4 to read:

5 **§2923-A. Requirements of municipalities, plantations, counties or unorganized**
6 **territories**

7 Each municipality, plantation, county or unorganized territory that does not have a
8 public safety answering point shall contract with an entity that does have a public safety
9 answering point, which may be the department, for receiving 9-1-1 calls and, as
10 appropriate, directly dispatching emergency services or, through transfer routing or relay
11 routing, passing 9-1-1 calls to public or private safety agencies that dispatch emergency
12 services. If a municipality, plantation, county or unorganized territory without a public
13 safety answering point does not enter into such an agreement, the department shall serve
14 as the public safety answering point for that municipality, plantation, county or
15 unorganized territory and the municipality, plantation, county or unorganized territory shall
16 pay the department for the provision of those services. Fees received by the department
17 pursuant to this section must be deposited in the Consolidated Emergency Communications
18 Fund established in section 1534. If a fee assessed to a municipality, plantation, county or
19 unorganized territory for services provided pursuant to an agreement under this section or
20 by the department is based in whole or in part on population, the population of the
21 municipality, plantation, county or unorganized territory may not include persons held at a
22 correctional facility, as defined in Title 34-A, section 1001, subsection 6, within the
23 municipality, plantation, county or unorganized territory.

24 **Sec. 15. 25 MRSA §2923-B, sub-§1**, as enacted by PL 2023, c. 186, §1, is amended
25 to read:

26 **1. Notice.** A public safety answering point shall provide notice to the bureau prior to
27 discontinuing service to a municipality, plantation, county or unorganized territory. A
28 public safety answering point may not provide the notice under this subsection less than
29 one year prior to the date that the public safety answering point discontinues service, unless
30 the bureau finds reasonable grounds to authorize a shorter period of time for the
31 notification. If appropriate, the bureau shall notify the department of the notice of
32 discontinuing service received by the bureau from a public safety answering point.

33 **Sec. 16. 25 MRSA §2923-C**, as enacted by PL 2023, c. 609, §3, is amended to read:

34 **§2923-C. Cost reporting**

35 **1. Reporting requirements.** Annually, on a date prescribed by the ~~bureau~~ Public
36 Utilities Commission by rule, a public safety answering point and dispatch center shall each
37 provide the bureau with a report of the costs incurred by the public safety answering point
38 or dispatch center for the provision of ~~enhanced~~ 9-1-1 services.

39 **2. Rules.** The ~~bureau~~ Public Utilities Commission shall adopt rules to implement this
40 section. The rules must establish requirements for the report provided by a public safety
41 answering point and dispatch center pursuant to subsection 1, including, at a minimum:

42 A. The manner by which the report must be submitted to the bureau;

1 B. The specific cost components for the provision of ~~enhanced~~ 9-1-1 services to be
2 included in the report; and

3 C. The date by which the report must be submitted.

4 Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5,
5 chapter 375, subchapter 2-A.

6 **Sec. 17. 25 MRSA §2925**, as amended by PL 2021, c. 348, §37, is further amended
7 by amending the section headnote to read:

8 **§2925. ~~E-9-1-1~~ 9-1-1 Council**

9 **Sec. 18. 25 MRSA §2925, first ¶**, as amended by PL 1993, c. 566, §8, is further
10 amended to read:

11 The ~~E-9-1-1~~ 9-1-1 Council, established in Title 5, section 12004-I, subsection 74-A,
12 and referred to in this section as "the council," shall advise and assist the bureau in the
13 implementation of the ~~E-9-1-1~~ 9-1-1 system.

14 **Sec. 19. 25 MRSA §2925, sub-§1**, as amended by PL 2021, c. 348, §37, is further
15 amended to read:

16 **1. Membership.** The ~~E-9-1-1 Council~~ council is composed of 17 members; one
17 appointed by the Public Utilities Commission; one appointed by the Commissioner of
18 Public Safety; and 15 appointed by the Governor, including one who is a municipal official
19 nominated by the statewide association of municipalities, one county official nominated by
20 a statewide association of county commissioners, one who is a chief of a municipal police
21 department nominated by the statewide association of chiefs of police, one who is the chief
22 of a municipal fire department nominated by the statewide association of fire chiefs, one
23 who is a county sheriff nominated by the statewide association of sheriffs, one who
24 represents small telephone companies, one who represents the largest provider of local
25 exchange telephone services, one who represents cellular or wireless service providers, one
26 who represents a direct provider of emergency medical services, one who is a dispatcher
27 nominated by the statewide association of dispatchers, one who is a member of a volunteer
28 fire department, one to represent persons who are deaf and hard of hearing and 3 to
29 represent the public-at-large. Each member may name a designee who may attend meetings
30 of the council and act on that member's behalf in council proceedings.

