3 read:

4 **§1-A. Training**

5 The following provisions govern the training of harbor masters and deputy harbor  
6 masters appointed pursuant to section 1 or 2.

7 **1. Basic training course.** A person appointed or reappointed a harbor master or a  
8 deputy harbor master after August 31, 2006 must complete a basic harbor master training  
9 course offered by a statewide harbor masters association that represents Maine harbor  
10 masters within one year after being appointed or reappointed unless that person has

14 harbor master training course. A person appointed or reappointed a harbor master or deputy  
15 harbor master shall pay the cost of the training required under this subsection, except that  
16 the cost of the training may be paid by the municipality at its sole discretion.

17 **1-A. Advanced training course.** A person appointed or reappointed a harbor master  
18 or deputy harbor master after January 1, 2022 who has completed the basic training course  
19 under subsection 1 shall complete an advanced harbor master training course offered by a  
20 statewide harbor masters association that represents Maine harbor masters within 2 years

23 deputy harbor master who has completed the basic training course under subsection 1 and  
24 the advanced training course under subsection 1-A shall attend, at a minimum, training  
25 every other year to maintain certification as a harbor master or deputy harbor master. The  
26 training requirement of this subsection may be met by completing continuing education  
27 training offered by a statewide harbor masters association that represents Maine harbor  
28 masters.

29 **2. Reimbursement.** Nothing in this section may be construed to prohibit a  
30 municipality, at its sole discretion, from reimbursing a harbor master or deputy harbor  
31 master for the cost of training under this section.

32 **3. Additional training.** Nothing in this section may be construed to prohibit a  
33 municipality from requiring a harbor master or deputy harbor master to obtain training  
34 beyond that required by this section.
