§3233. Municipal planning assistance program; review of programs

1. Comprehensive plans. A municipality or multimunicipal region that chooses to prepare a growth management program and receives a planning grant under Title 30-A, chapter 187, subchapter 2 shall submit its comprehensive plan to the office for review. A municipality or multimunicipal region that chooses to prepare a growth management program without receiving a planning grant under this subchapter may submit its comprehensive plan to the office for review. The office shall review plans for consistency with the procedures, goals and guidelines established in Title 30-A, chapter 187, subchapter 2. A contract for a planning assistance grant must include specific timetables governing the review of the comprehensive plan by the office. A comprehensive plan submitted for review more than 12 months following a contract end date may be required to contain data, projections and other time-sensitive portions of the plan or program that are in compliance with the office's most current review standards.

2. Growth management programs. A municipality or multimunicipal region may at any time request a certificate of consistency for its growth management program.

A. Upon a request for review under this section, the office shall review the program and determine whether the program is consistent with the procedures, goals and guidelines established in Title 30-A, chapter 187, subchapter 2.

B. Certification by the Department of Agriculture, Conservation and Forestry or the office of a municipality's or multimunicipal region's growth management program under Title 30-A, chapter 187, subchapter 2 is valid for 10 years. To maintain certification, a municipality or multimunicipal region shall periodically review its growth management program and submit to the office in a timely manner any revisions necessary to account for changes, including changes caused by growth and development. Certification does not lapse in any year in which the Legislature does not appropriate funds to the office for the purposes of reviewing programs for recertification.

C. Upon a request for review under this section, the office may review rate of growth, impact fee and zoning ordinances to determine whether the ordinances are consistent with a comprehensive plan that has been found consistent under this section without requiring submission of all elements of a growth management program. An affirmative finding of consistency by the office is required for a municipality or multimunicipal region to assert jurisdiction as provided in section 3234.

1 **3. Review of growth management program.** In reviewing a growth management
2 program, the office shall:

3 A. Solicit written comments on any proposed growth management program from
4 regional councils, state agencies, all municipalities contiguous to the municipality or
5 multimunicipal region submitting a growth management program and any interested
6 residents of the municipality or multimunicipal region or of contiguous municipalities.
7 The comment period extends for 45 days after the office receives the growth
8 management program.

9 (1) Each state agency reviewing the proposal shall designate a person or persons
10 responsible for coordinating the agency's review of the growth management
11 program.

12 (2) Any regional council commenting on a growth management program shall
13 determine whether the program is compatible with the programs of other
14 municipalities that may be affected by the program and with regional policies or
15 needs identified by the regional council;

16 B. Prepare all written comments from all sources in a form to be forwarded to the
17 municipality or multimunicipal region;

18 C. Within 90 days after receiving the growth management program, send all written
19 comments on the growth management program to the municipality or multimunicipal
20 region and any applicable regional council. If warranted, the office shall issue findings
21 specifically describing how the submitted growth management program is not
22 consistent with the procedures, goals and guidelines established in Title 30-A, chapter
23 187, subchapter 2 and the recommended measures for remedying the deficiencies.

24 (1) In its findings, the office shall clearly indicate its position on any point on which
25 there are significant conflicts among the written comments submitted to the office.

26 (2) If the office finds that the growth management program was adopted in
27 accordance with the procedures, goals and guidelines established in Title 30-A,
28 chapter 187, subchapter 2, the office shall issue a certificate of consistency for the
29 growth management program.

30 (3) Notwithstanding paragraph D, if a municipality or multimunicipal region
31 requests a certificate of consistency for its growth management program, any
32 unmodified component of that program that has previously been reviewed by the
33 Department of Agriculture, Conservation and Forestry and has received a finding
34 of consistency must retain that finding during program certification review by the
35 office as long as the finding of consistency is current as defined in rules adopted
36 by the office;

37 D. Provide ample opportunity for the municipality or multimunicipal region submitting
38 a growth management program to respond to and correct any identified deficiencies in
39 the program. A finding of inconsistency for a growth management program may be
40 addressed within 24 months of the date of the finding without addressing any new
41 review standards that are created during that time interval. After 24 months, the
42 program must be resubmitted in its entirety for state review under the office's most
43 current review standards; and

1 E. Provide an expedited review and certification procedure for those submissions that
2 represent minor amendments to certified growth management programs.

