may not be liable to the provider for any sums owed by the health maintenance organization.

A. If the participating provider contract has not been reduced to writing as required by this subsection or the contract fails to contain the required prohibition, the participating provider may not collect or attempt to collect from the subscriber or enrollee sums owed by the health maintenance organization. [PL 1989, c. 842, §13 (NEW).]

B. No participating provider or agent, trustee or assignee of the participating provider, may maintain any action at law against a subscriber or enrollee to collect sums owed by the health maintenance organization. [PL 1989, c. 842, §13 (NEW).]

C. In addition to the other provisions in this subsection, if a petition to liquidate an insolvent health maintenance organization is filed with a court of competent jurisdiction, then after the date of filing the petition for liquidation:

(1) Any provider who has rendered a covered service for a subscriber or enrollee of the insolvent health maintenance organization is prohibited from collecting or attempting to collect from the subscriber or enrollee amounts normally payable by the insolvent health maintenance organization; and

(2) A provider or agent, trustee or assignee of the provider may not maintain any action at law against a subscriber or enrollee of the insolvent health maintenance organization to collect amounts for covered services normally payable by the insolvent health maintenance organization.

Nothing in this subsection prohibits a provider from collecting or attempting to collect from a subscriber or enrollee any amounts for services not normally payable by the insolvent health maintenance organization, including applicable copayments or deductibles. [PL 2001, c. 88, §2 (NEW).]

[PL 2001, c. 88, §2 (AMD).]

7. Continuation of benefits. The superintendent shall require that each health maintenance organization have a plan for handling insolvency that allows for continuation of benefits for the duration of the contract period for which premiums have been paid and continuation of benefits to covered persons who are confined on the date of insolvency in an inpatient facility until those covered persons
are discharged or upon expiration of benefits. In considering such a plan, the superintendent may require:

A. Insurance adequate to cover the expenses to be paid for continued benefits after an insolvency; [PL 1989, c. 842, §13 (NEW).]

B. That the provider contract obligate the provider to provide services for the duration of the period after the health maintenance organization's insolvency for which premium payment has been made and until the enrollees' discharge from inpatient facilities; [PL 1989, c. 842, §13 (NEW).]

C. That insolvency reserves be provided and maintained for that period of claims exposure of a health maintenance organization during which a provider's termination of services is pending pursuant to subsection 8; and [PL 1989, c. 842, §13 (NEW).]

D. Any other arrangements to ensure that benefits are continued as specified in this section. [PL 1989, c. 842, §13 (NEW).]

8. Notice of termination. An agreement to provide health care services between a provider and a health maintenance organization must require that, if the provider terminates that agreement, the provider shall give the health maintenance organization not less than 60 days' notice in advance of termination. That agreement must not require more than 90 days' notice after an initial participation period not to exceed 6 months. If the health maintenance organization has a net loss of 5 or more primary care physicians in any county in any 30-day period, the health maintenance organization shall notify the Bureau of Insurance in writing within 10 days of acquiring knowledge of that loss. [PL 1989, c. 842, §13 (NEW).]

9. Denial. A certificate of authority may be denied only after compliance with the requirements of section 4219. [PL 1989, c. 842, §13 (NEW).]

If the enrollee obtains coverage under a health maintenance organization through an insurance policy or contract whether by option or otherwise, the insurer, nonprofit hospital and medical service corporation shall issue the evidence of coverage. Otherwise, the health maintenance organization shall issue the evidence of coverage. [PL 1975, c. 503 (NEW).]

2. No evidence of coverage, or amendment thereto, or underlying contract may be issued or delivered to any person in this State until a copy of the form of the evidence of coverage, amendment thereto and any underlying contract, has been filed with and approved by the superintendent. A filing required under this section must be made electronically in a format required by the superintendent unless exempted by rule adopted by the superintendent. §4207-A.  Point-of-service products  

1. Product design; mandatory requirements. A point-of-service product, filed and approved for use subject to the requirements of section 4207, subsection 4, at a minimum must:

   A. Provide all services required by law to be provided by health maintenance organizations as in-plan covered services, including emergency services; [PL 1991, c. 709, §5 (NEW).]

   B. Provide incentives for enrollees to use in-plan covered services; and  [PL 1991, c. 709, §5 (NEW).]

   C. Offer out-of-plan covered services only if those services are provided by the point-of-service product on an in-plan basis.  [PL 1991, c. 709, §5 (NEW).]

[PL 1991, c. 709, §5 (NEW).]

2. Product design; optional provisions. A point-of-service product may:

   A. Limit or exclude specific types of services from coverage when obtained out of plan;  [PL 1991, c. 709, §5 (NEW).]

   B. Include annual out-of-pocket limits and annual and lifetime maximum benefit allowances for out-of-plan covered services that are separate from any limits and allowances applied to in-plan covered services;  [PL 1991, c. 709, §5 (NEW).]
C. Limit the groups to which the point-of-service product is offered. If the point-of-service product is offered to a group, it must be offered to all eligible members of that group; and [PL 1991, c. 709, §5 (NEW).]

D. Include those services that an enrollee obtains from a participating physician for which proper authorization was not given. [PL 1991, c. 709, §5 (NEW).]

3. Product limitations and exclusions. A health maintenance organization is subject to the following requirements as to its point-of-service product.

A. A health maintenance organization may not expend more than 20% of its total annual health care expenditures for out-of-plan covered services. [PL 1991, c. 709, §5 (NEW).]

B. If compliance with the amount specified in paragraph A is not demonstrated on a quarterly basis in a health maintenance organization's quarterly financial report, the superintendent may prohibit the health maintenance organization from offering a point-of-service product for new issues or for the renewal of existing contracts until compliance has been demonstrated. [PL 1991, c. 709, §5 (NEW).]

4. Plan requirements. A health maintenance organization may not issue a point-of-service product until it has filed and has had approved by the superintendent a plan to comply with this section, including, in addition to any other requirements of this section, group contracts, subscriber contracts and other materials used by enrollees.

A. Marketing materials must be filed upon request of the superintendent. Member handbooks must be filed for approval only when the initial point-of-service plan is filed and when substantial modifications are made in the point-of-service plan that change policy terms respecting benefits or change the manner in which enrollees may access provider services. [PL 1991, c. 709, §5 (NEW).]

B. The plan must include, but is not limited to, provisions demonstrating that the health maintenance organization will:

   (1) Design the benefit levels for in-plan covered services and out-of-plan covered services to achieve the desired level of in-plan utilization; and

   (2) Provide or arrange for the provision of adequate systems to:

      (a) Process and pay claims for out-of-plan covered services;

      (b) Meet the requirements of a point-of-service product as set by this section or by rule of the superintendent; and

      (c) Generate accurate financial and regulatory reports on a timely basis in order for the superintendent to evaluate experience with the point-of-service product and monitor compliance with point-of-service product provisions. [PL 1991, c. 709, §5 (NEW).]

5. Claims processing. Explanation of benefits given to an enrollee of a point-of-service plan must contain an explanation of coverage for self-referral health care services that is adequate to permit an enrollee to determine claims liability under the plan.

5-A. Assignment of benefits. All point-of-service contracts and certificates must contain a provision permitting the insured to assign any benefits provided for medical or dental care on an expense-incurred basis to the provider of the care. An assignment of benefits under this subsection does not affect or limit the payment of benefits otherwise payable under the contract or certificate.
6. Disclosure. All marketing materials, subscriber contracts, member handbooks or other material used by enrollees must contain a clear and concise explanation of point-of-service health care services. The explanation must include:

A. The method of reimbursement; [PL 1991, c. 709, §5 (NEW).]

If the health maintenance organization is operated as a division or line of business by an insurer or by a nonprofit hospital or medical service corporation, the superintendent shall designate the applicable portions of the financial statement form that must be filed, so as to eliminate information that is inapplicable to health maintenance organizations that are not separately incorporated and to minimize duplication between the statement filed under this section and the overall financial statement of the insurer or nonprofit hospital or medical service corporation.

1-B. Every health maintenance organization shall file an annual audit opinion substantially similar to those required of insurers under section 221-A.

§4231. Insolvency or withdrawal; alternative coverage

1. Continuation of coverage by other carriers. In the event of an insolvency of a health maintenance organization and if satisfactory arrangements for the performance of its obligations have not been made as provided for in section 4214, all other carriers that made an offer of coverage to any group contract holder of the insolvent health maintenance organization at the most recent purchase or renewal of coverage, upon order of the superintendent, shall offer the enrollees in the group covered by that contract a 30-day enrollment period that begins on the date of insolvency.

Each carrier shall offer the group's enrollees the same coverage and rates that the carrier had offered to those enrollees at the most recent purchase or renewal of coverage prior to the insolvency, except that a successor health maintenance organization may increase the group's rate to the extent justified by including the new enrollees in a recalculation of rates using the existing method of rate calculation of the successor carrier or, if the group was covered under a multiple-year contract, to the extent justified to take into account increased health care costs, as approved by the superintendent. [PL 2001, c. 88, §8 (AMD).]
2. Allocation of enrollees. If no other carrier had offered coverage to a group contract holder in the insolvent health maintenance organization, or if the superintendent determines that the other health benefit plan or plans lack sufficient health care delivery resources to ensure that health care services will be available and reasonably accessible to all of that group's enrollees in the insolvent health maintenance organization, then the superintendent shall allocate equitably the insolvent health maintenance organization's group contracts among all health maintenance organizations that operate within a portion of the insolvent health maintenance organization's service area, taking into consideration the health care delivery resources of each health maintenance organization. Each health maintenance organization to which a group or groups are so allocated shall offer such group or groups the health maintenance organization's existing coverage that is most similar to each group's coverage with the insolvent health maintenance organization at rates determined in accordance with the successor health maintenance organization's existing rating methodology.

Any insurer or nonprofit health insurance plan that issues replacement coverage with respect to group hospital, medical or surgical expenses or service benefits within a period of 60 days from the date of discontinuance of a prior health maintenance organization contract or policy providing the hospital, medical or surgical expenses or service benefits shall immediately cover all enrollees who were validly covered under the previous health maintenance organization contract or policy at the date of discontinuance and who would otherwise be eligible for coverage under the succeeding insurer's or nonprofit health insurance plan's contract, regardless of any provisions in that contract relating to active employment, hospital confinement or pregnancy.

[PL 1989, c. 842, §18 (NEW).]

2. Preexisting conditions. No provision in a succeeding insurer's or nonprofit hospital or medical service corporation's contract of replacement coverage may reduce or exclude benefits to enrollees covered under the prior health maintenance organization's contract on the date of discontinuance, on the basis that the condition giving rise to benefits preexisted the effective date of the succeeding contract, except to the extent that benefits for the condition would have been reduced or excluded under the prior contract.

SECTION HISTORY

§4234-A. Mental health services coverage

A. Mental illness affects nearly 170,000 people of this State each year, resulting in anguish, grief, desperation, fear, isolation and a sense of hopelessness of significant levels among victims and families; [PL 1995, c. 407, §10 (NEW).]

B. Consequences of mental illness include the expenditure of millions of dollars of public funds for treatment and losses of millions of dollars by businesses in the State in accidents, absenteeism, nonproductivity and turnover. Excessive stress and anxiety and other forms of mental illness clearly contribute to general health problems and costs; [PL 1995, c. 407, §10 (NEW).]

C. Typical health coverage in this State discriminates against mental illness, the victims and affected families with nonexistent or limited benefits compared to provisions for other illnesses; and [PL 1995, c. 407, §10 (NEW).]

D. Experience in this State and several other states demonstrates that the risk of mental illness can be insured at reasonable cost and with adequate controls on quality and utilization of treatment. [PL 1995, c. 407, §10 (NEW).]

2. Policy and purpose. The Legislature declares that it is the policy of this State to:

A. Promote equitable and nondiscriminatory health coverage benefits for all forms of illness including mental and emotional disorders that are of significant consequence to the health of people of the State and that can be treated in a cost-effective manner; [PL 1995, c. 407, §10 (NEW).]

B. Ensure that victims of mental and other illnesses have access to and choice of appropriate treatment at the earliest point of illness in the least restrictive settings; [PL 1995, c. 407, §10 (NEW).]

C. Ensure that costs of treatment of mental illness are supported through an equitable combination of public and private responsibilities; and [PL 1995, c. 407, §10 (NEW).]

D. Ensure that the Legislature reasonably exercises its legal responsibility for insurance policy in this State by prescribing types of illnesses and treatment for which benefits must be provided. [PL 1995, c. 407, §10 (NEW).]

3. Definitions. For purposes of this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Day treatment services" includes psychoeducational, physiological, psychological and psychosocial concepts, techniques and processes necessary to maintain or develop functional skills of clients, provided to individuals and groups for periods of more than 2 hours but less than 24 hours a day. [PL 1995, c. 407, §10 (NEW).]

A-2. "Home health care services" means those services rendered by a licensed provider of mental health services to provide medically necessary health care to a person suffering from a mental illness in the person's place of residence if:

(2) Hospitalization or confinement in a residential treatment facility is not required as an antecedent to the provision of home health care services; and

(3) The services are prescribed in writing by a licensed allopathic or osteopathic physician or a licensed psychologist who is trained and has received a doctorate in psychology specializing in the evaluation and treatment of mental illness. [PL 1995, c. 407, §10 (NEW).]

D. "Person suffering from a mental illness" means a person whose psychobiological processes are impaired severely enough to manifest problems in the area of social, psychological or biological functioning. Such a person has a disorder of thought, mood, perception, orientation or memory that impairs judgment, behavior, capacity to recognize or ability to cope with the ordinary demands of life. The person manifests an impaired capacity to maintain acceptable levels of functioning in the area of intellect, emotion or physical well-being. [PL 2003, c. 20, Pt. VV, §18 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

[PL 2003, c. 20, Pt. VV, §19 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]
5. **Services.** Each individual or group contract must provide for medically necessary health care for a person suffering from mental illness. Medically necessary health care includes, but is not limited to, the following services for a person suffering from a mental illness:

A. **Inpatient services;** [PL 1995, c. 407, §10 (NEW).]

2. At the request of a reimbursing health maintenance organization, a provider of medical treatment for mental illness shall furnish data substantiating that initial or continued treatment is medically necessary health care. When making the determination of whether treatment is
medically necessary health care, the provider shall use the same criteria for medical treatment for mental illness as for medical treatment for physical illness under the group contract.

(3) If benefits and coverage for the treatment of physical illness are provided on an expense-incurred basis, the benefits and coverage required under this subsection may be delivered separately under a managed care system.

(4) A policy or contract may not have separate maximums for physical illness and mental illness, separate deductibles and coinsurance amounts for physical illness and mental illness, separate out-of-pocket limits in a benefit period of not more than 12 months for physical illness and mental illness or separate office visit limits for physical illness and mental illness.

(5) A health benefit plan may not impose a limitation on coverage or benefits for mental illness unless that same limitation is also imposed on the coverage and benefits for physical illness covered under the policy or contract.

(6) Copayments required under a policy or contract for benefits and coverage for mental illness must be actuarially equivalent to any coinsurance requirements or, if there are no coinsurance requirements, may not be greater than any copayment or coinsurance required under the policy or contract for a benefit or coverage for a physical illness.

(7) For the purposes of this section, a medication management visit associated with a mental illness must be covered in the same manner as a medication management visit for the treatment of a physical illness and may not be counted in the calculation of any maximum outpatient treatment visit limits. [PL 2003, c. 65, §3 (AMD); PL 2003, c. 65, §5 (AFF).]

8-A. **Mental health services provided by counseling professionals.** A health maintenance organization that issues individual or group health care contracts providing coverage for mental health services shall offer coverage for those services when performed by a counseling professional who is licensed by the State pursuant to Title 32, chapter 119 to assess and treat interpersonal and intrapersonal problems, has at least a master's degree in counseling or a related field from an accredited educational institution and has been employed as counselor for at least 2 years. Any contract providing coverage for the services of counseling professionals pursuant to this subsection may be subject to any reasonable limitations, maximum benefits, coinsurance, deductibles or exclusion provisions applicable to overall benefits under the contract.

[PL 2003, c. 20, Pt. VV, §23 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

9. **Limits; coinsurance; deductibles.** A policy or contract that provides coverage for the services required by this section may contain provisions for maximum benefits and coinsurance and reasonable limitations, deductibles and exclusions to the extent that these provisions are not inconsistent with the requirements of this section.

[PL 1995, c. 407, §10 (NEW).]

10. **Reports to the superintendent.** Every health maintenance organization subject to this section shall report its experience for each calendar year to the superintendent no later than April 30th of the
following year. The report must be in a form prescribed by the superintendent and include the amount of claims paid in this State for the services required by this section and the total amount of claims paid in this State for individual and group health care contracts, both separated according to those paid for inpatient, day treatment and outpatient services. §4235. Standardized claim forms

All health maintenance organizations providing payment or reimbursement for diagnosis or treatment of a condition or a complaint by a licensed health care practitioner must accept the current standardized claim form for professional services approved by the Federal Government and submitted electronically. All health maintenance organizations providing payment or reimbursement for diagnosis or treatment of a condition or a complaint by a licensed hospital must accept the current standardized claim form for professional or facility services, as applicable, approved by the Federal Government and submitted electronically. A health maintenance organization may not be required to accept a claim submitted on a form other than the applicable form specified in this section and may not be required to accept a claim that is not submitted electronically, except from a health care practitioner who is exempt pursuant to Title 24, section 2985. All services provided by a health care practitioner in an office setting must be submitted on the standardized federal form used by noninstitutional providers and suppliers. Services in a nonoffice setting may be billed as negotiated between the health maintenance organization and health care practitioner. For purposes of this section, "office setting" means a location where the health care practitioner routinely provides health examinations, diagnosis and treatment of illness or injury on an ambulatory basis whether or not the office is physically located within a facility. 2. Benefits; discrimination. The health maintenance organization shall provide benefits covering care by chiropractic providers at least equal to and consistent with the benefits paid to other health care providers treating similar neuro-musculoskeletal conditions. A health maintenance organization may not refuse to reimburse a chiropractic provider who participates in the health maintenance organization's provider network for providing a health care service or procedure covered by the health
maintenance organization as long as the chiropractic provider is acting within the lawful scope of that provider's license in the delivery of the covered service or procedure. Consistent with reasonable medical management techniques specified under the health maintenance organization's contract with respect to the method, treatment or setting for a covered service or procedure, the health maintenance organization may not discriminate based on the chiropractic provider's license. This subsection does not require a health maintenance organization to accept all chiropractic providers into a network or govern the reimbursement paid to a chiropractic provider.

[PL 2015, c. 111, §3 (AMD); PL 2015, c. 111, §4 (AFF).]

3. Self-referrals for chiropractic care. A health maintenance organization must provide benefits to an enrollee who utilizes the services of a chiropractic provider by self-referral under the following conditions.

For purposes of this subsection, "acute care treatment" means treatment for accidental bodily injury or sudden, severe pain that affects the ability of the enrollee to engage in the normal activities, duties or responsibilities of daily living. [PL 1995, c. 350, §1 (NEW).]

B. Within 3 working days of the first consultation, the participating chiropractic provider shall send to the primary care provider a report containing the enrollee's complaint, related history, examination, initial diagnosis and treatment plan. If the chiropractic provider fails to send a report to the primary care provider within 3 working days, the health maintenance organization is not obligated to provide benefits for chiropractic care and the enrollee is not liable to the chiropractic provider for any unpaid fees. [PL 1995, c. 350, §1 (NEW).]

C. If the enrollee and the participating chiropractic provider determine that the condition of the enrollee has not improved after 3 weeks of treatment or a maximum of 12 visits the participating chiropractic provider shall discontinue treatment and refer the enrollee to the primary care provider. [PL 1995, c. 350, §1 (NEW).]

D. If the chiropractic provider recommends treatment beyond 3 weeks or a maximum of 12 visits, the participating chiropractic provider shall send to the primary care provider a report containing information on the enrollee's progress and outlining a treatment plan for extended chiropractic care of up to 5 more weeks or a maximum of 12 more visits, whichever occurs first. [PL 1995, c. 350, §1 (NEW).]

E. Without the approval of the primary care provider, an enrollee may not receive benefits for more than 36 visits to a participating chiropractic provider in a 12-month period. After a maximum of 36 visits, an enrollee's continuing chiropractic treatment must be authorized by the primary care provider. [PL 1995, c. 350, §1 (NEW).]

In the provision of chiropractic services under this subsection, a participating chiropractic provider is liable for a professional diagnosis of a mental or physical condition that has resulted or may result in the chiropractic provider performing duties in a manner that endangers the health or safety of an enrollee.

The provisions of this subsection apply to all health maintenance organization contracts, except a contract between a health maintenance organization and the State Employee Health Insurance Program. This subsection takes effect January 1, 1996.

The notice must be prominently positioned in any literature or correspondence made available or distributed by the plan and must be transmitted in the next mailing made by the plan to the enrollee or as part of any yearly information packet sent to the enrollee, whichever is earlier. The notice must also be made available to any physician participating in the insurer's provider network.

§4243. Limits on priority liens; subrogation

An individual or group contract subject to this chapter may not provide for subrogation or priority over the enrollee of payment for any hospital, nursing, medical or surgical services or of any expenses paid or reimbursed under the coverage, in the event the enrollee is entitled to receive payment or reimbursement from any other person as a result of legal action or claim, except as provided in this section. [PL 1997, c. 369, §3 (NEW).]

The coverage may contain a provision that allows the payments, if that provision is approved by the superintendent and if that provision required the prior written approval of the insured and allows such payments only on a just and equitable basis and not on the basis of a priority lien. A "just and equitable basis" means that any factors that diminish the potential value of the enrollee's claim may likewise reduce the share in the claim for those claiming payment for services or reimbursement. A health maintenance organization may not apply payments for coverage unrelated to autism spectrum disorders to any maximum benefit established under this paragraph. [PL 2011, c. 420, Pt. A, §27 (RAL).]

E. This subsection may not be construed to require coverage for prescription drugs if prescription drug coverage is not provided by the contract. Coverage for prescription drugs for the treatment of autism spectrum disorders must be determined in the same manner as coverage for prescription drugs for the treatment of any other illness or condition is determined under the contract. [PL 2011, c. 420, Pt. A, §27 (RAL).]

3. Limits; coinsurance; deductibles. [PL 2011, c. 420, Pt. A, §27 (RAL).]

4. Individualized education plan. This section may not be construed to affect any obligation to provide services to an individual with an autism spectrum disorder under an individualized education plan or an individualized family service plan. [PL 2011, c. 420, Pt. A, §27 (RAL).]

§4302. **Reporting requirements**

To offer or renew a health plan in this State, a carrier must comply with the following requirements.  

1. **Description of plan.** A carrier shall provide to prospective enrollees and participating providers, and to members of the public and nonparticipating providers upon request, information on the terms and conditions of the plan to enable those persons to make informed decisions regarding their choice of plan. A carrier shall provide this information annually to current enrollees, participating providers and the superintendent. This information must be presented in a standardized format acceptable to the superintendent. In adopting rules or developing standardized reporting formats, the superintendent shall consider the nature of the health plan and the extent to which rules or standardized formats are appropriate to the plan. All written and oral descriptions of the health plan must be truthful.
and must use appropriate and objective terms that are easy to understand. These descriptions must be consistent with standards developed for supplemental insurance coverage under the United States Social Security Act, Title XVIII, 42 United States Code, Sections 301 to 1397 (1988). Descriptions of plans under this subsection must be standardized so that enrollees may compare the attributes of the plans and be in a format that is substantially similar to the format required for a carrier pursuant to the federal Affordable Care Act as of January 1, 2019. After a carrier has provided the required information, the annual information requirement under this subsection may be satisfied by the provision of any amendments to the materials on an annual basis. A carrier shall post descriptions of its plans on its publicly accessible website and, in addition to the plan description, include a link to the health plan's certificate of coverage. Specific items that must be included in a description are as follows:

3. Restrictions on access to a particular provider type;
4. Health care services that are or may be provided only by referral; and

C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF).]

The description must also include a statement explaining the circumstances under which health status may be considered in making coverage decisions in accordance with state and federal laws and that enrollees may refuse particular
treatments without jeopardizing future treatment; [PL 1995, c. 673, Pt. C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF).]

H. Procedures an enrollee must follow to obtain drugs and medicines that are subject to a plan list or plan formulary, if any; a description of the formulary; and a description of the extent to which an enrollee will be reimbursed for the cost of a drug that is not on a plan list or plan formulary. Enrollees may request additional information related to specific drugs that are not on the drug formulary; [PL 1999, c. 742, §4 (AMD).]

M. If the health plan is subject to the requirements of section 4318-A, a description of the incentives available to an enrollee and how to earn such incentives if enrolled in a health plan offering a comparable health care service incentive program designed pursuant to section 4318-A. [PL 2017, c. 232, §5 (NEW).]

SECTION HISTORY

§4303. Plan requirements

A carrier offering or renewing a health plan in this State must meet the following requirements. [PL 2007, c. 199, Pt. B, §4 (AMD).]

1. Demonstration of adequate access to providers. A carrier offering or renewing a managed care plan shall provide to its members reasonable access to health care services. A carrier may provide incentives to members to use designated providers based on cost or quality, but may not require members to use designated providers of health care services.

   A. [PL 2007, c. 199, Pt. B, §5 (AMD); MRSA T. 24-A §4303, sub-1, ¶A (RP).]
   B. [PL 2011, c. 90, Pt. F, §7 (RP).]

2. Credentialing. The credentialing of providers by a carrier is governed by this subsection.

   A. The granting of credentials must be based on objective standards that are available to providers upon application for credentialing. A carrier shall consult with appropriately qualified health care professionals in developing its credentialing standards. [PL 2015, c. 84, §1 (AMD).]
   B. All credentialing decisions, including those granting, denying or withdrawing credentials, must be in writing. The provider must be provided with all reasons for the denial of an application for credentialing or the withdrawal of credentials. A withdrawal of credentials must be treated as a provider termination and is subject to the requirements of subsection 3-A. [PL 2015, c. 84, §1 (AMD).]
   C. A carrier shall establish and maintain an appeal procedure, including the provider's right to a hearing, for dealing with provider concerns relating to the denial of credentialing for not meeting the objective credentialing standards of the plan and the contractual relationship between the carrier and the provider. The superintendent shall determine whether the process provided by a carrier is fair and reasonable. This procedure must be specified in every contract between a carrier and a provider or between a carrier and a provider network if a carrier does not contract with providers individually. [PL 2015, c. 84, §1 (AMD).]
   D. A carrier shall make credentialing decisions, including those granting or denying credentials, within 60 days of receipt of a completed credentialing application from a provider. The time period for granting or denying credentials may be extended upon written notification from the carrier within 60 days following submission of a completed application stating that information contained in the application requires additional time for verification. All credentialing decisions must be made within 180 days of receipt of a completed application. For the purposes of this paragraph, an application is completed if the application includes all of the information required by the uniform credentialing application used by carriers and providers in this State, such attachments to that application as required by the carrier at the time of application and all corrections required by the carrier. A carrier shall review the entire application before returning it to the provider for corrections with a comprehensive list of all corrections needed at the time the application is first returned to the provider. A carrier may not require that a provider have a home address within the State before accepting an application. [PL 2015, c. 84, §1 (AMD).]
   E. [PL 2013, c. 383, §4 (RP).] [PL 2015, c. 84, §1 (AMD).]
2-A. Payment to provider for services rendered during pendency of credentialing. A carrier offering or renewing a health plan in the State shall pay claims for services rendered to an enrollee by a provider prior to credentials being granted from the date a complete application for credentialing is submitted to the carrier as long as credentials are granted to that provider by the carrier in accordance with the requirements of subsection 2. A provider intending to submit a claim pursuant to this subsection may not submit the claim until the provider has been notified by the carrier whether the provider has been credentialed and of the effective date of any credentials. If a claim is submitted prior to the date credentials are granted, the carrier may process that claim in the same manner as a claim submitted by a provider that has not been credentialed.

[PL 2015, c. 84, §2 (NEW).]

3. Provider's right to advocate for medically appropriate care. A carrier offering or renewing a managed care plan may not terminate or otherwise discipline a participating provider because the provider advocates for medically appropriate health care. A carrier may not restrict a provider from disclosing to any enrollee any information the provider determines appropriate regarding the nature of treatment and any risks or alternatives to treatment, the availability of other therapy, consultations or tests or the decision of any plan to authorize or deny health care services or benefits.

A. For the purposes of this section, "to advocate for medically appropriate health care" means to discuss or recommend a course of treatment to an enrollee; to appeal a managed care plan's decision to deny payment for a service pursuant to an established grievance or appeal procedure; or to protest a decision, policy or practice that the provider, consistent with the degree of learning and skill ordinarily possessed by reputable providers, reasonably believes impairs the provider's ability to provide medically appropriate health care to the provider's patients. [PL 1995, c. 673, Pt. C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF).]

B. Nothing in this subsection may be construed to prohibit a plan from making a determination not to pay for a particular medical treatment or service or to enforce reasonable peer review or utilization review protocols. [PL 1995, c. 673, Pt. C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF).]

[PL 2007, c. 199, Pt. B, §6 (AMD).]

3-A. Termination of participating providers. A carrier offering or renewing a managed care plan may not terminate or nonrenew a contract with a participating provider unless the carrier provides the provider with a written explanation prior to the termination or nonrenewal of the reasons for the proposed contract termination or nonrenewal and provides an opportunity for a review or hearing in accordance with this subsection. The existence of a termination without cause provision in a carrier's contract with a provider does not supersede the requirements of this subsection. This subsection does not apply to termination cases involving imminent harm to patient care, a final determination of fraud by a governmental agency, a final disciplinary action by a state licensing board or other governmental agency that impairs the ability of a provider to practice. A review or hearing of proposed contract termination must meet the following requirements.

A. The notice of the proposed contract termination or nonrenewal provided by the carrier to the participating provider must include:

1) The reason or reasons for the proposed action in sufficient detail to permit the provider to respond;

2) Reference to the evidence or documentation underlying the carrier's decision to pursue the proposed action. A carrier shall permit a provider to review this evidence and documentation upon request;

3) Notice that the provider has the right to request a review or hearing before a panel appointed by the carrier;
(4) A time limit of not less than 30 days from the date the provider receives the notice within which a provider may request a review or hearing; and

(5) A time limit for a hearing date that must be not less than 30 days after the date of receipt of a request for a hearing.

Termination or nonrenewal may not be effective earlier than 60 days from the receipt of the notice of termination or nonrenewal. [PL 1997, c. 163, §2 (NEW).]

B. A hearing panel must be composed of at least 3 persons appointed by the carrier and one person on the hearing panel must be a clinical peer in the same discipline and the same or similar specialty of the provider under review. A hearing panel may be composed of more than 3 persons if the number of clinical peers on the hearing panel constitutes 1/3 or more of the total membership of the panel. [PL 1997, c. 163, §2 (NEW).]

C. A hearing panel shall render a written decision on the proposed action in a timely manner. This decision must be either the reinstatement of the provider by the carrier, the provisional reinstatement of the provider subject to conditions established by the carrier or the termination or nonrenewal of the provider. [PL 1997, c. 163, §2 (NEW).]

D. A decision by a hearing panel to terminate or nonrenew a contract with a provider may not become effective less than 60 days after the receipt by the provider of the hearing panel's decision or until the termination date in the provider's contract, whichever is earlier. [PL 1997, c. 163, §2 (NEW).]

[PL 2007, c. 199, Pt. B, §7 (AMD).]

3-B. Prohibition on financial incentives. A carrier offering or renewing a managed care plan may not offer or pay any type of material inducement, bonus or other financial incentive to a participating provider to deny, reduce, withhold, limit or delay specific medically necessary health care services covered under the plan to an enrollee. This subsection may not be construed to prohibit pilot projects authorized pursuant to section 4320-H or to prohibit contracts that contain incentive plans that involve general payments such as capitation payments or risk-sharing agreements that are made with respect to providers or groups of providers or that are made with respect to groups of enrollees. [RR 2011, c. 1, §41 (COR).]

4. Grievance procedure for enrollees. A carrier offering or renewing a health plan in this State shall establish and maintain a grievance procedure that meets standards developed by the superintendent to provide for the resolution of claims denials or other matters by which enrollees are aggrieved.

A. The grievance procedure must include, at a minimum, the following:

(1) Notice to the enrollee promptly of any claim denial or other matter by which enrollees are likely to be aggrieved, stating the basis for the decision, the right to file a grievance, the procedure for doing so and the time period in which the grievance must be filed;

(2) Timelines within which grievances must be processed, including expedited processing for exigent circumstances. Timelines must be sufficiently expeditious to resolve grievances promptly. Decisions for second level grievance reviews as defined by bureau rules must be issued within 30 calendar days if the insured has not requested the opportunity to appear in person before authorized representatives of the health carrier;

(3) Procedures for the submission of relevant information and enrollee participation;

(4) Provision to the aggrieved party of a written statement upon the conclusion of any grievance process, setting forth the reasons for any decision. The statement must include notice to the aggrieved party of any subsequent appeal or external review rights, the procedure and
time limitations for exercising those rights and notice of the right to file a complaint with the Bureau of Insurance and the toll-free telephone number of the bureau; and

(5) Decision-making by one or more individuals not previously involved in making the decision subject to the grievance. [PL 2007, c. 199, Pt. B, §9 (AMD).]

B. In any appeal under the grievance procedure in which a professional medical opinion regarding a health condition is a material issue in the dispute, the aggrieved party is entitled to an independent 2nd opinion, paid for by the plan, of a provider of the same specialty participating in the plan. If a provider of the same specialty does not participate in the plan, then the 2nd opinion must be given by a nonparticipating provider. [PL 1995, c. 673, Pt. C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF).]

C. In any appeal under the grievance procedure, the carrier shall provide auxiliary telecommunications devices or qualified interpreter services by a person proficient in American Sign Language when requested by an enrollee who is deaf or hard-of-hearing or printed materials in an accessible format, including Braille, large-print materials, computer diskette, audio cassette or a reader when requested by an enrollee who is visually impaired to allow the enrollee to exercise the enrollee's right to an appeal under this subsection. [PL 1999, c. 742, §9 (NEW).]

D. Notwithstanding this subsection, a group health plan sponsored by an agricultural cooperative association located outside of this State that provides health insurance coverage to members of one or more agricultural cooperative associations located within this State may employ a grievance procedure for enrollees in the group health plan that meets the requirements of the state in which the group health plan is located if enrollees in the group health plan that reside in this State have the right to independent external review in accordance with section 4312 following any adverse health care treatment decision. Any difference in the grievance procedure requirements between those of the state in which the group health plan is located and those of this State must be limited to the number of days required for notification of prior authorization for nonemergency services and the number of days required for the issuance of a decision following the filing of an appeal of an adverse health care treatment decision. Enrollees in the group health plan that reside in this State must be notified as to the grievance procedure used by the group health plan and their right to independent external review in accordance with section 4312. [PL 2003, c. 309, §1 (NEW).]

E. Health plans may not reduce or terminate benefits for an ongoing course of treatment, including coverage of a prescription drug, during the course of an appeal pursuant to the grievance procedure used by the carrier or any independent external review in accordance with section 4312. [PL 2019, c. 5, Pt. A, §20 (AMD).]

5. **Identification of services provided by certified nurse practitioners and certified nurse midwives.** All claims for coverage of services provided by certified nurse practitioners and certified nurse midwives must identify the certified nurse practitioners and certified nurse midwives who provided those services. A carrier offering or renewing a health plan in this State shall assign identification numbers or codes to certified nurse practitioners and certified nurse midwives who provide covered services for enrollees covered under that plan. A claim submitted for payment to a carrier by a health care provider or facility must include the identification number or code of the certified nurse practitioner or certified nurse midwife who provided the service and may not be submitted using the identification number or code of a physician or other health care provider who did not provide the covered service. [PL 2007, c. 199, Pt. B, §10 (AMD).]

6. **Standing referrals to specialists.** A carrier shall establish and maintain a procedure to allow an enrollee with a special condition requiring ongoing care from a specialist to receive a standing referral to a specialist participating in the carrier's network for treatment of that special condition. If
the carrier or the enrollee's primary care provider, in consultation with the carrier's medical director, determines that a standing referral is appropriate, the carrier shall ensure that the enrollee receives such a referral to a specialist. If a specialist able to treat the enrollee's special condition does not participate in the carrier's network, then the carrier shall ensure that the enrollee receives a standing referral to a nonparticipating specialist. A standing referral must be made pursuant to a treatment plan approved by the carrier's medical director in consultation with the enrollee's primary care provider. After the standing referral is made, the specialist is authorized to provide health care services to the enrollee in the same manner as the enrollee's primary care provider, subject to the terms of the treatment plan. [PL 1999, c. 742, §10 (NEW).]

7. Continuity of care. If a contract between a carrier and a provider is terminated or benefits or coverage provided by a provider is terminated because of a change in the terms of provider participation in a health plan and an enrollee is undergoing a course of treatment from the provider at the time of termination, the carrier shall provide continuity of care in accordance with the requirements in paragraphs A to C. This section does not apply to provider terminations exempt from the requirements of subsection 3-A.

If a managed care contract for the provision of health insurance coverage between a plan sponsor and a carrier is replaced within the meaning of section 2849 with a different managed care contract and a health care provider that has been providing health care services to an enrollee is not in the replacement carrier's network, the replacement carrier shall provide continuity of care in accordance with the requirements in paragraphs A to C in the same manner as if the provider had been terminated from the replacement carrier's network as of the date of the policy replacement, but only with respect to benefits that are covered under the replacement contract.

A. The carrier shall notify an enrollee of the termination of the provider's contract at least 60 days in advance of the date of termination. When circumstances related to the termination render such notice impossible, the carrier shall provide affected enrollees as much notice as is reasonably possible. The notice given to the enrollee must include instructions on obtaining an alternate provider and must offer the carrier's assistance with obtaining an alternate provider and ensuring that there is no inappropriate disruption in the enrollee's ongoing treatment. [PL 1999, c. 742, §10 (NEW).]

B. The carrier shall permit the enrollee to continue or be covered, with respect to the course of treatment with the provider, for a transitional period of at least 60 days from the date of notice to the enrollee of the provider's termination except that if an enrollee is in the 2nd trimester of pregnancy at the time of the provider's termination and the provider is treating the enrollee during the pregnancy, the transitional period must extend through the provision of postpartum care directly related to the pregnancy. [PL 1999, c. 742, §10 (NEW).]

C. A carrier may make coverage of continued treatment by a provider under paragraph B conditional upon the provider's agreeing to the following terms and conditions.

(1) The provider agrees to accept reimbursement from the carrier at rates applicable prior to the start of the transitional period as payment in full and not to impose cost-sharing with respect to the enrollee in an amount that would exceed the cost-sharing that could have been imposed if the contract between the carrier and the provider had not been terminated.

(2) The provider agrees to adhere to the quality assurance standards of the carrier responsible for payment and to provide the carrier necessary medical information related to the care provided.

(3) The provider agrees otherwise to adhere to the carrier's policies and procedures, including procedures regarding referrals and prior authorizations and providing services pursuant to any treatment plan approved by the carrier. [PL 1999, c. 742, §10 (NEW).]

[PL 1999, c. 742, §10 (NEW).]
7-A. Continuity of prescriptions. If an enrollee has been undergoing a course of treatment with a prescription drug by prior authorization of a carrier and the enrollee’s coverage with one carrier is replaced with coverage from another carrier pursuant to section 2849-B, the replacement carrier shall honor the prior authorization for that prescription drug and provide coverage in the same manner as the previous carrier until the replacement carrier conducts a review of the prior authorization for that prescription drug with the enrollee’s prescribing provider. Policies must include a notice of the right to request a review with the enrollee’s provider, and the replacing carrier must honor the prior carrier’s authorization for a period not to exceed 6 months if the enrollee’s provider participates in the review and requests the prior authorization be continued. The replacing carrier is not required to provide benefits for conditions or services not otherwise covered under the replacement policy, and cost sharing may be based on the copayments and coinsurance requirements of the replacement policy. [PL 2009, c. 439, Pt. F, §1 (NEW).]

8. Maximum allowable charges. All policies, contracts and certificates executed, delivered and issued by a carrier under which the insured or enrollee may be subject to balance billing when charges exceed a maximum considered usual, customary and reasonable by the carrier or that contain contractual language of similar import must be subject to the following.

A. If benefits for covered services are limited to a maximum amount based on any combination of usual, customary and reasonable charges or other similar method, the carrier must:

(1) Clearly disclose that the insured or enrollee may be subject to balance billing as a result of claims adjustment; and

(2) Provide a toll-free number that an insured or enrollee may call prior to receiving services to determine the maximum allowable charge permitted by the carrier for a specified service. [PL 2001, c. 410, Pt. B, §5 (NEW).]

B. The carrier must provide to the superintendent on request complete information on the methodology and specific data used by the carrier or any 3rd party on behalf of the carrier in adjusting any claim submitted by or on behalf of the insured or enrollee. In considering the reasonableness of the methodology for calculating maximum allowable charges, the superintendent shall consider whether the methodology takes into account relevant data specific to this State if there is sufficient data to constitute a representative sample of charge data for the same or comparable service. [PL 2001, c. 410, Pt. B, §5 (NEW).]

8-A. Protection from balance billing by participating providers. An enrollee's responsibility for payment under a managed care plan must be limited as provided in this subsection.

A. The terms of a managed care plan must provide that the enrollee's responsibility for the cost of covered health care rendered by participating providers is limited to the cost-sharing provisions expressly disclosed in the contract, such as deductibles, copayments and coinsurance, and that if the enrollee has paid the enrollee's share of the charge as specified in the plan, the carrier shall hold the enrollee harmless from any additional amount owed to a participating provider for covered health care. [PL 2011, c. 238, Pt. A, §1 (NEW).]

B. Every provider agreement with a participating provider must be in writing and must set forth that if the carrier fails to pay for health care services as set forth in the contract, the enrollee is not liable to the provider for any sums owed by the carrier. [PL 2011, c. 238, Pt. A, §1 (NEW).]

C. A participating provider may not collect or attempt to collect any charge from an enrollee for covered health care beyond the amount permitted by the terms of the plan, notwithstanding the carrier's insolvency, the carrier's failure to pay the amount owed by the carrier, any other breach by the carrier of the provider agreement or the failure of the provider agreement to include the written hold harmless provision required by paragraph B. [PL 2011, c. 238, Pt. A, §1 (NEW).]
9. **Notice of amendments to provider agreements.** A carrier offering or renewing a health plan in this State shall notify a participating provider of a proposed amendment to a provider agreement at least 60 days prior to the amendment's proposed effective date. If an amendment that has substantial impact on the rights and obligations of providers is made to a manual, policy or procedure document referenced in the provider agreement, such as material changes to fee schedules or material changes to procedural coding rules specified in the manual, policy or procedure document, the carrier shall provide 60 days' notice to the provider. After the 60-day notice period has expired, the amendment to a manual, policy or procedure document becomes effective and binding on both the carrier and the provider subject to any applicable termination provisions in the provider agreement, except that the carrier and provider may mutually agree to waive the 60-day notice requirement. This subsection may not be construed to limit the ability of a carrier and provider to mutually agree to the proposed change at any time after the provider has received notice of the proposed amendment.

10. **Limits on retrospective denials.** A carrier offering a health plan in this State may not impose on any provider any retrospective denial of a previously paid claim or any part of that previously paid claim unless:

   A. The carrier has provided the reason for the retrospective denial in writing to the provider; and

   B. The time that has elapsed since the date of payment of the previously paid claim does not exceed 12 months. The retrospective denial of a previously paid claim may be permitted beyond 12 months from the date of payment only for the following reasons:

      1. The claim was submitted fraudulently;
      2. The claim payment was incorrect because the provider or the insured was already paid for the health care services identified in the claim;
      3. The health care services identified in the claim were not delivered by the provider;
      4. The claim payment was for services covered by Title XVIII, Title XIX or Title XXI of the Social Security Act;
      5. The claim payment is the subject of adjustment with another insurer, administrator or payor; or
      6. The claim payment is the subject of legal action. [PL 2007, c. 106, §1 (AMD).]

For purposes of this subsection, "retrospective denial of a previously paid claim" means any attempt by a carrier to retroactively collect payments already made to a provider with respect to a claim by requiring repayment of such payments, reducing other payments currently owed to the provider, withholding or setting off against future payments or reducing or affecting the future claim payments to the provider in any other manner. The provider has 6 months from the date of notification under this subsection to determine whether the insured has other appropriate insurance that was in effect on the date of service. Notwithstanding the terms of the provider agreement, the carrier shall allow for the submission of a claim that was previously denied by another insurer because of the insured's transfer or termination of coverage. [PL 2007, c. 106, §1 (AMD).]

11. **Absolute discretion clauses.** The use and enforcement of an absolute discretion clause is governed by this subsection.
A. A policy, contract, certificate or agreement offered, delivered, issued or renewed for delivery in this State by a carrier to provide, deliver, arrange for, pay for or reimburse any of the costs of health care services may not contain a provision purporting to reserve sole or absolute discretion to the carrier to interpret the terms of the contract or to provide standards of interpretation or review that are inconsistent with the laws of this State. [RR 2003, c. 1, §21 (RAL).]

B. A carrier may not enforce a provision in a policy, contract, certificate or agreement that was offered, delivered or issued for delivery in this State and has been continued or renewed by a group policy holder or individual enrollee in this State that purports to reserve sole or absolute discretion to the carrier to interpret the terms of the contract or to provide standards of interpretation or review that are inconsistent with the laws of this State. [RR 2003, c. 1, §21 (RAL).] [RR 2003, c. 1, §21 (RAL).]

12. Publication of policies by carriers. A carrier must publish at least 5 individual health plans with the highest level of enrollment and at least 5 small group health plans with the highest level of enrollment on the carrier’s publicly accessible website in a manner that will allow consumers to review the coverage offered under each policy. The policies posted on the website must be updated when changes are made to the policies by the carrier. The appearance of the policy on the website must duplicate the appearance of a paper copy of the policy. The bureau shall provide a link from its website to each carrier’s website. A carrier must review annually which policies to post and make any necessary changes on its website. A carrier must post the required policies on its website within 90 days after the effective date of this subsection. [PL 2009, c. 439, Pt. A, §3 (NEW).]

13. Explanation of benefits. A carrier offering an individual expense-incurred health plan to residents of this State or an expense-incurred group health plan to an employer in this State shall provide individual policyholders and group certificate holders with clear written explanations of benefit documents in response to the filing of any claim providing for coverage of hospital or medical expenses. The explanation of benefits must include all of the following information:

A. The date of service; [PL 2009, c. 439, Pt. A, §4 (NEW).]
B. The provider of the service; [PL 2009, c. 439, Pt. A, §4 (NEW).]
C. An identification of the service for which the claim is made; [PL 2009, c. 439, Pt. A, §4 (NEW).]
D. Any amount the insured is obligated to pay under the policy for copayment or coinsurance; [PL 2009, c. 439, Pt. A, §4 (NEW).]
E. A telephone number and address where the insured may obtain clarification of the explanation of benefits; [PL 2009, c. 439, Pt. A, §4 (NEW).]
F. A notice of appeal rights; and [PL 2009, c. 439, Pt. A, §4 (NEW).]
G. A notice of the right to file a complaint with the bureau after exhausting any appeals under a carrier’s internal appeals process. [PL 2009, c. 439, Pt. A, §4 (NEW).]

The superintendent shall establish by rule the minimum information and standards for explanation of benefits forms used by carriers, taking into consideration any input from stakeholders and any national standards for explanation of benefits forms. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. This subsection applies to any explanation of benefits form issued on or after January 1, 2010. [PL 2009, c. 439, Pt. A, §4 (NEW).]

14. Policy terms. The superintendent may by rule define standard policy terms that must be used in all policies issued by carriers offering health plans in the State. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
15. Uniform explanation of coverage documents and standardized definitions. A carrier offering a health plan in this State shall:

A. Provide to applicants, enrollees and policyholders or certificate holders a summary of benefits and an explanation of coverage that accurately describe the benefits and coverage under the applicable plan or coverage. A summary of benefits and an explanation of coverage must conform with the requirements of the federal Affordable Care Act; and [PL 2011, c. 364, §26 (NEW)].

B. Use standard definitions of insurance-related and medical-related terms in connection with health insurance coverage as required by the federal Affordable Care Act. [PL 2011, c. 364, §26 (NEW)].

16. Language and culture. All notices to applicants, enrollees and policyholders or certificate holders subject to the requirements of the federal Affordable Care Act must be provided in a culturally and linguistically appropriate manner consistent with the requirements of the federal Affordable Care Act.

[PL 2011, c. 364, §27 (NEW)].

17. (REALLOCATED FROM T. 24-A, §4303, sub-§15) Prohibition on "most favored nation" clauses. Participation agreements between carriers and providers are governed by this subsection.

A. A participation agreement between a carrier and a provider may not include a provision, commonly referred to as a "most favored nation" clause, that:

   (1) Prohibits, or grants the carrier an option to prohibit, the provider from entering into a participation agreement with another carrier to provide services at a lower price than the payment specified in the participation agreement;

   (2) Requires, or grants the carrier an option to require, the provider to accept a lower payment in the event the provider agrees to provide services to any other carrier at a lower price;

   (3) Requires, or grants the carrier an option of, termination or renegotiation of the existing participation agreement in the event the provider agrees to provide services to any other carrier at a lower price; or

   (4) Requires the provider to disclose its reimbursement rates from other carriers. [RR 2011, c. 1, §42 (RAL)].

B. The superintendent may grant a waiver to paragraph A on application by either a carrier or a provider. A carrier or provider requesting a waiver for more than one participation agreement must file a separate application for each requested waiver. The superintendent may grant a waiver only after issuing a finding that the inclusion in the participation agreement of a most favored nation clause as described in paragraph A is not anticompetitive. A carrier or provider requesting a waiver may request a hearing on the application for a waiver in accordance with section 229. The findings and decision of the superintendent are final agency actions for the purposes of Title 5, chapter 375, subchapter 7 and, notwithstanding section 236, subsection 2, may be appealed regardless of whether a hearing was held. The superintendent's review under this paragraph is limited to the most favored nation clause, and any decision under this paragraph is for purposes of this subsection only and may not be construed as a finding or decision regarding the legality of the provision under other applicable law. [RR 2011, c. 1, §42 (RAL)].
C. Prior to the issuance of the superintendent's findings and decision on an application for a waiver pursuant to this subsection, any contract, proposal or draft legal instrument submitted to the superintendent in an application for a waiver is not a public record for the purposes of Title 1, chapter 13, except that the name and business address of the parties to an application for a waiver are public information. After the issuance of the superintendent's findings and decision, the superintendent may disclose any information that the superintendent determines is not proprietary information. For the purposes of this paragraph, "proprietary information" means information that is a trade secret or production, commercial or financial information the disclosure of which would impair the competitive position of the carrier or provider submitting the information and would make available information not otherwise publicly available. [RR 2011, c. 1, §42 (RAL).]

D. A carrier may not discriminate or retaliate against a provider for filing or opposing an application for a waiver under this subsection. [RR 2011, c. 1, §42 (RAL).]

E. A provider may not discriminate or retaliate against a carrier for filing or opposing an application for a waiver under this subsection. [RR 2011, c. 1, §42 (RAL).]

F. For the purposes of this subsection, the factors the superintendent may consider in determining whether to grant a waiver based on a finding that the inclusion of a most favored nation clause as described in paragraph A is not anticompetitive include, but are not limited to:

   (1) Any reduction or limit on competition among carriers or providers;
   (2) The impact on quality and availability of health care services, including the geographic distribution of providers;
   (3) The size of the provider and the type of any specialty;
   (4) The market share of the carrier and the provider;
   (5) The impact on the price and stability of health insurance and health care services to consumers; and
   (6) The impact on reimbursement rates in the provider marketplace. [RR 2011, c. 1, §42 (RAL).]

18. Provider contract requirements. A carrier offering a health plan must meet the requirements of this subsection with respect to a contract offered by the carrier to a provider, including a contract offered through a preferred provider arrangement, as defined in section 2671, subsection 7. This subsection does not apply to dental or vision plans.

A. If the contract for a preferred provider arrangement includes a reference to policies or procedures to which a contracting provider would be bound, all such policies and procedures must be provided to the provider for review in an easily accessible manner upon the provider's request at the time the contract is offered. [PL 2013, c. 399, §1 (NEW).]

B. Upon the provider's request at the time a contract for a preferred provider arrangement is offered, the following must be provided to a provider for review:

   (1) The fee schedule or, if there is not a fee schedule for one or more of the services covered under the contract, the terms under which payment is determined. A carrier may require a provider to execute a nondisclosure agreement covering the information provided under this subparagraph; and
   (2) The identity of all carriers for which the provider is agreeing to provide services to health plan enrollees. [PL 2013, c. 399, §1 (NEW).]

C. As a condition of participation in one of the carrier's preferred provider arrangements, a contract offered by a carrier may not require a provider to participate in any other carrier's network
subsequently offered by the carrier or by a carrier's preferred provider arrangement. [PL 2013, c. 399, §1 (NEW).]

D. Without the provider's prior written consent, a provider's contractual participation in a carrier's preferred provider arrangement may not:

   (1) Subject the provider to health plan payor requirements or fee schedules that materially differ from the terms of the provider's contract with the carrier, unless those materially different terms are set out in writing in a separate section of the contract, such as an exhibit or amendment; or

   (2) Permit the terms of the provider's existing preferred provider arrangement contract to be superseded by a carrier's subsequent contract with a health plan payor. [PL 2013, c. 399, §1 (NEW).]

E. A preferred provider arrangement contract may not require a provider providing a service to an enrollee under a health plan included in the provider's contract to obtain preauthorization if the enrollee's health plan does not require prior authorization as a condition of coverage. [PL 2013, c. 399, §1 (NEW).]

F. Explanation of remittance advices or comparable documents, whether in paper or electronic form, that accompany and identify payment of a provider's claims under a carrier's contract, including contracts offered through a preferred provider arrangement, must identify the administrator and payor of the provider's claims and include contact information. [PL 2013, c. 399, §1 (NEW).]

The requirements of this subsection do not apply to a carrier offering a health plan with respect to preferred provider arrangement contracts with a hospital or pharmacy. [PL 2013, c. 399, §1 (NEW).]

19. Information about provider networks. A carrier offering a managed care plan shall prominently disclose to applicants, prospective enrollees and enrollees information about the carrier's provider network for the applicable managed care plan, including whether there are hospitals, health care facilities, physicians or other providers not included in the plan's network and any differences in an enrollee's financial responsibilities for payment of covered services to a participating provider and to a provider not included in a provider network. The superintendent may adopt rules that set forth the manner, content and required disclosure of the information in accordance with this subsection. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2013, c. 535, §1 (NEW).]

20. Information about prescription drugs. Consistent with the requirements of the federal Affordable Care Act, a carrier offering a health plan in this State shall provide the following information to prospective enrollees and enrollees with respect to prescription drug coverage on its publicly accessible website.

   A. A carrier shall post each prescription drug formulary for each health plan offered by the carrier. The prescription drug formularies must be posted in a manner that allows prospective enrollees and enrollees to search the formularies and compare formularies to determine whether a particular prescription drug is covered under a formulary. When a change is made to a formulary, the updated formulary must be posted on the website within 72 hours. [PL 2015, c. 260, §1 (NEW).]

   B. A carrier shall provide an explanation of:

      (1) The requirements for utilization review, prior authorization or step therapy for each category of prescription drug covered under a health plan;
(2) The cost-sharing requirements for prescription drug coverage, including a description of how the costs of prescription drugs will specifically be applied or not applied to any deductible or out-of-pocket maximum required under a health plan;

(3) The exclusions from coverage under a health plan and any restrictions on use or quantity of covered health care services in each category of benefits; and

(4) The amount of coverage provided under a health plan for out-of-network providers or noncovered health care services and any right of appeal available to an enrollee when out-of-network providers or noncovered health care services are medically necessary. [PL 2015, c. 260, §1 (NEW).]

21. Health care price transparency tools. Beginning January 1, 2018, a carrier offering a health plan in this State shall comply with the following requirements.

A. A carrier shall develop and make available a website accessible to enrollees and a toll-free telephone number that enable enrollees to obtain information on the estimated costs for obtaining a comparable health care service, as defined in Title 24-A, section 4318-A, subsection 1, paragraph A, from network providers, as well as quality data for those providers, to the extent available. A carrier may comply with the requirements of this paragraph by directing enrollees to the publicly accessible health care costs website of the Maine Health Data Organization. [PL 2017, c. 232, §6 (NEW).]

B. A carrier shall make available to the enrollee the ability to obtain an estimated cost that is based on a description of the service or the applicable standard medical codes or current procedural terminology codes used by the American Medical Association provided to the enrollee by the provider. Upon an enrollee's request, the carrier shall request additional or clarifying code information, if needed, from the provider involved with the comparable health care service. If the carrier obtains specific code information from the enrollee or the enrollee's provider, the carrier shall provide the anticipated charge and the enrollee's anticipated out-of-pocket costs based on that code information, to the extent such information is made available to the carrier by the provider. [PL 2017, c. 232, §6 (NEW).]

