1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 38 MRSA §424-C, sub-§5-A** is enacted to read:

3 **5-A. Take-back and disposal program.** In consultation with the Department of  
4 Public Safety, Office of the State Fire Marshal, the department shall design and, by July 1,  
5 2027, implement a take-back and disposal program for firefighting and fire-suppressing  
6 foam to which PFAS have been intentionally added that is located in the State and that is  
7 in the possession of a person located in the State. The program must provide for the  
8 collection of such firefighting or fire-suppressing foam from a person that voluntarily  
9 requests collection and for the safe and contained disposal of the collected foam. The  
10 department may contract with a 3rd-party entity to implement and administer the program  
11 and may adopt rules as necessary for the implementation and administration of the program,  
12 which are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

13 **SUMMARY**

14 This bill requires the Department of Environmental Protection, in consultation with the  
15 Department of Public Safety, Office of the State Fire Marshal, to design and, by July 1,  
16 2027, implement a take-back and disposal program for firefighting and fire-suppressing  
17 foam to which perfluoroalkyl and polyfluoroalkyl substances have been intentionally added  
18 that is located in the State and that is in the possession of a person located in the State. The  
19 program must provide for the collection of such firefighting or fire-suppressing foam from  
20 a person that voluntarily requests collection and for the safe and contained disposal of the  
21 collected foam. The department may contract with a 3rd-party entity to implement and  
22 administer the program and may adopt rules as necessary for the implementation and  
23 administration of the program.