31 **Sec. 20. 25 MRSA §2925, sub-§6**, as amended by PL 2009, c. 219, §1, is further
32 amended to read:

33 **6. Duties.** The council has the following duties.

34 A. The council shall advise the bureau on activities relating to the establishment of ~~an~~
35 ~~E-9-1-1~~ a 9-1-1 system.

36 B. The council shall review and comment on rules proposed by the ~~bureau~~ Public
37 Utilities Commission under this chapter.

38 C. The council shall assist the bureau in providing public information about the
39 implementation and operation of the ~~E-9-1-1~~ 9-1-1 system.

40 D. The council shall assist the bureau in responding to and resolving service-related
41 complaints and issues regarding the ~~E-9-1-1~~ 9-1-1 system.

1 **Sec. 21. 25 MRSA §2926**, as amended by PL 2023, c. 186, §2, is further amended
2 to read:

3 **§2926. Emergency Services Communication Bureau**

4 **1. Bureau established.** The Emergency Services Communication Bureau is
5 established within the Public Utilities Commission to implement and manage ~~E-9-1-1~~
6 9-1-1, including the deployment of ~~E-9-1-1~~ 9-1-1 service using emerging communications
7 technologies, including, but not limited to, Internet protocol enabled services, that are
8 capable of connecting users to public safety answering points.

9 **1-A. Quality assurance.** The bureau shall develop and implement a quality assurance
10 program to audit and monitor compliance with emergency dispatching standards, practices
11 and procedures of public safety answering points.

12 **2. System design.** In consultation with the ~~E-9-1-1~~ 9-1-1 Council, established in Title
13 5, section 12004-I, subsection 74-A, the bureau shall develop all necessary system
14 elements, standards and cost estimates necessary to provide for the installation and
15 operation of a statewide ~~E-9-1-1~~ 9-1-1 system, including, but not limited to, the following:

16 A. Development of network design specifications;

17 B. Development of minimum public safety answering point requirements including
18 24-hour operation; emergency backup power; secured communication areas; separate
19 administrative phone lines for nonemergency calls; call recording and playback
20 equipment; TDD equipment, as defined in Title 35-A, section 8702, subsection 6;
21 maximum call handling times; and minimum mandatory staff training requirements for
22 9-1-1 call answering and dispatching;

23 C. After consultation with the affected public and private safety agency officials,
24 identification of appropriate public safety answering point sites based on consideration
25 of the existing dispatching capabilities of public and private safety agencies, the
26 expressed preferences of municipalities throughout the State and overall system cost;

27 D. Identification of appropriate technology for system networks, public safety
28 answering point equipment and ~~data base~~ database requirements;

29 E. Procedures for developing and maintaining address and routing ~~data bases~~ database;

30 F. Procedures for cooperation and coordination with telephone utilities and
31 municipalities for implementation and maintenance;

32 G. Standards and procedures to establish the confidentiality and prevent the
33 dissemination of reports and records handled by public safety answering points and of
34 the bureau;

35 H. Estimates of the cost of establishing an operational ~~E-9-1-1~~ 9-1-1 system;

36 I. Procedures for collecting and administering the necessary funds for ~~E-9-1-1~~ 9-1-1;
37 and

38 J. Standards and procedures for developing and maintaining the system databases and
39 for ensuring the confidentiality of those databases pursuant to section 2929.

40 **2-A. Goal.** To the extent possible, the bureau shall establish a total of between 16 and
41 24 public safety answering points. The bureau shall seek to coordinate any reduction in
42 the number of public safety answering points to achieve this goal with any contractual

1 obligations it may have or may enter into that are or could be affected by that reduction.
2 Prior to implementing a reduction in the number of public safety answering points, the
3 bureau shall make a finding regarding the need for the reduction based on an evaluation of
4 the costs and benefits of the reduction, taking into account impacts on ratepayers, each of
5 the affected municipalities municipality, plantation, county or unorganized territory and
6 the State.

7 **2-B. Exceptions.** Notwithstanding subsection 2-A, the bureau may authorize the
8 establishment of a public safety answering point on a determination that a public safety
9 answering point is necessary to ensure public safety and access to ~~E-9-1-1~~ 9-1-1 services.

