

**STATE OF MAINE  
ONE HUNDRED AND TWENTY-THIRD LEGISLATURE  
FIRST REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Thursday  
April 26, 2007

Senate called to order by President Beth Edmonds of Cumberland County.

Prayer by Reverend Linda Peyton, Nursing Home Chaplain.

**REVEREND PEYTON:** In the name of One who's breath first washed over creation and called forth life, may we breath slowly and purposely in these reflective moments before the session begins, breathing in the wonders and delights and promises that spring brings us after the winter's darkness and storms, and breathing out for a moment the tensions and anxieties that we carry around. Oh Holy One, weaver of our hopes, seeker of our desires, and dancer of all grace, gather us into a mindful and deep sense of gratitude for life, for love, and mystery, for beauty and hope, gratitude also for the journeys of our lives that have brought us each here to this chamber together to serve as leaders in and of this state; gratitude of the privilege of carrying the trust of our citizens and bringing to this chamber our talents, courage, energy, our dreams, and hopes to work on their behalf to ease the burdens so many carry and to make life here more accessible, affordable, inclusive, and our whole environment healthier. May we always pay attention to the power our jobs afford us and use that power with grace, humility, and respect. May we meet our tasks with courage and creativity, taking care to listen to each other, that we don't make harmful assumptions, remembering that humor often helps to break stalemates, bringing insights into problems and lifting our spirits. May we hold before us the faces and stories of our people and imagine how their lives are and will be effected by our decisions. So as we lift to You all of our concerns, oh God, draw us ever closer together in Your understanding of human life and all life in this state, this country, and around the world. Startle us with fresh energies to bring healing and hope to this broken and very beautiful world. Amen.

He is a graduate of Bowdoin College, Cornell University and the University of Virginia. He began his legal career by clerking for United States District Court Judge Edward T. Gignoux in Portland from 1966 to 1967. From 1967 to 1993, he practiced law at the firm of Verrill and Dana in Portland. Justice Dana was appointed an Associate Justice of the Supreme Judicial Court by Governor John R. McKernan. He is a member of numerous professional organizations and is the recipient of many professional awards. He served his community by serving on the Cape Elizabeth School Board. **THE PRESIDENT:** The Chair recognizes the Senator from York, Senator Hobbins.

Senator **HOBBS:** Thank you very much, Madame President, men and women of the Senate. It is a great honor and privilege that I stand before you to pay our respects and our good graces to Howard H. Dana, Jr. who is an associate member of the Maine Supreme Judicial Court on the occasion of his retirement. You read the Joint Order that we will be presenting to Justice Dana and to his wife, Suzie, and to his family who are here today. The order could go on for many pages about the distinguished career of this fine individual and jurist. There is one slight omission, which is not a slight omission from the words that were presented to you and will be adopted by both the House and Senate today. That is the tireless work that Justice Dana has done during his private practice and beyond in serving on the Supreme Judicial Court in the area of legal services for the poor, the elderly, and the disadvantaged. Justice Dana was appointed by President Ronald Regan to serve on the Legal Services Corporation, which oversees the funding of such entities as Pine Tree Legal Assistance and other groups that provide services to the elderly, the poor, and the disadvantaged. Quite proudly, I might say, Justice Dana, then in private practice with the distinguished firm of Verrill and Dana, which carries his family's name, stood up in Washington and convincingly persuaded the President, the Congress, and all of the individuals who had decision making power that the drastic cuts that were proposed were unfair and unjust and would have been a devastation to the delivery of services to Maine's elderly, disadvantaged, and poor. It was because of his determination and his persuasiveness that the funding was restored, not once but twice, on two different occasions and because of that thousands of Maine citizens have been afforded access to justice here in the State of Maine. It's with great honor and privilege that I would ask the Senator from Oxford, Senator Hastings, and the Senator from Androscoggin, Senator Rotundo, to join me in presenting to Justice Dana this Joint Order once it's passed by this Body. Thank you very much.

