1. **Definitions.** As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Carrier" means any insurance company, nonprofit hospital and medical service organization or health maintenance organization authorized to issue small group health plans in this State. For the purposes of this section, carriers that are affiliated companies or that are eligible to file consolidated tax returns are treated as one carrier and any restrictions or limitations imposed by

this section apply as if all small group health plans delivered or issued for delivery in this State by affiliated carriers were issued by one carrier. For purposes of this section, health maintenance organizations are treated as separate organizations from affiliated insurance companies and nonprofit hospital and medical service organizations. [PL 1991, c. 861, §2 (NEW).]

B. "Community rate" means the rate to be charged to all eligible groups for small group health plans prior to any adjustments pursuant to subsection 2, paragraphs C and D. [PL 1991, c. 861, §2 (NEW).]

C. "Eligible employee" means an employee who works on a full-time basis, with a normal work week of 30 hours or more. "Eligible employee" includes a sole proprietor, a partner of a partnership or an independent contractor, but does not include employees who work on a temporary or substitute basis. An employer may elect to treat as eligible employees part-time employees who work a normal work week of 10 hours or more as long as at least one employee works a normal work week of 30 hours or more. An employer may elect to treat as eligible employees employees who retire from the employer's employment. [PL 1999, c. 256, Pt. P, §1 (AMD).]

D. "Eligible group" means any person, firm, corporation, partnership, association or subgroup engaged actively in a business that employed an average of 50 or fewer eligible employees during the preceding calendar year.

(1) If an employer was not in existence throughout the preceding calendar year, the determination must be based on the average number of employees that the employer is reasonably expected to employ on business days in the current calendar year.

(2) In determining the number of eligible employees, companies that are affiliated companies or that are eligible to file a combined tax return for purposes of state taxation are considered one employer.

(3) A group is not an eligible group if there is any one other state where there are more eligible employees than are employed within this State and the group had coverage in that state or is eligible for guaranteed issuance of coverage in that state.

(4) An employer qualifies as an eligible group for 2-person coverage if the employer provides a carrier with the following information demonstrating that the employer's business and employees meet the minimum qualifications for group coverage in paragraph C:

(a) A copy of the most recent quarterly combined filing for income tax withholding and unemployment contributions, Form 941/C1-ME;

(b) For an employee claimed to be an employee eligible for group coverage whose name is not listed on Form 941/C1-ME, a copy of the employer's payroll records for the most recent 3 months showing tax withholding or a wage report from a payroll company showing wages paid to that employee for the most recent quarter with tax withholding;

(c) If an employer is exempt from filing Form 941/C1-ME for group coverage, documentation of that exemption and a copy of the employer's payroll records for the most recent 3 months showing tax withholding or a wage report from a payroll company showing wages paid to that employee for the most recent quarter with tax withholding; or

(d) If the name of the business owner or employee does not appear on Form 941/C1-ME, a copy of one of the following:

(i) Federal income tax Form Schedule C or Schedule F;

(ii) Federal income tax Form 1120S, Schedule K-1;

(iii) Federal income tax Form 1065, Schedule K-1;

- (iv) A workers' compensation insurance audit or evidence of a waiver of benefits under Title 39-A;
- (v) A description of operations in a commercial general liability insurance policy or equivalent insurance policy providing coverage for the business; or
- (vi) A signature card from a financial institution or credit union authorizing the employee to sign checks on a business checking or share draft account that is at least 6 months old; a notarized affidavit from the employer describing the duties of the employee and the average number of hours worked by the employee and attesting that the employer is not defrauding the carrier and is aware of the consequences of committing fraud or making a material misrepresentation to the carrier, including a loss of coverage and benefits; and, if the group coverage is purchased through a producer, a notarized affidavit from the producer affirming the producer's belief that the employer qualifies as an eligible group for coverage.

In determining if a new business or a business that adds an owner or a new employee to payroll during the course of a year qualifies as an eligible group for 2-person coverage under this subparagraph, the employer must submit an affidavit stating that all employees meet the criteria in this subparagraph and that the documentation and forms required under this subparagraph will be provided to the carrier when payroll records become available, when ownership distribution forms become available or the first renewal date of the coverage, whichever date is earlier. A false affidavit or misrepresentation on an affidavit submitted by an employer may result in the loss of group coverage and repayment of claims paid. This subparagraph may not be construed to prohibit a carrier from recognizing an employer as an eligible group if the employer has not produced the documentation required in this subparagraph.

This subparagraph applies only to an employer applying for group health insurance coverage as a 2-person group from October 1, 2001 to December 31, 2013. [PL 2011, c. 364, §9 (AMD).]

E. "Late enrollee" means an eligible employee or dependent who requests enrollment in a small group health plan following the initial minimum 30-day enrollment period provided under the terms of the plan, except that, an eligible employee or dependent is not considered a late enrollee if the eligible employee or dependent meets the requirements of section 2849-B, subsection 3, paragraph A, B, C-1 or D. [PL 1997, c. 777, Pt. B, §2 (AMD).]

F. "Premium rate" means the rate charged to an eligible group or eligible individual for a small group health plan. [PL 1991, c. 861, §2 (NEW).]

G. "Small group health plan" means any hospital and medical expense-incurred policy; health, hospital or medical service corporation plan contract; or health maintenance organization subscriber contract covering an eligible group. "Small group health plan" does not include the following types of insurance:

- (1) Accident;
- (2) Credit;
- (3) Disability;
- (4) Long-term care or nursing home care;
- (5) Medicare supplement;
- (6) Specified disease;

(11) Insurance under which benefits are payable with or without regard to fault and that is required statutorily to be contained in any liability insurance policy or equivalent self-insurance. [PL 1991, c. 861, §2 (NEW).]

H. "Subgroup" means an employer with 50 or fewer employees within an association, a multiple employer trust, a private purchasing alliance or any similar subdivision of a larger group covered by a single group health policy or contract. For group policies issued to an employee leasing company as defined in Title 32, chapter 125, each client having 50 or fewer employees is considered a separate subgroup. [PL 2009, c. 244, Pt. F, §2 (AMD).]

[PL 2011, c. 364, §9 (AMD).]

2. Rating practices. The following requirements apply to the rating practices of carriers providing small group health plans. This subsection does not apply to policies issued before January 1, 1998 to eligible groups that employed, on average, 25 to 50 eligible employees until their first renewal date on or after January 1, 1998.

A. [PL 2003, c. 469, Pt. E, §14 (RP).]

B. A carrier may not vary the premium rate due to the gender, health status, claims experience or policy duration of the eligible group or members of the group or any other rating factor not specified in this section. [PL 2019, c. 5, Pt. A, §9 (AMD).]

C. A carrier may vary the premium rate due to family membership and participation in wellness programs. The premium rate for a family must equal the sum of the premiums for each individual in the family, except that it may not be based on more than 3 dependent children who are less than 21 years of age. The superintendent may adopt rules setting forth appropriate methodologies regarding rate discounts for participation in wellness programs. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A. [PL 2019, c. 5, Pt. A, §10 (AMD).]

C-1. A carrier may vary the premium rate due to geographic area in accordance with the limitation set out in this paragraph. For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between October 1, 2011 and December 31, 2023, the rating factor used by a carrier for geographic area may not exceed 1.5. For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2024, the rating factor used by a carrier for geographic area may not exceed 1.25. [PL 2021, c. 655, §2 (AMD).]

D. A carrier may vary the premium rate due to age and tobacco use in accordance with the limitations set out in this paragraph. A carrier that varies the premium rate due to age must vary the premium rate according to a uniform age curve. The superintendent shall adopt rules establishing a uniform age curve that is substantially similar to the age curve in effect on January 1, 2019 under the federal Affordable Care Act. Rules adopted under this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

(1) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1993 and July 14, 1994, the premium rate may not deviate above or below the community rate filed by the carrier by more than 50%.

