Property of an unknown owner is assessed as other property, except that the owner must be indicated as "unknown." Additionally, the assessing must be advertised once a week for 3 consecutive weeks in a newspaper of general circulation in the county in which the property is located. The notice must describe the real estate that is being assessed so that a reasonable person may know, with probable certainty, what premises are subject to tax, together with a statement that the property is assessed to an unknown owner as the result of the failure of a reasonable search to ascertain an owner of record. This newspaper publication is sufficient legal notice of that assessment. At the time of this publication, a copy of the same notice must be sent by certified mail, return receipt requested, to each abutting property owner. [PL 1993, c. 422, §3 (AMD).]

A lien is created on such wood, bark and timber for the payment of such taxes, and may be enforced by the collector by a sale thereof when cut, as provided in section 991.

#### **§563. Forest land; policy**

It is declared to be the public policy of the State, by which all officials of the State and of its municipal subdivisions are to be guided in the performance of their official duties, to encourage by the maintenance of adequate incentive the operation of all forest lands on a sustained yield basis by their owners, and to establish and maintain uniformity in methods of assessment for purposes of taxation

#### **§564. Assessment**

#### **TREE GROWTH TAX LAW**

#### **§571. Title**

This subchapter may be cited as the "Maine Tree Growth Tax Law." [PL 1971, c. 616, §8 (NEW).]

#### SECTION HISTORY

PL 1971, c. 616, §8 (NEW).

#### **§572. Purpose**

It has for many years been the declared public policy of the State of Maine, as stated in sections 563 and 564, to tax all forest lands according to their productivity and thereby to encourage their operation on a sustained yield basis. However, the present system of ad valorem taxation does not always accomplish that objective. It has caused inadequate taxation of some forest lands and excessive taxation and forfeiture of other forest lands. [PL 1979, c. 127, §196 (AMD).]

It is declared to be the public policy of this State that the public interest would be best served by encouraging forest landowners to retain and improve their holdings of forest lands upon the tax rolls of the State and to promote better forest management by appropriate tax measures in order to protect this unique economic and recreational resource. [PL 1971, c. 616, §8 (NEW).]

This subchapter implements the 1970 amendment of Section 8 of Article IX of the Maine Constitution providing for valuation of timberland and woodlands according to their current use by means of a classification and averaging system designed to provide efficient administration. [PL 1973, c. 308, §1 (NEW).]

Therefore, this subchapter is enacted for the purpose of taxing forest lands generally suitable for the planting, culture and continuous growth of forest products on the basis of their potential for annual wood production in accordance with the following provisions. [PL 1971, c. 616, §8 (NEW).]

**8. Stumpage value.** "Stumpage value" means the average value of standing timber before it is cut expressed in terms of dollars per unit of measure as determined by the State Tax Assessor.

[PL 1971, c. 616, §8 (NEW).]

**9. Value of the annual net wood production.** "Value of the annual net wood production" means the average annual net wood production rate per acre for a forest type multiplied by the weighted average of the stumpage values of all species in the type.

#### §574-A. Ineligibility

The Legislature finds that when the value of a recreational use lease of forest land exceeds the value of the tree growth that can be extracted from that land on a sustained basis per acre as determined pursuant to section 576, then the land is no longer primarily used for the continuous growth of forest products. This finding is sufficient cause to remove from taxation under this subchapter those parcels that are more valuable for recreational use and are being leased on that basis. Therefore, notwithstanding sections 573 and 574-B, a parcel of forest land that is leased for consideration to any person to use for recreational purposes does not qualify for taxation under this subchapter if that parcel of land exceeds 100 acres and if the consideration for that lease per acre exceeds the value of the growth that can be extracted on a sustained basis per acre as determined pursuant to section 576. The owner

of the leased parcels shall submit a copy of the lease or leases on land subject to taxation under this subchapter to the State Tax Assessor for land in the unorganized territory and to the municipal assessors for land in municipalities. The State Tax Assessor or the municipal assessor shall determine whether the value of the lease exceeds the sustained growth value. If the value of the lease is determined to exceed the sustained growth value, the owner of the forest land has 60 days from the date of receipt of notice of that determination to either terminate the lease, amend the lease to comply with the requirements of this section or withdraw the land covered by the lease from taxation under this subchapter. A withdrawal pursuant to this section is subject to the provisions of section 581. [PL 2007, c. 627, §14 (AMD).]

#### §574-B. Applicability

An owner of a parcel containing forest land may apply at the landowner's election by filing with the assessor the schedule provided for in section 579, except that this subchapter does not apply to any parcel containing less than 10 acres of forest land. For purposes of this subchapter, a parcel is deemed to include a unit of real estate, notwithstanding that it is divided by a road, way, railroad or pipeline, or by a municipal or county line. The election to apply requires the written consent of all owners of an interest in a parcel except for the State. For applications submitted on or after August 1, 2012, the size of the exclusion from classification under this subchapter for each structure located on the parcel and for each residential structure located on the parcel in shoreland areas is determined pursuant to section 574-C. [PL 2011, c. 618, §2 (AMD).]

A parcel of land used primarily for growth of trees to be harvested for commercial use is taxed according to this subchapter, as long as the landowner complies with the following requirements: [PL 2011, c. 618, §2 (AMD).]

**1. Forest management and harvest plan.** A forest management and harvest plan must be prepared for each parcel and updated every 10 years. The landowner shall file a sworn statement with the municipal assessor for a parcel in a municipality or with the State Tax Assessor for a parcel in the unorganized territory that a forest management and harvest plan has been prepared for the parcel;

A. [PL 1999, c. 33, §1 (RP).]

B. [PL 1999, c. 33, §1 (RP).]

C. [PL 1999, c. 33, §1 (RP).]

[PL 2009, c. 434, §15 (AMD).]

**2. Evidence of compliance with plan.** The landowner must comply with the plan developed under subsection 1, and must submit, every 10 years to the municipal assessor in a municipality or the State Tax Assessor for parcels in the unorganized territory, a statement from a licensed professional forester that the landowner is managing the parcel according to schedules in the plan required under subsection 1;

[PL 2011, c. 618, §2 (AMD).]

**3. Transfer of ownership.** When land taxed under this subchapter is transferred to a new owner, within one year of the date of transfer, the new landowner must file with the municipal assessor or the State Tax Assessor for land in the unorganized territory one of the following:

A. A sworn statement indicating that a new forest management and harvest plan has been prepared; or [PL 2001, c. 603, §4 (NEW).]

B. A statement from a licensed professional forester that the land is being managed in accordance with the plan prepared for the previous landowner. [PL 2001, c. 603, §4 (NEW).]

The new landowner may not harvest or authorize the harvest of forest products for commercial use until a statement described in paragraph A or B is filed with the assessor. A person owning timber rights on land taxed under this subchapter may not harvest or authorize the harvest of forest products for commercial use until a statement described in paragraph A or B is filed with the assessor.

Parcels of land subject to section 573, subsection 3, paragraph B or C are exempt from the requirements under this subsection.

For the purposes of this subsection, "transferred to a new owner" means the transfer of the controlling interest in the fee ownership of the land or the controlling interest in the timber rights on the land; and [PL 2011, c. 618, §2 (AMD).]

**4. Attestation.** Beginning August 1, 2012, when a landowner is required to provide to the assessor evidence that a forest management and harvest plan has been prepared for the parcel or updated pursuant to subsection 1, or when a landowner is required to provide evidence of compliance pursuant to subsection 2, the landowner must provide an attestation that the landowner's primary use for the forest land classified pursuant to this subchapter is to grow trees to be harvested for commercial use or that the forest land is land described in section 573, subsection 3, paragraphs A, B, C or E. The existence of multiple uses on an enrolled parcel does not render it inapplicable for tax treatment under this subchapter, as long as the enrolled parcel remains primarily used for the growth of trees to be harvested for commercial use.

#### §574-C. Reduction of parcels with structures; shoreland areas

If a parcel of land for which an owner seeks classification under this subchapter on or after August 1, 2012 contains a structure for which a minimum lot size is required under state law or by municipal ordinance, the owner in the schedule under section 579 shall apply the following reduction to the land to be valued under this subchapter. [PL 2011, c. 618, §3 (NEW).]

**1. Structures.** For each structure located on the parcel for which a minimum lot size is required under state law or by municipal ordinance, the owner in the schedule under section 579 shall exclude from the forest land subject to valuation under this subchapter the area of land in the parcel containing the structure or structures, which may not be less than 1/2 acre.

[PL 2011, c. 618, §3 (NEW).]

**2. Shoreland areas.** For each residential structure located within a shoreland area, as identified in Title 38, section 435, the owner in the schedule under section 579 shall exclude from the forest land subject to valuation under this subchapter the area of land in the parcel containing the structure or structures, which may not be less than 1/2 acre, and the excluded parcel must include 100 feet of shoreland frontage or the minimum shoreland frontage required by the applicable minimum requirements of the zoning ordinance for the area in which the land is located, whichever is larger. If the parcel has less than 100 feet of shoreland frontage, the entire shoreland frontage must be excluded. This subsection does not apply to a structure that is used principally for commercial activities related to forest products that have commercial value as long as any residential use of the structure is nonrecreational, temporary in duration and purely incidental to the commercial use.

**§575-A. Determining compliance with forest management and harvest plan**

**1. Assistance to assessor.** Upon request of a municipal assessor or the State Tax Assessor and in accordance with section 579, the Director of the Bureau of Forestry within the Department of Agriculture, Conservation and Forestry may provide assistance in evaluating a forest management and harvest plan to determine whether the plan meets the definition of a forest management and harvest plan in section 573, subsection 3-A. Upon request of a municipal assessor or the State Tax Assessor, the Director of the Bureau of Forestry may provide assistance in determining whether a harvest or other silvicultural activity conducted on land enrolled under this subchapter complies with the forest management and harvest plan prepared for that parcel of land. When assistance is requested under this section and section 579, the Director of the Bureau of Forestry or the director's designee may enter and examine forest land for the purpose of determining compliance with the forest management and harvest plan.

**§576. Powers and duties**

The State Tax Assessor shall determine the average annual net wood production rate for each forest type described in section 573, subsections 5, 6 and 7, in each county or region to be used in determining valuations applicable to forest land under this subchapter, on the basis of the surveys of average annual growth rates applicable in the State made from time to time by the United States Forest Service or by the Maine Forestry Bureau. The growth rate surveys must be reduced by the percentage discount factor prescribed by section 576-B to reflect the growth that can be extracted on a sustained basis. The rates when determined remain in effect without change for each county through the property tax year ending March 31, 1975. In 1974 and in every 10th year thereafter, the State Tax Assessor shall review and set rates for the following 10-year period in the same manner. [PL 2017, c. 170, Pt. B, §3 (AMD).]

The State Tax Assessor shall determine the average stumpage value for each forest type described in section 573, subsections 5, 6 and 7, applicable in each county, or in alternative forest economic regions as the assessor designates, after passage of this subchapter and in each year thereafter, taking into consideration the prices upon sales of sound standing timber of that forest type in that area during the previous calendar year, and any other appropriate considerations. [PL 2017, c. 170, Pt. B, §3 (AMD).]

The proportions of the various species making up the type are to be used in the computations of the average annual net wood production rates and average stumpage values for each forest type and the proportions of the various products are to be used in the computations of average stumpage values. [PL 1971, c. 616, §8 (NEW).]

After the State Tax Assessor has made the foregoing determinations, the assessor shall apply the capitalization rate prescribed by section 576-B to the value of the annual net wood production to determine the 100% valuation per acre for each forest type for each area and shall state the wood production rates and values used to compute those rates and values. [PL 1997, c. 504, §6 (AMD).]

The State Tax Assessor shall certify and transmit rules to the municipal assessors of each municipality with respect to forest land therein on or before April 1st of each year. [PL 1997, c. 504, §6 (AMD).]

[PL 2007, c. 438, §14 (AMD).]

**3. Procedure to obtain reduced valuation.** In order to obtain a reduced valuation, the landowner must submit a written request to the assessor on or before January 1st the preceding tax year, presenting facts in affidavit form that meet the requirements of subsection 2. The assessor may investigate the facts, utilizing the procedures set forth in section 579, and shall then determine whether the requirements of subsection 2 are met. #### §578. Assessment of tax

**1. Organized areas.** The municipal assessors or chief assessor of a primary assessing area shall adjust the State Tax Assessor's 100% valuation per acre for each forest type of their county by whatever ratio, or percentage of current just value, is applied to other property within the municipality to obtain the assessed values. Forest land in the organized areas, subject to taxation under this subchapter, must be taxed at the property tax rate applicable to other property in the municipality.

The State Tax Assessor shall determine annually the amount of acreage in each municipality that is classified and taxed in accordance with this subchapter. Each municipality is entitled to annual payments distributed in accordance with this section from money appropriated by the Legislature if it submits a completed annual return in accordance with section 383. The State Tax Assessor shall pay any municipal claim found to be in satisfactory form by October 15th of the year following the submission of the annual return. The total municipal reimbursement appropriation is calculated on the basis of 90% of the tax lost as a result of this subchapter. For purposes of this section, "classified forest lands" means forest lands classified pursuant to this subchapter as well as all areas identified as forested land within farmland parcels that are transferred from tree growth classification on or after October 1, 2011. For the purposes of this section, "tax lost" means the tax that would have been assessed, but for this subchapter, on the classified forest lands if they were assessed according to the current regional per acre undeveloped land value as determined for state valuation purposes, or according to the current local per acre undeveloped land value as determined for state valuation purposes, whichever is less, minus the tax that was actually assessed on the same lands in accordance with this subchapter, and adjusted for the aggregate municipal savings in required educational costs attributable to the reduction in state valuation as a result of this subchapter. A municipality that fails to achieve the minimum assessment ratio established in section 327 loses 10% of the reimbursement provided by this section for each one percentage point the minimum assessment ratio falls below the ratio established in section 327.

A. [PL 2007, c. 438, §16 (RP).]

B. [PL 2007, c. 438, §16 (RP).]

C. The State Tax Assessor shall distribute reimbursement under this section to each municipality in proportion to the product of the reduced tree growth valuation of the municipality multiplied by the property tax burden of the municipality. For purposes of this paragraph, unless the context otherwise indicates, the following terms have the following meanings.

(1) "Property tax burden" means the total real and personal property taxes assessed in the most recently completed municipal fiscal year, except the taxes assessed on captured value within a tax increment financing district, divided by the latest state valuation certified to the Secretary of State.

(2) "Undeveloped land" means rear acreage and unimproved nonwaterfront acreage that is not:

(a) Classified under the laws governing a current use program;

(b) A base lot; or

(c) Wasteland.

(3) "Average value of undeveloped land" means the current regional per acre undeveloped land value as determined for state valuation purposes, or the current local per acre undeveloped land value as determined for state valuation purposes, whichever is less.

(4) "Reduced tree growth valuation" means the difference between the average value of undeveloped land and the average value of classified forest lands times the total number of acres of classified forest lands. [PL 2021, c. 630, Pt. C, §3 (AMD).]

[PL 2021, c. 630, Pt. C, §§2, 3 (AMD).]

**2. Unorganized territory.** The State Tax Assessor shall adjust the 100% valuation per acre for each type for each county by such ratio or percentage as is then being used to determine the state valuation applicable to other property in the unorganized territory to obtain the assessed values. Commencing April 1, 1973, forest land in the unorganized territory subject to taxation under this subchapter shall be taxed at the same property tax rate as is applicable to other property in the unorganized territory, which rate shall be applied to the assessed values so determined. Upon collection by the State Tax Assessor, such taxes shall be deposited in the Unorganized Territory Education and Services Fund in accordance with section 1605.

[PL 1981, c. 706, §8 (AMD).]

**3. Divided ownership.** In cases of divided ownership of land and the timber and grass rights thereon, the assessor shall apportion 10% of the valuation to the land and 90% of the valuation to the timber and grass rights.

### §579. Schedule, investigation

The owner or owners of forest land subject to valuation under this subchapter shall submit a signed schedule, on or before April 1st of the year in which that land first becomes subject to valuation under this subchapter, to the assessor upon a form prescribed by the State Tax Assessor, identifying the land to be valued under this subchapter, listing the number of acres of each forest type, showing the location of each forest type and representing that the land is used primarily for the growth of trees to be harvested for commercial use. Those schedules may be required at such other times as the assessor may designate upon 120 days' written notice. [PL 2011, c. 240, §6 (AMD).]

The assessor shall determine whether the land is subject to valuation and taxation under this subchapter and shall classify the land as to forest type. [PL 2011, c. 240, §6 (AMD).]

The assessor or the assessor's duly authorized representative may enter and examine the forest lands under this subchapter and may examine any information submitted by the owner or owners. A copy of the forest management and harvest plan required under section 574-B must be available to the assessor to review upon request and to the Director of the Bureau of Forestry within the Department of

Agriculture, Conservation and Forestry or the director's designee to review upon request when the assessor seeks assistance in accordance with section 575-A. For the purposes of this paragraph, "to review" means to see or possess a copy of a plan for a reasonable amount of time to verify that the plan exists or to facilitate an evaluation as to whether the plan is appropriate and is being followed. Upon completion of the review, the plan must be returned to the owner or an agent of the owner. A forest management and harvest plan provided in accordance with this section is confidential and is not a public record as defined in Title 1, section 402, subsection 3. [PL 2003, c. 30, §1 (AMD); PL 2011, c. 657, Pt. W, §§5, 7 (REV); PL 2013, c. 405, Pt. A, §23 (REV).]