C. A carrier shall notify an enrollee that the amounts are estimates based on information available to the carrier at the time the request is made and that the amount the enrollee will be responsible to pay may vary due to unforeseen circumstances that arise out of the proposed comparable health care service. This subsection does not prohibit a carrier from imposing cost-sharing requirements disclosed in the enrollee's certificate of coverage for unforeseen health care services that arise out of the proposed comparable health care service or for a procedure or service that was not included in the original estimate. This subsection does not preclude an enrollee from contacting the carrier to obtain more information about a particular admission, procedure or service with respect to a particular provider. [PL 2017, c. 232, §6 (NEW).]

D. Notwithstanding the provisions of this subsection and at the request of a carrier, the superintendent may grant an additional year to comply with the provisions of this subsection as long as the carrier has demonstrated a good faith effort to comply with the provisions of this subsection and has provided the superintendent with an action plan detailing the steps to be taken by the carrier to comply with this subsection no later than January 1, 2019. [PL 2017, c. 232, §6 (NEW).]

22. Denial of referral by out-of-network provider prohibited. Beginning January 1, 2018, a carrier may not deny payment for any health care service covered under an enrollee's health plan based solely on the basis that the enrollee's referral was made by a direct primary care provider who is not a member of the carrier's provider network. A carrier may not apply a deductible, coinsurance or
copayment greater than the applicable deductible, coinsurance or copayment that would apply to the
same health care service if the service was referred by a participating primary care provider. A carrier
may require a direct primary care provider making a referral who is not a member of the carrier's
provider network to provide information demonstrating that the provider is a direct primary care
provider through a written attestation or copy of a direct primary care agreement with an enrollee and
may request additional information necessary to implement this subsection. As used in this subsection,
"direct primary care provider" has the same meaning as in Title 22, section 1771, subsection 1,
paragraph B.
[PL 2019, c. 178, §1 (AMD).]

23. Duplicative or incorrect claims payments. If a carrier has made a duplicative or incorrect
payment on a claim with respect to a health plan:

A. If the claim payment was made to a provider, the carrier shall retroactively seek collection
related to that payment directly from the provider; and [PL 2019, c. 30, §1 (NEW).]

B. The carrier may not attempt to retroactively seek collection related to the claim payment from
an enrollee unless the enrollee was already paid directly for the services identified in the claim and
a provider submits evidence to the carrier that the enrollee did not forward payment to the provider.
After a provider has submitted evidence that the enrollee did not forward payment to the provider,
a carrier may require an enrollee to provide evidence of payment to the provider. [PL 2019, c. 30,
§1 (NEW).]
[PL 2019, c. 30, §1 (NEW).]

§4303-A. Provider profiling programs

1. Disclosure. At least 60 days prior to using or publicly disclosing the results of the provider
profiling program, a carrier with a provider profiling program shall disclose to providers the
methodologies, criteria, data and analysis used to evaluate provider quality, performance and cost,
including but not limited to unit cost, price and cost-efficiency ratings. For the purposes of this
subsection, the disclosure of data is satisfied by the provision by a carrier of a description of the data
used in the evaluation, the source of the data, the time period subject to evaluation and, if applicable,
the types of claims used in the evaluation including any adjustments to the data and exclusion from the
data.
[PL 2013, c. 383, §5 (NEW).]

2. Provider profile. A carrier shall create and share with providers their provider profile at least
60 days prior to using or publicly disclosing the results of the provider profiling program.
[PL 2013, c. 383, §5 (NEW).]
3. **Request for data.** A provider may request a copy of its data within 30 days of the carrier's disclosure to a provider as required by subsection 2, and, upon request from a provider, a carrier shall provide to that provider the data associated with the requesting provider and all adjustments to the data used to evaluate that provider as part of the carrier's provider profiling program. The bureau shall adopt rules to establish requirements for the disclosure of data by a carrier to a provider in accordance with this subsection. The bureau shall provide in the rules for a time and manner of disclosure consistent with a carrier's ability to adopt, revise and develop an effective provider profiling program. [PL 2013, c. 383, §5 (NEW).]

4. **Appeals.** A carrier shall establish a process that affords a provider the opportunity to review and dispute its provider profiling result within 30 days of being provided with its provider profile pursuant to subsection 2. The appeal process must:

   A. Afford the provider the opportunity to correct material errors, submit additional information for consideration and seek review of data and performance ratings; [PL 2013, c. 383, §5 (NEW).]

   B. Afford the provider the opportunity to review any information or evaluation prepared by a 3rd party and used by the carrier as part of its provider profiling program; however, if the 3rd party provides the right to review and correct that data, any appeal pursuant to this paragraph is limited to whether the carrier accurately portrayed the information and not to the underlying determination made by the 3rd party; and [PL 2013, c. 383, §5 (NEW).]

   C. Allow the provider to request reconsideration of its provider profiling result and submit supplemental information, including information demonstrating any computational or data errors. [PL 2013, c. 383, §5 (NEW).]

5. **Out-of-network providers.** If a carrier has a provider profiling program that includes out-of-network providers, a carrier must meet the requirements of this section with regard to an out-of-network provider as well as for a provider in a carrier's network. [PL 2013, c. 383, §5 (NEW).]

6. **Rules.** The bureau shall adopt rules necessary to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2013, c. 383, §5 (NEW).]

§4303-B. Disclosure related to provider networks

1. **Disclosure.** Upon request, a carrier shall provide to a provider to which the carrier has decided not to offer the opportunity to participate or that the carrier has decided not to include as a participating provider in any of the carrier's provider networks a written explanation of the reason for the carrier's decision. The written explanation provided by the carrier must indicate whether the reason for not offering the provider the opportunity to contract or for not including the provider in any network was related to the provider's performance with respect to quality, cost or cost-efficiency. [PL 2013, c. 535, §2 (NEW).]

2. **No right of action.** A provider has no right of action as the result of a disclosure made in accordance with this section. [PL 2013, c. 535, §2 (NEW).]

§4303-C. Protection from surprise bills and bills for out-of-network emergency services
(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)

1. **Surprise bill defined.** As used in this section, unless the context otherwise indicates, "surprise bill" means a bill for health care services, including, but not limited to, emergency services, received by an enrollee for covered services rendered by an out-of-network provider, when such services were rendered by that out-of-network provider at a network provider, during a service or procedure performed by a network provider or during a service or procedure previously approved or authorized by the carrier and the enrollee did not knowingly elect to obtain such services from that out-of-network provider. "Surprise bill" does not include a bill for health care services received by an enrollee when a network provider was available to render the services and the enrollee knowingly elected to obtain the services from another provider who was an out-of-network provider.

[PL 2019, c. 668, §2 (AMD).]

1-A. "Knowingly elected to obtain such services from that out-of-network provider" defined.

As used in this section, unless the context otherwise indicates, "knowingly elected to obtain such services from that out-of-network provider" means that an enrollee chose the services of a specific provider, with full knowledge that the provider is an out-of-network provider with respect to the enrollee's health plan, under circumstances that indicate that the enrollee had and was informed of the opportunity to receive services from a network provider but instead selected the out-of-network provider. The disclosure by a provider of network status does not render an enrollee's decision to proceed with treatment from that provider a choice made knowingly pursuant to this subsection.

[PL 2019, c. 668, §2 (NEW).]

2. **Requirements.** With respect to a surprise bill or a bill for covered emergency services rendered by an out-of-network provider:

A. A carrier shall require an enrollee to pay only the applicable coinsurance, copayment, deductible or other out-of-pocket expense that would be imposed for health care services if the services were rendered by a network provider. For an enrollee subject to coinsurance, the carrier shall calculate the coinsurance amount based on the median network rate for that health care service; [PL 2019, c. 668, §2 (AMD).]

B. Except as provided for ambulance services in paragraph D, unless the carrier and out-of-network provider agree otherwise, a carrier shall reimburse the out-of-network provider or enrollee, as applicable, for health care services rendered at the greater of:

1) The carrier's median network rate paid for that health care service by a similar provider in the enrollee's geographic area; and

2) The median network rate paid by all carriers for that health care service by a similar provider in the enrollee's geographic area as determined by the all-payer claims database maintained by the Maine Health Data Organization or, if Maine Health Data Organization claims data is insufficient or otherwise inapplicable, another independent medical claims database; [PL 2019, c. 668, §2 (AMD).]

C. Notwithstanding paragraph B, if a carrier has an inadequate network, as determined by the superintendent, the carrier shall ensure that the enrollee obtains the covered service at no greater cost to the enrollee than if the service were obtained from a network provider or shall make other arrangements acceptable to the superintendent; [PL 2019, c. 668, §2 (AMD).]

D. **TEXT EFFECTIVE UNTIL 10/1/21 (TEXT REPEALED 10/1/21)** A carrier shall reimburse an out-of-network provider for ambulance services that are covered emergency services at the out-of-network provider's rate, unless the carrier and out-of-network provider agree otherwise.

This paragraph is repealed October 1, 2021; [PL 2019, c. 668, §2 (NEW).]
E. If an out-of-network provider disagrees with a carrier's payment amount for a surprise bill for emergency services or for covered emergency services as determined in accordance with paragraph B, the carrier and the out-of-network provider have 30 calendar days to negotiate an agreement on the payment amount in good faith. If the carrier and the out-of-network provider do not reach agreement on the payment amount within 30 calendar days, the out-of-network provider may submit a dispute regarding the payment and receive another payment from the carrier determined in accordance with the dispute resolution process in section 4303-E, including any payment made pursuant to section 4303-E, subsection 1, paragraph G; and [PL 2019, c. 668, §2 (NEW).]

F. The enrollee's responsibility for payment for covered out-of-network emergency services must be limited so that if the enrollee has paid the enrollee's share of the charge as specified in the plan for in-network services, the carrier shall hold the enrollee harmless from any additional amount owed to an out-of-network provider for covered emergency services and make payment to the out-of-network provider in accordance with this section or, if there is a dispute, in accordance with section 4303-E. [PL 2019, c. 668, §2 (NEW).]

3. Payment after resolution of disputes. Following an independent dispute resolution determination pursuant to section 4303-E, the determination by the independent dispute resolution entity of a reasonable payment for a specific health care service or treatment rendered by an out-of-network provider is binding on a carrier, out-of-network provider and enrollee for 90 days. During that 90-day period, a carrier shall reimburse an out-of-network provider at that same rate for that specific health care service or treatment, and an out-of-network provider may not dispute any bill for that service under section 4303-E. [PL 2019, c. 668, §2 (NEW).]

SECTION HISTORY

§4303-D. Provider directories

1. Requirement. A carrier shall make available provider directories in accordance with this section.

A. A carrier shall post electronically a current and accurate provider directory for each of its network plans with the information and search functions described in subsection 2. In making the directory available electronically, the carrier shall ensure that the general public is able to view all of the current providers for a plan through a clearly identifiable link or tab and without creating or accessing an account or entering a policy or contract number. [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

B. A carrier shall update each provider directory at least monthly. The carrier shall periodically audit at least a reasonable sample size of its provider directories for accuracy and retain documentation of such an audit to be made available to the superintendent upon request. [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

C. A carrier shall provide a print copy, or a print copy of the requested directory information, of a current provider directory with the information described in subsection 2 upon request of a covered person or a prospective covered person. [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

D. For each network plan, a carrier shall include in plain language in both the electronic and print directories the following general information:

(1) A description of the criteria the carrier has used to build its provider network;

(2) If applicable, a description of the criteria the carrier has used to tier providers;
(3) If applicable, how the carrier designates the different provider tiers or levels in the network and identifies for each specific provider, hospital or other type of facility in the network the tier in which each is placed, whether by name, symbols, grouping or another designation, so that a covered person or a prospective covered person is able to identify the provider tier; and

(4) If applicable, that authorization or referral may be required to access some providers. [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

E. A carrier shall make clear in both its electronic and print directories which provider directory applies to which network plan by including the specific name of the network plan as marketed and issued in this State. The carrier shall include in both its electronic and print directories a customer service e-mail address and telephone number or electronic link that covered persons or the general public may use to notify the carrier of inaccurate provider directory information. [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

F. For the information required pursuant to subsections 2, 3 and 4 in a provider directory pertaining to a health care professional, a hospital or a facility other than a hospital, a carrier shall make available through the directory the source of the information and any limitations on the information, if applicable. [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

G. A provider directory, whether in electronic or print format, must accommodate the communication needs of individuals with disabilities and include a link to or information regarding available assistance for persons with limited English proficiency. [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

2. **Information in searchable format.** A carrier shall make available through an electronic provider directory, for each network plan, the information under this subsection in a searchable format:

A. For health care professionals:
   (1) The health care professional's name;
   (2) The health care professional's gender;
   (3) The participating office location or locations;
   (4) The health care professional's specialty, if applicable;

   (7) Participating facility affiliations, if applicable;
   (8) Languages other than English spoken by the health care professional, if applicable; and
   (9) Whether the health care professional is accepting new patients; [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]

B. For hospitals:
   (1) The hospital's name;
   (2) The hospital's type;
   (3) Participating hospital location; and
   (4) The hospital's accreditation status.

This paragraph does not apply to a carrier that offers network plans that consist solely of limited scope dental plans or limited scope vision plans; and [PL 2017, c. 218, §2 (NEW); PL 2017, c. 218, §3 (AFF).]
C. For facilities, other than hospitals, by type:
   (1) The facility's name;
   (2) The facility's type;

3. Additional information. In the electronic provider directories for each network plan, a carrier shall make available the following information in addition to all of the information available under subsection 2:

   A. For health care professionals:
      (1) Contact information. This subparagraph does not apply to a carrier that offers network plans that consist solely of limited scope dental plans or limited scope vision plans;

SECTION HISTORY

§4303-E. Dispute resolution process for surprise bills and bills for out-of-network emergency services

1. Independent dispute resolution process. The superintendent shall establish an independent dispute resolution process by which a dispute for a surprise bill for emergency services or a bill for covered emergency services rendered by an out-of-network provider in accordance with section 4303-C, subsection 2 may be resolved as provided in this subsection beginning no later than October 1, 2020.

   A. The superintendent may select an independent dispute resolution entity to conduct the dispute resolution process. The superintendent shall adopt rules to implement a dispute resolution process that uses a standard arbitration form and includes the selection of an arbitrator from a list of qualified arbitrators developed pursuant to the rules. A qualified arbitrator must be independent; may not be affiliated with a carrier, health care facility or provider or any professional association of carriers, health care facilities or providers; may not have a personal, professional or financial conflict with any parties to the arbitration; and must have experience in health care billing and reimbursement rates. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 668, §3 (NEW).]

   B. An independent dispute resolution entity shall make a decision within 30 days of receipt of the dispute for review. [PL 2019, c. 668, §3 (NEW).]

   C. In determining a reasonable fee for the health care services rendered, an independent dispute resolution entity shall select either the carrier's payment or the out-of-network provider's fee. The independent dispute resolution entity shall determine which amount to select based upon the conditions and factors set forth in this paragraph. In determining the reasonable fee for a health care service, an independent dispute resolution entity shall consider all relevant factors, including:
      (1) The out-of-network provider's level of training, education, specialization, quality and experience and, in the case of a hospital, the teaching staff, scope of services and case mix;
      (2) The out-of-network provider's previously contracted rate with the carrier, if the provider had a contract with the carrier that was terminated or expired within one year prior to the dispute; and
(3) The median network rate for the particular health care service performed by a provider in the same or similar specialty, as determined by the all-payer claims database maintained by the Maine Health Data Organization or, if Maine Health Data Organization claims data is insufficient or otherwise inapplicable, another independent medical claims database. If authorized by rule, the superintendent may enter into an agreement to obtain data from an independent medical claims database to carry out the functions of this subparagraph. [PL 2019, c. 668, §3 (NEW).]

D. If an independent dispute resolution entity determines, based on the carrier's payment and the out-of-network provider's fee, that a settlement between the carrier and out-of-network provider is reasonably likely, or that both the carrier's payment and the out-of-network provider's fee represent unreasonable extremes, the independent dispute resolution entity may direct both parties to attempt a good faith negotiation for settlement. The carrier and out-of-network provider may be granted up to 10 business days for this negotiation, which runs concurrently with the 30-day period for dispute resolution. [PL 2019, c. 668, §3 (NEW).]

E. The determination of an independent dispute resolution entity is binding on the carrier, out-of-network provider and enrollee and is admissible in any court proceeding between the carrier, out-of-network provider and enrollee or in any administrative proceeding between this State and the provider. [PL 2019, c. 668, §3 (NEW).]

F. When an independent dispute resolution entity determines the carrier's payment is reasonable, payment for the dispute resolution process is the responsibility of the out-of-network provider. When the independent dispute resolution entity determines the out-of-network provider's fee is reasonable, payment for the dispute resolution process is the responsibility of the carrier. When a good faith negotiation directed by the independent dispute resolution entity results in a settlement between the carrier and the out-of-network provider, the carrier and the out-of-network provider shall evenly divide and share the prorated cost for dispute resolution. [PL 2019, c. 668, §3 (NEW).]

G. When the difference between the out-of-network provider's charge and the median network rate pursuant to section 4303-C, subsection 2, paragraph B, subparagraph (1), including any applicable enrollee cost sharing, is less than $750, a carrier shall reimburse the out-of-network provider directly for the provider's charges for the services rendered as long as the provider's charges do not exceed the 80th percentile of charges for the particular health care service performed by a health care professional in the same or similar specialty and provided in the same geographical area as reported in a benchmarking database specified by the superintendent and maintained by a nonprofit organization that is not affiliated with and does not receive funding from a carrier. An out-of-network provider may dispute more than one bill with the same carrier for the same health care service under this subsection as long as the total of the bills with that carrier for that health care service exceeds $750. [PL 2019, c. 668, §3 (NEW).]

H. The superintendent shall enforce the determination of an independent dispute resolution entity pursuant to this subsection or any agreement made by a carrier and an out-of-network provider after the conclusion of the independent dispute resolution process pursuant to this subsection. The superintendent may use any powers provided to the superintendent under this Title. [PL 2019, c. 668, §3 (NEW).]

[PL 2019, c. 668, §3 (NEW).]

2. Self-insured health benefit plans. An entity providing or administering a self-insured health benefit plan exempted from the applicability of this section under the federal Employee Retirement Income Security Act of 1974, 29 United States Code, Sections 1001 to 1461 (1988) may elect to be subject to the provisions of this section to resolve disputes with respect to a surprise bill for emergency services or a bill for covered emergency services from an out-of-network provider. In the event an
entity providing or administering a self-insured health benefit plan elects to be subject to the provisions of this section, the provisions of this section apply to a self-insured health benefit plan and its members in the same manner as the provisions of this section apply to a carrier and its enrollees. To elect to be subject to the provisions of this section, the entity shall provide notice, on an annual basis, to the superintendent, on a form and in a manner prescribed by the superintendent, attesting to the entity's participation and agreeing to be bound by the provisions of this section. The entity shall amend the health benefit plan, coverage policies, contracts and any other plan documents to reflect that the provisions of this section apply to the plan's members.

[PL 2019, c. 668, §3 (NEW).]

3. **Information required from carriers.** As part of the carrier's annual public regulatory filings made to the superintendent, a carrier shall submit in a form and manner determined by the superintendent information related to:

   A. The use of out-of-network providers by enrollees and the impact on premium affordability and benefit design; and [PL 2019, c. 668, §3 (NEW).]

   B. The number of claims submitted by a provider to the carrier that are denied or down coded by the carrier and the reason for the denial or down coding determination. [PL 2019, c. 668, §3 (NEW).]

[PL 2019, c. 668, §3 (NEW).]

4. **Report from superintendent.** On or before January 31st annually, beginning January 1, 2022, the superintendent shall report the following information received from all carriers in the aggregate:

   A. The number of requests for independent dispute resolution filed pursuant to this section between January 1st and December 31st of the previous calendar year, including the percentage of all claims that were subject to dispute. For each independent dispute resolution determination, the carrier shall provide aggregate information that does not identify any provider, carrier, enrollee or uninsured patient involved in each determination about:

      (1) Whether the determination was in favor of the carrier, out-of-network provider or uninsured patient;

      (2) The payment amount offered by each side of the independent dispute resolution process and the award amount from the independent dispute resolution determination;

SECTION HISTORY

PL 2019, c. 668, §3 (NEW).

§4304. Utilization review

The following requirements apply to health plans doing business in this State that require prior authorization by the plan of health care services or otherwise subject payment of health care services to review for clinical necessity, appropriateness, efficacy or efficiency. A carrier offering or renewing a health plan subject to this section that contracts with other entities to perform utilization review on the carrier's behalf is responsible for ensuring compliance with this section and chapter 34. [PL 2007, c. 199, Pt. B, §12 (AMD).]

1. Requirements for medical review or utilization review practices. A carrier must appoint a medical director who is responsible for reviewing and approving the carrier's policies governing the clinical aspects of coverage determinations by any health plan that it offers or renews. A carrier's medical review or utilization review practices must be governed by the standard of medically necessary health care as defined in this chapter. [PL 2007, c. 199, Pt. B, §13 (AMD).]

2. Prior authorization of nonemergency services. Except for a request in exigent circumstances as described in section 4311, subsection 1-A, paragraph B, a request by a provider for prior authorization of a nonemergency service must be answered by a carrier within 72 hours or 2 business days, whichever is less, in accordance with this subsection.

A. Both the provider and the enrollee on whose behalf the authorization was requested must be notified by the carrier of its determination. [PL 2019, c. 273, §1 (NEW).]

B. If the carrier responds to a request by a provider for prior authorization with a request for additional information, the carrier shall make a decision within 72 hours or 2 business days, whichever is less, after receiving the requested information. [PL 2019, c. 273, §1 (NEW).]

C. If the carrier responds that outside consultation is necessary before making a decision, the carrier shall make a decision within 72 hours or 2 business days, whichever is less, from the time of the carrier's initial response. [PL 2019, c. 273, §1 (NEW).]

D. The prior authorization standards used by a carrier must be clear and readily available. A provider must make best efforts to provide all information necessary to evaluate a request, and the carrier must make best efforts to limit requests for additional information. [PL 2019, c. 273, §1 (NEW).]
If a carrier does not grant or deny a request for prior authorization within the time frames required under this subsection, the request for prior authorization by the provider is granted.

[PL 2019, c. 273, §1 (AMD).]

2-A. Prior authorization of medication-assisted treatment for opioid use disorder. A carrier may not require prior authorization for medication-assisted treatment for opioid use disorder for the prescription of at least one drug for each therapeutic class of medication used in medication-assisted treatment, except that a carrier may not impose any prior authorization requirements on a pregnant woman for medication-assisted treatment for opioid use disorder. For the purposes of this subsection, "medication-assisted treatment" means an evidence-based practice that combines pharmacological interventions with substance use disorder counseling.

[PL 2019, c. 273, §2 (NEW).]

2-B. Electronic transmission of prior authorization requests. Beginning no later than January 1, 2020, if a health plan provides coverage for prescription drugs, the carrier must accept and respond to prior authorization requests in accordance with subsection 2 through a secure electronic transmission using standards adopted by a national council for prescription drug programs for electronic prescribing transactions. For the purposes of this subsection, transmission of a facsimile through a proprietary payer portal or by use of an electronic form is not considered electronic transmission.

[PL 2019, c. 273, §2 (NEW).]

3. Background information; affirmative duty of provider. A provider has an affirmative duty to submit to the carrier the background information necessary for the carrier to complete its review and render a decision within the time period required in subsection 2. If the provider needs additional time to submit that required information, the provider must inform the carrier in a timely manner. Nothing in this section requires a provider to submit confidential information without a signed consent from the enrollee.

4. Revocation of prior authorization. When prior approval for a service or other covered item is granted, a carrier may not retrospectively deny coverage or payment for the originally approved service unless fraudulent or materially incorrect information was provided at the time prior approval for the service was granted.

5. Emergency services. When conducting utilization review or making a benefit determination for emergency services, a carrier shall provide benefits for emergency services consistent with the requirements of this subsection and any applicable bureau rule.

A. Before a carrier denies benefits or reduces payment for an emergency service based on a determination of the absence of an emergency medical condition or a determination that a lower level of care was needed, the carrier shall conduct a utilization review done by a board-certified emergency physician who is licensed in this State, including a review of the enrollee's medical record related to the emergency medical condition subject to dispute. If a carrier requests records related to a potential denial of or payment reduction for an enrollee's benefits when emergency services were furnished to an enrollee, a provider has an affirmative duty to respond to the carrier in a timely manner. This paragraph does not apply when a reduction in payment is made by a carrier based on a contractually agreed upon adjustment for health care service.

[PL 2019, c. 238, §2 (NEW).]

[PL 2019, c. 238, §2 (AMD).]

6. Notice. A notice issued by a carrier or its contracted utilization review entity in response to a request by or on behalf of an insured or enrollee for authorization of medical services that advises that the requested service has been determined to be medically necessary must also advise whether the service is covered under the policy or contract under which the insured or enrollee is covered. Nothing
in this subsection requires a carrier to provide coverage for services performed when the insured or enrollee is no longer covered by the health plan.

7. Requirements for an appeal of adverse health care treatment decision. An appeal of a carrier's adverse health care treatment decision must be conducted by a clinical peer. The clinical peer may not have been involved in making the initial adverse health care treatment decision unless additional information not previously considered during the initial review is provided on appeal. For the purposes of this subsection, "adverse health care treatment decision" does not include a carrier's rescission determination or a carrier's determination of initial coverage eligibility for coverage.

[PL 2019, c. 171, §2 (NEW).]

SECTION HISTORY

§4305. Quality of care

A carrier offering or renewing a health plan that subjects payment of benefits for otherwise covered services to review for clinical necessity, appropriateness, efficacy or efficiency must meet the following requirements relating to quality of care. [PL 2007, c. 199, Pt. B, §14 (AMD).]

1. Internal quality assurance program. A health plan must have an ongoing quality assurance program for the health care services provided or reimbursed by the health plan.

[PL 1995, c. 673, §1 (NEW); PL 1995, c. 673, §2 (AFF).]

2. Written standards. The standards of quality of care must be described in a written document, which must be available for examination by the superintendent or by the Department of Health and Human Services.

[PL 1995, c. 673, §1 (NEW); PL 1995, c. 673, §2 (AFF); PL 2003, c. 689, Pt. B, §6 (REV).]

3. Coverage decisions. Following a determination that a particular service is covered, a carrier may not deny payment for that service based on the enrollee's age, nature of disability or degree of medical dependency.

[PL 1995, c. 673, §1 (NEW); PL 1995, c. 673, §2 (AFF).]

SECTION HISTORY

§4306. Enrollee choice of primary care provider

A carrier offering or renewing a managed care plan shall allow enrollees to choose their own primary care providers, as allowed under the managed care plan's rules, from among the panel of participating providers made available to enrollees under the managed care plan's rules. A carrier shall allow physicians, including, but not limited to, pediatricians and physicians who specialize in obstetrics and gynecology, and physician assistants licensed pursuant to Title 32, section 2594-E or section 3270-E and certified nurse practitioners who have been approved by the State Board of Nursing to practice advanced practice registered nursing without the supervision of a physician pursuant to Title 32, section 2102, subsection 2-A to serve as primary care providers for managed care plans. A carrier is not required to contract with certified nurse practitioners, physician assistants or physicians as primary care providers in any manner that exceeds the access and provider network standards required in this chapter or chapter 56, or any rules adopted pursuant to those chapters. A carrier shall allow enrollees in a managed care plan to change primary care providers without good cause at least once annually and to change with good cause as necessary. When an enrollee fails to choose a primary care
provider, the carrier may assign the enrollee a primary care provider located in the same geographic area in which the enrollee resides. [PL 2019, c. 627, Pt. A, §1 (AMD).]

SECTION HISTORY

§4306-A. Patient access to obstetrical and gynecological care

Notwithstanding any other requirements of this Title, a carrier offering a health plan in this State subject to the requirements of the federal Affordable Care Act: [PL 2011, c. 364, §29 (NEW).]

1. Authorization or referral not required. May not require authorization or referral by the carrier or any other person, including a primary care provider, in the case of a female enrollee who seeks coverage for obstetrical or gynecological care provided by a participating health care professional as described in the federal Affordable Care Act who specializes in obstetrics or gynecology. The health care professional shall agree to otherwise adhere to the health plan’s or carrier’s policies and procedures, including procedures regarding referrals and obtaining prior authorization and providing services pursuant to a treatment plan, if any, approved by the carrier; and [PL 2011, c. 364, §29 (NEW).]

2. Treated as primary care. Shall treat the provision of obstetrical and gynecological care by a participating health care professional as described in the federal Affordable Care Act who specializes in obstetrics or gynecology, pursuant to subsection 1, as authorized by the primary care provider and the authorization of related obstetrical and gynecological items and services by that professional as the authorization of the primary care provider. [PL 2011, c. 364, §29 (NEW).]

§4307. Construction

Nothing in this chapter may be construed to: [PL 1995, c. 673, Pt. C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF).]

1. Purchase services with own funds. Prohibit an individual from purchasing any health care services with that individual's own funds, whether these services are covered within the individual's benefit package or from another health care provider or plan, except as otherwise provided by federal or state law; [PL 1995, c. 673, Pt. C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF).]

2. Additional benefits. Prohibit any plan sponsor from providing additional coverage for benefits, rights or protections not set out in this chapter; [PL 1999, c. 742, §16 (AMD).]

3. Provider participation. Require a carrier to admit to a managed care plan a provider willing to abide by the terms and conditions of the managed care plan; or [PL 1999, c. 742, §16 (AMD).]

4. Treatment by religious nonmedical providers. With respect to coverage of treatment by religious nonmedical providers:

   A. Restrict or limit the right of a carrier to include a religious nonmedical provider as a participating provider in a managed care plan; [PL 1999, c. 742, §17 (NEW).]

   B. Require a carrier to:
Utilize medically based eligibility standards or criteria in deciding provider status of religious nonmedical providers;

(2) Use medical professionals or criteria to decide enrollee access to religious nonmedical providers;

(3) Utilize medical professionals or criteria in making decisions in internal or external appeals regarding coverage for care by religious nonmedical providers; or

(4) Compel an enrollee to undergo a medical examination or test as a condition of receiving coverage for treatment by a religious nonmedical provider; or [PL 1999, c. 742, §17 (NEW)].

C. Require a carrier to exclude religious nonmedical providers because the providers do not provide medical or other required data, if such data is inconsistent with the religious nonmedical treatment or nursing care provided by the provider. [PL 1999, c. 742, §17 (NEW)].

[PL 1999, c. 742, §17 (NEW).]

SECTION HISTORY

§4308. Indemnification

A contract between a carrier offering or renewing a health plan and a provider for the provision of services to enrollees may not require the provider to indemnify the carrier for any expenses and liabilities, including, without limitation, judgments, settlements, attorney's fees, court costs and any associated charges incurred in connection with a claim or action brought against the health plan based on the carrier's own fault. Nothing in this section may be construed to remove responsibility of a carrier or provider for expenses or liabilities caused by the carrier's or provider's own negligent acts or omissions or intentional misconduct. [PL 2007, c. 199, Pt. B, §16 (AMD)].

1. Indemnification.

§4309. Adoption of rules

The superintendent shall adopt rules and establish standards for health plans in order to carry out the purposes of this chapter. Rules adopted pursuant to this chapter are major substantive rules as defined in Title 5, chapter 375, subchapter II-A. [PL 1995, c. 673, Pt. C, §1 (NEW); PL 1995, c. 673, Pt. C, §2 (AFF)].

SECTION HISTORY

§4309-A. Compliance with the Affordable Care Act

1. Carriers. A carrier shall comply with all applicable requirements of the federal Affordable Care Act. [PL 2011, c. 364, §30 (NEW).]

2. Superintendent. The superintendent may enforce and administer this section through all powers provided under this Title and Title 24. The superintendent may adopt and amend rules, establish standards and enforce federal statutes and regulations in order to carry out the purposes of the federal Affordable Care Act. Rules or amendments adopted pursuant to this subsection, including amendments to major substantive rules, are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
§4310. Access to clinical trials

1. Qualified enrollee. An enrollee is eligible for coverage for participation in an approved clinical trial if the enrollee meets the following conditions:
   A. The enrollee has a life-threatening illness for which no standard treatment is effective; [PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]
   B. The enrollee is eligible to participate according to the clinical trial protocol with respect to treatment of such illness; [PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]
   C. The enrollee's participation in the trial offers meaningful potential for significant clinical benefit to the enrollee; and [PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]
   D. The enrollee's referring physician has concluded that the enrollee's participation in such a trial would be appropriate based upon the satisfaction of the conditions in paragraphs A, B and C. [PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]

2. Coverage. A carrier may not deny a qualified enrollee participation in an approved clinical trial or deny, limit or impose additional conditions on the coverage of routine patient costs for items and services furnished in connection with participation in the clinical trial. For the purposes of this section, "routine patient costs" does not include the costs of the tests or measurements conducted primarily for the purpose of the clinical trial involved. [PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]

3. Payment. A carrier shall provide payment for routine patient costs but is not required to pay for costs of items and services that are reasonably expected to be paid for by the sponsors of an approved clinical trial. In the case of covered items and services, the carrier shall pay participating providers at the agreed upon rate and pay nonparticipating providers at the same rate the carrier would pay for comparable services performed by participating providers. [PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]

4. Approved clinical trial. For the purposes of this section, "approved clinical trial" means a clinical research study or clinical investigation approved and funded by the federal Department of Health and Human Services, National Institutes of Health or a cooperative group or center of the National Institutes of Health. [PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]

5. Application. The requirements of this section apply to all individual and group policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date. [PL 2003, c. 517, Pt. B, §31 (NEW).]

Section History

§4311. Access to prescription drugs

1. Formulary. If a health plan provides coverage for prescription drugs but the coverage limits such benefits to drugs included in a formulary, a carrier shall:
A. Ensure participation of participating physicians and pharmacists in the development of the formulary; [PL 2017, c. 429, Pt. A, §1 (AMD).]

B. Provide exceptions to the formulary limitation when a nonformulary alternative is medically indicated, consistent with the utilization review standards in section 4304; [PL 2017, c. 429, Pt. A, §1 (AMD).]

C. Provide an enrollee with at least 60 days' written notice of an adverse change to a formulary, except that a carrier may provide less than 60 days' notice when a prescription drug is being removed from the formulary because of concerns about safety. The notice must use a conspicuous font and inform the enrollee of the adverse change to the formulary and advise the enrollee to consult with the enrollee's provider about the change. For the purposes of this paragraph, "adverse change to a formulary" means a change that removes a drug currently prescribed for that enrollee from the formulary applicable to the enrollee's health plan or a change that moves the prescribed drug to a tier with a higher cost-sharing requirement if the carrier uses a formulary with tiers; [PL 2017, c. 429, Pt. A, §1 (NEW).]

D. If a prescription drug is removed from a formulary, notify an enrollee affected by the change of the enrollee's ability to request an exception to the formulary limitation pursuant to paragraph B and provide a form for the enrollee to use to request an exception. If an enrollee has already received prior authorization for that drug, the carrier shall continue to honor the existing authorization until it expires, as long as the enrollee continues to be covered under the same health plan and the drug has not been removed from the formulary because of concerns about safety; and [PL 2017, c. 429, Pt. A, §1 (NEW).]

E. Except when a drug has been removed because of concerns about safety, if a drug has been removed from a formulary and a request for an exception to a formulary limitation submitted by or on behalf of an enrollee is received prior to the effective date of the proposed change, continue to provide coverage for that drug until the carrier has rendered a decision on the enrollee's request for an exception to the formulary limitation. [PL 2017, c. 429, Pt. A, §1 (NEW).]

1-A. Access to clinically appropriate prescription drugs. For plan years beginning on or after the effective date of this subsection, a carrier must allow an enrollee, the enrollee's designee or the person who has issued a valid prescription for the enrollee to request and gain access to a clinically appropriate drug not otherwise covered by the health plan. The carrier's process must comply with section 4304 and with this subsection. If the carrier approves a request under this paragraph for a drug not otherwise covered by the health plan, the carrier must treat the drug as an essential health benefit, including counting any cost sharing toward the plan's annual limit on cost sharing and including it when calculating the plan's actuarial value.

A. The carrier must determine whether it will cover the drug requested and notify the enrollee, the enrollee's designee, if applicable, and the person who has issued the valid prescription for the enrollee of its coverage decision within 72 hours or 2 business days, whichever is less, following receipt of the request. A carrier that grants coverage under this paragraph must provide coverage of the drug for the duration of the prescription, including refills. [PL 2019, c. 273, §3 (AMD).]

B. The carrier must have a process by which an expedited review may be requested in exigent circumstances. Exigent circumstances exist when an enrollee is suffering from a health condition that may seriously jeopardize the enrollee's life, health or ability to regain maximum function or when an enrollee is undergoing a current course of treatment using a nonformulary drug. When an expedited review has been requested, the carrier must determine whether it will cover the drug requested and notify the enrollee, the enrollee's designee, if applicable, and the person who has provided a valid prescription for the enrollee of its coverage decision within 24 hours following
receipt of the request. A carrier that grants coverage under this paragraph must provide coverage of the drug for the duration of the exigency. [PL 2019, c. 5, Pt. A, §21 (NEW).]

[PL 2019, c. 273, §3 (AMD).]

2. **Coverage of approved drugs and medical devices.** A carrier that provides coverage for prescription drugs and medical devices may not deny coverage of a prescribed drug or medical device on the basis that the use of the drug or device is investigational if the intended use of the drug or device is included in the labeling authorized by the federal Food and Drug Administration or if the use of the drug or device is recognized in one of the standard reference compendia or in peer-reviewed medical literature.

[PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]

3. **Construction.** This section may not be construed to require a carrier to provide coverage of prescription drugs or medical devices.

[PL 1999, c. 742, §19 (NEW); PL 1999, c. 742, §21 (AFF).]

4. **Application.** The requirements of this section apply to all individual and group policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.

**SECTION HISTORY**

§4312. **Independent external review**

An enrollee has the right to an independent external review of a carrier's adverse health care treatment decision made by or on behalf of a carrier offering or renewing a health plan in accordance with the requirements of this section. An enrollee's failure to obtain authorization prior to receiving an otherwise covered service may not preclude an enrollee from exercising the enrollee's rights under this section. [PL 2007, c. 199, Pt. B, §17 (AMD)].

1. **Request for external review.** An enrollee or the enrollee's authorized representative shall make a written request for external review of an adverse health care treatment decision by or on behalf of a carrier offering or renewing a health plan in accordance with the requirements of this section. An enrollee's failure to obtain authorization prior to receiving an otherwise covered service may not preclude an enrollee from exercising the enrollee's rights under this section. [PL 2007, c. 199, Pt. B, §17 (AMD)].

2. **Expedited request for external review.** An enrollee or the enrollee's authorized representative is not required to exhaust a carrier's internal grievance procedure in accordance with subsection 1 before filing a request for external review if:

A. The carrier has failed to make a decision on an internal grievance within the time period required or has otherwise failed to adhere to all the requirements applicable to the appeal pursuant to state and federal law or the enrollee has applied for expedited external review at the same time as applying for an expedited internal appeal;  [PL 2011, c. 364, §31 (AMD).]

B. The carrier and the enrollee mutually agree to bypass the internal grievance procedure;  [PL 1999, c. 742, §19 (NEW).]
C. The life or health of the enrollee is in serious jeopardy;  [PL 2011, c. 364, §32 (AMD).]
D. The enrollee has died; or  [PL 2011, c. 364, §32 (AMD).]
E. The adverse health care treatment decision to be reviewed concerns an admission, availability of care, a continued stay or health care services when the claimant has received emergency services but has not been discharged from the facility that provided the emergency services. [PL 2011, c. 364, §32 (NEW).]

[PL 2011, c. 364, §32 (AMD).]

3. Notice to enrollees. A carrier shall notify an enrollee of the enrollee's right to request an external review in large type and easy-to-read language in a conspicuous location on the written notice of an adverse health care treatment decision. The notice must include:
A. A description of the external review procedure and the requirements for making a request for external review;  [PL 1999, c. 742, §19 (NEW).]
B. A statement informing an enrollee how to request assistance in filing a request for external review from the carrier;  [PL 1999, c. 742, §19 (NEW).]
C. A statement informing an enrollee of the right to attend the external review, submit and obtain supporting material relating to the adverse health care treatment decision under review, ask questions of any representative of the carrier and have outside assistance; and  [PL 1999, c. 742, §19 (NEW).]
D. A statement informing an enrollee of the right to seek assistance or file a complaint with the bureau and the toll-free number of the bureau.  [PL 1999, c. 742, §19 (NEW).]

[PL 1999, c. 742, §19 (NEW).]

4. Independent external review; bureau oversight. The bureau shall oversee the external review process required under this section and shall contract with approved independent review organizations to conduct an external review and render an external review decision. At a minimum, an independent review organization approved by the bureau shall ensure the selection of qualified and impartial reviewers who are clinical peers with respect to the adverse health care treatment decision under review and who have no professional, familial or financial conflict of interest relating to a carrier, enrollee, enrollee's authorized representative or health care provider involved in the external review. [PL 1999, c. 742, §19 (NEW).]

5. Independent external review decision; timelines. An external review decision must be made in accordance with the following requirements.
A. In rendering an external review decision, the independent review organization must give consideration to the appropriateness of the requested covered service based on the following:
   (1) All relevant clinical information relating to the enrollee's physical and mental condition, including any competing clinical information;
   (2) Any concerns expressed by the enrollee concerning the enrollee's health status; and
   (3) All relevant clinical standards and guidelines, including, but not limited to, those standards and guidelines relied upon by the carrier or the carrier's utilization review entity. [PL 1999, c. 742, §19 (NEW).]
B. An external review decision must be issued in writing and must be based on the evidence presented by the carrier and the enrollee or the enrollee's authorized representative. An enrollee may submit and obtain evidence relating to the adverse health care treatment decision under review, attend the external review, ask questions of any representative of the carrier present at the external review and use outside assistance during the review process at the enrollee's own expense.  [PL 1999, c. 742, §19 (NEW).]
C. Except as provided in paragraph D, an external review decision must be rendered by an independent review organization within 30 days of receipt of a completed request for external review from the bureau. [PL 1999, c. 742, §19 (NEW).]

D. An external review decision must be made as expeditiously as an enrollee's medical condition requires but in no event more than 72 hours after receipt of a completed request for external review if the time frame for review required under paragraph C would seriously jeopardize the life or health of the enrollee or would jeopardize the enrollee's ability to regain maximum function. [PL 1999, c. 742, §19 (NEW).]

E. The carrier shall provide auxiliary telecommunications devices or qualified interpreter services by a person proficient in American Sign Language when requested by an enrollee who is deaf or hard-of-hearing or printed materials in an accessible format, including Braille, large-print materials, computer diskette, audio cassette or a reader when requested by an enrollee who is visually impaired to allow the enrollee to exercise the enrollee's right to an external review under this section. [PL 1999, c. 742, §19 (NEW).]

6. **Binding nature of decision.** An external review decision is binding on the carrier. An enrollee or the enrollee's authorized representative may not file a request for a subsequent external review involving the same adverse health care treatment decision for which the enrollee has already received an external review decision pursuant to this section. An external review decision made under this section is not considered final agency action pursuant to Title 5, chapter 375, subchapter II. [PL 1999, c. 742, §19 (NEW).]

7. **Funding.** A carrier against which a request for external review has been filed shall pay the cost of the independent external review to the bureau. [PL 1999, c. 742, §19 (NEW).]

7-A. **Confidentiality.** Except as provided in this subsection, all records of the bureau or an independent review organization relating to an external review request or external review proceeding are confidential and not a public record under Title 1, chapter 13.

A. A party to an external review may obtain from the independent review organization a transcript or recording of the external review hearing and a copy of any evidence introduced by the opposing party. [PL 2013, c. 274, §1 (NEW).]

B. The superintendent shall disseminate to the Legislature and to the public aggregate information related to external reviews conducted by independent review organizations on an annual basis, including:

1. The number of external review requests by carrier, the number of decisions in favor of the enrollee, the number of decisions upholding the carrier's benefit determination and the number of external review requests resolved prior to the issuance of a decision; and

2. The categories of external review requests by carrier. The categories may not include personally identifiable information or specific medical condition. The categories must include, but are not limited to, medical necessity, out-of-network referrals, inpatient care, behavioral health, prescription drugs and experimental or investigational treatment. [PL 2013, c. 274, §1 (NEW).]

8. **Rules.** The bureau may adopt rules necessary to carry out the requirements of this section, including, without limitation, criteria for determining when multiple denials of benefits to the same enrollee for the same or similar reasons are considered the same adverse health care treatment decision. Notwithstanding the requirements of section 4309, rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.
9. **Rights.** This section may not be construed to remove or limit any legal rights or remedies of an enrollee or other person under state or federal law, including the right to file judicial actions to enforce rights.  

[PL 1999, c. 742, §19 (NEW).]

10. **Applicability.** Decisions relating to the following health care services are subject to review pursuant to other review processes provided by applicable federal or state law and may not be reviewed pursuant to this section:

A. A carrier has the duty to exercise ordinary care when making health care treatment decisions that affect the quality of the diagnosis, care or treatment provided to an enrollee and is liable for damages as provided in this section for harm to an enrollee proximately caused by the failure of the carrier or its agents to exercise such ordinary care. [PL 1999, c. 742, §19 (NEW).]

B. A carrier is also liable for damages as provided in this section for harm to an enrollee proximately caused by the health care treatment decisions made by its agents who are acting on the carrier's behalf and over whom the carrier exercised control or influence in the health care treatment decisions that result in the failure to exercise ordinary care. [PL 1999, c. 742, §19 (NEW).]

2. **Exhaustion of internal and external review.** An enrollee may not maintain a cause of action under this section unless the enrollee or the enrollee's representative:

A. Has exhausted all levels of the carrier's internal grievance procedure in accordance with this chapter; and [PL 1999, c. 742, §19 (NEW).]

B. Has completed the independent external review process required under section 4312. [PL 1999, c. 742, §19 (NEW).]

[PL 1999, c. 742, §19 (NEW).]

3. **Limitation on cause of action.** An action under this section must be initiated within 3 years from the earlier of the date of issuance of the written external review decision under section 4312 or the date of issuance of the underlying adverse first-level appeal or first-level grievance determination notice. [PL 1999, c. 742, §19 (NEW).]
4. **Jurisdiction; notice and filing.** The Superior Court has original jurisdiction over a cause of action under this section. The requirements for notice and filing of a cause of action under this section are governed by the Maine Rules of Civil Procedure. [PL 1999, c. 742, §19 (NEW).]

5. **Corporate practice of medicine.** Section 4222, subsection 3 or any other law in this State prohibiting a carrier from practicing medicine or being licensed to practice medicine may not be asserted as a defense by a carrier in any action brought pursuant to this section. [PL 1999, c. 742, §19 (NEW).]

6. **No obligation for benefits.** This section does not create any obligation on the part of a carrier to provide an enrollee any health care treatment or service that is not covered by the enrollee's health plan policy or contract. [PL 1999, c. 742, §19 (NEW).]

7. **Admissibility of external review decision.** An external review decision is admissible in an action under this section. [PL 1999, c. 742, §19 (NEW).]

8. **Affirmative defense.** It is an affirmative defense to any action asserted against a carrier under this section that the carrier or any agent for whose conduct the carrier is liable did not control, influence or participate in the health care treatment decision. [PL 1999, c. 742, §19 (NEW).]

9. **Damages.** In a cause of action under this section, the award of damages must be made in accordance with this subsection.
   
   A. **Actual or compensatory damages may be awarded.** [PL 1999, c. 742, §19 (NEW).]

   C. **Punitive damages may not be awarded.** [PL 1999, c. 742, §19 (NEW).]

10. **Professional negligence.** This section does not create any new or additional liability on the part of a carrier for harm caused to an enrollee that is attributable to the professional negligence of a treating physician or other health care practitioner. [PL 1999, c. 742, §19 (NEW).]

11. **Employer liability.** This section does not create any liability on the part of an employer that assumes risk on behalf of its employees or an employer group purchasing organization. [PL 1999, c. 742, §19 (NEW).]

12. **Exemption.** This section does not apply to workers' compensation, medical malpractice, fidelity, suretyship, boiler and machinery, property or casualty insurance. [PL 1999, c. 742, §19 (NEW).]

13. **Limitation on remedy.** The cause of action under this section is the sole and exclusive private remedy under state law for an enrollee against a carrier for its health care treatment decisions that affect the quality of the diagnosis, care or treatment provided to an enrollee, except that this subsection may not be construed to prohibit an enrollee or an enrollee's authorized representative from seeking other remedies specifically available under other provisions of this Title. [PL 1999, c. 742, §19 (NEW).]

14. **Wrongful death action.** Notwithstanding subsection 13, an enrollee or an enrollee's authorized representative may bring a cause of action against a carrier for its health care treatment decisions to seek a remedy under either this section or under Title 18-C, section 2-807, but may not seek remedies under both this section and Title 18-C, section 2-807. A carrier may not retrospectively deny coverage under this section on the basis that the eye care services received by the enrollee did not meet the requirements of subsection 1, paragraph B. In order to receive continuing benefits for
treatment related to the initial visit, an enrollee must receive the approval of the enrollee's primary
care provider for any visit after the 2nd visit. Within 3 working days of the initial visit, the eye care
provider shall send to the enrollee's primary care provider a report containing the enrollee's
complaint, related history, examination results, initial diagnosis and recommendations for
treatment. If the eye care provider does not send a report to the primary care provider within 3
working days, the carrier is not obligated to provide benefits for the self-referred visits under this
paragraph and the enrollee is not liable to the eye care provider for any unpaid fees. [PL 2001, c.
408, §1 (NEW); PL 2001, c. 408, §2 (AFF).]

B. A carrier shall ensure that all eye care providers participating in the carrier's health plans are
included on any publicly accessible list of participating providers for the carrier. [PL 2001, c.

SECTION HISTORY

§4314-A. Coverage for early refills of prescription eye drops

1. Required coverage. A carrier offering a health plan in this State shall provide coverage for one early refill of a prescription for eye drops if the following criteria are met:

A. The enrollee requests the refill no earlier than the date on which 70% of the days of use authorized by the prescribing health care provider have elapsed; [PL 2015, c. 91, §1 (NEW); PL 2015, c. 91, §2 (AFF).]

2. Required coverage. A carrier shall provide coverage for prosthetic devices in all health plans that, at a minimum, equals, except as provided in subsection 8, the coverage and payment for prosthetic devices provided under federal laws and regulations for the aged and disabled pursuant to 42 United States Code, Sections 1395k, 1395l and 1395m and 42 Code of Federal Regulations, Sections 414.202, 414.210, 414.228 and 410.100. Covered benefits must be provided for a prosthetic device determined by the enrollee's provider, in accordance with section 4301-A, subsection 10-A, to be the most appropriate model that adequately meets the medical needs of the enrollee.

3. Prior authorization. A carrier may require prior authorization for prosthetic devices in the same manner as prior authorization is required for any other covered benefit.

4. Repair or replacement. Coverage under this section must also be provided for repair or replacement of a prosthetic device if repair or replacement is determined appropriate by the enrollee's provider.

5. Coverage under managed care plan. If coverage under this section is provided through a managed care plan, a carrier may require that prosthetic services be rendered by a provider who contracts with the carrier and that a prosthetic device be provided by a vendor designated by the carrier.

6. Exclusions. Coverage is not required pursuant to this section for a prosthetic device that is designed exclusively for athletic purposes.

7. Application. The requirements of this section apply to all individual and group policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.

8. Health savings accounts. Benefits for prosthetic devices under health plans issued for use in connection with health savings accounts as authorized under Title XII of the Medicare Prescription Drug, Improvement, and Modernization Act of 2003 may be subject to the same deductibles and out-of-pocket limits that apply to overall benefits under the contract.

§4316. Coverage for telehealth services

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.
A. "Mobile health device" means a wearable device used to track health and wellness, including, but not limited to, a heart rate and respiratory monitor, an electrocardiogram monitor and a glucose monitor. [PL 2019, c. 289, §2 (NEW).]

B. "Store and forward transfers" means transmission of an enrollee's recorded health history through a secure electronic system to a provider. [PL 2019, c. 289, §2 (NEW).]

C. "Telehealth," as it pertains to the delivery of health care services, means the use of interactive real-time visual and audio or other electronic media for the purpose of consultation and education concerning and diagnosis, treatment, care management and self-management of an enrollee's physical and mental health and includes real-time interaction between the enrollee and the telehealth provider, synchronous encounters, asynchronous encounters, store and forward transfers and telemonitoring. "Telehealth" does not include the use of audio-only telephone, facsimile machine, e-mail or texting. [PL 2019, c. 289, §2 (NEW).]

D. "Telemonitoring," as it pertains to the delivery of health care services, means the use of information technology to remotely monitor an enrollee's health status via electronic means through the use of clinical data while the enrollee remains in a residential setting, allowing the provider to track the enrollee's health data over time. Telemonitoring may or may not take place in real time. [PL 2019, c. 289, §2 (NEW).]

E. "Telephonic services," as it pertains to the delivery of health care services, means the use of telephone communication by a provider at a distance for the purpose of diagnosis, disease monitoring or treatment. [PL 2019, c. 289, §2 (NEW).]

2. Parity for telehealth services. A carrier offering a health plan in this State may not deny coverage on the basis that the health care service is provided through telehealth if the health care service would be covered if it were provided through in-person consultation between an enrollee and a provider. Coverage for health care services provided through telehealth must be determined in a manner consistent with coverage for health care services provided through in-person consultation. If an enrollee is eligible for coverage and the delivery of the health care service through telehealth is medically appropriate, a carrier may not deny coverage for telehealth services. A carrier may offer a health plan containing a provision for a deductible, copayment or coinsurance requirement for a health care service provided through telehealth as long as the deductible, copayment or coinsurance does not exceed the deductible, copayment or coinsurance applicable to a comparable service provided through in-person consultation. A carrier may not exclude a health care service from coverage solely because such health care service is provided only through a telehealth encounter, as long as telehealth is appropriate for the provision of such health care service. [RR 2019, c. 2, Pt. A, §28 (COR).]

3. Coverage for telehealth services. Except as provided in this section, a carrier shall provide coverage for any medically necessary health care service delivered through telehealth as long as the following requirements are met.

A. The health care service is otherwise covered under an enrollee's health plan. [PL 2019, c. 289, §2 (NEW).]

B. The health care service delivered by telehealth is of comparable quality to the health care service delivered through in-person consultation. [PL 2019, c. 289, §2 (NEW).]

C. Prior authorization is required for telehealth services only if prior authorization is required for the corresponding covered health care service. An in-person consultation prior to the delivery of services through telehealth is not required. [PL 2019, c. 289, §2 (NEW).]
D. Coverage for telehealth services is not limited in any way on the basis of geography, location or distance for travel. [PL 2019, c. 289, §2 (NEW).]

E. The carrier shall require that a clinical evaluation is conducted either in person or through telehealth before a provider may write a prescription that is covered. [PL 2019, c. 289, §2 (NEW).]

F. The carrier shall provide coverage for the treatment of 2 or more persons who are enrolled in the carrier's health plan at the same time through telehealth, including counseling for substance use disorders involving opioids. [PL 2019, c. 289, §2 (NEW).]

4. Telemonitoring requirements. A carrier shall provide coverage for telemonitoring if:

A. The telemonitoring is intended to collect an enrollee's health-related data, including, but not limited to, pulse and blood pressure readings, that assist a provider in monitoring and assessing the enrollee's medical condition; [PL 2019, c. 289, §2 (NEW).]

B. The telemonitoring is medically necessary for the enrollee; [PL 2019, c. 289, §2 (NEW).]

C. The enrollee is cognitively and physically capable of operating the mobile health devices the enrollee has a caregiver willing and able to assist with the mobile health devices; and [PL 2019, c. 289, §2 (NEW).]

D. The enrollee's residence is suitable for telemonitoring. If the residence appears unable to support telemonitoring, the telemonitoring may not be provided unless necessary adaptations are made. [PL 2019, c. 289, §2 (NEW).]

5. Coverage for telephonic services. A carrier shall provide coverage for telephonic services when scheduled telehealth services are technologically unavailable at the time of the scheduled telehealth service for an existing enrollee and the telephonic services are medically appropriate for the corresponding covered health care services. [PL 2019, c. 289, §2 (NEW).]

6. Utilization review. This section does not prohibit or limit a carrier from conducting a utilization review for telehealth services as long as the utilization review is conducted in the same manner and uses the same clinical review criteria as a utilization review for an in-person consultation for the same service. [PL 2019, c. 289, §2 (NEW).]