(2) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1994 and July 14, 1995, the premium rate may not deviate above or below the community rate filed by the carrier by more than 33%.

- (3) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between July 15, 1995 and September 30, 2011, the premium rate may not deviate above or below the community rate filed by the carrier by more than 20%.
- (4) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between October 1, 2011 and September 30, 2012, the maximum rate differential due to age filed by the carrier as determined by ratio is 2 to 1. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.
- (5) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between October 1, 2012 and December 31, 2013, the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 2.5 to 1. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.
- (6) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between January 1, 2014 and December 31, 2014, the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 3 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.
- (7) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between January 1, 2015 and December 31, 2015, the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 4 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.
- (8) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2016, except as provided in subparagraph (10), the maximum rate differential due to age and group size filed by the carrier as determined by ratio is 5 to 1 to the extent permitted by the federal Affordable Care Act. The limitation does not apply for determining rates for an attained age of less than 19 years of age or more than 65 years of age.
- (9) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between October 1, 2011 and December 31, 2022, the maximum rate differential due to tobacco use filed by the carrier as determined by ratio is 1.5 to 1, except that the carrier may not apply a rate differential pursuant to this subparagraph when the covered individual is participating in an evidence-based tobacco cessation strategy approved by the United States Department of Health and Human Services, Food and Drug Administration. For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State between January 1, 2023 and December 31, 2023, the maximum rate differential due to tobacco use filed by the carrier as determined by ratio is 1.25 to 1, except that the carrier may not apply a rate differential pursuant to this subparagraph when the covered individual is participating in an evidence-based tobacco cessation strategy approved by the United States Department of Health and Human Services, Food and Drug Administration. For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2024, a carrier may not vary the premium rate due to tobacco use.
- (10) For all policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after the effective date of this Act, the maximum rate

differential due to age filed by the carrier as determined by ratio is 3 to 1 for individuals 21 years of age and older on the first day of coverage under the policy, contract or certificate. The variation in rate due to age must be actuarially justified for individuals under 21 years of age consistent with the uniform age rating curve adopted under this paragraph. [PL 2021, c. 344, §2 (AMD).]

D-1. [PL 2011, c. 90, Pt. A, §9 (RP).]

D-2. Notwithstanding the requirements of paragraph D, rates with respect to employees whose work site is not in this State may be based on area adjustment factors appropriate to that location. [RR 1997, c. 1, §22 (RAL).]

E. The superintendent may authorize a carrier to establish a separate community rate for an association group organized pursuant to section 2805-A or a trustee group organized pursuant to section 2806 consistent with the provisions of this paragraph and applicable federal law.

(1) Association group membership or eligibility for participation in the trustee group may not be conditioned on health status, claims experience or other risk selection criteria.

(2) All health plans offered by the carrier through that association or trustee group must be made available on a guaranteed issue basis to all eligible employers that are members of the association or are eligible to participate in the trustee group except that a professional association may require that a minimum percentage of the eligible professionals employed by a subgroup be members of the association in order for the subgroup to be eligible for issuance or renewal of coverage through the association. The minimum percentage must not exceed 90%. For purposes of this subparagraph, "professional association" means an association that:

(a) Serves a single profession that requires a significant amount of education, training or experience or a license or certificate from a state authority to practice that profession;

(b) Has been actively in existence for 5 years;

(c) Has a constitution and bylaws or other analogous governing documents;

(d) Has been formed and maintained in good faith for purposes other than obtaining insurance;

(e) Is not owned or controlled by a carrier or affiliated with a carrier;

(f) Has at least 1,000 members if it is a national association; 200 members if it is a state or local association;

(g) All members and dependents of members are eligible for coverage regardless of health status or claims experience; and

(h) Is governed by a board of directors and sponsors annual meetings of its members.

(3) The aggregate rate charged by the carrier to the association or trustee group is considered a large group rate, and the terms of coverage are considered a large group health plan. Rates for participating employers within the group may vary only as permitted by paragraphs B to D-2.

(4) Producers may only market association memberships, accept applications for membership or sign up members in a professional association in which the individuals are actively engaged in or directly related to the profession represented by the professional association.

(5) Carriers may not be reinsured under section 3958 for coverage issued under this paragraph.

(6) Except for employers with plans that have grandfathered status under the federal Affordable Care Act, this paragraph does not apply to policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January

- 1, 2014 until December 31, 2019. To the extent permitted under the federal Affordable Care Act, this paragraph applies to policies, contracts or certificates that are executed, delivered, issued for delivery, continued or renewed in this State on or after January 1, 2020. [PL 2019, c. 653, Pt. B, §3 (RPR).]
- F. Premium rates charged to a private purchasing alliance, as defined by chapter 18-A, may be reduced in accordance with rules adopted pursuant to that chapter. [PL 1995, c. 673, Pt. A, §6 (NEW).]
- G. [PL 2003, c. 469, Pt. E, §15 (RP).]
- H. [PL 2019, c. 5, Pt. A, §12 (RP).]
- I. Except for plans that have grandfathered status under the federal Affordable Care Act, beginning January 1, 2014, a carrier shall consider all enrollees in all small group health plans offered by the carrier to be members of a single risk pool to the extent required by the federal Affordable Care Act. [PL 2011, c. 364, §14 (NEW).]
- [PL 2021, c. 655, §2 (AMD).]

2-A. Rate filings. A carrier offering small group health plans shall file with the superintendent the community rates for each plan and every rate, rating formula and classification of risks and every modification of any formula or classification that it proposes to use.

A. Every filing must state the effective date of the filing. Every filing must be made not less than 60 days in advance of the stated effective date, unless the 60-day requirement is waived by the superintendent. The effective date may be suspended by the superintendent for a period of time not to exceed 30 days. [PL 2009, c. 244, Pt. C, §7 (AMD).]

B. A filing and all supporting information, except for protected health information required to be kept confidential by state or federal statute and except for descriptions of the amount and terms or conditions or reimbursement in a contract between an insurer and a 3rd party, are public records notwithstanding Title 1, section 402, subsection 3, paragraph B and become part of the official record of any hearing held pursuant to subsection 2-B, paragraph B or section 2792, subsection 2. [PL 2019, c. 653, Pt. B, §4 (AMD).]

C. Rates for small group health plans must be filed in accordance with this section and subsections 2-B and 2-C or section 2792, as applicable, for premium rates effective on or after July 1, 2004. [PL 2023, c. 59, §5 (AMD).]

[PL 2023, c. 59, §5 (AMD).]

2-B. Rate review and hearings. Except as provided in subsection 2-C and section 2792, rate filings are subject to this subsection.

A. Rates subject to this subsection must be filed for approval by the superintendent. The superintendent shall disapprove any premium rates filed by any carrier, whether initial or revised, for a small group health plan unless it is anticipated that the aggregate benefits estimated to be paid under all the small group health plans maintained in force by the carrier for the period for which coverage is to be provided will return to policyholders at least 75% of the aggregate premiums collected for those policies, as determined in accordance with accepted actuarial principles and practices and on the basis of incurred claims experience and earned premiums. [PL 2023, c. 59, §6 (AMD).]

B. If at any time the superintendent has reason to believe that a filing does not meet the requirements that rates not be excessive, inadequate or unfairly discriminatory or that the filing violates any of the provisions of chapter 23, the superintendent shall cause a hearing to be held. Hearings held under this subsection must conform to the procedural requirements set forth in Title 5, chapter 375, subchapter 4. The superintendent shall issue an order or decision within 30 days

after the close of the hearing or of any rehearing or reargument or within such other period as the superintendent for good cause may require, but not to exceed an additional 30 days. In the order or decision, the superintendent shall either approve or disapprove the rate filing. If the superintendent disapproves the rate filing, the superintendent shall establish the date on which the filing is no longer effective, specify the filing the superintendent would approve and authorize the insurer to submit a new filing in accordance with the terms of the order or decision. [PL 2003, c. 469, Pt. E, §16 (NEW).]

