3 **§8007. Confidentiality of complaints and investigative records**

4 **1. Definitions.** As used in this section, unless the context otherwise indicates, the  
5 following terms have the following meanings.

6 A. "Commissioner" means the Commissioner of Agriculture, Conservation and  
7 Forestry.

8 B. "Conclusion of an investigation" means that an investigation has been closed or one  
9 of the following events has occurred with respect to the investigation:

10 (1) A notice of an adjudicatory hearing under Title 5, chapter 375, subchapter 4  
11 has been issued;

14 C. "Department" means the Department of Agriculture, Conservation and Forestry.

15 **2. Records obtained during an investigation or through provision of services to**  
16 **the public.** Records of the department are confidential if:

17 A. The records are obtained during an investigation of a complaint related to a  
18 provision of or suspected violation of this Part; or

19 B. The records are obtained in connection with providing a service to the public  
20 consistent with the bureau's duties pursuant to this Part.

21 Records obtained during an investigation of a complaint related to a provision of or  
22 suspected violation of this Part become public upon conclusion of an investigation unless  
23 the records are otherwise classified as confidential by any other provision of law.

24 **3. Exceptions.** Notwithstanding subsection 2, during the pendency of an investigation,  
25 a complaint or investigative record may be disclosed:

30 violations of laws enforced by those agencies;

31 D. Pursuant to rules adopted by the department, when the commissioner determines

33 circumstances surrounding the complaint or investigation and when the investigation  
34 would not be prejudiced by the disclosure;

35 E. When and to the extent disclosure is considered necessary by the commissioner to  
36 avoid imminent and serious harm. The authority of the commissioner to make a  
37 disclosure pursuant to this paragraph may not be delegated; and

38 F. To a person being investigated on that person's request. The commissioner may  
39 refuse to disclose part or all of any investigative information, including the fact of an

2 investigation. The authority of the commissioner to make such a determination may  
3 not be delegated.

4 **4. Attorney General records.** The disclosure of investigative records of the  
5 Department of the Attorney General to a department employee designated by the

7 other purposes. Further disclosure of those investigative records is subject to Title 16,  
8 section 804 and the discretion of the Attorney General.

9 **5. Violation.** A person who knowingly or intentionally makes a disclosure of records  
10 in violation of this section commits a civil violation for which a fine not to exceed \$1,000  
11 may be adjudged.

## 12 SUMMARY

13 This bill establishes provisions governing the confidentiality of records belonging to  
14 the Department of Agriculture, Conservation and Forestry associated with investigations  
15 of complaints and suspected violations of the Maine Revised Statutes, Title 12, Part 11 and  
16 records belonging to the department that are obtained in connection with providing a  
17 service to the public in accordance with Part 11. The bill provides certain exceptions to the  
18 provisions that require that records associated with an investigation are confidential.

19 The bill provides that the disclosure of any investigative records to the department by  
20 the Department of the Attorney General does not constitute a waiver of the confidentiality  
21 of those records and that further disclosure of those records by the department is subject to  
22 constraints that include the discretion of the Attorney General.

23 The bill also provides that a person who knowingly or intentionally makes a disclosure  
24 in violation of these provisions commits a civil violation for which a fine not to exceed  
25 \$1,000 may be adjudged.
