§18309. Requirement regarding new prescriptions

An individual licensed under this chapter may not prescribe to a patient more than a 30-day supply of a prescription drug that the individual has not previously prescribed to that patient, unless it is prescribed in accordance with section 18308, subsection 2.

SUMMARY

This bill provides that registered nurses, providers of osteopathic medicine, providers of allopathic medicine, podiatrists and dentists may not prescribe to a patient more than a 30-day supply of a prescription drug that the provider has not previously prescribed to that patient. The bill also provides that a pharmacist may not dispense more than a 30-day
supply of a new prescription drug order to a patient who does not have a previous
prescription drug order for that drug. The prescribing and dispensing requirements
provided in this bill provide exemptions for opioid medications prescribed or dispensed in
accordance with the Maine Revised Statutes, Title 32, section 2210, subsection 2; section
2600-C, subsection 2; section 3300-F, subsection 2; section 3657, subsection 2; or section
18308, subsection 2.
