Following the investigation, the director may mail the licensee a notice of violation informing the licensee of the administrative sanction under subsection 4 the director proposes to impose and of the licensee's opportunity to request a hearing.

If the licensee fails to request a hearing within 30 days of the date that a notice was mailed under this subsection, the director may issue a final decision imposing the sanction proposed in the notice. If the licensee makes a timely request for a hearing, the commissioner shall conduct an adjudicatory hearing in accordance with Title 5, chapter 375, subchapter 4. If, after the hearing, the commissioner finds that the factual basis of the complaint is true and is of sufficient gravity to warrant further action, the commissioner may impose an administrative sanction under subsection 4.

**4. Administrative sanctions.** The director or the commissioner may, pursuant to subsection 3, impose the following administrative sanctions on a licensee:

A. A written reprimand;

An Internet gaming licensee may contract with no more than one management services licensee under section 1408.

**4. Fees.** The fee for an initial or renewed Internet gaming license is \$50,000 and must be retained by the director for the costs of administering this chapter. A temporary license issued under this subsection is valid for the length of the term of the license under subsection 5 or until a final determination on the Internet gaming license application is made, whichever is sooner. If after investigation the director determines that the applicant is eligible for an Internet gaming license under this chapter, the director shall issue the initial Internet gaming license, at which time the temporary license terminates. The initial Internet gaming license is valid for one year from the date that the temporary license was issued by the director. Internet gaming conducted under authority of a temporary license must comply with the operator's house rules adopted under section 1410.

7. **Occupational license required.** An Internet gaming licensee, including a temporary licensee under subsection 6, may conduct Internet gaming only through persons holding a valid occupational license under section 1409.

2. **Equipment.** An applicant for a supplier license shall demonstrate that the equipment, systems or services that the applicant plans to offer to an operator conform to standards established by rule by the director. The director may accept approval by another jurisdiction that is specifically determined by the director to have similar equipment standards as evidence the applicant meets the standards established by the director by rule.

3. **Authority to supply operators.** A supplier license granted by the director pursuant to this section grants a licensee lawful authority to sell or to lease Internet gaming equipment, systems or services to operators in the State within the terms and conditions of the license and any rules adopted under this chapter.

4. **Fees.** The fee for an initial or renewed supplier license is \$10,000 and must be retained by the director for the costs of administering this chapter. In addition to the license fee, the director may charge a processing fee for an initial or renewed license in an amount equal to the projected cost of processing the application and performing any background investigations. If the actual cost exceeds the projected cost, an additional fee may be charged to meet the actual cost. If the projected cost exceeds the actual cost, the difference may be refunded to the applicant or licensee.

5. **Term of license.** Except as provided in subsection 6, a license granted or renewed under this section is valid for one year unless sooner revoked by the director or the commissioner under section 1405.

6. **Temporary license.** An applicant for a supplier license may submit with the application a request for a temporary license. A request for a temporary license must include the initial license fee under subsection 4. If the director determines that the applicant is qualified under subsection 1, meets the requirements established by rule for a temporary license and has paid the initial license fee and the director is not aware of any reason the applicant is ineligible for a license under this section, the director may issue a temporary supplier license. A temporary license issued under this subsection is valid for the length of the term of the license under subsection 5 or until a final determination on the supplier license application is made, whichever is sooner. If after investigation the director determines that the applicant is eligible for a supplier license under this chapter, the director shall issue the initial supplier license, at which time the temporary license terminates. The initial supplier license is valid for one year from the date that the temporary license was issued by the director.

7. **Inventory.** A supplier licensee shall submit to the director a list of all Internet gaming equipment, systems and services sold or leased to, delivered to or offered to an operator in this State as required by the director, all of which must be tested and approved

by an independent testing laboratory approved by the director. An operator may continue to use supplies acquired from a licensed supplier if the supplier's license subsequently expires or is otherwise revoked, unless the director finds a defect in the supplies.

#### **§1408. Management services license**

**1. Issuance of license; eligibility.** The director shall issue a management services license upon finding that the applicant meets all requirements of this section, sections 1404 and 1405 and rules adopted under this chapter and that the applicant has sufficient knowledge and experience in the business of operating Internet gaming to effectively conduct Internet gaming in accordance with this chapter and the rules adopted under this chapter. The director shall by rule establish a process for issuance of a management services license under this chapter that is, to the extent practicable, identical to the process for a management services license under section 1209.

**2. Authority to enter contract with operator.** A management services licensee may contract with an operator to manage Internet gaming operations on behalf of the operator in accordance with rules adopted under this chapter.