3 The office's decision on consistency of a growth management program constitutes final
4 agency action.

5 **4. Review of comprehensive plan.** In reviewing a comprehensive plan, the office
6 shall:

7 A. Solicit written comments on any proposed comprehensive plan from regional
8 councils, state agencies, all municipalities contiguous to the municipality or
9 multimunicipal region submitting a comprehensive plan and any interested residents
10 of the municipality or multimunicipal region or of contiguous municipalities. The
11 comment period extends for 25 business days after the office receives the
12 comprehensive plan. Each state agency reviewing the proposal shall designate a person
13 or persons responsible for coordinating the agency's review of the comprehensive plan;

14 B. Prepare all written comments from all sources in a form to be forwarded to the
15 municipality or multimunicipal region;

16 C. Within 35 business days after receiving the comprehensive plan, notify the
17 municipality or multimunicipal region if the plan is complete for purposes of review.
18 If the office notifies the municipality or multimunicipal region that the plan is not
19 complete for purposes of review, the office shall indicate in its notice necessary
20 additional data or information;

21 D. Within 10 business days of issuing notification that a comprehensive plan is
22 complete for purposes of review, issue findings specifically describing whether the
23 submitted plan is consistent with the procedures, goals and guidelines established in
24 Title 30-A, chapter 187, subchapter 2 and identify which inconsistencies in the plan, if
25 any, may directly affect rate of growth, zoning or impact fee ordinances.

26 (1) In its findings, the office shall clearly indicate its position on any point on which
27 there are significant conflicts among the written comments submitted to the office.

28 (2) If the office finds that the comprehensive plan was developed in accordance
29 with the procedures, goals and guidelines established in Title 30-A, chapter 187,
30 subchapter 2, the office shall issue a finding of consistency for the comprehensive
31 plan.

32 (3) A finding of inconsistency must identify the goals under Title 30-A, chapter
33 187, subchapter 2 not adequately addressed, specific sections of the rules relating
34 to comprehensive plan review adopted by the office not adequately addressed and
35 recommendations for resolving the inconsistency;

36 E. Send all written findings and comments on the comprehensive plan to the
37 municipality or multimunicipal region and any applicable regional council; and

38 F. Provide ample opportunity for the municipality or multimunicipal region submitting
39 a comprehensive plan to respond to and correct any identified deficiencies in the plan.
40 A finding of inconsistency for a comprehensive plan may be addressed within 24
41 months of the date of the finding without addressing any new review standards that are
42 created during that time interval. After 24 months, the plan must be resubmitted in its
43 entirety for state review under the office's most current review standards.

1 If the office finds that a plan is not consistent with the procedures, goals and guidelines
2 established in Title 30-A, chapter 187, subchapter 2, the municipality or multimunicipal
3 region that submitted the plan may appeal that finding to the office within 20 business days
4 of receipt of the finding in accordance with rules adopted by the office, which are routine
5 technical rules pursuant to chapter 375, subchapter 2-A.

6 The office's decision on consistency of a comprehensive plan constitutes final agency
7 action.

8 A finding by the office pursuant to paragraph D that a comprehensive plan is consistent
9 with the procedures, goals and guidelines established in Title 30-A, chapter 187, subchapter
10 2 is valid for 12 years from the date of its issuance. For purposes of Title 30-A, section
11 4314, subsection 3 and Title 30-A, section 4352, subsection 2, expiration of a finding of
12 consistency pursuant to this subsection does not itself make a comprehensive plan
13 inconsistent with the procedures, goals and guidelines established in Title 30-A, chapter
14 187, subchapter 2.

15 **5. Updates and amendments.** A municipality or multimunicipal region may submit
16 proposed amendments to a comprehensive plan or growth management program to the
17 office for review in the same manner as provided for the review of new plans and programs.
18 Subsequent to voluntary certification under Title 30-A, chapter 187, subchapter 2, the
19 municipality or multimunicipal region shall file a copy of an amendment to a growth
20 management program with the office within 30 days after adopting the amendment and at
21 least 60 days prior to applying for any state grant program that offers a preference for
22 consistency or certification.

23 **6. Regional councils.** Subject to the availability of funding and pursuant to the
24 conditions of a contract, each regional council shall review and submit written comments
25 on the comprehensive plan or growth management program of any municipality or
26 multimunicipal region within its planning region. The comments must be submitted to the
27 office and contain an analysis of:

28 A. Whether the comprehensive plan or growth management program is compatible
29 with identified regional policies and needs; and

30 B. Whether the comprehensive plan or growth management program is compatible
31 with plans or programs of municipalities or multimunicipal regions that may be
32 affected by the proposal.