Upon notice in writing by certified mail, return receipt requested, or by another method that provides actual notice, any owner or owners shall appear before the assessor, at such reasonable time and place as the assessor may designate and answer questions or interrogatories the assessor considers necessary to obtain material information about those lands. [PL 2011, c. 240, §6 (AMD).]

If the owner or owners of any parcel of forest land subject to valuation under this subchapter fails to submit the schedules as provided under this section or fails to provide information after notice duly received as provided under this section, such owner or owners are deemed to have waived all rights of appeal pursuant to section 583 for that property tax year, except for the determination that the land is subject to valuation under this subchapter. [PL 2011, c. 240, §6 (AMD).]

It is the obligation of the owner or owners to report to the assessor any change of use or change of forest type of land subject to valuation under this subchapter. [PL 2011, c. 240, §6 (AMD).]

If the owner or owners fail to report to the assessor a change of use as required by the foregoing paragraph, the assessor shall assess the taxes that should have been paid, shall assess the penalty provided in section 581 and shall assess an additional penalty equal to 25% of the penalty provided in section 581. The assessor may waive the additional penalty for cause. [PL 2011, c. 240, §6 (AMD).]

For the purposes of this section, the acts of owners specified in this section may be taken by an authorized agent of an owner. [PL 1979, c. 666, §16 (NEW).]

#### §581. Withdrawal

**1. Assessor determination; owner request.** If the assessor determines that land subject to this subchapter no longer meets the requirements of this subchapter, the assessor must withdraw the land from taxation under this subchapter. An owner of land subject to taxation under this subchapter may at any time request withdrawal of that land from taxation under this subchapter by certifying in writing to the assessor that the land is no longer to be classified under this subchapter. [PL 2009, c. 577, §1 (AMD).]

**1-A. Notice of compliance.** No earlier than 185 days prior to a deadline established by section 574-B, if the owner has not yet complied with the requirements of that section, the assessor must provide the owner with written notice by certified mail informing the owner of the statutory requirements that need to be met to comply with section 574-B and the date of the deadline for compliance or by which the parcel may be transferred to another current use program. The notice must also state that if the owner fails to meet the deadline for complying with section 574-B or transferring the parcel to another current use program, a supplemental assessment of \$500 will be assessed and that continued noncompliance will lead to a subsequent supplemental assessment of \$500. If the notice is issued less than 120 days before the deadline, the owner has 120 days from the date of the notice to provide the assessor with the documentation to achieve compliance with section 574-B or transfer the parcel to another current use program, and the notice must specify the date by which the owner must comply.

If the owner fails to provide the assessor with the documentation to achieve compliance with section 574-B or transfer the parcel to another current use program by the deadline specified in the notice, the assessor shall impose a \$500 penalty to be assessed and collected as a supplemental assessment in accordance with section 713-B. The assessor shall send notification of the supplemental assessment by certified mail and notify the owner that, no later than 6 months from the date of the 2nd notice, the owner must comply with the requirements of section 574-B or transfer the parcel to another current use program and that failure to comply will result in an additional supplemental assessment of \$500 and the owner will have an additional 6-month period in which to comply with these requirements before the withdrawal of the parcel and the assessment of substantial financial penalties against the owner.

At the expiration of 6 months, if the owner has not complied with section 574-B or transferred the parcel to another current use program, the assessor shall assess an additional \$500 supplemental assessment. The assessor shall send notification of the 2nd supplemental assessment by certified mail and notify the owner that, no later than 6 months from the date of the notice, the owner must comply with the requirements of section 574-B or transfer the parcel to another current use program or the land will be withdrawn from taxation under this subchapter.

If the owner has not complied within 6 months from the date of the 2nd supplemental assessment, the assessor shall remove the parcel from taxation under this subchapter and assess a penalty for the parcel's withdrawal pursuant to subsection 3.

This subsection does not limit the assessor from issuing other notices or compliance reminders to owners at any time in addition to the notice required by this subsection.

[PL 2021, c. 630, Pt. C, §4 (AMD).]

**2. Withdrawal of portion.** In the case of withdrawal of a portion of a parcel, the owner, as a condition of withdrawal, shall file with the assessor a plan showing the area withdrawn and the area remaining subject to taxation under this subchapter. In the case of withdrawal of a portion of a parcel, the resulting portions must be treated after the withdrawal as separate parcels under section 708.

[PL 2007, c. 627, §16 (RPR).]

**3. Penalty.** If land is withdrawn from taxation under this subchapter, the assessor shall impose a penalty upon the owner. The penalty is the greater of:

A. An amount equal to the taxes that would have been assessed on the land on the first day of April for the 5 tax years, or any lesser number of tax years starting with the year in which the land was first classified, preceding the withdrawal had that land been assessed in each of those years at its just value on the date of withdrawal less all taxes paid on that land over the preceding 5 years, or any lesser number of tax years starting with the year in which the land was first classified, and increased by interest at the prevailing municipal rate from the date or dates on which those amounts would have been payable; and [PL 2021, c. 630, Pt. C, §5 (AMD).]

B. An amount computed by multiplying the amount, if any, by which the just value of the land on the date of withdrawal exceeds the 100% valuation of the land pursuant to this subchapter on the preceding April 1st by the following rates.

(1) If the land was subject to valuation under this subchapter for 10 years or fewer prior to the date of withdrawal, the rate is 30%.

(2) If the land was subject to valuation under this subchapter for more than 10 years prior to the date of withdrawal, the rate is 30% reduced by one percentage point for each full year beyond 10 years that the land was subject to valuation under this subchapter prior to the date of withdrawal, except that the minimum rate is 20%. [PL 2021, c. 630, Pt. C, §5 (AMD).]

For purposes of this subsection, just value at the time of withdrawal is the assessed just value of comparable property in the municipality adjusted by the municipality's certified assessment ratio.

[PL 2021, c. 630, Pt. C, §5 (AMD).]

**4. Assessment and collection of penalties.** The owner shall pay the penalties for withdrawal under this section upon withdrawal to the tax collector as additional property taxes. Penalties may be assessed and collected as supplemental assessments in accordance with section 713-B.

[PL 2021, c. 630, Pt. C, §6 (AMD).]

**5. Eminent domain.** A penalty may not be assessed under this section if the withdrawal of the parcel is occasioned by a transfer to the State or other entity holding the power of eminent domain resulting from the exercise or threatened exercise of that power.

[PL 2021, c. 630, Pt. C, §7 (AMD).]

**6. Relief from requirements.** Upon withdrawal, the land is relieved of the requirements of this subchapter immediately and is returned to taxation under subchapter 2 beginning the April 1st following withdrawal.

[PL 2021, c. 630, Pt. C, §8 (AMD).]

**7. Reclassification under other current use program.** A penalty may not be assessed upon the withdrawal of land from taxation under this subchapter if the owner applies for classification of that land in another current use program prior to withdrawal and that application is accepted. If a penalty is later assessed under section 1112-C or 1138, the period of time that the land was taxed as forest land under this subchapter is included for purposes of establishing the amount of the penalty.

[PL 2021, c. 630, Pt. C, §9 (AMD).]

**8. Report of penalty.** A municipality that receives a penalty for the withdrawal of land from taxation under this subchapter must report the total amount received in that reporting year to the State Tax Assessor on the municipal valuation return form described in section 383.

Each resulting parcel must be taxed to the owners under this subchapter until the parcel is

withdrawn from taxation under this subchapter, in which case the penalties provided for in sections 579 and 581 apply only to the owner of that parcel. If a parcel resulting from that sale is less than 10 forested acres in area, that parcel must be considered withdrawn from taxation under this subchapter as a result of the sale and the penalty assessed against the transferor of the resulting parcel of less than 10 forested acres. **§611. Equipment tax**

Machinery and other personal property brought into this State, after April 1st and prior to December 31st by any person upon whom no personal property tax was assessed on April 1st in this State, must be taxed as other personal property in the municipality in which it is used for the first time in this State. [PL 2023, c. 523, Pt. A, §6 (AMD).]

When the assessors are informed by the owner or otherwise of the presence within the municipality of personal property governed by this section, the assessors shall give notice in writing to the owner to furnish to the assessors a true and perfect list of such personal property within 15 days from the receipt of that notice and, except as otherwise provided in this section, section 706-A is applicable to this section. [PL 2023, c. 523, Pt. A, §6 (AMD).]

The assessors shall assess a tax upon any personal property governed by this section in accordance with other property assessed for the same tax year, except that, if the tax is paid within 2 months of assessment, interest from the due date of taxes for the tax year involved does not apply. [PL 2023, c. 523, Pt. A, §6 (AMD).]

Except as otherwise provided in this section, the collection of taxes on personal property governed by this section must be in accordance with this chapter. [PL 2023, c. 523, Pt. A, §6 (AMD).]

**§612. Tax lien on personal property**

**1. Lien.** The legal assessment of taxes upon personal property as defined in section 601 against a particular taxpayer creates and constitutes a lien upon all of the property assessed to secure payment of the resulting taxes, provided that the inventory and valuation upon which the assessment is made contains a description of the personal property taxed that meets the requirements of Title 11, section 9-1504. Except as otherwise provided in this section, the lien takes precedence over all other claims on the personal property and continues in force until the taxes are paid or until the lien is otherwise terminated by law.

[PL 2003, c. 355, §1 (AMD); PL 2003, c. 355, §§9, 10 (AFF).]

**2. Definitions.** As used in this section, unless the context otherwise indicates, the terms used in this section have the same meanings as in Title 11.

[PL 1983, c. 403, §1 (NEW).]

**3. Perfection of lien.** The lien established by subsection 1 attaches on the date of assessment and must be perfected as against all lien creditors, as defined in Title 11, section 9-1102, subsection (52), without the necessity of further action by the municipality or any other party. The lien becomes perfected as against parties other than lien creditors at the time when a notice of the lien is communicated, pursuant to the provisions of Title 11, section 9-1516, to the office identified in Title 11, section 9-1501, subsection (1), paragraph (b). Any filing is ineffective to perfect a lien as against parties that are not lien creditors to the extent that the filing covers taxes upon property whose status for those taxes was fixed pursuant to section 502 or 611 more than 2 years prior to the filing date. The lien does not have priority against any interest as to which it is unperfected during the period in which it is not so perfected. If the lien is perfected as to some interests in the property subject to the tax, but not as to other interests, and the interests as to which it is perfected are superior in priority to the interests

against which the lien is unperfected, then the lien has priority over the interests against which it has not been perfected to the extent of the superior interests against which it has been perfected.

[PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

**4. Notice of lien.** Each notice of lien, which may be in the form of a financing statement, must:

A. Name the owner of the property upon which the lien is claimed, if the owner is not the taxpayer and is known to the municipality; [PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

B. Provide the residence or business address of the owner, if known to the municipality; [PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

C. Provide the taxpayer's name and the taxpayer's residence or business address, if known to the municipality, and if not otherwise known, the address where the property that is being taxed was located on the date the status of such taxable property was fixed pursuant to section 502 or 611; [PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

D. Describe the property claimed to be subject to the lien in a manner that meets the requirements of Title 11, section 9-1504; [PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

E. State the amount of tax, accrued interest and costs, as of the date on which the municipality sends the notice for filing, claimed due the municipality and secured by the lien; [PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

F. State the tax year or years for which the lien is claimed; [PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

G. Name the municipality claiming the lien; [PL 2003, c. 355, §2 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

H. Set forth the phrase "NOTICE OF PERSONAL PROPERTY TAX LIEN" in that part of the financing statement otherwise used to describe the collateral; [PL 2003, c. 355, §2 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

I. Indicate that the notice is filed as a non-UCC filing; and [PL 2003, c. 355, §2 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

J. Indicate that the taxpayer or owner, if an organization, has no organizational identification number, regardless of whether such a number may exist for that entity. [PL 2003, c. 355, §2 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

Except as provided in this subsection, the notice of lien need not contain the information required by Title 11, section 9-1516, subsection (2), paragraph (e), subparagraph (iii) and must be accepted for filing without that information notwithstanding the provisions of Title 11, section 9-1520, subsection (1). A copy of the notice of lien must be given by certified mail, return receipt requested, at the last known address, to the taxpayer, to the owner, if the owner is not the taxpayer, and to any party who has asserted that it holds an interest in any of the property that is subject to the lien in an authenticated notification received by the municipality within 5 years prior to the date on which the municipality sends the notice of lien for filing, or who has filed a financing statement with the office identified in Title 11, section 9-1501, subsection (1), paragraph (b) that remains effective as of the date on which the municipality sends the notice of lien for filing. Failure to give notice to any secured party who has a perfected security interest prevents the lien from taking priority over that security interest, but does not otherwise affect the validity of the lien.

[PL 2003, c. 631, §81 (AMD).]

**5. Effective period of lien; limitation period.** Perfection of any lien by the filing of a notice of lien is effective for a period of 5 years from the date of filing, unless discharged as provided in this section or unless a continuation statement is filed prior to the lapse. A continuation statement may be

filed on behalf of the municipality within 6 months prior to the expiration of the 5-year period provided in this section in the same manner and to the same effect as provided in Title 11, section 9-1515.

[PL 2003, c. 355, §3 (AMD); PL 2003, c. 355, §§9, 10 (AFF).]

**6. Rights and remedies of municipality and taxpayer.** A municipality that has filed a notice of tax lien has the rights and remedies of a secured party, the taxpayer and the owner of the property against whom the lien has been filed have the rights and remedies of a debtor, all parties to whom the municipality is required to provide a copy of the lien notice pursuant to subsection 4 have the rights and remedies of a junior secured party and all lien creditors have the rights of lien creditors, as provided for in Title 11, Article 9-A, Part 6, except that:

A. The municipality does not have the rights provided to a secured party in Title 11, sections 9-1620, 9-1621 and 9-1622; [PL 2003, c. 355, §4 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

B. The municipality has no obligations to lien creditors or to secured parties except to the extent that it has received notice from such secured parties as set forth in subsection 4 or they have effective financing statements on file as provided in subsection 4; [PL 2003, c. 355, §4 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

C. The municipality has no obligations under Title 11, section 9-1616; and [PL 2003, c. 355, §4 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

D. The municipality is not subject to Title 11, section 9-1625, subsection (3), paragraph (b) and section 9-1625, subsections (5) to (7). [PL 2003, c. 355, §4 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

[PL 2003, c. 355, §4 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

**7. Personal property liens; discharge.** If any lien created under this section is discharged, then a certificate of discharge must promptly be filed by the tax collector of the municipality which originally filed the notice of lien, or by that tax collector's successor, in the same manner as termination statements are filed under Title 11, section 9-1513. The municipal officer who has filed the notice of lien shall file a notice of discharge of the lien in the manner provided in this section, if:

A. The taxes for which the lien has been filed are fully paid, together with all interest and costs due thereon; [PL 1983, c. 403, §1 (NEW).]

B. A cash bond or surety company bond is furnished to the municipality conditioned upon the payment of the amount liened, together with interest and cost due, within the effective period of the lien as provided in this section; or [PL 1983, c. 403, §1 (NEW).]

C. A final judgment is rendered in favor of the taxpayer or others claiming an interest in the liened personal property which determines either that the tax is not owed or that the lien is not valid. If the judgment determines that the tax is partially owed, then the officer who filed the notice of lien or that officer's successor shall, within 10 days of the rendition of the final judgment, file an amendment to the notice of lien reducing the amount claimed to the actual amount of tax found to be due, which amended lien is effective as to the revised amount of the lien as of the date of the filing of the original notice of tax lien. [PL 2003, c. 355, §5 (AMD); PL 2003, c. 355, §§9, 10 (AFF).]

[PL 2003, c. 355, §5 (AMD); PL 2003, c. 355, §§9, 10 (AFF).]

**8. Consumer goods.** In the case of consumer goods, a buyer in the ordinary course of business takes free of the lien created by this section, even though the lien is perfected and even though the buyer knows of its existence.

[PL 1983, c. 403, §1 (NEW).]

**9. Liens subordinate to security interests.** The lien authorized by subsection 1 is subordinated to security interests that were perfected before September 23, 1983 and that have remained perfected

thereafter, except to the extent that such perfected security interests would be subordinate to the rights of the municipality if the municipality were considered, whether or not such is actually the case, to be a lien creditor under Title 11, section 9-1323 by virtue of its rights pursuant to the lien authorized by subsection 1.

[PL 2003, c. 355, §6 (RPR); PL 2003, c. 355, §§9, 10 (AFF).]

**10. Collection procedure.** The collection procedure authorized by this section is optional and does not affect in any way alternate collection procedures authorized by law.

[PL 1999, c. 699, Pt. D, §28 (AMD); PL 1999, c. 699, Pt. D, §30 (AFF).]

**11. Limitation of this section.** The lien authorized by this section applies to taxes assessed on or after April 1, 1984. The procedures of this section as amended effective July 1, 2001 or October 1, 2003 apply only to liens authorized in this section that are perfected by a filing made on or after July 1, 2001, or for which a continuation statement is filed on or after that date.

[PL 2003, c. 355, §7 (AMD); PL 2003, c. 355, §§9, 10 (AFF).]

**12. Location of filing.** A tax lien filed on or after July 1, 2001 with the office identified in Title 11, section 9-1501, subsection (1), paragraph (b) is not invalid or otherwise ineffectual by reason of filing with that office.

