37 38	(1) The juvenile had a first appearance with respect to the petition in the Juvenile Court at least 30 days prior to the request for inspection of the petition; and
39 40 41	(2) The Juvenile Court has found there is probable cause to believe the juvenile committed a juvenile crime that would be a violation of Title 17-A, section 201, 202 or 203 if the juvenile involved were an adult.

6 7	The Juvenile Court shall redact the names and identifying information of any alleged minor victims prior to the inspection of a juvenile petition.
8 9 10 11 12	If a request to allow public inspection of a petition under this subsection has been filed, the Juvenile Court shall advise the juvenile and the juvenile's parent or parents, guardian or legal custodian that the request has been made and shall advise them of the juvenile's right to be represented by counsel. 6 7	Any information received under this paragraph is confidential and may not be further disclosed or disseminated, except as otherwise provided by law.
8 9 10 11 12 13	D. Nothing in this section precludes dissemination of any information in the juvenile case records in the possession of the Department of Corrections if the person concerning whom the juvenile case records are sought, the juvenile, the person's legal guardian, if any, and, if the person is a minor, the person's parent or parents, guardian or legal custodian have given informed written consent to the dissemination of the juvenile case records.
14 15 16 17 18 19 20	E. SUMMARY

21 This bill defines "confidential juvenile history record information" and "public juvenile 22 history record information" and creates statutory authority governing the dissemination of 23 juvenile history record information by a Maine criminal justice agency to create 24 consistency between which juvenile case records may be open to public inspection at the 25 courts and information that may be shared publicly by a criminal justice agency. It provides a definition of "administration of juvenile justice" for all of the Maine Juvenile Code and 26 27 amends several provisions to make consistent the use of the term "administration of 28 juvenile justice" and deletes the term "administration of juvenile criminal justice."

It modifies the Maine Juvenile Code to limit access to juvenile case records maintained by Juvenile Courts and reorganizes existing provisions based on whether they allow disclosure of a juvenile's identity, allow inspection of juvenile case records, allow dissemination of juvenile case records or allow the general public access to Juvenile Court proceedings. It provides that a victim or an agent of the victim may inspect the juvenile petition and order of adjudication regardless of whether the general public may do so.

35 This bill allows automatic public inspection of a juvenile petition only if the petition alleges murder, felony murder or manslaughter, the juvenile has attained 13 years of age at 36 37 the time of the offense and at least 30 days have passed since the juvenile's first appearance in the Juvenile Court. A juvenile petition that alleges a juvenile who was at least 13 years 38 of age when the juvenile committed a Class A crime are open to public inspection 30 days 39 40 after the juvenile's first appearance unless the court orders the petition confidential. A juvenile petition alleging that a juvenile under 13 years of age committed murder or a Class 41 42 A crime and a petition alleging a juvenile of any age committed a Class B or Class C crime 43 are confidential unless the Juvenile Court authorizes public inspection.

- A juvenile petition may be open to public inspection 30 days after the juvenile's first appearance in the Juvenile Court to ensure that the Juvenile Court has determined there is probable cause to believe the juvenile committed the crime alleged and there is no assertion that the juvenile is not competent to proceed in the Juvenile Court.
- 5 It provides that only orders of adjudication for juvenile crimes that would constitute 6 murder or Class A, B or C crimes if the juvenile were an adult are open to public inspection 7 and dissemination by a court or criminal justice agency.
- 8 It clarifies that the general public may not be excluded from any Juvenile Court 9 proceeding when a juvenile petition is open to public inspection pursuant to statute or court 10 order. A victim or an agent of the victim may be present at all court proceedings regardless 11 of whether the proceedings are open to the general public.
- 12 It provides for the automatic sealing of juvenile case records for crimes that, if the 13 juvenile were an adult, would constitute Class D crimes, other than operating under the 14 influence, or Class E crimes upon the completion of the disposition ordered by the Juvenile 15 Court. The sealing procedure would remain unchanged for Class A, Class B and Class C 16 crimes and murder.
- 17 It makes all juvenile case records and all Juvenile Court proceedings confidential when 18 Juvenile Court proceedings are suspended due to an assertion by the juvenile, the State or 19 the court that the juvenile may not be competent to proceed in the Juvenile Court. Juvenile 20 case records and Juvenile Court proceedings remain confidential unless the Juvenile Court 21 proceedings resume after the juvenile is found competent.
- 22 This bill creates a new civil cause of action for a person about whom confidential records or information has been disclosed in knowing or intentional violation of the Maine 23 Revised Statutes, Title 15, section 3010, subsection 6 or section 3308-A, subsection 4. A 24 25 person who brings and prevails in such a civil action is entitled to injunctive relief, reimbursement of court costs and reasonable attorney's fees, an award of actual damages 26 27 of up to \$5,000 and award of punitive damages. It also creates a new civil violation for 28 which any person who intentionally or knowingly disseminates confidential juvenile 29 history may be fined up to \$1,000.