7. Provider eligibility. In order to be eligible for reimbursement under this section, a provider providing health care services through telehealth must be acting within the scope of the provider's license. A carrier may not impose additional credentialing requirements or prior approval requirements for a provider as a condition of reimbursement for health care services provided under this section unless those credentialing requirements or prior approval requirements are the same as those imposed for a provider that does not provide health care services through telehealth. [PL 2019, c. 289, §2 (NEW).]

8. Telehealth equipment. A carrier may not require a provider to use specific telecommunications technology and equipment as a condition of coverage under this section as long as the provider uses telecommunications technology and equipment that comply with current industry interoperability standards and that comply with standards required under the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and regulations promulgated under that Act. [PL 2019, c. 289, §2 (NEW).]

9. Medicare coverage policy. A carrier may provide coverage for health care services delivered through telehealth that is consistent with the Medicare coverage policy for interprofessional Internet
consultations. If a carrier provides coverage consistent with the Medicare coverage policy for interprofessional Internet consultations, the carrier may also provide coverage for interprofessional Internet consultations that are provided by a federally qualified health center or rural health clinic as defined in 42 United States Code, Section 1395x, subsection (aa)(1993).

[PL 2019, c. 649, §4 (NEW).]

SECTION HISTORY

§4317. Pharmacy providers

1. Contracts with pharmacy providers. Notwithstanding section 2672, section 4307, subsection 3 and Title 32, chapter 117, subchapter 8, a carrier that provides coverage for prescription drugs as part of a health plan may not refuse to contract with a pharmacy provider that is qualified and is willing to meet the terms and conditions of the carrier's criteria for pharmacy participation as stipulated in the carrier's contractual agreement with its pharmacy providers.

This subsection may not be construed to limit a carrier's ability to offer an enrollee incentives, including variations in premiums, deductibles, copayments or coinsurance or variations in the quantities of medications available to the enrollee, to encourage the use of certain preferred pharmacy providers as long as the carrier makes the terms applicable to the preferred pharmacy providers available to all pharmacy providers. For purposes of this subsection, a preferred pharmacy provider is any pharmacy willing to meet the specified terms, conditions and price that the carrier may require for its preferred pharmacy providers.

[PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

2. Prompt payment of claims. Notwithstanding section 2436, the following provisions apply to the payment of claims submitted to a carrier by a pharmacy provider.

A. For purposes of this subsection, the following terms have the following meanings.

(1) "Applicable number of calendar days" means:

(a) With respect to claims submitted electronically, 21 days; and

(b) With respect to claims submitted otherwise, 30 days.

(2) "Clean claim" means a claim that has no defect or impropriety, including any lack of any required substantiating documentation, or particular circumstance requiring special treatment that prevents timely payment from being made on the claim under this section. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

B. A contract entered into by a carrier with a pharmacy provider with respect to a prescription drug plan offered by a carrier must provide that payment is issued, mailed or otherwise transmitted with respect to all clean claims submitted by a pharmacy provider, other than a pharmacy that dispenses drugs by mail order only or a pharmacy located in, or under contract with, a long-term care facility, within the applicable number of calendar days after the date on which the claim is received. For purposes of this subsection, a claim is considered to have been received:

(1) With respect to claims submitted electronically, on the date on which the claim is transferred; and

(2) With respect to claims submitted otherwise, on the 5th day after the postmark date of the claim or the date specified in the time stamp of the transmission of the claim. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

C. If payment is not issued, mailed or otherwise transmitted by the carrier within the applicable number of calendar days after a clean claim is received, the carrier shall pay interest to the pharmacy
provider at the rate of 18% per annum. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

D. A claim is considered to be a clean claim if the carrier involved does not provide notice to the pharmacy provider of any deficiency in the claim within 10 days after the date on which an electronically submitted claim is received or within 15 days after the date on which a claim submitted otherwise is received. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

E. If a carrier determines that a submitted claim is not a clean claim, the carrier shall immediately notify the pharmacy provider of the determination. The notice must specify all defects or improprieties in the claim and list all additional information or documents necessary for the proper processing and payment of the claim. If a pharmacy provider receives notice from a carrier that a claim has been determined to not be a clean claim, the pharmacy provider shall take steps to correct that claim and then resubmit the claim to the carrier for payment. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

F. A claim resubmitted to a carrier with additional information pursuant to paragraph E is considered to be a clean claim if the carrier does not provide notice to the pharmacy provider of any defect or impropriety in the claim within 10 days of the date on which additional information is received if the claim is resubmitted electronically or within 15 days of the date on which additional information is received if the claim is resubmitted otherwise. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

G. A claim submitted to a carrier that is not paid by the carrier or contested by the plan sponsor within the applicable number of calendar days after the date on which the claim is received by the carrier is considered to be a clean claim and must be paid by the carrier. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

H. Payment of a clean claim under this subsection is considered to have been made on the date on which the payment is transferred with respect to claims paid electronically and on the date on which the payment is submitted to the United States Postal Service or common carrier for delivery with respect to claims paid otherwise. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

I. A carrier shall pay all clean claims submitted electronically by electronic transfer of funds if the pharmacy provider so requests or has so requested previously. In the case when the payment is made electronically, remittance may be made by the carrier electronically. [PL 2009, c. 519, §1 (NEW); PL 2009, c. 519, §2 (AFF).]

J. For a contract entered into or renewed on or after January 1, 2021, the contract entered into by a carrier with a pharmacy provider with respect to a prescription drug plan offered by a carrier may not contain a provision that purports to directly or indirectly charge the pharmacy provider or hold the pharmacy provider responsible for any fee related to a clean claim:

1. That is not apparent at the time the carrier processes the claim;
2. That is not reported on the remittance advice of a claim adjudicated by the carrier; or
3. After the initial claim is adjudicated by the carrier. [PL 2019, c. 643, §1 (NEW).]

For purposes of this subsection, a contract entered into by a carrier with a pharmacy provider with respect to a prescription drug plan offered by a carrier includes any contract with respect to a prescription drug plan offered by the carrier under which a pharmacy provider is legally obligated, either directly or through an intermediary. [PL 2019, c. 643, §1 (AMD).]

3. Exception. Subsections 1 and 2 do not apply to any medical assistance or public health programs administered by the Department of Health and Human Services, including, but not limited to, the Medicaid program and the elderly low-cost drug program under Title 22, section 254-D.
4. Participation in contracts. A pharmacy benefits manager may not require a pharmacist or pharmacy to participate in one network in order to participate in another network. The pharmacy benefits manager may not exclude an otherwise qualified pharmacist or pharmacy from participation in one network solely because the pharmacist or pharmacy declined to participate in another network managed by the pharmacy benefits manager.

5. Prohibition. The written contract between a carrier and a pharmacy benefits manager may not provide that the pharmacist or pharmacy is responsible for the actions of the insurer or a pharmacy benefits manager.

6. Pharmacy benefits manager duties. All contracts must provide that, when the pharmacy benefits manager receives payment for the services of a pharmacist or pharmacy, the pharmacy benefits manager shall distribute the funds in accordance with the time frames provided in this subchapter.

7. Complaints, grievances and appeals. A pharmacy benefits manager may not terminate the contract of or penalize a pharmacist or pharmacy solely as a result of the pharmacist's or pharmacy's filing of a complaint, grievance or appeal. This subsection is not intended to restrict the pharmacy's and pharmacy benefits manager's ability to enter into agreements that allow for mutual termination without cause.

8. Denial or limitation of benefits. A pharmacy's benefits manager may not terminate the contract of or penalize a pharmacist or pharmacy for expressing disagreement with a carrier's decision to deny or limit benefits to an enrollee or because the pharmacist or pharmacy assists the enrollee to seek reconsideration of the carrier's decision or because the pharmacist or pharmacy discusses alternative medications.

9. Written notice required. At least 60 days before a pharmacy's benefits manager terminates a pharmacy's or pharmacist's participation in the pharmacy benefits manager's plan or network, the pharmacy benefits manager shall give the pharmacy or pharmacist a written explanation of the reason for the termination, unless the termination is based on:

   A. The loss of the pharmacy's license or the pharmacist's license to practice pharmacy or cancellation of professional liability insurance; or [PL 2011, c. 443, §6 (NEW).]
   B. A finding of fraud. [PL 2011, c. 443, §6 (NEW).]

At least 60 days before a pharmacy or pharmacist terminates its participation in a pharmacy benefits manager's plan or network, the pharmacy or pharmacist shall give the pharmacy benefits manager a written explanation of the reason for the termination.

10. Audits. Notwithstanding any other provision of law, when an on-site audit of the records of a pharmacy is conducted by a pharmacy benefits manager, the audit must be conducted in accordance with the following criteria.

   A. A finding of overpayment or underpayment must be based on the actual overpayment or underpayment and not a projection based on the number of patients served having a similar diagnosis or on the number of similar orders or refills for similar drugs, unless the projected overpayment or denial is a part of a settlement agreed to by the pharmacy or pharmacist. [PL 2011, c. 443, §6 (NEW).]
B. The auditor may not use extrapolation in calculating recoupments or penalties. [PL 2011, c. 443, §6 (NEW).]

C. Any audit that involves clinical or professional judgment must be conducted by or in consultation with a pharmacist. [PL 2011, c. 443, §6 (NEW).]

D. Each entity conducting an audit shall establish an appeals process under which a pharmacy may appeal an unfavorable preliminary audit report to the entity. [PL 2011, c. 443, §6 (NEW).]

E. This subsection does not apply to any audit, review or investigation that is initiated based on or involves suspected or alleged fraud, willful misrepresentation or abuse. [PL 2011, c. 443, §6 (NEW).]

F. Prior to an audit, the entity conducting an audit shall give the pharmacy 10 days' advance written notice of the audit and the range of prescription numbers and the range of dates included in the audit. [PL 2013, c. 71, §1 (NEW).]

G. A pharmacy has the right to request mediation by a private mediator, agreed upon by the pharmacy and the pharmacy benefits manager, to resolve any disagreements. A request for mediation does not waive any existing rights of appeal available to a pharmacy under this subsection or subsection 11. [PL 2013, c. 71, §1 (NEW).]

H. The requirements of section 4303, subsection 10 apply to claims audited under this subsection. [PL 2013, c. 71, §1 (NEW).]

11. Audit information and reports. A preliminary audit report must be delivered to the pharmacy within 60 days after the conclusion of the audit under subsection 10. A pharmacy must be allowed at least 30 days following receipt of the preliminary audit to provide documentation to address any discrepancy found in the audit. A final audit report must be delivered to the pharmacy within 90 days after receipt of the preliminary audit report or final appeal, whichever is later. A charge-back, recoupment or other penalty may not be assessed until the appeal process provided by the pharmacy benefits manager has been exhausted and the final report issued. Except as provided by state or federal law, audit information may not be shared. Auditors may have access only to previous audit reports on a particular pharmacy conducted by that same entity. [PL 2011, c. 443, §6 (NEW).]

12. Maximum allowable cost. [PL 2019, c. 469, §6 (RP); PL 2019, c. 469, §9 (AFF).]

13. Prohibition on excessive copayments or charges; disclosure not penalized. [PL 2019, c. 469, §7 (RP); PL 2019, c. 469, §9 (AFF).]

REVISOR'S NOTE: §4317. Prohibition against maximum aggregate benefit provisions (As enacted by PL 2009, c. 588, §1 and affected by §3 is REALLOCATED TO TITLE 24-A, SECTION 4318)

SECTION HISTORY

§4317-A. Prescription drug coverage; out-of-pocket expenses for coinsurance

1. Out-of-pocket expenses for coinsurance within health plan's total limit. If a carrier that provides coverage for prescription drugs does not include prescription drugs subject to coinsurance under the total out-of-pocket limit for all benefits provided under a health plan, the carrier shall establish a separate out-of-pocket limit not to exceed $3,500 per year for prescription drugs subject to
coinsurance provided under a health plan to the extent not inconsistent with the federal Affordable Care Act.

[PL 2011, c. 611, §1 (NEW); PL 2011, c. 611, §2 (AFF).]

2. **Adjustment of out-of-pocket limits.** A carrier may adjust an out-of-pocket limit, as long as any limit for prescription drugs for coinsurance does not exceed $3,500, to minimize any premium increase that might otherwise result from the requirements of this section. Any adjustment made by a carrier pursuant to this subsection is considered a minor modification under section 2850-B.

[PL 2011, c. 611, §1 (NEW); PL 2011, c. 611, §2 (AFF).]

3. **Construction.** This section may not be construed to prohibit or limit a carrier's ability to establish specialty tiers for prescription drug coverage, to make determinations of medical necessity or to enforce procedures regarding prior authorization or utilization review in accordance with this chapter.

[PL 2011, c. 611, §1 (NEW); PL 2011, c. 611, §2 (AFF).]

4. **Terms consistent with federal law.** For the purposes of this section, the use of the terms "coinsurance" and "out-of-pocket limit" by a carrier must be consistent with the definitions of those terms as prescribed by the Secretary of the United States Department of Health and Human Services pursuant to Section 2715 of the federal Affordable Care Act.

[PL 2011, c. 611, §1 (NEW); PL 2011, c. 611, §2 (AFF).]

SECTION HISTORY

§4317-B. **Orally administered cancer therapy**

1. **Coverage.** A carrier that provides coverage for cancer chemotherapy treatment shall provide coverage for prescribed, orally administered anticancer medications used to kill or slow the growth of cancerous cells that is equivalent to the coverage provided for intravenously administered or injected anticancer medications. An increase in patient cost sharing for anticancer medications may not be used to achieve compliance with this section.

[PL 2013, c. 449, §1 (NEW); PL 2013, c. 449, §2 (AFF).]

2. **Construction.** This section may not be construed to prohibit or limit a carrier's ability to establish a prescription drug formulary or to require a carrier to cover an orally administered anticancer medication on the sole basis that it is an alternative to an intravenously administered or injected anticancer medication.

[PL 2013, c. 449, §1 (NEW); PL 2013, c. 449, §2 (AFF).]

SECTION HISTORY

§4317-C. **Coverage for prescription insulin drugs; limit on out-of-pocket costs**

1. **Definition.** As used in this section, "insulin" has the same meaning as in Title 32, section 13786-D, subsection 1, paragraph A.

[PL 2019, c. 666, Pt. A, §1 (NEW).]

2. **Limit on out-of-pocket costs.** A carrier that provides coverage for prescription insulin drugs may not impose any deductible, copayment, coinsurance or other cost-sharing requirement on an enrollee for that coverage that results in out-of-pocket costs to the enrollee that exceed $35 per prescription for a 30-day supply of covered prescription insulin drugs, regardless of the amount of insulin needed to fill the enrollee's insulin prescriptions.

[PL 2019, c. 666, Pt. A, §1 (NEW).]
3. **Other cost sharing.** This section does not prevent a carrier from setting an enrollee's cost-sharing requirement for one or more insulin drugs at an amount lower than the maximum amount specified in this section. [PL 2019, c. 666, Pt. A, §1 (NEW).]

4. **Rules.** The superintendent may adopt rules to implement and administer this section to align with applicable federal requirements. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 666, Pt. A, §1 (NEW).]

§4318-A. Comparable health care service incentive program
(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)
(WHOLE SECTION TEXT EFFECTIVE UNTIL 1/1/24)
(WHOLE SECTION TEXT REPEALED 1/1/24)

Beginning January 1, 2019, a carrier offering a health plan in this State shall establish, at a minimum, for all small group health plans as defined in section 2808-B, subsection 1, paragraph G compatible with a health savings account authorized under federal law, a health plan design in which enrollees are directly incentivized to shop for low-cost, high-quality participating providers for comparable health care services. Incentives may include, but are not limited to, cash payments, gift cards or credits or reductions of premiums, copayments or deductibles. A small group health plan design created under this section must remain available to enrollees for at least 2 consecutive years, except that any changes made to the program after 2 years, including, but not limited to, ending the incentive, may not be construed as a change to the small group health plan design for the purpose of guaranteed renewability under section 2808-B, subsection 4 or section 2850-B. A multiple-employer welfare arrangement is not considered a carrier for the purposes of this section. [PL 2017, c. 232, §8 (NEW).]

1. **Definitions.** As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

   A. "Comparable health care service" means nonemergency, outpatient health care services in the following categories:
      (1) Physical and occupational therapy services;
      (2) Radiology and imaging services;
      (3) Laboratory services; and
      (4) Infusion therapy services. [PL 2017, c. 232, §8 (NEW).]

   B. "Program" means the comparable health care service incentive program established by a carrier pursuant to this section. [PL 2017, c. 232, §8 (NEW).] [PL 2017, c. 232, §8 (NEW).]
2. **Filing with superintendent.** Plans filed with the superintendent pursuant to this section must disclose, in the summary of benefits and explanation of coverage, a detailed description of the incentives available to a plan enrollee. The description must clearly detail any incentives that may be earned by the enrollee, including any limits on such incentives, the actions that must be taken in order to earn such incentives and a list of the types of services that qualify under the program. This subsection may not be construed to prevent a carrier from directing an enrollee to the carrier's website or toll-free telephone number for further information on the program in the summary of benefits and explanation of coverage. The superintendent shall review the filing made by the carrier to determine if the carrier's program complies with the requirements of this section.

[PL 2017, c. 232, §8 (NEW).]

3. **Availability of program; notice to enrollees.** Annually at enrollment or renewal, a carrier shall provide notice about the availability of the program to an enrollee who is enrolled in a health plan eligible for the program as required by section 4302, subsection 1, paragraph M.

[PL 2017, c. 232, §8 (NEW).]

4. **Additional types of nonemergency health care services or procedures.** Nothing in this section precludes a carrier from including additional types of nonemergency health care services or procedures in its program.

[PL 2017, c. 232, §8 (NEW).]

5. **No administrative expense.** An incentive payment made by a carrier in accordance with this section is not an administrative expense of the carrier for rate development or rate filing purposes.

[PL 2017, c. 232, §8 (NEW).]

6. **Study and evaluation.** Beginning March 1, 2020 and annually thereafter, the superintendent shall undertake a study and evaluation of the programs created by carriers as required by this section. The superintendent may request information on enrollment and use of incentives earned by enrollees of a carrier as necessary. By April 15, 2020 and annually thereafter, the superintendent shall submit an aggregate report relating to the performance of the programs, the use of incentives, the incentives earned by enrollees and the cumulative effect of the programs to the joint standing committee of the Legislature having jurisdiction over health insurance matters.

[PL 2017, c. 232, §8 (NEW).]

7. **Rules.** The superintendent may adopt rules as necessary to implement this section. Rules adopted pursuant to this subsection are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2017, c. 232, §8 (NEW).]

8. **Repeal.** This section is repealed January 1, 2024.

§4318-B. **Access to lower-priced services**

(CONTAINS TEXT WITH VARYING EFFECTIVE DATES)

(WHOLE SECTION TEXT EFFECTIVE UNTIL 1/1/24)

(WHOLE SECTION TEXT REPEALED 1/1/24)

1. **Services from out-of-network provider; lower prices.** Beginning January 1, 2019, if an enrollee covered under a health plan other than a health maintenance organization plan elects to obtain a covered comparable health care service as defined in section 4318-A, subsection 1, paragraph A from an out-of-network provider at a price that is the same or less than the statewide average for the same covered health care service based on data reported on the publicly accessible health care costs website
of the Maine Health Data Organization, the carrier shall allow the enrollee to obtain the service from the out-of-network provider at the provider's charge and, upon request by the enrollee, shall apply the payments made by the enrollee for that comparable health care service toward the enrollee's deductible and out-of-pocket maximum as specified in the enrollee's health plan as if the health care services had been provided by an in-network provider. A carrier may use the average price paid to a network provider for the covered comparable health care service under the enrollee's health plan in lieu of the statewide average price on the Maine Health Data Organization's publicly accessible website as long as the carrier uses a reasonable method to calculate the average price paid and the information is available to enrollees through a website accessible to the enrollee and a toll-free telephone number that provide, at a minimum, information relating to comparable health care services. The enrollee is responsible for demonstrating to the carrier that payments made by the enrollee to the out-of-network provider should be applied toward the enrollee's deductible or out-of-pocket maximum pursuant to this section. The carrier shall provide a downloadable or interactive online form to the enrollee for the purpose of making such a demonstration and may require that copies of bills and proof of payment be submitted by the enrollee. For the purposes of this section, "out-of-network provider" means a provider located in Massachusetts, New Hampshire or this State that is enrolled in the MaineCare program and participates in Medicare.

[PL 2017, c. 232, §9 (NEW).]

2. Rules. The superintendent may adopt rules as necessary to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[PL 2017, c. 232, §9 (NEW).]

3. Repeal. This section is repealed January 1, 2024.

[PL 2017, c. 232, §9 (NEW).]

SECTION HISTORY

§4319. Rebates

1. Rebates required. Carriers must provide rebates in the large group, small group and individual markets if the medical loss ratio under subsection 2 is less than the minimum medical loss ratio under subsection 3.

[PL 2019, c. 5, Pt. A, §23 (AMD).]

2. Medical loss ratio. For purposes of this section, the medical loss ratio is the ratio of the numerator to the denominator as described in paragraphs A and B, respectively, plus any credibility adjustment. For the purposes of this subsection:

A. The numerator is the amount expended on reimbursement for clinical services provided to enrollees and activities that improve health care quality; and [PL 2011, c. 90, Pt. D, §5 (NEW).]

B. The denominator is the total amount of premium revenue excluding federal and state taxes and licensing and regulatory fees paid and after accounting for payments or receipts for risk adjustment, risk corridors and reinsurance pursuant to federal law. [PL 2011, c. 90, Pt. D, §5 (NEW).]

[PL 2019, c. 5, Pt. A, §23 (AMD).]

3. Minimum medical loss ratio. The minimum medical loss ratio is:

A. In the large group market, 85%; [PL 2011, c. 90, Pt. D, §5 (NEW).]

B. In the small group market, 80%; and [PL 2011, c. 90, Pt. D, §5 (NEW).]

C. In the individual market, 80%. [PL 2019, c. 5, Pt. A, §23 (AMD).]
4. Rules. The superintendent may adopt rules to implement this section in a substantially similar manner as required under the federal Affordable Care Act in effect as of January 1, 2019, including, but not limited to, rules establishing the period for which the medical loss ratio is calculated. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 5, Pt. A, §23 (NEW).]

[PL 2019, c. 5, Pt. A, §24 (NEW).]

SECTION HISTORY

§4320. No lifetime or annual limits on health plans

A carrier offering a health plan in the individual, small group or large group market, as those markets are defined under applicable federal law, may not: [PL 2019, c. 5, Pt. A, §25 (AMD).]

SECTION HISTORY

§4320-A. Coverage of preventive and primary health services

Notwithstanding any other requirements of this Title, a carrier offering a health plan in this State shall, at a minimum, provide coverage for and may not impose cost-sharing requirements for preventive and primary health services as required by this section. [PL 2019, c. 653, Pt. C, §1 (AMD).]

1. Preventive services. A health plan must, at a minimum, provide coverage for:

A. The evidence-based items or services that have a rating of A or B in the recommendations of the United States Preventive Services Task Force or equivalent rating from a successor organization. [PL 2017, c. 343, §1 (NEW).]
B. With respect to the individual insured, immunizations that have a recommendation from the federal Department of Health and Human Services, Centers for Disease Control and Prevention, Advisory Committee on Immunization Practices and that are consistent with the recommendations of the American Academy of Pediatrics, the American Academy of Family Physicians or the American College of Obstetricians and Gynecologists or a successor organization; [PL 2017, c. 343, §1 (NEW).]

C. With respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the most recent version of the comprehensive guidelines supported by the federal Department of Health and Human Services, Health Resources and Services Administration that are consistent with the recommendations of the American Academy of Pediatrics or a successor organization; and [PL 2017, c. 343, §1 (NEW).]

D. With respect to women, such additional preventive care and screenings not described in paragraph A, provided for in the comprehensive guidelines supported by the federal Department of Health and Human Services, Health Resources and Services Administration women's preventive services guidelines that are consistent with the recommendations of the American College of Obstetricians and Gynecologists women's preventive services initiative. [PL 2017, c. 343, §1 (NEW).]

2. Change in recommendations. If a recommendation described in subsection 1 is changed during a health plan year, a carrier is not required to make changes to that health plan during the plan year. [PL 2017, c. 343, §1 (NEW).]

3. Primary health services. An individual or small group health plan with an effective date on or after January 1, 2021 must provide coverage without cost sharing for the first primary care office visit and first behavioral health office visit in each plan year and may not apply a deductible or coinsurance to the 2nd or 3rd primary care and 2nd or 3rd behavioral health office visits in a plan year. Any copays for the 2nd or 3rd primary care and 2nd or 3rd behavioral health office visits in a plan year count toward the deductible. This subsection does not apply to a plan offered for use with a health savings account unless the federal Internal Revenue Service determines that the benefits required by this section are permissible benefits in a high deductible health plan as defined in the federal Internal Revenue Code, Section 223(c)(2). The superintendent shall conduct a study analyzing the effects of this subsection on premiums based on experience in plan years 2020 and 2021. The superintendent may adopt rules as necessary to address the coordination of the requirements of this subsection for coverage without cost sharing for the first primary care visit and the requirements of this section with respect to coverage of an annual well visit. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 653, Pt. C, §1 (NEW).]

SECTION HISTORY

PL 2011, c. 364, §34 (NEW).
§4320-C. Emergency services

If a carrier offering a health plan provides or covers any benefits with respect to services in an emergency facility or setting, the plan must cover emergency services without prior authorization. Cost-sharing requirements, such as a deductible, copayment amount or coinsurance rate, for out-of-network services are the same as requirements that would apply if such services were provided in network, and any payment made by an enrollee pursuant to this section must be applied to the enrollee's in-network cost-sharing limit. The enrollee's responsibility for payment for covered out-of-network emergency services must be limited so that if the enrollee has paid the enrollee's share of the charge as specified in the plan for in-network services, the carrier shall hold the enrollee harmless from any additional amount owed to an out-of-network provider for covered emergency services and make payment to the out-of-network provider in accordance with section 4303-C or, if there is a dispute, in accordance with section 4303-E. A carrier offering a health plan in this State shall also comply with the requirements of section 4304, subsection 5. [PL 2019, c. 668, §4 (AMD).]

Beginning March 1, 2012, the superintendent may authorize pilot projects in accordance with this subsection that allow a health insurance carrier that offers health plans in this State to implement payment reform strategies with providers through an accountable care organization to reduce costs and improve the quality of patient care. For purposes of this section, "accountable care organization" means a group of health care providers operating under a payment agreement to provide health care services to a defined set of individuals with established benchmarks for the quality and cost of those health care services consistent with federal law and regulation.

[RR 2011, c. 1, §43 (RAL).]

B. Prior to approving a pilot project, the superintendent shall consider whether the proposed pilot project is consistent with the principles for payment reform developed by the Advisory Council on Health Systems Development established under former Title 2, section 104. 4. **Evaluation.** During the First Regular Session of the 129th Legislature, the joint standing committee of the Legislature having jurisdiction over insurance and financial services matters shall conduct an evaluation of the effectiveness of any pilot project approved by the superintendent pursuant to this section and make a determination whether to continue, amend or repeal the authorization for the pilot project. The joint standing committee of the Legislature having jurisdiction over insurance and financial services matters may report out a bill based on the evaluation to the First Regular Session of the 129th Legislature.

[RR 2011, c. 1, §43 (RAL).]

G. "Step therapy protocol" means a protocol that establishes a specific sequence in which prescription drugs for a specified medical condition are medically necessary for a particular enrollee and are covered under a pharmacy or medical benefit by a carrier, including self-administered and physician-administered drugs. [PL 2019, c. 295, §1 (NEW); RR 2019, c. 1, Pt. A, §26 (RAL).]

When coverage of a prescription drug for the treatment of any medical condition is restricted for use by a carrier or utilization review organization through the use of a step therapy protocol, the enrollee and prescriber must have access to a clear, readily accessible and convenient process to request a step therapy override exception determination from that carrier or utilization review organization.

   A. A carrier or utilization review organization may use its existing medical exceptions process to provide step therapy override exception determinations, and the process established must be easily accessible on the carrier's or utilization review organization's website. [PL 2019, c. 295, §1 (NEW); RR 2019, c. 1, Pt. A, §26 (RAL).]

   B. A carrier or utilization review organization shall expeditiously grant a step therapy override exception determination if:

      (2) The required prescription drug is expected to be ineffective based on the known clinical characteristics of the enrollee and the known characteristics of the prescription drug regimen;
      (3) The enrollee has tried the required prescription drug while under the enrollee's current or previous health insurance or health plan, or another prescription drug in the same pharmacologic class or with the same mechanism of action, and the prescription drug was discontinued due to lack of efficacy or effectiveness, diminished effect or an adverse reaction;
      (4) The required prescription drug is not in the best interest of the enrollee, based on medical necessity; or
(5) The enrollee is stable on a prescription drug selected by the enrollee's health care provider for the medical condition under consideration while on a current or previous health insurance or health plan.

Nothing in this paragraph may be construed to encourage the use of a pharmaceutical sample for the sole purpose of meeting the requirements for the granting of a step therapy override exception determination. [PL 2019, c. 295, §1 (NEW); RR 2019, c. 1, Pt. A, §26 (RAL).]

C. Upon the granting of a step therapy override exception determination, the carrier or utilization review organization shall authorize coverage for the prescription drug prescribed by the prescriber. [PL 2019, c. 295, §1 (NEW); RR 2019, c. 1, Pt. A, §26 (RAL).]

If exigent circumstances, as described in section 4311, subsection 1-A, paragraph B, exist, a carrier or utilization review organization shall grant or deny the request within 24 hours after receipt of the request. The carrier shall provide coverage for the prescription drug prescribed by the prescriber during the pendency of the request for a step therapy override exception determination or an appeal of a determination. If a carrier or utilization review organization does not grant or deny the request within the time required under this paragraph, the exception or appeal is granted. [RR 2019, c. 1, Pt. A, §26 (RAL); PL 2019, c. 295, §1 (NEW).]

E. An enrollee may appeal a step therapy override exception determination. [PL 2019, c. 295, §1 (NEW); RR 2019, c. 1, Pt. A, §26 (RAL).]

1. A carrier or utilization review organization from requiring an enrollee to try a generic drug, as defined in Title 32, section 13702-A, subsection 14, or an interchangeable biological product, as defined in Title 32, section 13702-A, subsection 14-A, prior to providing coverage for the equivalent brand-name prescription drug; or

2. A health care provider from prescribing a prescription drug that is determined to be medically necessary. [PL 2019, c. 295, §1 (NEW); RR 2019, c. 1, Pt. A, §26 (RAL).]

7. Rules. The superintendent may adopt rules to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 295, §1 (NEW); RR 2019, c. 1, Pt. A, §26 (RAL).]

§4320-O. Coverage for services provided by a physician assistant

1. Services provided by a physician assistant. A carrier offering a health plan in this State shall provide coverage for health care services performed by a physician assistant licensed under Title 32, section 2594-E or 3270-E when those services are covered services under the health plan when performed by any other health care provider and when those services are within the lawful scope of practice of the physician assistant. [PL 2019, c. 627, Pt. A, §2 (NEW).]

2. Limits; deductible; copayment; coinsurance. A carrier may offer a health plan containing a provision for a deductible, copayment or coinsurance requirement for a health care service provided by a physician assistant as long as the deductible, copayment or coinsurance does not exceed the deductible, copayment or coinsurance applicable to the same service provided by other health care providers.
3. **Network participation.** A carrier shall demonstrate that the carrier's provider network includes reasonable access, in accordance with section 4303, to all covered services that are within the lawful scope of practice of a physician assistant. A carrier may not exclude a provider from participation in the carrier's provider network solely because the provider is a physician assistant as long as the provider is willing to meet the same terms and conditions as other participating providers. This subsection does not require a carrier to contract with all physician assistants or require a carrier to provide coverage under a health plan for any service provided by a participating physician assistant that is not within the health plan's scope of coverage. [PL 2019, c. 627, Pt. A, §2 (NEW).]

4. **Billing.** A carrier shall authorize a physician assistant to bill the carrier and receive direct payment for a medically necessary service the physician assistant provides to an enrollee and identify the physician assistant as provider in the billing and claims process for payment of the service. A carrier may not impose on a physician assistant a practice, education or collaboration requirement that is inconsistent with or more restrictive than a requirement of state law or board or agency rules. [PL 2019, c. 627, Pt. A, §2 (NEW).]

SECTION HISTORY
PL 2019, c. 522, §1 (NEW).
§4331. Definitions

As used in this subchapter, unless the context otherwise indicates, the following terms have the following meanings. [PL 1999, c. 609, §20 (NEW).]

1. **Bonus.** "Bonus" means a payment a carrier makes to a downstream entity beyond any salary, fee-for-service payment, capitation or returned withhold. [PL 1999, c. 609, §20 (NEW).]

2. **Capitation.** "Capitation" means a set dollar payment per patient per unit of time, usually per month, that a carrier pays a health care practitioner, institutional provider or downstream entity to cover a specified set of services and administrative costs without regard to the actual number or nature of services provided. The services covered may include the downstream entity's own services, referral services or all medical services. [PL 1999, c. 609, §20 (NEW).]

3. **Downstream entity.** "Downstream entity" means a person other than a carrier that has assumed all or part of the insurance risk of one or more health plans under a contractual relationship with a carrier or another downstream entity. An employer exempt from the applicability of this chapter under the federal Employee Retirement Income Security Act of 1974, 29 United States Code, Sections 1001 to 1461 (1988) is not considered a downstream entity. [PL 1999, c. 609, §20 (NEW).]

4. **Downstream risk arrangement.** "Downstream risk arrangement" means an arrangement that transfers insurance risk from a carrier to a downstream entity. [PL 2003, c. 428, Pt. H, §6 (AMD).]

5. **Payments.** "Payments" means any amounts the carrier pays the downstream entity for services the downstream entity furnishes directly, plus amounts paid for administration and amounts paid in whole or in part based on use and costs of referral services such as withhold amounts, bonuses based on referral levels and any other compensation to the downstream entity to influence the use of referral services. Bonuses and other compensation that are not based on referral levels, such as bonuses based solely on quality of care furnished, patient satisfaction and participation on committees, are not considered payments for purposes of this subchapter. [PL 1999, c. 609, §20 (NEW).]

6. **Physician group.** "Physician group" means a partnership, association, corporation, individual practice association or other group of physicians that distributes income from the practice among members. An individual practice association is a physician group only if the association is composed of individual physicians and has no subcontracts with physician groups. [PL 1999, c. 609, §20 (NEW).]

7. **Potential payments.** "Potential payments" means the maximum anticipated total amount, based on the most recent year's utilization and experience and any current or anticipated factors that may affect costs, to be paid for a defined set of referral services for the carrier's subscribers and for which the downstream entity assumes by contract financial risk, to some extent, for the costs of such services. The methodology for determining potential payments must be filed by the carrier with the bureau. [PL 1999, c. 609, §20 (NEW).]

8. **Referral services.** "Referral services" means any specialty, inpatient, outpatient or laboratory services that a downstream entity orders or arranges, but does not furnish directly. [PL 1999, c. 609, §20 (NEW).]

9. **Risk-sharing arrangement.** "Risk-sharing arrangement" means an arrangement between a carrier and a downstream entity in which the carrier continues to pay providers for a defined set of services subject to an annual reconciliation process in which costs incurred by the carrier are compared with budgeted or targeted amounts for such services and that may, if payments are different than the
budgeted amount, create financial liability of the downstream entity to the carrier or the carrier to the
downstream entity provided the carrier holds or retains control of any funds in excess of those required
to satisfy current claims obligations or direct payment to providers for services rendered pending
reconciliation.
[PL 1999, c. 609, §20 (NEW).]

10. Risk threshold. "Risk threshold" means the maximum risk, if the risk is based on referral
services, to which a downstream entity may be exposed under a downstream risk arrangement without
being at substantial financial risk.
[PL 1999, c. 609, §20 (NEW).]

11. Withhold. "Withhold" means a percentage of payments or set dollar amounts that a carrier
deducts from a downstream entity's service fee, capitation or salary payment and that may or may not
be returned to the downstream entity, depending on specific predetermined factors.
[PL 1999, c. 609, §20 (NEW).]

SECTION HISTORY

§4332. Safe harbor and waiver

1. Authority for safe harbor. Notwithstanding any other provisions of this Title or Title 24,
including, without limitation, sections 4341 and 4342, an arrangement between a carrier and a
downstream entity with which the carrier has contracted to provide or arrange for the provision of
services that allows the downstream entity to accept a limited degree of insurance risk is permitted and
such a risk arrangement is deemed not to be engaging in the business of insurance by the downstream
entity if:

A. The arrangement does not involve substantial insurance risk or substantial enrollment risk as
described in section 4334; and [PL 1999, c. 609, §20 (NEW).]

B. The arrangement meets the requirements of sections 4335 and 4336. [PL 1999, c. 609, §20
(NEW).]

[PL 1999, c. 609, §20 (NEW).]

2. Waiver for downstream risk arrangements that exceed risk threshold described in section
4334. Carriers and downstream entities that wish to develop downstream risk arrangements that exceed
the risk threshold described in section 4334 may jointly request that the superintendent grant a waiver
that allows the downstream entity to accept a limited degree of insurance risk without being licensed
as an insurer, a health maintenance organization or an insurance administrator. The joint request for a
waiver must include a plan for managing financial exposure, based upon reasonable enrollment and
utilization projections and upon the contracts, parties and features proposed, sufficient to quantify in
dollars per quarter and per annum all elements of downstream risk to be assumed by the downstream
entity. All other risk arrangements are prohibited unless the arrangements meet the appropriate
licensing standards or are expressly permitted by the superintendent.
[PL 1999, c. 609, §20 (NEW).]

3. Continuing obligation to subscribers. A carrier contracting with a downstream entity remains
obligated to its subscribers for the delivery of health care benefits consistent with existing state law.
The carrier remains responsible for compliance with all applicable laws.
[PL 1999, c. 609, §20 (NEW).]

4. Certain incentives prohibited. A downstream risk arrangement may not contain incentives
for the downstream entity or participating provider to limit or deny medically necessary care to
enrollees.
[PL 1999, c. 609, §20 (NEW).]
5. Requirements still applicable. The application of the safe harbor provisions in subsection 1 or a waiver of licensing requirements granted pursuant to this section does not exempt the downstream entity from any other licensure or prior approval requirements applicable to activities conducted by the downstream entity, including, but not limited to, utilization review licensure, insurance administrator licensure or preferred provider arrangement registration.

[PL 1999, c. 609, §20 (NEW).]

SECTION HISTORY

§4333. Requirements for downstream risk arrangements

1. Permissible downstream risk arrangements. Downstream entities that do not exceed the risk threshold described in section 4334 may enter into downstream risk arrangements only if:

A. The requirements of section 4332, subsection 1 and sections 4335 and 4336 are met; and [PL 1999, c. 609, §20 (NEW).]

B. No specific payment is made directly or indirectly under the plan to a provider as an inducement to reduce or limit medically necessary services furnished to an enrollee. [PL 1999, c. 609, §20 (NEW).]

[PL 1999, c. 609, §20 (NEW).]

2. Prohibited downstream risk payments. A specific payment of any kind may not be made directly or indirectly under the incentive plan to a downstream entity as an inducement to reduce or limit covered medically necessary services under the carrier's contract furnished to an enrollee. Indirect payments include offerings of monetary value such as stock options or waivers of debt measured in the present or future.

[PL 1999, c. 609, §20 (NEW).]

3. Applicability. This section applies to risk arrangements between carriers and downstream entities with which they contract to provide medical services to enrollees. This section also applies to subcontracting arrangements.

[PL 1999, c. 609, §20 (NEW).]

SECTION HISTORY

§4334. Substantial insurance risk; substantial enrollment risk

1. Substantial insurance risk. Substantial insurance risk is risk based on the use or costs of referral services only, when the downstream entity is at risk for more than 25% of potential payments by the carrier to the downstream entity.

[PL 1999, c. 609, §20 (NEW).]

2. Substantial enrollment risk. Substantial enrollment risk exists when a carrier enters into a risk arrangement with a downstream entity involving more than 25% of the enrollees served by the carrier in the State unless the risk arrangement is a risk-sharing arrangement.

[PL 1999, c. 609, §20 (NEW).]

7. **Ability to perform.** A provision requiring the downstream entity to advise the carrier in a timely manner of relevant matters that may have a material effect on the downstream entity's ability to perform under the contract, including, but not limited to:
   
   A. Whether the downstream entity or participating provider is subject to an administrative order, a cease and desist order, a fine or a license suspension; and [PL 1999, c. 609, §20 (NEW).]
   
   B. Whether legal action has been taken that may have a material effect on the downstream entity's financial condition or the downstream entity's ability to perform under the contract; and [PL 1999, c. 609, §20 (NEW).]
   
   [PL 1999, c. 609, §20 (NEW).]

8. **Incorporation by reference.** A provision requiring the contract between a carrier and a downstream entity to be attached to all contracts between the downstream entity and those of the entity's participating providers contractually obligated to provide services to the carrier's enrollees under the contract between the carrier and the downstream entity. [PL 1999, c. 609, §20 (NEW).]

**SECTION HISTORY**

§4336. Disclosure requirements for organizations with downstream risk arrangements

1. **Disclosure to superintendent.** Each carrier shall provide information concerning the carrier's downstream risk arrangements as required or requested by the superintendent. The disclosure must
contain the following information in sufficient detail to enable the superintendent to determine whether the risk arrangement complies with the following requirements:

A. Whether services not furnished by the downstream entity are covered by the risk arrangement. If the services furnished by the downstream entity are covered by the risk arrangement, disclosure of other aspects of the plan need not be made; [PL 1999, c. 609, §20 (NEW).]

B. The type of risk arrangement; for example, withhold, bonus, capitation; [PL 1999, c. 609, §20 (NEW).]

D. The panel size, the number of enrollees covered by the downstream entity and the total number of enrollees covered by the carrier in the State; and [PL 1999, c. 609, §20 (NEW).]

E. In the case of capitated downstream entities, capitation payments paid to primary care providers for the most recent year broken down by percent for primary care services, referral services to specialists, hospital services and other types of provider services, including, but not limited to, nursing home and home health agency services. [PL 1999, c. 609, §20 (NEW).]

SECTION HISTORY

§4337. Requirements related to subcontracting arrangements

1. Physician groups. A carrier that contracts with a downstream entity that places the individual physician members at substantial financial risk for services they do not furnish shall disclose to the superintendent any incentive plan between the downstream entity and the entity's individual physicians that bases compensation to the physician on the use or cost of services furnished to enrollees. The disclosure must include the information specified in section 4336, subsection 1.

2. Intermediate entities. A carrier that contracts with a downstream entity, other than a physician group, for the provision of services to enrollees shall disclose to the superintendent any risk arrangement between the entity and a physician or physician group that bases compensation to the physician or physician group on the use or cost of services furnished to enrollees. The disclosure must include the information required to be disclosed under section 4336, subsection 1.

§4338. Downstream risk arrangements that exceed risk threshold described in section 4334

The superintendent may waive downstream risk arrangements from licensure requirements that exceed the risk threshold described in section 4334 if the downstream risk arrangement meets the contractual and disclosure requirements established under section 4332 and the criteria set forth in sections 4339 to 4342 and is determined by the superintendent not to prejudice enrollee interests. [PL 1999, c. 609, §20 (NEW).]

2. Transfer of 75% of annual aggregate premium. Multiple contracts by which 75% or more of the carrier's annual aggregate premium with respect to a contract, plan or product is transferred to one or more downstream entities. B. If the appeal is denied, the carrier or pharmacy benefits manager shall provide the challenging pharmacy or pharmacist the national drug code from national or regional wholesalers of a comparable prescription drug that may be purchased at or below the maximum allowable cost. [PL 2019, c. 469, §8 (NEW); PL 2019, c. 469, §9 (AFF).]

as an insurer within the time allowed therefor under any applicable law;  
[PL 1969, c. 132, §1 (NEW).]

5. That efforts to rehabilitate the insurer and remove the causes or adverse effects thereof for  
which rehabilitation was instituted have failed despite all reasonable efforts by the superintendent, or  
cannot be continued without material increase of risk of loss to the insurer's creditors or policyholders;  
or  
[PL 1973, c. 585, §12 (AMD).]

receiver, and directing him to conserve the assets within this State, of a foreign or alien insurer upon  
any of the applicable ground specified in sections 4356 or 4357, or upon the ground that the insurer's  
property has been sequestrated in its domiciliary sovereignty or in any other sovereignty; or, in the case

cause is shown for a shorter period, the order shall require the insurer to so show cause not less than 15  
or more than 30 days from date of the order.  
[PL 1969, c. 132, §1 (NEW).]

3. The order to show cause and service thereof on the insurer shall constitute due and legal process

[PL 1969, c. 132, §1 (NEW).]

3. This Uniform Insurers Liquidation Act shall be so interpreted as to effectuate its general purpose to make uniform the laws of those states which enact it. [PL 1973, c. 585, §12 (AMD).]

3. The filing or recording of the order directing possession to be taken, or a certified copy thereof, in any office where instruments affecting title to property are required to be filed or recorded shall impart the same notice as would be imparted by a deed, bill of sale or other evidence of title duly filed or recorded.
[PL 1969, c. 132, §1 (NEW).]

5. Upon taking possession of the assets of an insurer, the domiciliary receiver shall immediately proceed to conduct the business of the insurer or to take such steps as are authorized by this chapter for the purpose of rehabilitating, liquidating or conserving the affairs or assets of the insurer.
[PL 1969, c. 132, §1 (NEW).]

Within the limits of duties imposed upon them, special deputies shall possess all the powers given to and, in the exercise of those powers, shall be subject to all of the duties imposed upon the receiver with respect to such proceedings.

All such reports, together with such additional or special reports as the court may reasonably require, shall be subject to review by the court; and all actions of the receiver therein reported shall be subject to the court's approval, but the court shall not withhold approval or disapprove any such action unless found by the court after a hearing thereon in open court to be unlawful, or arbitrary, or capricious. He shall also be entitled to recover the other assets of the insurer located in this State, except that upon the appointment of an ancillary receiver in this State, the ancillary receiver shall during the ancillary receivership proceedings have the sole right to recover such other assets. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this State, and shall pay the necessary expenses of the proceedings. All remaining assets he shall promptly transfer to the domiciliary receiver. Subject to the foregoing provisions, the ancillary receiver and his deputies shall have the same powers and be subject to the same duties with respect to the administration of such assets as a receiver of an insurer domiciled in this State.

All such claims must be filed on or before the last date fixed for the filing of claims in the domiciliary delinquency proceedings.
Controverted claims belonging to claimants residing in reciprocal states may either:

A. Be proved in this State, or [PL 1969, c. 132, §1 (NEW).]

B. If ancillary proceedings have been commenced in such reciprocal states, may be proved in those proceedings. In the event a claimant elects to prove his claim in ancillary proceedings, if notice of the claim and opportunity to appear and be heard is afforded the domiciliary receiver of this State, as provided in section 4367 with respect to ancillary proceedings in this State, the final allowance of such claim by the courts in the ancillary state shall be accepted in this State as conclusive as to its amount and shall also be accepted as conclusive as to its priority, if any, against special deposits or other security located within the ancillary state. [PL 1969, c. 132, §1 (NEW).]

Controverted claims belonging to claimants residing in this State may either:

A. Be proved in the domiciliary state as provided by the law of that state, or [PL 1969, c. 132, §1 (NEW).]

In the event that any such claimant elects to prove his claim in this State, he shall file his claim with the ancillary receiver and shall give notice in writing to the receiver in the domiciliary state, either by registered or certified mail or by personal service at least 40 days prior to the date set for hearing. The notice shall contain a concise statement of the amount of the claim, the facts on which the claim is based and the priorities asserted, if any. If the domiciliary receiver within 30 days after the giving of such notice shall give notice in writing to the ancillary receiver and to the claimant, either by registered or certified mail or by personal service, of his intention to contest such claim, he shall be entitled to appear or to be represented in any proceeding in this State involving adjudication of the claim. The final allowance of the claim by the courts of this State shall be accepted as conclusive as to its amount and shall also be accepted as conclusive as to its priority, if any, against special deposits or other security located within this State. [PL 1969, c. 132, §1 (NEW).]

All claims against an insurer against which delinquency proceedings have been begun shall set forth in reasonable detail the amount of the claim, or the basis upon which such amount can be ascertained, the facts upon which the claim is based, and the priorities asserted, if any. All such claims shall be verified by the affidavit of the claimant or someone authorized to act on his behalf and having knowledge of the facts, and shall be supported by such documents as may be material thereto. [PL 1969, c. 132, §1 (NEW).]
2. All claims filed in this State shall be filed with the receiver, whether domiciliary or ancillary, in this State, on or before the last date for filing as specified in this chapter. [PL 1969, c. 132, §1 (NEW).]

3. Within 10 days of the receipt of any claim, or within such further period as the court may fix for good cause shown, the receiver shall report the claim to the court, specifying in such report his recommendation with respect to the action to be taken thereon. Upon receipt of such report, the court shall fix a time for hearing the claim and shall direct that the claimant or the receiver, as the court shall specify, shall give such notice as the court shall determine to such persons as shall appear to the court to be interested therein. All such notices shall specify the time and place of the hearing and shall concisely state the amount and nature of the claim, the priorities asserted, if any, and the recommendation of the receiver with reference thereto. [PL 1969, c. 132, §1 (NEW).]

4. At the hearing, all persons interested shall be entitled to appear and the court shall enter an order allowing, allowing in part, or disallowing the claim. Any such order shall be deemed to be an appealable order. [PL 1969, c. 132, §1 (NEW).]

§4369. Attachment and garnishment of assets

During the pendency of delinquency proceedings in this or any reciprocal state, no action or proceeding in the nature of an attachment, garnishment or execution shall be commenced or maintained in the courts of this State against the delinquent insurer or its assets. Any lien obtained by any such action or proceeding within four months prior to the commencement of any such delinquency proceeding or at any time thereafter shall be void as against any rights arising in such delinquency proceeding. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§4370. Limitations on appointment of receiver; action by judgment creditor

No order, judgment or decree enjoining, restraining or interfering with the prosecution of the business of any insurer or for the appointment of a temporary or permanent receiver of a domestic insurer shall be made or granted otherwise than upon the petition of the superintendent represented by the Attorney General as provided in this chapter. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4371. Deposit of monies

The monies collected by the superintendent in a proceeding under this chapter shall be from time to time deposited in one or more state or national banks, savings banks or trust companies, and in the case of the insolvency or voluntary or involuntary liquidation of any such depositary which is an institution organized and supervised under the laws of this State, such deposits shall be entitled to priority of payment on an equality with any other priority given by the banking laws of this State. The superintendent may in his discretion deposit such monies or any part thereof in a national bank or trust company as a trust fund. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY
§4372. Exemption from fees
The superintendent shall not be required to pay any fee to any public officer in this State for service of process, filing, recording, issuing a transcript or certificate or authenticating any paper or instrument pertaining to the exercise by the superintendent of any of the powers or duties conferred upon him under this chapter, whether or not such paper or instrument be executed by the superintendent or his deputies, employees or attorneys of record and whether or not it is connected with the commencement of any action or proceeding by or against the superintendent, or with the subsequent conduct of such action or proceeding. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4373. Escrowing on pledge of assets
For the purpose of facilitating the rehabilitation, liquidation, conservation or dissolution of an insurer pursuant to this chapter, the superintendent may, subject to the approval of the court, borrow money and execute, acknowledge and deliver notes or other evidences of indebtedness therefor and secure the repayment of the same by the mortgage, pledge, assignment, transfer in trust, or hypothecation of any or all of the property, whether real, personal or mixed, of such insurer, and the superintendent subject to the approval of the court shall have power to take any and all other action necessary and proper to consummate any such loan and to provide for the repayment thereof. The superintendent shall be under no obligation personally or in his official capacity to repay any loan made pursuant to this section. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4374. Termination of rehabilitation
If at any time the court finds, after hearing in open court, upon petition of the superintendent or of the insurer or of his own motion, that the objectives of an order to rehabilitate a domestic insurer or an alien insurer domiciled in this State have been accomplished, and that the insurer can be returned to its own management without further jeopardy to the insurer and its creditors or policyholders or stockholders or to the public, the court may, upon a full report and accounting by the superintendent relative to the conduct of the insurer's affairs during the rehabilitation and of the insurer's current financial condition, terminate the rehabilitation and by order return the insurer, its assets and affairs, to the insurer's management. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4375. Prohibited and voidable transfers, liens
(REPEALED)

SECTION HISTORY

§4375-A. Voidable property transfers and liens

1. Fraudulent transfers prior to petition. Fraudulent transfers prior to petition are governed by this subsection.

A. A transfer made or suffered and an obligation incurred by an insurer within one year prior to the filing of a successful petition for rehabilitation or liquidation under this chapter is fraudulent as to then existing and future creditors if made or incurred without fair consideration, or with actual intent to hinder, delay or defraud either existing or future creditors. A transfer made or an
obligation incurred by an insurer ordered to be rehabilitated or liquidated under this chapter that is
fraudulent according to the terms of this section may be avoided by the receiver except as to a
person who in good faith is a purchaser, lienor or obligee for a present fair equivalent value, but
any purchaser, lienor or obligee who in good faith has given a consideration less than fair for such
transfer, lien, or obligation may retain the property, lien or obligation as security for repayment.
The court may, on due notice, order any such transfer or obligation to be preserved for the benefit
of the estate, and in that event, the receiver succeeds to and may enforce the rights of the purchaser,
lienor or obligee. [PL 1991, c. 828, §31 (NEW).]

B. The determination of when a transfer is made is governed by the following rules.

(1) A transfer of property other than real property is deemed to be made or suffered when it
becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings
on a simple contract may become superior to the rights of the transferee.

(2) A transfer of real property is deemed to be made or suffered when it becomes so far
perfected that no subsequent bona fide purchaser from the insurer may obtain rights superior
to the rights of the transferee.

(3) A transfer that creates an equitable lien may not be deemed to be perfected if there are
available means by which a legal lien could be created.

(4) Any transfer not perfected prior to the filing of a petition for liquidation is deemed to be
made immediately before the filing of the successful petition.

(5) A lien obtainable by legal or equitable proceedings upon a simple contract is one arising
in the ordinary course of such proceedings upon the entry or docketing of a judgment or decree,
or upon attachment, garnishment, execution, or like process, whether before, upon, or after
judgment or decree and whether before or upon levy, but does not include liens that under
applicable law are given a special priority over other liens that are prior in time.

(6) A lien obtainable by legal or equitable proceedings may become superior to the rights of a
transferee, or a purchaser may obtain rights superior to the rights of a transferee within the
meaning of this paragraph if those consequences would follow only from the lien or purchase
itself, or from the lien or purchase followed by any step wholly within the control of the
respective lienholder or purchaser, with or without the aid of ministerial action by public
officials, but not if any acts subsequent to the obtaining of the lien or subsequent to the purchase
require the agreement or concurrence of any 3rd party or require any further judicial action or
ruling.

(7) The provisions of this paragraph apply whether or not there are or were creditors who might
have obtained any liens or persons who might have become bona fide purchasers. [PL 1991,
c. 828, §31 (NEW).]

C. Any transaction of the insurer with a reinsurer is deemed fraudulent and may be avoided by the
receiver under paragraph A if:

(1) The transaction consists of the termination, adjustment or settlement of a reinsurance
contract in which the reinsurer is released from any part of its duty to pay the originally
specified share of losses that had occurred prior to the time of the transaction unless the
reinsurer gives a present fair equivalent value for the release; and

(2) Any part of the transaction takes place within one year prior to the date of filing of the
petition through which the receivership is commenced. [PL 1991, c. 828, §31 (NEW).]

D. A person receiving any property from the insurer or a benefit from possession or use of the
property that is fraudulently transferred is personally liable for the value of the preference and shall
account to the liquidator. [PL 1991, c. 828, §31 (NEW).]
2. **Fraudulent transfers after petition.** Fraudulent transfers after petition are governed by this subsection.

   A. After a petition for rehabilitation or liquidation has been filed, a transfer of any of the real property of the insurer made to a person acting in good faith is valid against the receiver if made for a present fair equivalent value or, if the transfer was not made for a present fair equivalent value, then it is valid only to the extent of the present consideration actually paid for the property, for which amount the transferee has a lien on the property so transferred. Constructive notice of the commencement of a proceeding in rehabilitation or liquidation is deemed to be given upon the recording of a copy of the petition for or order of rehabilitation or liquidation with the register of deeds in the county where any real property in question is located. The exercise by a court of the United States or any state or jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state is not impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale. [PL 1991, c. 828, §31 (NEW).]

   B. After a petition for rehabilitation or liquidation has been filed and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted the following rules apply.

      (1) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith is valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then the transfer is valid only to the extent of the present consideration actually paid, for which amount the transferee has a lien on the property so transferred.

