34 customer and self-storage provider that establishes or modifies the terms, conditions or  
35 other provisions governing a customer's occupancy and use of a storage space within a self-  
36 storage facility owned or operated by the self-storage provider.

37 **6. Self-storage facility.** "Self-storage facility" means any real property or facility in  
38 which individual storage spaces rented or leased by a self-storage provider to a customer

1 are located and within which a customer is generally responsible for placing and removing  
2 property the customer stores within a rented or leased storage space.

3 **7. Self-storage insurance.** "Self-storage insurance" means personal property  
4 insurance authorized under section 705 providing coverage for the repair or replacement of

16 this chapter prior to selling or offering coverage under a policy of self-storage insurance.

17 **2. Authority provided by license.** A limited lines license issued under this chapter  
18 authorizes any employee or authorized representative of a self-storage provider to sell or  
19 offer coverage under a policy of self-storage insurance to a customer at each location at  
20 which the self-storage provider engages with a customer or prospective customer.

21 **3. List of locations.** In connection with a self-storage provider's application for a  
22 license under section 7606 and upon request by the superintendent, the self-storage  
23 provider shall provide a list to the superintendent of all locations in this State at which the  
24 self-storage provider offers coverage.

25 **4. Activities authorized by license.** Notwithstanding any provision of law to the  
26 contrary, a license issued pursuant to this chapter authorizes the licensee and its employees  
27 or authorized representatives to engage only in those activities that are expressly permitted  
28 in this chapter.

#### 29 **§7603. Requirements for the sale of self-storage insurance**

30 **1. Brochures.** At each location where a self-storage provider sells or offers self-

40 (2) The identity of the supervising entity;

41 (3) The amount of any applicable deductible and how it is to be paid; and

- 1                   (4) Benefits of the coverage;
- 2                   D. Summarize the process for filing a claim; and
- 3                   E. State that the customer may cancel enrollment for coverage under a self-storage
- 4                   insurance policy at any time and the person paying the premium must receive a refund
- 5                   of any applicable unearned premium.

6                   **2. Periodic basis of coverage.** Self-storage insurance may be offered on a month-to-

7                   month or other periodic basis as a group or master commercial inland marine policy issued

8                   to a self-storage provider under which individual customers may elect to enroll for

9                   coverage.

10                  **3. Eligibility and underwriting standards.** Eligibility and underwriting standards

11                  for customers that elect to enroll in self-storage insurance must be established by an insurer

12                  for each self-storage insurance program.

13                  **§7604. Authority of self-storage providers**

14                  **1. Requirements for employees and authorized representatives of self-storage**

15                  **providers.** An employee or authorized representative of a self-storage provider may sell

16                  or offer self-storage insurance to a customer and is not subject to licensure as an insurance

17                  producer under this chapter if:

18                  A. The self-storage provider obtains a limited lines license to authorize its employees

19                  or authorized representatives to sell or offer self-storage insurance pursuant to this

20                  section;

21                  B. The insurer issuing the self-storage insurance either directly supervises or appoints

22                  a supervising entity to supervise the administration of the sale of insurance, including

23                  development of a training program for employees and authorized representatives of the

24                  self-storage providers.

25                  (1) The training must be delivered to all employees and authorized representatives

28                  If the training is conducted in electronic form, the supervising entity shall

30                  licensed employees of the supervising entity to supplement the electronic training.

31                  (2) Each employee and authorized representative must receive basic instruction

41                  included with the rental or lease of self-storage or related services, the self-storage provider

42                  shall clearly and conspicuously disclose to the customer that the self-storage insurance

43                  coverage is included with the rented or leased storage space. A self-storage provider billing

1 and collecting charges for coverage is not required to maintain those funds in a segregated  
2 account as long as the self-storage provider is authorized by the insurer to hold such funds  
3 in an alternative manner and remits the funds to the supervising entity within 60 days of  
4 receipt. All funds received by a self-storage provider from a customer for the sale of self-  
5 storage insurance are considered funds held in trust by the self-storage provider in a  
6 fiduciary capacity for the benefit of the insurer. A self-storage provider may receive  
7 compensation for billing and collection services.