C. When a filing is not accompanied by the information upon which the carrier supports the filing or the superintendent does not have sufficient information to determine whether the filing meets the requirements that rates not be excessive, inadequate or unfairly discriminatory, the superintendent shall require the carrier to furnish the information upon which it supports the filing. [PL 2011, c. 364, §15 (AMD).]

D. [PL 2023, c. 59, §7 (RP).]

E. [PL 2009, c. 244, Pt. C, §8 (RP).]

F. [PL 2009, c. 244, Pt. C, §9 (RP).]
[PL 2023, c. 59, §§6, 7 (AMD).]

2-C. Guaranteed loss ratio. Notwithstanding subsection 2-B, rate filings for a credible block of small group health plans may be filed in accordance with this subsection instead of subsection 2-B, except as otherwise provided in section 2792. Rates filed in accordance with this subsection are filed for informational purposes.

A. A block of small group health plans is considered credible if the anticipated average number of members during the period for which the rates will be in effect meets standards for full or partial credibility pursuant to the federal Affordable Care Act. The rate filing must state the anticipated average number of members during the period for which the rates will be in effect and the basis for the estimate. If the superintendent determines that the number of members is likely to be less than needed to meet the credibility standard, the filing is subject to subsection 2-B. [PL 2011, c. 364, §16 (AMD).]

A-1. [PL 2011, c. 364, §16 (RP).]

B. [PL 2011, c. 364, §16 (RP).]

C. [PL 2011, c. 364, §16 (RP).]

D. [PL 2011, c. 364, §16 (RP).]

E. [PL 2011, c. 364, §16 (RP).]
[PL 2019, c. 653, Pt. B, §7 (AMD).]

3. Coverage for late enrollees. In providing coverage to late enrollees, small group health plan carriers are allowed to exclude or limit coverage for a late enrollee subject to the limitations set forth in section 2849-B, subsection 3.

[PL 1999, c. 256, Pt. L, §1 (AMD).]

4. Guaranteed issuance and guaranteed renewal. Carriers providing small group health plans must meet the following requirements on issuance and renewal.

A. Any small group health plan offered to any eligible group or subgroup must be offered to all eligible groups that meet the carrier's minimum participation requirements, which may not exceed 75%, to all eligible employees and their dependents in those groups. In determining compliance with minimum participation requirements, eligible employees and their dependents who have existing health care coverage may not be considered in the calculation. If an employee declines coverage because the employee has other coverage, any dependents of that employee who are not

eligible under the employee's other coverage are eligible for coverage under the small group health plan. A carrier may deny coverage under a managed care plan, as defined by section 4301-A:

- (1) To employers who have no employees who live, reside or work within the approved service area of the plan; and
- (2) To employers if the carrier has demonstrated to the superintendent's satisfaction that:
 - (a) The carrier does not have the capacity to deliver services adequately to additional enrollees within all or a designated part of its service area because of its obligations to existing enrollees; and
 - (b) The carrier is applying this provision uniformly to individuals and groups without regard to any health-related factor.

A carrier that denies coverage in accordance with this subparagraph may not enroll individuals residing within the area subject to denial of coverage, or groups or subgroups within that area for a period of 180 days after the date of the first denial of coverage. [RR 2001, c. 1, §32 (COR).]

B. Renewal is guaranteed under section 2850-B. [PL 1997, c. 445, §17 (RPR); PL 1997, c. 445, §32 (AFF).]
[RR 2001, c. 1, §32 (COR).]

5. Cessation of business.

[PL 1997, c. 445, §18 (RP); PL 1997, c. 445, §32 (AFF).]

6. Fair marketing standards. Carriers providing small group health plans must meet the following standards of fair marketing.

A. Each carrier must actively market small group health plan coverage, including any standardized plans required to be offered pursuant to subsection 8-A, to eligible groups in this State. [PL 2009, c. 439, Pt. D, §2 (AMD).]

B. A carrier or representative of the carrier may not directly or indirectly engage in the following activities:

- (1) Encouraging or directing eligible groups to refrain from filing an application for coverage with the carrier because of any of the rating factors listed in subsection 2; and
- (2) Encouraging or directing eligible groups to seek coverage from another carrier because of any of the rating factors listed in subsection 2. [PL 1991, c. 861, §2 (NEW).]

C. A carrier may not directly or indirectly enter into any contract, agreement or arrangement with a representative of the carrier that provides for or results in the compensation paid to the representative for the sale of a small group health plan to be varied because of the rating factors listed in subsection 2. A carrier may enter into a compensation arrangement that provides compensation to a representative of the carrier on the basis of percentage of premium, provided that the percentage does not vary because of the rating factors listed in subsection 2. [PL 1991, c. 861, §2 (NEW).]

D. A carrier may not terminate, fail to renew or limit its contract or agreement of representation with a representative for any reason related to the rating factors listed in subsection 2. [PL 1991, c. 861, §2 (NEW).]

E. A carrier or representative of the carrier may not induce or otherwise encourage an eligible group to separate or otherwise exclude an employee from small group health plan coverage or benefits. [PL 1991, c. 861, §2 (NEW).]

F. Denial by a carrier of an application for coverage from an eligible group must be in writing and must state the reason or reasons for the denial. [PL 1991, c. 861, §2 (NEW).]

G. The superintendent may establish rules setting forth additional standards to provide for the fair marketing and broad availability of small group health plans in this State. [PL 1991, c. 861, §2 (NEW).]

H. A violation of this section by a carrier or a representative of the carrier is an unfair trade practice under chapter 23. If a carrier enters into a contract, agreement or other arrangement with a 3rd-party administrator to provide administrative, marketing or other services related to the offering of small group health plans in this State, the 3rd-party administrator is subject to this section as if it were a carrier. [PL 1991, c. 861, §2 (NEW).]

I. Notwithstanding any other provision of this section, prior to January 1, 2014, a carrier may choose whether it will offer to groups having only one member coverage under the carrier's individual health policies offered to other individuals in this State in accordance with section 2736-C or coverage under a small group health plan in accordance with this section, or both, but the carrier need not offer to groups of one both small group and individual health coverage. [PL 2011, c. 364, §17 (AMD).]
[PL 2011, c. 364, §17 (AMD).]

7. Applicability. This section applies to all policies, plans, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State on or after July 15, 1993. For purposes of this section, all contracts are deemed renewed no later than the next yearly anniversary date of the policy, plan, contract or certificate.
[PL 1995, c. 332, Pt. D, §4 (AMD).]

8. Standardized plans.
[PL 2001, c. 410, Pt. A, §7 (RP).]

8-A. Authority of the superintendent. The superintendent may by rule define one or more standardized small group health plans that must be offered by all carriers offering small group health plans in the State. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.
[PL 2009, c. 439, Pt. D, §3 (NEW).]

9. Reinsurance mechanism. Small group carriers, except nonprofit hospital and medical service organizations, may form a reinsurance pool for the purpose of reinsuring small group risks. This pool may not become operative until the superintendent has approved a plan of operation. The superintendent may approve a plan only after the superintendent determines that the plan is in the public interest and is consistent with this section. The participants in the plan of operation of the pool shall guarantee, without limitation, the solvency of the pool. That guarantee constitutes a permanent financial obligation of each participant on a pro rata basis.
[PL 1993, c. 325, §1 (NEW).]