      (2) A person acting in good faith who is indebted to the insurer or holding property of the insurer may pay the indebtedness or deliver the property or any part of the property to the insurer with the same effect as if the petition were not pending.

      (3) A person having actual knowledge of the pending rehabilitation or liquidation who effectuates a transfer of any of the property of the insurer or who benefits by the transfer is deemed not to act in good faith.

      (4) A person asserting the validity of a transfer under this section has the burden of proof. Except as elsewhere provided in this section, a transfer by or on behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator is not valid against the liquidator. [PL 1991, c. 828, §31 (NEW).]

   C. A person receiving any property from the insurer or a benefit from possession or use of the property that is fraudulently transferred under this subsection is personally liable for the value of the preference and shall account to the liquidator. [PL 1991, c. 828, §31 (NEW).]
B. Any preference may be avoided by the liquidator if:
   (1) The insurer was insolvent at the time of the transfer;
   (2) The transfer was made within 4 months before the filing of the petition;
   (3) The creditor receiving it or to be benefitted by it or the creditor's agent had reasonable
       cause to believe that the insurer was insolvent or was about to become insolvent when the
       transfer was made; or
   (4) The creditor receiving it was an officer of the insurer or any employee or attorney or other
       person who was in fact in a position of comparable influence with the insurer whether or not
       that person held such a position, or any shareholder holding directly or indirectly more than
       5% of any class of any equity security issued by the insurer, or any other person, firm,
       corporation, association or aggregation of persons with whom the insurer did not deal at arm's
       length. [PL 1991, c. 828, §31 (NEW).]

C. Where the preference is voidable, the liquidator may recover the property or its value if it has
been converted from any person who received or converted the property, except that, where a bona
fide purchaser or lienor has given less than fair equivalent value, that person is deemed to have a
lien upon the property to the extent of the consideration actually given. When a preference by way
of lien or security interest is voidable, the court may on due notice order the lien or title to be
preserved for the benefit of the estate, in which event the lien or title passes to the liquidator. [PL
1991, c. 828, §31 (NEW).]

D. The determination of when a transfer is made is governed by subsection 1, paragraph B. [PL
1991, c. 828, §31 (NEW).]

E. A transfer of property for or on account of a new and contemporaneous consideration, which is
considered under subsection 1, paragraph B to be made or suffered after the transfer because of
delay in perfecting it, does not become a transfer for or on account of an antecedent debt if any acts
required by the applicable law to be performed in order to perfect the transfer as against liens or
bona fide purchasers' rights are performed within 21 days or any period expressly allowed by the
law, whichever is less. A transfer to secure a future loan, if such a loan is actually made, or a
transfer which becomes security for a future loan, has the same effect as a transfer for or on account
of a new and contemporaneous consideration. [PL 1991, c. 828, §31 (NEW).]

F. If any lien considered voidable under paragraph B is dissolved by the furnishing of a bond or
other obligation, the surety that was indemnified directly or indirectly by the transfer of or the
creation of a lien upon any property of an insurer before the filing of a petition under this chapter
that results in a liquidation order, the indemnifying transfer or lien is also voidable. [PL 1991, c.
828, §31 (NEW).]

G. The property affected by any lien considered voidable under this subsection must be discharged
from the lien, and that property and any of the indemnifying property transferred to or for the benefit
of a surety must pass to the liquidator; except that, the court may on due notice order a lien to be
preserved for the benefit of the estate and the court may direct that a conveyance be executed as
may be proper or adequate to evidence the title of the liquidator. [PL 1991, c. 828, §31 (NEW).]

H. The court has summary jurisdiction of any proceeding by the liquidator to hear and determine
the rights of any parties under this section. Reasonable notice of any hearing in the proceeding
must be given to all parties in interest, including the obligee of a releasing bond or other like
obligation. Where an order is entered for the recovery of indemnifying property in kind or for the
avoidance of an indemnifying lien, the court, upon application of any party in interest, shall in the
same proceeding ascertain the value of the property or lien. If the court finds that the value is less
than the amount for which the property is held as indemnity or the amount of the lien, the transferee
or lienholder may elect to retain the property or lien upon payment to the liquidator of its value as
ascertained by the court within a reasonable time as fixed by the court. [PL 1991, c. 828, §31 (NEW).]

I. The liability of the surety under a releasing bond or other like obligation must be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided by the liquidator or, when the property is retained under paragraph H, to the extent of the amount paid to the liquidator. [PL 1991, c. 828, §31 (NEW).]

J. If a creditor has been preferred and afterward in good faith gives the insurer further credit for property that becomes a part of the insurer's estate without security of any kind, the amount of the new credit remaining unpaid at the time of the petition may be set off against the preference that would otherwise be recoverable. [PL 1991, c. 828, §31 (NEW).]

K. If, within 4 months before the filing of a successful petition for liquidation under this chapter or at any time in contemplation of a proceeding to liquidate an insurer, the insurer pays money or transfers property, directly or indirectly, to an attorney-at-law for services rendered or to be rendered, the transactions may be examined by the court on its own motion and must be examined by the court on petition of the liquidator and may be held valid only to the extent they are reasonable in amount as determined by the court. Any excess may be recovered by the liquidator for the benefit of the estate; except that, where the attorney is in a position of influence in the insurer or an affiliate of the insurer, payment of any money or the transfer of any property to the attorney for services rendered or to be rendered is governed by the provisions of paragraph B, subparagraph (4). [PL 1991, c. 828, §31 (NEW).]

L. An officer, manager, employee, shareholder, member, subscriber, attorney or any other person acting on behalf of the insurer who knowingly participates in giving any preference when that person has reasonable cause to believe the insurer is or is about to become insolvent at the time of the preference is personally liable to the liquidator for the amount of the preference. If the transfer was made within 4 months before the date of filing of a successful petition for liquidation, a presumption arises that there was reasonable cause to believe the insurer was or was about to become insolvent. [PL 1991, c. 828, §31 (NEW).]

M. A person receiving any property from the insurer or a benefit from possession or use of the property as a preference voidable under this subsection is personally liable for the value of that preference and shall account to the liquidator. [PL 1991, c. 828, §31 (NEW).]

N. Nothing in this subsection prejudices any other claim by the liquidator against any person. [PL 1991, c. 828, §31 (NEW).]

4. Claims of holders of void or voidable rights. Claims of holders of void or voidable rights are governed by this subsection.

A. A claim of a creditor who has received or acquired a preference, lien, conveyance, transfer, assignment or encumbrance voidable under this section is not allowed unless the claimant surrenders the preference, lien, conveyance, transfer, assignment or encumbrance. If the avoidance is effected by a proceeding in which a final judgment is entered, the claim is not allowed unless the money is paid or the property is delivered to the liquidator within 30 days from the date of the entering of the final judgment; except that the court having jurisdiction over the liquidation may allow further time if there is an appeal or other continuation of the proceeding. [PL 1991, c. 828, §31 (NEW).]

B. A claim allowable under paragraph A by reason of the avoidance, whether voluntary or involuntary, of a preference, lien, conveyance, transfer, assignment or encumbrance may be filed as an excused late filing if filed within 30 days from the date of the avoidance or within any further time allowed by the court under paragraph A. [PL 1991, c. 828, §31 (NEW).]
5. **Negotiable instruments.** Nothing in this section impairs the negotiability of currency or negotiable instruments.

[PL 1991, c. 828, §31 (NEW).]

**SECTION HISTORY**

### §4376. Date rights fixed on liquidation

The rights and liabilities of the insurer and of its creditors, policyholders, stockholders, members, subscribers and all other persons interested in its estate shall, unless otherwise directed by the court, be fixed as of the date on which the order directing the liquidation of the insurer is filed in the office of the clerk of the court which made the order, subject to this chapter with respect to the rights of claimants holding contingent claims. [PL 1969, c. 132, §1 (NEW).]

**SECTION HISTORY**

PL 1969, c. 132, §1 (NEW).

### §4377. Time to file claims

1. If upon the entry of an order of liquidation under this chapter or at any time thereafter during liquidation proceedings the insurer is not clearly solvent, the court shall, upon hearing after such notice as it deems proper, make and enter an order adjudging the insurer to be solvent.

[PL 1969, c. 132, §1 (NEW).]

2. After the entry of the order of insolvency, regardless of any prior notice that may have been given to creditors, the superintendent shall notify all persons who may have claims against the insurer to file such claims with him, at a place and within the time specified in the notice, or that such claims shall be forever barred. The time specified in the notice shall be as fixed by the court for filing of claims and which shall be not less than 6 months after the entry of the order of insolvency. The notice shall be given in such manner and for such reasonable period of time as may be ordered by the court.

[PL 1973, c. 585, §12 (AMD).]

**SECTION HISTORY**

### §4378. Allowance of contingent and other claims

1. No contingent claim shall share in a distribution of assets of an insurer which has been adjudicated to be insolvent by an order made pursuant to section 4377, except that such claims shall be considered, if properly presented, and may be allowed to share where:

   A. The claim becomes absolute against the insurer on or before the last day fixed for filing of proofs of claim against the assets of the insurer, or [PL 1969, c. 132, §1 (NEW).]

   B. There is a surplus and the liquidation is thereafter conducted upon the basis that the insurer is solvent. [PL 1969, c. 132, §1 (NEW).]

[PL 1969, c. 132, §1 (NEW).]

2. Where an insurer has been so adjudicated to be insolvent, any person who has a cause of action against an insured of the insurer, shall have the right to file a claim in the liquidation proceeding, regardless of the fact that the claim may be contingent, and the claim may be allowed:

   A. If it may be reasonably inferred from the proof presented upon the claim that such person would be able to obtain a judgment upon such cause of action against such insured; and [PL 1969, c. 132, §1 (NEW).]
B. If such person shall furnish suitable proof, unless the court for good cause shown shall otherwise
direct, that no further valid claims against the insurer arising out of his cause of action other than
those already presented can be made; and [PL 1969, c. 132, §1 (NEW).]

C. If the total liability of the insurer to all claimants arising out of the same act of its insured shall
be no greater than its maximum liability would be were it not in liquidation. [PL 1969, c. 132,
§1 (NEW).]

[PL 1969, c. 132, §1 (NEW).]

3. No judgment against such an insurer, referred to in subsection 2, taken after the date of the
entry of the liquidation order shall be considered in the liquidation proceedings as evidence of liability,
or of the amount of damages, and no judgment against an insured taken by default, inquest or by
collusion prior to the entry of the liquidation order shall be considered as conclusive evidence in the
liquidation proceeding either of the liability of the insured to such person upon such cause of action or
of the amount of damages to which such person is therein entitled.

[PL 1969, c. 132, §1 (NEW).]

4. No claim of any secured claimant shall be allowed at a sum greater than the difference between
the value of the claim without security and the value of the security itself as of the date of the entry of
the order of liquidation or such other date set by the court for the fixation of rights and liabilities as
provided in section 4376 unless the claimant shall surrender his security to the liquidator and in which
event the claim shall be allowed in the full amount for which it is valued.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

PL 1969, c. 132, §1 (NEW).

§4379. Priorities in distribution of assets

The priorities in distribution of assets from the insurer's estate to pay unsecured claims, including
the unsecured portion of undersecured claims, are in the order as shown in this section. The first $50 of
the amount allowed on each claim in the classes under subsections 3, 4, 4-B, 5 and 6 must be deducted
from the claim and included in the class under subsection 8. Claims may not be cumulated by
assignment to avoid application on the $50 deductible provision. Subject to the $50 deductible
 provision, every claim in each class must be paid in full or adequate funds retained for the payment
thereof before claims of the next succeeding class receive any payment. No subclasses may be
established within any class. [PL 2017, c. 169, Pt. D, §1 (AMD).]

1. Administration costs. The costs and expenses of administration, including but not limited to
the actual and necessary costs of preserving or recovering the assets of the insurer; compensation for
all services rendered in the liquidation; any necessary filing fees; the fees and mileage payable to
witnesses; and reasonable attorney's fees. Any provider or member claims for covered services under
a health maintenance organization contract, including a point-of-service contract, incurred between the
date a petition of liquidation is filed and the date coverage terminates may be treated as administration
costs under this subsection.

[PL 2001, c. 88, §12 (AMD).]

2. Wages.

[PL 2017, c. 169, Pt. D, §2 (RP).]

3. Loss claims. All claims under policies for losses incurred, including 3rd-party claims, and all
claims against the insurer for liability for bodily injury or for injury to or destruction of tangible property
that are not under policies, except the first $200 of losses otherwise payable to any claimant under this
subsection. All claims under life insurance policies and annuity contracts, whether for death proceeds,
annuity proceeds or investment values, must be treated as loss claims. Claims may not be cumulated
by assignment to avoid application of the $200 deductible provision. That portion of any loss for which
indemnification is provided by other benefits or advantages recovered or recoverable by the claimant may not be included in this class, other than benefits or advantages recovered or recoverable in discharge of familial obligations of support or by way of succession at death or as proceeds of life insurance, or as gratuities. No payment made by an employer to an employee may be treated as a gratuity. Any provider or member claims for covered services under a health maintenance organization contract, including a point-of-service contract, not paid under subsection 1 are included in this class. Obligations of an insolvent insurer arising out of reinsurance contracts are excluded from this subsection.
[PL 2003, c. 202, §1 (AMD).]

4. **Unearned premiums and small loss claims.** Claims under nonassessable policies for unearned premiums or other premium refunds and the first $200 or loss excepted by the deductible provision in subsection 3, except that, if the receiver fails to prorate a premium due to the insurer based on a termination of coverage under this chapter, any resulting unearned premium must be paid to the insured under subsection 1 as an expense of the administration.
[PL 2001, c. 88, §12 (AMD).]

4-A. **Federal claims.** Claims of the Federal Government not included in the classes under subsections 3 or 4, except to the extent that a similar claim would be subordinated in a proceeding conducted under the United States Bankruptcy Code.
[PL 2017, c. 169, Pt. D, §3 (NEW).]

4-B. **Wages.** Debts due to employees of the insurer, other than officers, for services performed, not to exceed $1,000 to each employee and earned within one year immediately preceding the filing of the petition for liquidation. This priority is in lieu of any other similar priority authorized by law as to wages or compensation of such employees.
[PL 2017, c. 169, Pt. D, §3 (NEW).]

5. **Residual classification.** All other claims, including claims of any state or local government, not falling within other classes under this section. Claims, including those of any governmental body, for a penalty or forfeiture are included in this class only to the extent of the pecuniary loss sustained from the act, transaction or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs occasioned thereby. The remainder of such claims must be postponed to the class of claims under subsection 8.

6. **Judgments.** Claims based solely on judgments. If a claimant files a claim and bases it both on the judgment and on the underlying facts, the claim shall be considered by the liquidator who shall give the judgment such weight as he deems appropriate. The claim as allowed shall receive the priority it would have received in the absence of the judgment. If the judgment is larger than the allowance on the underlying claim, the remaining portion of the judgment shall be treated as if it were a claim based solely on a judgment.
[PL 1969, c. 132, §1 (NEW).]

7. **Interest on claims already paid.** Interest at the legal rate compounded annually on all claims in the classes under subsections 1 through 6 from the date of the petition for liquidation or the date on which the claim becomes due, whichever is later, until the date on which the dividend is declared. The liquidator, with the court's approval, may make reasonable classifications of claims for purpose of computing interest, may make approximate computations and may ignore certain classifications and time periods as de minimis.
[PL 1969, c. 132, §1 (NEW).]

8. **Miscellaneous subordinated claims.** The remaining claims or portions of claims not already paid, with interest as in subsection 7:
A. The first $50 of each claim in the classes under subsections 3, 4, 4-B, 5 and 6 subordinated under this section; [PL 2017, c. 169, Pt. D, §5 (AMD).]

B. Claims subordinated by section 4380 (subordination of claims for noncooperation); [PL 1969, c. 132, §1 (NEW).]

C. Claims filed late; [PL 1969, c. 132, §1 (NEW).]

D. Portions of claims subordinated under subsection 5; and [PL 1969, c. 132, §1 (NEW).]

E. Claims or portions of claims payment of which is provided by other benefits or advantages recovered or recoverable by the claimant. [PL 1969, c. 132, §1 (NEW).]

[PL 2017, c. 169, Pt. D, §5 (AMD).]

9. Preferred ownership claims. Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Interest at the legal rate shall be added to each claim, as in subsections 7 and 8.

[PL 1969, c. 132, §1 (NEW).]

10. Proprietary claims. The claims of stockholders or other owners of the insurer.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§4380. Subordination of claims for noncooperation
If an ancillary receiver, by whatever name called, in another state or foreign country fails to transfer to the domiciliary liquidator in this State any assets within his control other than special deposits, diminished only by the expenses, if any, of the ancillary receivership, the claims filed in the ancillary receivership, other than special deposit claims or secured claims, shall be placed in the class of claims under section 4379, subsection 8. [PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY
PL 1969, c. 132, §1 (NEW).

§4381. Offsets
1. In all cases of mutual debts or mutual credits between the insurer and another person in connection with any action or proceeding under this chapter, such credits and debts shall be set off and the balance only shall be allowed or paid, except as provided in subsection 2.

[PL 1969, c. 132, §1 (NEW).]

2. No offset shall be allowed in favor of any such person where:

   A. The obligation of the insurer to such person would not at the date of the entry of any liquidation order or otherwise, as provided in section 4376, entitle him to share as a claimant in the assets of the insurer, or [PL 1969, c. 132, §1 (NEW).]

   B. The obligation of the insurer to such person was purchased by or transferred to such person with a view of its being used as an offset, or [PL 1969, c. 132, §1 (NEW).]

   C. The obligation of such person is to pay an assessment levied against the members of a mutual insurer, or against the subscribers of a reciprocal insurer, or is to pay a balance upon the subscription to the capital stock of a stock insurer. [PL 1969, c. 132, §1 (NEW).]

§4382. Report and petition for assessment

Within 3 years after the date of the entry of an order of rehabilitation or liquidation of a domestic mutual insurer or a domestic reciprocal insurer, the superintendent may make and file his report and petition to the court setting forth: [PL 1973, c. 585, §12 (AMD).]

1. The reasonable value of the assets of the insurer; [PL 1969, c. 132, §1 (NEW).]

2. The liabilities of the insurer to the extent thus far ascertained by the superintendent; [PL 1973, c. 585, §12 (AMD).]

3. The aggregate amount of the assessment, if any, which the superintendent deems reasonably necessary to pay all claims, the costs and expenses of the collection of the assessments and the costs and expenses of the delinquency proceedings in full; and [PL 1973, c. 585, §12 (AMD).]

4. Any other information relative to the affairs or property of the insurer that the superintendent deems material. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4383. Order and levy of assessment

1. Upon the filing and reading of the report and petition provided for in section 4382, the court, ex parte, may order the superintendent to assess all members or subscribers of the insurer who may be subject to such an assessment, in such an aggregate amount as the court finds reasonably necessary to pay all valid claims as may be timely filed and proved in the delinquency proceedings, together with the costs and expenses of levying and collecting assessments and the costs and expenses of the delinquency proceedings in full. Any such order shall require the superintendent to assess each such member or subscriber for his proportion of the aggregate assessment, according to such reasonable classification of such members or subscribers and formula as may be made by the superintendent and approved by the court. [PL 1973, c. 585, §12 (AMD).]

2. The court may order additional assessments upon the filing and reading of any amendment or supplement to the report and petition referred to in subsection 1, if such amendment or supplement is filed within 3 years after the date of the entry of the order of rehabilitation or liquidation. [PL 1969, c. 132, §1 (NEW).]

3. After the entry of the order to levy and assess members or subscribers of an insurer referred to in subsections 1 and 2, the superintendent shall levy and assess members or subscribers in accordance with the order. [PL 1973, c. 585, §12 (AMD).]

4. The total of all assessments against any member or subscriber with respect to any policy, whether levied pursuant to any other provision of this Title, shall be for no greater amount than that specified in the policy or policies of the member or subscriber and as limited under this Title, except as to any policy which was issued at a rate of premium below the minimum rate lawfully permitted for the risk insured, in which event the assessment against any such policyholder shall be upon the basis of the minimum rate for such risk. [PL 1969, c. 132, §1 (NEW).]

5. No assessment shall be levied against any member or subscriber with respect to any nonassessable policy issued in accordance with this Title. [PL 1969, c. 132, §1 (NEW).]
§4384. Assessment prima facie correct; notice; payment; proceedings to collect

1. Any assessment of a subscriber or member of an insurer made by the superintendent pursuant to the order of court fixing the aggregate amount of the assessment against all members or subscribers and approving the classification and formula made by the superintendent under section 4383, subsection 1 shall be prima facie correct.

2. Each member or subscriber shall be notified of the amount of assessment to be paid by him by written notice mailed to the address of the member or subscriber last of record with the insurer. Failure of the member or subscriber to receive the notice so mailed, within the time specified therein or at all, shall be no defense in any proceeding to collect the assessment.

3. If any such member or subscriber fails to pay the assessment within the period specified in the notice, which period shall not be less than 20 days after mailing, the superintendent may obtain an order in the delinquency proceedings requiring the member or subscriber to show cause at a time and place fixed by the court why judgment should not be entered against such member or subscriber for the amount of the assessment together with all costs, and a copy of the order and a copy of the petition therefor shall be served upon the member or subscriber within the time and in the manner designated in the order.

4. If the subscriber or member after due service of a copy of the order and petition referred to in subsection 3 is made upon him:
   A. Fails to appear at the time and place specified in the order, judgment shall be entered against him as prayed for in the petition; or
   B. Appears in the manner and form required by law in response to the order, the court shall hear and determine the matter and enter a judgment in accordance with its decision.

5. The superintendent may collect any such assessment through any other lawful means.

§4385. Federal receivership

1. Whenever in the superintendent's opinion liquidation of a domestic insurer or an alien insurer domiciled in this State would be facilitated by a federal receivership, and when any ground exists upon which the superintendent might petition the court for an order of rehabilitation or liquidation of the insurer under this chapter, or if such an order has already been entered, the superintendent may request another superintendent or other resident of another state to petition any appropriate federal district court for the appointment of a federal receiver. The superintendent may intervene in any such action to support or oppose the petition, and may accept appointment as the receiver if so designated. This chapter applies to the receivership except to the extent that the court determines that the insurance rehabilitation and liquidation laws of another state are applicable in any part. Upon the superintendent's motion, the courts of this State shall relinquish all jurisdiction over the insurer for purposes of rehabilitation or liquidation. No federal law governing proceedings in bankruptcy may be applied to proceedings under this section.
2. If he is appointed receiver under this section, the superintendent shall comply with requirements necessary to give him title to and control over the assets and affairs of the insurer. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4386. Application for approval

1. Insolvency; assets disbursed. Within 120 days after a final determination of insolvency of a company by a court of competent jurisdiction of this State, the receiver shall make application to the court for approval of a proposal to disburse assets out of the company's marshaled assets, from time to time as those assets become available, to the Maine Insurance Guaranty Association, to the Maine Life and Health Insurance Guaranty Association and to any similar organization in another state. The Maine Insurance Guaranty Association, the Maine Life and Health Insurance Guaranty Association and any similar organizations in other states are referred to, collectively, as the associations. [PL 2017, c. 382, §1 (AMD).]

2. Proposals. The proposals shall at least include provisions for:

A. Reserving amounts for the payment of the expenses of administration and the claims falling within the priorities established in section 4379, subsections 1 and 4-B; [PL 2017, c. 169, Pt. D, §6 (AMD).]

B. Disbursement of the assets marshaled to date and subsequent disbursements of assets as they become available; [PL 1981, c. 347 (NEW).]

C. Equitable allocation of disbursements to each of the associations entitled thereto; and [PL 1981, c. 347 (NEW).]

D. The securing by the receiver from each of the associations entitled to disbursements pursuant to this section of an agreement to return to the receiver the assets, and interest earned thereon, previously disbursed as may be required to pay claims as secured creditors and claims falling within the priorities established in section 4379, subsections 1 to 6, in accordance with those priorities. [PL 1981, c. 347 (NEW).]

3. Disbursements to associations. The receiver's proposal shall provide for disbursements to the associations in amounts at least equal to the payments made or to be made thereby for which the association could assert claims against the receiver and shall further provide that if the assets available for disbursement, from time to time, do not equal or exceed the amounts of the payments made or to be made by the associations, then disbursements shall be in the amount of available assets. [PL 1981, c. 347 (NEW).]

4. Notice. Notice of the application shall be given to the associations in, and to the commissioners of insurance of, each of the states. Any such notice shall be deemed to have been given when deposited in the United States certified mails, first class postage prepaid, at least 30 days prior to submission of the application to the court. Action on the application may be taken by the court provided the notice has been given and provided further that the receiver's proposal complies with subsection 2, paragraphs A and D. [PL 1981, c. 347 (NEW).]

SECTION HISTORY

§4387. Qualified financial contracts

1. Qualified financial contracts. Notwithstanding any other provision of this chapter, including any other provision of this chapter permitting the modification of contracts, or other provision of law to the contrary, a person may not be stayed or prohibited from exercising:

A. A contractual right to cause the termination, liquidation, acceleration or closeout of obligations under or in connection with any netting agreement or qualified financial contract with an insurer because of:

   (1) The insolvency, financial condition or default of the insurer at any time, if the right is enforceable under applicable law other than this chapter; or

   (2) The commencement of a formal delinquency proceeding under this chapter; [PL 2011, c. 107, §3 (NEW).]

B. Any right under a pledge, security, collateral, reimbursement or guarantee agreement or arrangement or any other similar security agreement or arrangement or other credit enhancement relating to one or more netting agreements or qualified financial contracts; [PL 2011, c. 107, §3 (NEW).]

C. Subject to section 4381, subsection 2, any right to offset, set off or net out any termination value, payment amount or other transfer obligation arising under or in connection with one or more qualified financial contracts when the counterparty or its guarantor is organized under the laws of the United States or a state or a foreign jurisdiction approved by the Securities Valuation Office of the National Association of Insurance Commissioners as eligible for netting; or [PL 2011, c. 107, §3 (NEW).]

D. If a counterparty to a master netting agreement or a qualified financial contract with an insurer subject to a proceeding under this chapter terminates, liquidates, closes out or accelerates the agreement or contract, damages must be measured as of the date or dates of termination, liquidation, closeout or acceleration. The amount of a claim for damages is the actual direct compensatory damages calculated in accordance with subsection 6. [PL 2011, c. 107, §3 (NEW).]

2. Termination of contract. Upon termination of a netting agreement or qualified financial contract, the net or settlement amount, if any, owed by a nondefaulting party to an insurer that is the subject of a delinquency proceeding under this chapter must be transferred to or on the order of the receiver for the insurer, even if the insurer is the defaulting party, notwithstanding any walkaway clause in the netting agreement or qualified financial contract. For purposes of this subsection, "walkaway clause" means a provision in a netting agreement or a qualified financial contract that, after calculation of a value of a party's position or an amount due to or from one of the parties in accordance with its terms upon termination, liquidation or acceleration of the netting agreement or qualified financial contract, either does not create a payment obligation of a party or extinguishes a payment obligation of a party in whole or in part solely because of the party's status as a nondefaulting party. Any limited 2-way payment or first method provision in a netting agreement or qualified financial contract with an insurer that has defaulted is considered to be a full 2-way payment or second method provision as against the defaulting insurer. Any such property or amount, except to the extent it is subject to one or more secondary liens or encumbrances or rights of netting, offset or setoff, must be a general asset of the insurer. [PL 2011, c. 107, §3 (NEW).]

3. Transfer of contract. In making any transfer of a netting agreement or qualified financial contract of an insurer subject to a proceeding under this chapter, the receiver shall either:

A. Transfer to one party, other than an insurer subject to a delinquency proceeding under this chapter, all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding, including:
(1) All rights and obligations of each party under each netting agreement and qualified financial contract; and
(2) All property, including any guarantees or other credit enhancement, securing any claims of each party under each netting agreement and qualified financial contract; or [PL 2011, c. 107, §3 (NEW).]

B. Transfer none of the netting agreements, qualified financial contracts, rights, obligations or property referred to in paragraph A with respect to the counterparty and any affiliate of the counterparty. [PL 2011, c. 107, §3 (NEW).]

4. Notice. If a receiver for an insurer makes a transfer of one or more netting agreements or qualified financial contracts, then the receiver must use its best efforts to notify any person who is a party to the netting agreements or qualified financial contracts of the transfer by noon, the receiver's local time, on the business day following the transfer. For purposes of this subsection, "business day" means a day other than a Saturday, Sunday or any day on which the New York Stock Exchange or the Federal Reserve Bank of New York is closed.

5. Transfer prior to delinquency. Notwithstanding any other provision of this chapter and except as provided in this subsection, a receiver may not avoid a transfer of money or other property arising under or in connection with a netting agreement or qualified financial contract or any pledge, security, collateral or guarantee agreement or any other similar security arrangement or credit support document relating to a netting agreement or qualified financial contract that is made before the commencement of a delinquency proceeding under this chapter. A transfer may be avoided under section 4375-A, subsection 1, paragraph A if the transfer was made with actual intent to hinder, delay or defraud the insurer, a receiver appointed for the insurer or existing or future creditors.

6. Rights of disaffirmance or repudiation. Disaffirmance or repudiation is governed by this subsection.

A. In exercising the rights of disaffirmance or repudiation of a receiver with respect to any netting agreement or qualified financial contract to which an insurer is a party, the receiver for the insurer shall either:

(1) Disaffirm or repudiate all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding; or
(2) Disaffirm or repudiate none of the netting agreements and qualified financial contracts referred to in subparagraph (1) with respect to the person or any affiliate of the person. [PL 2011, c. 107, §3 (NEW).]

B. Notwithstanding any other provision of this chapter, any claim of a counterparty against the estate arising from the receiver's disaffirmance or repudiation of a netting agreement or qualified financial contract that has not been previously affirmed in the liquidation or immediately preceding rehabilitation proceeding must be determined and either allowed or disallowed:

(1) As if the claim had arisen before the date of the filing of the petition for liquidation;
(2) If a rehabilitation proceeding is converted to a liquidation proceeding, as if the claim had arisen before the date of the filing of the petition for rehabilitation; or
(3) As if the claim had arisen before the issuance of any order or the commencement of any summary proceeding under this chapter.
The amount of the claim is the actual direct compensatory damages determined as of the date of the disaffirmance or repudiation of the netting agreement or qualified financial contract. "Actual direct compensatory damages" does not include punitive or exemplary damages, damages for lost profit or lost opportunity or damages for pain and suffering, but does include normal and reasonable costs of cover or other reasonable measures of damages used in the derivatives, securities or other market for the contract and agreement claims. [PL 2011, c. 107, §3 (NEW).]

7. Contractual right defined. "Contractual right," as used in this section, includes any right set forth in a rule or bylaw of a derivatives clearing organization as defined in the federal Commodity Exchange Act, a multilateral clearing organization as defined in the Federal Deposit Insurance Corporation Improvement Act of 1991, a national securities exchange, a national securities association, a securities clearing agency or a contract market designated under the federal Commodity Exchange Act, a derivatives transaction execution facility registered under the federal Commodity Exchange Act, or a board of trade as defined in the federal Commodity Exchange Act or in a resolution of the governing board thereof and any right, whether or not evidenced in writing, arising under statutory or common law, or under law merchant, or by reason of normal business practice. [PL 2011, c. 107, §3 (NEW).]

8. Affiliates. This section does not apply to any persons who are affiliates of the insurer that is the subject of the proceeding. [PL 2011, c. 107, §3 (NEW).]

9. Rights of counterparties. All rights of counterparties under this chapter apply to netting agreements and qualified financial contracts entered into on behalf of the general account or separate accounts if the assets of each separate account are available only to counterparties to netting agreements and qualified financial contracts entered into on behalf of that separate account. [PL 2011, c. 107, §3 (NEW).]

SUBCHAPTER 2

SUMMARY PROCEEDINGS

§4401. Summary proceedings; superintendent's corrective orders authorized

1. If the superintendent determines after a hearing that any insurer has committed or engaged in, or is committing or engaging in, or is about to commit or engage in any act, practice or transaction that would subject it to formal delinquency proceedings under section 4351 to 4407, he may make and serve upon the insurer and other persons involved such orders, other than seizure orders under sections 4404 and 4405, as he deems reasonably necessary to correct, eliminate or remedy such conduct, condition or ground. Orders to cure impairment of capital or surplus of a domestic insurer are subject to sections 3423 and 3424. [PL 1973, c. 585, §12 (AMD).]

2. If the superintendent believes that irreparable harm to the insurer or its policyholders, creditors or the public may occur unless his order is issued with immediate effect, he may make and serve his order without notice and before hearing, and shall simultaneously therewith serve upon the insurer and other persons involved the notice of hearing as required under subsection 3. [PL 1973, c. 585, §12 (AMD).]
3. The superintendent's order and notice of hearing thereunder shall be served in such a manner as conforms with the notice provisions of the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter IV. [PL 1977, c. 694, §438 (RPR).]

SECTION HISTORY
§4402. -- appeal from superintendent's order

If the superintendent has issued a summary order before hearing as provided in section 4401, subsection 2, any person upon whom such order is served may waive the superintendent hearing and apply for any immediate judicial relief available under law and without first exhausting administrative remedies. Section 236 (appeal from superintendent) shall apply as to appeals from the superintendent's order made after hearing. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY
§4403. -- enforcement, penalty

1. The superintendent may apply for and any Superior Court may grant such restraining orders, temporary and permanent injunctions and other orders as may be deemed necessary to enforce the superintendent's order. [PL 1973, c. 585, §12 (AMD).]

2. Violation of any order of the superintendent issued under section 4401 by any person as to whom the order is in effect shall subject such person to a penalty of not to exceed $10,000, to be collected in a civil action brought by the Attorney General in the name of the State of Maine. The Attorney General shall deposit all funds so collected with the Treasurer of State to the credit of the Insurance Division Regulatory Revolving Fund. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY
§4404. -- seizure under court order

1. Upon filing by the superintendent in any Superior Court of this State of his verified petition alleging any ground for a formal delinquency proceeding against an insurer under sections 4351 to 4385 and that the interests of the insurer's policyholders or creditors or the public will be jeopardized by delay, and setting forth the order deemed necessary by the superintendent, the court shall, ex parte and without notice or hearing, issue the requested order. The requested order may:

   A. Direct the superintendent to take possession and control of all or part of the property, books, accounts and records of the insurer and the premises occupied by it for transaction of its business; and [PL 1973, c. 585, §12 (AMD).]

   B. Until further order of court, enjoin the insurer and its officers, managers, agents and employees from removal, concealment or other disposition of its property, and from transaction of its business, except with the superintendent's written consent. [PL 1973, c. 585, §12 (AMD).]

   [PL 1973, c. 585, §12 (AMD).]

2. The court's order shall be for such duration, specified in the order, as the court deems necessary to enable the superintendent to ascertain the insurer's condition. On motion of any party or on its own motion, the court may hold such hearings as it deems desirable after such notice as it deems appropriate, and extend or shorten the duration or modify the terms of the order. The court shall vacate the seizure
order if the superintendent fails to commence a formal proceeding under sections 4351 to 4385 after reasonable opportunity to do so; and a seizure order is automatically vacated by issuance of the court's order pursuant to formal delinquency proceedings under such sections of this chapter.

[PL 1973, c. 585, §12 (AMD).]

3. Entry of a seizure order under this section does not constitute an anticipatory breach of any contract of the insurer.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§4405. -- seizure under the superintendent's order

1. If it appears to the superintendent that the interests of policyholders, creditors or the public will be jeopardized by delay incident to requesting a court seizure order, then on any ground which would justify a court seizure order under section 4404, and without notice and without applying to the court, the superintendent may issue a seizure order which must contain a statement verified by him of the grounds of his action. As directed by the seizure order, the superintendent's representatives shall forthwith take possession and control of all or part of the property, books, accounts and records of the insurer, and of the premises occupied by the insurer for transaction of its business. The superintendent shall retain possession and control until the order is vacated or is replaced by an order of court pursuant to subsection 2 or pursuant to a formal proceeding under this chapter.

[PL 1973, c. 585, §12 (AMD).]

2. At any time after seizure under subsection 1 the insurer may apply to the Superior Court for Kennebec County or for the county in which the insurer's principal office is located. The court shall thereupon order the superintendent to appear forthwith and shall thereafter proceed as if the order were a court seizure order issued under section 4404.

[PL 1973, c. 585, §12 (AMD).]

3. Every law enforcement officer of this State shall assist the superintendent in making and enforcing any such seizure, and every sheriff's and police department shall furnish him with such deputies, patrolmen or officers as are necessary for the purpose.

[PL 1973, c. 585, §12 (AMD).]

4. Entry of a seizure order under this section does not constitute an anticipatory breach of any contract of the insurer.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§4406. -- conduct of hearings, both administrative and by the court, in summary proceedings

1. The superintendent shall hold all hearings in summary proceedings privately unless the insurer requests a public hearing, in which case the hearing shall be public.

[PL 1973, c. 585, §12 (AMD).]

2. The court may hold all hearings in summary proceedings and judicial reviews thereof privately in chambers, and shall do so on request of the insurer proceeded against.

[PL 1969, c. 132, §1 (NEW).]

3. In all summary proceedings and judicial reviews thereof, all records of the insurer, other documents, and all insurance bureau files and court records and papers, so far as they pertain to or are part of the record of the summary proceedings, shall be and remain confidential except as necessary to obtain compliance therewith, unless the court after hearing arguments by the parties in chambers shall
order otherwise, or unless the insurer requests that the matter be made public. Until the court otherwise orders, all papers filed with the clerk of court shall be held by him in a confidential file.

[PL 1973, c. 585, §12 (AMD).]

4. If at any time it appears to the court that any person whose interest is or will be substantially affected by an order did not appear at the hearing and has not been served, the court may order that notice be given and the proceedings be adjourned to give such person opportunity to appear, on such terms as may be reasonable and just.

[PL 1969, c. 132, §1 (NEW).]

SECTION HISTORY

§4407. — penalty for refusal to deliver property, etc.

Any person having possession or custody of and refusing to deliver to the superintendent or his representative upon request any of the property, books, accounts, documents or other records of an insurer against which a seizure order or a summary order has been issued by the superintendent or by the court, as provided under sections 4401 to 4406, shall upon conviction thereof be subject to a fine of not over $10,000 or imprisonment for less than one year, or by both such fine and imprisonment. [PL 1973, c. 585, §12 (AMD).]

3. Board of directors. "Board of directors" means the board of directors of the association.  [PL 1969, c. 561 (NEW).]

4. Covered claim. "Covered claim" means an unpaid claim, including one for unearned premiums but excluding one for punitive damages, arising under and within the coverage and applicable limits of a policy of a kind of insurance referred to in section 4433 to which this subchapter applies issued by an insurer that becomes an insolvent insurer after May 9, 1970, and where:

   A. The claimant or insured is a resident of this State at the time of the insured event; or  [PL 1969, c. 561 (NEW).]

   B. The property from which the claim arises is permanently located in this State.  [PL 1969, c. 561 (NEW).]

"Covered claim" does not include any amount due any insurer, reinsurer, affiliate, insurance pool or underwriting association, as subrogation recoveries or otherwise, except that any payment made to the workers' compensation residual market pool pursuant to section 4438, subsection 1, paragraph A-1 must be included as a covered claim. "Covered claim" does not include any first-party claims by an insured whose net worth exceeds $25,000,000 on December 31st of the year prior to the year in which the member insurer becomes an insolvent insurer. An insured's net worth on that date is deemed to include the aggregate net worth of the insured and all its subsidiaries as calculated on a consolidated basis.  [PL 2001, c. 478, §5 (AMD); PL 2001, c. 478, §11 (AFF).]

5. Insolvent insurer. "Insolvent insurer" means a member insurer:

   A. Authorized to transact insurance in this State either at the time the policy was issued or when the insured event occurred; and  [PL 1995, c. 289, §13 (AMD).]

   B. Against whom a final order of liquidation has been entered with a finding of insolvency by a court of competent jurisdiction.  [PL 2001, c. 478, §6 (AMD); PL 2001, c. 478, §11 (AFF).]

Effective July 1, 1995, the workers' compensation residual market pool, as created by the Bureau of Insurance Rules, Chapter 440, is deemed an insolvent insurer.  [PL 2001, c. 478, §6 (AMD); PL 2001, c. 478, §11 (AFF).]

6. Member insurer. "Member insurer" means any authorized insurer that writes any kind of insurance to which this subchapter applies and that is not a risk retention group as defined in section 6093, subsection 13. If an insurer is authorized at the time of an insolvency and subsequently is approved to withdraw its license authority for the kinds of insurance covered by any account to which claims relating to the insolvency are allocated, the withdrawn insurer shall continue to be a member of
each account solely for purposes of assessments relating to claims resulting from the insolvency until these claims are paid or otherwise extinguished.

[PL 2013, c. 238, Pt. E, §2 (AMD).]

7. **Net direct written premiums.** "Net direct written premiums" means direct gross premiums written on insurance policies to which this subchapter applies, less return premiums thereon and dividends paid or credited to policyholders on such direct business. "Net direct written premiums" does not include premiums on contracts between insurers or reinsurers or premiums written through the United States Government Flood Insurance Program.

[PL 1999, c. 790, Pt. A, §29 (AMD).]

8. **Insurer.** "Insurer" means any insurer as defined in section 4.

[PL 1981, c. 484, §1 (AMD).]

9. **Line of credit.** "Line of credit" means an irrevocable stand-by commitment whereby the association or member insurer and a qualified financial institution or group of qualified financial institutions enter into a formal and binding contract in which the qualified financial institution or group of qualified financial institutions agree to lend a certain amount of money within a stated period of time. The terms and conditions of any line of credit shall be established by rules adopted jointly by the Bureau of Financial Institutions and the Bureau of Insurance.

[PL 1989, c. 67, §4 (NEW); PL 2001, c. 44, §11 (AMD); PL 2001, c. 44, §14 (AFF).]

9-A. **Person.** "Person" means an individual or legal entity, including a governmental entity.

10. **Qualified financial institution.** "Qualified financial institution" means one which is insured by the Federal Deposit Insurance Corporation, Federal Savings and Loan Insurance Corporation or a successor federal deposit insurance agency or agencies, and has an equity capital to assets ratio of 6.5% or greater, as determined in accordance with generally accepted accounting principles.

[PL 1989, c. 67, §4 (NEW).]

SECTION HISTORY

§4436. **Creation of the association**

There is created a nonprofit unincorporated legal entity to be known as the Maine Insurance Guaranty Association. All insurers defined as member insurers in section 4435 shall be and remain members of the association as a condition of their authority to transact insurance in this State. The association shall perform its functions under a plan of operation established and approved under section 4439 and shall exercise its powers through a board of directors established under section 4437. For purposes of administration and assessment, the association shall be divided into 3 separate accounts:

[PL 1969, c. 561 (NEW).]

1. The workers' compensation insurance account;

[PL 1987, c. 707, §7 (AMD).]

2. The automobile insurance account; except those insurers writing only automobile physical damage insurance, which shall be included in the all other insurance account; and

[PL 1969, c. 561 (NEW).]

3. The account for all other insurance to which this subchapter applies.
§4437. Board of directors

The board of directors of the association must consist of not less than 7 persons serving terms as established in the plan of operation, and not less than 3 of the persons must represent members of the association that are domiciled in the State. The members of the board must be selected by member insurers subject to the approval of the superintendent. A member insurer serving on the board must resign if the member insurer ceases writing new insurance business in the State. Vacancies on the board must be filled for the remaining period of the term by a majority vote of the remaining board members, subject to the approval of the superintendent.  [PL 2009, c. 116, §1 (AMD).]

In approving selections to the board, the superintendent shall consider among other things whether all member insurers are fairly represented.  [PL 1973, c. 585, §12 (AMD).]

Members of the board may be reimbursed from the assets of the association for expenses incurred by them as members of the board of directors.  [PL 1969, c. 561 (NEW).]

§4438. Powers and duties of the association

1. Powers and duties. The association shall:

A. Be obligated to pay covered claims existing prior to the determination of the insolvency or arising within 30 days after the determination of insolvency, or before the policy expiration date if less than 30 days after the determination of insolvency, or before the insured replaces the policy or causes its cancellation, if within 30 days of the determination. The obligation must be satisfied by paying to the claimant:

(1) Except as provided in this paragraph, the full amount of a covered claim for benefits, including interest and all penalties payable to a claimant under the Maine Workers' Compensation Act of 1992, or unearned premium under workers' compensation insurance coverage;

(2) An amount not exceeding $25,000 per policy for a covered claim for the return of an unearned premium; or

(3) An amount not exceeding $300,000 per claim for all other covered claims.

In no event is the association obligated to pay a claimant an amount in excess of the obligation of the insolvent insurer under the policy or coverage from which the claim arises. The association shall pay only that amount of unearned premium in excess of $50. Notwithstanding any other provisions of this subchapter, a covered claim does not include any claim filed with the association after the earlier of 24 months after the date of the order of liquidation or the final date set by the court for the filing of claims against the liquidator or receiver of an insolvent insurer. The association, in its discretion, may accept a late filed claim as a covered claim when the claimant demonstrates good cause. The demonstration of good cause by a claimant includes showing that the existence of the claim was not known to the claimant prior to the bar date and that the claimant filed the claim within 60 days of learning of the claim;  [PL 2009, c. 129, §1 (AMD); PL 2009, c. 129, §13 (AFF).]
A-1. Pay to the workers' compensation residual market pool the sum of $1,538,039 on or before February 15th, May 15th, August 15th and November 15th of each year beginning August 15, 1996 and continuing for 40 consecutive calendar quarters. Each payment made under this paragraph must be treated as the payment of a covered claim except that the association may not seek reimbursement or recoupment from any source other than by assessments to member insurers. Member insurers are allowed to recognize assessments made pursuant to this paragraph in rates and premiums as provided in section 4447; [PL 1995, c. 289, §14 (NEW).]

B. Be deemed the insurer to the extent of its obligation on covered claims, and to such extent the association shall have all rights, duties and obligations of the insolvent insurer as if the insurer had not become insolvent; [PL 1969, c. 561 (NEW).]

C. Allocate claims paid and expenses incurred among the 3 accounts separately; and assess member insurers separately for each account in amounts necessary to pay:

1. The obligations of the association under paragraph A, subsequent to an insolvency, the obligations of the accounts for shortfalls under section 4440-A, and for preinsolvency assessments, if required by section 4440, subsection 3, paragraph B, and the obligations of the association under paragraph A-1;

2. The expenses of handling covered claims subsequent to an insolvency;

3. The cost of examinations under section 4445; and

4. Other expenses authorized by this subchapter; [PL 1995, c. 289, §15 (AMD).]

D. Investigate claims brought against the association and adjust, compromise, settle and pay covered claims to the extent of the association's obligation and deny all other claims. The association shall pay covered claims in any reasonable order, including the payment of claims as such are received from the claimants or in groups or categories of claims. The association may review settlements, releases and judgments to which the insolvent insurer or its insureds were parties to determine the extent to which such settlements, releases and judgments may be properly contested; [PL 1985, c. 279, §5 (AMD).]

E. Notify such persons as the superintendent directs under section 4441, subsection 2, paragraph A; [PL 1973, c. 585, §12 (AMD).]

F. Handle claims through its employees or through one or more insurers licensed in the State or other persons using employees licensed as adjusters in the State designated as servicing facilities. Designation of a servicing facility is subject to the approval of the superintendent, but designation of a member insurer as a servicing facility may be declined by such insurer; [PL 2009, c. 129, §2 (AMD); PL 2009, c. 129, §13 (AFF).]

G. Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association; [PL 1969, c. 561 (NEW).]

H. Pay the other expenses of the association authorized by this subchapter; and [PL 2009, c. 129, §3 (AMD); PL 2009, c. 129, §13 (AFF).]

I. Pay all penalties, sanctions, forfeitures and fines provided for under the Maine Workers' Compensation Act of 1992 including penalties payable to the Workers' Compensation Board and the General Fund, except the penalty provided for in Title 39-A, section 359, subsection 2. No penalty, fine, forfeiture, attorney's fees or other sanction may be imposed on the association if:

1. The Workers' Compensation Board finds that the association was prevented from complying with the Maine Workers' Compensation Act of 1992 because the association was unable in the exercise of reasonable diligence to obtain the records of the insolvent insurer; or
(2) The Workers' Compensation Board finds that the association was prevented from complying with the Maine Workers' Compensation Act of 1992 because of circumstances beyond its reasonable control. [PL 2009, c. 129, §4 (NEW); PL 2009, c. 129, §13 (AFF).] [PL 2009, c. 129, §§1-4 (AMD); PL 2009, c. 129, §13 (AFF).]

2. Permission. The association may:
   A. Employ or retain such persons as are necessary to handle claims and perform other duties of the association; [PL 1969, c. 561 (NEW).]
   B. Borrow funds necessary to effect the purposes of this subchapter in accord with the plan of operation; [PL 1969, c. 561 (NEW).]
   C. Sue or be sued and may intervene as a party before any court in this State that has jurisdiction over an insolvent insurer as defined by this subchapter; [PL 2001, c. 478, §9 (AMD); PL 2001, c. 478, §11 (AFF).]
   D. Negotiate and become a party to such contracts as are necessary to carry out the purpose of this subchapter; [PL 1969, c. 561 (NEW).]
   E. Perform such other acts as are necessary or proper to effectuate the purpose of this subchapter; [PL 1969, c. 561 (NEW).]
   F. Refund to the member insurers in proportion to the contribution of each member insurer to that account that amount by which the assets of the account exceed the liabilities, if, at the end of any calendar year, the board of directors finds that the assets of the association in any account exceed the liabilities of that account as estimated by the board of directors for the coming year. [PL 1969, c. 561 (NEW).]

SECTION HISTORY

§4439. Plan of operation

1. Submission. The association shall submit to the superintendent a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the superintendent. [PL 1973, c. 585, §12 (AMD).]

B. If the association fails to submit a suitable plan of operation within 90 days following May 9, 1970 or if at any time thereafter the association fails to submit suitable amendments to the plan, the superintendent shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate this subchapter. Such rules shall continue in force until modified by the superintendent or superseded by a plan submitted by the association and approved by the superintendent. [PL 1973, c. 625, §161 (AMD).]

2. Complying. All member insurers shall comply with the plan of operation.

[PL 1969, c. 561 (NEW).]

3. Plan. The plan of operation shall:
A. Establish the procedures whereby all the powers and duties of the association under section 4438 will be performed. [PL 1969, c. 561 (NEW).]

B. Establish procedures for handling assets of the association. [PL 1969, c. 561 (NEW).]

C. Establish the amount and method of reimbursing members of the board of directors under section 4437. [PL 1969, c. 561 (NEW).]

D. Establish procedures by which claims may be filed with the association and establish acceptable forms of proof of covered claims. Notice of claims to the receiver or liquidator of the insolvent insurer shall be deemed notice to the association or its agent and a list of such claims shall be periodically submitted to the association or similar organization in another state by the receiver or liquidator. [PL 1969, c. 561 (NEW).]

E. Establish regular places and times for meetings of the board of directors. [PL 1969, c. 561 (NEW).]

F. Establish procedures for records to be kept of all financial transactions of the association, its agents, and the board of directors. [PL 1969, c. 561 (NEW).]

G. Provide that any member insurer aggrieved by any final action or decision of the association may appeal to the superintendent within 30 days after the action or decision. [PL 1973, c. 585, §12 (AMD).]

H. Establish the procedures whereby selections for the board of directors will be submitted to the superintendent. [PL 1973, c. 585, §12 (AMD).]

I. Contain additional provisions necessary or proper for the execution of the powers and duties of the association. [PL 1969, c. 561 (NEW).]

[PL 1973, c. 585, §12 (AMD).]

4. Provisions. The plan of operation may provide that any or all powers and duties of the association, except those under section 4438, subsection 1, paragraph C, and section 4438, subsection 2, paragraph B, are delegated to a corporation, association or other organization which performs or will perform functions similar to those of the association, or its equivalent, in 2 or more states. Such a corporation, association or organization shall be reimbursed as a servicing facility would be reimbursed and shall be paid for its performance of any other functions of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the superintendent, and may be made only to a corporation, association or organization which extends protection not substantially less favorable and effective than that provided by this subchapter. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4440. Assessment of member insurers

1. Proportion. The assessments of each member insurer provided for under section 4438 must be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment on the kinds of insurance in the account bears to the net direct written premiums of all member insurers for the same calendar year on the kinds of insurance in the account, except that assessments to cover a shortfall in any account are determined in accordance with section 4440-A. In the case of a withdrawn insurer, the average of its net direct written premium for the 5 calendar years prior to withdrawal, excluding premium on business written as a workers' compensation residual market servicing carrier for assessments made on or after January 1, 1996, must be used as its assessment base for any year following withdrawal in which the insurer has no net direct written premium. [PL 1995, c. 289, §16 (AMD).]
2. Notification. Each member insurer shall be notified of the assessment not later than 30 days before it is due.
[PL 1969, c. 561 (NEW).]

3. Limitation; types of assessments. Assessments shall be made as follows.

A. Each member insurer may be assessed in any calendar year on any account an amount up to 2% of that member insurer's net direct written premiums for the next preceding calendar year on the kinds of insurance in the account for purposes of paying claims and expenses of that account. [PL 1989, c. 67, §7 (NEW).]

B. To the extent that the maximum 2% has not been assessed, an assessment of up to that member's proportionate share of the applicable maximum as set forth in this paragraph shall be assessed when immediately necessary for the payment of claims and expenses. Any amount drawn by the association under any line of credit shall be considered a payment toward the member insurer's obligation provided for in this section. The maximum line of credit or preinsolvency assessment for each account shall be as follows:

<table>
<thead>
<tr>
<th>Account</th>
<th>Maximum</th>
</tr>
</thead>
<tbody>
<tr>
<td>Workers' compensation</td>
<td>$2,000,000</td>
</tr>
<tr>
<td>Automobile</td>
<td>$1,700,000</td>
</tr>
<tr>
<td>All other</td>
<td>$1,300,000</td>
</tr>
</tbody>
</table>

(1) The association shall obtain a line of credit for the benefit of each account, in an amount not to exceed the applicable maximum to ensure the immediate availability of funds for purposes of future claims and expenses attributable to an insurer insolvent in that account. The line of credit shall be obtained from qualified financial institutions. At no time may a qualified financial institution participate in the line of credit in excess of 20% of its equity capital. The line of credit shall provide for a 30-day notice of termination or nonrenewal to the superintendent and the association and shall provide funding to the association within one business day of receipt of written notice from the superintendent of an insolvent insurer in that account as defined in section 4435, subsection 5. Each member insurer upon receipt of notice from the association shall make immediate payment for its proportionate share of the amount borrowed based on the premium for the preceding calendar year. The line of credit provided for in this paragraph shall be subject to prior review and approval by the superintendent at the time of origination and any subsequent renewal.

(2) If the association cannot obtain a line of credit, a member insurer may obtain a line of credit from a qualified financial institution or may extend a line of credit itself directly to and for the benefit of the member insurer's account by submitting to the association a duly authorized and executed line of credit agreement providing that the member insurer shall provide funding to the association under the line of credit within one business day of receipt of a written notice from the superintendent of an insolvent insurer as defined in section 4435, subsection 5, and receipt of a written request from the association for a drawdown under the line of credit. The line of credit agreement shall be subject to prior review and approval by the superintendent at the time of origination and any subsequent renewal. It shall include such commercially reasonable provisions as the association or the superintendent may deem advisable, including a provision that the line of credit is irrevocable or for a stated period of time and provides for a 30-day notice to the association and the superintendent that the line is being terminated or not renewed. Any line of credit issued under this paragraph may be replaced with another line of credit and the existing line of credit shall be released by the association once a substitute line of credit has been provided or the assessment provided for in this paragraph has been paid.
(3) If a line of credit is not given as provided for in subparagraph (2), the member insurer shall be responsible for payment of an assessment of up to that member's proportionate share of the applicable maximum as set forth in this paragraph which shall be paid into a preinsolvency assessment fund in each account. Funds in each account shall only be used for the payment of claims and expenses of an insolvent insurer in that account.

(4) All materials and information submitted or considered under this paragraph shall be matters of public record. [PL 1989, c. 67, §7 (NEW).]

[PL 1989, c. 67, §7 (RPR).]

4. Exemptions. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance. It is a condition of any deferral that during the period of deferment no dividends may be paid by the member insurer to its shareholders or policyholders. A deferred assessment is paid when payment will not reduce capital or surplus below required levels, and the association shall then refund to its other member insurers an amount equal to the deferred assessment in the proportions corresponding to the increases in their assessments by virtue of that deferment.

[PL 1985, c. 279, §6 (AMD).]

5. Set off. Each member insurer may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by the member insurer, if they are chargeable to the account for which the assessment is made.