[PL 2003, c. 355, §8 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

**13. Application of state law.** The law of this State governs the following without recourse to this State's choice of law provisions, including those provisions found in Title 11, sections 9-1301 to 9-1307:

A. Perfection of a personal property tax lien, as provided in this section; [PL 2003, c. 355, §8 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

B. The effect of perfection or nonperfection of a personal property tax lien as provided in this section; [PL 2003, c. 355, §8 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

C. The priority of a personal property tax lien as provided in this section; and [PL 2003, c. 355, §8 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

D. All other rights and obligations of the parties with respect to personal property tax liens held by municipalities in this State. [PL 2003, c. 355, §8 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

[PL 2003, c. 355, §8 (NEW); PL 2003, c. 355, §§9, 10 (AFF).]

**§652. Property of institutions and organizations**

**1. Property of institutions and organizations.** The property of institutions and organizations is exempt from taxation as provided in this subsection.

A. The real estate and personal property owned and occupied or used solely for their own purposes by incorporated benevolent and charitable institutions are exempt from taxation. Such an institution may not be deprived of the right of exemption by reason of the source from which its funds are derived or by reason of limitation in the classes of persons for whose benefit the funds are applied.

For the purposes of this paragraph, "benevolent and charitable institutions" includes, but is not limited to, nonprofit nursing homes licensed by the Department of Health and Human Services pursuant to Title 22, chapter 405, nonprofit residential care facilities licensed by the Department of Health and Human Services pursuant to Title 22, chapter 1663, nonprofit community mental health service facilities licensed by the Commissioner of Health and Human Services in accordance with rules adopted pursuant to Title 34-B, chapter 3 and nonprofit child care centers. For the purposes of this paragraph, "nonprofit" refers to an institution that has been determined by the United States

Internal Revenue Service to be exempt from taxation under Section 501(c)(3) of the Code. [PL 2021, c. 630, Pt. B, §2 (AMD).]

B. The real estate and personal property owned and occupied or used solely for their own purposes by literary and scientific institutions are exempt from taxation. If any building or part of a building is used primarily for employee housing, that building, or that part of the building used for employee housing, is not exempt from taxation. [PL 2007, c. 627, §20 (AMD).]

C. Further conditions to the right of exemption under paragraphs A and B are that:

(1) Any corporation claiming exemption under paragraph A must be organized and conducted exclusively for benevolent and charitable purposes;

(2) A director, trustee, officer or employee of an organization claiming exemption may not receive directly or indirectly any pecuniary profit from the operation of that organization, except as reasonable compensation for services in effecting its purposes or as a proper beneficiary of its strictly benevolent or charitable purposes;

(3) All profits derived from the operation of an organization claiming exemption and the proceeds from the sale of its property must be devoted exclusively to the purposes for which it is organized;

(4) The institution, organization or corporation claiming exemption under this section must file with the assessors upon their request a report for its preceding fiscal year in such detail as the assessors may reasonably require;

(5) An exemption may not be allowed under this section in favor of an agricultural fair association holding pari-mutuel racing meets unless it has qualified the next preceding year as a recipient of a stipend from the Stipend Fund provided in Title 7, section 86;

(6) An exemption allowed under paragraph A or B for real or personal property owned and occupied or used to provide federally subsidized residential rental housing is limited as follows: Federally subsidized residential rental housing placed in service prior to September 1, 1993 by other than a nonprofit housing corporation that is acquired on or after September 1, 1993 by a nonprofit housing corporation and the operation of which is not an unrelated trade or business to that nonprofit housing corporation is eligible for an exemption limited to 50% of the municipal assessed value of that property.

An exemption granted under this subparagraph must be revoked for any year in which the owner of the property is no longer a nonprofit housing corporation or the operation of the residential rental housing is an unrelated trade or business to that nonprofit housing corporation.

(a) For the purposes of this subparagraph, the following terms have the following meanings.

(i) "Federally subsidized residential rental housing" means residential rental housing that is subsidized through project-based rental assistance, operating assistance or interest rate subsidies paid or provided by or on behalf of an agency or department of the Federal Government.

(ii) "Nonprofit housing corporation" means a nonprofit corporation organized in the State that is exempt from tax under Section 501(c)(3) of the Code and has among its corporate purposes the provision of services to people of low income or the construction, rehabilitation, ownership or operation of housing.

(iii) "Residential rental housing" means one or more buildings, together with any facilities functionally related and subordinate to the building or buildings, located on one parcel of land and held in common ownership prior to the conversion to nonprofit status and containing 9 or more similarly constructed residential units offered for rental

to the general public for use on other than a transient basis, each of which contains separate and complete facilities for living, sleeping, eating, cooking and sanitation.

(iv) "Unrelated trade or business" means any trade or business whose conduct is not substantially related to the exercise or performance by a nonprofit corporation of the purposes or functions constituting the basis for exemption under Section 501(c)(3) of the Code.

(b) Eligibility of the following property for exemption is not affected by the provisions of this subparagraph:

(i) Property used as a nonprofit nursing home, residential care facility licensed by the Department of Health and Human Services pursuant to Title 22, chapter 1663 or a community living arrangement as defined in Title 30-A, section 4357-A or any property owned by a nonprofit organization licensed or funded by the Department of Health and Human Services to provide services to or for the benefit of persons with mental illness or intellectual disabilities;

(ii) Property used for student housing;

(iii) Property used for parsonages;

(iv) Property that was owned and occupied or used to provide residential rental housing that qualified for exemption under paragraph A or B prior to September 1, 1993; or

(v) Property exempt from taxation under other provisions of law; and

(7) In addition to the requirements of subparagraphs (1) to (4), an exemption is not allowed under paragraph A or B for real or personal property owned and occupied or used to provide residential rental housing that is transferred or placed in service on or after September 1, 1993, unless the property is owned by a nonprofit housing corporation and the operation of the residential rental housing is not an unrelated trade or business to the nonprofit housing corporation.

For the purposes of this subparagraph, the following terms have the following meanings.

(a) "Nonprofit housing corporation" means a nonprofit corporation organized in the State that is exempt from tax under Section 501(c)(3) of the Code and has among its corporate purposes the provision of services to people of low income or the construction, rehabilitation, ownership or operation of housing.

(b) "Residential rental housing" means one or more buildings, together with any facilities functionally related and subordinate to the building or buildings, containing one or more similarly constructed residential units offered for rental to the general public for use on other than a transient basis, each of which contains separate and complete facilities for living, sleeping, eating, cooking and sanitation.

(c) "Unrelated trade or business" means any trade or business whose conduct is not substantially related to the exercise or performance by a nonprofit organization of the purposes constituting the basis for exemption under Section 501(c)(3) of the Code. [PL 2019, c. 501, §19 (AMD).]

D. [PL 1979, c. 467, §3 (RP).]

E. The real estate and personal property owned, occupied and used for their own purposes by posts of the American Legion, Veterans of Foreign Wars, American Veterans, Sons of Union Veterans of the Civil War, Disabled American Veterans and Navy Clubs of the U.S.A. that are used solely by those organizations for meetings, ceremonials or instruction or to further the charitable activities

of the organization, including all facilities that are appurtenant to that property and used in connection with those purposes, are exempt from taxation. If an organization is not the sole occupant of the property, the exemption granted under this paragraph applies only to that portion of the property owned, occupied and used by the organization for its purposes.

Further conditions to the right of exemption are that:

- (1) A director, trustee, officer or employee of any organization claiming exemption may not receive directly or indirectly any pecuniary profit from the operation of that organization, except as reasonable compensation for services in effecting its purposes or as a proper beneficiary of its purposes;
- (2) All profits derived from the operation of the organization and the proceeds from the sale of its property must be devoted exclusively to the purposes for which it is organized; and
- (3) The institution, organization or corporation claiming exemption under this paragraph must file with the assessors upon their request a report for its preceding fiscal year in such detail as the assessors may reasonably require. [PL 2007, c. 627, §20 (AMD).]

F. The real estate and personal property owned and occupied or used solely for their own purposes by central labor councils, chambers of commerce or boards of trade in this State are exempt from taxation. For the purposes of this paragraph, "central labor council" means an association or network of labor unions designed to promote and protect the interests of their members.

Further conditions to the right of exemption are that:

- (1) A director, trustee, officer or employee of any organization claiming exemption may not receive directly or indirectly any pecuniary profit from the operation of that organization, except as reasonable compensation for services in effecting its purposes or as a proper beneficiary of its purposes;
- (2) All profits derived from the operation of the organization and the proceeds from the sale of its property must be devoted exclusively to the purposes for which it is organized; and
- (3) The institution, organization or corporation claiming exemption under this paragraph must file with the assessors upon their request a report for its preceding fiscal year in such detail as the assessors may reasonably require. [PL 2021, c. 410, §1 (AMD).]

G. Houses of religious worship, including vestries, and the pews and furniture within them; tombs and rights of burial; and property owned and used by a religious society as a parsonage up to the just value of \$20,000, and personal property not exceeding \$6,000 in just value are exempt from taxation, except that any portion of a parsonage that is rented is subject to taxation. For purposes of this paragraph, "parsonage" means the principal residence provided by a religious society for its cleric whether or not the principal residence is located within the same municipality as the house of religious worship where the cleric regularly conducts religious services. [PL 2023, c. 360, Pt. A, §6 (AMD).]

H. Real estate and personal property owned by or held in trust for fraternal organizations, except college fraternities, operating under the lodge system that are used solely by those fraternal organizations for meetings, ceremonials or religious or moral instruction, including all facilities that are appurtenant to that property and used in connection with those purposes are exempt from taxation. If a building is used in part for those purposes and in part for any other purpose, only the part used for those purposes is exempt.

Further conditions to the right of exemption under this paragraph are that:

- (1) A director, trustee, officer or employee of any organization claiming exemption may not receive directly or indirectly any pecuniary profit from the operation of that organization,

except as reasonable compensation for services in effecting its purposes or as a proper beneficiary of its purposes;

(2) All profits derived from the operation of the organization and the proceeds from the sale of its property must be devoted exclusively to the purposes for which it is organized; and

**3. Effect on state valuation.** For property tax years beginning before April 1, 2018, 50% of the just value of all the homestead exemptions under this subchapter must be included in the annual determination of state valuation under sections 208 and 305. For property tax years beginning on April

1, 2018 and April 1, 2019, 62.5% of the just value of all the homestead exemptions under this subchapter must be included in the annual determination of state valuation under sections 208 and 305. For property tax years beginning on April 1, 2020 and April 1, 2021, 70% of the just value of all the homestead exemptions under this subchapter must be included in the annual determination of state valuation under sections 208 and 305. For property tax years beginning on or after April 1, 2022, a percentage of the just value of all the homestead exemptions under this subchapter must be included in the annual determination of state valuation under sections 208 and 305. The percentage for each property tax year is the same as the percentage of state reimbursement for that property tax year under section 685, subsection 2.

[PL 2021, c. 398, Pt. PPPP, §1 (AMD).]

**4. Property tax rate.** For property tax years beginning before April 1, 2018, 50% of the just value of all the homestead exemptions under this subchapter must be included in the total municipal valuation used to determine the municipal tax rate. For property tax years beginning on April 1, 2018 and April 1, 2019, 62.5% of the just value of all the homestead exemptions under this subchapter must be included in the total municipal valuation used to determine the municipal tax rate. For property tax years beginning on April 1, 2020 and April 1, 2021, 70% of the just value of all the homestead exemptions under this subchapter must be included in the total municipal valuation used to determine the municipal tax rate. For property tax years beginning on or after April 1, 2022, a percentage of the just value of all the homestead exemptions under this subchapter must be included in the total municipal valuation used to determine the municipal tax rate. The percentage for each property tax year is the same as the percentage of state reimbursement for that property tax year under section 685, subsection 2. The municipal tax rate as finally determined may be applied to only the taxable portion of each homestead qualified for that tax year.

[PL 2021, c. 398, Pt. PPPP, §2 (AMD).]

**5. Determination of exemption for cooperative housing corporation.** A cooperative housing corporation may apply for an exemption under this subchapter to be applied against the valuation of property of the corporation that is occupied by qualifying shareholders. The application must include a list of all qualifying shareholders and must be updated annually to reflect changes in the ownership and residency of qualifying shareholders. The exemption is equal to the amounts specified in subsections 1 and 1-B multiplied by the number of units in the cooperative property occupied by qualifying shareholders. A cooperative housing corporation that receives an exemption pursuant to this section shall apportion the property tax reduction resulting from the exemption among the qualifying shareholders on a per unit basis. Any supplemental assessment resulting from disqualification for exemption must be applied in the same manner against the qualifying shareholders for whom the disqualification applies.

#### §684. Forms; application

**1. Generally.** The bureau shall provide to the assessor of each municipality access to forms to be filed by applicants for an exemption under this subchapter and shall determine the content of the forms. A municipality shall provide to its inhabitants reasonable notice of the availability of application forms.

An individual claiming an exemption under this subchapter for the first time shall file the application form with the assessor or the assessor's representative. The application must be filed on or before April 1st of the year on which the taxes are based.

[PL 2025, c. 113, Pt. A, §2 (AMD).]

**2. False filing.** An individual who knowingly gives false information for the purpose of claiming a homestead exemption under this subchapter commits a Class E crime. Except for a person on active duty serving in the Armed Forces of the United States who is permanently stationed at a military or naval post, station or base in the State, an individual who claims to be a permanent resident of this State under this subchapter who also claims to be a permanent resident of another state for the tax year for which an application for a homestead exemption is made commits a Class E crime.

[PL 2009, c. 418, §2 (AMD); PL 2009, c. 418, §3 (AFF).]

**3. Continuation of eligibility.** The assessor shall evaluate annually the ongoing eligibility of property for which a homestead exemption has been approved under this subchapter. The evaluation must be based on the status of the property on April 1st of the year on which the homestead exemption is based. The evaluation must include, but is not limited to, a review of whether the ownership of the property has changed in any manner that would disqualify the property for an exemption under this subchapter or whether the owner has ceased to use the property as a homestead. Unless the assessor determines that the property is no longer entitled to an exemption under this subchapter, the owner is entitled to receive the exemption without having to reapply. If the assessor determines that the property is no longer entitled to an exemption under this subchapter, the assessor shall notify the owner as provided in section 686 that the property is no longer entitled to an exemption under this subchapter.

[PL 2003, c. 13, §1 (AMD).]

**4. Owner notification.** An owner of property receiving an exemption under this subchapter shall notify the assessor promptly when the ownership or use of the property changes so as to change the qualification of the property for an exemption under this subchapter.

#### §685. Duty of assessor; reimbursement by State

**1. Examination and identification.** The assessor shall examine each application for homestead exemption that is timely filed with the assessor, determine whether the property is entitled to an exemption under this subchapter and identify the exemption in the municipal valuation.

[PL 1997, c. 643, Pt. HHH, §3 (NEW); PL 1997, c. 643, Pt. HHH, §10 (AFF).]

**2. Entitlement to reimbursement by the State; calculation.** A municipality that has approved homestead exemptions under this subchapter may recover from the State:

A. For property tax years beginning before April 1, 2018, 50% of the taxes lost by reason of the exemptions under section 683, subsections 1 and 1-B; [PL 2019, c. 343, Pt. H, §4 (AMD).]

B. For property tax years beginning on April 1, 2018 and April 1, 2019, 62.5% of the taxes lost by reason of the exemptions under section 683, subsections 1 and 1-B; [PL 2021, c. 398, Pt. PPPP, §3 (AMD).]

C. For property tax years beginning on April 1, 2020 and April 1, 2021, 70% of the taxes lost by reason of the exemptions under section 683, subsections 1 and 1-B; [PL 2021, c. 398, Pt. PPPP, §3 (AMD).]

E. For property tax years beginning on or after April 1, 2023, 76% of the taxes lost by reason of the exemptions under section 683, subsections 1 and 1-B. [PL 2023, c. 412, Pt. II, §1 (AMD).]

The municipality must provide proof in a form satisfactory to the bureau. The bureau shall reimburse the Unorganized Territory Education and Services Fund in the same manner for taxes lost by reason of the exemptions.

[PL 2023, c. 412, Pt. II, §1 (AMD).]

**3. Information provided to State; deviations in assessment ratio.** The assessor shall provide by June 1st, annually, any relevant information requested by the bureau for the purpose of determining the actual assessment ratio for developed parcels in use in a municipality. The certified ratio declared by the municipality must be considered accurate by the bureau if it is within 10% of the assessment ratio last determined by the bureau in its annual report of ratio studies involving developed parcels of property. The assessor may submit additional information on the relevant assessment ratio to the bureau in order to prove that a different ratio should apply. The bureau may accept a certified ratio that deviates more than 10% from the last reported developed parcel ratio only if the information submitted by the municipality clearly indicates that the certified ratio is more accurate than the assessment ratio contained in the bureau's most recent annual report.

[PL 1997, c. 643, Pt. HHH, §3 (NEW); PL 1997, c. 643, Pt. HHH, §10 (AFF).]

**4. Estimated and final payments by the State.** Reimbursement to municipalities must be made in the following manner.

A. The bureau shall estimate the amount of reimbursement required under this section for each municipality and certify 75% of the estimated amount to the Treasurer of State by August 1st, annually. The Treasurer of State shall pay by August 15th, annually, the amount certified to each municipality entitled to reimbursement. [PL 2009, c. 571, Pt. MM, §1 (AMD); PL 2009, c. 571, Pt. MM, §2 (AFF).]

