An Act To Amend the Storage Requirements for Consumer Fireworks

Submitted by the Department of Public Safety pursuant to Joint Rule 204. Received by the Clerk of the House on January 21, 2021. Referred to the Committee on Criminal Justice and Public Safety pursuant to Joint Rule 308.2 and ordered printed pursuant to Joint Rule 401.

Presented by Representative PERKINS of Oakland.
Be it enacted by the People of the State of Maine as follows:

Sec. 1. 8 MRSA §223-A, sub-§4, as enacted by PL 2011, c. 416, §5 and affected by §9, is amended to read:

4. Storage and handling Building for sale of consumer fireworks. A person authorized to sell consumer fireworks under subsection 1 may store and sell the fireworks only in a permanent, fixed, stand-alone building dedicated solely to the storage and sale of consumer fireworks in accordance with this subsection. To the extent permitted by law and applicable regulations, consumer fireworks may be stored in a building by a person who has been issued a permit under subsection 4-B.

A. The building used for sale of consumer fireworks must be constructed, maintained and operated, and all consumer fireworks must be stored, in compliance with the requirements of National Fire Protection Association Standard 1124, as adopted by the Office of the State Fire Marshal, relevant building codes, zoning ordinances and other municipal ordinances.

B. The building used for the sale of consumer fireworks may not be less than 60 feet from another permanent building and may not be less than 300 feet from a structure at which gasoline, propane or other flammable material is sold or dispensed.

C. Cigarettes, tobacco products or lighters or other flame-producing devices may not be permitted in the building used for the sale of consumer fireworks.

D. A person under 21 years of age may not be admitted to the building used for the sale of consumer fireworks unless accompanied by a parent or guardian.

E. Notwithstanding paragraph D, a person at least 18 years of age may handle and sell consumer fireworks if the person is under the direct supervision of a person 21 years of age or older.

Sec. 2. 8 MRSA §223-A, sub-§4-A is enacted to read:

4-A. Storage of consumer fireworks. A person authorized to sell consumer fireworks under subsection 1 may store consumer fireworks in a permanent, fixed, stand-alone building or magazine. The storage building or magazine must be dedicated solely to the storage of consumer fireworks in accordance with this subsection.

A. A building used for consumer fireworks storage must be constructed, maintained and operated, and all consumer fireworks must be stored, in compliance with the requirements of National Fire Protection Association Standard 1124, as adopted by the Office of the State Fire Marshal, relevant building codes, zoning ordinances and other municipal ordinances.

B. A magazine used for consumer fireworks storage must comply with the requirements of National Fire Protection Association Standard 495, as adopted by the Office of the State Fire Marshal, relevant building codes, zoning ordinances and other municipal ordinances.

C. A building used for consumer fireworks storage may not be less than 60 feet from another permanent building and may not be less than 300 feet from a structure at which gasoline, propane or other flammable material is sold or dispensed.
D. Cigarettes, tobacco products or lighters or other flame-producing devices may not be permitted in a building used for consumer fireworks storage.

E. A person under 21 years of age may not be admitted into a building used for consumer fireworks storage unless accompanied by a parent or guardian.

F. Notwithstanding paragraph E, a person at least 18 years of age may be admitted into a building used for consumer fireworks storage for employment purposes if the person is under the direct supervision of a person 21 years of age or older.

Sec. 3. 8 MRSA §223-A, sub-§4-B is enacted to read:

4-B. Permit to store consumer fireworks. The commissioner may issue a permit to store consumer fireworks under subsection 4-A to an applicant who:

A. Is 21 years of age or older;
B. Possesses the permits required under subsection 1;
C. Complies with the provisions of subsection 4-A; and
D. Has not been convicted of an offense or violated a state, federal or municipal law, rule or regulation involving fireworks or explosives within the 2 years prior to the application.

The term of a permit is one year from date of issuance. The commissioner shall charge a fee of $125 for the initial permit issued to an applicant and $125 for each annual permit renewal. A separate permit is required for each location at which an applicant seeks to store consumer fireworks. Fees collected under this subsection must be deposited in a nonlapsing account of the Office of the State Fire Marshal to be used for the purpose of enforcing this section.

SUMMARY

This bill brings the laws governing the storage of consumer fireworks into conformity with a recent Maine court decision by authorizing the Office of the State Fire Marshal to regulate consumer fireworks storage by those authorized by law to sell consumer fireworks.