[PL 1969, c. 561 (NEW).]

6. Delinquency. Delinquent assessments, except as provided in subsection 4, shall bear interest at the rate of 8% per annum, computed from the due date of the assessment.

[PL 1969, c. 561 (NEW).]

SECTION HISTORY

§4440-A. Special assessment

1. Special assessment. If the maximum assessment, together with the other assets of the association in any account, does not provide in any one year in any account an amount sufficient to make all necessary payments from that account, the shortfall shall be assessed as an obligation of the other accounts of the association, with each member insurer's assessment to be in the proportion that its net direct written premiums for the calendar year preceding the assessment on the kinds of insurance in the accounts to be assessed bears to the total net direct written premiums of all member insurers for the same calendar year on the kinds of insurance in those accounts. The total of assessments against a member insurer under this section and section 4440 for any account in any one calendar year shall not exceed 2% of that member's net direct written premium on the kinds of insurance written in that account for the next preceding calendar year.

[PL 1989, c. 67, §8 (NEW).]

2. Limit on assessment. Subject to the 2% limitation, an assessment made under this section may not exceed 5% of the average of a member insurer's net income of the 3 years prior to the year in which the assessment is made for any member insurer:

A. That has surplus of less than $15,000,000 and either a ratio of total net direct written premium to total surplus greater than 2 or net income of less than $250,000 for the year preceding the assessment. For purposes of this subsection, "net income" means the sum of underwriting income and investment income, net of dividends to policyholders and federal and foreign income taxes.
incurred, as reported on the insurer's annual statement filed with the superintendent. "Total surplus" means surplus as regards policyholders, as reported on the insurer's annual statement filed with the superintendent; or [PL 1995, c. 289, §17 (AMD).

B. That has a surplus of less than $15,000,000 and has fewer than 3,000 policyholders. [PL 1995, c. 289, §17 (AMD).]

3. Repealer.
[PL 1989, c. 67, §8 (NEW); PL 1989, c. 751, §5 (RP).]

4. Notification to Legislature. Within 7 days after the board of directors votes to levy an assessment under this section, the chair of the board of directors shall notify the chairs of the legislative committee having jurisdiction over insurance matters that the association has voted to make such an assessment. The notification must:

A. Be in writing; and [PL 1989, c. 751, §6 (NEW).]

B. Include the total amount to be assessed against each account and the name of the account to which the assessed funds will be credited. [PL 1989, c. 751, §6 (NEW).]

§4440-B. Assessment of excess insurers
(REPEALED)

SECTION HISTORY

§4441. Duties and powers of the superintendent

1. Duties and powers. The superintendent shall:

A. Notify the association of the existence of an insolvent insurer not later than 3 days after the superintendent receives notice of the determination of the insolvent. The association shall be entitled to a copy of any complaint seeking an order of liquidation with a finding of insolvent against a member insurer which is domiciled in this State at the same time that the complaint is filed with a court of competent jurisdiction; and [PL 1987, c. 707, §9 (AMD).]

B. Upon request of the board of directors, provide the association with a statement of the net direct written premiums of each member insurer. [PL 1969, c. 561 (NEW).]

[PL 1987, c. 707, §9 (AMD).]

2. Permission. The superintendent may:

A. Require that the association notify the insureds of the insolvent insurer and any other interested parties of the order of liquidation with a finding of insolvent and of their rights under this subchapter. Such notifications must be by mail at their last known addresses, where available, but if required information for notification by mail is not available, notice by publication in a newspaper of general circulation in this State is sufficient. Any notification given under this paragraph must prominently display the date by which all claims must be filed with the association. [PL 2001, c. 478, §10 (AMD); PL 2001, c. 478, §11 (AFF).]

B. Suspend or revoke, after notice and hearing, the certificate of authority to transact insurance in this State of any member insurer which fails to pay an assessment when due or fails to comply with the plan of operation. [PL 1969, c. 561 (NEW).]
C. Revoke the designation of any servicing facility if he finds claims are being handled unsatisfactorily. [PL 1969, c. 561 (NEW).]
[PL 2001, c. 478, §10 (AMD); PL 2001, c. 478, §11 (AFF).]

SECTION HISTORY

§4442. Effect of paid claims

Any person recovering on a covered claim under this subchapter shall be deemed to have assigned his rights under the policy to the association to the extent of his recovery from the association. Every insured or claimant seeking the protection of this subchapter shall cooperate with the association to the same extent as such person would have been required to cooperate with the insolvent insurer. The association shall have no cause of action against the insured of the insolvent insurer for any sums it has paid out except such causes of action as the insolvent insurer would have had if such sums had been paid by the insolvent insurer. In the case of an insolvent insurer operating on a plan with assessment liability, payment of claims by the association shall not operate to reduce the liability of insureds to the receiver, liquidator or statutory successor for unpaid assessments. [PL 1969, c. 561 (NEW).]

The receiver, liquidator or statutory successor of an insolvent insurer shall be bound by settlements of covered claims by the association or a similar organization in another state. The court having jurisdiction shall grant such claims priority equal to that which the claimant would have been entitled in the absence of this subchapter against the assets of the insolvent insurer. The expenses of the association or similar organization in handling claims shall be accorded the same priority as the liquidator's expenses. [PL 1969, c. 561 (NEW).]

The association shall periodically file with the receiver or liquidator of the insolvent insurer statements of the covered claims paid by the association and estimates of anticipated claims on the association, which shall preserve the rights of the association against the assets of the insolvent insurer. [PL 1969, c. 561 (NEW).]

SECTION HISTORY
PL 1969, c. 561 (NEW).

§4443. Nonduplication of recovery

1. Insurance policy. Any person having a claim against an insurer under any provision in an insurance policy, other than that of an insolvent insurer, which is also a covered claim, shall be required to exhaust first the person's right under the policy. Any amount otherwise payable on a covered claim under this subchapter shall be reduced by the amount of any recovery under the insurance policy. [PL 1987, c. 707, §10 (NEW).]

2. Governmental insurance. Any person having a claim or legal right of recovery under any governmental insurance, which is also a covered claim, shall be required to exhaust first that person's right under that insurance. Any amount payable on a covered claim under this subchapter shall be reduced by the amount of any recovery under that insurance. [PL 1987, c. 707, §10 (NEW).]

3. Insurance guaranty association. Any person having a claim which may be recovered from more than one insurance guaranty association or its equivalent shall seek recovery first from the association of the place of residence of the insured, except that, if it is a first party claim for damage to property with a permanent location, that person shall seek recovery first from the association of the location of the property, and, if it is a workers' compensation claim, that person shall seek recovery first from the association of the residence of the claimant. Any recovery under this subchapter shall be reduced by the amount of recovery from any other insurance guaranty association or its equivalent.
§4444. Prevention of insolvencies

To aid in the detection and prevention of insurer insolvencies: [PL 1969, c. 561 (NEW).]

1. Notification. The board of directors, upon majority vote, shall notify the superintendent of any information indicating that any member insurer may be insolvent or in a financial condition hazardous to policyholders or the public. [PL 1973, c. 585, §12 (AMD).]

2. Examination. The board of directors may, upon majority vote, request that the superintendent order an examination of any member insurer which the board in good faith believes may be in a financial condition hazardous to policyholders or the public. Within 30 days of the receipt of such request, the superintendent shall begin such examination. The cost of the examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall the examination report, or any portion thereof, be released to the board of directors prior to its release to the public, but this shall not preclude the superintendent from complying with subsection 3. The superintendent shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the superintendent but shall not be open to public inspection prior to the release of the examination report, or part thereof to the public, in accordance with section 227. [PL 1973, c. 585, §12 (AMD).]

3. Report. The superintendent shall report to the board of directors when he has reasonable cause to believe that any member insurer examined or being examined at the request of the board of directors may be insolvent or in a financial condition hazardous to policyholders or the public. [PL 1973, c. 585, §12 (AMD).]

4. Recommendations. The board of directors may, upon majority vote, make reports and recommendations to the superintendent upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer. Such reports and recommendations shall not be considered public documents or be open to public inspection. [PL 1973, c. 585, §12 (AMD).]

5. Prevention. The board of directors may, upon majority vote, make recommendations to the superintendent for the detection and prevention of insurer insolvencies. [PL 1973, c. 585, §12 (AMD).]

6. Report. The board of directors shall, at the conclusion of any insurer insolvency in which the association was obligated to pay covered claims, prepare a report on the history and causes of such insolvency, based on the information available to the association, and submit such report to the superintendent. [PL 1987, c. 707, §11 (AMD).]
The association is also subject to audit, enforcement and monitoring by the Workers' Compensation Board with respect to workers' compensation claims as provided for in the Maine Workers' Compensation Act of 1992. Notwithstanding any other provision of law, the association is liable for the payment of any compensation, interest, penalty or other obligation determined to be due by the Workers' Compensation Board as provided for in the Maine Workers' Compensation Act of 1992. The Workers' Compensation Board may not assess the association penalties for the acts or omissions of insolvent insurers. [PL 2005, c. 603, §2 (NEW).

SECTION HISTORY

§4446. Tax exemption

The association shall be exempt from payment of all fees and all taxes levied by this State or any of its subdivisions except taxes levied on real or personal property. [PL 1969, c. 561 (NEW).

SECTION HISTORY
PL 1969, c. 561 (NEW).

§4447. Recognition of assessment in rates

The rates and premiums charged for insurance policies to which this subchapter applies shall include amounts sufficient to recoup a sum equal to the amounts paid to the association by the member insurer less any amounts returned to the member insurer by the association, and such rates shall not be deemed excessive because they contain an amount reasonably calculated to recoup assessments paid by the member insurer. [PL 1969, c. 561 (NEW).

SECTION HISTORY
PL 1969, c. 561 (NEW).

§4448. Immunity

There shall be no liability on the part of and no cause of action of any nature shall arise against any member insurer, the association or its agents or employees, the board of directors, or the superintendent or his representatives for any action taken by them in the performance of their powers and duties under this subchapter. [PL 1973, c. 585, §12 (AMD).

SECTION HISTORY

§4449. Stay of proceedings; reopening of default judgments

All proceedings in which the insolvent insurer is a party or is obligated to defend a party in any court in this State shall be stayed for 60 days from the date the insolvency is determined, and may be stayed by the Superior Court for additional time solely as is deemed necessary to permit proper defense by the association of all pending causes of action. The association shall provide to the superintendent a copy of any such request for stay and supporting documents filed with the court. As to any covered claims arising from a judgment under any decision, verdict or finding based on the default of the insolvent insurer or its failure to defend an insured, the association either on its own behalf or on behalf of such insured may apply to have such judgment, order, decision, verdict or finding set aside by the same court or administrator that made such judgment, order, decision, verdict or finding and shall be permitted to defend against such claim on the merits. [PL 1985, c. 279, §8 (AMD).

The liquidator, receiver or statutory successor of an insolvent insurer covered by this subchapter shall permit access by the board of directors, or its authorized representative, to those records of the insolvent insurer which are necessary for the board to carry out its functions under this subchapter with regard to covered claims. The liquidator, receiver or statutory successor shall provide the board or its
representative with copies of these records upon request by the board and at the expense of the board. [PL 1987, c. 707, §12 (NEW).]

This section does not authorize a stay of proceedings before the Workers' Compensation Board, or of proceedings in Superior Court to enforce orders of the Workers' Compensation Board. A stay of workers' compensation proceedings before the Workers' Compensation Board or the Superior Court may be granted if otherwise authorized by law, provided that good cause for a stay exists and that reasonable diligence was exhibited by the insurer, the employer, the association and their counsel to proceed with the proceeding prior to the insolvency. [PL 1989, c. 67, §9 (NEW); PL 1991, c. 885, Pt. D, §2 (AMD).]

SECTION HISTORY

§4450. Termination of association

The superintendent shall by order terminate the operation of the association as to any kind of insurance with respect to which he has found, after notice and hearing, that there is in effect a statutory plan of the United States Government to avoid excessive delay or financial loss to claimants or policyholders because of insurer insolvency and which provides for protection and benefits to residents of this State not materially less favorable than provided under this subchapter. Such order for termination shall continue the operation of this subchapter with respect to prior insurer insolvencies not covered by such plan. The order shall also provide for a proportionate distribution of the assets of the association to insurers which will cease to be members of the association on the effective date of the order. [PL 1973, c. 585, §12 (AMD).]

SECTION HISTORY

§4451. Advertising restrictions

CHAPTER 62
MAINE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

§4601. Short title
This chapter may be known and cited as the Maine Life and Health Insurance Guaranty Association Act. [PL 2005, c. 346, §1 (AMD); PL 2005, c. 346, §16 (AFF).]
SECTION HISTORY

§4602. Purpose
The purpose of this chapter, subject to certain limitations, is to maintain public confidence in the promises of insurers by providing a mechanism for protecting policyholders, insureds, beneficiaries, annuitants, payees and assignees of life insurance policies, health insurance policies, annuity contracts and supplemental contracts against failure in the performance of fair and equitable contractual obligations due to the impairment or insolvency of the member insurer issuing these policies or contracts. To provide this protection: [PL 2005, c. 346, §1 (AMD); PL 2005, c. 346, §16 (AFF).]

1. Creation of association. An association of insurers is created to enable the guaranty of payment of benefits and of continuation of coverages as limited by this chapter;
2. **Assessment of members.** Members of the association are subject to assessment to provide funds to carry out the purpose of this chapter; and

3. **Assistance to superintendent.** The association is authorized to assist the superintendent, in the prescribed manner, in the detection and prevention of insurer impairments and insolvencies.

---

**SECTION HISTORY**

**§4603. Scope**

1. **Application.** This chapter applies to direct nongroup life insurance policies, health insurance policies, annuity contracts and contracts supplemental to life and health insurance policies and annuity contracts and to certificates under direct group life insurance policies, health insurance policies and annuity contracts, except as limited by this chapter. For the purposes of this chapter:

   A. Health insurance policies include individual and group health maintenance organization enrollment contracts, and health maintenance organizations are considered to be health insurers; [PL 2017, c. 382, §2 (NEW).]

   B. Annuity contracts and certificates under group annuity contracts include allocated funding agreements, structured settlement annuities and any immediate or deferred annuity contracts; and [PL 2017, c. 382, §2 (NEW).]

   C. Benefits provided by a long-term care rider to a life insurance policy or annuity contract are considered the same type of benefits as the base life insurance policy or annuity contract to which the rider relates. [PL 2017, c. 382, §2 (NEW).]

   [PL 2017, c. 382, §2 (AMD).]

1-A. **Persons covered.** This chapter provides coverage for the policies and contracts specified in subsection 1:

   A. To any person, regardless of where the person resides, except for a nonresident certificate holder under a group policy or contract, who is the beneficiary, assignee or payee, including a health care provider rendering services covered under a health insurance policy or certificate, of a person covered under paragraph B; [PL 2017, c. 382, §3 (AMD).]

   B. To any person who owns, or is a certificate holder or enrollee under, a policy or contract specified in subsection 1, other than a structured settlement annuity, who:

      (1) Is a resident; or

      (2) Is not a resident, if all the following conditions are met:

         (a) The insurer that issued the policy or contract is domiciled in this State;

         (b) The insurer never held a license or certificate of authority in the state in which the person resides;

         (c) The state in which the person resides has an association similar to the Maine Life and Health Insurance Guaranty Association; and

         (d) The person is not eligible for coverage by the association in that state; and [PL 2017, c. 382, §3 (AMD).]

   C. To any person who is a payee under a structured settlement annuity, or to a beneficiary or beneficiaries of a payee if the payee is deceased, if the payee:
(1) Is a resident, regardless of where the contract owner resides; or

(2) Is not a resident, if all of the conditions of either division (a) or (b) are met:

(a) The contract owner of the structured settlement annuity is a resident; or

(b) The contract owner of the structured settlement annuity is not a resident, but:

(i) The insurer that issued the structured settlement annuity is domiciled in this State;

(ii) The state in which the contract owner resides has an association similar to the association created by this chapter; and

(iii) The payee or beneficiary and the contract owner are not eligible for coverage by the association of the state in which the payee or contract owner resides.

This chapter does not provide coverage to a person who is a payee or beneficiary of a contract owner who is a resident of this State if the payee or beneficiary is afforded any coverage by a similar association of another state. [PL 2005, c. 346, §2 (NEW); PL 2005, c. 346, §16 (AFF).]

This chapter is intended to provide coverage to a person who is a resident, and, in special circumstances as provided by this section, to a person who is not a resident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage under this chapter is provided coverage under the laws of any other state, that person may not be provided coverage under this chapter. In determining the application of the provisions of this subsection in a situation in which a person could be covered by the association of more than one state, whether as an owner, payee, beneficiary, enrollee or assignee, this chapter must be construed in conjunction with other state laws to result in coverage by only one association.

[PL 2017, c. 382, §3 (AMD).]

2. Exceptions. This chapter does not apply to:

A. That portion of a policy or contract not guaranteed by an insurer; [PL 2005, c. 346, §2 (AMD); PL 2005, c. 346, §16 (AFF).]

(1) Averaged over a period of 4 years before the date on which the member insurer becomes an impaired insurer or becomes an insolvent insurer under this chapter, whichever is earlier, exceeds a rate of interest determined by subtracting 2 percentage points from Moody's Corporate Bond Yield Average averaged over the same 4-year period or for a lesser period if the policy or contract was issued less than 4 years before the member insurer becomes an impaired insurer or becomes an insolvent insurer, whichever is earlier; and

(2) On or after the date on which the member insurer becomes an impaired insurer or becomes an insolvent insurer under this chapter, whichever is earlier, exceeds the rate of interest
determined by subtracting 3 percentage points from Moody's Corporate Bond Yield Average as most recently available; [PL 2017, c. 382, §4 (AMD).]

H. Any policy or contract issued in this State by a member insurer at a time when it was not licensed or did not have a certificate of authority to issue the policy or contract in this State; [PL 2005, c. 346, §2 (NEW); PL 2005, c. 346, §16 (AFF).]

I. Any portion of a policy or contract to the extent that the assessments required by section 4609 with respect to the policy or contract are preempted by federal or state law; [PL 2005, c. 346, §2 (NEW); PL 2005, c. 346, §16 (AFF).]

L. Any unallocated annuity contract, except any annuity, whether allocated or unallocated, issued to a governmental retirement benefit plan established under the United States Internal Revenue Code, 26 United States Code, Section 401, 403(b) or 457; [PL 2017, c. 382, §6 (AMD).]

contract, but that have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired insurer or becomes an insolvent insurer under this chapter, whichever is earlier. If a policy's or contract's interest or changes in value are credited less frequently than annually, then for purposes of determining the values that have been credited and are not subject to forfeiture under this paragraph, the interest or change in value determined by using the procedures defined in the policy or contract will be credited as if the contractual date of crediting interest or changing values was the date of impairment or insolvency, whichever is earlier, and will not be subject to forfeiture; and \[PL 2017, c. 382, §7 (AMD).\]

To select the initial board of directors and initially organize the association, the superintendent shall give notice to all member insurers of the time and place of the organizational meeting.    C. [PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).] [PL 2017, c. 382, §16 (AMD).]

   A. Take the following actions:

      (1) Guarantee, assume, reissue or reinsure or cause to be guaranteed, assumed, reissued or reinsured the policies or contracts of the insolvent insurer, or assure payment of the contractual obligations of the insolvent insurer; and

   B. Provide benefits and coverages in accordance with this paragraph.

      (1) With respect to life and health insurance policies and annuities, the association shall assure payment of benefits that would have been payable under the policies or contracts of the insolvent insurer, for claims incurred:

         (a) With respect to group policies and contracts, not later than the earlier of the next renewal date under those policies or contracts or 45 days, but in no event less than 30 days, after the date on which the association becomes obligated with respect to the policies and contracts; and

         (b) With respect to nongroup policies, contracts and annuities, not later than the earlier of the next renewal date if any under the policies or contracts and one year, but in no event less than 30 days, after the date on which the association becomes obligated with respect to the policies or contracts.

      (2) The association shall make diligent efforts to provide all known insureds, enrollees or annuitants for nongroup policies and contracts, or group policy or contract owners with respect to group policies and contracts, 30 days' notice of the termination of the benefits provided.
(3) With respect to nongroup life and health insurance policies and annuities covered by the association, the association shall make available to each known insured, enrollee or annuitant, or owner if other than the insured, enrollee or annuitant, and, with respect to an individual formerly insured, formerly enrolled or formerly an annuitant under a group policy or contract who is not eligible for replacement group coverage, make available substitute coverage on an individual basis in accordance with the provisions of subparagraph (4), if the insureds, enrollees or annuitants had a right under law or the terminated policy or annuity to convert coverage to individual coverage or to continue an individual policy or annuity in force until a specified age or for a specified time, during which the insurer had no right unilaterally to make changes in any provision of the policy or annuity or had a right only to make changes in premium by class.

(4) In providing substitute coverage, the association may offer either to reissue the terminated coverage or to issue an alternative policy in accordance with the following:

(a) Alternative or reissued policies must be offered without requiring evidence of insurability and may not provide for any waiting period or exclusion that would not have applied under the terminated policy;

(b) The association may reinsure any alternative or reissued policy;

(c) Alternative policies adopted by the association and any amendments to reissued policies are subject to the approval of the superintendent. The association may adopt alternative policies of various types for future issuance without regard to any particular impairment or insolvency;

(d) Alternative policies must contain at least the minimum statutory provisions required in this State and provide benefits that are not unreasonable in relation to the premium charged. The association shall set the premium in accordance with an actuarially justified table of rates that it adopts, subject to prior approval of the superintendent. The premium must reflect the amount of insurance to be provided and the age and class of risk of each insured, but may not reflect any changes in the health of the insured after the original policy was last underwritten; and

(e) Any alternative policy issued by the association must provide coverage of a type similar to that of the policy issued by the impaired or insolvent insurer, as determined by the association.

(5) If the association elects to reissue terminated coverage at a premium rate different from that charged under the terminated policy, the premium must be actuarially justified and set by the association in accordance with the amount of coverage provided and the age and class of risk, subject to approval of the superintendent.

(6) The association's obligations with respect to coverage under any policy of the impaired or insolvent insurer or under any reissued or alternative policy must cease on the date the coverage or policy is replaced by another similar policy by the policy owner, the insured, the enrollee or the association.

(7) When proceeding under this paragraph with respect to a policy or contract carrying guaranteed minimum interest rates, the association shall assure the payment or crediting of a rate of interest consistent with section 4603.

(8) Nonpayment of premiums within 31 days after the date required under the terms of any guaranteed, assumed, alternative or reissued policy or contract or substitute coverage terminates the association's obligations under the policy or coverage under this chapter with respect to the policy or coverage, except with respect to any claims incurred or any net cash surrender value that may be due in accordance with the provisions of this chapter.
(9) Premiums due for coverage after entry of an order of liquidation of an insolvent insurer belong to and are payable at the direction of the association, and the association is liable for unearned premiums due to policy or contract owners arising after the entry of the order.

(10) The protection provided by this chapter does not apply when any guaranty protection is provided to residents of this State by the laws of the domiciliary state or jurisdiction of the impaired or insolvent insurer other than this State. [PL 2017, c. 382, §17 (AMD).]

A. Subject to approval by a court in this State, impose permanent policy or contract liens in connection with a guarantee, assumption or reinsurance agreement, if the association finds that the amounts that can be assessed under this chapter are less than the amounts needed to assure full and prompt performance of the association's duties under this chapter or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; and [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

B. Subject to approval by a court in this State, impose temporary moratoriums or liens on payments of cash values and policy loans or on any other right to withdraw funds held in conjunction with policies or contracts, in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values, policy loans or other rights by the association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court. 6. Association liability. The association has no liability under this section for any covered policy of a foreign or alien insurer whose domiciliary jurisdiction or state of entry provides by statute for residents of this State protection substantially similar to that provided by this chapter for residents of other states.
[PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

Any amount so paid to the association less the amount not retained by it must be treated as a distribution of estate assets pursuant to chapter 57 or similar provision of the state of domicile of the impaired or insolvent insurer.

[PL 2017, c. 382, §18 (AMD).]

7. Assistance and advice to superintendent. The association may render assistance and advice to the superintendent, upon the superintendent's request, concerning rehabilitation, payment of claims, continuations of coverage or the performance of other contractual obligations of any impaired or insolvent insurer.

This standing extends to all matters germane to the powers and duties of the association, including, but not limited to, proposals for reinsuring, reissuing, modifying or guaranteeing the covered policies or contracts and contractual obligations of the impaired or insolvent insurer and the determination of the covered policies or contracts and contractual obligations. The association also has the right to appear or intervene before a court or agency in another state with jurisdiction over an impaired or insolvent insurer for which the association is or may become obligated or with jurisdiction over any person or property against whom the association may have rights through subrogation or otherwise.

[PL 2017, c. 382, §19 (AMD).]

9. Subrogation rights. Any person receiving benefits under this chapter is deemed to have assigned that person's rights under, and any causes of action against any person for losses arising under, resulting from or otherwise relating to, the covered policy or contract to the association to the extent of the benefits received because of this chapter whether the benefits are payments of or on account of contractual obligations, continuation of coverage or provision of substitute or alternative coverages. The association may require an assignment to it of these rights and cause of action by any payee, policy or contract owner, beneficiary, insured, enrollee or annuitant as a condition precedent to the receipt of any rights or benefits conferred by this chapter upon that person. The association is subrogated to these rights against the assets of any impaired or insolvent insurer.

The subrogation rights of the association under this subsection must have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this chapter.

In addition, the association has all common law rights of subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, insured, enrollee or payee of a policy or contract with respect to the policy or contract, including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary or payee of the annuity, to the extent of benefits received pursuant to this chapter, against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor, excepting any such person responsible solely by reason of serving as an assignee in respect of a qualified assignment under Section 130 of the federal Internal Revenue Code.

If the provisions of this subsection are invalid or ineffective with respect to any person or claim for any reason, the amount payable by the association with respect to the related covered obligations must be
reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies or portion thereof covered by the association.

If the association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the association has rights as described in this subsection, the person shall pay to the association the portion of the recovery attributable to the policies or portion thereof covered by the association.

[PL 2017, c. 382, §19 (AMD).]

10. Association's contractual obligation; impaired insurer.
[PL 2005, c. 346, §6 (RP); PL 2005, c. 346, §16 (AFF).]

11. Other powers. The association may:

A. Enter into such contracts as are necessary or proper to carry out the provisions and purposes of this chapter; [PL 1983, c. 846 (NEW).]

B. Subject to the provisions of section 4617, sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments under section 4609 or to settle claims or potential claims against it; [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

C. Borrow money to effect the purposes of this chapter. Any notes or other evidence of indebtedness of the association not in default are legal investments for domestic member insurers and may be carried as admitted assets; [PL 2017, c. 382, §20 (AMD).]

D. Employ or retain such persons as are necessary or appropriate to handle the financial transactions of the association and to perform such other functions as become necessary or proper under this chapter; [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

E. Negotiate and contract with any liquidator, rehabilitator, conservator or ancillary receiver to carry out the powers and duties of the association; [PL 1983, c. 846 (NEW).]

F. Take such legal action as may be necessary to avoid or recover payment of improper claims; [PL 2005, c. 346, §6 (AMD); PL 2005, c. 346, §16 (AFF).]

G. Exercise, for the purposes of this chapter and to the extent approved by the superintendent, the powers of a domestic life or health insurer or health maintenance organization, but in no case may the association issue policies or contracts other than those issued to perform the contractual obligations of the impaired insurer; [PL 2017, c. 382, §20 (AMD).]

H. Organize itself as a corporation or in other legal form permitted by the laws of this State; [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

I. Request information from a person seeking coverage from the association in order to aid the association in determining its obligations under this chapter with respect to the person, and the person shall promptly comply with the request; [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

J. Join an organization of one or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the association; [PL 2017, c. 382, §21 (AMD).]

J-1. In accordance with the terms and conditions of the policy or contract, if not otherwise prohibited by applicable law, file for actuarially justified rate or premium increases for any policy or contract for which it provides coverage under this chapter; and [PL 2017, c. 382, §22 (NEW).]

K. Take necessary or appropriate action to discharge its duties and obligations under this chapter or to exercise its powers under this chapter. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

[PL 2017, c. 382, §§20-22 (AMD).]
12. Reinsurance of obligations; election by association. At any time within one year after the date on which the association becomes responsible for the obligations of a member insurer, the association may elect to succeed to the rights and obligations of the member insurer that accrue on or after the coverage date and that relate to contracts covered in whole or in part by the association under any one or more indemnity reinsurance agreements entered into by the member insurer as a ceding insurer and selected by the association. However, the association may not exercise an election with respect to a reinsurance agreement if the receiver, rehabilitator or liquidator of the member insurer has previously and expressly disaffirmed the reinsurance agreement. The election is effected by a notice to the receiver, rehabilitator or liquidator and to the affected reinsurers. If the association makes an election, the following requirements apply with respect to the agreements selected by the association.

A. For contracts covered in whole or in part by the association, the association is responsible for all unpaid premiums due under the agreements for periods both before and after the coverage date and for the performance of all other obligations to be performed after the coverage date. The association may charge contracts covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

B. The association is entitled to any amounts payable by the reinsurer under the agreements with respect to losses or events that occur in periods after the coverage date and that relate to contracts covered by the association in whole or in part, except that, upon receipt of any such amounts, the association is obliged to pay to the beneficiary under the policy or contract on account of which the amounts were paid a portion of the amount equal to the excess of the amount received by the association over the benefits paid by the association on account of the policy or contract less the retention of the impaired or insolvent insurer applicable to the loss or event. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

C. Within 30 days following the association's election, the association and each indemnity reinsurer shall calculate the net balance due to or from the association under each reinsurance agreement as of the date of the association's election, giving full credit to all items paid by either the member insurer or its receiver, rehabilitator or liquidator or the indemnity reinsurer during the period between the coverage date and the date of the association's election. Either the association or indemnity reinsurer shall pay the net balance due the other within 5 days of the completion of the calculation. If the receiver, rehabilitator or liquidator has received any amounts due the association pursuant to paragraph B, the receiver, rehabilitator or liquidator shall remit them to the association as promptly as practicable. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

D. If the association, within 60 days of the election, pays the premiums due for periods both before and after the coverage date that relate to contracts covered by the association in whole or in part, the reinsurer is not entitled to terminate the reinsurance agreements insofar as the agreements relate to contracts covered by the association in whole or in part and is not entitled to set off any unpaid premium due for periods prior to the coverage date against amounts due the association. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

E. In the event the association transfers its obligations to another insurer and if the association and the other insurer agree, the other insurer must succeed to the rights and obligations of the association under this chapter effective as of the date agreed upon by the association and the other insurer and regardless of whether the association has made the election referred to in this subsection, except that:

1. The indemnity reinsurance agreements automatically terminate for new reinsurance unless the indemnity reinsurer and the other insurer agree to the contrary; and

2. The obligations described in this chapter no longer apply on and after the date the indemnity reinsurance agreement is transferred to the 3rd-party insurer.
This paragraph does not apply if the association has previously expressly determined in writing that it will not exercise the election. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

F. This subsection supersedes the provisions of any law of this State or of any affected reinsurer agreement that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the coverage date, to the receiver, liquidator or rehabilitator of an insolvent insurer. The receiver, rehabilitator or liquidator is entitled to any amounts payable by the reinsurer under the reinsurance agreement with respect to losses or events that occur in periods prior to the coverage date subject to applicable set-off provisions. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

G. Except as otherwise expressly provided, this subsection does not alter or modify the terms and conditions of the indemnity reinsurance agreements of an insolvent insurer. This subsection may not be construed to abrogate or limit any rights of any reinsurer to claim that it is entitled to rescind a reinsurance agreement. This subsection may not be construed to give a policy owner, contract owner, enrollee, certificate holder or beneficiary an independent cause of action against an indemnity reinsurer that is not otherwise set forth in the indemnity reinsurance agreement. [PL 2017, c. 382, §23 (AMD).]

13. Discretion. The board of directors of the association has discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this chapter in an economical and efficient manner. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

14. No additional benefits. When the association has arranged or offered to provide the benefits of this chapter to a covered person under a plan or arrangement that fulfills the association's obligations under this chapter, the person is not entitled to benefits from the association in addition to or other than those provided under the plan or arrangement. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

15. Venue. Venue in a suit against the association arising under this chapter is Kennebec County. The association may not be required to give an appeal bond in an appeal that relates to a cause of action arising under this chapter. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

16. Issuance of substitute coverage. In carrying out its duties in connection with guaranteeing, assuming, reissuing or reinsuring policies or contracts under this section, the association may issue substitute coverage for a policy or contract that provides an interest rate, crediting rate or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with this subsection.

A. In lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract must provide for:

(1) A fixed interest rate;

(2) Payment or dividends with minimum guarantees; or

(3) A different method for calculating interest or changes in value. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]

B. There may not be a requirement for evidence of insurability, waiting period or other exclusion that would not have applied under the replaced policy or contract. [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]
C. The alternative policy or contract must be substantially similar to the replaced policy or contract in all other material terms.  [PL 2005, c. 346, §6 (NEW); PL 2005, c. 346, §16 (AFF).]  
[PL 2017, c. 382, §24 (AMD).]

SECTION HISTORY

§4609. Assessments

1. Assessments; collection. For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. Assessments are due not less than 30 days after prior written notice to the member insurers and accrue interest at 10% annually on and after the due date.  
[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

2. Classes of assessments.  
[PL 2005, c. 346, §7 (RP); PL 2005, c. 346, §16 (AFF).]

2-A. Classes of assessments. There are 2 classes of assessments, as set out in this subsection.

A. Class A assessments are authorized and called for the purpose of meeting administrative costs and other general expenses. Class A assessments may be authorized and called whether or not related to a particular impaired or insolvent insurer.  
[PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

B. Class B assessments are authorized and called to the extent necessary to carry out the powers and duties of the association under section 4608 with regard to an impaired or an insolvent insurer.  
[PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

3. Determination of assessments.  
[PL 2005, c. 346, §7 (RP); PL 2005, c. 346, §16 (AFF).]

3-A. Determination of assessments. Assessments must be determined as follows:

A. The amount of any Class A assessment, as described in subsection 2-A, for each account must be determined by the board of directors and may be authorized and called on a pro rata or non-pro rata basis. If pro rata, it must be allocated in the same proportions as a Class B assessment under paragraph C, and the board has the power to credit it against future Class B assessments.  
[PL 2017, c. 382, §25 (AMD).]

B.  
[PL 2017, c. 382, §25 (RP).]

C. Class B assessments, as described in subsection 2-A, must be allocated as follows.

1) Except for assessments related to long-term care insurance that are subject to allocation under subparagraph (2), the amount of the assessment must be allocated among the accounts pursuant to an allocation formula that may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard determined by the board of directors in its sole discretion as being fair and reasonable under the circumstances.

2) The amount of any Class B assessment for liabilities arising out of long-term care insurance written by the impaired or insolvent insurer, if the impairment or insolvency is declared on or after July 1, 2018, must be allocated among the accounts according to a methodology included in the plan of operation and approved by the superintendent. The methodology must provide for 50% of the assessment to be allocated to member insurers that are health insurers and 50% to be allocated to member insurers that are life and annuity insurers.
(3) All Class B assessments must be allocated among member insurers within each account in the proportion that the premiums received by each assessed member insurer, on business in this State covered by the account, bears to premiums received on such business by all assessed member insurers, for the most recent calendar year for which information is available preceding the year in which the insurer became insolvent or, in the case of an assessment with respect to an impaired insurer, preceding the year in which the insurer became impaired.

(4) Health maintenance organizations are not subject to Class B assessments arising out of impairments or insolvencies declared before July 1, 2018. [PL 2017, c. 382, §25 (AMD).]

D. Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer may not be authorized or called until necessary to implement the purposes of this chapter. Classification of assessments under subsection 2-A and computation of assessments under this paragraph must be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. [PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

E. This subsection may not be a factor in determining whether the protection provided by laws for residents of this State by the domiciliary jurisdiction of a foreign or alien insurer is substantially similar to the protection provided by this chapter for residents of other states. [PL 2017, c. 382, §25 (NEW).]

4. Abatement or deferral of assessments. The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board of directors, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the association. The total of all assessments upon a member insurer for each account may not in any one calendar year exceed 2% of the insurer's premiums in this State on the policies covered by the account. [PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

5. Additional assessment for abatements or deferrals. In the event an assessment against a member insurer is abated or deferred, in whole or in part, because of the limitations set forth in subsection 4, the amount by which the assessment is abated or deferred must be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. [PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

6. Refunds. The board of directors may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses if refunds are impractical. [PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

7. Consideration of assessments in determining premium rates and dividends. It is proper for any member insurer in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this chapter, to consider the amount reasonably necessary to meet its assessment obligations under this chapter. [PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

8. Assessment shortfalls. If the maximum assessment, together with the other assets of the association in any account, does not provide in any one year in any one account an amount sufficient to make all necessary payments from that account, the shortfall must be assessed as an obligation of
the other accounts of the association. Each member insurer's assessment must be in the proportion that its premium for the calendar year preceding the assessment on the kinds of insurance in the accounts to be assessed bears to the total premium of all member insurers for the same calendar year on the kinds of insurance in those accounts. The total of assessments against a member insurer for shortfalls under this section and section 4440 in any one calendar year may not exceed 2% of that member insurer's premiums in this State or for policies covered by the account.
[PL 2005, c. 346, §7 (AMD); PL 2005, c. 346, §16 (AFF).]

9. Certificate of contribution. The association shall issue to each insurer paying an assessment under this chapter, other than a Class A assessment, a certificate of contribution, in a form prescribed by the superintendent, for the amount of the assessment so paid. All outstanding certificates are of equal dignity and priority without reference to amounts or dates of issue.
[PL 2005, c. 346, §7 (NEW); PL 2005, c. 346, §16 (AFF).]

SECTION HISTORY

§4610. Plan of operation

1. Establishment of plan. A plan of operation shall be established as follows.

A. The association shall submit to the superintendent a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the superintendent. [PL 1983, c. 846 (NEW).]

B. If the association fails to submit a suitable plan of operation within 180 days following the effective date of this chapter or if at any time thereafter the association fails to submit suitable amendments to the plan, the superintendent shall, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this chapter. These rules shall continue in force until modified by the superintendent or superseded by a plan submitted by the association and approved by the superintendent. [PL 1983, c. 846 (NEW).]
[PL 1983, c. 846 (NEW).]

2. Compliance. All member insurers shall comply with the plan of operation.
[PL 1983, c. 846 (NEW).]

3. Requirements of plan. The plan of operation shall, in addition to requirements enumerated elsewhere in this chapter:

A. Establish procedures for handling the assets of the association; [PL 1983, c. 846 (NEW).]

B. Establish the amount and method of reimbursing members of the board of directors under section 4607; [PL 1983, c. 846 (NEW).]

C. Establish regular places and times for meetings of the board of directors; [PL 1983, c. 846 (NEW).]

D. Establish procedures for records to be kept of all financial transactions of the association, its agents and the board of directors; [PL 1983, c. 846 (NEW).]

E. Establish the procedures whereby selections for the board of directors will be made and submitted to the superintendent; [PL 1983, c. 846 (NEW).]

F. Establish any additional procedures for assessments under section 4609; and [PL 1983, c. 846 (NEW).]
G. Contain additional provisions necessary or proper for the execution of the powers and duties of the association. [PL 1983, c. 846 (NEW).]

4. Delegation of association powers and duties. The plan of operation may provide that any or all powers and duties of the association, except those under section 4608, subsection 11, paragraph C and section 4609, are delegated to a corporation, association or other organization which performs or will perform functions similar to those of this association, or its equivalent, in 2 or more states. Such a corporation, association or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this paragraph shall take effect only with the approval of both the board of directors and the superintendent and may be made only to a corporation, association or organization which extends protection not substantially less favorable and effective than that provided by this chapter.

[PL 1983, c. 846 (NEW).]

SECTION HISTORY
PL 1983, c. 846 (NEW).

§4611. Duties and powers of the superintendent

In addition to the duties and powers enumerated elsewhere in this chapter: [PL 1983, c. 846 (NEW).]

1. Powers and duties. The superintendent shall:

A. Notify the board of directors of the existence of an impaired insurer not later than 3 days after a determination of impairment or insolvency is made or the superintendent has received the notice of impairment or insolvency; [PL 2005, c. 346, §8 (AMD); PL 2005, c. 346, §16 (AFF).]

B. Upon request of the board of directors, provide the association with a statement of the premiums in the appropriate states for each member insurer; [PL 1983, c. 846 (NEW).]

C. When an impairment is determined, as defined in section 4605-A, subsection 10, and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time. Notice to the impaired insurer constitutes notice to its shareholders, if any. The failure of the insurer to promptly comply with the demand does not excuse the association from the performance of its powers and duties under this chapter; and [PL 2005, c. 346, §8 (AMD); PL 2005, c. 346, §16 (AFF).]

D. In any liquidation or rehabilitation proceeding involving a domestic insurer, the superintendent shall be appointed as the liquidator or rehabilitator, pursuant to chapter 57. If a foreign or alien member insurer is subject to a liquidation proceeding in its domiciliary jurisdiction or state of entry other than this State, the superintendent may be appointed conservator or an ancillary receiver. [PL 1983, c. 846 (NEW).]

[PL 2005, c. 346, §8 (AMD); PL 2005, c. 346, §16 (AFF).]

2. Suspension or revocation of certificate of authority. The superintendent may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this State of any member insurer that fails to pay an assessment when due or fails to comply with the plan of operation. In lieu of such suspension or revocation, any member insurer that fails to pay an assessment when due or fails to comply with the plan of operation may be punished by a fine not to exceed the greater of 5% of the unpaid assessment per month or $100 per month. [PL 2017, c. 382, §26 (AMD).]

3. Appeal of actions of board of directors or association. Any final action of the board of directors or the association may be appealed to the superintendent by any member insurer if such appeal
is taken within 30 days of the action being appealed. Any final action or order of the superintendent is subject to judicial review pursuant to chapter 3.

[PL 2005, c. 346, §9 (AMD); PL 2005, c. 346, §16 (AFF).]

4. Notification of interested persons. The liquidator, rehabilitator or conservator of any impaired insurer may notify all interested persons of the effect of this chapter.

[PL 1983, c. 846 (NEW).]

SECTION HISTORY

§4612. Prevention of impairments
(REPEALED)

SECTION HISTORY

§4612-A. Prevention of impairments and insolvencies

To aid in the detection and prevention of insurer impairments and insolvencies, the following provisions apply. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

1. Action by superintendent. The superintendent shall:

A. Notify the insurance commissioners of all the other states, territories of the United States and the District of Columbia, within 30 days following the action taken or the date the action occurs, when the superintendent takes any of the following actions against a member insurer:

   (1) Revokes a license;

   (2) Suspends a license; or

   (3) Makes a formal order that the member insurer restrict its premium writing, obtain additional contributions to surplus, withdraw from the State, reinsure all or any part of its business or increase capital, surplus or any other account for the security of policy owners or creditors. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

B. Report to the board of directors when the superintendent has taken any of the actions set forth in paragraph A or has received a report from any other insurance commissioner indicating that any such action has been taken in another state. The report to the board of directors must contain all significant details of the action taken or the report received from another commissioner. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

C. Report to the board of directors when the superintendent has reasonable cause to believe from an examination, whether completed or in process, of any member insurer that the insurer may be an impaired or insolvent insurer. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

D. Furnish to the board of directors the National Association of Insurance Commissioners Insurance Regulatory Information System ratios and listings of companies not included in the ratios. The board may use the information contained therein in carrying out its duties and responsibilities under this section. The report and the information contained therein must be kept confidential by the board until such time as made public by the superintendent or other lawful authority. [PL 2005, c. 346, §11 (NEW); PL 2005, c. 346, §16 (AFF).]

2. Advice and recommendations. The superintendent may seek the advice and recommendations of the board of directors concerning any matter affecting the duties and responsibilities of the
superintendent regarding the financial condition of member insurers and companies seeking admission to transact insurance or health maintenance organization business in this State. [PL 2017, c. 382, §27 (AMD).]

3. Action by board of directors. The board of directors, upon majority ballot vote, shall:
   A. Notify the superintendent of any information indicating that any member insurer may be impaired or insolvent; [PL 2017, c. 382, §27 (AMD).]
   B. Make reports and recommendations to the superintendent upon any matter germane to the solvency, liquidation, rehabilitation or conservation of any member insurer or germane to the solvency of any company seeking to do insurance or health maintenance organization business in this State. These reports and recommendations must be treated as confidential by the superintendent; and [PL 2017, c. 382, §27 (AMD).]
   C. Make recommendations to the superintendent for the detection and prevention of insolvencies. [PL 2017, c. 382, §27 (AMD).]

SECTION HISTORY

§4614. Miscellaneous provisions

1. Liability for unpaid assessments of insureds of an impaired insurer. Nothing in this chapter may be construed to reduce the liability for unpaid assessments of the insureds of an impaired insurer operating under a plan with assessment liability. [PL 1983, c. 846 (NEW).]

2. Records. Records must be kept of all negotiations and meetings in which the association or its representatives are involved to discuss the activities of the association in carrying out its powers and duties under section 4608. Records of the negotiations or meetings may be made public only upon the termination of a liquidation, rehabilitation or conservation proceeding involving the impaired or insolvent insurer, upon the termination of the impairment of the insurer, or upon the order of a court of competent jurisdiction. Nothing in this subsection limits the duty of the association to render a report of its activities under section 4615. [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

3. Association deemed to be creditor of impaired or insolvent insurer. For the purpose of carrying out its obligations under this chapter, the association is deemed to be a creditor of the impaired insurer to the extent of assets attributable to covered policies reduced by any amounts to which the association is entitled as subrogee pursuant to section 4608, subsection 9. All assets of the impaired insurer attributable to covered policies must be used to continue all covered policies and pay all contractual obligations of the impaired insurer as required by this chapter. Assets attributable to covered policies, as used in this subsection, are to be construed as that proportion of the assets that the reserves that should have been established for these policies bear to the reserve that should have been established for all policies of insurance written by the impaired insurer.
As creditors of the impaired or insolvent insurer, the association and other similar associations are entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this chapter. If the liquidator has not, within 120 days of a final determination of insolvency of an insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the association is entitled to make application to the receivership court for approval of its own proposal to disburse these assets.

[PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

4. Factors considered in distributing assets. In distributing assets, the following factors must be considered.

A. Prior to the termination of any liquidation, rehabilitation or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the association, the shareholders, policy owners, contract owners, certificate holders and enrollees of the impaired or insolvent insurer and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the impaired or insolvent insurer. In such a determination, consideration must be given to the welfare of the policy owners, contract owners, certificate holders and enrollees of the continuing or successor insurer. [PL 2017, c. 382, §28 (AMD).]

B. No distribution to stockholders, if any, of an impaired or insolvent insurer may be made until and unless the total amount of assessments levied by the association with respect to the insurer have been fully recovered by the association. [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

[PL 2017, c. 382, §28 (AMD).]

5. Unfair trade practice.
[PL 2005, c. 346, §12 (RP); PL 2005, c. 346, §16 (AFF).]

6. Recovery procedure; provisions. The recovery procedure must provide that:

A. If an order for liquidation or rehabilitation of an insurer domiciled in this State has been entered, the receiver appointed under that order has a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the 5 years preceding the petition for liquidation or rehabilitation subject to the limitations of paragraphs B to D; [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

B. No distribution may be recoverable if the insurer shows that when paid the distribution was lawful and reasonable and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations; [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

C. Any person who was an affiliate that controlled the insurer at the time the distributions were paid is liable up to the amount of distributions the person received. Any person who was an affiliate that controlled the insurer at the time the distributions were declared is liable up to the amount of distributions the person would have received if they had been paid immediately. If 2 or more persons are liable with respect to the same distributions they are jointly and severally liable; [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

D. The maximum amount recoverable under this section is the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer on a fair and equitable basis; and [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]
E. If any person liable under paragraph C is insolvent, all its affiliates that controlled it at the time the distribution was paid are jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate. [PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

[PL 2005, c. 346, §12 (AMD); PL 2005, c. 346, §16 (AFF).]

SECTION HISTORY
§4620. Prohibited advertisement of association in insurance sales

A person, including a member insurer or an agent or affiliate of a member insurer, may not make, publish, disseminate, circulate or place before the public or cause directly or indirectly to be made, published, disseminated, circulated or placed before the public in any newspaper, magazine or publication or in the form of a notice, circular, pamphlet, letter or poster or over any radio station or television station or in any other way any advertisement, announcement or statement, written or oral, that uses the existence of the association for the purpose of sales, solicitation or inducement to purchases of any form of insurance covered by this chapter. This section does not apply to the Maine Life and Health Insurance Guaranty Association or any other entity that does not sell or solicit insurance or health maintenance organization coverage. [PL 2017, c. 382, §29 (AMD)].

SECTION HISTORY

§4621. Credits for assessments paid; tax offsets

1. Credit allowed. A member insurer may offset against its premium tax liability to this State an assessment described in section 4609, subsection 2-A, paragraph B and for which a certificate under section 4609, subsection 9 is issued, to the extent of 20% of the amount of the assessment for each of the 5 calendar years following the year in which the assessment was paid. In the event a member insurer ceases doing business, all uncredited assessments may be credited against its premium tax liability for the year it ceases doing business. [PL 2005, c. 346, §14 (NEW); PL 2005, c. 346, §16 (AFF).]

2. Refunds. Any sums that are acquired by refund, pursuant to section 4609, subsection 6, from the association by member insurers, and that have been offset against premium taxes as provided in subsection 1, must be recaptured in such manner as required by the State Tax Assessor under Title 36. The association shall notify the superintendent and the State Tax Assessor that refunds have been made. The association also shall provide the State Tax Assessor with a list of all members who were issued refunds and the dates and amounts of such refunds. [PL 2005, c. 346, §14 (NEW); PL 2005, c. 346, §16 (AFF).]

2-A. Insurers not subject to premium tax. A member insurer that is not subject to premium taxation may take the credit allowed under subsection 1 against its income tax liability to this State. A member insurer that is exempt from both premium taxation and income taxation in this State may recoup its assessments by a surcharge on its premiums in an amount reasonably calculated to recoup the assessments over a reasonable period of time, as approved by the superintendent. Amounts recouped are not considered premiums for any other purpose, including medical loss ratio calculations and premium-based assessments. If a member insurer collects excess surcharges, the insurer shall remit the excess amount to the association, and the excess amount must be applied to reduce future assessments in the appropriate account. [PL 2017, c. 382, §30 (NEW).]

3. Application. This section applies to assessments paid to the association by a member insurer on or after January 1, 2005. [PL 2005, c. 346, §14 (NEW); PL 2005, c. 346, §16 (AFF).]

1. Default. No contract of life, noncancellable health, hospital expense or hospital and surgical expense, insurance which goes into effect in this State on or after the 30th day after January 2, 1970 shall lapse during any 30-day period immediately following the inception of a strike by reason of any
default in the payment of any premium during a strike of insurance agents employed by an insurer authorized to transact business in this State, if:

A. The collection of the contract premium was, at commencement of the strike, a duty, charge or obligation of any of such agents, according to the records, books, instructions, practice or organization of the insurer, and [PL 1969, c. 374 (NEW).]

B. Such agents are represented for purposes of collective bargaining by a labor organization which has been so recognized or certified or has been a party to any collective bargaining agreement with the insurer. [PL 1969, c. 374 (NEW).]

[PL 1969, c. 374 (NEW).]

3. Claims. If a claim under any insurance contract covered by this section arises during a 30-day period immediately following the inception of a strike, the insurer may deduct from any amounts payable on account of the claim any premiums which are thus in default. [PL 1969, c. 374 (NEW).]

4. Notice. Within 10 days from the inception of a strike, notice of same containing instructions to make payment of premiums by mail shall be mailed to each affected insured by the insurer. [PL 1969, c. 374 (NEW).]

SECTION HISTORY

   A. All Medicare supplement policies delivered or issued for delivery in this State on or after the effective date of this section; and [PL 1991, c. 740, §2 (NEW).]

[PL 1995, c. 332, Pt. E, §2 (AMD).]

**SECTION HISTORY**

§5002. Standards for policy provisions

(REPEALED)

**SECTION HISTORY**

§5002-A. Standards for policy provisions and authority to adopt rules

1. **Duplicate benefits.** A Medicare supplement policy or certificate in force in the State may not contain benefits that duplicate benefits provided by Medicare. [PL 1991, c. 740, §4 (NEW).]

2. **Standardization.** The superintendent may adopt rules specifying the minimum Medicare supplement contract benefits required in the State and the new and innovative benefits available for sale in the State. All other benefits or options are prohibited in a Medicare supplement contract subject to this chapter. [PL 1993, c. 154, §2 (AMD).]

3. **Preexisting conditions.** Notwithstanding any other provision of law of this State, a Medicare supplement policy or certificate may not exclude or limit benefits for losses incurred more than 6 months from the effective date of coverage because the medical condition involved a preexisting condition. The policy or certificate may not define a preexisting condition more restrictively than as a condition for which medical advice was given or treatment was recommended by or received from a physician within 6 months before the effective date of coverage. [PL 1991, c. 740, §4 (NEW).]

4. **Specific standards.** The superintendent shall adopt rules to establish specific standards for policy provisions of Medicare supplement policies and certificates. These standards must be in addition to and in accordance with applicable laws of this State. No requirement of the insurance laws relating to minimum required policy benefits, other than the minimum standards contained in this chapter, applies to Medicare supplement policies and certificates. The standards may cover, but are not limited to:

   A. Terms of renewability; [PL 1991, c. 740, §4 (NEW).]
   B. Initial and subsequent conditions of eligibility; [PL 1991, c. 740, §4 (NEW).]
   C. Nonduplication of coverage; [PL 1991, c. 740, §4 (NEW).]
   D. Probationary periods; [PL 1991, c. 740, §4 (NEW).]
E. Benefit limitations, exceptions and reductions, which may not be more restrictive than those of Medicare for any type of care covered under the policy; [PL 1991, c. 740, §4 (NEW).]

F. Elimination periods; [PL 1991, c. 740, §4 (NEW).]

G. Requirements for replacement; [PL 1991, c. 740, §4 (NEW).]

H. Recurrent conditions; and [PL 1991, c. 740, §4 (NEW).]

5. **Minimum standards for benefits, claims, marketing, compensation and reporting.** The superintendent shall adopt reasonable rules to establish minimum standards for benefits, claims payment, marketing practices and compensation arrangements and reporting practices for Medicare supplement policies and certificates. [PL 1991, c. 740, §4 (NEW).]

6. **Other policies not prohibited.** Nothing in this section may be construed to prohibit the sale of insurance policies or contracts to persons eligible for Medicare by reason of age because those policies or contracts fail to meet the requirements of this chapter. Such policies may not be advertised, marketed or designed as Medicare supplement policies. [PL 1991, c. 740, §4 (NEW).]

7. **Method of identification.** The superintendent shall prescribe the method of identification of Medicare supplement policies. The superintendent shall prescribe a method of identification of health insurance policies other than Medicare supplement policies or contracts that are advertised, marketed or designed for persons eligible for Medicare by reason of age. That method may include, but is not limited to, a requirement that such policies clearly indicate they are limited benefit health coverage policies and clearly specify that they do not meet the minimum standards for Medicare supplement policies. [PL 1991, c. 740, §4 (NEW).]

8. **Conformance of policies to federal law.** The superintendent may adopt from time to time such reasonable rules as are necessary to conform Medicare supplement policies and certificates to the requirements of federal law and rules adopted pursuant to federal law, including but not limited to:

   A. Requiring refunds or credits if the policies or certificates do not meet loss ratio requirements; [PL 1991, c. 740, §4 (NEW).]

   B. Establishing a uniform methodology for calculating and reporting loss ratios; [PL 1991, c. 740, §4 (NEW).]

   C. Assuring public access to policies, premiums and loss ratio information of issuers of Medicare supplement insurance; [PL 1991, c. 740, §4 (NEW).]

   D. Establishing a process for approving or disapproving policy forms and certificate forms and proposed premium increases; [PL 1991, c. 740, §4 (NEW).]

   E. Establishing a policy for holding public hearings prior to approval of premium increases; and [PL 1991, c. 740, §4 (NEW).]

   F. Establishing standards for Medicare select policies and certificates. [PL 1991, c. 740, §4 (NEW).]

9. **Prohibited policy provisions.** The superintendent may adopt reasonable rules that prohibit policy provisions not specifically authorized by statute that in the opinion of the superintendent are unjust, unfair or unfairly discriminatory to any person insured or proposed to be insured under a Medicare supplement policy or certificate.
§5002-B. Continuity of coverage

1. Persons provided continuity of coverage. This section provides continuity of coverage for a person who has a Medicare supplement policy and seeks coverage under a new Medicare supplement policy with the same or lesser benefits if:

   A. That person, including a person entitled to Medicare benefits due to disability, has been covered under a policy that supplemented benefits under Medicare or has been covered under a Medicare Advantage plan with no gap in coverage greater than 90 days beginning with the person's open enrollment period. A policy supplementing benefits payable under Medicare may include an individual health policy, a group health plan, a Medicare supplement policy or other coverage issued by the same or a different carrier. [PL 2009, c. 244, Pt. A, §1 (AMD).]