B. A municipality claiming reimbursement under this section shall submit a claim to the bureau by November 1st of the year in which the exemption applies or within 30 days of commitment of taxes, whichever occurs later. The bureau shall review the claims and determine the total amount to be paid. The bureau shall certify and the Treasurer of State shall pay by July 15th of the year following the year in which the exemption applies the difference between the estimated payment issued and the amount that the bureau finally determines for the year in which the exemption applies. If the total amount of reimbursement to which a municipality is entitled is less than the amount received under paragraph A, the municipality shall repay the excess to the State by December 30th of that year, or the amount may be offset against the amount of state-municipal revenue sharing due the municipality under Title 30-A, section 5681. [PL 2009, c. 571, Pt. MM, §1 (AMD); PL 2009, c. 571, Pt. MM, §2 (AFF).]

#### §693. Forms; reporting

**1. Reporting.** On or before May 1st of each year, a taxpayer claiming an exemption under this subchapter shall file a report with the assessor of the taxing jurisdiction in which the property would otherwise be subject to taxation on April 1st of that year. The report must identify the property for which exemption is claimed that would otherwise be subject to taxation on April 1st of that year and must be made on a form prescribed by the State Tax Assessor or substitute form approved by the State Tax Assessor. The State Tax Assessor shall furnish access to the form to each municipality in the State and the form must be made available to taxpayers prior to April 1st annually. The assessor of the taxing jurisdiction may require the taxpayer to sign the form and make oath to its truth. Upon written request, before the commitment of taxes, the assessor may grant, for good cause, an extension of time not to exceed 3 months to file the report. If a taxpayer fails to file the report in a timely manner, including any extension of time, the taxpayer may not obtain an exemption for that property under this subchapter for that tax year. The assessor of the taxing jurisdiction may require in writing that a taxpayer answer in writing all reasonable inquiries as to the property for which exemption is requested. A taxpayer has 30 days from receipt of such an inquiry to respond. Upon written request, a taxpayer is entitled to a 30-day extension to respond to the inquiry and the assessor may at any time grant additional extensions to respond to the inquiry upon written request. The answer to any such inquiry is not binding on the assessor.

All notices and requests provided pursuant to this subsection must be made by personal delivery or certified mail and must conspicuously state the consequences of the taxpayer's failure to respond to the notice or request in a timely manner.

If an exemption has already been accepted and the State Tax Assessor subsequently determines that the property is not entitled to exemption, a supplemental assessment must be made within 3 years of the original assessment date with respect to the property in compliance with section 713, without regard to the limitations contained in that section regarding the justification necessary for a supplemental assessment.

[PL 2025, c. 271, Pt. A, §2 (AMD).]

**2. False filing.** An individual who knowingly gives false information for the purpose of claiming an exemption under this subchapter commits a Class E crime.

[PL 2005, c. 623, §1 (NEW).]

**3. Continuation of eligibility.** A person must annually file the report required by this section for all eligible business equipment, even though there may be no substantive change in the property from one year to the next.

**§694. Duty of assessor; reimbursement by State**

**1. Examination and identification.** The assessor shall examine each report pursuant to section 693 that is timely filed, determine whether the property identified in the report is entitled to an exemption under this subchapter and determine the just value of the property.

[PL 2013, c. 544, §3 (AMD); PL 2013, c. 544, §7 (AFF).]

**2. Entitlement to reimbursement by State; calculation.** Reimbursement is calculated as follows.

A. Notwithstanding section 661, upon proof in a form satisfactory to the bureau, unless a municipality chooses reimbursement under paragraph B, a municipality that has accepted a valid exemption under this subchapter is entitled to recover from the State the applicable percentage of property tax revenue lost by reason of the exemption. Except as otherwise provided in this subsection, the applicable percentage is:

- (1) For property tax years beginning April 1, 2008, 100%;
- (2) For property tax years beginning April 1, 2009, 90%;
- (3) For property tax years beginning April 1, 2010, 80%;
- (4) For property tax years beginning April 1, 2011, 70%;
- (5) For property tax years beginning April 1, 2012, 60%; and
- (6) For property tax years beginning April 1, 2013 and for subsequent tax years, 50%. [PL 2005, c. 623, §1 (NEW).]

B. In the case of a municipality that chooses reimbursement under this paragraph in which the personal property factor exceeds 5%, the applicable percentage for exempt business equipment is 50% plus an amount equal to 1/2 of the personal property factor. For purposes of this paragraph,

"personal property factor" means the percentage derived from a fraction, the numerator of which is the value of taxable business personal property in the municipality plus the value of exempt eligible business equipment, and the denominator of which is the value of all taxable property in the municipality plus the value of exempt business equipment. For purposes of this paragraph, the value of exempt business equipment is the value that would have been assessed on that equipment if it were taxable. [PL 2023, c. 441, Pt. B, §3 (AMD); PL 2023, c. 441, Pt. B, §7 (AFF).]

C. In the case of a municipality that has one or more tax increment financing districts authorized pursuant to Title 30-A, chapter 206, subchapter 1 and effective under Title 30-A, section 5226, subsection 3 prior to April 1, 2008 or authorized pursuant to Title 30-A, former chapter 207 and effective under Title 30-A, former section 5253, subsection 1, paragraph F, prior to April 1, 2008, the applicable percentage with respect to TIF exempt business equipment is 50% plus a percentage amount equal to the percentage amount, if any, by which the municipal tax increment percentage for the tax increment financing district in which the TIF exempt business equipment is located exceeds 50%. This paragraph applies only when it will result in a greater percentage of reimbursement for the TIF exempt business equipment than would be provided under the greater of paragraph A or B and the reimbursement has been used to fund a development program pursuant to Title 30-A, section 5224. [PL 2021, c. 253, Pt. C, §2 (AMD).]

[PL 2023, c. 441, Pt. B, §3 (AMD); PL 2023, c. 441, Pt. B, §7 (AFF).]

**3. Reimbursement to unorganized territory education and services.** The bureau shall calculate the reimbursement to the Unorganized Territory Education and Services Fund for property tax revenue lost by reason of the exemption in the same manner as it does for municipalities and at the same percentages as are applicable to municipalities.

[PL 2007, c. 627, §27 (AMD).]

**4. Information provided to State; deviations in assessment ratio.**

[PL 2007, c. 627, §28 (RP).]

**5. Payments by State.** Reimbursements to municipalities must be made as described in this subsection. A municipality claiming reimbursement under this section shall submit a claim to the bureau by November 1st of the year in which the exemption applies or within 30 days of commitment of taxes, whichever occurs later. The bureau shall review the claims and determine the total amount to be paid. The bureau shall certify and the Treasurer of State shall pay by December 15th of the year in which the exemption applies the amount that the bureau determines for that tax year. Municipal claims that are timely filed after November 1st must be paid as soon as reasonably possible after the December 15th payment date.

### §695. Denial of exemption; appeals

If the assessor determines that a property is not entitled to an exemption under this subchapter, the assessor shall provide a written notice of denial prior to the tax commitment date in that municipality, including the reasons for the denial, to the applicant by either personal delivery or certified mail. An applicant may contest a denial by the assessor of an exemption under this subchapter either by using the procedures provided in subchapter 8 or by pursuing such other actions or proceedings by which other property tax exemptions under this chapter may be reviewed or adjudicated. The taxpayer may contest a supplemental assessment under this subchapter either by using the procedures provided in subchapter 8 or by pursuing such other actions or proceedings by which other property tax exemptions under this chapter may be reviewed or adjudicated. The supplemental assessment must be assessed and collected pursuant to section 713. The bureau shall deduct the amount of the portion of the supplemental assessment that pertains to any funds previously reimbursed to the municipality under section 694 from the next reimbursement issued to the municipality. #### SECTION HISTORY

#### **§701-A. Just value defined**

In the assessment of property, assessors in determining just value are to define this term in a manner that recognizes only that value arising from presently possible land use alternatives to which the particular parcel of land being valued may be put. In determining just value, assessors must consider all relevant factors, including without limitation the effect upon value of any enforceable restrictions to which the use of the land may be subjected including the effect on value of designation of land as significant wildlife habitat under Title 38, section 480-BB, current use, physical depreciation, sales in the secondary market, functional obsolescence and economic obsolescence. Restrictions include but are not limited to zoning restrictions limiting the use of land, subdivision restrictions and any recorded contractual provisions limiting the use of lands. The just value of land is determined to arise from and is attributable to legally permissible use or uses only. [PL 2007, c. 389, §1 (AMD).]

For the purpose of establishing the valuation of unimproved acreage in excess of an improved house lot, contiguous parcels and parcels divided by road, powerline or right-of-way may be valued as one parcel when: each parcel is 5 or more acres; the owner gives written consent to the assessor to value the parcels as one parcel; and the owner certifies that the parcels are not held for sale and are not subdivision lots. [PL 1993, c. 317, §1 (NEW); PL 1993, c. 317, §2 (AFF).]

For the purpose of establishing the valuation of improved real property, the property must be valued based on its highest and best use as of April 1st of each year, taking all of the following 3 approaches to value into consideration: cost, income and sales comparison. In establishing the valuation of improved real property, assessors shall consider age, condition, use, type of construction, location, design, physical features and economic characteristics. [PL 2023, c. 441, Pt. B, §4 (AMD); PL 2023, c. 441, Pt. B, §7 (AFF).]

If for 3 months after any warrant for a county tax has been issued, a municipality that is not part of a primary assessing area or is not a primary assessing area has neglected to choose assessors, or the assessors chosen have neglected to assess and certify such tax, the treasurer of the county in which that municipality is located may so notify the county commissioners. [PL 2021, c. 531, Pt. B, §2 (AMD).]

On receipt of such notification the county commissioners shall appoint 3 or more suitable persons in the county to be assessors for such municipality. #### **§706-A. Taxpayers to list property; notice; penalty; verification**

**1. Taxpayers to list property; inquiries.** Before making an assessment, the assessor may give timely notice in writing to all persons liable to taxation or qualifying for an exemption subject to full or partial reimbursement by the State to furnish to the assessor true and perfect lists of all the property the taxpayer possessed on the first day of April of the same year and may at the time of the notice or thereafter require the taxpayer to answer in writing all proper inquiries as to the nature, situation and value of the taxpayer's property liable to be taxed in the State or subject to an exemption subject to full or partial reimbursement by the State. The list and answers are not conclusive upon the assessor.

As may be reasonably necessary to ascertain the value of property according to the income approach to value pursuant to the requirements of section 208-A or generally accepted assessing practices, these inquiries may seek information about income and expense, manufacturing or operational efficiencies, manufactured or generated sales price trends or other related information.

A taxpayer has 30 days from receipt of a request for a true and perfect list or of proper inquiries to respond to the request or inquiries. Upon written request to the assessor, a taxpayer is entitled to a 30-day extension to respond to the request for a true and perfect list or proper inquiries, and the assessor may at any time grant additional extensions upon written request. Information provided by the taxpayer in response to an inquiry that is proprietary information, and is clearly labeled by the taxpayer as proprietary and confidential information, is confidential and is not a public record for purposes of Title 1, chapter 13.

A notice to or inquiry of a taxpayer made under this section may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If notice is given by mail and the taxpayer does not furnish the list and answers to all proper inquiries, the taxpayer may not apply to the assessor for an abatement or appeal an application for abatement of those taxes unless the taxpayer furnishes the list and answers with the application and satisfies the assessing authority or authority to whom an appeal is made that the taxpayer was unable to furnish the list and answers in the time required. The list and answers are not conclusive upon the assessor.

If the assessor fails to give notice by mail, the taxpayer is not prohibited from applying for an abatement; however, upon demand, the taxpayer shall furnish the list and answer in writing all proper inquiries as to the nature, situation and value of the taxpayer's property liable to be taxed in the State. A taxpayer's refusal or neglect to answer the inquiries bars an appeal, but the list and answers are not conclusive upon the assessor.

The assessor may require the person furnishing the list and answers to all proper inquiries to subscribe under oath to the truth of the list and answers.

[PL 2021, c. 630, Pt. B, §3 (AMD).]

**2. Penalty.** It is unlawful for any public official or any employee, agent, attorney or consultant of the taxing jurisdiction to willfully disclose any taxpayer information made confidential by this section or examine information made confidential by this section for any purpose other than the conduct of official duties pertaining to property tax administration. Information made confidential by this section may be disclosed:

- D. In an administrative proceeding, in executive session, pursuant to Title 1, section 405, subsection 6, paragraph F; [PL 2017, c. 367, §5 (NEW).]
- E. To the person who filed the confidential information or that person's representative authorized by the person in writing to receive the information; [PL 2017, c. 367, §5 (NEW).]
- F. To a public official or any employee, agent, attorney or consultant of the taxing jurisdiction; and [PL 2017, c. 367, §5 (NEW).]
- G. To any other person with the taxpayer's written consent. [PL 2017, c. 367, §5 (NEW).]

A person who knowingly violates the confidentiality provisions of this subsection commits a Class E crime.

[PL 2017, c. 367, §5 (NEW).]

**3. Proprietary information.** For the purposes of this section, "proprietary information" means information that is a trade secret or production, commercial or financial information the disclosure of which would impair the competitive position of the person submitting the information and would make available information not otherwise publicly available and information protected from disclosure by federal or state law, rules or regulations.

**3. Inability to pay after 2 years.** If after 2 years from the date of assessment a tax collector is satisfied that a tax upon real or personal property committed to the tax collector for collection cannot be collected by reason of the death, absence, poverty, insolvency, bankruptcy or other inability of the person assessed to pay, the tax collector shall notify the municipal officers in writing, under oath, stating the reason why that tax cannot be collected. The municipal officers, after due inquiry, may abate that tax or any part of the tax.

When the abatement is made, other than an abatement made under subsection 2, a record setting forth the name of the party or parties benefited, the amount of the abatement and the reasons for the abatement must, within 30 days, be made and kept in suitable book form open to the public at reasonable times. A report of the abatement must be made to the municipality at its annual meeting or to the mayor and municipal officers of cities by the first Monday in each March.

**§842. Notice of decision**

The assessors or municipal officers shall give to any person applying to them for an abatement of taxes notice in writing of their decision upon the application within 10 days after they take final action thereon. The notice of decision must include the reason or reasons supporting the decision to approve or deny the abatement request and state that the applicant has 60 days from the date the notice is received to appeal the decision. It must also identify the board or agency designated by law to hear the appeal. If the assessors or municipal officers, before whom an application in writing for the abatement of a tax is pending, fail to give written notice of their decision within 60 days from the date of filing of the application, the application is deemed to have been denied, and the applicant may appeal as provided in sections 843 and 844, unless the applicant has in writing consented to further delay. Denial in this manner is final action for the purposes of notification under this section but failure to send notice of decision does not affect the applicant's right of appeal. This section does not apply to applications for abatement made under section 841, subsection 2. [PL 2013, c. 182, §1 (AMD).]

**§843. Appeals**

**1. Municipalities.** If a municipality has adopted a board of assessment review and the assessors or the municipal officers refuse to make the abatement asked for, the applicant may apply in writing to the board of assessment review within 60 days after notice of the decision from which the appeal is being taken or after the application is deemed to have been denied, and, if the board thinks the applicant is over-assessed, the applicant is granted such reasonable abatement as the board thinks proper. Except with regard to nonresidential property or properties with an equalized municipal valuation of \$1,000,000 or greater either separately or in the aggregate, either party may appeal from the decision of the board of assessment review directly to the Superior Court, in accordance with Rule 80B of the Maine Rules of Civil Procedure. If the board of assessment review fails to give written notice of its decision within 60 days of the date the application is filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to Superior Court as if there had been a written denial.

[PL 1995, c. 262, §4 (AMD).]

**1-A. Nonresidential property of \$1,000,000 or greater.** With regard to nonresidential property or properties with an equalized municipal valuation of \$1,000,000 or greater either separately or in the aggregate, either party may appeal the decision of the local board of assessment review or the primary assessing area board of assessment review to the State Board of Property Tax Review within 60 days after notice of the decision from which the appeal is taken or after the application is deemed to be denied, as provided in subsections 1 and 2. The board shall hold a hearing de novo. If the board thinks that the applicant is over-assessed, it shall grant such reasonable abatement as the board thinks proper. For the purposes of this section, "nonresidential property" means property that is used primarily for commercial, industrial or business purposes, excluding unimproved land that is not associated with a commercial, industrial or business use.

[PL 1995, c. 262, §4 (AMD).]

**2. Primary assessing areas.** If a primary assessing area has adopted a board of assessment review and the assessors or municipal officers refuse to make the abatement asked for, the applicant may apply in writing to the board of assessment review within 60 days after notice of the decision from which the

appeal is being taken or after the application is deemed to have been denied, and if the board thinks the applicant is over-assessed, the applicant is granted such reasonable abatement as the board thinks proper. Except with regard to nonresidential property or properties with an equalized municipal valuation of \$1,000,000 or greater, either separately or in the aggregate, either party may appeal the decision of the board of assessment review directly to the Superior Court, in accordance with the Maine Rules of Civil Procedure, Rule 80B. If the board of assessment review fails to give written notice of its decision within 60 days of the date the application was filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to the Superior Court as if there had been a written denial.

[PL 2001, c. 396, §17 (AMD).]

**3. Notice of decision.** Any agency to which an appeal is made under this section is subject to the provisions for notice of decision in section 842.

[PL 1991, c. 546, §12 (NEW).]

