§400. "Stock" insurer defined

A "stock" insurer is an incorporated insurer with its capital divided into shares and owned by its stockholders. [1969, c. 132, §1 (NEW).]

SECTION HISTORY
1969, c. 132, §1 (NEW).

§401. "Mutual" insurer defined

A "mutual" insurer is an incorporated insurer without permanent capital stock, and the governing body of which is elected by its policyholders or those policyholders specified in its charter, or by any reasonable combination of its policyholders, guaranty fund stockholders, or guaranty fund certificate holders, or by other reasonable method. [1969, c. 132, §1 (NEW).]

SECTION HISTORY
1969, c. 132, §1 (NEW).

§402. "Reciprocal"; "Lloyd's" insurer defined

1. Reciprocal insurer. A "reciprocal" insurer is an unincorporated aggregation of subscribers operating individually and collectively through an attorney-in-fact common to all such persons to provide reciprocal insurance among themselves. Any public self-funded pool operating under Title 30, chapter 203-B is not an insurance company or insurer under the laws of this State. The development, administration and provision of a public self-funded pool's programs and coverages do not constitute doing an insurance business.

[1985, c. 713, §4 (AMD).]

2. Lloyd's insurer. A "Lloyd's" insurer is an unincorporated but formally organized association of individual underwriters, any one or more of whom underwrite and thereby assume as insurer such portion of the risk insured by them as shall be set forth in the contract of insurance issued by such an insurer.

[1969, c. 177, §5 (RPR).]

SECTION HISTORY

§403. "Charter" defined

Except where context requires otherwise, "charter" means certificate of organization, certificate of incorporation, articles of incorporation, articles of agreement, articles of association, corporate charter granted by legislative act, or other basic constituent document of a corporation, or of a Lloyd's insurer, or the power of attorney of the attorney-in-fact of a reciprocal insurer. [1969, c. 177, §6 (AMD).]
§404. CERTIFICATE OF AUTHORITY REQUIRED; ENFORCEMENT; PENALTY

1. No person shall act as an insurer and no insurer shall transact insurance in this State by mail or otherwise, unless as authorized by a certificate of authority issued by the superintendent pursuant to this Title and then in full force and effect, except as to such transactions as are expressly otherwise provided in this Title.

[1973, c. 585, §12 (AMD).]

2. No insurer formed under the laws of this State, and no foreign insurer from offices or by personnel or facilities located in this State, shall solicit insurance applications or otherwise transact insurance in another state or country unless it holds a subsisting certificate of authority granted to it by the superintendent authorizing it to transact the same kind or kinds of insurance in this State.

[1973, c. 585, §12 (AMD).]

3. The superintendent shall enforce this section through any and all available and lawful means, including, but not limited to, the enjoining of any violation or threatened violation.

[1973, c. 585, §12 (AMD).]

4. Any insurer and any officer, director, agent, representative or employee of any insurer, who willfully authorizes, negotiates, makes or issues any insurance contract in violation of this section, is upon conviction thereof subject to a fine not to exceed $5,000 or imprisonment for not over 2 years, or to both.

[2013, c. 2, §36 (COR).]

SECTION HISTORY

§405. EXCEPTIONS TO CERTIFICATE OF AUTHORITY REQUIREMENT

A certificate of authority shall not be required of an insurer with respect to any of the following:

[1969, c. 132, §1 (NEW).]

1. Investigation, settlement or litigation of claims under its policies lawfully written in this State, or liquidation of assets and liabilities of the insurer, other than collection of new premiums, all as resulting from its former authorized operations in this State;

[1969, c. 132, §1 (NEW).]

2. Except as provided in section 404, subsection 2, transactions thereunder subsequent to issuance of a policy covering only subjects of insurance not resident, located or expressly to be performed in this State at time of issuance, and lawfully solicited, written and delivered outside this State;

6. Any suit or action by the duly constituted receiver, rehabilitator or liquidator of the insurer, or of the insurer's assignee or successor, under laws similar to those contained in chapter 57; or
   [2011, c. 90, Pt. C, §1 (AMD).]

7. Transactions pursuant to individual health insurance covering residents of this State written by a regional insurer or health maintenance organization, as defined in section 405-A, duly authorized or qualified to transact individual health insurance in the state or country of its domicile if the superintendent certifies that the regional insurer or health maintenance organization meets the requirements of section 405-A.