10 **3. Rulemaking.** ~~The bureau~~ Public Utilities Commission shall adopt by rule ~~its~~ the
11 bureau's standards, specifications and procedures developed under subsection 2,
12 ~~paragraphs A to F~~ after consultation with the ~~E-9-1-1~~ 9-1-1 Council ~~and following at least~~
13 ~~3 public hearings geographically dispersed throughout the State.~~

14 **4. Technical assistance.** The bureau may provide support for the development of
15 street address information sufficient to support ~~E-9-1-1~~ 9-1-1 services. The bureau shall
16 provide technical assistance to any municipality in the development of street address
17 information at the request of the interested municipality, plantation, county or unorganized
18 territory.

19 ~~**5. Call answering coverage.** The bureau is not required to provide call answering~~
20 ~~coverage in counties or municipalities that choose not to participate in the E-9-1-1 system.~~

21 **6. System databases.** The system databases, wherever located or stored, are the
22 property of the bureau and their confidentiality is governed by section 2929.

23 **Sec. 22. 25 MRSA §2927**, as amended by PL 2023, c. 609, §4, is repealed.

24 **Sec. 23. 25 MRSA §2927-A** is enacted to read:

25 **§2927-A. 9-1-1 funding**

26 **1. Funding.** The activities authorized under this chapter are funded through:

27 A. The statewide 9-1-1 surcharge under subsection 2 levied on:

28 (1) Each residential and business telephone exchange line, including private
29 branch exchange lines and Centrex lines;

30 (2) Semipublic coin and public access lines;

31 (3) Customers of interconnected voice over Internet protocol service; and

32 (4) Customers of cellular or wireless telecommunications service that is not a
33 prepaid wireless telecommunications service. A surcharge may not be levied under
34 this subparagraph with respect to customers of cellular or wireless
35 telecommunications service that is supported by federal universal service support
36 funds pursuant to 47 Code of Federal Regulations, Part 54; and

37 B. The statewide prepaid wireless telecommunications service 9-1-1 surcharge under
38 subsection 3 levied on prepaid wireless telecommunications service customers. A
39 surcharge may not be levied under this paragraph with respect to prepaid wireless
40 telecommunications service supported by federal universal service support funds
41 pursuant to 47 Code of Federal Regulations, Part 54, except that a surcharge may be

1 levied under this paragraph on transactions in which the customer directly purchases
2 optional services that are not supported by federal universal service support funds.

3 **2. Statewide 9-1-1 surcharge.** The statewide 9-1-1 surcharge is governed by this
4 subsection.

5 A. The Public Utilities Commission shall establish the statewide 9-1-1 surcharge,
6 except that the statewide 9-1-1 surcharge may not exceed 35¢ per month per line or
7 number. The commission shall establish the statewide 9-1-1 surcharge by rule or
8 through other commission proceedings. The statewide 9-1-1 surcharge may not be
9 imposed on more than 25 lines or numbers per customer billing account.

10 B. The statewide 9-1-1 surcharge must be collected from the customer according to
11 subsection 1, paragraph A on a monthly basis by each local exchange telephone utility,
12 cellular or wireless telecommunications service provider and interconnected voice over
13 Internet protocol service provider and be shown separately as a statewide 9-1-1
14 surcharge on the customer's bill.

15 C. The place of residence of cellular or wireless telecommunications service customers
16 who are not prepaid wireless telecommunications service customers must be
17 determined according to the sourcing rules for mobile telecommunications services as
18 set forth in Title 36, section 2556.

19 **3. Statewide prepaid wireless telecommunications service 9-1-1 surcharge.** The
20 statewide prepaid wireless telecommunications service 9-1-1 surcharge, referred to in this
21 subsection as "the prepaid wireless 9-1-1 surcharge," is governed by this subsection.

22 The Public Utilities Commission shall establish the prepaid wireless 9-1-1 surcharge,
23 except that the prepaid wireless 9-1-1 surcharge may not exceed 35¢ per retail transaction.
24 The commission shall establish the prepaid wireless 9-1-1 surcharge by rule or through
25 other commission proceedings.

26 **4. 9-1-1 funding obligation; limitation.** The statewide 9-1-1 surcharge imposed by
27 subsection 2 and the prepaid wireless 9-1-1 surcharge imposed by subsection 3 are the only
28 9-1-1 funding obligations imposed with respect to telecommunications service in this State,
29 and another tax, fee, surcharge or other charge may not be imposed by this State, a political
30 subdivision of this State or an intergovernmental agency for funding 9-1-1 purposes on any
31 telecommunications service with respect to the sale, purchase, use or provision of that
32 telecommunications service.