**4. Payment requirements for taxpayers.** A taxpayer filing an appeal under this section must pay an amount of current taxes equal to the greater of the amount of taxes paid in the immediately preceding tax year, to the extent that amount does not exceed the amount of taxes due in the current tax year, and the amount of taxes in the current tax year that is not in dispute. If the taxpayer has filed an appeal under this section without paying the appropriate amount of taxes by or after the due date or according to a payment schedule mutually agreed to in writing by the taxpayer and the municipal officers, the appeal process must be suspended until the taxes, together with any accrued interest and costs, have been paid. If an appeal is in process upon expiration of a due date or written payment schedule date for payment of taxes in a particular municipality, without the appropriate amount of taxes having been paid, whether the taxes are due for the year under appeal or a subsequent tax year, the appeal process must be suspended until the appropriate amount of taxes described in this subsection, together with any accrued interest and costs, has been paid. This subsection does not apply to property with a valuation of less than \$500,000.

#### §844. Appeals to county commissioners

**1. Municipalities without board of assessment review.** Except when the municipality or primary assessing area has adopted a board of assessment review, if the assessors or the municipal officers refuse to make the abatement asked for, the applicant may apply to the county commissioners within 60 days after notice of the decisions from which the appeal is being taken or within 60 days after the application is deemed to have been denied. The applicant may not apply to the county commissioners to appeal a decision of the assessors or the municipal officers with respect to nonresidential property or properties having an equalized municipal valuation of \$1,000,000 or greater, either separately or in the aggregate. The applicant must make such an appeal to the State Board of Property Tax Review pursuant to subsection 2. If the commissioners think that the applicant is over-assessed, the applicant is granted such reasonable abatement as the commissioners think proper. If the applicant has paid the tax, the applicant is reimbursed out of the municipal treasury, with costs in either case. If the applicant fails, the commissioners shall allow costs to the municipality, taxed as in a civil action in the Superior Court, and issue their warrant of distress against the applicant for collection of the amount due the municipality. The commissioners may require the assessors or municipal clerk to produce the valuation by which the assessment was made or a copy of it. Either party may appeal from the decision of the county commissioners to the Superior Court, in accordance with the Maine Rules of Civil Procedure, Rule 80B. If the county commissioners fail to give written notice of their decision within 60 days of the date the application is filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to the Superior Court as if there had been a written denial.

[PL 2025, c. 342, §1 (AMD); PL 2025, c. 342, §3 (AFF).]

**1-A. County board of assessment review.** The county commissioners in a county may establish a county board of assessment review to hear all appeals to the county commissioners. The board has the powers and duties of a municipal board of assessment review, including those provided under section 844-M.

[PL 1995, c. 262, §6 (NEW).]

**2. Nonresidential property of \$1,000,000 or greater.** The applicant may appeal the decision of the assessors or the municipal officers on a request for abatement with respect to nonresidential property or properties having an equalized municipal valuation of \$1,000,000 or greater, either separately or in the aggregate, to the State Board of Property Tax Review within 60 days after notice of the decision from which the appeal is taken or after the application is deemed to be denied. If the State Board of Property Tax Review determines that the applicant is over-assessed, it shall grant such reasonable abatement as it determines proper. For the purposes of this subsection, "nonresidential property" means property that is used primarily for commercial, industrial or business purposes, excluding unimproved land that is not associated with a commercial, industrial or business use.

[PL 2025, c. 342, §2 (AMD); PL 2025, c. 342, §3 (AFF).]

**3. Notice of decision.** An appeal to the county commissioners is subject to the provisions for notice of decision in section 842.

[PL 1991, c. 546, §13 (NEW).]

**4. Payment requirements for taxpayers.** If the taxpayer has filed an appeal under this section without having paid an amount of current taxes equal to the amount of taxes paid in the next preceding tax year, as long as that amount does not exceed the amount of taxes due in the current tax year or the amount of taxes in the current tax year not in dispute, whichever is greater, by or after the due date, or according to a payment schedule mutually agreed to in writing by the taxpayer and the municipal officers, the appeal process must be suspended until the taxes, together with any accrued interest and costs, have been paid. If an appeal is in process upon expiration of a due date or written payment schedule date for payment of taxes in a particular municipality, without the appropriate amount of taxes having been paid, whether the taxes are due for the year under appeal or a subsequent tax year, the appeal process must be suspended until the appropriate amount of taxes described in this subsection,

together with any accrued interest and costs, has been paid. This subsection does not apply to property with a valuation of less than \$500,000.

**§844-M. County board of assessment review**

**1. Organization.** A county board of assessment review, as authorized by section 844, subsection 1-A, consists of 5 or 7 members, at least one of whom must be a licensed real estate appraiser and one of whom must be a member of the general public, who serve staggered terms of at least 3 but no more than 5 years. The terms must be determined by rule of the board. The board shall elect annually a chair and a secretary from among its members. A county official or the spouse of a county official may not be a member of the board. Any question of whether a particular issue involves a conflict of interest sufficient to disqualify a member from voting on that issue must be decided by a majority vote of the members, excluding the member who is being challenged. The county commissioners may dismiss a member of the board for cause before the member's term expires.

[PL 1995, c. 262, §9 (NEW).]

**2. Meetings; records.** The chair shall call meetings of the board as required. The chair shall also call meetings of the board when requested to do so by a majority of the board members or by the county commissioners. A majority of the board's members constitutes a quorum. The chair shall preside at the meetings of the board and is the official spokesperson of the board. The secretary shall maintain a permanent record of the board meetings, the correspondence of the board and the records that are required as part of the various proceedings brought before the board. The records maintained or prepared by the secretary must be filed in the county commissioners' office and subject to public inspection in accordance with Title 1, chapter 13, unless excepted from the definition of public records under Title 1, section 402, subsection 3 or otherwise exempt from disclosure under Title 1, chapter 13.

[PL 1995, c. 262, §9 (NEW).]

**3. Hearing.** The board shall adopt rules to establish the procedure for the conduct of a hearing; however, the chair may waive any rule upon good cause shown.  
[PL 1995, c. 262, §9 (NEW).]

**4. Evidence.** The board shall receive oral or documentary evidence and, as a matter of policy, provide for the exclusion of irrelevant, immaterial or unduly repetitious evidence. Each party may present its case or defense by oral or documentary evidence, submit rebuttal evidence and conduct cross-examination that is required for a full and true disclosure of the facts.  
[PL 1995, c. 262, §9 (NEW).]

**5. Testimony; record; notice.** The transcript or tape recording of testimony, if such a transcript or tape recording has been prepared by the board, and the exhibits, with all papers and requests filed in the proceeding, constitute the record. Decisions become a part of the record and must include a statement of findings and conclusions, as well as the reasons or basis for those findings and conclusions, upon the material issues of fact, law or discretion presented and the appropriate order, relief or denial of relief. If the board determines that the applicant is over-assessed, it shall grant such reasonable abatement as the board determines proper. Notice of a decision must be mailed or hand delivered to all parties and the county commissioners within 10 days of the board's decision.  
[PL 1995, c. 262, §9 (NEW).]

**6. Appeals.** A party may appeal the decision of the county board of assessment review to the Superior Court in accordance with the Maine Rules of Civil Procedure, Rule 80B. ## ARTICLE 2

### ENFORCEMENT OF LIEN ON REAL ESTATE

#### §941. Civil action with special attachments; procedure

The lien on real estate created by section 552 may be enforced in the following manner.

The tax collector may, after the expiration of 8 months and within one year from the date of original commitment of the tax or, in the case of deferred taxes pursuant to chapter 908-A, after the due and payable date established pursuant to section 6271, subsection 5, give to the person against whom the tax is assessed, or leave at the person's last and usual place of abode, or send by registered mail to the person's last known address, a notice in writing signed by said tax collector stating the amount of the tax, describing the real estate on which the tax is assessed and demanding the payment of such tax within 10 days after service of such notice. [PL 2009, c. 489, §1 (AMD).]

After the expiration of said 10 days a civil action for the collection of the tax may be brought in the county where the real estate lies, against the person to whom said tax is assessed. Such action may be brought in the name of the tax collector or the municipal officers may in writing direct the action to be brought in the name of the municipality. Such action shall be begun by a writ of attachment commanding the officer serving it to specially attach the real estate upon which the lien is claimed, which shall be served as other writs of attachment to enforce liens on real estate.

The complaint in such action shall contain a statement of such tax, a description of the real estate contained in said notice and an allegation that a lien is claimed on said real estate to secure the payment of the tax. If no service is made upon the defendant, or if it shall appear that other persons are interested in such real estate, the court shall order such notice of said action as appears proper and shall allow such other persons to become parties thereto.

If it shall appear upon trial of said action that the tax was legally assessed on said real estate, and is unpaid, and that there is an existing lien on said real estate for the payment of the tax, judgment shall be rendered for the tax, interest and costs of suit against the defendants and against the real estate attached, and execution shall issue thereon to be enforced by the sale of such real estate in the manner provided for in a sale on execution of real estate attached on original writs. In all actions brought in the Superior Court under this section or section 1284, full costs shall be recovered notwithstanding the amount of the judgment be \$20 or less.

Any person interested in the real estate may redeem it at any time within one year after its sale by the officer on that execution by paying the amount for which it was sold with interest at the rate determined by the State Tax Assessor pursuant to section 186. [PL 1981, c. 706, §12 (AMD).]

This section shall not affect any other provision of law for the enforcement and collection of taxes upon real estate.

#### SECTION HISTORY

PL 1981, c. 706, §12 (AMD). PL 2009, c. 489, §1 (AMD).

#### §942. Tax lien certificate; procedure

Except as provided in section 942-A, liens on real estate created by section 552, in addition to other methods established by law, may be enforced in the following manner. [PL 1987, c. 358, §3 (AMD).]

The tax collector may, after the expiration of 8 months and within one year after the date of original commitment of a tax or, in the case of deferred taxes pursuant to chapter 908-A, after the due and

payable date established pursuant to section 6271, subsection 5, give to the person against whom the tax is assessed, or leave at the person's last and usual place of abode, or send by certified mail, return receipt requested, to the person's last known address, a notice in writing signed by the tax collector or bearing the tax collector's facsimile signature, stating the amount of the tax, describing the real estate on which the tax is assessed, alleging that a lien is claimed on the real estate to secure the payment of the tax, and demanding the payment of the tax within 30 days after service or mailing of the notice with \$3 for the tax collector for making the demand together with the certified mail, return receipt requested, fee. In the case of taxes supplementally assessed, the tax collector may give that notice after the expiration of 8 months and within one year after the date of commitment of the supplementally assessed taxes. If an owner or occupant of real estate to whom the real estate is taxed dies before that demand is made on that owner or occupant, the demand may be made upon the personal representative of that owner's or occupant's estate or upon any of that owner's or occupant's heirs or devisees. [PL 2009, c. 489, §2 (AMD).]

For property that constitutes a homestead for which a property tax exemption is claimed under subchapter 4-B, the tax collector shall include with the written notice authorized under this section written notice to the person named on the tax lien mortgage that that person may be eligible to file an application for tax abatement under section 841, subsection 2, indicating that the municipality, upon request, will assist the person in requesting an abatement and provide information regarding the procedures for making such a request. The notice must also indicate that the person may seek assistance from an advisor who can help the person work with the municipality to avoid tax lien foreclosure and provide information regarding ways to contact sources of assistance including legal services providers described in Title 4, section 18-A, subsection 1, paragraph B. The Department of Professional and Financial Regulation, Bureau of Consumer Credit Protection, by July 15th annually, shall post on a publicly accessible website information on accessing sources of assistance, and that information may be used by municipalities in providing the information required in the notice. Before posting this information, the bureau shall consider input, if any, received from legal services providers, counselors and state and federal agencies involved in foreclosure prevention matters. [PL 2023, c. 579, §1 (AMD).]

After the expiration of the 30 days and within 10 days thereafter, the tax collector shall record in the registry of deeds of the county or registry district where the real estate is situated a tax lien certificate signed by the tax collector or bearing the tax collector's facsimile signature, setting forth the amount of the tax, a description of the real estate on which the tax is assessed and an allegation that a lien is claimed on the real estate to secure the payment of the tax, that a demand for payment of the tax has been made in accordance with this section, and that the tax remains unpaid. When the undivided real estate of a deceased person has been assessed to the deceased's heirs or devisees without designating any of them by name it will be sufficient to record in said registry a tax lien certificate in the name of the heirs or the devisees of said decedent without designating them by name. [PL 2019, c. 501, §22 (AMD).]

At the time of the recording of the tax lien certificate in the registry of deeds, in all cases the tax collector shall file with the municipal treasurer a true copy of the tax lien certificate and shall hand deliver or send by certified mail, return receipt requested, to each record holder of a mortgage on that real estate, to the holder's last known address, a true copy of the tax lien certificate. If the real estate has not been assessed to its record owner, the tax collector shall send by certified mail, return receipt requested, a true copy of the tax lien certificate to the record owner. [PL 1993, c. 422, §6 (AMD).]

The costs to be paid by the taxpayer are the sum of the fees for recording and discharge of the lien as established by Title 33, section 751, plus \$13, plus the fee established by section 943 for sending a notice 30 to 45 days prior to the foreclosing date of the tax lien mortgage if that notice is actually sent and all certified mail, return receipt requested, fees. In the case of a lien in effect pursuant to chapter 908-A, the costs to be paid include interest in the amount established under section 6271, subsection 3.

Upon redemption, the municipality shall prepare and record a discharge of the tax lien mortgage. [PL 2009, c. 489, §3 (AMD).]

The municipality shall pay the tax collector \$3 for the notice, \$1 for filing the tax lien certificate and the amount paid for certified mail, return receipt requested, fees. The fees for recording the tax lien certificate and for discharging the tax lien mortgage must be paid by the municipality to the register of deeds. [PL 1995, c. 57, §6 (AMD).]

PL 1987, c. 358, §4 (NEW). PL 1991, c. 846, §§10,11 (AMD).

#### §943. Tax lien mortgage; redemption; discharge; foreclosure

The filing of the tax lien certificate in the registry of deeds shall create a tax lien mortgage on said real estate to the municipality in which the real estate is situated having priority over all other mortgages, liens, attachments and encumbrances of any nature, and shall give to said municipality all the rights usually incident to a mortgagee, except that the municipality shall not have any right of possession of said real estate until the right of redemption shall have expired.

The filing of the tax lien certificate in the registry of deeds shall be sufficient notice of the existence of the tax lien mortgage.

In the event that the tax, interest and costs underlying the tax lien are paid within the period of redemption, the municipal treasurer or assignee of record shall prepare and record a discharge of the tax lien mortgage in the same manner as is now provided for the discharge of real estate mortgages, except that a facsimile signature of the treasurer or treasurer's assignee may be used. [PL 2011, c. 104, §1 (AMD).]

If the party named on the tax lien mortgage has sold or otherwise conveyed the property to another person and provides proof of payment of that party's own pro rata share of taxes due, the municipal treasurer or the treasurer's designee of record shall prepare and record a discharge of the tax lien mortgage against that party in the same manner as is now provided for the discharge of real estate mortgages, except that a facsimile signature of the treasurer or treasurer's assignee may be used. The

discharge under this paragraph is only for the seller. The discharge of the tax lien must include a statement that the assignee, following the release of the property, did not owe property taxes as to the released property. The assignee of the discharge is responsible for the cost of recording the discharge. The assignee of the discharge must be limited to the seller of the property that is the subject of the tax lien mortgage. [PL 2025, c. 351, §1 (NEW).]

After the expiration of the 18-month period for redemption, the mortgagee of record of said real estate or the mortgagee's assignee and the owner of record if the said real estate has not been assessed to the owner or the person claiming under the owner, in the event the notice provided for said mortgagee and said owner has not been given as provided in section 942, has the right to redeem the real estate within 3 months after receiving actual knowledge of the recording of the tax lien certificate by payment or tender of the amount of the tax lien mortgage, together with interest and costs, and the tax lien mortgage must then be discharged by the owner thereof in the manner provided. [PL 2019, c. 501, §23 (AMD).]

The tax lien mortgage shall be prima facie evidence in all courts in all proceedings by and against the municipality, its successors and assigns, of the truth of the statements therein and after the period of redemption has expired, of the title of the municipality to the real estate therein described, and of the regularity and validity of all proceedings with reference to the acquisition of title by such tax lien mortgage and the foreclosure thereof.

If the person against whom the tax is assessed dies after the tax has been committed and prior to the expiration of the 18-month period of foreclosure and if that person has left a will offered for probate, the probate judge of the county in which that will is offered upon petition of any devisee of the real estate on which that tax is unpaid may grant a period of redemption not to exceed 60 days following the final allowance or disallowance of that will. This paragraph applies to discharges of municipal tax lien mortgages given after October 1, 1935. [PL 1991, c. 245, §1 (AMD); PL 1991, c. 245, §2 (AFF).]

When a municipality conveys the premises back to the former record titleholder or to a successor of that holder who obtained title before the foreclosure for a consideration of the taxes and costs due, the rights of the other parties claiming an interest of record in the premises at the time of foreclosure, including mortgagees, lien creditors or other secured parties, are revived as if the tax lien mortgage had not been foreclosed. The notice must be sent by first-class mail and certified mail, return receipt requested, to the last known address of the former owner and the last known address of each record holder of an interest in the tax-acquired property. This notice does not limit the right of a lienholder to pursue any claims to the excess sale proceeds against the former owner otherwise available by law.

[PL 2023, c. 640, §3 (NEW).]

**9. Notice by publication.** If the municipality is unable, after reasonable diligence, to locate the former owner of a tax-acquired property in order to send the notice required in subsection 8, the municipality, once a week for 3 consecutive weeks, shall place a notice in a newspaper of general circulation in the county in which the tax-acquired property is located. The notice must include the name of the former owner, a description of the tax-acquired property that was sold, the amount of the excess sale proceeds and the date by which the excess sale proceeds must be claimed.

[PL 2023, c. 640, §3 (NEW).]

The State Tax Assessor shall prescribe the form of the notice to be used by municipalities under this subsection.

A municipality that has become the purchaser at a sale of real estate for nonpayment of taxes or that as to any real estate has pursued the alternative method for the enforcement of liens for taxes provided in sections 942 and 943, whether in possession of such real estate or not, after the period of redemption from such sale or lien has expired, may maintain an action for equitable relief against any person who claims or may claim some right, title or interest in the premises adverse to the estate of such municipality. [PL 2025, c. 113, Pt. D, §49 (AMD).]

Any purchaser or successor of a purchaser in interest from a municipality of real estate or lien on real estate acquired by a municipality as a purchaser at a sale of that real estate for nonpayment of taxes, or acquired under the alternative method for the enforcement of liens for taxes provided in sections 942 and 943, whether in possession of such real estate or not, after the period of redemption from such sale or lien has expired, may maintain an action for equitable relief against any person who claims or may claim some right, title or interest in the premises adverse to the estate of such municipality or purchaser. [PL 2025, c. 113, Pt. D, §49 (AMD).]

A municipal officer may not, while holding municipal office, acquire from that municipality any interest in real estate acquired by that municipality on account of nonpayment of taxes, unless such sale occurs by sealed bid after duly advertising the same at least twice during a 7-day period prior to the acceptance of bids. A municipal officer who submits a sealed bid may not take part in the bid acceptance process except that a municipal officer may purchase tax-acquired property if the property was owned by the municipal officer's child, spouse or parent immediately prior to its acquisition by the

municipality and if the purchase is authorized by the municipality. [PL 2025, c. 113, Pt. D, §49 (AMD).]

A copy of the published notice must be mailed to all known defendants at their last known addresses if they have not been personally served.

If, after notice has been given or served as ordered by the court and the time limited in such notice for the appearance of the defendants has expired, the court finds that there is or may be a defendant who has not been actually served with process and who has not appeared in the action, the court may of its own motion, or on the representation of any party, appoint an agent, guardian ad litem or next friend for any such defendant, and if any such defendants have or may have conflicting interests, the court may appoint different agents, guardians ad litem or next friends to represent them. The cost of appearance of any such agent, guardian ad litem or next friend, including the cost of compensation of that appointee's counsel, must be determined by the court and paid by the plaintiff, against whom execution may issue in the name of the agent, guardian ad litem or next friend.  
[PL 2025, c. 113, Pt. D, §49 (AMD).]

**2. Decree; effect.** The plaintiff in an action under this section shall pray the court to establish and confirm its title to the premises described in the complaint as against all the defendants named or described in the action, and, if upon hearing the court finds the plaintiff's title to be good, the court shall make and enter its decree accordingly; the decree when recorded in the registry of deeds for the county or district where the real estate lies has the effect of a deed of quitclaim of the premises involved in the action from all the defendants named or described in the action to the plaintiff.

### ARTICLE 5

#### SALE OF REAL ESTATE

#### **§1071. Tax collector's tax auction sale; notice; procedure**

If any tax on real estate remains unpaid on the first Monday in February next after that tax was assessed, the tax collector shall sell at public auction as much of such real estate as is necessary for the payment of that tax, interest and all the charges at 9 a.m. on the first Monday in February at the office of the tax collector or at the place where the last preceding annual municipal meeting was held. In case of the absence or disability of the tax collector, the sale must be made by a constable of the municipality, who has the same powers as the tax collector. [PL 2025, c. 113, Pt. D, §60 (AMD).]

In the case of the real estate of resident owners, the tax collector may give notice of the sale and of the tax collector's intention to sell as much of that real estate as is necessary for the payment of delinquent taxes and all charges by posting notices of the sale in the same manner and at the same places that warrants for municipal meetings are required to be posted, at least 6 weeks and not more than 7 weeks before such first Monday in February, designating the name of the owner if known, the right, lot and range, the number of acres as nearly as may be determined, the amount of tax due and such other short description as is necessary to render its identification certain and plain. [PL 2025, c. 113, Pt. D, §60 (AMD).]

In the case of taxes assessed on the real estate of nonresident owners, the tax collector shall cause notices to be published in a newspaper, if any, published in the county where that real estate lies, 3 weeks successively, such publication to begin at least 6 weeks before such first Monday in February. If a newspaper is not published in that county, the notices must be published in like manner in the state paper. The tax collector shall, in the published notices, state the name of the municipality and, if within 3 years it has been changed for the whole or a part of the territory, both the present and former names must be stated; and that, if the taxes, interest and charges are not paid on or before such first Monday in February, as much of the estate as is sufficient to pay the amount due for taxes with interest and charges will be sold without further notice, at public auction, on such first Monday in February at 9 a.m. at the office of the tax collector or at the place where the last preceding annual municipal meeting was held. The date of the commitment must be stated in the notice. [PL 2025, c. 113, Pt. D, §60 (AMD).]

In all cases the tax collector shall lodge with the municipal clerk a copy of each such notice, with the tax collector's certificate that the tax collector has given notice of the intended sale as required by law. The copy and certificate must be recorded by the clerk and that record must be open to the inspection of all persons interested. The clerk shall furnish to any person desiring it an attested copy of such record on receiving payment or tender of payment of a reasonable sum for the record; but notice of the sale of real estate within a village corporation for unpaid taxes of that corporation may be given by notice, posted in the same manner and at the same places as warrants for corporation meetings, and by publication, as provided in this section. [PL 2025, c. 113, Pt. D, §60 (AMD).]

An irregularity, informality or omission in giving the notices of sale required by this section, or in lodging a copy of any of the same with the municipal clerk, as required, does not render such sale invalid; such sale is deemed to be legal and valid if made at the time and place provided and in other respects according to law, except as to the matter of notice. For any irregularity, informality or omission in giving notice as required by this section, and in lodging a copy of that notice with the municipal clerk, the tax collector is liable to any person injured by the irregularity, informality or omission in giving or lodging that notice. [PL 2025, c. 113, Pt. D, §60 (AMD).]

If the bidding is for less than the whole, it shall be for a fractional part of the estate, and the bidder who will pay the sum due for the least fractional part shall be the purchaser. If more than one right, lot or parcel of real estate assessed to the same person is so advertised and sold, said charge of \$3, the 25¢ for each copy lodged with the municipal clerk, and the 25¢ for the return made to the municipal clerk, shall be divided equally among the several rights, lots or parcels advertised and sold at any one time; and in addition, the sum paid to the printer shall be divided equally among the nonresident rights, lots or parcels so advertised and sold; and the tax collector shall receive in addition, 50¢ on each parcel of real estate so advertised and sold, when more than one parcel is advertised and sold. The tax collector may, if necessary to complete the sales, adjourn the auction from day to day.

**SECTION HISTORY**

PL 2025, c. 113, Pt. D, §62 (AMD).

**§1076. Purchaser to notify mortgagee of sale; right of redemption**

When real estate is sold for nonpayment of taxes, the tax collector shall, within 30 days after the day of sale, lodge with the municipal treasurer a certificate under oath designating the quantity of real estate sold, the names of the owners of each parcel and the names of the purchasers; what part of the amount of each was tax and what was cost and charges; and also a deed of each parcel sold, running to the purchasers. The treasurer may not at that time deliver the deeds to the grantees, but shall put them on file in the treasurer's office, to be delivered at the expiration of 2 years from the day of sale. The treasurer shall after the expiration of 2 years deliver any such deed to the grantee or the grantee's heirs, as long as the owner, the mortgagee or any person in possession or other person legally taxable for that real estate does not within such time redeem the real estate from such sale by payment or tender of the taxes, all the charges and interest on the whole at the rate of 8% a year from the date of sale to the time of redemption, and costs as provided, with 67¢ for the deed and certificate of acknowledgment. [PL 2025, c. 113, Pt. D, §63 (AMD).]

If there is an undischarged mortgage duly recorded on the real estate sold for nonpayment of taxes, the purchaser at such sale shall notify the holder of record of each such mortgage within 60 days from the date of that sale by sending a notice in writing by registered letter addressed to the record holder of such mortgage at the residence of such holder as given in the registry of deeds in the county where that real estate is situated, stating that the purchaser has purchased the estate at a tax sale on such date and requesting the mortgagee to redeem the same. If such notice is not given, the holder of record of any mortgage on record in the registry of deeds at the time of that sale may redeem the real estate sold at any time within 3 months after receiving actual notice of such sale by the payment or tender of the amounts, interest and costs as specified, and the registry fee for recording and discharging the deed, if the deed has been recorded, and the deed must be discharged by the grantee of that deed, or the owner under the tax deed at the time of redemption, in the manner provided for the discharge of mortgages of real estate. [PL 2025, c. 113, Pt. D, §63 (AMD).]

If an owner of real estate that is assessed to any former owner who was not the owner on April 1st of the taxable year as assessed, or to owners unknown, does not have actual notice of the sale of the owner's real estate for taxes within those 2 years, the owner may, at any time within 3 months after the owner has had actual notice, redeem the real estate sold from such sale although the deed may have been recorded by payment or tender of the amounts, interest and costs as specified and the registry fee for recording and discharging the deed, in case the deed has been recorded, and the deed must be discharged by the grantee of that deed, or the owner under the tax deed at the time of redemption, in the manner provided for the discharge of mortgages on real estate. [PL 2025, c. 113, Pt. D, §63 (AMD).]

If the real estate is redeemed before the deed is delivered, the municipal treasurer shall give the owner, mortgagee or party to whom the real estate is assessed or other person legally taxable for that real estate a certificate of redemption, cancel the deed and pay to the grantee on demand the amount so received from the grantee. If the amounts, interest and costs specified are not paid to the treasurer

within the time as specified, the treasurer shall deliver to the grantee the treasurer's deed upon the payment of the fees for the deed and acknowledgment and 30¢ more for receiving and paying out the proceeds of the sale, but all tax deeds of real estate upon which there is an undischarged mortgage duly recorded may not carry a title except subject to such mortgage, unless the purchaser at such tax sale gives to the record holder of the mortgage notice as provided. For the fidelity of the treasurer in discharging the treasurer's duties required, the municipality is responsible and has a remedy on the treasurer's bond in case of default. [PL 2025, c. 113, Pt. D, §63 (AMD).]

#### SECTION HISTORY

PL 2025, c. 113, Pt. D, §63 (AMD).

#### **§1077. Purchaser's failure to pay in 20 days voids sale**

If the purchaser of real estate sold for taxes under section 1074 fails to pay the tax collector within 20 days after the sale of the amount bid by the purchaser, the sale is void, and the municipality in which such sale was made is deemed to be the purchaser of the real estate sold, the same as if purchased by someone in behalf of the municipality under section 1082. If a municipality becomes a purchaser of real estate under this section, the deed to it must set forth the fact that a sale was duly made, the amount bid for the real estate included in the deed and that the purchaser failed to pay the amount bid within 20 days after the sale. The deed must confer upon that municipality the same rights and duties as if it had been the purchaser under section 1082. [PL 2025, c. 113, Pt. D, §64 (AMD).]

Any person to whom the right by law belongs may, at any time within 2 years from the day of sale, redeem any real estate sold for taxes on paying into the municipal treasury for the purchaser the full amount certified to be due, including taxes, costs and charges, with interest on the whole at the rate of 8% a year from the date of the sale, which must be received and held by the treasurer as the property of such purchaser. The treasurer shall pay it to that purchaser, or the purchaser's heirs or assigns, on demand. If not paid when demanded, the purchaser may recover it in any court of competent jurisdiction, with costs and interest at the rate of 8%, after such demand. The sureties of the treasurer shall pay the same on failure of that treasurer. In default of payment by either, the municipality shall pay the same with costs and interest as provided. Any person interested in the estate, by the purchase at the sale, may pay any tax assessed thereon, before or after that so advertised, and for which the estate remains liable, and on filing with the municipal treasurer the receipt of the officer to whom it was paid, the amount so paid shall be added to that for which the estate was liable, and shall be paid by the owner redeeming the estate, with interest at the same rate as on the other sums.

#### **§1080. Delivery of deed to purchaser after 2 years**

If the real estate is not redeemed within the time specified by payment of the full amount required by this chapter, the municipal treasurer shall deliver to the purchaser the deed lodged with the treasurer by the tax collector. If the treasurer willfully refuses to deliver such deed to the purchaser, on demand, 2 years after the sale and forfeiture of the real estate, the treasurer forfeits to the purchaser the full value of the real estate to be conveyed, to be recovered in a civil action, with costs and interest as in other

cases. The sureties of the treasurer shall make good the payment required in default of payment by the principal. On the failure of both, the municipality is liable. [PL 2025, c. 113, Pt. D, §66 (AMD).]

A nonresident owner of real estate sold under section 1074, having paid the taxes, costs, charges and interest as provided, may, at any time within one year after making such payment, commence a civil action against the municipality to recover the amount paid, and if on trial it appears that the money raised was for an unlawful purpose, judgment must be in favor of the nonresident owner for the amount paid by the nonresident owner. If not commenced within the year, the claim is forever barred. The action may be in the Superior Court and the plaintiff recovering judgment must have full costs, even when the amount of damages is less than \$20. [PL 2025, c. 113, Pt. D, §67 (AMD).]

#### **§1082. Municipal officers may bid at sale**

The municipal officers may employ one of their own number, or some other person, to attend the sale for taxes of any real estate in which their municipality is interested, and bid therefor a sum sufficient to pay the amount due and charges, in behalf of the municipality, and the deed shall be made to it.

#### **§1083. Collector's deed; prima facie evidence of validity of sale**

In the trial of any civil action, involving the validity of any sale of real estate for nonpayment of taxes, it shall be sufficient for the party claiming under it, in the first instance to produce in evidence the tax collector's deed, duly executed and recorded, which shall be prima facie evidence of his title, and if the other party claims and offers evidence to show that such sale was invalid and ineffectual to convey the title, the party claiming under it shall have judgment in his favor so far as relates to said tax title, if he then produces the assessment, signed by the assessors, and their warrant to the tax collector, and proves that such tax collector complied with the requirements of law in selling such real estate. In all civil actions involving the validity of such sales the tax collector's return to the municipal clerk shall be prima facie evidence of all facts therein set forth.

#### **§1084. Posting notices; evidence of**

The affidavit of any disinterested person as to posting notifications required for the sale of any real estate to be sold by the sheriff or the sheriff's deputy or a constable or tax collector, in the execution of the sheriff's office, may be used in evidence in any trial to prove the fact of notice, if such affidavit, made on one of the original advertisements, or on a copy of it, is filed in the registry of the county where the real estate lies within 6 months. metropolitan areas of the State to conserve the State's natural resources and to provide for the welfare and happiness of the inhabitants of the State, that it is in the public interest to prevent the forced conversion of farmland and open space land to more intensive uses as the result of economic pressures caused by the assessment thereof for purposes of property taxation at values incompatible with their preservation as such farmland and open space land, and that the necessity in the public interest of the enactment of this subchapter is a matter of legislative determination. [PL 1975, c. 726, §2 (NEW).]

#### **§1105. Valuation of farmland**

The municipal assessor, chief assessor or State Tax Assessor for the unorganized territory shall establish the 100% valuation per acre based on the current use value of farmland used for agricultural or horticultural purposes. The values established must be guided by the Department of Agriculture, Conservation and Forestry as provided in section 1119 and adjusted by the assessor if determined necessary on the basis of such considerations as farmland rentals, farmer-to-farmer sales, soil types and quality, commodity values, topography and other relevant factors. These values may not reflect development or market value purposes other than agricultural or horticultural use. The values may not reflect value attributable to road frontage or shore frontage. [PL 1999, c. 731, Pt. Y, §2 (AMD); PL 2011, c. 657, Pt. W, §5 (REV).]

The 100% valuation per acre for farm woodland within a parcel classified as farmland under this subchapter is the 100% valuation per acre for each forest type established for each county pursuant to subchapter 2-A. Areas other than woodland, agricultural land or horticultural land located within any parcel of farmland classified under this subchapter are valued on the basis of just value. [PL 2017, c. 288, Pt. ### §1106-A. Valuation of open space land

**1. Valuation method.** For the purposes of this subchapter, the current use value of open space land is the sale price that particular open space parcel would command in the marketplace if it were required to remain in the particular category or categories of open space land for which it qualifies under section 1102, subsection 6, adjusted by the certified ratio.

[PL 1993, c. 452, §9 (NEW).]

**2. Alternative valuation method.** Notwithstanding any other provision of law, if an assessor is unable to determine the valuation of open space land under the valuation method in subsection 1, the assessor may value that land under the alternative method in this subsection. The assessor may reduce the ordinary assessed valuation of the land, without regard to conservation easement restrictions and as reduced by the certified ratio, by the cumulative percentage reduction for which the land is eligible according to the following categories.