§2809. Coverage of family, dependents; continuation of coverage

1. Any policy of group health insurance issued pursuant to sections 2804 (employee groups), 2805 (labor union groups), 2805-A (association groups), 2806 (trustee groups), 2807-A (credit union groups) or 2808 (other groups) may include coverage for members of the family or dependents of individuals otherwise insured in such groups.

[PL 1981, c. 147, §9 (AMD).]

1-A. Any such policy of group health insurance that provides coverage for family members or dependents of individuals in the insured group may not define the terms "family" or "dependent" to exclude from coverage those minor children of any covered individual who do not reside with that individual. Insurers must comply with 42 United States Code, Section 1396g-1.

[PL 1995, c. 418, Pt. C, §3 (AMD).]

2. Any group health insurance policy which contains provisions for the payment by the insurer of benefits for expenses incurred on account of hospital, nursing, medical or surgical services for members of the family or dependents of an individual in the insured group may provide for the continuation of such benefit provisions, or any part or parts thereof, after the death of such individual.

§2809-A. Conversion on termination of policy or eligibility

1. A group policy issued prior to January 1, 1996, that provides hospital, surgical or major medical expense insurance or any combination thereof, other than a policy that provides benefits for specific diseases or accidental injuries only, must contain a provision that if the insurance on an employee or member ceases because of termination of employment or termination of the policy or any portion of a policy, and the person has been continuously insured for a period of at least 3 months under the group policy or under the group policy and any prior group policy or contract providing similar benefits that it replaces, that person is entitled to have issued to that person by the insurer, without evidence of insurability, an individual policy or, at the insurer's option, a group certificate of health insurance, provided that application is made and the first premium paid to the insurer within 90 days after that termination. At the option of the employee or member, the converted policy may cover the employee or member, the employee or member and the employee or member's dependents or the dependents of the employee or member if, in the latter 2 cases, the dependents have been covered for a period of at least 3 months under the group policy, unless the dependent persons were not eligible for coverage until after the beginning of the 3-month period. The insurer has the option to provide the required coverage upon conversion through either a group or individual policy, and may issue a separate converted policy to cover any dependent. An insurer is not required to provide a conversion privilege if termination of insurance under the group policy occurred because the employee or member failed to pay any required contribution or if any discontinued group coverage is replaced by continuous and substantially similar group coverage within 31 days.

[PL 1995, c. 332, Pt. A, §8 (AMD).]

1-A. Notification of cancellation. An insurer may not cancel or refuse to renew any policy for hospital, surgical, dental or major medical expense insurance until the insurer has provided by first class mail at least 10 days' prior notification according to this section. The notice must include the date of cancellation of coverage and, if applicable, the time period for exercising policy conversion rights. The notice also must include an explanation of any applicable grace period. Notification is not required when the insurer has received written notice from the group policyholder that replacement coverage has been obtained.

A. Notice must be mailed to the group policyholder or subgroup sponsor. [PL 1995, c. 625, Pt. A, §25 (RPR).]

B. [PL 2003, c. 156, §2 (RP).]

B-1. At the time of notification under paragraph A, notice must be mailed to the certificate holder at the last address provided to the insurer by the subgroup sponsor, the group policyholder or the certificate holder. If the insurer does not have an address on file for the certificate holder, the notice must be mailed to the office of the subgroup sponsor, if any, or the group policy holder. The notice must also include information to the certificate holder about the availability of individual coverage as described in subsection 1-B. [PL 2003, c. 428, Pt. B, §2 (AMD).]

B-2. All notices of cancellation sent to certificate holders pursuant to paragraph B-1 must include a toll-free telephone number that certificate holders can call to determine if the policy has been cancelled for nonpayment of premium or if the policy has been reinstated because the premium has been paid. [PL 2009, c. 439, Pt. A, §1 (NEW).]

[PL 2009, c. 439, Pt. A, §1 (AMD).]

1-B. Notification of availability of individual coverage. An insurer shall provide forms to group policyholders, and certificate holders when required by subsection 1-A, for the purpose of informing terminating group members of their right to purchase any individual health plan available in this State, including their eligibility for any special enrollment period to purchase an individual health plan pursuant to the federal Affordable Care Act, and of the availability of public health coverage options available in this State, including but not limited to MaineCare coverage. An adequate supply of forms must be provided to each group policyholder when the policy is issued and at least annually after the policy is issued. The superintendent may prescribe the content of the form by routine technical rule pursuant to Title 5, chapter 375, subchapter 2-A. The form must include at least the following:

A. A statement that all state residents not eligible for Medicare have a right to purchase any individual health plan available in this State; [PL 1997, c. 604, Pt. B, §3 (NEW).]

B. A statement that in order to avoid a gap in coverage, the individual should apply for individual coverage prior to termination of group coverage; [PL 1997, c. 604, Pt. B, §3 (NEW).]

C. [PL 2021, c. 80, §1 (RP).]

D. A statement that information concerning individual coverage is available from the Bureau of Insurance. The bureau's toll-free telephone number must also be provided; [PL 2021, c. 80, §1 (AMD).]

E. A statement that termination of coverage may be a qualifying life event for a special enrollment period to purchase an individual health plan. The length of time for the relevant special enrollment period and the dates for the next annual open enrollment must also be provided; [PL 2021, c. 80, §1 (NEW).]

F. A statement that financial assistance may be available to eligible individuals to purchase a qualified health plan through the Maine Health Insurance Marketplace established in Title 22,

section 5403. The marketplace's publicly accessible website and the toll-free telephone number must also be provided; [PL 2021, c. 80, §1 (NEW).]

G. A statement that eligible individuals may qualify for free health coverage through MaineCare. The MaineCare program's publicly accessible website and toll-free telephone number must also be provided; and [PL 2021, c. 80, §1 (NEW).]

H. A statement that the individual may contact the Health Insurance Consumer Assistance Program established in section 4326 for help obtaining health insurance coverage, including additional information and assistance enrolling in coverage. The program's publicly accessible website, toll-free telephone number and e-mail address must also be provided. [PL 2021, c. 80, §1 (NEW).]
[PL 2021, c. 80, §1 (AMD).]

2. If a conversion privilege is applicable pursuant to subsection 1, it must also be available:

A. Upon the death of an employee or member, to the surviving spouse with respect to the spouse and the children whose coverage terminates by reason of that death, or if there is no surviving spouse to each surviving child whose coverage so terminates. If the group policy provides for continuation of dependents' coverage upon the death of the employee or member, the conversion privilege must be made available at the end of that continuation; [PL 1995, c. 332, Pt. A, §10 (AMD).]

B. To the spouse of a member or employee upon termination of coverage by reason of ceasing to be a qualified family member under the group policy whether by divorce or otherwise, whether or not the employee or member remains insured, with respect to the spouse and the children whose coverage terminates at the same time; [PL 1981, c. 606, §2 (NEW).]

C. To a child upon termination of coverage by reason of ceasing to be a qualified family member under the group policy if a conversion privilege is not otherwise provided with respect to that child in this subsection; or [PL 1995, c. 332, Pt. A, §10 (AMD).]

D. To an employee or member whose coverage would otherwise continue under the group policy upon retirement prior to eligibility for coverage under Medicare, "United States Insurance for the Aged Act," Title XVIII of the Social Security Amendments of 1965, Public Law 89-97, as amended, at the option of that employee or member in lieu of continued coverage under the group policy. [PL 1981, c. 606, §2 (NEW).]
[PL 1995, c. 332, Pt. A, §10 (AMD).]

3. The insurer shall not be required to issue a converted policy covering an otherwise eligible person:

A. If:

(1) That person is eligible for Medicare; or

(2) That person:

(a) Is covered for similar benefits by any other plan or program;

(b) Is eligible for similar benefits under any group coverage arrangement whether on an insured or uninsured basis; or

(c) Has similar benefits provided for or available to the person pursuant to requirements of any state or federal law; and [RR 2021, c. 1, Pt. B, §243 (COR).]