**THE PRESIDENT:** The Chair recognizes the Senator from Somerset, Senator Mills.

Senator **MILLS:** Thank you, Madame President. I just have to rise quickly because I'm one of the few lawyers in the room that actually tried a case against Howard Dana when he was an attorney. He had the great pleasure of representing the Bangor and Aroostook Railroad in suing because a ship, that was some 600 feet long, had entered the berth at Mac Point in thick fog, so thick that you could not see the bridge, some 300 feet ahead, from the bow of the vessel. At some point they had a bow watch with headphones that were rigged up to the bridge. As they were very slowly proceeding the bow watch saw this pier loom up. The first time he saw the pier they were on top of it. They were right

on top of the pier and the vessel was proceeding into it. The whole pier was made of wood and it was falling apart, being pierced like with a can opener, as this enormous vessel proceeded, very slowly but inexorably, into the pier, creating driftwood out of this pier as it went. The bowman, who had to speak in English and wasn't accustomed to doing so, said, in a panicking way, 'All back ahead.' The people on the bridge were completely blind to the scene 300 feet ahead of them. The pilot was testifying on the witness stand and the inquiry from one of the attorneys was, 'What did you do in response to that ambiguous request?' He said, 'I backed 1/3.' Howard Dana stood up, and just as quick as a flash, said, 'And the P and A thanks you, sir.'

**PASSED.**

Sent down for concurrence.

**THE PRESIDENT:** The Chair is very pleased to recognize in the rear of the Chamber, Howard A. Dana and his wife, Susan Dana; their son and daughter-in-law, Thomas and Lorie Dana; their children, Wyatt and Chelsea Dana; and Matthew and Holly Dana and Evan Elizabeth Dana. Would they please rise and accept the greetings of the Maine Senate.

All matters thus acted upon were ordered sent down forthwith for concurrence.

### ENACTORS

The Committee on **Engrossed Bills** reported as truly and strictly engrossed the following:

#### Act

An Act To Make Failure To Wear a Seat Belt a Primary Offense  
 S.P. 22 L.D. 24  
 (S "A" S-35)

On motion by Senator **COURTNEY** of York, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

**THE PRESIDENT PRO TEM:** The Chair recognizes the Senator from Aroostook, Senator Sherman.

Senator **SHERMAN:** Thank you, Madame President, ladies and gentlemen of the Senate. I did not speak on this bill before and I'd just like to put a few things on the record, if I may. What bothers me with this bill is that this went out to public referendum in the last century and the State of Maine kept this as a secondary offense. The language that came out of this Body says in Section 3A, which is the seat belt bill, that it would be enforced only if the law enforcement officer had detained the operator of a motor vehicle for suspected violation of another law. The operator is not subject to the penalty established in Paragraph D unless the operator is required to pay a fine for the primary violation. We talked about this. The time has come to put this back out to referendum again if we are so sure it's going to have some value. This did come back from the 122<sup>nd</sup> Legislature as an L.D., An Act To Amend the Law Governing the Use of Seat Belts. That came out of this Body as an Ought Not to Pass. There is a history here that bothers me. I did surveys the last time I was in the other Body and I sent out over 250 cards in District 8. I had two cards that said, 'Ain't never going to wear a seat belt again.' The rest of the people said, 'We wear the seat belt most of the time.' There are occasions when people forget. They want to pick up paint at Wal-Mart or something. They hop in, drive up the street, pop in and get the paint. It's an in and out kind of thing. We've had numbers given to us here about the lack of seat belts in terms of how many people using. Not even 77% actually use them. The survey that I had basically said most of the people use them most of the time. You hopped out for gas or you hopped out for food, you were going shopping from one place to another, you ended up maybe forgetting. I'm not inclined to allow this. I'd be careful here, because sometimes cars are stopped, in rural areas maybe. To me this is another excuse to

stop someone. I had a situation with my daughter, who worked at a Pizza Hut when she was in high school. She was driving home at 10 or 11 o'clock at night and she was stopped by a young gentleman on several occasions. One time it was for the seat belt and another time it was the issue of a taillight out or something. My take on this is that we had a referendum and the people said to make it secondary. I think if we make it a primary we are saying to the people in the State of Maine that we don't care what they did back in the 1990's. That time has gone by. People have forgotten, so let's make this mandatory. I'm going to vote Ought Not to Pass on this. Thank you.

The Chair noted the absence of the Senator from Kennebec, Senator **MARRACHÉ** and further excused the same Senator from today's Roll Call votes.

Off Record Remarks

---

Senator **TURNER** of Cumberland was granted unanimous consent to address the Senate on the Record.

Senator **TURNER**: Thank you, Madame President, ladies and gentlemen of the Senate. I just wanted to take a moment and go on the record and speak very briefly about my seatmate, Senator Savage. There are a lot of things we do here that are really inconsequential. Her persistence in regards to this legislation, in my considered opinion and judgment, will save the lives of many Mainers and save them from injury on a go-forward basis. I do hope that 25 years from now the good Senator from Knox, Senator Savage, will look back and this will be one of the highlights of her career in public service. I want to thank her once again for her great work.