**3. Contract approval; material change in written contract.** A person may not contract with an operator to conduct Internet gaming on behalf of the operator unless the person is licensed under this section and the director approves the written contract. A management services licensee shall submit to the director any proposed material change to the written contract that has been approved by the director under this subsection. A management services licensee may not transfer, assign, delegate or subcontract any portion of the management services licensee's responsibilities under the contract or any portion of the management services licensee's right to compensation under the contract to any other person who does not hold a management services license.

**4. Fees.** The fee for an initial or renewed management services license is \$10,000 and must be retained by the director for the costs of administering this chapter. In addition to the license fee, the director may charge a processing fee for an initial or renewed license in an amount equal to the projected cost of processing the application and performing any background investigations. If the actual cost exceeds the projected cost, an additional fee may be charged to meet the actual cost. If the projected cost exceeds the actual cost, the difference may be refunded to the applicant or licensee.

**5. Term of license.** Except as provided in subsection 6, a license granted or renewed under this section is valid for one year unless sooner revoked by the director or the commissioner under section 1405.

**6. Temporary license.** An applicant for a management services license may submit with the application a request for a temporary license. A request for a temporary license must include the initial license fee under subsection 4. If the director determines that the applicant is qualified under subsection 1, meets the requirements established by rule for a temporary license and has paid the initial license fee and the director is not aware of any reason the applicant is ineligible for a license under this section, the director may issue a temporary management services license. A temporary license issued under this subsection is valid for the length of the term of the license under subsection 5 or until a final determination on the management services license application is made, whichever is sooner. If after investigation the director determines that the applicant is eligible for a management services license under this chapter, the director shall issue the initial

management services license, at which time the temporary license terminates. The initial management services license is valid for one year from the date that the temporary license was issued by the director.

#### **§1409. Occupational license**

**1. License required.** A person may not be employed by an operator to be engaged directly in Internet gaming-related activities or otherwise to conduct or operate Internet gaming without a valid occupational license issued by the director under this section. The director shall issue an occupational license to a person who meets the requirements of this section, section 1404 and section 1405. The director shall by rule establish a process for issuance of occupational licenses that is, to the extent practicable, identical to the process for occupational licenses issued under section 1210 and for licensing employees of a casino under section 1015.

**2. Authority to be employed in Internet gaming.** An occupational license authorizes the licensee to be employed by an operator in the capacity designated by the director while the license is active. The director may establish, by rule, job classifications with different requirements to recognize the extent to which a particular job has the ability to affect the proper operation of Internet gaming.

**3. Application and fee.** Except as provided in subsection 5, an applicant shall submit any required application forms established by the director and pay a nonrefundable application fee of \$250. The fee may be paid on behalf of an applicant by the operator. Fees paid under this subsection must be retained by the director for the costs of administering this chapter.

The fee may be paid on behalf of the occupational licensee by the operator. In addition to a renewal fee, an occupational licensee must annually submit a renewal application on a form or in a format approved by the director. This subsection does not prohibit a relative living in the same household as a director, officer or employee of an operator or management services licensee from making a wager with an unaffiliated operator or management services licensee;
- 3. Interested parties.** A person with an interest in the outcome of the Internet gaming event identified by the director by rule;

- 6. Regulatory staff.** An employee of the Gambling Control Unit within the department.

**§1413. Abnormal wagering activity**

- 1. Duty to report.** An operator shall, as soon as practicable, report to the director any information relating to abnormal wagering activity or patterns that may indicate a concern with the integrity of the Internet gaming event.
- 2. Cooperation efforts.** An operator shall use commercially reasonable efforts to cooperate with investigations conducted by law enforcement agencies, including but not limited to using commercially reasonable efforts to provide or facilitate the provision of wagering information.
- 3. Information confidentiality.** The director and operators shall maintain the confidentiality of information provided by entities involved in the Internet gaming event for purposes of investigating or preventing the conduct described in this section, unless disclosure is otherwise required by the director or by law or unless the entity consents to disclosure.
- 4. Information use and disclosure.** With respect to any information provided by an operator to an entity involved in the Internet gaming event relating to conduct described in this section, the entity:
  - A. May use such information only for integrity-monitoring purposes and may not use the information for any commercial or other purpose; and
  - B. Shall maintain the confidentiality of the information, unless disclosure is otherwise required by the director or by law or unless the operator consents to disclosure, except

that the entity may make disclosures necessary to conduct and resolve integrity-related investigations and may publicly disclose such information if necessary to maintain the actual or perceived integrity of the Internet gaming event. Prior to any public disclosure that would identify the operator by name, the entity shall provide that operator with notice of the disclosure and an opportunity to object to the disclosure.