[2013, c. 388, Pt. B, §2 (AMD).]

3. Unfair trade practices. The provisions of chapter 23 apply to a regional insurer or health maintenance organization permitted to transact individual health insurance under this section or section 405.

[2011, c. 90, Pt. C, §3 (NEW).]

4. Taxes; assessments. A regional insurer or health maintenance organization transacting individual health insurance in this State under this section is subject to applicable taxes or assessments imposed on insurers transacting individual health insurance in this State pursuant to this Title and Title 36.

[ 1969, c. 132, §1 (NEW) .]

3. No insurer shall be formed or authorized to transact insurance which has or uses a name the same as or deceptively similar to that of any foreign insurer not so authorized if such foreign insurer has within the next preceding 12 months signified its intention to secure an incorporation in this State under such name, or

D. Domestic mutual insurers holding a certificate of authority upon January 1, 1989, if otherwise qualified, and possessed of basic surplus in minimum required amounts as contained in the table in this paragraph may continue to be so authorized, provided those insurers continue to possess and maintain unimpaired basic surplus funds as determined in this paragraph and applicable to those lines or kinds of insurance permitted by its certificate of authority immediately prior to January 1, 1989. Upon application by any such insurer and written approval by the superintendent, the insurer's certificate of authority may be extended to permit the writing of other kinds or lines of insurance if the insurer is qualified and possessed of basic surplus funds in amounts contained in the table in this paragraph. A domestic mutual insurer holding a certificate of authority prior to January 1, 1989, but which does not possess and maintain basic surplus in the minimum required amounts contained in the table in this paragraph, may continue to be authorized to transact insurance in this State and to write other kinds or lines of insurance, subject to the approval of the superintendent, as long as it maintains 100% reinsurance and has no liabilities.

For the purposes of this paragraph, any assuming reinsurer must be a corporation which possesses the ability to exercise control of the ceding insurer, must be an insurance company possessed of a certificate of authority to transact the same kinds of insurance in this State as those assumed and shall file a consolidated annual statement as required by section 423.

A health, life and health or multiple line (as described in section 409) insurer may qualify for a certificate of authority to transact a legal services insurance business, as described in chapter 38, if it is otherwise qualified therefor and possesses and thereafter maintains, in addition to the amounts described in the following table, an additional amount of unimpaired paid-in capital stock, if a stock insurer, or unimpaired basic surplus, if a foreign mutual or reciprocal insurer, of not less than $500,000.

E. An insurer that otherwise possesses funds as required under this subsection shall at all times maintain policyholders’ surplus, combined paid-in capital stock, if any, and surplus, reasonable in amount, as determined by the superintendent, in relation to the kinds and amount of insurance it has in force, or being written and retained by it, net of applicable reinsurance. In making any such determination, the superintendent shall give due consideration to any applicable standards approved or adopted by the National Association of Insurance Commissioners and to the desirability of substantial uniformity as to such requirements among the respective states. [1991, c. 385, §2 (AMD).]

F. A health maintenance organization as a division or line of business is subject to this paragraph.

   (1) An insurer that operates a health maintenance organization as a division or a line of business shall possess and maintain policyholder’s surplus, including paid-in capital stock if any, as otherwise required by this section and in addition shall meet the surplus requirements of section 4204-A.

   (2) A nonprofit hospital or medical service organization that operates a health maintenance organization as a division or as a line of business shall possess and maintain subscriber reserves as defined in section 2301, subsection 9-A, paragraph H, subparagraph (2) and in an amount required by the superintendent and in addition shall meet the surplus requirements of section 4204-A. [1993, c. 702, Pt. A, §7 (NEW).]

2. Capital and surplus requirements are based upon all the kinds of insurance transacted by the insurer in any and all areas in which it operates or proposes to operate, whether or not only a portion of such kinds are to be transacted in this State. [1969, c. 132, §1 (NEW).]

3. As to surplus required for authority to transact one or more kinds of insurance and thereafter to be maintained, domestic mutual legal reserve insurers hereafter formed are governed by chapter 47. [1991, c. 385, §2 (AMD).]

