Title 7: AGRICULTURE AND ANIMALS
Chapter 723: FACILITY LICENSES

§3936-A. NONCOMPLIANCE; SUBSEQUENT INSPECTION REQUIRED

If, upon inspection under section 3936, the commissioner or the commissioner's designee finds a facility licensed under this chapter to be in violation of this chapter or rules adopted under this chapter, the commissioner or the commissioner's designee shall issue a written notice describing the violation, the required corrective action to be taken and the date by which the correction must be made. No fee is charged for the first follow-up inspection. If the corrective action has not been taken within the specified period and 2 or more follow-up inspections are needed in any calendar year, the department shall charge the licensee a fee equal to 50% of the original license fee for each follow-up inspection. The original notice of a violation must inform the licensee of the fee charged for follow-up inspections. [2009, c. 403, §8 (NEW).]

If the person operating the facility fails to complete corrective actions by the date noted in the original notice or a subsequent date specified by the department, the department may revoke, suspend or refuse to renew a license issued under this chapter pending an administrative proceeding held in accordance with Title 5, chapter 375, subchapter 5. [2009, c. 403, §8 (NEW).]
