3 repealed and the following enacted in its place:

4 **5. Maine exclusion amount.** "Maine exclusion amount" means:

13 additional exclusion amount allowed under section 4120.

14 **Sec. 2. 36 MRSA §4119**, as amended by PL 2019, c. 607, Pt. D, §5, is further
15 amended to read:

16 **§4119. Annual adjustments for inflation**

17 Beginning in 2018 and ~~each year thereafter ending in 2021~~, annually, on or about
18 September 15th, for the estates of decedents who die during the succeeding calendar year,
19 the assessor shall multiply the cost-of-living adjustment by the dollar amount contained in
20 section 4102, subsection 5, ~~paragraph C~~ applicable to estates of decedents dying ~~on or after~~
21 ~~January 1, 2018~~ before January 1, 2024. Beginning in 2025 and each year thereafter, on or
22 about September 15th, for the estates of decedents who die during the succeeding calendar

24 contained in section 4102, subsection 5, paragraph D and section 4120 applicable to estates
25 of decedents dying on or after January 1, 2024. For the purposes of this section, the "cost-
26 of-living adjustment" is the Chained Consumer Price Index for the 12-month period ending
27 June 30th of the preceding calendar year divided by the Chained Consumer Price Index for
28 the 12-month period ending June 30, 2017. If the dollar amount, adjusted by the application

§4121. Distribution of revenue

Beginning January 1, 2024, on a monthly basis, the Treasurer of State shall credit 100% of the revenues generated by the reduction in the exclusion amount as described in section 4102, subsection 5, paragraph D to the Maine State Housing Authority to be used solely to support affordable housing. Twenty-five percent of the funds credited to the Maine State Housing Authority pursuant to this section must be used to support affordable housing for veterans.

SUMMARY

This bill returns the exclusion amount, below which the Maine estate tax does not apply, to \$2,000,000 from the \$5,600,000 in current law for estates of decedents dying on or after January 1, 2024. The Treasurer of State must credit 100% of the revenues generated by the reduction in the exclusion amount to the Maine State Housing Authority to be used to support affordable housing. Twenty-five percent of the amount credited must be used to support affordable housing for veterans.

The bill also creates an additional exclusion amount from the estate tax for family farms and aquaculture, fishing and wood harvesting businesses of up to \$3,800,000. This additional exclusion applies to farmland or depreciable machinery and equipment used in agriculture, aquaculture, fishing or wood harvesting that is inherited by a family member and remains in commercial use for 5 years following transfer.