§411. INSURING COMBINATIONS WITHOUT ADDITIONAL CAPITAL FUNDS

   [1969, c. 132, §1 (NEW).]

   [1969, c. 132, §1 (NEW).]

SECTION HISTORY

§412. DEPOSITS

1. No insurance company other than a domestic real estate title insurance company or a domestic
mutual fire insurance company that is transacting only the business of fire, marine or glass on the assessment
plan may do so in this State unless it makes and maintains a deposit with the Superintendent of Insurance,
as security for all its policyholders, of securities that are determined eligible for deposit under section 1253.
The deposit must be maintained in a minimum actual market value that, exclusive of interest, may never be
less than $100,000. The deposit must be retained by the superintendent and disposed of as directed by section
1263.
   [1999, c. 113, §16 (AMD).]

2. Any admitted foreign insurance company may file with the superintendent a certificate of the
insurance supervisory official of such other jurisdiction that he holds in trust and on deposit for benefit of
all the policyholders of the company a deposit of not less than $100,000 in such securities as are required or
permitted to be deposited with him by the laws of that jurisdiction. These securities are to be of a character
consistent with investment authority in such jurisdiction. Such certificate shall contain a statement by said
supervisory official that he is satisfied that the actual market value of these securities is of minimum value of
$100,000. No deposit shall be required to be maintained in this State while such a deposit, if so certified, is
retained by said supervisory official.
   [1975, c. 77, (RPR).]

3. The superintendent shall receive and hold in trust deposits made under this section by any domestic
insurance company in compliance with the laws of this or any other state, to enable it to do business in this
or any other state, and in like manner shall hold deposits made by a foreign company under the laws of this
State. The company making such deposit shall be entitled to any investment income thereon and with the
superintendent's consent, if not inconsistent with the laws under which such deposit was made, may exchange
in whole or in part such securities comprising the deposit for other approved securities of equal value.
   [1975, c. 77, (RPR).]
4. The superintendent shall not authorize an alien insurer to transact insurance in this State unless it makes in this State through the superintendent and thereafter continuously maintains a deposit, representing funds in excess of all the insurer's liabilities under insurance contracts in force in the United States of America, of a fair market value in amount not less than the minimum paid-in capital stock required under this Title of a foreign stock insurer authorized to transact like kinds of insurance in this State. The superintendent may require additional trusteed surplus funds in reasonable amount to secure the interest of beneficiaries under policies insured by the alien insurer. In addition to the foregoing trusteed surplus account, an alien insurer authorized pursuant to this Title shall establish and maintain in one or more states of the United States a deposit or deposits of trust assets of a kind and quality as generally required by this section. The value of the deposit or deposits shall be at least equal to those obligations resulting from insurance in force in the United States. The deposit or deposits shall, if located outside the State, be subject to administration standards comparable to those contained in this Title. The deposit shall be held in trust for the exclusive benefit of the insurer's policyholders and creditors in the United States of America.

A. In lieu of such a deposit made or maintained in this State, the superintendent shall accept the certificate in proper form of the insurance supervisory official having general supervision of insurers in any other state to the effect that a deposit of like quality and amount, or part thereof, by such insurer is being maintained for like purposes in public custody or control pursuant to the laws of such state.

[1975, c. 77, (NEW).]

[1985, c. 330, §2 (AMD).]

5. All such deposits in this State are subject to the provisions of chapter 15 (Administration of Deposits).

[1975, c. 77, (NEW).]

§413-A. ALIEN INSURER; PORT OF ENTRY

1. Port of entry. An alien insurer that has been authorized by the superintendent to use the State as its port of entry for the transaction of business in the United States is considered a domestic insurer to the extent provided in this section. An alien insurer that has been approved by another state to use that state as its port of entry is considered to be domiciled in that state in the same manner, if there is a valid reciprocity agreement between that state and this State or if the superintendent has determined that the applicable laws of that state are substantially similar to this section and its implementing rules.

[ 1999, c. 113, §17 (AMD) .]

2. Rules. The superintendent shall adopt rules establishing the terms and conditions of port of entry authorization, which include without limitation:

A. The requirements an alien insurer must satisfy to qualify for port of entry authorization. These requirements must include, at a minimum:

   (1) Agreement to adhere to all laws applicable to domestic insurers;
   (2) Maintenance of appropriate trust surplus or other adequate security within the State;
   (3) Maintenance of records of all United States operations within the State; and
   (4) Maintenance of a separate financial reporting system for United States operations; [1995, c. 375, Pt. D, §1 (NEW).]

[ 1995, c. 375, Pt. D, §1 (NEW) .]

§414. ISSUANCE, REFUSAL OF AUTHORITY, OWNERSHIP OF CERTIFICATE

1. If upon completion of its application, the superintendent finds that the insurer has met the requirements therefor under this Title, and that the insurer has furnished evidence satisfactory to him that its methods of operation are not such as would render its proposed operation hazardous to the public or its policyholders in this State, the superintendent shall issue to the insurer a proper certificate of authority; otherwise, the superintendent shall issue his order refusing such certificate.

[ 1973, c. 585, §12 (AMD) .]
2. The certificate of authority, if issued, shall state the insurer's name, home office address, state or country of organization, and the kinds of insurance the insurer is authorized to transact throughout this State. At the insurer's request, the superintendent may issue a certificate of authority limited to particular types of insurance or coverages within a kind of insurance as defined in chapter 9.

[1973, c. 585, §12 (AMD).]

3. Although issued and delivered to the insurer, the certificate of authority at all times shall be the property of the State of Maine. Upon any expiration, suspension or termination thereof, the insurer shall promptly deliver the certificate to the superintendent.

[1973, c. 585, §12 (AMD).]

4. Insurers required to file an annual statement must, as a condition to the issuance or continuance of a certificate of authority, provide the National Association of Insurance Commissioners with all information required for participation in the Insurance Regulatory Information System. This filing must contain the insurer's current annual statement convention blank and, if requested by the superintendent or the National Association of Insurance Commissioners, publicly available financial reports of any affiliated insurers or other entities necessary for analyzing any insurer licensed in this State. Each statement furnished by an insurer must be manually executed by those persons who are required by section 423 to verify an annual statement utilizing the prescribed jurat. Any amendments and addendums to the annual statement subsequently filed with the superintendent must also be filed with the National Association of Insurance Commissioners. Insurers shall provide written certification to the superintendent that they have complied with this subsection when they file their annual statements. This subsection does not apply to any insurer doing business under chapter 51.

In the absence of bad faith, fraud or intentional act, an officer or an employee of the National Association of Insurance Commissioners may not be subject to civil liability for libel, slander or any other cause of action in tort as a result of processing data or other information filed by insurers under this subsection or distribution of reports prepared on the basis of that information to insurance regulatory officials of any state that has subscribed to and used the Insurance Regulatory Information System through the National Association of Insurance Commissioners. Information provided to the superintendent that is held confidential by the National Association of Insurance Commissioners must be held confidential by the superintendent unless that information is relevant to any hearing conducted by the superintendent pursuant to section 229 or an order requiring disclosure is issued by the Superior Court.

[1991, c. 828, §13 (AMD).]

5. The superintendent may require insurers subject to this section to make available any accountant's work papers created during an audit.

A. The superintendent may review the accountant's work papers upon timely notice to the insurer. The superintendent may photocopy or otherwise record the contents of work papers during the review.

B. Any work papers or copies of work papers under the superintendent's custody or control are confidential and are not subject to public inspection.

C. The work papers of an insurer's subsidiaries, parent or other corporate affiliates are deemed to be the insurer's work papers to the extent that the work papers reference transactions between the insurer and the subsidiary, parent or corporate affiliate and affect the insurer's final equity determination.

D. The insurer shall, as a condition of the accountant's engagement, require accountants:

(1) To retain any work papers prepared in connection with an audit of the insurer for at least 6 years after the close of a reporting period; and
(2) To provide the work papers, or a copy, to the insurer at the insurer's request. [1989, c. 846, Pt. C, §3 (NEW); 1989, c. 846, Pt. E, §4 (AFF).]

E. For purposes of this subsection, the term "work papers" includes, but is not limited to, schedules, analyses, reconciliations, abstracts, memoranda, narratives, flow charts, copies of company records or other documents prepared or obtained by the accountant and the accountant's employees in conducting the examination of the insurer. [1989, c. 846, Pt. C, §3 (NEW); 1989, c. 846, Pt. E, §4 (AFF).]

§415. CONTINUATION OF CERTIFICATE OF AUTHORITY

1. A certificate of authority continues in force as long as the insurer is entitled under this Title and until suspended or revoked by the superintendent or terminated at the insurer's request.

   C. [1995, c. 544, §3 (RP).]

2. [1995, c. 544, §4 (RP).]

3. The superintendent may, upon the insurer's request made within 3 months after suspension, reinstate a certificate of authority that the superintendent suspended due to the insurer's failure to pay the annual fee upon payment by the insurer of the fee for reinstatement specified in section 601. Otherwise the insurer may be granted another certificate of authority only after filing application therefor and meeting all other requirements as for an original certificate of authority in this State.

   [1997, c. 592, §11 (AMD).]

4. [1997, c. 592, §11 (RP).]

5. [1997, c. 592, §11 (RP).]

The insurer shall submit its plan at least 60 days prior to its proposed date of withdrawal. The plan shall include, but not be limited to, requirements and procedures for meeting the insurer's existing contractual obligations, providing security in the event of a subsequent insolvency and meeting any applicable statutory obligations. The plan shall also comply with any further terms and conditions which are prescribed by rules adopted by the superintendent. In order to protect the interest of the people of this State, the superintendent may require the insurer to make a deposit of securities of a nature and type eligible under section 1253, to be held in trust by the treasurer in the name of the superintendent. [1985, c. 330, §5 (NEW).]

If an insurer's license authority is revoked, suspended or otherwise terminated in a manner other than by its election, the superintendent shall issue an order which prescribes terms and conditions related to the license termination which shall, to the extent practicable, conform to the requirements governing withdrawal plans as prescribed by this section and rules promulgated under this section. In the event that an insurer attempts to terminate its license authority in this State without filing a withdrawal plan acceptable to the superintendent, the superintendent shall issue an order prescribing the terms and conditions of the termination. Any order issued pursuant to this section, including an order directing an insurer to produce relevant information, may be enforced as provided by section 214. [1985, c. 330, §5 (NEW).]

E. For failure of the insurer to pay taxes on its premiums as required by law. [1969, c. 132, §1 (NEW).]

2. Except in case of insolvency or impairment of required capital or surplus, or suspension or revocation by another state as referred to in subsection 1, paragraph D, the superintendent shall give the insurer at least 20 days notice in advance of any such refusal, suspension or revocation under this section and of the particulars of the reasons therefor. If the insurer requests a hearing thereon within the 20 days, the request shall automatically stay the superintendent's proposed action until his order is made on that hearing. Hearings held pursuant to this subsection shall be held in conformity with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter IV.

[ 1983, c. 419, §1 (AMD).]
3. If an action initiated by the superintendent to suspend or revoke an insurer's certificate of authority is based on subsection 1, paragraphs B or C, a sworn statement of financial condition of the insurer signed by an officer of the insurer which indicates that the insurer no longer meets the requirements for a certificate of authority shall be prima facie proof that the requirements for a certificate of authority are not met.

Notwithstanding Title 4, chapter 5 and Title 5, section 10051, the superintendent may refuse to continue or may suspend or revoke an insurer's certificate of authority if the superintendent finds, after a hearing thereon or upon waiver of hearing by the insurer, that the insurer has violated or failed to comply with any lawful order of the superintendent, or has willfully violated or willfully failed to comply with any lawful rule of the superintendent, or has violated any provision of this Title other than those for violation of which suspension or revocation is mandatory.

2. The superintendent shall suspend or revoke an insurer's certificate of authority on any of the following grounds, if he finds after a hearing held in conformity with the Maine Administrative Procedure Act, Title 5, chapter 375, subchapter IV, that the insurer:

A. §423-C. REPORTS OF MATERIAL TRANSACTIONS

1. Report required. Every domestic insurer must file a report with the superintendent, on or before the 15th day of each month, if it has engaged in a material investment or reinsurance transaction during the preceding month that has not already been separately reported to the superintendent or submitted to the superintendent for prior review.

[1995, c. 375, Pt. A, §1 (NEW).]