33 **5. Surcharge remittance.** Each local exchange telephone utility, cellular or wireless
34 telecommunications service provider and interconnected voice over Internet protocol
35 service provider shall remit the statewide 9-1-1 surcharge revenues collected from
36 customers pursuant to subsection 1 on a monthly basis and within one month of the month
37 collected, except that a utility or provider whose average monthly surcharge remittance
38 payment for the prior calendar year is less than \$5,000 shall remit the 9-1-1 surcharge
39 revenues on a quarterly basis, to the Treasurer of State for deposit in a separate account
40 known as and referred to in this section as "the 9-1-1 fund." Each telephone utility or
41 service provider required to remit statewide 9-1-1 surcharge revenues shall provide, on a
42 form approved by the bureau, supporting data, including, but not limited to, the following:

43 A. The calculation used to arrive at the surcharge remittance amount;

44 B. The calculation used to arrive at the uncollectible amount of surcharge;

- 1 C. The total surcharge;
- 2 D. The month and year or the quarter and year for which a surcharge is remitted;
- 3 E. The legal name and telephone number of the telephone utility or service provider
- 4 and, if applicable, the parent company name, address and telephone number; and
- 5 F. The name and telephone number of the person who prepared the form.

6 Prepaid wireless 9-1-1 surcharges collected by sellers must be remitted to the State Tax
7 Assessor in accordance with Title 35-A, section 7104-C.

8 **6. Expenditure of funds.** All costs incurred by the bureau under this subsection must
9 be paid from the 9-1-1 fund.

10 A. The bureau may use the revenues in the 9-1-1 fund to:

- 11 (1) Fund staff;
- 12 (2) Defray the costs associated with the implementation, operation and
- 13 management of 9-1-1, including the deployment of 9-1-1 service using emerging
- 14 communications technologies, including, but not limited to, Internet protocol
- 15 enabled services, that are capable of connecting users to public safety answering
- 16 points; and
- 17 (3) Defray the costs, including necessary staffing costs, of the Emergency Medical
- 18 Services' Board in implementing the requirements of Title 32, section 85-A
- 19 through the transfer of funds to the Other Special Revenue Funds, Emergency
- 20 Medical Services account within the Department of Public Safety.

21 B. The bureau shall use the revenues in the 9-1-1 fund to:

- 22 (1) Provide free training courses for emergency medical dispatchers, as defined in
- 23 Title 32, section 85-A, subsection 1, paragraph D, to assist public safety answering
- 24 points in meeting the requirements of Title 32, section 85-A;
- 25 (2) Provide each public safety answering point a sufficient number of approved
- 26 Emergency Medical Dispatch Priority Reference System documents in printed or
- 27 electronic format, as determined by the bureau pursuant to Title 32, section 85-A;
- 28 (3) Provide public safety answering points dispatcher training consistent with the
- 29 protocols, necessary software and printed support materials to assist public safety
- 30 answering points in the adoption and implementation of standardized dispatch
- 31 protocols for answering fire 9-1-1 calls;
- 32 (4) Provide quality assurance training and software to assist public safety
- 33 answering points in ensuring compliance with the standardized dispatch protocols
- 34 for answering fire 9-1-1 calls;
- 35 (5) Provide, subject to available funds not to exceed \$1,000,000 per biennium,
- 36 grants for nonrecurring costs to:
 - 37 (a) Dispatch centers associated with the consolidation of the dispatch centers
 - 38 into public safety answering points;
 - 39 (b) Consolidate 2 or more public safety answering points and dispatch centers
 - 40 into a new regional public safety answering point and dispatch center; or

1 (c) Transfer a public safety answering point and all of its dispatch services to
2 another existing public safety answering point; and

3 (6) Contract with one or more 3rd-party vendors to provide quality assurance
4 review in accordance with rules adopted pursuant to subsection 11 and Title 32,
5 section 85-A, subsection 2 related to the provision of emergency medical dispatch
6 services and answering fire 9-1-1 calls by public safety answering points.

7 **7. Unexpended funds; interest.** The amount of the 9-1-1 fund not expended by the
8 end of the fiscal year may not lapse but must be carried forward to be expended for the
9 purposes specified in this chapter in succeeding fiscal years. The Treasurer of State shall
10 credit all interest on fund balances to the 9-1-1 fund.

11 **8. Legislative annual report.** The bureau shall include in the Public Utilities
12 Commission's annual report pursuant to Title 35-A, section 120, subsection 7 to the joint
13 standing committee of the Legislature having jurisdiction over utilities and energy matters:

14 A. The bureau's planned expenditures for the year and use of funds for the previous
15 year;

16 B. The statewide 9-1-1 surcharge collected under this section;

17 C. The bureau's recommended statewide 9-1-1 surcharge for the coming year;

18 D. The bureau's recommendations for amending existing and enacting new laws to
19 improve the 9-1-1 system; and

20 E. The performance of each of the public safety answering points in the State during
21 the previous calendar year, including the results of the bureau's quality assurance
22 program audits under section 2926, subsection 1-A and any recommendations of the
23 bureau relating to the emergency dispatching standards, practices and procedures of
24 public safety answering points.

25 **9. Committee recommendations; budget.** The joint standing committee of the
26 Legislature having jurisdiction over utilities and energy matters shall make
27 recommendations to the joint standing committee of the Legislature having jurisdiction
28 over appropriations and financial affairs regarding all expenditures from the 9-1-1 fund.

29 **10. Violations.** A telephone utility, a cellular or wireless telecommunications service
30 provider, including a prepaid wireless telephone service provider, or an interconnected
31 voice over Internet protocol service provider subject to this section that intentionally and
32 knowingly fails to remit the statewide 9-1-1 surcharge revenues collected under this section
33 commits a civil violation for which a fine of not more than \$500 may be adjudged for each
34 day that payment is not made after the due date.

35 **11. Rules.** The Public Utilities Commission shall adopt rules necessary to implement
36 the provisions of this section. Rules adopted under this subsection are routine technical
37 rules as defined in Title 5, chapter 375, subchapter 2-A.

38 **Sec. 24. 25 MRSA §2929, sub-§1, ¶A,** as enacted by PL 1997, c. 291, §3, is
39 amended to read:

40 A. The names, addresses and telephone numbers of persons listed in ~~E-9-1-1~~ 9-1-1
41 databases;

1 **Sec. 25. 25 MRSA §2929, sub-§1, ¶D**, as amended by PL 2015, c. 153, §1, is
2 further amended to read:

3 D. Personally identifying information of and any medical information about a person
4 receiving emergency services through the ~~E-9-1-1~~ 9-1-1 system; or

5 **Sec. 26. 25 MRSA §2929, sub-§2, ¶D**, as enacted by PL 1997, c. 291, §3, is
6 amended to read:

7 D. The bureau director may disclose confidential information to public safety
8 answering points, public or private safety agencies, emergency responders or others
9 within the ~~E-9-1-1~~ 9-1-1 system to the extent necessary to implement and manage the
10 ~~E-9-1-1~~ 9-1-1 system.

11 **Sec. 27. 25 MRSA §2929, sub-§4, ¶A**, as enacted by PL 1997, c. 291, §3, is
12 amended to read:

13 A. To persons within the ~~E-9-1-1~~ 9-1-1 system to the extent necessary to implement
14 and manage the ~~E-9-1-1~~ 9-1-1 system;

15 **Sec. 28. 25 MRSA §2929, sub-§5**, as enacted by PL 1997, c. 291, §3, is amended
16 to read:

17 **5. Unlisted telephone numbers.** The name and address associated with the number
18 of a telephone company customer with an unlisted telephone number may be furnished to
19 the ~~E-9-1-1~~ 9-1-1 system for processing a request for ~~E-9-1-1~~ 9-1-1 services from that
20 number and for the provision of emergency services resulting from the request.

21 **Sec. 29. 25 MRSA §2930**, as amended by PL 2007, c. 504, §1, is further amended
22 to read:

23 **§2930. Immunity**

24 **1. Governmental entity.** Subject to all the limitations and exceptions provided under
25 the Maine Tort Claims Act, Title 14, chapter 741, a ~~government~~ governmental entity is
26 immune from tort liability for property damages, bodily injury or death resulting from acts
27 or omissions occurring in developing, establishing, implementing, maintaining or operating
28 the ~~E-9-1-1~~ 9-1-1 system.

29 **2. Telecommunications providers.** A telecommunications provider assisting in the
30 implementation and operation of the statewide ~~E-9-1-1~~ 9-1-1 system, including, but not
31 limited to, the development, establishment and maintenance of the ~~E-9-1-1~~ 9-1-1 system,
32 is subject to tort liability:

33 A. For property damages, bodily injury or death resulting from any defect in the
34 ~~E-9-1-1~~ 9-1-1 system or inadequacy in the provision of ~~E-9-1-1~~ 9-1-1 service caused
35 by the telecommunications provider's negligent acts or omissions in developing,
36 establishing, implementing, maintaining or operating the ~~E-9-1-1~~ 9-1-1 system, up to
37 a maximum amount for ~~any and all~~ claims arising out of a single occurrence not to
38 exceed \$300,000 or the dollar amount that appears in Title 14, section 8105, subsection
39 1, whichever is greater; and

40 B. For property damages, bodily injury or death resulting from any defect in the
41 ~~E-9-1-1~~ 9-1-1 system or inadequacy in the provision of ~~E-9-1-1~~ 9-1-1 service caused
42 by the telecommunications provider's intentional, willful or reckless acts or omissions

1 in developing, establishing, implementing, maintaining or operating the ~~E-9-1-1~~ 9-1-1
2 system, without limitation on the amount.

3 For purposes of this subsection, ~~the term~~ "telecommunications provider" means a local
4 exchange carrier, a commercial mobile service provider, as defined in 47 United States
5 Code, Section 332(d), or ~~an interconnected voice over Internet protocol service provider an~~
6 originating service provider; an employee of a local exchange carrier, commercial mobile
7 service provider or ~~interconnected voice over Internet protocol service provider~~ originating
8 service provider acting within the scope of the employee's employment; or an agent of a
9 local exchange carrier, commercial mobile service provider or ~~interconnected voice over~~
10 ~~Internet protocol service provider~~ originating service provider acting within the scope of
11 the agent's agency.

12 For purposes of this subsection, ~~the term~~ "~~E-9-1-1~~ 9-1-1 system" includes, but is not
13 limited to, the networks, databases and call processing services necessary to provide
14 ~~enhanced~~ 9-1-1 services or ~~enhanced~~ 9-1-1 access-only services in accordance with this
15 chapter and rules adopted under this chapter.

16 **Sec. 30. 25 MRSA §2931**, as amended by PL 2019, c. 339, §9, is further amended
17 by amending the section headnote to read:

18 **§2931. Misuse of ~~E-9-1-1~~ 9-1-1 system**

19 **Sec. 31. 25 MRSA §2931, sub-§1**, as amended by PL 2019, c. 339, §9, is further
20 amended to read:

21 **1. Prohibited use.** A person is guilty of misuse of the ~~E-9-1-1~~ 9-1-1 system if without
22 reasonable cause the person, after having been forbidden to do so by a public safety
23 answering point manager or administrator or a law enforcement officer:

- 24 A. Makes repeated 9-1-1 calls to make nonemergency reports or inquiries;
25 B. Causes 9-1-1 calls to be made using an alarm or other alerting device that
26 automatically contacts 9-1-1 and transmits a prerecorded signal or message; or
27 C. Violates paragraph B after having previously violated paragraph B.

28 **Sec. 32. 25 MRSA §2932, sub-§1**, as amended by PL 2021, c. 348, §38, is further
29 amended to read:

30 **1. Designated emergency telephone number.** The primary telephone number to be
31 used in a telephone exchange to request emergency services following the activation of
32 ~~E-9-1-1~~ 9-1-1 services for that exchange, including the number for telecommunications
33 devices for communication for persons who are deaf, hard of hearing or speech impaired,
34 is 9-1-1. A person may not advertise or promote for emergency response services any
35 telephone number other than 9-1-1.

36 **Sec. 33. 25 MRSA §2932, sub-§2**, as amended by PL 2015, c. 62, §2, is repealed.

37 **Sec. 34. 25 MRSA §2933**, as amended by PL 2003, c. 505, §§5 and 6, is further
38 amended to read:

39 **§2933. Local exchange carrier and originating service provider participation**

40 **1. Implementation of ~~E-9-1-1~~ 9-1-1 by local exchange carrier.** Each local exchange
41 carrier offering service over the public switched telephone network, in accordance with

1 rules and procedures adopted by the ~~bureau~~ Public Utilities Commission, shall implement
2 the ~~E-9-1-1~~ 9-1-1 system and provide the universal emergency telephone number 9-1-1 for
3 use by the public in seeking emergency services assistance through the ~~E-9-1-1~~ 9-1-1
4 system.

5 **2. Required information for ~~E-9-1-1~~ 9-1-1 database.** Each ~~local exchange carrier~~
6 originating service provider shall provide to the bureau or its designee the automatic
7 number identification, automatic location identification and any other information required
8 to establish and maintain the ~~E-9-1-1~~ 9-1-1 database and ~~service~~ services in accordance
9 with the rules adopted by the ~~bureau~~ Public Utilities Commission.

10 **3. Coordination of ~~E-9-1-1~~ 9-1-1 service; coordinator.** Each ~~local exchange carrier~~
11 ~~and cellular or wireless telecommunications service provider~~ originating service provider
12 within the State shall coordinate all implementation, operation and maintenance directly
13 relating to ~~E-9-1-1~~ 9-1-1 through the bureau and shall designate a primary contact person,
14 who may delegate the authority to one or more other persons, to coordinate with and
15 provide all relevant information to the bureau to carry out the purposes of the chapter.

16 **4. Penalties.** ~~On petition by the bureau, the~~ The Public Utilities Commission, in an
17 adjudicatory proceeding, may impose the following administrative penalties for a violation
18 by a local exchange carrier ~~or an originating service provider~~ of subsection 1 or 2 or any
19 rules adopted by the ~~bureau~~ Public Utilities Commission implementing subsection 1 or 2:

20 A. An administrative penalty of up to \$1,000 for each day of the violation; and

21 B. In extraordinary cases, as determined by the Public Utilities Commission,
22 revocation of the commission's authorization of the ~~local exchange carrier's~~ originating
23 service provider's authority to provide ~~local exchange~~ service in this State.

24 Rules adopted pursuant to this section are routine technical rules pursuant to Title 5,
25 chapter 375, subchapter 2-A.

26 **Sec. 35. 25 MRS §2934**, as amended by PL 2019, c. 339, §10, is further amended
27 to read:

28 **§2934. Multiline telephone systems**

29 **1. Requirements.** The ~~bureau~~ Public Utilities Commission may by rule establish
30 requirements for locating 9-1-1 calls, and initiating emergency responses to such calls,
31 made from within multiline telephone systems, including network-based or premises-based
32 systems and voice over Internet protocol systems, whether owned or leased by a public or
33 private entity, such as private branch exchanges or Centrex systems. Rules adopted
34 pursuant to this section:

35 A. May not require any local unit of government to expand or modify its activities so
36 as to necessitate additional expenditures from local revenues;

37 B. Apply only to multiline telephone systems installed, introduced, established or
38 replaced after the effective date of the rules;

39 C. Must provide for appropriate standards, exemptions and waivers that balance the
40 benefits of improved methods of locating 9-1-1 calls, and initiating emergency
41 responses to such calls, made from within multiline telephone systems and the cost of
42 achieving those improvements. The rules must allow, in appropriate circumstances,

1 for methods that do not utilize automatic location identification and automatic number
2 identification standards used in processing 9-1-1 calls; and

3 D. May establish appropriate technical, procedural or any other standards relating to
4 multiline telephone systems, telecommunications carrier interconnectivity, databases,
5 dialing instructions, signaling or other matters necessary or appropriate to carry out the
6 purposes of this section.

7 **2. Rules.** Rules adopted pursuant to this section are major substantive rules as defined
8 in Title 5, chapter 375, subchapter 2-A. ~~The bureau may not provisionally adopt any rule~~
9 ~~under this section that has not been approved by the Public Utilities Commission.~~

10 **Sec. 36. 25 MRSA §2935**, as enacted by PL 2007, c. 226, §2, is amended to read:

11 **§2935. ~~E-9-1-1~~ 9-1-1 access-only service**

12 **1. Provision of ~~E-9-1-1~~ 9-1-1 access-only service.** It is the policy of this State that
13 ~~E-9-1-1 9-1-1~~ be broadly available where it is economically and technologically practical.
14 The ~~bureau~~ Public Utilities Commission shall, by rule, establish requirements for the
15 provision of ~~E-9-1-1~~ 9-1-1 access-only service, including, but not limited to, the
16 circumstances in which ~~E-9-1-1~~ 9-1-1 access-only service is and is not required and which
17 telephone service providers are and are not subject to the requirements.

18 **2. Rulemaking.** The ~~bureau~~ Public Utilities Commission shall adopt rules to
19 implement this section. Rules adopted pursuant to this subsection are ~~major substantive~~
20 routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

21 **Sec. 37. 30-A MRSA §3110**, as enacted by PL 2009, c. 477, §1, is amended to read:

22 **§3110. Road-naming disputes**

23 Unless otherwise provided by local ordinance or charter, when there is a dispute over
24 the naming of a town way, private way or private road for ~~E-9-1-1~~ 9-1-1 purposes, the
25 decision of the municipal officers is final.

26 **Sec. 38. 30-A MRSA §7062**, as enacted by PL 1997, c. 409, §2, is amended by
27 amending the section headnote to read:

28 **§7062. ~~Enhanced~~ 9-1-1 addressing standards**

29 **Sec. 39. 30-A MRSA §7062, first ¶**, as enacted by PL 1997, c. 409, §2, is amended
30 to read:

31 A plantation may enact an ordinance to establish ~~enhanced~~ 9-1-1 addressing standards
32 and, pursuant to that ordinance, may:

33 **Sec. 40. 30-A MRSA §7501, sub-§8**, as amended by PL 1999, c. 106, §2, is further
34 amended to read:

35 **8. ~~Enhanced~~ 9-1-1 service.** Assigning and maintaining physical addresses
36 specifically for the purpose of statewide ~~enhanced~~ 9-1-1 service. The county
37 commissioners may enact an ordinance to establish the addressing standards and, pursuant
38 to that ordinance, may assign road names to existing and proposed roads and property
39 numbers to existing and proposed year-round and seasonal dwellings or structures and may
40 install signs designating road names; and

1 **Sec. 41. 32 MRSA §85-A, sub-§4**, as amended by PL 2011, c. 271, §12, is further
2 amended to read:

3 **4. Licensing actions.** A license issued pursuant to this section is subject to the
4 provisions of sections 90-A and 91-A. Before the board or its subcommittee or staff takes
5 any final action to suspend or revoke an emergency medical dispatch center license or to
6 refuse to reissue an emergency medical dispatch center license, the board shall contact the
7 bureau for input on the effect of such an action on the ~~E-9-1-1~~ 9-1-1 system and,
8 notwithstanding section 91-B, may, to the extent necessary for this purpose, disclose to the
9 bureau information that is designated as confidential under section 91-B.

10 **Sec. 42. 32 MRSA §98, sub-§1, ¶C**, as enacted by PL 2023, c. 412, Pt. GGGGG,
11 §1, is amended to read:

12 C. "Historical activations" means the number of times an emergency medical services
13 entity was dispatched by the ~~E-9-1-1~~ 9-1-1 system within a defined period of time.

14 **Sec. 43. 35-A MRSA §120, sub-§7, ¶A**, as enacted by PL 2023, c. 77, §4, is
15 amended to read:

16 A. Title 25, section ~~2927~~ 2927-A, subsection ~~5~~ 8;

17 **Sec. 44. 35-A MRSA §7104-C, sub-§1, ¶C**, as enacted by PL 2011, c. 600, §7
18 and affected by §10, is amended to read:

19 C. The statewide prepaid wireless telecommunications service ~~E-9-1-1~~ 9-1-1
20 surcharge levied on prepaid wireless telecommunications service consumers pursuant
21 to Title 25, section ~~2927~~ 2927-A, subsection ~~4-F~~ 3.

22 **Sec. 45. 35-A MRSA §7104-C, sub-§2, ¶I**, as amended by PL 2017, c. 475, Pt.
23 A, §59, is further amended by amending subparagraph (1) to read:

24 (1) The portion of the remitted prepaid wireless fees attributable to the ~~E-9-1-1~~
25 9-1-1 surcharge imposed by Title 25, section ~~2927~~ 2927-A, subsection ~~4-F~~ 3 is
26 deposited in a separate account;

27 **Sec. 46. 35-A MRSA §7201, sub-§2**, as enacted by PL 2011, c. 623, Pt. A, §18, is
28 amended to read:

29 **2. Access to emergency services.** "Access to emergency services" means access to
30 emergency services, as defined in Title 25, section 2921, subsection 5, through 9-1-1 ~~or~~
31 ~~enhanced 9-1-1~~ service, as defined in Title 25, section 2921, subsection 6, to the extent a
32 local government in the service area of a provider of last resort service provides 9-1-1 ~~or~~
33 ~~enhanced 9-1-1~~ services.

34 **Sec. 47. 36 MRSA §191, sub-§2, ¶JJJ**, as enacted by PL 2019, c. 401, Pt. E, §1
35 and reallocated by RR 2019, c. 1, Pt. A, §56, is amended to read:

36 JJJ. The disclosure of information to an authorized representative of the Public Utilities
37 Commission for use in the commission's administration and oversight of the ~~E-9-1-1~~
38 9-1-1 funding under Title 25, section ~~2927~~ 2927-A, the state universal service fund
39 under Title 35-A, section 7104 and the telecommunications education access fund
40 under Title 35-A, section 7104-B. The assessor shall apprise the authorized
41 representative of the provisions regarding confidentiality of such information and of
42 the continuing confidential nature of the disclosed information.

1 4. It expands the granting authority of the bureau to allow grants, subject to available
2 funds, to be used to consolidate 2 or more public safety answering points and dispatch
3 centers into a new regional public safety answering point and dispatch center or transfer a
4 public safety answering point and all of its dispatch services to another existing public
5 safety answering point. It also changes the allowable funding cap for nonrecurring costs to
6 \$1,000,000 per biennium;

7 5. It removes the requirement that the bureau reimburse local exchange carriers and
8 cellular and wireless telecommunications service providers for eligible expenses incurred
9 by the carriers and service providers;

10 6. It removes the requirement regarding the inclusion of 9-1-1 information in telephone
11 directories; and

12 7. It expands the application of provisions related to the information required to be
13 provided to the commission in order to maintain the 9-1-1 database and services and the
14 coordination of 9-1-1 service from local exchange carriers only to originating service
15 providers.