B. The benefits as described in paragraph A, subparagraph 2, division (a) (b) or (c) provided for or available to the person together with the benefits provided by the converted policy would result in overinsurance according to standards which have been filed by the insurer prior to denial of coverage and approved by the superintendent. [PL 1981, c. 606, §2 (NEW).]
[RR 2021, c. 1, Pt. B, §243 (COR).]

3-A. Policies issued or renewed on or after January 1, 1996. An insurer that offers individual health plans pursuant to section 2736-C is permitted, but not required, to include a conversion privilege in group policies issued or renewed on or after January 1, 1996. If the insurer does include a conversion privilege in those policies, individuals exercising these rights must be offered a choice of any individual health plan offered by the insurer. An insurer that does not offer individual health plans pursuant to section 2736-C may not include a conversion privilege in group policies issued or renewed on or after January 1, 1996.

[PL 1995, c. 332, Pt. A, §11 (NEW).]

4. The premium on the converted policy must be determined in accordance with premium rates applicable to individually underwritten standard risks for the age and class of risk of each person to be covered and the type and amount of insurance provided. Experience under converted policies is not an acceptable basis for establishing rates for converted policies, except to the extent permitted by rules adopted by the superintendent.

The superintendent may establish maximum rates by rule for standard benefit options.

Maximum rates do not apply if all of the following conditions are met:

A. Conversion is provided through a form that is also issued to members of the general public applying for an individual health plan pursuant to section 2736-C; [PL 1995, c. 332, Pt. A, §12 (AMD).]

B. The rates for that form comply with section 2736-C; and [PL 1995, c. 332, Pt. A, §12 (AMD).]

C. The rates have been filed pursuant to section 2736. [PL 1991, c. 668, §2 (NEW).]

[PL 1995, c. 332, Pt. A, §12 (AMD).]

5. The effective date of the converted policy shall be the date of termination of the individual's insurance under the group policy.

[PL 1981, c. 606, §2 (NEW).]

6. A converted policy issued under this section must conform to rules adopted by the superintendent. These rules must ensure that continuity of coverage with similar benefits as determined by the superintendent is offered. The rules must also specify plans with more limited benefits that must be offered, but may not require an insurer to provide benefits in excess of those provided under the group policy from which conversion is made.

[PL 1991, c. 668, §2 (AMD).]

7. Notice. Notice of the conversion privilege, if one is applicable, must be included in each certificate of coverage.

[PL 1995, c. 332, Pt. A, §13 (AMD).]

8. A converted policy issued pursuant to this section which is delivered outside this State may be on such form as the insurer may then be offering for that conversion in the jurisdiction where the delivery is to be made.

[PL 1981, c. 606, §2 (NEW).]

9. Refusal to renew. A policy issued pursuant to the conversion privilege provided by this section may provide that the insurer may refuse to renew the policy or coverage of any person insured only as permitted by section 2736-C.

A. [PL 1995, c. 332, Pt. A, §13 (RP).]

B. [PL 1995, c. 332, Pt. A, §13 (RP).]

[PL 1995, c. 332, Pt. A, §13 (AMD).]

10. Additional conversion period for injured workers.

[PL 1995, c. 332, Pt. A, §14 (RP).]

11. Continued group coverage; certain circumstances. Notwithstanding this section, if the termination of an individual's group insurance coverage is for one of the reasons listed in paragraph A-1, the insurer shall allow the member or employee to elect, within the time period prescribed by paragraph B, to continue coverage under the group policy at no higher level than the level of benefits or coverage received by the employee immediately before termination and at the member's or employee's expense or, at the member's or employee's option, to convert to a policy of individual coverage without evidence of insurability in accordance with this section.

A. For the purposes of this subsection, the term "member or employee" includes only those persons who have been a member or employee for at least 6 months. [PL 1985, c. 684, §2 (NEW).]

A-1. A member or employee is eligible for continued coverage under this section only if the member or employee's group insurance coverage terminated for one of the following reasons:

- (1) The member or employee was temporarily laid off;
- (2) The member or employee was permanently laid off on or after the effective date of this paragraph and is eligible for premium assistance pursuant to federal law providing premium assistance for laid-off employees who continue coverage under their former employer's group health plan as determined by the superintendent; or
- (3) The member or employee lost employment because of an injury or disease that the employee claims to be compensable under former Title 39 or Title 39-A. [PL 2009, c. 574, §1 (NEW).]

B. [PL 1989, c. 447, §2 (RP).]

B-1. The member or employee has 31 days from the termination of coverage in which to elect and make the initial payment under this subsection. [PL 1991, c. 885, Pt. E, §30 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

C. An insurer is not required to continue coverage under a group policy if the member or employee meets the conditions set out in subsection 3, paragraph A. [PL 1985, c. 684, §2 (NEW).]

D. The payment amount for continued group coverage under this subsection may not exceed 102% of the group rate in effect for a group member, including an employer's contribution, if any. [PL 1987, c. 25, §3 (AMD).]

E. At the option of the member or employee, the continued group coverage may cover the member or employee, the member or employee and any dependents or only the dependents of the member or employee; provided that, in the latter 2 cases, the dependents have been covered for a period of at least 3 months under the group policy, unless the dependents were not eligible for coverage until after the beginning of the 3-month period. [PL 1989, c. 447, §2 (AMD).]

F. Except as provided in paragraph G, coverage provided under this section continues and may not be terminated until one year from the last day of work. [PL 1991, c. 885, Pt. E, §30 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

G. Coverage provided under this section may be terminated sooner than provided under paragraph F if:

- (1) The member or employee fails to make timely payment of a required premium amount;
- (2) The member or employee becomes eligible for coverage under another group policy; or
- (3) The Workers' Compensation Board determines that the injury or disease that entitles the employee to continue coverage under this section is not compensable under Title 39-A. [PL 1991, c. 885, Pt. E, §30 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

H. At the expiration of any continued group coverage obtained under this subsection, the member or employee has the same conversion privileges as otherwise granted under this section. [PL 1985, c. 684, §2 (NEW).]

I. This subsection may not be construed to:

- (1) Prevent members or employees from negotiating for or receiving greater continued coverage of group insurance than is provided in this subsection;
- (2) Require coverage beyond the time limit set in paragraph F; or
- (3) Permit an employee to increase the level of benefits or coverage that the employee received immediately before the termination of the employee's coverage. [PL 1991, c. 885, Pt. E, §30 (AMD); PL 1991, c. 885, Pt. E, §47 (AFF).]

J. This subsection does not apply to any group policy subject to the United States Consolidated Omnibus Budget Reconciliation Act, Public Law 99-272, Title X, Private Health Insurance Coverage, Sections 10001 to 10003. [PL 1987, c. 25, §4 (NEW).]
[PL 2009, c. 574, §1 (AMD).]

12. This section applies to all policies issued in other states to the extent they cover employees whose primary workplace is in this State.

§2823-B. Standardized claim forms

All insurers providing group medical expense insurance on an expense-incurred basis providing payment or reimbursement for diagnosis or treatment of a condition or a complaint by a licensed health care practitioner must accept the current standardized claim form for professional services approved by the Federal Government and submitted electronically. All insurers providing group medical expense insurance on an expense-incurred basis providing payment or reimbursement for diagnosis or treatment of a condition or a complaint by a licensed hospital must accept the current standardized claim form for professional or facility services, as applicable, approved by the Federal Government and submitted electronically. 1. Therapeutic, adjustive and manipulative services. Notwithstanding any other provisions of this chapter, every insurer which issues group or blanket health care contracts providing coverage for the services of a "physician" or "doctor" to residents of this State shall provide coverage to any subscriber or other person covered under those contracts for those services when performed by a chiropractor, to the extent that the services are within the lawful scope of practice of a chiropractor

licensed to practice in this State. Therapeutic, adjustive and manipulative services shall be covered whether performed by an allopathic, osteopathic or chiropractic doctor.