**§1414. Security, maintenance and sharing of wagering records**

**1. Records maintenance.** An operator shall maintain for 3 years after an Internet gaming event occurs at least the following records of all wagers placed with respect to that Internet gaming event:

- A. Personally identifiable information of each person placing a wager;
- B. The amount and type of each wager;
- C. The time each wager was placed;
- D. The location of each wager, including the Internet protocol address if applicable;
- E. The outcome of each wager; and
- F. Instances of abnormal wagering activity.

An operator shall make the records required to be maintained under this subsection available for inspection upon request of the director or as required by court order.

**2. Anonymized information.** An operator shall use commercially reasonable efforts to maintain, in real time and at the account level, anonymized information regarding a person who places a wager; the amount and type of the wager; the time the wager was placed; the location of the wager, including the Internet protocol address if applicable; the outcome of the wager; and records of abnormal wagering activity. The director may request that information in the form and manner required by rule. Nothing in this subsection requires an operator to provide any information that is prohibited by federal or state law, including without limitation laws and rules relating to privacy and personally identifiable information.

**3. Records monitoring.** If an entity involved in the Internet gaming event has notified the director that access to the information described in subsection 2 for wagers placed on Internet gaming events of that entity is necessary to monitor the integrity of that Internet gaming event, and the entity represents to the director that it specifically uses that data for the purpose of monitoring the integrity of the Internet gaming event, an operator shall share, in a commercially reasonable frequency, form and manner, with the entity or its designee the same information the operator is required to maintain under subsection 2 with respect to the Internet gaming event. An entity and its designee may use information received under this subsection only for integrity-monitoring purposes and may not use information received under this subsection for any commercial or other purpose. Nothing in this subsection requires an operator to provide any information if prohibited by federal or state law, including without limitation laws and rules relating to privacy and personally identifiable information.

**4. Security.** An operator shall use commercially reasonable methods to maintain the security of wagering data, customer data and other confidential information from unauthorized access and dissemination. Nothing in this chapter precludes the use of

Internet-based or so-called cloud-based hosting of that data and information or disclosure as required by law.

B. Upon receipt of information pursuant to paragraph A, the registry operator shall electronically inform the licensee whether the winner is listed in the registry. If the winner is listed in the registry, the registry operator shall inform the licensee of the amount of the winner's outstanding child support debt and the account number or identifier assigned to the outstanding child support debt and shall provide the licensee with a notice of withholding that informs the winner of the right to an administrative hearing.

C. If the registry operator informs the licensee that the winner is not listed in the registry or if the licensee is unable to obtain information from the registry operator on a real-time basis after attempting in good faith to do so, the licensee may make payment to the winner.

D. If the registry operator informs the licensee that the winner is listed in the registry, the licensee may not make payment to the winner unless the amount of the payout exceeds the amount of outstanding child support debt, in which case the licensee may make payment to the winner of the amount of winnings that is in excess of the amount of the winner's outstanding child support debt.

**5. Lien against winnings.** If the registry operator informs a licensee pursuant to this section that a winner is listed in the registry, the department has a valid lien upon and claim of lien against the winnings in the amount of the winner's outstanding child support debt.

**6. Withholding of winnings.** The licensee shall withhold from any winnings an amount equal to the amount of the lien created under subsection 5 and shall provide a notice of withholding to the winner. Within 7 days after withholding an amount pursuant to this subsection, the licensee shall transmit the amount withheld to the department together with a report of the name, address and social security number of the winner, the account number or identifier assigned to the debt, the amount withheld, the date of withholding and the name and location of the licensee.

**7. Licensee costs.** Notwithstanding subsection 6, the licensee may retain \$10 from an amount withheld pursuant to this section to cover the cost of the licensee's compliance with this section.

**8. Administrative hearing.** A winner from whom an amount was withheld pursuant to this section has the right, within 15 days of receipt of the notice of withholding, to request from the department an administrative hearing. The hearing is limited to questions of whether the debt is liquidated and whether any post-liquidation events have affected the winner's liability. The administrative hearing decision constitutes final agency action.

**9. Authorization to provide information.** Notwithstanding any provision of law to the contrary, the licensee may provide to the department or registry operator any information necessary to effectuate the intent of this section. The department or registry operator may provide to the licensee any information necessary to effectuate the intent of this section.

**10. An employee or prior employee of the department, the registry operator or a licensee who knowingly or intentionally discloses any such information commits a civil violation for which a fine not to exceed \$1,000 may be adjudged.

**11. Effect of compliance; noncompliance.** A licensee, the department and the registry operator are not liable for any action taken in good faith to comply with this section. A licensee who fails to make a good faith effort to obtain information from the registry operator or who fails to withhold and transmit the amount of the lien created under subsection 5 is liable to the department for the greater of \$500 and the amount the person

was required to withhold and transmit to the department under this section, together with costs, interest and reasonable attorney's fees.

**12. Biennial review.** The department shall include in its report to the Legislature under section 1066 the following information:
