ROBERT B. HUNT  
Clerk

Presented by Representative MORRIS of Turner.  
Cosponsored by Senator STEWART of Aroostook and  
Representatives: PERRY of Calais, RUSSELL of Verona Island.

1 **Be it enacted by the People of the State of Maine as follows:**

2 **Sec. 1. 39-A MRSA §403, sub-§4-B** is enacted to read:

3 **4-B. Group self-insurance reinsurance fronting arrangements.** This subsection  
4 governs group self-insurance reinsurance fronting arrangements.

5 A. As used in this subsection, unless the context otherwise indicates, the following  
6 terms have the following meanings.

7 (1) "Fronting arrangement" means a situation in which a fronting company issues  
8 a policy for workers' compensation insurance to an employer member of a group  
9 self-insurer licensed under this Title and cedes all of the premium and exposure of  
10 the policy for out-of-state employers to the self-insured group.

11 (2) "Fronting company" means an entity that engages in a fronting arrangement.  
12 A fronting company may be owned by one or more group self-insurers or by a  
13 group self-insurance reinsurance account.

14 (3) "Superintendent" means the Superintendent of Insurance.

15 B. An employer member of a group self-insurer licensed under this Title may insure  
16 its employees through a fronting arrangement under the following conditions.

17 (1) The group self-insurer must:

18 (a) Be a member of a group self-insurance reinsurance account, the assets of  
19 which must be available to satisfy the obligations of a fronting company;

20 (b) Insure employees who live or work in a state other than this State and agree  
21 to be subject to the workers' compensation laws of that state; and

22 (c) Provide that members of a group self-insurer are jointly and severally liable  
23 for the workers' compensation obligations of an employer member of a group  
24 self-insurer whose out-of-state employees are insured by a fronting company.

25 Any fronting arrangement must require the group self-insurer or group self-  
26 insurance reinsurance account to assume all responsibility for administration and  
27 claims handling for the fronting company. More than one group self-insurer may  
28 enter into a fronting arrangement with the same fronting company. The obligations  
29 of a fronting company ceded to a group self-insurer must be included in the  
30 actuarial analysis of the group and such other filings as the Superintendent may  
31 require under this section.

32 (2) The fronting company must:

33 (a) Have capital in the amount of \$500,000;

34 (b) Submit a plan of operation to the superintendent, establish a board of  
35 directors and establish bylaws and procedures by which all the powers and  
36 duties of the company are performed, including, but not limited to, defining  
37 the date and conditions upon which the fronting company will commence  
38 coverage for claims;

39 (c) Provide a detailed explanation of each fronting arrangement, including the  
40 process by which all exposures are ceded to a group self-insurer; and