- A. All open space land is eligible for a reduction of 20%. [PL 1993, c. 452, §9 (NEW).]
- B. Permanently protected open space land is eligible for the reduction set in paragraph A and an additional 30%. [PL 1993, c. 452, §9 (NEW).]
- C. Forever wild open space land is eligible for the reduction set in paragraphs A and B and an additional 20%. [PL 1993, c. 452, §9 (NEW).]
- D. Public access open space land is eligible for the applicable reduction set in paragraph A, B or C and an additional 25%. [PL 1993, c. 452, §9 (NEW).]
- E. Managed forest open space land is eligible for the reduction set in paragraphs A, B and D and an additional 10%. [PL 2011, c. 618, §6 (NEW).]

Notwithstanding this section, the value of forested open space land may not be reduced to less than the value it would have under subchapter 2-A, and the open space land valuation may not exceed just value as required under section 701-A.

[PL 2017, c. 288, Pt. A, §43 (AMD).]

**3. Definition of land eligible for additional percentage reduction.** The following categories of open space land are eligible for the additional percentage reduction set forth in subsection 2, paragraphs B, C, D and E.

- A. Permanently protected open space is an area of open space land that is eligible for an additional cumulative percentage reduction in valuation because that area is subject to restrictions prohibiting building development under a perpetual conservation easement pursuant to Title 33, chapter 7, subchapter 8-A or as an open space preserve owned and operated by a nonprofit entity in accordance with section 1109, subsection 3, paragraph H. [PL 2011, c. 618, §7 (AMD).]
- B. Forever wild open space is an area of open space land that is eligible for an additional cumulative percentage reduction in valuation because it is permanently protected and subject to restrictions or committed to uses by a nonprofit entity in accordance with section 1109, subsection 3, paragraph H that ensure that in the future the natural resources on that protected property will remain substantially unaltered, except for:

- (1) Fishing or hunting;
- (2) Harvesting shellfish in the intertidal zone;
- (3) Prevention of the spread of fires or disease; or

(4) Providing opportunities for low-impact outdoor recreation, nature observation and study. [PL 1993, c. 452, §9 (NEW).]

C. Public access open space is an area of open space land, whether ordinary, permanently protected or forever wild, that is eligible for an additional cumulative percentage reduction in valuation because public access is by reasonable means and the applicant agrees to refrain from taking action to discourage or prohibit daytime, nonmotorized and nondestructive public use. The applicant may permit, but is not obligated to permit as a condition of qualification for public access status, hunting, snowmobiling, overnight use or other more intensive outdoor recreational uses. The applicant, without disqualifying land from status as public access open space, may impose temporary or localized public access restrictions to:

- (1) Protect active habitat of endangered species listed under Title 12, chapter 925, subchapter 3;
- (2) Prevent destruction or harm to fragile protected natural resources under Title 38, chapter 3, subchapter 1, article 5-A; or
- (3) Protect the recreational user from any hazardous area. [PL 2003, c. 414, Pt. B, §50 (AMD); PL 2003, c. 614, §9 (AFF).]

D. Managed forest open space land is an area of open space land whether ordinary, permanently protected pursuant to paragraph A or public access pursuant to paragraph C containing at least 10 acres of forested land that is eligible for an additional cumulative percentage reduction in valuation because the applicant has provided proof of a forest management and harvest plan. A forest management and harvest plan must be prepared for each parcel of managed forest open space land and updated every 10 years. The landowner must comply with the forest management and harvest plan and must submit every 10 years to the municipal assessor for parcels in a municipality or the State Tax Assessor for parcels in the unorganized territory a statement from a licensed professional forester that the landowner is managing the parcel according to the forest management and harvest plan. Failure to comply with the forest management and harvest plan results in the loss of the additional cumulative percentage reduction under this paragraph for 10 years. The assessor or the assessor's duly authorized representative may enter and examine the forested land and may examine any information in the forest management and harvest plan submitted by the owner. A copy of the forest management and harvest plan must be made available to the assessor to review upon request. For the purposes of this paragraph, "to review" means to see or possess a copy of a forest management and harvest plan for a reasonable amount of time to verify that the forest management and harvest plan exists or to facilitate an evaluation as to whether the forest management and harvest plan is appropriate and is being followed. Upon completion of a review, the forest management and harvest plan must be returned to the owner or an agent of the owner. A forest management and harvest plan provided in accordance with this section is confidential and is not a public record as defined in Title 1, section 402, subsection 3. [PL 2011, c. 618, §7 (NEW).]

#### §1108. Assessment of tax

**1. Organized areas.** The municipal assessors shall adjust the 100% valuations per acre for farmland for their jurisdiction by whatever ratio or percentage of current just value is then being applied to other property within the municipality to obtain the assessed values. For any tax year, the classified farmland value must reflect only the current use value for farm or open space purposes and may not include any increment of value reflecting development pressure. Commencing April 1, 1978, land in the organized areas subject to taxation under this subchapter must be taxed at the property tax rate applicable to other property in the municipality, which rate must be applied to the assessed values so determined.

[PL 1999, c. 731, Pt. Y, §3 (AMD).]

**2. Unorganized territory.** The State Tax Assessor shall adjust the 100% valuations per acre for farmland for the unorganized territory by such ratio or percentage as is then being used to determine the state valuation applicable to other property in the unorganized territory to obtain the assessed values. For any tax year, the classified farmland value must reflect only the current use value for farm or open space purposes and shall not include any increment of value reflecting development pressure. Commencing April 1, 1978, land in the unorganized territory subject to taxation under this subchapter shall be taxed at the state property tax rate applicable to other property in the unorganized territory, which rate shall be applied to the assessed values so determined.

#### §1109. Schedule; investigation

**1. Schedule.** The owner or owners of farmland subject to taxation under this subchapter shall submit a signed schedule, on or before April 1st of the year in which the owner or owners wish to first subject the land to taxation under this subchapter, to the assessor upon a form prescribed by the State Tax Assessor identifying the land to be taxed under this subchapter, indicating the number of acres of each farmland classification, showing the location of the land in each classification and representing that the land is farmland as defined in section 1102, subsection 4. In determining whether the land is farmland, the assessor shall take into account, among other things, the acreage of the land, the portion of the land that is actually used for farming or agricultural operations, the productivity of the land, the gross income derived from farming or agricultural operations on the land, the nature and value of the equipment used in connection with farming or agricultural operations on the land and the extent to which the tracts comprising the land are contiguous. If the assessor determines that the land is farmland as defined in section 1102, subsection 4, the assessor shall classify it as farmland and apply the appropriate 100% valuations per acre for farmland and that land is subject to taxation under this subchapter.

The assessor shall record, in the municipal office of the municipality in which the farmland is located, the value of the farmland as established under this subchapter and the value at which the farmland would have been assessed had it not been classified under this subchapter.

[PL 2023, c. 523, Pt. A, §10 (AMD).]

**2. Provisional classification.** The owner of a parcel of land of at least 5 contiguous acres on which farming or agricultural activities have not produced the gross income required in section 1102, subsection 4 per year for one of the 2 or 3 of the 5 preceding calendar years, may apply for a 2-year provisional classification as farmland by submitting a signed schedule in duplicate, on or before April 1st of the year for which provisional classification is requested, identifying the land to be taxed under this subsection, listing the number of acres of each farmland classification, showing the location of the land in each classification and representing that the applicant intends to conduct farming or agricultural activities upon that parcel. Upon receipt of the schedule, the land must be provisionally classified as

farmland and subjected to taxation under this subchapter. If, at the end of the 2-year period, the land does not qualify as farmland under section 1102, subsection 4, the owner shall pay a penalty that is an amount equal to the taxes that would have been assessed had the property been assessed at its fair market value on the first day of April for the 2 preceding tax years less the taxes paid on the property over the 2 preceding years and interest at the legal rate from the dates on which those amounts would have been payable.

[PL 1999, c. 731, Pt. Y, §4 (AMD).]

**3. Open space land qualification.** The owner or owners of land who believe that land is open space land as defined in section 1102, subsection 6 shall submit a signed schedule on or before April 1st of the year in which that land first becomes subject to taxation under this subchapter to the assessor on a form prescribed by the State Tax Assessor that must contain a description of the land, a general description of the use to which the land is being put and other information required by the assessor to aid the assessor in determining whether the land qualifies for classification as open space land and for which of the valuation categories set forth in section 1106-A the land is eligible. The assessor shall determine whether the land is open space land as defined in section 1102, subsection 6 and, if so, that land must be classified as open space land and subject to taxation under this subchapter. In determining whether the restriction of the use or preservation of the land provides a public benefit in one of the areas set forth in section 1102, subsection 6, the assessor shall consider all facts and circumstances pertinent to the land and its vicinity. A factor that is pertinent to one application may be irrelevant in determining the public benefit of another application. A single factor, whether listed below or not, may be determinative of public benefit. Among the factors to be considered are:

A. The importance of the land by virtue of its size or uniqueness in the vicinity or proximity to extensive development or comprising an entire landscape feature; [PL 1989, c. 748, §4 (NEW).]

B. The likelihood that development of the land would contribute to degradation of the scenic, natural, historic or archeological character of the area; [PL 1989, c. 748, §4 (NEW).]

C. The opportunity of the general public to appreciate significant scenic values of the land; [PL 1989, c. 748, §4 (NEW).]

D. The opportunity for regular and substantial use of the land by the general public for recreational or educational use; [PL 1989, c. 748, §4 (NEW).]

E. The importance of the land in preserving a local or regional landscape or resource that attracts tourism or commerce to the area; [PL 1989, c. 748, §4 (NEW).]

F. The likelihood that the preservation of the land as undeveloped open space will provide economic benefit to the municipality by limiting municipal expenditures required to service development; [PL 2023, c. 523, Pt. A, §11 (AMD).]

G. Whether the land is included in an area designated as open space land or resource protection land on a comprehensive plan or in a zoning ordinance or on a zoning map as finally adopted; [PL 1989, c. 748, §4 (NEW).]

H. The existence of a conservation easement, other legally enforceable restriction, or ownership by a nonprofit entity committed to conservation of the property that will permanently preserve the land in its natural, scenic or open character; [PL 1989, c. 748, §4 (NEW).]

I. The proximity of other private or public conservation lands protected by permanent easement or ownership by governmental or nonprofit entities committed to conservation of the property; [PL 1989, c. 748, §4 (NEW).]

J. The likelihood that protection of the land will contribute to the ecological viability of a local, state or national park, nature preserve, wildlife refuge, wilderness area or similar protected area; [PL 1989, c. 748, §4 (NEW).]

K. The existence on the land of habitat for rare, endangered or threatened species of animals, fish or plants, or of a high quality example of a terrestrial or aquatic community; [PL 1989, c. 748, §4 (NEW).]

L. The consistency of the proposed open space use with public programs for scenic preservation, wildlife preservation, historic preservation, game management or recreation in the region; [PL 1989, c. 748, §4 (NEW).]

M. The identification of the land or of outstanding natural resources on the land by a legislatively mandated program, on the state, local or federal level, as particular areas, parcels, land types or natural resources for protection, including, but not limited to, the register of critical areas under Title 12, section 544-B; the laws governing wildlife sanctuaries and management areas under Title 12, section 10109, subsection 1 and sections 12706 and 12708; the laws governing the State's rivers under Title 12, chapter 200; the natural resource protection laws under Title 38, chapter 3, subchapter 1, article 5-A; and the Maine Coastal Barrier Resources Systems under Title 38, chapter 21; [PL 2007, c. 627, §29 (AMD).]

N. Whether the land contains historic or archeological resources listed in the National Register of Historic Places or is determined eligible for such a listing by the Maine Historic Preservation Commission, either in its own right or as contributing to the significance of an adjacent historic or archeological resource listed, or eligible to be listed, in the National Register of Historic Places; or [PL 2003, c. 619, §3 (AMD).]

O. Whether there is a written management agreement between the landowner and the Department of Inland Fisheries and Wildlife or the Department of Agriculture, Conservation and Forestry as described in section 1102, subsection 10. [PL 2003, c. 619, §4 (NEW); PL 2011, c. 657, Pt. W, §5 (REV).]

If a parcel of land for which the owner or owners are seeking classification as open space contains any principal or accessory structures or any substantial improvements that are inconsistent with the preservation of the land as open space, the owner or owners in their schedule shall exclude from their application for classification as open space a parcel of land containing those buildings or improvements at least equivalent in size to the state minimum lot size as prescribed by Title 12, section 4807-A or by the zoning ordinances or zoning map pertaining to the area in which the land is located, whichever is larger. For the purposes of this section, if any of the buildings or improvements are located within shoreland areas as defined in Title 38, chapter 3, subchapter 1, article 2-B, the excluded parcel must include the minimum shoreland frontage required by the applicable minimum lot standards under the minimum guidelines established pursuant to Title 38, chapter 3, subchapter 1, article 2-B or by the zoning ordinance for the area in which the land is located, whichever is larger. The shoreland frontage requirement is waived to the extent that the affected frontage is part of a contiguous shore path or a beach for which there is or will be, once classified, regular and substantial use by the public. The shoreland frontage requirement may be waived at the discretion of the legislative body of the municipality if it determines that a public benefit will be served by preventing future development near the shore or by securing access for the public on the particular shoreland area that would otherwise be excluded from classification.

[PL 2023, c. 523, Pt. A, §11 (AMD).]

**4. Investigation.** The assessor shall notify the landowner, on or before June 1st following receipt of a signed schedule meeting the requirements of this section, whether the application has been accepted or denied. If the application is denied, the assessor shall state the reasons for the denial and provide the landowner an opportunity to amend the schedule to conform to the requirements of this subchapter.

The assessor or the assessor's duly authorized representative may enter and examine lands subject to taxation under this subchapter and may examine any information submitted by the owner or owners.

The assessor may require the owner to respond within 60 days of the receipt of notice in writing by certified mail, return receipt requested, to written questions or interrogatories the assessor considers necessary to obtain material information about those lands. If the assessor determines that the required material information regarding those lands cannot reasonably be obtained through written questions or interrogatories, the assessor may require the owner, upon notice in writing by certified mail, return receipt requested, or by another method that provides actual notice, to appear before the assessor at a reasonable time and place designated by the assessor and answer questions or interrogatories the assessor considers necessary to obtain material information about those lands.

If the owner of a parcel of land subject to taxation under this subchapter fails to submit the schedules required by this section, fails to respond to written questions or interrogatories of the assessor as provided in this subsection or fails to appear before the assessor to respond to questions or interrogatories as provided in this subsection, that owner or owners are deemed to have waived all rights of appeal.

[PL 2007, c. 438, §27 (AMD).]

**5. Owner obligation.** It is the obligation of the owner to report to the assessor any change of use or change of classification of land subject to taxation under this subchapter by the end of the tax year in which the change occurs and to report to the assessor on or before April 1st of every 5th year the gross income realized in each of the previous 5 years from acreage classified as farmland.

If the owner fails to report to the assessor as required by this subsection, the assessor shall assess those taxes required to be paid, shall assess the penalty provided in section 1112-C and shall assess an additional penalty equal to 25% of the penalty provided in section 1112-C. The assessor may waive the additional penalty for cause.

[PL 2021, c. 630, Pt. C, §11 (AMD).]

**6. Recertification.** The assessor shall determine annually whether any classified land continues to meet the requirements of this subchapter. Each year the assessor shall recertify any classifications made under this subchapter. If any classified land no longer meets the requirements of this subchapter, the assessor shall either remove the classification or, if the assessor considers it appropriate, allow the land to have a provisional classification as detailed in subsection 2.

Land subject to taxes under this subchapter may be reclassified as to land classification by the municipal assessor, chief assessor or State Tax Assessor upon application of the owner with a proper showing of the reasons justifying that reclassification or upon the initiative of the respective municipal assessor, chief assessor or State Tax Assessor where the facts justify the same. In the event that the municipal assessor, chief assessor or State Tax Assessor determines, upon the municipal assessor's, chief assessor's or State Tax Assessor's own initiative, to reclassify land previously classified under this

#### **§1112-C. Recapture penalty**

**1. Assessor determination; owner request.** If the assessor determines that land subject to this subchapter no longer meets the requirements of this subchapter, the assessor shall withdraw the land from taxation under this subchapter. The owner of land subject to this subchapter may at any time request withdrawal of any of the owner's land from taxation under this subchapter by certifying in writing to the assessor that the land is no longer to be classified under this subchapter. For purposes of this section, the transfer of land between different classifications within this subchapter does not constitute a withdrawal.

[PL 2021, c. 630, Pt. C, §13 (NEW).]

**2. Withdrawal of portion.** In the case of withdrawal of a portion of farmland or open space land, the owner, as a condition of withdrawal, shall file with the assessor a schedule including the information required under section 1109 showing the area withdrawn and the area remaining under this subchapter. [PL 2021, c. 630, Pt. C, §13 (NEW).]

**3. Open space penalty.** If land classified as open space under this subchapter is withdrawn from taxation under this subchapter, the assessor shall impose a penalty upon the owner. The penalty is the greater of:

A. An amount equal to the taxes that would have been assessed on the land on the first day of April for the 5 tax years, or any lesser number of tax years starting with the year in which the land was first classified, preceding the withdrawal had that land been assessed in each of those years at its just value on the date of withdrawal less all taxes paid on that land over the preceding 5 years, or any lesser number of tax years starting with the year in which the land was first classified, and increased by interest at the prevailing municipal rate from the date or dates on which those amounts would have been payable; and [PL 2021, c. 630, Pt. C, §13 (NEW).]