[PL 1985, c. 516, §5 (NEW).]

Every insurer subject to this section shall report its experience for each calendar year to the Superintendent of Insurance not later than April 30th of the following year. The report must be in a form prescribed by the superintendent and include the amount of claims paid in this State for the services required by this section and the total amount of claims paid in this State for health care contracts. Consistent with reasonable medical management techniques specified under the insurer's contract with respect to the method, treatment or setting for a covered service or procedure, the insurer may not discriminate based on the chiropractic provider's license. §2842. Equitable health care for substance use disorder treatment

1. Purpose. The Legislature recognizes that substance use disorder constitutes a major health problem in the State and in the Nation. The Legislature further recognizes that substance use disorder is a disease that can be effectively treated. As such, substance use disorder warrants the same attention from the health care industry as other serious diseases and illnesses. The Legislature further recognizes that health insurance contracts, at times, fail to provide adequate benefits for the treatment of substance use disorder, which results in more costly health care for treatment of complications caused by the lack of early intervention and other treatment services for persons suffering from substance use disorder. This situation causes a higher health care, social, law enforcement and economic cost to the citizens of this State than is necessary, including the need for the State to provide treatment to some insureds at public expense. To assist the many citizens of this State who suffer from this illness in a more cost-effective way, the Legislature declares that certain health insurance coverage providing benefits for the treatment of the illness of substance use disorder must be included in all group health insurance contracts.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

B. "Residential treatment" means services at a facility that provides care 24 hours daily to one or more patients, including, but not limited to, the following services: room and board; medical, nursing and dietary services; patient diagnosis, assessment and treatment; individual, family and group counseling; and educational and support services, including a designated unit of a licensed health care facility providing any and all other services specified in this paragraph to patients with substance use disorder. [PL 2017, c. 407, Pt. A, §95 (AMD).]

C. "Treatment plan" means a written plan initiated at the time of admission, approved by a Doctor of Medicine, a Doctor of Osteopathy or a Registered Substance Abuse Counselor employed by a certified or licensed substance use disorder program, including, but not limited to, the patient's medical and substance use disorder history; record of physical examination; diagnosis; assessment of physical capabilities; mental capacity; orders for medication, diet and special needs for the patient's health or safety and treatment, including medical, psychiatric, psychological, social services, individual, family and group counseling; and educational, support and referral services. B. Outpatient care rendered by state licensed, certified or approved providers. [PL 1983, c. 527, §2 (NEW).]

[PL 2017, c. 407, Pt. A, §95 (AMD).]

5. Exceptions. This section does not apply to employee group insurance policies issued to employers with 20 or fewer employees insured under the group policy or to group policies designed primarily to supplement the Civilian Health and Medical Program of the Uniformed Services, as described in the United States Code, Title 10, Section 1072, subsection 4.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

6. Limits; coinsurance; deductibles. Any policy or contract that provides coverage for the services required by this section may contain provisions for maximum benefits and coinsurance, and reasonable limitations, deductibles and exclusions to the extent that these provisions are not inconsistent with the requirements of this section.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

7. Notice. At the time of delivery or renewal, the group health insurer shall provide written notification to all individuals eligible for benefits under group policies or contracts of substance use disorder benefits.

The superintendent shall compile this data for all insurers in an annual report.

[PL 2017, c. 407, Pt. A, §95 (AMD).]

For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.

§2843. Mental health services coverage

1. Findings. The Legislature finds that:

A. Mental illness affects nearly 170,000 Maine people each year, resulting in anguish, grief, desperation, fear, isolation and a sense of hopelessness of significant levels among victims and families; [PL 1983, c. 515, §6 (NEW).]

B. Consequences of mental illness include the expenditure of millions of dollars of public funds for treatment and losses of millions of dollars by Maine businesses in accidents, absenteeism, nonproductivity and turnover. Excessive stress and anxiety and other forms of mental illness clearly contribute to general health problems and costs; [PL 1983, c. 515, §6 (NEW).]

C. Typical health coverage in this State discriminates against mental illness, the victims and affected families with nonexistent or limited benefits compared to provisions for other illnesses; and [PL 1983, c. 515, §6 (NEW).]

D. Experience in this State and several other states demonstrates that the risk of mental illness can be insured at reasonable cost and with adequate controls on quality and utilization of treatment. [PL 1983, c. 515, §6 (NEW).]

[PL 1983, c. 515, §6 (NEW).]

2. Policy and purpose. The Legislature declares that it is the policy of this State to:

A. Promote equitable and nondiscriminatory health coverage benefits for all forms of illness, including mental and emotional disorders, which are of significant consequence to the health of Maine people and which can be treated in a cost effective manner; [PL 1983, c. 515, §6 (NEW).]

B. Assure that victims of mental and other illnesses have access to and choice of appropriate treatment at the earliest point of illness in least restrictive settings; [PL 1983, c. 515, §6 (NEW).]

C. Assure that costs of treatment of mental illness are supported through an equitable combination of public and private responsibilities; and [PL 1983, c. 515, §6 (NEW).]

D. Assure that the Legislature reasonably exercises its legal responsibility for insurance policy in this State by prescribing types of illnesses and treatment for which benefits shall be provided. [PL 1983, c. 515, §6 (NEW).]

[PL 1983, c. 515, §6 (NEW).]

3. Definitions. For purposes of this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Day treatment services" includes psychoeducational, physiological, psychological and psychosocial concepts, techniques and processes to maintain or develop functional skills of clients, provided to individuals and groups for periods of more than 2 hours but less than 24 hours per day. [PL 1983, c. 515, §6 (NEW).]

A-1. "Diagnostic and statistical manual" means the Diagnostic and Statistical Manual of Mental Disorders, 4th edition, published by the American Psychiatric Association. [PL 2003, c. 20, Pt. VV, §10 (NEW); PL 2003, c. 20, Pt. VV, §25 (AFF).]

A-2. "Home health care services" means those services rendered by a licensed provider of mental health services to provide medically necessary health care to a person suffering from a mental illness in the person's place of residence if:

(1) Hospitalization or confinement in a residential treatment facility would otherwise have been required if home health care services were not provided;

(2) Hospitalization or confinement in a residential treatment facility is not required as an antecedent to the provision of home health care services; and

(3) The services are prescribed in writing by a licensed allopathic or osteopathic physician or a licensed psychologist who is trained and has received a doctorate in psychology specializing in the evaluation and treatment of mental illness. [PL 2003, c. 20, Pt. VV, §10 (NEW); PL 2003, c. 20, Pt. VV, §25 (AFF).]

Education Sciences and the California Evidence-Based Clearinghouse for Child Welfare within the California Department of Social Services, Office of Child Abuse Prevention. [PL 2021, c. 595, §3 (NEW).]

B. "Inpatient services" includes a range of physiological, psychological and other intervention concepts, techniques and processes in a community mental health psychiatric inpatient unit, general hospital psychiatric unit or psychiatric hospital licensed by the Department of Health and Human Services or accredited public hospital to restore psychosocial functioning sufficient to allow maintenance and support of the client in a less restrictive setting. [PL 1983, c. 515, §6 (NEW); PL 2003, c. 689, Pt. B, §6 (REV).]

B-1. "Medically necessary health care" has the same meaning as in section 4301-A, subsection 10-A. [PL 2003, c. 20, Pt. VV, §11 (NEW); PL 2003, c. 20, Pt. VV, §25 (AFF).]