33 **§3234. Municipal planning assistance program; state capital investments**

34 **1. Growth-related capital investments.** The State may make growth-related capital
35 investments only in:

36 A. A locally designated growth area, as identified in a comprehensive plan adopted
37 pursuant to and consistent with the procedures, goals and guidelines of Title 30-A,
38 chapter 187, subchapter 2 or as identified in a growth management program certified
39 under section 3233.

40 B. In the absence of a consistent comprehensive plan, an area served by a public sewer
41 system that has the capacity for the growth-related project, an area identified in the
42 latest Federal Decennial Census as a census-designated place or a compact area of an
43 urban compact municipality as defined by Title 23, section 754; or

1 C. Areas other than those described in paragraph A or B for the following projects:

2 (1) A project related to a commercial or industrial activity that, due to its
3 operational or physical characteristics, typically is located away from other
4 development, such as an activity that relies on a particular natural resource for its
5 operation;

6 (2) An airport, port or railroad or industry that must be proximate to an airport, a
7 port or a railroad line or terminal;

8 (3) A pollution control facility;

9 (4) A project that maintains, expands or promotes a tourist or cultural facility that
10 is required to be proximate to a specific historic, natural or cultural resource or a
11 building or improvement that is related to and required to be proximate to land
12 acquired for a park, conservation, open space or public access or to an agricultural,
13 conservation or historic easement;

14 (5) A project located in a municipality that has none of the geographic areas
15 described in paragraph A or B and that prior to January 1, 2000 formally requested
16 but had not received from the Department of Agriculture, Conservation and
17 Forestry funds to assist with the preparation of a comprehensive plan or that
18 received funds from the Department of Agriculture, Conservation and Forestry to
19 assist with the preparation of a comprehensive plan within the previous 2 years.
20 This exception expires for a municipality 2 years after such funds are received; or

21 (6) A housing project serving the following: individuals with mental illness,
22 developmental disabilities, physical disabilities, brain injuries, substance use
23 disorder or a human immunodeficiency virus; homeless individuals; victims of
24 domestic violence; foster children; children or adults in the custody of the State; or
25 individuals with a household income of no more than 80% of the area median
26 income if the project has 18 or fewer units and receives funding through a program
27 administered by the Maine State Housing Authority. A nursing home is not
28 considered a housing project under this paragraph.

29 **2. State facilities.** The Department of Administrative and Financial Services, Bureau
30 of General Services shall develop site selection criteria for state office buildings, state
31 courts, hospitals and other quasi-public facilities and other civic buildings that serve public
32 clients and customers, whether owned or leased by the State, that give preference to the
33 priority locations identified in this subsection while ensuring safe, healthy, appropriate
34 work space for employees and clients and accounting for agency requirements. On-site
35 parking may only be required if it is necessary to meet critical program needs and to ensure
36 reasonable access for agency clients and persons with disabilities. Employee parking that
37 is within reasonable walking distance may be located off site. If there is a change in
38 employee parking from on-site parking to off-site parking, the Department of
39 Administrative and Financial Services must consult with the duly authorized bargaining
40 agent or agents of the employees. Preference must be given to priority locations in the
41 following order: service center downtowns, service center growth areas and downtowns
42 and growth areas in other than service center communities. If no suitable priority location
43 exists or if the priority location would impose an undue financial hardship on the occupant
44 or is not within a reasonable distance of the clients and customers served, the facility must
45 be located in accordance with subsection 1. The following state facilities are exempt from

1 this subsection: a lease of less than 500 square feet; and a lease with a tenure of less than
2 one year, including renewals.

3 **3. State's role in implementation of growth management programs.** All state
4 agencies, as partners in local and regional growth management efforts, shall contribute to
5 the successful implementation of comprehensive plans and growth management programs
6 adopted under this subchapter by making investments, delivering programs and awarding
7 grants in a manner that reinforces the policies and strategies within the plans or programs.
8 Assistance must be provided within the confines of agency policies, available resources
9 and considerations related to overriding state interest.

10 **4. Preference for other state grants and investments.** Preference for other state
11 grants and investments is governed by this subsection.