B. An amount computed by multiplying the amount, if any, by which the just value of the land on the date of withdrawal exceeds the 100% valuation of the land pursuant to this subchapter on the preceding April 1st by the following rates:

(1) If the land was subject to valuation under this subchapter for 10 years or fewer prior to the date of withdrawal, the rate is 30%; and

(2) If the land was subject to valuation under this subchapter for more than 10 years prior to the date of withdrawal, the rate is 30% reduced by one percentage point for each full year beyond 10 years that the land was subject to valuation under this subchapter prior to the date of withdrawal, except that the minimum rate is 20%. [PL 2021, c. 630, Pt. C, §13 (NEW).]

For purposes of this subsection, just value at the time of withdrawal is the assessed just value of comparable property in the municipality adjusted by the municipality's certified assessment ratio. [PL 2023, c. 441, Pt. G, §1 (AMD).]

**3-A. Farmland penalty.** If land classified as farmland under this subchapter is withdrawn from taxation under this subchapter, the assessor shall impose one of the following penalties:

A. If land is withdrawn within 10 years of a transfer from either open space tax classification under this subchapter or tree growth tax classification under subchapter 2-A, the assessor shall impose a penalty equal to the amount calculated under subsection 3; or [PL 2023, c. 441, Pt. G, §2 (NEW).]

B. If the penalty under paragraph A does not apply, the assessor shall impose a penalty upon the owner equal to the taxes that would have been assessed on the land on the first day of April for the 5 tax years, or any lesser number of tax years starting with the year in which the land was first classified, preceding the withdrawal had that land been assessed in each of those years at its just value on the date of withdrawal less all taxes paid on that land over the preceding 5 years, or any lesser number of tax years starting with the year in which the land was first classified, and increased by interest at the prevailing municipal rate from the date or dates on which those amounts would have been payable. [PL 2023, c. 441, Pt. G, §2 (NEW).]

For purposes of this subsection, just value at the time of withdrawal is the assessed just value of comparable property in the municipality adjusted by the municipality's certified assessment ratio. [PL 2023, c. 441, Pt. G, §2 (NEW).]

**4. Assessment and collection of penalties.** The owner shall pay the penalties for withdrawal upon withdrawal to the tax collector as additional property taxes. Penalties may be assessed and collected as supplemental assessments in accordance with section 713-B.

[PL 2021, c. 630, Pt. C, §13 (NEW).]

**5. Eminent domain.** A penalty may not be assessed under this section if the withdrawal of the parcel is occasioned by a transfer to the State or other entity holding the power of eminent domain resulting from the exercise or threatened exercise of that power.

[PL 2021, c. 630, Pt. C, §13 (NEW).]

**6. Relief from requirements.** Upon withdrawal, the land is relieved of the requirements of this subchapter immediately and is returned to taxation under subchapter 2 beginning the April 1st following withdrawal.

[PL 2021, c. 630, Pt. C, §13 (NEW).]

**7. Reclassification under other current use program.** A penalty may not be assessed upon the withdrawal of land from taxation under this subchapter if the owner applies for classification of that land in another current use program prior to withdrawal and the application is accepted. If a penalty is later assessed under section 581 or 1138, the period of time that the land was taxed as farmland or open space land under this subchapter is included for purposes of establishing the amount of the penalty.

[PL 2021, c. 630, Pt. C, §13 (NEW).]

**8. Report of penalty.** A municipality that receives a penalty for the withdrawal of land from taxation under this subchapter shall report to the State Tax Assessor the total amount received in that reporting year on the municipal valuation return form described in section 383.

[PL 2021, c. 630, Pt. C, §13 (NEW).]

**9. Collection of farmland penalty; annual installments.** An owner of farmland that has been classified under this subchapter for 5 full years or more may pay any penalty owed under this section in up to 5 equal annual installments with interest at the rate set by the municipality, which begins to accrue 60 days after the date of assessment. Notwithstanding section 943, for an owner paying a penalty under this subsection, the period during which the tax lien mortgage, including interest and costs, must be paid to avoid foreclosure and expiration of the right of redemption is 48 months from the date of the filing of the tax lien certificate.

#### §1114. Application

No person can apply for classification for more than an aggregate total of 15,000 acres under this subchapter. [PL 1975, c. 726, §2 (NEW).]

#### SECTION HISTORY

PL 1975, c. 726, §2 (NEW).

#### §1115. Transfer of portion of parcel of land

Transfer of a portion of a parcel of farmland subject to taxation under this subchapter does not affect the taxation under this subchapter of the resulting parcels unless they do not meet the minimum acreage requirements of this subchapter. Transfer of a portion of a parcel of open space land subject to taxation under this subchapter does not affect the taxation under this subchapter of the resulting parcels unless either or both of the parcels no longer provide a public benefit in one of the areas enumerated in section 1102, subsection 6. Each resulting parcel must be taxed to the owners under this subchapter until it is withdrawn from taxation under this subchapter, in which case the penalties provided in section 1112-C apply only to the owner of that parcel. If the transfer of a portion of a parcel of farmland subject to taxation under this subchapter results in the creation of a parcel that is less than the minimum acreage required by this subchapter or if the transfer of a portion of a parcel of open space land subject to taxation under this subchapter results in the creation of a parcel that no longer provides a public benefit in one of the areas enumerated in section 1102, subsection 6, that parcel is deemed to have been withdrawn from taxation under this subchapter as a result of the transfer and is subject to the penalties provided in section 1112-C. The assessor may use one of the following methods to determine current use value. [PL 2007, c. 466, Pt. A, §58 (NEW).]

**1. Comparative valuation.** The assessor may determine the current use value of working waterfront land by considering:

A. All excess valuation factors that affect the land's just value; [PL 2007, c. 466, Pt. A, §58 (NEW).]

B. The comparative valuation of inland commercial enterprises that are being assessed on the basis of a use that is similar to the use of the working waterfront land with respect to function, access and level of activity; and [PL 2007, c. 466, Pt. A, §58 (NEW).]

C. Any other factor that results in a determination of the current use value of the working waterfront land. [PL 2007, c. 466, Pt. A, §58 (NEW).]

[PL 2007, c. 466, Pt. A, §58 (NEW).]

**2. Alternative valuation.** If there is insufficient data to determine the current use value of working waterfront land under subsection 1, the assessor may reduce the ordinary assessed valuation of the land, without regard to permanent protection restrictions and as reduced by the certified ratio, by applying the percentage reductions for which the land is eligible according to the following categories.

A. Working waterfront land used predominantly as working waterfront land is eligible for a reduction of 30%. [PL 2023, c. 671, §2 (AMD).]

B. Working waterfront land used primarily as working waterfront land is eligible for a reduction of 20%. [PL 2023, c. 671, §3 (AMD).]

C. Working waterfront land that is permanently protected from a change in use through deeded restrictions is eligible for the reduction described in paragraph A or B and an additional reduction of 30%. [PL 2007, c. 466, Pt. A, §58 (NEW).]

D. Working waterfront land that is subject to a legally binding right-of-way or easement that permits access to intertidal land for commercial fishing activities is eligible for the reduction described in paragraph A, B or C and an additional reduction of 10%. [PL 2023, c. 671, §4 (NEW).]

[PL 2023, c. 671, §§2-4 (AMD).]

#### §1136. Assessment of tax

An assessment of working waterfront land for purposes of property taxation must be based on the value determined in accordance with this subchapter. [PL 2007, c. 466, Pt. A, §58 (NEW).]

#### SECTION HISTORY

PL 2007, c. 466, Pt. A, §58 (NEW).

#### §1137. Schedule; qualification

**1. Schedule.** The owner or owners of waterfront land may apply for taxation of that land under this subchapter by submitting a signed schedule, on or before April 1st of the year in which the owner or owners wish to first subject that land to taxation under this subchapter, to the assessor upon a form to be prescribed by the State Tax Assessor that must contain a description of the parcel, together with a map identifying the location and boundaries of the working waterfront land, a description of the manner in which the land is used primarily for commercial fishing activities and other information the assessor may require to aid the assessor in determining what portion of the land qualifies for classification as working waterfront land. The schedule must be signed and consented to by each person with an ownership interest in the land. Classification of the land as working waterfront land may not be inconsistent with the use prescribed in the comprehensive plan, growth management program or zoning ordinance of the municipality in which the land is situated.

In defining the working waterfront land area contained within a parcel, land used primarily for commercial fishing activities must be included, together with any remaining portion of the parcel that is not used for purposes inconsistent with commercial fishing activities as long as the remaining portion is not sufficient in dimension to meet the requirements for a minimum lot as provided by either the state minimum lot requirements as prescribed by Title 12, section 4807-A or Title 38, chapter 3, subchapter 1, article 2-B, as applicable, or the minimum lot size provided by the zoning ordinance or zoning map pertaining to the area in which the remaining portion is located.

[PL 2011, c. 240, §9 (AMD).]

**2. Classification.** The assessor shall determine what land meets the requirements of this subchapter and shall classify such land as working waterfront land in accordance with this subchapter. The assessor shall file, in the municipal office of the municipality in which the working waterfront land is located, the original schedule and the value of the working waterfront land as established under this subchapter and the value at which the working waterfront land would have been assessed had it not been classified under this subchapter.

[PL 2023, c. 523, Pt. A, §12 (AMD).]

**3. Notification of determination.** The assessor shall notify the owner or owners in writing of the assessor's determination as to the applicability of this subchapter by June 1st following receipt of a signed schedule meeting the requirements of this section. The assessor's notification must state whether the application has been accepted or denied, and if denied the assessor shall state the reasons for the denial and provide the owner or owners an opportunity to amend the schedule to conform to the requirements of this subchapter.

[PL 2007, c. 466, Pt. A, §58 (NEW).]

**4. Investigation.** The assessor or the assessor's duly authorized representative may enter and examine the lands under this subchapter for tax purposes and may examine any information submitted by the owner or owners.

Upon notice in writing by certified mail, return receipt requested, any owner or owners shall, within 60 days of the receipt of such notice, respond to such written questions or interrogatories as the assessor may consider necessary to obtain material information about those lands. If the assessor determines that it is not reasonable to obtain the required material information regarding those lands through such written questions or interrogatories, the assessor may require any owner or owners, upon notice in writing by certified mail, return receipt requested, or by such other method as provides actual notice, to appear before the assessor at such reasonable time and place as the assessor may designate and answer such questions or interrogatories as the assessor may consider necessary to obtain material information about those lands.

[PL 2007, c. 466, Pt. A, §58 (NEW).]

**5. Owner obligation.** If the owner or owners of any land subject to taxation under this subchapter fail to submit the schedules under this section, or fail to respond, within 60 days of receipt, to written questions or interrogatories of the assessor, or fail within 60 days of receipt of notice as provided in this section to appear before the assessor to respond to questions or interrogatories, or fail to provide information after notice duly received as provided under this section, that owner or those owners are deemed to have waived all rights of appeal.

It is the obligation of the owner or owners to report to the assessor any disqualifying change of use of land subject to taxation under this subchapter by the end of the tax year in which the change occurs. If the owner or owners fail to report any disqualifying change of use of land to the assessor, the assessor shall assess those taxes that should have been paid, shall assess the penalty provided in section 1138 and shall assess an additional penalty of 25% of the foregoing penalty amount. The assessor may waive the additional penalty for cause.

[PL 2007, c. 466, Pt. A, §58 (NEW).]

**6. Recertification.** The assessor shall determine annually whether any classified land continues to meet the requirements of this subchapter. Each year the assessor shall recertify any classifications made under this subchapter and update the information required under subsection 1. If any classified land no longer meets the requirements of this subchapter, or the owner or owners request withdrawal of the land from the classification in writing, the assessor shall remove the classification.

[PL 2007, c. 466, Pt. A, §58 (NEW).]

PL 2007, c. 466, Pt. A, §58 (NEW). PL 2011, c. 240, §9 (AMD). PL 2023, c. 523, Pt. A, §12 (AMD).

### §1138. Recapture penalty

**1. Assessor determination; owner request.** If the assessor determines that land subject to this subchapter no longer meets the requirements of this subchapter, the assessor must withdraw the land from taxation under this subchapter. The owner of land subject to this subchapter may at any time request withdrawal of any land from taxation under this subchapter by certifying in writing to the assessor that the land is no longer to be classified under this subchapter.

[PL 2021, c. 630, Pt. C, §17 (AMD).]

**2. Withdrawal of portion.** In the case of withdrawal of a portion of the working waterfront land, the owner, as a condition of withdrawal, shall file with the assessor a schedule including the information required under section 1137, subsection 1 showing the area withdrawn and the area remaining under this subchapter.

[PL 2021, c. 630, Pt. C, §17 (AMD).]

**3. Penalty.** If land is withdrawn from taxation under this subchapter, the assessor shall impose a penalty upon the owner. The penalty is the greater of:

A. An amount equal to the taxes that would have been assessed on the land on the first day of April for the 5 tax years, or any lesser number of tax years starting with the year in which the land was first classified, preceding the withdrawal had that land been assessed in each of those years at its just value on the date of withdrawal less all taxes paid on that land over the preceding 5 years, or any lesser number of tax years starting with the year in which the land was first classified, and increased by interest at the prevailing municipal rate from the date or dates on which those amounts would have been payable; and [PL 2021, c. 630, Pt. C, §17 (AMD).]

B. An amount computed by multiplying the amount, if any, by which the just value of the land on the date of withdrawal exceeds the 100% valuation of the land pursuant to this subchapter on the preceding April 1st by the following rates:

(1) If the land was subject to valuation under this subchapter for 10 years or less prior to the date of withdrawal, the rate is 30%; and

(2) If the land was subject to valuation under this subchapter for more than 10 years prior to the date of withdrawal, the rate is 30% reduced by one percentage point for each full year beyond 10 years that the land was subject to valuation under this subchapter prior to the date of withdrawal, except that the minimum rate is 20%. [PL 2021, c. 630, Pt. C, §17 (AMD).]

For purposes of this subsection, just value at the time of withdrawal is the assessed just value of comparable property in the municipality adjusted by the municipality's certified assessment ratio. [PL 2021, c. 630, Pt. C, §17 (AMD).]

**4. Assessment and collection of penalties.** The owner shall pay the penalties for withdrawal upon withdrawal to the tax collector as additional property taxes. Penalties may be assessed and collected as supplemental assessments in accordance with section 713-B.

If the owner of the property subject to a penalty under this section is unable to pay the penalty assessed under this section, the owner may request and the assessor shall, at the request of the owner, permit a delay in payment of the penalty of up to 2 years.

[PL 2023, c. 671, §5 (AMD).]

**5. Eminent domain.** A penalty may not be assessed under this section if the withdrawal of the parcel is occasioned by a transfer to the State or other entity holding the power of eminent domain resulting from the exercise or threatened exercise of that power.

[PL 2007, c. 466, Pt. A, §58 (NEW).]

**6. Relief from requirements.** Upon withdrawal, the land is relieved of the requirements of this subchapter immediately and is returned to taxation under subchapter 2 beginning the April 1st following withdrawal.

[PL 2021, c. 630, Pt. C, §17 (AMD).]

**7. Reclassification under other current use program.** A penalty may not be assessed upon the withdrawal of land from taxation under this subchapter if the owner applies for classification of that land in another current use program prior to withdrawal and that application is accepted. If a penalty is later assessed under section 581 or section 1112-C, the period of time that the land was taxed as working waterfront land under this subchapter is included for purposes of establishing the amount of the penalty.

[PL 2021, c. 630, Pt. C, §17 (AMD).]

**8. Report of penalty.** Any municipality that receives a penalty for the withdrawal of land from taxation under this subchapter shall report to the State Tax Assessor the total amount received in that reporting year on the municipal valuation return form described in section 383.

**§1139. Enforcement**

A tax lien is created to secure the payment of the penalties provided in section 1138. The lien may be enforced in the same manner and has the same effect as liens on real estate created by section 552. [PL 2007, c. 466, Pt. A, §58 (NEW).]

**SECTION HISTORY**

PL 2007, c. 466, Pt. A, §58 (NEW).

**§1140-B. Analysis and report**

**1. Analysis.** The State Tax Assessor, in consultation with municipal assessors, the Commissioner of Agriculture, Conservation and Forestry or the commissioner's designee, representatives of working waterfront organizations and other interested parties, shall collect and analyze the sales prices of all actual sales that occur in the State of waterfront land that is subject to restrictions on that land's use that are legally enforceable and prohibit or substantially restrict development that is not commercial fishing activity or commercial activity that is the functional equivalent of commercial fishing activity. [PL 2011, c. 655, Pt. II, §9 (AMD); PL 2011, c. 655, Pt. II, §11 (AFF); PL 2011, c. 657, Pt. W, §6 (REV).]

**2. Report.**

[PL 2011, c. 644, §8 (RP).]

**3. Report.** By December 31st of each odd-numbered year, the State Tax Assessor shall submit a report to the joint standing committee of the Legislature having jurisdiction over taxation matters that identifies the total value of each sale of working waterfront land and the value of each sale that is reasonably related to the working waterfront land, that compares the sale price of the working waterfront land to the assessed value of the property and that categorizes the sales data by region, type of commercial use or commercial fishing use and any other relevant categories. The report may include any other data or analysis that the assessor finds relevant and any recommendations the assessor develops to assist municipal assessors in calculating the current use value of enrolled working waterfront land that is used for or supports commercial fishing activities. The report may also include recommendations to amend this subchapter for the purposes of improving or ensuring the accuracy of current use assessment of working waterfront land.
