## 7 SUMMARY

8 This bill provides that a hospital or its vendor, in making and providing a paper copy  
9 of a patient's medical record and additions to the medical record, may assess reasonable  
10 fees as charges to the requesting person, and the hospital or its vendor may require payment  
11 prior to responding to the request. A charge to a 3rd party receiving a paper copy of a  
12 patient's medical record may not exceed \$20 for validating the request documents and  
13 locating the medical record and 45¢ for each page of the medical record, up to a maximum  
14 of \$250 for an entire medical record. A \$20 fee may also be charged for providing a letter  
15 that states that the patient's medical record was not located. If a patient's medical record  
16 exists in a digital or electronic format, a hospital or its vendor must provide an electronic  
17 copy of the medical record if an electronic copy is requested and it is reasonably possible  
18 to provide it. The hospital or its vendor may assess as charges to a 3rd party receiving a  
19 medical record a fee not to exceed \$20 for validating the request documents and locating  
20 the medical record and 45¢ for each page of the medical record to create or copy the medical  
21 record. A \$20 fee may also be charged for providing a letter that states that the patient's  
22 medical record was not located. Charges assessed may not exceed \$150.

23 The bill also provides that whenever a health care practitioner or its vendor furnishes  
24 in paper form requested copies of a patient's treatment record or a medical report or an  
25 addition to a treatment record or medical report to a 3rd party, the charge for the copies of  
26 a patient's treatment record or the medical report may not exceed \$20 for validating the  
27 request documents and locating the treatment record or medical report and 45¢ for each  
28 page of the treatment record or medical report, up to a maximum of \$250 for the entire  
29 treatment record or medical report. A \$20 fee may also be charged for providing a letter  
30 that states that a patient's treatment record or medical report was not located. If a treatment  
31 record or medical report exists in a digital or electronic format, the health care practitioner  
32 or its vendor must provide an electronic copy of the treatment record or medical report if  
33 an electronic copy is requested and it is reasonably possible to provide it. The health care  
34 practitioner or its vendor may assess as charges to a 3rd party receiving a patient's treatment  
35 record or a medical report a fee not to exceed \$20 for validating the request documents and  
36 locating the patient records and 45¢ for each page of the treatment record or medical report.  
37 The \$20 fee may also be charged for providing a letter that states that a patient's treatment  
38 record or medical report was not located. Charges assessed may not exceed \$150.