   B. [PL 2003, c. 157, §1 (RP).]

   C. [PL 2003, c. 157, §1 (RP).]

2. Prohibition against discontinuity. The insurer shall, for any person described in subsection 1, waive any medical underwriting or preexisting conditions exclusion to the extent that benefits would have been payable under the prior Medicare supplement policy and any earlier Medicare supplement policy if those policies were still in effect. This subsection does not require the succeeding insurer to pay any benefits that are not within the terms of coverage of the succeeding policy solely because they would have been paid by the prior policy. [PL 2003, c. 157, §1 (AMD).]

2-A. Low-cost drugs for the elderly or disabled program. [PL 2013, c. 94, §1 (RP).]

3. Determination of benefits. When a determination of benefits under the prior policy is required, the issuer of the prior policy shall, at the request of the issuer of the succeeding policy, furnish a statement of benefits available or pertinent information sufficient to permit verification of the benefit determination or the determination itself by the issuer of the succeeding policy. For purposes of this section, benefits of the prior policy are determined in accordance with the definitions, conditions and covered expense provisions of that policy rather than those of the succeeding policy. The benefit determination must be made as if coverage had not been replaced. [PL 1999, c. 36, §4 (NEW).]

4. Rulemaking. The superintendent shall adopt rules concerning guaranteed issuance and continuity of Medicare supplement policies for certain eligible persons. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. [PL 1999, c. 36, §4 (NEW).]
§5004. Loss ratio standards

1. Any Medicare supplement policy or contract is subject to the minimum loss ratio standards of section 2413, subsection 1, paragraph F, as well as any other laws of this State as apply to rate filings with respect to health insurance and nonprofit hospital and medical service organizations and nonprofit health care plan contracts.
[PL 1989, c. 27, §4 (NEW).]

2. Medicare supplement policies must return to policyholders benefits that are reasonable in relation to the premium charged. The superintendent shall issue reasonable rules to establish minimum standards for loss ratios of Medicare supplement policies on the basis of incurred claims experience, or incurred health care expenses where coverage is provided by a health maintenance organization on a service rather than reimbursement basis, and earned premiums in accordance with accepted actuarial principles and practices.
[PL 2001, c. 258, Pt. F, §2 (AMD).]

3. [PL 1989, c. 852, §2 (RP); PL 1989, c. 852, §3 (AFF).]

SECTION HISTORY

§5005. Disclosure standards

1. Delivery of outline of coverage. In order to provide for full and fair disclosure in the sale of Medicare supplement policies, no Medicare supplement policy or certificate may be delivered in this State, unless an outline of coverage is delivered to the applicant at the time application is made.
[PL 1991, c. 740, §7 (AMD).]

2. Format; content or outline. The superintendent shall prescribe the format and content of the outline of coverage required by subsection 1. For purposes of this section, "format" means style, arrangements and overall appearance, including such items as the size, color and prominence of type and the arrangement of text and captions. The outline of coverage must include:

   A. A description of the principal benefits and coverage provided in the policy; [PL 1981, c. 234, §4 (NEW).]

   B. [PL 1991, c. 740, §7 (RP).]

   C. A statement of the renewal provisions, including any reservation by the issuer of a right to change premiums; and disclosure of the existence of any automatic renewal premium increases based on the policyholder's age; and [PL 1991, c. 740, §7 (AMD).]

   D. A statement that the outline of coverage is a summary of the policy issued or applied for and that the policy should be consulted to determine governing contractual provisions. [PL 1981, c. 234, §4 (NEW).]
[PL 1991, c. 740, §7 (AMD).]

3. Standard form; contents of informational brochure. The superintendent may prescribe by rule a standard form and the contents of an informational brochure for persons eligible for Medicare, which is intended to improve the buyer's ability to select the most appropriate coverage and improve the buyer's understanding of Medicare. Except in the case of direct response insurance policies, the superintendent may require by regulation that the informational brochure be provided to any prospective insureds eligible for Medicare concurrently with the delivery of the outline of coverage. With respect to direct response insurance policies, the superintendent may require by rule that the prescribed brochure be provided upon request to any prospective insureds eligible for Medicare, but in no event later than the time of policy delivery.
3-A. Captions or notice requirements. The superintendent may adopt rules for captions or notice requirements determined to be in the public interest and designed to inform the prospective insureds that particular insurance coverages are not Medicare supplement coverages for all accident and sickness insurance policies sold to persons eligible for Medicare other than:

A. Medicare supplement policies; or [PL 1995, c. 332, Pt. E, §3 (AMD).]
B. Disability income policies. [PL 1995, c. 332, Pt. E, §3 (AMD).]
C. [PL 1995, c. 332, Pt. E, §3 (RP).]
D. [PL 1995, c. 332, Pt. E, §3 (RP).]

3-B. Application forms; health statements. Additional disclosure is required in applications or enrollment forms employed on or after January 1, 1993.

A. An issuer including health status questions in an application or enrollment form employed during an applicant's open enrollment period shall disclose that coverage in any plan offered by the issuer is guaranteed to be issued and will be provided without regard to health status. [PL 1991, c. 740, §7 (NEW).]

B. An issuer including health status questions in an application or enrollment form shall disclose to applicants enrolling after their open enrollment period, including applicants replacing coverage, that enrollment in standard Medicare Supplement Plan A is guaranteed to be issued during the annual guaranteed issue period and will be provided without regard to health status. [PL 1991, c. 740, §7 (NEW).]

C. Enrollment or application forms employed to effect the replacement of coverage provided by section 5010 must disclose that:

   (1) For all persons, coverage in the standardized Medicare supplement plans that do not contain an outpatient prescription drug benefit is guaranteed to be issued and will be provided without regard to health status and without preexisting conditions exclusions, waiting periods, elimination periods or probationary periods for similar benefits to the extent time was spent under prior coverage; and

   (2) For persons with existing prescription drug coverage, coverage in the standardized Medicare supplement plans that do not contain an outpatient prescription drug benefit greater than that provided by the plan that is in force is guaranteed to be issued and will be provided without regard to health status and without preexisting conditions exclusions, waiting periods, elimination periods or probationary periods for similar benefits to the extent time was spent under prior coverage. §5011. Rating restrictions

1. Community rating. This subsection applies to any policy delivered or issued for delivery on or after January 1, 1993. It also applies, as of the first policy or certificate anniversary on or after January 1, 1993, to policies or certificates delivered or issued for delivery in 1992.

The notice must be either printed on or attached to the first page of the outline of coverage delivered to insureds or, if no outline of coverage is delivered, to the first page of the policy or certificate. The notice must be in no less than 12-point type and must contain the following language:

SECTION HISTORY

§5016. Notification prior to cancellation; restrictions on lapse or termination due to cognitive impairment or functional incapacity

1. Notice of cancellation. An insurer that issues Medicare supplement policies shall provide notification to the insured person and another person, if designated by the insured, prior to cancellation of a Medicare supplement policy for nonpayment of premiums. [PL 2011, c. 123, §4 (NEW); PL 2011, c. 123, §5 (AFF).]

2. Right to reinstatement. Within 90 days after cancellation, termination or lapse of coverage due to nonpayment of premium, a policyholder, a person authorized to act on behalf of the policyholder or a dependent of the policyholder covered under the policy may request reinstatement of the policy on the basis that the loss of coverage was a result of the policyholder's cognitive impairment or functional incapacity. An insurer may require a medical demonstration that the policyholder suffered from cognitive impairment or functional incapacity at the time of cancellation, termination or lapse. If the medical demonstration is waived or substantiates the existence of a cognitive impairment or functional incapacity at the time of policy cancellation to the satisfaction of the insurer, the policy must be reinstated. The medical demonstration may be at the expense of the policyholder.

A policy reinstated pursuant to this subsection must cover any loss or claim occurring from the date of the termination, cancellation or lapse and must be issued without any evidence of insurability. Within 15 days after request from an insurer, a policyholder of a policy reinstated pursuant to this subsection shall pay any unpaid premium from the date of the last premium payment at the rate that would have been in effect had the policy remained in force. If the premium is not paid as required, the policy may not be reinstated and the insurer is not responsible for claims incurred after the initial date of cancellation. If an insurer denies a request for reinstatement, the insurer shall notify the policyholder that the policyholder may request a hearing before the superintendent. [PL 2011, c. 123, §4 (NEW); PL 2011, c. 123, §5 (AFF).]

3. Rules. The superintendent may adopt rules to implement the requirements of this section. Rules adopted pursuant to this subsection must cover any loss or claim occurring from the date of the termination, cancellation or lapse and must be issued without any evidence of insurability. Within 15 days after request from an insurer, a policyholder of a policy reinstated pursuant to this subsection shall pay any unpaid premium from the date of the last premium payment at the rate that would have been in effect had the policy remained in force. If the premium is not paid as required, the policy may not be reinstated and the insurer is not responsible for claims incurred after the initial date of cancellation. If an insurer denies a request for reinstatement, the insurer shall notify the policyholder that the policyholder may request a hearing before the superintendent. **LONG-TERM CARE INSURANCE**

§5071. **Scope**

This chapter applies to long-term care insurance policies or certificates delivered or issued for delivery in this State on or after January 1, 2000, except it does not apply to certificates issued under policies issued in other states to employer groups as described in section 2804 and labor union groups as described in section 2805. This chapter is not intended to supersede the obligations of entities subject to this chapter to comply with the substance of other applicable insurance laws to the extent that these laws are not inconsistent with the requirements of this chapter, except that laws and rules designed and intended to apply to Medicare supplement insurance may not be applied to long-term care insurance. Notwithstanding this chapter, any product advertised, marketed or offered as long-term care insurance is subject to this chapter.  
[PL 1999, c. 292, §2 (NEW).]

**SECTION HISTORY**

**§5073. Extraterritorial jurisdiction; group long-term care insurance**

1. **Groups other than employer, union, trustee and association groups.** A group long-term care insurance policy may not be offered to a resident of this State under a group policy issued in another state to a group other than an employer group as described in section 2804, a labor union group as described in section 2805, a trustee group as described in section 2806 or an association group as described in section 2805-A unless the superintendent has made a determination that the requirements of this chapter have been met. [PL 1999, c. 292, §2 (NEW).]

2. **Trustee groups.** Group long-term care insurance may not be offered to an employee of an employer covered under a group policy issued in another state to a trustee group as described in section 2806 if a plurality of the employer's employees are based in this State unless the superintendent has made a determination that the requirements of this chapter have been met. [PL 1999, c. 292, §2 (NEW).]

3. **Association groups.** The following applies to group long-term care insurance coverage issued to association groups.

   A. Group long-term care insurance coverage may not be offered to a resident of this State under a group policy issued in another state to an association group as described in section 2805-A, other than an association of employers, unless the superintendent has made a determination that the requirements of this chapter have been met. [PL 1999, c. 292, §2 (NEW).]
B. Group long-term care insurance may not be offered to an employee of an employer covered under a group policy issued in another state to an association of employers if a plurality of the employer's employees are based in this State unless the superintendent has made a determination that the requirements of this chapter have been met. [PL 1999, c. 292, §2 (NEW).]

[PL 1999, c. 292, §2 (NEW).]

SECTION HISTORY

§5074. Disclosure standards for long-term care insurance

The following standards apply to disclosures relating to long-term care insurance. [PL 1999, c. 292, §2 (NEW).]

1. Disclosures. The superintendent may adopt rules that include standards for full and fair disclosure setting forth the manner, content and required disclosures for the sale of long-term care insurance policies and certificates; terms of renewability; initial and subsequent conditions of eligibility; nonduplication of coverage provisions; coverage of dependents; preexisting conditions; termination of insurance; continuation or conversion; probationary periods; limitations, exceptions and reductions; elimination periods; requirements for replacement; recurrent conditions; and definitions of terms. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. [PL 1999, c. 292, §2 (NEW).]

2. Outline of coverage. An outline of coverage must be delivered to a prospective applicant for long-term care insurance at the time of initial solicitation through means that prominently direct the attention of the recipient to the document and its purpose. In the case of producer solicitations, an insurance producer shall deliver the outline of coverage prior to the presentation of an application or enrollment form. In the case of direct response solicitations, the outline of coverage must be presented in conjunction with any application or enrollment form. In the case of a policy issued to an employer group as described in section 2804, a labor union group as described in section 2805 or a trustee group as described in section 2806, an outline of coverage is not required to be provided if the information described in this subsection is contained in other materials relating to enrollment that have been filed with and approved by the superintendent. The outline of coverage must be in a standard format, including style, arrangement, overall appearance and content, prescribed by the superintendent and must include the following information:

A. A description of the principal benefits and coverage provided in the policy or certificate; [PL 1999, c. 292, §2 (NEW).]

B. A statement of the principal exclusions, reductions and limitations contained in the policy or certificate; [PL 1999, c. 292, §2 (NEW).]

C. A statement of the terms under which the policy or certificate, or both, may be continued in force or discontinued, including any reservation in the policy of a right to change premium. Continuation or conversion provisions of group coverage must be specifically described; [PL 1999, c. 292, §2 (NEW).]

D. A statement that the outline of coverage is a summary only, not a contract of insurance, and that the policy or group master policy contains governing contractual provisions; [PL 1999, c. 292, §2 (NEW).]

E. A description of the terms under which the policy or certificate may be returned and premium refunded; [PL 1999, c. 292, §2 (NEW).]

F. A statement as to whether the policy or certificate is intended to be qualified for purposes of federal and state individual income taxes; and [PL 1999, c. 292, §2 (NEW).]

3. Qualification for purposes of federal and state individual income taxes. The face page of all long-term care insurance policies and certificates must contain a prominent statement as to whether the policy or certificate is intended to be qualified for purposes of federal and state individual income taxes. [PL 1999, c. 292, §2 (NEW).]

4. Individual life insurance policy that provides long-term care benefits. At the time of policy or certificate delivery, a policy summary must be delivered for an individual life insurance policy that provides long-term care benefits within the policy or by rider. In the case of direct response solicitations, the insurer shall deliver the policy summary upon the applicant's request but, regardless of a request, the insurer shall make such delivery no later than at the time of policy delivery. In addition to complying with all applicable requirements, the summary also must include:

A. An explanation of how the long-term care benefits interact with other components of the policy, including deductions from death benefits; [PL 1999, c. 292, §2 (NEW).]

B. An illustration of the amount of benefits, the length of benefits and the guaranteed lifetime benefits, if any, for each covered person; [PL 1999, c. 292, §2 (NEW).]

C. Any exclusions, reductions and limitations on benefits of long-term care; [PL 1999, c. 292, §2 (NEW).]

D. A statement indicating whether any long-term care inflation protection option required by law is available under this policy; and [PL 1999, c. 292, §2 (NEW).]

E. If applicable to the policy or certificate type, the summary must also include:

   (1) A disclosure of the effects of exercising other rights under the policy;
   (2) A disclosure of guarantees related to long-term care costs of insurance charges; and
   (3) Current and projected maximum lifetime benefits. [PL 1999, c. 292, §2 (NEW).]

The provisions of the policy or certificate summary listed in this subsection may be incorporated into a basic illustration required to be delivered in accordance with the life insurance policy summary that is required to be delivered in accordance with this Title governing life insurance policy summaries or with comparable statutory requirements in any other state. [PL 1999, c. 292, §2 (NEW).]

5. Certificates of group long-term care insurance. A certificate issued pursuant to a group long-term care insurance policy that is delivered or issued for delivery in this State must include:

A. A description of the principal benefits and coverage provided in the policy; [PL 1999, c. 292, §2 (NEW).]

B. A statement of the principal exclusions, reductions and limitations contained in the policy; and [PL 1999, c. 292, §2 (NEW).]

C. A statement that the group master policy determines governing contractual provisions and that the policy is available for viewing in the offices of the policyholder and will be copied for the certificate holder upon request at no cost. [PL 1999, c. 292, §2 (NEW).]

SECTION HISTORY

§5075. Required provisions; prohibitions; loss ratio standards for long-term care insurance
1. **Prohibitions.** A long-term care insurance policy or certificate may not:

A. Be canceled, nonrenewed or otherwise terminated on the grounds of the age or the deterioration of the mental or physical health of the insured individual; [PL 1999, c. 292, §2 (NEW).]

B. Contain a provision establishing a new waiting period in the event existing coverage is converted to or replaced by a new or other form within the same company, except with respect to an increase in benefits voluntarily selected by the insured individual or group policyholder; or [PL 1999, c. 292, §2 (NEW).]

C. Provide coverage for skilled nursing care only or provide significantly more coverage for skilled care in a facility than for lower levels of care. [PL 1999, c. 292, §2 (NEW).]

2. **Preexisting condition.** A long-term care insurance policy or certificate must provide coverage for preexisting conditions in accordance with the following.

A. A policy or certificate may not define "preexisting condition" in a manner that is more restrictive than the following: "Preexisting condition" means a condition for which medical advice or treatment was recommended by or received from a provider of health care services within 6 months preceding the effective date of coverage of an insured person. [PL 1999, c. 292, §2 (NEW).]

B. A policy or certificate may not exclude coverage for a loss or confinement that is the result of a preexisting condition unless such loss or confinement begins within 6 months following the effective date of coverage of an insured person. [PL 1999, c. 292, §2 (NEW).]

C. The definition of "preexisting condition" in paragraph A does not prohibit an insurer from using an application form designed to elicit the complete health history of an applicant and, on the basis of the answers on that application, from underwriting in accordance with that insurer's established underwriting standards. Unless otherwise provided in the policy or certificate, a preexisting condition, regardless of whether it is disclosed on the application, need not be covered until the waiting period described in paragraph B expires. A long-term care insurance policy or certificate may not exclude, or use waivers or riders of any kind to exclude, limit or reduce, coverage or benefits for specifically named or described preexisting diseases or physical conditions beyond the waiting period described in paragraph B. [PL 1999, c. 292, §2 (NEW).]

D. The superintendent may extend the limitation periods set forth in paragraphs A and B with regard to specific age group categories in specific policy forms upon findings that the extension is in the best interest of the public. [PL 1999, c. 292, §2 (NEW).]

3. **Prior hospitalization or institutionalization.** A long-term care insurance policy or certificate that contains provisions regarding prior hospitalization or institutionalization must comply with the following requirements.

A. A long-term care insurance policy or certificate may not be delivered or issued for delivery in this State if the policy:

   1. Conditions eligibility for any benefits on a prior hospitalization requirement;

   2. Conditions eligibility for benefits provided in an institutional care setting on the receipt of a higher level of institutional care; or

   3. Conditions eligibility for any benefits other than waiver of premium, post-confinement, post-acute care or recuperative benefits on a prior institutionalization requirement. [PL 1999, c. 292, §2 (NEW).]

B. A long-term care insurance policy or certificate containing post-confinement, post-acute care or recuperative benefits must clearly label such limitations or conditions, including any required
number of days of confinement, in a separate paragraph of the policy or certificate entitled "Limitations or Conditions on Eligibility for Benefits." [PL 1999, c. 292, §2 (NEW).]

C. A long-term care insurance policy, certificate or rider that conditions eligibility of noninstitutional benefits on the prior receipt of institutional care may not require a prior institutional stay of more than 30 days. [PL 1999, c. 292, §2 (NEW).]

D. The superintendent may adopt rules further restricting the use of prior institutionalization requirements. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. [PL 1999, c. 292, §2 (NEW).]

4. **Free-look provision.** Applicants for long-term care insurance have the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded if, after examination of the policy or certificate, the applicant is not satisfied for any reason. A long-term care insurance policy or certificate must have a notice prominently printed on the first page or attached to the policy or certificate stating in substance that the applicant has the right to return the policy or certificate within 30 days of its delivery and to have the premium refunded if, after examination of the policy or certificate, the applicant is not satisfied for any reason. [PL 1999, c. 292, §2 (NEW).]

5. **Benefit payment status report on long-term care benefits.** Any time a long-term care benefit that is funded through a life insurance policy or certificate by the acceleration of the death benefit is in benefit payment status, a monthly report must be provided to the policyholder or certificate holder. The report must include:
   A. Any long-term care benefits paid out during the month; [PL 1999, c. 292, §2 (NEW).]
   B. An explanation of any changes in the policy, including changes in death benefits or cash values, due to long-term care benefits being paid out; and [PL 1999, c. 292, §2 (NEW).]
   C. The amount of long-term care benefits existing or remaining. [PL 1999, c. 292, §2 (NEW).]

6. **Loss ratios.** The superintendent may adopt rules establishing loss ratio standards for long-term care insurance policies if a specific reference to long-term care insurance policies or certificates is contained in the rules. Any loss ratio standards for employer groups as described in section 2804 and labor union groups as described in section 2805 apply to the group policy and not to certificates. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. [PL 1999, c. 292, §2 (NEW).]

7. **Marketing as long-term care or nursing home insurance.** This chapter applies to any policy, certificate or rider advertised, marketed or offered as long-term care or nursing home insurance. [PL 1999, c. 292, §2 (NEW).]

SECTION HISTORY

§5075-A. Certification by superintendent

1. **Filing of form.** An insurer, nonprofit hospital or medical service organization or nonprofit health care plan may request, at the time it files a policy or contract for approval for issuance or delivery in the State or at any time thereafter, that the superintendent certify the policy or contract as a long-term care insurance policy. [PL 2001, c. 679, §1 (NEW); PL 2001, c. 679, §6 (AFF).]
2. Determination. Within 60 days after receipt of a request for certification, the superintendent shall in writing:

A. Certify that the policy or contract complies with this section; [PL 2001, c. 679, §1 (NEW); PL 2001, c. 679, §6 (AFF).]

B. Deny the request and state the reasons for the denial; or [PL 2001, c. 679, §1 (NEW); PL 2001, c. 679, §6 (AFF).]

C. Notify the insurer, nonprofit hospital or medical service organization or nonprofit health care plan that an insufficient basis exists for determining whether a certification should be made and indicate the nature of the insufficiency. [PL 2001, c. 679, §1 (NEW); PL 2001, c. 679, §6 (AFF).]

3. Standards for compliance. The superintendent shall certify a policy or contract submitted for review under this section as a long-term care insurance policy if the superintendent finds that the policy or contract complies with all the standards applicable to long-term care policies set forth in this chapter and in chapters 27, 33 and 35 and rules adopted pursuant to those chapters by the superintendent. Waivers granted under the rules must be taken into consideration. [PL 2001, c. 679, §1 (NEW); PL 2001, c. 679, §6 (AFF).]

§5076. Incontestability period

1. Policies or certificates in effect for less than 6 months. For a policy or certificate that has been in effect for less than 6 months, an insurer may rescind a long-term care insurance policy or certificate or deny an otherwise valid long-term care insurance claim upon a showing of misrepresentation that was material to the acceptance for coverage. [PL 1999, c. 292, §2 (NEW).]

2. Policies or certificates in effect for more than 6 months but less than 2 years. For a policy or certificate that has been in effect for at least 6 months but less than 2 years, an insurer may rescind a long-term care insurance policy or certificate or deny an otherwise valid long-term care insurance claim upon a showing of misrepresentation that was both material to the acceptance for coverage and that pertains to the condition for which benefits are sought. [PL 1999, c. 292, §2 (NEW).]

3. Policies or certificates in effect for 2 years or more. After a policy or certificate has been in effect for at least 2 years, the policy or certificate may not be contested upon the grounds of misrepresentation alone. The policy or certificate may be contested only upon a showing that the insured knowingly and intentionally misrepresented relevant facts relating to the insured's health. [PL 1999, c. 292, §2 (NEW).]

4. Field-issued policies or certificates. A long-term care insurance policy or certificate may not be field-issued if the compensation to the field issuer is based on the number of policies or certificates issued. For the purposes of this subsection, "field-issued" means a policy or certificate issued by a producer or a 3rd-party administrator pursuant to the underwriting authority granted to the producer or 3rd-party administrator by an insurer using the insurer's underwriting guidelines. [PL 2007, c. 232, §1 (AMD).]

5. Recovery of benefit payments by the insurer. If an insurer has paid benefits under the long-term care insurance policy or certificate, the benefit payments may not be recovered by the insurer if the policy or certificate is rescinded. [PL 1999, c. 292, §2 (NEW).]
6. Death of the insured. Upon the death of the insured, this section does not apply to the remaining death benefit of a life insurance policy that accelerates benefits for long-term care and the remaining death benefits under these policies are governed by sections 2507 and 2615 relating to the incontestability requirements for individual and group life insurance. In all other events, this section applies to life insurance policies that accelerate benefits for long-term care.

[PL 1999, c. 292, §2 (NEW).]

SECTION HISTORY

§5077. Nonforfeiture benefits

1. Offer required. Except as provided in subsection 2, a long-term care insurance policy or certificate may not be delivered or issued for delivery in this State unless the policyholder or certificate holder has been offered the option of purchasing a policy or certificate that includes a nonforfeiture benefit. The offer of a nonforfeiture benefit may be in the form of a rider that is attached to the policy. If the policyholder or certificate holder declines the nonforfeiture benefit, the insurer shall provide a contingent benefit upon lapse that must be made available for a specified period of time following a substantial increase in premium rates.

[PL 1999, c. 292, §2 (NEW).]

2. Group policyholders. When a group long-term care insurance policy is issued, the offer required in subsection 1 must be made to the group policyholder. If the group long-term care insurance policy is issued to a group described in section 2808 other than to a continuing care retirement community or other similar entity, the offer must be made to each proposed certificate holder.

[PL 1999, c. 292, §2 (NEW).]

3. Rules. The superintendent shall adopt rules specifying the type or types of nonforfeiture benefits to be offered as part of long-term care insurance policies and certificates, the standards for nonforfeiture benefits and the standards regarding contingent benefit upon lapse, including a determination of the specified period of time during which a contingent benefit upon lapse is available and the substantial premium rate increase that triggers a contingent benefit upon lapse as described in subsection 1. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.

[PL 1999, c. 292, §2 (NEW).]

SECTION HISTORY

§5078. Rulemaking

The superintendent shall adopt rules to promote premium adequacy, to protect a policyholder and a certificate holder in the event of substantial rate increases and to establish minimum standards for marketing practices, insurance producer compensation, insurance producer education, insurance producer testing, penalties and reporting practices for long-term care insurance. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2007, c. 232, §2 (AMD).]

SECTION HISTORY

§5079. Penalties

In addition to any other penalties provided by this Title or the laws of this State, an insurer or insurance producer that violates any requirement of this chapter or rule adopted pursuant to this chapter relating to the regulation of long-term care insurance or the marketing of such insurance is subject to a
fine of up to the greater of 3 times the amount of commissions paid for each policy involved in the violation or $10,000. [PL 1999, c. 292, §2 (NEW).]

SECTION HISTORY

§5080. Applicability

This chapter applies to long-term care policies and certificates issued or delivered in this State on or after January 1, 2000. Policies and certificates issued prior to January 1, 2000 and remaining in effect on that date are subject to the requirements of chapter 68. Those policies and any certificates issued pursuant to those policies prior to January 1, 2000 continue in effect subsequent to the enactment of this chapter. [PL 1999, c. 292, §2 (NEW).]

All certificates of coverage issued or delivered to residents of this State after January 1, 2000 must meet the requirements of this chapter and any rules adopted pursuant to this chapter, except that long-term care policies or certificates issued pursuant to a provision included in a policy approved in accordance with chapter 68 giving a policyholder or certificate holder a right to purchase or increase coverage at a later date may be issued with benefits consistent with chapter 68 after January 1, 2000. [PL 1999, c. 292, §2 (NEW).]

SECTION HISTORY

§5081. Producer training requirements

1. Training required. An individual may not sell, solicit or negotiate long-term care insurance unless:

   A. The individual is licensed as a life or health insurance producer; [PL 2007, c. 232, §3 (NEW).]

   B. The individual has completed a one-time training course that is no less than 8 hours in length; and [PL 2007, c. 232, §3 (NEW).]

   C. The individual completes ongoing training of no less than 4 hours every 24 months thereafter. [PL 2007, c. 232, §3 (NEW).]

An individual licensed as a life or health insurance provider and who is actively selling, soliciting or negotiating long-term care insurance as of the effective date of this section must complete a one-time training course by July 1, 2008 and ongoing training every 24 months thereafter in order to continue selling, soliciting or negotiating long-term care insurance.

The training required by this subsection must meet the requirements set forth in subsection 2. The training requirements of subsection 2 may be approved as continuing education courses under chapter 16, subchapter 7. [PL 2007, c. 232, §3 (NEW).]

2. Content of training. The one-time training required by this section must consist of topics related to long-term care insurance, long-term care services and, if applicable, qualified state long-term care insurance partnership programs, including, but not limited to:

   A. State and federal regulations and requirements and the relationship between the Long-term Care Partnership Program established in Title 22, section 3174-GG and other public and private coverage of long-term care services, including Medicaid; [PL 2007, c. 232, §3 (NEW).]

   B. Available long-term care services and providers; [PL 2007, c. 232, §3 (NEW).]

   C. Changes or improvements in long-term care services or providers; [PL 2007, c. 232, §3 (NEW).]
D. Alternatives to the purchase of private long-term care insurance; [PL 2007, c. 232, §3 (NEW).]

E. The effect of inflation on benefits and the importance of inflation protection; and [PL 2007, c. 232, §3 (NEW).]

F. Consumer suitability standards and guidelines. [PL 2007, c. 232, §3 (NEW).]

The training required by this section may not include training that is specific to an insurer or company product or that includes any sales or marketing information, materials or training other than that required by state or federal law. [PL 2007, c. 232, §3 (NEW).]

3. Verification. An insurer shall:

A. Obtain verification that a producer has received training required by this section before the producer may sell, solicit or negotiate the insurer's long-term care insurance products; [PL 2007, c. 232, §3 (NEW).]

B. Maintain records of the verification under paragraph A for at least 3 years; and [PL 2007, c. 232, §3 (NEW).]

C. Make verification records available to the superintendent upon request. [PL 2007, c. 232, §3 (NEW).]

[PL 2007, c. 232, §3 (NEW).]

4. Records. An insurer shall maintain records with respect to the training of its producers concerning the distribution of its partnership policies that will allow the superintendent to provide assurance to the Department of Health and Human Services that producers have received the training required by this section and that its producers have demonstrated an understanding of the partnership policies and their relationship to public and private coverage of long-term care, including Medicaid, in this State. The records must be maintained for a period of at least 3 years after each producer has received the training required by this section and must be made available to the superintendent upon request.

[PL 2007, c. 232, §3 (NEW).]

5. Reciprocity. The satisfaction of training requirements in this section in another state is considered to satisfy the training requirements in this section.

[PL 2007, c. 232, §3 (NEW).]

D. "Partnership policy" means a long-term care insurance policy with an effective date of July 1, 2009 or later that is offered with the intent to meet the requirements of the Long-term Care Partnership Program. [PL 2011, c. 198, §1 (NEW).]

E. "Qualified policy" means a long-term care insurance policy that is offered with the intent to meet the requirements of 26 United States Code, Section 7702B(b). [PL 2011, c. 198, §1 (NEW).]

2. Notice. The following provisions apply to an insurer that actively markets a partnership policy in this State on or after the effective date of this section. With respect to an employer group, an insurer shall provide any notice required under this section to the employer that is the policyholder of a qualified policy.

A. An insurer that actively markets partnership policies in this State as of the effective date of this section shall provide notice to an eligible policyholder that purchased a qualified policy during the notice period that the policyholder may be able to participate in the Long-term Care Partnership Program. The insurer shall initiate the exchange process in accordance with subsection 4 within 12 months of the effective date of this section. [PL 2011, c. 198, §1 (NEW).]

B. An insurer that begins to actively market partnership policies in this State after the effective date of this section shall provide notice to an eligible policyholder that purchased a qualified policy during the notice period that the policyholder may be able to participate in the Long-term Care Partnership Program. The insurer shall initiate the exchange process in accordance with subsection 4 within 12 months of the date the insurer begins to market partnership policies in this State. [PL 2011, c. 198, §1 (NEW).]

3. Request for review. In addition to the requirements of subsection 2, at the request of an eligible policyholder of a qualified policy issued prior to the notice period, an insurer that actively markets partnership policies in this State shall review the qualified policy to identify whether the qualified policy meets the requirements of the Long-term Care Partnership Program and take an action described in subsection 4, paragraph A or B. If a request for review under this subsection is made more than 12 months after the effective date of this section, the insurer has no obligation to review the policy. [PL 2011, c. 198, §1 (NEW).]

4. Exchange process. An insurer that actively markets partnership policies in this State shall identify those qualified policies issued during the notice period that currently meet all the requirements of the Long-term Care Partnership Program as specified in Bureau of Insurance Bulletin 368 dated January 22, 2010 for use with the Long-term Care Partnership Program and those that do not meet all of the requirements and:

A. For those qualified policies that currently meet all of the requirements, issue to each policyholder the Important Notice Regarding Your Policy’s Long-term Care Insurance Partnership Status, as prescribed in the Appendix of Bureau of Insurance Bulletin 368 dated January 22, 2010, along with a policy amendment reflecting the effective date of the partnership status; and [PL 2011, c. 198, §1 (NEW).]

B. For those qualified policies that do not meet all of the requirements, notify each policyholder that the policy may be eligible for an exchange to a partnership policy. The insurer shall also notify the policyholder that the exchange is subject to underwriting and that the premium for the new policy is based on the policyholder’s attained age on the date of the exchange. The policyholder has
60 days from the date of the notice to consider this offer. If the policyholder accepts the offer after 60 days, the insurer is not obligated to process an exchange. If the policyholder requests additional coverage, the additional coverage is also subject to underwriting and the premium for the additional coverage must be based on the policyholder's attained age on the date the changes take effect. [PL 2011, c. 198, §1 (NEW).]

5. Individual policyholder no longer receiving benefits. If an individual policyholder is not an eligible policyholder because the policyholder is receiving benefits or is in a waiting period to receive benefits, that individual policyholder has 12 months from the expiration of any waiting period after which the policyholder does not begin to receive benefits or from the expiration of any period when benefits have ended to request a review by an insurer as otherwise provided under subsection 3. [PL 2011, c. 198, §1 (NEW).]

6. Applicability. If an insurer does not actively market both individual and group partnership policies in this State, this section applies to that insurer only with respect to the particular market in which the insurer actively markets partnership policies. [PL 2011, c. 198, §1 (NEW).]

§5083. Payment of claims

1. Notice of claim for benefits; response by insured. Notwithstanding any other provision of this Title, upon receipt of a notice of claim for benefits under a policy or certificate of long-term care insurance delivered or issued for delivery in this State, an insurer, whether actively marketing or renewing long-term care insurance in this State, shall provide the insured a written statement with sufficient detail to permit the insured to understand and respond with the documentation specified in subsection 2. The written statement must be provided by the insurer within 10 business days following receipt of the notice of claim. For purposes of this section, "insured" includes a person designated by the insured as the insured's representative. [PL 2013, c. 278, §2 (NEW).]

2. Documentation. The documentation an insurer may require of an insured for the payment of a claim for benefits under a policy or certificate of long-term care insurance includes, but is not limited to:

   A. A statement from the insured making the claim for benefits; [PL 2013, c. 278, §2 (NEW).]
   B. A signed release permitting the insurer to obtain personal health care information about the insured pursuant to the federal Health Insurance Portability and Accountability Act of 1996; [PL 2013, c. 278, §2 (NEW).]
   C. A statement from the insured's physician, including the appropriate diagnosis and a treatment and care plan for the insured; [PL 2013, c. 278, §2 (NEW).]
   D. A statement from the long-term care provider rendering services to the insured, including an itemized bill for services, the provider's license number and any daily nursing notes; and [PL 2013, c. 278, §2 (NEW).]
   E. A copy of any power of attorney executed by the insured. [PL 2013, c. 278, §2 (NEW).]

Except for information solely in the possession of the insured, the burden is on the insurer to obtain any information other than that described in paragraphs A to E that is reasonably necessary to pay or continue paying the claim. The insured has a continuing obligation to cooperate with the insurer in order for the insurer to obtain needed information. [PL 2013, c. 278, §2 (NEW).]
3. Payment of claim. A claim for payment of benefits under a policy or certificate of long-term care insurance delivered or issued for delivery in this State is payable within 30 days after the documentation and information identified in subsection 2 as reasonably necessary to pay the claim for benefits have been received by the insurer. Within 30 days after receipt of that documentation and information, the insurer shall either pay the claim or issue a written notice to the insured declining to pay all or part of the claim and the specific reason for denial in accordance with this subsection.

   A. An insurer may not extend the time for payment of a claim beyond 30 days after receipt of documentation and information related to a technical issue as designated in rules adopted by the bureau. [PL 2013, c. 278, §2 (NEW).]

   B. Except as provided in paragraph A, an insurer may delay payment of a claim and request additional documentation and information related to a substantive issue as designated in rules adopted by the bureau. [PL 2013, c. 278, §2 (NEW).]

4. Ongoing claim. Except for information solely in the possession of the insured, if, during the course of an ongoing claim for benefits paid on a monthly or recurring basis, the insurer identifies the need for additional reasonable documentation to ensure the insured remains entitled to benefits under the policy or certificate of long-term care insurance, the burden is on the insurer to obtain that information. The insured has a continuing obligation to cooperate with the insurer in order for the insurer to obtain needed information. [PL 2013, c. 278, §2 (NEW).]

5. Appeals of claims denials. An insured who receives a claims denial in accordance with this section has the right to internal appeal and, after exhausting an insurer's internal appeals process, the right to request an external review. The superintendent shall adopt rules to determine the standards for internal appeal and external review in a manner consistent with model legislation adopted by the National Association of Insurance Commissioners, or its successor organization. The written notice to the insured declining to pay all or part of the claim as required by subsection 3 must include a statement informing the insured of the insured's rights to internal appeal and external review and a statement of the insured's right to seek assistance or file a complaint with the bureau and the toll-free telephone number of the bureau. [PL 2013, c. 278, §2 (NEW).]

6. Interest on overdue claim. An undisputed claim that is not paid within 30 days is overdue. If an insurer fails to pay an undisputed claim or any undisputed part of the claim when due, the amount of the overdue claim or part of the claim bears interest at the rate of 1 1/2% per month after the due date. [PL 2013, c. 278, §2 (NEW).]

7. Attorney's fees. Reasonable attorney's fees for advising and representing a claimant on an overdue claim or action for an overdue claim must be paid by the insurer if overdue benefits are recovered in an action against the insurer or if overdue benefits are paid after receipt of notice of the attorney's representation. [PL 2013, c. 278, §2 (NEW).]

8. No limitation on action by insured. This section does not prohibit or limit any claim or action for a claim that the insured has against the insurer. [PL 2013, c. 278, §2 (NEW).]

9. Rules. The superintendent may adopt or amend rules in order to carry out the purposes of this section. Rules adopted pursuant to this section, including amendments to existing rules designated as major substantive, are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2013, c. 278, §2 (NEW).]

1. Completed operations liability. "Completed operations liability" means liability arising out of the installation, maintenance or repair of any product at a site which is not owned or controlled by:
   A. Any person who performs that work; or [PL 1987, c. 481, §3 (NEW).]
   B. Any person who hires an independent contractor to perform that work, but shall include liability for activities which are completed or abandoned before the date of the occurrence giving rise to the liability. [PL 1987, c. 481, §3 (NEW).]
   [PL 1987, c. 481, §3 (NEW).]

2. Domicile. "Domicile," for purposes of determining the state in which a purchasing group is domiciled, means:

   B. For an unincorporated entity, the state of its principal place of business. [PL 1987, c. 481, §3 (NEW).]
   [PL 1987, c. 481, §3 (NEW).]

3. Hazardous financial condition. "Hazardous financial condition" means that, based on its present or reasonably anticipated financial condition, a risk retention group, although not yet financially impaired or insolvent, is unlikely to be able:
   A. To meet obligations to policyholders with respect to known claims and reasonably anticipated claims; or [PL 1987, c. 481, §3 (NEW).]
   B. To pay other obligations in the normal course of business. [PL 1987, c. 481, §3 (NEW).]
   [PL 1987, c. 481, §3 (NEW).]

B. If a mutual company, the sum of its liabilities and required minimum basic surplus exceeds its assets; and [PL 1987, c. 481, §3 (NEW).]

C. If other than a stock or mutual company, the sum of liabilities and any fund balance equal to the amount of basic surplus required of a mutual company exceeds its assets. [PL 1987, c. 481, §3 (NEW).]

   (c) The provider will refund the prospective subscriber's deposit with interest earned on it:
       (i) Within one month of notification of the superintendent's decision not to issue the final certificate of authority;
       (ii) At the request of the prospective subscriber any time 3 years or more after the deposit was paid, if the community has not become operational;
       (iii) If the prospective subscriber requests a refund due to a material difference between the proposed continuing care agreement furnished at the time the deposit is paid and the agreement as finally approved by the superintendent;
       (iv) In the event of the death of the prospective subscriber prior to the execution of the continuing care agreement, unless the surviving spouse is also a prospective subscriber and still wishes to occupy the unit; or
       (v) If the provider determines that the subscriber is ineligible for entrance into the facility because of the subscriber's physical, mental or financial condition;
   (d) The provider will refund the deposit, without interest, if the community becomes operational and the subscriber chooses not to join for any reason other than that listed in division (c) and the refund will be paid on the receipt by the provider of the same percentage deposit of the entrance fee from another subscriber for a residential unit that is the same as or similar to the residential unit to which the cancelled deposit agreement applied;
   (e) There is a nonrefundable application fee and the amount of that fee; and
   (f) The subscriber may cancel the deposit agreement by written notice to the provider within 10 days from the date on which the subscriber signed the deposit agreement, in
which event the provider will refund the prospective subscriber's deposit in full together with any interest earned on the deposit; and

(c) An unsigned copy of the preliminary deposit agreement described in subparagraph (1); and

(d) A copy of the escrow agreement required by paragraph E. [RR 1995, c. 2, §54 (COR)].

C. After the community is operational, the provider may advertise, solicit and collect deposits of not less than 10% of the entrance fee and not to exceed 50% of the entrance fee, provided that:

(1) The provider shall furnish the prospective subscriber a signed deposit agreement stating that:

(a) The provider will refund the deposit, without interest, if the subscriber chooses not to join for any reason other than those listed in division (b), and the refund will be paid on the receipt by the provider of the same percentage deposit of the entrance fee from another subscriber for a residential unit that is the same as or similar to the residential unit to which the cancelled deposit agreement applied;

(b) The provider will refund the deposit with interest earned on it:

(i) In the event of the death of the prospective subscriber prior to the execution of the final continuing care agreement, unless the surviving spouse is also a subscriber and still wishes to occupy the unit; or

(c) There is a nonrefundable application fee and the amount of that fee; and

(d) The subscriber may cancel the deposit agreement by written notice to the provider within 10 days from the date on which the subscriber signed the deposit agreement, in which event the provider will refund the prospective subscriber's deposit in full together with any interest earned on the deposit; and

E. Any deposit must be deposited to an interest-bearing escrow account. The escrow agreement establishing the terms of deposit of funds shall be filed with and approved by the superintendent
prior to collection of funds. The provider shall furnish the superintendent with documentation of
the name of the institution with which the provider has established the escrow account and the
account number. The escrowed money shall not be applied until a final certificate of authority has
been issued, the facility is operational and the subscriber has occupied the unit. When a subscriber's
deposit and interest earned on it are applied, the interest shall be credited to reduce the unpaid
portion of that subscriber's entrance fee. [PL 1987, c. 563, §4 (AMD); PL 1989, c. 343, §13
(AMD); PL 1989, c. 343, §23 (AFF).]

F. Payments in excess of those deposits and fees under paragraphs A to D may be collected from
a subscriber after a final certificate of authority has been issued by the superintendent and the
subscriber has occupied the unit. Payments collected before the facility is operational must be held
in the escrow account until the facility becomes operational. [PL 1987, c. 482, §1 (NEW); PL
1989, c. 343, §14 (RP); PL 1989, c. 343, §23 (AFF).]

G. [PL 1989, c. 343, §15 (NEW); PL 1989, c. 343, §23 (RP).]

H. Notwithstanding paragraph E and section 6203-B, deposits may be released from escrow to a
provider that is organized as a nonprofit corporation subject to Title 13-B, as a consumer
coooporative subject to Title 13, chapter 85, subchapter I or as a cooperative affordable housing
corporation subject to Title 13, chapter 85, subchapter I-A, and any such provider may pledge the
deposits as security for a loan to acquire, construct and develop a facility or may use the deposits
to pay costs to acquire, construct and develop a facility, if:

(1) Either of the following applies:

(a) Deposits for at least 10% of the entrance fee have been received from prospective
subscribers for not less than 70% of the facility's residential units for which entrance fees
will be charged or not less than 70% of the total entrance fees due or expected at full
occupancy and the prospective subscribers have agreed in writing to such use of the
deposits; or

(b) Deposits for at least 25% of the entrance fee have been received from prospective
subscribers for not less than 60% of the facility's residential units for which entrance fees
will be charged or not less than 60% of the total entrance fees due or expected at full
occupancy and the prospective subscribers have agreed in writing to such use of the
deposits;

(2) The superintendent has issued a final certificate of authority to the provider;

(3) The superintendent is satisfied that the provider has demonstrated an ability to finance and
complete construction in a reasonable manner, without limitation, by showing that:

(a) The deposits together with other funds held by or loaned to the provider are reasonably
expected to be sufficient to pay for all costs of construction and equipping of the facility;
and

(b) The provider has obtained or has the benefit of performance and payment bonds with
respect to construction of the facility; and

(4) The superintendent is satisfied that the provider has obtained all necessary governmental
permits and approvals necessary to construct the facility in accordance with all applicable laws,
regulations, building codes and ordinances. [PL 1995, c. 452, §19 (NEW).]

[RR 1995, c. 2, §§54, 55 (COR).]

4. Separate facilities. If the provider intends to provide continuing care at more than one facility,
the provider must obtain a separate certificate of authority for each facility at which the provider intends
to provide continuing care. With the exception of unencumbered surplus funds, funds collected by one
facility may not be expended for the benefit of any other facility.
5. Material changes. Within 60 days prior to any change in the approved continuing care agreement, any other approved form or the health care or supportive services offered, the provider shall submit the proposed change in duplicate to the superintendent for approval. The superintendent shall forward one copy to the department.

6. Provision of services to nonresidents. The final certificate of authority must state whether any skilled nursing facility that is part of a life-care community or a continuing care retirement community may provide services to persons who have not been bona fide residents of the community prior to admission to the skilled nursing facility. If the life-care community or the continuing care retirement community admits to its skilled nursing facility only persons who have been bona fide residents of the community prior to admission to the skilled nursing facility, then the community is exempt from the provisions of Title 22, chapter 103-A, but is subject to the licensing provisions of Title 22, chapter 405, and is entitled to only one skilled nursing facility bed for every 4 residential units in the community. Any community exempted under Title 22, chapter 103-A may admit nonresidents of the community to its skilled nursing facility only during the first 3 years of operation. For purposes of this subsection, a "bona fide resident" means a person who has been a resident of the community for a period of not less than 180 consecutive days immediately preceding admission to the nursing facility or has been a resident of the community for less than 180 consecutive days but who has been medically admitted to the nursing facility resulting from an illness or accident that occurred subsequent to residence in the community. Any community exempted under Title 22, chapter 103-A is not entitled to and may not seek any reimbursement or financial assistance under the MaineCare program from any state or federal agency and, as a consequence, that community must continue to provide nursing facility services to any person who has been admitted to the facility.

Notwithstanding this subsection, a life-care community that holds a final certificate of authority from the superintendent and that was operational on November 18, 2002 and that is barred from seeking reimbursement or financial assistance under the MaineCare program from a state or federal agency may continue to admit nonresidents to its skilled nursing facility after its first 3 years of operation with the approval of the superintendent. A life-care community that admits nonresidents to its skilled nursing facility as permitted under this subsection may continue to admit nonresidents after its first 3 years of operation only for such period as approved by the superintendent after the superintendent's consideration of the financial impact on the life-care community and the impact on the contractual rights of subscribers of the community.

§6203-B. Escrow account

The funds deposited in the escrow account must be kept and maintained in an account separate from the provider's business accounts. [PL 1995, c. 452, §21 (NEW).]

B. An escrow agreement must be entered into between the bank or trust company and the provider of the facility. The agreement must state that its purpose is to protect the subscriber or the prospective subscriber. Upon presentation of evidence to the superintendent of compliance with applicable portions of this chapter, or upon order of a court of competent jurisdiction, the escrow agent shall release and pay over the funds or portions of the funds together with any interest accrued on the funds or earned from investment of the funds to the provider or subscriber as directed. [PL 1995, c. 452, §21 (NEW).]

C. When funds are received from a prospective subscriber, the provider shall deliver to the subscriber a copy of the executed deposit agreement. The deposit agreement must state the payor's name and address, the date, the price of the care agreement and the amount of money paid. A copy of each agreement together with the funds must be deposited with the escrow agent. [PL 1995, c. 452, §21 (NEW).]

D. Checks, drafts and money orders for deposit from prospective subscribers may be made payable only to the escrow agent. At the request of a prospective subscriber of a facility, the escrow agent shall issue a statement indicating the status of the subscriber's portion of the escrow account. [PL 1995, c. 452, §21 (NEW).]

E. All funds deposited in the escrow account remain the property of the subscriber until released to the provider in accordance with this chapter. The funds are not subject to any liens or charges by the escrow agent or judgments, garnishments or creditor's claims against the provider or facility. [PL 1995, c. 452, §21 (NEW).]

F. At the request of either the provider or the superintendent, the escrow agent shall issue a statement indicating the status of an escrow account. [PL 1995, c. 452, §21 (NEW).]

The agreement must be in writing and contain, in addition to any other provisions required by law, a provision by which the escrow agent agrees to abide by the duties imposed under this section. [PL 1995, c. 452, §21 (NEW).]

3. Monthly statement; withdrawal of funds. The agreement must require the escrow agent to furnish the provider with a monthly statement indicating the amount of any disbursements from or deposits to the escrow account and the condition of the account during the monthly period covered by the statement. On or before the 20th day of the month following the month for which the monthly statement is due, the provider shall file with the superintendent a copy of the escrow agent's monthly statement.

The escrow agent or the escrow agent's designee and the provider shall notify the superintendent in writing 10 days before the payment to the provider of any portion of any funds required to be escrowed under the provisions of this chapter. [PL 1995, c. 452, §21 (NEW).]
§6204. Withdrawal plan

Any provider who has obtained a certificate of authority from the superintendent and who plans neither to renew existing agreements nor to offer new agreements shall submit a withdrawal plan to the superintendent at least 60 days prior to implementing its proposed plan. The plan shall include, but not be limited to, requirements and procedures for meeting the provider’s existing contractual obligations, providing security in the event of a subsequent insolvency and meeting any applicable statutory obligations. The plan shall also comply with any further terms and conditions which are prescribed by rules adopted by the superintendent. The plan shall not be implemented without the approval of the superintendent. [RR 2015, c. 2, §16 (COR).]

2. Termination by the subscriber. If, prior to the subscriber occupying a unit or within one year after that date, the subscriber dies and does not have a surviving spouse who is also a subscriber and who still wishes to occupy the unit, or the subscriber elects to terminate the continuing care agreement for any reason, the subscriber or the subscriber's legal representative shall receive within 30 days a refund of all money paid to the provider without interest, except:

§6215. Reserves

(REPEALED)

SECTION HISTORY

§6215-A. Reserves

A provider shall establish and maintain the following reserves: [PL 1995, c. 625, Pt. A, §29 (NEW).]

1. **Mortgage debt.** A liquid amount equal to the aggregate amount of all principal and interest payments due during the fiscal year on any mortgage loan or other long-term financing of the facility, which reserve may be held by a lender, mortgagee or trustee for bondholders in a debt service reserve fund or similar fund, including, without limitation, any reserve fund of the Maine Health and Higher Educational Facilities Authority established pursuant to Title 22, chapter 413; [PL 1995, c. 625, Pt. A, §29 (NEW).]

2. **Operating reserve.** A liquid amount equal to 20% of the total cash operating expenses, other than principal and interest payments on any mortgage loan or other long-term financing of the facility, projected for the forthcoming 12-month period, which reserve may be held by the provider in an operating fund; provided, however, that the percentage of the total cash operating expenses must be increased from 20% to 25% in the case of a provider who offers an extensive health care guarantee. For purposes of this section, "extensive health care guarantee" means a term in a continuing care agreement requiring the provision of health care to the subscriber on a prepaid basis for more than one year; and [PL 1995, c. 625, Pt. A, §29 (NEW).]
3. **Reserve liabilities; actuarial value.** Each provider shall establish and maintain reserve liabilities that place a sound value on the provider's liabilities under its contracts with subscribers. The reserve must equal the excess of the present value of future benefits promised under the continuing care agreement over the present value of future revenues and any other available resources, based on conservative actuarial assumptions. The provider shall provide every 3 years to the superintendent an actuarial valuation or statement of actuarial opinion as to the adequacy of the reserve, signed by a qualified actuary, that, based on reasonable assumptions, the continuing care retirement community's assets, including the present value of estimated future maintenance fees and any other available resources, are at least equal to the present value of estimated future liabilities.

Unless otherwise approved by the superintendent, the actuarial opinion must be based on reasonable assumptions with the following provisions and margins.

A. The liabilities of a continuing care retirement community must include, but not be limited to:

1. An amount equal to the present value of future health care expenses guaranteed pursuant to the continuing care contract; and

2. The liabilities under this section must be calculated for the continuing care retirement community population existing on the valuation date under assumptions that, in the actuary's opinion, fairly represent the expected value of future costs and population decrements adjusted by the margins specified in paragraph B. [PL 1995, c. 625, Pt. A, §29 (NEW).]

B. Margins required to be included in the valuation assumptions to be added to the actuary's best estimate assumptions are as follows.

1. Health care costs per resident or per health care facility bed must be assumed to increase at a rate at least one percentage point higher than the general inflation rate.

2. A mortality margin of 5% must be subtracted from that assumed for active residents and 10% subtracted from those in the health care facilities.

3. A health care utilization margin of 5% must be added to the assumed rates at which residents require permanent transfer to a health care facility.

4. The discount rate used to calculate present values may not be more than 2 1/2 percentage points higher than the rate used in the valuation of long-term life insurance contracts to be issued in the year of valuation in this State.

5. All other assumptions must include margins that are adequate in the opinion of the actuary. [PL 1995, c. 625, Pt. A, §29 (NEW).]

[PL 1995, c. 625, Pt. A, §29 (NEW).]

The superintendent may adopt reasonable rules further defining the standards contained in this section. [PL 1995, c. 625, Pt. A, §29 (NEW).]

Remittance by self-insured physicians or hospitals may be made on their behalf by a self-insurer. The superintendent shall prescribe by rule a method to calculate and collect the assessment from self-insured physicians, hospitals and physicians' employers. [PL 1989, c. 931, §5 (NEW).] [PL 2005, c. 122, §§4, 5 (AMD).]

2. Final evaluation of savings.
[PL 2005, c. 122, §6 (RP).]

3. Assessment rates; program fund balance. For assessment years prior to July 1, 2006, the assessment is 1.25% of premium. For assessment years commencing July 1, 2006 and after, the assessment is 0.75% of premium unless adjusted pursuant to rules adopted in accordance with subsection 4. The assessment rate is intended to result in collections no greater than $500,000 per assessment year. The superintendent shall notify affected parties of any assessment rate adjustment and the effective date of that adjustment.

The program fund balance may be used to pay assistance to qualified eligible physicians in prior years for which there were insufficient funds. If all prior years' eligible qualified physicians have received assistance, any excess funds must be carried forward to subsequent plan years as part of the program fund balance. Excess funds must be applied first to the assessment year commencing July 1, 1998 and then to each successive assessment year.

For the purposes of this section, "program fund balance" means the total funds collected in excess of assistance paid for all years. [PL 2013, c. 170, §1 (AMD).]

4. Establishment of assessment rate by rule. The superintendent may adopt rules pursuant to section 6311 establishing an assessment rate or a methodology for calculating an assessment rate designed to provide an adequate and reliable funding source for the program and allow for the orderly and prudent drawdown of any long-term fund balance in excess of reasonable program needs. The assessment rate may not result in expected collections exceeding $500,000 per assessment year and may not exceed 0.75% of premium unless the program fund balance is $50,000 or less, in which case the assessment rate must be set to a higher rate but may not exceed 1% of premium. [PL 2013, c. 170, §2 (NEW).]