D. "Person suffering from a mental illness" means a person whose psychobiological processes are impaired severely enough to manifest problems in the areas of social, psychological or biological functioning. Such a person has a disorder of thought, mood, perception, orientation or memory that impairs judgment, behavior, capacity to recognize or ability to cope with the ordinary demands of life. The person manifests an impaired capacity to maintain acceptable levels of functioning in the areas of intellect, emotion or physical well-being. [PL 2003, c. 20, Pt. VV, §12 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

E. "Provider" means individuals included in section 2835, and a licensed physician with 3 years approved residency in psychiatry, an accredited public hospital or psychiatric hospital or a community agency licensed at the comprehensive service level by the Department of Health and Human Services. All agency or institutional providers named in this paragraph shall assure that services are supervised by a psychiatrist or licensed psychologist. [PL 1995, c. 560, Pt. [PL 2003, c. 20, Pt. VV, §13 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

5. Services. Each group contract must provide for medically necessary health care for a person suffering from mental illness. Medically necessary health care includes, but is not limited to, the following services for a person suffering from a mental illness:

A. Inpatient care; [PL 1983, c. 515, §6 (NEW).]

[PL 2003, c. 20, Pt. VV, §13 (AMD); PL 2003, c. 20, Pt. VV, §25 (AFF).]

5-A. Exceptions.

[PL 2019, c. 5, Pt. D, §2 (RP).]

5-B. Coverage for certain mental illness treatment.

[PL 1991, c. 881, §3 (NEW); PL 1991, c. 881, §7 (AFF); PL 1991, c. 881, §8 (RP).]

A. [PL 2003, c. 20, Pt. VV, §14 (RP); PL 2003, c. 20, Pt. VV, §25 (AFF).]

A-1. All group contracts must provide, at a minimum, benefits according to paragraph B, subparagraph (1) for a person receiving medical treatment for any of the following categories of mental illness as defined in the Diagnostic and Statistical Manual, except for those that are designated as "V" codes by the Diagnostic and Statistical Manual:

[PL 2017, c. 407, Pt. A, §96 (AMD).]

B. All policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State must provide benefits that meet the requirements of this paragraph.

- (1) The contracts must provide benefits for the treatment and diagnosis of mental illnesses under terms and conditions that are no less extensive than the benefits provided for medical treatment for physical illnesses.
- (2) At the request of a reimbursing insurer, a provider of medical treatment for mental illness shall furnish data substantiating that initial or continued treatment is medically necessary health care. When making the determination of whether treatment is medically necessary health care, the provider shall use the same criteria for medical treatment for mental illness as for medical treatment for physical illness under the group contract. An insurer may not deny treatment for mental health services that use evidence-based practices and are determined to be medically necessary health care for an individual 21 years of age or younger.
- (3) If benefits and coverage provided for treatment of physical illness are provided on an expense-incurred basis, the benefits and coverage required under this subsection may be delivered separately under a managed care system.
- (4) A policy or contract may not have separate maximums for physical illness and mental illness, separate deductibles and coinsurance amounts for physical illness and mental illness,

(5) A health benefit plan may not impose a limitation on coverage or benefits for mental illness unless that same limitation is also imposed on the coverage and benefits for physical illness covered under the policy or contract.

(6) Copayments required under a policy or contract for benefits and coverage for mental illness must be actuarially equivalent to any coinsurance requirements or, if there are no coinsurance requirements, may not be greater than any copayment or coinsurance required under the policy or contract for a benefit or coverage for a physical illness.

(7) For the purposes of this section, a medication management visit associated with a mental illness must be covered in the same manner as a medication management visit for the treatment of a physical illness and may not be counted in the calculation of any maximum outpatient treatment visit limits. [PL 2021, c. 595, §4 (AMD).]

[PL 2021, c. 595, §§4, 5 (AMD).]

5-D. Mandated offer of coverage for certain mental illnesses.

[PL 2021, c. 595, §6 (RP).]

[PL 1983, c. 515, §6 (NEW).]

7. Reports to the Superintendent of Insurance. Every insurer subject to this section shall report its experience for each calendar year to the superintendent not later than April 30th of the following year. The report must be in a form prescribed by the superintendent and include the amount of claims paid in this State for the services required by this section and the total amount of claims paid in this State for group health care contracts, both separated between those paid for inpatient, day treatment and outpatient services. The superintendent shall compile this data for all insurers in an annual report. [PL 1995, c. 407, §8 (AMD).]

8. Application. This section does not apply to accidental injury, specified disease, hospital indemnity, Medicare supplement, long-term care or other limited benefit health insurance policies. §2844. Coordination of benefits

1. Authorization. Provisions contained in group and blanket health insurance contracts relating to coordination of benefits payable under the contract and under other plans of insurance or of health care coverage under which a certificate holder or the certificate holder's dependents may be covered must conform to rules adopted by the superintendent. These rules may establish uniformity in the permissive use of coordination of benefits provisions in order to avoid claim delays and misunderstandings that otherwise result from the use of inconsistent or incompatible provisions among the several insurers and nonprofit hospital, medical service and health care plans.

[PL 1995, c. 332, Pt. H, §1 (AMD).]

1-A. Coordination with Medicare. Coordination of benefits is governed by the following provisions.

A. The contract may not coordinate benefits with Medicare Part A unless:

- (1) The insured is enrolled in Medicare Part A;
- (2) The insured was previously enrolled in Medicare Part A and voluntarily disenrolled;
- (3) The insured stated on an application or other document that the insured was enrolled in Medicare Part A; or
- (4) The insured is eligible for Medicare Part A without paying a premium and the certificate states that it will not pay benefits that would be payable under Medicare even if the insured fails to exercise the insured's right to premium-free Medicare Part A coverage. [PL 1997, c. 604, Pt. G, §2 (NEW).]

B. The contract may not coordinate benefits with Medicare Part B unless:

- (1) The insured is enrolled in Medicare Part B;
- (2) The insured was previously enrolled in Medicare Part B and voluntarily disenrolled;
- (3) The insured stated on an application or other document that the insured was enrolled in Medicare Part B; or
- (4) The insured is eligible for Medicare Part A without paying a premium and the insurer provided prominent notification to the insured both when the certificate was issued and, if applicable, when the insured becomes eligible for Medicare due to age. The content of the notification must be approved by the bureau. The notification must state that the contract will not pay benefits that would be payable under Medicare even if the insured fails to enroll in Medicare Part B and state that the insured may contact the bureau, the Health Insurance Consumer Assistance Program established in section 4326 or another relevant organization or agency for assistance in understanding coordination of benefits with Medicare Part B under the insured's contract. [PL 2023, c. 104, §3 (AMD).]

C. Coordination is not permitted with Medicare coverage for which the insured is eligible but not enrolled except as provided in paragraphs A and B. [PL 1997, c. 604, Pt. G, §2 (NEW).]

[PL 2023, c. 104, §3 (AMD).]

2. Medicaid and Cub Care programs. Insurers may not consider the availability or eligibility for medical assistance under 42 United States Code, Section 13969, referred to as "Medicaid," or Title 22, section 3174-T, referred to as the "Cub Care program," when considering coverage eligibility or benefit calculations for insureds and covered family members.

A. To the extent that payment for coverage expenses has been made under the Medicaid program or the Cub Care program for health care items or services furnished to an individual, the State is considered to have acquired the rights of the insured or family member to payment by the insurer for those health care items or services. Upon presentation of proof that the Medicaid program or the Cub Care program has paid for covered items or services, the insurer shall make payment to the

Medicaid program or the Cub Care program according to the coverage provided in the contract or certificate. [PL 1997, c. 777, Pt. B, §3 (AMD).]

B. An insurer may not impose requirements on a state agency that has been assigned the rights of an individual eligible for Medicaid or Cub Care coverage and covered by a subscriber contract that are different from requirements applicable to an agent or assignee of any other covered individual. [PL 1997, c. 777, Pt. B, §3 (AMD).]