2. Material transactions defined. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Material investment transaction" means an acquisition or disposition of an asset or the aggregate of a series of related acquisitions or related dispositions during a 30-day period that is nonrecurring, not in the ordinary course of business and involving more than 5% of the reporting insurer's total admitted assets as reported in its most recent statutory statement filed with the superintendent. Asset acquisitions and dispositions include without limitation a purchase, sale, lease, exchange, merger, consolidation, succession, mortgage, hypothecation, assignment, whether for the benefit of creditors or otherwise, abandonment or destruction. Asset acquisition does not include the construction or development of real property for the use of the reporting insurer or the acquisition of materials for such construction or development. [1995, c. 375, Pt. A, §1 (NEW).]

B. "Material reinsurance transaction" means:

(1) A transaction involving property and casualty business, including accident and health business written by a property and casualty insurer, that involves more than 50% of either the insurer's total ceded written premium or the insurer's total ceded indemnity and loss adjustment reserves;

(2) A transaction involving life, annuity or accident and health business that causes a change, either positive or negative, in the current total reserve credit taken for all life, annuity and accident and health business of more than 50% from the total reserve credit taken for such business in the insurer's most recent annual statement. "Total reserve credit" includes reserve credit taken for unearned premiums, reserve credit taken other than for unearned premiums and amounts recoverable on paid and unpaid losses for all reinsurance ceded;

(3) Any transaction in which either:

(a) An authorized reinsurer representing more than 10% of the insurer's total reserve credit for business ceded is replaced by one or more unauthorized reinsurers; or

(b) Previously established collateral requirements have been reduced or waived for one or more unauthorized reinsurers representing collectively more than 10% of the insurer's total reserve credit for business ceded; or

(4) Transactions otherwise falling within the scope of this paragraph do not need to be reported if:

(a) In the case of a property and casualty insurer, the insurer's total ceded written premium represents, on an annualized basis, less than 10% of its total written premium for direct and assumed business;
(b) In the case of a life, annuity and accident and health insurer, the total reserve credit taken
for business ceded represents, on an annualized basis, less than 10% of the statutory reserve
requirement before any cession; or

(c) The transaction falls within the scope of a previously reported reinsurance agreement.
[1995, c. 2, §51 (COR).]

3. Reporting procedures. Reports for material investment transactions and material reinsurance
transactions must follow the following procedures.

A. A report of a material investment transaction must include the following information:

1. Date of the transaction;
2. Manner of acquisition or disposition;
3. Description of the assets involved;
4. Nature and amount of the consideration given or received;
5. Purpose of or reason for the transaction;
6. Manner by which the amount of consideration was determined;
7. Gain or loss recognized or realized as a result of the transaction; and

B. A report of a material reinsurance transaction must include the following information:

1. Effective date of the nonrenewal, cancellation or revision of the reinsurance agreement affected
by the transaction;
2. The description of the transaction with an identification of the initiator of the transaction;
3. Purpose of or reason for the transaction; and
4. If applicable, the identity of the replacement reinsurers. [1995, c. 375, Pt. A, §1 (NEW).]

C. Material transactions must be reported on a nonconsolidated basis unless the insurer is part of a
consolidated group of insurers that uses a pooling arrangement of 100% reinsurance agreement that
affects the solvency and integrity of the insurer’s reserves, and the insurer has ceded substantially all of
its direct and assumed business to the pool. An insurer is considered to have ceded substantially all of
its direct and assumed business to a pool if the insurer has less than $1,000,000 total direct and assumed
written premiums during a calendar year that are not subject to a pooling arrangement and the net income
of the business not subject to the pooling arrangement represents less than 5% of the insurer’s capital and
surplus. [1995, c. 375, Pt. A, §1 (NEW).]

[1995, c. 375, Pt. A, §1 (NEW).]

4. Confidentiality. All reports obtained by or disclosed to the superintendent pursuant to this section
are confidential, are not subject to subpoena and may not be made public by the superintendent, the National
Association of Insurance Commissioners or any other person, except to insurance departments of other states,
without the prior written consent of the insurer to which it pertains. If the superintendent, after giving the
insurer that would be affected notice and an opportunity for hearing, determines that publication is in the interest of policyholders, shareholders or the public, the superintendent may publish all or any part of a report in the manner the superintendent determines to be appropriate.