   A. Is licensed to practice medicine in the State; [PL 1989, c. 931, §5 (NEW).]
   B. Accepts and serves Medicaid patients; [PL 1989, c. 931, §5 (NEW).]
C. Provides complete obstetrical care for patients, including prenatal care and delivery, provided
that physicians in an underserved area without a facility for obstetrical delivery are still eligible if
they provide only prenatal care and have referral agreements for delivery with a physician meeting
the requirements of paragraphs A and B; and [PL 1989, c. 931, §5 (NEW).]

D. Practices at least 50% of the time in areas of the State that are underserved areas for obstetrical
and prenatal medical services as determined by the Department of Health and Human Services.
[RR 2015, c. 1, §31 (COR).]

The Commissioner of Health and Human Services shall determine those physicians who meet the
requirements of this subsection. The commissioner shall adopt rules, pursuant to the Maine
Administrative Procedure Act, determining underserved areas with respect to obstetrical and prenatal
care. "Underserved areas" includes medically underserved areas, health manpower shortage areas and
other priority areas determined by the commissioner. The commissioner may adopt rules pursuant to
the Maine Administrative Procedure Act defining the scope of services that must be provided to meet
the requirements of paragraphs B and C and the method of prioritizing underserved areas for purposes
of distribution of the funds authorized by section 6308.
[RR 2015, c. 1, §31 (COR).]

any insurer for any policy year prior to the year that participation in the program is sought is not eligible
to participate.

§6308. Funding of the program

The amount of funds available for the program is determined as follows. [PL 1991, c. 734, §5
(AMD).]

1. Available funds. The amount available for the program for policy years beginning on or after
July 1, 1990, but before July 1, 1991, is 1/2 of the amount of the assessment determined under section
6305 for that year. For policy years beginning on or after July 1, 1991, the Bureau of Insurance shall
determine the amount available, except that the amount may be no less than the assessment determined
for that year.
[PL 1991, c. 734, §5 (AMD).]

2. Determination of participants in the program. The superintendent shall apply the standards
of prioritization adopted by the Commissioner of Health and Human Services to determine the
physicians who are eligible for the program. The funding available for each qualified physician is the
amount equal to the difference between the physician's medical malpractice insurance premiums with
obstetrical care coverage and the physician's premiums without obstetrical care coverage; however, the
funding must be at least $5,000 but may not be more than $15,000 as determined by the superintendent.
Program payments must be made to the individual or entity paying the medical malpractice premium
for the qualified physician.
[PL 2005, c. 122, §9 (AMD).]

SECTION HISTORY

**SECTION HISTORY**

§6403. Applicability

**SECTION HISTORY**

§6404. Minimum standards

1. **Applicability.** This section applies as follows.
   A. This section applies if, in any calendar year, the aggregated amount of gross written premium on business placed with a controlled insurer by a controlling producer is equal to or greater than 5% of the admitted assets of the controlled insurer as of September 30th of the preceding year, as reported in the controlled insurer's quarterly statement. [PL 2017, c. 169, Pt. E, §9 (AMD).]
Title 24-A. MAINE INSURANCE CODE

B. Notwithstanding paragraph A, this section does not apply if:

(1) The controlling producer:
   (a) Places insurance only with the controlled insurer, only with the controlled insurer and a member or members of the controlled insurer's holding company system or only with the controlled insurer's parent, affiliate or subsidiary and receives no compensation based upon the amount of premiums written in connection with such insurance; and
   (b) Accepts insurance placements only from nonaffiliated subproducers and not directly from insureds; and

(2) The controlled insurer, except for insurance business written through a residual market facility such as the workers' compensation residual market mechanism or the State's automobile assigned risk plan, accepts insurance business only from a controlling producer, a producer controlled by the controlled insurer or a producer that is a subsidiary of the controlled insurer. [PL 2017, c. 169, Pt. E, §9 (AMD).]

2. Required contract provisions. A controlled insurer may not accept business from a controlling producer and a controlling producer may not place business with a controlled insurer unless there is a written contract between the controlling producer and the controlled insurer specifying the responsibilities of each party. The contract must be approved by the board of directors of the insurer and must contain the following minimum provisions.

A. The controlled insurer may terminate the contract for cause upon written notice to the controlling producer. The controlled insurer shall suspend the authority of the controlling producer to write business during the pendency of any dispute regarding the cause for the termination. [PL 2017, c. 169, Pt. E, §9 (AMD).]

B. The controlling producer shall render timely accounts to the controlled insurer detailing all material transactions including information necessary to support all commissions, charges and other fees received by or owed to the controlling producer. [PL 2017, c. 169, Pt. E, §9 (AMD).]

C. The controlling producer shall remit all funds due under the terms of the contract to the controlled insurer on at least a monthly basis. The due date must be fixed so that premiums or installments of premiums collected are remitted no later than 90 days after the effective date of any policy placed with the controlled insurer under the contract. [PL 2017, c. 169, Pt. E, §9 (AMD).]

D. All funds collected for the controlled insurer's account must be held in trust by the controlling producer in a fiduciary capacity, in one or more appropriately identified bank accounts in banks that are members of the Federal Reserve System, in accordance with applicable insurance laws. Funds of a controlling producer not licensed in this State must be maintained in compliance with the requirements of the controlling producer's domiciliary jurisdiction. [PL 2017, c. 169, Pt. E, §9 (AMD).]

E. The controlling producer shall maintain separately identifiable records of business written for the controlled insurer. The controlled insurer must have access and may copy all accounts and records related to its business in a form usable by the insurer. The records must be retained according to section 3408. [PL 2017, c. 169, Pt. E, §9 (AMD).]

F. The contract may not be assigned in whole or in part by the controlling producer. [PL 2017, c. 169, Pt. E, §9 (AMD).]

G. The controlled insurer shall provide the controlling producer with its underwriting standards, rules, procedures, rates and conditions, including manuals setting forth the rates to be charged and the conditions for the acceptance or rejection of risks. The controlling producer shall comply with those standards, rules, procedures, rates and conditions, which must be the same as those applicable
to comparable business placed with the controlled insurer by a producer other than the controlling producer. [PL 2017, c. 169, Pt. E, §9 (AMD).]

H. The rates of the controlling producer's commissions, charges and other fees may not be greater than those applicable to comparable business placed with the controlled insurer by producers other than controlling producers. For purposes of this paragraph and paragraph G, examples of "comparable business" include the same lines of insurance, the same kinds of insurance, the same kinds of risks, similar policy limits and similar quality of business. [PL 2017, c. 169, Pt. E, §9 (AMD).]

I. If the contract provides that the controlling producer, on insurance business placed with the insurer, must be compensated contingent upon the insurer's profits on that business, then that compensation may not be determined and paid until at least 5 years after the premiums on liability insurance are earned and at least one year after the premiums are earned on any other insurance. The commissions may not be paid until the adequacy of the controlled insurer's reserves on remaining claims are independently verified pursuant to subsection 3. [PL 2017, c. 169, Pt. E, §9 (AMD).]

J. The controlled insurer shall place a limit on the controlling producer's writings in relation to the controlled insurer's surplus and total writings. The insurer may establish a different limit for each line or subline of business. The controlled insurer shall notify the controlling producer when the applicable limit is approached and may not accept business from the controlling producer if the limit is reached. The controlling producer may not place business with the controlled insurer if notified by the controlled insurer that the limit has been reached. [PL 2017, c. 169, Pt. E, §9 (AMD).]

K. The controlling producer may negotiate but may not bind reinsurance on behalf of the controlled insurer on business the controlling producer places with the controlled insurer, except that the controlling producer may bind facultative reinsurance contracts pursuant to obligatory facultative agreements. All such contracts with the controlled insurer must contain underwriting guidelines including, for reinsurance both assumed and ceded, a list of reinsurers with which the automatic agreements are in effect, the coverages and amounts or percentages that may be reinsured and schedules of the commissions allowed. [PL 2017, c. 169, Pt. E, §9 (AMD).]

3. Audit committee. Every controlled insurer must have an audit committee of the board of directors composed of independent directors. The audit committee shall annually meet with management, the insurer's independent certified public accountants and an independent casualty actuary acceptable to the superintendent to review the adequacy of the insurer's loss reserves. [PL 1991, c. 828, §33 (NEW).]

4. Reporting requirements. A controlled insurer shall make the following reports.

A. In addition to any other required loss reserve certification, by April 1st of each year, the controlled insurer shall file with the superintendent an opinion of an independent casualty actuary acceptable to the superintendent reporting loss ratios for each line of business written and attesting to the adequacy of loss reserves established for losses incurred and outstanding at the preceding year end, including incurred but not reported losses, on business placed by the controlled producer. [PL 2017, c. 169, Pt. E, §9 (AMD).]

B. The controlled insurer shall report annually to the superintendent the amount of commissions paid to the controlling producer, the percentage that amount represents of the net premiums written and comparable amounts and percentage paid to noncontrolling producers for placement of the same kinds of insurance. [PL 2017, c. 169, Pt. E, §9 (AMD).]
§6405. Disclosure

Before the effective date of any policy placed with a controlled insurer by a controlling producer or a controlling producer's subproducer, the controlling producer shall deliver written notice to the prospective insured disclosing the relationship between the producer and the controlled insurer, except that if the business is placed through a subproducer who is not a controlling producer, the controlling producer shall retain and enforce a signed commitment from the subproducer that the subproducer is aware of the relationship between the insurer and the controlling producer and that the subproducer has notified or will notify the insured. [PL 2017, c. 169, Pt. E, §10 (AMD).]

   [PL 2017, c. 169, Pt. E, §11 (RPR).]

2. Civil action by receiver. If an order for liquidation or rehabilitation of a controlled insurer is entered pursuant to chapter 57 and a receiver is appointed, and the receiver has good cause to believe that the controlling producer or any other person has not complied with this chapter or any rule or order made under this chapter and that the insurer suffered any loss or damage because of that noncompliance, the receiver may maintain a civil action for recovery of damages or other appropriate sanctions for the benefit of the insurer.

   [PL 2017, c. 169, Pt. E, §12 (AMD).]

3. Other action. Nothing contained in this section affects the right of the superintendent to impose any penalties or other remedies authorized under section 12-A or other applicable law.

   [PL 2017, c. 169, Pt. E, §13 (AMD).]

4. Other parties. Nothing contained in this section in any manner alters or affects the rights of policyholders, claimants, creditors or other 3rd parties.

[PL 1993, c. 634, Pt. A, §1 (NEW).]

[PL 1993, c. 634, Pt. A, §1 (NEW).]

[PL 1999, c. 113, §26 (AMD).]

4. Review by superintendent. Within 60 days after the submission by an insurer of a risk-based capital plan to the superintendent pursuant to this section, the superintendent shall notify the insurer whether the risk-based capital plan may be implemented or is, in the judgment of the superintendent, unsatisfactory. If the superintendent determines the risk-based capital plan is unsatisfactory, the notification to the insurer must set forth the reasons for the determination and may set forth proposed revisions that will render the risk-based capital plan satisfactory, in the judgment of the superintendent. Upon notification from the superintendent, the insurer shall prepare a revised risk-based capital plan, which may incorporate by reference any revisions proposed by the superintendent, and shall submit the revised risk-based capital plan to the superintendent:

A. Within 45 days after the notification from the superintendent; or [PL 1993, c. 634, Pt. A, §1 (NEW).]

B. If the insurer challenges the notification from the superintendent under section 6457, within 45 days after a notification to the insurer that the superintendent has, after a hearing, rejected the insurer's challenge. [PL 1993, c. 634, Pt. A, §1 (NEW).]

5. Notification that plan is unsatisfactory. In the event of a notification by the superintendent to an insurer that the insurer's risk-based capital plan or revised risk-based capital plan is unsatisfactory, the superintendent may at the superintendent's discretion, subject to the insurer's right to a hearing under section 6457, specify in the notification that the notification constitutes a regulatory action level event. [PL 1993, c. 634, Pt. A, §1 (NEW).]

6. Duty to file copies of plan with other states. A domestic insurer that files a risk-based capital plan or revised risk-based capital plan with the superintendent pursuant to this section shall file a copy of the risk-based capital plan or revised risk-based capital plan with the insurance regulator in any state in which the insurer is authorized to do business if:

A. That state has a risk-based capital provision substantially similar to that required by this chapter; and [PL 1993, c. 634, Pt. A, §1 (NEW).]

B. The insurance regulator of that state has notified the insurer of its request for the filing in writing, in which case the insurer shall file a copy of the risk-based capital plan or revised risk-based capital plan in that state no later than the later of:

SECTION HISTORY

§6454. Regulatory action level event
1. **Regulatory action level event; defined.** "Regulatory action level event" means, with respect to any insurer, any of the following events:

A. The filing of a risk-based capital report by the insurer that indicates that the insurer's total adjusted capital is greater than or equal to its authorized control level risk-based capital but less than its regulatory action level risk-based capital; [PL 1993, c. 634, Pt. A, §1 (NEW).]

B. Provided the insurer does not challenge the adjusted risk-based capital report under section 6457, the notification by the superintendent to an insurer of an adjusted risk-based capital report that indicates the event in paragraph A; [PL 1993, c. 634, Pt. A, §1 (NEW).]

C. If the insurer, under section 6457, challenges an adjusted risk-based capital report that indicates the event in paragraph A, the notification by the superintendent to the insurer that the superintendent has, after a hearing, rejected the insurer's challenge; [PL 1993, c. 634, Pt. A, §1 (NEW).]

D. The failure of the insurer to file a risk-based capital report by the filing date, unless the insurer has provided an explanation for the failure that is satisfactory to the superintendent and has cured the failure within 10 days after the filing date; [PL 1993, c. 634, Pt. A, §1 (NEW).]

E. The failure of the insurer to submit a risk-based capital plan to the superintendent within the time period set forth in section 6453, subsection 3; [PL 1993, c. 634, Pt. A, §1 (NEW).]

   (1) The risk-based capital plan or revised risk-based capital plan submitted by the insurer is, in the judgment of the superintendent, unsatisfactory; and
   
   (2) The superintendent's finding unless vacated or stayed constitutes a regulatory action level event with respect to the insurer; [PL 1999, c. 113, §28 (AMD).]

G. If the insurer, under section 6457, challenges a determination by the superintendent under paragraph F, the notification by the superintendent to the insurer that the superintendent has, after a hearing, rejected that challenge; [PL 1999, c. 634, Pt. A, §1 (NEW).]

H. Provided the insurer has not challenged the determination under section 6457, the notification by the superintendent to the insurer that the insurer has failed to adhere to its risk-based capital plan or revised risk-based capital plan, but only if that failure has a substantial adverse effect on the ability of the insurer to eliminate the company action level event or regulatory action level event in accordance with its risk-based capital plan or revised risk-based capital plan and the superintendent has so stated in the notification; or [PL 1999, c. 113, §28 (AMD).]

I. If the insurer, under section 6457, challenges a determination by the superintendent under paragraph H, the notification by the superintendent to the insurer that the superintendent has, after a hearing, rejected the challenge unless the failure of the insurer to adhere to its risk-based capital plan or revised risk-based capital plan has no substantial adverse effect on the ability of the insurer to eliminate the company action level event or regulatory action level event with respect to the insurer. [PL 1999, c. 113, §28 (AMD).]

2. **Superintendent duties; regulatory action level event.** When a regulatory action level event occurs, the superintendent shall:

C. Subsequent to the examination or analysis, issue a corrective order specifying corrective actions that the superintendent considers necessary. [PL 1993, c. 634, Pt. A, §1 (NEW).]

3. Determination of corrective actions. In determining corrective actions, the superintendent may take into account those factors that the superintendent considers relevant with respect to the insurer based upon the superintendent's examination or analysis of the assets, liabilities and operations of the insurer, including, but not limited to, the results of any sensitivity tests undertaken pursuant to the risk-based capital instructions. The risk-based capital plan or revised risk-based capital plan must be submitted:

A. Within 45 days after the occurrence of the regulatory action level event; [PL 1993, c. 634, Pt. A, §1 (NEW).]

B. If the insurer challenges an adjusted risk-based capital report under section 6457 and the challenge is not, in the judgment of the superintendent, frivolous, within 45 days after the notification to the insurer that the superintendent has, after a hearing, rejected the insurer's challenge; or [PL 1993, c. 634, Pt. A, §1 (NEW).]

C. If the insurer challenges a revised risk-based capital plan under section 6457, within 45 days after notification to the insurer that the superintendent has, after a hearing, rejected the insurer's challenge. [PL 1993, c. 634, Pt. A, §1 (NEW).]

4. Consultants. The superintendent may retain actuaries, investment experts and other consultants as may be necessary in the judgment of the superintendent to review the insurer's risk-based capital plan or revised risk-based capital plan; examine or analyze the assets, liabilities and operations of the insurer; and formulate the corrective order with respect to the insurer. For insurers offering managed care plans as defined in section 4301-A, the analysis of the insurer's operations may include an analysis of its contractual relationships with providers and the ability of the providers to fulfill their contractual obligations. The fees, costs and expenses relating to consultants must be borne by the affected insurer or such other party as directed by the superintendent.

[RR 2001, c. 1, §38 (COR).]

SECTION HISTORY

§6455. Authorized control level event

1. Authorized control level event; defined. "Authorized control level event" means any of the following events:

A. The filing of a risk-based capital report by the insurer that indicates that the insurer's total adjusted capital is greater than or equal to its mandatory control level risk-based capital but less than its authorized control level risk-based capital; [PL 1993, c. 634, Pt. A, §1 (NEW).]

B. Provided the insurer does not challenge the adjusted risk-based capital report under section 6457, the notification by the superintendent to the insurer of an adjusted risk-based capital report that indicates the event in paragraph A; [PL 1993, c. 634, Pt. A, §1 (NEW).]

[PL 1993, c. 634, Pt. A, §1 (NEW).]

2. Superintendent duties; authorized control level event. When an authorized control level event occurs, the superintendent shall:

A. Take those actions that are required under section 6454 regarding an insurer with respect to which a regulatory action level event has occurred; or [PL 1993, c. 634, Pt. A, §1 (NEW).]

B. If the superintendent considers it to be in the best interests of the policyholders and creditors of the insurer and of the public, take those actions that are necessary to cause the insurer to be placed under regulatory control under chapter 57. If the commissioner takes those actions, the authorized control level event is deemed sufficient grounds for the superintendent to take action under chapter 57, and the superintendent has the rights, powers and duties with respect to the insurer as are set forth in chapter 57. If the superintendent takes actions under this paragraph pursuant to an adjusted risk-based capital report, the insurer is entitled to those protections that are afforded to insurers under the provisions of chapter 57, subchapter II pertaining to summary proceedings. [PL 1993, c. 634, Pt. A, §1 (NEW).]

SECTION HISTORY

2. Superintendent duties; mandatory control level event. When a mandatory control level event occurs, the superintendent shall take those actions that are necessary to cause the insurer to be placed under regulatory control under chapter 57 or take alternative action as authorized under paragraphs A and B. If the superintendent takes those actions, the mandatory control level event is deemed sufficient grounds for the superintendent to take action under chapter 57, and the superintendent has the rights, powers and duties with respect to the insurer as are set forth in chapter 57. If the superintendent takes actions pursuant to an adjusted risk-based capital report, the insurer is entitled to those protections that are afforded to insurers under the provisions of chapter 57, subchapter 2 pertaining to summary proceedings.
A. The superintendent may forgo action for up to 90 days after the mandatory control level event if the superintendent finds there is a reasonable expectation that the mandatory control level event may be eliminated within the 90-day period. [PL 2017, c. 169, Pt. F, §1 (NEW).]

B. In the case of a property and casualty insurer that is not authorized to write new business, the superintendent may allow the insurer to continue to run off its existing business under the superintendent's supervision if the superintendent determines that there will be sufficient funds to meet the insurer's obligations as they become due. This paragraph does not apply to health insurers. [PL 2017, c. 169, Pt. F, §1 (NEW).]

SECTION HISTORY

§6457. Hearings

   C. Notification to any insurer by the superintendent that the insurer has failed to adhere to its risk-based capital plan or revised risk-based capital plan and that such failure has a substantial adverse effect on the ability of the insurer to eliminate the company action level event with respect to the insurer in accordance with its risk-based capital plan or revised risk-based capital plan; or [PL 1993, c. 634, Pt. A, §1 (NEW).]

   D. Notification to an insurer by the superintendent of a corrective order with respect to the insurer. [PL 1993, c. 634, Pt. A, §1 (NEW).]

[PL 1993, c. 634, Pt. A, §1 (NEW).]

SECTION HISTORY

§6458. Confidentiality and prohibition on announcements

1. Confidentiality. The following constitute information that might be damaging to the insurer if made available to its competitors and must be kept confidential by the superintendent:

   A. Risk-based capital reports, with respect to any domestic insurer or foreign insurer, that are filed with the superintendent, to the extent that the information in the reports is not required to be set forth in a publicly available annual statement schedule; and [PL 1993, c. 634, Pt. A, §1 (NEW).]

   B. Risk-based capital plans, with respect to any domestic insurer or foreign insurer, that are filed with the superintendent, including the results or report of any examination or analysis of an insurer
performed pursuant to this chapter and any corrective order issued by the superintendent pursuant to the examination or analysis. [PL 1993, c. 634, Pt. A, §1 (NEW).]

The information listed in paragraph A or B may be shared on a confidential basis in accordance with section 216, subsection 5 but may not be made public or be subject to subpoena, other than by the superintendent and then only for the purpose of enforcement actions taken by the superintendent pursuant to this chapter or any other provision of the insurance laws of this State.

[PL 2017, c. 169, Pt. F, §2 (AMD).]

2. Prohibition on dissemination of information regarding risk-based capital levels. Except as otherwise required under this chapter, making, publishing, disseminating, circulating or placing before the public, or causing, directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing an assertion or representation with regard to the risk-based capital levels of any insurer, or of any component derived in the calculation of risk-based capital levels, by any insurer, agent, broker or other person engaged in any manner in the insurance business would be misleading and is prohibited; provided, however, that if any materially false statement with respect to the comparison between an insurer's total adjusted capital to its risk-based capital levels or an inappropriate comparison of any other amount to the insurer's risk-based capital levels is published in any written publication and the insurer is able to demonstrate to the superintendent with substantial proof the falsity of that statement, or the inappropriateness, as the case may be, then the insurer may publish an announcement in a written publication if the sole purpose of the announcement is to rebut the materially false statement.

[PL 1993, c. 634, Pt. A, §1 (NEW).]

3. Prohibition on use in ratemaking. Risk-based capital instructions, risk-based capital reports, adjusted risk-based capital reports, risk-based capital plans and revised risk-based capital plans may not be used by the superintendent for purposes of rate review, considered or used as evidence in any rate proceeding or used by the superintendent to calculate or derive any elements of an appropriate premium level or appropriate rate of return. This subsection does not prohibit the consideration of premium rates and projected or realized rates of return for purposes of company action or regulatory action taken under this chapter.

[PL 2017, c. 169, Pt. F, §3 (NEW).]

SECTION HISTORY

§6459. Supplemental provisions

1. Existing authority supplemented. The provisions of this chapter are supplemental to any other provisions of the laws of this State and do not preclude or limit any other powers or duties of the superintendent under those laws, including, but not limited to, sections 417, 3423 and 3424 and chapter 57.

[PL 1997, c. 81, §9 (NEW).]

2. Rules. The superintendent may adopt rules to carry out the purposes of this chapter. Rules adopted pursuant to this chapter are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.

[PL 1997, c. 81, §9 (NEW).]

3. Exemptions. The superintendent may exempt from the application of this chapter any domestic property and casualty insurer that:

A. Writes business only in the State; [PL 1997, c. 81, §9 (NEW).]
B. Writes direct annual premium of $2,000,000 or less; and [PL 1997, c. 81, §9 (NEW).]
C. Assumes no reinsurance in excess of 5% of direct premium written. [PL 1997, c. 81, §9 (NEW).]

SECTION HISTORY

§6460. Foreign insurers

1. Submission of risk-based capital report. Upon the written request of the superintendent, a foreign insurer shall submit to the superintendent a risk-based capital report as of the end of the previous calendar year by the later of:
   A. The date a risk-based capital report would be required to be filed by a domestic insurer under this chapter; or [PL 1993, c. 634, Pt. A, §1 (NEW).]
   B. Fifteen days after the request is received by the foreign insurer. [PL 1993, c. 634, Pt. A, §1 (NEW).]

At the written request of the superintendent, a foreign insurer shall promptly submit to the superintendent a copy of any risk-based capital plan that is filed with the insurance superintendent of any other state. [PL 1993, c. 634, Pt. A, §1 (NEW).]

2. Risk-based capital plan. When a company action level event, regulatory action level event or authorized control level event with respect to a foreign insurer occurs, as determined under laws governing risk-based capital applicable in the state of domicile of the insurer, or, if no such risk-based capital provision is in force in that state, under the provisions of this chapter, if the insurance superintendent of the state of domicile of the foreign insurer fails to require the foreign insurer to file a risk-based capital plan in the manner specified under the laws governing risk-based capital in that state, or, if no such risk-based capital provision is in force in that state, under this chapter, the superintendent may require the foreign insurer to file a risk-based capital plan with the superintendent. In this event, the failure of the foreign insurer to file a risk-based capital plan with the superintendent is grounds to order the insurer to desist from writing new insurance business in this State. [PL 2017, c. 169, Pt. F, §4 (AMD).]

3. Mandatory control level event. When a mandatory control level event with respect to any foreign insurer occurs, if a domiciliary receiver has not been appointed with respect to the foreign insurer under the rehabilitation and liquidation statute applicable in the state of domicile of the foreign insurer, the superintendent may make application to the Superior Court under chapter 57 with respect to the liquidation of property of foreign insurers in this State, and the occurrence of the mandatory control level event is considered adequate grounds for the application. [PL 1993, c. 634, Pt. A, §1 (NEW).]

SECTION HISTORY

[PL 1993, c. 634, Pt. A, §1 (NEW).]

SECTION HISTORY
CHAPTER 81

MULTIPLE-EMPLOYER WELFARE ARRANGEMENTS

§6601. Definitions

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [PL 1993, c. 688, §1 (NEW).]

1. Declaration of trust. "Declaration of trust" means a joint statement of those participating employers composing a multiple-employer welfare arrangement in which the purposes, plan of administration, rights and duties of the participants and the manner of funding obligations arising under the arrangement are established. [PL 1993, c. 688, §1 (NEW).]

2. Fund balance. "Fund balance" means the total assets in excess of total liabilities, except that assets pledged to secure debts not reflected on the books of the multiple-employer welfare arrangement are not included in the fund balance. "Fund balance" includes other contributed capital, retained earnings and subordinated debt. [PL 1993, c. 688, §1 (NEW).]

3. Funded trust. "Funded trust" means that legal entity created to receive, hold and administer contributions of employers participating in the arrangement that is composed of assets acceptable to the superintendent equal to or in excess of loss reserves and all other liabilities of the arrangement. A trust is not fully funded if any part of the corpus consists of a surety bond. [PL 1993, c. 688, §1 (NEW).]

4. Insolvent or impaired condition. A multiple-employer welfare arrangement is "insolvent" or in an "impaired condition" when the fund balance is in a deficit position. [PL 1993, c. 688, §1 (NEW).]

5. Multiple-employer welfare arrangement. "Multiple-employer welfare arrangement" or "arrangement" means an employer welfare benefit plan or any other arrangement that is established or maintained for the purpose of offering or providing health benefits to the employees of 2 or more employers or to their beneficiaries. For the purposes of this chapter only, an employer welfare benefit plan or any other arrangement that, after April 30, 1996, is established or maintained for the purpose of offering or providing health benefits to employees leased to client companies by an employee leasing company required to be registered under Title 32, chapter 125 must be treated as a multiple-employer welfare arrangement within the meaning of this chapter. "Multiple-employer welfare arrangement" does not include a plan or arrangement established or maintained before January 1, 1993 by the State, a political subdivision of the State or an association composed of political subdivisions of the State primarily to cover its employees, former employees or their dependents, nor does it include a plan or arrangement established or maintained under or pursuant to one or more agreements deemed collective bargaining agreements under the federal Employee Retirement Income Security Act of 1974, Section 3(40)(A)(i), as amended. For purposes of this chapter, 2 or more trades or businesses, whether or not incorporated, are deemed a single employer if those trades or businesses are under common ownership or within the same control group as defined under the federal Employee Retirement Income Security Act of 1974, Section 3(40)(B). For the purposes of this chapter only, each of an employee leasing company's client companies, as defined in Title 32, section 14051, is considered a separate employer as long as it is not deemed a single employer under this subsection. [PL 1995, c. 618, §5 (AMD).]

6. Participation agreement. "Participation agreement" means the document pursuant to which an employer undertakes and agrees to fulfill the obligation of employers imposed by the declaration of trust.
7. **Qualified financial institution.** "Qualified financial institution" means an institution that is organized, or in the case of a United States branch or agency office of a foreign banking organization is licensed under the laws of the United States or any state, and has been granted authority to operate with fiduciary powers and is regulated, supervised and examined by federal or state authorities having regulatory authority over banks and trust companies.

8. **Third-party administrator.** "Third-party administrator" or "administrator" means an administrator licensed pursuant to chapter 18.

§6602. **Scope**

1. **Multiple-employer welfare arrangement; approval required.** A person may not commence operations after January 1, 1995 of a multiple-employer welfare arrangement unless that arrangement is approved by the superintendent. A person may not operate after January 1, 1995 a multiple-employer welfare arrangement in existence before January 1, 1995 unless that arrangement has been submitted for approval in compliance with this chapter.

2. **Insurer authorized to transact health insurance.** This chapter does not apply to a multiple-employer welfare arrangement that offers or provides benefits that are fully insured by an insurer authorized to transact health insurance in the State.

3. **Application.** Section 6608 does not apply to a multiple-employer welfare arrangement that:
   A. Meets the general eligibility requirements of section 6603, subsection 1; [PL 1993, c. 688, §1 (NEW).]
   B. Is administered primarily from a principal place of business located within the State; and [PL 1993, c. 688, §1 (NEW).]
   C. Has provided employee health benefits for a continuous period since on or before January 1, 1984. [PL 1993, c. 688, §1 (NEW).]

4. **Application for approval; filing required.** If a multiple-employer welfare arrangement does not satisfy the requirements of subsection 3, the arrangement shall file with the superintendent within 60 days of the effective date of this subsection a complete application for authorization under section 6604.

C. Must be operated pursuant to a trust agreement by a board of trustees that has complete fiscal control over the arrangement and that is responsible for all operations of the arrangement. The trustees selected must be owners, partners, officers, directors or employees of one or more employers in the arrangement. A trustee may not be an owner, officer or employee of the administrator or service company of the arrangement. The trustees have the authority to approve applications of association members for participation in the arrangement and to contract with a licensed administrator or service company to administer the day-to-day affairs of the arrangement; [PL 2003, c. 374, §1 (AMD).]

[PL 1993, c. 688, §1 (NEW).]

3. Maintenance of specific excess insurance. Each arrangement shall maintain specific excess insurance with a retention level determined in accordance with sound actuarial principles and approved by the superintendent. The superintendent may also require the arrangement to purchase aggregate excess insurance.

   B. To be guilty of or to have pled guilty or no contest in any state or country to a criminal offense for which incarceration for one year or more may be imposed or for which incarceration of one year or more could be imposed had the offense occurred in this State, or that involves moral turpitude, dishonesty, false statement or misappropriation or conversion of property or funds; [PL 1993, c. 688, §1 (NEW).]

§6606. Deficiency in reserves, assets or reinsurance

1. Examination of finances. The superintendent may conduct, upon reasonable notice, an examination to determine the financial condition of an arrangement. For arrangements subject to the requirements of section 6603-A, the examination must be limited to the work of the certified public accountant conducting the annual audit or submitting the quarterly filings required by that section. For all other arrangements, examiners duly qualified by the superintendent may examine the loss reserves, assets, liabilities, excess insurance and working capital of a multiple-employer welfare arrangement. If the superintendent finds that the reserves, excess insurance or assets may be inadequate, or that the arrangement does not have working capital in an amount establishing the financial strength and liquidity of the arrangement to pay claims promptly and showing evidence of the financial ability of the arrangement to meet its obligations to covered employees, the superintendent shall notify the arrangement of the inadequacy. Upon notification, the arrangement shall file within 30 days with the superintendent its written plan specifying remedial action to be taken and the time for implementation of that plan. [PL 1995, c. 618, §10 (AMD).]

2. Correction of deficiency. If the superintendent determines, after reviewing the information filed, that a hazardous financial condition exists, the arrangement shall implement within 30 days its plan to correct any deficiencies and shall file with the superintendent proof of remedial action taken within 60 days. If the superintendent is satisfied that the plan submitted to improve the inadequate condition of the arrangement is sufficient, the superintendent shall notify the arrangement. The arrangement shall report monthly to the superintendent until any deficiencies and their causes have been corrected. [PL 1993, c. 688, §1 (NEW).]

SECTION HISTORY

§6607. Trust deposit or surety bond

If the superintendent determines that a multiple-employer welfare arrangement has failed to establish or maintain the actuarially indicated level of funding as required, the superintendent may require the arrangement to file a security deposit or a surety bond in accordance with this section. [PL 1995, c. 618, §11 (AMD).]

1. Deposit. If required, deposit funds, which may consist of cash, securities or any combination of cash and securities acceptable to the superintendent, must be filed with the superintendent for deposit with the Treasurer of State in an amount equal to the greater of either 25% of the immediately preceding 12 months' health care claims expenditures or 15% of the expected gross annual contributions for the current year. In no case may the amount of the deposit be less than $50,000 or more than $1,000,000 except that the superintendent, after due notice to all interested parties and opportunity for hearing, and after consideration of the records, may prescribe an amount in excess of $1,000,000. All income from deposits belongs to the depositing arrangement and must be paid to it when received. An arrangement that has made a security deposit, subject to approval of the superintendent, may withdraw that deposit or any part of that deposit after making a substitute deposit of cash, securities or any combination of...
cash and securities of equal amount and value. A judgment creditor or other claimant of a multiple-
employer welfare arrangement may not levy upon any of the assets or securities held in this State as a
deposit under this section.
[PL 1993, c. 688, §1 (NEW).]

2. **Surety bond in lieu of deposit.** In lieu of the deposit required under subsection 1, an
arrangement may file with the superintendent a surety bond in like amount. The bond must be one
issued by an authorized surety insurer, must be for the same purpose as the deposit in lieu of which it
is filed and must be in a form prescribed by the superintendent. A bond may not be canceled or subject
to cancellation unless at least 60 days' advance notice of cancellation in writing is filed with the
superintendent and the chair of the trustees.
[PL 1993, c. 688, §1 (NEW).]

3. **Insolvency termination.** In the event of a termination of an arrangement due to insolvency, a
determination of impairment or the failure of the arrangement to pay any final judgment rendered
against it in this State within 30 days after the judgment becomes final, the deposit held by the
superintendent pursuant to subsection 1 or the bond held by the superintendent pursuant to subsection
2 must be applied to the extent of the insolvency or to the extent of any default in payment of benefit
claims. Any deposit funds remaining in excess of the amount needed to make the arrangement solvent
must be distributed in accordance with section 6610.
[PL 1993, c. 688, §1 (NEW).]

**SECTION HISTORY**

§6608. Forms

1. **Approval of forms by superintendent required.** A participation agreement or contract form,

been approved by the superintendent.
[PL 1993, c. 688, §1 (NEW).]

2. **Grounds for disapproval of forms by superintendent.** The superintendent may disapprove a
form filed under this section or withdraw previous approval of a form only if the form:

B. Contains or incorporates by reference inconsistent, ambiguous or misleading clauses or
exceptions and conditions that deceptively affect the risk proposed to be assumed in the general
coverage of the contract; [PL 1993, c. 688, §1 (NEW).]
C. Has any title, heading or other indication of its provisions that is misleading; [PL 1993, c. 688,

form substantially illegible; or [PL 1993, c. 688, §1 (NEW).]

[PL 1993, c. 688, §1 (NEW).]

2. **Contingent assessment liability.** Each employer participant has a contingent assessment liability pursuant to section 6610 for payment of actual losses and expenses incurred while the participation agreement was in force.  
[PL 1993, c. 688, §1 (NEW).]

3. **Statement of contingent liability.** Each participation agreement or contract issued by the arrangement must contain a statement of the contingent liability of employer participants. Both the application for participation and the participation agreement must contain, in contrasting color and not less than 10-point type, the following statement: "This is a fully assessable contract. In the event the arrangement is unable to pay its obligations, participating employers will be required to contribute through an equitable assessment the money necessary to meet any unfulfilled obligations."  
[PL 1993, c. 688, §1 (NEW).]

**SECTION HISTORY**

PL 1993, c. 688, §1 (NEW).

§6610. Termination

If an arrangement is terminated for any reason, the trust may not be dissolved until all outstanding claims, debts and obligations of the arrangement are paid. The arrangement may retain sufficient funds to provide coverage for an additional period as the trustees of the arrangement consider prudent. In addition, the trustees may purchase additional insurance they consider necessary for protection against potential future claims. Any funds remaining in the arrangement after satisfaction of all obligations must be paid to participating employers or covered employees in an equitable manner meeting with the approval of the superintendent, including, without ruling out other alternatives, equally on a per capita basis to each participating employer or employee who is covered under the arrangement as of the effective date of termination. Written notice of the termination of the arrangement must be provided to each covered employee, the Department of Labor, Bureau of Labor Standards and the superintendent at least 10 days before the effective date of the termination.  
[PL 1995, c. 618, §12 (AMD).]

If an arrangement provided by a registered employee leasing company is terminated for any reason, written notice of the termination of the arrangement must be provided by the employee leasing company to each covered employee, the client companies involved, the Department of Labor, Bureau of Labor Standards and the superintendent at least 10 days before the effective date of the termination.  
[PL 1995, c. 618, §12 (NEW).]

**SECTION HISTORY**

§6611. Annual report; actuarial report

1. **Filing required.** Annually within 4 months of the end of the fiscal year or within such extension of time as the superintendent for good cause may grant, every arrangement shall file a report with the superintendent, verified by the oath of the chair of the board of trustees. The report must summarize the business activities of the trust for the immediately preceding year and must contain a financial statement of the arrangement, including its balance sheet and a statement of operations for the preceding year certified by an independent certified public accountant. The report must also include an analysis of the adequacy of reserves and contributions or premiums charged based on a review of past and projected claims and expenses.

B. The background and experience in general and the experience in audits or arrangements of the staff assigned to the engagement and whether each is an independent certified public accountant. C. That the accountant understands the annual audited financial report and the accountant's opinion will be filed in compliance with this requirement and that the accountant knows the superintendent will be relying on this information in the monitoring and regulation of the financial position of the arrangement; [PL 1995, c. 618, §13 (NEW).]

D. That the accountant consents and agrees to make available for review by the superintendent or the superintendent's designee or appointed agent, the accountant's workpapers relating to the arrangement. For purposes of this paragraph, workpapers are the records kept by the accountant of the procedures followed, the tests performed, the information obtained and the conclusions reached pertinent to the accountant's examination of the financial statements of the arrangement. Workpapers may include audit planning documents, work programs, analyses, memoranda, letters of confirmation and representation, abstracts of arrangement documents and schedules or commentaries prepared or obtained by the accounts in the course of the accountant's examination; and [PL 1995, c. 618, §13 (NEW).]

E. A representation that the accountant is properly licensed by an appropriate state licensing authority and that the accountant is a member in good standing in the American Institute of Certified Public Accountants. [PL 1995, c. 618, §13 (NEW).]

2. **Actuarial report.** At least once every 2 years each arrangement must have a report prepared by an actuary who is an associate or fellow of the Society of Actuaries and the American Academy of Actuaries as to the actuarial soundness of the arrangement. After an arrangement has filed 2 actuarial reports pursuant to this subsection, an arrangement may request that the superintendent grant a waiver of the filing requirement to the arrangement. If required, the report must be filed with the superintendent. The report must consist of at least the following:

A. An assessment of the adequacy of contribution rates in meeting the level of benefits provided and changes, if any, needed in the contribution rates to achieve or preserve a level of funding adequate to enable payment of the benefit amounts provided under the arrangement, which must include a valuation of present assets, valued in accordance with insurance accounting precepts, and prospective assets and liabilities of the plan and the extent of unfunded accrued liabilities; [PL 1993, c. 688, §1 (NEW).]

B. A plan and schedule to amortize any unfunded liabilities and a description of actions taken to reduce unfunded liabilities; [PL 1993, c. 688, §1 (NEW).]

C. A description and explanation of actuarial assumptions; [PL 1993, c. 688, §1 (NEW).]

D. A comparative review illustrating the level of funds available to the arrangement from rates, investment income and other sources realized over the period covered by the report indicating the assumptions used; [PL 1993, c. 688, §1 (NEW).]
E. A certification by the actuary that the report is complete and accurate and that in the actuary's opinion the techniques and assumptions used are reasonable, make good and sufficient provision to meet the obligations of the arrangement and meet the requirements and intent of this chapter; and [PL 1993, c. 688, §1 (NEW)].

F. Other factors or statements as may be reasonably required by the superintendent in order to determine the actuarial soundness of the plan. [PL 1993, c. 688, §1 (NEW)].

If any of these documents are in a foreign language, a translation under oath of the translator must accompany these documents. [PL 1997, c. 435, §1 (NEW).]

2. Licensure. Upon payment to the superintendent of the issuance fee set forth in section 601, subsection 1, the domestic captive insurance company is entitled to the necessary or appropriate certificates and licenses to do business in this State and is subject to the authority and jurisdiction of
this State. A captive insurance company redomesticating into this State need not merge, consolidate, transfer assets or otherwise engage in any other reorganization other than as specified in this section. [PL 1997, c. 435, §1 (NEW).]

3. Rights and privileges; liabilities. Upon redomestication in accordance with this section, the foreign or alien captive insurance company becomes a domestic captive insurance company organized under the laws of this State and has all the rights, privileges, immunities and powers and is subject to all applicable laws, duties and liabilities of a domestic captive insurance company of the same type. The domestic captive insurance company possesses all rights that it had prior to the redomestication to the extent permitted by the laws of this State and is responsible and liable for all the liabilities and obligations that it was subject to prior to the redomestication. All outstanding policies of the captive insurance company remain in full force and effect. [PL 1997, c. 435, §1 (NEW).]

SECTION HISTORY

§6717. Redomestication; conversion to foreign insurer

1. Transfer of domicile. A domestic captive insurance company, upon approval by the superintendent, may transfer its domicile to any other jurisdiction in accordance with the laws of that jurisdiction. [PL 1997, c. 435, §1 (NEW).]

2. Notice of intent to transfer required. Before transferring its domicile to any other jurisdiction and before the notice of change in domicile is transmitted to the Secretary of State, the domestic captive insurance company shall deliver to the superintendent a notice of intent to transfer, along with payment of a transfer fee of $500, and shall petition the superintendent to issue a certificate of transfer. [PL 1997, c. 435, §1 (NEW).]

3. Contents of notice. The notice of change in domicile, the certificate of transfer issued by the superintendent, the proof of redomestication and the filing fee of either $35 in the case of a company governed by Title 13-C or $5 in the case of a company governed by Title 13-B must be transmitted to the Secretary of State. The notice of the change in domicile must contain the following:

A. Name of the corporation; [PL 1997, c. 435, §1 (NEW).]

B. Dates that notice of the corporation's intent to transfer domicile from this State was published, once in each of 4 successive weeks in 4 publications in a newspaper of general circulation published in this State; [PL 1997, c. 435, §1 (NEW).]

4. Effect of transfer. Upon any transfer authorized pursuant to this section, the captive insurance company ceases to be domiciled in this State, and its corporate or other legal existence in this State ceases upon the filing of the notice under this section by the Secretary of State. [PL 2009, c. 56, §20 (AMD).]

SECTION HISTORY

§6718. Rules
1. Authority. The superintendent may adopt rules to implement this chapter. Rules adopted pursuant to this subsection are major substantive rules as defined in Title 5, chapter 375, subchapter 2-A.
[PL 2013, c. 238, Pt. E, §5 (NEW).]

2. Risk retention groups. Notwithstanding section 6719, the superintendent shall adopt rules establishing financial standards and corporate governance standards for captive insurance companies that are risk retention groups as defined in section 6093, subsection 13. Such rules may include, but are not limited to, rules making specified provisions of this Title applicable to captive insurance companies that are risk retention groups, subject to any modifications that the superintendent determines to be appropriate to the nature of a risk retention group's business. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
[PL 2013, c. 238, Pt. E, §5 (NEW).]

SECTION HISTORY

§6719. Laws applicable
An insurance law of this State, other than described or referenced in this chapter, does not apply to a captive insurance company. This exclusion must be strictly construed so as to further the public policy in favor of providing alternative means for providing insurance coverage. [PL 2011, c. 90, Pt. I, §8 (AMD).]

SECTION HISTORY

§6720. Fees, taxes and assessments
Except as otherwise specified in this chapter, all fees, taxes and assessments as set out in sections 237, 601 and 602 apply to captive insurers in the same manner as they apply to other insurers. [PL 1997, c. 435, §1 (NEW).]

SECTION HISTORY
PL 1997, c. 435, §1 (NEW).

§6721. Rules for controlled unaffiliated business
The superintendent may adopt rules establishing standards to ensure that a parent or affiliated company is able to exercise control of the risk management function of any controlled unaffiliated business to be insured by a pure captive insurance company. In the absence of any rules, the superintendent may approve the coverage of such risks by a pure captive insurance company upon request. Any rules adopted by the superintendent pursuant to this section are routine technical rules as described in Title 5, chapter 375, subchapter 2-A. [PL 2009, c. 335, §21 (NEW).]

SECTION HISTORY
PL 2009, c. 335, §21 (NEW).

§6722. Conversion to or merger with reciprocal insurer
1. Authority for conversion or merger. A captive insurance company, association captive insurance company or industrial insured captive insurance company formed as a stock or mutual insurer may convert to or merge with a reciprocal insurer with the approval of the superintendent in accordance with a plan of operation and with the requirements of this section. Any plan for conversion or merger must provide a fair and equitable mechanism for purchasing, retiring or otherwise extinguishing the interests of stockholders and policyholders of a stock insurer and the interests of members and
policyholders of a mutual insurer, including a fair and equitable provision for the rights and remedies of dissenting stockholders, members or policyholders.

[PL 2009, c. 335, §22 (NEW).]

2. Conversion. The superintendent may not approve a plan of conversion unless the plan:

A. Provides notice of the opportunity to request a hearing to directors, officers, stockholders, members and policyholders of the captive insurance company. If no request for a hearing is received, the superintendent is not required to hold a hearing in the superintendent's discretion; [PL 2009, c. 335, §22 (NEW).]

B. Provides a fair and equitable plan for the conversion of stockholder, member or policyholder interests into subscriber interests in the resulting reciprocal insurer in a substantially proportionate manner to the corresponding interest in the stock or mutual insurer except that the resulting reciprocal insurer is not precluded from applying underwriting criteria that may affect ongoing ownership interests; [PL 2009, c. 335, §22 (NEW).]

C. In the case of a stock insurer, has been approved by a majority of voting shares represented in person or by proxy at a duly called regular or special meeting at which a quorum is present; and [PL 2009, c. 335, §22 (NEW).]

D. In the case of a mutual insurer, has been approved by a majority of the voting interests of policyholders represented in person or by proxy at a duly called regular or special meeting at which a quorum is present. [PL 2009, c. 335, §22 (NEW).]

The superintendent shall approve a plan of conversion if the superintendent finds that the conversion will promote the general good of the State in conformity with this chapter. If the superintendent approves the plan, the superintendent shall amend the converting insurer's certificate of authority to reflect conversion to a reciprocal insurer and issue the amended certificate of authority to the converting insurer's designated attorney. The conversion is effective upon the issuance of the amended certificate of authority by the superintendent. Upon the conversion, the corporate existence of the converting insurer ceases and the resulting reciprocal insurer shall notify the Secretary of State of the conversion. [PL 2009, c. 335, §22 (NEW).]

3. Merger. A plan of merger may not be approved by the superintendent unless the plan of merger satisfies the same requirements in subsection 2, paragraphs A to D. The superintendent may permit the formation, without surplus, of a captive insurance company organized as a reciprocal insurer into which an existing captive insurance company may be merged for the purpose of facilitation of a transaction under this section except that no more than one authorized insurance company may survive the merger. An alien insurer may be a party to a merger authorized under this section if the requirements of this Title for a merger between a domestic and foreign insurer are met. For the purposes of this section, the alien insurer is treated as a foreign insurer and the jurisdiction of the alien insurer is considered a state. [PL 2009, c. 335, §22 (NEW).]

4. Effect. A conversion or merger pursuant to this section has all of the effects of a conversion or merger approved pursuant to this Title to the extent that such effects are not inconsistent with the provisions of this chapter. [PL 2009, c. 335, §22 (NEW).]

SECTION HISTORY

PL 2009, c. 335, §22 (NEW).

§6724. Sponsored captive insurance companies

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.
A. "Participant" means an entity as described in subsection 6, and any affiliates thereof, that are insured by a sponsored captive insurance company. [PL 2009, c. 335, §23 (NEW).]

B. "Participant contract" means a contract by which a sponsored captive insurance company insures the risks of a participant. [PL 2009, c. 335, §23 (NEW).]

C. "Protected cell" means a separate account established by a sponsored captive insurance company formed or licensed under the provisions of this chapter in which assets are maintained for one or more participants in accordance with the terms of one or more participant contracts to fund the liability of the sponsored captive insurance company assumed on behalf of the participants as set forth in the participant contracts. [PL 2009, c. 335, §23 (NEW).]

D. "Sponsor" means an entity that meets the requirements of subsection 5 and is approved by the superintendent to provide all or part of the capital and surplus required by applicable law and to organize and operate a sponsored captive insurance company. [PL 2009, c. 335, §23 (NEW).]

E. "Sponsored captive insurance company" means a captive insurance company:

1. In which the minimum capital and surplus required by applicable law is provided by one or more sponsors;
2. That is formed or licensed under the provisions of this chapter;
3. That insures the risks only of its participants through separate participant contracts; and
4. That funds its liability to each participant through one or more protected cells and segregates the assets of each protected cell from the assets of other protected cells and from the assets of the sponsored captive insurance company's general account. [PL 2009, c. 335, §23 (NEW).]

2. Formation. One or more sponsors may form a sponsored captive insurance company under this chapter. In addition to the general provisions of this chapter, the provisions of this section apply to sponsored captive insurance companies. A sponsored captive insurance company must be incorporated as a stock insurer with its capital divided into shares and held by the stockholder, as a nonprofit corporation with one or more members or as a limited liability company with a limited liability company agreement approved by the superintendent. [PL 2017, c. 169, Pt. G, §10 (AMD).]

3. Supplemental application materials. In addition to the information required by section 6702, each applicant sponsored captive insurance company shall file with the superintendent the following:

A. Materials demonstrating how the applicant will account for the loss and expense experience of each protected cell at a level of detail found to be sufficient by the superintendent and how it will report the experience to the superintendent; [PL 2009, c. 335, §23 (NEW).]

B. A statement acknowledging that all financial records of the sponsored captive insurance company, including records pertaining to any protected cells, will be made available for inspection or examination by the superintendent or the superintendent's designated agent; [PL 2009, c. 335, §23 (NEW).]

C. All contracts or sample contracts between the sponsored captive insurance company and any participants; and [PL 2009, c. 335, §23 (NEW).]

D. Evidence that expenses will be allocated to each protected cell in a fair and equitable manner. [PL 2009, c. 335, §23 (NEW).]
4. Protected cells. A sponsored captive insurance company formed or licensed under the provisions of this chapter may establish and maintain one or more protected cells to insure risks of one or more participants, subject to the following conditions:

A. The shareholders of a sponsored captive insurance company must be limited to its participants and sponsors, except that a sponsored captive insurance company may issue nonvoting securities to other persons on terms approved by the superintendent; [PL 2009, c. 335, §23 (NEW).]

B. Each participant contract must specify one or more protected cells as the sole source of the participant's coverage and limit the covered losses of the participant to an amount not to exceed the amount recoverable from the assets of the protected cell or cells identified in the contract and shall provide for pro rata distribution if the assets of a cell are insufficient to pay all liabilities to participants. If the sponsored captive insurance company enters into a contract involving more than one protected cell, the rights and obligations relating to each protected cell must be several rather than joint and the contract must make clear provisions for apportionment of the rights and obligations between protected cells; [PL 2017, c. 169, Pt. G, §11 (AMD).]

B-1. A sponsored captive insurance company may only reinsure risks of its participants, and its liability to a ceding insurer must be limited to amounts recoverable from the assets of the protected cell or cells participating in the risks giving rise to the underlying losses in accordance with paragraph B. Any management fees or other unallocated expenses payable to a ceding insurer or its affiliate or contractor must be charged pro rata to the protected cell or cells assuming the reinsurance and may not be a liability of the general account; [PL 2017, c. 169, Pt. G, §12 (NEW).]

C. Each protected cell must be accounted for separately on the books and records of the sponsored captive insurance company to reflect the financial condition and results of operations of each protected cell, net income or loss, dividends or other distributions to participants and such other factors as may be provided in the participant contract or required by the superintendent. All attributions of assets and liabilities between a protected cell and the general account must be in accordance with the plan of operation approved by the superintendent; [PL 2017, c. 169, Pt. G, §13 (AMD).]

D. The assets of a protected cell may not be chargeable with liabilities arising out of any other insurance business the sponsored captive insurance company may conduct; [PL 2009, c. 335, §23 (NEW).]

E. A sale, exchange or other transfer of assets may not be made by a sponsored captive insurance company between or among any of its protected cells without the consent of the protected cells; [PL 2009, c. 335, §23 (NEW).]

F. A sale, exchange, transfer of assets, dividend or distribution may not be made from a protected cell to a sponsor or participant without the superintendent's approval and in no event may approval be given if the sale, exchange, transfer, dividend or distribution would result in insolvency or impairment with respect to a protected cell; [PL 2009, c. 335, §23 (NEW).]

G. Each sponsored captive insurance company must annually file with the superintendent such financial reports as the superintendent requires, which must include, without limitation, accounting statements detailing the financial experience of each protected cell; [PL 2009, c. 335, §23 (NEW).]

H. Each sponsored captive insurance company must notify the superintendent in writing within 10 business days of any protected cell that is insolvent or otherwise unable to meet its claim or expense obligations; [PL 2009, c. 335, §23 (NEW).]

I. A participant contract may not take effect without the superintendent's prior written approval, and the addition of each new protected cell and withdrawal of any participant or termination of any
existing protected cell constitutes a change in the business plan requiring the superintendent's prior written approval; [PL 2009, c. 335, §23 (NEW).]

J. The business written by a sponsored captive insurance company, with respect to each protected cell, must be:

(1) Fronted by a properly licensed insurance company;

(2) Reinsured by a reinsurer authorized or approved by the superintendent; or

(3) Secured by a trust fund in the United States for the benefit of policyholders and claimants or funded by an irrevocable letter of credit or other arrangement that is acceptable to the superintendent. The amount of security provided must be no less than the reserves associated with those liabilities that are neither fronted nor reinsured, including reserves for losses, allocated loss adjustment expenses, incurred but not reported losses and unearned premiums for business written through the participant's protected cell. The superintendent may require the sponsored captive insurance company to increase the funding of any security arrangement established under this subparagraph. If the form of security is a letter of credit, the letter of credit must be established, issued or confirmed by a bank chartered in this State or a member of the Federal Reserve System and established in a form and upon such terms approved by the superintendent; [PL 2009, c. 335, §23 (NEW).]

K. In any action or proceeding involving the potential for monetary recovery by or against a sponsored captive insurance company or for nonmonetary relief relating to a particular protected cell or cells, any process, pleading or order must name the specific protected cell or cells affected, including if applicable the general account; and [PL 2009, c. 335, §23 (NEW).]

L. A sponsored captive insurance company shall notify the superintendent in writing within 10 business days after the company or any protected cell becomes impaired or insolvent. [PL 2017, c. 169, Pt. G, §14 (AMD).]

5. Qualification of sponsors. A sponsor of a sponsored captive insurance company must be an insurer licensed under the laws of any state, a reinsurer authorized or approved under the laws of any state, a captive insurance company formed or licensed under this chapter, a broker-dealer licensed pursuant to the Maine Uniform Securities Act, a financial institution or financial institution holding company authorized under Title 9-B, including any affiliate or subsidiary of such financial institution holding company, or any other person approved by the superintendent in the exercise of the superintendent's discretion after finding that the approval of a person as a sponsor is not inconsistent with the purposes of this chapter. A risk retention group authorized pursuant to chapter 72-A may not be either a sponsor or a participant of a sponsored captive insurance company. [PL 2009, c. 335, §23 (NEW).]

6. Participants in sponsored captive insurance companies. The following may be participants in a sponsored captive insurance company:

A. Associations, corporations, limited liability companies, partnerships, trusts and other business entities may be participants in any sponsored captive insurance company formed or licensed under this chapter; [PL 2009, c. 335, §23 (NEW).]