12 A. When awarding a grant or making a discretionary investment under any of the
13 programs under paragraph B, subparagraphs (1) and (2) or when undertaking its own
14 capital investment programs other than for projects identified in Title 30-A, section
15 4301, subsection 5-B, a state agency shall respect the primary purpose of its grant or
16 investment program and, to the extent feasible, give preference:

17 (1) First, to a municipality that has received a certificate of consistency for its
18 growth management program under section 3233;

19 (2) Second, to a municipality that has adopted a comprehensive plan that the former
20 State Planning Office, the municipal planning assistance unit within the
21 Department of Agriculture, Conservation and Forestry or the office has determined
22 is consistent with the procedures, goals and guidelines of Title 30-A, chapter 187,
23 subchapter 2 and has adopted zoning ordinances that the former State Planning
24 Office, the municipal planning assistance unit within the Department of
25 Agriculture, Conservation and Forestry or the office has determined are consistent
26 with the comprehensive plan; and

27 (3) Third, to a municipality that has adopted a comprehensive plan that the former
28 State Planning Office, the municipal planning assistance unit within the
29 Department of Agriculture, Conservation and Forestry or the office has determined
30 is consistent with the procedures, goals and guidelines in Title 30-A, chapter 187,
31 subchapter 2.

32 If a municipality has submitted a comprehensive plan, zoning ordinance or growth
33 management program to the former State Planning Office, the municipal planning
34 assistance unit within the Department of Agriculture, Conservation and Forestry or the
35 office for review, the time for response as established in section 3233 has expired and
36 comments or findings have not been provided to the municipality, a state agency when
37 awarding a grant or making a discretionary investment under this subsection may not
38 give preference over the municipality to another municipality.

39 B. This subsection applies to:

40 (1) Programs that assist in the acquisition of land for conservation, natural resource
41 protection, open space or recreational facilities under chapter 353; and

42 (2) Programs intended to:

43 (a) Accommodate or encourage additional growth and development;

- 1 **(b) Improve, expand or construct public facilities; or**
2 **(c) Acquire land for conservation or management of specific economic and**
3 **natural resource concerns.**
- 4 **C. This subsection does not apply to state grants or other assistance for sewage**
5 **treatment facilities, public health programs or education.**
- 6 **D. The office shall work with state agencies to prepare mechanisms for establishing**
7 **preferences in specific investment and grant programs as described in paragraph B.**
- 8 **5. Application.** Subsections 1 and 2 apply to a state capital investment for which an
9 application is accepted as complete by the state agency funding the project after January 1,
10 2001 or which is initiated with the Department of Administrative and Financial Services,
11 Bureau of General Services by a state agency after January 1, 2001.

36 assessor, or within another time period as the assessor may allow, that the address in
37 question is the customer's place of primary use, the assessor shall provide the home
38 service provider with the proper address to be used as the customer's place of primary
39 use. The home service provider shall begin using the address provided by the assessor
40 as the customer's place of primary use within 30 days from the date the home service
41 provider receives notice of the assessor's determination.

A customer may not rely upon the nontaxability of bundled services unless the customer's home service provider separately states the otherwise nontaxable services or the home service provider elects, after receiving written notice from the customer in the form required by the provider, to provide verifiable data based upon the home service provider's books and records that are kept in the regular course of its business and that reasonably identify the nontaxable charges.

§7752. Definitions

1. Health insurance issuer. "Health insurance issuer" has the same meaning as "carrier" as defined in section 4301-A, subsection 3.

2. Manufacturer. "Manufacturer" has the same meaning as in Title 32, section 13702-A, subsection 19.

For the purposes of this chapter, a record of a current 340B contract pharmacy relationship between the 340B entity and the 340B contract pharmacy that is on the 340B United States Department of Health and Human Services, Health Resources and Services Administration, Office of Pharmacy Affairs 340B Information System website, or such publicly accessible successor website maintained by the United States Department of Health and Human Services, is prima facie evidence of such a contract.

2. Submission of claims or utilization data prohibited. A manufacturer or its agent may not, either directly or indirectly, require a 340B entity to submit any claims or

utilization data as a condition for allowing the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B entity unless the claims or utilization data sharing is required by the United States Department of Health and Human Services.

3. Other interference prohibited. A manufacturer may not otherwise interfere directly or indirectly with a 340B entity unless expressly authorized by the United States Department of Health and Human Services.