[PL 2005, c. 683, Pt. A, §41 (AMD).]

3. Credit toward deductible. When an insured is covered under more than one expense-incurred health plan, payments made by the primary plan, payments made by the insured and payments made from a health savings account or similar fund for benefits covered under the secondary plan must be credited toward the deductible of the secondary plan. This subsection does not apply if the secondary plan is designed to supplement the primary plan.

[PL 1987, c. 293, §2 (NEW).]

2. Cardiac rehabilitation. §2847-C. Notification prior to cancellation; restrictions on cancellation, termination or lapse due to cognitive impairment or functional incapacity

An insurer shall provide for notification of the insured person and another person, if designated by the insured, prior to cancellation of a health insurance certificate for nonpayment of premium. [PL 2011, c. 123, §3 (AMD); PL 2011, c. 123, §5 (AFF).]

Within 90 days after cancellation due to nonpayment of premium, a policyholder, a person authorized to act on behalf of the policyholder or a dependent of the policyholder covered under a health insurance policy or certificate may request reinstatement on the basis that the loss of coverage was a result of the policyholder's cognitive impairment or functional incapacity. An insurer may require a medical demonstration that the policyholder suffered from cognitive impairment or functional incapacity at the time of cancellation. If the medical demonstration is waived or substantiates the existence of a cognitive impairment or functional incapacity at the time of policy cancellation to the satisfaction of the insurer, the policy must be reinstated. The medical demonstration may be at the expense of the policyholder. [PL 2011, c. 123, §3 (NEW); PL 2011, c. 123, §5 (AFF).]

A policy reinstated pursuant to this section must cover any loss or claim occurring from the date of the cancellation. Within 15 days after request from an insurer, a policyholder of a policy reinstated pursuant to this section shall pay any unpaid premium from the date of the last premium payment at the rate that would have been in effect had the policy remained in force. If the premium is not paid as required, the policy may not be reinstated and the insurer is not responsible for claims incurred after the initial date of cancellation. If an insurer denies a request for reinstatement, the insurer shall notify the policyholder that the policyholder may request a hearing before the superintendent. [PL 2011, c. 123, §3 (NEW); PL 2011, c. 123, §5 (AFF).]

The superintendent may adopt rules to implement the requirements of this section. The rules may include, but are not limited to, definitions, minimum disclosure requirements, notice provisions and the right of reinstatement. A. The insurer must permit a physician who specializes in obstetrics and gynecology to serve as a primary care physician if the physician qualifies under the insurer's credentialing policy. [PL 1997, c. 370, Pt. H, §1 (RAL).]

C. If the examination specified in paragraph B reveals a gynecological condition for which another visit to the physician participating in the plan is medically required and appropriate, or for any gynecological care beyond the annual examination, the carrier may require the patient or the examining physician, certified nurse practitioner or certified nurse midwife to secure from the patient's primary care physician a referral to the participating physician, certified nurse practitioner or certified nurse midwife from whom such care may be obtained. For purposes of this section, the term "outpatient contraceptive services" means consultations, examinations, procedures and medical services provided on an outpatient basis and related to the use of contraceptive methods to prevent an unintended pregnancy. This section may not be construed to apply to prescription drugs or devices that are designed to terminate a pregnancy.

[PL 1999, c. 341, §3 (NEW); PL 1999, c. 341, §5 (AFF).]

2. Exclusion for religious employer. A religious employer may request and an insurer shall grant an exclusion under the policy or contract for the coverage required by this section if the required coverage conflicts with the religious employer's bona fide religious beliefs and practices. A religious employer that obtains an exclusion under this subsection shall provide prospective insureds and those individuals insured under its policy written notice of the exclusion. This section may not be construed as authorizing an insurer to exclude coverage for prescription drugs prescribed for reasons other than contraceptive purposes or for prescription contraception that is necessary to preserve the life or health of a covered person. For the purposes of this section, "religious employer" means an employer that is a church, convention or association of churches or an elementary or secondary school that is controlled, operated or principally supported by a church or by a convention or association of churches as defined in 26 United States Code, Section 3121 (w) (3) (A) and that qualifies as a tax-exempt organization under 26 United States Code, Section 501(c) (3).

A. Coverage must be provided without any deductible, coinsurance, copayment or other cost-sharing requirement. [PL 2021, c. 609, §3 (AMD).]

B. If the federal Food and Drug Administration has approved one or more therapeutic equivalents of a contraceptive supply, an insurer is not required to cover all those therapeutically equivalent versions in accordance with this subsection, as long as at least one is covered without any deductible, coinsurance, copayment or other cost-sharing requirement in accordance with this subsection. [PL 2021, c. 609, §3 (AMD).]

C. [PL 2021, c. 609, §3 (RP).]

§2847-K. Coverage for general anesthesia for dentistry

(REALLOCATED FROM TITLE 24-A, SECTION 2847-J)

1. Enrollee defined. For the purposes of this section, unless the context otherwise indicates, "enrollee" means a person who is covered under a group health insurance contract provided by an insurer.

[RR 2001, c. 1, §33 (RAL).]

2. General anesthesia and associated facility charges. An insurer that issues group health insurance contracts shall provide coverage for general anesthesia and associated facility charges for

dental procedures rendered in a hospital when the clinical status or underlying medical condition of an enrollee requires dental procedures that ordinarily would not require general anesthesia to be rendered in a hospital. The insurer may require prior authorization of general anesthesia and associated charges required for dental care procedures in the same manner that prior authorization is required for other covered diseases or conditions.

[RR 2001, c. 1, §33 (RAL).]

3. Limitations on coverage. This section applies only to general anesthesia and associated facility charges for only the following enrollees if the enrollees meet the criteria in subsection 2:

A. Enrollees, including infants, exhibiting physical, intellectual or medically compromising conditions for which dental treatment under local anesthesia, with or without additional adjunctive techniques and modalities, can not be expected to provide a successful result and for which dental treatment under general anesthesia can be expected to produce a superior result; [RR 2001, c. 1, §33 (RAL).]

B. Enrollees demonstrating dental treatment needs for which local anesthesia is ineffective because of acute infection, anatomic variation or allergy; [RR 2001, c. 1, §33 (RAL).]

C. Extremely uncooperative, fearful, anxious or uncommunicative children or adolescents with dental needs of such magnitude that treatment should not be postponed or deferred and for whom lack of treatment can be expected to result in dental or oral pain or infection, loss of teeth or other increased oral or dental morbidity; and [RR 2001, c. 1, §33 (RAL).]

D. Enrollees who have sustained extensive oral-facial or dental trauma for which treatment under local anesthesia would be ineffective or compromised. [RR 2001, c. 1, §33 (RAL).]

[RR 2001, c. 1, §33 (RAL).]

4. Dental procedures and dentist's fee not covered. This section does not require an insurer that issues group contracts to cover any charges for the dental procedure itself, including, but not limited to, the professional fee of the dentist. Coverage for anesthesia and associated facility charges pursuant to this section is subject to all other terms and conditions of the group contract that apply generally to other benefits.

[RR 2001, c. 1, §33 (RAL).]

5. Coordination of benefits with dental insurance. If an enrollee eligible for coverage under this section is also eligible for coverage for general anesthesia and associated facility charges under a dental insurance policy or contract, the nonprofit health care service organization or insurer providing dental insurance is the primary payer responsible for those charges and the insurer providing group health insurance is the secondary payer.

[RR 2001, c. 1, §33 (RAL).]

6. Application. The requirements of this section apply to all group policies, contracts and certificates executed, delivered, issued for delivery, continued or renewed in this State. For purposes of this section, all contracts are deemed to be renewed no later than the next yearly anniversary of the contract date.