B. A sponsor may be a participant in a sponsored captive insurance company; [PL 2009, c. 335, §23 (NEW).]

C. A participant need not be a shareholder of the sponsored captive insurance company or any affiliate thereof; and [PL 2009, c. 335, §23 (NEW).]

D. A participant may insure only its own risks through a sponsored captive insurance company. [PL 2009, c. 335, §23 (NEW).]
7. **Investments by sponsored captive insurance companies.** Notwithstanding the provisions of subsection 5, the assets of 2 or more protected cells may be combined for purposes of investment, and such a combination may not be construed as defeating the segregation of assets for accounting or other purposes. Sponsored captive insurance companies shall comply with the investment requirements contained in this Title, as applicable, except that compliance with such investment requirements must be waived for sponsored captive insurance companies to the extent that credit for reinsurance ceded to reinsurers is allowed pursuant to section 6711 or to the extent otherwise considered reasonable and appropriate by the superintendent. Section 6707 applies to sponsored captive insurance companies except to the extent it is inconsistent with approved accounting standards in use by the company. Notwithstanding any other provision of this Title, the superintendent may approve the use of alternative reliable methods of valuation and rating.

[PL 2009, c. 335, §23 (NEW).]

8. **Delinquency of sponsored captive insurance companies or protected cells.** In the case of a sponsored captive insurance company, the provisions of section 6714 apply, except as otherwise provided in this subsection.

A. The insolvency of one protected cell does not constitute the insolvency of any other protected cell or of the sponsored captive insurance company itself. The insolvency of a sponsored captive insurance company does not constitute the insolvency of any of its solvent protected cells and is not a basis for the receivership of any solvent protected cell capable of independent operation. [PL 2009, c. 335, §23 (NEW).]

B. Notwithstanding the insolvency of the sponsored captive insurance company or of any other protected cell, the obligations attributed to any solvent protected cell must continue to be paid as they become due. [PL 2009, c. 335, §23 (NEW).]

C. The assets attributed to a protected cell may not be applied to the liabilities attributed to another protected cell or to the sponsored captive insurance company generally, except that:

   1. If the insolvency of the sponsored captive insurance company renders a protected cell incapable of being managed independently, a receiver may, after consultation with the creditors of a protected cell, contract for the management of the protected cell and charge to the protected cell a reasonable amount for those services;

   2. A general liability of an insolvent sponsored captive insurance company may be apportioned equitably in whole or in part to one or more of its protected cells if the Superior Court determines that the liability arises out of the operations of the protected cell or cells and that the interests of innocent creditors of the protected cell or cells are not unreasonably impaired; and

   3. If assets or liabilities have been commingled, or have been wrongfully transferred between protected cells or between a protected cell and the general account, the Superior Court shall trace the assets and attribute them to the proper accounts, giving due consideration to the terms of any relevant governing instrument or contract. [PL 2009, c. 335, §23 (NEW).]

D. The plan of rehabilitation or liquidation of any sponsored captive insurance company must make reasonable provision for the continued operation of all solvent protected cells, which may involve the formation of one or more new sponsored captive insurance companies or the transfer of one or more protected cells. [PL 2009, c. 335, §23 (NEW).]

[PL 2009, c. 335, §23 (NEW).]

§6725. Branch captive insurance companies

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Alien captive insurance company" means an insurance company formed to write insurance business for its parent and affiliates and licensed pursuant to the laws of an alien jurisdiction that imposes statutory or regulatory standards in a form acceptable to the superintendent on companies transacting the business of insurance in the alien jurisdiction. [PL 2009, c. 335, §24 (NEW).]

B. "Branch business" means any insurance business transacted by a branch captive insurance company in this State. [PL 2009, c. 335, §24 (NEW).]

C. "Branch captive insurance company" means any alien captive insurance company licensed by the superintendent to transact the business of insurance in this State through a business unit with a principal place of business in this State. [PL 2009, c. 335, §24 (NEW).]

D. "Branch operations" means any business operations of a branch captive insurance company in this State. [PL 2009, c. 335, §24 (NEW).]

2. Establishment of a branch captive insurance company. A branch captive insurance company may be established in this State in accordance with the provisions of this chapter to write in this State only insurance or reinsurance of the employee benefit business of its parent and affiliated companies that is subject to the provisions of the federal Employee Retirement Income Security Act of 1974, as amended. In addition to the general provisions of this chapter, the provisions of this section apply to branch captive insurance companies. A branch captive insurance company may not do any insurance business in this State unless it maintains the principal place of business for its branch operations in this State. [PL 2009, c. 335, §24 (NEW).]

3. Security required. In the case of a branch captive insurance company, as security for the payment of liabilities attributable to the branch operations, the superintendent shall require that either a trust fund funded by assets acceptable to the superintendent or an irrevocable letter of credit be established and maintained in the United States for the benefit of United States policyholders and United States ceding insurers under insurance policies issued or reinsurance contracts issued or assumed by the branch captive insurance company through its branch operations. The amount of the security may be no less than the amount set forth in section 6704, subsection 1, paragraph A and the reserves on the insurance policies or reinsurance contracts, including reserves for losses, allocated loss adjustment expenses, incurred but not reported losses and unearned premiums with regard to business written through the branch operation, except that the superintendent may permit a branch captive insurance company that is required to post security for loss reserves on branch business by its reinsurer to reduce the funds in the trust account or the amount payable under the irrevocable letter of credit required by this subsection by the same amount as long as the security remains posted with the reinsurer. If the form of security selected is a letter of credit, the letter of credit must be established by, or issued or confirmed by, a bank chartered in this State or a member bank of the Federal Reserve System. [PL 2009, c. 335, §24 (NEW).]

4. Certificate of general good. In the case of a captive insurance company licensed as a branch captive insurance company, the alien captive insurance company shall petition the superintendent to issue a certificate setting forth the superintendent's finding that, after considering the character, reputation, financial responsibility, insurance experience and business qualifications of the officers and directors of the alien captive insurance company, the licensing and maintenance of the branch operations will promote the general good of the State. The alien captive insurance company may register to do business in this State after the superintendent's certificate is issued. [PL 2009, c. 335, §24 (NEW).]
5. Reports. Prior to March 1st of each year, or with the approval of the superintendent within 60 days after its fiscal year-end, a branch captive insurance company shall file with the superintendent a copy of all reports and statements required to be filed under the laws of the jurisdiction in which the alien captive insurance company is formed, verified by oath of 2 of its executive officers. If the superintendent is satisfied that the annual report filed by the alien captive insurance company in its domiciliary jurisdiction provides adequate information concerning the financial condition of the alien captive insurance company, the superintendent may waive the requirement for completion of the captive annual statement for business written in the alien jurisdiction.

[PL 2009, c. 335, §24 (NEW).]

6. Examination of branch captive insurance companies. The examination of a branch captive insurance company pursuant to section 6708 must be of the branch business and branch operations only, as long as the branch captive insurance company provides annually to the superintendent a certificate of compliance, or its equivalent, issued by or filed with the licensing authority of the jurisdiction in which the branch captive insurance company is formed and demonstrates to the superintendent's satisfaction that it is operating in sound financial condition in accordance with all applicable laws and regulations of that jurisdiction. As a condition of licensure, the alien captive insurance company must grant authority to the superintendent for examination of the affairs of the alien captive insurance company in the jurisdiction in which the alien captive insurance company is formed.

[PL 2003, c. 636, §10 (NEW).]

4. Immunity. A cause of action may not arise against any person for the act of communicating or delivering information or data to the superintendent or the superintendent's authorized representative or examiner pursuant to an examination made under this chapter if the act of communication or delivery was performed in good faith and without fraudulent intent or the intent to deceive. This subsection does not abrogate or modify in any way any common law or statutory privilege or immunity heretofore enjoyed by the superintendent, the superintendent's authorized representatives or any examiner appointed by the superintendent.

A. A cause of action may not arise against the superintendent, the superintendent's authorized representatives or any examiner appointed by the superintendent for any statements made or conduct performed in good faith while carrying out the provisions of this chapter. [PL 2003, c. 636, §10 (NEW).]

B. A cause of action may not arise against any person for the act of communicating or delivering information or data to the superintendent or the superintendent's authorized representative or examiner pursuant to an examination made under this chapter if the act of communication or delivery was performed in good faith and without fraudulent intent or the intent to deceive. This paragraph does not abrogate or modify in any way any common law or statutory privilege or immunity heretofore enjoyed by any person identified in paragraph A. [PL 2003, c. 636, §10 (NEW).]

C. A person identified in paragraph A or B is entitled to an award of attorney's fees and costs if that person is the prevailing party in a civil cause of action for libel, slander or any other relevant tort arising out of activities in carrying out the provisions of this chapter and the party bringing the action was not substantially justified in doing so. For purposes of this paragraph, a proceeding is "substantially justified" if the proceeding had a reasonable basis in law or fact at the time that it was initiated. [PL 2003, c. 636, §10 (NEW).]

5. Conduct of examinations. The following provisions govern the conduct of examinations.

A. Upon determining that an examination should be conducted, the superintendent shall issue an examination warrant appointing one or more examiners to perform the examination and instructing them as to the scope of the examination. In conducting the examination, the examiner shall observe those guidelines and procedures as the superintendent considers appropriate. [PL 2003, c. 636, §10 (NEW).]

B. Every licensee or person from whom information is sought and its officers, directors and agents shall provide to the examiners timely, convenient and free access at all reasonable hours at its offices to all books, records, accounts, papers, documents, assets and computer or other recordings relating to the property, assets, business and affairs of the licensee or person being examined. The
officers, directors, employees and agents of the licensee or person shall facilitate the examination and aid in the examination insofar as it is in their power to do so. The refusal of a licensee, by its officers, directors, employees or agents, to submit to examination or to comply with any reasonable written request of the superintendent is grounds for suspension or refusal of, or nonrenewal of, any license or authority held by the licensee to engage in the business of settlements or other business subject to the superintendent's jurisdiction. Any proceedings for suspension, revocation or refusal of any license or authority must be conducted pursuant to Title 5, chapter 375, subchapter 4. [PL 2003, c. 636, §10 (NEW).]

C. The superintendent has the power to issue subpoenas, to administer oaths and to examine under oath any person as to any matter pertinent to the examination. Upon the failure or refusal of a person to obey a subpoena, the superintendent may petition a court of competent jurisdiction and, upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order is punishable as contempt of court. [PL 2003, c. 636, §10 (NEW).]

D. When making an examination under this chapter, the superintendent may retain attorneys, appraisers, independent actuaries, independent certified public accountants or other professionals or specialists as examiners, the reasonable cost of which must be borne by the licensee that is the subject of the examination. [PL 2003, c. 636, §10 (NEW).]

E. This chapter may not be construed to limit the superintendent's authority to terminate or suspend an examination in order to pursue other legal or regulatory action pursuant to the insurance laws of this State. Findings of fact and conclusions made pursuant to any examination are prima facie evidence in any legal or regulatory action. [PL 2003, c. 636, §10 (NEW).]

F. This chapter may not be construed to limit the superintendent's authority to use and, if appropriate, to make public any final or preliminary examination report, any examiner or licensee workpapers or other documents or any other information discovered or developed during the course of any examination in the furtherance of any legal or regulatory action that the superintendent may, in the superintendent's sole discretion, consider appropriate. [PL 2003, c. 636, §10 (NEW).]

6. Examination reports. Examination reports may be composed only of facts appearing upon the books, records or other documents of the licensee or its agents or other persons examined or as ascertained from the testimony of its officers or agents or other persons examined concerning its affairs and of such conclusions and recommendations as the examiners find reasonably warranted from the facts. No later than 60 days following completion of the examination, the examiner in charge shall file under oath with the superintendent a verified written report of examination. Upon receipt of the verified report, the superintendent shall transmit the report to the licensee examined, together with a notice that affords the licensee examined a reasonable opportunity of not more than 30 days to make a written submission or rebuttal with respect to any matters contained in the examination report. In the event the superintendent determines that regulatory action is appropriate as a result of an examination, the superintendent may initiate any proceedings or actions provided by law. [PL 2003, c. 636, §10 (NEW).]

7. Confidentiality of examination information. The disclosure of information is governed by this subsection.

A. Names and individual identification data for all viators and insured persons are considered private and confidential information and may not be disclosed by the superintendent, unless required by law. [PL 2003, c. 636, §10 (NEW).]

B. Except as otherwise provided in this chapter, all examination reports, workpapers, recorded information, documents and copies thereof produced by, obtained by or disclosed to the superintendent or any other person in the course of an examination made under this chapter, or in
the course of analysis or investigation by the superintendent of the financial condition or market
conduct of a licensee, are confidential by law and privileged, are not subject to subpoena and are
not subject to discovery or admissible in evidence in any private civil action. The superintendent
is authorized to use the documents, materials or other information in the furtherance of any
regulatory or legal action brought as part of the superintendent's official duties.

For the purposes of this paragraph and paragraph C, "chapter" includes the law of another state or
jurisdiction that is substantially similar to this chapter. [PL 2003, c. 636, §10 (NEW).]

C. Documents, materials or other information, including, but not limited to, all workpapers and
copies thereof, in the possession or control of the National Association of Insurance
Commissioners, or its successor organization, and its affiliates and subsidiaries are confidential by
law and privileged, are not subject to subpoena and are not subject to discovery or admissible in
evidence in any private civil action if they are:

(1) Created, produced or obtained by or disclosed to the National Association of Insurance
Commissioners, or its successor organization, and its affiliates and subsidiaries in the course
of assisting an examination made under this chapter or assisting a superintendent in the analysis
or investigation of the financial condition or market conduct of a licensee; or

(2) Disclosed to the National Association of Insurance Commissioners, or its successor
organization, and its affiliates and subsidiaries under paragraph D by a superintendent. [PL
2003, c. 636, §10 (NEW).]

D. The superintendent and any person that receives documents, material or other information while
acting under the authority of the superintendent, including the National Association of Insurance
Commissioners, or its successor organization, and its affiliates and subsidiaries, may not testify in
any private civil action concerning any confidential documents, materials or information subject to
paragraph A. [PL 2003, c. 636, §10 (NEW).]

E. In order to assist in the performance of the superintendent's duties, the superintendent:

(1) May share documents, materials or other information, including the confidential and
privileged documents, materials or information subject to paragraph A, with other state, federal
and international regulatory agencies, with the National Association of Insurance
Commissioners, or its successor organization, and its affiliates and subsidiaries and with state,
federal and international law enforcement authorities, as long as the recipient agrees to maintain
the confidentiality and privileged status of the documents, materials, communication or other
information; and

(2) May receive documents, materials, communications or information, including otherwise
confidential and privileged documents, materials or information, from the National Association
of Insurance Commissioners, or its successor organization, and its affiliates and subsidiaries
and from regulatory and law enforcement officials of foreign or other domestic jurisdictions
and shall maintain as confidential or privileged any document, material or information received
with notice or the understanding that it is confidential or privileged under the laws of the
jurisdiction that is the source of the document, material, or information. [PL 2003, c. 636,
§10 (NEW).]

F. A waiver of any applicable privilege or claim of confidentiality in the documents, materials or
information does not occur as a result of disclosure to the superintendent under this section or as
a result of sharing as authorized in paragraph E. [PL 2003, c. 636, §10 (NEW).]

G. A privilege established under the law of any state or jurisdiction that is substantially similar to
the privilege established under this subsection is available and enforced in any proceeding in, and
in any court of, this State. [PL 2003, c. 636, §10 (NEW).]
H. This chapter may not prevent or be construed as prohibiting the superintendent from disclosing the content of an examination report or preliminary examination report or results, or any matter relating thereto, to the superintendent of insurance of any other state or country or to law enforcement officials of this State or any other state or an agency of the Federal Government at any time or to the National Association of Insurance Commissioners, or its successor organization, as long as such agency or office receiving the report or matters relating thereto agrees in writing to hold it confidential and in a manner consistent with this chapter. [PL 2003, c. 636, §10 (NEW).]

8. **Conflict of interest.** The following provisions apply.

A. An examiner may not be appointed by the superintendent if the examiner, either directly or indirectly, has a conflict of interest or is affiliated with the management of or owns a pecuniary interest in any person subject to examination under this chapter. This section may not be construed to automatically preclude an examiner from being:

1. A viator;
2. An insured in an insurance policy acquired pursuant to a settlement contract; or
3. A beneficiary in an insurance policy that is proposed to be acquired pursuant to a settlement contract. [PL 2003, c. 636, §10 (NEW).]

B. Notwithstanding the requirements of this subsection, the superintendent may retain from time to time, on an individual basis, qualified actuaries, certified public accountants or similar individuals who are independently practicing their professions, even though these persons may from time to time be similarly employed or retained by persons subject to examination under this chapter. [PL 2003, c. 636, §10 (NEW).]

9. **Investigative authority of superintendent.** In addition to the authority granted pursuant to section 220, the superintendent may investigate persons engaged in the business of settlements and persons suspected of engaging in fraudulent viatical or life settlement acts. [PL 2003, c. 636, §10 (NEW).]

SECTION HISTORY

§6808. Disclosure

With each application for a settlement, a settlement provider shall disclose in writing at least the following disclosures to a viator. Disclosure to a viator must include distribution of a brochure, approved by the superintendent, describing the process of settlements. The disclosures must be provided to the viator no later than the time the application for the settlement contract is signed by all parties and must be signed by the viator and the settlement provider and provide the following information: [PL 2003, c. 636, §10 (AMD).]

1. **Alternatives or options.** Possible alternatives to or options that can be used in conjunction with settlement contracts, including, but not limited to, accelerated death benefits or policy loans offered by the issuer of the life insurance policy; [PL 2003, c. 636, §10 (AMD).]

2. **Federal tax implications.** The fact that some or all of the proceeds of the settlement contract may be free from federal income tax under the federal Health Insurance Portability and Accountability Act of 1996, Public Law 104-191; and that restrictions, qualifications and other tax laws, particularly those of the state in which the viator resides, may apply and assistance should be sought from a professional tax advisor; [PL 2003, c. 636, §10 (AMD).]
3. State tax implications. The fact that some or all of the proceeds of the settlement may be free from state income tax under section 6809 and that restrictions, qualifications and other tax laws, including those of the state in which the viator resides, may apply and assistance should be sought from a professional tax advisor; 
[PL 2003, c. 636, §10 (AMD).]

4. Claims of creditors. The fact that proceeds of the settlement could be subject to the claims of creditors; 
[PL 2003, c. 636, §10 (AMD).]

5. Effect on government benefits. The fact that receipt of the proceeds of the settlement may adversely affect the recipient's eligibility for Medicaid or other means-based government programs, benefits or entitlements and that advice should be obtained from the appropriate agencies; 
[PL 2003, c. 636, §10 (AMD).]

6. Right to rescind. The fact that the viator has the right to rescind a settlement contract before the earlier of 30 calendar days after the date upon which the settlement contract is executed by all parties or 15 calendar days after the date upon which payment is received by the viator as provided in section 6809. If exercised by the viator, rescission is effective only if both notice of the rescission is given and repayment of all proceeds and any premiums, loans and loan interest to the settlement provider is made within the rescission period. If the insured dies during the rescission period, the settlement contract is deemed to have been rescinded, subject to repayment of all proceeds and any premiums, loans and loan interest to the settlement provider; 
[PL 2003, c. 636, §10 (AMD).]

7. Potential reduction or loss of benefits to beneficiary. The fact that entering into a settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate, to be forfeited by the viator and that assistance should be sought from a financial adviser; 
[PL 2003, c. 636, §10 (AMD).]

7-A. Potential inability to purchase additional insurance. The fact that, because of limits insurers may set on the amount of insurance on a single life, a change of ownership could leave the viator without the ability to purchase insurance in the future to replace the transferred policy; 
[PL 2009, c. 376, §9 (NEW).]

8. Funds. The fact that funds will be sent to the viator within 3 business days after the settlement provider has received the insurer's or group administrator's acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated; and 
[PL 2003, c. 636, §10 (NEW).]

9. Privacy disclosure. A statement containing the following language: "All medical, financial or personal information solicited or obtained by a settlement provider or settlement producer about an insured, including the insured's identity or the identity of family members, a spouse or a significant other, may be disclosed as necessary to effect the settlement contract between the viator and the settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every 2 years." 
[PL 2003, c. 636, §10 (NEW).]
1. **Contact with insured.** The insured may be contacted by either the settlement provider or its authorized representative for the purpose of determining the insured's health status. This contact is limited to once every 3 months if the insured has a life expectancy of more than one year and no more than once per month if the insured has a life expectancy of one year or less. [PL 2003, c. 636, §11 (NEW).]

2. **Additional disclosures.** A settlement provider shall provide the viator with at least the following disclosures no later than the date the settlement contract is signed by all parties. B. The name, address and telephone number of the settlement provider; [PL 2003, c. 636, §11 (NEW).]

C. D. The dollar amount of the current death benefit payable to the settlement provider under the policy or certificate. If known, the settlement provider shall also disclose the availability of any additional guaranteed insurance benefits, the dollar amount of any accidental death and dismemberment benefits under the policy or certificate and the settlement provider's interest in those benefits; [PL 2009, c. 376, §10 (AMD).]

E. The name, business address and telephone number of the independent 3rd-party escrow agent and the fact that the viator may inspect or receive copies of the relevant escrow or trust agreements or documents; [PL 2009, c. 376, §10 (AMD).]

F. A reconciliation of the settlement provider's gross offer to the net amount to be received by the viator; [PL 2009, c. 376, §10 (NEW).]

G. The identity of all persons compensated directly or indirectly by the settlement provider for the settlement contract, the amount of compensation paid to each and the method of calculating that compensation; [PL 2009, c. 376, §10 (NEW).]

H. Notice that the insured may be contacted as permitted by subsection 1 for the purpose of determining the insured’s health; [PL 2009, c. 376, §10 (NEW).]

I. An offer to disclose to the insured all life expectancy estimates obtained by the provider; and [PL 2009, c. 376, §10 (NEW).]

J. Notice that complaints and inquiries may be brought to the attention of the superintendent. [PL 2009, c. 376, §10 (NEW).] [PL 2009, c. 376, §10 (AMD).]

**2-A. Disclosure by settlement producers.** A settlement producer shall provide the viator with at least the following disclosures no later than the date the settlement contract is signed by all parties. The disclosures must be conspicuously displayed in the settlement contract or in a separate document signed by the viator and the settlement producer and must provide the following information:

A. Notice that a settlement producer must exclusively represent the viator, not the insurer or the settlement provider, and owes a fiduciary duty to the viator; [PL 2009, c. 376, §11 (NEW).]
B. A description of all offers, counteroffers, acceptances and rejections relating to any proposed settlement of the policy; [PL 2009, c. 376, §11 (NEW).]

C. If any other persons are compensated directly or indirectly by the settlement producer for the settlement contract, their identity, the amount of compensation paid to each and the method of calculating that compensation; and [PL 2009, c. 376, §11 (NEW).]

[PL 2003, c. 636, §11 (NEW).]

4. Disclosure of policyowner’s rights. The superintendent shall develop an informational brochure to apprise consumers of their rights as owners of life insurance policies. The document must be made available at no cost to all insurance companies and life insurance producers and written in lay terms.

A. The brochure must advise the consumer:

(1) That life insurance is a critical part of a broader financial plan and that the consumer is encouraged, and has a right, to seek additional financial advice and opinions;

B. The brochure must contain the following statement in large, bold or otherwise conspicuous typeface calculated to draw the eye: "Life insurance is a critical part of a broader financial plan. There are many options available, and you have the right to shop around and seek advice from different financial advisers in order to find the option best suited to your needs." [PL 2009, c. 376, §12 (NEW).]

C. The brochure may include brief descriptions of common products available from settlement providers. These products must be described in general terms for informative purposes only and not identify any specific settlement provider. [PL 2009, c. 376, §12 (NEW).]

D. If the insured under an individual life insurance policy is 60 years of age or older, or is known by the insurer to be terminally ill or chronically ill, the insurer shall send notice to the policyowner that there may be alternative transactions available, including a copy of the superintendent’s brochure, whenever:

(1) The policyowner has requested the surrender of the policy in whole or in part;

(2) The policyowner has requested an accelerated death benefit;

(3) The insurer sends an initial notice that the policy may lapse; or

SECTION HISTORY

§6809. General provisions for settlement contracts

1. Prior conditions. A settlement provider entering into a settlement contract with a viator shall first obtain:
A. If the viator is the insured, a written statement from a licensed attending physician that the viator is of sound mind and under no constraint or undue influence to enter into a settlement contract; [PL 2003, c. 636, §12 (AMD).]

B. Prior to or at the time of execution of the settlement contract, a witnessed document in which the viator consents to the settlement contract, represents that the viator has a full and complete understanding of the settlement contract and that the viator has a full and complete understanding of the benefits of the life insurance policy, acknowledges that the viator has entered into the settlement contract freely and voluntarily and, for persons who are terminally ill or chronically ill, acknowledges that the insured is terminally ill or chronically ill and that the terminal or chronic illness was diagnosed after the life insurance policy was issued; and [PL 2003, c. 636, §12 (AMD).]

C. Notwithstanding section 2159, subsection 3 or any other provisions of state law, a document in which the insured consents to the release of the insured's medical records to a settlement provider and, if the life insurance policy was issued less than 2 years from the date of application for a settlement contract to the insurance company that issued the life insurance policy covering the life of the insured. [PL 2003, c. 636, §12 (AMD).]

The insurer shall respond to a request for verification of coverage submitted by a settlement provider not later than 30 calendar days from the date the request is received. The request for verification of coverage must be made on a form approved by the superintendent. In its response, the insurer shall indicate whether, based on the medical evidence and documents provided, the insurer intends to pursue an investigation regarding the validity of the insurance contract. [PL 2003, c. 636, §12 (AMD).]

2. Confidentiality of medical information. All medical information solicited or obtained by any licensee is subject to the applicable provisions of state law relating to confidentiality of medical information. [PL 1997, c. 430, §1 (NEW); PL 1997, c. 430, §2 (AFF).]

3. Unconditional rescission. All settlement contracts must contain a provision that the viator has the right to rescind a settlement contract before the earlier of 30 calendar days after the date upon which the settlement contract is executed by all parties or 15 calendar days after the date upon which payment is received by the viator as provided in section 6808. Rescission if exercised by the viator is effective only if both notice of the rescission is given and a full repayment of all proceeds and any premiums, loans and loan interest to the settlement provider is made within the rescission period. If the insured dies during the rescission period, the settlement contract is deemed to have been rescinded, subject to repayment of all proceeds and any premiums, loans and loan interest to the settlement provider. [PL 2003, c. 636, §12 (AMD).]

4. Transfer of insurance policy. The settlement provider shall designate an independent escrow agent and instruct the viator to send the executed documents required to effect the change in ownership or assignment or change in beneficiary directly to the independent escrow agent. Within 3 business days after the date the escrow agent receives the document, or from the date the settlement provider receives the documents, if the viator erroneously provides the documents directly to the provider, the settlement provider shall pay or transfer the proceeds of the settlement into an escrow or trust account maintained in a state or federally chartered financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or its successor. Upon payment of the settlement proceeds into the escrow account, the escrow agent shall deliver the original change in ownership or assignment or change in beneficiary forms to the settlement provider or related provider trust. Upon the escrow agent's receipt of the acknowledgment of the properly completed transfer of ownership or assignment or designation of beneficiary from the insurance company, the escrow agent shall pay the settlement proceeds to the viator.
5. **Effect of failure to tender consideration.** Failure to tender consideration for the settlement under the terms of the settlement contract renders the contract voidable for lack of consideration until the time consideration is tendered to and accepted by the viator. [PL 2003, c. 636, §12 (AMD).]

6. **Unlicensed provider.** [PL 2003, c. 636, §12 (RP).]

7. **Income.** [PL 2003, c. 636, §12 (RP).]

8. **Advertising standards.** [PL 2003, c. 636, §12 (RP).]

9. **Contacts with the insured.** An insured may designate one or more adult individuals in regular contact with the insured as the individual for all inquiries regarding the insured's health status and, if that designation is made, a settlement provider may not make these inquiries to the insured unless the settlement provider is unable, for more than 30 days, to contact the designee after diligent effort. The insured may change this designation at any time upon written notice to the settlement provider. Contacts with the insured for the purpose of determining the health status of the insured after the settlement has occurred are limited to once every 3 months for insureds with an estimated life expectancy of more than one year and once per month for insureds with a life expectancy of one year or less. The settlement provider shall explain to the insured the procedure for these contacts prior to the time the settlement contract is entered into. The limitation in this rule on contacts does not apply to contacts made for reasons other than determining the insured's health status or necessary to maintain the policy in force. Settlement providers are responsible for the actions of their authorized representatives. [PL 2003, c. 636, §12 (AMD).]

**SECTION HISTORY**

**SECTION HISTORY**

§6811. **Prohibited practices and provisions under policies**

1. **Assignment.** The following provisions govern assignment.

   A. Prohibited restrictions include, but are not limited to, assignments only as a gift and without consideration, assignments only to a limited class of persons and assignments only to a natural person and not to a legal entity. [PL 2003, c. 636, §13 (AMD).]

   B. A life insurance company that acknowledges and records an absolute assignment of life insurance policy or rights under a group life insurance policy may rely solely on the authorization of the assignor to make the assignment and the life insurance company is not obligated to inquire into the validity, sufficiency or terms of the assignment. In acknowledging and recording an assignment, a life insurance company acting in good faith and reliance on the presentation of the absolute assignment, acts in a ministerial capacity and may exhibit no discretion as to whether an assignor may make the assignment or whether the assignment conforms with applicable law. [PL 1997, c. 430, §1 (NEW); PL 1997, c. 430, §2 (AFF).]

      (2) A person also has the right to assign, transfer, sell, devise or bequeath the ownership of or death benefit payable under a life insurance policy or certificate if that coverage is on disability waiver of premium at any time; and

      (3) The absolute assignee of an individual life insurance policy or of all rights under a group life insurance policy has all rights at law or in equity as the assignor held under that policy, including, but not limited to, the right to convert the coverage to an individual policy, the right to timely notice of the right to that conversion at the time that right accrues, the right to make premium payments or take such other action as may be necessary under the policy in order to preserve the value of the coverage assigned, the right to receive information concerning the coverage, the right to receive notice of a lapse or discontinuation of coverage, the exclusive right to exercise any options concerning the assigned coverage during an open enrollment period and all such other rights and privileges initially granted to a person under the terms of the individual or group life insurance policy. [PL 2003, c. 636, §13 (AMD).]

   B. A person has the right to exercise any option for accelerated benefits under the terms of any individual or group life insurance policy at any time for any unassigned portion of that policy or certificate. [PL 2003, c. 636, §13 (AMD).]

   [PL 2003, c. 636, §13 (AMD).]
3. **Failure to give notice under group life insurance policy.** If the rights under a group life insurance policy have been assigned and the administrator of the policy fails to give notice to the assignee that a person is no longer a covered person under the group and of the right to convert the policy to an individual life insurance policy, the period of time during which the assignee must make application for conversion under the terms of the group life insurance policy begins from the date the notice is given to the assignee.

[PL 2003, c. 636, §13 (AMD).]

4. **Riders and postsettlement increases or additions.** With respect to policies containing a provision for double or additional indemnity for accidental death or any other riders or additional death benefits, including the increase in the death benefit in excess of the amount of the death benefits of the date the settlement contract is effected at the time the policy is assigned, transferred, sold, devised or bequeathed, unless otherwise mutually agreed to in writing by the viator and the settlement provider, the additional amount remains payable to the beneficiary last named by the viator prior to entering into the settlement contract or to such other beneficiary other than the settlement provider as the viator may thereafter designate or, in the absence of a designation, to the estate of the viator.

[PL 2003, c. 636, §13 (AMD).]

5. **Prohibition on settlements.** It is a violation of this chapter for any person to enter into a settlement contract at any time prior to, or at the time of the application for, the issuance of a policy or within a 2-year period commencing with the date of issuance of the insurance policy or certificate unless the viator certifies to the settlement provider that one or more of the following conditions have been met within the 2-year period:

A. The policy was issued upon the viator's exercise of conversion rights arising out of a group or individual policy, as long as the total of the time covered under the conversion policy plus the time covered under the prior policy is at least 24 months. The time covered under a group policy must be calculated without regard to any change in insurance carriers, as long as the coverage has been continuous and under the same group sponsorship; and [PL 2003, c. 636, §13 (NEW).]

B. The viator submits independent evidence to the settlement provider that one or more of the following conditions have been met within the 2-year period:

   (1) The viator or insured is terminally ill or chronically ill; or

   (2) The viator or insured disposes of the viator's entire ownership interest in a closely held corporation pursuant to the terms of a buyout or other similar agreement in effect at the time the insurance policy was initially issued. [PL 2003, c. 636, §13 (NEW).]

[PL 2007, c. 543, §6 (AMD).]

6. **Submission of certification.** If the settlement provider submits to the insurer a copy of the owner's or insured's certification described in subsection 5 when the settlement provider submits a request to the insurer to effect the transfer of the policy or certificate to the settlement provider, the copy is deemed to conclusively establish that the settlement contract satisfies the requirements of this section and the insurer shall timely respond to the request.

[PL 2003, c. 636, §13 (NEW).]

SECTION HISTORY

§6812. **Insurance company practices**

1. **Duty to provide information.** In addition to the provisions in section 6809, an insurance company that is licensed to do business in this State shall promptly respond to reasonable requests for
policy information from a settlement provider or settlement producer upon the receipt of the following documents in the office of the insurance company:

A. An authorization signed by the viator to release specified information regarding the policy or certificate to a named licensed settlement provider or settlement producer; and [PL 2003, c. 636, §13 (AMD).]

B. A request in writing from the settlement provider or settlement producer for the specified policy or certificate information. [PL 2003, c. 636, §13 (AMD).]

Requests for the following items related to the policy or certificate that is the subject of a settlement transaction are deemed to be reasonable: ownership of and death benefits under the policy or certificate; premium information on the policy or certificate; liens, assignments and additional benefits; waiver of premium; and ownership and assignment provisions. The information provided must be the most recent information on file. By rule, the superintendent may specify additional criteria for information requests deemed reasonable under this section by a settlement provider. [PL 2003, c. 636, §13 (AMD).]

2. Conversion of group insurance. An issuer or 3rd-party administrator of a group life insurance policy shall promptly issue an individual conversion policy if the conversion is being requested for the purpose of entering into a settlement contract. For the purposes of this section, issuance of such a policy is deemed timely if it meets relevant standards for timeliness under chapter 23. This subsection may not be construed to create any new conversion rights not already granted by the policy or certificate being acquired pursuant to a settlement contract. [PL 2003, c. 636, §13 (AMD).]

3. Right to assign rights or benefits. Subsection 1 or 2 does not prohibit a viator under a group life insurance policy from assigning rights or benefits under the policy to a licensed settlement provider or converting the coverage to an individual life insurance policy. [PL 2003, c. 636, §13 (AMD).]

4. Assignment restrictions prohibited. A policy of group life insurance issued or in existence in this State that permits any assignment of a viator's rights may not restrict the viator from making assignments other than by gift. [PL 1997, c. 430, §1 (NEW); PL 1997, c. 430, §2 (AFF).]

5. Purchase of securities. This chapter does not require notice to the superintendent of, or restrict an insurance company from investing in, or participating in, or purchasing any securities issued in any transaction including without limitation any financing, securitization transaction or securities offering in which the licensed settlement provider sells, assigns, transfers, pledges, hypothecates or otherwise disposes of settlement contracts, policies acquired pursuant to settlement contracts or any interest therein. [PL 2003, c. 636, §13 (AMD).]

6. Protection of policyholder’s rights. An insurer may not engage in a transaction, act, practice or course of business or dealing that restricts, limits or impairs in any way the lawful transfer of ownership, change of beneficiary or assignment of a policy. This subsection does not prohibit a lawful contract provision granting irrevocable rights to a beneficiary or lawfully prohibiting assignment. [PL 2009, c. 376, §14 (NEW).]

SECTION HISTORY

§6812-A. Inquiries and optional disclosures by life insurers
1. **Permitted inquiries regarding premium financing.** In addition to any other information a life insurer may lawfully request in an application for insurance, the insurer may ask whether the proposed owner intends to pay premiums with the assistance of financing from a lender that will use the policy as collateral to support the financing, and if so, whether:

   A. The applicant has entered into any agreement or arrangement providing for the future sale of this life insurance policy; [PL 2009, c. 376, §15 (NEW).]

   B. The loan arrangement for the policy provides funds sufficient to pay for some or all of the premiums, costs and expenses associated with obtaining and maintaining the applicant's life insurance policy; [PL 2009, c. 376, §15 (NEW).]

   C. The applicant has entered into any agreement by which the applicant is to receive consideration in exchange for procuring the policy; and [PL 2009, c. 376, §15 (NEW).]

   D. The borrower has an insurable interest in the insured. [PL 2009, c. 376, §15 (NEW).]

2. **Prohibited transactions.** If the information obtained by the life insurer demonstrates that the loan provides funds that can be used for a purpose other than paying for the premiums, costs and expenses associated with obtaining and maintaining the life insurance policy and loan or that the transaction otherwise violates this chapter, the insurer shall reject the application. [PL 2009, c. 376, §15 (NEW).]

3. **Optional disclosures by the life insurer.** The insurer may make disclosures to the applicant, the insured and other affected persons, either on the application, an amendment to the application or a separate document, in the following form:

   "If you have entered into a loan arrangement in which the policy is used as collateral and the policy does change ownership at some point in the future in satisfaction of the loan, the following may be true:

   A. A change of ownership could lead to a stranger owning an interest in the insured's life; [PL 2009, c. 376, §15 (NEW).]

   B. Your ability to purchase future insurance on the insured’s life could be limited because there is a limit to how much coverage insurers will issue on one life; [PL 2009, c. 376, §15 (NEW).]

   C. Should there be a change of ownership and should you wish to obtain more insurance coverage on the insured’s life in the future, the insured’s higher issue age, a change in health status or other factors may reduce the ability to obtain coverage or may result in significantly higher premiums; and [PL 2009, c. 376, §15 (NEW).]

   D. You should consult a professional advisor because a change in ownership in satisfaction of the loan may result in tax consequences to the owner, depending on the structure of the loan." [PL 2009, c. 376, §15 (NEW).]

   [PL 2009, c. 376, §15 (NEW).]

SECTION HISTORY

§6817. Advertising of settlements

1. Advertising for settlements. Every settlement provider licensee shall establish and at all times maintain a system of control over the content, form and method of dissemination of all advertisements of its contracts, products and services. All advertisements, regardless of by whom written, created, designed or presented, are the responsibility of the settlement provider licensee, as well as the individual who created or presented the advertisement. A system of control must include providing regular routine notification, at least once a year, to agents and others authorized by the settlement licensee to disseminate advertisements; the notification must include the requirements and procedures for approval of any advertisements not furnished by the settlement provider licensee prior to the advertisements' use.
[PL 2003, c. 636, §18 (NEW).]

2. Form and content. Advertisements must be truthful and not misleading in fact or by implication. The form and content of an advertisement of a settlement contract must be sufficiently complete and clear so as to avoid deception. It may not have the capacity or tendency to mislead or deceive. Whether an advertisement has the capacity or tendency to mislead or deceive must be determined by the superintendent from the overall impression that the advertisement may be reasonably
expected to create upon a person of average education or intelligence within the segment of the public
to which it is directed.
[PL 2003, c. 636, §18 (NEW).]

3. Standards for disclosure. An advertisement must comply with standards for disclosure

the form of transmission, must contain the following statement or a substantially similar statement:
"Any person who knowingly presents false information in an application for insurance or a settlement
contract is guilty of a crime and may be subject to fines and confinement in prison." The lack of a

viatical or life settlement act.
[PL 2003, c. 636, §18 (NEW).]

3. Mandatory reporting of fraudulent viatical or life settlement acts. Any person engaged in
the business of settlements having knowledge or a reasonable belief that a fraudulent viatical or life

In an action brought against a person for filing a report or furnishing other information concerning a fraudulent viatical or life settlement act or a fraudulent insurance act, the party bringing the action shall plead specifically any allegation that Subsection 4 does not apply because the person filing the report or furnishing the information did so with actual malice. A. At the discretion of the superintendent, the superintendent may order, or a licensee may request and the superintendent may grant, such modifications of the required initiatives under paragraph B as necessary to ensure an effective antifraud program. The modifications may be more or less restrictive than the required initiatives as long as the modifications may reasonably be expected to accomplish the purpose of this subsection. The notice must state the effective date of the cancellation and the reason for the cancellation. If a service contract is cancelled by the provider for a reason other than nonpayment of the provider fee, the provider shall refund to the service contract holder 100% of the unearned pro rata provider fee, less any claims paid. An administrative fee not to exceed 10% of the provider fee paid by the service contract holder may be charged by the provider.

[PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

13. Consequential damages. A service contract must state whether the service contract provides for or excludes consequential damages or preexisting conditions, if applicable. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

SECTION HISTORY

§7106. Record-keeping requirements

1. Provider records. A provider shall keep accurate accounts, books and records concerning transactions regulated under this chapter. The provider's accounts, books and records must include the following:

B. The name and address of each service contract holder to the extent furnished by the service contract holder; [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

C. A list of the locations where service contracts are marketed, sold or offered for sale by the provider; and [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

D. Written claims files, which must contain at least the dates and descriptions of claims related to the provider's service contracts. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

[PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

2. Retention period. Except as provided in subsection 4, a provider shall retain all records required to be maintained by this section for at least 3 years after the specified period of coverage has expired.

[PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

3. Form of records. The records required under this chapter may be, but are not required to be, maintained on a computer disk or other record-keeping medium. If the records are maintained in other than hard copy, the records must be capable of transfer to legible hard copy at the request of the superintendent.

[PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]
4. **Discontinuation of business.** A provider discontinuing business in this State shall maintain its records until it furnishes to the superintendent satisfactory proof that it has discharged all obligations to service contract holders in this State.

[PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

**SECTION HISTORY**

§7107. **Cancellation of reimbursement insurance policy**

An insurer that issued a reimbursement insurance policy may not cancel or nonrenew the policy for any reason, including at the request of the policyholder, until the insurer has delivered a notice of such action to the superintendent at least 45 days before such action. The cancellation or nonrenewal of a reimbursement insurance policy does not reduce the insurer's obligations as to service contracts issued by providers prior to the date of cancellation or nonrenewal. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

**SECTION HISTORY**

§7108. **Obligation of reimbursement insurance policy insurers**

1. **Receipt of premium; agency.** A provider is the agent of the insurer that issued the reimbursement insurance policy for purposes of obligating the insurer to service contract holders in accordance with the service contract and this chapter. When a provider is acting as an administrator and enlists other providers, the provider acting as the administrator shall notify the insurer of the existence and identities of the other providers. An insurer issuing a reimbursement insurance policy to a provider is deemed to have received the premiums for such insurance upon the payment of provider fees by consumers for service contracts issued by the insured provider. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

2. **Indemnification or subrogation.** This chapter does not prevent or limit the right of an insurer that issued a reimbursement insurance policy to seek indemnification or subrogation against a provider if the insurer pays or is obligated to pay the service contract holder sums that the provider was obligated to pay pursuant to the provisions of the service contract. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

**SECTION HISTORY**

§7109. **Enforcement provisions**

1. **Investigation and examination by superintendent.** The superintendent may conduct investigations and examinations of providers, administrators, insurers or other persons to enforce the provisions of this chapter and protect service contract holders. Upon request of the superintendent, a person subject to this chapter shall make available to the superintendent all accounts, books and records concerning service contracts sold by the provider that are necessary to enable the superintendent to determine compliance or noncompliance with this chapter. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

2. **Enforcement actions.** The superintendent may assess civil penalties or take any other action permitted under section 12-A against any person who violates any provision of this chapter or the superintendent's rules and orders, and nothing in this section may be construed as limiting the superintendent's authority to take enforcement action under section 12-A in connection with violations of applicable provisions of this Title. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]
3. Refusal of registration, suspension or revocation. The superintendent may suspend, revoke or refuse to accept the registration of a provider under this chapter as set out in this section.

A. The superintendent shall deny an application for registration if the registrant has not demonstrated that it is qualified to do business in accordance with this chapter or for any reason that would be a ground for suspension or revocation of registration. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

B. If, upon investigation or examination, the superintendent finds that a person registered under this chapter in this State has exceeded its powers, has failed to comply with any of the provisions of this chapter, is not fulfilling its service contracts in good faith or is conducting its business fraudulently or in a manner injurious to its contract holders or the public, the superintendent shall notify the person of the deficiency or deficiencies and state in writing the reasons that warrant suspension, revocation or refusal of the person's registration. The notice must require that the deficiency or deficiencies be corrected.

After receipt of the notice, the person has 30 days to comply with the superintendent's request for correction, and if the person fails to comply the superintendent shall notify the person of the findings of noncompliance and require the person to show cause, on a date set by the superintendent, why its registration should not be suspended, revoked or refused. If on that date the person does not present good and sufficient reason why its authority to do business in this State should not be suspended, revoked or refused, the superintendent may suspend or refuse the registration of the person to do business in this State until satisfactory evidence is furnished to the superintendent that the suspension or refusal should be withdrawn or the superintendent may revoke the authority of the person to do business in this State. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

4. Service of process. A provider and administrator registered under this chapter shall appoint in writing an agent located in the State in the same manner as insurers are required to appoint agents under section 421. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

5. Administrative procedures. Any person aggrieved by an order of the superintendent under this chapter may submit an application for a hearing as provided in section 229, upon which the procedures set forth in section 229 apply. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

6. Construction; existing contracts. This section may not be construed as preventing any provider from continuing in good faith all service contracts made in this State during the time the provider was legally authorized to transact business in this State. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

SECTION HISTORY

§7110. Unfair methods of competition; unfair and deceptive acts and practices

1. Prohibited acts and practices. A person may not engage in this State in any act or practice determined by the superintendent to be unfair or deceptive or in any of the following acts or practices in connection with the marketing, sale, offering for sale, issuance, making, proposing to make or administration or solicitation of a service contract.

A. A person may not make, issue, circulate, or cause to be made, issued or circulated, any estimate, illustration, circular or statement misrepresenting the terms of any service contract issued or to be issued or the benefits or advantages promised thereby or make any misleading representation or
any misrepresentation as to the financial condition of any provider. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

B. A person may not make, publish, disseminate, circulate or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated or placed before the public, in a newspaper, magazine or other publication or on a business card, or in the form of a notice, circular, pamphlet, letter or poster, or over any radio or television station, or in any other way, an advertisement, announcement or statement containing any assertion, representation or statement with respect to the business of service contracts or with respect to any person in the conduct of that person's service contract business in a manner that is untrue, deceptive or misleading. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

C. A person may not file with any supervisory or other public official, or make, publish, disseminate, circulate or deliver to any person, or place before the public, or cause directly or indirectly to be made, published, disseminated, circulated, delivered to any person or placed before the public, any false statement of financial condition of a provider with intent to deceive. A person may not make any false entry in any book, report or statement of any provider with intent to deceive any agent or examiner lawfully appointed to examine into its condition or into any of its affairs, or any public official to whom such person is required by law to report, or who has authority by law to examine into its condition or into any of its affairs, or, with like intent, willfully omit to make a true entry of any material fact pertaining to the business of such person in any book, report or statement of such provider. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

D. A person may not engage in any of the following service contract claims practices in conscious disregard of this section and any rules adopted under this section or with such frequency as to indicate a general business practice of the person to engage in such conduct:

1. Knowingly misrepresenting to service contract holders relevant facts or service contract provisions related to coverages at issue;
2. Failing to acknowledge with reasonable promptness pertinent written communications with respect to claims arising under its service contracts;
3. Failing to develop and maintain documented claim files supporting decisions made regarding liability;
4. Refusing to pay claims without conducting a reasonable investigation;
5. Failing, in the case of claims denials, to provide an accurate explanation of the basis for those actions; or
6. Failing to adopt and implement reasonable standards to ensure that the repairs of a repairer owned by or required to be used by the provider are performed in a competent and professional manner. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

E. A provider may not use in its name the words "insurance," "casualty," "surety," "mutual" or any other words descriptive of the insurance, casualty or surety business or use a name deceptively similar to the name or description of any insurance or surety corporation or to the name of any other provider. The word "guaranty" or a similar word may be used by a provider. This section does not apply to a provider that was using any of the prohibited language in its name prior to January 1, 2012; however, such provider must include in its service contracts a statement in substantially the following form: "This agreement is not subject to regulation as an insurance contract." [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

F. A person, including but not limited to a bank, savings and loan association, lending institution, manufacturer or seller of any product may not require the purchase of a service contract as a
condition of a loan or a condition for the sale of any property. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

G. A provider of a service contract on a motor vehicle or its representative may not, directly or indirectly, represent in any manner, whether by written solicitation or telemarketing, a false, deceptive or misleading statement with respect to:

(1) The provider's affiliation with a motor vehicle manufacturer;
(2) The provider's possession of information regarding a motor vehicle owner's current motor vehicle manufacturer's original equipment warranty;
(3) The expiration of a motor vehicle owner's current motor vehicle manufacturer's original equipment warranty; or
(4) A requirement that a motor vehicle owner register for a new motor vehicle service contract with the provider in order to maintain coverage under the motor vehicle owner's current motor vehicle service contract or manufacturer's original equipment warranty. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

2. Cease and desist order. The superintendent may issue a cease and desist order pursuant to section 12-A, subsection 2 if, after a hearing, the superintendent finds that any person in the State has engaged or is engaging, or that a resident of the State has engaged or is engaging in another state, in an unfair or deceptive practice not described in this chapter or in rules adopted pursuant to this chapter. For any practice not described in this chapter or in rules adopted pursuant to this chapter, the civil penalties set forth in section 12-A, subsection 1 may not be imposed for practice engaged in prior to the issuance and service of a valid cease and desist order. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

SECTION HISTORY

§7111. Rule-making authority

The superintendent may adopt rules necessary to implement this chapter. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2011, c. 345, §4 (NEW); PL 2011, c. 345, §7 (AFF).]

### SECTION HISTORY

PL 2015, c. 279, §1 (NEW).

§7305. **Automobile insurance provisions**

1. **Exclude coverage.** Notwithstanding section 2902 or Title 29-A, section 1605, an insurer that writes automobile insurance in this State may exclude coverage afforded under the policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a transportation network company driver is logged into a transportation network company's digital network or while a driver is engaged in a prearranged ride. The authority to exclude coverage applies to any coverage included in an automobile insurance policy, including, but not limited to:

   A. Liability coverage for bodily injury and property damage; [PL 2015, c. 279, §1 (NEW).]
   
   B. Uninsured vehicle and underinsured motor vehicle coverage; [PL 2015, c. 279, §1 (NEW).]

   E. Collision physical damage coverage. [PL 2015, c. 279, §1 (NEW).]

Nothing in this section requires that a personal automobile insurance policy provide coverage while the driver is logged into the transportation network company's digital network, the driver is engaged in a prearranged ride or the driver otherwise uses a vehicle to transport riders for compensation.

Nothing in this section may be construed to preclude an insurer from entering into a contract to provide coverage for a transportation network company driver's personal vehicle.

[PL 2015, c. 279, §1 (NEW).]

2. **No duty to indemnify.** If an insurer has excluded coverage described in section 7303, the insurer has no duty to defend or indemnify any claim expressly excluded. Nothing in this chapter may be construed to invalidate or limit an exclusion contained in a policy, including any policy in use or approved for use in this State prior to the effective date of this chapter, that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

[PL 2015, c. 279, §1 (NEW).]

3. **Right of contribution.** An automobile insurer that defends or indemnifies a claim against a driver that is excluded under the terms of its policy has a right of contribution against other insurers that provide automobile insurance to the same driver in satisfaction of the coverage requirements of section 7303 at the time of loss.

[PL 2015, c. 279, §1 (NEW).]

4. **Cooperation.** In a claims coverage investigation, a transportation network company and any insurer potentially providing coverage under section 7303 shall cooperate to facilitate the exchange of relevant information with directly involved parties and any insurer of the transportation network company driver if applicable, including but not limited to:
A. The precise times that a transportation network company driver logged into and off of the transportation network company's digital network in the 12-hour period immediately preceding and in the 12-hour period immediately following the accident; and [PL 2015, c. 279, §1 (NEW).]

B. A clear description of the coverage, exclusions and limits provided under any automobile insurance maintained under this chapter. [PL 2015, c. 279, §1 (NEW).]

§7403. **Requirements and limitations for shared vehicle through peer-to-peer car sharing**

1. **Classification.** A motor vehicle insured, or required to be insured, by its registered owner pursuant to Title 29-A, section 1601 may not be classified as a commercial motor vehicle, for-hire transportation vehicle, permissive use vehicle, taxicab or livery solely on the basis that the registered owner allows the motor vehicle to be used as a shared vehicle through peer-to-peer car sharing.

[PL 2019, c. 367, §1 (NEW).]
2. Exclusion of coverage. An insurer that writes motor vehicle liability insurance in the State may exclude any coverage and the duty to defend or indemnify for any claim afforded during the car sharing period under a shared vehicle owner's motor vehicle liability insurance policy. Nothing in this chapter invalidates or limits an exclusion contained in a motor vehicle liability insurance policy, including any insurance policy in use or approved for use that excludes coverage for motor vehicles made available for rent, sharing or hire or for any business use.

[PL 2019, c. 367, §1 (NEW).]

3. Exemption; vicarious liability. A provider and a shared vehicle owner are exempt from vicarious liability in accordance with 49 United States Code, Section 30106 and under any state or local law that imposes liability solely based on vehicle ownership.

[PL 2019, c. 367, §1 (NEW).]

4. Provider insurance; other requirements. For each shared vehicle participating in a program, a provider shall:

   A. Procure insurance coverage of the shared vehicle during the car sharing period. At a minimum, the insurance must provide:

      (1) Primary liability coverage for the shared vehicle owner and secondary liability coverage for the shared vehicle driver in an amount not less than 3 times the minimum requirements for liability in Title 29-A, section 1605; and

      (2) Beginning June 1, 2020, property and casualty coverage, including comprehensive and collision protection, for physical loss to the shared vehicle during the time that the vehicle is in the custody of the provider or shared vehicle driver in an amount not less than the replacement cost of the shared vehicle; [PL 2019, c. 367, §1 (NEW).]

   B. Provide the shared vehicle owner with suitable written proof of compliance with the insurance requirements of this subsection. A copy of the written proof of compliance must be maintained in the shared vehicle by the shared vehicle owner during any time the shared vehicle is operated by a shared vehicle driver or any individual other than the shared vehicle owner pursuant to a program; [PL 2019, c. 367, §1 (NEW).]

   C. Comply with the provisions of Title 29-A, section 254 relating to requirements for retention of records relating to the identity of shared vehicle drivers, including a record of the shared vehicle driver's driver's license and the exact time the vehicle is used as a shared vehicle in a shared vehicle driver's possession; and [PL 2019, c. 367, §1 (NEW).]

§7404. Liability provisions

1. Provider liable as if owner. Notwithstanding any provision of law to the contrary or any provision in a motor vehicle insurance policy, in the event a loss or injury occurs during a car sharing period or while a motor vehicle is under the control of a provider, the provider is deemed the owner of the motor vehicle under Title 29-A, section 1652 and any provision of law that may impose liability
upon the owner of a motor vehicle solely based on ownership of the motor vehicle. The provider retains liability regardless of any lapse in the provider's policy or whether that liability is covered under the provider's policy or any other insurance policy under which the provider is insured.

[PL 2019, c. 367, §1 (NEW).]

2. **Indemnification.** In the event that the shared vehicle owner or the shared vehicle owner's insurer is named as a defendant in a civil action for a loss or injury that occurs during any time within the car sharing period or when the motor vehicle is under the control of the provider, the provider's insurer has the duty to defend and indemnify the shared vehicle owner and the shared vehicle owner's insurer.

[PL 2019, c. 367, §1 (NEW).]

2. **Coordination of insurance.** A program policy written in accordance with this section is primary with respect to any other insurance available to the shared vehicle owner but is secondary with respect to any other insurance available to the shared vehicle driver or authorized operator or occupant of the shared vehicle. The policy must comply with the requirements of section 7403, subsection 4.

[PL 2019, c. 367, §1 (NEW).]

[PL 2019, c. 367, §1 (NEW).]

4. **Identification of insured under the policy.** An insurer that issues a policy in accordance with this section shall issue the policy in a manner that identifies the provider as the named insured. The policy must include a provision that provides coverage without prior notice to the insurer for all shared vehicles during the car sharing period and that provides coverage for any shared vehicle driver or authorized operator or occupant of a shared vehicle as an insured under the policy to the same extent that coverage would be provided under a motor vehicle policy issued in accordance with Title 29-A, section 1605.