§7754. Prohibition of certain discriminatory actions with respect to reimbursement of 340B entities

With respect to reimbursement of a 340B entity for 340B drugs, a health insurance issuer, pharmacy benefits manager or other 3rd-party payor or agent may not:

1. Reimbursement at lower rate prohibited. Reimburse a 340B entity for 340B drugs at a rate lower than that paid for the same drug to entities that are not 340B entities or lower the reimbursement amount for a claim on the basis that the claim is for a 340B drug;

2. Imposition of different terms and conditions prohibited. Impose any terms or conditions on any 340B entity that differ from such terms or conditions applied to entities that are not 340B entities or pharmacies that are not 340B contract pharmacies because it is a 340B entity including, without limitation:

A. Fees, charges, clawbacks or other adjustments or assessments. For purposes of this paragraph, "other adjustment or assessment" includes, without limitation, placing any additional requirements, restrictions or burdens upon the 340B entity that result in administrative costs or fees to the 340B entity that are not placed upon entities that are not 340B entities, including affiliate pharmacies of the health insurance issuer, pharmacy benefits manager or other 3rd-party payor;

B. Dispensing fees that are less than the dispensing fees for entities that are not 340B entities or pharmacies that are not 340B contract pharmacies;

C. Restrictions or requirements regarding participation in standard or preferred pharmacy networks;

D. Requirements relating to inventory management systems or to the frequency or scope of audits;

E. Requirements that a claim for a drug dispensed by a pharmacy include any identification, billing modifier, attestation or other indication that a drug is a 340B drug in order to be processed or submitted or reimbursed unless it is required by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services or the Department of Health and Human Services for the administration of the MaineCare program; or

F. Any other restrictions, conditions, practices or policies that are not imposed on entities that are not 340B entities;

3. Reversal, resubmission or clarification of claims prohibited. Require a 340B entity to reverse, resubmit or clarify a claim after the initial adjudication unless these actions are in the normal course of pharmacy business and are not related to 340B drug pricing;

1 **4. Discrimination against 340B entity that interferes with patient choice.**

2 Discriminate against a 340B entity in a manner that prevents or interferes with a patient's
3 choice to receive 340B drugs from the 340B entity, including the administration of the
4 drugs. For purposes of this subsection, it is considered a discriminatory practice that
5 prevents or interferes with a patient's choice to receive drugs at a 340B entity if a health
6 insurance issuer, pharmacy benefits manager or other 3rd-party payor places any additional
7 requirements, restrictions or burdens upon the 340B entity that differ from the terms and
8 conditions applied to entities that are not 340B entities that result in administrative costs or
9 fees to the 340B entity, including, but not limited to, requiring a claim for a drug dispensed
10 by a pharmacy to include any identification, billing modifier, attestation or other indication
11 that a drug is a 340B drug in order to be processed or resubmitted unless it is required by
12 the United States Department of Health and Human Services, Centers for Medicare and
13 Medicaid Services or the Department of Health and Human Services for the administration
14 of the MaineCare program;

15 **5. Discrimination against 340B entity that interferes with patient choice of**
16 **delivery method.** Include any other provision in a contract between a health insurance
17 issuer, pharmacy benefits manager or other 3rd-party payor and a 340B entity that differs
18 from the terms and conditions applied to entities that are not 340B entities that
19 discriminates against the 340B entity that participates in the 340B program or prevents or
20 interferes with a patient's choice to receive a 340B drug from a 340B entity, whether by
21 direct administration, in-person dispensing, direct delivery, mail or other form of shipment;

22 **6. Restrictions or additional charges prohibited.** Place a restriction or additional
23 charge on a patient who chooses to receive 340B drugs from a 340B entity if the restriction
24 or additional charge differs from the terms and conditions applied when patients choose to
25 receive drugs that are not 340B drugs from an entity that is not a 340B entity or from a
26 pharmacy that is not a 340B contract pharmacy;

27 **7. Submission of data pertaining to ingredient costs or pricing of 340B drugs**
28 **prohibited.** Require or compel the submission of ingredient costs or pricing data pertaining
29 to 340B drugs from a 340B entity to any health insurance issuer, pharmacy benefits
30 manager or other 3rd-party payor; or

31 **8. Exclusion from pharmacy network prohibited.** Exclude any 340B entity from the
32 health insurance issuer, pharmacy benefits manager or other 3rd-party payor network on
33 the basis that the 340B entity dispenses 340B drugs or refuse to contract with a 340B entity
34 for reasons other than those that apply equally to entities that are not 340B entities.

35 This section may not be construed to limit a health insurance issuer's ability to use
36 certain preferred pharmacies or develop networks of preferred pharmacies as long as a
37 health insurance issuer's decision is not based on an entity's status as a 340B entity.

38 **§7755. MaineCare program not affected**

39 This chapter does not apply to the MaineCare program as a payor when the MaineCare
40 program provides reimbursement for covered outpatient drugs as defined in 42 United

42 **§7756. Contracting under 340B program**
